NEWS

James F. Hayes, Republican Candidate for County Judge, on behalf of the Donley County Republican Party, is shown presenting Clarence Hamilton, Professor of Government at Clarendon College, a ticket to the dinner honoring Vice-President Spiro Agnew. Frank Novak, president of the Student Senate, is shown accepting four student tickets for the Rally.

Donley Republicans Sponsor Students At Agnew Rally Mon.

Through the Donley County Republican Party and their campaign fund, four Clarendon College students, three Clarendon High School students, and two Hedley High School students and the sponsor of each group were able to attend the Republican Rally honoring Vice President Spiro Agnew and Republican Candidates held in Amarillo Monday afternoon and evening. Five student tickets were made available through the courtesy of Frank Derrick. Clarence Hamilton, Government professor at Clarendon College, was presented a \$100 ticket to attend the dinner Monday evening. From the College, Frank Novak, president of the Student Senate, Joe Hood, Steve Bell, Jimmy Lemons, and Peggy Bates attended the rally. Jim Nance, Government teacher at Clarendon High School, was accompanied to the rally by Jay Lamberth, Danny Hill, and Kent Heath.

Colts Storm McLean 18-0 Thursday Night

In a swirling snow storm Thursday night, the Clarendon Junior High Colts swamped the McLean team 18-0 in a game played at McLean. The game was fine but the weather was terrible with blizzard conditions prevailing. Clarendon's first score came in the first quarter with Michael Gardner crossing the goal line for the touchdown. The try for the extra point failed and the half ended 6-0. The third quarter was scoreless but in the fourth period of play, Gardner intercepted a pass and went 40 yards for 6 points. Again the conversion failed, Gardner added the final 6 points on a 25 yard run. Coaches Brumley and Hall reported the boys as having played a real fine game with each doing his job. The Pep Squad accompanied the team and also led the pep rally here presenting a short skit. The Colts will entertain Claude here Thursday night, tonight, at Broncho Stadium. Game time is 6 p.m. A "B" game will follow. Everyone is invited to come out for these games.

Church of Nazarene Plans Revival For October 23 - Nov. 1

Rev. J. W. Humble, pastor of the local Church of the Nazarene has announced that revival services will be held at the church beginning Friday, October 23 and continue through November 1. Rev. Lawrence J. MacAllen, Evangelist, Artist and Ventriloquist with "Gospel Pete" will be in charge of services. Rev. MacAllen has served for over 25 years as pastor and evangelist in the Church of the Nazarene, an international church with headquarters in Kansas City, Mo. With his "chalk talk", he has worked in youth camps, churches, schools, colleges and civic clubs throughout the nation using color illustrations of hymns, gospel songs, and cartoons. In youth work, Rev. MacAllen uses ventriloquism through a talking doll, "Gospel Pete," and magic tricks for object lessons. The Clarendon Church of the Nazarene and pastor extend to one and all a hearty invitation and welcome to attend the Revival being held in their church. Services will be held each evening at 7 p.m. and Sunday at 11 a.m.

CC Phi Theta Kappa Sponsors Olympic

The Autumn Olympics are coming to Clarendon College. Begin training for them now! Genuine imitation gold medals will be given to first place winners in three divisions: All-Male, All-Female, and Mixed. A \$1 ticket will entitle students to enter any or all of the events. This \$1 ticket will also entitle you to witness the physical prowess of our Clarendon collegians. Events include the Crab Walk (Male and Female Divisions), the Three-legged Race (Mixed), the Sack Race (Male and Female), and the Rug-Scramble (Mixed). Plan now to spend an evening witnessing record-shattering athletic endeavor. The 1970 Autumn Olympics will be sponsored by Phi Theta Kappa. Further details will be forthcoming.

Old Settlers Meet At Cotton Festival

Donley County Old Settlers met Friday at Lions Den in Hedley during the Hedley Cotton Festival. Attendance was good. The group enjoyed a fine program. Clifford Johnson gave the welcome address. New Officers were elected as follows: President, W. L. Mosley; Vice-President, Woodrow Farris; Secretary-Treasurer, Mabel Bridges. W. H. Bill Jones of Hedley was the oldest man present. He is 83 years old and has lived in Donley County 73 of these years. Mrs. Eva Hill, 82, was the oldest lady present. She has been a Donley County resident for 69 years. Each was presented a gift. Around 100 signed the register during the Festival.

CLAMPITTS TOUR NEW ENGLAND AND CANADA

Mr. and Mrs. Roy Clampitt and their son, Harold, have returned from a trip through New England and Canada. Especially interesting were stop-overs in Quebec, Boston, New York City, Philadelphia, and Washington D. C.

Take Notice Now! Plans For New Town At Sherwood Shores

It was learned by The Leader this week that plans have been completed by the residents of Sherwood Shores and Howardwick Town to incorporate into a single township. It will be known as Howardwick; Intent to Incorporate papers have been filed with the proper agencies. The matter is being processed by an old-line law firm located in Austin. In an interview with George Howard, who is connected with both sub-divisions, it was learned that he had appeared before the Commissioner's Court on three occasions in an effort to gain recognition for the lake area as a County sponsored municipality. This is the usual procedure. Howard stated, when a county wishes to gain financially from the economic growth accompanying new and successful resort developments. It is nothing more or less than any other lucrative new industry. Such County action was taken at Lake Meredith early in its inception, for instance. When an area is allowed to form its own government, Howard went on, then there is a tendency somewhere down the line for tax monies to become divided between county and township. Howard said his main concern was the prospective loss of large tax monies that would have ordinarily continued to flow into the Clarendon School System, possibly making it one of the best financed school systems in the state. Howard explained that of the 2000 property owners-tax payers presently in the lake area, that only about 25% would ever have children attending Clarendon Schools. The tax monies per student would be well above state average. Howard expects a lake property-owner population of about 4000 in 1975, and 6000 in 1980. When asked if he planned any further efforts to gain County recognition, Howard indicated he did not think it would be advisable or beneficial.

Cotton Festival At Hedley Huge Success

The 19th Annual Hedley Cotton Festival has passed into history with all events progressing as planned. Attendance throughout the two day celebration was average or better despite the weather. Friday, some 100 Old Settlers registered for their gathering. The Kiddies Parade Saturday morning drew a large crowd and much work was put into the decoration of bikes and wagons, along with horses, "Tugie", a favorite TV star, added to the enjoyment of this event as ribbons were presented to all entrants. Hedley is noted for their fine parades and this year's parade was no exception. Sandy Winn Taylor, reigning Festival Queen was featured in the parade along with many beautiful floats, beautiful girls, bands, riding clubs, boats, decorated cars and everything to make a really fine parade. Awards in the parade were as follows. In the Commercial Division The Security State Bank of Hedley took first place honors. Hedley Beauty Shop was second and Stafford Grocery was third. For the Organizations, the Sodality Club of Hedley placed first, Hedley Lions Club second, and the Panhandle Boat and Ski Club of Amarillo third. The Clarendon Junior High School Band carried off first place honors for the third consecutive year with Memphis placing second in the Band Division. In the Decorated Cars class, first place went to the Hedley Garden Club. The Greenbelt Water Authority float was sponsored by the Clarendon College Sportsman Club with Clarence Hamilton as the driver. On this float were Kathy Citem, Kay Greer, Sherry Shaw, and Jo Pierson. The coronation of the new Queen of Cotton was held at the Hedley High School Gymnasium with Mrs. Letha Springer in charge. Reigning Queen Sandy Winn Taylor crowned Miss Kathy Painter as the new Cotton Festival Queen. Kathy is the daughter of Mr. and Mrs. J. H. Painter and was sponsored by Hedley Recreation Center, Gail Holland, daughter of Mr. and Mrs. Buford Holland, sponsored by the Sodality Club, was first runner-up, and Angela Messer, daughter (See FESTIVAL Page 8)

Bronchos To Host Wheeler Mustangs Friday Nite 7:30 p.m.

The Clarendon Bronchos will begin District play this week when they entertain the Wheeler Mustangs. Since this will be a conference game, starting time will be at 7:30 p.m. Friday night. District competition is expected to be tight this year as teams are about equal in strength. Wheeler is considered to be one of the stronger teams so this promises to be one of those games you will not want to miss. Coach Clyde Noonkester stated that the probable starting line up will be the same as players continue to be out with injuries and will be out for at least another week. The probable starting lineup for the Bronchos this week will be as follows: Ted Tyler, left end; Tim Rogers, left tackle; Steve Ellis, left guard; Scotty Lindley or Danny Holland, center; Eddy Helms, right guard; Ronnie Hill, right tackle; Johnny Gillean, split end; Ewayne Barbee or Tommy Shields, fullback; Elray King, left half; James Shadle, right half; Mac Tomlinson, quarterback; Kenny Bacon will start as a defensive end. Coach Noonkester further stated that the coaching staff was pleased with the improvement shown and the concerted team effort put forth in the game at Stinnett the past Friday night when the Bronchos downed Stinnett 20-6.

Seven Proposed Constitutional Amendments Analyzed

In keeping with the policy of the Donley County Leader an analysis of the seven proposed Constitutional Amendments to be voted on in the November election will be carried in the publications beginning this week and continuing through the Thursday prior to election. You may like to keep these issues to study and refer to as the length will not permit carrying the full text in any one issue. Comments will be given both "for" and "against" each amendment as well as a statement as to the text of the amendment. These are not our opinions or views but are taken from the analysis prepared by the Texas Legislative Council.

AMENDMENT NO. 1 — Relating to removal, retirement, or censure of justices, judges, and justices of the peace under prescribed circumstances. The proposed amendment was drawn to enlarge the jurisdiction of the State Judicial Qualifications Commission and to enlarge its powers on censure and removal from office of all state and local justices, judges, and justices of the peace whose conduct is deemed inconsistent with the power performance of the duties of the court and would add censure to the powers of the commission, expand the authority of the commission to cover such county officials, authorize the commission to keep itself informed concerning the misconduct or disability of officeholders named, authorize the commission to issue private (See AMENDMENTS Page 7)

HENDERSON CHAPEL C.M.E. CHURCH TO HOLD ANNIVERSARY SUNDAY

Members of the Henderson Chapel C.M.E. Church of Clarendon will commemorate their 80th anniversary with special services Sunday, October 18. Rev. E. F. Scott, minister, and members invite Ministers, their congregations and choirs to be present for this great event. Henderson Chapel is located north of the depot. In reporting this memorable event, Johnny Bates stated that Mrs. Bill Patman and several others of the Clarendon First Methodist Church helped to organize this Methodist Church for his people. The church grounds are 80 years old but a different building stands on the site. The Chapel was named for Aunt Sallie Henderson who worked for Mrs. Patman. Services will be held at 3 p.m. Sunday, October 18, and a cordial invitation is extended to all to attend.

POTTS TO EXHIBIT 4-H STEER AT STATE FAIR

James Edward Potts, Donley County 4-H club member from Hedley, will exhibit a Hereford steer at the State Fair of Texas, according to County Agent Ronald Gooch. The steer is entered in the junior steer show. The show will be judged by Miles McKee, Kansas State University, on October 21.

SPAGHETTI SUPPER SET FRIDAY, OCTOBER 16

A Spaghetti Supper will be served Friday evening, October 16, between the hours of 5 and 7:30 p.m. in Fellowship Hall of the First United Methodist Church. Sponsors of the supper are members of the Edith Ballew Circle of the Woman's Society of Christian Service. Charges will be \$1.25 for Adults and 75c for pre-schoolers.

CAR-TRAIN ACCIDENT INJURES MRS. GERDES

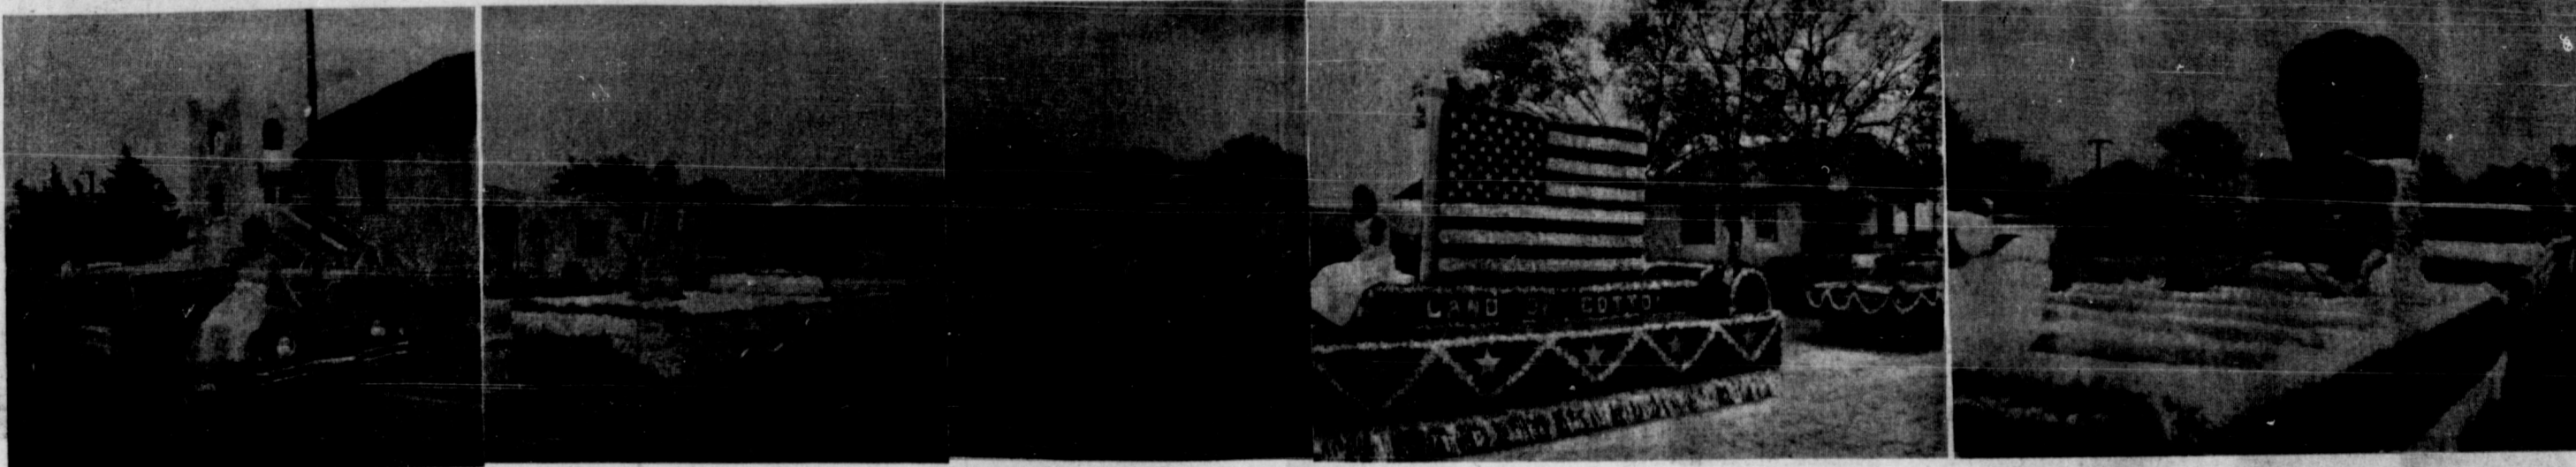

Mrs. Gary Gerdes and children, Cathy and Bobby, were injured in a car-train accident at Silverton around 7 p.m. Saturday evening. The accident occurred on the east side of Silverton on Highway 86 at an unmarked switch track. The train came from behind the elevators and when it appeared, Mrs. Gerdes swerved. The left side of her car was struck and the car carried alongside the train down the track. This saved their lives in all probability, stated City Police Chief Gary Gerdes. Mrs. Gerdes was taken to Swisher County Memorial Hospital, Monday she was taken to Amarillo, checked out and was returned home Monday evening. She received numerous lacerations and a chipped bone in the left foot. Cathy was not injured but Bobby received head cuts and a slight concussion. He is back in school. Mrs. Gerdes and children were enroute to Lubbock to visit a brother who was to undergo surgery.

Land For Hospital Purchased This Week

According to O. C. Watson, president of the hospital board, land was purchased this week on which to construct the new hospital. A purchase contract was signed and escrow deposited for the purchase of 16.29 acres of land from Mrs. Emmitt Bryson at a cost of \$8,145. Location of the property is south of the Sandell Drive-In Theatre on highway 70. Mr. Watson stated that the City had already started work on improving the road north of the railroad tracks to the hospital site from downtown. Entrance to the hospital from highway 70 will be handled by the highway department. Office Supplies at The Leader

CASH REGISTER AND MONEY TAKEN IN ROBBERY FRIDAY NITE

The T & M Oil Co. 66 Station was the most recent robbery victim and came up minus cash register and over \$200 cash about 8:30 p.m. Friday night. Police Chief Gary Gerdes reported that the robbers apparently entered the station from the east door while attendants were working in the wash & grease room and carried the cash register out unnoticed by anyone. The robbery was not detected until another customer came in and the register was needed to make change, Gerdes added.

Left to Right: Lovely Queen Candidates rode on the Hedley Sodality Club Float which received first place honors in the Organizations Division at the Cotton Festival Parade. Young ladies were Pattie Stephens, Sherri Hill, and LaMoss Springer. — Kathy Painter, riding on a Chamberlain Motor Co. Car in the Festival Parade at Hedley, was crowned the new Queen of Cotton Saturday night. — Second place in the Organizations Division in the Hedley Festival went to Hedley Lions Club. Bob White, Jeff Hill, and Duane Taylor are enjoying the ride. — Security State Bank was the first place winner, Commercial Division, in the Cotton Festival Parade with their patriotic float. The two lovely young ladies pictured on the float are Angela Messer, queen candidate, and Doris Clendennen. — Another outstanding float was entered by the Hedley Beauty Shop, second place Commercial winner. It was a beautiful setting for Queen Candidate Gail Holland. In the foreground are Renae and Tanya White.

Selective Service Clarifies Draft Pool Low Numbers

Selective Service officials today clarified their policy regarding draft vulnerability for those young men with low lottery numbers who enter the 1970 draft pool too late to be inducted before the end of the year.

Dr. Curtis W. Tarr, Selective Service Director, said that registrants whose lottery numbers were reached by their local boards during 1970, but were not issued orders for induction will be given top priority for draft calls during the first three months of 1971. They will be called ahead of members of the 1971 draft pool during those months.

Tarr said that relatively small numbers of registrants will be affected. Tarr also reaffirmed his prior announcement that no local board should induct men this year above sequence number 195. Some local boards have not reached this level in meeting their monthly calls, so that the precise number reached will vary across the country.

Those registrants who are available for induction, but whose numbers are not reached during 1970 — generally, those with sequence numbers above 195 — will drop into reduced priority in 1971 and should not be drafted unless there is a national emergency.

The general three-month limitation on liability is a safety valve policy to insure that no members of the 1970 draft pool are unduly subject to more than 12 months of prime vulnerability. Tarr said. "We expect that the carry-over group will be relatively small and will be inducted during the early months of 1971. However, if our estimates on the size of this group are wrong, or if draft calls are unusually low, we wanted to insure that the young men are not penalized by an indefinite extension of their liability," Tarr said.

"If any young men are not inducted in the first three months, they will be placed in a reduced priority group," Tarr said. "Except for those who may be on procedural delays when the March call is issued and would

have been called but for the delay." Tarr said that these men will be ordered for induction soon after they become eligible for induction.

Tarr's announcement was made in conjunction with the issuance of an Executive Order which amplified the present draft regulations with regard to the lottery system.

"The regulations have always been clear that some men will be carried over from 1970 into 1971," Tarr said. "The new regulations define the carry-over group more precisely and also introduce a three-month limitation on the length of the extension."

Tarr said the carry-overs will be registrants who would have been called earlier in 1970 when their number was reached by their local board but who could not then be called because they were either in a deferred status or were exercising various procedural rights available under Selective Service law.

"Fairness requires that these men be effectively exposed to a draft obligation," Tarr said. "All of the carry-overs will have been in the 1970 draft-eligible pool for less than 12 months, and in the great majority of cases, the effective exposure will have been only a few months. In every case, the non-availability of the men earlier in the year meant that men with higher lottery numbers went in their place. We must try to achieve basic fairness between those men," Tarr said.

"At the same time," Tarr commented, "we should also recognize that the original intention of the lottery system was to expose no one to top priority draft exposure for more than 12 months. For this reason, we have introduced the general three-month limitation on the carry-over."

The Director said that orders have been issued to state directors instructing local boards to begin identifying registrants in the appropriate priority group "as soon after the last draft call of the year is issued by the local boards, probably sometime in late November." Boards will attempt to notify those men in the extended group as soon as possible, Tarr said.

The Executive Order also provides that a registrant can be

inducted after he has reached age 26 if he has extended liability to age 45 and has been issued an order to report for induction prior to his 26th birthday.

The provision, however, prevents the board from issuing an order after a registrant's 26th birthday, even if he was involved in a delay which prevented the board from issuing an order before that date. This policy simply regularizes what has been Selective Service practice for many years, Tarr said.

Tarr said that the order also prevents a person in reduced priority from dropping into a lower draft priority while he is deferred and not vulnerable. The new order requires that the 1-A registrant be reassigned in a draft priority status which he held when he received his deferment or exemption.

J. D. Barrow of Amarillo visited Tuesday and Wednesday with Mr. and Mrs. Glenn Helton and Clyde Wayne.

Hedley Garden Club's decorated car won a first place for its members in the Decorated Car Division, Hedley Cotton Festival Parade.

Minerals Needed In Diet Of Livestock

Due to the current grazing conditions, stockmen are advised to check the diets of livestock on pasture to make sure they are getting needed minerals.

While minerals are not "cure-alls," points out County Agent Ronald Gooch, they are essential along with proteins, carbohydrates, fats and vitamins for good animal nutrition.

Cattle under normal grazing conditions require sodium, calcium phosphorus, chlorine and ad-

ditional trace minerals. Trace minerals are supplied in adequate amounts from natural forage and water.

Sodium and chlorine are obtained from ordinary salt. Cattle should have free access to salt, preferably granular, at all times, advises the county agent.

Calcium and phosphorus are obtained from green grazing but under conditions which now exist, they may be deficient. Unless the deficiency is severe, steamed bonemeal fed free choice should supply the needed elements. It's a good idea, says Gooch, to keep bonemeal available to cattle at all times.

Phosphorus is usually more deficient than calcium in most parts of Texas, and results in loss of appetite and weight, decline in milk production, poor calf crop and failure to breed. Prolonged deficiency causes cows to become lame and stiff in the joints. Should this condition occur, phosphorus should be added directly to the drinking water.

Minerals should be placed in a sturdy container divided into two sections. Loose salt should be kept in one section and bonemeal in the other. Mineral boxes should be placed in shady areas and near water supplies, says the county agent.

Additional information is available on minerals for livestock from his office, Gooch said.

Mrs. Dora Adkins Celebrates 90th Birthday Sunday

Mrs. Dora Adkins was honored Sunday with a dinner in the home of Mr. and Mrs. Carl Pittman. Hosts were her children. The occasion marked her 90th birthday.

Those to enjoy the dinner included the honoree, Mrs. Dora Adkins and Mrs. Anne Adkins, Chuck, Byrd, and Marilyn, Mr. and Mrs. Glen Adkins, Mr. and Mrs. Carl Pittman, all of Clarendon; and Mr. and Mrs. Bill Jordan of Amarillo. Also present were visitors: Mr. and Mrs. Noel Harvey of Petersburg, Texas, Mrs. Laura Peabody of Memphis, Rachelle Maxey and Denise Stepp of Clarendon.

Calling in the afternoon were Mrs. Bill Pittman and Mrs. M. C. Goodner of Amarillo; Mrs. L. S. Newberry of Claude; Misses Edgar Mae and Mable Mongole, Mr. and Mrs. Grady Henson, Mrs. Everett Stevenson, Mrs. Fred Chamberlain, Mrs. Thad Rodgers, Mrs. H. R. Beck, Mrs. Tom Stotts, Mrs. T. J. Campbell, Mrs. Bob Allen, and Mr. and Mrs. Hugh Sanders, all of Clarendon; and Mrs. George Green and daughter of Amarillo.

Many Happy Returns of the Day, Mrs. Adkins. Rep.

CHAMBERLAIN CENTER

Mr. and Mrs. Donald Ballew and Mr. and Mrs. Clarence Ayers will host the 42 party Friday night, October 16, at 7:30 p.m. at the Center. Everyone come out and enjoy an evening of fun. Bring a covered dish. Rep.

QUALITY JOB PRINTING AT THE LEADER

Pathfinder Observes Guest Day Friday p.m.

Pathfinder Club observed 1970 Guest Day at Patching Memorial Club House Friday afternoon, October 9. Hostesses for the occasion were Mrs. Heckle Stark, Mrs. R. S. Brumley, Mrs. Lacy Noble, and Mrs. C. E. Bairfield.

Mrs. Frank White, Jr. welcomed members and guests and asked Mrs. Brumley, program leader, to introduce the guest speaker, Mrs. Paul Bowers of Pampa.

Mrs. Bowers gave a most interesting review of "At Wits End" by Irma Brombeck.

Entertaining rooms were decorated with arrangements of dahlias and pycantha. The table was beautifully laid with a grass linen cloth and silver appointments. Accents were provided by silver candelabra holding pink tapers. Mrs. Frank White, Jr. served tea or coffee while Miss Mable Mongole served cake.

Approximately 45 members and guests were present. Rep.

GOD NEIGHBORS CLUB

Alta Spradlin hosted the Good Neighbors Club Friday, October 9, in an all day quilting. A covered dish lunch was enjoyed at the noon hour.

Present were Rosa Bingham, Carrah Nason, Florence Harp, Maggie Easterling, Bessie Helton, Lida Warren, Alta Spradlin, and one visitor, Lillie Tucker. Jewel Sickles came in the afternoon. Bessie Helton received a polyantha gift.

Our next meeting will be with Florence Harp on November 13. Rep.

A most interesting program titled "Being Alive" and "Who We Are" was presented by Mrs. Leonard Selvidge.

Attending were Mesdames Jack Eads, Redell Henson, Aris Mooring, Leonard Selvidge, Maurice Risley, Harold Gerner, and Sherman Cosper. Rep.

BLESS MY BIRD

Phi Theta Kappa of Clarendon College is having a turkey raffle. Tickets, two for 50¢, may be bought from members of PTIC.

The drawing for the defeathered fowl will be held Nov. 19 at 12:30 P.M. in the College Cafeteria. You need not be present to win.

Get your name in the Phi Theta Kappas' pot and they may put a turkey in yours. Rep.

Veteran enrollments in VA education programs for 1970 was up an unprecedented 31 per cent over 1969.

LELIA LAKE CENTER

We will meet at the Lelia Lake Community Center Saturday night, Oct. 17th, at 7:30 p.m. Please bring a covered dish and invite someone to come with you. Mary Lee Noble and Rachael Butler are hostesses. Rep.

Lord help me walk life's busy road
And give to life my best,
Help me carry a heavy load
And trust Thee for the rest.

Imagination is what makes politicians think they are statesmen.

Other people can't be expected to see eye to eye if we look down on them.

It is pretty hard to weigh the faults of others without putting our thumbs on the scales.

Most folks have the right aim in life but mostly they neglect to pull the trigger.

Inflation hasn't ruined everything. A dime will still make a pretty good screw driver.

If you listen to the loan company commercials you will almost believe that you can borrow yourself out of debt.

You are said to be middle-aged when the air is springy and you are not.

If you don't think you have any friends just try letting it be known that you have an extra room in your mountain hide-out.

From the time a baby tries

to get his toe in his mouth life is a struggle to make both ends meet.

Poise is the ability to talk fluently while the other fellow is paying the check.

A fisherman thinks the fish ought to fall for a fancy lure just because he did.

Most folks those days don't want to put their shoulders to the wheel they just want to get their hands on it.

Negro firms and individuals accounted for 83 per cent of all minority participation in VA loan guaranty operations in FY 1970.

The National Honor Society elected the following students as officers for the 1970-71 school year: President, Ted Tyler; Vice-president, Danny Hill; Secretary, Pam Perkins; Treasurer, Byrd Adkins; and Reporter, Jayne Martin.

SAYING OF THE WEEK

Habit is hab't, and not to be flung out of the window by any man, but coaxed down-stairs a step at a time. —Mark Twain

OBITUARIES

Obituaries For Traditions, Pastimes and Other Dying-Out Landmarks of the American Way of life.

When an important person dies, his obituary is written up in newspapers. But when a beloved tradition, pastime, or way of life dies, the event often goes unnoticed. So we feel it is time to honor some of those wonderful, hallowed institutions that once made our world a happy place to live in. Let us then give these dead (or dying) customs their final send-off.

CLEAN AIR DIES AS NATION GASPS — Clean Air is dead at the age of 3, 132, 445, 896.

Death took place at 1:33 this afternoon when the final trace, a small breathable patch above Lincoln, Neb. was smogged out.

In healthy condition for centuries, clean air suffered its first attack in the late 1940's in the form of a local smog infection in the Los Angeles area.

Efforts to stem the infection failed, and soon new outbreaks occurred over Pittsburg, New York, Chicago, Philadelphia, Detroit, and northern New Jersey. Even then, the infection was not termed malignant.

But as the disease spread, the country grew alarmed. Frantic attempts were made to localize the infection but it was too late. One by one entire states succumbed in a cloud of despair.

There will be no funeral services, due to survivors being too choked up to speak.

AMERICA MOURNS PASSING OF RUGGED INDIVIDUALISM—

The American people today mourned the death of Rugged Individualism. Funeral arrangements have not been made due to the lack of anyone willing to take charge.

AMERICA MOURNS PASSING OF DOCTOR'S HOUSE CALL — Millions of Americans today are mourning the Doctor's House Call which died yesterday after several hundred years of devoted service.

The House Call enjoyed good health until the early 1850's when it suffered a stroke from which it never recovered. During the past few years, it was rarely seen, except in cases involving extremely wealthy patients or members of the doctor's own family.

—ASPIRINS WITH LOTS OF WATER — The House Call is

survived by two distant cousins, the office visit and the Out-Patient Clinic. Funeral services are being handled by the American Medical Association who has ordered the coffin permanently closed.

FASHION CORNER

You may have the loveliest dress on in the room, but it is not neat because your undergarments do not have coordinating lines.

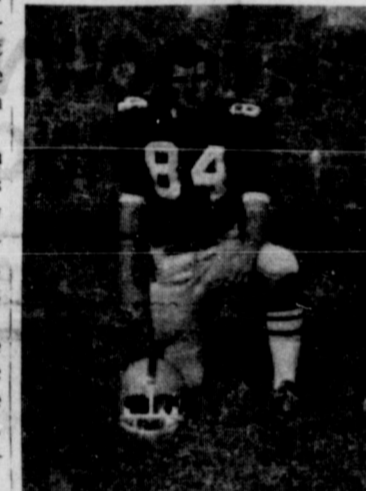

For more flattering lines follow these simple rules.

When buying a bra, try it on to be sure it fits correctly. When wearing a dress that emphasizes the waist and your abdominal muscles are not what they should be, wear a merry widow. For a slim, trim figure when wearing any dress, a girdle is a must. The last but not least to be considered, wear a full petticoat after five.

Next Week: What to wear to show off your best points.

Danny Hill was chosen "Player of the Week" for the Broncho-Childress game.

Ted Tyler was chosen as "Player of the Week" for the Broncho-White Deer game.

BRONCHOS VICTORIOUS, DEFEAT STINNETT

The Bronchos were victorious over the Stinnett Rattlers Friday night, downing Stinnett by a score of 20-6. In the first quarter, following a down field drive, Mack Tomlinson scored from the one yard line. Scotty Lindley's kick was good for the extra point. Johnny Gillian scored on a 16 yard pass from Tomlinson for the second TD in the second quarter and Lindley's kick was again good ending the first half with a 14-0 tally.

In the third quarter thriller Jim Shadle turned on the speed going 74 yards for the final TD. The kick failed. In the fourth quarter Stinnett's Steve Grey scored from 4 yards out. The conversion failed. The game ended

with a 20-6 score.

Rushing, Shadle took honors with 130 yards; Elray King 53; Tomlinson 32; and Tommy Shields 33. King caught two passes for 48 yards. Gillian intercepted 3 passes and caught 1 pass for 10 yards. Clarendon had 16 first downs to Stinnett's 11.

JUNIOR VARSITY DEFEATS GROOM 12-0

Clarendon Junior Varsity defeated Groom Saturday morning at Groom 12-0. Jeff Campbell ran down the sideline for 35 yards and the first 6 points. Conversion failed. The second and third quarters were scoreless. In the fourth quarter Mike Chilton scored from 10 yards out and again the conversion failed. The final score 12-0 with the Bronchos on top.

Coach Carl Ihbeck commented after the game that it was nice to win. Commenting further he commended Jera Simmons for his defensive play and Randy McCracken for his offensive play. The boys showed up well with their defense throughout the game.

FORMER STUDENTS VISIT CHS CAMPUS

We are always glad to have ex-students visit our school. Charles Louis, a 1970 graduate, visited with students and faculty last Friday. Charles is attending college at Brownwood and playing football with the Howard Payne Yellow Jackets.

Chuck Adkins, a 1969 graduate, is home on leave from the U. S. Army. He visited us Monday and ate lunch in the Cafeteria with the student body. When his leave is up, he will be sent to Germany.

ANNOUNCEMENTS

The Pep Rally will be held this week at the gym at 3:40. The game is here this week and we will be playing Wheeler. Game time is 7:30 p.m.

The Band is working hard this week preparing for Band Contests.

For the Concession Stand this week, the Seniors are to bring the following:

A-G: One dollar for meat (by Friday morning)

H-M: Cupcakes and Brownies
P-Y: Dollar's worth of candy
Juniors are asked to bring the following:

A-K: Those who did not bring last week bring the dollar this week.

The Speech II Class is now working on the Talent Show.

COTTON HARVESTING HINTS —Dry, high quality cotton at harvest time is more than luck. B. G. Reeves, Extension agricultural engineer, says the moisture content of cotton should be no more than eight percent at the time of harvest if you want to get the best quality in every bale. He suggests that farmers use a hygrometer for determining when open cotton reaches the right moisture content for harvesting. The hygrometer measures humidity and this will usually correlate directly with the moisture content of open cotton.

Cracking open mature bolls -the big bonus of Paraquat

See Your Ortho Dealer

or Wilson Aerial Spray

CORKY WILSON, Owner

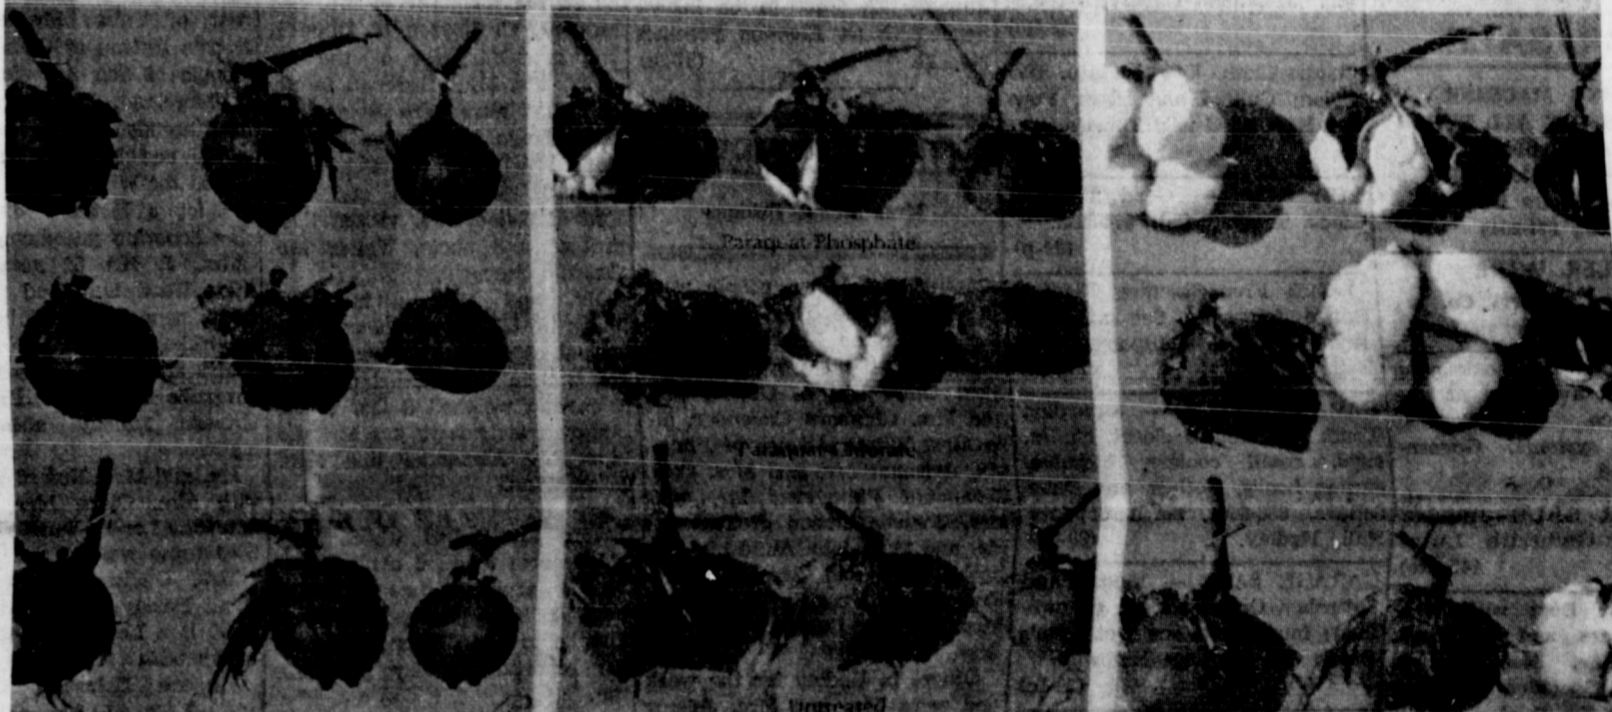

You can almost count the money this grower lost by not using Paraquat. Most of these uncracked mature bolls would have been cracked open by Paraquat and harvested in the first picking. As it is, they'll either bring less as part of a later picking... or they may be lost to frost.

Here's hour-by-hour, day-by-day proof that Paraquat cracks mature green bolls.

0 Hours In carefully conducted field research trials, Paraquat-phosphate chlorate combinations were compared with untreated cotton. Representative bolls from each treated area were cut from stalks to show conditions at that time.

51 Hours Bolls treated with Paraquat and phosphate or chlorate combinations already show some opening. Untreated bolls show no signs of opening. The fast action of Paraquat pays off in having more bolls ready for early picking.

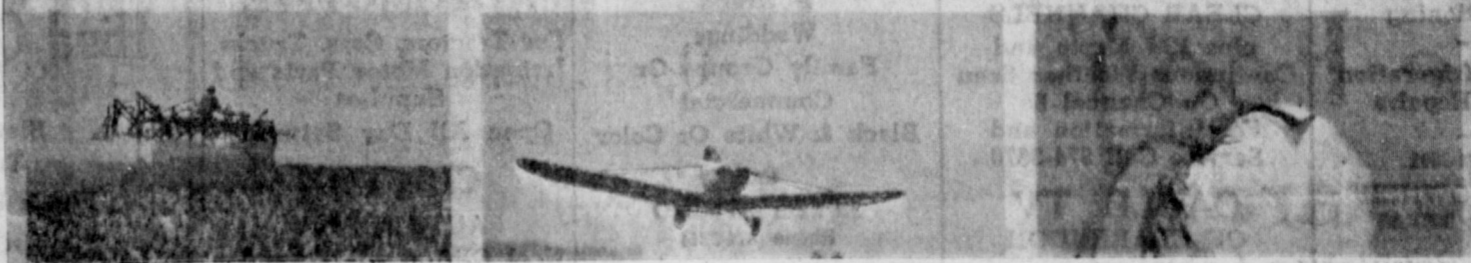

8 Days In the untreated samples, some bolls still had not opened. In the samples of bolls where Paraquat had been used with phosphate or chlorate defoliants, bolls were open... and ready for picking.

Questions & Answers About Paraquat

- Q. How does Paraquat crack open mature bolls?
- A. Paraquat desiccates the portion of the boll that it contacts. This causes the boll to dry and split open, and the lint to fluff out.
- Q. Does cotton fluff normally, from mature cotton bolls desiccated with Paraquat?
- A. Yes. The cotton fluffs out in the same manner as cotton from untreated, normal opening bolls.
- Q. Does Paraquat have any effect on cotton quality?
- A. No. Research has shown that Paraquat doesn't affect lint or seed quality of mature bolls. (See chart, Page 3)
- Q. How does cool weather or rain affect Paraquat?
- A. Paraquat is affected less by cool temperatures or rains than any other materials. Successful results have been obtained when night temperatures dropped as low as 40 degrees and when heavy rains fell within 10 hours after application.
- Q. Will a single application of Paraquat combined with a standard defoliant completely defoliate the crop and open mature bolls?
- A. One application usually does the job under true cut-out conditions. A second application may be needed if cotton is rank, green or dense.
- Q. What happens if Paraquat is applied earlier than label recommendations?
- A. You may destroy a higher percentage of immature bolls than desired, resulting in lower yield and quality.
- Q. Are there criteria other than percentage of open bolls for timing of Paraquat applications?
- A. Applications made just prior to an expected frost to crack unopened mature bolls and save them from freezing would not be subject to normal timing.
- Q. How can corrosion to spray equipment be prevented?
- A. Paraquat is water soluble and corrosion is easily prevented by flushing equipment and washing with water after use.
- Q. Can Paraquat be used in all types of water?
- A. Yes, provided it does not contain soil particles.

- Water hardness and pH do not affect Paraquat's activity but muddy water will inactivate it.
- Q. What precautions are necessary for handling Paraquat?
- A. READ THE LABEL. Do not take internally! Take special precaution in handling concentrate to keep it off skin and out of eyes. Do not breathe the spray mist or spray if conditions may cause drift. Paraquat is safe to handle and use when label directions and precautions are followed.
- Q. Is Paraquat a desiccant or defoliant?
- A. Paraquat is a unique harvest aid chemical that is in a class by itself. It exhibits characteristics of defoliants and desiccants, cracks open mature bolls, speeds overall activity, and can be used alone or in combination with standard defoliants. For this reason it is classed as a harvest aid chemical and boll opening agent.
- Q. How soon after application will cotton treated with Paraquat be ready for harvest?
- A. Time required varies from 10 to 14 days for defoliation, and 5 to 7 days for desiccation.
- Q. Under what conditions should the higher water volumes recommended on the label be used?
- A. When cotton is rank or if plants are dusty.
- Q. Should Paraquat be used with a surfactant?
- A. Yes. Use a non-ionic surfactant such as ORTHO X-77 or ORTHO HDD. Surfactants increase spreading, wetting and dispersion of spray mixtures. This results in more thorough coverage and better overall performance.
- Q. Is Paraquat systemic?
- A. No. It is a contact killer only. It is absorbed almost immediately into the plant tissue and is not translocated. This is why, approximately 10 hours after application, Paraquat is not affected by rain.
- Q. How does Paraquat suppress regrowth?
- A. Although the exact answer isn't known, it is suspected that Paraquat delays bud initiation at the growing point. This is why it must be applied before regrowth starts in order to keep it at a minimum.

AMENDMENTS

(Continued from Page 1)

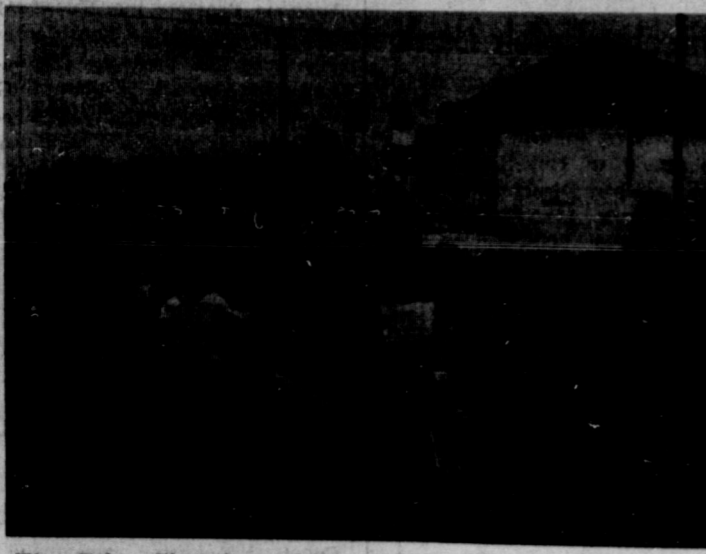

reprimand, add censure to the Texas Supreme Court, provide for the due process of law for all officeholders named, provide that no person holding an office named shall sit as a member of the commission or supreme court involving his own retirement or removal.

FOR — Every judge is charged with equitable enforcement of law. Responsibilities of judges of lower courts are no less sacred than those of justices of the appellate courts; therefore they should be answerable to the same rules dealing with retirement, removal from office, and public censure or private reprimand.

AGAINST — Except in rare instances, judges so named in Subsection 6 are elected by the people and answerable to the people at the polls. Increasing the power and scope of the commission might also lead to "witch hunts" and could subsequently discourage qualified persons from seeking office.

AMENDMENT NO. 2 — Repeals the Article, Section and Subsection of the Texas Constitution which prohibits the open saloon and which empowers the legislature to define that term and enact legislation against it. The proposed amendment substitutes a new provision empowering the legislature to enact a mixed beverage law regulating the sale of mixed alcoholic beverages on a local option basis, leaves unaffected the part which empowers the legislature to regulate the manufacture, sale, possession, and transportation of intoxicating liquors, including the power to establish a state monopoly on the sale of distilled liquor.

FOR — The proposed amendment is not a wet and dry issue because the sale of alcohol has already been sanctioned by a majority of the residents of the state; a primary election in 1963 resulted in a 40,000 margin for mixed beverages out of a total vote of 31.4 million. It would not force any mixed drink law

The Giles Chamber of Commerce was represented by the above young people on their bikes at the Hedley Cotton Festival Parade.

Clarendon Schools To Teach Drug Study

A program is being developed by the Clarendon Schools for the integration of teaching about Drug Use, Abuse, and Misuse into the curriculum from grades 5 through 12, beginning in September, 1971. This is in compliance with a State Law passed by the Legislature during its last session.

Workshops were held in the Education Service Center (PES-CO) in Amarillo on October 5-8 on how to teach about this very important problem in such a way that young people will acquire knowledge about all harmful drugs, and be thereby better enabled to avoid the use of them. This problem can never be solved by laws alone. Each individual must be assisted in making wise choices, not only concerning the use of drugs, but of alcohol, tobacco, and other harmful substances.

Attending the workshops were: Arling Cordell, Stina Cain, Ted Tyler, Ward Palmer, Johnny Leathers, Stan Shelton, Debbie Holland, Sheliah McAnear, and Bob Lemons. These people will summarize the information which they brought back from the workshops. Then, meetings will be arranged with the students, and definite plans made for implementing the program next school term. During these meetings outside resource people such as doctors, pharmacists, law enforcement officers, and others will be brought in who are able to inform us on the dangers of this insidious evil which may sometime come to our school and community.

GOLF TOURNAMENT TO BE HELD AT CC NOV. 13

The Clarendon Country Club Golf Course will be the site for the third play-off in the Western Junior College Athletic Conference on November 13, 1970. Odessa College, Howard County College, South Plains College, New Mexico Junior College, New Mexico Military Institute, Amarillo College, Frank Phillips College, and Clarendon College will be the competitors.

Tee-off time is scheduled at 8:00 a.m. on the morning of the 13th and all schools will play 27 holes on this date.

It is cordially requested that interested parents and golf-players will be welcome to watch these fine young golfers as they battle for place wins in the WJ-CAC final play-off in the Spring of 1971 to be held in Roswell, N. Mex.

TSTI TO HOLD OPEN HOUSE SUN. OCT. 18

Texas State Technical Institute will hold Open House Sunday, October 18, from 2 to 5 p.m., at the Mid-Continent Campus of the institute located just east of Amarillo Air Terminal.

Everyone is invited to attend during this time when tours of the new vocational-technical school facilities will be made. Visitors are invited to inspect classroom facilities, Manpower Development Training Act programs, the all-new Student Center, Boys' Dormitory, Girls' Dormitory, Housing Facilities, and the 18 hole Golf Course.

TSTI was officially opened June 25, 1970 and has an enrollment of 262 students during its first semester enrollment.

WTSU Buffs Meet NTSU Eagles In Homecoming Game

West Texas State University Buffaloes will renew a rivalry dating back to 1923 Saturday night, October 17, in Buffalo Bowl when they meet the Eagles of North Texas State University, Denton, Texas. Game time 8 p.m.

North Texas holds an edge of 8-3 over WTSU in the overall series. West Texas won the last game played between the two schools, 21-13 in 1964.

Saturday will be Homecoming on the campus of West Texas State University and for Homecoming game the Buffaloes hold a winning 15-12-1 edge. This is the first time the Buffs have hosted North Texas for a homecoming battle.

Make your plans to attend Homecoming and the game in Buffalo Bowl Saturday and Saturday night.

C.C. GOLF TEAM TO HOBBES TOURNAMENT

The Clarendon College Golf Team returned from the Western Junior College Tourney this past Friday Night with a seventh place win. The all freshmen team from Clarendon competed against the second and the tenth best teams in the Nation. Of the eight colleges competing in this tournament C. C. placed higher than Frank Phillips Junior College at Borger and were within five strokes of topping Amarillo College for sixth place.

Butch Lands was the medalist, low score, for Clarendon, firing a 123 stroke average for 27 holes. Gil Carnahan was second, Ronnie Reeves was third, Joe Neskorik fourth and Allen Campbell fifth in individual scoring for this tournament.

If the press is not free, if speech is not independent and unimpeded, if the mind is shackled or made impotent through fear, it makes no difference under what form of government you live, you are a subject and not a citizen. — U. S. Senator William E. Borah.

TYPEWRITERS & ADDERS AT THE LEADER

MINISTERIAL ALLIANCE ELECTS PRESIDENT

At the Tuesday morning meeting of the Ministerial Alliance last week at Frank's Restaurant Rev. J. W. Humble, pastor of the Church of the Nazarene, was elected President of the Alliance. Rev. Humble, who has been pastor at the local Church of the Nazarene since February, has served as president of the Alliance after Rev. Carl Nunn was transferred to Denver City in May.

Plans were instigated and are being completed for the annual Community Thanksgiving Service to be held in the First United Methodist Church this year. Further announcements will be forthcoming in regard to this service.

Farmers Urged to Harvest All Cotton

By BOB PRICE
Congressman Bob Price, of Pampa, has urged cotton farmers to harvest all the cotton that they can profitably pick. Price said, "The Department of Agriculture has assured me that those farmers whose cotton is affected by adverse weather that future program payment rates will not be reduced if they elect to harvest a marginal crop rather than abandon it."

The Agricultural Act of 1970, now awaiting final action in the congress, provides for cotton program payments based on a farm yield which can be adjusted for abnormal weather. The Department of Agriculture, Congressman Price advises, has not announced its procedures for making adjustments for abnormal weather conditions pending passage of the farm bill. However, he has been assured that they will give fair and equitable treatment to growers who harvest their full crop in 1970, even if it is a poor one, as compared to growers who abandon or destroy acreage from which needed cotton could have been harvested.

A Department of Agriculture spokesman told Price that carry-over stocks of cotton are at the lowest level they have been in nearly twenty years. There is strong demand for certain qualities of cotton, especially the lower grades. They have recom-

Moffitt Hardware always has a nice float for the Festival Parade. This year was no exception. Riding on the float this year were Cindy Saunders, Shauna White, and Ginger Wilson.

Price Stated his Bill Will Make it Possible for 50-bed and Under Hospitals to Receive Medicare Benefits if they Provide 24-hour Nursing Service

Price stated his bill will make it possible for 50-bed and under hospitals to receive Medicare benefits if they provide 24-hour nursing service rendered by licensed practical nurses including vocational nurses or professional nurses. These nurses will work under the general supervision of a registered nurse to insure the maintenance of high quality hospital nursing care.

Price said, "I am introducing this legislation in behalf of the many hospital administrators, doctors, nurses, and concerned citizens throughout Texas who have contacted me and urged me to help them solve this problem. You cannot imagine what a blow it would be to people in small rural towns if they lost their community hospitals due to unrealistic federal laws."

Price urged his colleagues to give their speedy approval to his proposal, he said, "The need is great — the time is short — we must act quickly, or rural hospitals throughout Texas and the nation face extinction."

NEWS FROM Congressman Bob Price 18th District, Texas

Farmers Urged to Harvest All Cotton

Congressman Bob Price of Pampa has introduced legislation changing the nursing staff requirements for small hospitals receiving benefits under the Medicare program. Price said, "According to present laws a hospital, to be eligible to receive Medicare benefits, must have at least one registered nurse on duty during each of the three eight-hour shifts the hospital operates on. This requirement is extremely impractical in small rural communities," he added.

Price declared, "In Texas alone, more than 150 small hospitals run the risk of having their participation in the Medicare program terminated simply because they do not have enough registered nurses to meet Federal requirements. This situation must be rectified. This burdensome law must be changed."

The Texas Republican stated that vocational nurses working with skilled physicians and trained registered nurses can provide an adequate level of nursing care to hospital patients. Price said, "We must never lose sight of the fact that hospitals exist to meet community health needs. Artificial rules must not be allowed to frustrate this simple goal."

"From an economic standpoint," Price observed, "the high hospital and health care costs make it impossible for small rural hospitals to keep their doors open without the aid of Federal funds supplied by the Medicare program."

FESTIVAL—

(Continued from Page 1) of Mr. and Mrs. Doyle Messer, sponsored by the Security State Bank of Hedley, was second runner-up. Princesses were Patty Stephens, and Rhonda Morgan. Thanks are extended to the Model A Club of Amarillo, Alderson Chevrolet of Clarendon, Amarillo Skin Divers, Maverick Club of Amarillo, Spicer Funeral Home of Memphis, Riding clubs and all who had floats, took part in the parade, or helped in any way to make this year's celebra-

tion a success. The cooperation of so many makes this possible. Attendance was also appreciated. Hedley residents are already making plans for a bigger and better than ever celebration next year and hope to have you who attended this year along with many others enjoy the occasion with them. Editor's Note: Our thanks to Allen Estlack, his wife, Helen, and Homer Estlack who helped us by taking pictures for us and providing us with much information along with Mabel Bridges. I hope next year to be able to be present — the hospital wasn't much fun.

Farm News

from County ASCS Com.

Cotton Loans

There have been no clerks approved outside the county office to prepare cotton loans for 1970. All loans will be prepared and disbursed in the ASCS Office and custody of warehouse receipts and class cards will be maintained there. If you wish to place any 1970 cotton loan, we will certainly be glad to help you.

Diverted Acres

Acres diverted under the annual feed grain and wheat programs may now be grazed. There will be no charges made for grazing after October 14. Harvesting of these acres in any manner is prohibited unless approval to hay is granted under the drought emergency program. Then there is a charge for the haying and it must be completed by October 31, 1970.

Cropland Adjustment Program

Emergency haying and grazing is approved on acreage retired under the Cropland Adjustment Program thru December 31, 1970. An application must be made and charges paid prior to any haying or grazing.

Agricultural Conservation Program

Funds for the 1970 ACP are exhausted for new requests. Any unused funds should be released as soon as possible if a producer sees he is not going to complete a practice for which he has already received an approval.

BOOK SALE AT MEMPHIS
SATURDAY, OCTOBER 17

Memphis Friends of the Library have scheduled a used book sale for Saturday, October 17, outdoors on the Carnegie Library premises at the east side of the building from 10 a.m. to 6:30 p.m.

Those having books in good condition to contribute may leave them in the foyer of the public library through Friday, October 16.

The public is invited to the sale.

Bill Blackman Named
Director Fritch Bank

Max Page, Chairman of the Board, and Weldon Harris, President, have announced the appointment of Bill Blackman to the Board of Directors of Fritch State Bank. Mr. Blackman replaces T. J. Hill who resigned recently to devote full time to other interests.

Blackman is the son of Mr. and Mrs. Roy Blackman of Clarendon. He grew up in Clarendon and attended Clarendon schools. He worked in the retail food sales for 12 years as Assistant Manager and Manager for Safeway Stores, Inc. in Texas and California and attended Marketing School and Managers Training School in Los Angeles, California.

Since 1959 he has been associated in the insurance industry with Harry Holt and Co. as Vice-President. He graduated from the School of Insurance in Los Angeles and the National Association of Stock Dealers in San Bernardino, Calif. and was a stockholder in S & H Associates Life Insurance Corporation. He engineered and initiated Data Process accounting for Harry Holt & Co. Agents and Brokers Inc. Mr. Blackman, his wife, Klyda (Susie) and children, Monty—a junior student at Eastern New Mexico State University, Portales, and Peggy, a student at Frank Phillips College, moved to Fritch in February 1970.

EDITOR AT HOME

Editor and Publisher G. W. Estlack was returned to his home in Clarendon Sunday after surgery in Groom Memorial Hospital. We hope you will bear with us, excuse our errors and help us by getting your copy in as early as possible until he is able to get back on the job. We at the office will try to do our best to get the paper out on time and take care of your needs as they may arise. Though able to be up and about he is not to work—Doctors Orders.

BRONCHO BOOSTERS

Broncho Boosters met Tuesday evening in the High School Cafeteria with 38 present. Coach Noonkester reported that the present heating system in the field house is unsafe. The club voted to use funds raised this year to be used for the purchase of a new heating system.

The Bake Sale netted \$56.70. The group also voted to award a turkey to some lucky person. Everyone will be given a chance to participate. Funds will be used to complete the amount needed for the heater and for future repair on bleacher seats and press box. Tickets will be given away October 30 and you will not have to be present to win.

Coach Noonkester announced the election of tri-captains by the team. Elected were Johnny Gilleam, Ted Tyler, and James Shadle.

Get behind the Bronchos this week and help them beat Wheel-er.

Bud Hiermesmeyer was re-elected as a Soil and Water Conservation District Director. He has served as a director for five years and will now serve another 5 year term. He is currently president of the board.

As a district director Bud will represent the farmers and ranchers in Zone 2 of the district. This Zone covers all the area north of U. S. 287 and west of Highway 70.
