## Christmas Cards For Sale

The Circle of Friends, a non-profit membership organization, is dedicated to helping cancer patients and their families in times of need. Through its affiliation with the Don & Sybil Harrington Cancer Center, the Circle develops and implements fundraising activities primarily to provide financial assistance and patient care and support for those affected by cancer. The Circle works with the Harrington Cancer Center to provide cancer educational opportunities for people throughout the region.

Les Beaux Art Club in cooperation with The Circle of Friends is selling The Caring Touch Collection. Christmas Cards in the Collection were designed by students in the Texas Panhandle who care about the needs of cancer patients and their families.

Due to late printing there were an abundance of the 1993 Collection left in stock. You can lend a helping hand by sending these cards this year! There are 25 cards per package for \$13.00 with several designs to choose from. To order yours call Tandy Boston at 874-2513 or Lara Helms at 874-2156 or ask any member of Les Beaux Art Club for more information.

## Broncos Season Ends

Although the Clarendon Broncos lost their game to Highland Park, by a score of 25-21, they played a fantastic game. It was a hard fought game all the way, with Clarendon in the lead going into the fourth quarter 19-13. The Hornets scored two touchdowns in the fourth quarter to capture the win. Clarendon had a total of 430 yard rushing and 19 yards passing, compared to Highland Parks 174 yard rushing and 170 yards passing. The Broncos will begin their basketball season Nov. 12.

## Church to See Mission Slides

Terry Tamplen, Minister of the First United Methodist Church, will show slides of his recent mission trip at the First Christian Church on Friday, November 11 at 7:00 p.m. Tamplen recently went to what was formerly the Soviet Union. That area today is divided into three nations, Belarus, Ukraine and Russia.

## Trip To Be Given Away

Would you like a trip to Red River? Clarendon Band Students and parents are selling tickets for a Red River trip for two on February 24th and 25th, 1995 at the Ponderosa Lodge. Tickets are \$1.00 donation. Anyone wishing to purchase a ticket please contact any 5th-12th grade band student. The trip will be given away on December 21, 1994.

## Preparing Students For College

The final program of a series aired on the local cable system (Channel 8) will be broadcast this week on Monday, November 14, at 1:30 p.m. and on Tuesday, November 15, at 7:00 p.m. Dr. Willard Daggett, series host, will lay out a series of fundamental structural changes that are occurring in today's workplace. He then shows how the math, science and language arts being taught in and tested by our schools bear little resemblance to the skills needed in the changing workplace. He provides suggestions on how schools and the business community can work together to solve this problem. Viewing time for this program is 75 minutes.

Phil Barefield, superintendent of Clarendon ISD, expressed his appreciation to all those that found time to view this series and to the local cable system for making it available to the public. Barefield indicated that this series should have stimulated a healthy interest in making our schools relevant to tomorrow's challenges.

## First Bank & Trust Changes Owners

The First Bank & Trust of Clarendon finalized its merger with Herring Bancorp on Monday, November 7th. The first order of duty was for the First Bank & Trust to elect a slate of directors to engage the Bank's business in Clarendon. The directors are pictured.

The new ownership of the bank has committed the bank to the full support of Clarendon and the surrounding areas. The bank will be expanding its focus on small business development, agricultural lending, commercial lending and customer service, all coupled with a warm family banking environment.

The Board has named Mark Mann to serve as President of First Bank & Trust. Mann, who has worked in banking for the last twelve years will assume the Presidency on November 14. Other than President, First Bank & Trust expects no staff change as a result of the merger.

Customers of First Bank & Trust can also look forward to the added convenience of a drive through window in addition to other new services.

## Merchants Association Make Plans

The Clarendon Merchants Association met Monday, November 7th, at 7 p.m. in the Burton Memorial Library. Plans for the upcoming holiday season were made.

The annual Parade of Lights will be held Wednesday, November 23rd, with downtown merchants having an Open House, with refreshments etc., following the lighting of the Christmas tree on the courthouse lawn sponsored by the Ministerial Alliance. The Ministerial Alliance will present their program beginning at 6 p.m., followed by the lighting of the Christmas tree. The Girl Scouts are in charge of the decorations, with numerous other youth and religious organizations participating.

Late Thursday night shopping will begin Dec. 1st. Any organizations wishing to raise money are welcome to participate. Santa Claus will be downtown each Thursday night until Christmas, so bring the kids and join in the fun. There will be wagon rides for the children and young at heart, plus lots of Christmas Carolers and different entertainment each Thursday night.

Also, please check your lights and see if any of them need replacing, or if you would like to purchase lights, they are available at Henson's. Everyone is encouraged to participate in the lighting of main street and our town.

## V.F.W. Celebrates Veteran's Day

The Clarendon V.F.W. will celebrate Veteran's Day, November 11, 1994, with a breakfast from 7 to 9 a.m. The Public is invited to attend.

The Clarendon News will be closed on Friday, November 11, 1994. In observance of Veterans Day. Deadline will be Monday at 5:00 p.m. Picture need to be in Thursday by 12 noon.

## Fishing Report

The Texas Parks and Wildlife Department has reported that at Lake Greenbelt the water is rough, wind keeping fishermen off lake, catfish good on minnows and stinkbait.

## Museum Notes

Tickets are now on sale at Henson's for the big museum party, December 3rd. The museum directors will meet this week on Thursday, November 10th at 5 p.m. to make final plans for the dance and drawings to be held at the Community Building in Clarendon, the evening of December 3rd. Your support of this event is greatly appreciated.

## Featured Business of the Week

by Shelley Tongate

This week's featured business is Saye's, located at 219 S. Kearney. Saye's has been in the family ever since Terry's great-grandfather started the business in 1910. Terry's grandmother then started working, beginning at the age of 13, into her 80's. Tommie and Lucy Saye then began running the business, until Tommie's retirement in April of this year. Terry Askew, now owns and operates Sayes, with the help of her mother and father.

Terry and her husband Danny have been married for 17 years, and they have three children. Dale, age 12, Katie, age 6, and Dalton, age 4. Danny works for Greenbelt Water Authority and he also farms and ranches. Terry was born and raised in Clarendon, and has been back in Clarendon for 10 years.

Besides the friendly service, Saye's offers men's Carhartt and Walls Outerwear, Wrangler jeans and shirts, ladies Rocky Mountain and Roper jeans and blouses, children's clothes, hats, belts, boots, jewelry, tooled leather purses, gloves, caps, wallets, underwear for men and women, night gowns, and they handle a lot of western type t-shirts. They also do special orders, gift wrapping, and they offer a lawaway plan.

Terry states, "At Saye's, we like to know our customers. We try to visit with the ones we do not know, that may be new to town, or even be tourists, and we would like for them to know us for our service. We enjoy the older customers that come in and say that they remember when they were small, and they came to Saye's. We want them to know that we'll be here for their grandkids. All of the businesses suffer when the farmers and ranchers suffer, and I think we're all looking for a better year next year!"

## Fire Department Beneficiary of Fire Aid

The Howardwick Volunteer Fire Department recently qualified for a free 1 1/2 ton flatbed truck and two 600 gallon tanks. The equipment aid came through the Rural Community Fire Protection (RCFP) program, a federal-state cooperatively funded program administered by the Texas Forest Service. The department's latest equipment was acquired by the state forest resource and rural firefighting agency as Federal Excess Personal Property equipment and transferred to the rural fire department at no cost.

Other types of free equipment may be available to rural firefighting organizations, depending on the equipment that has been released through the excess property program.

Fifty percent cost-sharing aid, up to \$5,000, is also available to qualified departments towards the purchase of trucks and slip-on pumping units. County or multi-county radio systems also may qualify for \$5,000 in cost-sharing and through the cooperative fire program. In addition the rural fire protection program cost-shares

the purchase of dry hydrants, which can provide water sources for rural firefighting efforts.

Aid requests from fire departments greatly outnumber the number of vehicles and the amount of cost-sharing aid available, so equipment and funding is made available on a prioritized basis.

Over 3,100 trucks, slip-on pumping units, dry hydrants and other fire apparatus have been placed with rural fire departments and firefighting associations with cooperative fire program aid since the program's inception in 1973. Early this year rural fire department purchases of discount-priced firefighter clothing, tools and water handling accessories through the state forestry agency's Fire Safe program topped the \$2 million mark. Over \$500,000 worth of Fire Safe items were purchased by rural fire departments within the last 12 months alone, a new agency record.

Detailed information on equipment and cost-sharing aid for rural fire departments is available from the Fire Control Department, Texas Forest Service, P.O. Box 310, Lufkin, Texas 75902-0310, phone 409-639-8100.

Gilkey, Frank Hommel; Al Morrah Shrine, Mitchell Martin; Saints Roost Museum, Willard Skelton, Terry Floyd; Donley County Hospital District, Gene Alderson; Texas Panhandle Star, Kevin Welch.

An attempt was made to have every group entity and organization represented. All of those who attended had a part in a lively discussion of happenings, plans, and dreams. There was an atmosphere of optimism and good will. Everyone went away with a renewed sense of purpose. This was a very positive meeting.

A second of what will become quarterly Leaders' Conferences is planned for January (date to be announced) with the Al Morrah Shrine hosting the meeting.

A brief summary of items discussed includes: the relocation of Hotsy Totsy; Hwy 287 curbs and gutters; Fire Department Training tower for use toward certification; nursing home employment has reached 60; Clarendon College to host 1996 State Archaeological Convention; Implementation of a Recycling Center; Expansion of College facilities; CISD goal of discipline for quality education with community involvement; Merchant's Association Fishing Tournament, Autumn Festival, Christmas Parade of Lights, Depression Luncheon; Donley County Senior citizens' Bazaars, Auction, Dances, Parties with Community involvement; Saint's Roost Museum Benefit Dance, Open House, possible Church Wagon Roundup; Thunder Junction seeking investors for Phase I (3.5 million for Water Park), eventual 20 million total; Al Morrah, 4th of July Barbecue.

The Chamber of Commerce appreciates everyone who participated and appreciated the Senior Citizens for the use of their building for this and future meetings.

### Pathfinder Club Enjoys Guest Day

Oct. 14th

Helen Estlack shared with Pathfinder Club and guests her knowledgeable hobby and retirement profession of collecting, cutting and polishing rocks and gems. She gave us a quick course on geology, density or hardness of different stones, where they are to be found world wide and something on the process of cutting and polishing. She displayed some unique jewelry with different types of settings and stones. Florescent stones were viewed in a miniature dark room setting. The nature of intensity of structure was discovered through microscope.

Helena considers herself to be a lucky person with her investment, but it is really educated luck that she has managed to buy and sell and still have the versified collection that she so proudly displayed.

No business meeting was conducted. Hostess Pearl Hermesmeyer, Ruth Robinson and Janice Weatherly invited members and guests to a lovely Fall decorated table from which hot spiced punch and bar cookies and nuts and mints were enjoyed.

Guests present were: Helen Estlack, Abbey Warner, Leona Musgrove, Betty Jean Williams, Melba Risley, Billie Shaffer, Connie Clifford and Elvie Shields.

Members present were: Murle Butts, Nita Manning, Naomi Green, Anita Mooring, Tena Powell, Luck Saye, Jo Shaller, Mary Jane Smith, Dorothy White and previously mentioned hostess.

### Austree, A Tree For all Reasons

The Austree is an excellent tree for windbreaks, hedges, shelterbelts, snow fences, noise and dust barriers, shade trees, general landscaping, wildlife habitat, erosion control, and privacy screens. The Austree naturally grows in a dense formation, however, it can easily be pruned for a shade tree. No pruning should be necessary for the first season. In the spring of the second season, simply find the tallest and straightest main leader. Cut all other limbs at ground level and discard. You can prune all small branches from the ground up, about 1/3 of the height of the trees. For example, if you have a six foot main leader, you could prune all lower branches up to two feet.

Austrees are a very fast growing tree. They usually grow 8-10 feet in the first year. The Austree will top out at 50 to 70 feet depending on soil, weather, and water con-

ditions. Austrees have a life expectancy in excess of 50 years depending on growing conditions and the planting site.

If you need further information concerning trees, please stop by the SWCD office at 4th and Sully. SWCD is a non-profit organization whose sole concern is the conservation of our natural resources. SWCD is in no way in competition with any nurseries. Trees are sold for wildlife and windbreak protection.

**Senior Citizens News**

The Donley County Senior Citizens Center celebrated Sharon Grady's birthday last Friday. Sharon is the Center's head cook. She does a great job and they are fortunate to have her on their staff. Board of directors president, Fred Riley, had his birthday, Monday, Oct. 7. He is 80 years young.

The DCSC Center's election for their 1995 board of directors was Monday, October 7, 1994. Election judges were Helena Catoe, Lee Caskey, and Mike Suiter. Forty-eight members voted absentee. Forty-four members voted on election day. These people were elected to the 1995 Donley County Senior Citizens board: Bill Hodges, Bob Kidd, Pat McCombs, and Onita Thomas. Congratulations to this fine group. The Center appreciates each one who expressed their concern for the Center by running for the board. There was an excellent group running this year.

The Center will serve their Thanksgiving holiday meal, Thursday, November 17.

The Center is still selling tickets on a beautiful Christmas centerpiece to be given away November 23, and TV ticket sales will go on until Dec. 15th. Tickets are \$1.00 each or 6 tickets for \$5.00 on both the centerpiece and the TV. Everyone is encouraged to get their tickets and help support the Center.

There will not be a Birthday/Anniversary supper scheduled during December due to so many other activities. The November and December Birthday/Anniversary will be combined and held on November 29, at 6:30 p.m. Everyone with November and December birthdays and anniversaries are encouraged to attend.

Reminders: Monday, Nov. 14, Senior Citizens Dance Club 7 - 9 p.m.; Tuesday, Nov. 15, Blood Pressure Clinic, 10:30-12 noon; Thursday, Nov. 17, Hearing Aid Clinic, 10 a.m. to 12 noon.

**The Lions Tale**

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday November 1, 1994 at the Lions Hall with 14 members, 1 guest, and Lion Sweetheart Dee Williams in attendance. After a delicious baked ham dinner, the meeting was called to order by Vice-President Jimmy Johnson. Following the regular opening ceremony, Lion Bernabe gave a report on the state audit of the Lion Bingo Operation. The club authorized the purchase of a pair of eye glasses and the meeting was adjourned.

Following refreshments of sandwiches, cookies, nuts and candy, apricot tea and coffee, the program was presented by JoBurta Helms, elementary music teacher in our public school. She was assisted by her students Lydia Hartman, Meghan McAnear, Jamie Simmons, Chrissy Martin, Shanna Shelton, and Andra Helms. The girls sang several folk songs and Mrs. Helms explained how concepts of social studies and vocabulary can be taught through these songs.

After the program President Thelma Shields conducted a brief business meeting.

Attending the meeting were Dorothy White, Elvie Shields, Pearl Hermesmeyer, Dorothy Whitaker, Thelma Shields, Helena Catoe, Hazel Brandon, Dikki Howell, Glenda Hawkins, and Frieda Tucker.

## LGA's Trick or Treat Surprise Breakfast

by Jaunita Meador, Reporter

On the morning of October 29, 1994, the Entertainment Committee was on their way at 6:00 a.m. ringing doorbells, come as you are, no excuses, to a breakfast of Sausage, Bacon Eggs, Cinnamon Rolls, Orange Juice, and Coffee at the home of Nancy Davis.

Each one present was presented a Trick or Treat Novelty. Judy Bland won the "Complainers Award", Dorothy Breedlove, Wanda Nazworth and Quida Gage shared the "Best Hair-do Award," Susie Dale won "Showing More Legs Award" Billie Don Watkins won the "Cover Up Award" and

Billie Melton won the "Worst Hair-do Award".

Those complaining were Maxine McLaughlin, Carla David, and Jan Ramsey. They made two trips to get Susie Dale, the sleepy head.

Telephone calls to Billie Chauveaux and Maxine McLaughlin with the group singing Good Morning to You. Maxine McLaughlin arrived at 8:00 a.m. Judy Bland presented here with her "Complainers Award."

If anyone was wearing more than two items, the fine was \$1.00. Quida Gage had to prove she was wearing three items.

Members present were: Judy Bland, Quida Gage, Wanda Nazworth, Lori Mooring, Susie Dale, Shirley Kelly, Elnora Haynes, Leslie White, Billie Johnson, Nita Meador, Fern Hall, Carol Hinton, France Skelton, Frances Deyhle, Dorothy Breedlove, Lea Tyler, Maxine McLaughlin and the hostess, Nancy Davis.

A fun time was had by all, and those working or out of town, really missed a great party.

### Public Notice

Southwestern Bell Telephone Company (SWBT) has filed an application with the Public Utility Commission of Texas (PUC) to restructure the current PLEXAR I and II service offerings. This restructure will significantly change PLEXAR I and II services.

The restructuring of PLEXAR I will, among other things: (1) reduce the maximum line size from 30 to 9; (2) obsolete and grandfather certain optional features; (3) eliminate the requirement to subscribe to Feature Package Two in order to subscribe to certain optional features; (4) reduce the nonrecurring and monthly rates of certain features; and (5) increase the nonrecurring charges for the PLEXAR I System Charge (\$2.10 to \$8.00), Call Transfer Disconnect feature (\$3.00 to \$8.00), and Convenience Dialing I feature (\$6.35 to \$8.00). All current PLEXAR I customers will have the option of keeping their current PLEXAR I service, switching to the new restructured PLEXAR I service, or switching to PLEXAR II service with ten or more lines.

The proposed PLEXAR II restructure will, among other things: (1) change the tariffed offering to serve the market segment of 10-74 stations; (2) create two station pricing structures, one for customers with 10-29 stations, and one for customers with 30-74 stations; (3) reduce the sensitivity for the loop portion of the rate to two price bands: 0-2 miles, and beyond 2 miles; (4) offer a PLEXAR II basic station that can be flexibly configured, from a number of standard features, to meet the individual customer requirements; (5) change the way the termination liability is calculated so the customer is responsible for 65% rather than 56% of the present worth of the remaining monthly payments in the contract; (6) create an option that allows month-to-month customers to convert to long term contracts of at least three years and receive a credit or "contract signing bonus"; and (7) establish a System Subsequent Change Charge which applies per serving central office when changes are made that affect the entire system.

Current PLEXAR II customers will also have the option of keeping their current PLEXAR II service, or switching to the new restructured PLEXAR II service. PLEXAR II customers with at least 75 stations also have the option of switching to PLEXAR Custom service in certain situations.

This application has been assigned Docket Number 13210. Persons who wish to comment on this application should notify the Commission by November 28, 1994. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the PUC Public Information Office at (512) 458-0256, or (512) 458-0221 teletypewriter for the deaf. For more information about this application, please call your local Southwestern Bell Account Representative.

## Letters To The Editor

This is a letter sent to Donley County Chamber of Commerce

Dear Chamber Members,

Let me introduce myself and my company. My name is Terri Tuckness Deputy and I am the owner of "Hotsy Totsy Texas Style Salsa" and Hotsy Totsy - The Hot Shop. I have been in the salsa business for 11 years and I finally went commercial this past December.

As a demand for my salsa increased, I recently opened a retail outlet at Sunset Center in Amarillo. Since December, our public acceptance and orders have increased to the point that we are forced to consider our own processing facility. Currently, we have hired a Fort Worth company to do the manufacturing for us.

We are supplying to the wholesale food chains. Our orders are in the thousands and multi-thousands cases at one time. The wide demand of this product is forcing us to locate a suitable place for this facility.

Our initial needs are as follows:

- 1) 40,000-60,000 sq. ft. building. Preferably, one that has existing canning and bottling equipment.
- 2) We will require a storage area for shipping boxes, crates and pallets.
- 3) Loading docks with good road conditions and easy access for our trucks.
- 4) Some type of refrigeration storage.
- 5) Office Space.

We will be using a great deal of produce and anticipate purchasing all that is available from our local farmers. Our employment structure should increase to over 300 employees. We have looked at several processing plants in our area that are available at the present time. However, if you have a facility that meets our needs, please contact me for further discussion.

Sincerely,  
Terri Tuckness Deputy

Dear Terri,

We were excited to receive your letter. Admittedly, a little overwhelmed, as you will understand there are no facilities in Clarendon of more than 6,000 sq. ft. and none with the required equipment. However, we are pleased that you would consider coming to Clarendon. We want you to know that we would very much like to have your production plant in or

near our community.

If you are interested in coming to Clarendon for a meeting with community leaders, let us know. We will make our best effort to give you a good hearing and let you look our community over.

Thanks again for your letter.  
Very Cordially,  
Don Stone  
Chamber of Commerce

Directors:

Paul Bivens  
Dan Dronzek  
Bobbie Floyd  
Richard Gilkey  
Frank Hommel  
Kelvin Sharp

Dear Ms. Deputy,

The City of Clarendon was glad to have you come to the City meeting recently. We want you to know that we are very excited about the prospect of your business locating in our city. Since we have read a copy of your letter, we realize that we may not have the custom made situation for your company. But we are still interested in helping you in any way that we possibly can. Please keep us in mind and let us know if and when we can be of service to you.

Sincerely,  
Steve Smith  
Mayor, City of Clarendon

Dear Editor,

On October 25, 1994 bids were opened on the request for proposals for the computer system. Bids are as follows:  
USTI - Irving, TX Hardware & Software \$23,194.00

Incode - Lubbock, TX Hardware & Software \$21,274.00  
Kiowa Creek - Clarendon, TX Hardware & Software \$7,755.25

AVR - Houston, TX Hardware & Software \$19,128.00  
Decision was made to table the computer proposals until time was taken to compare the programs presented. A meeting was set for November 1, 1994, at 7:00 p.m.

On November 1, 1994 "The Aldermen discussed the proposals for the computer systems, considering pros and cons for each bid. Motion was made by Alderman David Pitts, seconded by Alderman Shawn Barker, to accept the bid of Incode from Lubbock with the addition of upgrading the computers. Incode was chosen because of their experience in the field of municipal utility billing and fund accounting, their phone support system, and the fact that Incode works with several cities of our size in this area. Motion carried with one opposed. Mac Stavenhagen opposed."

I want the citizens of Clarendon to know their city alderman are spending \$12,250.00 on computer software. In my opinion, this is ludicrous. Regardless of the fact that Kiowa Creek Resources offered to "program" the cities' computers to their specifications at no charge as a service to our community, I submit to you the possibility that even with diligent effort you couldn't find a more expensive package of city management software. This software is almost double the price of one of the other bids and more than triple the price of the other.

And it doesn't stop there. We will pay almost \$5,000.00 for this company to come here from Lubbock to train our city employees to do the job they've been doing collectively for over 10 years and then pay almost \$2,000 every year from now on.

If you are as opposed to this flagrant waste of your tax money as Mac Stavenhagen and I, call your Mayor and city Alderman.

Tell them you want this decision reversed. If you wish to file a formal complaint concerning this action with the State Attorney General's office, you can call 1-(512) 463-2100 and ask for Ms. Maybeth Lee in the Anti-Trust section of the consumer protection division.

Remember, no response is a response. If you don't care, don't call.

Mayor, Steve Smith, Box 241, 874-2136

Shawn Barker, Box 1246, 874-3193

David Pitts, Box 830, 874-2835

Mac Stavenhagen, Box 905, 874-3905

Bobbie Kidd, Box 375, 874-2467

Delmer Wiggs, Box 1093, 874-3155

For further details of this action or a comparative analysis and copy of the bids mentioned, contact City Hall or myself.

Sincerely,  
Terry B. Bernabe

## Thank You,

I would like to thank everyone that supported the Broncos during football season, it was a learning year for us all and I think that good things will come as the program progresses. I would especially like to thank the 5 seniors who stuck it out through the season, the booster club, for all their help and support, the kindergarten classes for their inspirational drawings, the school board, parents, fans, faculty, student body, and administration and everyone who stood behind us. We are glad to be here and are excited about things to come with the future bronco team. Thanks again for all your support.  
 Coach Allison & the Bronco Coaching Staff
