CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, JULY 29, 1965

A Common Paper for Common People

PHOTO BY HIGLEY'S LEADER ENGRAVING

Clarendon Mayor R. L. Gilkey, right, accepts a pedestrian safety citation from Sam Bell, left, manager of the Panhandle-Plains Auto Club of Amarillo as chief of police Gary Gerdes looks on. The award was presented to the city on behalf of the American Automobile Association for its efforts in pedestrian safety. "Clarendon has not had a fatal pedestrian accident in four years," the plaque stated.

Annual Country Club Chicken Barbecue Friday, August 6

Jack Clifford, president of the Clarendon Country Club, announced this week that Friday, August 6th has been set for the annual chicken barbecue. This is the one time of the year that club members may invite as many guests as they wish as long as they provide for the chickens and other trimmings for their own party.

The club will purchase all the chicken for the barbecue so the halves will be uniform and cook the same. The price per half will be 85 cents and tickets may be purchased at Tunnell Pharmacy or Goodman Furniture. The club will furnish black coffee and beans. Flip Breedlove and his crew will do the barbecuing and the serving time has been set for 7 p.m. All orders for chicken must be in by Wednesday afternoon, August 4th. Be sure to get your order in on time as no extra chicken will be available.

Games of Bingo will follow the barbecue and all attending are invited to participate. Three door prizes will be given.

Mr. and Mrs. Jiggs Mann, Camille and Mark, have just returned from a two weeks vacation at Riverside, Calif. They visited with relatives and enjoyed such sights as Disneyland, San Diego Zoo and Marine land. Jiggs saw a big league baseball game between Los Angeles and Chicago. The return trip included a short jaunt through Old Mexico.

TEXAS INDIANS — One of the newest spots for tourist interest in Texas is the Alabama-Coushatta Reservation, near Livingston, Polk County, where members of the Na Ski La Dancers (shown here practicing) dance for visitors on a five-times-daily schedule.

GRAVESIDE SERVICES HELD FOR FORMER RESIDENT

Graveside services were held at Citizens Cemetery Tuesday afternoon for Joseph Fleming Jones II of Abilene. Funeral services were held Tuesday morning at Elliott Funeral Home in Abilene.

Mr. Jones, 55, was a former Clarendon mayor and operated a flying service while living here. At the time of his death he was a Master Sergeant in the U. S. Air Force at Dyer Air Force Base in Abilene. He died Sunday morning at Wilford Hall Hospital in San Antonio.

Surviving are his wife, Peggy of the home; sons, Casey of Abilene and Joseph III of Ft. Worth; and three grandchildren.

COUNTRY CLUB POOL TO BE DRAINED SUNDAY NIGHT

The swimming pool at the Country Club will be drained Sunday night so it may be thoroughly cleaned prior to the annual chicken barbecue Friday, August 6th.

It takes three days to fill the pool again so it will be nice and cool for swimmers next Thursday, August 5th.

TELL HOMEcoming AUGUST 1

Homecoming will be observed at the Tell community this Sunday in August. Registration will be at the Tell school building at 9:30 a.m. Bring a basket lunch. Drinks will be furnished by the Tell community club.

A memorial service will be held at 2 p.m. Sunday. There will be singing at the Baptist Church Saturday night at 8 p.m.

Farm Safety Week July 25-31

Whether you live on a farm or not, National Farm Safety Week, July 25-31, should serve as a reminder to you to promote safety in your home community and on the highways.

Accidents in the home and on the farm take a terrific toll each year, says the Texas Farm and Ranch Safety Council and most could be prevented. They cite a breakdown of the latest figures as evidence of the terrible toll. Last year, nationally, over 8,000 farm residents died from accidents and nearly 800,000 were injured. The cost of these accidents has been placed at \$1.5 billion.

President Johnson in proclaiming the special week said, "This tragic and needless waste of human and economic resources is detrimental to the well-being of the Nation. I therefore view farm safety as a matter of vital concern."

"I urge all farm families, and all people and organizations allied with agriculture, to engage in a united effort to reduce accidents at work, in homes, at recreation, and on our Nation's highways and roads."

Co-sponsors of the 22nd annual National Farm Safety Week are the National Safety Council and the U. S. Department of Agriculture. Special emphasis is being given this year to preventing accidents involving slow-moving vehicles, chemicals, electricity and in recreation.

Accidents can be prevented believes the Texas Council. It emphasizes that no benefits occur from accidents, but that all benefit when good accident prevention programs are established to attack the problem.

Non-farm individuals and related organizations are encouraged, by the Council, to participate in this special emphasis week promotion for the prevention of accidents everywhere. Adopt safety practices in your work, recreation and everyday living and encourage others to do the same, advises the Council.

R. W. BINGHAM TO SHOW AFRICAN FILM AT BAPTIST CHURCH

R. W. Bingham will be at the Baptist Church Friday night, July 30, to show film of their work among the peoples of Africa. The program will begin at 8 p.m. Mr. Bingham is in the educational field with the U. S. American Industrial Development in Karthoum, Sudan in Africa. He is the son of Mrs. R. W. Bingham of Clarendon.

FARM NEWS

from County ASCS Committee

COTTON LOANS

The loan rate for cotton produced in Donley County has been announced at 28.99 for middling 1 inch for 1965.

Here are some important changes in the loan program for 1965.

1. All loans (except those to co-ops) will be disbursed by ASCS County Offices.

2. All loan documents will be kept in ASCS County Offices until the loan matures or the cotton is redeemed.

3. Warehouse receipts no longer have to be stamped showing that the receiving charges have been paid, thus avoiding undue delay.

As in the past, loan papers may be prepared by ASCS County offices or by approved loan clerk located throughout the county. However, all Form A cotton loans will be disbursed by the ASCS County offices thru issuing a CCC loan draft which may be cashed the same as a check.

Producers and buyers should find the cotton loan program more convenient as a result of these changes. What's more, the program will be less costly to the government.

MEASURING ACREAGES

Our performance reporters are now in the fields measuring crops and diverted acreages. Your assistance in helping the reporter measure crops and locate all fields will be greatly appreciated. This will help eliminate errors that might be made otherwise.

Let us remind you again to be sure to point out any cotton which was planted and not standing so that it can be measured for history purposes.

WHEAT PAYMENTS

Farms participating in the wheat program only are now being paid as all the necessary signatures are obtained. However, farms participating in both wheat and feed grain programs will not be paid until after all final measurements are made.

OFFICE NEWS

We are sorry to report that "Shy" Johnson is in St. Anthony's Hospital in Amarillo after having had eye surgery July 20. He is much improved and feeling better at this time.

MINNIE'S BEAUTY SALON TO OPEN TODAY

A new Beauty Shop to be operated as Minnie's Beauty Salon will open today for business in the Mulkey Theatre building.

Mrs. Minnie Gerdes is the owner of the business and is featuring the latest equipment and fashions in hair styling. She has several years experience in this line of work and operated her own beauty shop in Canyon prior to moving to Clarendon with her husband, Chief of Police Gary Gerdes, a few months ago.

REBEKAHS POT LUCK DINNER WEDNESDAY, AUGUST 14TH

Members of the Rebekah Lodge will serve another of their delicious Pot Luck dinners at the Lodge Hall to the south end of Main Street Wednesday noon, August 4th. Serving will start promptly at noon with a variety of fine homecooked foods to choose from. Price for all you can eat is only \$1 for adults and 50c for children.

HOSPITAL NOTES

Patients as of Wednesday, July 28th: Larry Neece, Mrs. Bill Allen, Mrs. Glenn Wallace, Bill Porter, Mrs. Ona Tatum, Jess Pool, Mrs. Clarence Stone, and Dee Ann Smith.

Dismissals: Mrs. Tom Crabtree, Mrs. Eddie Floyd, George Green, Ronnie McAnear; L. E. Yankee transferred to Amarillo.

EVANGELIST

REV. LEON F. WYSS

REVIVAL SERVICES AUG. 2-8 AT CHURCH OF THE NAZARENE

Rev. Dan Wright, pastor of the Church of the Nazarene, has announced that Revival services have been set at the local church from August 2-8. Services will be held each evening at 7:30 p.m. Rev. Leon F. Wyss of Bethany, Oklahoma will be the Evangelist-Singer. He is an elder in the Church of the Nazarene and is now devoting his full time to the work of itinerant evangelism in his denomination, as preacher and singer. He has served as pastor of churches in Missouri and Texas.

The church and its pastory are pleased to extend a hearty welcome to you and your friends. Each and every service will be filled with good things; spiritual songs, choruses, special music, a dynamic gospel message, and best of all, the presence of God. Be sure to be with us in our opening service, Rev. Wright stated.

CHEERLEADERS ATTEND TECH CHEERLEADERS SCHOOL

Cheerleaders at CHS for the coming year are attending Cheerleaders School on the campus at Texas Tech this week having left Sunday and planning to return Friday. Six girls are taking the training course: Sue Hill, Janny Robinson, Linda Palmer, Christina Moore, Carol Cornell, and Cathy Craft.

This group sincerely appreciates the support and help given them in their fund raising projects. Mrs. H. M. Breedlove was winner of the ten books of Green Stamps.

NEWS FROM CITY HALL

by R. L. Gilkey, Mayor

This has been a quiet week at city hall. Of greatest interest to all of us will be the forthcoming water bill. Many of the meter readings revealed three to four times the water use of last month. So be prepared for your water bill if you've done much watering.

With the increased use we've had minor pump problems which have now been repaired. Not only is the summer the best months for water revenue, the expenses are the greatest. Did you know that it costs approximately \$100.00 for the insecticide alone each time the dusting machine is used? And we've had to use it frequently in the past few weeks.

This month will be a close one financially. With the June rain, the income in July was about \$5,000.00 less than expected and we've had usual summer expenses. So the end of this month will see our bank balance close to the red.

A month may be bad financially, but last year was good. Look at the audit.

Little League Teams Lose In Play-Offs

The Little League play-off games were played last Thursday and Monday nights to bring the regular season to a close. Both the Little League team and the Senior League teams made good showings but lost out in their first play-off games.

The Little League all-stars played Childress at Childress last Thursday night and lost 11 to 4. Childress had 12 hits to Clarendon's four. Adkins and Tomlinson were the Clarendon pitchers and Yankee made the only home run during the game.

In the Senior League game at Amarillo AFB Monday night, the game was more exciting. The local team lost to Memphis 9 to 8 in extra innings. Both teams had four hits but Clarendon topped Memphis 12 hits to Clarendon's four. Adkins and Tomlinson were the Clarendon pitchers and Yankee made the only home run during the game.

In the Senior League game at Amarillo AFB Monday night, the game was more exciting. The local team lost to Memphis 9 to 8 in extra innings. Both teams had four hits but Clarendon topped Memphis 12 hits to Clarendon's four. Adkins and Tomlinson were the Clarendon pitchers and Yankee made the only home run during the game.

In the Senior League game at Amarillo AFB Monday night, the game was more exciting. The local team lost to Memphis 9 to 8 in extra innings. MEMBER OF

Texas & Panhandle Press Associations

Gun Rack Cushioning

Most gun racks come with felt strips to prevent gunstock damage.

Replace these strips with ordinary weather stripping. Its foamy cushioning affords better protection and will outwear felt.

Keeping Soap Clean

Keeping soap clean and handy in camp can be somewhat of a problem.

It needn't be, if you will take the precaution to place a bar of soap in the toe of an old nylon stocking. Just hang the stocking close to the wash-up pan, and it will always be ready for use.

Suds come through the nylon

mesh as though the stocking wasn't there.

Protecting Axe Blades

A sharp bladed axe or hatchet is dangerous to have around camp, if not protected.

Keep all such tools covered by forcing a length of ordinary hose (slit length-wise) over the cutting edge.

Hose is rigid enough to remain clamped firmly in place when the blade is not in use.

Excellent Match Holder

You can't beat the plastic case of an empty nasal inhaler as a match container for use in camp, or in the field.

Shortened to size it will hold about a dozen matches and keep them dry and ready for use.

For added waterproofing just smear a little melted paraffin on the cap threads.

Outboard Motor Care

Many outboard motors have been ruined by careless handling.

For instance, never turn the motor upside down immediately after taking it off the boat. The water hasn't had time to drain from the cooling system, and will seep into the heated cylinders.

Let the motor cool off and dry out a bit before turning it over.

Non-Fogging Eyeglasses

Fogging eyeglasses can be the ruin of a hunting or fishing trip.

But if you use a commercial non-fogging compound, this nuisance can be avoided.

However, should you fail to bring along any of the commercial stuff, you can get the same protection by covering both sides of the glasses with a thin coating of soapy lather. Let the lather dry, then polish with a soft cloth.

This will leave a transparent protective coating that prevents fogging.

Old Motor Fuel

Trying to save a few cents worth of gasoline that might be left in an outboard motor tank from one season to the next is unwise.

Stale fuel loses a lot of zip and can really foul up your outboard. The old kicker will start more easily, and run better, with fresh gasoline in the tank.

Make Oars Wear Longer

If you will cover the part of your oars that rub against the oarlocks, and also the oar tips, with strips of fiberglass and epoxy resin, the oars will last much longer.

Instant Traction

Hunting and fishing enthusiasts often travel over icy roads—and they often find their wheels

spinning helplessly on a spot of glazed ice.

When this occurs, relief can be had in many cases by scraping off the mud under the fenders. This dirt will afford enough grit on the slick spot to supply the necessary traction.

HEDLEY NEWS

Mrs. Mabel Bridges

Mr. and Mrs. Den Younger and family of Ft. Morgan, Colo. spent the week end with his mother, Mrs. Younger and sister, Mrs. Johnny Myers and family.

The Bill Bridges family of Amarillo spent Tuesday and Wednesday with his mother, Mrs. Mabel Bridges.

Mr. and Mrs. Kenneth Whisenant and children, Patti and Rusty of Abilene spent the week end

with the lady's parents, the Bill Scales.

LeRoy Hartwell of Amarillo visited his parents, Mr. and Mrs. G. T. Hartwell Sunday.

Mrs. Ed Morton left Monday by plane for Los Angeles, Calif. to visit a month with her two sons.

Mrs. Ruby Johnson of Canyon was here on business the first of the week.

Mr. and Mrs. C. W. Glass of Kernes, and Mr. and Mrs. Joe Glass of Snyder, Texas spent Saturday night with their brother, the Malcolm Glass. They were enroute to Eureka Springs, Ark. on vacation.

Mr. and Mrs. Grant Hartwell spent Sunday with Mr. and Mrs. Arthur Barnes in Pampa.

Mr. and Mrs. Benny Brown and son of Ardmore, Okla. visited the lady's brother, the Johnny Myers family.

Sympathy is extended Mrs.

Vera Mae Petty and family in the sudden death of her father, Mr. Gassett Friday evening. Funeral and burial were Sunday.

Mrs. Gene Bolin is still seriously ill in Northwest Texas Hospital in Amarillo.

Crops in our community are looking fine. Farmers are real busy. Cotton is very good. Everyone is so busy there is not too much news. We will try to have more next time. Several have called your reporter asking for a subscription to the Leader. Others have paid up for another year. Why not call 856-3834 and subscribe for the Donley County Leader.

Miss Bonnie Gaye Black, the Hedley Cotton Festival entrant in the Miss Texas Pageant at Fort Worth registered Monday. She and her chaperon were housed in the Western Hills Hotel. Tuesday she and the other six-

ty-six contestants were honored with a luncheon at the Downtown Fort Worth Lions Club. The Fort Worth J. C.'s and Chamber of Commerce co-sponsored this event. The contest proper started Wednesday.

Rev. W. E. Lynn, President of the Hedley Lions Club, and Clifford Johnson attended the meeting of the Clarendon Lions Club Tuesday. It was a good will visit but they probably mentioned the 14th Annual Cotton Festival at Hedley, October 15-16th.

Mr. and Mrs. Melvin Lewis of Ft. Worth visited the C. L. Johnsons Monday. Mrs. Lewis is Mr. Johnson's niece.

The Hedley Lions Club's annual family picnic will be held Thursday night August 26th. It will be a chicken barbecue at the Hedley City Park.

Attend the church of your choice.

HOUSEHOLD SUPPLY COMPANY

COMPLETE HOME FURNISHINGS — HOME OWNED and OPERATED
CLARENDON — BUTANE AND PROPANE SERVICE — TEXAS

By—Vern Sanford
 Every year Texas newspapers publish articles on water safety. Yet every year people are hurt or killed . . . while boating, swimming, wading, skiing, fishing, or

just plain falling into the water. There are all kinds of accidents . . . minor, painful, fatal. Most of them are caused by failure to THINK.

Little is written about what can happen to the fisherman. So let's talk about the angler and his safety problems. Here's a guy who doesn't want to think about anything but catching fish.

One friend of mine didn't even have to go near the water to get himself full of fishhooks. He laughs as he tells it on himself now, but it wasn't so humorous at the time it happened.

He kept lures hooked into the liner of a minnow bucket suspended from a garage rafter by a cord. One day he undertook to reach up and get some lures for a fishing trip, and the whole apparatus fell down on his head. For awhile he looked like a walking tackle shop, with baits festooned all over him.

Some of the hooks were in his clothes, but others were snared in

his hide. He had quite a session with the doctor before all the hooks were removed.

Let's suppose that you are out on the river or lake fishing and a hook gets imbedded in you. Do you know how to remove it? This is something every angler should know. No matter how careful you may be, you are going to get hooked sometime . . . either by your buddy or by your own carelessness.

If the point has penetrated deep into the flesh, it is next to impossible—and very painful—to extract a hook by trying to take it out the way it went in. After all—barbs are there to hold the hook secured in place. And they do a good job of it.

Problem then is to remove the barb. So take your pliers (don't ever go fishing without wire cutting pliers) and cut the shank of the hook. This is done to remove the eye.

Next push the hook so that its

point will move forward. That is, so that its movement will not be impeded by the barb. With a little pressure the point will move through the flesh, puncture an exit in the skin and emerge there.

Let the wound bleed a little. Blood washes out the wound, and removes whatever impurities there may be on the hook. Now take your safety kit (you do carry a safety kit, don't you?) and apply iodine, mercurochrome, or whatever disinfectant is available.

After the disinfectant, apply a Band-Aid and you're as good as new.

As for hook accidents—the best idea, of course, is for them not to happen. A few simple precautions will prevent them.

If two men are in a boat, both should cast from the same side and in the same general direction. Never cast in opposite direction or toward the bow or stern.

If you cast longways of the boat, your backswing will put your lure right in your partner's face. If it doesn't hook him it will scare him to death, or nearly so, and even if he survives you will have lost a fishing buddy.

You're going to get lures hung in bushes, trees and weeds near the shore. When you do, avoid trying to free them with a hard steady pull. Use a series of short, sharp yanks on the line, and even then look out! Even the latter method sometimes will free a lure so that it will come flying right back at you. Be ready to duck anytime you or your buddy are trying to free a hook that's snagged.

If you hold your rod out to one side, in trying to free a snagged hook, the lure, suddenly loosened, is more likely to miss you on its return flight. If you want to play it safe, simply move the boat to the lure and free it by hand.

There is a good rule about safety in small fishing boats. Watch your partner, and when he moves to one side, you move to the other.

If he leans over the side to pull up a heavy anchor and you lean over the same side at the same time to reach for the floating minnow bucket—don't be surprised if you both get a bath, even if it isn't Saturday.

Keep the boat in balance at all times! And don't stand up in a boat unless you absolutely have to.

Don't fool around in swift, rocky waters in your fishing

boat. If you're going upstream and hit a rock with your propeller shaft, your motor will tilt and the boat will go out of control and possibly overturn. If you're going downstream, put your motor in reverse to reduce speed and try your best to avoid the rocks.

Best of all though, avoid that kind of water whenever possible. If you must get into it, or thru it, to catch fish, get out and tow the boat thru the shallow, dangerous places. Or go to the bank and pull the boat along until you reach deeper, quieter water. You'll have to be guided by the situation but in case of doubt, don't take chances. It's not worth it!

Circular masonry towers were built where native stone was too hard to be squared for corner construction.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows: "Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in financial affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution thereof and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution thereof and sold in any installment of any bonds may not exceed four and one-half per cent (4½%).

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased hereunder) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division, shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there shall be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, landscaping, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expense to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to any bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining in said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following: "FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

"If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows: "Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.

(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following: "FOR the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan."

One of the best ways to wage war on poverty is to go to work.

Once when girls went out to sun They dressed like Mother Hubbard Now they have a bolder whim They dress more like her cupboard.

Some folks are good at remembering jokes With all the details that mold them

An old Rancher was reading about the wonderful cattle being grown on the LBJ Ranch. He summed it all up this way: "It's mighty easy to take a good many million dollars and grow a good herd of cows, but it's not near so easy to take a good bunch of cows and make a good many million out of them." ... Uncle Char-

Why can't they remember equally well How many times they've told them.

Some one has said: "Happy is the guy who has a good cook, a good digestion, and a good bank account."

It has been proven that it takes far greater qualities to bear good fortune than bad ... Bad times just seem to have a way of bringing out the best in most folks, while when things get too rosy for awhile we are apt to develop a bad outlook....It all adds up to the same thing we read in the Bible which says in effect: "When a man thinketh he standeth let him take heed lest he fall."

Uncle Jay Bob says he doesn't

mind long sermons just as long as they don't wake him up.

Some folks despise those who flatter them too much, and most folks despise those who do not flatter them at all.

Sometimes it's easier to admit having some faults, than to risk being found out as having big ones.

The more patient pedestrians are, the fewer pedestrian patients for the doctor.

children's books like Dr. Seuss. Of course he is a genius and they don't come in bunches. He is one of the very few who is able to not only write what will appeal to children but books that are worthwhile and have something of value to give to growing minds, from pre-kindergarten to, in some cases, sixth and seventh grades. Almost all of our adults think Dr. Seuss books are plain silly to use one of their milder words. The children? They adore him just about one hundred percent. This does not hold true in California, that is where the grownups are concerned. And I quote: "Schools close when Dr. Seuss comes to town—well, not quite...but when Dr. Seuss makes a California tour, they might just as well. Everybody plays hookey, and the teachers are the ringleaders, aided and abetted by the librarians. In every city Dr. Seuss visits, whole classes of first to fourth graders take the afternoon off and line up in the bookstores behind their teachers to see their favorite author... Tattered old early editions that have been read and reread dozens of times are pushed before him for autographing - everything from "Thidwick and Horton to his latest smash hit."

"Dr. Seuss is a modern Pied Piper who, with the magic of words, leads millions of small readers into his wonderful world of fun and fantasy. The acquaintanceship which begins at home under parental guidance is continued in nearly every school in the country. Without a smidgin of doubt, Dr. Seuss is 'teacher's pet'. The Seuss books are read to kindergarten set as a treat; older children use them for remedial reading. And hundreds of teachers report their value in the encouragement of creative work among children."

"What happens when youngsters are assigned to dream up in words and pictures their own stories based on Dr. Seuss characters, is striking proof of the happy effect of Dr. Seuss on young imaginations. And if any more proof of the Seuss pulling power were needed, librarians are right there to supply it. 'For Dr. Seuss books they say, 'there's always a waiting list.'"

We do indeed need more and more Dr. Seusses.

Parallel terraces were installed by Julius N. Weaver, J. C. Shields, and by Ansil Adamson. These terraces allow the farmers to farm land on the contour with no point rows and each row carries its own water.

Standard large ridge terraces of conventional type have been installed by Lloyd Molder, Gene Bryan, John B. Rice, Less Tiffin, H. L. Blanks, and Billy W. Odom.

Diversion were built on farms belonging to Tom Odom, John Rice, C. W. D. Tanner, John Stephens, L. B. Baker, Norville Hamilton, and F. E. Sawyer.

Grassed waterways have been constructed on the following farms: Johnny E. Leathers, James A. Shields, Less Tiffin, L. B. Baker, and Frank Tyler.

Numerous IRRIGATION PIPELINES have been installed underground to conserve water. Some of those installed this year are: Spencer Sitter's Pipeline, D. F. Cook, Lloyd Littlefield, H. S. Hardin, L. A. Watson, James A. Shields, H. C. Shaw Jr., Thomas E. Jones, Homer Hardin, and Robert Odell Osburn.

CASH BALANCE — MARCH 31, 1965		\$ 31,744.78

CERTIFICATE: We hereby certify that we have examined the accounts of the City of Clarendon, Texas, for the fiscal year ended March 31, 1965, insofar as such accounts relate to cash receipts and disbursements. We did not make a detailed audit of all transactions during the year. We did, however, make comprehensive test checks of all transactions and secured verification of cash on deposit and securities on hand at March 31, 1965.

In our opinion, subject to the above limitations and to the comments contained in our report under date of June 21, 1965, the accompanying combined balance sheet reflecting accounts arising primarily out of cash transactions, and the statement of receipts and disbursements for all funds present fairly the financial position of the City of Clarendon at March 31, 1965, and a summary record of receipts and disbursements during the year then ended.

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT
NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 47 proposing an Amendment to Section 4, Article III, Constitution of the State of Texas, to provide four-year terms of office for State Representatives.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article III, Constitution of the State of Texas be amended to read as follows:

"Section 4. The members of the House of Representatives shall be chosen by the qualified electors for the term of four years; but a new House of Representatives shall be chosen after every apportionment, and the members elected after each apportionment shall be divided by lot into two classes. The seats of the members of Class A shall be vacated at the expiration of the first two years, and those of Class B at the expiration of four years, so that one-half of the members of the House of Representatives shall be chosen biennially thereafter. Representatives shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified. Except in case of an election to fill a vacancy, and except in the first election following each re-apportionment, a person who has been elected to the House of Representatives shall not be eligible to be a candidate again for membership in the Legislature until the term for which he was elected has less than one year remaining."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of the state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide for a four-year term of office for State Representatives."

"AGAINST the Constitutional Amendment to provide for a four-year term of office for State Representatives."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and the Amendment shall be published in the manner and for the length of time required by the constitution and laws of this state.

Section 4. In the event the Constitutional Amendment proposed in this Resolution is adopted by the people of Texas in the election in November, 1965, then the terms and provisions of House Joint Resolution No. 1 shall be directed not to issue a proclamation for the election and not to publish notice thereof for the Constitutional Amendment proposed by House Joint Resolution No. 1 shall be included in this Resolution. But, should this proposed Amendment be rejected by the people of Texas in the election in November, 1965, then the terms and provisions of House Joint Resolution No. 1 shall be and remain in full force and effect and shall be proclaimed published and submitted to the electorate in November, 1966, as provided in said House Joint Resolution No. 1.

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT
NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 14 proposing Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State; and certain statutory state officers; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty three years of age, a citizen of the United States, and shall have resided in this state at least five years immediately preceding his election."

Section 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or privilege of collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature."

Section 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 23. The Comptroller of Public Accounts, the Treasurer, the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution, shall each hold office for the term of four years and until his successor is qualified; receive an annual salary in an amount to be fixed by the Legislature; reside at the Capital of the state during his continuance in office, and perform such duties as are or may be required by law. They and the Secretary of State shall not

receive to their own use any fees, costs or perquisites of office. All fees that may be payable by law for any service performed by any officer specified in this Section or in his office, shall be paid, when received, into the State Treasury."

Section 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

Section 5. Nothing contained in this Resolution shall be construed so as to extend the term of office of any officeholder previously elected to a two-year term.

Section 6. The Governor shall issue the necessary Proclamation for the said election and have the same published as required by the Constitution and laws of this state.

CATTLE OUTLOOK FOR MONTHS AHEAD EXPLAINED

Cattle prices during the last two months have averaged well above those of the same period a year ago, reveals John G. McHaney, Extension economist, Texas A&M University.

"With few exceptions, range and pasture grasses are in good condition in Texas, and grazing prospects through the early part of the summer are excellent," he explains. "Range feed is generally showing good growth over the Western range area of the United States."

This is favorable from a price standpoint because it permits producers to hold feeder cattle on the range longer. This produces orderly marketing.

Although feeder cattle prices remained low through February,

they increased in March and April. The recent rise of feeder cattle prices can be attributed to the increase of fed cattle prices, strong demand and a smaller seasonal supply.

McHaney says that feeder cattle prices will likely stay above year-earlier levels through the rest of the second quarter and into the summer of 1965.

During this period, it is anticipated that cattle feeders will continue to place large numbers of cattle on feed. At the same time, good grazing conditions will enable ranchers to hold more feeder cattle on the ranges. This will restrict available supplies to feedlot replacements and will tend to strengthen feeder cattle prices.

A further increase of feeder cattle prices would probably curtail the slaughter of non-fed animals as feedlot operators would complete strongly with packers for these cattle, the economist explains.

Feeder cattle prices in the fall and early winter of 1965 will de-

pend largely upon range conditions at that time, McHaney adds.

He points out that fed cattle prices were steady through the winter, averaging \$2 to \$3 above those recorded a year earlier. In late April, they were about \$4 above prices in the early spring of last year.

These prices may decline slightly about mid-year 1965, but in the third quarter, July, August and September, they are expected to average about the same as those of a year earlier.

PLAN NOW FOR FUTURE USE OF LEISURE

"Education in the future will need to place more emphasis upon wise use of leisure time," says Reagan Brown, Extension sociologist, Texas A&M University.

He said it is estimated that the average person 35 years from now will have twice as much leisure time as the person of the present. "Either we start planning today for wise use of this time or we pay the consequences," he added.

Brown said that increasing concern for training of our citizens in wise use of leisure time is not just a desire to make people's lives more pleasant for them. Monotony in work and in off hours is a social danger no less than disease, disorder and illiteracy.

"Our failure to embrace this belief is raising the crime rate, increasing population in mental hospitals, multiplying physical and moral weaklings rejected by the armed forces, and raising the percentage of youths who want security at the very onset of their careers and who are afraid of trial and adventure," he stated.

Participation is most important and involves more than just being a spectator to a sport that offers only passive sideline involvement. In addition to what is commonly called physical recreation, participation may be in the form of civic affairs or social services which offer meaningful leisure time activity and satisfy-

ing personal experience," Brown explained.

He said that this does not mean that one's work or profession will be neglected but that life will be looked upon as an entity and preparation for it will be treated as such.

American life in the future is going to be leisure time oriented in contrast to a work oriented past. How well and how soon we adjust to this change will have much to do with our country's future welfare, Brown concluded.

Phosphorus, an essential constituent of the human body, is a deadly poison in its pure form.

The name arsenic comes from the Greek word for "bold", from its action on other metals.

The White House was first wired for electricity in 1892.

All states now have stringent laws against dueling.

Bridal Shower Honors Miss Welch

Miss Rosalie Welch, bride-elect of Art Sommerfeld, was honored with a miscellaneous shower Saturday, July 24th, in the home of Mrs. P. C. Messer. Receiving hours were from 10 to 11:30 a.m.

Guests were greeted by Mrs. Messer and presented to the honoree and her mother, Mrs. Gene Welch.

The refreshment table was laid with a white cloth and centered with a floral arrangement in pink and white. Appointments were silver. Mrs. Hoyte Goad and Miss Maudena Self presided at the table. Miss Pam Perkins registered the guests. Approximately fifty guests registered and others sent gifts.

Hostesses for the courtesy were Mesdames P. C. Messer, George Thompson, F. O. Hodge, L. P. Moore, Connie Dromgoole, Leo Luttrell, Carl Naylor, U. Z. Patterson, Bob Myers, A. C. Carter, Thomas Perkins, Donald Ballew, Pete Riley, and Miss Elaine Behrens. —Rep

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Pete Hopkins, Clarendon, Texas announce the engagement and approaching marriage of their daughter, Joan Whitacre, to Jim Lumpkin, son of Mrs. Floyd Lumpkin also of Clarendon, and the late Mr. Lumpkin.

PUTMAN FAMILY TO HOLD REUNION

The M. L. Putman family will hold their family reunion Sunday, August 1st, at the Rebecca Lodge Hall. A basket lunch will be served at the noon hour.

REUNION HELD IN J. J. HELM HOME

The first family reunion in 42 years was held by the family of Mrs. J. J. Helm, the former Nora Scott Smith, at the Helm home near Groom. The young folks enjoyed riding a 23 year old stallion, "Blondie," while the older folks enjoyed visiting, taking pictures, reminiscing, and visiting their old home town of Clarendon.

Attending were Mr. and Mrs. Ivin Scott of El Cajon, Calif.; Mrs. Ethel Ellis of Chino, Calif.; Mrs. Lillie Campbell of San Gabriel, Calif.; Mrs. Martha Brewster of Dalhart; Mrs. Clara West and Mr. West of Farmersville; Mr. and Mrs. Walter Bible and Nancy of Phillips; Mr. and Mrs. Raymond Langford of Los Angeles, Calif.; Mrs. Norma Herd and children of Conoga Park, Calif.; Mrs. Patricia Garcia and daughters of Guymon, Okla.; Mrs. Lenora Patterson and daughters of Roswell, N. Mex.; and George Braxton and son of Shamrock.

BAPTIST PRIMARY PICNIC HELD AT PARK

The Primary department of the First Baptist Church enjoyed a picnic at the City Park Tuesday evening, and as part of their fun, gave Rosalie Welch a Kitchen shower.

Members of the department present included Eddie Eads, Rickey Mooring, James Thomas, Andi Eads, Denise Owens, Patricia Trout, Jennie Barbee, Kim Horton, Jan Barbee, Therissa Ridenour; also teachers: Mesdames Velma Weaver, Ruth Lindley, Melba Risley, Lucille Luttrell, Cula Jo Trout, and Lloyd McCord, and Rosalie Welch. Visitors were Jo and Chris Schollenbarger, Sue Luttrell and Valarie Trout. —Rep

COOKE GIRLS SPEND FIVE WEEKS AT RANCH

Kittie and Melissa Cooke have returned from a five week stay at the Brush Ranch for Girls near Santa Fe, N. Mex. While there they were privileged to study ballet with the renowned Robert Bell of Robert Bell School of Ballet in Oklahoma and the Oklahoma City University.

At the close of the term, Kittie was chosen for the Water Ballet. Both girls were in the swimming pageant and Melissa took part in the Equestrian Show.

SENATOR ANDY ROGERS GIVEN APPOINTMENT

Lieutenant Governor Preston Smith today announced the appointment of Senator Andy Rogers of Childress to the interim Committee on Faculty Compensation in State-supported Colleges and Universities.

The study group was authorized by resolution during the recent legislative session. Senator Rogers was co-author of the measure. The Committee on Faculty Compensation will examine existing security benefits for teaching personnel and staffs of state-supported institutions of higher education as they compare with similar benefits in other states and with such benefits provided by government and industry. Findings and recommendations will be reported to the Governor and to the 60th Legislature which meets in 1967.

Rogers has been a member of the State Senate since 1953 and prior to that served two terms in the House of Representatives, beginning in 1949. During the 59th Legislature this year he was chairman of the Senate Committee on Agriculture and Livestock, vice chairman of the Constitutional Amendments Committee, and a member of the following additional standing committees: Education, Finance, Game and Fish, Military and Veterans Affairs, Nominations, Public Health, State Affairs, Transportation, and Water and Conservation.

Mrs. L. O. Dennis of Memphis visited Friday with her daughter and family, Mr. and Mrs. Dick Vallance.

NEWS FROM TEXAS HIGHWAY DEPARTMENT

More tourists traveling by automobile entered Texas last year than in any prior year in history.

During 1964 automobile visitors to the State added the impressive total of \$524,739,000 to the Texas economy. This was more than enough to rank the Visitor Industry high on the list of the State's most important sources of revenue.

In addition, the Texas Tourist Council estimates that nearly 2.5 million visitors came to Texas by commercial carriers, adding more than \$150 million to the total spent for tourist services.

The Texas Highway Department's annual survey of out-of-state visitors shows 11,757,000 tourists came to Texas by automobile in 1964. The length of the average visitor's stay was 5.6 days and he traveled 1,020 miles while in the State.

Last year the average party consisted of three persons. Average cost per person per day was \$7.97, while the average cost per party was \$23.91. Expenditures per person were up 12 cents per day from 1963.

The Texas Highway Department has long recognized the importance of the travel industry to the State's economy. Through its Travel and Information Division it strives to bring visitors to Texas in ever-increasing numbers. This is done by publicizing the State's attractions and providing

information and descriptive literature to prospective visitors. Last year the Department serviced 704,000 inquiries for the traveling public.

Eight Travel Information Bureaus are operated by the Department at key point-of-entry locations and in the rotunda of the State Capitol in Austin. These information centers played host to 492,000 visitors last year, of which 225,000 were out-of-state and 267,000 were Texas residents.

Mrs. Grace Stephens of Mador and Miss Vickie Stephens of Eaton, Colo. visited Mrs. Edith Longan and Mrs. J. C. Estlack Wednesday night. All had dinner with Mr. and Mrs. Harley Longan Thursday.

Guests in the home of Mr. and Mrs. Cap Lane last week were Mrs. Gordon Lane of San Angelo, Mrs. Rodney McCullough and children of Houston, and Mrs. Fred Albright of Paducah and her grandson, Kerry Trout.

Mrs. C. W. Lane took Mrs. Wilson Lane and sons to Amarillo Monday where they boarded a plane for their home in San Bernardino, Calif. She visited the remainder of the day with Mr. and Mrs. Tommy Lane and family.

Mr. and Mrs. Benny Dennis and boys of Borger visited Sunday with Mr. and Mrs. Dick Vallance and family.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Rising insurance rates continue to stir up most of the excitement in the state capital.

A Dallas attorney, Bert Bader, filed suit in the 98th District Court here challenging legality of the State Insurance Board's order boosting insurance premiums an average of 13.4 per cent.

In asking the court to set aside the recent order, which hiked some key liability and collision rates more than 20 per cent, Bader maintained that the state law under which premiums are set is unconstitutional.

He also criticized the Board's allowance of 37 per cent of premium income for company expenses and its failure to consider the investment income of insurance firms in fixing rates.

Bader pointed out that Texas' laws make it mandatory that Texans buy auto insurance. Therefore, the arbitrary increase in rates violates due process of law.

Another factor cited by Bader is that the Board failed to take into consideration the actual operating expenses of the insurance companies affected.

He also said that the accident rate is decreasing.

For these and other reasons he contends that the new rate, to become effective on August 1, is grossly excessive.

OIL ALLOWABLE CUT — State Railroad Commission set oil production allowable at 2,905,312 barrels a day, a slight reduction from the July allowable of 2,911,115.

Figure is based on a formula

of 28-per-cent-of-potential, compared with 28.1 per cent for July.

August, 1964, allowable was 2,794,312 under a 26.5 per cent factor.

COURTS SPEAK — Texas Supreme Court decided to hear appeals from both the state and four Gregg County oilmen penalized \$304,800 for allegedly drilling and operating a slanted oil well (1952-62) in Wood County.

Supreme Court left standing a verdict denying a \$4,000,000 suit against the estate of the late San Antonio oilman, Tom Slick. Suit resulted from a uranium venture which never got off the ground.

Fourth Court of Civil Appeals had ordered the trial court to determine whether two corporations owned by Slick breached a contract to furnish funds for a Colorado uranium mill.

High Court said it did not necessarily agree with lower court's opinion that only nominal damages may be recovered for loss of sales of uranium concentrate.

APPOINTMENTS ANNOUNCED — Governor Connally has announced judicial appointments in Dallas and Harris counties and named four to the State Board of Medical Examiners.

He picked first Assistant Dist. Atty. A. D. (Jim) Bowie for judge of the new Criminal District Court No. 5 of Dallas County, effective October 1.

Fred M. Hooley, formerly of Floresville and now a Houston attorney, was named judge of Harris County's new Criminal District Court No. 6, effective

September 1. Robert L. Lowry, another Houston attorney, will be judge of the new Harris County juvenile court, to be created January 1.

Dr. L. G. Ballard of Granbury was appointed to the State Board of Medical Examiners. Drs. L. H. Denman of Lufkin, Howard O. Smith and Clarence S. Kemp of Bryan were reappointed to new terms.

SCHOOL PER CAPITA SET — State Board of Education set per capita fund apportionment to local school districts for 1965-66 at \$80.65 per pupil.

Well over \$200,000,000 will be distributed on the basis of 2,559,208 scholastics. This represents an increase of 15 cents each.

Meeting for the last time as the junior college supervisory board, the officials approved new junior college districts for Bee and McLennan Counties and denied one sought by Maverick County.

They referred to the newly named Coordinating Board for Texas Colleges and Universities applications for new institutions in Jefferson and Scurry Counties and joint petitions from Van Zandt, Kaufman and Rains Counties.

New Coordinating Board takes over junior college jurisdiction on September 1.

A variety of new school policies was laid down by the Board of Education, including rules for new vocational school districts, special education programs and "merit pay" raises for teachers.

Chandler School District was accredited for one year probationary period.

Board advised River Road Independent School District (near Amarillo) of possible violation of accreditation standards in its unauthorized start of a ninth grade. Consideration of formal application for the additional grade will be delayed.

VANISHING BOARD — Texas Commission on Higher Education

held its last meeting prior to being replaced on September 1 by the yet-to-be-named Coordinating Board for Texas Colleges and Universities.

Commission approved 23 programs and reorganization proposals of state colleges and universities. In summarizing results of its nine years Commission concluded it had done a good job but wished even greater success to the new Coordinating Board.

POVERTY PROGRAMS APPROVED — Governor Connally has approved application of Community Council of Austin and Travis County for a \$529,706 community action grant under the Economic Opportunity Act. Project is aimed at combating causes of poverty in the capital.

Connally also announced approval of Neighborhood Youth Corps projects in New Braunfels, San Antonio, Pharr, Abilene, Daingerfield, Pasadena, Galveston and Carthage.

He said that new teaching methods at the Gary Job Corps Training Center near San Marcos (model installation in nation's war on poverty program) may well result in "a complete revamp of vocation and technical education in Texas."

Base soon will be offering 36 of the most modern vocational courses. A group of top industrialists working in an organization known as Opportunities Incorporated helped set up the curriculum and obtain up-to-date equipment.

BIG BISONS — Research by the Texas Archeological Salvage Program—under contract with the National Park Service—reveals that the kind of buffalo which roamed Texas some 8,000 years ago were at least twice the size of present day buffalo.

Those facts, covered over and

obliterated by centuries of deposited earth, are coming to light in an ever-broadening program of archeological field and laboratory work concentrated mainly in areas to be covered by reservoirs.

Contracts for such salvage programs have been negotiated with archeologists at the University of Texas, Texas Tech, and Texas Western. Southern Methodist University will start a program this fall.

Beginning September 1, a \$12,000-a-year salary will be available for an archeologist to be

a member of the reconstituted Building Commission.

SHORT SNORTS
State draft quota for August calls for 891 men, compared to 908 for July.

As a result of weather damage, emergency loans were authorized by the Farmers Home Administration in Burleson, Duval, Floyd, Hidalgo, Jim Wells, Live Oak, Milam, Motley and Willacy Counties.

State Securities Commission authorized the sale of \$29,200,000 in securities in Texas during

June.

Texas Highway Department has received an award of merit from National Safety Council for its 1964 safety record among employees.

A Texas Highway Department survey shows that a total of 11,700,000 tourists came to Texas by auto last year for an all-time record. They added \$524,700,000 to Texas' economy.

Land area of Texas is 263,513 square miles.

Leader Out-of-County Rate — \$4.50 a Yr.

Mrs. Dora Joyner of Amarillo spent Saturday night with the Jess Nelsons.

SOME DUCKS ARE SMART

Some ducks are smarter than some duck hunters!

One of the smartest ducks that ever dodged a load of shotgun pellets finally met its fate in the vicinity of St. Catharines, Ontario, Canada.

The computers at the Migratory Bird Populations Center, Laurel, Maryland, have furnished Bureau of Sport Fisheries and Wildlife biologists with proof that this

duck, a female redhead, had dodged the shotguns of Canadian and United States hunters for sixteen years before being downed last hunting season.

When young waterfowl biologist Cecil Williams leg-banded this duck at the Delta Research Station in Manitoba way back in 1948, World War II had only been over for three years, Harry Truman was in the White House, and manned space flights were only a gleam in the eyes of our scientists.

Now Cecil Williams is the Director of the Bureau's Denver Wildlife Research Center and human beings are taking a stroll through space at a speed of over 17,000 miles per hour.

It's a remarkable world we live in, and this duck's feat of dodging the hunter's guns on its southward migration each fall for sixteen years has to rank as one of the marvels of the age.

Many old German mining terms originating in Saxony have been adopted in other languages.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57

proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section, presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period of periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of the Court of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate; those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of the Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misconduct is charged upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

TO COMBAT THE WATER CRISIS

The Mayor of New York went for a blimp ride recently over the depleted reservoirs serving his metropolis of more than 8 million residents. Upon his return he declared there was no need for "panic." He urged caution and touched off a campaign to encourage New Yorkers to curtail their water consumption. The city's reservoirs, on July 21, were at 47.8 percent of capacity. On his inspection flight, Mayor Wagner could see stone walls and foundations first inundated by rising waters of the reservoir more than 100 years ago.

The crisis confronting New York City and much of the drought-hit Northeastern United States is serious indeed. As I have said repeatedly, the real and threatened water shortages in our country constitute our No. 1 domestic problem. For many Americans, the crisis in water are going to get worse before they get better.

It would be of interest to Panhandle residents to know that the capacity of all New York City reservoirs is less than the usable capacity of the reservoir being backed by the Canadian River dam near Sanford. Because the Northeast normally receives substantial amounts of rainfall, it is difficult for many residents of that area to realize the seriousness of the shortage they now face.

On July 22, I was honored to be among several Members of Congress invited to the White House to attend the ceremony as President Johnson signed the "Water Resources Planning Act." This legislation, which was shaped in the Subcommittee on Irrigation

and Reclamation, of which I am chairman, declares the policy of the Congress to be "to encourage the conservation, development, and utilization of water and related land resources on a coordinated basis. This means all levels of Government, as well as affected corporations, business enterprises, and individuals, will participate in planning the development of water resources. The Act sets up a cabinet-level Water Resources Council to keep the President and the Congress informed on the Nation's water needs and to guide the planning effort; authorizes the President to establish river basin planning commissions when needed; and provides for financial assistance to the States for water resources planning. By the way, at the bill-staging ceremony the President appeared hale, hearty, fit—and tanned, despite the recent pressures brought on by the close attention he must pay to events in Viet Nam.

John Ellsworth Rogers of Canadian, Texas, is working in my office this summer as a "Congressional Intern". John, 22, is the son of Mr. and Mrs. Ted Rogers of Canadian. By coincidence, the name of my oldest son is John E. Rogers. In my son's name, the "E" stands for Edward, which is my middle name. There is no known relation between the Walter Rogers and Ted Rogers families. We'd be proud to claim John Ellsworth Rogers, for his pleasing manner, good looks, and scholarly attainment, which are indeed compliments to his fine mother and father. John last month was graduated magna cum laude from Harvard College. In September he'll enroll in the law school of Columbia University. John's special field of interest and study is U. S. foreign policy, particularly as it relates to Latin America. This summer he is interested in observing at close hand relationships between U. S. domestic and foreign policy as reflected by

actions of the House and Senate. Other Panhandle area college students working this summer in Washington include Mark Blonstein of Shamrock (at the Federal Power Commission), Miss Wanda Pierce of Wheeler (at the Federal Communications Commission), and Miss Mary Rapstine of Amarillo (at the National Park Service). Mark is the son of Mr. and Mrs. Sol Blonstein of Shamrock and last year attended Texasarkana College; Wanda is the daughter of Mr. and Mrs. Marvin Pierce of Wheeler and is a student at Wayland College; and Mary is the daughter of Mr. and Mrs. Frank Rapstine of Amarillo and is a student at Texas Tech. All report they are enjoying their work this summer and learning all they can about the operation of the Government.

WALTER ROGERS
Member of Congress
18th District of Texas

County Agent Issues Warning On Insects

Donley County Cotton Farmers should be on the look out for various kinds of cotton insects, according to County Agent, Ronald Gooch. Cotton insects are building up in many fields, particularly irrigated ones.

Some of the more common insects that do damage include: (1) Fleahopper, which pierces terminal buds and newly-formed squares, causing them to drop off. Plants develop tall whip-like growth or increased vegetative branches. (2) Cotton Leafworm, the greenish worm that feeds on the cotton leaves, and its presence is seen by ragged and striped leaves. (3) Bollworms, feeding of larvae causes loss of both squares and bolls. Newly hatched larvae feed on terminal buds and small squares, and later attack larger squares. (4) Boll Weevil, squares and bolls are punctured by adult weevils for feeding and egg laying. Egg

punctures have a wart-like appearance. Punctured squares flare open, and fall to the ground within a week. (5) Grasshoppers are feeding on cotton in many parts of the county. They usually start around fence rows and other areas where grass and weeds are found.

Information on identifying and controlling these cotton insects and others can be obtained by contacting your County Agent.

Mr. and Mrs. Al Word of Lordsburg, N. Mex. visited Mrs. Edith Longan Saturday.

Mr. and Mrs. Claude Bowman and Gary of Amarillo visited Mrs. Edith Longan Sunday.

Demonology is the study of evil spirits.

CROSS COUNTRY CARRIER—The first model of PATA (Pneumatic All Terrain Amphibian), a rubber-tracked vehicle with a 1 1/4 ton capacity cargo hold, is ready for tests. Inflated air cells in the treads permit travel over tundra, mud, or open water. PATA was produced by the Michigan Division of Ling-Temco-Vought.

PAMPA RODEO SET FOR AUGUST 11-14

Officials of the Top o' Texas Rodeo Association are busy putting buildings and grounds in shape for the annual Top o' Texas Rodeo, which is scheduled for August 11-14.

Beutler Bros. of Elk City, Oklahoma will again produce the RCA Approved Rodeo that always attracts some of the best cowboys and cowgirls of the nation. Cy Taillon, popular rodeo announcer of Denver, will be on hand to describe all events.

Top special attractions have been booked, including the Clark Brothers, nationally famous rodeo clowns, and C. D. Ferguson with his sheep dogs and cowboy monkeys, Clamamity Joe and Jane. An added purse of \$3,800.00

plus all entry fees will provide a total of more than \$8,000.00 prize money. Contests in the regular RCA rodeo events will include Calf Roping, Saddle Broncs, Bareback Broncs, Bull Riding, Steer Wrestling and the popular Cowgirl's Barrel Race.

The famous Pampa High School Stage Band will be on hand to cue all rodeo performances, working under the direction of Fred Stockdale. This band played for the National Finals Rodeo in Los Angeles last year.

An American Quarter Horse Show will be held on Friday, August 13th with both Halter and Performance Classes scheduled. Entry deadline is 9:00 a.m. on the 13th.

A miniature rodeo, known locally as the Kid's Pony Show,

will be held on Tuesday, August 10th with performances at 2:30 and 8:00.

The rodeo parade will begin at 3:00 p.m. on Wednesday, August 11th, headed by the Amarillo Air Force Band, under the direction of Chief Warrant Officer, Ross Whithead.

Rodeo dances will be held nightly at the National Guard Armory building, featuring Lou Walker and His Western Playboys.

W. D. Price, Jr., president has extended a cordial invitation to attend the 21st Annual Top o' Texas Rodeo.

Coarse builders' sand with a bit of peat moss is a fine medium for rooting cuttings.

Catgut is obtained from numerous animals, particularly sheep, but never from cats.

CARDS OF THANKS

With deepest sympathy I extend this word of thanks for the many kindnesses expressed by thoughtful friends. Your thoughtfulness has meant much to me.

Mrs. Paul Moore

I would like to take this opportunity to say thank-you to everyone who sent cards and flowers and visited me during my recent stay in the Memphis Hospital. Your thoughtfulness is truly appreciated.

Mrs. C. C. Ayers

Again I would like to thank all of you who have remembered me with cards, letters, flowers, and other kindnesses during my stay in the hospital. Especially do I thank the doctors and nurses for their good care.
