A Common Paper for Common People

"Back to School Days" Prevail in Clarendon

Enrollment Looms Ahead of That of Last As School Opens 4th

According to an old tradition, schools over the state will be opening in the larger towns and cities September 4th—Labor Day. So will the schools of Clarendon.

Instructors are arriving from summer schools and summer vacations far and near. Students are thinking about classes, classmates and parties. "Back to School Days," is being featured more or less by the local stores this week.

The School Board and others in authority in connection with the school, are looking forward to the heaviest enrollment in several years. From all indications, grade school will have a larger enrollment. Clarendon homes and residences are being taken rapidly by newcomers "for school." There is a big demand for homes and apartments at this time, practically all being taken.

There appears to be more anxiety for school opening among the little folks of the lower grades. As school clothing is being fitted and arranged, our little folks turn their thoughts from swimming, scooters and other amusement to the pleasure of school days.

Somehow, Clarendon maintains an even keel as to teachers. There will be only two new faces in the faculty "lineup" this season.

TENNESSEE SCENERY LOOKS GOOD TO NICHOLS

Having moved away when a very small child, a trip back to Tennessee was a treat for Ruel Nichols. He was accompanied by Mrs. Nichols and brother Ralph. They spent some time with relatives in East Tennessee, and went as far as Atlanta, Georgia. "Business is good back there," Ruel Nichols stated. They returned home Saturday.

JACK DRAFFIN'S VACATION

Having completed the requirements this summer for his Master's degree, Jack Draffin came home Friday for a vacation before taking up his studies of chemical engineering in the State University at Austin. Jack is the son of Mrs. Eva Draffin.

GOOD FISHING LUCK

The best evidence produced here in a long time proving facts, was the fish brought back from Lake Kemp Wednesday by Fred Buntin, C. Huffman and Bill Crawford. The boys actually got the fish, fellows, they sure got 'em.

Christie Rites Held Thursday

Pioneer Lady in Failing Health For Many Months

Funeral services were conducted at her home Friday afternoon for Mrs. Martha Elizabeth Christie, aged 71 years. She had been in failing health for a long time, much of that time being spent in a hospital. Cerebral hemorrhage was given as the direct cause of her death. The funeral service was conducted by Rev. V. W. Allen, pastor of the Baptist church in Lelia Lake, and Rev. J. Perry King, pastor of the Baptist church in Clarendon.

Surviving are six sons and two daughters. The daughters are Mrs. George Self of near Clarendon, and Mrs. Kay Smith of Lakeview. The sons are E. M. of Lefors; L. O. Voy and Hal of near Clarendon; Bernice of Lubbock and Floyd Christie residing in Bell county. All were present for the last rites except the last named, he having been called home a few days before his mother's death.

Mrs. Christie was a woman of wide christian influence and very devoted to her family. Hundreds paid their last tribute to her memory in the largest funeral procession to be seen here in years.

GET UNIVERSITY DEGREES

Two hundred and sixty-one were awarded degrees at the close of the State University summer session in Austin Monday. Local men receiving degrees were John Franklin Draffin, Master of Science in chemical engineering, and Thayer Elmo Acord received his Master of Science in electrical engineering.

Labor Day Trips To Cost One Cent Mile

A ticket rate of approximately one cent a mile is offered by the Denver railway company to those who travel their road over the week end Labor Day.

Tickets are on sale between points in north Texas.

Tickets will cost one way fare plus 25 cents. Read the advertisements of both the Denver and Katy railroad companies in this issue of the Leader.

DALHART GOLF TOURNAMENT WILL START SATURDAY

The annual Dalhart Country Club golf tournament, open to amateurs everywhere, will be held next Sunday and Monday, September 3 and 4, the club announced today.

Players may qualify on the club course Saturday, September 2, or if they do not care to compete for medalist honor, they can send in scores from their home courses, said Chairman Ralph Walte of the tournament committee.

VISIT IN MEDINA VALLEY

Mr. and Mrs. Guy Wright and babe and Mrs. Lalar Wilkerson returned Friday from a trip to Austin where they visited in the homes of Mrs. John Lott and Mr. and Mrs. Gene Estlack. Some time was spent in San Antonio and the Medina valley where they saw a number of former residents of old Donley county.

BAPTIST ASSOCIATION TO MEET AT ESTELLINE

The 35th annual session of the Panhandle Baptist Association will convene at Estelline September 5th. Rev. J. Perry King, pastor of the local church, will preach the annual sermon at 11:25 a. m.

In the afternoon at 1:30 under "Echoes of the Year's Work," will be heard Mrs. A. W. Simpson of Clarendon, Mrs. Truman Caldwell of Hedley and Mrs. C. W. Martin of Lelia Lake in five minute talks.

Others from here on the day's program will be Mrs. J. E. Burch, Mrs. J. Perry King, J. E. Burch, Mrs. C. W. Taylor.

Miss Jo Wells of Hedley will be pianist for the song service.

Revs. M. E. Wells and Truman Caldwell of Hedley will speak during the day, as will Joe Johnston of Lelia Lake.

BACK HOME SATURDAY

County clerk Bill Word and district clerk Walker Lane returned home Saturday night. They were members of a vacation party, but Lane becoming ill, was detained in a Del Norte hospital for four days. He is back to normal and tells of a most wonderful lot of scenery to look over in central Colorado.

Dove Season To Open Sept. 1st

With the open season on Mourning Doves beginning on September 1, Austin O'Neill, Game Warden for this district, this week warned local hunters of the various laws governing the hunting of these and other game birds.

"Doves may be taken only during the hours from 7 a. m. until sunset," he said, adding that the bag limit is 15 birds in any one day and not more than 15 in possession at any one time.

The season will close on October 31st.

He further pointed out that it is unlawful to hunt out of the county of your residence without a license, to shoot any gun or fire-arms, in, on, along, or across any public road in this state, to take any migratory bird with any gun other than a shotgun, and to use a gun capable of holding more than three shells.

FORD DEALERS ARE GIVEN PRIZE MONEY WEDNESDAY

A district Ford dealer convention was held at Buffalo lake Wednesday, topped off with enthusiastic talks and a banquet. Messrs. Doss and Elmer Palmer attended from here. This was the closing date of the June and July sales contests in which Ford dealer Doss Palmer received \$160, and salesman Elmer Palmer \$65.

HERE FROM CALIFORNIA

Mr. and Mrs. J. B. Turnbow and son Royce are here visiting relatives and friends of former days. They have resided near Brawley, California the past few years since selling their home here. They expect to visit relatives in Jack county before returning home.

BAGBYS RETURN HOME

A vacation trip was completed Saturday that took Mr. and Mrs. Geo. B. Bagby to Grand Canyon, Crater Park, Arizona, Zion National Park, Yellowstone and many other places of scenic and historical interest.

Calf Sales Reach New High Peak

Two calf sales the past week include one thousand head by John Molesworth & Son to J. L. Bivins of Amarillo, October 25th delivery.

W. J. Lewis sold eighteen hundred calves to A. V. McQuiddy, Canadian. Heifers to be delivered October 8, and the steers on Oct. 14th.

The calf crop this season is said to be above the average. With good ranges, development has been normal turning out a fine grade that attracts ready buyers. Prices are said to range 7½ to 8½ for top calves.

HUGHINS CITIZENS GET BUSY FOR SCHOOL DAYS

Community pride prompted a number of the good citizens of the Hughins community to stucco the teacher's last of the week. Woodwork was painted on the teachers' and school building, and the grounds cleaned off. Mrs. Wayne Ewing will teach at the Hughins school this term.

Hedley Revival In Second Week

Able Evangelist Drawing Large Crowds to Hear Him Discourse

"The progress of our revival is most encouraging," stated a Hedley citizen Monday who has been in daily attendance on the revival being conducted by Rev. James F. Stanley, a state evangelist.

Services are being held twice daily. At 10 a. m. and 7:30 p. m.

This is the second revival in Hedley in which J. B. McPherson has led the song service.

One of the most impressive services of the series was that of Sunday when Rev. and Mrs. M. E. Wells were asked to stand. "Now all you folks who feel that the pastor and his good wife have been of service in helping you lead a better and more consecrated life, come and shake their hands." Hundreds filed by and shook the hands of these good people. Tears flowed as the friends filed past, and few were the dry eyes in the congregation, but they were tears of joy.

Rev. Wells has been pastor of the Hedley Baptist church for eight years. His good wife has done much to aid him in his successful work there.

Air Port Takes Definite Shape

Radio Station Going Up And Field Area Is Being Enlarged

The radio station at the airport is rapidly going up with Speed Bros. rushing the concrete portion of the building some two miles west of town near Highway 370. A gravel surfaced highway from the main highway to the new building is being laid.

The landing field of one hundred and twenty-four acres on the A. L. Thornberry ranch is increased in size now by an additional lease of forty acres. Increase acreage is said to be necessary because of the larger planes that are expected to land here. With the beam light director, coupled with the radio facilities, it is believed that an airport is rapidly in the making.

LOCAL MEN ARE GRANTED LAW LICENSES TUESDAY

Of the number to receive degrees of Bachelor of Laws from the State University Monday night were Geo. W. McCleskey and Clyde Slavin. They each received notice Tuesday of having successfully passed the state bar examination, and are now full-fledged lawyers. Geo. McCleskey is a son of Mr. and Mrs. G. H. McCleskey, and Clyde Slavin is a son of Mrs. Chas. T. McMurtry.

Bogard Rites Held Thursday

Prominent Citizen Had Resided in Donley County 33 Years

Funeral services were conducted for C. F. Bogard at his place of residence in Clarendon at 10 a. m. today. Rev. J. Perry King, pastor of the Baptist church officiated. Mr. Bogard passed away at 2 a. m. Wednesday morning.

Of his immediate family, eight daughters and three sons survive. The daughters are Mrs. Bessie Parker, Mrs. Etta Williams and Mrs. Millie Childs all of Tenaha, Texas. Mrs. Lena Pettit and Mrs. Eva Peabody of McLean; Mrs. Blanche Smith and Mrs. Ruby Blackman of Clarendon.

The sons are Tom and Charley Bogard of Plains, Texas, and Neal Bogard of Clarendon. Ed Bogard of Timpon, Texas is his only brother.

More than sixty grandchildren, and twelve great grandchildren survive.

Mr. Bogard came from Tenaha to Donley county in 1906 where he engaged in farming until his retirement in 1921. After that date he became a resident of Clarendon until his death, living much of that time alone in his home where he whiled away much of his time keeping his home and surrounding grounds a model of neatness and beauty.

Mr. Bogard was a good citizen, plain spoken and had fixed opinions regarding governmental affairs based upon close study. He enjoyed the friendship of a large number and was a familiar figure on the streets in company of other elderly men with whom he associated daily. He tempered reason with common sense and had a wonderful lot of information relative to world affairs.

West Texas College Confers Degrees

Among those receiving M. A. degrees at the Friday night closing exercises of West Texas College were three former Clarendon school boys. They are J. L. "Slick" Naylor, R. G. "Cobb" Dillard and James William "Bill" Dillard, the latter two sons of Mr. and Mrs. R. J. Dillard here, and who attended the exercises.

Mrs. Greer Cottingham of Lelia Lake and Supt. Geo. W. Kavanaugh each received their B. S. degrees Friday night.

Clara A. Gillham, wife of J. R. Gillham of Clarendon, received her Bachelor of Science degree Friday night.

COUNTY SCHOOL BOARD WILL MEET SATURDAY

The county School Board will meet in the office of the county superintendent here next Saturday. Bus drivers are to be hired and their bonds approved. W. A. Poovey of Ashtola is chairman of the Board.

Hedley Schools Opened Monday

Superintendent Burton and Dean Drennan Attend

Superintendent W. C. Payne of the Hedley schools was master of ceremonies in the school opening exercises Monday morning, honoring twenty-two tots who were beginners. Little folks were arranged in a semi-circle behind the speaker on the rostrum of the big auditorium.

All the teachers were present and they, and the school board, were presented to the audience.

Rev. M. E. Wells delivered the invocation. Patriotic songs were sung by the audience with Robt. Watkins leading. A special number was a quartet sung by "Clarendon Junior College Quartet of Hedley." Members of this quartet are Misses Jo Wells, Theresa Bain, Jane Williams and Inelle Biffle.

Rev. W. R. Patterson spoke of "The Child" as his theme. A brief talk was made by Supt. H. T. Burton of the Clarendon schools.

Mrs. Reast, primary teacher in the Hedley schools for more than ten years, was presented a beautiful book by Supt. Payne on behalf of the School Board.

Supt. Payne closed the program with a talk on general school topics.

POULTRY AND DAIRY JUDGING TEAMS TO ENTER TRI-STATE FAIR JUDGING CONTESTS

Members of the F.F.A. are working out this week in preparation for the annual Tri-State Fair judging contests. Carl Morris, Jr. Spier, Gene Putman, H. A. Green, Howard Gibbs, Cecil Heckman, Ray Bullis, Pete Morrow, and Carlton Gordon are working out for the poultry team. Frank Cannon, Russell Morris, Ray Robertson, Clyde Peabody, George Reeves, Lee Christie, Bailey Eats, and Homer Hardin are expected to compose the dairy team.

The poultry team won first in the 1938 contest and will be attempting to keep the cup awarded annually to the first place team. Gold medals will be awarded the high individual members on the poultry examination, poultry judging, judging Jersey cattle, Holstein cattle, and the high man in dairy cattle judging. A large number of F.F.A. members will attend the fair September 18, the day of the contests.

TIDWELL HOLDING REVIVAL AT NEWLIN NOW

Rev. S. L. Tidwell, son of Mr. and Mrs. O. H. Tidwell of Clarendon, is conducting a revival at Newlin since Monday. The series of meetings will continue for two weeks.

MILT ALLEN'S FOLKS

On their annual visit with their parents, Mr. and Mrs. Milt Allen near Sunnyview the past week were Mrs. C. J. Brooks and three children of Tyler, Mr. and Mrs. Grady Josey and son of Plainview.

HOT SPRINGS VACATION

Returning Sunday were Mr. and Mrs. Jimmie H. Miller and daughter, Guida Myrl, Mrs. Miller's mother, Mrs. A. E. Benson, and Mrs. Tom Majors, a sister. Two weeks were spent at Hot Springs, N. M. Jimmie took a fishing trip by power boat with Dr. Galloway and other parties. He also saw Mr. N. Dingle who makes his home there, and who is said to be physically fit as a youngster.

20 Families To Arrive In Group

Workmen Employed by Oil Co. in Donley County

With the coming of twenty new families, and the annual school rush at this time, residences and apartments in Clarendon are becoming very scarce.

The Stanolind oil company will have thirty men employed on their seismograph work in this section. The shop and storage will be in the Pink building formerly occupied by Cleo Woods' tractor agency. Changes and improvements are being made to suit the convenience of the company's demands.

The same crew spent two years in Lubbock and one year in Amarillo. When an official was asked Tuesday just how long he expected the work to be in progress here, he gave an indefinite answer. It might be six months to two years.

Work of exploring the stratigraphy of the earth structure is expected to begin just as soon as facilities are gotten in readiness.

Will Seek Help On Highway 18

Early Construction of Turkey To Clarendon Highway Being Sought

An effort is to be made in Austin Friday by representatives of the several counties to get the State Highway Commission to advance the date of Highway 18 construction. The budget calls for work to begin some time after June of next year. Members of the commissioners court and chambers of commerce of Donley, Hall, Ochiltree, Gray and Roberts counties have written Secretary J. R. Gillham of the local Chamber of Commerce that they will be present. Sam Braswell will represent the local Chamber of Commerce at this gathering scheduled to meet at 7 p. m. August 31st at the Stephen F. Austin hotel.

It is said that immediate construction on the Turkey-Clarendon portion of the highway will be asked, and for designation of the highway route between Pampa and Fortson.

LELIA LAKE SCHOOLS WILL BEGIN 1939-40 TERM MONDAY

Thirty-Eight Pupils Transfer From Other Districts to Lelia Lake School. Raymond Wilson Begins His Third Term As Superintendent

Beginning as a teacher in the Lelia schools five years ago, Raymond Wilson was advanced to the position of Superintendent two years ago. His work has been most satisfactory, and his leadership such as to lend enthusiasm to his pupils and the patrons.

Mr. Wilson received his degree of Master of Arts from Texas Tech August 25th.

Few schools in the state have a better equipment than this school for giving pupils the best and most modern instruction.

Opening Program

Monday, September 4th at 9 o'clock the School Board and the Superintendent are anxious for all patrons to be present for the opening program. A special effort is being made to persuade all the tax payers to be present. The main feature of the program will be a financial report for the 1938-39 school year.

Teachers

New teachers this year will be Charlie B. Archer of Canyon, Coach and mathematics; Leota Rampy of Clarendon, Homemaking and Science; Jewell Lucas of Brownwood, Fifth and Sixth grades; Mylred Webster of Memphis, Third and Fourth grades. Other teachers are Geraldine Pratt of Clarendon, English; Nilla Cook of Hooker, Oklahoma, Primary; Raymond Wilson, Superintendent and Social Sciences.

Enrollment

An enrollment as large or larger than last year, when 199 were enrolled, is expected. For the first time in ten years the scholastic population showed an increase this year. Thirty-eight pupils have transferred to Lelia Lake from other districts.

Transportation

The Lelia Lake District will operate two buses. These buses will serve three districts: Lelia Lake, Fairview and Windy Valley. The routings of the buses will be practically the same as they were last year. One new bus has been purchased.

Donley County Fair Exhibit

Prize Selections Are Being Made From County's Best

County Agent, H. M. Breedlove, announced this week that he plans to have one of the best exhibits that he has ever had for Donley County at the Tri-State Fair in Amarillo on the 18th to 23rd of September.

Along with the prize commodities of Donley County which will be displayed at the fair will also be an educational feature set up on the booth, stressing the preservation of wild life within the county. Mr. Breedlove plans to have a complete demonstration showing the natural habitat for game birds and also the value of game preserve demonstrations for which Donley county now has better than 350,000 acres covered by this type of game preserve demonstrations.

Breedlove is using help from the NYA boys and girls to hand pick all grains that will be exhibited at the show. At the present time, he had also baled 15 miniature bales of hay consisting of three bales alfalfa, two sudan grass, three soy bean, two sweet prairie, two field peas, two sweet sorgdums, one sweet clover.

Car Turns Over Taking Corner

Driver Says Can't Be Done at 65 Miles An Hour

Returning from Groon about nine o'clock Saturday night were Dr. Sloan Miller and George Wayne Estlack. A coupe going at a rapid rate narrowly missed sideswiping Dr. Miller's car. "There's a pair that will meet with a wreck," the doctor remarked.

Going a few miles farther at the second turn of Highway 88 as it comes off the Caprock this side of Jericho, Dr. Miller again remarked: "I bet that is the same car piled up," as the two neared a wreck.

Sure enough it was. Dr. Miller and Wayne Estlack pulled from the badly wrecked 1939 Chevrolet coupe Frio Walling and Woodrow Goin. Goin was taken to Adair hospital for several hours checkup, he being the more injured of the two. He was released within a few hours. Both young men were bruised and skinned up somewhat.

Goin is connected with the operation of a bowling alley here. Walling is said to have returned recently from California driving the 1939 coupe that was turned over and practically demolished.

AUTO DRIVER'S LICENSE OBTAINABLE ON TUES.

Due to the reduction in the number of highway patrolmen, the hour of maintaining licenses has been changed. Patrolmen will be in the sheriff's office on Tuesday as before, but the hour has been changed from 2 to 5 p. m. to 12:30 to 1:30 p. m. according to information given the Leader.

20 Families To Arrive In Group

Workmen Employed by Oil Co. in Donley County

With the coming of twenty new families, and the annual school rush at this time, residences and apartments in Clarendon are becoming very scarce.

The Stanolind oil company will have thirty men employed on their seismograph work in this section. The shop and storage will be in the Pink building formerly occupied by Cleo Woods' tractor agency. Changes and improvements are being made to suit the convenience of the company's demands.

The same crew spent two years in Lubbock and one year in Amarillo. When an official was asked Tuesday just how long he expected the work to be in progress here, he gave an indefinite answer. It might be six months to two years.

Work of exploring the stratigraphy of the earth structure is expected to begin just as soon as facilities are gotten in readiness.

NEW MAN AT PARSONS

A new employee of the Parsons Bros. cleaners is Monte Wolford of Hobbs. For the past few years he has gained experience in several of the larger towns and cities. His parents reside at Lelia.

IN AMARILLO HOSPITAL

Admitted to Northwest Texas hospital in Amarillo are Mrs. H. J. Boyd and Mrs. B. P. Brents, both of Clarendon.

DO BANK SERVICES AFFECT YOU?

Bank services affect every man, woman and child—whether a bank customer or not. Our economic system is based on money, credit and banking. Our food, our clothes, our homes, are made possible by credit to the farmer, the shipper, the manufacturer and the merchant. Banks, and the credit they supply, have helped to make possible the American standard of living. And in so doing they have contributed to the well-being of every person in the country.
 This bank will continue its policy of providing helpful services for its community.

DONLEY COUNTY STATE BANK
 Member Federal Deposit Insurance Corporation.

IMAGINE a mountain of dollars—45 million of them! That is the *cash* invested in Electric Service facilities required to serve some 51,000 homes, business concerns and industries now on this company's 46,000 square-mile network of lines in West Texas.

A large part of this \$45,000,000 was attracted to West Texas from outside. All of it is invested in three big power plants having a total capacity of 65,000 horsepower of electric energy, 2,700 miles of major transmission lines, 2,400 miles of distribution lines, and the many, many other items of equipment necessary to maintain modern electric service.

ALL the people profit from this investment. Electric rates have dropped over 70 per cent since this company built the first transmission line in West Texas. Taxes paid to support city, county, state and federal governments and to build schools, highways, parks, etc., amount to \$9.75 per residential customer each year. Power plants each day consume 9,398,000 cubic feet of natural gas—making this company the largest individual consumer of one of West Texas' greatest natural resources. Hundreds of men and women are given employment. Other hundreds are small investors. So widespread are the benefits derived from Electric Service that **ALL** the people profit.

Your Electric Servant Provides Jobs for 1,000 Men and Women Who Serve You and Spend a \$1,300,000 Payroll in West Texas

City Council Will Publish Periodical Financial Statements
 The Stratford City Council is making preparations for periodical publications of the financial condition of the City in the Stratford Star to furnish information for tax payers. Reports have been completed for the first financial statement and publication will follow soon after members of the City Council return home from vacations.
Sale To Utilities Profitable
 One of the most profitable moves made during the last few years was the sale of the City water and light plants to the West Texas Utilities Company, the report shows. Funds derived from the sale of the City property which have been placed on time deposit have paid all the utility expenses of the City and have cleared approximately \$2,000,000 for the City since the plant was sold. The sale is also partially credited with lowering of the City tax from \$1.65 to its present status of 80 cents. Tax exempt property which was sold to the West Texas Utilities pays some of the heaviest taxes to both the City and the local School of any in Stratford.

The City of Stratford now has transmission line electric service. The first transmission line in West Texas was built by this company in 1914 and extended 16.2 miles from Abilene to Merkel. By giving better service at lower cost, it made obsolete the small, isolated light plant of that day and time and gave birth to a new industry that serves all the people.

TEMPLE OF TRUTH

By the Apostle

A woman is about as pretty at 50 now as she was at 20, but it takes her longer.

QUEENS and KINGS.

So long as girls have shapely legs, and can get their pictures in the papers, we will have plenty of "queen" material such as May, peach, tomato, melon and Labor Day queens. When we get to having kings, old boys in bathing suits exposing the German goitre, bald heads, knock knees, hairy chests hanging out fish kings, golf kings, etc, the papers won't get a big "oomph" from their readers, but the funny page will have to take a back seat.

SCHOOL TIME AGAIN.

School teachers get notes from parents—lots of them. Here is one sent to a Dallas teacher last spring: "Dere teacher, you keep tellin my boy to brethe with his diofram. Rich folks may aford dioframs but we cant when my ole man makes on dollar and 50 a day to keep fambly of 5. If it ain one thing it is nother. Now it is diofram. That is the worst you ast of one of my bunch of childrin."

MORE SCHOOL STUFF.

The first day at school for a little tot brought on these questions from her teacher: "What is your father's name?" "Daddy," replied the tot. "Yes, I know, but what does your mother call him?" "She won't call him anything. She likes him!"

SCIENTIFIC.

"Do you know," said the first year student of the agricultural college to an old farmer, "your methods are 100 years behind the times? Why," looking across the field he beheld a grain patch. "I'd be surprised if you made 19 bushels of wheat to the acre on that field!" The old man smiled and said, "me too, buddy, seein' as how its oats!"

THE IMMORTAL.

Many years ago, James Whitcomb Riley, the beloved Hoosier poet coined a phrase with which you may agree. Here it is: "If prayers won't fetch it, w'y you try sweat."

FREE MEDICAL ADVICE.

A card hanging in the office of a Clovis doctor reads: "Ladies in the waiting room will please not exchange symptoms. It gets the doctor all mixed up."

GETS OUR VOTE.

Regardless of party, the fellow who gets our vote next time will be the bozo who can prove that a Panhandle farmer can exist on tumble weeds.

MEMBER BACK WHEN—

The girls got their ear lobes punched by some old lady presumed to have a special "technique" for doing the job? After a siege of broom straws to keep the holes from closing up, earbobs naturally completed the process of "voodoo" ornamentation.

INLETS and OUTLETS.

A single housing project in the Bronx calls for 97,000 doors, only a few less than a tight delegate tries, in the convention hotel, while hunting a lost pal.

PAGE THOMPSON!

Most of us know very little about the machinations of the oil game, but most publishers know that Ernest O. Thompson pulled a stunt in closing down wells that caused one oil company to advertise in the newspapers. The radio failed to get the job done. When the corporations really want to speak directly to the people, they know that no method succeeds like newspaper advertising. (P. S. Also page Jerry Sadler and Lon Smith, the other two on the

LLOYD SERVICES HELD THURSDAY

Funeral services for Mrs. Sarah R. Lloyd, 78, who died at the home of her daughter, Mrs. H. B. Hughes in

Railroad Commission.)

Some men are self made. Others are the revised work of a woman and three daughters.

Pull the switch, Doc, time to go eat some more fried okra.

Oklahoma City after a four-week illness, were held there Thursday, the 24th. Rev. E. F. Gasaway, pastor of the Clinton First Christian church, officiating. Interment in Chillicothe, Texas.

Mrs. Lloyd is survived by seven daughters, Mrs. J. C. Shield and Mrs. R. C. Shields of Clinton, Oklahoma; Mrs. H. B. Hughes, Oklahoma City; Mrs. S. W. Camp, Waurika, Okla.; Mrs. T. W. Welch, Clarendon; Mrs. Agnes Pierce, Hobbs, N. M.; Mrs. J. K. Wright, Altus, Okla. Two sons, J. L. Lloyd, Cordell, Okla., and R. L. Lloyd, Albuquerque, N. M. Sixteen

grandchildren, and four great grandchildren.

Mrs. Lloyd formerly resided here for some time, and in later years made her home here with her daughter, Mrs. T. W. Welch for some time.

Ralph Shannon of Plainview was over here for the week end visiting his parents, Mr. and Mrs. W. F. Shannon.

Mrs. Frances Forrest, who has been visiting home folks on vacation for some time, returned to her school duties at El Paso the last of the week.

TRAIL CATTLE TO GRASS NEAR SKELLYTOWN

Something of the old cattle days was displayed over the week end in the moving of some 800 head of stocker cattle by Bland Burson and Bert Northcut from near Silverton to a lease near Skellytown, up in Hutchinson county.

Twelve cowhands, a chuck wagon and a remuda of ponies made up the equipment that passed to west of Ashtola to avoid the more densely fenced area.

GUIDA MYRL MILLER CELEBRATES BIRTHDAY
Guida Myrl Miller entertained a number of her friends Wednesday afternoon at the home of her parents, Mr. and Mrs. J. H. Miller, the occasion being her 10th birthday.

Games were played on the back lawn at the Miller home and refreshments of punch and cookies were served on the lawn. Balloons were given as favors.

Guests were Ada Sue Smith, Mary Ann Bromley, Margaret Ann Jenkins, Donna Ree Bryan, Johnny Lorraine Johnson, Patricia Ann Molesworth, Lamb V. Tatum, M. B. Keys, Jimmy Douglas, James Wesley Palmer, Mary Bryan and hostess Guida Myrl Miller.

KILL KARE KNEEDLE KLUB
Mrs. W. A. Land entertained this needle club members and guests at her home Thursday afternoon. The guests rooms were decorated with garden flowers.

The main feature of the afternoon was fancy needle work and pleasant conversation. Lovely refreshments were served to afternoon guests, Mesdames A. H. Baker, Frank Whitlock, Joe Goldston, and Marvin Land. Club members were Mesdames Sam Lowe, Homer Mulkey, W. B. Sims, Eva Draffin, R. B. Dawkins, Buel Sanford, W. A. Massie, J. H. Harris, Lon Rundell, H. C. Brumley, J. Perry King and J. R. Bartlett and Misses Ida and Etta Harned.

JUNIOR H. D. CLUB
The Jr. Home Demonstration Club met in its regular meeting Thursday with Hazel Lusk as hostess. The club prayer was repeated, and a business meeting was held with the president, Hazel Lusk in the chair. Hattie Palmer gave an interesting demonstration of candy making, after which needle work was enjoyed by all.

Refreshments were served to Marie Patterson, Gracie Ayers, Allene Estlack, Viola Bones, Mary K. Todd, Hattie Palmer, Lucille Chesshir, Jennie Burch, Barbara Faye Estlack and hostess Hazel Lusk.

Donley County Leader, \$1.50 a year.

YOUNG PEOPLE OF BAPTIST CHURCH ENTERTAINED
The Young People of the First Baptist church were entertained Monday evening in the beautiful garden of Rev. and Mrs. J. Perry King. Games of croquet, checkers, and various other amusements were enjoyed by twenty young people.

Refreshments of ice cream and cak were served as the jolly group formed a circle on the lawn.

As the group turned homeward, Dexter Todd, president of the young people's B. T. U. expressed the gratitude and thanks of the union to John Burton and Rev. and Mrs. King for the lovely evening.

The young people have an excellent union which meets each Sunday evening at 7:15 at the church. Visitors are always welcome and new members are joyously received into the union.

DAVIS-CRABTREE
Announcement is made of the recent marriage of Miss Emily Davis and Melvin Crabtree in Oklahoma City. They left immediately for San Antonio where they visited the Alamo and other historical scenes.

The bride is a daughter of Mr. and Mrs. J. T. Davis of Clarendon, and is a graduate of Amarillo high school. The groom is a son of Mr. and Mrs. Tom Crabtree of Clarendon.

CLARENDON H. D. CLUB
Members of this Club will meet at the home of Mrs. Elmer G. Hayes at 3 p. m. Friday.

METHODIST CHURCH
A revival meeting begins Sept. 10 and closes Sept. 24. To all who read these lines we extend an earnest invitation. Please help us to make these outstanding days in Clarendon. H. C. Gordon, pastor.

Mr. and Mrs. Ralph Kerbow of Amarillo were week end visitors here.

Have you tried Dobry's Best Flour. The Cream of the Southwestern Wheat. "It's Different." Adv.

"BRIGHT SHINING STAR" That's the name given to Shirley Temple by these Blackfeet Indians from Browning Reservation, Montana. The redskins were part of a party brought to 20th Century-Fox to work with the No. 1 Star in "Susannah of the Mounties," her latest picture. In addition to initiating her into the tribe, the Indians gave her the beautiful buckskin gown she is wearing.

METHODIST CIRCUIT NOTES

J. G. Walker, P. C.

Meeting at Goldston was a good one. Notwithstanding most everyone had work to do, and this caused the week-day attendance to be small, yet most of the people took off from work early enough in the evening to attend the evening services. Bro. Gordon surely brought some fine messages, and the people heard him gladly. Most of Christians of every faith were revived and much conviction was in the hearts of many not professing.

We had four confessions and all joined the church. We were just ready to begin a real revival when we had to close. One week is too short to do your best in a revival. We appreciate the cooperation of all Christians in the community. There is always strength in unity. The music was fine and our thanks to the leaders. At nearly every evening service we had some one from Clarendon. Our meeting at Maylar is called off indefinitely. Will advise when we will try again.

Next week Sept. 10 the revival begins at the Clarendon Methodist church. Want every one from Clarendon circuit who possibly can to attend this meeting as often as you can. Bro. Gordon and Bro. Palmer have both rendered valuable services to the Clarendon Circuit. We do not feel that we can repay them, but we can make an honest effort to help some; and in so doing greater blessings will come our way. The giver, if given from the heart always get a greater blessing than the receiver. Seems to me that the Clarendon church should be proud of a pastor who has such a spirit of helpfulness towards the rural communities. We believe that the Lord will abundantly bless you as well as him for such faithful service.

Thanks to Bro. Hayter for going to Lelia Lake Sunday.

* HUGDINS *
* Mrs. S. M. Harp *

Bro. Walker of Clarendon is holding a revival meeting at the school house. Everyone come and help us. Grandma Christie passed away last Thursday morning. All children were present but one, F. C. Christie of Temple. The family has the entire community's sympathy.

Mrs. Estil Goodjohn is spending the week with her parents, Mr. and Mrs. Putman.

Mrs. Geo. Self spent the week end with her sister, Mrs. Kay Smith and family of Lakeview.

Mr. and Mrs. S. M. Harp entertained the young people with a party and candy breaking Tuesday night. All report a nice time.

Mr. and Mrs. V. D. Ray, Miss Essie and Bud and Mr. and Mrs. J. H. Wood started for Lincoln, Ark. Tuesday for a visit with the T. E. Perdue family and other relatives.

There is quite a bit of sickness in our community at this writing.

Mr. and Mrs. L. O. Christie and family of Martin community were visitors in this community Tuesday.

Mr. and Mrs. L. M. Putman and son Junior and Mr. and Mrs. S. M. Harp and Sidney attended the singing at Brice Sunday afternoon.

Mrs. Rainey and daughters are visiting in Amarillo this week.

Mr. and Mrs. D. B. Perdue have company from Indianapolis, Ind. visiting them this week.

Mrs. Ewing's sister from Comanche visited with her some this last week.

Everyone remember to come to Sunday school and singing every

Sunday and Sunday night.
Mr. and Mrs. Hudson had company from Pampa the last week.

Mrs. Mary K. Blanton of Amarillo, accompanied by her daughter, Mrs. John Oakes of Roswell, spent the week end here with her daughter, Mrs. Frank White Jr. and family.

Mr. and Mrs. Charles Noske of Hobart, Oklahoma visited the week end here with Mr. and Mrs. Lloyd Rhoades.

ATTEND STATE CONVENTION OF LEGIONNAIRES

Post commander Joe Holland and Mrs. Holland returned Wednesday after attending the state convention of members of the Legion and Auxiliary in Waco. Mr. Holland says crops are very spotted between here and Waco with about a half crop on an average. "It looked very dry all the way down," he said.

GONE TO COLORADO

Sheriff Guy Pierce accompanied his father, S. A. Pierce to Cortez, Colorado Tuesday. S. A. Pierce spends much of his time in that section where the red apples grow and the scenery and hum of business is most attractive. Mr. and Mrs. Blue Pierce and children live there where he is in business.

Icy Thoughts

"It was so cold where we were," boasted the Arctic explorer, "that the candle froze and we couldn't blow it out."
"That's nothing," said his rival. "Where we were the words came out of our mouths in pieces of ice, and we had to try them to see what we were talking about."

Walter V. Thomasson Jr. of Newport is visiting his grandfather, C. M. Lane.

Mrs. W. D. Martin returned home Sunday after a visit with her daughters at Shamrock.

PNEUMONIA TREATMENTS NOW VERY MUCH MORE EFFECTIVE

But Coughs From Colds Break Down Resistance

The scientists and doctors of the world have made great strides in the diagnosis and treatment of the dreaded pneumonia. They have learned the various types and almost every city has hospital facilities that are fast reducing the death rate.

Most doctors agree that when a person's resistance is low he is much more susceptible, and that coughs following a cold certainly break down your resistance.

At the least suspicion of pneumonia, call your doctor at once, and at the first sign of a cough due to a cold start taking Mentho-Mulsion immediately.

Mentho-Mulsion is that time-tested cough remedy, made from ingredients used by many doctors for years. Now fortified with both Vitamins "A" and "D," Mentho-Mulsion, at only 75c, is recommended, sold and guaranteed by much more susceptible, and that good druggists everywhere.—adv.

MRS. FINK HOME AGAIN

Mrs. O. L. Fink came home Saturday after a 3000 mile trip in company with her daughter and husband, Mr. and Mrs. Edgar Brittain and son Terry. They saw the coast country east to Florida, back through Georgia where they went through a snuff factory, she laughingly remarked. Eight states were visited over which Mrs. Fink says crops are very spotted.

Mr. and Mrs. K. S. Cox and son of Giltown are visiting friends here.

Jay W. Fieore of Borger was here on business Monday and also visited Mrs. C. M. Reed.

Donley County Leader, \$1.50 a year

"ATTENTION POULTRY RAISERS"

"EGG-PRODUCER increases your egg production. It Eradicates blue bugs, mites, lice and fleas. Removes worms. It must make and save you money or your money refunded. Sold by Thomas Feed Store exclusively in Clarendon."

Harley Sadler To Show 2 Days

Harley Sadler, who is bringing his tent theatre to Clarendon for a two night engagement starting Tuesday night, Sept. 5th., has been playing through Texas for 22 years and the announcement of the annual visit of this popular show is always hailed with delight by grownups as well as the children.

This season's show has been greatly enlarged from last year, with many new faces in the cast, a line of big time vaudeville new to Texas, new time equipment, scenery and special lighting effects.

The show will appear in Clarendon under the auspices of the high school band. Featured with the show this season is Henry, world toured artist and magician, who has been creating a sensation over the territory played by the Sadler show with his Hopi Indian sand paintings, and Jesse Roger, radio and recording artist from station XERA, Del Rio, Texas. The opening play in Clarendon for Tuesday night, Sept. 5th., will be "He Couldn't Take It," with Harley Sadler as "Dad," said to be his favorite part.

Prairie Chicken Is Friend of Farmer

AUSTIN.—Because the Lesser Prairie Chicken saved several landowners as much as a bale of cotton per 8 acres, those fine game birds are going to get much more protection in the Texas Panhandle in the future, or at least in Wheeler County, it is reported by State Game Warden P. D. Moseley of Canadian. The Prairie Chickens devoured huge numbers of army worms which seriously threatened the cotton crop in that section of the State.

T. D. Key, owner of large holdings in Wheeler County and many of his neighbors are now planning to plant food for the Prairie Chickens as a result of the birds having moved into their cotton fields and totally destroyed the army worms. The worms had eaten about one-third of the leaves from Mr. Key's cotton when the birds moved in. As many as 500 Prairie Chickens invaded the forty-four acre field at a time and the result is that Mr. Key estimates they saved him as much as five bales of cotton. Many neighbors had the same experience and now have a higher regard for those game birds. They have announced there will be no hunting for prairie chickens in that section during the remainder of the five-year closed season placed on the birds by the Forty-fifth state legislature in 1937.

Turkey's Haven Is In Prospect

A 15,000 to 20,000-acre tract of land in East Texas is being sought by the Texas Game, Fish and Oyster Commission to be used in an effort to preserve the pure strain of eastern wild turkey, of which there are not more than 150 birds remaining in the Lone Star State and probably not that many additional from Texas to the Atlantic seaboard. The game refuge, if obtained, will also be used for projects tending to restore deer, turkey, quail, doves and fur-bearing animals. The game management project is one of those being considered if the use of federal funds made available under the Pittman-Robertson Act is restored to the game department.

Many of the wild turkey in Texas, as well as in other states have become mixed with the domestic turkey, but game department biologists have found approximately 150 eastern wild turkey of a pure strain in southeast Texas. The unmixed wild turkey is a richer dark brown than the birds which are inbred with domestic turkeys. The bars on the tail are very faint.

Parody Written By A Cowboy

The following parody on the fine old poem entitled, "Make Me A Child Again Just For Tonight," was picked up among the cowboys somewhere by J. Everts Haley while he was collecting material for his history of the XIT Ranch. Haley incorporated it in that volume as a kind of prelude to the interesting and graphic story which he wrote.

The parody follows:
Backward, Turn Backward
Backward, turn backward, O Time, on your wheels,
Airplanes, wagons, and automobiles.
Dress me once more in a sombrero that flaps,
Spurs, flannel shirt, boots, slicker and chaps.
Give me a sixshooter or two in my hand
And show me a steer to rope and brand.
Out where the sagebrush is dusty and gray,
Make me a cowboy again for a day.

Give me a bronc that knows how to dance,
Buckskin of color and wicked of glance,
New to the feeling of bridle and bits;
Give me a quirt that will sting where it hits,
Strap on poncho behind in roll,
And pass me the lariat so dear to my soul;
Then over the trail let me lope far away,
Make me a cowboy again for a day.

Thunder of hoofs over range as we ride,
Hissing of iron and smoking of hide,
Bellow of cattle and snort of cayuse,
Longhorns from Texas as wild as the deuce;

Midnight stampedes and milling of herds;
Yells from the cowmen, too angry for words;
Right in the midst of it all I would stay,
Make me a cowboy again for a day.

Under the star-studded canopy vast,
Campfire coffee and comfort at last;

Bacon that sizzles and crisps in the pan,
After the roundup smells good to a man.

Tales of the ranchmen and rustlers retold
Over the pipes as the embers grow cold;

These are the tunes that old memories play,
Make me a cowboy again for a day.

Mrs. A. T. Russell is recovering from a recent illness.

Donley County Leader, \$1.50 a year.

"Seeing Eye" Peers Into Mother Earth

AUSTIN.—Recently an electrical instrument for determining natural formations of the earth to depths of 100 feet or more below the ground surface has been developed by the Public Roads Administration. The Texas Highway Department has been experimenting with the use of this instrument in Texas for locating hidden deposits of caliche, gravel and rock, suitable for pavement base courses, and is effecting economies through the use of it. Hidden deposits of suitable materials have been found adjacent to construction projects, and where they were not previously known to exist.

Mrs. Homer Glascoe was in Amarillo Monday.
Mr. and Mrs. Houston Miller of Canadian visited his sister, Mrs. Eula Cox Sunday.

"Susannah of the Mounties" Ablaze With Adventures of Old Northwest

SHIRLEY TEMPLE STARRED IN DRAMATIC ROLE WITH GREAT CAST

A thousand savage redmen sweep down on the Mounties' lonely outpost! A gallant garrison fights against overwhelming odds! A lone woman finds love amid peril on a primitive frontier.

Believe it or not—this is what happens in Shirley Temple's latest 20th Century-Fox picture, "Susannah of the Mounties"! The famous story of the old Northwest is a thrilling vehicle for the Number One star and it was selected by Production Chief Darryl F. Zanuck as a counterpoint

to the fantasy of her last hit, "The Little Princess."

Garbed in calico and buckskin, Shirley Temple's is a real dramatic role different from anything she has done previously on the screen. Randolph Scott and Margaret Lockwood, the lovely star of "The Lady Vanishes," are featured in the romantic leads, while others in the large cast are Martin Good Rider, 13-year-old Blackfeet discovery who makes his debut in the film, J. Farrell MacDonald, Maurice Moscovitch, Moroni Olsen, Victor Jory and Lester Matthews.

William A. Seiter directed "Susannah of the Mounties," which opens at the Saturday night Prevue. Shirley, the sole survivor of an Indian massacre, is adopted by Randolph Scott of the Mounties. The famous Police are trying to protect the construction of the great new railway from interference by the Indians.

Scott teaches the child a wonderful lesson in courage which bears her bravely through days of terrible danger.

FALL PIG AND DAIRY SHOW TO BE SEPTEMBER 16th

The third annual fall 4-H and F.F.A. pig show will be held September 16th. The show this year is expected to more than double the number of pigs shown in the 1938 show which had 71 entries. Singles from 175 to 225 pounds and from 225 and up, pens of three, and litters are expected to complete the show classification. Each of the fifty F.F.A. members will enter and show one or more pigs in the show and a large number of 4-H members are also expected to compete. A small number of the pigs will be entered in the Tri-State Fair, and over one-hundred local pigs will be entered in the State Fair of Texas.

A dairy show will be held in connection with the pig show for the first time this year. A committee is at work on the dairy classifications at the present time, and the classes will be announced in the near future. Each of the three bulls recently purchased by the F.F.A. members will be placed on exhibit at the dairy show.

Mr. and Mrs. Doss Palmer and son Ray were in Lubbock Tuesday.

Pete Easterling returned Sunday from an extensive vacation trip that included Carlsbad caverns, upper New Mexico and parts of Colorado.

4-H Club Boys Have Jamboree

Swimming, Games And Feed Just Like Boys Want

4-H Club Boys of Donley County held a jamboree at Gerner's swimming pool two miles east of Lella Lake, Saturday, 26th of August. Approximately 50 boys and their dads attended the gathering. Swimming, horse shoe pitching and base ball featured the afternoon entertainment. All of the boys brought lunches and these were spread out at seven o'clock in the afternoon. G. G. Reeves pronounced the invocation and then the feed was on.

After supper the boys were called together and Kenneth Sloan and his group of musicians furnished the entertainment for the next 20 minutes. County Agent, H. M. Breedlove then called on all the boys and men present to stand up and introduce themselves stating from which part of the county they were from. Short talks were made by Mr. Burch, local representative of the Farm Security Administration, Claude Bain of Hedley, G. G. Reeves, of Clarendon, John Gillham, Vocational teacher of Clarendon and Jerome Price, local manager of the Pastime Theatre. After the program was completed H. M. Breedlove appointed G. G. Reeves as referee for boxing and wrestling matches.

It was around 10 o'clock in the evening before the boys became tired and the jamboree was called at an end. All the boys and men had a big time and are looking forward to a bigger and better encampment for the coming year.

Mr. and Mrs. E. L. Morris, Mr. and Mrs. Earnest Eads and family all of Pampa visited in the Gilmer Ayers home Sunday afternoon.

C of C STAGES SUCCESSFUL MEMBERSHIP DRIVE

As a result of a membership drive by a committee of eight members of the local chamber of commerce, over thirty new members were added to the rolls of the local civic organization. The eight members divided into four committees of two each and presented their organization to each business man in town who was not already a member. Another drive will be held in January immediately preceding the annual chamber of commerce banquet. J. T. Patman, Homer Mulkey, Sam Braswell, R. E. Drennan, Bert Smith, Allen Bryan, E. R. Andis, and J. R. Gillham composed the membership committee.

Miss Addierene Pharr visited her sister, Mrs. Felix Jones in McLean this week.

Name Lawyers On New Board

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."

The lawns are struggling valiantly with Dame Nature to survive this dry atmosphere and heat. The lovely white clematis is in season with its dark foliage and white flowers. There are several beautiful vines to be seen—one on the fence at Homer Mulkey's is very pretty.

The terrace at the Chase home is fresh and pretty topped by that pagant of colorful flowers. It is regrettable the flower lovers can't secure a good view of her pyra canthus or fire thorne bush. It is a gorgeous array of orange berries and dark green leaves, and such a huge shrub.

The zinia border at the side of the James Trent home is exceptionally pretty. Then too, the Clarendon motor Co. deserves praise for those borders and window boxes of such pretty zinas. These plants require so much water that it is surprising that they have remained so fresh.

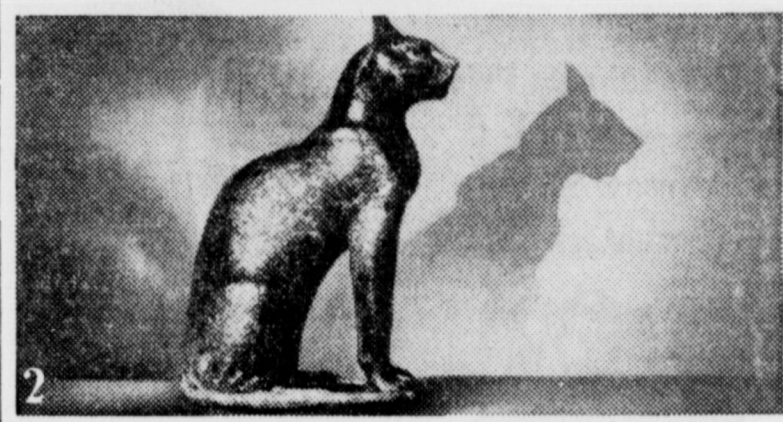

The City Park near the school is an asset to our town. It seems unbelievable so much could be done in a few months.

There are numerous lawns of enticing interest, and as fall approaches they will show to their best advantage.

Mr. and Mrs. Walter Wilson spent the week end in Elmer, Okla. with her brother, Rev. B. C. Perry, and sister, Mrs. Hanks who returned with them.

Alicia Dixon, who has her eye on Hollywood, marvels at . . .

. . . the age of this stone cat, recently discovered in Egypt. It is 3000 years old. But that's young compared to . . .

. . . old Brontosaurus, the dinosaur who roamed the earth many millions of years ago. Now think of this. The crude oils used in refining Sinclair Opaline Motor Oil were formed millions of years even before Brontosaurus was born. Oldest crudes plus . . .

. . . expert refining are the reasons why Sinclair Opaline Motor Oil lasts longer and saves you money. Ask for Sinclair Opaline Motor Oil.

Agent Sinclair Refining Company (Inc.)

Mr. and Mrs. F. L. Bourland and daughter, Miss Jeanne, were in Canyon Friday night for the College class exercises.

Mr. and Mrs. F. N. Bentley of Dallas, who have been visiting her parents, Mr. and Mrs. G. L. Green, returned home Saturday accompanied by Miss Louise Green.

Ralph McGuire of near Rochester, Texas is here visiting his brother-in-law, George Shuman. McGuire says crops are much better here than in the Jones county area.

The Industrial West

W. P. BLAKE, Publisher

(41 years ago this week in Clarendon.)
Jack Mann moved to the place traded from Jim Trent this week. Miss Flora McKillop left Tuesday to attend college in Decatur.

Frank White, Doc Howard, Mrs. L. Dean, Jim Boyd, Will Jones were among those to attend the Quannah fair this week.

A contract has been let for the college building. Thurbur brick will be used. 42 have already enrolled. W. D. Harper came down from Hartley and opened a photo studio this week.

Bertha Graham, Bessie Chamberlain and Fred Stocking left Monday to attend the University of Ft. Worth.

Winter weather continues with the thermometer around 36.

The school is badly overcrowded. It was found necessary to exclude all those under 8 years of age. Prof. Silvey's room has 25; Miss Dona Saye has 37; Miss Warner 51; Miss Hendrix 46; and Miss Graves 65 making a total enrollment of 224.

The band now numbers 15 pieces, and will give a supper Friday night to get money to buy more instruments.

Gus Jaques has bought the stock of groceries from Charley Burton, and will take charge at once.

Tribute Paid To Edison's Memory

The electric industry—among the nation's youngest and most progressive—will join the country at large in paying homage to the inventor of electric light on October 21, according to Chas. Lowry, local manager of the West Texas Utilities, who cited statistics showing the economic importance of the industry after 60 years of existence.

It was on October 21, 1879, that Thomas Alva Edison announced his invention of the electric light bulb. Three years later the first commercial, privately-owned power plant was opened for public service in New York.

"The industry developed to its present stage of efficiency and service at low cost without subsidies from the government," Lowry recalled. "So many companies went broke trying to improve their service and grant low rates at the same time that the transmission line type of service was evolved whereby several towns might be served from a single large generating plant and thus reduce production costs for all."

"It was discovered that interconnections between these plants gave double assurance of uninterrupted service. If a plant was temporarily disrupted for any unforeseen reason, then electricity from another plant automatically was switched into the lines. Under this plan only a major catastrophe could shut off light and power for any length of time."

"The first transmission line in West Texas was constructed by the West Texas Utilities in 1914 between Abilene and Merkel, he said, and proved so beneficial in lowering production costs, and as a result rates could be lowered correspondingly, that other lines were constructed to surrounding towns which either had no electric service or small, isolated plants which gave poor service at high rates.

Benefits from the transmission line, he said, are indicated in a recent U. S. Bureau of Labor report which shows that a dollar today buys 70 per cent more electricity than in 1913. The report states that a dollar buys 20 per cent less food; 30 per cent less clothing; and 15 per cent less shelter.

"Electric service," he added, "is about the only thing that has gone down." According to WPA social research report, only one and one-half cents out of every household dollar goes for electricity. Food takes 35c; housing, 17c; clothing, 14c; recreation, 10c; fuel, 5c; household equipment, 4c; transportation, 4c; medical care, 4c; life insurance, 3c; and miscellaneous, 2c.

"While rates were dropping," he said, "taxes and operating costs have been rising. Taxes paid by electric companies, according to the Standard Trade and Securities Journal, have risen 66 2-3 per cent since 1929. Net income during the same period has dropped 30.2 per cent."

The West Texas Utilities, he revealed, last year paid \$489,983.21 in city, county, state and federal taxes—amounting to \$9.75 per residential customer. Savings to customers, thru rate reductions made just within the last three years, total approximately \$150,000 a year—or about \$4 a customer.

The company provides jobs for 1,000 men and women each year and has an annual payroll exceeding \$1,300,000.

"Proof that Edison's discovery and the development of the electric industry has contributed much to progress and to raising the standard of living is found in the latest statistical yearbook of the League of Na-

MEMORY LANE

(Taken from the Leader issue of Sept. 3, 1929.)
Mayor Henry W. Taylor is voted the most outstanding citizen in Clarendon by the American Legion. These honors were bestowed on a citizen of every town in Texas where a Legion Post existed.

N. D. Hudson of the Chamberlain community exhibited a tomato that weighed 21 ounces, and was sixteen inches in circumference.

Collis Allen Stocking, son of Mrs. Sarah Stocking here, was married to Miss Claudia Roberts in New York City August 28th, it is announced. Mr. Stocking is a member of the faculty of the University of New York. Bill Clifford and Henry Brown from here attended the ceremony.

Dr. C. W. Galloway has gone to Terry county to hunt prairie chickens.

"The new \$10 bills bear a picture of the new Ford model, according to a man with imagination and a magnifying glass," states one article.

The C. A. Wright family is enjoying a visit from Grandma D. B. Kibblers of Oton.

HOSPITAL NOTES

W. H. Combest, appendectomy on Saturday night.
Miss Ann Bobo, is slowly recovering from a fall of some three weeks ago.

Dude Gentry Jr., appendectomy this morning.
A son was born to Mr. and Mrs. Lon Howard today.

VISIT MOTHER HERE

Visiting Mrs. Willie Donnel here over the week end were Mr. and Mrs. Bob Donnel of Lovington, N. M. and Miss Ruth Donnel of Wichita Falls. They visited in Sayre, Okla. Tuesday.

Donley County Leader, \$1.50 a year.

"The industry developed to its present stage of efficiency and service at low cost without subsidies from the government," Lowry recalled. "So many companies went broke trying to improve their service and grant low rates at the same time that the transmission line type of service was evolved whereby several towns might be served from a single large generating plant and thus reduce production costs for all."

"It was discovered that interconnections between these plants gave double assurance of uninterrupted service. If a plant was temporarily disrupted for any unforeseen reason, then electricity from another plant automatically was switched into the lines. Under this plan only a major catastrophe could shut off light and power for any length of time."

"The first transmission line in West Texas was constructed by the West Texas Utilities in 1914 between Abilene and Merkel, he said, and proved so beneficial in lowering production costs, and as a result rates could be lowered correspondingly, that other lines were constructed to surrounding towns which either had no electric service or small, isolated plants which gave poor service at high rates.

Benefits from the transmission line, he said, are indicated in a recent U. S. Bureau of Labor report which shows that a dollar today buys 70 per cent more electricity than in 1913. The report states that a dollar buys 20 per cent less food; 30 per cent less clothing; and 15 per cent less shelter.

"Electric service," he added, "is about the only thing that has gone down." According to WPA social research report, only one and one-half cents out of every household dollar goes for electricity. Food takes 35c; housing, 17c; clothing, 14c; recreation, 10c; fuel, 5c; household equipment, 4c; transportation, 4c; medical care, 4c; life insurance, 3c; and miscellaneous, 2c.

"While rates were dropping," he said, "taxes and operating costs have been rising. Taxes paid by electric companies, according to the Standard Trade and Securities Journal, have risen 66 2-3 per cent since 1929. Net income during the same period has dropped 30.2 per cent."
