### CJC Bulldogs Enter Odessa Tournament

The Clarendon Junior College Bulldogs are in Odessa this week where they will participate in the annual Odessa College Tournament.

Their opening game of the tournament will be against the host teams, the Odessa College Wranglers, tonight (Thursday) at 9:00 o'clock. The tournament includes eight teams and each team will play three games. Finals will be Saturday night.

Other teams in the tournament are Howard County College of Big Spring, New Mexico Military Institute of Roswell, New Mexico, South Plains College of Levelland, Frank Phillips College of Borger, Lubbock Christian College and San Angelo College.

Coach Don Dorman has indicated that he will take twelve boys to Odessa. They are as follows: Max Courtney, Wellington; Bill Bentley, Samnorwood; Alvin Scott, Quannah; Joe Lennon, Dodson; Jimmy Boyd, Vernon; James Allen, Clarendon; James Starkey and Sammy Johnston, Quitaque; Randall Murry, Samnorwood; Garland Lancaster, Mobeetie; Hubert Bronniman, Adrian, and LeRoy Garratt, Channing. The probable starting line up will be Courtney at center; Scott and Bentley at forwards; and Lennon and Boyd at guards.

### Jaycees Christmas Card Project

The Jaycees are rounding out their Christmas projects in Clarendon by asking everyone who normally sends Christmas cards locally, but instead, wish to make a donation of the amount they would spend to the Jaycee and Ministerial Alliance Food for the Needy project.

The names of individuals who donate will be printed in the Leader wishing everyone a Merry Christmas. The money donated will be used by the Jaycees and the Ministerial Alliance to prepare Christmas baskets of food for needy families. You may give your donation to any member of the Jaycees or mail to Jaycees, P.O. Box 726, Clarendon.

### Sing-Song To Be Held At Methodist Church

What better way to usher in the Holy Season of Christmas than with an old fashioned sing-song — hymns of prayers and Christmas carols. On Sunday, 4 p.m., December 2 at the First Methodist Church in Clarendon, friends of different denominations from all over the county are invited to join their voices together in song. Everyone, young and old, is asked to attend.

There will be a special selection of songs made by a committee composed of the various church choir members. There will be groups of young people singing from the balcony, led by their own directors. Also an adult choir, composed of members of different church choirs, led by Rev. Paul Hancock will sing. Mrs. Doyce Graham will play the piano and Mrs. Bill Williams will be at the organ.

The Sing-Song will be broadcast to shut-ins. Come, let us all join together in praise and song.

### Moisture Total For November Near 1 Inch

A tabulation of the moisture figures for November, the total for the month so far is .82 inch after the spring-like shower early Monday morning dumped .54 inch here in town and up to 2 1/2 inches in the Brice and Hedley areas.

This additional moisture put a damper on crop harvesting but brought smiles to the wheat farmer.

Weather observers are predicting more inclement weather for the next couple of days.

### LIONS FRUIT CAKE SALE IN PROGRESS

The Lions Club Fruit Cake Sale is progressing at a fast pace under the direction of John Payne. The fruit cake weighs 3 pounds and is pre-sliced and is reported to be very tasty and of top quality. The cakes sell for \$3.25 which is a bargain for this type of food. If you wish to purchase one of these cakes, call John Payne or contact any member of the Lions Club.

GIVE THE LEADER FOR CHRISTMAS.

### Jaycees Launch "Toys For Tots" Christmas Project

The Jaycees have launched their Toys for Tots Christmas project by setting up headquarters in the Bartlett Building located next door north of Barrett Studio. There is a sign placed on the building and they have a gaily decorated Christmas tree inside.

Anyone having repairable toys they would like to donate please contact any member of the Jaycees or call Delbert Robertson, President, at 874-3545 and they will be picked up. Do this as soon as possible so the Jaycees can get them repaired and ready for distribution by Christmas.

Anyone knowing of any needy children please give their names to any of the local ministers or Jaycees so they will not be missed when the toys are distributed. Bring in those toys so each and every needy child in Clarendon will have a Merry Christmas this year.

### Disaster Survival Classes To Begin December 3

Registrations are now being taken by Morris Ledger, High School Principal, for a 12-hour course in disaster survival.

The public can learn about personal and family preparedness for survival during and after emergencies by attending free civil defense classes at the Clarendon School Cafeteria.

The course will cover basic, common-sense measures to be taken for natural and man-made calamities. It has been described as a course for "people who want to live to a ripe old age regardless of what happens."

Classes will begin December 3 at 7:00 p.m.

Persons wishing to enroll should contact Morris Ledger at Clarendon High School, phone 874-3553 or 874-2287.

### QUAIL SEASON OPENS SATURDAY, DEC. 1

Quail season, the choice of most hunters, will officially open in the Panhandle area Saturday morning, December 1, and continue through January 16.

The bag limit has been set at 12 a day and not more than 36 a week or in possession. Shooting hours are from 1/2 hour before sunrise to 1/2 hour after sunset.

Game Warden Carl Carter is reminding all hunters to be sure and have permission to hunt before entering upon any land owner's property, to follow all hunting regulations and safety precautions and you will not have to worry about paying a fine or returning home in good condition other than being weary and tired.

### MOTHER OF LOCAL LADIES DIES

Funeral services for Mrs. G. W. Wigham, 89, of Panhandle were held at the First Christian Church there Nov. 14. She was the mother of Mrs. Page Harmon and Mrs. W. L. Sickles of Clarendon. She had visited here many times and had a wide acquaintance here.

Mrs. Wigham had been a patient of Groom Memorial Hospital for six months. She and her husband, the late G. W. Wigham, moved to Panhandle in 1926, having been one of the early settlers who bought land there in 1917.

Mr. and Mrs. R. C. Jackson visited Sunday with their children in Amarillo.

### Former Resident Dies In Missouri

Edwin J. R. Cox, 48, electronics engineer of LaGrange, Ill., and former resident of Clarendon, died quite unexpectedly Friday afternoon as a result of a heart attack while visiting in Nevada, Mo. Mr. and Mrs. Cox and children were in Nevada to spend the holidays with her parents, Mr. and Mrs. C. T. Hargrove.

Mr. Cox was born in Gibtown, Texas, Nov. 24, 1914, the son of James Robert and Eliza Irons Cox. He moved to Clarendon at an early age, attended the public schools here and was a graduate of Clarendon Jr. College. He received his degree in electrical engineering from the University of Texas in 1939. He was a veteran of World War II, and was a member of the Baptist Church.

Mr. Cox and his family had lived in LaGrange, Ill., since March, 1960, and he was employed as an electronics engineer by International Telephone and Telegraph Co. of Chicago.

Funeral services for Mr. Cox were held Sunday afternoon at the First Baptist Church in Nevada, Mo., with Rev. O. V. Dodson officiating. Interment was in Mt. Pleasant Cemetery near Dederick, Mo.

Survivors include his wife and two children, Elizabeth and James of the home; two sisters, Lois Davis of Houston, Texas, and Mrs. Tom Tucker of Clarendon; two nephews and one niece.

### Basketball Teams Drop Pair To Silverton

The Clarendon High School Bronchoettes jumped into an early 13-5 first quarter lead over the strong Silverton Owlettes, but the Owlettes managed to capitalize on several fast occurring errors and closed the gap, so that at half the score was 27-23. Due to the poor shooting percentage from the foul line and the fact that the Bronchoettes guards could not make their defense work, Silverton went ahead at the close of the 3rd period, 36-34. Time ran out sooner than the Bronchoettes could recover and found them trailing 44-48 as the last buzzer sounded.

The boys lost by a score of 33 to 45 in the first outing in the young season.

Lakeview will come to the local gym Friday night with a strong girls' team, but their boys are reportedly one of the weaker teams in the area. Game time will be 7:00 p.m. Admission will be 25c and 50c.

### YOUNG FARMERS TO MEET DECEMBER 4

Donley County Young Farmers-Ranchers will hold their regular meeting December 4th at 7:30 p.m. in the high school ag. building.

County Agent Flip Breedlove will present the program which will cover the subject "Farm Income Tax." All interested are invited.

### W.M.C. OF ASSEMBLY OF GOD CHURCH BAKE SALE

The W.M.C. of the Assembly of God Church is sponsoring a bake sale Saturday morning at Valance Food Store, beginning at 10 a.m. Everyone is invited to choose from their selection of baked goods.

### Consignors Listed For Registered Bull Sale To Be Held December 6

#### Beef Cattle Ass'n. To Have TV Show Sat.

Everyone from Clarendon and Donley County is invited to attend the Rolling Plains TV show over Channel 4 this coming Saturday, Dec. 1st, at 3:30 p.m. Everyone on the show is urged to be at the studio at 2:30 p.m. Flip Breedlove, County Agent and secretary of the association, says that four or five herd bulls will be on the show. This is to show the type of cattle that will be at the bull sale on December 6th in Clarendon.

The Clarendon Junior College will furnish the music under the direction of Mrs. Weaver. Everyone is urged to be at the TV station at 2:30 p.m. so that the program can be arranged. W. H. Cooke, III, president of the organization is urging that a big crowd be on hand to boost our coming bull sale.

#### Income Tax School Slated For Dec. 4

An educational meeting on income taxes will be held at the agriculture room of the high school in Clarendon on the night of the 4th of December says County Agent Flip Breedlove. The meeting will start at 7:30 p.m. and everyone is invited. Mr. James Murphrey, Farm Management Specialist of the Texas A&M College Extension Service will conduct the program.

This is the regular meeting night of the Young Farmers and Ranchers organization and will be a part of their program. Breedlove is urging all interested to attend this meeting as Mr. Murphrey will have some valuable information on this subject.

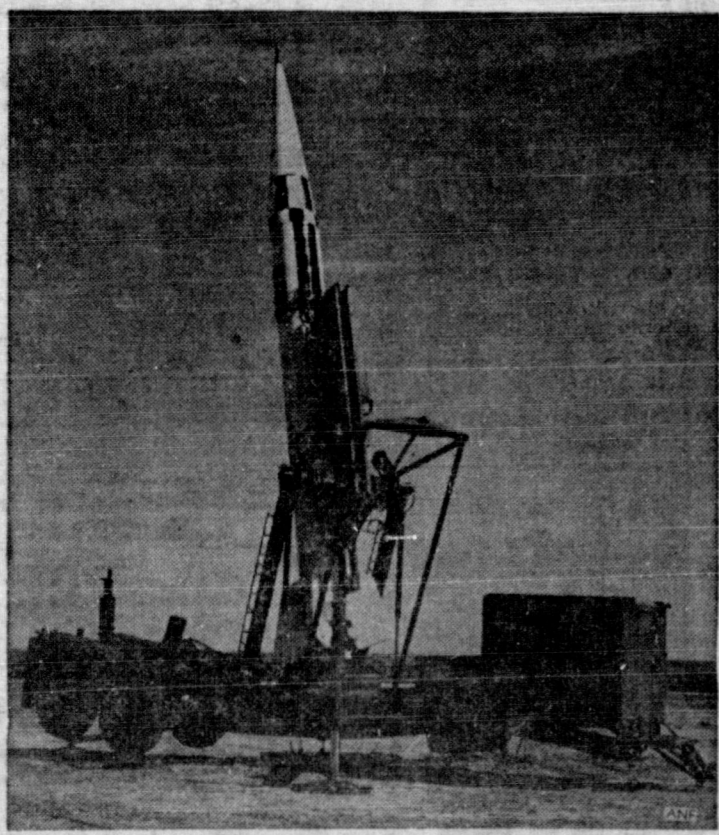

#### REBEKAH CHRISTMAS SUPPER DECEMBER 4

The Rebekah Christmas supper which will be open to the public, will be held Tuesday, December 4, in the lodge hall. The menu will consist of turkey and all the trimmings. Serving will begin at 6 p.m. Price per plate will be \$1.25 for adults and 50 cents for children.

Holiday guests in the home of Mr. and Mrs. John Knorpp and family were Mrs. Stella B. Hearne of Long Beach, Calif., and Mrs. Helen B. Officer of Tulsa, Okla.

Lt. Gov. and Family—Texas, new Lt. Gov. Preston Smith is shown here with his wife Ima and their two children Mickey, 21, and Jan. 17. They will be moving to Austin in January for the 58th Legislature.

READY AND WAITING—Just minutes after assembly began the SERGEANT ballistic missile sits poised—ready to be fired. Displacement of the launch facilities can be accomplished in an equally short time, fitting the SERGEANT into the Army's "shoot and scoot" concept of tactical warfare. The SERGEANT system's air transportability and quick loading and assembly was demonstrated at White Sands Missile Range, N.M., October 24, when for the first time the SERGEANT was fired by a U. S. Army tactical unit.

stimulant needed in many of our communities and areas and, in fact, would.

It is my hope that the people ally evaluate the tax structure of this country for the possible reduction and relief needed in all areas of the economy, commensurate with the maintenance of the proper defense of this country and its economic structure. But, in my opinion, the increase in income tax exemptions for individuals and their dependents would do more to stabilize the general economy, stimulate the purchasing power, and improve the national product than any other one factor.

The present tax structure has not been subjected to a thorough revision for a long time. It has, in one sense of speaking, become a series of patch-works. The tax base has been looked upon as being too narrow, especially in the upper brackets. The lowering of those tax rates could stimulate additional investment, and it is the consensus of many that this base should be broadened, especially as it relates to the business rate. It is thought that this would generate significant new investment and aid measurably in reducing unem-

**TAX REFORM**

In view of recent developments with relation to proposed tax cuts and tax revision measures, I want to discuss herein several important aspects of tax reform which would have a most beneficial result in my opinion.

Many suggestions and recommendations have been made through the years as to methods and manners of reducing or abolishing the income tax. The present campaign is to try to obtain an increase in the deduction allowed for individuals and their dependents. The present deduction for the average American citizen is \$600 for the individual and \$600 for each dependent. I am happy that this movement has begun. In 1951, I introduced legislation to increase the individual exemption to \$1,000 and to increase the exemption for dependents to \$750. A number of people asked me why I limited the dependent's increase to \$750. My answer was that I had no objection to the bill being amended and the amount increased to \$1,000 for dependents, but in view of the size of my family, I didn't want the bill to appear as a bill for personal relief simply because I had six children. In a subsequent Congress, I re-introduced the bill and increased the \$750 figure to \$1,000, at the request of a number of other Members of Congress.

I have continued to press for the passage of this legislation, through the years because I have long felt that it was the fairest way to give proper tax relief. Further, it would provide much needed assistance in many families throughout this country in helping to raise minor children. Anyone who thinks that you can raise a child for \$600 a year has not had much experience doing it. In my opinion, the increase in the individual and dependents' exemptions would not only afford much needed tax relief to people throughout this country on a fair basis, but it could very well constitute the economic

and Colorado, and the hills of Arkansas. On several occasions we bragged on the Canadian foliage in the fall. They are all beautiful but the little things we often overlook. The other day we were driving through the country around the little town of Quail and found the lowly shinnery thickets beautiful to behold.

Our favorite joke of the week came from the writings of Nancy Morechel of Floydada . . . The young lawyer was amazed to see "Old Dan" from the Hill Country standing on the railroad platform with his Bible under his arm . . .

"Why Uncle Dan, where on earth are you going?"  
"I done read about all those city places," the old man chuckled. "dancin' girls, fiddlers, and all them bright lights — I'm goin' to see for myself."  
"But why the Bible?" asked the puzzled lawyer.

"Well, if it is as good as I'm hearin', I'm a-aimin' to stay until Sunday."

Our prize letter of the week could well have been the one from Captain Frank B. Dougherty, retired of Lawton, Oklahoma. He may even rank higher than a captain, and may the Good Lord help me if I got the wrong title. Anyhow, he ought to be at the top of any group. Along with his letter Frank sends me enough material for a dozen columns. He says; "I believe it was Elbert Hubbard who once said you could judge a man by the things he picked up here and there. 'Heavens forbid that be the truth, for if so, I stand condemned.' . . . Me too, Frank . . ."

Samples from the things picked up by our good friend from Lawton. Do not worry about the future — The present is all you have; For the future will soon be present — And the present will soon be past . . .

One of Frank's favorites, and something which he copied and sent to friends came from a speech by General MacArthur. The sub-

ject was Youth, and we too, liked the beautiful thought. We quote;

"Youth is not entirely a time of life . . . it is a state of mind. It is not wholly a matter of ripe cheeks, red lips, or supple knees . . . It is a temper of the will, a quality of the imagination, a vigor of the emotions. Nobody grows old by merely living a number of years . . . People grow old by deserting their ideals. You are as young as your faith, as old as your doubt; as young as your selfconfidence, as old as your fear; as young as your hope, as old as your despair . . . In the central place of every heart, there is a recording chamber; so long as it receives messages of beauty, hope cheer, and courage, so long are you young . . . When the wires are all down, and your heart is covered with the snows of pessimism, and the ice of cynicism, then and only are you grown old."

Added to the above in the words of Friend Frank; "Just because the Hairline begins to

slip, and the Waistline takes on a distinctive curve we need not be prone to think that there can not be many wonderful years ahead." We agree . . .

Good friends we meet along life's way—  
Letters received from day to day . . .  
Are all a part of things that count—  
Make the joys of living really mount.

This little 4-line jingle is our way of saying Thank You Captain.

abandoned in this year of our Lord 1962. There are those among us who would enslave vast portions of our population by taking away from them the very last vestiges of self-reliance. Under the guise of liberalism they seek to make millions of people subservient to their wishes through programs that at first glance appear to be for the welfare of those whom they would enslave. They want to feed them, clothe them, provide housing and medical care for them, but they expect in return obedience at

Ford ideas so contagious they started a new trend in cars!

If you think today's cars have a lot in common, credit the Ford sketches above. For these ideas sparked a revolution in car design that's reflected wherever you look on the American road.

Ford ideas have a habit of being exciting—practical, too. Consider the innovations found only in our '63s. There is Ford Galaxie's smooth new velvet ride. It cost Ford \$10 million to bring it to you, but costs you not a penny extra to enjoy. There is

Ford's full twice-a-year or 6,000-mile maintenance\* schedule that cuts service worry and expense to a minimum. There's a new manual transmission that lets you shift down from second to first without coming to a stop. And for '63, there's the biggest choice of models ever offered—44 in all!

Only Ford offers all these advantages now. Other cars will eventually catch up—but if you can't wait, here's a tip. See your Ford Dealer today!

## Miss Connie Thirk Weds James Clifford

WOODSBORO — Miss Connie Ruth Thirk and James Fred Clifford exchanged marriage vows Saturday evening, November 10, 1962, in Peace Lutheran Church.

The bride is the daughter of Mr. and Mrs. E. W. Thirk, Mr. and Mrs. Walter E. Clifford of Clarendon are the parents of the groom.

The Rev. Jerry Thane, pastor of the church, performed the double ring ceremony. In the background were emerald foliage trees and two baskets of white gladiolus and mums. On the altar were candelabra with white tapers.

Mrs. Wayne Nau sang "The Lord's Prayer" and "Song of Ruth." She was accompanied by the pianist, Mrs. D. D. Harrison.

The bride, given in marriage by her father, wore an ice blue Italian silk and Alencon lace gown. The lace bodice had a Sabrina neckline and long pointed sleeves. The floor length bell-shaped skirt was accented with a wide lace border, and ended in a chapel length train.

Her finger-tip illusion veil fell from a tiara of blue velvet and pearls.

She carried a bouquet of white roses and glamelias and English ivy.

Mrs. Norman Lee of Houston was matron of honor. She wore a dress of royal blue velvet, and carried a bouquet of white mums with ivy.

Best man was Norman Lee of Houston. Melvin Horn and Larry Thirk, brother of the bride, were ushers.

The bride's mother chose a re-embroidered sea-green organza

princess style dress and matching accessories. She wore a corsage of white roses.

The mother of the groom wore a navy dress with matching accessories. Her corsage was a white and purple orchid.

A reception in the Parish Hall of the church followed the ceremony.

The table was covered with white taffeta and net with blue satin streamers and foliage. It was centered with the bride's bouquet.

The three-tiered wedding ring cake was decorated with white spun-sugar roses and topped with a miniature bride and groom.

The houseparty included Mrs. Wayne Nau, Miss Patty McNutt, and Miss Roberta Sue Hintz.

The couple went to New Orleans, Louisiana, on their wedding trip. The bride's travel ensemble was a rapherry French wool two-piece suit, accented with a scarf collar; slate gray bag and shoes, and white gloves.

The couple will make their home at 3311 Branard in Houston where they are both employed. Mrs. Clifford is a Home Economist with Houston Lighting and Power Company. Her husband is employed by Texas Employers Casualty Insurance Company.

The bride attended the University of Texas in Austin, and the groom attended West Texas State College in Canyon.

Out-of-town guests at the wedding and reception were Mr. and Mrs. W. E. Clifford, Mrs. Jack Clifford and son, John Clifford, all of Clarendon, Texas; Mrs. E. W. Means and Mrs. Virginia Weller of Rockport, Texas; Mr. and Mrs. F. L. McNutt and Miss Patty McNutt, Melvin Horn, Mr. and Mrs. Ray Camper, Jr., and Mr. and Mrs. George Clifford and Miss Ann Clifford, all of

Houston; Mrs. Nell Berleth and Joan Berleth of Friendswood, Mr. and Mrs. Gaston C. Barmore of Pasadena; Mr. and Mrs. Wayne Nau and daughter of Nederland; Mr. and Mrs. Gerhart Henze and Miss Gerry Lee Henze of Yorktown.

## FALL AND WINTER STYLE SHOW PRESENTED BY THE F.H.A.

Fall and winter clothes were paraded before an appreciative audience when the F.H.A. girls of Hedley and Clarendon modeled Monday night in the college auditorium.

Clarendon freshman girls modeled skirts and blouses. The Homemaking II girls modeled cotton casuals. The Hedley F.H.A. models styled classic sheaths, suits, and ensembles. The Clarendon F.H.A. finished the show with their wool suits and wool contest garments.

Mary Louise Caldwell, F.H.A. pianist, played background music for the event.

Many mothers and interested friends were present. The public is always invited to attend the Future Homemakers of America meetings. —Rep.

Ten of the eleven senior boys were there. They were Jerry Elmore, Dwight McAnear, Johnnie Clearley, Dee Hudgins, Billy Hearn, Dannie Ray, Robin Green, Garry Campbell, Charlie Slavin and David McBryer and the coaches, Mr. James and Mr. Murphy. Steve Richerson was unable to be present.

TEXTBOOKS SELECTED — State Board of Education voted to accept the State Textbook Committee's recommendations for new texts in 13 public school courses, and approved its recommendation not to select new economics texts at this time.

In compiling a list of some 65 textbooks for selection by local boards, the 15-member committee studied 188 books submitted by 33 publishers, with the assistance of 517 professional advisors and 400 laymen.

Texas Education Agency experts in 10 fields then reviewed their selections and submitted some 400 suggested corrections, which the publishers agreed to make.

Most of the corrections refer to typographical mistakes and minor factual errors.

State Library agreed to keep a copy of each recommended text so that they will be available to individuals who may want to protest acceptance by local school boards.

Board of Education also will send samples to local boards, according to enrollment: one set for 500 pupils; 16 sets for 10,001 to 50,000 pupils; etc.

Local boards must appoint their selection committees by December 15.

REPORT POSTPONED — House Textbook Investigation Committee postponed completion of its final report to the next Legislature for the second time.

Committee, headed by Rep. W. T. Dungan of McKinney, will meet on December 27. Then each of its five members will submit individual reports on hearings held in Austin, Amarillo and

San Antonio. Decision to make separate reports from each committee member underscored the squabbling which has beset the committee since it began public hearings last January.

Committee voted to exclude mention of a Dallas hearing, where former Maj. Gen. Edwin A. Walker testified, since Representative Dungan was the only member present.

RABIES DOWN — State Department of Public Health reports that the incidence of rabies is decreasing.

For example: the number of rabies cases reported between January 1 and September 30 of 1953 was 1,336. Reports for the same period in 1962, nine years later, totaled 448.

No cases of rabies in bats were listed from 1953 to 1956. But they numbered 26 this year.

Dogs were the animal most frequently infected with rabies. Foxes followed second.

Only 15 cases of rabies in humans have been reported over the past 10 years.

EIGHT DAYS AGAIN — Texas Railroad Commission has set an eight-day oil allowable for the 11th month in a row.

January was the last month that oil producers were allowed to operate prorated wells on a nine-day allowable.

Texas Independent Producers and Royalty Owners proposed fractional-day orders.

A spokesman for the Texas Landowners and Independent Producers Association said his group will ask the Legislature to change the market demand law so the Railroad Commission can set allowables on a basis of Texas share of national oil reserves.

But Chairman William J. Murray Jr. stated that the commission believes it now has the authority needed to set allowables as high as the market will take. He added that the commission would go to fractional days or to a percentage, if such a step is needed.

Murray also said that a plan for tougher new test requirements in the East Texas field is being devised by the commis-

sion. HOUSE CEREMONY — Speaker of the House James A. Turman invited newly-elected members of the House of Representatives to take their oath of office in a mass ceremony on November 23.

That's the day votes officially will be canvassed and all non-returning representatives will be removed from the House payroll.

Turman's invitation was issued immediately after Attorney General Will Wilson ruled that Turman will continue to serve until his successor, Rep. James Dee Cole of Greenville, qualifies for his new term.

Opinion was requested to clear up a situation muddled by redistricting of legislative districts. Cole was elected to represent a new district which includes his old one as well as Turman's. Members whose districts were abolished by redistricting can hold office until newly-elected members qualify.

ENROLLMENT UP — Number of students attending local state-supported junior colleges increased 15.3 per cent over the past year to reach a total of 42,991 on October 15.

Thirty-six of the 37 colleges showed an increase in enrollment.

But Lee College at Baytown showed a decrease of 7.6 per cent. It's estimated that some former Lee students now are attending San Jacinto College in nearby Pasadena, where enrollment boomed by 59.5 per cent.

State Board of Education voted to appoint a commission to study criteria for the establishment of new junior college districts.

BUS, TRUCK SPEEDERS — Texas truck and bus drivers are worse speeders than passenger car drivers. So reports the Texas Highway Department.

Speed recording tests made by the Department shows truckers are the worst offenders with an average speed violation record of 78.3 per cent exceeding the legal speed limit.

Department's annual speed or swear in new members. to truckers in speed-limit disre-

gard. Their average was 63.7 miles per hour.

Average speed of passenger cars was 55.4 mph — within the limits of 60 mph during the daytime and 55 mph at night.

PRE-CHRISTMAS SURPRISE — A quarter of a million Texans have received a pre-Christmas surprise.

The aged, the blind and the disabled got a raise in their public assistance checks from state welfare agencies.

Increase amounted to \$9 per month for the 75,000 old folks on maximum relief. Minimum was no less than \$3. Top now is \$82 a month.

LAND INVENTORY — State school land and mineral ownership is being inventoried.

Land Commissioner Jerry Sadler reveals that close examination of over 153,000 separate files is half completed.

He reports that during 1874-1951, school lands were sold under dozens of different statutes.

Sadler estimates that "a mineral estate of 4,000,000 acres was reserved in these transactions."

This, with riverbeds, submerged lands, the University domain and the almost 900,000 acres held outright by the state, create the 22,000,000-acre total endowment for public education.

MAJOR REPORTS READIED — The House General Investigating Committee is readying three major reports.

Rep. Charles Ballman of Borger, committee chairman, says the reports concern Hurricane Carol insurance payments, alleged point-fixing in Southwest Conference basketball games and slant hole drilling.

FREE BUS RIDE — State Board of Education has approved a proposal to make more students eligible for free bus transportation.

Under this change any student living two miles from school and two miles from a franchised public transportation route may become eligible for free transportation.

TAX ILLS CURED? — Texas' new sales tax may have cured the state's financial ills.

Similar views on this subject have been expressed by James W. McGrew, director for the Texas Research League, and Sen. George Parkhouse of Dallas, chairman of the State and Local Tax Policy Committee.

The Parkhouse committee will recommend to the Legislature in January some changes, mainly corrective, in the 1961 sales tax act.

He predicted the committee

will recommend more new tax exemptions than it will seek to abolish.

Parkhouse says the net result would be a small increase in revenue under the tax now raising \$170,000,000 a year.

TECHNICALLY ILLEGAL — When the Texas Senate convenes in January it will take action which at the moment is technically illegal or unauthorized.

Senators will find themselves in a situation for which no written rule has been cited, in the initial business of getting organized.

There will be no lieutenant governor to call the body to order, name temporary officers or swera in new members.

Term of Sen. Culp Krueger as president pro-tem will have expired. He, like the others, will start a new term.

There won't be a lieutenant governor until one week after the session starts.

Probably the selected president pro-tem, or at least some member who has previously taken his oath in private ceremonies, will be designated by the caucus to take the stand, appoint a temporary secretary and sergeant-at-arms and get the show going.

He can administer the oaths, etc., and then the Senate can go through the exercises prescribed by proper procedure.

HIDES FOR THERAPY — The Volunteer Services Council for Texas State Hospitals and Special Schools is urging deer hunters to donate hides of killed deer to state patients and students for occupational therapy use.

Council said shipping tags giving specific directions for donating the hides are available from most chambers of commerce.

Council arranges tanning and delivery of the finished leather to the State Hospitals and Special Schools.

SAVING LIVES — Texas' six-year traffic safety program has resulted in 300 lives saved. Governor Daniel and the Texas Traffic Council so summed up the effort at decreasing the rate of fatalities on streets and highways.

Then they passed the torch to Governor-elect Connally, Attorney General-elect Waggoner Carr and their administration.

How to save lives was the subject of a two-hour conference in Austin.

**HOLIDAY WORKERS MUST HAVE SOCIAL SECURITY NUMBER**

Many persons will need social security cards this Holiday season, according to Hal Geldon, Manager of the Amarillo Social Security Office. This concerns any person who applies for part-time or full-time employment during the Holidays and who does not already have a social security card.

It will be necessary for such a person to obtain a social security number so that he can receive credit for his earnings for Holiday work. Even if he is working

We wish to thank all our good friends who remembered me while in the Adair Hospital. Thanks to all who sent get well cards, gifts and flowers and a special thanks to the doctors, nurses and all the hospital staff. Your kindness was appreciated more than words can ever express.

Lena Baird

We want to express our deep love and appreciation to those who helped in any way during the illness and death of our mother, Mrs. G. W. Wigham of Panhandle. Your kindness and prayers shall always remain as precious memories. May God bless each of you is our prayer.

Mrs. Page Harmon  
Mrs. W. L. Sickles

I would like to take this means of expressing my thanks for the beautiful flowers, cards, and visits while I was in the hospital. Your many kindnesses were sincerely appreciated.

Mrs. Pete Darnell

for the first time, and only for a week or two, he needs a number to present to his employer. The employer needs the number so that he can properly report the wages involved.

Social security retirement, disability, and survivor's benefits are paid on the basis of how long a person works and how much he receives in covered wages during his working years. This includes earnings for part-time Holiday work.

Applications for social security cards are available at the local Post Office, Geldon said. The completed application should be mailed to: Social Security Office, 1006 Adams Street, Amarillo, Texas. A card will be returned in a short time.

Mr. and Mrs. Boots O'Neal, Mary Kay and John spent Thanksgiving with their son, Wes O'Neal, and family at Paducah.

A new Railroad Commission rule on slant oil wells provides that deviation surveys can be made on existing wells at the request of a neighboring operator.
