CLARENDON, DONLEY COUNTY, TEXAS, NOVEMBER 20, 1958

A Common Paper for Common People

GOVERNOR PROCLAIMS CHRISTMAS SEAL DAYS—Governor Price Daniel proclaimed Christmas Seal Days from November 14 to December 24 as he viewed Designer Alfred Guerra's original drawing for the 1958 seals. Mr. Guerra, a former San Antonian who now lives in New York, submitted the winning design for the seals in nationwide competition. In the proclamation, Governor Daniel said, "Throughout most of the world tuberculosis remains as mankind's chief fatal disease. Modern drugs, medical science and better living conditions have lowered the once terrible death rate of tuberculosis in Texas, but new cases continue to be found each year. In our country today an American dies of tuberculosis every forty minutes and each six minutes another person becomes ill with this disease. The Christmas Seal Sale is the one annual appeal of the Texas Tuberculosis Association and its affiliated county associations for funds to make possible year-round work for the prevention and control of tuberculosis. Therefore I . . . urge all citizens to buy and use Christmas Seals . . ."

Bronchos Lose Final To McLean, 38 to 32

The Clarendon High School Bronchos ended their 1958 football season in a thrilling offensive battle with the McLean Tigers last Friday night. The Bronchos were on the short end of a 38 to 32 score, the conversions telling the difference as the two teams scored five touchdowns each. McLean's offensive was spearheaded by cousins Billy and David Crockett while the Bronchos were led by their bruising runner, John Morrow, and the converted center, John Richerson.

The game was strictly offensive all the way. Neither team punted during the game and McLean finally came out with an 18 to 17 advantage in first downs and the Bronchos led six to five in 20-yard penetrations.

The Tigers broke the ice in the first quarter when Billy Crockett raced 28 yards for their first touchdown. David Crockett ran the conversion to put the Tigers ahead 8 to 0. The Bronchos got back into the game near the end of the first quarter when Morrow hit Richerson with a pass on a play that covered 28 yards. The Tigers scored twice more during the second quarter, once on a 39 yard run by David Crockett and another on a 29 yard run by Billy Crockett. The score at the end of the half was 22 to 6.

The Bronchos came out fighting in the second half and scored with Morrow making the final 17 yards to pay-dirt early in the third quarter. A little later the Tigers lengthened their lead when Jim Wright made the final five yards to bring the score to 30 to 12. The Bronchos took the kick-off and marched right down the field and scored when Morrow hit Neel Carter with a pass that covered 18 yards and a touchdown. The Tigers, however, did not lose much time in getting the score back when they took the Broncho kick-off and went for the score with David Crockett making the last 9 yards. This brought the score of 38 to 18 but the Bronchos were not through. They came back and scored two more touchdowns with Morrow making one on a two yard plunge and Richerson making the final tally on a one-yard power play. Darrell Leffew made the only conversion of the game for Clarendon when he went over following Morrow's last touchdown.

Bronchos Announce Basketball Schedule

The basketball schedule for the 1958-59 year has been announced by Coach Roy Young. The schedule follows:

- Nov. 21 Silvertown—There
- Nov. 25 Turkey—Here

- * District 2-A Conference games.

Odd Fellows to Rent Lodge Building

The Clarendon Odd Fellows Lodge No. 381 announced this week that the Lodge building will be for rent for private parties, school parties and banquets. The building is located at the south end of main street and to the west corner. Anyone interested in renting the building should contact W. C. Neighbors, A. S. McAnear, or Delbert Robertson.

There will be domino and forty-two games for Odd Fellows and their wives and all Rebekahs and their husbands Monday night, November 24, at 7:30. All is free with coffee and doughnuts being served as refreshments. Please bring your card tables and dominoes.

COUNTRY CLUB SHOOT NOVEMBER 23RD

The Clarendon Country Club will hold its annual prize Trap Shoot this coming Sunday, November 23rd at 1 p. m. at the club shooting range. All marksmen are urged to be present and take home the Pheasants, Bacon and Hams. Shells will be available at the club.

William E. Lawson Services Held

Funeral services for William Edward Lawson, 78, retired Nazarene minister, were conducted at 2 p. m. Monday afternoon in the First Baptist Church. Rev. W. E. Bond of Pampa and the Rev. J. S. Tipton of Hedley officiated. Burial was in the Rowe Cemetery at Hedley.

Mr. Lawson died Saturday evening in Cleveland Rest Home here. He was born January 12, 1880 and had been a resident of Hedley for about 45 years.

Survivors are his wife Annie, of Clarendon; two sisters, Mrs. W. E. Coleman of Lancaster and Mrs. Lelia Stamps of Rome; also one brother, D. O. Lawson of Decatur.

Pallbearers were Sam Owens, Otis Owens, D. L. Hickey, W. W. Richards, W. W. Wiggins, and Pat O'Hair.

Local Youth Admits Throwing Paint

A Freshman student in Clarendon High School admitted to Sheriff Bill Cornell and Deputy Troy Marsh Tuesday that he was the guilty person that threw a quart of green paint all over the front door, screen door and the porch of the G. W. Estlack home Friday night of last week. He will appear at a hearing before Judge R. E. Drennan later this week or next.

The paint throwing took place only a short time after the Estlack's had learned of the death of A. D. Estlack had gone to the Alfred Estlack home to join his family.

The youth said that he was to be punished this week for misbehaving in class by copying some pages in the Dictionary and that it made him mad. Mrs. G. W. Estlack took over the Freshman English classes to help out until the new English teacher arrives Monday, November 24th.

Former Bulldogs Playing For Wayland Pioneers

Two former Clarendon Junior College Bulldogs, Boyd White and Steve Jarnigan, are currently starters for the strong Wayland College Pioneer basketball team. White graduated from Clarendon Junior College in 1957 and is a senior at Wayland and Jarnigan, who graduated here last spring, is a junior at Wayland. Both boys were outstanding stars for the Bulldogs during their playing days here.

In last Saturday night's game with Oklahoma Baptist University, whom Wayland defeated 71 to 60, Jarnigan was the high point man with 22 points and White followed with 12 points.

Leader to Be Early Next Week—We Hope

As in past years the Leader force attempt to publish the leader a day early next week so everyone in the local area will receive their paper Wednesday instead of having to wait until after Thanksgiving.

Since we are working short-handed due to the death of A. D. Estlack, our editor and linotype operator, all we can say is we will make every effort to publish early. If you don't receive your Leader on Wednesday you will know we didn't make it and it will be Friday instead if you depend on rural delivery.

In order to make this attempt, we will need all news and advertising copy a day early. All rural correspondents are asked to bring their items in as early Monday as possible. Your help in this way will certainly be appreciated.

Hedley Homecoming Set For Nov. 29

The annual Homecoming for ex-students and teachers of Hedley High School will be held Saturday, November 29. Opening the round of activities will be the crowning of the High School queen Friday evening, November 28, at 7:30 in the school auditorium.

Registration for Homecoming will be held in the High School library beginning at 6:30 p. m. Saturday evening, November 29 and will be followed by informal get-togethers. At 8 p. m. a banquet will be served in the High School Gym. After the banquet, there will be a program and business meeting.

The executive committee of the Ex-Student Association extends a warm "welcome back home" and urges you to attend and make new old acquaintances and make new ones.

Minister Called to New Field

Royce E. Wood resigned his work here with the First Christian Church this week to accept the call to minister to the First Christian Church of Elkville, Illinois. Bro. Wood and his family plan to go to Iraan, Texas, to visit with his folks over the Thanksgiving holidays before moving to Elkville. They will go on to Elkville from Iraan.

Bro. Wood and his family wish to thank all the members of First Christian Church and all of their friends here in Clarendon for the many kindnesses shown to them while they served the Lord here. They said they will never forget the friendly people here and pray that the Lord will richly bless all of them.

Alfred D. Estlack Co-publisher And Editor of Leader Dies

Bronchos Open Home Season Next Tuesday

Clarendon High School Basketball Coach, Roy Young, is losing little time in converting from football to basketball as he has his charges, both boys and girls, opening the season Friday night with the Silvertown Owls in Silvertown. The first home game for the local boys and girls will be against Turkey next Tuesday night. The girls game will get underway at 7:00 o'clock with the boys game following.

Coach Young has been working the girls for sometime getting them ready for the season ahead. Girls who lettered last year returning this year include Beth Lamberth, Joan Bennett, Pat Spurgeon, Pat Owens and Ann Slavin. Other girls out for the team include Charlene White, Paula Adams, Pauline Mills, Peggy Jackson and Gay Watson. The probable starters for the opening game will be Bennett, Adams and Slavin at forwards and Lamberth, Spurgeon and Owens at guards. Paula Adams is a freshman student who transferred from Estelline.

Boy's lettermen returning this year from last year's district championship team are John Morrow, Keith Schollenbarger, Melvin Housden, W. N. Elam, Jimmy Johnson, Kenneth Housden and Wayne Mann. Man has not actually started working out as yet because of a football injury but is expected to be working out in the near future. Other boys presently on the "A" squad include Sandy Skelton, Jerry Allen, Larry Hopkins, Steve Mills, Philip Abel and Dennis Bradshaw. Coach Young has indicated that his probable starters for Friday night's game will be Morrow, Schollenbarger, Melvin Housden, Elam and Johnson.

Turkey Shoot At McLean

The Band Booster Club at McLean is sponsoring a Turkey Shoot, Saturday, November 22, at the old Golf Course on the Lefors highway. Fee will be \$2 per person per flight with five persons to each flight and five shots per flight.

Prizes valued up to \$5 for the winner of each flight will be awarded and coffee and doughnuts will be served. Everyone is invited to come over and take part.

A. D. ESTLACK

Muscular Dystrophy Drive to Get Underway

Lloyd McCord, chairman for the local Muscular Dystrophy drive, is making plans for a fund raising campaign in this community the coming week. All who can are urged to make their donation as generous as possible in the hopes that this dread disease may some day be controlled as has Polio.

Mr. McCord stated that those desiring to contribute to the drive should leave their porch lights on Monday night, November 24. Members of Beta Sigma Phi and of the Fire Department will canvas the town beginning at 8 p. m. that evening.

County Allotted Highway Construction

A total of some \$400,000 in low bids on highway construction projects in two Panhandle counties was included in tabulations this past week by the State Highway Commission. Projects listed were in Donley and Collingsworth counties.

Henry L. Stafford of Lubbock submitted the low bid of \$262,951 for construction of flexible base and paving on State Highway 70 in Donley County. Specifications called for new paving to be applied on an 8.9 mile stretch of road from U. S. 287 in Clarendon to a point 9 miles south of town. Work will begin soon.

Reward Offered For Window Light Breakers

In a meeting of the Donley County Fair Board Tuesday night, it was voted by the group to offer a \$25.00 reward for any information leading to the arrest and conviction of guilty person or persons that broke window lights in the County Fair Building.

Sheriff Bill Cornell reported that 18 window lights had been broken out recently and that this was a costly bit of vandalism to the residents of this area as this is a non-profit organization supported by local merchants and individuals.

Thanksgiving Service November 26th

A community Thanksgiving service will be held Wednesday, November 26th at 7:30 p. m. in the Methodist Church. As in the past, this service is being sponsored by the Donley County Ministerial Alliance which is headed by Rev. Berkeley SoRelle.

Dr. Robert Skinner, minister of the First Presbyterian Church of Amarillo, will be the speaker for the occasion.

Mr. and Mrs. Bill Lowe, Mr. and Mrs. C. E. Deyhle, and Dr. and Mrs. Jones were among those to spend the week end in Ft. Worth.

It has always been a difficult task to sit down to my typewriter and write the final words in connection with the death of anyone, as I have been able to realize that person meant a tremendous loss to those left behind. At this time, I find it an even greater task to try to say what is in my heart concerning my own brother with whom I have worked side by side, day by day, for a long number of years.

Alfred Daniel Estlack, 52, died suddenly in the back yard of his home after suffering a stroke sometime around 5:30 last Friday afternoon.

Funeral services were held Sunday afternoon, November 16, in the First Baptist Church with Rev. W. F. Vanderburg, pastor, officiating. Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Alfred Estlack was born October 20, 1906, at Bowie, Texas. A short time later he moved with his parents to Eunice, N. M., where his father, J. C. Estlack, homesteaded. He moved to Clarendon in 1919 where he received his education and has since made his home. He was married to Allene Hutto in 1930.

He helped organize the Donley County Leader in 1929 and remained with this publication until his death Friday, November 14th. He had operated the linotype machine since that time and became Co-publisher and Editor of the Leader in 1942 at which time his father left the business to become postmaster here.

Alfred was a Deacon of the First Baptist Church, devoting much of his time to church work. He divided his time between his home, his church and his work here at the Leader office. He was never a person to pass judgment or comment unless it was good. He was a Christian and a good man and was loved by his family and his many friends. His passing will be a great loss to our community but the memories he left behind will remain with us always.

Survivors include his wife, Mrs. Allene Estlack, four daughters, Mrs. Ira Jean Chilton of Clarendon; Mrs. Patsy Sams of Brownfield; Mrs. Barbara Edens and Miss Danalene Estlack of Clarendon; his father, J. C. Estlack of Clarendon; four brothers, E. H. Estlack of Austin, P. I. Estlack of Wichita Falls, Homer and G. W. Estlack of Clarendon; also ten grandchildren.

Pallbearers were George Thompson, Frank Thomas, P. C. Messer, Bill Lane, John Gillham and U. Z. Patterson.

APPRECIATION

We at the Leader office want to take this opportunity to thank all our friends and customers who were so considerate in turning in their news and advertising copy this early this week. At a time like this words can not express our true appreciation but we want you to know your kindness has meant a lot to us.

We would like to express our appreciation to Lyndon Crelia, a college student and employee of the Clarendon Press, who is helping us out on the linotype machine, and to Clyde I. Price, Crelia's employer, for making his services available.

First Baptist Brotherhood to Meet

The Brotherhood of the First Baptist Church will meet Thursday, November 20, at 7:30 p. m., at the Church.

Our program will consist of local talent. This will be a covered dish meeting. Every man is cordially invited to attend.

NO CROP RESIDUE MANAGEMENT

The management of crop residue and other vegetative material so as to leave a protection cover on the surface of the soil during the critical part of the year is called crop residue utilization. Proper grazing, no burning, and permitting the stubble to stand without tillage constitute good crop residue management. The practice of crop residue utilization or management will improve the chemical, physical, and biological condition of the soil as well as help control blowing dust. Soil Conservation Service technicians assisting the District will be glad to help cooperators to plan the practice of crop residue utilization.

Soil Conservation District are again urged to help control blowing dust in the area. The critical blowing season will soon arrive. All soil in the district is subject to blowing. Some types of soil will blow more severely than others. Properly managed crop residues will greatly reduce the hazards generally associated with blowing dust.

HEDLEY NEWS

Mabel Bridges

The most interesting place in our community is the Test Well being drilled on the E. M. Glass farm east of Hedley.

Homer Newton, a former resident of this community and who now lives in California, is visiting his sister, Mrs. Ed Morton and son, Forest, and old friends and neighbors.

Your reporter was shocked when the death of our co-publisher, Mr. Alfred Estlack, was received. He was a fine Christian gentleman and it was always a pleasure to meet and talk with him. My life has been enriched having had the privilege to work with him.

May God's blessings rest on his bereaved family is my prayer.

We extend sympathy to the

Hamelstrand family in the death of Mr. Hamelstrand.

Mr. and Mrs. R. W. Alewine returned home Thursday from Boswell, Okla., where they attended funeral services for her brother who was burned in his home as his clothing caught fire on Monday. He was carried to Hugo Hospital at Hugo, Okla., and passed away Friday.

Mr. Masengale was 84 years of age and lived alone. He was a member of the Baptist Church and had served as a deacon for a number of years. We extend our sympathy.

Mr. Ed Lawson passed away Saturday, November 15, at 6 o'clock in Clarendon Rest Home. Mr. Lawson was a retired minister of the Nazarene faith. He has been a resident of Donley County over a period of years. Funeral services were held Monday afternoon from First Baptist Church. He is survived by his widow, Mrs. Annie Lawson.

Coach and Mrs. Don Haskins announce the arrival of a fine little son, born November 13, in a Groom Hospital. His name is John Stevens, weight 6 lbs. 4 ozs.

Mr. and Mrs. Jimmy Don Waddell are the parents of a little daughter born November 14 in a Groom hospital. The name chosen for her is Cynthia Gay. She weighed 6 pounds.

Hedley grandparents for the first time are Mr. and Mrs. Bill Waddell and Mrs. and Mrs. Medford Suelson. Great-grandparents are Mr. and Mrs. Alfred Johnson of Hedley and Mrs. Stock Lamberson of Clarendon. Deputy Sheriff Virgil McPherson had the misfortune to break his foot when he stepped

in a hole. He has been in Adair Hospital in Clarendon several days but was able to return to his home Sunday afternoon. Just proves a law don't have to be shot to go to the hospital.

Joseph Horn and sister, Miss Nan Horn of Mt. Pleasant spent Tuesday afternoon with Mr. and Mrs. E. M. Glass. The men were World War I buddies.

Mr. and Mrs. Orvil Yost of Huntington Beach, Calif., visited Mrs. Ethel Kinslow last week.

Mr. and Mrs. Joe McDougal and baby and Tom McDougal of Dalhart visited in Hedley the first of the week.

Mr. and Mrs. Roy Hunter of Canyon were in Hedley the first of the week.

Mrs. W. I. Rains and Mrs. Bridges visited Mrs. E. W. Bromley at her ranch north of Clarendon Wednesday.

Mr. and Mrs. M. W. Mosley visited the Mosleys in Cooper last week. They visited friends in Sulphur Springs, Mt. Pleasant, and Paris, Texas. They report a fine trip.

Chas. Rains of Amarillo spent the week end with his mother, Mrs. W. F. Rains.

Mrs. T. J. Cherry was called to Vernon Thursday, due to the illness of her daughter, Mrs. L. Nell Brown.

We are glad to report Mrs. L. D. Moore is doing fine, still in the Groom Hospital. And Mrs. Walter Johnson was able to come home Saturday from a Memphis Hospital.

Four big reasons why
FORD
IS OUTSELLING
ALL OTHER '59 CARS

AT THE BRUSSELS WORLD'S FAIR, the '59 Fords were awarded the Gold Medal for handsome new styling elegance by the Comité Français de l'Élégance.

The world's best-selling car is the car with Thunderbird elegance

In the greatest styling decision of the year, the American public has already shown a clear preference for the new Fords. Ford sales are way ahead of all competition. Why? One reason is the classic simplicity of their Thunderbird-inspired design—clean, crisp lines that are pure automobile! And Fords are built for people—to sit in, to drive, to ride in—with comfort.

ANYONE CAN FIT IN A FORD: Our cars are built for people—full-size people who want space to stretch out. And all passengers ride in deep-cushion comfort.

The car in hottest demand across the land has greater roominess and comfort

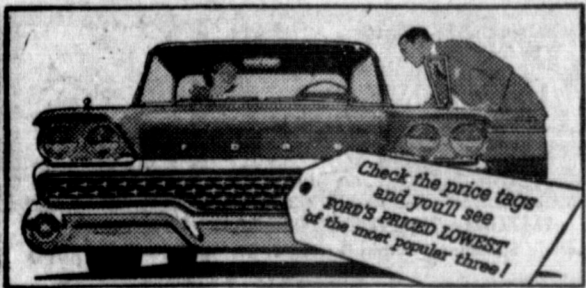

Thousands of customers have bought the new Ford over all competition for another compelling reason—it's a true six-passenger car. (The only four-passenger car we recommend is the Thunderbird!) All six Ford passengers get plenty of every kind of room—from leg and head to elbow and hip. Rear seat passengers don't feel like they're riding with their feet in a bucket!

YOU'LL BE THANKFUL EVERY TANKFUL if you buy the new Ford, for you'll save up to a dollar a tankful with new engines that run superbly on regular gas.

The No. 1 car in sales saves money on gas, on oil, on maintenance bills

A new Ford will save you up to 5¢ a gallon on gas. That's because both standard engines—Six or Thunderbird V-8—thrive on regular gas. And Ford saves on oil, too, with a Full-Flow Oil Filter as standard equipment. Drive 4000 miles between oil changes! And you can forget about waxing your car. Ford's Diamond Lustre Finish stays gleaming bright without waxing—ever!

THE FAMOUS FORD LOW PRICES have already made a hit, because only in Fords will you find value and beauty coming together at down-to-earth prices!

The most popular American car is priced as much as \$102.75 lower

Ford costs you less right down the line than the competition. Compare price tags and you'll see that the manufacturer's suggested retail price of a Ford, equipped with radio, heater and automatic transmission, is as much as \$102.75 less than the major competition! And on an air-conditioned car, you can save up to \$219.85. So compare and save on a 1959 Ford!

"IT TAKES
40 FINGERS
TO COUNT
THE WAYS
WE PUT
ELECTRICITY
TO WORK"

What about your family

Take a look around the room right now. How many different places is electricity at your command?

And think of the other rooms in your home... You put electricity to work in dozens of ways every day—cooking, cleaning, lighting, even entertaining.

Can you think of anything else that gives so much value for so little cost?

"My, My, I'm busy and just think, I will cook a meal for the average WTU family the modern electric way for less than 3¢—about \$2.34 a month."

Electricity costs so little — you can use lots of it!

CLARENDON, TEXAS

George E. Arthur Takes Over Pastorate Brice Baptist Church

PLAINVIEW—George E. Arthur, senior ministerial student at Wayland Baptist College, has as-

sumed duties as pastor of the First Baptist Church in Brice. This increases to 25 the number of student pastors enrolled at Wayland.

Arthur, a history major from Sacramento, Calif., drives to Brice each weekend to conduct Sunday services. He plans to as-

sume full time duties there following graduation in June.

Last year Arthur served as music director for the Baptist church at Lefors.

While at Wayland he has been active in Student Government Association, serving as secretary of student affairs last year and as senior class Senator this year. He has also been assistant director of the Baptist Student Union choir and director of publicity for BSU.

The only thing necessary for the triumph of evil is that good men do nothing.

Marriage license will cost a citizen \$3.00 at the County Clerks office. Likely at the same office you can buy your resident license to hunt deer. They will cost you \$3.15. By simple arithmetic we find that it costs 15 cents more to spell the word d-e-e-r a certain way. At least the original cost is more. Hmmm.

Speaking of politics, which we recently swore off from, most of we people act somewhat like a tiny baby - we are most always wanting a change - - At least it does help for awhile, I guess.

A fellow was in the office the other day talking about living in a small town. He said: "I always say that my favorite town is one small enough that you can stand in one place and see it all."

My listening neighbor remarked that: "Usually you could sit in one place and hear it all in a little while."

We want to thank Mrs. K. Y. Alexander from Anton, Texas for the kind words in her letter. She mentions that her son also reads this column. If possible, we appreciate even more joyously knowing that young folks look our way - - ASRNS Card is in the mail for your good husband, and best wishes.

We are also proud of some other young folks who write to us now and then. They are Tommy and Mary Lou Weir who are going to school way back in Chattanooga, Tenn. In the last letter they included some real good

quotes, like the following:
"An excuse is the skin of a reason stuffed with a lie."
"True friendship can only be made between true men."
"Some people never run into the devil because they are always going the same way he is."
"A journey of a thousand miles begins with a single step."
"The secret of prayer is secret prayer."
Personally, we like the last one most of all. It too has been a blessing to us. Secret prayer, that is. Thank you both for the letter and for the sayings.

We heard this one the other day. Two fellows were out shopping together and they decided to each buy a Volkswagen. They were delivered to their respective homes and both intended to start on their vacation on the morrow.

Fellow number one went out early and raised the hood to check the motor. Finding no engine he rushed to call his friend and explain his predicament.

"Just think, I only had it one night, and already someone has stolen my motor."

"Now don't you worry none," consoled the friend, "I was just out to put my luggage in the turtle shell and I have an extra motor and you can have it."

"Whatever may be said to the fer some degree of deterioration by long, unremitted tillage. When divested of that clothing with which nature always defends it if undisturbed, and when turned up naked to abide the forces of the blast, the happy medium of consistency is deranged, its best particles carried away in torrents, and it is left a feeble skeleton, possessing only the faint semblance of departed fertility."
—Solomon Drown, 1824.

We were saddened by the death of Alfred Estlack and extend our sympathy to the family.

Mr. and Mrs. Cap Anderson visited Mr. and Mrs. J. M. Allee Friday afternoon.

Mrs. D. T. Smallwood, Mrs. Pearl spent Tuesday afternoon with Maude Self.

Mr. and Mrs. Kenneth Johnson and baby of Amarillo spent the week end with Mr. and Mrs. Wallace Raney.

Mr. and Mrs. Wallace Raney attended the funeral of his cousin at Spearman Sunday.

Despite increased competition for people's time, newspaper circulation in the U. S. has reached a new all-time high of 58 million newspapers purchased daily.

With Canada added, the figure is over 61 million newspapers purchased daily.

Leader—Local rate, \$3.00 a year

PLENTIFUL FOODS

Texas Department of Agriculture John C. White, Commissioner

Turkeys and apples are headliners among foods in abundance during this month of November.

The 1958 turkey placements were not quite so large in Texas as last year but the mortality rate has been unusually low and there will be plenty of the traditional "holiday" birds available at a right price. The bulk of the crop will be going to market in November and December, making more supplies actually available than during last year when sales were spread from the last of September through the Christmas season.

As for apples, they're making history this year. This is the second largest crop in two decades and the largest since 1949. The country's commercial apple trees are expected to yield nearly 127 million bushels.

Along with turkeys, broiler-fryer chickens will be plentiful. Generous supplies of pork are also available.

Because so many young hens make up this fall's laying flocks, medium and small size eggs are expected to be most plentiful and are probably the thrifty buys.

The fall potato crop also is large. These are the storage potatoes that keep better than the more perishable "new potatoes" and are suited to many different cooking methods.

Another vegetable appearing in quantity on markets is cabbage. Record high yields have lifted crop prospects to 12 percent above a year ago. Because of heavy yields, much cabbage grown for kraut will be sold fresh. Cabbage deserves more attention from shoppers who appreciate high vitamin C value and appetizing flavor, especially for salad use, at an inexpensive price.

The big cranberry crop this fall—the largest since 1953—will bring plenty of these holiday berries to November and December markets.

Other plentiful are canned ripe olives and walnuts—the largest production since 1949. Lots of dates and honey are expected which are excellent for holiday cookies, cakes, confections and everyday spreads.

Peanut butter will be in great plenty as will vegetable fats and salad oils.

If you're serving a crowd, you'll want to consider the large size cans of many different frozen berries. Canned berries are in good supply in both extra large and family-size containers.

You learn more by letting the other fellow tell you all he knows than you learn by telling him all you know.

FALL 'FIX-UP' Headquarters LUMBER AND BUILDING MATERIALS

WE HAVE WHAT YOU NEED!

Yes, we have a large selection of all types of top-grade lumber and building materials - - - and at reasonable prices. You'll find what you want here, or we will help you find it! Theil-Talley

Donna Jean Theil, daughter of Mrs. Nettie Theil and William Theil, Portage, Wisconsin, and SP-4 Cleburne Ray Talley, son of Mr. and Mrs. Joseph C. Talley, Clarendon, Texas, repeated their marriage vows Saturday evening, November 1, at 7:30 p. m. at St. Joseph's Lutheran Church.

The Rev. Gerhard Huebner performed the ceremony. Miss Marilyn Ziemann was organist and Mrs. Huebner, soloist. The church was decorated with white chrysanthemums and pink snapdragons.

The bride wore a floor length gown of net over taffeta, styled with a fitted bodice of lace, and lace panels over the skirt. A tiara of rhinestones and pearls held her fingertip veil of illusion. She wore rhinestone earrings and carried a bouquet of red roses and white pompons.

Miss Cecilia Wendt, Briggsville, Wisconsin, was maid of honor. She wore a pink gown of net over taffeta with a lace jacket. Her flowers were pink and white pompons.

Pfc. William Hill, stationed at Fort Sheridan, Illinois, was best man. Ushers were Russell Miller and Harold Rittman.

The mother of the bride wore a blue dress with winter white accessories and a corsage of roses and white pompons.

A reception was held in the church parlors. Friends assisting were Miss Judy McLaughlin, Miss Jean Swanson, Miss Joyce Hamiele, Mrs. Howard Rittman and Mrs. Russell Miller.

After a short wedding trip the groom will report for duty at Fort Sheridan, Illinois.

The bride is a graduate of Portage High School and the groom of Clarendon High School.

BETA SIGMA PHI

Mu Gamma Chapter of Beta Sigma Phi met at Patching Club House Thursday evening, November 13, at 8 p. m.

Ten new pledges were initiated into membership in the official formal ceremony. Pledges were Pat Day, Beverly Edgett, Hazel Guy, Nancy Henry, Glenda Lacey, Jane Leathers, Barbara Morris, Mabel Dean Porter, Vanetta Thornberry, and Pat Wallace.

During the business session, it was decided to have the next meeting night on Thanksgiving night.

After the business session, Ann Hommel and Ruth Hudson presented the program. Guest speaker, Mrs. Loyd Johnson, gave a review of the book "The Gallant Mrs. Stonewall".

The raffle was won by Ruth Hudson. Hostesses for the evening were Frankie Henson and Jo Ellen Pfeiffer.

Attending the meeting were Anness Bennett, Beth Bennett, Jane Bownds, Catherine Cain, Jo Ann Davis, Pat Day, Beverly Edgett, Hazel Guy, Jo Jinks, Annette Hardin, Nancy Henry, Frankie Henson, Ann Hommel, Ruth Hudson, Glenda Lacey, Betty Leathers, Jane Leathers, Barbara Morris, Lena Morris, Jo Ellen Pfeiffer, Juanita Phelps, Mabel Dean Porter, Mary Neal Riskey, Lois Schollenbarger, Marilyn Simpson, Vanetta Thornberry, Melba Ruth Vaughan, Pat Wallace, Evelyn Yeates, and Mrs. Loyd Johnson.

Mr. and Mrs. Frank Reid of Nocona are visiting their children, Mr. and Mrs. Bill Bradshaw and family, and Mr. and Mrs. Glen Reid and daughter, also his parents, Mr. and Mrs. H. M. Reid.

Lugenia Hubbard, right, formerly of Clarendon, is one of 30 students at West Texas State College chosen for "Who's Who Among Students in American Universities and Colleges". Others are, left to right, Marian Forbau and Sherry Hendricks of Quanah, Jimmy Williams of Childress, Kay Russell of Claude and Miss Hubbard.

1926 BOOK CLUB

The 1926 Book Club met at Patching Club House Tuesday afternoon, November 18. Mrs. Frank White Jr., and Mrs. Elba Ballew were hostesses.

Fall colors and flowers were used in decoration. Refreshments of chifon pumpkin pie, coffee and tea were served from an attractively laid table.

Miss Inez Blankenship was in charge of the program. She introduced Mrs. W. M. Crain of Goodnight who was guest speaker for the afternoon.

Mrs. Crain very capably reviewed the book "This Gold is Mine", by Harold E. Dye. Mrs. Crain told the story as it was told telling of the many experiences of Mr. Dye in his life as a minister. Following the review, Mrs. W. W. Pinkerton and Mrs. J. N. Weaver sang two songs in keeping with the story: "I Am A Child of the King" and "Gold Mine in the Sky". They were accompanied at the piano by Mrs. Bill Williams.

Mrs. J. R. Gillham, president,

presided over the business meeting.

Seventeen members and three guests were present.

—Rep.

JR. H. D. CLUB

The Jr. H. D. Club met Thursday afternoon, November 13, at Patching Club House with Harlene Phillips and Bernice Adams hostesses.

The motto and prayer were read and roll called. After the reading of the minutes, a business session was held. The Christmas party was discussed and tentative plans were made.

A very interesting program was presented by Leona Henson. Her subject was "Current Fashions".

Present were: Bernice Adams, Letha Smith, Nora Decker, Lucille Swinney, Cula Jo Trout, Leona Henson, Mildred McClellan, Harlene Phillips, Patsy Reid, Gladys Blackburn, Wilma Spier, Eddith Spivey and Cleo Crutchfield.

—Rep.

Mr. and Mrs. Clifton Phillips were Amarillo visitors Friday.

CHAMBERLAIN COMMUNITY PARTY

A very pleasant evening was enjoyed by all present at the Chamberlain Community Center, Friday night, Nov. 14. Final plans were made for the annual Thanksgiving Supper, which will be Nov. 28. Everyone come and bring a well-filled basket. After the business was taken care of, "42" was enjoyed. The hostesses, Mrs. Lee Muse and Mrs. Hawley Harrison, served sandwiches and coffee to everyone. The hosts and hostesses for the "Thanksgiving Supper" are, Mr. and Mrs. Dennis Lindley, Mr. and Mrs. Alton Webb, Mr. and Mrs. Frank Hardin, Mr. and Mrs. John Heathington, Mr. and Mrs. Hester Shields. Supper will be about 7 P. M.

—Rep.

CHAMBERLAIN CLUB

The Chamberlain Club met Thursday, Nov. 13, at the Community Center, with Mary Myers as hostess. The afternoon was spent quilting and visiting. Refreshments of pie, ice cream, and

—Rep.

SR. HD CLUB NOTICE

The senior Home Demonstration Club will meet Friday afternoon, November 20 in the home of Mrs. R. C. Bingham. All members are asked to come by 1 p. m. or as soon as possible and be prepared to quilt.

—Rep.

Mrs. R. O. Thomas and Mrs. Frank Hommel were Amarillo visitors Thursday.

tea and coffee were enjoyed by Maude Self, Ethel Dingler, Lee Welch, Eunice Mann, Susan Hardin, Mary Mann, Braddis Ballew, Vivian Allen, Velma Heathington, Laura Ivey, Corrine Harrison, Nelda Jones, Myrtle Formway, Leona Mae Shaw, Karen Jones, and hostess Mary Myers. The next club meeting will be our Christmas Party. Ethel Dingler will be the hostess at the Community Center, Dec. 11. Bring a gift for exchange. All members come and enjoy the afternoon.

—Rep.

PATHFINDER CLUB

Pathfinder Club entertained a large number of members and guests at Patching Club House Friday, November 14, at 4 p. m. The club was honored to have Mrs. Joe Ritter give the annual fall Guest Day book review.

Mrs. Bill Greene presided over a short business meeting. The quotation for the day, in keeping with the program, was "Books should to one of these ends endure, for wisdom, piety, delight, or use."

Mrs. Ritter very capably and pleasingly reviewed "The Northern Light" by Dr. H. A. Cronin. "The Northern Light" is a story of an editor and publisher of a small town newspaper who is fighting for his paper, his family, and his community against ruthless monopoly that would undo all his life's work.

Entertaining rooms were decorated with pryanantha berries and chrysanthemums Mrs. Frank Phelan Jr., and Mrs. Forrest Sawyer served at the refreshment table.

Hostesses were Mesdames Fred Buntin, Heckle Staark, and Ernest Hunt.

—Rep.

LELIA LAKE MYF

Meeting was opened with prayer by Betsy Chamberlain, and the first business taken up was a discussion of our program for this coming Sunday night. The MYF has the program for the preaching hour. We decided to have a Thanksgiving program.

We were dismissed by the MYF Benediction.

—Rep.

PRESBYTERIAN WOMEN

The Presbyterian Women's Association met in the home of Mrs. Heckle Stark Wednesday afternoon, November 12. Theme for the meeting was "Christians Everywhere Share the Task of Taking the Gospel to the Whole World". Mrs. Gary Barnhill was in charge of the program.

Miss Mable Mongole presided over the business meeting. It was decided to take baskets to the shut-ins at Christmas. Hose were taken up for the annual donation and the selling of Christmas cards was discussed.

Refreshments were served from a beautifully laid table centered with an arrangement of pink roses. Individual tuna salads, nuts, and chocolate drop cookies, coffee and tea were served with Miss Mable Mongole presiding at the silver service.

Attending were Mesdames J. A. Potts, Floyd Lumpkin, J. H. Howze, Bill Montgomery, Kelly Chamberlain, Thad Rogers, John Knorpp, Fred Chamberlain Jr., Melvin Cook, Homer Taylor, Gary Barnhill, Heckle Stark and Miss Mable Mongole.

—Rep.

KIL KARE KNEEDLE CLUB

The Kil Kare Klub was entertained Thursday afternoon, November 13, in the home of Mrs. Major Hudson. Members enjoyed a social hour before refreshments were served. Potted plants, violets, and roses decorated the entertaining rooms.

Lovely refreshments were served to Mesdames Homer Mulkey, Buel Sanford, Frank Whitlock, J. R. Bartlett, S. W. Lowe, G. C. Heath, M. C. Rumpy, Robert Davis, Misses Ida and Etta Harned and the hostesses Mrs. Hudson. The next meeting will be the annual Christmas party.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

THE GENERAL ELECTION: WHAT HAPPENED?

Now that the election is over, the hindsight geniuses are busy explaining the whys and wherefores, in an attitude of "I knew it all the time." But to the utter confusion of the reader-listener, each commentator or columnist advances a different theory as to why what happened did happen. If you accept all of these diverse opinions as correct analyses, you find yourself on a mental merry-go-round, with some of the horses attempting to go in both directions at the same time. This leaves the reader-listener in the same state of bewilderment so obviously occupied by the President when he appeared at his news conference following the election returns.

Although the President was deeply disappointed, as he naturally would be, his bewilderment was not the result of disappointment, but more the result of his complete failure to understand why the people had so voted. He no doubt felt like the man who was arrested for singing too loudly in church. He had been advised that everything was fine and dandy, that the people were well satisfied with the administration's handling of the governmental affairs, and that there was nothing to worry about. What his advisors didn't tell him was the fact that the American people have, time after time, repudiated individuals and administrations where a taint of corruption had crept in; that the Adams-Gold-

fine affair was not something that could be swept under the rug; that the corruption issue unquestionably played a major part in the Maine elections which were a forerunner to the general election. They did not tell him that the economic situation in many sections of this country was not good, and that the administration was coming in for its share of the blame. They did not tell him that the Benson farm policies were not acceptable to the agricultural groups of this nation, and that the farm sections of this country were not satisfied with the continuing decline in farm prices while the cost of living was measurably increased; that the farm income was dropping while the income of all other segments of our economy was steadily increasing. They did not tell him that there was a deep resentment throughout the entire nation with reference to the sending of Federal troops into Little Rock, a resentment based not upon the racial question, but upon the use of Federal bayonets against American citizens.

They did not tell him many other things that he, as the President of the United States, should have been told, or perhaps it should be said that they did not impress upon him the full gravity of the situation. Otherwise, he would not find himself in the present state of bewilderment.

The facts are that there are still many people in this country who underestimate the American people. Lincoln once said, "You can fool some of the people all of the time, and all of the people some of the time, but you can't fool all the people all the time." The same is true today. If anything, there are fewer Americans today that can be fooled than in Lincoln's time, and it would be much more difficult to fool all of the people for any length of time now, than before our present mediums of communication and transportation. Those who believe that Lincoln's theory was wrong, and continue to discount the American's ability to form public opinion on the basic facts, always learn the hard way.

In the opinion of this writer, there were two major issues that produced the election results of November 4th. These had about equal weight. One was the ques-

The Texian Editor's Frontier News Flashes

Department of Journalism & Graphic Arts
University of Houston

100 Years Ago In Texas

November 9-15, 1858
(State News)

The CIVILIAN of Thursday has a communication from Gen. Sam Houston, commenting severely on the history of the San Jacinto campaign, by Dr. Labadie. He says not a single fact is truthfully narrated.

From Matagorda — The GAZETTE says 4600 pounds of seed cotton were gathered from one acre in that county. Old Caney is hard to beat.

The Reporter of Richmond of Saturday says there is no yellow fever or other sickness in Richmond.

Parker—We find the following items in the Frontier News of the

tion of corruption in public office, which the American people will not tolerate. The other issue was economics. The tragic economic situation in which the American farmer has been placed had a telling effect in the election regardless of what Mr. Benson might or might not say. You have only to make a geographical check to find out that the Benson policies did not coincide with the views of the farmers. The economic situation in many of the industrial areas of this nation also had a telling effect, which can be proven by another geographical check.

It is my opinion that the people of this country did not issue a mandate to the legislative branch of the government to engage in a spending orgy, or to invoke programs designed to further centralize the control of the nation. The American people felt they were entitled to have a sane approach to the problems and an economy in which some semblance of balance is maintained.

14th: The grasshoppers have commenced their journey through our Northern counties, and the country is perfectly swarming with them. They seem to go with the wind.

Every thing concerning the Indians coming, has died away in that region.

S. A. Blain, Esq., the newly appointed Indian Agent, passed through our town yesterday, en route for the Indian Territory, for the purpose of selecting a point for the New Agency recently created by the Federal Government. Mr. B. is an old Texian and we have reason to expect that his mission among the Indians will result in much good. We wish him abundant success.

Southern Democrat

The Sheriff of Bexar passed through this place (La Grange), en route to Huntsville with eight convicts to the Penitentiary. When camping near this place, two of his prisoners escaped in the night, and gave him some trouble, causing some delay, but we learn that he recaptured them.

La Grange Issue

Provisions were so dear at the Frazier river gold diggings that dog meat was selling at fifty cents a pound.

Quarantines have been established at Matagorda, Texas, and Corpus Christi. At the latter place boats are not allowed to enter under the penalty of \$100, whether they have passengers or not.

The Waco Democrat says a great hail-storm blew up there, on the 31st ult. The editor picked up a hailstone which weighed one pound. The same paper has information by a letter from Coryette county, that a tornado passed over that place on the 23rd

ult, tearing down many houses and badly injuring a number of persons. Fragments of the buildings were blown three quarters of a mile. On the same night, the town of Bachman, in Johnson county, was almost entirely destroyed.

TEXAS MILITARY INSTITUTE
At Rutersville, opens next session February 7. College year of forty weeks, divided in two sessions, ends with June.

Tuition — Collegiate, \$30 per session, or \$100 per year. Preparatory, \$30 per session (English studies only) \$60 per year.

Library Fund — \$5 per year; Board \$42 per month, including light, fuel, and washing.

Mr. and Mrs. Billy Patman of Maracaibo, Venezuela, announce the arrival of a son on November 12. The young man weighed 7 pounds and 5 ounces and has been named Larry Mark. Grandparents are Mr. and Mrs. Bill Patman of Clarendon and Mr. and Mrs. Townsend of Oklahoma.

Mr. and Mrs. Claude Wells and Mr. and Mrs. Herschel Combs of Memphis were among those to attend funeral services held here for A. D. Estlack Sunday afternoon.

LELIA LAKE SCHOOL NEWS

Work in the homemaking department was signalized with an installation ceremony on Friday, evening, Nov. 14. The candle-light order was carried out in the study hall, with red and white ribbons being pinned on the new members, and then punch and cookies were served in the homemaking department across the hall. Carolyn Castner is secretary, and Jean Fox is treasurer, while Jo Dishman is serving as historian, Willa Rampy as reporter, and Sue Douglas as parliamentarian.

Officers not installed but serving in their proper capacities are Clea Johnston, song leader, and Inelda Shields, pianist. Recognition was given to the chapter mothers: Mmes. Earl Fox, Ronald Castner, and Elmer Dishman. Mrs. Thad Carroll is sponsor.

Completing the summation of the recent Halloween Carnival festivities, Stevie Pointer and Debie Holland were crown bearers for the elementary contestants, and Jimmie Sue Noble and Kenneth Hudson represented the

first two grades. Jeannie Castner and Russell Claborn were chosen from grades 3-4, and Jeanette Rampy was princess for the fifth and sixth grades. Allan Wood contested for king from grades 7 and 8. Elementary queen was Mollie Floyd, of the 7-8 room, while Donnie Miller of the 5-6 room was crowned elementary king. Jeannie Kay White and Gerald Claborn were crown-bearers for the high school section, in which Jean Fox, senior girl, and Jerry Spiers, sophomore boy, were winners. Brenda Monk was sophomore princess; Keith Dishman and Willa Rampy were fish representatives; and the seniors chose Wayne Chenault as their boy leader.

M. R. Mathis

Mr. and Mrs. Bill Cushing and Mr. and Mrs. Alvin Landers spent the week end in Ft. Worth where they visited Margaret Cushing and also saw the TCU-Texas football game.

A good citizen lives so that instead of being a part of the world's problem, he is a part of the answer.

Many Hospitals of The Future May Be Built In Space

LUBBOCK—Many hospitals of the future may be built in space. Dr. John R. Bradford, Texas Tech engineering dean, declares. Dean Bradford points out that the absence of gravity on a space station and the consequent lack of strain on an ill person should speed convalescence in many cases.

Use of chemically fueled rockets need not subject passengers to abnormally high or dangerous accelerations, Dean Bradford says, so there is no reason why invalids should not travel in space ships almost as safely as people in normal health.

The fact that a space ship would be in continuous sunlight except for short eclipse periods by the earth would be of therapeutic value, he explains.

On a purely commercial basis, the greatest value of a space station probably should arise from radio and television services, Dean Bradford continues.

Orbital satellites should make possible greatly improved radio, and world-wide television, he says. The satellites should provide an almost unlimited number of interference-free communication channels and result in navigation and air safety devices beyond anything in use today.

The applications mentioned are "attainable within the present limits of our technological knowledge," Dean Bradford says.

"It is impossible to discover the full value of satellites and space stations until they have been actually constructed and put to humanitarian use, he adds.

The Leader makes a good Christmas Gift.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN—It'd be hard to find a Texan who hasn't been involved in a lively discussion recently as to whether the next Legislature should or should not pass a state sales tax or income tax next year.

Most folks are pretty strongly pro or con—no lukewarm feelings.

Property taxes are another matter. People may gripe about them, but they don't often get stirred up about them.

But the latest report by the Texas State Tax Study Commission, "Our Property Taxes," underscores the importance of this

levy. It is Texas' biggest money-maker for state and local government. In 1958 property taxes will bring in an estimated \$629,000,000 to the state and all the various local taxing units.

More interesting, the Tax Commission's study of assessment and collection practices and problems indicates that this figure is probably only a fraction of what is legally due.

Shortage of personnel plus the mountainous difficulties of locating and evaluating all the items involved add up to inequalities and haphazard methods.

Under Texas law, individuals

and businesses are supposed to pay property taxes on all real estate—land and buildings. In addition, both businesses and individuals are liable for taxes on all "tangible personal property"—cars, airplanes, boats, furniture, jewelry, business equipment, fixtures, inventories, etc. Also, on all "intangible personal property"—money, bonds, stocks, mortgages, etc.

In practice, many of these are just plain ignored by officials and citizens alike. Many cities make no effort to collect property taxes on cars. As to money, the Commission report observes, "If money in the bank were taxed on January 1, relatively few persons or businesses would have any money on deposit that day."

In other areas where more vigorous efforts at collections are made, results are spotty. Researchers found that the same piece of property would net widely varying tax bills in different counties. On one example the range was from \$616 in Harris County to \$1,132 in Travis County.

They also found that some peo-

ple claim homestead exemptions for more than one house. At \$3,000 each, these add up to unknown thousands in untaxed value.

Exemptions plus low assessments take a big bite from theoretically possible tax collections. In a study of 3,037 house sales, the Commission's research staff found the legal tax due to be \$95,019. Actual taxes levied were \$2,706, only 3 percent of what strict application of the law would have produced.

Even though many tax offices are undermanned, Texas has 1,500 assessor-collectors. Sometimes a county, city and school district each will have an official doing the same job in the same area. Result: total cost of property tax administration in Texas exceeds \$15,000,000 a year.

CITY RECOMMENDATIONS

Texas League of Municipalities has a series of recommendations—mostly in regard to money—for the next Legislature.

Topping the list was an appeal to the lawmakers to authorize cities to raise money through some new tax sources. League

CHAMBERLAIN NEWS

Mrs. A. O. Hott

H. R. Cowan and Junior Mann

also asked for thorough study of inequalities in the property tax laws and revision where needed. It suggested that payment of property tax laws and revision where needed. It suggested that payment of property taxes on motor vehicles be required before issuance of new license tags.

Cities also asked the Legislature to step out of the field of regulating pay, pensions, and hours of city employees. Local citizens have to pay the bill, said the League, and ought to have the say-so.

COST OF HIGH LIVING

It's not the income; it's the outgo that has put Texas treasury in the red, says State Comptroller Robert S. Calvert.

Calvert told Gov. Price Daniel's Executive Study Committee that all tax sources except oil are expected to bring in some \$74,646,044 more revenue in the 1960-61 biennium than for 1958-59.

But, he pointed out, inescapable increase of needs in just one area—public schools—will just about absorb all this extra money.

SOME CHANGES MADE

Final outcome (from unofficial returns) of voting on proposed constitutional amendments resulted in these changes:

1. Appointees to vacated county judge and justice of the peace posts may serve only until the next general election—out for the remainder of a four-year term.
2. Precinct, county and district office holders may not announce for another office without resigning the office they hold.
3. Cities may elect their officials for four-year, instead of two-year terms.
4. Former Texas Rangers or their widows may receive pensions up to \$80 a month.
5. State funds may be spent to advertise Texas outside the state.
6. Legislature may pass a law providing medical care assistance for people receiving old age pensions, aid to the blind, disabled or dependent children.
7. Legislature may authorize the creation of new hospital districts in Potter, Wichita and Jefferson counties.

of Amarillo visited Junior's parents, Mr. and Mrs. Richard Dingler Tuesday.

FARM NEWS

from the County ASC Committee

RYE APPROVED FOR COVER FOR C. R. LAND

Rye has been approved as an eligible vegetative cover to be planted on Conservation Reserve Land in those cases where the contract period is not more than 5 years and where the County determines that the land is suited for continued cultivation.

Farmers whose application for soil bank contracts have been accepted by the committee can now apply for approval if they want to use rye as a vegetative cover.

CONSERVATION RESERVE—ANNUAL PAYMENTS

Annual payments have been made on 226 conservation reserve farms totaling \$192,549.33. We have three farms for which payment have not been made, because of lack of signatures.

USDA REPORTS THAT 1959 CONSERVATION RESERVE APPLICATIONS EXCEED GOALS

The U. S. Department of Agriculture November 7, 1958, reported that farmers have filed applications for 1959 contracts in the Conservation Reserve of the Soil Bank which offer acreage exceeding the goals for the program in most States, and nationally. The National final date for applications was October 24.

For the country as a whole, the 232,000 filed applications for contracts would call for putting more than 20 million acres in the Reserve under contracts beginning next year. The national goal for the 1959 sign-up was 12.5 million acres.

If all the farmers who filed applications were offered contracts by the County Agricultural Stabilization and Conservation Committee, first-year practice and annual payments would require more than the \$285 million available for payment next year on new contracts. The rest of the \$375 million total authorized will be needed to make annual payments under contracts signed in previous years.

A AND B PLAN FOR 1959 COTTON

For the 1959 crop of cotton, the cotton farmers can choose one of the two plans offered. The two choices are called the A and B Plan.

"A Plan: The producer plants within his cotton allotments. In this plan, the producer would be eligible for price support at the full level available not less than 80 percent of parity for 1959.

"B Plan: The producer can plant his cotton allotment plus any acreage above his allotment not in excess of 40 percent. HOWEVER, under this plan, the price support will be 15 points less than the "A" Plan. The farm operator must choose the plan he wishes to take and which ever plan he chooses for one farm, he must

OUR HEARTFELT THANKS to all who extended comforting sympathy and helped in our recent sorrow. For the beautiful service, floral offerings, food that was prepared and the many other kindnesses, we are deeply grateful. May God's blessings be with each of you.

- Mr. and Mrs. E. H. Estlack and family
- Mr. and Mrs. P. I. Eastlake and family
- Mr. and Mrs. Homer Estlack and family
- Mr. and Mrs. G. W. Estlack and family

Mr. and Mrs. Leroy Jackson and Gary and Mrs. Della Ray of Amarillo visited their parents, Mr. and Mrs. Roy Jackson Sunday.

follow the same plan for all cotton farms in which he has an interest.

COTTON MARKETING QUOTAS

On December 15, 1958, the cotton farmers will have the opportunity to again vote in a Cotton Referendum for the crop year of 1959.

IT MEANS THIS:

If not approved by (2/3) two-thirds or more of those voting—THAT:

1. Producers can plant all the cotton they want.
2. No penalty for the over productions.
3. No support price for those who over plant.
4. Support price of 50% to those who plant within their allotments.
5. There would be no "B" Plan.

THE COUNTY COMMITTEE AND OFFICE PERSONNEL

wish to extend to the public an invitation to "drop-in" the office and get acquainted and "talk-out" any problems or questions that arise from the various programs of the ASC Office. By doing this, it is felt that a closer harmony between the farmer or rancher and the County Office can be obtained.

Comets Meet Flying Queens at McLean

The Clarendon Junior College Comets will meet the Wayland College Flying Queens at the McLean High School gymnasium tonight. Game is slated to get underway at 7:30. The game is being sponsored by the Baptist Youth Center in McLean.

The Comets and the Queens will be meeting for the second time this season. In their first game at Plainview last Saturday night, the Queens continued their domination over the Comets as they won by the score of 47 to 28. The young Comets were noticeably jittery during the first half which saw the Queens roll up a 30 to 9 halftime advantage. However, the Comets found themselves in the second half and actually outscored the Queens 19 to 17 in the last sixteen minutes of play.

The Queens were led by their veterans Mona Poff, who was high point winner for the night with 12; Patsy Neal, Carla Lowry, Carolyn Miller and Joyce Kite were other scorers. The Comets were paced by Myrlene Nichols with eight points; Janice Martin and Melva Kelton with six each, Virginia Sellers with four and Nancy Chalenor, Janie Brotherton and Georgia Binford with one each. Jean Sanders and Gay Ivey also played but did not score.

For tonight's game at McLean, coach Travis has indicated that he will probably start the same line-up that started the game Saturday night. This would be Mylene Nichols, Janice Martin, Nancy Chalenor, Virginia Sellers, Gay Ivey and Georgia Binford. However, the coach stated that Melva Kelton and Janie Brotherton are improving fast and may gain a starting job by gametime.

HOSPITAL NOTES

Patients as of Wednesday, November 19, — Brenda Putman, Loyd Skipper, Mrs. W. C. Klepper, Wayne Martin, Mrs. Edward Dishman.

Dismissals — Lola B. Donald, J. R. Gillean, Tom W. Heathely, Tommy Hill, Mrs. Ralph Keys, Virgil McPherson, Claude Mann, Wayne Mann, J. H. Spires, Mrs. J. A. Simpson, L. E. Thompson, Dewey Wilson, Mrs. Bud Hermesmeier, and son, Bernard Hermesmeier.

CHS Graduate Heads Dean's Honor Roll

Three graduates of Clarendon High School, all boys, have been placed on Dean Oliver J. Abel's honor roll as a result of their high scholastic average for the first nine weeks of the current year. Walton Crain, President of the student body, a sophomore, leads the group with a straight "A" average.

Walton is the son of Mr. and Mrs. W. M. Crain of Goodnight and graduated with honors from Clarendon High School in 1957.

Doyce Graham, son of Mr. and Mrs. Doyce Graham, is a sophomore and was only two-tenths of a point behind Walton with a 2.8 average. Clifford Beard, a freshman in college and the son of Mrs. Odell Barker of Clarendon was the only local freshman to earn a place on the Dean's honor roll. He too, has a straight "A" average.

Other students placed on the Honor Roll after the first nine weeks reports by Dean Abel include: David Bolivar of Hedley, who graduated last May as Valedictorian of his class; Mrs. Luelene Tipton, wife of the Baptist pastor of Hedley; Nancy Challenor, a sophomore and vice-president of the student body from Plano; Myrlene Nichols, Secretary-Treasurer of the student body, a sophomore, from Bula; Leslie Oldham, a sophomore from Samnorwood High School; H. D. Yarbrough, a freshman, the son of Mr. Homa Yarbrough, Elementary Principal of the Claude Public Schools; and Cheryl Scism of Dewees, Nebraska, the sophomore class favorite for 1958-59 school term. Cheryl is the niece of, and makes her home with Dr. and Mrs. Dwight L. Cox of Hedley during the school year.

Former Residents to Participate in Parade

Two former Clarendon residents will be participating in the Tournament of Roses Parade New Year's Day at Pasadena, California. They are Misses Pat Wilson and Vickie Barker, now living with their parents at Indio, California.

Indio has entered their third consecutive float in the parade and accompanying it will be the Coachella Valley Union High School Arab Band. This band is one of twelve bands chosen from over 200 applicants to march this year. Only one other band will accompany a float.

Leading the Indio band will be Miss Pat Wilson, daughter of Mr. and Mrs. Clyde Wilson, and a banner girl will be Miss Vickie Barker, daughter of Mr. and Mrs. Clyde Barker. We know that many of their friends in Clarendon will be watching for this float as they view via TV this New Year's Day event.

Continental Buses Running Again

The Continental buses are running again. Service was resumed on the Dallas to Denver route Tuesday of this week with two buses going each direction each day. Service was interrupted on the line July 2nd by a strike of bus operations, maintenance, and terminal personnel.

Some 20 veteran drivers have returned to work and approximately 100 new operators have been in training since October 20th. The company is working rapidly toward resumption of full operations.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The past week we (I had help from a friend) cleaned up some of the shelves in the back room. Old material had accumulated until there was no room for new. There is some more to move out. A place like this can become a general store house for junk if we are not careful.

No new material has been received this week except quite a few paper back or "pocket book editions" as we term them. Several of these paper backs were duplicates of our hard backs that we paid three and four dollars for. Then, our periodicals are worth your time. I marvel at the "timely" responses to questions replied to by Dr. Peale in "Look" and Mrs. Roosevelt in "McCalls". It is surprising the rapid advance that Hypnosis has made in the medical profession. It is no longer the old "Black Art". The last issue of "Arizona Highways" is a historical and artistic periodical. Ross Santee's illustrations of the wild horse round-up is in colored tints. He is very popular as a writer, and I wish he would write a few more books, but he devotes much of his time to periodic columns. The New Mexico Magazine is very attractive and prints articles of interest in regard to their many artists.

We have some reading material that is so assorted that any reader could appreciate our Library.

Sims PTA To Meet Today

Abuzz session on "Education In Our Community" will be the program for the regular meeting of the Sims P.T.A. to be held Thursday, November 20th, at 3:00 P. M. in the Jr. High School Auditorium. All parents are invited to attend the meeting and to be counted in the room count.

Mr. and Mrs. Bob Word spent the week end in Dallas and Ft. Worth.

Farm - City Week November 21-27

Texas Department of Agriculture John C. White, Commissioner

When Farm-City Week is observed in Texas during November 21-27, cooperation in progress might well be the keynote for recognition.

For, just as the state's population has shifted from Rural to urban, so has agriculture "gone to town". For every advance in city living, there has been an advance in agriculture and agricultural products essential to the modern citizen.

Development of new products and new uses for standard and essential farm commodities constantly serve to make life more comfortable.

An example of such developments was begun when scientists improved concentrated citrus juices during World War II, laying groundwork for the commercial production of the frozen concentrated juices now accepted as standard food items.

More recently, processes for converting fruit and vegetable juices into stable, well-flavored and handy-to-use powders have been developed—another step toward "instantizing" and placing more convenience in the kitchen.

Agriculture has also kept pace with the consumer's changing needs by developing the type of product desired. The full-breasted broiler, the smaller turkey and the leaner-type pork found in today's markets are all products of careful breeding and cultivation to meet the consumer's desires.

For consumer protection, other

farm products have been safeguarded by grading services to insure quality and wholesomeness. On such food items as meat, poultry and eggs, dairy products and fruits and vegetables of a specified quality, consumers know they can trust their food supply.

The farm and the city have always been dependent one on the other for comfortable existence. The farm has been the source of supply for essential food and fiber products, and the city consumer has been the farmer's "demand", the ultimate market for his goods.

But never before has the farm supplied more needs for "more city people than now. And never has the city been a readier, more deserving market place for farm goods than now. Farm-City Week is a time for us to recognize this partnership in progress.

There is no greater security than the knowledge that one is doing the right thing.

It does a man no good to sit up and take notice if he just keeps on sitting.

H. M. Ray returned to his home in Portales, N. Mex., Friday after a visit with his sister and her husband, Mr. and Mrs. G. C. Heath.

Mrs. Bert Smith and Donald were in Abilene Saturday to attend the West Texas-McMurry football game.

Mr. and Mrs. Dale Hill and Mr. and Mrs. Carl Evans of Amarillo visited through the weekend with Mrs. W. S. Carlile.

COMPLETE BODY REPAIR SERVICE

We have been fortunate in securing the services of

OWEN W. AARON

to Operate and manage our body shop.

We can now offer complete services including body repair, windshield and glass replacement, repainting and towing service.
