Cadette Girl Scouts of Clarendon have been busy dressing dolls to help make a Merry Christmas for needy children in Clarendon. This project is sponsored by the local Jaycees. The girls are shown with nearly thirty dolls they have dressed. Left to right are Mrs. Warren Hardin, Linda Vaughan, Pam Perkins, Gayla Hutton, Sharon Grady, Darlene Moore, Brenda Osburn, Lucreta Burgess, Cynthia Davis, Valarie Trout, Cindy Lowe, and Mrs. Gayle Neal.

Jaycees Sponsoring Living Christmas Card

The Clarendon Jaycees in cooperation with the Ministerial Alliance, are sponsoring the Living Christmas Card program. This is a program whereby you may donate to the Jaycees the money you would normally spend for Christmas Cards and they will in turn use the money to buy food for the needy.

The week of Christmas (next week) a living Christmas Card will be run in the Leader showing the names of all of those who have contributed to the Living Christmas Card Fund. All contributions must be in by Monday, December 20th, at the latest. If you desire to add your name to this list, please contact Phil Anthony or mail your donation to the Jaycees, P. O. Box 291, Clarendon, Texas.

Those who have asked that their name be listed on the Living Christmas Card to date include: Mr. and Mrs. Cap Anderson, Mr. and Mrs. K. K. Day, Mr. and Mrs. Charlie Hearn, Mrs. W. M. Patman, Leo and Sybil Snoddy, Mr. and Mrs. Clyde W. Hudson, Mrs. C. C. Powell, Mary Frances, Dorothy, and Wesley, Mr. and Mrs. Billy Goodman and family, and Mr. and Mrs. Delbert Robertson and children.

ANNUAL COUNTRY CLUB HOLIDAY DANCE DEC. 21

The annual Country Club Holiday Dance will be held Tuesday night, December 21st at the gym in the old red school building beginning at 9 p.m.

Music for the dance will be furnished by the Westerners of Amarillo. There will be no charge for the dance and all members and their guests are invited to attend, stated Jack Clifford, president of the club.

High School Band And Choir Christmas Concert Set For Monday Night

The Clarendon High School Band and Chorus under the direction of Phil Anthony, will present their annual Christmas concert Monday evening, December 20th, at 7:30 p.m. in the College gym.

The chorus will perform first, presenting a varied program ranging from folk songs to traditional Christmas music. One number in the band's portion of the program will be a novelty number featuring the Tuba section in "Have Tuba, Will Um Pah."

The young people in these two organizations have worked hard in order to present a varied and interesting program. You can show your support and interest in these two musical organizations being presented Monday night at 7:30 p.m. in the College Gym. Admission will be 50c for adults and 25c for children. Proceeds will go to the Band and Chorus.

YOUTHS SHAKEN UP IN TWO CAR COLLISION

Damage to two vehicles was heavy Sunday afternoon when a car driven by Ronney Carrel Rippetoe and one driven by Trudy K. Reed collided on highway 287 at the turn-off to the Rodeo Grounds but personal injuries were minor, according to Police Chief Gary Gerdes.

Rippetoe was making a left turn toward the Rodeo Grounds and was struck in the side by the Reed car which ended up in the deep drainage ditch nearby. The Reed car was a total loss, Gerdes stated. Other occupants in the Reed car were Miss Janice Riley of Clarendon and Penny Hart of White Deer. All involved suffered shock and bruises but no serious injury.

Santa Plans Two Visits To Clarendon

Santa Claus will pay two visits to Clarendon before Christmas it was announced Wednesday by the Clarendon Chamber of Commerce.

The jolly old elf will arrive at 2 p.m. this Sat. and spend about two hours in downtown Clarendon visiting with children as he goes by the chamber member's businesses.

Because of his busy schedule, Santa will have to leave by 4 p.m. Saturday for his return trip to the North Pole, but he will return at 10 a.m. December 24, and will meet the children again on the Court House square. Santa will lead the children to the Mulkey Theatre for a 10:30 a.m. showing of a special movie, "Disneyland At Dark," and two Roadrunner cartoons.

FCC OK'S RADIO STATION FOR MEMPHIS AREA

Jerry Hooser, Memphis native and a partner in a future radio station in Memphis, with extensions in Clarendon and Wellington, spoke to members of the Clarendon Lions Club and Jaycees Tuesday noon and Wednesday night.

The permit to construct a radio station was granted to Hooser and his company by the FCC in Washington and the group plan to be on the air by February 15. Hooser discussed the radio station plans to the two civic groups.

MARTIN BAPTIST CHURCH ANNOUNCES CHRISTMAS PROGRAM

1966 Political Calendar Beginning To Grow

The list of County Candidates in the 1966 political picture is beginning to grow with three additional candidates announcing this week.

P. C. Messer was the first to throw his hat in the ring last week for County and District Clerk. Others announcing for reelection this week are County Judge R. E. Drennan, County Treasurer Ruby Hutton and Commissioner Precinct No. 2 John W. Swinney.

Other offices which will come up for election in 1966 are Commissioner Precinct 4 and Justice of the Peace Precinct No. 2.

The deadline for candidates to file is February and the First Democratic Primary is May 7th.

CHS Cagers Take Double Win Over Claude Tuesday Night

Clarendon High School basketball teams played Claude teams on the local court Tuesday night taking a double win over their opponents.

By quarters the local boys managed to hold a lead from the 10-6 in the first quarter to the 30-15 at halftime. The margin was stretched to 44-25 in the third quarter with a final tally of 62-35. Archie Smith hit high score for Clarendon with 19 points, Mooring 11 and Thornberry 8. Berry Morrison racked up 12 for Claude.

The girls played a closer game with Clarendon trailing 1-7 at the end of the first quarter and 13-14 at halftime. By the end of the third quarter they managed to tie up the score at 25-25 and forged ahead to end the game with a 39-35 win. Cheryl Fedric scored 17 points for Clarendon and Suzanne Brown of Claude hitting for 17.

In a B game, Clarendon defeated Claude by a score of 40-38. Donnie Mooring was high for Clarendon with 16 and Fields was high for Claude with 15.

JUNIOR HIGH CAGERS TAKE TWO WINS

Both the boys and girls basketball teams of Clarendon Junior High School played Claude teams on the local court Thursday night of last week.

The Clarendon boys took their game on a close margin of 14-12. High point girls for Clarendon were Candy Skelton and Paullette Pfeiffer with 7 points each.

The Clarendon boys won their game by a score of 37-19. Charles Louis hit the basket with 19 points for Clarendon with Jim Moore running him a close second with 11 points.

Coach Jack Hall has announced that the next game will be December 18th at Memphis. Both the seventh and eighth grade boys will play.

SCHOOL CLOSING FOR HOLIDAYS ANNOUNCED

Supt. K. D. Vaughan announced this week that Clarendon College students would be dismissed Friday afternoon at 3 p.m. for the Christmas Holidays and the students of the Public Schools would be dismissed on Wednesday, Dec. 22nd.

Classes for both the college and public schools will be resumed at 9 a.m. on January 3, 1966.

Decoration Contests To Be Judged Monday And Thursday Evenings

Christmas decoration contests sponsored by the Jaycees and Jaycee-Ettes will be judged this coming week.

Downtown Christmas lighting, sponsored by the Jaycees will be judged the night of Monday, December 20, it was decided at the regular Wednesday night meeting. All businesses who wish to be considered in the contest are requested to keep their lights on until at least 9:50 p.m. that night. A plaque will be awarded the winner.

The Home decoration contest sponsored by the Jaycee-Ettes is divided into two divisions. Plaques will be given for the most attractive door or window decoration, and the outstanding overall decoration.

Any resident is eligible to enter and must call Mrs. Delbert Robertson or Mrs. Tom Higley prior to December 23rd, for judging will be done that evening.

If you have not done so, drive over town any evening and see the many lovely decorations in both the residential and downtown sections of town. This year's array of color and variety in decor is most outstanding.

YOUTH CHOIR TO PRESENT XMAS MUSIC AT BAPTIST CHURCH

The Junior Choir and Youth Choir of First Baptist Church will present a program of Christmas music at 7:30 this Sunday, December 19, in the church Sanctuary. The Junior Choir will render a program on the theme of the shepherds, and the Youth Choir will sing a cantata, "The Heavens Declare," by Floyd Hawkins. Kay Pfeiffer and Mrs. Raleigh Adams are the pianists, and Mrs. W. R. Lawrence, director. Mrs. Joe Pfeiffer is organist for the Youth performance.

The public is invited.

FIRST SNOW FALLS HERE WED. A.M.

The first snow of the current season started falling here at 7 a.m. Wednesday morning and heavier snow was reported to the west. Weathermen forecast the snow to continue thru Thursday morning.

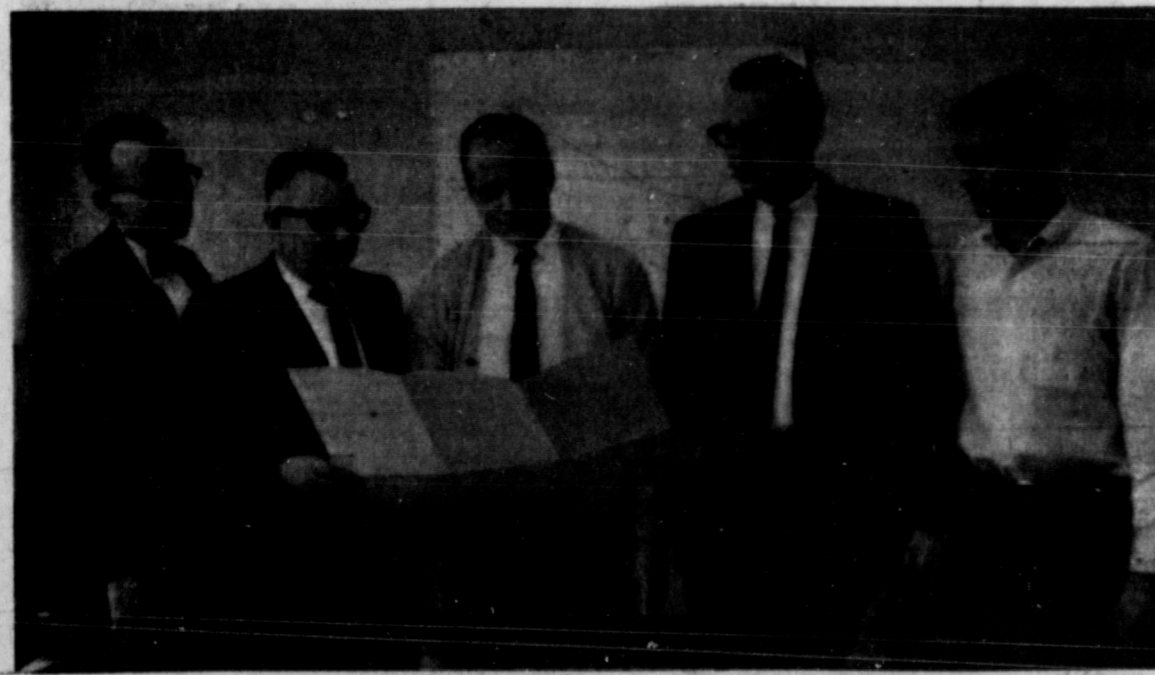

Right at this particular time, the snow is untimely and unwanted by local cotton farmers who are trying desperately to get their crops out. The cotton has been slow in getting ready for stripping and to date only a small portion of the crop has been harvested.

Fate of Texas' 63-year-old poll tax as a voting requirement rests in the hands of a three-judge federal court. They heard four hours of arguments here last week in an historic case to abolish the levy.

Judges announced that no immediate ruling would be made. They advised Texans who want to be eligible to vote next year to pay the \$1.75 fee before the January 31 deadline.

In frequent questions during the arguments, the judges indicated concern over several complex legal points.

Circuit Judge John R. Brown repeatedly speculated on the court's earlier position, in assessing an apparently unsupported finding in the 1965 voting rights act, that the Texas levy discriminates against Negroes.

"How do we go about reviewing the basis for a congressional finding?" Brown wondered aloud. "Or does the case come to us though Congress had not made these findings? This is a very unusual point of law."

Texas Atty. Gen. Waggoner Carr maintained that Congress had made its finding "without so much as a scintilla of evidence." He pointed out that U.S. Atty. Gen. Nicholas Katzenbach himself had testified before a

Senate committee that he had no complaints of voter discrimination in this state. Katzenbach later filed the suit under terms of the voting rights act.

U. S. Justice Department Atty. Stephen J. Pollak, acknowledging that there is no overt refusal to give Texas Negroes voting rights, argued that due to basically inferior education, income of Negroes is lower and the tax, therefore, falls heavier on them.

One judge wondered, perhaps hopefully, if the U. S. Supreme Court might rule on some of the questions submitted in an earlier Virginia case before federal judges in Texas have to hand down their decision.

Hearing here was the first of four cases brought by the justice department under congressional direction, to change poll tax validity head-on. Others will be held in Mississippi on December 10; Alabama on December 20; and Virginia on January 17.

POLLUTION PROGRAM — Gov. John Connally has advised John Gardner, U. S. Secretary of Health, Education and Welfare, that Texas plans to control pollution on its streams and in its coastal waters.

Such a certification is required by the new federal law aimed at stopping pollution of public

waters through out the United States. If States fail to get pollution control programs in operation by June 30, 1967, then Uncle Sam will take over and adopt its own programs and rules.

Connally's formal certification came as the Texas Water Pollution Control took its biggest step yet. It adopted rules and standards for discharges of municipal and industrial waste into the Houston Ship Channel. Industry spokesmen at the public hearing estimated Ship Channel Industry will have to spend between \$50,000,000 and \$100,000,000 for treatment facilities to meet these standards.

Even then, Joe Moore, Jr., Chairman of the Board, estimated that the new requirements would eliminate only half the pollution in the Channel.

Mayor Seaborn Cravey of Baytown strongly protested against the Board plan to allow more pollution in the mid-Channel area above Baytown. He fears fish kills which sometimes make living unbearable in Baytown will continue when rains wash slugs of polluted water down the Channel.

But the Board unanimously adopted its three-zone plan, effective immediately.

A seventh member was added to the Board by Connally's selection of Howard Rose of Midland, his former assistant. He will represent the public.

NEWS COMMITTEE MEETS — A nine-member committee studying the role of the press in crime and court news coverage declared its opposition to legislation that would restrict news reporters in covering stories.

Lawmakers and news executives serve on committee set up by last Legislature. Group selected Felix McKnight, Dallas Times Herald editor, as chairman.

McKnight said the Committee hopes to establish guidelines to protect the rights of individuals named in court charges; also to preserve freedom of the press; and to avoid a fight over legislation.

COURTS SPEAK — State Supreme Court refused to review a case involving the will of the late Mrs. Sarita Kenedy East, estimated at \$300,000,000. Court also refused to grant a writ of error to the group contesting the will. Contest has never been tried.

Court of Criminal Appeals reversed Houston and Bryan murder convictions because of improper questioning and insufficient circumstantial evidence in

trial courts.
APPOINTMENTS — William A. Hazelwood Jr. of Abilene is the new assistant veterans employment representative with the Texas Employment Commission. He will work out of Dallas.

Salt Water Pollution Committee of the House of Representatives held its first meeting here. Rep. Renal Rosson of Snyder is chairman. Members include Reps. John Allen of Longview, Temple Dickson of Sweetwater, Tom Holmes of Granbury and Felix McDonald of Edinburg. Also Joe Kilgore of Austin, Harry Loftis of Tyler, Charles P. McGaha of Wichita Falls, Judge W. H. Rampey of Winters and John Ben Shepperd of Odessa.

AGGIE COEDS? — Board members of Texas A&M University denied a report that they voted to admit girls to the virtually all-male school on a non-discriminatory basis.

Chairman later said qualified women should be admitted if they could not get degrees at another university in fields they want to pursue. He said A&M Pres. Earl Rudder was asked to study every coed application in order to guard against discrimination. He revealed that a committee will report its findings on the question of co-education next April.

Attorney General Carr recently declared that present policies of admitting only women who are wives, daughters or widows of faculty members and students would be difficult to defend in court. He proposed that A&M either limit its enrollment to men only or become fully co-educational.

LAND PROGRAM ENDS — State Veterans Land Program ended November 30 when the last commitment for purchase of property was issued.

Land Commissioner Jerry Sadler said 35,000 Texas veterans bought over 3,000,000 acres of land at average price of \$82 an acre. On November 2 Texas voters turned down a constitutional amendment proposal designed to extend the long-term, low-interest, land purchase program.

ATTORNEY GENERAL RULES — University faculty members may serve unpaid on state and federal boards or commissions not exercising sovereign powers, subject to Board of Regents' approval, Atty. Gen. Waggoner Carr held.

In other opinions, Carr concluded: A person must be present in person to enter a plea of guilty to misdemeanor charges punish-

able by jail sentence. An appropriation to the Upper Red River Flood Control and Irrigation District, for a water gauging station at Prairie Dog Fork Bridge in Hall County, is valid.

YOUNG HOMEMAKERS ENJOY CHRISTMAS PARTY

The Clarendon Young Homemakers met Monday afternoon for their annual Christmas party. Before gathering in the home of Mrs. Velma Bourland, they visited Moore's Convalescent Home to present the residents there with door knockers which each member had made, and to bring Christmas greetings to all of those at the home.

Mrs. Bourland was presented a lovely blue suit and she in turn gave each member a net chore girl and individually wrapped fruit cake.

Sandwiches, potato chips, cookies, and percolator punch were served by the hostesses: Sherry Semrad, Gay Cole, Clydean Woods, and Ginny Garland to members Barbara Orsak, Harlene Phillips, Audrey Garland, Shirley Bobbitt, and Mrs. Bourland. —Rep.

HEDLEY GARDEN CLUB HOLDS HOLIDAY PARTY

The Hedley Garden Club held its annual Christmas party Tuesday evening in Lions Den. A delicious dinner was served buffet style to 53 members and guests.

A special feature of the evening was the showing of the film "Go View The Land" by Cotton John Smith of Amarillo and Flip Breedlove of Clarendon. Everyone enjoyed the picture and particularly that portion of the Holy Land.

A beautiful Christmas tree laden with gifts and their distribution highlighted the evening's entertainment.

Out-of-town guests included Mr. and Mrs. Flip Breedlove of Clarendon, Cotton John (Garland) Smith of Amarillo, Mrs. O'Neal of Ft. Worth, and Mrs. H. D. McCarley of Houston. —Rep.

NEWS FROM CITY HALL

By R. L. Gilkey, Mayor

Telephones were the prime order of business in the City Council last week. The General Telephone Company requested that four party service be discontinued in mid 1967 and only one and two party service be allowed. It was the opinion of the council that the telephone company be allowed to "sell" better service to those customers that desired one or two party lines, but not to enact such an ordinance unless absolutely necessary to prevent a general raise in all local telephone rates. (General Telephone can offer one and two party service to some customers at this time, if you want such services).

Other business included meeting with local Public Housing Authority officials requesting necessary maintenance from the city and the hiring of a night watchman - patrolman. Several citizens have questioned the economic advisability of hiring such a man. Briefly, we can hire a full time watchman-patrolman at less than what the city was paying two part-time men for the job of night watchman alone. We have taken two men from one job and placed one man on two jobs. Better service at no greater cost.

Several citizens asked about the large expenses last month. Briefly these are:

- Salaries 5,500 Sewer improvement fund 2,500 General expenses 3,000 Repay loan to meet budget 4,000 (in Aug. '65)

Current taxes collected in November was \$6,133.37 making the total about \$28,000 of the \$44,000 due by December 31st. Remember to pay your taxes before the last day of the month, if you haven't already. Delinquent taxes collected last month amounted to approximately \$300.00.

So at the end of the year, our City is in good financial position, with plans for improvements. As the Christmas season approaches, may your mayor wish you "Happy Holidays."

Junior Fire Marshals Get Ready For Santa And Safety

Several million boys and girls throughout the country are getting ready for Christmas, not only for the fun and festivities of the holiday season but for their roles as Junior Fire Marshals. Christmas is a particularly dangerous time of year and Junior Fire Marshals will, once again, be on guard against fire and other safety hazards in and around their homes. Schools in Clarendon are among the 15,000 in the U. S. and Canada which participate in this year-round safety program sponsored nationally by The Hartford Insurance Group and locally by Emmett O Simmons agency.

This winter, as in the past, Junior Fire Marshals will watch for both indoor and outdoor hazards. "A Christmas tree is a thing of beauty," says Clyde I. Price, Jr., "but these youngsters will look behind and under the tree as well to spot any danger of worn electric wires, lights fastened in branches, exposed wires and short circuits.

Through the school program, which we are pleased to make available, Junior Fire Marshals learn to single out these hazards and eliminate them. Their efforts can save lives and property."

The Christmas edition of the Junior Fire Marshal magazine, being distributed in local grammar schools this week points out the grave consequences of turning in a false alarm.

The magazine also provides reading matter and recreational activities designed to teach fire and accident prevention. These lessons are included in short stories, games, handicrafts, drawings, even a cartoon strip. Educational and guidance material is provided for teachers so that they can get maximum mileage out of the children's material.

LIBRARY NOTES

EDITH BARNES

"The Night of the Tiger" by Al Dewlen has been made into a movie with television's Chuck Connors as the star. That makes two of author Dewlen's books that have been made into movies. Richard Chamberlain, better known as Doctor Kildare, starred in "Twilight of Honor."

We have two other books that are in the process of being made into movies at this time, they are Katherine Ann Porter's "Ship of Fools" and "Is Paris Burning?" by Collins and Lapierre. Only one of these, "Is Paris Burning" is a really new book but if past performances are any guide, folks will want to read all of these books, some before seeing the picture, others after and some because they have heard they are good.

There is lots of good reading in the library even for those who think they have about exhausted the supply. We have six of the books (fiction) out of ten on the best sellers' list and four of the non-fiction. If worse comes to worse the strictly fiction readers could at least try some of our non-fiction, some of it is really good. Remember, and I quote from an article by Wallace Stegner: "...well written history does not have to be inaccurate, and not all history is dependable." Then there is always the classics, of course they are never checked out except by the school students who have to read them. There

FIVE RURAL ACCIDENTS REPORTED IN DONLEY COUNTY

The Texas Highway Patrol investigated 5 accidents on rural highways in Donley County during the month of November, according to Sergeant J. W. Wilson, Highway Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$3,635.00.

The rural traffic accident summary for this county from January through November of 1965 shows a total of 57 crashes. As a result of these crashes there were no persons killed and 13 persons injured. The estimated property damage amounted to \$34,868.00.

"If you think drinking and driving is not such a big problem as we picture it — you are wrong," the Sergeant stated.

"Drinking drivers are involved in more than half the fatal Christmas accidents, a higher percentage than the one-out-of-three proportion during the rest of the year. The problem is not only the heavy drinker but also the social drinker and even the person who had only a few at the office party or on the way home from work. Just a little alcohol takes the shortcut toward a driving accident by reducing judgement, self-control and driving reactions. The best solution is not to drive at all after drinking."

The Patrol Supervisor offered these suggestions to emphasize holiday traffic safety: restrain impatience, haste, inconsiderateness and preoccupation that may creep into the holiday attitudes. Know the safe winter driving techniques and use them. Obey the regulations and signs. And when you are the pedestrian, don't take chances with the traffic by jaywalking, rushing, obscuring vision with packages, or failing to allow extra alertness for dusk and hazardous weather conditions.

Help your boy become a reader. It's his best chance of making good."

A friend of the library gave the library three books, two fiction and one non-fiction.

HARLEM MAGICIANS TO PLAY HERE

On January 1, the hilarious Harlem Stars are coming to Clarendon, sponsored by the Athletic Department of Clarendon College. Advertised as the greatest and funniest basketball team in the country today, the Stars are a combination of Negro Stars who tour the World making fans laugh.

When the name Harlem Stars is mentioned, hoop fans get ready for an evening of entertainment. Fans will see a fancy exhibition — Razzle Dazzle ball handling, intricate routines, both planned and impromptu comedy, and all sorts of "shenanigans".

The Harlem stars are unique in that they never run up a huge score against opponents. It is their policy to keep the game close, devoting much time to comedy stuff.

The Harlem Stars enjoy playing basketball every day, even if they have to travel hundreds of miles to do so. The Stars began their season in Alaska the last week in September and will hit between thirty-six or forty states and the following other countries: Mexico, Canada, Australia, Japan, and some parts of Europe. The round horsehide is the magic carpet that has taken these basketball jesters to all parts of the world.

Magicians is what their owner, Boid Buie, calls them. Referring to his Harlem Stars when they begin their zany antics on the basketball court — razzle dazzle ball handling, intricate pass patterns, trick shooting, marathon dribbling, and impromptu comedy antics — all go to make this the greatest show in the business. "Go Man Go" really describes the Harlem Stars when they are on the court.

Game time is 8:00 p.m. in the Clarendon College Bulldog gym. Athletic Director Coach Lawrence Overcast, is fielding a team made

up of ex-ball players from the College. This should make for an exciting and entertaining contest, since most all of those playing for Clarendon are currently coaching. Price of admission is \$1.50 for adults, \$1.00 for students, and \$.50 for children.

REMEMBER THIS

There is a lot of difference in Life Insurance Policies issued by various companies. When you decide you need some Life Insurance, do not be high pressured into making an immediate decision. FIRST, find out five things about the Policy being offered you:

1. The type of plan. (Whole Life, 20 yr. Pay, etc.)
2. The amount of Protection.
3. The amount of premium.
4. The cash value in 20 years.
5. The cash value at age 65.

THEN call me. If I cannot offer you a Policy with a higher net profit, I will pay the first month's premium on the one you have considered.

If you shop around when you buy a new automobile, then shop around when you invest in Life Insurance. There is a lot more difference.

CHS Boys Taks First In Samnorwood Tourney, Girls Second

Clarendon High School basketball teams took honors at the Samnorwood tournament held this past week end. The boys came in with first place. The girls reached the championship finals but lost the game to Samnorwood giving them second place in the tourney.

CHS boys played Lakeview in their first game. They led the first quarter by 19-12 and at halftime by 42-25. The margin increased in the third quarter to 61-32 and the game ended with a score of 74-47. Archie Smith hit the basket for 25 points, David Mooring for 18, and Odell Louis for 15. Red Sams hit for 19 points for Lakeview.

Clarendon's second opponent was Quail. Quail trailed all the way. The first quarter ended with an 18-11 and halftime 33-26. At the end of the third quarter the tally stood at 53-40 and the game ended with 75-49. Smith was again high point man with 33. Mooring followed with 16, Louis with 14, and Richard Thornberry with 10. Bruce Ward and Reed Spwder scored 14 points each for the Quail team.

In the finals Clarendon challenged Wellington and the game was close most of the way. By quarters Clarendon led 21-11, 30-26, 48-44, and 65-60. Smith racked up 32 points to set the pace for Clarendon. Thornberry hit for 18, Louis for 7, and Mooring for 6. James Smith paced the Wellington team with 28 points.

This win gave the CHS boys first place in the tourney. Mac McClellan and Larnce Gardner showed up good on defense and team effort was generally good.

Lakeview was the Clarendon girls first opposition. Scoring was at a minimum throughout the game. Clarendon held the lead in each quarter by a score of 8-5, 17-10, 26-12 and 32-18. Sandra Longan was high point girl for 13 and Judy McAnear hit for 9. Judy Payne hit the basket for 7 points for Lakeview.

The CHS girls drew Shamrock in their second round of play and as in the last tournament, scoring was kept within a close range. The first quarter Clarendon led by 12-7, the second by 25-18, the third by 33-25, and the game ended with a two point difference with CHS 42 to Shamrock's 40. Sandra Longan again set the pace for Clarendon with 17 points, Cheryl Fedric 12, and Sue Hill 11. Sally Coffman was high point girl for Shamrock with 17.

This win brought the CHS girls into championship play with Samnorwood. The girls had a rough game, trailing in every quarter: 10-16, 14-32, 22-41, and 37-53 in the final quarter. Cheryl Fedric set the pace for Clarendon with 20 points and Sandra Longan hit the basket for 14. Kay Purkey hit the basket for 30 points for Samnorwood.

This loss placed the CHS girls in second place in tourney play. Guards did a good job throughout the tournament play.

Friday night of this week CHS boys and girls will play Samnorwood at Samnorwood. All fans are invited to make the game.

Ray Darden Services Held Monday Morning

Funeral services for Ray Walker Darden, 56, of Pampa, and a former Clarendon resident, were held Monday morning in Murphy Memorial Chapel, Clarendon, with Rev Sidney Cox, pastor of the North Grand Baptist Church of Amarillo officiating. Burial was in Girard Cemetery, Girard, Texas with Murphy Funeral Home in charge of arrangements.

Mr. Darden was born August 1, 1909 in Jayton, Texas. He served in World War II moving to Clarendon in 1940 from Spur, Texas. He was a member of the First Baptist Church of Jayton and a former member of the American Legion. He died Saturday, December 11, in Veterans Hospital in Amarillo after a short illness.

Survivors are his sister, Miss Chloe Darden of Pampa; several aunts, uncles, and other distant relatives.

Funeral services were held for J. R. Brandon, Joe Ritter, Bill Ray, Dick Vallance, and Van Kennedy.

Laura Mae Harp of Amarillo, Sue Rhoades, Tommy Stegall of Oxbow Ranch, and James Farley of Turkey were week end visitors in the home of Mr. and Mrs. C. B. Harp.

SOCIAL SECURITY NUMBERS
Beginning January 1, 1966, the identifying social security numbers will be entered on all payment drafts made to producers through the county office. This is required under the Internal Revenue Code. All persons who participate in the programs administered by the ASCS must have their social security number on file in the county office. All regular participants will be contacted by letter and requested to submit this number for our files.

NEW FARM PROGRAM SIGNUPS

Programs for which signups will be conducted include feed grain, wheat, cotton, and cropland adjustment. These signups will probably begin in early February and run for about six weeks. Farmers will be reminded in plenty of time to file program applications before the deadline. **CLOSING DATE FOR FILING APPLICATIONS FOR TRANSFER**
The final day to file Form ASCS-375, Application for Transfer of Cotton Allotment, was originally announced as December 31, 1965. Since December 31 is a non-working day and this office will be closed, these forms will be accepted as timely filed through January 3, 1965.

Funeral Services Held For Mrs. Tennie Braddock

Last rites in memory of Mrs. Tennie Braddock, 84, were held Monday afternoon, December 13, in the First Baptist Church of Memphis with Rev. W. R. Lawrence, pastor of the First Baptist Church of Clarendon, and Rev. Gene Jorgenson, pastor of the Memphis church officiating. Burial was in Fairview Cemetery under the direction of Murphy Funeral Home.

Mrs. Braddock died Sunday morning in Adair Hospital after a long illness. She was born February 3, 1881 in Tennessee and was married to S. J. Braddock August 24, 1924 in Memphis. Mr. Braddock died December 19, 1949 and since that time Mrs. Braddock has lived with her sister, Mrs. Mary Siddle of Clarendon. She was a member of the First Baptist Church of Memphis.

Survivors include three step-daughters, Mrs. Marie Howell of Amarillo, Mrs. Freddie Markum of Memphis, Mrs. Della Smith of Clarendon; three step-sons, Odie and Bernie Braddock of Clarendon, Marvin Braddock of Memphis; one sister, Mrs. Mary Siddle of Clarendon; two brothers, Dick Martin of Groom and Louis Martin of Matador.

Funeral services were held for Joe Berry, Quilla Clark, Byron Martin, F. O. Hodge, Calvin Ashcraft, and Johnny Driver.

TOYS FOR TOTS STILL NEEDED

The Jaycees Toys for Tots shop is now operating in the Clarendon IOOF Lodge Hall just across the street north of the Post Office. Jaycee Phil Anthony, chairman of the project, states that there is still a need for toys.

If you have any broken but repairable toys or good used toys to donate, please contact one of the Jaycees. This is a program to provide those children a happy Christmas when they might otherwise not see Santa this holiday season.

Make some child happy. Call the Jaycees and have them pick up your broken or used toys.

Mr. and Mrs. Rodney Nelson Seago of Turkey announce the arrival of a daughter, Laurie Lee, December 8th. The young lady weighed 5 lbs 8 oz and is the granddaughter of Mr. and Mrs. Lee Bell of Clarendon, and Mr. and Mrs. Nelson Seago of Cedaredge, Colo.

BRONCHO COLUMN...

Junior News
by Marie Snider

The Junior class non-talent show was presented in the College Auditorium December 8th. The entertaining program consisted of guitar numbers, instrumental music, poem, skits, accordion solos, vocal numbers, and

a piano jazz rock'n roll medley. We express thanks to Robbie and Jerry of Abilene for the fine guitar music. We hope they will come our way again soon. All of the other numbers were enjoyable too.

We notice that several parents were present for the program. We express our appreciation to them and invite them back at any time.

Senior Personality

Judy Greene is the daughter of Mr. and Mrs. Bill Green Jr. Judy

was born in Amarillo, Texas on April 23, 1948. She stands 5 feet 8 1/2 inches tall, has dark brown hair and blue eyes. Judy has attended school at Elizabeth Stevens, Clarendon Junior High, and Clarendon High School.

Judy's favorite subjects are Band and Algebra. After finishing high school Judy plans to attend Baylor University. Judy says that her plan for the future is to become a Medical Technologist. Judy's favorite colors are blue and green, her favorite foods are apple pie with cheese. Judy

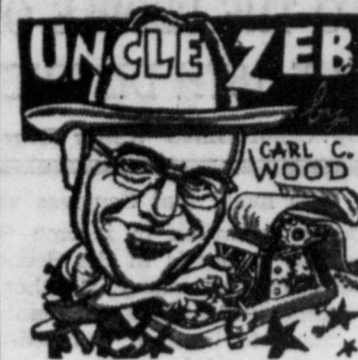

said this about her pet peeve, "My pet peeve is when someone asks me if Bernie Green is my brother." Judy said her most embarrassing moment was when her dad thought a traveling salesman was her date and asked him into the living room. Judy says that her favorite type of person is someone who knows how to have a good time, is intelligent and sincere.

Broncho Chit Chat

It is getting closer and closer to Christmas, and as days go by,

people are getting busier and busier. It is almost impossible to conduct a normal class with all this hectic activity going on. The teachers are pulling their hair and yelling at the top of their lungs, trying to reach some point of order. The students are running around, doing this or that, and the devil is shining in their eyes while they manage to escape another class. The teachers are good sports about all this turmoil though. They realize that Christmas is coming and they have slowed down the work for the

students. Mr. Lewis's Typing II class, for example, has only eight or nine problems to type in one hour, compared to what it used to be, that is generosity! Mr. Hill's Physics class has less than ninety slide rule problems to a night; and Mrs. Bromley's students are just put in the corners and set to work. It's nice the teachers are understanding, and let up on the lessons. If they weren't the students might not have time for their very important extracurricular activities!

The following poem came to us from Alpena, Michigan. It was written by Irvin H. Cady of that city for U. S. Farm News. It is called:

A CLOUD AWRY

By Irvin H. Cady

Late yesterday high in the sky,
I saw a cloud mushroom awry.
An eerie sight, but folks declare
I saw a cloud that was not there.
But there it was again today.

I wish that cloud would go away...
I thought as I read the little poem how often we look at God's great world and see clouds and many, many other things awry. To others things may seem perfectly in order. When our hearts are happy the world seems to be in place, but so often what we see with our eyes is only a reflection of the things we feel in our heart. It was said best by The Word; "As a man thinketh in his heart, so is he."

Just think; it takes less time to fly around the world in space. Than to drive to work in this world's hectic race.

The trouble with most fine homes is that they are on the outskirts of our income.

When we were young we didn't care what the world thought of us, we meant to take it by storm anyway.

As we grow older we find that it wasn't thinking about us at all, but about their own take-off in orbit.

A reader wanted to have a report on the little book from this column. The supply will soon be gone, and all in all has been one of the most wonderful experiences of the last several years. Copies have gone out to every state in the United States and to many other countries. It has brought letters and friendly messages from all over to help brighten our days. We published it on our own and didn't lose any money. One book publisher remarked that this was an amazing record for the regular printers to shoot at. Bless You All, Our Readers...

And even though a rumor
Has no leg on which to stand,
It flies all about the place.
And so seldom stops to land.

It might be alright to try and build a dream world, but we are in for serious trouble if we try to live in it.

ALDERSON CHEVROLET

CLARENDON, TEXAS

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

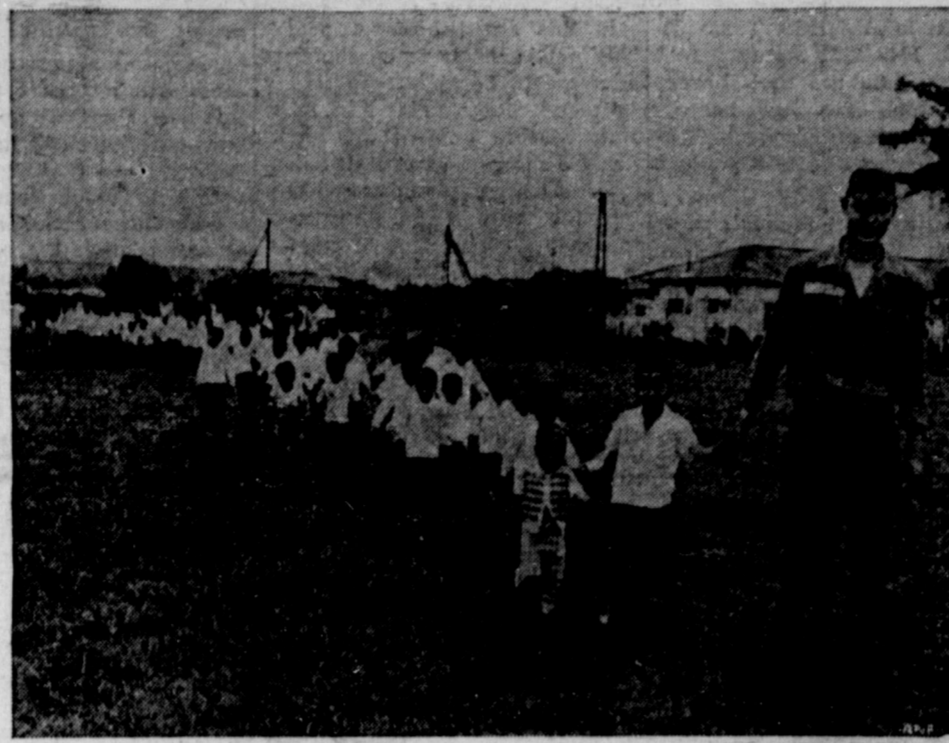

It is likely that Congress will devote attention to income tax reform proposals in the Session beginning in January. Whether a further tax cut will be possible remains to be seen; stepped-up spending, mainly as the result of the war in Viet Nam, may prevent any reductions in the near future. At any rate, income tax reform proposals will come under scrutiny as further efforts are made to straighten out inequities in the internal revenue code.

I hope very much that the House Ways and Means Committee, which has jurisdiction over tax legislation in the House of Representatives, can give close attention to a proposal I have introduced in Congress after Congress. My bill would increase the personal income tax exemption for a taxpayer, the additional exemption for his spouse, and the exemption for a dependent from \$600 to \$1000. The enactment of this measure is, in my view, long overdue. The original purpose of the \$600 exemption was to assist taxpayers in meeting basic living

expenses of their families, but the \$600 exemption is now out of step with the times and should be increased. Of all proposed changes in the tax laws, I think this is one calling for attention first.

The lesson of the income tax cut of 1964, which reduced the tax burden on American private citizens and corporations by some \$11.5 billion per year, is that tax reduction provides great incentive to the private economy. Reduced taxation frees capital for spending on expanded business capacity to meet increased consumer ability to purchase goods and services. The effect is also to generate expansion of the base on which taxes are levied and, thus, to increase tax revenues. The 1964 tax cut is given considerable credit for continuing the record boom we have experienced through the 1960s. The gross national product, the total of all goods and services produced, is headed for the \$700 billion level, up nearly \$200 billion in five years. The most recent economic indicators continue to be encouraging. Among them are these summations: Disposable personal income soared \$12½ billion in the third quarter, the biggest quarter-to-quarter change since early 1950; corporate profits rose to record highs in the third quarter, with profits after taxes standing 19½ percent higher than in the same period last year; business expenditures for new plant and equipment in 1965 are expected to total \$50.9 billion, almost 13½ percent above the 1964 total. Even national farm income figures, which have presented a picture less optimistic than that shown by other economic indices, show that the over-the-year, 1965 gain in net farm income will be about \$1 billion.

Of course, there are many fac-

tors responsible for the boom other than the income tax reduction of 1964 and the excise tax pleased to support both actions in reduction of 1965, although I was the conviction they were needed and would be helpful. I do think the Nation has the necessary experience to know that wisely planned tax reduction encourages private enterprise to do a first-rate job of developing the economy. One of the triumphs of the 1964 and 1965 income tax reductions was that it showed the great strength of the so-called "private sector" of the economy and helped silence those who believe the only path to economic growth lies with

spending in "make-work" massively increased government activities.

I'm pleased to report that there is growing evidence of support for my proposal to increase personal income tax exemptions. Attention has come during the continuing controversy over whether parents should receive tax credit for their children's college education. I believe the sounder approach is through an increase in personal exemptions as an action in which every family in the country would be able to benefit.

schools across the state indicates that only four of the 238 schools studied require married students to take a course in home and family education. Sixty-one of these schools had available an elective course in home and family life which either boys or girls might

take, says Mrs. Patsy R. Yates, Texas A&M University Extension specialist in family life education. Some counties in the state report as many divorces granted as marriages performed, pointing to the need for more courses in family living.

WINTER TIME IS ACCIDENT TIME

Home fires. Falls. Sports accidents. All increase shockingly during the winter months.

Much of this suffering and loss isn't necessary, say our Junior Fire Marshals. They're at work on the little causes of big trouble—frayed electrical cords, toys on the steps, carelessness at play.

As local sponsors of the Junior Fire Marshal program, we urge you to take a tip from these youngsters. Their efforts plus yours can help make this a safer and happier winter season.

CAMPUS CHATTER
Second Gear Blues

by Jimmy Blackerby
With Christmas almost here, everyone should be happy and full of spirit. The opposite is the case at CC. Everyone seems to be in second gear. When a car is in second, the engine turns fast but the car doesn't go places very quickly. All of the bustling

cause you to shift into high gear. Everyone should return from the holidays ready to burst into activity toward some specific goal other than just to exist, or even worse, to vegetate.

WHEN AND WHERE

Support The "Bleed-In" At Clarendon College

It's more than just a gesture of our esteem for our country and our military men fighting a "cold war" in Viet Nam. It's more than just a token of our feeling of patriotism. It's more than a protest against stupidity and misleading misinformation propagated by misfits. It's a concrete, tangible demonstration of our willingness to meet a need when that need is publicized. It's that simple. Have you done what you could.

Library News

This has been a busy week for our Library Director, Daniel L. Nutter, as he presented programs to the Hedley Lions Club, Clarendon Lions Club, and the Clarendon Jaycees. His program included a showing of the film, THE TIME IS NOW, produced in color by the Texas State Library in Austin for the purpose of showing the lack of sufficient library service in Texas. This film is being used as a forerunner to the Governor's Conference on Libraries to be held in March, 1966.

Mr. Nutter reports that the use of the Library has had an 80% increase during the first three months of the 1965-66 school year over the same time period last year. During September, October and November, attendance has gone up 74.5%, while circulation of materials went up 84.5%.

The library hours have been expanded to include an additional night. The library is now open four nights a week. Library hours are: Monday thru Thursday, 8:00 A.M.-5:00 P.M., 6:30-10:00 P.M. and Fridays, 8:00 A.M.-4:00 P.M. The library is closed on all college holidays.

The increase is due not only to the 35% increase in enrollment, but to the demand of instructional assignments. "If statistics prove anything," says Nutter, "students may be having to sit on the floor next year."

around by the students doesn't seem to be accomplishing much. Too many of us are like a car in second gear.

Student Senate Meets

by Charlene Gray

The Student Senate of Clarendon College met Wednesday, December 8. More plans for the "Bleed-In" were presented to the group. The senate is responsible for circulating forms that must be signed by a parent before a student can participate in this project.

The Student Senate will sponsor a Christmas Dance, Thursday, December 16, after the basketball game with the WTSU Frosh. The dance will be held at the Old Red Gym. Music will be furnished by the WJ's Four from Canyon. Price of admission will be \$1.00 stag and \$1.00 drag. Every body plan to come out to celebrate a Bulldog victory!

Aggie Club News

by Mike Smith

The Aggies have encountered some difficulty in securing a stock producer for their spring rodeo. However, there should be no real problem, as there are a number of producers in the state.

The Aggie Club is operating the concession stand in the gym during all Bulldog home games. We appreciate your patronage.

Doggett News

The Doggett Club, a service organization as well as a pep club, has been doing its bit to help generate the Christmas Spirit up on the Hill. They purchased and trimmed a tree, placing it in the main hall of the college building. Our only gripe is that they didn't put presents under it, enough for everybody.

Bulldog Personality

Ray Guerrero

Freshman center Ray Guerrero, 19, is being counted on by head coach Lawrence Overcast to furnish most of the backboard control for this year.

At 6-5 and 190 pounds, Guerrero has the necessary size to handle the chore.

Guerrero followed Overcast to Clarendon from Miami, where Overcast was the basketball mentor last year. While in high school, Guerrero averaged 16.3 points per game and showed his prowess on the hardwoods by averaging 19 rebounds per contest. He was named all-district for District 5-B in 1964.

Ray is a Physical Education major with a minor in History.

WHO AND WHAT

Campus Personalities

It was necessary to hold run-off elections on every slate of Clarendon College students elected campus personalities.

Timmy and Dolfia Vallance, both of Clarendon, captured the titles of Mr. and Miss Clarendon College.

Dolfia also won the coveted title of Best Looking Girl. Best Looking Boy is Alvin Alexander of Hedley.

Sophomore favorites are Jim Blackerby and Maudena Self, both of Clarendon.

Richard Dixon of Hedley and Charlene Gray of Clarendon were selected as freshman favorites.

Who's Who At Clarendon College

A partial listing of Who's Who from the various organizations at Clarendon College was available at press time. The Doggetts chose Charlene Gray as their represent-

ative. Charlene was twice honored, being chosen by Phi Beta Lambda also. Butch Brown received the title from the Aggie Club. The BULLDOG BANNER listed Kenneth Price, student editor. Thava Davis, a pianist for the College Choir, was chosen by that organization. The annual staff is ably represented by its editor, Sharron Henson. The selection of candidates from the library staff and Phi Theta Kappa have not yet been made.

Comments From The Coach's Corner

"We finally found somebody we couldn't beat in the Bad Lands of Oklahoma. In fact, we found somebody we couldn't even score against—the Cameron Aggies. They scalped us from nose-tip to tail tip. All they left was a little fuzz.

"We learned one thing—that is to stay out of Oklahoma.

"We're trying to gather forces to defend our right to play this week against two of the tallest teams which we have on our schedule. We meet the freshman edition of the West Texas State Stompers in the Bulldog gym tonight. They are currently undefeated and feature a 6-9 and 6-8 combination. Friday and Saturday nights will see us taking on the Hardin Simmons University freshmen, both games to be played at Abilene. This ball club boasts a 6-8 and 6-10 combination.

"We're looking forward to a Merry Christmas before we really jump into the fire."

HIGHWAY DEPT. NEWS

Highway signs are erected for the safety and convenience of the motoring public—not to provide gun-toting punks with a handy target for plinking.

Yet a major share of the \$450 thousand vandalism to Texas highway signs annually is caused by gunfire, according to D. C. Greer, State Highway Engineer.

Bullet-riddled roadside markers accounted for 85 percent of all signs which had to be replaced in one Texas Highway District in West Texas in one year.

Even a small highway sign costs about \$10 to replace. Larger, more elaborate signs costing hundreds of dollars have been targets for wanton vandalism, too, Greer said.

If apprehended, vandals can be made to pay for the destruction they cause. But the person who operates a motor vehicle in Texas foots the greater portion of the bill for replacement through his motor fuel taxes and licensing fees, Greer said.

More important, destruction of signs causes inconvenience—and many times deadly peril—to motorists using the highways.

"So be a good sport during this hunting season," Greer said. "Point your gun only at game, not our highway signs."
