MRS. CORNELL PLACED "wanted First Graders" on her school room door. Marcus Quosenberry and Amy Thornberry applied.

## Clarendon College offers Texas History Class

Under the auspices of the Donley County Sesquicentennial Commission the resources of Clarendon College have been extended to offer a one time Texas History class for this fall semester.

The Texas History class, which will be taught by Bill Taylor, staff instructor, will be offered only for the fall semester at Clarendon College. It may be taken for credit or non-credit. History buffs as well as students will profit from the

renewed interest in our state history with the Texas Sesquicentennial celebration up-coming in 1986.

Those interested may register August 28, any time during the day and until 7 p.m. in the college office. Cost of the class will be \$34 for in-district residents. The text book will be extra.

First class meeting for the course will be Tuesday, September 4, in room 101. Class will be in the evenings at 7 p.m. Duration of the class will be through the fall term which ends December 14, 1984. Provision will be made to accommodate an extra large class and no limit is being set for the class size.

The Texas History course is being offered for credit or audit at the option of the enrollee.

## How to donate to Jaws of Life and EMS

Recently, several inquiries have been made as to how and where to make either donations or memorials to the Jaws of Life Fund or the EMS Equipment Fund. These donations can be left at Lone Star Gas Company, Robertson Funeral Directors, First Bank & Trust, Donley County State Bank, or given to any EMS crew member or Clarendon Fireman. They can also be mailed to Box 1240, Box 364, or Box 1090, Clarendon. Please specify which account, who the donor is, and if it is a memorial, who is to receive the acknowledgement including addresses if at all possible. A letter of acknowledgement will be sent to both the donor and in the case of memorials, to the family of the person who the memorial is made to. All donations received to the Jaws of Life fund are used to purchase rescue equipment and all donations received to the EMS Fund are used to purchase durable medical equipment. None of the donations are used to purchase throw away supplies nor for any operating expenses, etc.

They are all used to buy equipment that will last and be used for years to come. The public has been very generous in their support of these two volunteer organizations and although much equipment is still needed, they are among the best equipped emergency service organizations anywhere in this area. Many lives have already been saved that might otherwise have been lost had it not been for the generosity of area citizens. No other area community has even been able to come close to achieving what has been achieved here although they have tried on many occasions.

## Bollworm activity increasing says County Agent

Bollworm activity is starting to increase in many cotton fields. Infestations of 10 to 25 percent small bollworms were being found in some fields as well as bollworm eggs. Continue to check cotton twice a week in order to detect bollworm egg lay and small larvae early. Check the entire cotton plant, as small bollworms and eggs are being found in all areas of the plant, not just in the terminal area.

Cotton aphids are causing problems in some fields. It is difficult to make a decision about controlling aphids, but an insecticide application may be necessary in those instances when infestations are heavy in large areas of the field and natural control has not limited the aphid buildup. There is a risk in creating favorable conditions for bollworms when treating for aphids in a field.

## Free lunches offered to eligible families

The Clarendon Consolidated Independent School District serves nutritious meals every school day. Students may buy lunch for K-5 75c, 6-12 80c and breakfast for K-5 50c, 6-12 60c.

Children from families whose income falls within the level shown on the scale are eligible for either free meals or reduced-price meals at 40c for lunch and 30c for breakfast.

To apply for free or reduced-price meals you should fill out an application as soon as possible, sign it, and return it to the school. Please answer all questions on the form. An application which does not contain the following information cannot be processed by the school: (1) the total household income must be listed by the amount received by each household member receiving income and the type of income it is (such as wages, child support, etc.) or your food stamp case number if your household is on food stamps, (2) names of all household members, (3) social security numbers of all household members 21 years old or older or the word "NONE" for any household member who does not have a social security number, and (4) the signature of an adult household member.

The information on the application may be checked by the school or other officials at any time during the school year.

If your child is approved for meal benefits, you must tell the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

You may apply for benefits at any time during the school year. If you are not eligible now but have a decrease in household income, become unemployed, or have an increase in family size, fill out an application at that time.

If you have foster children living with you, they may be eligible for these benefits. If you wish to apply for these benefits for them, please contact the school and they will help you complete the application.

Children who receive free or reduced-price meal benefits are treated the same as children who pay for meals. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or handicap. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

## Family Services offers parenting class in Memphis

A program designed for effective parenting is being offered for families in this community. The class will begin September 10 at the Bronze Room, First National Bank of Memphis. There will be a small fee for enrollment.

The program is entitled Systematic Training for Effective Parenting or S.T.E.P. It is structured to meet the needs of parents who would like to experience more effective skills in child rearing.

Janice Johnston, Director of Family Services will teach the class, assisted by Beth Mosenbocker from Department of Human Resources.

The program will begin September 10 and continue, weekly, for nine weeks, meeting Monday at 7 p.m.

Interested persons may call 259-3013 in Memphis and 874-3504 in Clarendon for more information.

## Lelia Lake Community center

The Lelia Lake Community Center will have a covered dish supper Saturday, August 25 beginning at 7:00 p.m.

If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have the right to a fair hearing. This can be done by calling or writing the following

official: Jeff L. Walker, Superintendent, P.O. Box 610, Clarendon, TX 79226, telephone number 874-2062.

The information you provide will be treated confidentially and will be used only for eligibility determina-

tions and verification of data.

If you have any questions or need help in filing out the application form, please contact Jeff L. Walker, at the superintendent's office. You will be notified when the application is approved or denied.

JUNIOR VARSITY Cheerleaders: Christie Knorpp standing on knee of Buffie Hancock, D'Liss Robinson and Kristin Couch.

## Hedley School Board approves 460,737<sup>00</sup> budget

The Hedley CISD Board of Trustees held its budget hearing on August 13, 1984. The Board approved a budget of \$460,737.00. This budget is an increase of \$57,000.00 over the 83-84 budget. The curriculum changes mandated by House Bill 246 and the educational reforms enacted by the special session of the legislature made the increase in the budget necessary.

In the regular meeting the Board adopted a tax rate of 68.3 cents per \$100.00 evaluation to help finance the budget. This is an increase of 3% above the effective tax rate. Last year's tax rate was 67 cents per \$100.00 evaluation.

In other business, the Board set lunch prices for the 1984-85 school year. Regular student lunches will cost 90 cents and regular student breakfasts will cost 50 cents. Reduced price lunches will cost 40 cents and reduced price breakfasts will cost 25 cents. Adult lunches will cost \$1.50 and adult breakfasts will cost 80 cents. Forms will be sent home with a member of each family the first school day for those who wish to apply for free and

reduced price meals. Forms may also be picked up at school.

The Board also chose Simmons Insurance of Clarendon as the

carrier for its insurance for the 84-85 school year.

Borden's was awarded the milk bid for the school year.

## Colt mothers to met August 24

There will be a meeting on Friday, August 24, 1984 at 5:00 p.m. in Room 111 in Jr. High for the mothers of all 7th and 8th grade boys and girls who will participate in football, basketball, track or tennis this school year.

We need each of you to help make this a great school year for our Colts! Please come and be willing to help!

For more information call Judy McCully at 874-3419 or Dierle Graham at 874-2010.

## Proclamation

**Child Support Month in Texas**  
Whereas, our state's future lies in the strength of our families and the neglect of our children undermines the hope of that future; and

Whereas, the failure of parents to take financial responsibility for their children in this state is recognized as another form of child abuse; and

Whereas, in order to ensure our children the needed financial sup-

port from their parents, the 68th Texas Legislature passed resolutions declaring the month of August as "Child Support Month" to emphasize the financial aspects of parental responsibility;

Now, therefore, I, County Judge, of Donley County, do hereby proclaim the month of August, 1984 as Child Support Month.

W.R. Christal,  
Donley County Judge

## August declared "Child Support Month"

in action before the Commissioners Court, August 13, 1984 has been declared "Child Support Month" in Donley County.

County Judge W.R. Christal, speaking on behalf of the Commissioners Court, said "Child support is an important issue that aids families and eases taxpayers' burdens."

Child support enforcement is a part of the Attorney General's office. Attorney General Jim Mattox initiated "Project Pay-up" August 1. "Project Pay-up" is a statewide effort to give parents the chance to pay their delinquent child support payments. The project will make a strong push for parents to meet their responsibilities, especially since the school year will begin shortly.

Judge Christal stated "The Commissioners Court is pleased to assist the Attorney General's office with this worthwhile project."

Attorney General Jim Mattox said "I am appreciative of local efforts in support of 'Project Pay-up' and because of community

support in the recent past, child support collection in Texas has increased 41 percent since my office took over the program in September, 1983."

## Cheese to be distributed

The Community Action will be distributing cheese and butter, Thursday afternoon from 2 p.m. until 6 p.m. and Friday morning from 9:30 a.m. until 12 noon in Clarendon. They will be in Hedley Friday afternoon from 2 p.m. until 5 p.m.

Anyone that feels they meet the guidelines for this program should contact Eureka Mays or Robbie Hill so they can check on your eligibility.

Due to the confusion this month, cheese will be distributed the third Thursday and Friday of each month.

## Farm Bureau Convention and BBQ Sept. 8

The Donley County Farm Bureau annual convention will be held Saturday, September 8, beginning at 8 p.m. at the Lions Den in Hedley, according to Harold White of Hedley, county president.

The annual chicken barbecue will precede this meeting at 7:00 p.m. Those that will attend the barbecue

will need to leave one half chicken per person at one of the Clarendon grocery stores, or the Can Way store in Hedley by 6:00 p.m. on September 7. The women are asked to bring desserts.

The main purpose of the annual convention is to adopt policies for the coming year. Also, new

The Clarendon Press, Thurs., August 23, 1984

directors will be elected at this time.

Up for re-election to the Donley County Farm Bureau Board of Directors this year are Dan Hall and Jay Gould. Nominations can also be made from the floor.

Major issues expected to be considered include new farm programs, energy, taxation, labor, government regulations, transportation and education, said Policy Development Chairman Lacy Lee Noble of Lelia Lake. Adopted resolutions advance as recommendations to the state conventions for policies on the state and national levels.

The policy development committee is currently accepting all suggestions for resolutions. Producer members are encouraged to contribute their thoughts at this time. Any such suggestions can be made at the Donley County Farm Bureau office. All recommendations received by the committee will be considered in drafting tentative resolutions to be voted on at the annual meeting.

During the meeting, President Harold White will give his annual report. Also, Secretary-Treasurer Dan Hall will give the organizations financial report and Agency Manager Johnny Gerner will report on the insurance services.

Hedley high school students, Ricky Springer and Debbie Clubb, will report on their trip to the Texas Farm Bureau Citizenship Seminar in San Angelo in June.

Your opinions on major issues facing agriculture and our nation matter a lot. Through Farm Bureau's policy development process, your voice can be heard.

Only agricultural producers may

vote or be elected to the Board of Directors, according to the by-laws. However, all Donley County Farm Bureau members are encouraged to attend both the annual convention meeting and the annual chicken barbecue.

## Hedley Happenings

The crops in the area are looking good. The rains we've had recently have helped enormously. The pastures are getting green and the grass is getting ready to start growing. The cotton is doing good and if the insects don't get too bad, there should be some really good cotton harvested.

A. E. and Jackie Ranson were in Dallas recently for the wedding of their granddaughter, Mary Margaret Pyeatt to Scott Eckart.

Brant Neilson of Laurel, Maryland visited Guy Watt on Friday. He took his first horseback ride and enjoyed it so well he came back on Monday and brought his father, Rev. Dennis Neilson.

Chad Pinkerton of Coppell is visiting his Hedley grandparents, Red and Dean Hill.

Thunder Denton is home after spending the summer in Amarillo working. Peggy Watt has assured him that he has taken his last trip.

School began classes Wednesday. The teachers began their school year Friday with an in-service day at Memphis. Most mothers are breathing sighs of relief.

The Senior Citizens will have games Friday and Monday night. Everyone come and join the fun. Don't forget that Birthday is 4th Monday. That will be the 27th. Bring a covered dish and join us.

The Clarendon Press is published every Thursday, at 106 S. Kearney and entered as Second Class Mail at the post office at Clarendon, Texas. J.C. and Helen Woody, publishers and editors.

Subscription rates: \$13.00 a year outside Donley County and \$10.00 a year in Donley County.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

## Hedley Senior Citizens Menu August 23-29

**Thursday**-Chicken and dumplings, green beans, hominy, Waldorf Salad, roll, butter, purple plum with cookies, milk, tea, coffee, fruit juices.

**Friday**-Steak with gravy, corn on cob, buttered asparagus, carrot-raisin salad, roll, butter, cherry cobbler, milk, tea, coffee, fruit juice.

**Monday**-Pork chops, butter beans, broccoli, lettuce-tomato salad, corn muffin, butter, fruit cocktail with cookie, milk, tea, coffee, fruit juice.

**Tuesday**-Roast beef and gravy, mashed potatoes, buttered carrots, raw vegetable salad, roll, butter, peach cobbler, milk, tea, coffee, fruit juice.

**Wednesday**-Steak with gravy, creamed potatoes, blackeyed peas, apple-cabbage-carrot salad, roll, butter, peanut butter cake, milk, tea, coffee, fruit juice.

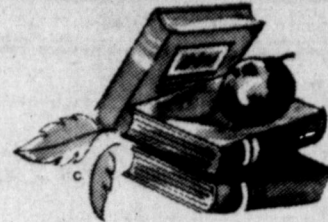

The Senior Citizens are very fortunate to have LaQuita Cox, Jessie Roland, Opal Clendennen in their kitchen. The meals served by them are tasty, nutritious and attractively served. If anyone doubts this, they should try eating one of the meals served by a neighboring town (not Clarendon).

Leonard Mullins visited with his parents, Lola Brown and Curtis Mullins last weekend. He also visited with the T. Mullins and Fred Watt families. He is in the process of moving from Amarillo to Odessa.

Don't forget the Lion's Club Barbeque Thursday night. This is always one of the best attended events in town.

The descendants of Tom and Emma Owens held their annual reunion in Amarillo Sunday, August 19th. Among those attending were Marilyn and Dick Green; Henry and Nona Owens; Guy and Sabrina Owens; Jimmy and Peggy Owens; Leo and Kathy Koerig; James and Chris Koerig; Steve Hamilton; Casie Owens; Kay and Lee Williams; Gerald, Linda, Tara, and Jamie Frye; T.E. and Faye Naylor; Seth McAfee; Joyce and Don DeLancy; Dixie and Jay Lainers; Mal and Marietta Owens; Kim Owens; Buster and Ruby Owens; Kristi Owens; R.V. and Sue Owens; Julia Owens; Nettie and Sam Owens; Doug, Kay, Shawn, Tawna and Kasey Owens; Willie Hamilton; Al Monroe; Florine Small; Rolan and Sam Clay; Tad, Marcus, Wendy Clay; Casey Owens; Mike, Caryl, and Amy Owens; John and Lisa Brezner; Stacy Owens; Jack and Sam Owens; Berle and Linda Owens; Jena, Berra, Albert,

Charlie, Billy and Karen Green; Cheryl Owens; Merle and Betty Owens; Frenchie, Ginger, and Russ Gafford; Bernetta Owens; Bob Owens; Connie, Glen, Amanda, and Rachel Spiller; Joe, Mary, Dean, Melissa, Monica, and Alisa Clark; Lois Clark; Frank Gardner; Cindy Owens; Walt and Jewel Shannon; Jesse, Durinda, Lance and Brendon Beyers; Duane Owens; Paul and Marge Owens; Naomi Kenyon; Sean Horton; and Kelly Owens.

## School Menu

August 27-31

**Monday**-Burritos with cheese, buttered corn, tossed salad, peaches, milk.

**Tuesday**-Beef stew with vegetables, corn bread, cheese wedge, pears, milk.

**Wednesday**-Bar-B-Que chicken, potato salad, green beans, hot rolls and honey, banana pudding, milk.

**Thursday**-Sliced turkey with gravy, buttered corn, hot rolls, mashed potatoes, applesauce, milk.

**Friday**-Char burger on bun, lettuce and tomato salad, sliced cheese, onions and pickles, French Fries, peach cobbler, milk.

## 4-H'ers bring home thirteen awards from State Dog Show

The Fourteenth Annual Texas 4-H Dog Show was held August 18, 1984 at the Moore County Community Building in Dumas, Texas. We are very proud of these 4-H'ers. They brought home thirteen awards and put in a tremendous amount of hard work.

The obedience class of Sub-

Novice was divided into two divisions. In division I, Georgi Klattenhoff placed first with her Miniature Schnauzer, Roscoe. Steven Davis showed Taffy, his Toy Poodle also in division I. In division II of Sub-Novice, Jenifer Davis placed fourth with Benjamin Ringo. Mike Moore competed with McCully's Misty Blue, an Australian Shepherd and Debra Tolbert competed with Chico. Janet Risley also competed with her Collie, Sir Laddie Boy III. Georgi Klattenhoff placed fourth out of the overall two groups of Sub-Novice.

In the Novice obedience class Dawn May placed a high pointed second place with Bear. Gwyn Tolbert and Brandy also competed in Novice obedience but failed to place. Mike Moore competed in the Graduate Novice obedience class with his Doberman, Baron Maxwell Von Schamann CD. He was awarded a fourth place plaque. Dawn May and Bear won the high scoring mix breed award in obedience.

Tolbert and Brandy also competed in Novice obedience but failed to place.

Mike Moore competed in the Graduate Novice obedience class with his Doberman, Baron Maxwell Von Schamann CD. He was awarded a fourth place plaque.

Dawn May and Bear won the high scoring mix breed award in obedience.

In the Conformation classes these 4-H'ers did exceptionally well. In Terrier Breeds, Georgi Klattenhoff received third place with Roscoe. Steven Davis competed in a large field of Toy Breeds with Taffy. In the Herding Breeds, Mike Moore took second place with his German Shepherd, Keesha Lorane's Bit 'O Honey. Janet Risley also showed Sir Laddie Boy III. In the Non-Purebred Division of 25 pounds and over Dawn May and Bear took first place, while Gwyn Tolbert and Brandy came home with third place and Jenifer Davis and Benjamin Ringo came in with a fourth place finish. Dawn and Bear also competed against the winner of Non-Purebred Division of 25 pounds and under, and ran away with Best Mixed Breed Dog.

There were three divisions of Showmanship classes. In the Novice A class of thirteen year old and under, Georgi Klattenhoff competed with Roscoe, Jenifer Davis competed with Benjamin Ringo, and Steven David competed with Taffy. They did not place, but they all had extremely fine performances. In the Novice Showmanship Class B of fourteen years and over, Gwyn Tolbert showed Brandy, Dawn May showed Bear, and Janet Risley showed Sir Laddie Boy III. They worked very hard but

failed to place in the top four either. Mike Moore competed in Open Showmanship Class A. He showed Keesha Lorane's Bit 'O Honey and did an exceptional job by bringing home a second place finish. Debra Tolbert dressed up Chico and herself for a very unique showing in the Costume Class.

We would like to give a special thank you to the Donley County Farm Bureau who helped us enormously by paying all of our entry fees. We would also like to thank our judges, Mr. Bob Gray, Mrs. Judy Lawler, Mr. Matt Chisum, Mrs. Annette Brooks, all of Amarillo, Mr. George Nichols of Lubbock, and Judge Jack Powell and Janis Webb Shepherd, both of Dumas, Texas. We would also like to give a big thank you to Bob and Vera Andis who taught our class and spent many hours helping us; also to Judy McCully, our sponsor, who has helped our group tremendously.

Classes will be starting again September 10 at 7:00 p.m. in the Community Center. We meet every Monday. Anyone from age 8-18 may attend. All adults are invited to come train your dog. Your dog may have had no training at all or already started on his training. Any breed of dog is accepted also, mixed or purebred. Adults must pay \$20.00 fee. Come out and join our class. We would be glad to have you.

## Reddy's Safety Reminders:

Most of us take electric power for granted. We just flick a switch and there it is — doing all those things we've come to expect. That SAME power can be dangerous if we don't learn to treat it with respect. Here are a few reminders on how to live more safely — electrically — from Reddy Kilowatt:

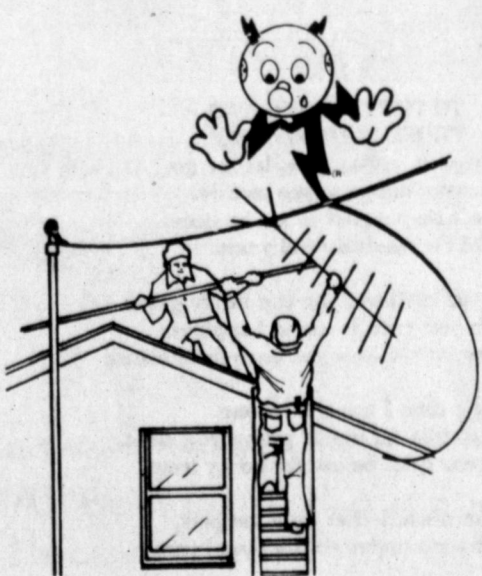

### Never Pull on the Cord!

When disconnecting electric appliances and equipment, be sure to pull on the plug — not the cord! If you pull on the cord, you'll eventually wear it out and expose hazardous wires. Also, don't overload extension cords and outlets.

### Install Antennas Away from Power Lines!

If you have a TV or CB antenna to install or repair, make sure there's plenty of clearance between it and the nearest power lines. Working too close to a power line can be hazardous.

### Don't Shoot at Power Lines!

Also remember not to shoot at power lines or the insulators that hold them. The severed line could cause a serious electricity outage and the downed line itself could be very dangerous.

Electricity  
  
It's the Power of Choice.

## Reap the Rewards

Whether you're talking crops or the highest return on your dollar, reaping the rewards of effort expended is what we can help you do!

Farmers are our friends, neighbors and customers in this agricultural community, and as a community banking institution with mutual interests, we bring expertise peculiar to the industry.

Why not come in today and talk to us about your banking needs.

We can bring you a harvest of financial benefits.

 **FIRST BANK & TRUST** OF CLARENDON 

### Pen of Pastor Pinion

"Search me, O God, and know my heart; try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting." Psalm 139:23, 24.

Many times when we think of

**Trap Shoot**  
**Aug. 26th**  
**1:00 p.m.**  
**5 1/2 miles west of Clarendon South of Hwy 287**  
**Public invited**

God, we see Him as One far away in Heaven. We envision Him on His throne with angels surrounding Him, singing their anthems, but our God is a great and powerful God who can and does see our every deed. He hears our every word and He knows our every thought.

The all-seeing and all-knowing power of God can be a comfort to us if we are in distress; but all too often, this is a fact that is troublesome to our soul. We do not want Him to see those unkind deeds or hear those sharp words. We tremble when we realize that He knows our every thought.

King David knew that the eyes of God were upon Him. He realized that His Lord could see every motive within him and every sin he committed, but David was a man who longed to please God. His heart was tender to God's corrections. David wanted the Lord to look deep into his soul in order to clean out anything that was not good and pleasing to Him. David wanted His Savior to point out the sin so that he could confess it and then God could lead him in the way of righteousness-the way everlasting.

Will you now open your heart willingly for the Savior to see what does not honor Him in your life? Will you now take care of any sin so that He might lead you in his way everlasting?

### Amarillo College offers photography courses

Amarillo College offers either the photography hobbyist or the professionally career-minded student one

The Clarendon Press, Thurs., August 23, 1984

of the most outstanding two-year degree photography programs in the nation. Housed in the Technology Building on the Washington Street Campus of Amarillo College, photography departmental facilities include 40 black-and-white and color enlargers in three printing darkrooms and an automatic color print processor.

Portrait and photo illustration are taught in a large studio with professional lighting equipment. The department possesses an extensive archive of classic motion pictures which are viewed in a history of the movies course.

The photography faculty consists of three instructor/photographers who are graduates of Brooks Institute and Rochester Institute, two of the most respected and recognized photographic schools in the country. Each faculty member has proven professional experience and continues to photograph and exhibit work.

Upon successful completion of the two-year photography program, students earn an Associate in Applied Science Degree. Morning, afternoon, and evening classes are available, with accompanying lab work.

Specifically, classes offered for beginning photographers include Basic Camera Techniques, Wednesdays from 6:30 to 8:30 p.m., where students learn how to use 35 mm cameras, its tools, tricks and techniques for better photos.

Fundamentals of Photography is conveniently scheduled five different times during the week. In Fundamentals, students learn how to use the 35 mm camera as well as black-and-white film processing and printing. Darkroom and labora-

ory time is included in the class time.

Basic Video Production is a first-time offering this fall and will meet Thursdays from 12:00 noon to 4:40 p.m. This class includes video scripting, shooting and editing with Beta format equipment provided. This course might be of special interest to home video machine enthusiasts.

For the more advanced photography student, color photography, photo illustration, and portrait photography are offered both in the day and evening for student convenience.

Photography students at Amarillo College have many opportunities to enter competition, to publish their work in college publications, and to exhibit their best efforts in one of both of the established college galleries and at the Amarillo Art Center.

Students successfully completing the photography program will have the necessary skills and knowledge to qualify for entry positions as darkroom technicians, commercial photographers, photojournalists, portrait photographers, and general photographic technicians. Photography skills complement many jobs such as those in advertising, public relations, corporate communications, audio/visual production, news, commercial art, and others.

Registration for Fall '84 at Amarillo College is scheduled Aug. 22 from 9:00 a.m. to 8:00 p.m. in the Student Union Building on the Washington Street Campus. Photography faculty will be available.

"A day is a miniature eternity."  
—Ralph Waldo Emerson

## Mrs. Vera Lela Casteel services held August 16

Funeral services for Mrs. Vera Lela Casteel, age 72, were held at 2:00 p.m. on Thursday, August 16, 1984 in the First Baptist Church with Rev. John Truitt, Pastor of the Martin Baptist Church and Rev. Paul Heil, Pastor, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mrs. Casteel died at 7:00 a.m. on Tuesday, August 14, 1984 in St. Anthony's Hospital in Amarillo following a lengthy illness. She was born December 18, 1911 in Rattan, Oklahoma and was married to C.I. Casteel on August 23, 1927 in Horatio, Arkansas. She had been a resident of Clarendon since 1959 moving here from Lakeview where she had lived for 19 years. She was a member of the Martin Baptist Church.

Survivors include her husband, C.I. Casteel of Clarendon; four daughters, Mrs. Neita Draper, Mrs. Rosalee Watson, Mrs. Elizabeth Bohannon all of Clarendon, Mrs. Jean Stephens of Shallowater; three

sons, Kenneth Casteel and Dale Casteel of Amarillo, Gary Casteel of Sherman; two sisters, Mrs. Willa Faye Casteel of Amarillo, Mrs. Beatrice Richards of Mount Vernon, Illinois; one brother, Frank Johnson of Amarillo; 27 grandchildren; 29

great grandchildren; and three great great grandchildren.

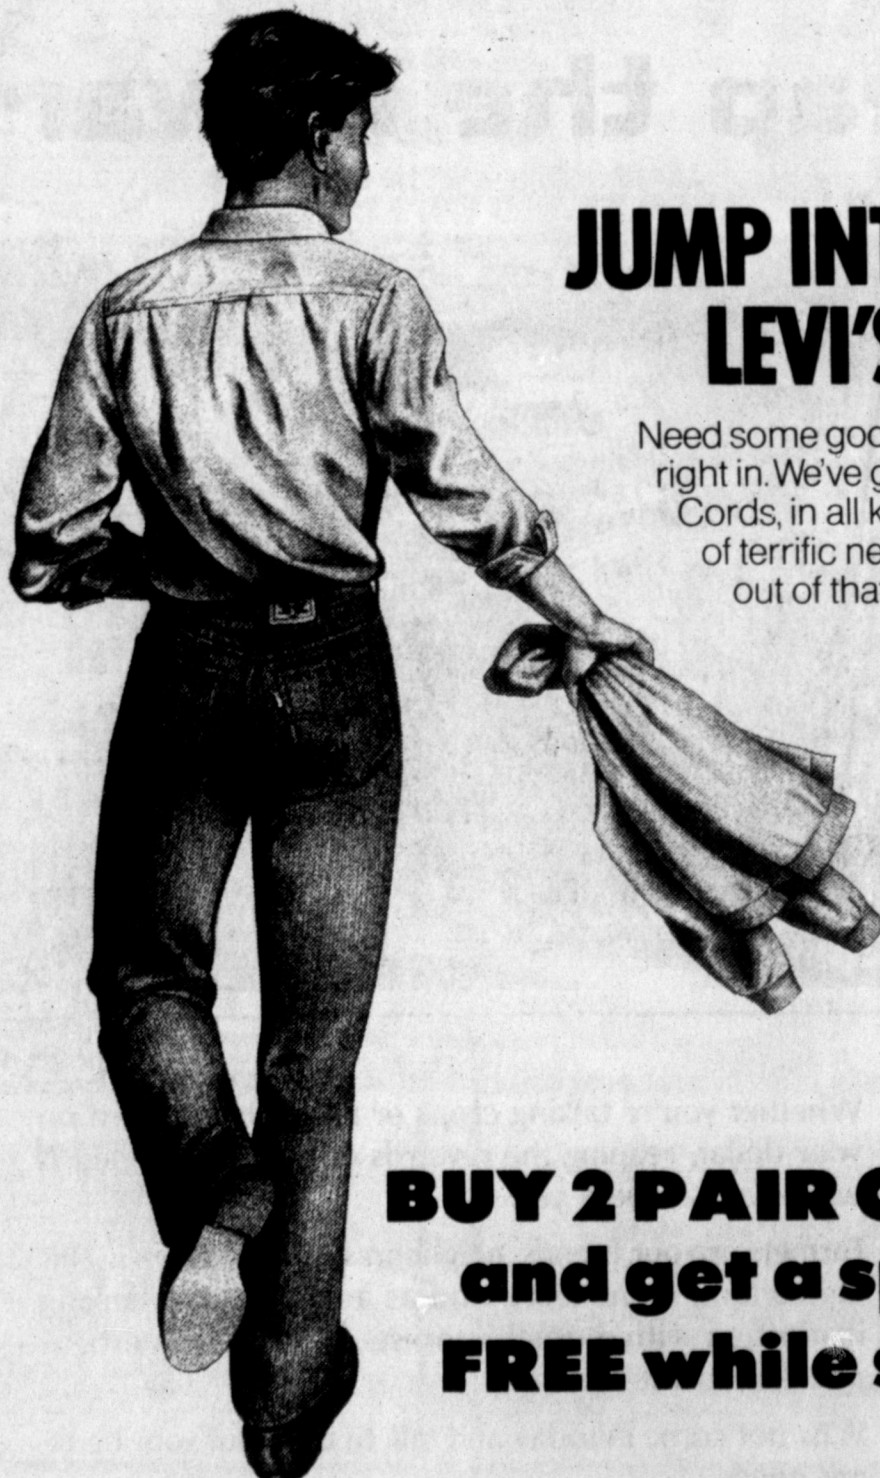

Casket bearers were James Dickerson, Tommy Leeper, Marty Temple, Doug Scheffe, Keenan

Shields, and Hal Cardwell. The family requests that memorials be to Clarendon EMS Equipment Fund or to St. Anthony's Hospice in Amarillo.

### THANK YOU

All of the loved ones of Vera Casteel would like to express their heartfelt thanks for all flowers, food, calls, prayers, and thoughtfulness shown during our time of sorrow and grief.

God bless all of you  
Husband, Children and  
Grandchildren  
35-1tc

# GREENE DRY GOODS CO.

We've Got You Covered

### TO THOSE I LOVE AND THOSE WHO LOVE ME

When I'm gone, release me, let me go  
I have so many things to see and do.  
You mustn't be yourself to me in tears,  
Be thankful for our beautiful years.

I gave to you my love, you can never guess  
How much you gave to me in happiness  
I thank you for the love you each have shown

But now it's time I travel on alone,  
So grieve awhile for me; if grieve you must,  
Then let your grief be comforted by trust,

It's only for a while that we must part,  
So bless the memories within your heart.

I won't be far away for life goes on,  
So if you need me, call and I will come,  
Though you can't see or touch me,  
I'll be near.

And if you listen with your heart,  
You'll hear All my love around you soft and clear

And then when you must come this way alone,  
I'll greet you with a smile and say, "Welcome Home."

Author unknown.

The last time the federal budget was balanced was in 1969.

The first baseball World Series took place in October, 1903 between the Boston Americans and the Pittsburgh Nationals.

The Clarendon Press, Thurs., August 23, 1984

## Senior Citizens News

**HEY LOOK** -- Don't miss the Birthday/Anniversary Salad Supper, 6 p.m., Tuesday, August 28, 1984.

We extend our sincere sympathy as a tribute of love and concern to the families of B.R. (Bill) Mears, Troy Moore, Margie Corgill and Vera Casteel.

The Dance Club enjoyed a trip to Memphis, Tuesday, August 14th, to attend the Senior Citizens Dance there.

Thanks to Elsie Ogren for helping in the kitchen while Rosalee was off due to the loss of her mother, Mrs. Vera Casteel.

Thanks to Alice Munden and Norma Corgill for more quilt scraps.

We are going to miss the smiling faces of Christina Page and Regina Havens. Friday, August 17th was their last day to help us. It's time to go back to school. We really appreciate the good job these girls have done for us this summer and wish them success in the future.

We enjoyed the Bar-B-Que Chicken Supper last Thursday, August 16th. Thanks to Barney for the green beans and cantaloupes. Thanks to Pat McCombs, Alma Bingham, Homer and the Housing Authority for the tomatoes. Lillian Eudy was winner of the door prize. Other prizes went to Thelma Behrens, Fred Russell and Ama Rea Hamlin.

Those attending Arts & Crafts on Friday, August 17th were Verdine Tipton, Ann Bunyan, Mabel Elmore, Verdine Herrington, Fannie Wilson, Bennie Garman and Pat McCombs.

**IN MEMORY CONTRIBUTIONS** -- In the past we have been putting out the jug when we lose one of our Senior Citizens. Now that we have our "In Memory Board," wouldn't it be better to make these donations directly to the Center. This way we can send acknowledgement letters to you and the families of these loved ones. Let me know which you prefer. Maybe you think, I'll drop a dollar or some change in the jug and that isn't enough for a letter but no amount is too small. Look at it this way, if twenty of you put in \$1.00 together that makes a nice "In Memory" contribution. No one but

you and we in the office know what your donation was. Our name plates cost about \$5.00 each, anything over that goes to help the Center programs. The families of these loved ones really appreciate your tribute.

**Coming Events:** Monday, August 27th - Dance Practice 7-9 p.m.; Tuesday, August 28th - Birthday/Anniversary Salad Supper 6 p.m.; Arts & Crafts are moving to Tuesday afternoons at 1 p.m.; Thursday, August 30th - Game Night 6-10 p.m.

**Menu August 23-29**  
**Thursday**-Breaded fish, cream corn, English peas, Cabbage and apple salad, cake, dinner rolls, milk, tea, coffee.  
**Friday**-Roast beef, mashed potatoes, green beans, spinach salad, apricot cobbler, hot rolls, milk, tea, coffee.

**Monday**-Salisbury steak, whole kernal corn, steamed cabbage, Waldorf Salad, hot rolls, milk, tea, coffee.

**Tuesday**-Baked ham with raisin sauce, carrots, sweet peas, macaroni salad, dinner rolls, milk, tea, coffee.

**Wednesday**-Lima beans with ham, spinach, tossed salad, apple cobbler, cornbread, milk, tea, coffee.

### Medical Center

#### Volunteers met

Aug. 15

The Medical Center Volunteers met on Wednesday, August 15th at 3 p.m. in the dining room. Frank Reid, president, opened the meeting and prayer was given by the chaplain, Bruce Hofmann.

Dennis Knowles turned in his resignation as reporter and Dorothy Breedlove was elected to serve the rest of the year.

Billy Ray Johnston, Administrator, presented beautiful plaques to each of the ministers who come every month for Sunday afternoon services. Those who were honored are Bro. Pinion, Calvary Baptist; Bill Watson, Methodist; Bro. Truitt, Martin Baptist; Stan Quesenberry, Church of Christ; Paul Heil, First Baptist; and Bill Hodges, Nazarene.

A big "Thank You" goes to these pastors and their members who

come to sing. Delicious refreshments of punch and cookies were served by the dietary department.

## The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-eight members, Lion Sweetheart Jessie Adams and five guests were present. Following the regular opening ceremony, Liantamer Messer introduced Joe Gonzales, Social Services Supervisor with the Department of Human Resources who works out of the local office and covers a fourteen county area. He was the guest of Lion Homer Estlack. Lion Don Smith had as his guest his son, David, and Kyle Hill, who is with Floyds Automotive Supply. Joe McGee, a Merchant's driver from Irving, Texas was the guest of Lion Henson. Boss Lion Lovelady made several announcements and then called on program chairman Don Smith who introduced Beryl Clinton who is with Job Training and Placement. After Taitwister Leffew and our guest cleared up a little matter of whether our distinguished guest worked for "this agency or whether he was employed" by them. Beryl told us some of the ways that the services he offers can be mutually beneficial to the employer and to the person who is being employed.

## EMS Activity Report

08-13-84 Zelma Mae Shults, 60 of Clarendon from residence, Clarendon to Hall County Hospital, Memphis. Medical.

08-15-84 Bill Johnson, 56 of Clarendon from The Oasis, Howardwick to Hall County Hospital, Memphis. Medical.

08-17-84 Elizabeth Nevils, 53 of Clarendon from Hall County Hospital, Memphis to St. Anthony's Hospital, Amarillo. Medical.

08-18-84 Ferral Floyd, 76 of Leila Lake from residence to Hall County Hospital, Memphis. Medical.

08-19-84 Ora Murphy, 88 of Amarillo from residence, Amarillo to Medical Center Nursing Home, Clarendon. Medical.

08-20-84 Zelma Mae Shults, 60 of Clarendon from Hall County Hospital, Memphis to residence, Clarendon. Medical.

215 responses handled in 1984 to date.

The following donations have been received: from Doris and Wes

Mills and family and Bob and Gay Cole and family in memory of Mrs. Vera Casteel; from Veta Tims in memory of Vera Casteel, Frank Lyle and Oscar Hammons; from Mr. and Mrs. Albert Moore in memory of Troy Moore.

**Jaws of Life Donations**  
 Mr. and Mrs. J.F. Riley in memory of Vera Casteel.  
 Mr. and Mrs. B.J. Hayworth.

### Hall County

#### Parade

Sept. 15

The Hall County Parade will be held on Saturday, September 15, 1984 at 10:00 a.m. in Memphis, Texas. Parade Chairman, Lynn Bryant, announced this week that entries are still needed for the parade. Several entries have been received, but more are needed for this to be a top-notch parade again this year.

The categories are: Organizational, Commercial, Clubs, Antique Cars, Individual Riders, Riding Clubs, Bike Riders and Implement Dealers.

The Parade Committee would like to see more bands entered this year along with more antique cars, implement dealers, new car dealers, horseback riders, clubs, etc.

If any organization, band, club, individual, etc. would like to enter the parade, please contact Lynn or Marion Bryant at 806-259-3773 or 259-2222. Or send written notification to P.O. Box 177, Memphis, Texas 79245.

The entrants will meet at the Junior High School on Main Street by 9:30 the morning of the parade.

**JESSE WOOD**  
**Jesse Wood celebrates 81st birthday**

Jesse Wood celebrated his 81st birthday Tuesday, August 14th at the Medical Center. Members of his family attending were Rowena Faust, his daughter of Amarillo, Donna Henricks, his granddaughter of Amarillo and Lee Caskey, his daughter of Clarendon. Special guests attending were Leora Sparks and all of the residents of the Medical Center. They enjoyed games and were served birthday cake and punch.

Guests attending were Cora Cart, Marie Stotts, Alice Skinner, Sallie Benson, Blance Smith, Minnie Cannon, Kate Beverly, Blanche Gray, Della Allen, Ollie Tyler, Nora Leathers, Notie Howard, Leta Mahaffey, Peggy Hudson, Elmonette Bivens, Beulah Carlile, Archer McMurtry, Al Mayo, Erma Lee Jones, Sibyl Rattan, Hazel Cummings, Bob Perkins, Lucy Bishop and Mae Noblet.

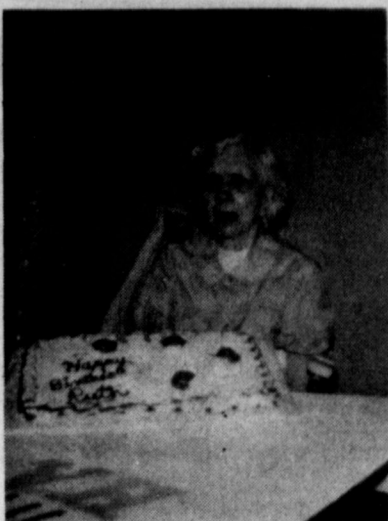

## Family Reunions

### Yates and Dingler Reunion

The family of the late Asa Yates met at the Ashtola Community Center Saturday and Sunday. Those that came Wednesday and visited with Warren and Ruby Jewel Hardin were Amos and Lorane Yates, John, Donna and Eric Yates from Dallas; Buddy and Velma Yates from Las Vegas, Nevada; Lucille and Fred Johnson from Wagner, Oklahoma; Jack and Roma Yates, Ann, Charlotte, Christy and Camron Sanders from Lubbock; Margie and Bud Nickerson, Tammy and Jason Laquement from Long Beach, California. Also attending the reunion were Richard and Joyce Jean Dingler; Linda, Randy, Joshua and Jess Baker from Kermet, Texas; Paula, Lane, Brooke and Kurby Garvin from Silverton; Larry

Wayne Dingler from Abilene; Billy and Jo Ellen Cowan from Tulsa; Wayne, Sherri and Nickles from Perryton. Attending from Amarillo were Gene and Frances Grimland; Eddie, Beverly, Juston, Garrett and Kendrick Bird; Catherine, Connie and Debbie Cosper; Lesia and Jovon Young; Cora, Terry and Tammy Stout; Billy Frank and Evelyn Davis; Jo Don and Jimmy Lou Davis; Mitch and Donna Chappell. Bobby and Joyce Watkins, Mary, Sybil and Ben Schienkel from Odessa, Robert and Gienna Cash from Topeka, Kansas, Bruce Shirley and Lindsey Stewart from Houston, Richard and Ethyl Dingler and Ruby Jewel and Warren Hardin from Clarendon also attended.

Pampa visitors were Gertrude and Jerry Culbertson; Lois Robinson with daughter Tammy and grandchildren.

**RUTH DOTSON**  
**Ruth Dotson celebrates 83rd birthday**

Ruth Dotson celebrated her 83rd birthday Monday afternoon at Medical Center Nursing Home.

Those enjoying her birthday cake and punch were her sisters Jessie Cruse of Claude, Dean Angel of Canyon, Melba Brown of Groom, brothers-in-law Wayland Angel, Canyon, Fred Russell, Clarendon.

Residents in attendance were Ollie Tyler, Carrie Johnson, Sally Benson, Nora Leathers, Alice Skinner, Marie Stotts, Lucy Bishop, Erma Lee Jones, Al Mayo, Blanche Smith, Hazel Cummings, Jewel Short, Beulah Carlile, Notie Howard, Jess Wood, Minnie Cannon, Leona Shaw, Kate Beverly, May Noblett, Audrey Jones.

Other visitors were Scharla Leeper, Roy and Ruby Blackman. Employees present were Lorene McAnear, Penny Butts, Alice Hood and Vera Johnston, activity director.

The idea of awarding degrees dates from the 1200s when schools in Europe won the right to examine a license their graduates.

## Howardwick News

by ALICE HOOD

The Howardwick Friendship Club had a nice crowd of 46 to enjoy the cake and ice cream supper Friday evening. Entertainment was presented by two groups combined with their music and song. Clarendon's Back Woods Band with Jerry Chambliss, his wife Dana and daughter Michelle and Jim Adams and the Memphis Off Beats with Woody Floyd, Tody Dillinger and Melvin Schroder. They were all great, especially vocalist Michelle Chambliss. Everyone enjoyed the beautiful music and singing. You all come back! Enjoyed the company of many visitors too, Doyle Littlefield and grandson, Mr. and Mrs. Clarence Merritt, Mr. and Mrs. Hilton McAdams, and wives of some of the musicians. It was great to see Ralph and Lena Singletery out again. Also Ron and Angie McDaniel. If there is someone's name missing it is because I did not catch it. Did I see the Mel Mills? D.W. Swain resigned as president of the Friendship Club. Leon May was elected for the rest of the term which will be in January 1985. Les Keith was elected vice president.

The Friendship Club made a donation to the Cancer Society in memory of Troy Moore. Thoughts and prayers are with Willie.

Next meeting will be September 21st. It will be pot luck.

Lela and Lawrence Whitehead have been in Amarillo with Lawrence's mother, Cathrine Compton. She had eye surgery Monday and a contact lens transplant. Lela spent four days with her after she went home from the hospital Tuesday. Wish her a speedy recovery.

Mr. and Mrs. O.C. Edwards went to Homa, Louisiana to visit their daughter, Donna Derryberry, then to the Worlds Fair in New Orleans, La. They were home one day and left for Glorietta, N.M. where they attended Baptist Assembly Foreign Mission Week. From there to Tucumcari, N.M. to visit her sister, Mrs. M.L. Allen. Their grandson, Bobby Wilbers of Houston, has been visiting them. Bobby's parents picked him up and went on vacation to Red River. Everyone had a wonderful time though Mrs. Edwards says they were sure glad to be back home.

Charles and Lucille Boren went to Perryton Sunday to take their granddaughter, Debbie, home to get ready for school.

Ernie Copeland of Allison, Texas spent a part of the weekend with Darrell Hood. Ernie's mother and step-father moved to Allison a short time ago. He will be teaching there in place of Lakeview.

Floyd Marvin Hood of Odessa, spent the weekend with his dad and step-mother, Floyd and Alice Hood. Floyd M. is a coach in the Odessa school system. His wife, Kay, is also a teacher there.

Nell and Butch Derr went to Oklahoma to see his brother, Elvis, who is seriously ill. They also visited with Mr. and Mrs. Elmer Waller and Travis while there and Nell's aunt, Ella Smith. They returned home late Wednesday night. Butch and Nell will go to Amarillo Saturday to attend the graduation of their grandson, Kent Derr, from W.T.S.U.

Kent will be employed by Peat-Merrill-Mitchell in Amarillo as a Certified Public Accountant.

### QUICK QUIZ

Do you thirst for knowledge about water? This quick quiz can help you show how much you know.

1. A typical American family uses how much water each year? (a) 90,000 gallons (b) 9,000 gallons (c) 900 gallons?
2. A single slow faucet leak can waste how many gallons of water each day? (a) five gallons (b) ten gallons (c) 15 or 20 gallons?
3. The most popular manufactured product in the U.S. is (a) the automobile (b) drinking water (c) a soft drink?

ANSWERS: 1. (a) Though a healthy family of four needs to drink only 700 gallons a year, they use more than 90,000 gallons. 2. (c) The American Water Works Association, world's largest organization of water works professionals, reports that a single slow drip can waste 15 or 20 gallons each day. 3. (b) It's not the water that is manufactured but rather the carefully treated and tested drinking water, which is safe for humans and delivered to the home 24 hours a day.

Margaret and Joe Wells have a beautiful Century Plant. Though it has just about stopped blooming, it is still a lovely plant. It has been a big attraction this summer. The scope of this species of agave is about 16 ft. and there is no count of the blooms. It is almost hidden, only from one view, by a large tree behind it and beside the parking area of the Wells home where they park their travel home, which is why they had not noticed for a long time that it had started blooming. There are over 300 species of the Agave Desert Lily throughout Southwest United States, Mexico and Central America. The Century Plant (Agave Americana) sometimes called the American Aloe is the most common species. The leaves, cut into narrow slices, are used for feeding cattle. The sap in some of the species, which contains a considerable amount of sugar, is collected daily and allowed to ferment, producing a sour, milky, alcoholic beverage called Pulque. It is very popular in Mexico. Species for this source is the Agave Atrovirens. Other species are cultivated to yield a concentrated alcoholic beverage called Tequila produced by distilling the fermented sap. Another species, the Agave Saponaria is cultivated for its roots, which are used in washing. It is called the Soap Plant. These are very interesting and beautiful plants. A plant to be proud to show.

CENTURY PLANT - blooming in the yard of Margaret and Joe Wells.

The first pinball game machine was the "Whoopee Game," manufactured in 1930 in Chicago.

## Wrangler Country Showdown

Sept. 8

The 1984 Amarillo Tri State Fair will host the Wrangler Country Showdown State Finals. Seven music acts will compete on Saturday, September 8th at 1:00 p.m. in the coliseum. The winner will

receive \$1,000 cash and an expense paid trip to Nashville to compete at the Grand Ole Opry House representing Texas in the National Finals of the Wrangler Country Showdown sponsored by Dodge. The third annual Country Showdown offers the opportunity for aspiring country artists to get their break in launching a professional career. The contest began months ago with local competitions conducted by over 300 country music stations throughout the country. The contestants appearing on September 8th will represent radio stations in Big

Spring, Del Rio, El Paso, Levelland, Monahans, Perryton and Amarillo. The national finals will be held on November 5, 6, and 7. The national winner will receive \$50,000, a customized Dodge Mini Ram Van, a recording contract and a booking agency contract. Second place wins \$15,000 and a customized van. Third place wins \$10,000 and a van. State winners will be chosen by a panel of five judges. Admission to the state finals in Amarillo at the Tri State Fair on September 8th is free.

## Ashtola - Martin News

By Naomi Green

Mrs. C.I. Casteel passed away Tuesday with services Thursday. Our sympathy is extended to Rosa-lee and all of the Casteel family.

Lily Knox spent the day, Tuesday, in Memphis with Nonie Henders. She hitched a ride down and rode the bus home.

Eileen and Skeet Brown were in Mellissa last weekend visiting the Wayne Brown family.

Wednesday and Saturday of this week Eileen Brown was in Amarillo with Roslie Lockwood of Claude who is in Northwest Hospital as a result of a car accident.

The Skeet Browns received word of a crib death of Falon Park, 2½ month old infant of Debbie and Danny Parks in Arizona. This was the Brown's great grandchild. They did not go out for the service but plan to visit with the family at a later date.

Jo Schollenbarger came out Sunday to fix lunch for Lloyd and Chris as Melba Risley is having a problem with her back.

Friday night, the Lloyd Risleys were among others to enjoy the community meeting at Chamberlain.

Tiffany Patterson has a little

sister, born Monday, August 20 at Northwest Hospital. Stephanie weighed 8 pounds and measures 20 inches. There will be a more official announcement when Corky and Ellen decide on a middle name.

Buster and Ismanell Gray went to Floydada Saturday to visit the Gary Brown family.

Vance and Ismanell Gray were in Canyon Sunday at the Jerry Gray home. The Buddy Tittle family joined them for hamburgers.

Clint Green celebrated his birthday with a golf party at Russell's golf course. Afterward ice cream and cake were served at the city course. Afterward ice cream and park.

Katherine Green, Clint, Lindsay and David returned Wednesday evening from a trip to Midland and Dallas.

While Melba and Naomi were exchanging news Tuesday morning, Chris came through and reported from the ruckus of the dog he thought was in a fight with a coyote. When he investigated they had three baby coons treed. Now that tidbit was probably more interesting to men folk and children than all else reported.

## This Land Is Your Land

Garry Mauro

Texas Land Commissioner

As we flew over the British tanker, *Alvenus*, which lay broken almost in half near Sabine Pass, we could see the heavy Venezuelan crude oil pouring out into the Gulf of Mexico.

It was Tuesday, the day after the spill, and I was accompanying an aerial photography team from the General Land Office recording a "before and after" documentation of the damage from the spill.

The Coast Guard, hoping to take advantage of the low winds and slow current, at first thought they might be able to "boom off" the spill to contain it for pump removal.

But a shift in the winds and an increase in their velocity forced the Coast Guard to abandon attempts to pump the rapidly thickening oil out of the water.

The real problems would begin once it washed up on shore. If the oil washed up on the beaches, it could be removed through a difficult and costly process of scraping, shoveling and vacuuming.

But if the slick made its way into the grassy marshlands in the bays and estuaries, it would be virtually impossible to remove.

While oil and tar on the Texas beaches are unsightly and temporarily damaging to the state's billion-dollar tourist industry, they are less environmentally harmful than oil in the ecologically fragile marshlands would be.

The marshlands are the breeding grounds for an extraordinary amount of marine life. The nutrient-rich grasses that line the shore are the beginnings of a complex food chain that stretches far into the Gulf. The oil would smother the life-giving grass and choke the organisms that depend on it.

The shrimping and fishing industry in the Gulf, tourism, and the complex workings of marine life all depend on a delicate balance to survive. A major oil spill threatens the whole area and the people who live and work in it.

We saw in the *Alvenus* spill that there is a lack of coordination and response among the many state and federal agencies involved in the clean-up and assessment of the damage. During the spill, the U.S. Coast Guard, Environmental Protection Agency, National Oceanographic & Atmospheric Administration, U.S. Fish & Wildlife Dept., Texas Dept. of Water Resources, Texas Parks & Wildlife, Dept. of Public Safety, Dept. of Health, and the General Land Office were all represented on the scene.

The Coast Guard, private companies specializing in industrial accidents and the major oil companies themselves all have on hand some of the materials needed to clean up oil spills. But modern equipment is, for the most part, insufficient to do the job right.

In the case of the *Alvenus* spill, however, we were lucky. The oil did hit the beaches, where hard-working crews using ordinary machines like road graders and shovels are working to clean it up.

The General Land Office, which manages some of the area affected by the spill, is providing technical advice to dispose of the oil-soaked sand.

In addition, the GLO is considering a "beach nourishment" plan to replenish the area beaches by replacing the contaminated sand with sand from offshore.

But what happens next time? What if the oil seeps into the marshlands? Will we be able to move fast enough to boom off the spill and remove it from the water with pumps before it thickens?

Will we be able to protect the fragile ecology of the marshlands?

The answer, for now, is no. Not until science and technology catch up. We are more than capable of inventing the machines and chemicals we need to do the job. With carefully detailed planning, we can prepare the Coast Guard and other crews to react immediately after a spill. And perhaps most important, we can coordinate the various agencies with an interest in the clean-up, so no one is unsure of their responsibilities—and precious time and marine life are not wasted.

### HEALTH PROBLEMS

What do you do when you have a health problem? This question was asked of 2,000 people in a recent survey sponsored by The Proprietary Association, an organization composed of makers of nonprescription medicines. The 2,000 persons interviewed reported having had almost 10,000 health problems during the two-week period before the study - about five problems per person. The most common were skin problems, pain, and problems related to general well-being (fatigue, anxiety, sleeplessness, etc.).

Only 9% of problems were treated by a

dentist or physician. No treatment was sought for 37% of problems. And nonprescription medicines were used in 35% of health problems. For the remaining problems, an available prescription medicine or some type of home remedy was used.

It is of interest that for over a third of health problems [35%], a nonprescription medicine was tried. And the great majority (92%) of persons said that they were satisfied with the effectiveness of the nonprescription products. Each year the pharmacist has more valuable nonprescription medicines that can be recommended for health problems.

## FANCY THAT!

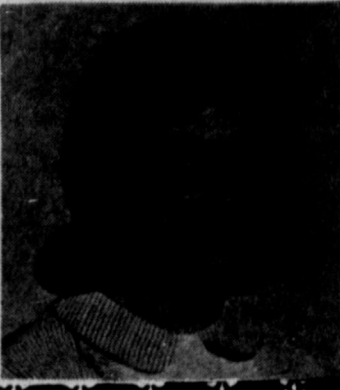

The first crude bicycle was built in the late 1700's by a Frenchman named De Sivrac. It had wooden wheels and a wooden crossbar with a padded saddle. There were no pedals, the front wheel could not turn and the rider had to push against the ground with his feet to make the contraption move forward.

**SALE**  
**Extremely Low Financing Available**  
**on Repossessed Lands**

The Veterans Land Board of Texas will have a bid sale on 75 repossessed tracts of land on October 17, 1984, at 10 a.m. in Austin. All tracts are available for bids by veterans and some may be bid on by non-veterans.

- These lands are located throughout Texas and:
- will be awarded to the highest bidders
- will be financed by the Veterans Land Board with interest rates as low as 9.25% (interest rates for non-veterans are slightly higher)
- will be financed with 30-year assumable, fixed-rate loans

Bidders need not be present at the bid opening on October 17. All winners will be notified by mail within one week after the sale.  
 For more information on the tracts available, bid procedures and application forms, please call the Veterans Land Board at:

**TRAVEL**  
 NEWS & NOTES

**One For The Roads**

Many people are exploring America this summer with the help of a book considered the most complete travel planner for every budget and price range. Here are a few of the fascinating finds it features:

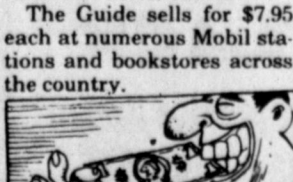

- You can watch scientists uncover 140-million-year-old dinosaur bones near Jensen, Utah.
- If you hop over to Cooke City, Montana, you can see a towering glacier full of frozen grasshoppers.

- You might like to mosey on down to New Orleans for the World's Fair, using the Mobil Travel Guide for the "Southwest and South Central Area" for affordable places to stay in the U.S.'s "French City."
- You can catch a chicken-flying contest in Gallipolis, Ohio.
- If hot air's your bag, drift by the balloon championships in Bloomsbury, N.J.

If you're tired after rambing, you can rest for less at some 4,000 hotels and motels listed in the seven regional editions of the Mobil Travel Guide that charge \$35 and less a night, or save up to 50 percent with discount coupons on top tourist attractions and on rooms in major hotel and motel chains.

The Guide sells for \$7.95 each at numerous Mobil stations and bookstores across the country.

With no ready cash to do business, the town of Tenino, Washington issued wooden money in 1932.

A hangnail is not so called because it hangs—it just hurts. Ang, in Old English, meant "pain".

## Who says potatoes are fattening?

Potato lovers who worry that their favorite food is nothing but fattening can file that misconception with a lot of others that were popularized when all carbohydrates were thought to be a dieter's downfall.

Current nutritional research indicates that Americans should increase their intake of complex carbohydrates found in vegetables, dry beans and peas, brown rice, whole grains and cereals. That means cutting back on highly refined or simple starches—sugar and candy, for example—that provide little nutritional value and cause blood sugar to jump soon after eating them. People who eat a lot of simple starches are likely to feel surges of energy followed by fatigue.

According to Texas Department of Agriculture home economists, a medium potato contains virtually no fat, very little sodium and only 100 calories, about the same as a pear or a medium-to-large apple. Potatoes are a good source of Vitamin C, Vitamin B6, iron, iodine and copper, a nutrient-dense food whose nutritional benefits outweigh its caloric content.

The culprits in the potato's reputation for putting pounds on are the toppings that many people consider inseparable from the vegetable itself. Two pats of margarine add about 70 calories to a medium baked potato. Margarine plus two

tablespoons of sour cream, one of crumbled bacon and one of shredded cheese add up to a whopping 323 calories.

Summer is a good time to enjoy potatoes for the freshness of their own flavor and to begin cutting back on the habit of adding all those high-fat, high-calorie extras. In the winter potatoes are sold from storage where they lose taste and nutrients. In the summer they are freshly dug and at their peak of flavor. Lightly steamed, they need only a dill to enhance their natural goodness.

About 10,000 acres of Red Lasoda and Norgold Russet potatoes are being harvested this summer on the Texas High Plains and West Texas. The bulk of harvest occurs between June and September with scattered acreage lasting until December. Not a major Texas crop, potatoes, including spring harvest in the Lower Rio Grande Valley, nevertheless, contribute around \$30 million annually to the state's economy.

Red Lasodas are commonly called "new potatoes." They have a reddish-pink skin and when young are best boiled or steamed in or out of the jacket. Their firm consistency makes them ideal for potato salad. When fully mature Red Lasodas may weigh up to 24 ounces. At this stage they are excellent bakers, fluffy and moist with a slightly sweeter flavor than

russets.

Norgold Russets are an all-purpose potato that can be baked, fried or mashed with equally good results.

Potatoes should be stored in a cool, dark place but not in the refrigerator. Placing them in sunlight will cause them to turn green and taste bitter. Never store onions with potatoes. Onions draw moisture from potatoes, causing them to shrivel faster.

Though they cannot be stored together, potatoes and onions team up successfully in the cooking process. That is also good news in the summer when fresh onions instead of storage varieties are being sold. Texas is better known for its sweet, mild spring onion, the first fresh onion on the market every year. However, growers in the High Plains and West Texas produce about 7,000 acres of onions every summer.

The first summer onions to appear on the High Plains are Granos, only a little less mild than those grown in the Valley. These are followed by Spano, a cross between a Grano and a Spanish, and a more robust Spanish variety.

Try these combinations of potatoes and onions from the TDA test kitchen. Both dishes can be cooked on the grill.

**SKILLET POTATOES**  
4 C. cooked, diced potatoes (about 6 med. potatoes)  
2 C. sliced onions  
2 T. snipped parsley  
2 T. chopped pimiento  
1/2 tsp. salt  
1/4 tsp. pepper  
1/4 C. shortening

Combine potatoes, onions, parsley and pimiento. Add salt and pepper. Melt shortening in large skillet and brown potatoes in hot fat on top of stove until golden brown and crisp. Keep turning potatoes carefully. Serves 6.

**Try Low-Cal Toppings On Potatoes**  
If you love baked potatoes but can't even look at the high calorie toppings that go with them without gaining weight, try these low-cal alternatives from the Texas Department of Agriculture.

\*Sliced mushrooms marinated in low-calorie Italian dressing.

\*Mixture of such dried herbs as parsley, basil, chives and dill.

\*Slivered pimiento and bell pepper.

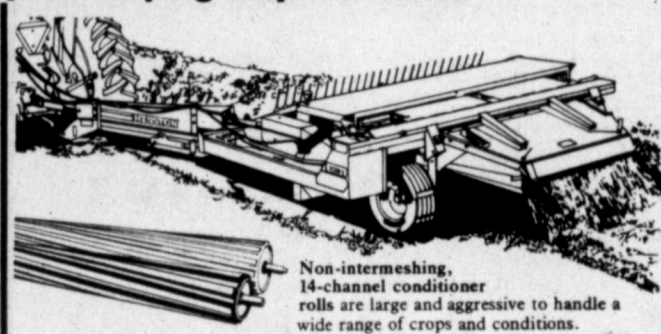

\*Melted butter or margarine thinned with lemon juice.

\*Low fat cottage cheese and lemon juice whipped in a blender.

\*Chopped onion with coarsely ground black pepper.

\*Chive-spiked low-fat cottage cheese or yogurt.

### The Hesston 1091 Mower - Conditioner gives you better regulation of conditioning action...to better suit your haying requirements.

The Hesston 1091 Mower-Conditioner features full-width, 14-channel rubber-on-steel conditioner rolls that give you gentle or aggressive handling...any way you want! If you're looking for smooth cutting, controlled curing and built-in reliability, the 1091 is the Prime answer.

- To gather in the toughest crop, a new 4-bat reel and adjustable lean-bar is standard. 5th and 6th reel bats are optional.
- Windrow forming and fluffing shields are standard on this 9'3" mower-conditioner. A simple adjustment lets you change from windrowing to swathing when needed.

### GRILLED POTATO AND ONION BAKE

4 lg. baking potatoes, scrubbed  
2 med. onions  
1/2 C. grated Parmesan cheese  
Salt and pepper to taste  
2 T. butter or margarine

Slice potatoes and onions into a 24X18-inch sheet of buttered heavy duty foil. Sprinkle with Parmesan cheese, salt and pepper; mix lightly on foil. Slice 2 tablespoons butter over all. Seal foil with double fold. Place on grill; cook over slow coals until vegetables are tender, 50-55 minutes, turning often. Serves 6.

A squirrel has no color vision, it sees only in black and white.

## CLARENDON CHURCH OF CHRIST

3rd At Carhart Clarendon, Texas

# City Minutes

The Board of Aldermen of the City of Clarendon met in regular session on August 14, 1984, in the Board Room, City Hall at 7:00 p.m.

Members present were Mayor James L. Kuhn, Aldermen Richard Bell, Steve Smith, James Sharrar, and Gene White.

Member absent was Alderman Lloyd McCord.

Others present were City Secretary Donna Edwards, and Jim Roberts.

Minutes of the July 24, 1984 meeting were read and approved.

The tax rate for 1984 was discussed. Motion carried to adopt a tax rate 3% higher than the effective rate as allowed by the Property Tax Code.

Motion was made to pass an ordinance establishing a program of emergency management as follows:

**ORDINANCE**

An ordinance establishing a program of comprehensive emergency management which includes the mitigation, preparedness response and recovery phases of civil preparedness; acknowledging the office of emergency management director; authorizing the appointment of an emergency management coordinator; and providing the duties and responsibilities of those offices; identifying an operational organization; granting necessary powers to cope with all phases of emergency management which threaten life and property in the city of Clarendon; authorizing cooperative and mutual aid agreements for relief work between this and other cities or counties and for related purposes; prohibiting unauthorized warning and all-clear signals and making violations a misdemeanor punishable by fine not to exceed \$1000.00.

**RESOLUTION**

The Sesquicentennial Commission co-appointed by the City of Clarendon for the Sesquicentennial Year of 1986 of which Mrs. Zell SoRelle is chairperson has applied for sanction of the State Sesquicentennial Commission to participate in the 1986 celebration.

Whereas, the City of Clarendon was incorporated in 1901 and is the County Seat of Donley County; and

Whereas, the City of Clarendon is the site of one of the oldest county courthouses in the State of Texas; and

Whereas, the City of Clarendon was the site of several cultural firsts including: The first institution of higher learning in the Panhandle of Texas; the playing of the first football game in the Panhandle of Texas; the establishment of the first Boy Scout troop west of the Mississippi River; and the First Methodist, Roman Catholic, Presbyterian, and Episcopal churches in the Panhandle of Texas.

Whereas, Clarendon enjoys a major yearly celebration of the National Independence Day, therefore,

Be it resolved; that the Board of Aldermen in behalf of the City of Clarendon, diligently support and

assist the Sesquicentennial Committee in their work and sanction their every effort. We further ask that the application for sanction be approved by the State of Texas Sesquicentennial Commission and that the City of Clarendon be included in the celebration of this event.

The vote on the resolution carried with the vote being all ayes and no noes.

Discussion of a tin horn for a section of Rosenfield Street was tabled for now as the City plans to do some extensive dirt work to promote better drainage on this section of road.

Discussion followed regarding the request of Librarian Annis Stavenhagen to reduce her working hours. It was agreed that this would be acceptable provided her part-time help would work during the hours she needed to be off.

Bills incurred by the City in the month of July, 1984, were presented and ordered paid.

There being no other city business at this time motion carried to adjourn.

A PLUM TREE in the back yard of Joe Baten is loaded with plums. On this branch there were from 20-30 plums.
