## Martin Baptist to hold revival

Martin Baptist Church, located five miles west of Clarendon on U.S. 287, will be holding revival services August 18-23 at 8:00 p.m. each evening. Sunday services are at the regular time, Sunday school at 10:00, worship hour at 11:00 and evening worship at 6:00.

Evangelist for the revival will be Bro. Waymon Culp, pastor of the First Baptist Church, Cameron, LA.

Bro. Culp is a former pastor of Martin Baptist Church and has recently pastored in Eula, Texas, near Abilene. He is a man of God and we expect to be richly blessed in the preaching of the Word.

Music evangelists Paul and Christy Newberry of Floydada, Texas will be conducting the revival music each night.

Paul committed his life to the music ministry at age 15. He is a graduate of Wayland Baptist University with a Bachelor of Music degree and also has a Master of Music degree from Hardin-Simmons University. He served in Texas Baptist churches for six years as minister of music prior to entering the field of music evangelism. Paul not only sings tenor but plays guitar and 5-string banjo. While attending Wayland, Paul met and married Christy Stringer of Floydada.

Christy Stringer Newberry, raised in a Christ centered home and saved at age 6, has been involved in gospel singing as a featured soloist for the past twelve years. In the summers of 1975 and 1976 she toured with the Continental Singers, traveling throughout Europe and South Africa. Upon graduation from high school, she attended Wayland Baptist University, Plainview, Texas, where she was a member of the International Choir, Spirit of America Singers and was secretary of the Baptist Student Union. After three years, Christy transferred to Hardin-Simmons University, Abilene, Texas, where she received a Bachelor of Arts degree with a music minor. She has completed post graduate studies at Hardin-Simmons University toward a Master of Arts degree. Christy also plays guitar.

## Volleyball Tournament scheduled

The Armstrong County Jaycees will sponsor a volleyball tournament September 7th at the Armstrong County Fair Grounds. The tourney will be open to mixed teams and will cost \$20.00 per team. For more information call Kevin Wilde at 944-5549 or Kevin Webb at 226-5491.

## Fields should be checked for insect infestation

Donley County farmers should be checking their fields for insect infestation, according to County Extension Agent Ronald Gooch.

Greenbug infestations are being found in some fields of sorghum now. Guidelines for determining the need for an insecticide application are: (1) Large plant to boot state - before any entire leaves are killed; (2) Boot to heading stage - before the death of one functional leaf; (3) Heading to hard-dough stages - when greenbug numbers are sufficient to cause death of two normal-sized leaves.

Bollworm and aphid infestations are also being found in some cotton fields. Fields need to be checked frequently to detect bollworms while they are less than five days old, for this is the most effective time to control them.

Aphids have increased in some cotton fields. Insecticide treatments may be necessary in those instances when infestations are heavy in large areas of the field and natural control has not been sufficient to limit aphid buildup. There is a risk of creating favorable conditions for bollworm outbreaks when treating for aphids in an area.

## Donley County 4-H Bake Show Sept. 5

The Donley County 4-H Bake Show will be held Thursday, September 5, at the Senior Citizens Center. All 4-H'ers will need to bring their baked product by the Extension Office by 12:00 noon on the day of the bake show. The judging will begin at 2:00, with the awards ceremony at 4:00. The winners from Donley County will participate in the District 14-H Better Bake Show on September 13. The premiums at District for Juniors and Seniors will be \$50 for first, \$20 for second, and \$15 for third. There will also be additional prizes.

The purpose of the bake show is to promote the Panhandle's Number One Agricultural Product, WHEAT. The product entry needs to consist of preparing any baked good using a 1:3 minimum ratio of whole wheat flour to white flour. Products should require no refrigeration. Products should be placed on cardboard for support and wrapped in appropriate wrapping to insure freshness. The age division is as follows: Juniors - age 9 (or third grade) - 13; and Seniors - 14-19.

Boys and girls, if you are not presently enrolled in the Donley County 4-H Club but think the Bake Show sounds like lots of fun, go by the Extension Office in the old courthouse and Terry Floyd will be glad to help you with enrollment and the bake show details.

If you are a 4-H member and interested in participating in the bake show, come by for details also.

## Bronco Mothers to meet Aug. 29

There will be a Bronco Mothers meeting Thursday, August 29, 1985 at 5:00 p.m. in the high school cafeteria for all mothers of high school students participating in athletics. We invite all mothers to attend.

## Hedley Community BBQ Aug. 22

There will be a community chicken barbecue August 22 at 7 p.m. at the city park in Hedley. You must sign up at Canway by August 16. This barbecue is sponsored by Hedley Lions' JClub, Security State Bank, Donley County Feedlot, and Hedley Feedlot.

## Clarendon College offers local history course

Celebrate Clarendon!! is the title of the series of programs to be offered this fall at Clarendon College. Donley County and Clarendon's history and prehistory will be the focus Tuesday nights from September 3 through December 10. If you are a newcomer to the Clarendon area, this will be an excellent opportunity to learn about our very special town. If you are a long time resident of the area, your participation will be most welcome, and you might even pick up some "new" information. This is a community education, non college-credit course and is open to everyone. These classes will be an excellent way to create local pride and interest for youngsters of all

ages. The registration fee will be \$20 per person and should be paid in room 102 at 7 p.m. September 3.

For further information contact Jo Schollenbarger at Clarendon College 874-3571.

## Final plans for Texas Wagon Train being made

Jan France is making the final rounds for the Texas Wagon Train commemorating the state's sesquicentennial. Jan met in Clarendon Wednesday to discuss the details for when they will arrive in Clarendon on May 22, 1986. Prior to Clarendon they will camp in Claude and Ash- tola.

The wagon train will be limited to 150 wagons and 300 horsemen, but the actual number will fluctuate as wagons and riders join the train.

Several million people are expected to see the wagon train during its 6 month journey.

Those attending the meeting are as follows: Jan France, Kathy McElroy, Patsy Leflew, Terry Floyd, Carl Hudson, Charlie Prickett, Doris Ekleberry, Zell SoRelle, Betty Boston, Pat Robertson, Jimmy Thompson and Sue Britten of Groom.

## Clarendon College business dept. in review

This is another in the series of articles about the courses offered in the business department at Clarendon College and the instructors in that department. Any questions or comments should be directed toward Clarendon College, Business Department, P.O. Box 968, Clarendon, TX 79226. Phone #: 806-874-3571. Registration for these courses will be on Tuesday, August 27, 1985 with classes starting on Wednesday, August 28, 1985.

A second full time instructor in the business department is David Wiese. He is a 1976 graduate of West Texas State with a major in marketing. This is the start of his third year of teaching at Clarendon College. Other experience includes a year and a half of teaching at WTSU and numerous years of industry experience and consulting. Mr. Wiese teaches most of the courses offered in the business administration department. These courses include: Computer Science, Accounting, Economics, Management, Introduction to Business, and Business Math. Other course areas offered in this department include: Human Relations, Personal Finance, and Business Communications.

CIS 205: Principles of Computer Information Systems. This is the most popular course in the CIS department due to the fact that computers and their impact on our society have become a very important issue these days. This course is designed as an introductory course for computing for people who have had little or no experience with computers. The main focuses of this course are to make people more aware of the confusing computing terminology, to gain hands-on experience operating a microcomputer, and to begin to learn and use actual programming techniques using the BASIC programming language. Again, this is a course designed for beginners who want to learn more about computing and is a prerequisite for all other computing

courses offered. Homework assignments are done in the Clarendon College computer lab which is open all day Monday through Friday and some nights. Both a day and a night course, along with many off campus courses are offered in CIS 205. It is usually offered in both the fall and spring semesters.

MTH 110: Math for Business and Economics. This course is designed to aid business students in learning the necessary mathematics skills required in the field of accounting, computer science, management, and economics. Topics covered are: the calculation of percentages as related to business, simple and compound interest calculations, business statistics, depreciation calculations, insurance, annuities, and sales, property, and income tax calculations. MTH 110 is offered as a night course at Clarendon College this fall semester.

BUS 134: Introduction to Business. Introduction to Business is a beginning level course for people who are interested in studying about business. It is designed for people who have never taken any business courses. It introduces most of the areas in business such as: management, marketing, accounting, finance, insurance, and business law. Also the relationships between society and the business community and business ethics are studied. Some case study work using actual or theoretical situations that require student participation will be used. This course is only offered during the fall semester.

ECO 213: Principles of Economics. This is the first part of a two semester course in the study of the basic principles of economics and economic policies and how they affect our American society. The main emphasis is on macroeconomics and current monetary and fiscal policy relating to the United States and the rest of the world. This course is only offered during the fall semester.

## Video Review, Inc. has ribbon cutting

At 9:30 a.m. August 7th, Monty Danner cut the ribbon that launched his new business, Video Review, Inc. on its way. Video Review, Inc. is located at 322 S. Kearney in Clarendon and is owned and operated by Monty Danner. It is equipped with almost five hundred video tapes and twelve VCRs and more have been ordered. Most of the top twenty tapes are in stock and there are many children's movies. There are at least seven Walt Disney movies.

When asked why he decided to settle in Clarendon and open his business here, Monty replied, "I like the people of Clarendon. Also there is no theater here, and there's nothing for the young people to do. There's a lot of college kids here, and they might stay at home and watch a good movie instead of going out and drinking or driving all the way to Amarillo or Pampa to see a movie. And too, there aren't many movies for children on TV. In fact, most of the movies on TV are not fit for an adult to watch, much less a child."

Asked about his equipment, Monty said, "I have VHS tapes. The BETAMAX tapes will be outdated before too long. My distributor recommended that I not tie my money up in them. VHS tapes are going to be all you can get before too long."

Among the tapes stocked by Video Review, Inc. are "Places in the Heart," "The River," "Missing in Action," and "Nightmare on Elm Street."

When asked how business had been, Monty said, "It's been really good until Sunday. I guess the people of Clarendon aren't used to a business being open on main street Clarendon on Sunday."

The VCRs and tapes can be rented daily from Video Review, Inc. The VCRs are \$4.95 per day and on Saturday and Sunday for \$7.95 for both days. The tapes are \$1.99 per day. Tapes rented on Saturday are not due back until Monday.

Monty is a 1964 graduate of Pampa High School and is the son of Darrell and Helen Danner of Pampa. He has a brother, Darrell, Jr., of Lovington, New Mexico and a sister, Tammy Hill of Pampa.

Monty enjoys riding his dirt bike and street bike. He also water skis, plays tennis, plays softball, and snow skis. He is a lifelong member of the First Baptist Church and plans to move his membership to the First Baptist Church of Clarendon.

## County recordbook judging

The County recordbook judging was held July 24, 1985. Congratulations to the following 4-H'ers who participated: Lesia Fuston, Senior, Beef, blue ribbon; Lee Smith, Senior, Horse, blue ribbon; Monte Hollar, Senior, horse, red ribbon; Mike Moore, senior, dog, blue ribbon; Elizabeth McAnear, Junior, dog, blue ribbon; Katrina Leathers, Junior, clothing, red ribbon; Bridget Bland, Junior, beef, red ribbon; Lisa Burch, Junior, horse, red ribbon.

## Fuston's recordbook wins district

Lesia Fuston's Beef Project Recordbook won a first place blue ribbon on July 26 at the District Recordbook Competition held in Amarillo at the Texas A&M Research Center. Lesia's recordbook will now enter the state competition.

Congratulations to other Donley County 4-H'ers participating in the district recordbook competition. Putting together a recordbook is a lot of hard work. You did an excellent job!

# 4-H Agents slate state meeting

Discussions focusing on the image of the 4-H program and 4-H professionals will highlight the annual meeting of the Texas Association of Extension 4-H Agents at the Americana Hotel in Fort Worth, August 14-16.

About 150 county agents with the Texas Agricultural Extension Service, the Texas A&M University System, who direct 4-H programs in their respective counties will be attending the professional improvement conference, says Terry Floyd, Extension 4-H program coordinator in Donley County.

Theme of this year's meeting will be "4-H Image Impacts."

Special seminars and speakers will include the following: "Stress Management" by Dr. Lynne Thibodeaux, Extension 4-H Specialist; "Marketing 4-H" by Shirley Johnson, Bexar County Extension agent, and Tom Davison, state Extension

4-H program leader; "Image of the 4-H Professional" by Iris Kalich and Dr. Martha Couch, Extension 4-H Specialists at San Angelo and Lubbock, respectively; "Extension Benefits" by Barbara Elliott, Extension employee benefits manager.

Featured speakers at general sessions will include Pat Trotter of Oklahoma, immediate past president of the National Association of Extension 4-H Agents, who will talk on "Impacts of a 4-H Professional" and State Rep. Uher of Bay City, who will discuss "Strategies for an Improved Image of the 4-H Professional."

Dr. Milo Shult, associate director of the Extension Service, will speak at an awards luncheon the final day.

Special reports will be by Eddie White of Louisiana, regional director of the NAE4-HA, and by Dan James, Extension 4-H specialist at Dallas, and Karen Vaughan, Nueces County Extension 4-H agent, who will give an update on the national association

meeting to be hosted by Texas in November.

Special tours during the annual meeting will feature an equestrian tour, a tour of Fort Worth, a tour of Mary Kay Cosmetics and a tour relating to embryo transfers in cattle.

Table knives are a rather late innovation. Until about 1600, diners brought to the table their own knives, which served as daggers between meals.

The first pencil with an attached eraser was patented in Philadelphia in 1858.

SABRINA BURROW, member of Texas Reading Club 1985, is one of the winners of the bookmark contest which is featured at Burton Memorial Library each summer. Not pictured is Kim Hodges who is winner of eleven year old division.

# Texas Reading Club ends summer program with 'Rocket Blast'

The Summer Reading Club continues to be successful each year. Two hundred eleven books were read in the Pre-School Division; 548 books in the Kindergarten-First Grade Division; 527 in the Second-Third Grade Division; and 296 books were read in the Fourth-Fifth-Sixth Grade Division.

Special thanks go to the following people who contributed their time in making the program such a success: Mary Green; Cinda Courtney; Jackie Sanders; Diane Chamberlain; Dorothy Hoffman; Cindy Shelton; Pat Archuleta; Mary Beth Nelson; Jamie Deyhle; Helen Lowe; Jan Campbell; Paul Bivens; Katherine Green; Sandra Shields; Missy Morrow; Athena Bell; Andrea Edwards; Karen McClean; Christie Knorpp; Tiffany Creek; Scharla Leeper; Kelly Edwards; Suzette Henson; Cindy Hermesmeyer; and Nikki Welt.

Texas Reading Club 1985 presented its final program on Tuesday, July 30, at Burton Memorial Library. Ninety-five Clarendon children walked to City Park where special guest, Paul Biven assisted by his sons, Stephen and Scott, entertained with demonstrations of small rockets they had made.

After returning to the library, the children received their Reading Certificates. Eleven year old Kim Hodges and eight year old Sabrina Burrow were announced as Bookmark Winners. Division winners for reading the most books were presented a new book by librarian, Annis Stavenhagen. Winners of each division were: Jesse Christopher, Pre-School Division; Katrina Robinson, Kindergarten-First Grade Division; Esther Lovell, Second-Third Grade Division; and Raydean Vigil, Fourth-Fifth-Sixth Grade Division.

## RIDICULOUS...BUT TRUE!

New Postage Rates Threaten Newspaper Readers and Advertisers

One U.S. government agency, Housing and Urban Development, spent \$1 million on building a road and access ramp to a private amusement park in Pennsylvania...that was never completed.

However, that same government says it can no longer afford the postal rate that has been the right of America's newspapers for many years. It still offers special rates to direct mail advertisers, but could raise the rates for newspapers by 200 percent. That could put some out of business, force others to raise their prices. That threatens newspapers, their advertisers and their readers. Many educators, parents and others concerned about knowledge in America are siding with

NEWS STAND those in Washington who fight the postage hike.

The government might have had more money available, if the Federal Aviation Administration had not let some \$48 million a year worth of land in Florida stand idle, according to Senator William Proxmire. Anyone wishing to write Congress on either side of these issues can address the letter to the U.S. Senate, Washington D.C. 20510 and the House of Representatives, Washington D.C. 20541.

## Corbin - Burnett exchange vows

The First Baptist Church of Dumas was the scene of the ceremony uniting Shelly Deon Corbin and Richard Keith Burnett in marriage.

The bride is the daughter of Mr. and Mrs. E. Stanley Corbin of 912 Bruce, Dumas, Texas, and the granddaughter of John and Lois McVicker of Howardwick.

The groom is the son of Mr. and Mrs. W.J. Burnett of Dumas, and the grandson of P.L. Ledgerwood of McLean.

Dr. A.E. Rogers, Pastor, officiated at the double ring ceremony.

Given in marriage by her father, the bride was attended by the matron of honor Mrs. Lorie Dillow Milan, cousin of the bride. The bridesmaids were Mrs. Jan DeWolfe Corbin, sister-in-law of the bride, Mrs. Carl Bennett Miller, cousin of the bride, and Miss Cristina Saavedra. Miss Jessica Ann Carlisle was the flower girl.

Brett R. McClintock served as best man. Groomsman were Michael Sullivan, Darren Stallwitz, and Danny Bilbrey. Beau Jeffery Corbin served as ring bearer for his aunt.

Ushers were Steve Corbin, brother of the bride, Tony Saavedra, and Bruce Burnett, brother of the groom.

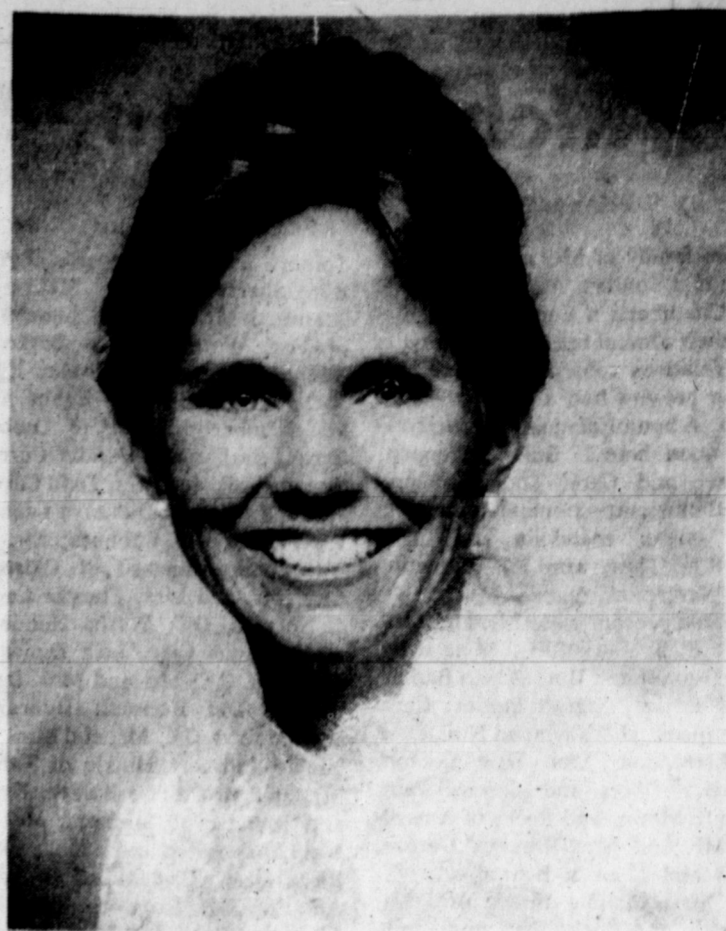

Cindy Bennett, cousin of the bride, distributed the programs.

Bruce Burnett was the soloist and was accompanied by Mrs. Debbie Etheredge.

A reception at the North Plains Country Club was hosted by Mrs. DeVerle Boswell, Ms. DeeAnn Kelly, Mrs. Jerry Landrum, Mrs. Mike Carlisle, Mrs. Bobby Barker, Mrs. E.E. McAlpine, and Mrs. D.A. Richie.

Mrs. Dinah Strickley Bennett, the groom's sister-in-law, registered the guests at both the wedding and reception.

The bride is a graduate of Dumas High School and Amarillo College, and is presently a free-lance stenographer in the Dumas area. The groom is a graduate of Dumas High School and Texas Tech University. He is employed by Diamond Shamrock Oil and Gas in Dumas. The couple will be at home at 508 Robin Road in Dumas.

MRS. TOMMY NOBLE

## Noble - Anderson unite in marriage

Karen Anderson and Tommy Noble were united in marriage in a double ring ceremony at the Martin Baptist Church in Clarendon on August 10th at 3:00 p.m. The Rev. Bryan Knowles officiated at the ceremony. Parents of the couple are Mr. and Mrs. R.O. Anderson of Stanton, Texas and Mary and the late Theo Noble of Amarillo.

The bride, given in marriage by her father, wore an ivory tea-length dress of chiffon and lace, and a crown of baby's breath and silk flowers.

Barbara Collins of Hedley and Jim Shadle of Clarendon sang "You and I." Debbie Wilcox, sister of the groom of Amarillo, was the pianist.

Karla Hamilton of Austin, Texas,

was matron of honor. She wore a pale peach tea-length dress of chiffon and lace.

Best man was Steve Ricketts of Amarillo. Brothers of the groom, Mark, Gary and Neal Noble, all of Amarillo, served as ushers.

Flowergirls were Heather Pinkerton of Odessa, Alexis Wilcox of Amarillo, and Keena Ellis of Clarendon. Briar Wilcox served as candlelighter.

Karen graduated from Stanton High School and West Texas State University. She will teach English and business classes at Hedley.

Tommy graduated from Amarillo High School. He is employed with West Texas Utilities in Clarendon.

## From The PEN of PASTOR PINION

The Apostle Paul, by the Spirit, has divided the whole human family into three groups, the first being the "natural man," who is unregenerate, or unchanged spiritually, the second is the "carnal man," who is a "babe in Christ," and walks "as a man," and the third is the "spiritual man." These groups are classified by the Apostle in I Corinthians 2:9-3:4, according to their ability to understand and receive a certain body of truth, which is of things "revealed" unto us by the Spirit. We want to conclude our series on "The Three Classes of Men" by looking at the "Spiritual Man".

The "spiritual man" is proven to be all that he is said to be by one test of his ability to receive and know the divine revelation. "He that is spiritual discerneth all things."

The progressive order of this whole context is evident:

First, the divine revelation is now given. It is concerning things which, "eye hath not seen, nor ear heard, neither have entered into the heart of man." It is revealed by the Spirit (I Corinthians 2:9, 10).

Second, the revelation is of the "deep things of God," which no man can know. However the Spirit knows them (I Corinthians 2:10).

Third, believers have received the Spirit who knows, in order that they too may know the deep things of God (I Cor. 2:12).

Fourth, the divine wisdom is hidden in the very words of God's Book; but the spiritual content of these words is understood only as one is able to compare spiritual things with spiritual (I Corinthians 2:13).

Fifth, the "natural man" cannot receive the thing of the Spirit of God, for they are foolishness unto him, neither can he know them, because they are only by the Spirit discerned. He has not received the Spirit which is of God (I Cor. 2:14).

Sixth, a carnal Christian is born again and possesses the indwelling Spirit; but his carnality hinders the full ministry of the Spirit (I Cor. 3:1-4).

Seventh, "He that is Spiritual" discerneth all things. There is no limitation upon him in the realm of the things of God. He can "freely" receive the divine revelation and he glories in it. He, too, may enter, as any other man, into the subjects which are common to human knowledge. He discerneth all things; yet he is discerned, or understood by no

man. How could it be otherwise since he has "the mind of Christ?"

There are two great spiritual changes which are possible to human experience - the change from the "natural" man to the saved man, and the change from the "carnal" man to the "spiritual" man. The former is divinely accomplished when there is a real faith in Christ; the latter is accomplished when there is a real adjustment to the Spirit. Experimentally the one who is saved through faith in Christ, may at the same time wholly yield to God and enter at once a life of true surrender. Doubtless this is often the case. It was thus in the experience of Saul of Tarsus (Acts 9:4-6). Having recognized Jesus as his Lord and Saviour, he also said, "Lord, what wilt thou have me to do?";

In conclusion, a Christian is a Christian because he is rightly related to Christ; but "he that is spiritual" is spiritual because he is rightly related to the Spirit, in addition to his relation to Christ in Salvation.

### DATING

Last week we saw that a man should seek to date a woman who is seeking after God. This week we want to see that a man should date a woman with a gentle and quiet spirit.

A gentle spirit is an inner attitude that seeks for tranquility, tenderness and understanding. A quiet spirit is an inner attitude that is not easily anxious or uptight because it puts its faith in God.

Here are some questions to help you discern whether your girlfriend is developing a gentle and quiet spirit:

1. Does your girlfriend complain a lot when she is around you?
2. Does she argue a lot at home?
3. Is she easily upset when circumstances don't go her way?
4. Does she belittle you in front of others?

Be very careful as you are dating a girl who complains a lot and demands her own way. While God calls us to love all people, He wants us to be very careful about who we date seriously. You may be dating a contentious woman and that could be a disaster for you (Prov. 21:19).

Why is it important for a man to seek a woman with a gentle and quiet spirit? The leading of a relationship is an awesome, difficult task. Any man who leads a relationship needs all the encouragement he can get. A man must continually look to God for the strength which will take him through the trials he faces as a leader. A wife is to help her husband be the type of leader God desires him to be. She is designed not only to help her husband, but to encourage and respect him as God works through his life. When a woman becomes critical, quarrelsome and complaining, she becomes a distraction and emotional drain on her husband. Instead of helping and encouraging him, she tears him down and discourages his will to lead. Therefore it is of extreme importance that a man find a woman who has a gentle, understanding disposition.

## ...OR THE BANKER?

Stock market investments can be very inviting. Everybody, it seems, knows "this guy" who knows "this other guy" who made a real killing in a big bull market. Of course, behind every Cinderella story there's another tale—of uncertainty and vulnerability.

Unfortunately, the stock market often takes a downward turn. The rampaging bull can become a lumbering bear, changing dreams of an easy "killing" into harsh reality. Not so at our bank. In addition to an

impressive range of investments—such as our new money market accounts—we offer things that stocks and mutual funds can't. Like risk-free protection of principal. Assured rates of interest. And the soothing security of Federal Deposit Insurance by the F.D.I.C.

So, while we won't promise to make you rich overnight—we will place a risk-free guarantee on your tomorrow.

That's the bare facts. With no bull. © 1983 AMERICAN BANKERS ASSOCIATION

# Rich Reunion

The family of Mr. and Mrs. C.C. Rich met Sunday, August 4, 1985 at the Chamberlain Community Center for their annual reunion. Several of the relatives couldn't be there, but those present had a very enjoyable time. A bountiful meal was served at the noon hour. Billie "Trooper" Barker and Carol Thompson provided the entertainment with singing, guitar, mandolin and fiddle playing. There were lots of visiting and picture taking.

Those present were Mr. and Mrs. C.C. Rich, Darr Rich, Mina Ivey, Jane Barker and Duel, Blade Barker, Flint Barker, Starlet Barker, Carol Thompson, and Raymond Hinkle, all of Clarendon; Mrs. Dale Denton, Amanda Short and Serena Fain, Jacque Morin, and Rocky of Amarillo; Mr. and Mrs. Charles Dotson, Cody and Chad of Brownfield; Mr. and Mrs. Claudie Hinkle of Tullia; Brandie and Kathy Pool and Cindy Faught of Amarillo; Mr. and Mrs. Dickey Head, Julie, Betty and Lonnie, Gladys Tice, Jason and Gretta Kerfoot of Panhandle; Mr. and Mrs. Jack Tolbert, Corita Barker, Daniel

Tolbert, and Max Rippetoe of Amarillo; Sherry and Terry McCrary of Alanreed; Mr. and Mrs. Homer Harp of Fort Worth; Shawn Barker of Stinnett; Mr. and Mrs. Robert Hinkle and Kelly of Snyder; Bobby Dean and Kimberly Hinkle of Lubbock; Patton Barker and Candie Curry of Stinnett; Mr. and Mrs. Todd Curry of Jason, Aaron and Daniel of Lubbock; Natasha Doe of Lubbock; Mr. and Mrs. Otis Manasco of Oklahoma City; Mr. and Mrs. Chester Cottrell of Norman, OK; Bertha Henderson of Oklahoma City; Jack Duncan of Stratford, OK; Mr. and Mrs. Dewey Duncan and Kenneth Duncan of Wynnewood, OK; Mr. and Mrs. R.B. Hinkle and Roy Hinkle of Tahoka; Mr. and Mrs. Billie Barker, Krystal and Myndie of Stinnett; Mr. and Mrs. Shane Rich and Kelby; Cleddell Rich, Dale, Jessica and Brandy of Amarillo; Mr. and Mrs. Cecil Rich, Mark and Susan, Kathy Rich, Tiffani and Christopher of Canyon; and Vicki and Shannon Helt of Amarillo.

There were 87 present for the 1985 reunion. Hope to see all of you and those that weren't here next year.

## Cloudburst kicks off cutting horse events at Burleson roping

An unscheduled cloudburst dumped on the Burleson Arena just as horses and riders arrived for the cutting horse activities. Late comers from surrounding areas such as Lubbock, Post, Guthrie, and Plainview doubted that the events could

take place as planned but locals from Spur, Memphis, Afton, Dickens, and Matador knew better. Foy Acker from Tullia and Bill Wilson from Wellington were ready to judge the event with 37 contestants by 1:00. Ranch Cutting, a division where

the horse has a chance as a novice to test the skills for which he has been trained, was won by Wayne Smith of Spur riding "Broad Gin".

Jim Slover of the Burnett Ranches on "Plug" won the Open Cutting, a contest where those horses that have won money can demonstrate their expertise in cutting.

Twenty-two youngsters vied for honors in the Pee Wee, Junior, and Senior Divisions in the Youth Horse Activities in the Saturday morning sunshine while mommas and papas and grandparents cheered them on. Tony Janes and Eddie Vance of Amarillo, former students of Clarendon Jr. College, were judges for the events including Western Pleasure, Horsemanship, Pole Bending, Barrel and Flag Races.

Kacey Parks of Roaring Springs and Molly Bomar of Silverton were Pee Wee Division winners.

Junior Division winners were Travis Martin of Aspermont and Will Bomar of Silverton.

Repeat winner Regina Cruse of Flomot and Ricky Martin of Aspermont took the Senior Division honors.

While the kids were sweating it out, the art show and washer pitch was going on in the old barn at headquarters. Jo Goen, artist and coordinator, was instrumental in gathering the fifteen local artists

depicting our colorful western heritage.

A father-son team from Canyon, Red and Shawn Gales, pitched the winning washers against last year's winners, Jack Dempsey and Morris Burkes of Matador. Jay and Patsy Johnson and son "Cotton" of Tullia supervised the sixteen teams from Lockney, Tullia, South Plains, Silverton, and Spur. A mother and son team and a woman team provided two new firsts for the Burleson Memorial Washer Pitch.

Back at the arena, Sam Fortenberry, Kenneth Griggs, and Richie Crow as announcers kept a running commentary on the youth activities and the roping events.

Earl Broeseh accompanied by his guitar played the national anthem and sang his original song "No pass, No play" to start the afternoon. Draw Pot roping winners were Hand Baird of Silverton and Dickie Garrison of Smithville. Novice roping honors were captured from 101 entered teams by Jerry Baird and Bill Strange of Silverton.

In the One Over Forty competition Brett Marble repeated last year's performance by teaming with a new partner, Raymond Hall of Morton. Father and son team in the One Over Forty, Burl and Monte Hollar of Clarendon, was the halter winners. Buckle winners of the A-B contest of which there were ninety-seven teams competing were Dwain Burns and Andy Coleman of Morton ended the day's activities as the day began to cool off.

On Sunday Scott Falkenberg of Floydada provided ropes to be given to each of the winning team members in both the Ranch and Open Team Penning. Out of forty-one teams competing, the teams of Floyd Hardin and Colby Wright rode away with new ropes. The stock for these two events and the cutting horse event was provided by L.B. Campbell of Matador. The roping stock was furnished by Carl Alford of Hereford.

Rounding out the weekend of fun and excitement, the Open Pasture Roping took place back at headquarters pasture. With the experience gained in last year's open pasture roping, the ropers had less spills this time. Only once did things get out of hand when a pursued steer jumped into the back of a pickup scattering spectators.

Showing what pluck the instructors of Clarendon Jr. College are made of, Jerry Gage tried his hand in the open pasture roping as well as every other event of the last two days. The Range Management Program of Clarendon Jr. College is the recipient of the profits from the Burleson Memorial Roping.

Clarendon boys, Junior Crump and Andy Wheatly, with consistent times and sure-fire roping, aced out the other ropers to win this year's buckles. Headstalls for second place went to Dickie Garrison and Kelvin Sharp. Interestingly enough, last year the order was reversed with Sharp winning the buckle and Crump, the halter.

The All-Round Horse honors went to the Appaloosa of the Don Bell family of Amarillo who entered all three days events outpacing the other horses with his consistent performances.

## NEWS OF BOOKS

Encouraging news to anyone who wants to learn—or relearn—skills for operating in the challenging and ever-changing field of media relations is a recently published book called, "On Deadline: Managing Media Relations." Reviewers of the book say the authors, Carole Howard and Wilma Mathews, have drawn on years of solid experience to produce a "timely, lively, and very readable book." Published by Longman, "On Deadline" is available by phoning (914) 682-3344. The book, considered almost an encyclopedia of media relations, is helpful to anyone who has ever been responsible for calling an editor or managing a full media relations program.

The Doss Finleys attended a Finley family reunion at Claude last week. There were forty present. Guests to visit in the Finley home enroute to the reunion were Leroy and Mildred Holly of Artesia, New Mexico, Ben Holly and his son Robbie of Fort

Worth, Lenord and Alene Wilkerson of California, Imogene Woley of Clarksville, and Mr. and Mrs. Bill Finley from Clarksville. Doss received word of the death of his sister, Florence Wilkerson of Burbank, Calif. Part of the reunion crowd left to attend the funeral.  
Esther Mahaffey of Dumas visited with Adderine Mahaffey this week.  
James Graham from St. Louis visited with Viola and Mike Graham last week.

Clyde and Donnie Bain from Wasco, Calif. and Bud and Mildred Miller from Pasadena, Calif. spent a few days in Clarendon before taking Theima Hall to the Bain family reunion at Sunray Saturday and Sunday. They had over two hundred Bain relatives register at the two day event. T.E. and Faye Naylor of Hedley, Mae and Duane Naylor of Crowell, Richard, Vici, and Erin Naylor of Amarillo, Jonna Naylor of Amarillo, Mr. and Mrs. J.L. Bain from Pampa, Mr. and Mrs. Gordon Bain from Turkey, Mr. and Mrs. J.R. Bain from Decatur, Mr. and Mrs. Harold Owens from Fort Worth, Leatha Smith from Fritch, Keith and Billy Bain from Amarillo and Otha and Terresa Bain from Amarillo were a few of the many Bains represented at the gathering.

Dana Perdue and Karen Alexander of Elkhart were here to help with blackeye pea canning, and they visted with Adderine Mahaffey as they brought peas.

Jason Green visited Rhonda and Lori in Amarillo last weekend. They brought him home Sunday afternoon. Last week the former Mary Johnson who is not Mrs. Steve Scott and her husband and son, James Micheal were guests in the H.A. Green home. They have just bought a new home at Pampa.

There was a planning session last Wednesday at the H.A. Green home for the Wagon Train that will be a part of Texas Sesquicentennial in 1986. Jan Frances met with about twelve community members to review camp plans for the May 21st camp out in Ashtola.

Friday Stan Leffew and Sharon Patterson of Lubbock visited with Veda Elliott. Saturday Mr. and Mrs. Buddy Brunson from Amarillo and Darrel and Wilma Leffew and Danny Cearley from Quanah were visitors in Veda Elliott's home.

We had an inch of rain Monday night at the house but less on the back side of the place. Every drop was a blessing.

Many business people and professionals have no idea that they -- and all they've worked for -- are exposed to costly private lawsuits.

In fact, the very hallmarks of success -- from yachts to handsome homes -- make business people tempting targets.

Civil lawsuits have increased from an estimated 10 million in 1967 to projected 14 million for 1982. By 1979, the average award in a fatal accident case was over \$350,000.

Yet the standard homeowners insurance policy typically provides liability coverage of only \$100,000. So a major lawsuit might endanger savings, a home, even future earnings.

Knorpp Insurance believes that people with important assets should consider personal liability umbrella policies. These policies will not protect against liabilities incurred in business -- but they will close some of the gaps that other types of coverage leave open.

Knorpp Insurance umbrella policy offers as much as \$10 million in protection -- and a million dollars in coverage costs as little as \$100.

## Yearbook workshop attended by local students

To get ahead of schedule before book advisor, attended, the "Taylor Clarendon High School starts for Publishing Company Yearbook 1985-85, Sheri Chamberlain, Lesia Seminar" August 5, 6, 7 on Amarillo Fuston, and Miss Betty Veach, year-Colege Campus to plan the 1986

Bronco yearbook for CHS. This workshop is so beneficial to beginners and advanced students who are dedicated to the purpose of recording the "story" of their coming school year. Sometimes it's a "thankless" job, but it is eventually appreciated by the students whether it be at the present or in coming years. The editors in charge of the 1986 Bronco will be Sheri Chamberlain, junior, and Lesia Fuston, senior. It is hoped that one or two representatives from each class will be interested in working on annual staff. The meetings will be after school and it can be really fun to put together the yearbook. It will be an experience of great value to you that you will not forget.

Friday night 9 hole scramble was a five way tie with 4 under par. Teams that tied were 1. Eddie Baker, Ricky Mooring, Tommy Hill, Linda Dunham, 2. Trey Chamberlain, Eddie Eads, Jim Shadle, Carrie Howell, 3. Steve Jarnigan, Dwayne Strickland, Chad Strickland, Mary Ann Slavin, Del Davis, 4. Paul Drager, Bo Bo Morrison, Lynn Floyd, Frances Skelton, Jason Baker, 5. Gregg Shelley, Pat Slavin, Flip Breedlove, Billie Cheaveaux, Lynette Keel.

Sunday, August 11 18 hole scramble was a three way tie with seven under par. After a playoff results were 1st place - Gary Fletcher, Bill Spier, Paul Cook, Dan Sawyer, and Susie Blackman, 2nd place - Jeff Walker, Jim Keel Jr., Ken Shelton and Ricci Tunnell, third place - Buddy Sharp, Bo Bo Morrison, Gary Johnston and Barbara Mayfield.

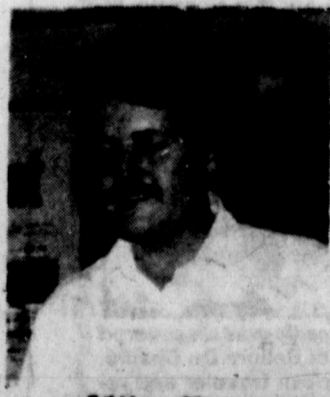

Ladies Round Robin was held Thursday, August 1st. There was a tie for 1st place with the card playoff. First place was Dorothy Breedlove, Pat Frances, Joyce Eck, and Katherine Cain. Second place was Jean Hassel, Peggy Davis, Patsy Leflew, and Katherine Green. Third place was Carrie Howell, Havera Ham, Cheryl Bruce and Muzzy Hayes. Longest drive on #4 was Jean Hassel and closest to the pin on #6 was Lou Mabry.

The Ladies Golf Association will be selling the "Calf Fries to Caviar" cookbook by Janel Franklin and Sue Vaughn from Lamesa, Texas. This cookbook is a collection of recipes ranging from "down home" to "elegant gourmet" cooking. Most of the recipes were given to them through the years by family members and friends. The majority of the recipes were scribbled on the back of checks, paper napkins, envelopes and paid bills and buried in the bottom of cabinet drawers where they were searched for frantically and retrieved with relief countless times over the years. Now, at last, they have gotten them organized. This is one of the best every day cookbooks I have seen. The proceeds from these sales will benefit the golf course and fertilizer program. For information contact any association member or call Patsy Leflew 874-2421 or 874-3159.

Ladies play day is Thursday, August 15th. Tee off is at 10:00.

Nine hole scramble will be Friday, August 16th. Jack and Jill Tournament will be Saturday and Sunday, August 17 and 18. Junior Golf Partnership is Wednesday, August 21. To enter any of these golf events, contact Eddie Baker at the Pro Shop 874-2166.

New club house hours are: dining room - 5 p.m.-9 p.m. Monday through Friday, 10 a.m.-9 p.m. Saturday and Sunday. Grill is open 11:00 a.m.-6:00 p.m. Sunday through Saturday. Club is closed on Tuesdays.

### NEW FOR REFLUX

Heartburn is a common problem that is not related in any way to the heart. Rather, there is a backing up or reflux of stomach acids into the esophagus. Many drugs and foods relax the sphincter that helps keep stomach acid in its place and contribute to discomfort. These include alcohol, caffeine, narcotics, several asthma medicines, chocolate, peppermint, and fruit juices.

Antacids and other ulcer medicines have been the medicines of most importance in reducing heartburn complaints. Now metoclopramide, a prescription-only medicine, is being approved for use in reflux disease.

Metoclopramide seems to provide heartburn relief by at least two mechanisms. First, it increases the tone of the sphincter that separates the esophagus from the stomach, keeping acid from slipping into the esophagus. Second, metoclopramide seems to relax the sphincter that separates the stomach from the lower digestive tract, speeding the removal of acid and food from the stomach.

The timing of the dose of metoclopramide is important. If the medicine is taken more than 2 hours before symptoms usually occur, there may be no beneficial effect.

LEGAL NOTICE OF AMENDMENTS TO THE RULES AND REGULATIONS FOR GREENBELT LAKE AS ADOPTED AND PROMULGATED BY GREENBELT MUNICIPAL AND INDUSTRIAL WATER AUTHORITY

Legal notice and advice is hereby given that the Board of Directors of the Greenbelt Municipal and Industrial Water Authority, under the powers and provisions of Article 6200-160, Section 21, of the Revised Civil Statutes of Texas, has amended, to be effective on and after January 1, 1986, PART II - PERMITS of the Rules and Regulations for Greenbelt Lake as originally adopted and promulgated by Greenbelt Municipal and Industrial Water Authority on March 14, 1968. The wording and content of said amendment is as follows:

### PART II - PERMITS

**SECTION 1. TYPES AND GENERAL CONDITIONS**  
Five separate types of permits shall be issued by the Authority upon an application for a permit as may be prescribed by the Authority and upon the payment of the fee therefor as herein provided; provided however, the Authority may refuse to accept any prescribed application for a permit, may refuse to accept any fee tendered for a permit, and may otherwise refuse to issue any permit for any cause, and further, the Authority may refuse to issue any permit upon the refund or transfer of any fee so paid therefor. No permit shall be refundable, except by specific approval and authorization of the Board of Directors of the Authority or as herein provided. The types of required permits, the fees therefor, and other matters relating to such permits are as follows:

**Paragraph 1. A Boat Permit** shall be required for any boat to be operated on the Greenbelt Lake. The fee for a daily Boat Permit, for a multiple daily Boat Permit, and for an annual Boat Permit shall be as prescribed by the Board of Directors of the Authority. A daily Boat Permit shall be valid until midnight of the date issued. A multiple daily Boat Permit shall be valid from the date issued until midnight of the last subsequent date for which such permit is issued. An annual Boat Permit shall be valid from the date issued through December 31st of the year issued.

**Paragraph 2. A Recreation Permit** shall be required of each person six (6) years of age or older for fishing, swimming, boating, water skiing, aquaplaning, picnicking, skin diving, scuba diving, hunting of water-fowl, overnight camping, and any other recreational activity or for entry onto the property of the Authority. The fee for a daily Recreation Permit, for a multiple daily Recreation Permit, and for an annual Recreation Permit shall be as prescribed by the Board of Directors of the Authority. A daily Recreation Permit shall be valid until midnight of the date issued. A multiple daily Recreation Permit shall be valid from the date issued until midnight of the last subsequent date for which such permit is issued. An annual Recreation Permit shall be valid from the date issued through December 31st of the year issued.

**Paragraph 3. A Permit for Docks, Piers, Wharves, Jetties, or Other Similar Structures** shall be required of any person not holding a lease from the Authority. Such permit shall be valid for one year from the date issued. Such permit may be either for non-commercial purposes or for commercial purposes, and the fee for such type permit shall be as prescribed by the Board of Directors of the Authority.

**Paragraph 4. A Permit for the Installation of a Sewage Disposal System** shall be required and may be issued for such fee, and on such terms, covenants, and conditions, as shall be prescribed by the Board of Directors of the Authority.

**Paragraph 5. A permit for the installation or construction of any other structure or facilities on Greenbelt Lake or any property of the Authority** and not covered in Paragraphs 3 and 4 hereof, shall be required of any person not holding a lease from the Authority. Any permit so issued shall be for such fee, and on such terms, covenants, and conditions, as shall be prescribed by the Board of Directors of the Authority.

Notice is also hereby given that effective on and after January 1, 1986, the fee to be charged for the respective types of Boat Permits and Recreation Permits shall be as follows:

- Daily Boat Permit (per boat) - \$2.00 per day or fraction thereof
- Multiple Daily Boat Permit (per boat) - \$2.00 per day or fraction thereof
- Annual Boat Permit (per boat) - \$20.00 for remainder of year in which issued
- Daily Recreation Permit (per person) - \$2.00 per day or fraction thereof
- Multiple Daily Recreation Permit (per person) - \$2.00 per day or fraction thereof
- Annual Recreation Permit (per person) - \$20.00 for remainder of year in which issued

which fees have been established and prescribed by the Board of Directors of the said Greenbelt Municipal and Industrial Water Authority as provided in the aforesaid amended PART II - PERMITS of the aforesaid Rules and Regulations for Greenbelt Lake.

Legal notice and advice is further hereby given that failure to obtain a required permit under any applicable provision of said amended PART II - PERMITS of the aforesaid Rules and Regulations for Greenbelt Lake is a misdemeanor and will subject the violator to the infliction of a fine of not more than Two Hundred and No/100 Dollars (\$200.00) as provided in PART XIV - PENALTIES FOR VIOLATIONS, Section 1. Penalties of the aforesaid Rules and Regulations for Greenbelt Lake as the same has been amended as next herein provided.

Legal notice and advice is further hereby given that the Board of Directors of the Greenbelt Municipal and Industrial Water Authority, under the powers and provisions of Article 6200-160, Section 21, of the Revised Civil Statutes of Texas, has amended, to be effective five (5) days after the second publication of the notice as may be required by law, PART XIV - PENALTIES FOR VIOLATIONS, Section 1. Penalties, of the Rules and Regulations for Greenbelt Lake as originally adopted and promulgated by Greenbelt Municipal and Industrial Water Authority on March 14, 1968. The wording and content of Section 1. Penalties of said PART XIV - PENALTIES FOR VIOLATIONS of the Rules and Regulations for Greenbelt Lake by virtue of such amendment is as follows:

### SECTION 1. PENALTIES

The doing of any act forbidden to be done by these Rules and Regulations, or the failure to do any act required to be done by the provisions of these Rules and Regulations, shall be deemed to be a misdemeanor, which in case of a lawful conviction thereof, shall be punishable by the infliction of a fine of not more than Two Hundred and No/100 Dollars (\$200.00). The fines collected hereunder shall be paid to the Authority, and all fines so collected shall be credited to its recreational fund. In the event of the assessment of a fine hereunder and the refusal or inability of the convicted person to discharge any such fine, together with the court costs incurred by reason of prosecution of the offense, upon order of the presiding judge or of the Board of Directors of the Authority, any such person shall be committed to the County Jail of Donley County, Texas, or any other appropriate county in the State of Texas, to serve out any such penalty and court costs at the same rate of credit as would be due to him in case of conviction of a misdemeanor under the laws of the State of Texas. It is, however, provided that no such imprisonment shall be mandatory on any such county until or unless the Authority makes provision to reimburse the county for the confinement and maintenance of any such person at the same rate per day as would prevail in the case of confinement of a county prisoner, or upon any other basis of compensation which may be agreed upon between the County Commissioners Court and the Board of Directors of the Authority. The trial of the misdemeanor and the imposition of a penalty hereby authorized shall be in a Justice Court as provided in Article 4.12 of the Code of Criminal Procedure of the State of Texas, which court is hereby determined to be the appropriate court of competent jurisdiction for trying any violation of these Rules and Regulations and imposing a penalty. The penalties hereby authorized shall be in addition to any other penalties provided by the laws of the State of Texas.

and that legal notice thereof by publication of the wording and content of said Section 1. Penalties of said PART XIV - PENALTIES FOR VIOLATIONS of said Rules and Regulations as above set forth shall be as provided by Article 6200-160 (21)(b) of the Revised Civil Statutes of Texas, and that a copy of such legal notice, together with the publisher's affidavit, shall be made a part of these minutes, and that five (5) days after the second publication of the notice as may be required by law, said Section 1. Penalties, as amended, of said PART XIV - PENALTIES FOR VIOLATIONS shall be in effect. After a full discussion and upon call of the question, such action was unanimously passed and carried.

A copy of the legal notice pertaining to amending PART II-PERMITS and PART XIV - PENALTIES FOR VIOLATIONS, Section 1 Penalties, together with the publisher's affidavit thereto, is as follows and made a part of these minutes.

Notice and advice is specifically given that the full text of the Rules and Regulations sought to be enforced, including the amendments thereto, is on file in the principal office of the Greenbelt Municipal and Industrial Water Authority in the Filter plant located on Highway No. 70 between Clarendon, Texas, and the Greenbelt Lake, where the same may be read by any interested person.

Given under the hand and seal of the undersigned duly authorized officer of the Greenbelt Municipal and Industrial Water Authority, this the 31st day of July, A.D. 1985.

**Senior citizens activities report**

Yes, it's hot - but let's not grumble too much, the cotton is really growing and looking good. Our farmers sure need a good crop year. Peas, beans, corn and potatoes are ready. It's time to fill the freezer and all the empty jars. I got so sick and tired of canning season, but always thankful when winter comes and we can run to the pantry or freezer and have some good ole blackeye peas. So just keep canning and canning.

Thanks to Hugh and Nova Neuhaus for a big box of fresh, home-grown cantaloupes.

**Fabulous Fallacies!**

One has to stay wide awake to uncover some of the common fallacies about sleep. For example, not everyone needs eight hours to get a good night's sleep. In fact, report the experts at the Somma Mattress Company, some short sleepers—those who require six hours or less—experience the same amount of deep sleep as those who sleep much longer.

One should not lie down on the job when separating mattress fact from mattress fallacy. Some people believe mattresses are either all firm, or all gentle. In fact, mattresses which use individual water-filled cylinders, such as those from the Somma Mattress Company, can be adjusted individually. One side of the bed can be firm, the other soft.

**Allsup's roadraces set for Sept. 14**

Plans have been announced for the Eleventh Annual Allsup's Roadraces to be held in Clovis, New Mexico.

The date for this year's events is Saturday, September 14th. As always, the Annual Allsup's Roadraces promise a well planned day of racing for the serious runner as well as the weekend jogger. Entrants have a choice of the 26.2 mile full marathon, 13.1 mile half marathon, the 10,000 meter - 6 mile race, or the one mile event. Races will all begin at 7 a.m. sharp Saturday morning, and they will finish in traditional olympic style on the Clovis High School stadium track. The courses are flat, asphalt paved loops with temperatures traditionally ranging from 50 to 75 degrees.

Quality trophies will be awarded at noon at C.H.S. stadium plus commemorative Allsup's Roadrace long-sleeve tee shirts will be awarded to all finishers.

The activities begin with pre-registration Friday, September 13th at the Clovis Family YMCA - 1700 E. 7th Street. Check-in time from 5 to 9 p.m. Entry fee for all races is \$7.00 before September 2 and \$9.00 after September 2, 1985. All proceeds go to the Clovis Roadrunners Club.

Runners of all ages and distances are invited to participate in what has come to be known as one of the friendliest races in the Southwest: Allsup's Annual Roadraces in Clovis, N.M.

**Allsup's to conduct fund raising for MDA**

Allsup's Convenience Stores, participants in the Jerry Lewis Muscular Dystrophy Telethon, will conduct pre-telethon fund raising activities during the month of August. The company will display collection canisters in all 275 Allsup's Stores throughout New Mexico, Texas and Oklahoma. According to Jack Crow, Director of Public Relations, "This canister collection campaign is an integral part of fund raising prior to the telethon. The Muscular Dystrophy Association receives no tax supported grants nor does it seek fees from patients or their families." Crow adds, "The M.D.A. programs are funded almost entirely by private contributors and corporations through fund raising activities such as Allsup's."

Also during August, Allsup's Stores will conduct the "Kids Doorbell Brigade & Win-A-Prize" campaign. All area youngsters are encouraged to visit the local Allsup's for details on winning valuable prizes by collecting donations for "Jerry's Kids." The official collection kits are available from the Allsup's Managers.

From Jack Crow, "We are looking forward to working with our neighbors to help fight the 40 neuromuscular disorders covered by the MDA. Muscular Dystrophy affects an estimated one million Americans of all ages, and the contributions stay in each community so we are all helping our neighbors by helping the Muscular Dystrophy Association."

# Watt's Happening in Hedley

by Peggy Watt

Tode Hill spent several days in Hall County Hospital after suffering a heart attack. Mattie Laura took him to the hospital last Monday night. He hoped to be able to come home for the Hill family reunion, but the doctor thought he'd better wait and not suffer any unneeded stress. Their daughter, Jane Ruth Owens, and granddaughter, Karen Rogers, and great granddaughter, Erin, have been with them. I think everyone was surprised as I was when they heard Tode was ill. Nobody ever expected him to get sick. Hopefully there will be no permanent damage to his heart.

Mrs. Bernadette Garrison is in Hall County Hospital following surgery last week. I talked to her daughter, Brenda Todd, and she told me the doctor thought her mother would be fine before too long.

Nookie and Geraldine Wiggins are home from vacationing in Colorado. Nookie came home with a sprained arm. I don't know whether he sprained it pulling a BIG fish out of the river or not!

Marty and Sis Martin are enjoying the company of their niece and nephew, Needra Martin and her cousin, Jeremy Martin from Childress.

Blackie Johnson and Walter went to Miami Sunday to bring home a horse. I saw Roger Gibson at Blackie's house Sunday. I supposed Tanya and the girls were with Harold and Mary Ruth.

Guy and I attended a shower in Memphis Friday evening for Leon and Linda. They got a lot of nice, useful gifts. I tried to get Linda to let me take part of them, but she told me if I didn't have everything I needed

for my house by now, I could do without it.

Brother and Mrs. Carter had their daughter, Sandy Morris from Irving at church with them Sunday morning. Her children stayed at Clarendon.

Jack and Sue Nivens have had company by the house full lately. Ramona Tolle and Mike from Lewisville have been here. So have Karen Powers from Dallas, B.W. and Dell Warren from Pampa, Linda Sherrod from Lubbock and Jimmy and Tammy Powers from Clarendon.

Nina Riddlespurger received a bad cut last week when she fell into a showcase at the ceramic shop. She had to have several stitches and suffered from the loss of blood.

Donnie Powers escaped serious injury recently when a battery he was using to boost a lady's car with exploded. He suffered from some loss of sight in one eye. He was able to return to work at Rhema Ranch Country Store last week.

I visited with Jim Owens in town Saturday. He looked like he's been working.

Pie Adamson went to Canadian Saturday and spent the night with her children, Rita and R.L. Stone. We missed her at church Sunday.

Laqueta Cox and Amelia Holly went to Stinnett Friday and spent the weekend with Pick Cox. They stopped in Pampa and visited with Carl on the way up.

Connie and Mahdeene Debord have returned home from a vacation in Branson, Missouri.

Everyone should remember the community barbecue on August 22nd. Reserve your chicken at Canway's before August 16th. The

barbecue will be sponsored this year by the Hedley Lions Club, Donley County Feedlot, Security State Bank, and Hedley Feedlot. I suppose Doyle Messer will be in charge of the barbecue. He's cooked the chickens for the barbecue for several years. There might be someone somewhere who is a better cook than Doyle, but if there is, I haven't been privileged to sample their cooking.

Gene Sanders of Amarillo visited his parents, Beulah and D.K. Hall last week.

Leroy and Opal Hartwell and James and Nonie Hartwell of Amarillo visited their mother, Mrs. Nora Hartwell, Sunday.

Bobby Hoggard, Billy Bob and Candi from Clarendon visited with his parents, Clyde and Mildred Hoggard Sunday. Audra is visiting relatives in Childress.

Earl and Helen Watson of Amarillo visited her brother, Clyde and Mildred Hoggard, Monday. They also visited Mildred's pea patch.

Elmo Kennedy had surgery in Hall County Hospital recently. He's home and reported to be doing well. Mrs. Kennedy went to the eye doctor in Amarillo last week and is also doing well.

John, James, and Mary Hoggatt spent two weeks recently with their Hedley grandparents, Bud and Betty Hoggatt and uncle James.

Lori Ann Yannis is with us. She went to church with me Sunday morning. Mrs. Jessie Adams played the organ for us. Sharon Wheatley is gone again. She's in Colorado visiting her granddaughter. Next week she's going to Dallas and visit her mother, Mrs. Ruth Harrison. I hope she's back in time to start to school the 27th of this month. Next Sunday will be the fourth Sunday in a row she's been gone.

Glady's Howell has sold her home in Hedley to Mr. and Mrs. Ward from El Paso. They are remodeling and adding on to it. I noticed it when I passed going to mother's house. It will really be nice when it's furnished. It was a big house to start with and it looks as if they are adding two or more rooms onto it.

Ronnie and Becki Ward and T.J. of Hugeton, Kansas spent the weekend with their parents, Boots and Eunice Ward and Virgil and JoAnn Johnson. Etta Mae Cherry left Sunday to go to Austin with her son and daughter-in-law, Glyndon and Bonnie Cherry. She's been in Vernon

with her daughter, Lanell, for several weeks.

Jack and Bernice Lamberson came to J.T. and Helen Lamberson's house Saturday to pick up some pipe and J.T. and Helen helped them haul it home and stayed and had supper with them.

Memorial services were held last week for Mrs. Tom Wilson. She had lived in Wellington for several years.

Ed and Ethel Favor had their son and daughter-in-law, Carroll and Marsha Favor of Childress, home Sunday. Bob and Jessie Roland joined them in the afternoon to help Ethel celebrate her birthday.

Manford and Wilma Snelson had their children visiting over the weekend. Maxie and Katrina Osburn, Christi and Brandi, Carroll and Marsha Favor, Joe and Marlee Brandon and Kale, Angie Pierce, Bennie and Annette Osburn and Blake, and Alfred and Viola Johnson all helped Wilma, Maxie, and Bennie celebrate their birthdays. Angie stayed for a longer visit.

Bill and Alice Paschal of Amarillo visited her parents, Ed and Ethel Favor recently.

My mother, Mrs. Lola Brown went to Wellington Monday to see the doctor. Lorene McCrary went with her. They went on to Clarendon to get some prescriptions filled. I don't know, but guess she's been doing too much work.

The family of the late Mr. and Mrs. J.F. Hill, Sr. had their annual reunion Sunday. I don't have a list of those attending but heard there were more than ninety people there. Hedley hosts were Mr. and Mrs. F.L. Hill, Mr. and Mrs. Homer Hill, Mr. and Mrs. W.E. Hill, Mr. and Mrs. J.T. Hill, Mr. and Mrs. J.F. Hill, Jr., and Mr. and Mrs. Joe Wood.

Karah Lewis spent some time recently with her Hedley grandparents, Red and Dean Hill. She went home and her brother, Eric, came for a visit. He'll be going home later this week.

Rhett Holland had eye surgery in Amarillo last week. He's home and doing well. Darrell and Clara will leave this week to take Rhett, Calvin, and Stephanie to the Shrine Orthopedic Hospital in Houston for treatment. This will be the first trip for Rhett and Stephanie, but Calvin had been down twice already. He's been wearing braces on his feet for about a month or six weeks.

## EMS activity report

Ed and Ethel Favor have had his sister and brother-in-law Oma and Rhonda Ray from Channing visiting recently. Bob and Jessie Roland joined the party for a hamburger cookout on their patio.

The Senior Citizens enjoy games every Monday and Friday nights at the Senior Citizens Center. They have their birthday-anniversary supper each fourth Monday night.

The forty-two club met last week and had four tables playing. Eva Handard and Augusta Duggins were the hostesses.

Tode Hill came home from the hospital Sunday afternoon. He said he was feeling pretty good, but Mattie Laura will see to it that he stays quiet and doesn't get too active.

My mother was rushed to Collingsworth General Hospital during the night Monday. When I left, she was resting, and the doctor had ordered an EKG and other tests for Tuesday morning.

### H&R BLOCK INCOME TAX COURSE

BEGINS SEPT. 4TH

Thousands of people with spare time are earning money as tax preparers in the growing field of Income Tax Service.

H&R BLOCK is offering a Basic Income Tax Course beginning September 4th. There will be evening classes available. Classes will be held at 220 N. 10th St. in Memphis and 123 Ave B. NW in Childress.

The modest fee charged for this course includes all textbooks, reference materials and tax forms necessary for completion of the school. The fee may be paid by installment.

The tax school will meet twice a week for 13 weeks and will consist of 75 hours of instruction. Experienced BLOCK personnel will teach current laws, theory and application as practiced in their offices coast to coast.

The course is programmed to teach students increasingly complex problems as study progresses. There is a classroom lecture on each subject and practice problems at every level. Some of the topics covered are filing requirements, itemizing deductions, farm returns, income averaging, investment credit, small business returns, rentals and royalties. Students will find the course interesting and challenging.

Anyone may enroll. There are no restrictions or qualifications of any kind. The course is ideally suited for housewives, retired persons, teachers or anyone wanting to acquire tax knowledge or supplement their income.

While qualified graduates of the course will be offered job interviews, they are under no obligation to accept employment with H&R BLOCK. There are franchisees available to residents of small cities as well as job opportunities locally.

Registration forms and brochures for the Income Tax Course may be obtained by writing the H&R BLOCK office at 220 North 10th St., Memphis, Texas 79245. You may also telephone (806) 259-2714 (evenings and weekends).

Clarendon College is also very proud of its Vocational-Technical Division. The Vocational-Technical Division at Clarendon College seeks to develop fundamental abilities and skills that will enable the student to enter a technical or professional occupation. The student who completes a prescribed two-year curriculum in the Vocational-Technical Division will receive an Associate in Applied Science Degree. The student who completes the prescribed one-year program will receive a certificate which will indicate to a prospective employer the performance level in specified areas along with the grade earned.

Clarendon College V/Tech Programs and instructors include Automobile Mechanics and Maintenance (AMTM) instructed by Johnny Floyd who has been with Clarendon College for two years. Cosmetology (COS) prepares individuals to take the state examination which will qualify them to practice as licensed beauticians in the State of Texas. The entire program is under the direction of the college and will consist of 1,260 clock hours. Virginia James has been our cosmetology instructor for the past 10 years. Leo Jackson has been the electronics instructor for Clarendon College for 12 years. His program provides the theory and practical training to qualify a person as an electronic service technician in radio, TV, home entertainment equipment, electronic organs and power supply.

Don. Jack Morrison has been chairman of the Board and Foodservice Operations program for 11 years and Jerry Gay has been in the department for the last four years. This program will allow students who are interested in a branch or foodservice to gain new knowledge and technical skills to meet the needs of coping with today's complex agricultural problems. Jack Davis is beginning her fourth year as head of the Clarendon Campus vocational nursing program. The purpose of this program is to train vocational nurses in affiliation with area hospitals, to employ trained personnel in the nursing field. The vocational nursing program is approved by the Texas State Board of Vocational Nurse Examiners, Texas Education Agency, and the Coordinating Board Texas College and University System.

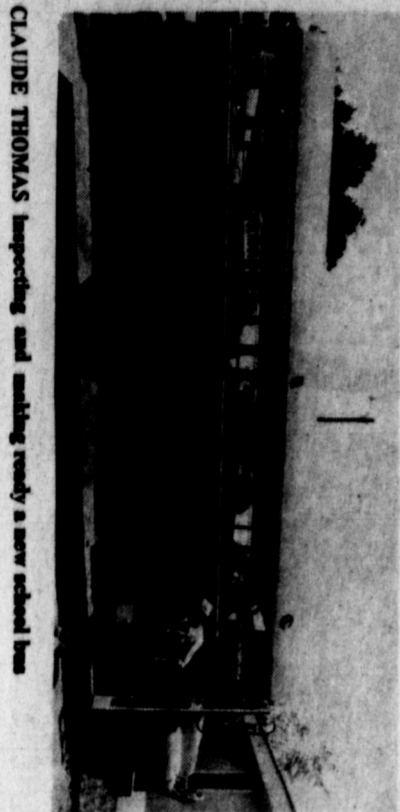

All Vocational-Technical programs, whether taken for a certificate or an Associate of Applied Science Degree, are constructed on a semester hour basis. Tuition for all Vocational-Technical courses is \$8.00 per semester hour with a minimum charge of \$40.00. Tuition and fees for cosmetology and licensed vocational nursing will be divided and payable at the beginning of each quarter (9-1, 12-1, 3-1, 6-1). Many programs integrate regular academic courses in the curriculum. There is an additional \$40.00 minimum for academic courses taken concurrently with Vocational-Technical courses.

## Budgets

State aid to local schools increased by \$1 billion last year to a total of \$4.6 billion. To pay for it, the special session of the Legislature last summer enacted the largest tax bill in the state's history.

Not to be outdone, school trustees in the 1,068 local school districts levied the largest school property tax increase in history — \$319 million — for a total tax bill of \$4.1 billion.

The Clarendon ISD's tax levy was increased by 6.7 percent for 1984-85 as compared to a 14.3 percent increase for the average school district in Texas.

The figures come from the latest issue of Bench Marks for 1985-86 School District Budgets in Texas, an annual publication of the Texas Research League, an Austin-based educational corporation engaged in governmental research.

School budgets adopted last year called for spending \$3,103 per student for current operations. Clarendon's budget provided for \$3,115.23 per student based on the 499 students in average daily attendance in 1983-84.

Four of each five of these dollars were spent for salaries. Statewide, payroll expense averaged \$2,467 per student, as compared to \$2,408 in Clarendon ISD. Payroll expense is a combination of salary levels and staffing patterns.

The average salary for classroom teachers paid by Clarendon ISD in 1983-84 was \$18,398. The average among all school districts in Texas was \$20,117 per classroom teacher.

There was an average of one teacher for 14.3 students in Clarendon ISD compared to a statewide pupil-teacher ratio of 1 to 16.2. Because of small classes, especially at the high school level, and abbreviated teaching schedules, many classes have more than the average number of students. The new law requires no more than 22 students in kindergarten, first, or second grade classes next year.

School property tax rates in 1984-85 average \$0.622 per \$100 of market value (including price). The school tax on a property selling for \$100,000 was \$622 in the average school district. Locally, the rate on market value in Clarendon ISD was \$0.439 or \$439 on a property selling for \$100,000.

If the property were a homestead or owned by a senior citizen, the school tax would be less because of various exemptions. Open-space land that qualified would be valued on its productivity value rather than market value.

Revenue lost from exemptions totaled \$790 million, which was 99.5 million more than the total for the previous year. To balance school budgets, the revenue loss from exemptions was imposed upon other taxpayers in the school district.

As compared to the billion-dollar increase in state aid last year, only \$129 million more state funds will be distributed to schools next year. Only 492 districts will get more; the other 576 districts will receive less. This strategy to equalize pre-supposes that local property taxes will remain about the same. However, the large property tax increase last year, the report concludes, substantially negated the equalization improvement that the Legislature

tried to achieve. There was an average of one teacher for 11.2 students in Hedley ISD compared to a statewide pupil-teacher ratio of 1 to 16.2. School property tax rates in 1984-

85 average \$0.622 per \$100 market value. The school tax on a property selling for \$100,000 was \$622 in the average school district. Locally, the rate on market value in Hedley ISD was \$0.485 or \$485 on a property selling for \$100,000.

The Hedley ISD's tax levy was increased by 5.3 percent for 1984-85 as compared to a 14.3 percent increase for the average school district in Texas.

Hedley's budget provided for \$3,997.71 per student based on the 109 students in average daily attendance in 1983-84. Statewide, payroll expense averaged \$2,467 per student, as compared to \$2,867 in Hedley ISD. The average salary for classroom teachers paid by Hedley ISD in 1983-84 was \$17,738.

## Most Money Goes to Schools

Texas spending falls into four broad categories—local government grants, employee benefits and paychecks, assistance to the needy and purchases of goods and services. State agencies provided \$5.1 billion in local government grants to schools, counties and cities in 1984. Eighty percent of this money went to the state's 1,068 local school districts.

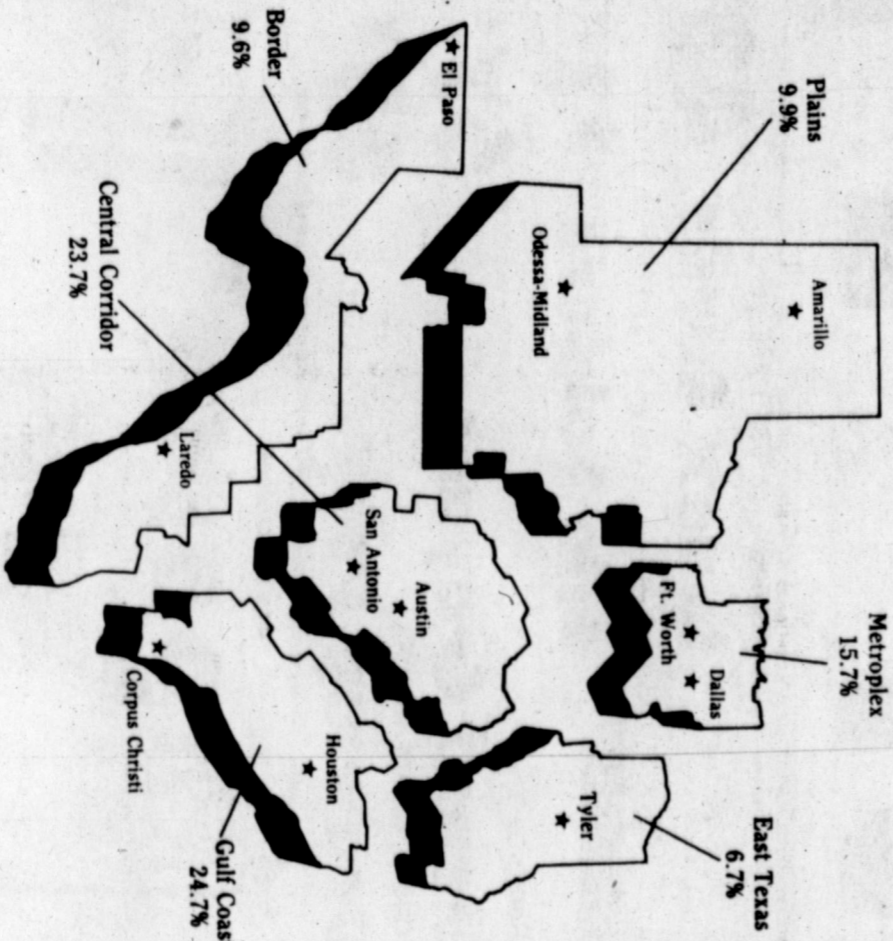

State employee pay and benefits are the second largest category of state spending. The state paid its 167,000 agency and college employees almost \$4 billion in salaries and benefits in 1984-26.1 percent of state spending.<sup>2</sup>

Most state paychecks go to workers in the Central Corridor, headquarters of state government and home to the state's two biggest universities. Salaries and benefits totaled \$1.5 billion in this region. The state provided \$2.5 billion in assistance to the needy in 1984.<sup>3</sup> Most of the money went to families with dependent children and to medical assistance for the elderly.

Finally, the state bought \$1.9 billion worth of computers, office supplies and other goods and services in 1984. Of this, the \$883 million spent on building and repairing roads was by far the largest item.<sup>4</sup>

Self-Control to  
Help Keep Your  
Electric Bill from  
Stacking Up  
This Summer.

Sometimes we have to cut down on the things we like — that takes self-control. Self-control is important when it comes to overindulging in too many calories... or when it comes to over-cooling your home. Your electric bill can stack up if you set your thermostat too low on hot summer days.

WTU recommends setting your thermostat at 78 degrees or higher. Also, clean or replace your air conditioner filter at least once a month so your unit will operate as efficiently as possible. Keep drapes closed during the heat of the day, and avoid opening outside doors frequently to help keep the cool air in and the heat out.

For more information on how you can help keep your electric bill from stacking up this summer, contact your local WTU office today.

Senator Bill Sarpalius  
Reports

STUDENTS CONTINUE TO LOSE

AUSTIN — School reform was such a wonderful idea in the beginning. It made good sense to put our educational system under the microscope and remove the numerous flaws in the way we teach our children. Having spent five years as an educator, I was among the most excited. I had seen firsthand some of the problems with our educational process and welcomed the opportunity to improve schools. No doubt many other people in the 31st Senatorial District felt the same way.

We all have been sorely disappointed with the results of what we thought would be one of the most dynamic reform projects in Texas history. What started as a plan to benefit the state's teachers and students has become a proverbial political football with various eyes waffering any chance for real reform. One need look only at two areas that allegedly have been reformed — extracurricular activities and vocational education — to see the problems our educational overhaul has caused. Everyone by now is familiar with the extracurricular activity controversy. The Legislature, acting on the Select Committee on Public Education's recommendations, strengthened the requirement that a student be passing only three courses to participate in extracurricular activities. The student now must be passing all courses, the "no-pass, no-play" rule. Is a good one. If Johnny can't read, Johnny shouldn't be participating in extracurricular activities. In reality, the rule amounts to punitive action against 15 and 16-year-olds.

The basic problem with "no pass, no play" is the suspension period — six weeks. The period is just flat too long. Instead of giving the student an incentive to raise their grades, that lengthy a suspension probably serves only to disillusion the student with the educational process and, in the long run, contributes to a higher dropout rate.

Vocational education, of course, is a related story. The "select committee's" leaders believed vocational education detracts from scholastic work. They believe it encourages students to ignore the basics of education in favor of trade skills.

Maybe there was an over-emphasis on vocational education in some schools, but the answer is not to do away with vocational education. The answer is to more closely regulate the amount of time a student may spend in vocational classes.

Also, the state foolishly has chosen the former course. School districts are being required to foot the lion's share of vocational education, and vocational field staff positions are being eliminated at the end of August. In essence, vocational education is being gutted for those school districts with only limited financial resources. All this is a shame because vocational education can be part of a well-rounded educational system. The goal of any good system is to properly prepare students for life, and vocational studies, kept in perspective, obviously aid that preparation.

If you have other questions about education in Texas, or any other issue, please write us at P.O. Box 12068, Austin, TX, 78711.
