Public School Bands In Concert May 10

The Clarendon Public School Bands under the direction of Garry Bowen will present their annual Spring Concert in the Harned Sisters Fine Arts Center Thursday evening, May 10, at 8 p.m.

The three Bands will perform. This will include the Beginners, the Junior High, and the High School Broncho Band. Also featured on the program will be the performance of the Brass Sextet Ensemble and a twirling solo by Miss Katrina Messer. The Sextet and Miss Messer will represent the local school in state competition in June.

Highlight of the evening will be the presentation of awards. The public is invited to attend. Admission will be \$1 for adults and 50c for students.

Lions Club Sponsors Circus Set May 11

The Clarendon Lions Club is sponsoring Fisher Bros. Circus in Clarendon Friday, May 11. The big tent will be located at the Rodeo and Fair Grounds east of town. There will be two performances, one to begin at 6 p.m. and the other at 8 p.m. Proceeds will be used toward community projects and community service as the Lions Club is a service club, reported Boss Lion Dennis Rattan.

It isn't often that a Circus comes to Clarendon. Tickets are \$1 per person if bought in advance and may be purchased from any member of the Lions Club. Tickets will be somewhat higher at the gate when admission will be \$1.25 for children 12 years and under and \$1.50 for children over 12 years and adults. Make your plans now to attend the Fisher Bros. Circus, and help our community at the same time.

Amphitheatre Is Being Built At Greenbelt Lake

Mrs. Norma Selvidge, head of the Drama Department at Clarendon College, announced this week that Seven Cities Corp. is building an amphitheatre at Greenbelt Lake. The theatre will be below and east of the dam.

Mrs. Selvidge has just returned from downstate, she has been checking staging, lighting, and other facets relating to the theatre. Plans have been finalized and work began this week.

The theatre will seat 600 with grassy slopes around the seating to be used for overflow crowds. The stage itself will be 50 ft. wide floating on a small lake fed by springs. The stage will be most versatile with the possibilities of floating near shore or back into the lake to improve viewing or seating. A pavilion will be located on the grass near the stage to be used as an extension to the stage or as a separate unit.

The theatre will be used for historical pageants, country and western concerts, rock festivals, water ballets, etc.

Plans now call for the opening of the theatre to be known as the "Athens Amphitheatre" in the coming spring with an Easter Passion Play.

Seven Cities of Cibola is the beginning of seven such amphitheatres with the Athens Amphitheatre to be the first. The six will be used for historical and recreational entertainment.

Mrs. Selvidge plans a busy summer ahead as plans and work progress toward this additional cultural facility in our area.

Junior High Honor Students—Brenda Ritchie, daughter of Mr. and Mrs. Roy Ritchie, is the Valedictorian with a grade average of 96.89. John Tucker, son of Mr. and Mrs. James Tucker, is the Salutatorian with a grade point average of 96.67.

Summer Terms Are Planned At Clarendon College For June 4

The first summer term at Clarendon College is scheduled to begin June 4 and will continue to July 3. The second summer term will begin July 16 and conclude August 24. The summer terms are designed for students who wish to work regular hours during the day while they attend classes during the evening. All classes must have 10 or more enrolled by June 8 for the class to materialize.

Registration for the first summer term will be from 9-12 a.m. 1-5 p.m., and 6:30 to 8:30 p.m. June 4 with June 8 the final day to register. The same hours will apply for the second summer term July 16 with July 20 the last day to register. All class periods are from 7 to 10 p.m. unless otherwise noted and will begin June 5 and July 17 respectively. Courses taught the second term will be a continuation of the courses taught during the first term.

For complete information regarding Summer School at Clarendon College address inquiries to: Office of the Registrar, P. O. Box 968, Clarendon College, Clarendon, Texas 79226, Phone 806 874-3571.

Please come and have a good time eating. Your patronage is greatly appreciated.

Broncho Boosters Hold Open House At Fieldhouse Fri. Nite

The Broncho Boosters held Open House at the Broncho Fieldhouse Friday evening with a good attendance. The Booster Club led by president E. H. Monroe has made many improvements in the Fieldhouse the past several weeks and the house was open for public inspection and admiration Friday night.

The Fieldhouse just doesn't look like the same place. The new ceiling shows off the fluorescent lighting that has been installed and reflects against the new carpeting throughout. The interior has been repainted and shower areas have been bricked. The remodeling has created more dressing room and the training room has likewise been remodeled.

Coach Clyde Noonkester is enjoying the newly paneled, air-conditioned office.

Many other improvements make the Bronchos' Fieldhouse one of the most attractive and comfortable anywhere, especially for a school the size of Clarendon.

A great big "Job Well Done" to Mr. Monroe and the many others, including the Coaches who have spent long hours in making these much needed improvements.

Two Clarendonites Honored At WTSU

Two former Clarendon students won awards at the 19th Annual Branding Iron Theatre Awards and Performances in the West Texas University Theatre. The two were Jerry Moore and Mrs. Jo Schollenbarger.

The awards, BIT'S, were handed out in the theatre Friday night, May 4, 1973.

Jerry Moore, son of Mr. and Mrs. Melvin Moore, was named Best Supporting Actor in a one-act play for his performance in "Song of Two Davids."

Mrs. Jo Schollenbarger won the Readers Theatre Award for her work under the supervision of Dr. Zell SoRelle.

Both Moore and Mrs. Schollenbarger are senior students at West Texas State University.

Judge W. R. Christal Attends Seminar On Civil Defense May 1-3

County Judge W. R. Christal returned Thursday night after having completed a special Civil Defense Directors Seminar at the Department of Public Safety Training Academy, Austin Texas. The Seminar was held May 1-3 1973, with Civil Defense Directors from 25 locations in the State attending.

The primary purpose of the seminar was to provide information and guidance to Civil Defense Director and Coordinators so that Governments may achieve readiness capability to cope with any disaster or hazard. Instruction was provided in the organization of Federal and State governments in meeting disaster so as to inform local directors of assistance available and channels of communication to obtain the assistance.

Staff members from the Division of Defense and Disaster Relief and the Defense Civil Preparedness Agency, Region Five, Denton presented the course of instruction.

Judge Christal reported a very informative and well instructed meeting.

FFA Banquet Held Tuesday Nite, May 8

The annual FFA-Father-Son-Businessman Banquet was held at the High School Cafeteria Tuesday evening. Attendance was good with the banquet room filled to capacity.

Hubert Rhoades, Doyce Graham, and Doss Finley, did a fine job of cooking the chicken. They were recognized and thanked expressed to them and to the FFA mothers who helped prepare the food as well as others who contributed to the success of the banquet.

Ray Fichte was recognized as the Outstanding FFA member and Mac Thornberry was named the Star Greenhand Farmer. Mention was made of other awards made throughout the year.

Among the dignitaries present was Johnny Wells, President of Area I, FFA. Johnny is from Boys Ranch and a sophomore student at Clarendon College. He has been employed at the Donley County Leader the past year. Wells will preside at the Area I Convention to be held at Palo Duro High School in Amarillo Saturday of this week, May 12 and is scheduled to meet the State and National FFA Presidents at Amarillo Air Terminal Thursday. They will attend a FFA meeting at Abernathy with Wells and be present for the Area I Convention Saturday.

Senior Class Night Saturday May 12

Class Night for Clarendon High School Seniors will be held Saturday night, May 12, 1973, at 8 p.m. in the High School Auditorium.

Mrs. Raleigh Adams, pianist, will play the professional and recreational. Danny Holland will welcome those present.

The History of this class will be prepared and delivered by Katrina Messer and Ward Palmer. Any number of school friends and acquaintances will be awaiting the reading of the Class Will by Elaine Ford and Jeff Campbell to learn what valuables will be bestowed upon whom.

Looking into the future, Wanda Trout and Steve Carter will present the Class Prophecy.

E. Wayne Barbee will present the Key to Rodney Hicks. The Senior Class selected as its motto this year the following, "We have opened the door; the world lies before us." Class colors have been Maroon and White and the Class Flower the White Rose. Sponsors for the year have been Claudine Todd and Mr. Jeff Walker.

Color bearers for the evening will be Jerry Holland and Gary Shields. Honor guards will be Shauna Hardin, Terry Saye, Stan Shelton, and Rodney Hicks. Ushering duties will be handled by Kim Newhouse, Traci Cagle, Johnny Gerner and Tommy Hill. The public is extended a cordial invitation to attend this program.

HEDLEY GROUP WINS FIRST IN TALENT SHOW

The Signing Sweethearts of Hedley entered the Talent Show sponsored by the Pep Squad of Estelline. The group took first place honors in the grade school division. Their sponsor is Mrs. Letha Springer.

This is the second "first" place win for the Sweethearts. They won first place at Lakeview recently.

We congratulate this fine young singing group.

Junior's Food Is Robbed Tues. Nite

Junior Spier reported the work of apparently meat-hungry robbers Wednesday. The store was entered thru a back door window.

Among missing items reported by Spier was approximately \$200 of fresh and cured meat, \$50 worth of canned Shrimp, \$50 in change and old coins, several cartons of cigarettes, 2 cartons of chewing gum and a number of miscellaneous items.

Blood stains were left on the place of entry indicating someone was injured when making the unwelcome entry to the business, Spier added.

The Clarendon High School Broncho Band returned Monday evening from the Marching Festival in Colorado. They were a bunch of tired and weary kids but there were smiles on every face. Everyone had a great time and enjoyed every minute of the entire trip. This is something that will be remembered for a long time. The Band would like to express their thanks to the sponsors who made the trip with them. They were Mrs. Charles Blackburn, Mr. and Mrs. Melvin Boothe, Miss Betty Veach, and Mr. and Mrs. P. C. Messer. Our special thanks to Mr. Bowen for such a grand time and thanks to everyone who helped make this trip possible.

The Seniors got their invitations in so most of their week end was spent addressing and mailing. Here we are again realizing just how close graduation is.

Congratulations to Steve Carter and Mike Leeper upon being chosen to play in the Greenbelt Bowl Game to be in Childress August 11. This is a great honor and CHS is proud of these boys.

The F.T.A. has elected its officers for the coming year. Congratulations to all these students and congratulations also to John Holland and Katrina Messer, Mr. and Miss F.T.A.

Kristie L. had an upset stomach Sunday night. Hope you're feeling better by now, Kristie.

Mike L., is it true that you performed a couple of wedding ceremonies while in Colorado? The brides and grooms were dressed in their finest for the occasion. The corsages were lovely and everyone thoroughly enjoyed the mock ceremony. The only thing missing was the marriage licenses and the blood tests. Seems like the one who enjoyed it the most was P. C. Everyone usually cries at a wedding but in this case, the tears were from laughing.

Mitzi C., what were you so peeved about the other night? We hear that strong wind currents can really shake Mr. Bowen up.

Mr. and Mrs. Lee Palmer were hosts for a Bar-B-Que for the Senior Football boys last Saturday night at their home in Goodnight. Everyone had a great time and the boys ate to their heart's content.

You've heard the saying "There's a fly in my soup." Well, in the case of Rodney H., it was a bug in his cake. Right, Rodney?

night. It began with a delicious meal prepared by the Senior Mothers and held in the home of Mrs. J. W. Murphy. After the meal, all the Seniors signed their annuals then they left for the Park where the entire High School met and finished their autograph party. A great time was had by all.

When you have a few minutes, ask Pam J. to do her imitation of Donald Duck. I hear Pat T. can do a cute imitation, too. Let's hear it, girls!!!

Debbie R. missed Danny H. while she was gone to Colorado so she bought a shirt with his picture on it.

Ralph M. is a pretty good advertisement for Shakey's Pizza. Katrina M. loves Pizza and if she can't get enough, she'll eat her hat!!!

James E. and Johnny G. could solve their problem if they would just have another key made.

It was almost sundown when Mona R. arrived home Monday evening but when she stepped off the bus, it was sunup for Pat. Karen E., who was your "mystery" guy Sunday night???

Cathy H., are you feeling better now that you're home? Alan is pretty good medicine, isn't he, Cathy.

Question of the Week—Can anyone figure out what the new fad is around High School these days?

CHS Band Returns From Canon City Trip

The Clarendon High School Band returned from Canon City, Colorado late Monday night, May 7, after having attended the Music Festival held there over the week end.

The Band participated in marching and other musical competition and was presented a trophy for their participation.

The group left Clarendon at 7 a.m. Friday morning, May 4, gathering on the school parking lot and boarding buses for the trip. Members had worked long and hard all year to earn money for this trip and found it to be exciting and fun as well as rewarding.

There were 47 Band members who made the trip. They were accompanied by their director, Mr. Garry Bowen, Mrs. Charles Blackburn, Miss Betty Veach, Mr. and Mrs. P. C. Messer, and Mr. and Mrs. Melvin Boothe.

The group stayed in Pueblo, Colorado, due to lack of accommodations in Canon City. An outstanding and highly complimentary event took place at Pueblo. The Clarendon group entered a restaurant for breakfast and as they did so, a resident businessman held the door open for the young people. The stranger spoke to several of the sponsors and commented upon the fact that the Clarendon students were such a well-behaved, well-groomed group with no long hair, and treated the group to cold drinks later in the day. We are always proud of our Band and remarks of this kind make us doubly so.

Future Teachers Tea Held Tuesday May 1

The Future Teachers of America Chapter at Clarendon High School held its annual Teachers' Tea in the High School Cafeteria Tuesday afternoon, May 1. F.T.A. members, faculty, and special guests attended.

The invocation was given by Kim Newhouse after which Katrina Messer, presiding officer, welcomed everyone. The F.T.A. Pledge was led by Andi Eads and the F.T.A. colors were displayed by Mark Boothe.

Shauna Hardin was recognized as District Historian for 1973-74 in our District XVI.

Officers serving for the 1972-73 school year were: Katrina Messer, President; Mike Leeper, Vice-President; Mike Boothe, Secretary; John Holland, Historian; Sheila Smith, Treasurer; and Elaine Ford, Parliamentarian.

New officers for the school year 1973-74 were installed by Judy Osburn and Gina Killingsworth. These include: Sheila Smith, President; Shauna Hardin, Vice-President; Terry Saye, Secretary; Tracy Cagle, Treasurer; Mitzi Cagle, Parliamentarian; and Jerry Holland, Historian.

Announcement of Mr. F.T.A. and Miss Betty Veach, sponsor. So honored were Katrina Messer, as Miss F.T.A. and John Holland as Mr. F.T.A. Runners-up were Gina Killingsworth, Miss F.T.A. and Mike Boothe, Mr. F.T.A.

Mr. and Mrs. Arling Cordell were presented a gift in appreciation for their interest in the Club and their help through the year.

Kimbra Anderson In Playday Activities

Kimbra Anderson, 11 year old daughter of Fred and Peggy Day, participated in a Playday April 29, 1973 in the Rolling Hills Arena in Amarillo, Texas. She has moved up this year to the Junior Age group ranging in age 11-15. There were over 1400 entries in the Playday.

Kimbra placed 4th in barrels, 5th in potato in single games. In partner games she placed 2nd in ribbon and wagon, 3rd in 2 man relay, 5th in rescue. Crystal Atchley of Lefors, Texas is Kimbra's partner.

Kimbra also competed in Playday May 6 at Rolling Hills to make up for the first Playday which was scheduled for March but was cancelled due to bad weather. In single games she placed 4th in rings, 5th in key-hole and barrels, and 6th in potato. In partner games she placed 2nd in Wagon, 3rd in 2 man relay, and 4th in rescue.

Girl Scout Troop 113 Attends Jr. Camporee

Girl Scout Troop 113 attended the Junior Camporee held May 5, 6, 7 at Camp Mel Davis at Lefors, Texas. Over 400 girls and leaders were in attendance from our area. Mrs. Duke of Borger was in charge of the Camporee.

A brief look at what the girls did while there: Friday night, 6 - 7:45 p.m. Set up Camp; 8 p.m. Attended Campfire according to years each had attended camp, singing songs, met other girls, gave skits; 9 p.m. Bedtime.

Saturday. Up at 6 a.m., fix breakfast; 8:30 a.m., Flag Ceremony for all; 9 a.m. participation in knots, ceremonials, directions (lay trail and compass), nature, fire and first aid. Girls participated according to the number of years in scouting. Our girls did well eventhough we did not bring home any awards. We are proud of them and we will be harder to beat next year.

Lunch time followed after which free time was used as each leader saw fit. Our troop took a 5 mile hike down to the river and worked on badges. At 6:30 p.m. we had the Retiring of the Flag. Then, at 8 p.m. all girls met in one big Campfire where we had the Burning of the Flag which is a very impressive ceremony. All sang songs, had a song contest and the winners of the day's contests were announced. At 9 p.m. it was back to camp and ready for bed.

Sunday: 6:30 a.m., time to arise and fix breakfast and then start breaking camp. 8:30 a.m. Flag Ceremony; 9 a.m. church services conducted by the Church of Christ, Lefors, Texas; 10 a.m. completion of breaking camp, pass inspection, and head for camp.

Girls attending were: Sheryl Walker, Sharon Owens, Barbara Holman, Jonni Dunn, Lesia McAnear, Kimbra Anderson, Jennie Deyhle, Starla Mann, Paula Helms, Jamie McAnear, Renee Cosper, Lori Tucker, Laurie Alexander, and Stephanie Montgomery. Leaders attending were Pat McAnear Vera Tucker, Peggy Day, and Janet Montgomery.

Annual Signing Party Thursday Nite

Members of the Senior Class of Clarendon High School gathered in the backyard of Mrs. J. W. Murphy at 6:30 p.m. Thursday, May 3, to sign each other's Annuals.

At 7 p.m. the Seniors enjoyed a delicious supper which their Mothers had prepared. Since this was one of the last opportunities for the Senior class to be together, everyone made the most out of the fellowship.

The class wishes to thank Mrs. Murphy for allowing us to use her backyard for our get-together as well as the Seniors' mothers for the preparation of the delicious meal.

Hedley Seniors Enjoy Trip To Colorado

The Hedley Senior Class of 1973 left Tuesday May 1st at noon for their Senior Trip to Colorado. Sponsors were Mr. and Mrs. Doyle Messer. Senior mothers making the trip were Mrs. Betty Morgan and Mrs. T. E. Naylor.

Despite the cold and some snow, the group enjoyed sight-seeing at Colorado Springs and Denver visiting places of interest along the route. They returned home Sunday.

Seniors in the group included: David Bolin, Tex Naylor, Ronda Morgan, Linda Lindsey, Tanya White, Amy Lemely, Betty Painter, Barbara Tisdale, and Dorothy Wilson. All report a wonderful time.

Homemaking Class Planned At CHS

Students who have completed one year of Homemaking instruction may enroll for the summer class and earn 1/2 credit on completion of the requirements of the class. Requirements are to complete a group project, a home experience, and to write a summary of her summer's work.

The group project work will be done the week of June 4-8. Class time will be from 8 to 11 a.m. each day Monday through Friday.

In addition to the regular class, F.H.A. members who are interested will meet and begin work on the first level of Encounter. Some students will also work with the Satellite School during the summer.

Adult Upholstery Class June 11-15

A class of instruction in Furniture Upholstering will be offered the week of June 11 through June 15 in the Homemaking Department of Clarendon High School. There will be no charge for the instruction; however, each student will be responsible for supplies used. Due to the limited space, the number of pieces will be limited to ten chairs (no sofas, please). Two persons may work on a piece of furniture if you so desire.

Supplies needed include a tack puller, tack hammer, tacks, upholstery fabric for piece of

furniture, upholstery needle, pliers and scissors. Upholstery thread, tying twine, and cotton padding will be available from Mrs. Shields if desired.

If in doubt about the kind and amount of fabric or supplies needed, contact Mrs. Shields at the Homemaking Department for additional information.

The class will meet each afternoon from 1:30 to 5 p.m. or as the student wishes. Each student will do the work on own furniture with help and instruction from Mrs. Shields.

Water Softeners And Fabric Softeners

Greasy stain culprits include fabrics softeners - if they're added to wash water rather than the rinse.

"Reactions between detergents and fabric softeners produce greasy substances which stain clothes," Lynn Bourland, home management specialist with the Texas Agricultural Extension Service, Texas A&M University, explained.

"Much of the problem stems from confusion between water softeners and fabric softeners.

"Water softeners in both wash and rinse cycles counteract hard water. They prevent soap scum deposits on clothes," the specialist continued.

"Fabric softeners, on the other hand, soften clothes and reduce static electricity. Add them to rinse water only - and use them alone. Don't use bleach, bluing or packaged water conditioner in the same water."

But I Thought The Draft Had Ended?

Has the draft stopped? Yes. On January 27, 1973, Secretary of Defense Laird announced the end of the draft — five months before the expiration of the general induction authority on July 1, 1973. If the induction authority is not extended, only those men who have had their liability extended until the age 35 (those who have had deferments) still could be inducted.

Can the president extend the draft induction authority on his own? No. The President must ask Congress for the extension.

Will the President ask congress for an extension of the induction Authority? No. He will not unless an emergency develops. On several occasions in 1972 and 1973, President Nixon and Secretary of Defense Laird said that the induction authority would not have to be extended.

If the draft ends will all local draft boards close? No. The draft law requires that Selective Service stay in business when the general induction authority lapses.

Why go to all that trouble if no one will be drafted? Congress does not want this nation to be faced with a national emergency and suddenly discover it has no quick and equitable method of calling men to military duty. With the Selective Service System operation on a standby

basis, the nation can quickly respond to a national emergency.

If there is a national emergency, can the president tell selective service to start general drafting? Unless Congress gives the President such "stand-by induction authority," congressional action would be required before drafting could begin after July 1, 1973.

What are your responsibilities? Under the draft law, you must register with Selective Service within the 60-day period commencing 30 days prior to your 18th birthday.

What will happen after you register? You will be classified 1-H and your file will be placed in a holding category until the calendar year you turn 19, when there will be a national lottery drawing for your age group.

What does your lottery number mean to you? It tells you where you stand in the order of call for men in your own year group.

What happens next? Shortly after the lottery drawing for your age group, Selective Service will announce a 1-H cutoff number. If you have a lottery number above the cutoff, you will remain in Class 1-H and will not be subject to further Selective Service processing, unless there is a major mobilization.

What if you have a lottery number at the cutoff or below? You will be processed for possible induction and, unless

1973 Clarendon College Graduates who received their diplomas at exercises May 4.

deferred or exempted, you will "stand ready" for induction during the calendar year of your 20th birthday.

Can you apply for a deferment or an exemption? Yes. If you have a lottery number at the 1-H cutoff number or below, you can apply for any deferment or exemption for which you believe you qualify. See the brochure "Perspective on the Draft" for a detailed explanation of current deferments and exemptions.

Can you apply for a conscientious objector classification? Yes. If you have a lottery number at the 1-H cutoff or below, you can apply for either a 1-O or a 1-A-O classification.

Will you be given a preinduction physical, mental, and moral examination? Probably not. However, if exams were to be given to men with lottery numbers at the 1-H cutoff or below, those

determined to be unqualified would be classified 4-F. Those found acceptable would remain in Class 1-A, unless they were subsequently found to be qualified for a deferment, an exemption, or conscientious objector status.

What happens after you finish your year of vulnerability? You will be placed in a lower category of draft vulnerability and be returned to Class 1-H. Each succeeding year — until you turn 26 or, if you have had a deferment, age 35 — you will be placed one rung lower on the ladder of draft vulnerability.

What happens when you reach age 26? As a practical matter, your concern with the draft is over unless you are a medical specialist. Although you are liable for induction until age 35 if you have had a deferment, current regulations do not permit the induction of any registrant beyond his 26th birthday unless he is a violator, a parolee or an unsatisfactory Reservist.

teries in young men, is holding down the life expectancy of men in the United States. Autopsy studies in all age groups of the adult male have shown that fatty deposits are more frequent and severe now than 25 years ago.

Although heart attacks are less common in men under 30 years of age, they become more of a hazard as a man grows older — reaching a peak for those between 50 and 60.

The artery-clogging process begins early in life, but it isn't until it suddenly blocks the supply of blood to an area of the heart muscle that a heart attack occurs. Such an occlusion can occur at any time in a diseased artery.

Statistics show that men have more heart attacks than women in the same age group — up to 13 times more in the 30 to 45-year

age group — but only twice as many in the age span between 45 and 62. After 65 the rate is about the same between Caucasian men and women.

The heart disease picture is a grim one, but there are a number of practical things which can be done to thwart heart attacks, prevent heart disease and prevent strokes.

Primarily, these preventive measures are related to physical activity, proper diet and proper living habits.

Unfortunately for those in the dangerous years, some of the arterial damage from built-up and hardened fatty deposits can't be reversed. But, through

exercise, diet and the change in life style — such as quitting smoking — your chances of having a heart attack can be improved a bit.

Social Security

By TRAVIS C. BRIGGS

Q—Does the \$2100 retirement test apply to students drawing social security? I work part-time as a janitor at the college I attend for \$160 per month. During June, July, and August I work for a company in town and earn \$650 per month. Will I be entitled to receive benefits this year? My monthly benefit is \$90 predicted for 1973.

A—Those receiving disability benefits for two years or more will become entitled to Medicare July 1, 1973. You will be automatically enrolled and need take no action. Person receiving disability benefits for less than 24 months by July 1973 will be automatically enrolled in Medicare in the 25th month after they became entitled to disability benefits.

CIRCULATORY DISEASE

If you're the gambling type, consider this . . .

On second thought, you don't have to be a gambler to mull it over.

Accept this as a fact: If you're an American, chances are greater than 50 percent that you will die of a circulatory disease — a disease of the heart or blood vessels.

There are statistics to back this up. Diseases of the heart and blood vessels kill more Americans and more Texans each year than accidents and other diseases combined, say state health officials.

Heading the 10 leading killers in Texas in 1970 and 1971 was heart disease, almost doubling the second biggest killer — cancer. Cerebrovascular disease was third and arteriosclerosis ninth, according to the State Health Department's Bureau of Vital Statistics.

The cardiovascular disease (diseases of the heart and circulation) afflict more than 27 million children and adults and kill more than one million Americans annually.

Some diseases primarily affect the blood vessels, others only the heart itself. Among the major diseases are those which cause the blood vessels to corrode and deteriorate, with resultant damage to the heart, brain, kidneys or other parts of the body.

The major ailments which injure the cardiovascular system are atherosclerosis, hypertension, and rheumatic heart disease. They may produce congestive heart failure, heart attack and stroke. Also of major concern are congenital defects of the heart and great vessels which are discovered primarily in infants and children.

Great advances are being made in the treatment of those with cardio-vascular problems, yet the deaths continue.

Circulatory diseases, with autopsy studies showing increased disease of the coronary ar-

RPP Credit Ass'n Stockholders Meet Held In Stamford

The Rolling Plains Production Credit Association held its 33rd Annual Stockholders Meeting in Stamford Saturday, April 28, 1973. J. R. Gleaton, President, noted that this meeting was celebrating the 50th anniversary of the intermediate Credit Banks and the 40th anniversary of the Production Credit System. He also disclosed that the Rolling Plains PCA now has a capital structure of almost \$5 million dollars and total loans outstanding of over \$25 million dollars. He stated that the total loans made in 40 years by this Association would likely be as much as \$500 million dollars. Mr. Gleaton announced that the interest spread (difference between Association cost and that being charged to its members) would probably be reduced by the middle of this year due to increased loan volume, which was widely acclaimed by the stockholders.

Mack Claburn, Director from Anson, gave the Report from the Board.

Jack H. Barton, Senior Vice President of FICB, Houston, was the guest speaker. He stated

that one of agriculture's biggest problems today was consumer attitude toward the high cost of groceries but that food today is still the best buy you can find anywhere in the country. He added that the boxes and cartons in which the prepared foods are packaged amount to a large percent of the cost. He concluded by saying that PCA is the best thing that ever happened to agriculture - a farmer or rancher can do business with himself - because PCA is owned entirely by its stockholders. Mr. Barton presented to Lasater Henley, Chairman of the Board, a plaque of recognition from the Federal Intermediate Credit of Houston commending this PCA for their outstanding efforts in serving Texas farmers and ranchers in an unparalleled commitment to the financing of agriculture.

The stockholders re-elected Lasater Henley to the Board of Directors. The Board of Directors held a meeting following the annual meeting and re-elected Lasater Henley as Chairman of the Board and Dean Decker, of Childress, as Vice-Chairman of the Board.

The 1974 Nominating Committee was elected to submit nominees for terms expiring on the Board of Directors at the next annual meeting. Frank

Campbell, Wellington; T. Frazier Watson, Roaring Springs; Clifford H. Cornett, Munday; Willard H. Williams, Spur; and Floyd McComas, Albany, were elected to serve on the Nominating Committee for 1974.

A barbecue dinner was served to 504 people, including 183 stockholders, Jimmie Kerr and his band from Anson entertained the group during registration and lunch.

Assembly Of God Ministers Meet Held

The North Plains Section of Assembly of God Ministers gathered at the local Assembly of God Church Thursday for their monthly meeting. Rev. R. L. Leeder, local pastor, was the host pastor. Fifty-one ministers and wives were present for this gathering, and at the noon hour divided themselves into two groups lunching at the Country Kitchen and Mrs. Bromley's.

The North Plains Section covers a radius of some 150 miles. Among the churches represented were those in Perryton, Sunray, Pampa, Amarillo, Canyon, Canadian, Shamrock, Wellington, McLean, White Deer, Panhandle, Borger, Conway, Skellytown, Clarendon and rural churches within the area.

Reports and testimonies were given and two evangelists addressed the group. There was also special music. Evangelists were from Panhandle A & M and Wellington, Texas. The morning session included instruction to ministers, a discussion of conducting ministry, Rev. Jimmy Phillips, pastor of the First Assembly of God Church in Pampa presided. He is head of the North Plains Section.

During the afternoon session the discussion was on "Antique Religion."

Next month's meeting will be held at Sunray.

Mr. and Mrs. Jim Smith and Keith of Amarillo spent Sunday afternoon with her mother, Quata Phillips.

Highlights and Sidelights FROM YOUR State Capitol

By BILL BOYKIN Texas Press Association

Gulf Coast and South Texas newspaper publishers kicked off an investigation into the "newsprint crisis" last week that could become a nationwide issue.

Last week in San Antonio a probe was launched into the causes of the current newsprint shortage in the United States.

A resolution requesting a "Congressional investigation" of the current newsprint crisis was adopted at the joint board meeting of the Texas Gulf Coast Press Association and National Newspaper Association to "investigate the problem at all levels" including "price fixing" and the "reported nationwide newsprint shortage."

The resolution asked the press associations to report their findings to their memberships so that "publishers can make necessary plans and adjustments for the future months and years."

Several weekly newspapers recently have converted to daily publication because of the growth of their cities, and are having problems getting more newsprint for their publications.

The regional press associations also asked that the Texas Congressional delegation be alerted to the problem and requested "assistance in working toward solutions for an adequate supply of this resource which is so vital to our industry."

Other state press associations in the southwest and midwest have received copies of the resolution, and have received requests for action by their officers at future board of directors meetings.

The newsprint manufacturers in the United States have told publishers that shortages have been caused by paper mill closings in some states because of "environmental problems." Wet weather has kept timber in the forests and away from the mills, newsprint officials have said.

Canadian mills - another big source of newsprint in the country - have not been contacted by the publishers, but will be

asked to report the reasons for current shortages, the press association officials said.

Some publishers have inquired about newsprint supplies in other countries, and "pool purchases" of newsprint from overseas markets.

Recent price increases by the newsprint companies have sparked part of the controversy also.

"We cannot understand why the price of newsprint is the same in the states with newsprint mills - close to the source of supply - and in areas hundreds of miles from the manufacturing plants," one publisher pointed out.

GOVERNOR SUPPORTS SCHOOL FINANCE AID - Gov. Dolph Briscoe threw his support behind a stopgap school finance aid measure to provide \$39.7 million in enrichment grants to the state's 113 poorest districts.

He spelled out his recommendations at a rally arranged here by San Antonio and Crystal City residents to dramatize the case for overhaul of inequities in educational funding.

Briscoe pledged additional legislation will "set into action a process of altering our entire funding system so that state funds will be allocated to all school districts . . . based on the financial resources of each."

While the governor didn't say exactly what he meant by the latter, aides said a "complete review" of tax capabilities of districts across the state will be ordered.

Briscoe, committed to avoiding a tax bill this year, found

it difficult to accept far-reaching overhauls of the school finance system which will cost \$500 million to \$800 million for implementation.

The legislation he backs, with Lt. Gov. Bill Hobby's and House Speaker Price Daniel Jr.'s support, would require each district to report its taxable assets to the state comptroller on specified forms by January 1, 1975.

Data will aid in fixing true market value of the property for school tax purposes, aides said.

The governor's office would also be made responsible for coordinating work of legislative committees and other official agencies in working out a plan for overhauling the school finance system by 1975.

AUTO INSURANCE HEARING SET - The State Board of Insurance will hold public hearings on auto insurance rates here July 10.

Hearing, starting at 9 a.m. on that date, will cover rating plans, manual rules and endorsement forms for both voluntary and assigned risk policies. Written statements were requested by June 11 from witnesses. New rates would be effective September 1.

AG OPINIONS - Gov. Briscoe had to withdraw appointment of Houston City Councilman Judson Robinson to the State Board of Corrections after Atty. Gen. John Hill said one man can't hold both jobs.

In other recent opinions, Hill concluded: A public school teacher can

serve as a county commissioner (if he isn't paid for county duty); a legislative aide can serve as committee consultant; and a state university professor can be paid for consulting services to a property tax committee but a county judge can't serve on a school board.

Hemphill County commissioners cannot be elected countywide at large to avoid restricting.

Private college students in part-time work - study programs are covered under workmen's compensation.

A beer-wine sale on- and off-premise consumption election should be submitted as a single question rather than as two separate issues.

GAS RATE HEARING BEGINS - A significant Railroad Commission Examiner's hearing into whether or not Lo-Vaca Gathering Company should be allowed to raise rates charged cities under contracts began here last week. Opponents will state their case at a future date.

Mayors claim the case holds the key to higher gas and electrical rates for consumers. Austin City Attorney Don Butler asked a commission investigation of the company's gas reserves. Lo-Vaca is a subsidiary of Coastal States Gas Corp., which holds contracts with many Texas cities.

Legislation to permit gas companies to renegotiate their contracts on showing they aren't making enough money is stalled in House sub-committee.

Financial Assistance For CC Student Aid

Beryl Clinton, Dean of Clarendon College, announced this week that student financial assistance will be available for students attending Clarendon College through the same programs that were available the past year. All students needing financial aid to go to college, should process their application immediately or contact Mr. Beryl Clinton, Dean of Clarendon College, at P. O. Box 968, Clarendon, Texas 79226, or call 806 874-3571.

According to a recent news publication from the Texas Coordinating Board of the Texas Colleges and Universities Systems, students attending Texas college and universities who qualify for programs of student assistance may be in a better position than those of their counterparts attending colleges and universities outside of the State of Texas. The article continues to say that state supported financial aid programs are made available for needy students through sixteen different scholarship, grant, and loan programs and that students attending Texas colleges and universities who qualify for these aid programs total more than 45,500 recipients and account for more than approximately \$33,000,000 in state funds. Realizing the necessity of these funds and the need for advanced planning in the area of federal financial aid,

REP. CATES IS NAMED TO HOUSE COMMITTEE

State Representative Phil Cates has been named to a fifteen member committee to study efficiency in the State House of Representatives by Speaker Price Daniel, Jr. Cates will work with the Citizens Conference on State Legislatures, a non-partisan organization headquartered in Kansas City, Mo.

Daniel reported that the Citizens Conference rated Texas 28th in efficiency in 1969 but the ranking had likely improved due to new techniques, etc.

Other state-wide appointees included Dean Cobb of Dumas who was the only other member of the Panhandle delegation named.

Visitors in the Hugh Sanders home Tuesday were her uncle and aunt, Lyle Stodghill of Monday, Texas.

TSTI RODEO SET FOR FRIDAY, MAY 11, 1973

The third annual Texas State Technical Institute Rodeo will be held Friday, May 11. In addition to the Rodeo there will be a barbecue dinner and parachute jumps by three Amarillo Skydivers who will land into the middle of the TSTI Rodeo Arena.

Activities begin at 6 p.m. with the barbecue followed by the rodeo at 8 p.m. and the parachute jumps. Tickets for the barbecue and rodeo will be \$1.50 for adults, \$1 for children between the ages of 6 and 12, with no charge for children under six years of age. The TSTI Rodeo Arena is located in the northeast corner of the TSTI Campus located on the former Amarillo Air Force Base east of Amarillo. Directional signs on the campus will help you to the location.

MOTHER'S DAY

By Rev. Weldon Rives

Proverbs 31:10 — Who can find a virtuous woman? For her price is far above rubies.

A MOTHER'S PRAYER
Help me, dear Lord, each day I ask
To cheerfully, lovingly perform each task.
Teach me Thy ways of gentleness
When children err and troubles press.
Let not impatience rule the day,
But show me the calm and gracious way.

—Valerie Beardwood

Sunday is Mother's Day. Many will be wearing flowers to signify admiration, devotion and love to their mothers. Perhaps many like to think of their mothers much in the way Mary, the mother of Jesus has been pictured. All such pictures show her with all the expression of warmth, compassion and tenderness that can be captured in the expression of love upon the canvas.

I have fond memories of my mother, as I was growing up on the red clay farm my father rented in Fisher County. The hot meals she cooked without most of the conveniences of modern day kitchen aids and food processing techniques are still among my prize memories. And, how often, while playing in the shade of the house, I've heard her singing some tune as she sewed together a dress for one of the girls, or cleaned the house as best she could considering there was no air conditioning and the doors and windows were always open to get the benefit of any cooling breeze blowing on a hot summer afternoon. Again, when I had "stumped" a toe or stepped on a rusty nail, how she would get a pan of kerosene to soak the wound, and take time out of her day to comfort and console a hurt son. Yes, I've many fond memories, these and many more, of that mother we laid to rest four years after my father's death.

Sunday, Mother's Day, I'll offer a special prayer of thanksgiving in the House of the Lord; among the people of God, come together to worship, for my mother, I invite you to come and join me and let us give thanks together for our mothers.

Grace and peace in Christ Jesus.
