## An Editorial

In a phone conversation with Representative Phil Cates Wednesday morning, Phil stated that he did not have a date set up yet for the Hospital Bill to go before the House Committee but that he would pursue the bill as introduced with the resolutions voted on by the Commissioners Court and some members of the Hospital Board . . . to elect 3 Board Members with the other 4 to serve their remaining term of office. He said he had had a flood of letters and phone calls by local residents in opposition to the above legislation proposed.

Lawmakers, we understand, were in agreement that the bill was hastily drawn up on local recommendations and did not cover the scope needed to amend the previous legislation.

It is hoped that a satisfactory bill providing for the election of Board Members will be forthcoming and will eliminate many existing situations.

We have learned that a definite written opinion can be had stating that all 7 Board Members can be elected at any date after passage of the bill and that the Board can definitely be divided into a 3-2-2 ratio so the Board would never be turned over by just one election such as the Bill now calls for . . . a 3-4 ratio. Four new directors could be elected that could tear up the Board on alternate years. On the 3-2-2 basis such as is the basis for school boards, etc, this would never happen.

Whether the present Bill passes or is stalemated, the above action is possible.

Under the present appointive set up, it is our understanding that the District could be contested on the grounds that one governing body can not appoint another governing body. In such a situation there could be no District at all . . . but the taxpayer would still have an obligation to pay.

If you are interested in proper legislation recommended by lawmakers to provide for the election of all seven Board Members by the people of the District and this seven divided on a 3-2-2 basis we suggest you also contact your County Commissioners and Hospital Board in addition to our Senator and Representative in Austin.

We would like to say further, that at present, we do not intend to lower the standards of the Leader by engaging in personal slander, character assassination, or libel. We deal in facts only that we can back up. We have read other such statements and those facts and documents may have to be produced . . . and by responsible people.

## VOLLEYBALL TOURNEY HERE THIS WEEK END

An Open Volleyball Tournament will be held at the High School Gym this week end. The first games will be played beginning at 4 p.m. Friday after-

noon. Admission will be 50c and 25c. The public is invited to attend.

Mr. and Mrs. Charlie Sullivan and family of Hartley visited Sunday with her mother, Mrs. Roy Roberson.

## Mission Crusaders Hold Services At The Church Of Nazarene

The Reverend John Hansen, pastor of the Clarendon Church of the Nazarene, has announced that special mission - evangelism services will be conducted at the Clarendon Church at Third and Hawley beginning Friday, February 23, and continuing through the Sunday night service, February 25.

Twenty-two college students will be conducting services. These students make up a team, Mission Crusaders, from Bethany Nazarene College, Bethany, Oklahoma. Accompanying the team is Professor Dwain Grant, sponsor.

Religious music, singing, and colored slides of missionary work will be used in the services. World Missions is their emphasis and team members come from Africa, Jamaica, and several different states.

Mission Crusaders travel two Sundays a month to Nazarene churches in Arkansas, Louisiana, Oklahoma and Texas and the Clarendon Church feels most fortunate in having this talented group in Clarendon.

A most cordial invitation is extended the public to hear the Mission Crusaders. Services will be at 7:30 p.m. nightly, Sunday School and morning worship service at the usual hour, 10 a.m., on Sunday. Young People's service will be at 6 p.m.

Please accept this invitation to attend any or all of these services.

## CHS Band Holds Flea Market Saturday

There will be a Flea Market Saturday, February 17, at the Snoddy Building across from the Donley Hotel to the north end of Main Street. The sale will start at 8:30 a.m. and such things as clothing and household items, etc will be up for sale at a nominal price.

The sale is being sponsored by the Band Boosters and proceeds will be used to help finance the Band's trip to the Music Festival at Canon City, Colorado.

Herman Cross returned home Friday after having had minor surgery earlier in the week at Groom Hospital.

## Officers Elected For Road Runners Sunday

The first annual meeting of the Road Runners Foundation was held this past Sunday at the Sherwood Shores Community Building.

Nine directors were chosen to administer the organization for the next twelve months. They are: B. B. Winkle, Kee Bacon, M. L. VanArsdel, Joe Wells, Harold Childs, Jerry Minnick, Emadene Ockander, George Wagner and Jim Corgill.

A program report was made, outlining the achievements to date, including leases signed and leases under negotiation; additionally, the aims for the coming year were noted.

Details regarding the new industry coming in were covered, as well as discussion of other contacts with industries presently underway. A factory in South Texas will be inspected this coming weekend.

Matters relating to retail establishments under development were announced, with particular attention given to a prospective discount store operation materializing.

Officers elected from the board of directors were: Emadene Ockander, president; Joe Wells, vice-president; and M. L. VanArsdel, secretary and treasurer.

A good attendance was realized, with more than 60% of the membership present for the election of the board.

Twenty new members signed up just prior to the meeting, and several more signed up during the early part of this week.

Coffee and refreshments were served.

## College Presidents To Meet At C. C. Wed.

Presidents from Amarillo College, Clarendon College and Frank Phillips College will have a joint meeting of the Panhandle Community College Council, Wednesday, February 21 at 12:00 noon at Clarendon College.

## Creativity Festival Feb. 19-23 At C.C.

A Creativity Festival sponsored by Phi Theta Kappa, Green Masque, and the Spanish Club will be held at Clarendon College the week of February 19 through the 23rd.

Festivities will begin Tuesday night, February 20, with an adventure into free form theater sponsored by the Drama Club. Get Ready! Do your thing! This festival will include arts, crafts, and all types of displays on exhibit in the administration building. There will be rap sessions, folk dancing, and music. The Spanish Club will be selling food for all to enjoy.

This is planned to be a week of fun on campus for everyone and a place for everyone to either participate or display their talents.

Be thinking what you can do to help make this festival week a huge success.

If you have any questions or ideas to help make this a new and exciting adventure, contact any member or sponsor of the three clubs: Phi Theta Kappa (Honor Society), Green Masque (Drama Club), or the Spanish Club.

## Soil Fertility Meet Thurs., Nite, Feb. 15

A soil fertility meeting will be held Thursday night, February 15, at 7:30 p.m. in room 102 of the Classroom Building at Clarendon College, according to Ronald Gooch, County Extension Agent.

Jim Valentine, Area Soil Chemist, Texas A&M University Extension Service, will be the speaker. He is the head of the Lubbock Soil Testing Laboratory and makes the fertility recommendations for soil tests run at this Lab.

The program includes discussions on how soil tests recommendations are made; nutrient requirements of various crops grown in Donley County; nutrient deficiency symptoms; utilizing feedlot manure; and times and methods of applying fertilizers.

Everyone is invited to attend this meeting.

## STEPHANIE ANDERSON IN AMARILLO PLAYDAY

Stephanie Anderson, 7 year old daughter of Fred and Peggy Day, competed in an open playday February 11 at the Bill Cody Arena in Amarillo. She won a 6th place in Rescue with a 23.59. Her partner was Christel Atchley of Pampa. This was Stephanie's first time to compete in a Playday so we are rather proud of her.

## Big Basketball Game Scheduled Feb. 20

A big Basketball game is scheduled for Tuesday night, February 20 at 7 p.m. in the High School Gymnasium when the KGNC Floor Flushers and Flushettes meet the Clarendon Bombers and Bomberettes.

The Clarendon Bombers coached by Pete Bromley will have listed on their team teachers and coaches. The Bomberettes are coached by Mike Leeper. The team is made up of Mothers representing the CHS student body. Cheerleaders will be Mrs. Grady and Mrs. Todd. Patsy Robertson will be Water Girl.

This promises to be a hilarious event so plan to attend and be in on all the excitement. Proceeds will go to the Athletic Fund. Admission is \$1 for Adults and 50c for students.

## Clyde Price Jr. Is Chamber Manager

At a Monday luncheon meeting at the Country Club, directors of the Clarendon Chamber of Commerce voted, upon the recommendation of Frank Phelan Jr. and Dean Singleton, to re-hire Clyde I. Price Jr. as part-time secretary of the chamber at a salary of \$125 a month.

Dave Croslin, president, reported that Chamber committees were appointed and also that the directors voted to send a telegram to Austin endorsing the Hospital Board legislation now before the Legislature. Members of the Commissioners Court were guests of the Chamber and made the proposal to the Chamber that the resolution be endorsed as had been adopted as written by County Judge W. R. Christal.

## C.C. Bulldogs Bomb Odessa Monday Night

Having been beaten by Odessa in the early part of the year the Clarendon College Bulldogs came biting back with all teeth showing and bombed the Odessa Wranglers completely out of the Clarendon College Gym Monday night. The final tally on the Score Board read Clarendon 88 and Odessa 66.

Joe Price hit for an all time high of 48 points and 36 rebounds with H. Brown following in scoring with 12 points and 4 rebounds; K. Embry 9 points and 3 rebounds; B. Sherrod piled in 6 points and helped on the boards with 14 rebounds followed by J. Rogans 5 and 4, and small but fast Ford with a total of 8 points.

The Bulldogs fell to the Howard County Junior College Team last Thursday night by 5 points but did not play their best game away from home. In this game Price scored 18 points and pulled 22 rebounds away from the boards. Brown had a 12 and 5 night with Rogans stuffing in 17 points and taking 13 rebounds. Sherrod tallied 10 points and 14 rebounds with Embry posting a 4 and 2 record. Again the smallest but speedy Ford put 10 points through the hoops. Baker tallied for 4 points.

With wins on the next three Conference games the Bulldogs could find themselves in contention for a birth in the Regional Play-Offs to be held in Brownwood, Texas the latter part of February.

## Broncho Statistics Basketball Season

The CHS Bronchos closed out their Basketball season with a 7-7 record. Mickey Grady, Ricky Littlefield, Kenneth Reese, and Danny Monroe played in the 14 games, Elray King in 13 games, and Tommy Shields and Randy Croslin in 12 games each in the two digit bracket.

In the scoring column Elray King was tops with 153 points, followed by Ricky Littlefield with 114, Kenneth Reese with 97, Tommy Shields with 92, and Randy Croslin with 62 to cross the 50 point bracket. At the Free Throw line Elray King, Randy Croslin, Ricky Littlefield, and Danny Monroe led the list percentage wise.

Varsity Girls closed their season with a 1-21 record. Camille Mann led the scoring for the season with 300 points, followed by LaRonda Peoples with 174, P. Mooring with 89, and Chris Craft with 71. Others were below the 15 point line. Camille Mann also led in the Free Throw department with 116 points followed by LaRonda Peoples with 54.

**Rep. Cates To Serve On Water Committee**

State Representative Phil Cates has been named vice-chairman of the Sub-Committee on Water under the Committee on Natural Resources, it was announced in Austin this week.

Rep. Cates will serve with Rep. Bill Clayton of Springlake pertaining to water conservation and water resource development in the State of Texas.

"I am particularly pleased to serve as vice-chairman of this division of the Natural Resources Committee, since I feel that water with its problems of conservation, distribution, reclamation, reuse, utilization and storage, is of utmost importance to this area," Rep. Cates stated.

Cates is also a member of the Committee on Agriculture and Livestock, and serves on the Human Resources Committee.

**High School Juniors and Seniors Invited to Compete for Scholarships and Achievement Awards**

Student leaders participate in seminar conducted by publishers of Who's Who Among American High School Students in Northfield, Ill. to create questions for firm's annual "Survey of High Achievers".

(NORTHFIELD, ILL.) The students who receive award recognition from Who's Who may also participate in the publication's annual "Survey of High Achievers", later in the academic year. "It is our conviction that the attitudes and opinions of these student leaders are as important and worthwhile as their academic achievements," states Paul C. Krouse, Who's Who publisher. Questions for the survey are created by a group of honor students during a seminar held in Chicago each spring. The resulting survey is then sent to all students scheduled to appear in the publication and their responses are tabulated and distributed to key government leaders, educators, research agencies, universities and the press.

The Sweetheart Banquet was a big success Saturday night. The theme was "Moonlight and Roses" and the kids had fun decorating and planning and getting ready for the big night. We were all pleased at the way everything turned out. Everyone was so excited that they couldn't talk of much else. The boys all enjoyed the food but the girls were too nervous to eat. Congratulations to Miss Katrina Messer, the F.H.A. Sweetheart and Mr. Eddie Hammons, the F.H.A. Beau. After the banquet, the tables were cleared out and everyone got ready for the dance. A good time was had by all.

Ward P. was a doll at the dance. If you don't believe that you should have seen him when they wound him up and turned him loose. That boy does love to dance.

When the music got too loud for E. Wayne B. he just sat down and stuck his fingers in his ears. Right, Andy?

Johnny G., Kent H., and Jimmy F. entertained some of the kids during intermission with their Airplane stunts.

Debbie R., Johnny G., Pat T., and Mike L. invented a new dance Saturday night. Were they entertaining themselves—or the band. Who ended up with the hat?

James E. doesn't mind putting in some overtime, especially when it concerns girls. How about this, James?

Tommy S., who was the mystery girl you were with the other night?

Looks like Russell K. and Nelda A. have signed the peace treaty again.

Rusty P. wasn't too tired after the dance Saturday night to go out and break a few horses Sunday. Right, Deanna B.?

LaRonda, we hear you are going to start taking basketball lessons from your Mother.

Ricky L. is going to spank Daphne W. if she doesn't sit down and be quiet next time at the dance.

Terry S. looked awfully happy this week end. I wonder why?

I've heard of all kinds of Dodgers but Mike L. is a camera dodger!

Track is getting into full swing now. The guys are all moaning and groaning with aches and pains these days. We are all looking forward to the first big Track Meet.

Pat R. has had a worried look on his face the last few days. Does anyone know what this is all about?

Daphne W. and Debbie R. thought they were going to be shag-haired by "Pirates" before the banquet Saturday night.

Seems like Tommy H. and Jerry C. were both out of pocket Saturday night. Where were you boys?

Has anyone noticed what a nice, quiet, shy boy Rusty W. is???

John H. is spending a lot of time with other women after school. Don't worry, Gina. It's just that John likes to watch the "Senior Citizens" women basketball practice.

Speaking of the basketball game, don't forget kids, the game will be Tuesday, February 20. Don't you dare miss it. It will be a good one.

The F.T.A. trip is only a week away. Everyone is getting anxious to be on their way to San Antonio. This will be a great trip.

Mattie F. has more fun than anybody.

Question of the Week—"Why did two high school boys leave town in a hurry the other night?"

Cutest Couple: Daphne W. and Ricky L.

## Gamma Kappa Chapter, Delta Kappa Gamma Met Saturday

Gamma Kappa Chapter of Delta Kappa Gamma, Society for Women Teachers, met in the lovely home of Mrs. J. R. Brandon in Clarendon Saturday, February 10, 1973, for a luncheon meeting. The Valentine motif was used in the centerpiece and table decorations. Mrs. Brunetta Morris of Memphis gave the invocation.

Mrs. Edna Smith of Memphis, president, presided over the business with roll call, and minutes given by Mabel Mongole of Clarendon, secretary. A report on scholarships available to Delta Kappa Gamma members was given by Mrs. Audrey Tribble of Memphis and Mrs. Margaret McElreath of Memphis collected the scholarship fund which was large enough to make Gamma Kappa Chapter an honor chapter.

Also during the business, Mrs. Brunetta Morris and Miss Maudie Coffee of Wellington were elected to represent the chapter at the State Convention to be held in San Antonio in June.

Mrs. Zola Donald of Clarendon introduced Mrs. Brunetta Morris who was in charge of the program, "The Expressive Dimension of Culture." Miss Helen Madden of Memphis had as her topic "Let's Taste Yours", a review of the customs and cultures of Sweden, Holland, and Hawaii. "The Changes in Culture of Mankind" was presented by Miss Margaret McElreath.

Eighteen members were present. Attending from Clarendon were Inez Blankenship, Zola Don-

ald, Ivy Dea Hinkle, Mabel Mongole, Edgar Mae Mongole, Hazel Brandon, and Naomi Gilbreth. The next meeting will be March 10 in Childress. Rep.

## Elaine Ford Is Betty Crocker Homemaker

Elaine K. Ford has been named Clarendon High School's 1973 Betty Crocker Homemaker of Tomorrow. Chosen on the basis of scores in a written knowledge and attitude examination administered to high school seniors last Dec. 5, she will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker Search for American Homemakers of Tomorrow. In addition, she remains eligible for state and national honors.

The State Homemaker of Tomorrow, to be selected from all school winners in the state in judging centering on results of the Dec. 5 test, will receive a \$1,500 college scholarship. A 20-volume reference work, "The Annals of America," will also be presented to the state winner's school by Encyclopaedia Britannica Educational Corporation. The second-ranking student in the state will receive a \$500 scholarship.

In late April, the 51 Betty Crocker Homemakers of Tomorrow representing every state and the District of Columbia — each accompanied by a faculty adviser — will gather in Washington, D. C., for an expense-paid educational tour of the capital city and Colonial Williamsburg, Va. Personal observation and interviews during the tour will be added to state-level judging results in the selections, to be announced at a dinner in Williamsburg, of the 1973 Betty Crocker All-American Homemaker of Tomorrow and three runners-up. Scholarships of the four national winners will be increased to \$5,000, \$4,000, \$3,000 and \$2,000.

Instituted in last year's Betty Crocker Search, a \$1,000 Nutrition Scholarship is also part of the program again this year. Recipient of this award will be the participating student who plans a college major in nutrition or a related field, ranks among the highest in his or her state on the overall examination and, from those meeting these two criteria, achieved the top score on the exam's nutrition questions.

Science Research Associates, Chicago, constructed and grades the written examination, and is responsible for all judging and selection of winners.

A total of 665,600 seniors were enrolled in this year's Search, the first in which boys were eligible to participate. Approximately nine million students have taken part in the program since its inception in the 1954-55 school year and, with this year's grants, total scholarship awards will exceed \$2 million.

Regarding the inclusion of boys in the program, General Mills

said, "While, historically, the feminine homemaker has usually exerted the major influence in shaping the home, teamwork between husband and wife has long been the ideal. In today's changing society, that teamwork will undoubtedly become increasingly important during the years ahead. That is why high school senior boys as well as girls are now eligible to join the Betty Crocker Search with full opportunity to earn scholarships and, hopefully, gain the other educational benefits of participation." Miss Ford is the daughter of Mr. and Mrs. Buddy Ford.

## Queen Of Hearts Ball Held Saturday Night

The Sixth Annual Queen of Hearts Charity Ball sponsored by Beta Sigma Phi of Clarendon was held Saturday, February 10th in the Electric Theater with some 150 members and guests attending. The theme for the gala affair was "Lead A Queenly Quest" with decorations complimenting such theme. A large heart with a picture of each preceding year's "Queen of Hearts" was centered on the backdrop of the stage area and was surrounded by cupid and hearts. Wall decorations included hand-made flowers and streamers, coming from a gold crown. The crowns and flowers were carried out in table decorations also.

Mayor H. M. "Flip" Breedlove served as Master of Ceremonies. He presented Mrs. Tex Selvidge, the 1972 Queen of Hearts, who in turn introduced Mrs. Jeff Walker as the 1973 Queen of Hearts. Mrs. Selvidge placed the tiara on Mrs. Walker and Mayor Breedlove presented the traditional crown pin to Mrs. Walker from the members of Beta Sigma Phi.

Music for the occasion was furnished by Mrs. Keith Ann Gears and three gentlemen from Hereford, Texas.

## H.D. CLUB NOTICE

Due to so much illness, there will be no meeting of the Home Demonstration Club this month. The next meeting will be the third Friday in March. Rep.

## Pathfinder Guest Day Program Friday

Guest Day was observed when Pathfinder Club met Friday Afternoon, February 9, at Patching Memorial Club House.

Speaker for the afternoon program was Mrs. Betty Musick of Amarillo, Regional Director of the American Heart Association. The program was especially timely since February is National Heart Month.

Mrs. Musick discussed a number of things a person may do to help prevent heart conditions. Pamphlets were passed out and comments made in regard to the program presented at the Seminar held in Amarillo at the Quality Motel February 8. She also stressed the benefits of research and the wonderful accomplishments made in areas of prevention of heart disease. Nita Shelton is the local representative for the Heart Association and

those wishing to contribute to this program may send their donations to her.

Mrs. Joe Goldston and Mrs. Lacy Noble, hostesses, served refreshments to seventeen members and guests. The Valentine motif was used in floral arrangements and napkins. Rep.

More than half of America's 29 million veterans have reached — or are approaching — the age range of "older citizens."

During the past week at least a half dozen officers of the law have been gunned down in cold blood. It is fast becoming the tragedy of all times. In one case two men refused to pay for a tank of gasoline at the local filling station. An officer of the law was called, and he was gunned down in cold blood over just a few dollars. Another time two officers were checking on a stolen car and likewise were left for dead along the roadway.

How long will this go on?? If as citizens we don't speak up and act up and do something to make it safer for these men who are our protection, then who knows how soon it may be-

come impossible to find brave men who will risk their lives in our stead. It is sad when our nation's capitol is the most unsafe city in our nation. Will we act before it is too late. If we won't stand behind these brave men who are our protection we can not expect them to stand in front of us for very long. Some one should be able to find an answer soon.

NEWS FROM Congressman Bob Price

13th District, Texas

This week Congressman Bob Price was admitted to Bethesda Naval Hospital in Washington for evaluation of an incident of chest pain and discomfort. During the next ten days while the Congress is in recess in honor of Lincoln's Birthday, the Congressman will undergo extensive testing and treatment procedures.

As a result of several months of strenuous activity involving an election campaign, the introduction and preparation of several new bills in the 93rd Congress, trips to the new 13th Congressional District, and the assumption of responsibilities as one of the few members named to serve on two major Committees in the new Congress, doctors have detected evidence of extensive physical exhaustion requiring an undetermined period of rest and convalescence.

The office of Congressman Price will continue to operate on a full time basis and staff personnel will respond to constituent inquiries and needs until the

Congressman returns to the office in the weeks ahead.

On February 7, legislation similar to that introduced by Congressman Price to reinstate the Rural Environmental Assistance Program was approved by a large majority vote in the House of representatives. Price, as a Member of the House Agriculture Committee, has in recent weeks met several times with Agriculture Secretary Butz to discuss and express his support for REAP, which has been of great benefit to our Nation's farmers in conserving and protecting our land, air and water resources.

The bill now goes to the Senate for action.

Congressman Price has continued to receive encouraging remarks concerning the three bills he has introduced this year which are designed to combat the energy crisis by establishing a Council on Energy Policy and incentives to allow for the continuation of exploration for our oil and gas reserves. Price plans to seek the support of his colleagues in Congress in the months ahead to build up our Nation's energy supply thereby decreasing our dependence on the importation of these vital resources from other countries.

NEW JOHNSONGRASS CONTROL

Studies by a Texas A&M University graduate student show that a chemical called glyphosate may be effective for controlling Johnsongrass, one of the stubbornest field pests in Texas agriculture. The new chemical is strictly experimental and is aimed at fallow fields. In tests it outperformed terbacil, asulox, dalapon, and DSMA plus MH.

### Kimbra Anderson In First Playday 1973

Kimbra Anderson, 11 year old daughter of Fred and Peggy Day, competed in the first Playday of the 1973 season Sunday, February 11. The Playday was an open playday held in the Bill Cody Arena in Amarillo, Texas and sponsored by the Rolling Hills Riding Club of Amarillo.

Kimbra has moved up a notch this year into the Junior age level. Competition is a lot tougher as the age limit is 11 through 15 year.

Kimbra won 6th in poles, 27.15; 3rd in flags, 12.83; 4th in rescue, 26.91 with Jan Jones of Claude as her partner; 5th in rescue, 20.23 with Vernell Tipps.

Kimbra will begin competing March 25 at the Rolling Hills Arena in the Range I Playdays where she will be working toward points for the year to enable her to be eligible to compete in the World Finals Playday held each year in October.

A member of Leather 'N Lace Riding Club of Pampa, a club which participates in a number of parades throughout the year, Kimbra competes in rodeos around our area and in other playdays that are held in Pampa from time to time. All in all, she is quite a little cowgirl and will bear watching in the coming years.

### History Of Ashtola Community & Center

By Mrs. Van Knox

(Continued From Last Week)

So at this time, the Ladies of the community had worked together to make the money for the insurance fees, mostly by money earned from three money-raising projects; A Bake Sale held in September 1960 netted \$21.50; another Bake Sale was held during the 4th of July barbecue. This netted \$61.00, and the third sale was in November 1960 and netted \$19.70. In addition to the earned funds through Bake Sales, the ladies of the community in cooperation with the Ashtola Needle Club had Bake Sales every year with the Barbeque on the 4th of July so everyone pitched in to help. Then again, both organizations worked together at the Fair where we entered two booths and won \$10.00 on each booth.

The Community worked very hard but always had time for "42" parties twice a month on Friday nights through the winter months, then when the farmers had to start farming we only had "42" parties once a month on Saturday night. We also enjoyed ice cream suppers every August, a chicken barbecue every summer, a Thanksgiving dinner every Thursday before Thanksgiving Day, and we celebrated Christmas each year usually a week or more before Christmas. We always had some kind of program and a big crowd and lots to eat.

All of these functions are well attended. Folks from Goodnight, Claude, Clarendon and others often come on invitation by members. Our chicken barbecues are extended to any and all, but each is requested to bring a half chicken per person to the Center at a designated hour so that they can start cooking in time for the dinner hour. We also had two movies mailed to us from the late Cotton John Smith through KGNC Farm and Ranch Department in cooperation with the American National Bank of Amarillo, Texas and made for bookings to the rural communities of this district. "Follow The Bamboo" was in color film and very interesting as well as educational. Another show followed this film captioned "The Seven Lean Years." These films were shown for us by Flip Breedlove and our thanks to him as well as the United States Department Of The Interior Bureau Of Reclamation in Amarillo. A large number of people came to see the shows each night.

Twenty-eight new folding chairs for the building were bought for the Center and as the Needle Club had purchased twenty-four folding chairs earlier and several chairs had been given to the Club by the late H. W. Lovell, this made enough chairs for the "42" tables.

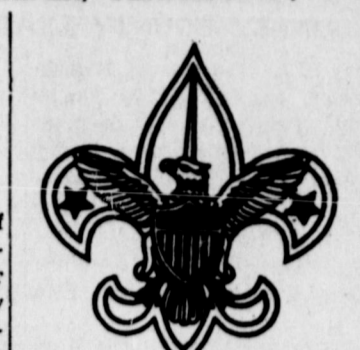

The building is heated with Butane gas from a 500 gallon tank. The indoor play room is heated with three circulating heaters. The entertaining room has four large heaters. After moving the old auditorium stage, the men filled the opening with cement and later they set the tennis tables on this place. Two pingpong tables were also settled in this room. This room is heated with two large heaters making it possible for the young people to play in comfort.

Foxworth - Galbraith Lumber Company let us rent the floor sander for half the customary charges and the men sanded the floor in the entertainment room and improved the surface of the floor so much. John White was the overseer of this job and our Thanks to the Lumber Company. (To Be Continued)

### CHINCH BUG RESISTANT GRASS

Two varieties of St. Augustine grass have been found to be resistant to chinch bugs by researchers with the Texas Agricultural Experiment Station. The two varieties are Floratam, a new grass now being propagated by Texas sod growers that is also resistant to St. Augustine Decline (SAD) virus, and an experimental grass that also shows good resistance to SAD. Chinch bugs are one of the most serious pests to St. Augustine grass, and populations have grown alarmingly in recent years.

The VA has doubled its daily payments to State homes for hospital care of eligible veterans and expanded its grants to remodel existing State facilities.

Tuesday, the 13th, approximately 55 scouts and their guest enjoyed bowling and playing other games at the Bowling Alley at Pampa. A wonderful time was had by all.

There will be a Boy Scout Court of Honor Tuesday night, February 20 at 6:30 p.m. in the Church of Christ. Cookies and punch will be served and all parents and interested persons are invited.

Twenty-two Scouts of Troop 33 and 10 Explorers of Post 33 attended church at the First Baptist Church last Sunday in observance of Scout Sunday.

### Art Exhibit In Sen. Max Sherman Office

The artistic talents of the Texas Panhandle - South Plains will be showcased in an exhibit to be displayed in the office of Senator Max Sherman of Amarillo throughout the legislative session in Austin.

The show, in which artists of the region are represented, is being coordinated by Dr. Emilio Cabalero, chairman of the West Texas State University art department, and he will go to Austin to supervise the hanging of the exhibition in Sherman's office on the first floor inside the east entrance of the Capitol.

The show will include paintings, sculpture, and graphics. If you have occasion to be in Austin or that vicinity you are invited to visit the office and view this exhibit.

### Easter Seal Society Rehabilitation Aids

The Easter Seal Society for Crippled Children and Adults of Texas has stepped up its rehabilitation services according to Wesley Knorpp, Donley County Chairman. Some 16,572 handicapped in Texas received treatment in 1972.

The number continues to grow each year due to population growth, increased accidents, and medical treatment which lengthens the life - span of those suffering from crippling diseases. Knorpp reports that handicaps vary and help given these persons enable them to live normal lives. Rehabilitation includes treatment, availability of centers, sheltered workshops, recreational and educational programs.

The larger group served suffer from speech defects, cerebral palsy, arthritis, muscular dystrophy, multiple sclerosis, and strokes. The Easter Seal Campaign to help continue these services begins March 1 and continues through April 22 which is Easter Sunday.

### Nine Rural Accidents In County For Jan.

The Texas Highway Patrol investigated nine accidents on rural highways in Donley County during the month of January, according to Sergeant J. R. Smith, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed and one person injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region No. 5 for January, 1973 shows a total of 572 accidents, resulting in 16 persons killed and 207 persons injured as compared to January, 1972 with 500 accidents resulting in nine persons killed and 217 persons injured.

The Highway Patrol Supervisor reminds the motorist that it takes 16 times the normal distance to stop a vehicle on ice than on good dry pavement. The icy weather will still exist in these winter months.

The 16 traffic deaths for the month of January, 1973 occurred in the following counties: Hartley, four; Gray, Sherman, and Lubbock, two each; Dallam, Deaf Smith, Roberts, Swisher, Palo Pinto, and Parker with one each.

### General Telephone To Expand Services

General Telephone Company of the Southwest will spend \$117.4 million during 1973 to add, expand, and upgrade telephone service in 405 exchanges in four states, according to L. Gray Beck, president.

In addition to expenditures for Dialing, a large portion of the above amount will be used for central office equipment such as automatically ticketing of long distance calls, check on the accuracy of the dialed digits, expansion of toll facilities, extended area service and office replacements to include equipment.

Facilities located outside the plant include forecasted growth in existing toll and/or EAS facilities, upgrading rural line service, and conduit projects.

Other planned expenditures include land purchases to expand existing central offices or for new buildings.

Beck reports a gain of 80,000 telephones is expected during 1973 with the number of employees expected to increase by 675.

J. H. Davis, Division Manager, stated that the Memphis Division will spend about \$478,500.

### Glenn Judd Named Mr. TSTI 1972-73

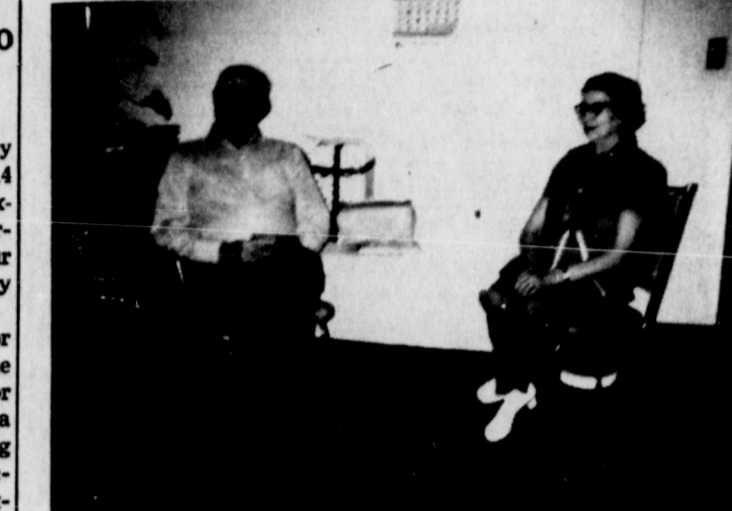

Mr. and Mrs. TSTI for the 1972-73 school year were crowned Wednesday, February 14, during the Valentine's Day Ball at the Student Center. They were Gwen Duniven of Technical Office Training and Glenn Judd of Commercial Art For Advertising.

Winners in the annual contest were determined this week following a run-off vote conducted among the student body Monday.

Judd, the new Mr. TSTI is a graduate of Clarendon High School and a much-decorated veteran of the Vietnam War. He and his wife, Claudette, lived at 6613-B Lariat. He is a member of the TSTI Student Congress and co-editor and business manager for this year's TSTI Yearbook. Judd is the son of Mr. and Mrs. John Judd of Clarendon.

The selection of "Mr. and Mrs. TSTI" has been traditional on the Mid-Continent. Winners of the title represent the school in many different ways and are featured each year in the TSTI Yearbook.
