# Cotton Festival

## TIME

As we count down the weeks before the 33rd Annual Hedley Cotton Festival, we will be spotlighting some of the people who are most closely concerned with it and the business of farming cotton.

Certainly one of the most important is the manager of the gin. In Hedley that person is W.B. (Nookie) Wiggins.

Shortly after graduating from

Lelia Lake High School, in 1938, Nookie went to work for Alva Simmons who was the manager of the Beatty Gin. He worked as a suction hand.

During the war, when Booker Shaw was in the navy, Nookie kept the books in the office. After the war he started to work as the ginner's helper.

Fred G. Watt was the head

ginner and according to Nookie, Mr. Watt taught him everything there was to know about the workings of a gin. He taught him how to keep it running and how to repair it when it broke down. Most importantly, he taught him how to keep his fingers out of the saws in the stands that drew the cotton up into the gin.

In 1947, Nookie accepted the position of manager of the West Texas Gin, then owned by Quannah Cotton Oil Company. It was sold a few years ago to the Archie Daniels Company. He has managed the gin since then.

There have been some good years and there have been some that weren't so good, but there has never been a complete cotton failure at Hedley.

The closest there was to failure was in 1983, when the West Texas Gin weighed and ginned 1,900 bales during the entire season.

The best season ever enjoyed by the gin was 1977 when they weighed and ginned 6,500 bales of cotton.

Nookie wasn't a stranger to a field of cotton when he started working at a gin. His father, W.W. Wiggins, farmed north and west of Hedley. Nookie has hoed and pulled his share of cotton. When he was pulling, he thought he was pulling more than his brothers, Jeff and Orin.

Nookie married Geraldine Land on November 30, 1940. He was twenty and she was sixteen. When he went to Roscoe to ask for her hand, Roscoe asked him how he

intended to make her a living. A very nervous Nookie replied, "I don't know."

At that, Roscoe told him he could rent his land for the next year. When talking to Nookie about it, he said, "You know I really didn't have any idea about how I was going to make a living. It hadn't entered my mind that I was going to provide for her for the next seventy years or so."

Anyway, Nookie worked her father's land the next year. By working at the gin during the fall they were able to live very well.

In 1945 he started farming the land owned by his father and still farms it. He bought the land from his father in 1965.

## Broncos slip past Floydada 6-0

The Clarendon Broncos got their first win of the season with a 6-0 win over the Floydada Whirlwinds Friday night.

The games only score that counted was a 14 yard run by quarterback Robert Youngblood with 4:30 left in the fourth quarter. Youngblood, starting his first game at quarterback, was back to pass and saw an opening and made a great run to score.

The second time the Broncos had the ball, Rodney Smith stepped thru the middle of the line 73 yards for an apparent TD but the play was called back because of clipping.

The first half was a battle of the two teams defenses. Floydada got the ball deep in Bronco territory twice in the first half due to Bronco turnovers. A strong Bronco defense turned back the winds both times. The last time from the Bronco 15 yard line Dean Cearly sacked the quarterback on fourth down.

The second half started like the Winds would get the first score of the night. The Broncos received and Dewey Mincey fumbled the kick off and the Winds recovered at the Bronco 35 yard line. The visitors quickly made 2 first downs, their only first downs of the second half. They moved to a first down on the Bronco 10 yard line. Once again a strong Bronco went to work and the threat ended at the Bronco 14 yard line.

The two teams then traded punts until 4:30 left in the game. Rod Keown did an outstanding job of punting the ball for the Broncos. He punted four times for a 37 yard average.

After a good Keown punt had pinned the Winds in a hole, Floydada punted the ball to their 48 yard line. The Broncos started what was to be the winning TD drive.

Youngblood hit Stanley Gardner with an 8 yard pass to set up a first on Floydada's 32. Once again on third down Youngblood hit Dewey Mincey with a 25 yard pass down to the Winds 7 yard line. A Floydada defender tripped the ball and Mincey made the catch. On third down Youngblood sprinted out to pass but ran 14 yards for the winning TD. The point after was no good. After the kick off the Broncos defense stopped Floydada and the offense ran out the clock.

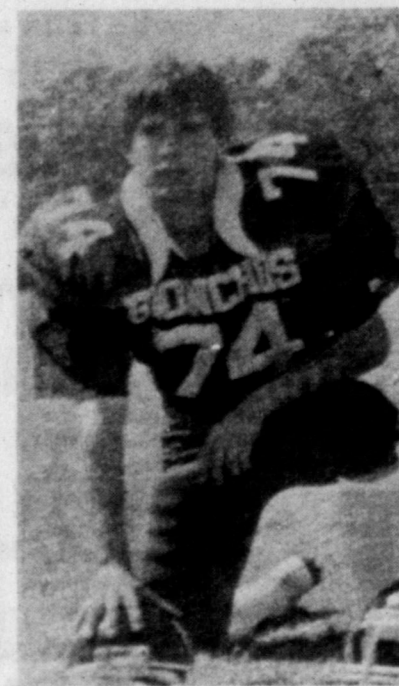

Leading the strong defense was defensive end Tim Cole. Cole was named defensive player of the week. Cole, playing defensive end, did an outstanding job helping contain Floydada's fine quarterback. He had 2 unassisted and 8 assisted tackles. Dean Cearly also had an outstanding game on defense. He had 3 unassisted and 9 assisted tackles. He also had four (C.B.L.'s) tackles behind the line of scrimmage. Rodney Smith had 4 unassisted and 7 assisted tackles. Dewey Mincey had 9 assisted tackles. Rod Keown had 3 unassisted and 6 assisted tackles. Brett White had 5 assisted tackles and

### Immunization clinic Sept. 24

An immunization clinic will be offered at Donley County Community Action, 300 S. Sully, Sept. 24 from 10 a.m. until 2 p.m. for vaccines that give protection against several childhood diseases. Protection is against polio, diphtheria, lock jaw (tetanus), whooping cough, measles, rubella and mumps. There will be no charge for his clinic.

caught one fumble in the air.

On offense Smith had 57 yards on 23 carries and Boonie Gardner had 15 yards on 14 carries. Youngblood had 25 yards on 6 carries and was 2 for 2 in the throwing department. Lynn Alderson was offensive player of the week for his blocking from his guard position.

## Broncos to battle high flying Eagles

The Clarendon Broncos will host the Fritch Eagles this Friday at 8:00 p.m.

Fritch is 2-0 and brings the leading offense of the Texas Panhandle to Clarendon. Tailback Dean Thomas has gained 512 yards in two games. Fullback Jeff Rice has 200 yards. The quarterback throws the ball well when he needs

## Wanda Smith resigns as County Tax Assessor/Collector

Wanda Smith, Donley County Tax Assessor/Collector has resigned her position as of October 1. Mrs. Smith has served one full term and was re-elected for a second term in the May primary. She will go to work for Chamberlain Motor Company. Although Mrs. Smith's name will appear on the November 3 General Election ballot, voters can write-in their choice of candidate.

Six Donley County residents have filed for the position of tax assessor/collector. Their names will not appear on the ballot and must rely on write-in votes. The six are:

## Parent Teacher Association to be formed

On Tuesday, September 25 at 7:00 parents and teachers are invited to attend an organizational meeting to form a Parent Teacher Association. The meeting will be held in the school's home economics room. Mrs. Dixie Surratt, active member in the Panhandle School's PTA and member of District and State PTA Boards will assist in organizing a local unit.

Founded in 1897, there currently are over six million members of PTA throughout the nation. Within Texas PTA holds the second largest state membership of 700,000

people. PTA is a local self-governing body that adheres to the principles of the state and national PTA by-laws. As a local volunteer organization, PTA's objective is to plan programs and activities that meet the needs of children and youth in its community. Any individual concerned with the welfare of young people is welcomed to join PTA.

Take a minute and mark Tuesday, September 25 on your calendar. Take another minute and join PTA.

## Martin Baptist WMU to sponsor Country Store at Medical Center

Martin Baptist WMU will be sponsoring a "Country Store" shopping venture for the residents of the Medical Center Nursing Home in Clarendon during the months of November and early December, 1984.

They would like to involve other churches, groups, and individuals in this project. What they need each one to do is to consider donating items that can be used as gifts for family members of the residents, so they feel there would be a need for items for men as well as women. These items can be purchased or handmade. The residents will be given some sort of "token", and the price of the donated items will be priced in "tokens" rather than money. Please spend a minimum amount per item.

They would like to stress the fact that it is NOT a fund raising project for their organization. Neither is it a gift for the residents. Rather it is an opportunity for them to obtain gifts for their families, for Christmas.

They would like for the residents

### Chili Supper

September 21

The Clarendon Band Boosters will sponsor their annual Chili Supper Friday, September 21, beginning at 5:00 and lasting until 7:00, in the school cafeteria. Tickets will be on sale at the door or may be purchased from any band member at the low price of \$2.50 for adults and \$1.75 for students. Come by before the homecoming ballgame and enjoy a delicious bowl of chili and in so doing support our band.

## Funeral services held for Ira Elisabeth Stavenhagen

Funeral services for Mrs. Ira Elisabeth Stavenhagen, age 82, were held at 2:00 p.m. on Monday, September 17, 1984 in Robertson Chapel of Memories with Rev. Gary Pinion, Pastor of the Calvary Baptist Church, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Stavenhagen died at 9:20 p.m. on Saturday, September 15, 1984 in Medical Center Nursing Home in Clarendon following a lengthy illness. She was born July 31, 1902 in Lipan, Erath County, Texas and was married to John M. Stavenhagen on June 22, 1929 at Lipan, Texas. She had been a resident of Donley County since 1930, coming here from Wellington where she had lived for a short

effect, be able to "shop without going shopping."

They urge others to consider this worthy project, that the residents might be able to give gifts to members of their families, and in effect, be able to "shop without going shopping."

Donley County will be officially sanctioned, for the Sesquicentennial, in a brief ceremony Thursday, September 27 at 5 p.m. on the courthouse steps.

Lee Storey, chairman for our area will come from the state capital to conduct the ceremony.

It is being planned to enable school children and county residents who work to attend. An effort will be made to contact various groups to extend an invitation. If you are not contacted please know that your presence is most desired and will be greatly appreciated.

## Sesquicentennial News

More information will appear in this column next week.

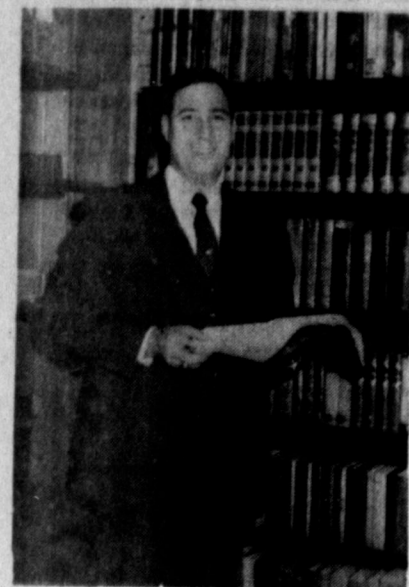

Our South Australian visitors, who planned to arrive in Clarendon this week, have had to cancel their trip this year due to the serious illness of one of the members. They still plan to come in 1986.

An article bringing Donley County residents up to date on the plans for the "twinning cities" will appear in your newspaper soon.

### Comptroller Rep. to be here Sept. 26

A representative of the Comptroller's office will be in Clarendon September 26, 10:00 a.m. at the Courthouse. He will discuss the tax changes.

# From The PEN of PASTOR PINION

This week in our continuing series on "Revival God's Way," we want to talk about the kind of Revival we need. In doing so, I

have chosen three simple headings. We need first of all, a Prayed-Down Revival, secondly, we need a Preached-Up Revival, and thirdly, we need a Powered-In Revival.

**A PRAYED-DOWN REVIVAL**  
Oh, how we as the people of God need to come again to mighty, prevailing, intercessory prayer; not just the ordinary kind of praying, but praying that will not be denied, praying that will not let go until the fire from Heaven falls.

Whatever God has wrought in the past through His people and by His power and in answer to the heartcry of His own people who day and night beseech the throne of Almighty God with their prayers, I believe He will do it again. My bible says He is the same yesterday, today and forever.

**A PREACHED-UP REVIVAL**  
We need a Preached-Up Revival. Just as there never has been a great revival that was not born in prayer, just as truly there has never been a great sweeping revival that did not come in my mighty, earnest, red hot, passionate preaching of the whole counsel of God.

Paul said, "...it pleased God by the foolishness of preaching to save them that believe" (I Cor. 1:21), and I am just old-fashioned enough to believe that that is still God's plan for God has never changed.

I am one Preacher who believes that a Preacher is shirking his duty as a God-called man if he refuses or fails or neglects to cry out against sin. The commandment to us is still, "Cry aloud, spare not, lift up thy voice like a trumpet, and shew my people their transgression" (Isaiah 53:1).

Men need to know that God will punish sin. They need to have it thundered in their ears that there is a judgment coming for those who sin. They need to be taught from the word of God that sin will bring judgment, retribution, heartbreak, the wrath of God, and that it will separate a soul from God and send it to Hell.

We need to stand up and Preach against sin and not apologize for it!

**A POWERED-UP REVIVAL**  
I think of the power that the Apostle Paul had, of the power that Peter - just an ignorant, unlearned fisherman - had on Pentecost, of power of Charles G. Finney, of the power of Billy Sv Jay, and of the power of Dwight L. Moody. I read that Revivals in the United States in the years gone by when under that power of the Holy Spirit, the Preachers of God stood in the pulpit and declared in no uncertain terms the Word of God unflinchingly and called men to repentance. Oh, may we see Revival God's Way!

considered useful to themselves and what they did not want. Some wanted the very things other had ignored.

But the lesson we learned was even better than the entertainment of the day. We saw the value of an object is in the eye of the beholder and almost everything appealed to someone. They saw usefulness in each object. People are just like that too. Regardless of age or hard usage they are still valuable persons. Their influence goes on and on. Their experiences are meaningful to all those who know them. We dare not put a mental price tag on any individual we meet and we had better remember this. Each person has great value in God's plan and each is a potential citizen of heaven along with ourselves. God is no respecter of persons, so why should we be? There is a useful place for everybody in God's great design if we will choose it. The option is ours.

So now our garage looks empty. The many objects are in use again and we also have a renewed appreciation of the value of people as well as of things.

## Dr. Bob Riley named HCJCD President

Dr. Bob E. Riley has been named the fifth President of the Howard County Junior College District, effective September 1, 1984. Dr. Riley previously served as Vice-President for Instruction at Howard College. Riley replaces Dr. Charles Hays who resigned to enter private business.

Dr. Riley was born and raised in the Panhandle of Texas, receiving his high school diploma from Wheeler High School. He earned a bachelor of science and a masters of education from West Texas State University and an Ed. D. from East Texas State University.

Dr. Riley was employed in the

DR. BOB RILEY

public schools at Tulia, Canyon and Claude before beginning his career in higher education at Sul Ross State University at Del Rio as an assistant professor of education and administrator of the branch campus. From there he moved to Clarendon Junior College as Dean of Instruction and then to Southwestern Oklahoma State University in Weatherford, Oklahoma, as a professor and administrator.

In his administration, Dr. Riley wants to make the HCJCD an outstanding college district. To do this, he feels that everyone must strive for the attainment of common goals, that there must be a free flow of communication, and that faculty must know how their performance is perceived by supervisors. These items are part of a plan presented to the faculty and staff of the HCJCD that will be a top priority for the coming year.

## Sesquicentennial Wagon Train to be in Clarendon in 1986

Jan France, executive director of the Texas Wagon Train Association was in Clarendon Thursday to meet with Mrs. H.A. Green of Ashtola and Mrs. Jim McElroy of Clarendon to discuss the 100 plus wagons which will be coming thru our county in 1986 to celebrate Texas' 150th birthday.

The historic wagon train tour will circle the state of Texas for six months in 1986. The wagon train will cover over 2,800 miles and will visit over 100 communities. Citizens and friends of Texas can join the wagon train for any length of time they wish. The wagon train will have riders from 18 states and 4 foreign countries. Many towns, cities and counties are planning their Sesquicentennial celebrations around the wagon train arrival in their area. The wagon train will also be a traveling school with certified teachers for those children whose parents or grandparents will be making the entire trip.

The Texas Wagon Train Association is a non-profit organization and will rely on official sponsors, private donations, registration fees, and the sale of wagon train souvenirs to fund the historic event.

Watch for more wagon train information in the Texas Sesquicentennial column.

# The most efficient, the most economical heating and cooling system for your home.

## THE Electric heat pump.

It's part of "the plan" — the Energy Saving Plan

Here's how it works:

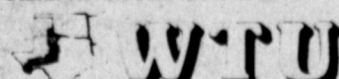

THE ELECTRIC HEAT PUMP: It can save you money on your home energy bills. And when it's used along with other WTU-recommended energy conservation measures according to the ENERGY SAVING PLAN, you can save even more. WTU will pay YOU money when you install an electric heat pump to meet the E.S.P. requirements that add to your home's comfort and energy efficiency. That's where the ELECTRIC HEAT PUMP comes in — it's part of "the plan" because it's the most efficient system for heating and cooling. During the winter it removes heat from the outside air and pumps it into your home. In the summer it reverses the process and becomes an air conditioner, so you get even comfort year-round. ## Watt's Happening in Hedley

Fred went to the salt mine near Eric, Oklahoma last week. That must surely be one of the most interesting places to visit. They have a lot of shallow tanks filled with salt water from the river. The sun evaporates the water, leaving the raw salt in the tanks.

I always like to go with Fred when he goes after salt, but the boys insist on having clean Levis to wear to school, so I thought I'd better see to it that they had some.

Jack Nevins finished pulling the first bale of cotton Thursday. Some

of the young people around town helped him pull it. Among those pulling were Keith Brinson, Guy Watt, Oscar Felan, and Flossie Wood.

The Cotton Festival queen contestants are working hard, selling their tickets on the bale of cotton to be given away at the Cotton Festival. The girls running this year are: Cindy Kirkpatrick,

Tammy Osborn, Susan Phelps, and Tina Shields. The little future queen contestants are: Jennifer Carson, Patricia Gilbert, Cindy Lee, Christina Woodard, Kindergarteners; Jennifer Chapman, Jana Hill, 1st graders; Christina Schwertner, Nancy Andaverdi, 2nd graders.

The little future queen contestants aren't selling anything. You can vote for your favorite by giving a penny per vote. Most of them have decorated boxes placed around town that you can vote in.

Hedley has long been known for its pretty girls and the girls running this year just bear this out. This bunch of girls are as pretty a bunch of girls as can be found anywhere. It would be impossible to pick the prettiest, unless of course, you're one of the parents or grandparents.

Mrs. Hunsucker's Sunday school class has formed a club called the Truth Seekers. They meet the second Thursday of each month at Mrs. Hunsucker's house for study and games. The officers of the club are: Shauna McCrary-President; Isabel Andaverdi-Vice President; Amanda Ward-Secretary; Rachel Chapman-Treasurer; Shanna McCrary-Reporter; Tanya Holland-Refreshment Chairman; Jennifer Hill-Decoration Chairman.

Their colors are blue and white and their song is "Jesus Loves Me". The dues are 25c per month. This money is used to buy gifts and cards for the sick and birthdays.

Any girl who belongs to Mrs. Hunsucker's class can join.

There were two Hedley floats in the Hall County Reunion Parade Saturday. The Lion's Club float won 1st place and the Lioness Club float won 2nd place. If you saw them, you must agree that the judges in Memphis were wise in their choice.

Harry Rolan, Robert and Jeff, and Andy Granbury and Jeff camped out in our pasture Friday night. Tommy Wayne Clendennen spent part of the night with them, but had to leave before morning. I thought, maybe, he got sick on sagebrush tea. Harry and Andy work on the Santa Fe Railroad with Tommy. We always enjoy them. They have some of the nicest kids that's ever been around our house and over the years, there have been a bunch.

Mrs. Nettie Alexander has returned home after a visit with her daughter in El Paso.

Su-San Couch got home from her

vacation in Mexico last week. The only thing she brought her parents were some gifts. She brought Fred a wind gage and me a sombrero. That wasn't what I had requested! Ricki Linebaugh is in Houston with her father, A.J. Rowell. She has gone to give him a white cell transfusion. It has been a long, hard time for A.J. and Jean and their family. Let's keep them in our prayers.

Lesley Baker is in Hall County Hospital. Melanie took him by ambulance Friday.

Joyce Boliver told me that Ed was able to come home last week. He was home almost before I knew he was in the hospital. I don't always find out the news until it isn't news.

I did find out that Pie has a new car. She offered to take me for a ride in it, but I didn't have the fare!

Happy Birthday Mrs. Henry.

Stanley Bailey was feted with a fiftieth birthday party Saturday, September 15th at the Sunday Ranch in Amarillo. About eight guests enjoyed delicious barbecued pork chops with all the trimmings. Jiggs Land and Terry Bailey cooked and Ellen Faye Land helped. Jonnie and Margie Bailey made sourdough biscuits. The highlight of the party was a Playboy Bunny with a bouquet of balloons each with an appropriate verse, and a kiss from Stanley. Those attending from Hedley were his parents, Elmore and Margie Bailey, Terry and JoAnn Bailey, Todd and Christi, Tige and Jonnie Hill, Flossie Wood, Bryan and Debbie Hill, Ronnie and Janie Hill, Bill and Becky Hill, Jane Wood, Ellen Faye Land and Blackie and Shirley Johnson. Jiggs Land of Lelia Lake was also there. According to my source of information, the gifts weren't fit for human consumption. Happy Birthday Stanley!

Mrs. Eva Canada attended the Butler-Nivens reunion in Childress Saturday and Sunday. She attended church in Childress Sunday morning. Pat and Bobby Roland came down Saturday and brought Jessie's new furniture and spent the weekend with Bob and Jessie.

Moon Mullins visited Les Baker in Hall County Hospital Monday morning.

The Hedley Senior Class held a meeting at the home of Miss LaMoss Springer, their sponsor, to elect officers. Those elected were: David Phelps-President; Brent

Hall-Vice President; Tonya Moore-Secretary; Debbie Clubb-Treasurer; Thunder Denton-Chaplain; Ben Clifford-Historian; Carl Cox-Reporter; Bobby Asher-2nd Vice President. They decided to have a bake sale on September 22 from 9 a.m. until they run out of baked goods. It will be held in front of the City Hall on main street in Hedley.

The Junior Class has elected officers. They are: Gaylee Osborn-President; Stephanie Holland-Vice President; Secretary-Ricky Springer; Treasurer-Kelly Harmon; Reporter-Debbie Clubb. They will be having a car wash at the City Park on Saturday September 22 from 10 till 4. The price will be \$4.00 for cars and \$6.00 for pickups. Miss Cheryl Birkey is the class sponsor.

The gym floor is finished and the physical education classes will be able to start using it this week. It looks real nice. Witt Builders did a good job. I expect those dead placed to be gone.

The Hedley Senior Citizens will have their monthly Birthday Night on September 24th. Everyone bring a covered dish and come out and enjoy the food and visiting. I don't know what time they meet, but you can probably find out by calling or dropping by the Senior Citizen's Center. If you haven't bought any tickets on the quilt, I think you might want to get some. Jane told me she thought they'd have two quilts to be given away at the Cotton Festival. The beautiful orchid pinwheel that's on display at the Center and an autumn sampler in lovely fall colors.

## Lakers Homemakers

BY ALICE HOOD

The Lakers Homemakers Club held their first meeting, Monday, September 10, at 1:30 p.m., after having a June, July and August vacation.

Meeting was called to order by president Trudy Davis. Minutes were read by secretary-treasurer Lucille Boren and approved as read.

Members present were: Lucille Boren, Alma Bingham, Eleanor Crossland, Trudy Davis, Madelyn Jones, Angie McDaniel, Margaret Pettit, Bea Rogers, Polly Sarich and Lela Whitehead.

A fifty dollar donation was given to the Cancer Fund in memory of Troy Moore.

Plans were discussed for "Christmas in October". It was voted and approved to have a bake sale. This will be held October 27 from 9 a.m. to 4 p.m. at the community center in Clarendon.

Council delegate Madelyn Jones and Margaret Pettit met with city

commissioners, Monday morning, September 10 in regard to a county extension agent (home economics) to replace Cherri Brown. Donley County has not had an agent since Cherri married and moved to Amarillo last May.

Meeting adjourned and refreshments served by Trudy Davis and Lucille Boren. Everyone enjoyed listening to each others experiences and happening during vacation time.

The Lakers Homemakers would like to extend prayers for a hurried recovery to Mrs. Dovie Herring who is the mother of our state treasurer, Mary Evelyn Bryant. Mrs. Herring was in an accident, receiving bad injuries including a broken pelvis and loss of an eye and was to be in General Hospital in Stephenville, Texas for two months. Mary Evelyn will be there with her. Maybe someone would like to write or send a card.

Lots of good reading in "The Messenger"! The Texas Extension Homemakers Convention will be held in San Angelo, Texas September 18-20, 1984. The prices for registration will be the same as last year, \$5.75 for registration, \$8.00 for luncheon and \$12.00 for banquet.

### Hedley Seniors

to have bake sale

The Hedley Seniors will be having a bake sale, September 22, from 9 until they sell out. This will be in front of City Hall in Hedley.

### Chamberlain Community Center

Chamberlain Community Center will meet Friday, September 21 at 7:30 p.m. for a chicken barbecue. Leave 1/2 chicken at The Grocery Store or IGA Foodliner. The Center will furnish bread, ice, coffee, tea, and plates. Bring a covered dish to go with the barbecue. The Center will also furnish beans and applesauce.

### New Cars

Hey! Bronco's let's go!

**Edna Smith honored on 75th birthday**

The First Presbyterian Church of Clarendon was the scene of a happy 75th birthday celebration honoring one of Clarendon's own. Edna Smith, the "birthday girl," is a long time resident of Clarendon. Edna was born in Memphis, Texas, but her family moved to Clarendon while she was still a young girl.

She met and married James Fred Smith, Jr., on May 15, 1932. The marriage lasted until Mr. Smith's death, having been killed in an airplane crash on September 9th, 1947.

Following the death of Mr. Smith, Edna operated the Clarendon Airport for a time. In 1951, Edna, with their two children, Doris Louise and James Montye, moved to Amarillo where she was employed by Plains Aero Service for a number of years.

Following the marriage of her daughter, Edna and her son moved back to Clarendon where she has lived continuously to the present time.

The birthday reception was hosted by Mr. and Mrs. James Montye Smith of Amarillo, and Mr. and Mrs. Buck Hays of Lubbock.

Birthday good wishes were extended to Edna by her two children, five grandchildren, two step grandchildren and four great grandchildren, along with relatives and a host of friends from Clarendon and throughout the area.

EDNA SMITH with her family.

# City Minutes

The Board of Aldermen of the City of Clarendon met in regular session on September 11, 1984, in the board room, City Hall at 7:00

p.m. Members present were Mayor James L. Kuhn, Aldermen Steve Smith, Lloyd McCord, James Shar-

rar, and Gene White. Member absent was Aldermen Richard Bell.

Others present were City Secretary Donna Edwards, Jim Roberts, and Charles SoRelle.

Minutes of the August 28, 1984 meeting were read and approved.

Mr. Charles SoRelle presented a new contract for the Appraisal District to the Board. After looking over the contract, motion was made to approve the contract for assessment and collection services.

A request by the Clarendon Volunteer Fire Department Ladies Auxiliary was then considered. They wish to paint the fire hydrants in the City and request that the City furnish the paint and mow around each fire plug prior to the beginning of the project. Motion carried to carry out the request.

Bills incurred by the City in the month of August, 1984 were presented and ordered paid.

There being no other City business at this time, motion carried to adjourn.

The best temperature for brewing coffee is said to be 180° F.

## The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-nine members, Lion Sweetheart Jessie Adams and eight guests were present. The meeting was called to order by Boss Lion Lovelady. Songleader Bentley introduced Mrs. Van Kennedy and Mrs. Carroll Lewis who were guests of the club in honor of their birthdays this month and we sang "Happy Birthday" to them. Following the opening ceremony Liontamer Messer introduced Walt Knorpp and John Homer with Knorpp Insurance and James T. Shelton, an attorney with Lowe and Courtney, who were the guests of Lion Courtney. Butch Skiles with General Telephone Co. in Claude was the guest of Lion Sharrar. Boss Lion Lovelady presented a membership application from Bob Bell which then was unanimously accepted. The Boss Lion informed us that our local club was es-

tablished in 1922 and that Sam Braswell was the first president. We are in our 62nd year of service to our community. Program Chairman Smith introduced Clarendon College coaches Joe Mondragon and Carlyle Dean and they told us about some of the college basketball players who will represent the college this year.

# Two Hedley boys help pull first bale of cotton

Back in the good old days, cotton was pulled by hand, in a long sack dragged behind you.

Now, thanks to modern, sophisticated machinery, this backbreaking job is done for us. What used to take an average worker days to accomplish, can now be done in hours. As a result of modern technology, you seldom see anyone pulling cotton by hand.

We go to great lengths to tell our children of how we used to toil in the field from daylight to dark for a little as 23c per hundredweight.

"Things were different when I was a boy. Then, when school was out, I'd change my school clothes, grab a snack from my mother's kitchen, and head for the cotton patch. There I'd pull cotton until

dark, then go home and milk the cows, gather the eggs and slop the hogs. By the time I'd eaten my supper and got my lessons, it was time for bed. I didn't go to town every night and shoot pool and play video games. If I went to town at all, it was on Saturday afternoon with the rest of my family. Mother would take her cream and eggs to town and trade them for the groceries we couldn't raise ourselves. Things were different back then."

These two enterprising young men are learning what their fathers mean when they talk about the good old days and pulling cotton.

Keith Brinson and Guy Watt are junior high students at Hedley School. They earned 7.5c per

pound for pulling cotton. (Unlike the good old days). Keith may not milk a cow, but Guy has been milking since before he started to school. Both have chopped cotton and thrown back cotton behind the stripper. They also help during roundup and bale and haul hay during the season.

Thirteen years old, Keith is the son of Kenneth and Dorothy Brinson and Guy is the son of Fred and Peggy Watt, all of Hedley.

## McDaniels receive 1st in Memphis parade

Mr. and Mrs. J.B. McDaniel accompanied by Jenny Watson and Donna Hudson rode their horses in the Hall County reunion parade in Memphis Saturday morning. They received a first place trophy in the riding division.

J.B. and Yvonne Belle returned Sunday to attend the barbecue at the city park and visited with friends.

LUCY BISHOP

## Lucy Bishop has 93rd birthday

by ALICE LACY

Residents of Medical Center Nursing Home gathered for a gala birthday part in the afternoon on Thursday, September 14 in the Center's dining room with Mrs. Vera Johnson, director of activities in charge. Games of "Shape" and a guessing game were played. In this game each guest was given a chance to guess Mrs. Bishop's age. Alice Skinner and Veta Mahaffey each guessed Lucy's age. Notie Howard was second. She guessed 92. Each was awarded a prize of a candy cane.

The delicious birthday cake, decorated with a fluffy strawberry red "Care Bear" sitting atop the rectangle strawberry cake iced with fluffy white frosting surrounded on the outside edge with red hearts.

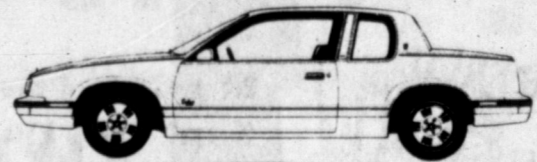

"Happy Birthday Lucy" in large red script letters was written across the top of this luscious looking cake. Pink punch in a crystal punch bowl completed the refreshments which were placed on the serving table laid with a white cloth. Large letters attractively arranged in a semi-circle around the punch service spelled "Happy Birthday". Refreshments were served by Mrs. Bishop's daughters, Mrs. Wanda Tilger of Athens and Mrs. Alice Lacy of Quanah, together with Mrs. Cheryl Gayley, granddaughter of Amarillo.

Those present and enjoying the activities included Kate Beverly, Peggy Hudson, Blanche Smith, Cora Cart, Marie Stotts, Alice Skinner, Jewell Short, Veda Mahaffey, Nora Leathers, Ollie Tyler, Eva Phelps, Willie Putman, Gertrude Reid, Penny Butts, Minnie Cannon, Jess Wood, Ruth Dotson, Velma Heatherington, Al Mayo. Also present was Mr. Jim Smith.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION
NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (20% for The University of Texas System and 10% for Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

agencies and institutions of higher education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 1/2 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of those counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

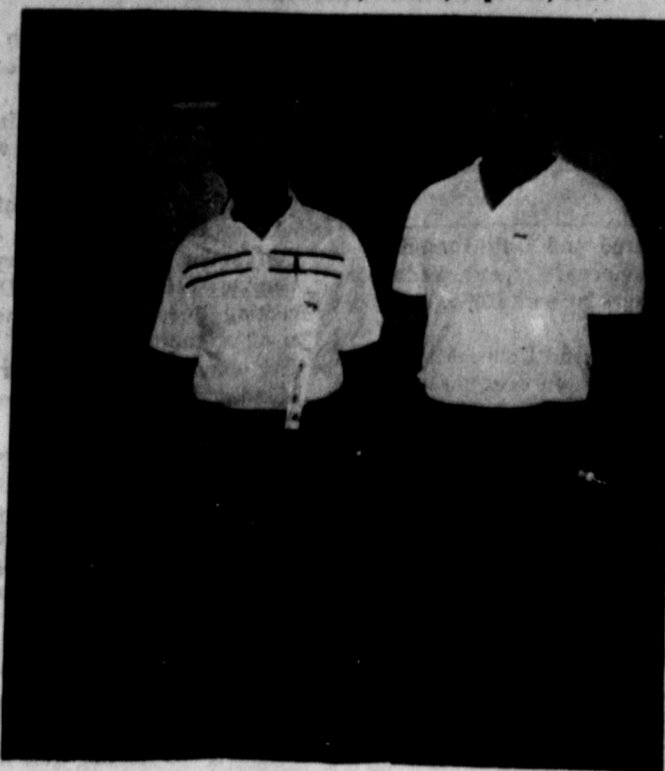

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que aparecerán en la boleta el día 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9808 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

RON EDWARDS, Audrey Klein, Sue McGuire, and Gayla Davidson.

BUDDY SHARP and Mickey McGuire.

## CHS has six new employees

Clarendon High School has six new teachers for the 1984-85 school year.

Ron Edwards has a B.S. degree from Oklahoma State University. Edwards is teaching vocational agriculture. He and his family, which consists of his wife and two

children, moved to Clarendon from Sweetwater, Okla.

Sue McGuire is a graduate of Sul Ross State University with a B.A. degree in social science. She will be teaching World and American history. She is married to Mickey McGuire and they have a son,

Chance. Mickey is also a graduate of Sul Ross State University with a B.S. degree in chemistry. He will be teaching chemistry, physical science and is one of the Bronco football coaches. Mickey is no stranger to Clarendon, as he is a Clarendon High School graduate. His father was manager of Foxworth-Galbraith Lumber Co. and his mother was a secretary at Wallace Monument. The McGuire family moved to Clarendon from Alpine.

Gayla Davidson has a B.S. degree in educational curriculum and instruction from Texas A&M University. She will be teaching FOM I, geometry, trig analysis and freshman English. Gayla is married to David Davidson and they have a 2½ year old son. The Davidsons are former residents of Clarendon before moving to Ennis. They returned to Clarendon in May of 1983. David is an employee of James F. Hayes & Co.

Audrey Klein is working on her B.S. degree in biology and PE. She has attended Angelo State University and is presently working as high school secretary. She is married to another CHS teacher, Robert Klein. They moved to Clarendon from San Angelo.

Buddy Sharp is the new head coach for the Broncos. He has a

B.S. degree from West Texas State University. Besides his coaching duties, he will teach Texas history. His family consists of his wife, Shirley, two sons, Trent who is a senior and Clay, a sophomore.

When they first married, Geraldine wasn't very adept in the kitchen. She was handy with a can opener though. They ate a lot of pork and beans that first year. By the time they had their family, she was an accomplished cook.

There have been many people who worked at the gin in the years since Nookie became manager. Lloyd Leggett worked there. So did Wayne Hansard, Peelins Dugguns, Cardwell Duggins, Jack Edens, and Booker Shaw.

Booker managed the Paymaster Gin until it was sold and moved, then he went to work for Nookie as the bookkeeper. Even after he retired, he spent a lot of time sitting around the gin office. Late one evening, Doyle Messer brought a load of cotton in and Booker got up and weighed it. Soon after, he went home. The next morning, he didn't come around and Ansil Adamson went to see about him. He found him at home. He had died during

the night.

Fred and Homer Hill worked together one fall. Fred hauled the burrs away and Homer hauled the ginned bales to the compress in Memphis.

Nookie and Geraldine have three sons. Billy married Tobitha Sanders and they live in Wheeler with their four children, where Billy teaches in the Wheeler School System. Bobby married Cheryl Phillips and they live in Hedley with their two sons. They own and operate a fruit and vegetable market. Phillip is single. He works at the gin during the season and has a bookkeeping service.

Nookie has no plans to retire in the immediate future. He does look forward to the time when he will have all the time he wants for fishing.

One of his prize possessions is a large mouth bass which he caught in a tank on the C.W.D. Tanner place east of Hedley. Tobe Woodard stuffed and mounted it and it is hanging on the gin office wall.
