A Common Paper for Common People

OFFICERS BREAK HIGH-JACKING RING LATE TUESDAY NIGHT

Curtain Club Of Ashtola To Present Play

Comedy Play Announced For Two-Night Run

The Ashtola Curtain Club is giving a play on the nights of December 7-8 at the Ashtola school auditorium. The name of the play is "Grandpa's Twin Sister," and is similar to a play presented at Goldston some years ago under the title of "Aunt Jerushy on the Warpath."

Characters in the play are: Ralph Stewart, a cantankerous old man, takes the part of Grandpa. Pat Morris becomes the grand niece in Louise. Christine Knox will be seen in "Betty," the granddaughter. Oleta Marshall plays the part of "Clara Hatcher," the bossy wife.

Reddell Henson will appear as Edgar Hatcher, the same being Clara's humped husband. Margaret Hill becomes "Maggie," and plays the part of Grandpa's Irish cook. Russell Morris as "Adam McPherson" becomes Maggie's Scotch husband.

Dr. Wyatt is the dignified part of D. W. Tomlinson, as a young doctor. Henry Collins in the play is none other than Keith Swinburne, a young lawyer.

"The show is staged two nights to conveniently take care of the crowd," a member of the cast stated Tuesday. The price of admission is only ten cents.

REORGANIZATION OF SONS OF LEGION SUGGESTED

A committee has made diligent inquiry relative to the reorganization of the Sons of Legion of Aubyn E. Clark Post. The matter will be discussed further at a regular meeting of the American Legion at the Hall the night of December 5th. The meeting will start at 8 o'clock. All those interested are urged to be present.

HEARS TAFT SPEAK SUNDAY IN AMARILLO

Among those to hear Senator Robert C. Taft speak Sunday was Chas. H. Bugbee, former postmaster and leading republican of this section. The banquet room of the Herring hotel was filled, Mr. Bugbee stated, with an estimated five hundred from over the Panhandle. "His sincerity and simplicity and talk without caustic remarks or bitter criticism won his audience," Mr. Bugbee said.

Lelia School Faculty Feted

Members of the School Board and Patrons of the Lelia Lake school entertained the faculty with a Thanksgiving dinner at the school house on the evening of November 23rd.

The delicious turkey dinner was served on a table formed in the shape of a "T" for Thanksgiving. The centerpiece was very attractive being made of little pumpkins and representing a woman driving turkeys.

Games of 42 and shuffleboard were enjoyed while listening to music played by Mr. Sam Roberts, J. B. Webster, Will Walling, and J. R. Batson.

Sides were chosen with Mr. Raymond Wilson and Mr. W. W. Wiggins as captains and many enjoyable games were played. Various contests were held with the understanding that the losing side was to entertain the winning side on February 14th.

There were 65 people present at this enjoyable event, and the community is looking forward to other gatherings of a similar nature.

WPA Jobs Will Be Available For Farmers

Those Affected by Drouth Will Be Given Work Two Months

Letters have been received here by county judge R. Y. King and H. G. Tatum, county case worker, from the district WPA office in Amarillo informing them that certain work will be available soon to farmers affected by drouth.

Quoting from the letter: "The WPA has been authorized to give temporary employment not to exceed two months to a limited number of farm families who are in need because of drouth."

While the number is not named in the letter, it is learned from other sources that approximately sixty-five men will be employed on a road or other project. The work may be started soon as the appropriation has already been made.

At this time it could not be learned just what contribution would be made by the county. At the same time, it will be recalled that the county has borne a portion of expense on similar projects in the past.

CLUB TO SPONSOR YULE TREE DECEMBER 21st

Announcement is made that the McDowell Club will sponsor a Christmas tree on the courthouse lawn the evening of December 21st at 6:30 o'clock. Food, clothing and gifts suitable for children will be given the needy.

LOVELLS VISIT BROWNFIELD

Mr. and Mrs. S. H. Lovell were over at Lubbock to see their son E. F. Lovell and family over the week end. They took time to run down to Brownfield to see Mrs. Lovell's brother, E. L. Cornelius and family. Mr. Lovell says he saw great piles of feed down that way, including corn.

HALL COUNTY REA WILL EXTEND ITS LINES

The Hall County Electric Co-operative has announced contract for construction of the 126-mile extension of the line will be let here Dec. 8. The extension will begin at Giles, Van, east along Red River to Farnell and a southerly direction to Turkey and southeast to Motley County to serve 300 farm customers.

With the inclusion of 112 miles of transmission lines now in service the extension will give the Hall County Electric Co-operative 238 miles of lines serving 500 farm homes.

Will Attend Highway Meet

Donley County Citizens To Attend Banquet At Childress Tuesday

Several from here will attend the banquet sponsored by the Board of City Development and Chamber of Commerce of Childress next Tuesday night. This banquet is given in honor of the visit of certain highway officials.

The banquet will be held in the high school gymnasium, the program to begin at 7:30. Harry Hines, member of the State Highway Commission, will make the principal address.

Members of Donley county's commissioners court are expected to attend. Others from here who expect to be there are J. R. Gillham, Odos Caraway, Sam Braswell, J. T. Patton, Homer Mulkey, J. H. Miller and likely several others.

Kiddies Stage Big Show To Bigger Crowd

Enthusiastic Applause Greeted Youngsters Friday Evening

The program sponsored by the Parent-Teacher Association, and presented in the College Auditorium Friday night is said to have eclipsed anything yet in which the little folks made up the actors.

The large crowd was responsive and applauded frequently, all of which lent encouragement to the directors as well as the actors.

Story book hour lived all over again in King Cole as well as "Ferdinand the Bull," "Indian stories brought Hiwatha back to the fore as well as "Humpty Dumpty," "Snow White and the Seven Dwarfs," modern feature in every respect featured in movies and national advertising, all shared a prominent part.

Popular skits like "Catching the One O'Clock Train," met with popular favor.

The parts taken by tots and those above that age, were played in a manner well reflecting much credit upon those who had charge of rehearsals.

The financial success of the venture was most pleasing, according to information given the Leader by a member of the Parent-Teacher Association.

Lelia Youth On Tour With College Choir

A Capella Choir Making Tour of Texas Counties

The A Capella choir of which Bobby Leathers is a member, is representing North Texas State Teachers college of Denton on a tour of some fifty counties of Texas. The tour will cover a trip of around 1900 miles, during which time 18 concerts will be given.

This Choir will be heard at the State Teachers convention in San Antonio this week.

When the choir members arrived at Vernon Sunday, several from Clarendon were there to hear them. Among those going down were Mr. and Mrs. H. K. Leathers, Mr. and Mrs. Allen J. Bryan and sons, Manley and Gene.

JACK GOLDSTON TO TEACH GAS COURSE AT PAMPA

The natural gas course now being taught as a part of the evening classes of the department of education was reorganized Monday night in Pampa, with Jack Goldston of the Shell petroleum company as instructor. Eight courses in oil field work is being conducted at the Pampa high school.

BILLBOARD WAR GATHERS FORCE IN MANY STATES

Delaware, West Virginia and Tennessee passed laws this year barring billboards from obstructing highways. Movements are on foot in 20 other states to discard "roadside slums" and scenery obstructions along highways.

COTTON CROP FALLS UNDER THAT OF LAST SEASON

A federal census report shows that 6,355 bales of cotton were ginned in Donley county from the crop of 1939 to November 14th. The ginings at the same date last year were 7,877 bales.

Farmers Must Decide Cotton Market Plan

Ballots Must Be Cast In Election December Ninth

County Agent, H. M. Breedlove, announced this morning that December 9th was the date on which farmers would cast their votes in regard to Cotton Marketing Quotas. Breedlove said that farmers eligible to vote in this election would be farmers who grew cotton in 1939 or had an interest in the cotton crop in 1939. This, of course, would include landlords, tenants and share croppers.

Ballot boxes will be located at the following places:

- Clarendon-County Agent's office.
- Midway-school house.
- Hudgins-school house.
- Whitefish-school house.
- Skillet-school house.
- Goldston-school house.
- Bray and McKnight-Bray school house.
- Lelia Lake-Lumber yard office, Lelia Lake.
- Giles-school house.
- Ashtola and Martin-Martin school house.
- Hedley-City Hall.

BUYS ALEXANDER FARM NEAR MIDWAY

The old Alexander farm of 320 acres changed hands recently. J. H. Nance, one of Donley's best farmers of that section, purchased the farm and already has extensive improvements in mind. The Nance family has resided in that section six years.

VISIT IN TODD HOME HERE

Mr. and Mrs. L. L. Mitchell and daughter of Lakeview, Mr. and Mrs. Bill Todd of Chamberlain and Mr. and Mrs. Dexter Todd of Clarendon spent Sunday with their parents, Mr. and Mrs. A. P. Todd of Goldston.

THANKSGIVING IN AUSTIN

After visiting relatives in Clay and Montague counties, Mrs. J. C. Estlack will spend Thanksgiving with her sons and their families in Austin. She is expected to return home for Christmas.

Sam Silvers Died Tuesday

Resident Here Since 1917 Was the Father of 16 Children

Funeral services were conducted at the Church of Christ at 2 p. m. Wednesday by the pastor, Claude C. Smith.

Mr. Silvers was a native of Missouri where he was born July 22, 1860, coming to Texas at the age of seven. He married Miss Laura Eplen December 6, 1885, and to this union sixteen children were born, twelve of whom, with the mother, survive.

The surviving sons are: Willie and Clarence, Lefors; Raymond, Ft. Worth; John, Glen Rose; Graden and Lloyd, Amarillo.

The daughters surviving are: Mrs. Ollie Veazey, Friona; Mrs. Lillian Davis, Lefors; Mrs. Maude Adams, Clarendon; Mrs. Ida King, Oklahoma City; Mrs. Vivian Moore, Amarillo; Mrs. Gladys Paxton, Pecos. Twelve grandchildren and three great grandchildren survive.

Mr. Silvers had been a member of the Church of Christ for thirty-two years. He had been a resident of Clarendon for the past seventeen years.

The Buntin mortuary had charge of funeral arrangements.

Stores Are Closing For Thanksgiving

Statements from local merchants today indicate that practically all of them will be closed tomorrow for Thanksgiving. The Leader is coming out a day early to enable the staff to properly observe the day of Thanksgiving.

All the banks will be closed. The postoffice will remain open, they having observed Thanksgiving the 23rd according to directions of the President.

Large Crowd At Annual Banquet

Verna Lusk Is Elected President For Coming Year

More than one hundred and seventy fathers and sons were present for the annual Father-Son banquet Thursday night, held in the basement of the Christian church.

Junior Speir opened the program with an address to the fathers. His talk was pointed and contained much common sense along with wholesome appreciation. Dean R. E. Drennan followed with the father's talk to the sons. Among the many other good suggestions, Dean Drennan said, "we must live so that our sons cause us as good examples."

Basil Kirtley with his cornet and Billy Thornberry at the piano gave the first musical numbers.

Rev. M. M. Miller, pastor of the Presbyterian church made the principal talk. "Youth has not gone to the devil," was among his opening statements. "Hereditry, environment and training are important features in character building," he said. His address was well received.

The Clarendon band, directed by Ray Robbins, gave several numbers at this point.

Dr. B. L. Jenkins presided in "pinch-hitting" for Jack Reeves through the main program. Jack "took over" for the election.

Mr. Hugh Brown was the oldest father present, and George Wayne Estlack the youngest. G. D. Shelly easily won first honors for having the most sons present. He had six around the table and in the band.

Fred Russell qualified as the oldest son present with his father, A. T. Russell. Youngest son contest failed to materialize as no babes were present.

In the election, Verna Lusk becomes president for the coming year, with Junior Speir vice president.

Four directors were elected, two represent the fathers and two the sons. The fathers are represented by L. E. Thompson and C. J. Douglas. The sons by John Burton King and Jimmie Gene Thompson.

Dr. B. L. Jenkins was given an ovation when the fact was mentioned that he fostered the movement of Father-Son back in 1921. Likewise by unanimous vote, a special message was sent Dr. Oscar L. Jenkins at Dallas who was unable to be present.

ASSEMBLY OF GOD BEGINS WORK ON CHURCH

A church approximately forty by fifty feet in dimensions is being constructed on the vacant lot just east of the Lee Holland home. They expect to have the church ready for services by the first of the year, or before. Mrs. Alma Wisdom is pastor of the local Assembly of God church.

LOWES TAKE DAUGHTER TO DALLAS CLINIC

Ill for more than two weeks, Sammy Jo Lowe, aged 7, showed little improvement. Fearing that she had an attack of what is said to be acute Bright's disease, she was taken to Dallas Tuesday by her parents, Mr. and Mrs. S. W. Lowe.

FAULTY MUFFLER LEADS TO ARREST OF FIRST MAN

First Man Arrested In Skellytown Gives Officers Signed Confession Implicating Three Men and a Cafe Waitress

What About Our Police Radios?

Yes, what about them? That is what folks are asking every day. The public sees in the radio hook-up here a greater protection against high-jackings and other crime that is increasing at this time in the Panhandle. This equipment is needed right now before the Holidays. There is more crime in winter than in summer. The Leader stands back of crime prevention and our peace officers first, last and all the time. What about the police radios? Practically every other county of similar population in the Panhandle has the short wave police radio system. That prompts the question: What about ours?

The saving in phone calls alone would pay for the equipment within a year according to the way it has worked out in other counties. There would have been a big saving in time phone calls and gasoline Tuesday night in the roundup of highjackers had the local Sheriffs car been equipped with a short wave radio system.

JOHNSTON IS LEAVING SOON TO TRY NEW MEXICO

Visiting relatives near Albuquerque gave V. V. Johnston of the Chamberlain country an idea that irrigated farming was safer than dryland farming, though he has made a success of the latter here through the years.

Mr. and Mrs. Johnston will leave right soon to take up their residence near the biggest town in that state. Mighty fine folks, the Johnstons, and a lot of friends will regret their leaving.

STATE SCHOOL LAND SALE SET JANUARY 2nd

A sale of some 200,000 acres of state school land is to be sold January 2nd, according to a letter received Tuesday from Bascom Giles, state land commissioner. Donley county has no listings. Childress and Collingsworth has a limited amount. Full information may be had from the state land office.

Yule Pageant Being Planned

The Parent-Teacher Association will present a Christmas pageant on the night of December 21st, Mrs. D. F. Wadsworth, the president, announced Tuesday. The 4th and 5th grades will present the play.

The organization has been very active since school opened, and expect to offer other worthy programs during the winter, it is said.

Other officers of the P-T. A. are Mrs. Jack Molesworth, vice president; Mrs. L. B. Penick, secretary; Mrs. B. T. Prewitt, treasurer; Mrs. Harry Hart, corresponding secretary; Mrs. Van Kennedy, historian.

The Association meets on the third Thursday afternoon in each month.

SON IS BORN TO TAYLORS MONDAY NIGHT

A son was born to Mr. and Mrs. Homer Taylor, seventeen years after the birth of their first born. He has been given the name of Donald Wesley. The only other child is Lois Marie, a high school student.

HERE FROM DALLAS

Mr. and Mrs. Hollis Leathers and son of Dallas visited relatives in Lelia Lake and Clarendon the past week. Hollis is a son of Mr. and Mrs. H. K. Leathers, and is a director of Safety Services in Dallas.

Mrs. W. E. Lyons Is Buried Here

Mrs. Lyons, former resident of this section, passed away in Quitaque at 4 a. m. Saturday. The body was accompanied by a large number of relatives and friends to Clarendon where interment was made Sunday afternoon. C. E. Lyons of Amarillo is a son, he and Mrs. Lyons attended the service.

JESSE JAMES AND POLITICAL TRICKERY IN 1939

Jesse James must have had some sense of propriety because he robbed only the richest. It is said that he gave stolen money to poor widows. He had a great idea when he had his horse's shoes turned around so that officers could not track him properly. It all reminds one of present day politics. The professional politician covers up his tracks. Instead of turning his shoes around, he turns his pockets inside out to fool voters with his alleged honesty. Politicians make the laws by which politicians win. All through the longest depression our nation has ever known, taxes have constantly risen because the number of political pets have constantly increased.

Fritz Kuhn is charged with swindling some of his own gang. Taxpayers money is being wasted prosecuting him. At the same time we all know that Kuhn gang is un-American. Over at Detroit John Louse Lewis at the head of the CIO, another un-American monster, is running rampant. He collects two dollars per week from his peons with which to fight American industry. A large taxpaying industry is paralyzed. The

same racket is being carried on in a number of large American factories at this time. Why not use the taxpayers money in prosecuting an organization that is hijacking American workmen? We don't need foreign ideas in American business, or in American lives. Neither do we need professional politicians feathering their nests at the expense of the American citizen who is willing to work and pay his way.

Katheryn's Mother Discharges Last Duty for Her

There came to the Leader office Tuesday morning a letter from Bellevue. It contained a copy of the last letter being mailed out by Mrs. Sam Hodges, mother of Katheryn, the crippled girl whose story appeared in the Leader November 9th. This short letter is being printed here for those who remembered Katheryn since personal letters to each are impossible. The letter: "Dear Pen Pal: The life of Katheryn Hodges expired Thursday morning, November 23. Our earnest

prayer is that God will repay you with blessings for the rays of sunshine that you cast on her life by your kind and thoughtful deeds."

This letter will be printed in a number of papers over the nation, no doubt. It will be mailed to a number in foreign lands. It tells the story of the gratitude of her parents, and carries the thought of the little lady who brought sunshine to others while making the most of an earthly handicap that no longer exists.

Guineas Added To Game List

Cuban Birds Fly Quarter of Mile When Flushed

AUSTIN, Nov. 28.—While Texans are blasting away at deer and turkey, the Texas Game, Fish and Oyster Commission has, in an effort to add to the wildlife supply of the Lone Star State, released 200 wild Cuban guineas on three south Texas areas, it was announced here today by the Department's Executive Secretary. It has long been believed by the game chief that wild guineas will prosper in several sections of Texas. In Cuba the wild guinea, which is not as plump as the domesticated guinea of the United States but which is more streamlined, is considered a rare game bird and hundreds of Americans travel to that island annually for that sport. Should the birds prosper in the

areas where they were released, the Game Commission plans to obtain, if possible, an additional thousand birds. However, a full test of the wild guineas' adaptability to conditions in Texas cannot possibly be completed for two years.

Wild guineas flush easily and, in contrast to the domesticated guinea, which they resemble greatly in color, fly as far as a quarter mile when flushed. Due to the fact that the birds roost high in trees and therefore are not so accessible to predators and because climatic conditions in South Texas are similar to those found in parts of Cuba, it is believed the birds will do well. They start nesting in March in Cuba and have clutches of eggs ranging in size from 20 to 30.

HEDLEY 4-H CLUB BOYS WILL STUDY TANNING

County Agent H. M. Breedlove said this morning that the Hedley 4-H Club boys will start leather tanning demonstrations next week. Breedlove will conduct a class with the 4-H Club members at Hedley on the tanning of leather. This leather will be used by the boys for various repairs on the farm. Breedlove says he expects to start this demonstration around the middle of next week.

After the leather has been tanned, members of the club will make bridles, halters and various other useful articles to be used on a farm.

Mr. and Mrs. G. W. Estlack and daughter, Jacqueline, spent Sunday with Mrs. Faye Scoggins in Quitaque.

Mr. and Mrs. W. E. Betts of Clovis spent Sunday night with Mrs. C. A. Burton.

Mrs. J. R. Cox and Edurna of Beaumont are visiting their daughter and sister, Mrs. Tucker.

WINTER'S ACCURSED 90 HOURS

—mild to your OIL-PLATED engine

CONOCO GERM PROCESSED OIL

CONOCO from Your Mileage Merchant

5 to 8 minutes isn't "such a much" unless your cold engine is straining that long without prompt lubrication. And how much worse when you figure that less than a dozen cold starts a day threaten all of an hour's lubrication delay. In the course of the Winter that could exceed 90 hours of risky slow-motion oiling . . . that's what—90 hours!

Let's be sensible and not just hope blindly that 90 hours or even half that won't hurt. The way to avoid the worst chance of harm is to change today to OIL-PLATING.

Automatically your engine becomes OIL-PLATED as you drive from Your Mileage Merchant's Conoco station with a fill of his Conoco Germ Processed oil—patented. The basic patents cover the use of a rare man-made substance

that goes into this Germ Processed oil to effect the close union or bond between the oil and the engine parts. Like chrome-plating on the bumpers, OIL-PLATING in the engine can't drain down every time the car stands, and therefore OIL-PLATING isn't waiting to be restored "from scratch" every time you start up again. How different from oils that can only flow fast! Surely OIL-PLATING must beat them to it. In advance of any flow, it's there! This drain-proof slippery

OIL-PLATING lets the starter turn easy, the engine turn fast, and you're safely away. The only way is a good long one before you'll ever need to add another quart of Germ Processed oil. From Your Mileage Merchant only. OIL-PLATE today. Continental Oil Company

TEMPLE OF TRUTH

By the Apostle

FEMININE DISCOVERY.

The greatest surprise to easterners when this tourist traffic west started was the beautiful women of the Texas Panhandle. They came out thinking that our women were hard lookers because of the drouths, high winds, sudden changes of temperature and dust storms. They expected to see women with complexions like leather and knees sprung from hard riding on wild ponies. Did they? Not much! They found women with hair as varied as the colors of autumn and as fine as spun gold; eyes like pools wherein is hidden reflections of sympathy and understanding; a voice soft and musical attuned to mother-love; a form sylph-like unrestrained by the penalty of fashion's decree; a face reflecting the joy of living in God's great outdoors. Western women are the most beautiful, and the prize winners of the universe are to be found only in the Panhandle of Texas.

STREAMLINED WOMEN.

When our western girls go back east they wonder about it. They are streamlined. What would a western girl do in a saddle with a bustle hump that made her look like a sedan with a built-in trunk?

MEN COMING TO IT.

A shoveler in a mine in Utah took the state prize on his crochet and embroidery work; a Kansas farmer took first on tatting in New York City, though his profession was taming wildcats. That's nothin' to brag about. In the Panhandle of Texas more men know how to wash dishes than any other section. They can cook, too, in a pinch.

HENGLAND 'AS IT.

We have a lot of folks apeing the English by calling dinner "lunch" these days, though they skip "tea" at 4 in the afternoon. Busy as the English are getting in the explosive campaign the past week, they won't have time for anything but "chow, chew and chomp." That's where we get back to America again for habits and customs.

STORY WITH A MORAL.

Her lips quivered as they approached his. His whole frame quivered as he looked into her eyes. Her body shook with intensity as their lips met. Their chins vibrated and their bodies shuddered. The moral is: Never kiss in a flivver with the motor running!

THE FUTURE.

In this day of hectics, only a chick has enough confidence in the future to break out and take a chance.

LOCATION.

People who live in Boston are measured by what they know; Philadelphia by the family name; Chicago by what they are worth in money; Hollywood by the number of times married.

YEH! THEN WHAT?

The surest way to cure a man who is always aching about the time women spend at a beauty shop, is to let him hang around a bunch of women who have no regard for their personal appearance.

THE GAME OF LIFE.

One thing about life that concerns us intensely is that we always pay in full for our mistakes. If we waste our younger years, we pay for it later. If we squander our money today, we pay for it tomorrow. If we do the things hurtful to our health today, we pay for that tomorrow, too. We can ignore fate today, but in the end it exacts full payment. It's all a game we simply can't beat.

BOOKS THAT LITTLE WILLIE STUDIES IN SCHOOL

Everybody knows little Willie's textbooks are free—but where do they come from?

Who has the responsibility of selecting what he should read and study in the public schools?

Answer to both questions: The state board of education. The board, separate from the state department of education, has the last word in all educational matters in the state, including the expenditure of from \$1,000,000 to \$2,000,000 a year for textbooks.

Following the grade school pupil from the smallest one-teacher rural grammar school, all the way thru high school, the board make all decisions concerning his education—how many days he will go to school, what holidays he shall have, how much money shall be spent on his education, what books he shall study, what new schools shall be established to help him along.

On the second Monday of each October the board meets in Austin and opens sealed bids from publishers of textbooks. Copies of the offered books are then given to a committee of five educators—engaged in teaching—and they pick what they consider the best of the lot. Finally the board makes its decision from among the books chosen by the teachers' committee.

When the board issues its annual call for bids, it describes each book desired. For instance, a request was

made for "a textbook in civics for the seventh grade." Still another, requested after the September declaration of war, read: "A textbook containing the basic charters and documents of American Democracy, both state and Federal, and a discussion of them."

Textbooks are adopted for not more than six years, and when out of adoption, worn out, or damaged, the books are disposed of as the board sees fit.

The board of education is composed of nine members appointed by the Governor and confirmed by the

Senate, and they serve for six years each, three members retiring every two years. They receive no pay, except expense money for the days during which they meet in Austin the first Monday in each month, excepting on the annual textbook purchasing day.

Mrs. R. Y. King and Mrs. Eva Draffin and Mrs. W. B. Sims were Amarillo visitors Friday.

Mrs. Slover, Mrs. Dickey and Miss Pressler of Memphis visited friends here Saturday.

4-H CLUB BOYS HAVE FINE MATERIAL FOR SHOW

Donley County 4-H Club boys are really going to work on their various demonstrations preparing for the spring shows to be held in March. County Agent, H. M. Breedlove said this morning that beef calves now on feed were without a doubt the best that he had ever had fed under his supervision. "The boys with swine demonstrations have some of the best pigs I have ever seen," Breedlove said. The 4-H Club boys have

26 beef calves on feed and 182 pigs. Breedlove is very enthusiastic over the prospects of his boys winning high honors in the spring show.

In 1939 4-H Club boys fed first place Jr. calf at the Amarillo Fat Stock Show which was also judged the best Panhandle calf at the show for which Johnny Leathers received a beautiful wrist watch. Floyd Lewis, another 4-H Club boy, also took first in his division of the Royal Livestock Show held in Kansas City this fall.

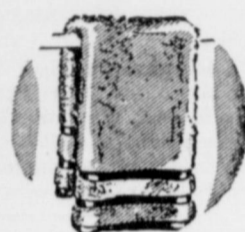

Mr. and Mrs. T. H. Stewart are spending the holidays in Lubbock.

THE PATHFINDER CLUB

The Pathfinder Club met Friday afternoon, Nov. 24th at the Club Room with Mrs. Dishman presiding. By vote Mrs. Paul Shelton's request that she be placed on the Associate roll was granted.

Mrs. Charlie Bairfield, delegate to the State Federation meeting at Wichita Falls gave most interesting by the high lights of the convention.

In the absence of the leader, Mrs. Patrick, Mrs. C. A. Burton led the program. Mrs. L. N. Cox gave excerpts from the book which was a best seller for several months during the past year, "With Malice Toward Some" by Margaret Halsey. English peculiarities from the American viewpoint are shown up in a piquant style by the author, and were much enjoyed as given by Mrs. Cox. The other side of the picture as shown by the English author Stephen Leacock was given by the leader in an article entitled "Americans Are Queer." So we all agreed that "all the world art queer but me and thee."

The hostesses, Mesdames T. H.

Ellis and Frank Brown, assisted by Mrs. R. L. Bigger, served refreshments to twenty-seven members and one guest, Mrs. Joe McMurtry.

MOTHER'S CLUB HAS HUSBANDS PARTY

The Mother's Club held their annual husband party at the Club room Tuesday evening.

Mums were used in clubroom decorations. A delicious two course turkey dinner with all the trimmings was served at 7:30, followed with games of "42."

In the games Mrs. Carl Peabody won high for ladies, Mr. J. H. Howze high for men.

PARENTS ENTERTAINED BY PRACTICAL PUPILS

The Homemaking Club of Lelia Lake entertained their parents and friends with a Thanksgiving Dinner on Tuesday, November 28, in the Homemaking Department.

The guests were received at the door by two members of the club dressed as a Pilgrim man and woman. The men were presented collars, cuffs and hats and the women were given aprons, handkerchiefs, and bonnets so that they might attire themselves as Pilgrims.

The Thanksgiving motif was carried out in the decorations. Autumn leaves were scattered over the length of the table and miniature turkeys served as a centerpiece.

After the dinner 40 guests were taken to the gymnasium where they were entertained with table games, shuffleboard, feeding the turkey, guess who, and a play, "Home, Sweet Home" by the Homemaking Club.

FOOTBALL BOYS ARE GIVEN BUFFET SUPPER

Mr. and Mrs. Bert Smith and Mrs. Colie Huffman entertained the football boys with a Buffet supper at the

Smith home Friday evening.

The supper was served at 8 p. m., with the guests being seated at small tables. Football pins with bronchos printed on them were given as plate favors.

Guests were coach Emil Hutto, line coach O. C. Warden, football queen, Jerry Ryan, Mr. and Mrs. R. E. Drennan, Mr. and Mrs. H. T. Burton, and football squad: Alton Gobby, Boyd Allison, Jack Rolf, George Reeves, L. B. BACK FROM CALIFORNIA
Rev. Charlie Williams, old time resident of Donley county, who has spent the last few years in California, has returned home and is at present located at Goodnight. Rev. Williams stated that he is glad to be back home again, but at this time has no definite plans worked out as to his immediate future.

F. F. A. PARENT NIGHT SET FOR DECEMBER 7th

Local F. F. A. members have set the night of December 7th as "parent night" at which time they will entertain their parents at their regular meeting. A number of parents have attended the meetings from time to time, but this is the first time in the history of the organization that special invitations have been given all parents to attend a meeting. The youths will hold a regular meeting in addition to providing entertainment for their parents so that the parents may understand more of the workings and programs of the chapter members. The meeting will be held at the chapter room and will open at 6:30 p. m. Bro. Henshaw has been asked to speak to group.

"Aggies" Have Chapter Projects
Cooperative group projects are being carried on this year by the future farmer members for the purpose of creating better cooperation among the members and to provide a means of raising funds for the local chapter. Two Hampshire pigs were recently purchased by the chapter and have been placed under the supervision of a committee for fitting for the spring show. The pigs will be fed a balanced ration and sold immediately following the spring shows. In addition to the swine project the chapter members are also caring for three registered Jersey bulls and five registered hares as cooperative projects for the purpose of improving the quality of livestock in Donley county.

"Aggies" Carry On Community Poultry Work
Over 1500 birds have been vaccinated for roup by members of the Clarendon F.F.A. chapter during the past month, and an equally large number of young birds have been treated for intestinal worms. The youths have found an unusually large epidemic of roup and colds among poultry in this section and have vaccinated large numbers of poultry for patrons as well as themselves.

In addition to treating the birds for roup and intestinal worms, the youths have called over 1,000 hens for egg production for their parents and other school patrons. Members of the vocational agriculture classes under the direction of their instructor welcome opportunities to do community services of this type when it does not conflict too seriously with their school work.

F. F. A. Members Observe Home Improvement and Fire Prevention Week
The week ending Wednesday, November 29th, was observed as Home Improvement and fire prevention week by each of the members of the F.F.A. chapter. Each member performed some job of home improvement during the week. The majority of the jobs performed by the members was the improvement of the various home conveniences. In addition to the job completed this week, all members will complete one or more jobs on home beautification during the year. Setting out lawns, trees, building rock walks, and flower beds are the most popular types

of home conveniences that will be engaged in by the members. Fire prevention lanes were built by a number of the members; fire hazards were removed and destroyed, and various other phases of fire prevention were carried out during the week. Clearing fence rows was one of the most common types of jobs carried out by the students.

BUY THE TIRE THAT'S 3 WAYS SAFER

- 1 Safety-Lock Sidewall**
For extra strength and safety the lower sidewall of every Richland is reinforced by carrying the two inside cord fabric plies around bead cable and up into lower wall.
- 2 Super-Flex Cord**
The Richland carcass is super strong because its dense-twisted Super-Flex Cord concentrates great strength in small bulk. This makes sturdier, cooler running, safer tires.
- 3 Densite Tread**
Richland's Densite Tread is tougher, denser, longer-wearing. Its scientific 6-Bar design puts more rubber on the road to deliver greater mileage and protection against sidewall and forward skids.

DON'T take tire troubles with you when you take a holiday. Many a pleasure jaunt is spoiled by unsafe tires. All kinds of things can happen to worn tires. Don't run the risk. Buy new Richlands and enjoy new tire safety.

Richland Tires offer you the utmost in safety, service, longer wear and more miles. Streamlined for better looks—they ride easier, cooler and provide more comfort. Their tough, wide, 6-Bar treads grip the road, steer better and prevent skids. Their stronger carcass give you the utmost in blowout protection.

Let us put new, safe Richlands on your car. You can then ride in absolute tire security no matter where you go.

AN INSTITUTION WITH A NATIONAL REPUTATION FOR THE TREATMENT OF CHRONIC DISEASES

To Whom It May Concern:

I came to the Milling Sanatorium in July scarcely able to walk into the hospital without assistance. I had high blood pressure, a bad heart and many other ailments. Also my eyesight was failing me. I stayed eight weeks and took treatments. Today I am well and enjoying life to the limit. My eyes are fine, and I owe many more thanks to the institution than I can find words to express.

Garfield and Lane Team Starred In Pastime Drama

"Dust Be My Destiny," the new film opening at the Saturday night Prevue at the Pastime Theatre, has John Garfield and Priscilla Lane in the starring role, and although this

is the third picture in which they have been teamed, it is the first one in which they achieve what promises to be lasting marital happiness. For all its happy ending, however, the new picture carries the young couple over a hard and rocky road before they reach the end of the rainbow. Throughout most of the film's poignant and often melodramatically exciting course, the two youngsters flee like a couple of hunted animals from officers who believe the boy has murdered his

girl-wife's stepfather. Yes, they're married very early in the proceedings, but it is a long time before they are able to lead a normal, happy married life. And, in the end, it is only the noble courage of the young wife which brings about this happy consummation.

For, sick and weary of being hunted, she dares the hatred of her husband, and turns him in to the police. He is convinced that a couple of "no-bodies" can't get a square deal, and when he is tried for the supposed murder of the old man, who actually died of heart trouble, it seems indeed as if circumstantial evidence is about to twist a noose around his neck. Aside from the two stars, the cast includes Alan Hale, Frank McHugh, Billy Halop, Bobby Jordan, Charley Grapewin, Henry Armetta, Stanley Ridges, John Littel, Moroni Olsen and Victor Killian. The screen play, written by Robert Rossen, was based on a novel by Jerome Odlum, who also wrote the novel from which "Each Dawn I Die" was adapted. The production was directed by Lewis Seiler.

John Garfield and Priscilla Lane, starring in the Pastime Theatre's new hit, "Dust Be My Destiny," Warner Bros., romantic drama.

Census Taking Will Cling To Party Favorites

WASHINGTON—Some time in April next year a census enumerator will call at your house. If you live in town or city he will probably call in the first two weeks of April. If you live in the country it may be later. This census-taker will probably be a Democrat.

The preliminaries of the great \$53,000,000 job of taking the decennial count of every human being in the United States, along with that of homes, factories and dozens of other vital matters, are now in full swing. According to Edward J. Noble, Undersecretary of Commerce, the task is a "prime manifestation of democracy in action."

Going down the line, here are some of the jobs which the census involves:

1. Area managers:—104 of them receive \$300-\$350 a month; work for eight or nine months. One-third are picked from permanent civil service staff, others chiefly selected by Democratic Senators. They must understand the area.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to loosen germ laden phlegm, increase secretion and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding that you are to like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

go intensive training in Washington where the "unfit" are either weeded out or given minor posts.

2. Assistant area supervisors: receive \$175 to \$300 a month. Like the managers they are selected at Washington, and are chiefly from the dominant political party.

3. District supervisors: receive \$2,000 base salary for job of about seven months, with graduated bonuses bringing their total return to around \$3,000 or more. There are about 565 districts under these supervisors. These jobs are political plums for Representatives (rather than Senators, as above) and are the backbone of the patronage aspect of the census. Their districts conform roughly to Congressional districts. The lack of civil service is most serious in respect to these appointees, for they do not come to Washington for training like the area managers, and are theoretically responsible for picking the enumerators under them, giving them appointment of around 200 or 250 minor posts each. In practice a majority of these enumerators are picked by the Democratic Congressman, or by the Democratic patronage committee in the district, if it happens to be Republican. Republican Congressmen are ignored in selecting supervisors, although under an amusing system of noblesse oblige, the seven Republican members of

the House Census Committee are given selections in their own ball-wicks.

4. Enumerators: these are the men who actually make the count. There will be about 133,000 of them, a majority of them Democrats. They are paid on a piece basis, work for 4 to 6 weeks (though some of them making the census of manufacturers will work 5 months) and may get around \$6 to \$9 a day. They must meet various tests and standards which guarantee minimum proficiency. Furthermore they are subject to the check of some 2,300 inspectors,

(themselves probably Democrats, since they are in turn named by the district supervisor) who place efficiency above party once they are appointed.

Thus America's \$53,000,000 census is partly in politics and partly out.

11,024 Wheat Growers Take Out Insurance

COLLEGE STATION.—Operators of more than eleven thousand Texas wheat farms have no fear of drought, pestilence or other disasters in 1940 because they know they will harvest more than five million bushels of wheat come what may.

With nearly all applications for 1940 all-risk wheat crop insurance audited, E. R. Duke, state crop insurance supervisor, reports 11,024 applications accepted, insuring the production of 5,423,852 bushels of wheat on 853,732 acres. Premium payments on this insurance totaled 1,129,403 bushels, the equivalent of \$712,370 in cash, he said.

Farmers Urged To Vote For Cotton Plan

COLLEGE STATION.—If you produced cotton in 1939, you are eligible to vote in the 1940 cotton marketing quota referendum December 9, Geo. Slaughter, chairman of the state Agricultural Conservation Association committee, announced at a state committee meeting this week. Slaughter pointed to the instructions for holding marketing quota referendums which set out that landlords, tenants and sharecroppers are all eligible to vote if they produced cotton in 1939.

"They are not only eligible to vote but are urged to vote," Slaughter declared. "The important thing is to get as many of the eligible voters as possible to the polls, so the results will be really representative of the cotton farmers' wishes."

"Any cotton farmer who fails to vote on cotton marketing quotas is not as interested in his own business as he should be. The outcome of the referendum means a lot to individual farmers as well as farmers as a whole, and each vote will have its effect on the result."

For cotton marketing quotas to be in effect in 1940, he pointed out, two-thirds of all farmers voting must favor them.

Since marketing quotas are not applicable to cotton with a staple length of 1½ inches or more, farmers raising such long staple cotton will not be eligible to vote, the chairman said. Each farmer, whether landlord, tenant, sharecropper, part-

nership, corporation, association or firm will be entitled to one vote only.

McMurtry Rites Held In Pampa

President of Texas Grain Dealers Had Resided In Gray County For 35 Years

Services were held at 3 o'clock at the First Christian church in Pampa Sunday for L. C. McMurtry, 54, who passed away there Saturday in a local hospital. Rev. B. A. Norris, the pastor, officiated.

This is the first death to occur in the W. J. McMurtry family. The parents, and eleven other children attended the services Sunday. The deceased had resided in Pampa 28 years.

Mr. McMurtry became ill three weeks ago. He was taken to a local hospital two weeks ago but failed to rally.

It was in the fall of 1904 that Mr. McMurtry moved to Alameda where he taught school. A year later he moved to Lefors and taught school until becoming deputy sheriff and tax collector for Gray county in 1907. In 1911 Mr. McMurtry moved to Pampa to become connected with the Pampa Grain company. A year later he joined Dave Osborne in opening the McMurtry Grain Company at Pampa.

Mr. McMurtry was president of the Panhandle Grain Dealers association and president of the Texas Grain Dealers association. He was a member of the Pampa school board for many years and was one of the leaders in building the present Pampa high school, in 1919. He was also a city councillor.

Mr. McMurtry was a civic leader during Pampa's rapid growth. He was active in chamber of commerce work and was a booster for good roads. Five years ago he retired from active business.

He was a member of the Masonic lodge, a charter member of the Shrine at Amarillo, and a member of the Scottish Rite at Dallas.

Surviving Mr. McMurtry are a son, Larry McMurtry, Pampa; his parents, Mr. and Mrs. W. J. McMurtry, Windthorst; three sisters, Mrs. C. M. Carpenter, McLean, Mrs. R. E. Hil-

R. H. Templeton Funeral Today

Noted Lawyer Had Been Critically Ill For Several Months

WELLINGTON, Nov. 29. (Special)—Friends who have known Judge Robert H. Templeton during his residence of nearly 40 years in the Texas Panhandle and New Mexico will pay tribute to his memory in funeral services to be conducted at the First Methodist Church Wednesday afternoon at 2 o'clock.

Judge Templeton, 70 years old, was well known throughout the Panhandle.

He had gained renown as a criminal lawyer, newspaper publisher, editor, mayor, county attorney and county judge in Wellington, and superintendent of schools in Childress and Santa Rosa, N. M.

Judge Templeton, a native of Tennessee, had been a resident of Collingsworth County since 1904. He was born at Fayetteville, Oct. 8, 1879, and attended Ashland College in Alabama. He acquired his law degree at the University of Texas.

He became school principal at Crowell in 1904, and later was superintendent of schools at Childress and at Santa Rosa. Moving here from Santa Rosa, he was appointed to the position of county attorney, which he held six years. He bought the Wellington Times, which he published until 1911. He was elected Mayor of Wellington in 1920, and two years later he became county judge. He resigned this post in 1927 due to failing health.

Survivors include Mrs. Templeton, four sons, Robert, John, R. L. and Pat Neff Templeton, and two daughters, Mrs. Joe Minter and Mrs. Lyle Scott.

burn, Wichita Falls, and Mrs. Glen White, Shamrock; eight brothers, C. T., J. H., R. L., all of Clarendon, E. D. of Vigo Park, R. L. of Amarillo, A. L. of Silverton, J. S. of Muleshoe, and W. J. Jr., of Windthorst, and two uncles, J. E. Williams of Pampa and Joe Williams of Amarillo.

Holiday Games Expected To Draw Big Crowds

Childress to Run Special Train To Electra Thanksgiving Day

The C of C and B.C.D. organizations are sponsoring a Special train to the Childress-Electra Thanksgiving Day Football game at Electra. To be more definite, November 30th is the day. The train will leave Childress at 11 a. m. and will arrive in Electra at 1:15 p. m. The train will leave Electra 45 minutes after the game is over. An all-time low rate of \$1.20 for the round trip has been set.

On this particular Thanksgiving Day, Olney will play Quanah at Quanah, Graham will play Vernon at Vernon, and Mineral Wells will play Wichita Falls at Wichita Falls, so many going to see the District Championship game at Electra may desire, for safety reasons, to ride the special. No doubt the highways will be crowded with automobiles.

CHILDREN HOME SUNDAY

Spending Sunday with their parents, Mr. and Mrs. O. L. Usrey, residents of Lelia Lake nineteen years, were Mr. and Mrs. Roy Crutchfield and family, Mr. and Mrs. Grady Crutchfield, Mr. and Mrs. W. A. Crutchfield and children, Mr. and Mrs. Dorman Usrey, all of Clarendon. A Thanksgiving dinner is being served today at which over thirty are said to be present.

Isadore Mellinger will spend Thanksgiving with his parents in Merkel, Texas.

Mr. and Mrs. G. E. Norwood and Alise are taking Thanksgiving with relatives in Amarillo.

Mrs. L. L. Woods visited her niece, Mrs. Terry Woods in Amarillo Monday. Mrs. Terry Woods is recovering nicely from a serious operation at Northwest hospital in Amarillo.

Callers in the Melvin Cook home Sunday were Mr. and Mrs. John Cook and family of Borger, Mr. and Mrs. George Cain and son of Phillips, Mr. and Mrs. Pitt Holley and Mrs. J. D. Cook of Ashtola.

Miss Nova Cook and all of her school children of Goldston attended the Ferdinand the Bull play here Friday night.

THANKSGIVING--

--for the past!

HOPEFULNESS--

--for the future!

Since the Pilgrims at Plymouth Rock set apart a day after their first harvest, Thanksgiving has been an American institution. As a day of family feasting and pleasure, it has no equal on our calendar. But Thanksgiving has a deeper meaning to us, too. It is the day which we have specifically set aside to give thanks to the Almighty for the benefits received during the past year, and on which we express the hopefulness that the next year will bring us our needs and that "peace will reign on earth."

WE SINCERELY HOPE YOU WILL HAVE A JOYOUS THANKSGIVING

Thanks-giving

THANKFUL for the many things that life affords today, brought about by the doings of our forefathers back in the early days. They made a clearing and a starting place for the American civilization which has taken up the work and made the modern world of today.

We hope that each and every one has a Joyous Day, this Thanksgiving.
