MOTORISTS ENJOY JAYCEE HOSPITALITY BOOTH

This hospitality booth was operated by the Clarendon Jaycees during the Labor Day Holidays at the west edge of Clarendon. Hundreds of motorists stopped and enjoyed the free drinks, etc., and a short rest period afforded by the stand.

Jaycees To Sponsor County-Wide Polio Immunization Program

The Clarendon Jaycees report that enough oral polio vaccine has been placed on order to immunize the entire population of Donley County. A committee is now coordinating plans for this vaccine to be given to each and every person as soon as the vaccine arrives. The vaccine will be given by local doctors and nurses and with the time and place being announced at a later date. Watch the Leader for the announcement of these dates so that you may not miss out on getting to take your oral vaccine. Records show that polio has been on an increase the past few years and the reason being that the public has not kept taking their immunization shots as they should. This oral vaccine is believed to be far more effective than the original vaccine but it will be necessary for each and every person in this county, regardless of age, to be immunized before it will be as effective as it should.

Hedley Bank To Hold Open House Sat. In New Quarters

The Security State Bank of Hedley is holding Open House Saturday, September 8th, in their new banking quarters which is located across the street from the old bank building. The new home of the bank is modern in every respect, offering complete banking facilities, stated A. W. Andy Anderson, president of the bank. We extend an invitation to everyone in this area to come and attend this grand occasion, he added. The Security State Bank was established in Hedley in 1913. Mr. A. W. Andy Anderson joined the bank as Executive Vice-President in December, 1961. On August 1, 1962, Mr. Anderson and Mr. Claude Thorp purchased the bank. Officers, Directors and Employees of the bank include Claud Thorp, chairman, A. W. Anderson, president, Ansil Adanson, vice-president, Birdie Thorp, vice-president, Sue Weatherly, cashier, Hazel Shields, secretary, Edna Anderson, director, Bill Fietz and Harold Moffitt, bookkeepers.

JAYCEES TO HOST REGIONAL MEET

The Clarendon Jaycees will be the host club for Region 1-B of Area I next week. Nine Jaycee Clubs will be gathering a Clarendon on Thursday night, Sept. 13, for a work conference with Regional Director, R. F. McDowald of Pampa, in charge.

Plans Complete For Annual Donley Co. Fair Next Week

Everything is ready to go for the Donley County Fair and Quarter Horse Show on the 14th and 15th of September in Clarendon, Texas, says County Agent Flip Breedlove. The fair building has been all cleaned out and the fair tables set up for exhibiting and everything is ready to go. All exhibits will be set up on the 13th so that they will be ready for the judging on the 14th. Judging in many departments will start at ten a.m. The Quarter Horse Show will be judged by Gene George of Amarillo, Texas. It will be held in the Rodeo Arena and will be at 1:00 p.m. on the 14th. It is approved by the American Quarter Horse Association. All merchants' displays will be set up on the 13th with no charge made for exhibit space and all merchants are urged to set up displays. Mr. R. E. Drennan is in charge of this department. All community agriculture exhibits will be set up on the 13th and will be judged at ten a.m. on the 14th. Mr. Buford Hancock, agronomist of the Texas A&M College Extension Service will judge the agriculture exhibits. All poultry will be under the direction of Graham Brinson and Bob Baxter and must be in the pens on Thursday afternoon. Mr. E. V. Quattlebaum will be the judge and will start at 1:00 p.m. on the 14th. All home economics displays will be set up by the schools on the 13th and be ready to be judged on the 14th. The needlecraft department, fine arts, canned goods department, homemade baking department will all be set up on the 13th and be judged on the 14th at 10 a.m. and lasting until 2:00 p.m. Kathryn Potter, Home Demonstration Agent at Wellington, Texas, will judge all of the above named department. The Flower Show will be set up by the Les Beaux Club and will be the biggest in years. This department is under the direction of Mrs. E. O. Simmons, chairman. Everyone is urged to bring flowers.

FUNERAL SERVICES TODAY FOR MOTHER OF LOCAL-MAN
Funeral services will be held at 3 p.m. today at the First Christian Church in Perryton for Mrs. Nannie Ellen Schollenbarger, 73, mother of George Schollenbarger of this city. Mrs. Schollenbarger, a Perryton resident for 62 years, died Monday afternoon in Perryton. Survivors include six other sons and three daughters.

Drivers With Loud Mufflers Given A Week To Make Change

Local law officials including the State Highway Patrol, Constable and Sheriff's departments are making an all-out effort to contact and notify all operators of vehicles with loud mufflers that such mufflers must be removed and replaced with quiet mufflers within the next week. Those who do not cooperate will be subject to a fine as required by law. A new muffler will be cheaper than a fine plus a new muffler. Members of the three above mentioned law departments met with school students who drive any type of vehicle at the local school Tuesday morning and explained the new procedure that will be in effect along with dragging and other violations. Full cooperation of students is anticipated and we hope all other operators of vehicles with loud mufflers will cooperate also, Sheriff Truett Behrens stated.

Clarendon Jr. College Registration Monday

Registration for Clarendon Junior College's fall semester will get underway at 9:00 o'clock Monday morning, Sept. 10. An assembly of everyone present at nine o'clock will be held in the college auditorium and registration will begin shortly after. A slight increase in enrollment is expected this year.

OFFICERS ELECTED FOR LOCAL BOWLING LEAGUE

The Clarendon Bowling League met last week and elected officers as follows to handle the affairs of the organization for the coming season: George Thompson, president; L. L. Wallace, vice-president and Dennis Bradshaw, sec.-treas. There will be eight 5-man teams in the league this year and the tournament will last for 28 weeks. The group will bowl on Tuesday nights at the Memphis Bowl. A meeting will be held next Tuesday night at 7:30 at the Dixie Cafe to complete all arrangements. Sponsors of the teams are Foxworth-Galbraith Lumber Co., Dons Chevron, Kidd Bros. 66, Clarendon Electric & Plumbing, Wallace Monument Co., Muttis Cafe, Knorrp Insurance and Emmett Simmons Insurance.

John's Men's Wear Grand Opening This Week End

The Grand Opening of John's Men's Wear, Clarendon's newest clothing store, is slated for Thursday, Friday and Saturday. The new business is owned and operated by John Payne, formerly associated with the Murphy Funeral Home. This new business is located in the building formerly occupied by the U. S. Post Office. The building has been remodeled and is modern in every respect. The fixtures, stock and arrangements are comparative with the better Men's Wear stores in the Panhandle. Payne is featuring famous advertised brands of merchandise and is extending an invitation to residents of the area to join in the Grand Opening festivities this week end. Full particulars of this Grand Opening event may be found in John's double-page advertisement in the second section of this issue of the Leader. The Leader joins other local residents in welcoming this new business to Clarendon.

Interest Growing In Flower Show

As time draws near for the annual Flower Show, sponsored by Les Beaux Arts Club and held in connection with the Donley County Fair, committee members report progress in their work. Mr. Paul Sturm, a young European landscapist who works with an Amarillo nursery, will display an Oriental garden arrangement. Local exhibitors are urged to try their hand at Oriental arrangements also. Specimen flowers are to be shown in bottles rather than vases, and both a bud and a full blown flower should be included. The sweepstakes award will be given to the person having the most blue ribbons on arrangements. Judging will be based on the point system, and in case of a tie on the number of blue ribbons, the winner will be decided by points. Mrs. E. O. Simmons is the chairman of the committee and is being assisted by Mrs. H. D. Bugbee, Mrs. W. J. Lewis Jr., Mrs. Forrest Sawyer, Mrs. Frank White Jr., Mrs. Hall Hardin, Mrs. W. W. Taylor, Miss Mabel Mongole, Mrs. Gene Alderson, Mrs. W. K. Hardin and Mrs. Tommie Saye.

Services Today For Prominent Rancher, H. C. Gilbert

Funeral services have been set for 2 p.m. today for Harry Clyde Gilbert, prominent rancher, at the Church of Christ with Bob Copeland of Levelland, John L. Davis of Abilene and Robert C. Jones, local minister, officiating. Mr. Gilbert, 73, died in Adair Hospital here Tuesday morning following a lengthy illness. He had been a resident of Clarendon since 1928 and had operated the Willow Springs Hereford Ranch southeast of Goodnight for many years. Mr. Gilbert was an honorary member of the National Hereford Breeders Association and was a past director of the Top o' Texas Hereford Association and of the Greenbelt Hereford Association, the latter two he helped organize. He was one of the first ranchers in this area to raise and promote registered Herefords. He was a member of the Church of Christ. Survivors include his wife, Mrs. H. C. Gilbert; three daughters, Mrs. Hazel Plaster of Pampa, Mrs. Clynelle Whitman of Ocean Springs, Miss, and Mrs. Billie Lou Edlin of Irving, Texas; one son, John Howard Gilbert of Claude; one sister, Mrs. Dal Harrell of Groom; two brothers, R. T. and C. C. Gilbert, Jr., of Amarillo; also six grandchildren. Pallbearers will be J. D. Swift, W. D. Higgins, Frank Hommel, Carl Saye, Mark Allen and Jay Sanders. Interment and graveside services will be held in the Claude Cemetery with arrangements by the Murphy Funeral Home.

Bronchos Open Football Season At Gruver Friday Night At 8:00

Services Held Monday For Gilbert Bellah

Funeral services were held Monday morning in the Murphy Memorial Chapel for Gilbert Bellah with Rev. Paul Hancock and Rev. W. R. Lawrence officiating. Mr. Bellah, 58, a retired machinist for the Fort Worth and Denver Railroad, died Saturday evening in Adair Hospital here following a lengthy illness. He had been a resident of Clarendon for a long number of years. Survivors include a son, Troy, of Center Point, Ore.; his mother, Mrs. Henry Bellah of Childress; two brothers, R. C. of Childress and Ray of Coos Bay, Ore.; two sisters, Mrs. Myrtle Smith of Trinidad, Colo., and Mrs. C. E. Killough of Clarendon, and three grandchildren. Pallbearers were Bill Lane, Dan Carter, Pete Borden, Carl Bennett Sr., B. F. DeBord and A. J. Garland. Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Interest Mounting In Ranch Cowboy Rodeo

Interest is mounting in the Ranch Cowboys Rodeo to be held here the afternoon and night of September 15 at the conclusion of the Donley County Fair. The Rodeo is designed for the benefit of the average ranch cowboy as anyone who has received over \$300 in competition is not eligible to enter. Local Rodeo fans will enjoy the rodeo more since a greater number of local contestants will be entered in the four regular events and the amateur Head and Heeling contest. Performances will be held at 2 and 8 p.m. Admission will be \$1.25 for adults and 75c for children.

Services For A. P. Word Held Friday At Hedley

Funeral services for Andrew P. Word were held Friday afternoon at the Hedley Church of Christ with J. C. Stepp of Kirkland and Dixon Lamm, minister of Hedley, officiating. Mr. Word, 77, died last Thursday at Memphis. He had been a resident of Hedley since November, 1939. He was a member of the Hedley Church of Christ. Survivors include his wife, Mrs. A. P. Word, Hedley; two daughters, Mrs. Joe Adams and Mrs. Johnny Conatser, both of Hedley; two sons, Dennis Word of Amarillo and Herman H. Word, of Quail; one sister, Mrs. T. E. Bace, Brady, Texas and nine grandchildren. Pallbearers were C. D. Messer, C. D. Walker, Woodrow Farris, Gene Bolin, M. T. White and Charlie Johnson. Burial was in Rowe Cemetery with the Spicer Funeral Home of Memphis in charge of arrangements.

COUNTRY CLUB POOL TO CLOSE SEPT. 10

It has been announced that the Country Club swimming pool will be closed for the season on September 10th. The 10th comes next Tuesday so all you swimmers should take advantage of the Club swimming facilities this week end.

BRONCHO BOOSTER MEETING MON. NIGHT

The first meeting of the season for the Broncho Booster Club will be held Monday night at 8 p.m. in the school cafeteria. Among other business, the film of the Gruver game this week end will be shown and discussed by Coach Jack James.

The Clarendon High School Bronchos will journey to Gruver Friday night to open their 1962 football season against the District 1-A defending champions, the always tough Gruver Greyhounds. Coach Jack James of the Bronchos has indicated that his probable starting lineup will include seven returning lettermen from last year's team which finished fourth in the five team district. Last year's only conference win was against the Canadian Wildcats. The Bronchos will be a definite underdog in this opening game. Gruver won their district and bi-district last year and are returning five regulars along with several other lettermen. In a pre-season poll of the coaches, the Greyhounds were picked to finish third in District 1-A. Coaches James and his assistant, Jack Murphy, have had problems building this year's team around the five returning starters from last year's so-so team. Returning starters from last season include Billy Hearn, a senior at left tackle; Steve Richerson, a senior at center; Larry Gray, a junior at right guard; Dwight McAnear, a senior at quarterback and Jerry Elmore, a senior at fullback. Probable starters at the other positions will be Danny Ray, senior lineman at left end; Charley Slavin, senior lineman at left guard; Steve Shalton, junior lineman at right tackle and Dee Hudgins, a senior letterman at right end. With McAnear and Elmore in the backfield will be lettermen Robin Green at wingback and John Cearley at tailback. As of Tuesday of this week, Dwight McAnear may be replaced at quarterback by Teddy Graham, a junior lineman. McAnear injured his arm in Monday's workout and may not be ready to play by Friday night. However, the injury was not serious and the veteran signal-caller may be ready to go. Other boys who are likely to see action include Lester Welch at end; David McBrayer at tackle; Kenneth Price at center and John Grady at halfback. Price and Grady are sure to be pressed into service on defense.

1962 Football Schedule For Clarendon Bronchos

The 1962 football schedule for the Clarendon High School Bronchos is as follows: Sept. 7—Gruver, There, 8:00; Sept. 14—Claude, Here, 8:00; Sept. 21—Panhandle, There, 8:00; Sept. 28—Shamrock, Here, 8:00; Oct. 5—Groom, There, 8:00; Oct. 12—Open; Oct. 19—McLean, Here, 7:30; Oct. 26—Canadian, There, 7:30; Nov. 2—Lefors, Here, 7:30; Nov. 9—Wellington, Here, 7:30; Nov. 16—Memphis, There, 7:30. The game with Shamrock is the Homecoming game. The last five games listed are District 2-A conference games.

AUSTIN — When Jim Leonard, executive secretary of the Republican Party in Texas, asked Atty. Gen. Will Wilson to impound ballots in Duval, Zapata and Starr counties, after the general election in November . . . the Fall political campaign immediately got under way.

It was a quaint, but telling, legal order of impoundment that Wilson filed in the 98th District Court in Austin. It cited the vaults of Duval County's district and county clerks as "not as adequate, accessible and safe" as the vault of the Corpus Christi State Bank.

Same charge was levied against county vaults in Starr and Zapata counties.

Court order instructs election judges and officials in the three South Texas counties to turn ballots, poll lists and all other election records over to a Texas Ranger. He then would deliver them to the Corpus Christi bank for safe keeping until the 98th District Judge, or his appointed representative, could examine them.

With this sort of preamble, it looks like the Fall campaign might be a little more exciting than the democrat-dominated ones in past years.

TEXAS IN TOP THREE — Texas returned to the No. 3 spot among the "Top Ten" state, in industrial expansion, as the Texas Industrial Commission announced the addition of 28 new industries.

Although the big Houston and Dallas areas captured 17 of the new plants, 11 companies picked non-metropolitan towns as industrial sites: Bushland, Comfort, Crockett, Denton, Jacksonville, Kaufman, Lewisville, Malakoff, Marfa, Mount Pleasant and Quanah reported new industries.

TIC is a state agency dedicated to stimulating more business in Texas by cooperating with chambers of commerce and other local-level groups in bringing more industries to the state.

Allen Searight, commission's community coordinator, will

speak at several industrial development meetings over the state during the next month.

DOUBLE TAXATION — Texas Commission on state and local tax policy has suggested that virtually all intangible personal property held by Texans be exempt from taxation. This includes taxes on bank accounts, securities, mortgages and similar financial assets.

HIGHWAY COSTS LOW — Texas is building its Interstate Highway system for almost \$400,000 a mile less than the national average, according to the Texas Highway Department.

U. S. Bureau of Public Roads figures show Texas will complete its portion of the Interstate system at an estimated \$600,000 per mile, compared to the national average of about \$1,000,000.

MENTAL HOSPITALS CROWDED — County judges are blamed for cramming state mental hospitals by committing too many old people, who really just need rest-home care.

Board for State Hospitals and Special Schools reports that some mental institutions — especially the Kerrville State Hospital and the Confederate Home at Austin — are so crowded with old people there isn't enough room to care for the state's mentally ill.

Board member W. G. Kirklind of Odessa said he has been told that some juvenile delinquents, who aren't mentally ill, are also being routed into mental hospitals by judges.

Corrective legislation is being studied.

Dr. C. J. Ruilman, director of mental health and hospitals, says facilities for 9,000 elderly people would be needed if the Legislature decides to care for them somewhere other than the mental hospitals.

PARKS PLANS DEBATED — State budget officials and parks experts differed on the popularity of the state's 50-plus public parks.

Parks Board told the Legislative budget Board it wants \$2-

100,000 to improve four parks and increase funds for others.

Reese Martin, vice-chairman of the board, claims record attendance. His optimism about public use of state parks was shared by Elo Urbanovsky and Charles Doell of Texas Tech, who are working on a master plan for Texas' recreation facilities.

But Jess M. Irwin Jr., governor's budget director, and Vernon A. McGee, director of the Legislative Budget Board, were reluctant to recommend the Legislature's approval of a plan to:

Spend \$600,000 to improve the newly-donated Wheatley Ranch in Blanco County (which already has a state park); \$550,000 at Lake Whitney State Park; \$650,000 for a new park in the Big Thicket; and \$300,000 for a new park at Falcon Lake.

WILDLIFE FAIR FARES WELL — State Game and Fish Commission's wildlife exhibit is such a prized attraction at fairs, sport shows and other community events that it's being booked on a first-come, first-serve basis so everyone will have a chance to see it.

T. D. Carroll, G & F Commission's coordinator of information, said the exhibit — made up of live birds, mammals, reptiles and fish of Texas — will go on the road September 4. First showing is scheduled for the Floyd County Fair on September 6-8.

Exhibit will travel west from Floyd County; then move to East Texas for October dates; and to South Texas in November.

A & M GETS REPRIEVE — "For Men Only" apparently will continue to be the policy, for at least one more year, at Texas A&M College. The touchy matter of admitting women students has been temporarily side-stepped by the Texas Commission on Higher Education.

On the Commission's July meeting agenda, the issue was suspended when the Commission staff pleaded more time was needed for the study. Another school year will be underway before the matter can be given any further consideration.

AMENDMENTS STIR CAMPAIGNS — At least two of the 14 proposed constitutional amendments Texas voters will consider on November 6 appear to be firing campaigns.

Proposal No. 14 appears to be stirring opposition from the Texas Municipal League which asserts that this amendment as presently written "could virtually destroy municipal government in Texas, except for certain of its police powers."

Proposal No. 4 on the ballot would permit the state to buy conservation storage in locally or federally-owned reservoirs. Gov. Price Daniel has called a special meeting of his statewide water advisory committee for September 10, for the express purpose of organizing support for the amendment.

SCHOOL PRAYER RULING — Atty. Gen. Will Wilson has been asked to advise Texas public schools regarding the U. S. Supreme Court's highly controversial prayer opinion.

Request for an interpretation from Wilson came through Dr.

J. W. Edgar, commissioner of education, on a query from school officials at Port Arthur.

Wilson was asked: 1. Whether a school board can permit a student or teacher to say the blessing before meals in a public school, without running afoul of the Supreme Court decision?

2. Whether school may authorize "a period of silent meditation" during the meal period?

3. Whether Bible-reading is permissible in classrooms or on assembly programs?

4. Whether the court's opinion permits public prayers at football games involving public school teams, or at other school-sponsored events?

WHOPPER DROUGHT — Texas will have another mighty drought by 1970 is the prediction of Judge J. E. Sturrock, of the Texas Water Conservation Association.

Gigantic sunspots, many months old, still are raging at the center of our solar system, says Judge Sturrock.

When the great gusty winds of the universe die down, and the solar tumbleweeds stop tumbling, about 1970, Texas will have another mighty drought.

Meanwhile, Texas' rains and its "little droughts" like the current one, will follow each other in their normal seasons, says this leading authority on Texas water.

COTTON PICKING MONEY — Cotton picking is brightening the outlook for a lot of people who are concerned with the State's budgetary problems — especially those in the Texas prison system.

Dr. George F. Beto, director, reports that fair weather for the next month during harvest would mean a \$2,000,000 crop from the system's 10,000 acres of cotton.

TEXAS OR MEXICO — Gov. Price Daniel says it will be up to the officials of El Paso whether the claim of Mexico to a section of El Paso will be honored.

The dispute over a section called Chamizal involves about 400 acres of land, and stems from a change in the course of the Rio Grande which flows through El Paso.

GOLD PLUSH — House members returning to the Capitol this winter will be walking softly in the House chamber whether they intended to or not.

A plush new gold carpet is replacing the old tattered and threadbare one.

Plyboard was laid over the 1,000 square feet of floor to add strength and provide a smooth, even base for the new carpet.

In addition to the carpets and fresh paint, the ancient oak paneling has been restored to its natural finish.

CUT LEG WORK — Some of the hustle, bustle and leg work of next spring's State Legislative session may be replaced electronically if the idea of one delegation catches on.

Rep. Don Garrison of Houston and his cohorts are experimenting in the capitol with compact transistorized walkie-talkies. "We intend to use it mainly for liaison between delegation members to announce committee meetings, phone calls, etc.," he said.

MORE ROAD FUNDS — Contracts for building Texas highways may be stepped up by \$5,000,000 a month under an order unfreezing \$1,900,000,000 from a backlog in the federal highway trust fund.

J. C. Dingwall, assistant chief highway engineer, estimates that \$91,000,000 more federal funds will be released to Texas as a result.

NOT A FAIR DEAL — Land Commissioner Jerry Sadler opposes renewing the state lease of Matagorda Island to the federal government for a bombing range.

Of the 15,250 acres the U. S. Corps of Engineers has leased through condemnation since 1950 (for a rental of 6c per acre), the Air Force has subleased 13,842 acres of the tract to an individual for 19c per acre.

HEDLEY NEWS

Mabel Bridges

Mr. and Mrs. Bill Mathews and baby moved to Texhoma Saturday to make their home. Bill will be connected with the Texhoma Bank. This young couple will be missed in Hedley in church and civic life where they took an active part, and we will miss Bill from the bank where he has been employed since moving here. We wish them much happiness and success in their new home.

Mrs. Mabel Bridges attended funeral services for her brother-in-law, Horace F. Curtis in Amarillo Wednesday. Mr. Curtis suffered a heart attack Tuesday morning at the family home. He died before the ambulance arrived to take him to the hospital.

Deepest sympathy is extended to the family of Mr. A. P. World who passed away in a Memphis hospital early Thursday morning. Funeral services were held in Hedley Church of Christ Friday with Rev. J. C. Stepps in charge.

Mrs. Leonard Wall spent the week end in Wellington with her daughter, the Bud Moody's.

Mr. and Mrs. Geary Reckling and Mrs. Cynthia Bailey of Amarillo were here Sunday.

Mesdames R. E. Newman and Sally Page received word Monday their sister-in-law, Mrs. E. D. Page, had passed away at her home in Chillicothe after a lengthy illness. Funeral services were held Tuesday.

Mr. and Mrs. Ben Whitley of Winsboro and Mr. and Mrs. Max Whitley of Grand Prairie visited Mr. and Mrs. John Tate last week.

Mrs. J. B. Masterson spent the first of the week in Amarillo with the Donald Linsey family and attended a wedding shower for her granddaughter, Donna Jean.

Rev. Gene Grace has been preaching in a revival meeting at the Baptist Church in Lakeview.

Rev. H. W. Hill, pastor at Lakeview, filled the pulpit here Sunday morning.

Johnny Dickson is home on leave after boot training in Uncle Sam's Navy.

Mrs. W. I. Rains celebrated her 82nd birthday August 30th at her home. A number of friends called to wish her "Happy Birthday." Her grandson Bill Bridges and family and her great-granddaughter, Carol Jeffreys of Amarillo, were present.

Mr. and Mrs. Jack Moreman and baby of Clarendon and Ray Moreman are visiting Dr. and Mrs. Clifford Whitmore and children in Harrison, Ark.

Mr. and Mrs. Silas Knowles and son of Borger spent the week end with the lady's mother, Mrs. Roy Darnell.

Mrs. Billy Sanders and children, Sheila and Shon of Denver are visiting Mr. and Mrs. Albert Sanders. They went to Lubbock Sunday for a Sanders reunion.

Mr. and Mrs. Richard Dingler left Friday to spend a few days

Fountain of Freedoms...a Free Press

The history of the press, since its development five centuries ago, has been a history of restraint. It is natural for men in authority to resent the sting of criticism. It is human for them to be ambitious, and to seek to entrench themselves. Hence rulers often avoid criticism and disagreement by stifling it. But the courageous men who founded this new nation sought here full freedom for each individual. When they established a constitution, aware of the human frailty even of rulers elected from among them, their First Amendment provided that "Congress shall make no law...abridging the freedom of speech and of the press..." With the widespread education and enlightenment that resulted, the people here have advanced farther toward all freedoms than the people of any other nation. The beacon of this Western World, marks for all nations the start of the path to Freedoms: Freedom of Speech and of the Press.

BELGIAN HORSES STAR AT 1962 STATE FAIR

Mighty Belgian horses will be one equine attraction at the 1962 State Fair of Texas, October 6 through 21. The huge draft horses—each weighing in at over 2,000 pounds—will appear nightly in the spectacular Torchlight Parade of Nations. They will also be on view daily at the Dr Pepper Belgian Horse Fair, part of the State Fair's new Circusland exhibit. Standing over 6 feet tall at the shoulder, the Belgians are descended from horses bred to carry the weight of medieval knights in armor.

FACT AND OPINION

Walter Briggs of the Herald Tribune News Service writes: "The world is rapidly on the way to smothering itself, the demographers warn us. There are too many people, they warn, on too few acres for such nations as India and Red China to feed themselves. The tidal wave of human birth is diluting the accomplishments of economic assistance to many of the underdeveloped countries. Unless something is done, it is asserted, much of mankind is doomed to eternal poverty."

FLORENCE, ALA., HERALD: "Actually our founding fathers had some things down pretty pat. They believed that after the divinity of God nothing is so sacred as the dignity of the individual. They didn't believe in Communism, Fascism or Socialism. They believed in the free enterprise and the equalizing system of profit and loss as opposed to totalitarian regimentation."

Mr. and Mrs. Harmon Fricks, Mr. and Mrs. John Adamson and Deborah of Spearman spent the week end in Abilene with Mr. and Mrs. Bruce Fricks.

Jaycee Of The Month

The executive board of the Clarendon Jaycees have selected as Jaycee Of The Month for the month of July Mr. Ronnie Tyra for his outstanding work on our 4th of July projects. Ronnie is an associate member due to his age but has very good attendance records and has been very faithful, working in all Jaycee projects since becoming a member. Ronnie is our publicity chairman for this Jaycee year.

The executive board of the Clarendon Jaycees have selected as Jaycee of The Month for the month of August Mr. Bill Ridenour for his faithful attendance at all Jaycee meetings and regular participation in all projects the Jaycees have undertaken. Bill did a tremendous amount of work on our 4th of July projects. He is serving as chairman of our social committee for this year, stated Delbert Robertson, president.

FORMER RESIDENT BURIES HUSBAND IN ARIZONA

Word was received here last week of the death of George Roeder. Mrs. Roeder will be remembered here as Fannie McGowan, a long time resident of Clarendon and a first grade teacher in the Clarendon school system.

Mr. Roeder died in Phoenix, Arizona, Monday of last week. Services and burial were Thursday morning. Death came after an illness of over a year and was due to complications from poisoning from insecticides and paint.

Mrs. O. C. Watson and George Watson of Calif. visited Tuesday in the home of Mr. and Mrs. Gale Ledbetter and Gary in Amarillo. George left for Calif. and Mrs. Watson remained over night.

COLLEGE BOYS NEED JOBS

The local Jaycees have been informed that eight college basketball boys will need part time jobs in order to earn their room and board during this college year. If you are in need of any part time help, the Jaycees urge you to call the college business office and tell them how much help you need and when you will need them and the help will be on the way. It is very important we find these boys a job. Let's support our college and watch our city grow.

"Once you've typed on an electric portable, you'll never type on a manual typewriter again!"

Coronet

- 5 repeat actions
- Fastest typing
- No pounding
- Even typing
- 10 clear carbons

Electricity lets you underline a full row of words just by holding down the key, rat-tat-tat, just like that. The same is true for dashes, spaces, dots and the letter "X" for crossing out.

Electricity lets you type as fast as you want even if you're a speed champ. And there's no jumbled letters, no jumpy lines, no uneven spacing.

Electricity does the work for you. There's no pounding the keys. And you can adjust the touch from featherlight to the same as a manual's.

Electricity gives you an expert's even touch on the keys. All letters are typed with the same even blackness... your typing looks perfect.

You adjust a dial and can make up to ten carbon copies. More important, the tenth is just about as clear and readable as the first.

SMITH-CORONA CORONET-Crisp, modern styling. Four decorator colors. Full office keyboard. Choice of many type styles. Lightweight all-steel carrying case. ONLY \$10 DOWN.

Wheat Marketing Quotas For 1963

Wheat Marketing quotas will be in effect for 1963. This was decided in the Referendum held on Thursday, August 30th. In Donley County, the referendum did NOT carry. The vote here was 30 for and 50 against. Over the Nation the vote was a little more than 68% for Marketing quotas. This assures a price support, for those wheat producers who plant within their allotment, of approximately \$1.80 per bushel. Producers who overplant their allotment are subject to a marketing quota penalty.

Summer Fallowed Acreages

Producers in the Wheat Stabilization and Feed Grain Programs who requested and received permission to summer fallow their diverted acreages are reminded that a cover of wheat, rye, barley or some other grain or legume must be seeded on that acreage this fall. Please come to the county ASCS office to report the diverted acres seeded.

Jaycees Operate Lab & Day Hospitality Booth

The Clarendon Jaycees and Jaycees of Texas joined together Labor Day week end to prevent accidents in the state by serving free coffee and soft drinks to motorists at rest stops set up on all major highways in the state.

The local Jaycees served approximately one thousand travelers from all parts of the nation reaching as far as Boston, Mass., to the east and Los Angeles, Calif., to the west. The Jaycees had their rest stop located just west of the city at the roadside park and many local residents came by to pay them a visit. Over the past years the Jaycees of Texas have helped this state become one of the safest by preventing holiday deaths over Labor Day week end, and the local club is proud to be a part of this statewide effort.

The Jaycees would like to thank the following merchants: Murphy Funeral Home, for the use of their tent, Greenbelt Electric, for their generator, State Highway Dept., for their assistance, Mr. Homer Taylor, for painting of signs, and G. Former Resident Dies At Lubbock

Funeral services for Frank G. Holtzclaw, district manager for Penland Distributing Co., in Lubbock and former Clarendon resident, were held Saturday morning in the Shepherd King Lutheran Church in Lubbock with the Rev. Andrew Mild, Pastor, officiating. Graveside rites were conducted at Amarillo Saturday afternoon.

Mr. Holtzclaw died at his home in Lubbock Thursday night. He was a long time resident of Clarendon prior to moving to Amarillo in the 30's.

Survivors include his wife, Iola; a daughter, Patti Jane, both of Lubbock; six brothers, Truett Holtzclaw, Amarillo, Clyde of Claude, Howard of Portland, Ore., Roy of Tulsa, J. D. of Dumas and the Rev. Carroll Holtzclaw of Midland.

BRANT RESIGNS AS SECRETARY OF JAYCEES

The Clarendon Jaycees report that Leonard Brant resigned as secretary of the club effective August 15 to take a job as an electronic engineer with a missile factory. We are very sorry to lose Leonard as secretary and as a citizen of Clarendon, stated Delbert Robertson, president. Mr. Roland Hill was elected as a new director and secretary to replace Leonard after his resignation.

Blowing Out the Corners
by Uncle Jeb

A very kind reader sent us the following. It is so good and thought provoking that we wanted to use it for a column. This Reader asked to remain anonymous. The article is entitled:

"JIM"

The Pastor of a certain church was worried about an old man who came into the church every day at 12 o'clock. He was a shabbily dressed old man. He said

to the caretaker: "I wish you would keep an eye on him. The furnishings at the altar are very valuable, you might even ask him a question or two."

The next few days the caretaker watched and sure enough at 12 o'clock each day the old man came into the church. The caretaker asked: "Now my friend, anybody is always welcome to come to this church, but why do you come here every day?"

"Why I come here to pray," the man replied.

"Now you don't stay long enough to pray, you are only here a few minutes. I've watched you, you just go up to the altar at 12 o'clock and then come away."

"Yes, that's true. You see Missily, I am not well educated e-

nough to pray a long prayer but every day at noon I just come and stand before the altar and say "Jesus, it's Jim." . . . Then I wait only a minute and then go away. I know it's just a little prayer, but He hears me."

Well there was no argument there . . . Some time later Jim was knocked down by a car, and taken to city hospital. There he settled down quite happily while his broken leg mended . . .

The ward where Jim lay had been a sore spot to the hospital nurse for a long time. Some of the men were cross and miserable, others did nothing but grumble from morning 'til night. Try as she would they did not improve. Then, slowly but surely things changed. The men stopped grumbling and were cheerful and contented.

They took their medicine, and ate their food. They settled down to rest and get well without complaint. Upon hearing happy laughter coming from the room she asked: "What has happened to you all?" You are such a nice cheerful bunch of patients. Now, where has all the grumblers gone?"

"Oh, it's old Jim," one patient answered. He is always so happy and never complaining although we know that he must be in a lot of pain. He makes us ashamed to make a murmur. No, we can't gripe when Jim is about, he is always so cheerful."

The nurse crossed over to where Old Jim lay. His silvery hair gave him an angelic look, and his quiet eyes seemed full of peace.

"Well Jim, the men say you are responsible for the change in this ward. They say you are always happy."

"Yes nurse, that I am. I can't help being happy. You see nurse,

it's my visitor. Everyday He makes me happy."

"Your visitor," the nurse was puzzled. She had always noticed that Jim's chair was empty during visiting hours, for he was a lonely old man without relatives.

"Your visitor," she repeated. "But when does he come?"

"Every day," Jim repeated, the light in his eyes growing brighter. "Yes, everyday at exactly 12 o'clock He comes and stands at the foot of my bed. I see Him, and He smiles and says, "Jim, it's Jesus."

We are told to always give the right of way in all emergencies. The other day we came close to a 12 point rattlesnake. We didn't argue about the right of way.

A very wise, and no doubt well experienced persons once said; "Those who live in glass houses should never throw stones." It is doubtful even in this modern day of small high windows, that it would scarcely be safe to toss even a pebble.

TO THE PEOPLE OF THE 18TH DISTRICT
by Congressman Walter Rogers

NO DISARMAMENT

There can never be unilateral disarmament by this country. Anyone advocating such a policy is either mentally unbalanced or seeking the overthrow of our government. I know of no Member of Congress who would give a second thought to a suggestion of unilateral disarmament. They would consider such a suggestion completely and utterly silly. Hence, since the affirmative action of the Congress is required before any such action could be taken, it is a foregone conclusion that the fuzzy-headed thinking of a few unrealistic dreamers is not going to have the slightest weight.

Documentary proof of this lies in the fact that Congress has just recently passed the largest defense authorization and appropriation bills in our peacetime history. Other outlays have been made in the space program, which will soon become our first line of defense. This means that 60c out of every tax dollar going to the Federal government is closely and directly identified with the defense of this country in refining old weapons of war and in building new ones. Add to these figures the costs of past wars for which we are still paying, and we find that approximately 75c of every Federal tax dollar is directly associated with "war." This should prove to the

most skeptical that the United States of America is not seeking war but is ready, able and willing to take on any country or group of countries that thinks we are soft. It would do any of these countries well to look at the facts before listening to the talk of some soft-heads. This country has never lowered its guard, nor will it so long as there are aggressors in this world who preach peace and practice conflict.

Man has long looked upon multilateral disarmament of the major powers as the best method of securing the peace of the world. This has been a major concern of every civilization since the Stone Age. It has been the subject of conferences between sovereign powers since the beginning of time. To date, no satisfactory solution has been found, although the conferences and discussions continue. As each new weapon of war has come into being, the problem has become more complex. The advent of nuclear power increased the problems and complexities many thousand-fold. It made necessary a complete re-evaluation of the studies, the research, the coordination of activities and the preparation for management of participation in international negotiations on the subject. In short, it created a situation where the slightest lack of knowledge from a technological or scientific standpoint could spell disaster.

For a number of years, activities and research with relation to disarmament negotiations had been carried out in our government in a rather loose and uncoordinated manner. This method of operation had apparently been satisfactory prior to the coming of nuclear power and hence was continued. However, in the past several years the lack of some basic scientific and technological information on the part of some high officials in this country, due primarily to the uncoordinated efforts of the several agencies and divisions charged with this responsibility, created some very dangerous pitfalls. It was these near-tragic experiences that shocked our government into recognizing the need for absolute coordination of all of our facilities in further

negotiating on this age-old issue. Thus came into being the Arms Control and Disarmament Act, which is an act designed for the purpose of coordinating all phases of these activities under one head, in order to center the responsibility and to avoid any possibility of breaches in security clearance, research and development and all other sensitive areas including scientific and technological activities. The pri-

mary purpose of the agency created by this act is to provide the essential scientific, economic, political, military, psychological and technological information upon which realistic arms control and disarmament policy must be based. It does not have the power in any degree to bind this country in the field of disarmament or otherwise contrary to the Constitution and laws of this nation.

In order to doubly assure that there would be no misunderstanding in this particular, several of us in the Congress prepared an

amendment and secured its adoption. This amendment specifically spelled out a prohibition against disarmament or arms limitation not approved by the Congress in accordance with the Constitution. Hence, anyone reviewing all of the facts, even the fuzzy-heads, can readily see that the United States of America is continuing the motto "Don't Tread on Me" and is fully capable of enforcing the warning.

BE CAREFUL AT INTERSECTIONS

LET'S FACE IT! Intersections are unavoidable; however accidents at intersections are avoidable if you are absolutely sure that the road ahead, and to each side of you, is clear.

Often you see drivers who poke the front end of their vehicle out into the intersection and go through a fast "bluffing" routine to beat the other driver across. This type is not hard to spot. The front ends of their vehicles are usually ornamented with bent fenders and smashed headlights. A lot of these drivers have awakened in hospital beds, and many will wait until the "judgment" day to awaken.

The defensive driver knows he might cross a hundred or more intersections in a normal driving day. He or she knows that the monotony of stopping, or slowing down everytime he approaches an intersection, is nerve-racking, but he or she also knows that a careless moment or slip on their part could be fatal. If they want to avoid accidents, they soon get in the habit of treating every intersection as the most dangerous one in the world.

It may be impossible to look four ways at once, but that would be one way to cut down on a lot of intersection accidents. You can do just as well with two eyes if you are sure you have allowed enough time and distance to get across the intersection safely. At controlled intersections there is no reason for anyone causing an accident. The traffic light or policeman is placed at the intersection because it is hazardous. This should be a warning enough for any driver,

DISEMBARKING from their raft, members of Co C, 1st Bn, 46th Inf, 1st Armored Div, Ft. Hood, Tex., practice assault boat landings during their final week of advanced individual training. The 46th is scheduled to move into basic unit training as the push toward combat readiness for the 1st Armored Division continues. The 1st Armored Division and the 5th Infantry Division (Mechanized), Ft. Carson, Colo., are the two new permanent Regular Army Divisions activated early this year. In August, they are scheduled to assume the missions of the 49th Armored and the 32nd Infantry National Guard Divisions.

TAX ON WAGES FARMERS' RESPONSIBILITY

College Station — Farm and ranch operators who hire agricultural workers must deposit Social Security tax funds, when such tax amounts to \$100, reminds C. H. Bates, extension farm management specialist.

The employer-employee tax rate in 1962 is 6 1/4 percent, an increase over the 6 percent levy of last year. Half of this amount, or 3 1/8 percent can be deducted from the wages paid to farm employees.

ity tax due on that amount in any commercial bank qualified as a depository for federal taxes. The money is sent by the bank to the Federal Reserve Bank in Dallas and a receipt showing amount paid is returned to the employer.

Farm employers then attach these receipts to their 1962 income tax return as evidence of payment of part of this year's tax obligation.

Bates urges farmers and ranchmen to pay their taxes on hired labor when it is due and the risk of paying a penalty. Good business records can be very helpful in keeping up with wages paid and taxes due, he concludes.

Traffic crash injuries — both serious and fatal — are reduced more than one-third if car occupants are wearing seat belts.

but there is always the careless driver who insists on "jumping" the green light and "jumping" right into trouble. Motorists can prevent intersection accidents

1. Give correct arm signals for lane changes, turns and stops
2. Obey speed limits
3. Stop completely at stop signs
4. Drive in and turn from the proper lane
5. Observe passing regulations and no-passing zones
6. Yield right-of-way to pedestrians and also observe mid-block crosswalks
7. Exercise special caution at railway grade crossings

PESTICIDE DRIFT INVESTIGATED

COLLEGE STATION — The extent of pesticide drift in the use of agricultural chemicals is being investigated by a team of scientists from the A&M College of Texas, Texas State Health Department, Entomology Research Division of the U. S. Department of Agriculture and Weather Bureau of the U. S. Department of Commerce.

In compliance with House Resolution 199 of the 57th Texas Legislature, leadership in the pesticide drift project is provided by the A&M College of Texas through the Texas Agricultural Experiment Station and the Texas Agricultural Extension Service.

Field studies with fluorescent dyes and other tracer techniques to determine the extent of pesticide drift and air pollution was conducted during the current growing season at four locations in the Lower Rio Grande Valley. Comprehensive data recorded in these field experiments were reviewed recently at the Lower Rio Grande Valley Experiment
