from County ASCS Committee

1963 Feed Grain Program

Growers who take part in the 1963 feed grain program will receive a price support payment in addition to the diversion payment. Such growers will also qualify for regular price-support loans or purchase agreements on their 1963 corn, grain sorghum, and barley crops.

The price-support payment is a new feature of the feed grain program for 1963. (A similar payment is also available under the 1963 wheat stabilization program.) It is a payment which will be made on the "established" normal production of the acreage planted to the three feed grains in 1963. The same rates will apply throughout the country; they will not vary by counties as the regular loan rates do.

Rates for the price-support payments have been established at 18 cents per bushel for corn, 16 cents per bushel (29 cents per hundred-weight) for grain sorghum, and 14 cents per bushel for barley. For each farm, the farm bases for all three grains will be combined into one feed grain base. And the rate used in determining the price-support payment—like the diversion payment rate—for a particular farm will depend on the kind of feed grain taken out of production.

The price-support payment really serves as income insurance; it will be made to growers who divert at least the minimum 20% of the farm's feed grain base into a conservation use. Even if the planted crop is destroyed by natural conditions, or even if part of the feed grain is fed to the animals on the farm, the price-support payment will be made just the same.

Unlike last year's feed grain program, the regular loan or purchase agreement will be available to 1963 program participants on the farm's entire 1963 production of corn, grain sorghum, and barley—it will not be restricted to the normal production of the feed grain acreage.

The sign-up under the 1963 feed grain program is now under way in the Donley County ASCS Office. Growers are urged not to wait until the last few days of the sign-up period to file applications to participate. The sign-up ends March 22.

Wool growers are reminded that the 1962 payments, to be made this summer, will be made on wool and unshorn lambs which are marketed before March 31, 1963. That is the closing date for the 1962 program. Applications for such payments under the 1962 wool program are to be filed before the end of April, 1963.

A Thought To Remember

Be thoughtful of the opinions of others. There are three sides of a controversy... yours, the other fellow's and the right one.

STUDENT LOAN FUND ANNOUNCED

The Bishop's Committee of St. John the Baptist Episcopal Church announced following their January meeting the Swan Episcopal Loan Fund. This fund, a bequest given in memory of the Rev. L. L. Swan who was resident priest in Clarendon from 1921 to 1934, will be made available to students attending Clarendon Junior College. Administered by the Vicar, Warden and Treasurer of the church and the dean of the college. The loan will of necessity be of a short duration and on an interest free basis. All applicants should make arrangements with the Dean of the College, Oliver J. Abel.

Odessa College Wranglers Play Here Tuesday Night

The next home basketball game for the Clarendon College Bulldogs will be on Tuesday night of next week when they take on the Odessa College Wranglers.

The Wranglers hold two victories over the Bulldogs this year. They took a 79 to 67 win in their tournament early in December and won by a score of 62 to 48 in their first conference game a few weeks ago.

The Bulldogs are showing signs of improvement and should give the Wranglers a real battle here Tuesday night. The Bulldogs' only conference win last year was at the expense of the Wranglers in the game played here.

Coach Dorman is currently starting a team consisting of Max Courtney, Alvin Scott, Bill Bentley, Randall Murry and Jimmy Boyd. Boyd is the team's high scorer for the season. He is averaging 15.8 points per game. He has been the team's only consistent scorer as Alvin Scott is second with an 8.6 average.

Following Tuesday night's game with the Wranglers, the Bulldogs will have only two more home games this season. They will meet the West Texas College Freshmen on Thursday night of next week and will play Frank Phillips here on the night of March 1.

Local Jaycee Wins Award At Meeting

Delbert Robertson and Chauncey Hommel, delegates from the local chapter, attended the Area I Convention of the Jaycees at Odessa Feb. 9-10.

Robertson, president of the local chapter, competed for the Regional Spoke Award and was named the winner and later competed in the area contest and won it also. This is quite an honor for Robertson and the local Jaycees. He will be eligible to compete in the state contest in May. Both men reported a very educational and informative meeting.

Death Takes Earl Bullock

Earl Edward Bullock, 70, a retired farmer and a resident of Clarendon and this area for the past sixty-five years, died Friday about 1:15 p.m. at Adair Hospital.

Funeral services were held at 2 p.m. Saturday at Murphy Memorial Chapel with Rev. W. R. Lawrence, pastor of the First Baptist Church, officiating. Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

He was born in Montague County, Texas, July 1, 1892. He farmed southwest of Brice for many years, and later retired and moved to Clarendon.

He served in the Army during World War I with Co. H, 142nd Infantry, which was made up of Clarendon men.

Surviving are two sisters, Mrs. Pricie Rhea, and Mrs. Cleo Cothran both of Tucumcari, New Mexico; four brothers, Walter Bullock, Charlie Bullock, Oscar Bullock all of Amarillo, and Loyd Bullock of Vigo Park; a sister, Miss Emma Bullock died April 15, 1961.

Pallbearers were nephews, Jack Bullock, Glen Bullock, Max Rhea, Buster Campbell, Oscar Bishop, and Gail Bullock.

NOTICE TO PUBLIC

Beginning March 1, 1963, the Donley County Courthouse will be closed all day on each Saturday. This is in accordance with Article 5165a regarding the 40 hour per week wage law.

High School Teams Lose To Lakeview And Memphis

Lakeview's Eaglettes jumped into an early lead and scored 19 points in the first quarter of play last Tuesday night while the local Bronchoettes were only able to ring up 8 points. Half time left Clarendon's girls trailing 23-30. The early margin that the Lakeview girls obtained, plus the smallness of the Lakeview gym were the main factors in causing the local girls to fall in defeat by a score of 42-50. Sharon Williams managed to put in 15 points while Cheryl Fedric followed closely with 14. Tommie Payne hit 20 points at long range for Lakeview.

The Bronchos fell in defeat to a hot, tall and talented Memphis Cyclone team to the score of 64-42. John Cearley was high point for the Bronchos with 23. Both teams will probably end this season's play tomorrow night with the Canadian Wildcats on the local court.

The only possible chance for the Bronchoettes to stay in competition for district honors is that they defeat Canadian and that McLean will win over Wellington. This would put the two teams in a tie.

New Patrolman Assumes Duties Here

Lee Johnson, 24, a recent graduate of the Department of Public Safety Training Academy, assumed regular duties here February 4th. He will work with Patrolman Billy Scott, who has been without a partner since the resignation of John Lowrie. Prior to entering the training academy, Patrolman Johnson had served two years with the Drivers License department at Beaumont.

Patrolman and Mrs. Johnson are both natives of Post, Texas, are quite happy to be back in the West Texas area. They are making their home at the Jerry Lohoefer apartment on west 3rd street.

College Organizes Library Committee

A Faculty Library Committee has been organized at Clarendon Junior College. Committee members are Mrs. Lucile Naylor, president; Mrs. Lorene Hart, vice-president; and Mr. Delbert Reed, secretary. Ex-officio members of the committee are Dean Oliver J. Abel and Daniel Nutter, Librarian.

The purpose of the organization is to promote better relationship, usage and understanding of library service to the student, faculty, administration, and community. Also, to coordinate the usage of the library with the classroom to meet the educational standard of the college, state, and national accreditation agencies, and to act in an advisory capacity to the library.

BAND PARENTS TO MEET MONDAY NIGHT, FEB. 18

Band Parents will meet Monday night, February 18, at 7:30 p.m. in the band hall. All parents of high school band students are urged to attend.

Dismissals: Elizabeth Barker, Mrs. John Chamberlain, Mrs. C. E. Jackson, Bob Johnson, Mrs. Ralph Keys, Mrs. Ola Long, George Graves, Mrs. H. S. Richardson, Mable Simpson, and Mrs. A. W. Simpson.

Fire Whistle To Blow At Noon

An old custom will be revived here Friday noon when the Fire Siren will be sounded to let everyone know it was time for lunch. It will be sounded daily at the noon hour from Friday on as long as the practice is feasible.

One of the main purposes of blowing the whistle is to check the coverage of the siren so the situation might be improved prior to the storm-warning season. Local firemen would like to receive reports from residents over town and surrounding the town whether they hear the blasts from the siren, weather conditions at the time, etc. You are asked to make your report to any member of the Volunteer Fire Department, but do not call the Fire Number and tie up the line that is used to report Fires Only.

With the cooperation of local citizens, your local firemen hope to improve the situation one way or another. If more sirens are needed or a different location is feasible, they hope to receive ample information to correct the situation.

Services Held Wed. For S. J. Rogers

Starling John Rogers, age 62 years, passed away at the home of his son, Steve Rogers, Monday morning at 4:00 a.m.

Mr. Rogers, a resident of Donley County for 30 years, was born March 5, 1900, in Corbin, Kentucky. He was married to Miss Myrtle Holman July 12, 1927, in Clarendon. Mrs. Rogers passed away in July of 1941. Mr. Rogers was a retired farmer.

Funeral services were held Wednesday, February 13, at 4:00 p.m., in the Assembly of God Church in Clarendon, with Rev. Roy Eason, pastor, officiating. Interment was in the Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Pallbearers were Loyd Dickerson, Gene Swearingen, Fred Harris, James McKinney, Clifton Elliott and Carrel Rappetoe.

Surviving Mr. Rogers are: five daughters, Mrs. Olen Sneed of Floydada, Texas; Mrs. David Stoddard, Sierra Vista, Arizona; Mrs. Anna Ortega, Tularosa, N.M.; Mrs. Jewel Sanders, Douglas, Arizona and Mrs. Walter Henley, Tularosa, N.M.; one son, Steve Richard Rogers of Clarendon; two sisters, Mrs. Dora Sneed of Clarendon and Mrs. Lula Brunch of Corbin, Kentucky; one brother, Ben Rogers of Covington, Kentucky; 26 grandchildren.

Rev. Earl Maddux To Speak At Brotherhood

Rev. E. D. Maddox, Pastor of the Fellowship Baptist Church in Pampa, will be the guest speaker at the Men's Brotherhood at the Calvary Baptist Church. The meeting will begin at 7 o'clock with a supper served by the men of the church.

The men of the Calvary Baptist Church would like to extend an invitation to the men in the community to attend this meeting. Christian men of other churches are invited as well as men who don't attend church anywhere.

Rev. Hill, local pastor, says that "this should be a great time of Christian fellowship, not to just receive food for our body, but food for our soul which is more important. In these evil days God needs dedicated Christian men to stand against the forces of evil and to win souls for Christ, this is the purpose of our Brotherhood." Rev. Hill concluded.

Donley County 4-H's Sell Calves At Stock Show In El Paso

Donley County 4-H Club members sold four calves at the Southwestern Livestock Show at El Paso this past week. Flip Breedlove, County Agent, said everyone was well pleased with the prices of the calves sold at auction.

David Mooring sold his reserve champion Hereford steer for \$1.00 per pound and his steer weighed 819 pounds after a three percent shrink. Susan McAnear sold her 847 pound Hereford and her 792 pound Angus steers for 60c per pound each. Richard Thornberry sold his 736 pound Hereford steer for 50c per pound.

This was the last show for the 4-H Club members this year and now steers are going on feed for next year. Breedlove says that he expects to have around twenty-five steers or more on feed for the coming year.

Rain And Snow Nets .33 Inch Moisture

Rain and snow which started falling here Sunday measured out .33 inch moisture, the first appreciable amount since the new year began. This brings our yearly total to .34 as we received only .01 during the month of January.

In 1962 we received 1.07 during January and none in February. Maybe the situation will be reversed this year. The way the moisture fell, the .33 inch will be very beneficial to the wheat and everything in general. All we need now is 2 or 3 more inches of moisture to go with it.

BOY SCOUT TROOP ENJOYS OUTING

Troop 33 traveled to Pampa Saturday, February 9th, and enjoyed a swimming party in Pampa's indoor swimming pool. The troop then came back by Lake McLellan and cooked their dinner and enjoyed playing and hiking.

The following members enjoyed the day: Everett Monroe, Frankie Ellis, Larry Kidd, Tommy Saye, Eddie Gettys, Ferol Shelton, Bobby Leeper, David Taylor, Joel Green and Scout Leaders, Paul Hancock, J. E. Kidd, Curley Monroe, and guests Danny and Roy Monroe.

SON OF LOCAL RESIDENT DIES AT CORPUS CHRISTI

Ben Lyle, son of Frank Lyle of Clarendon, died Thursday afternoon at Corpus Christi. Funeral services and burial were held there at 2 p.m. Sunday afternoon.

Surviving are his wife and three daughters of the home; his father, Frank Lyle and his sister, Mrs. Charlie Hearn, both of Clarendon; and two brothers, Thad and Kenneth of Dallas. Attending services from Clarendon were Mr. and Mrs. Charlie Hearn, Frank Lyle; and a niece and family, Mr. and Mrs. U. G. Swinney and children.

FORMER RESIDENT DIES IN CLAYTON

Jack Wiley, a former resident of Donley County, died February 3 in Clayton, New Mexico. He was a brother of Mrs. Roy Beverly, Mrs. Ruth Wheat of Seymour, and Mrs. Hazel Atkinson of Tucumcari, New Mexico.

Mr. Wiley owned a ranch near Gladstone but made his home in Clayton. He is survived by his wife, Eleanor, three sisters, and several nieces and nephews.

Mrs. Roy Beverly, Mr. and Mrs. R. A. Beverly, and Mrs. T. W. Bell of Turkey attended funeral services at the First Methodist Church in Clayton Wednesday.

Bulldogs Travel This Week End

Coach Don Dorman will take his Clarendon College Bulldogs to Lubbock and to Roswell, New Mexico, for games on Friday and Saturday nights of this week.

Friday night the Bulldogs will be at Lubbock for a game with the Lubbock Christian College team. The LCC team defeated the Bulldogs in their game here in early January by a score of 63 to 50. They also hold a 66 to 36 win over the Bulldogs in the Odessa Tournament in December.

Saturday night the Bulldogs will be at Roswell to take on the New Mexico Military Institute Bronchos. The Bulldogs' only conference win this year was at the expense of the Bronchos in a game played here on Dec. 15. The Bulldogs upset the Bronchos by a score of 55 to 44. However, the Bronchos have improved considerably since that time and will be out to even things on their home floor Saturday night.

West Texas Freshmen Squeak By Bulldogs

In a well played basketball game at Canyon last Friday night, the high flying West Texas State College Freshmen had to fight to the finish to edge the Clarendon College Bulldogs by the narrowest of margins, 14 to 13.

The Bulldogs stayed with their taller and more talented opponents through the game. They led early in the game but the young Buffalos came back to take a 41 to 40 lead at half-time. With three minutes to go in the game and the score tied at 73-73, the freshmen chose to stall the ball until the final seconds. With just three seconds on the scoreboard clock, Bobby McWilliams drove for the basket and was fouled by Bill Bentley. He missed his free throw and big Lee Norton got the rebound and was fouled by Alvin Scott as he tried to shoot. He missed his first shot but made the second to give the freshmen their win.

The Bulldogs, in playing their best game of the season, had four players scoring in double figures. Scott topped the scorers with 23 points; Randall Murry made 17; Max Courtney made 14 and Jimmy Boyd made 10. Courtney grabbed 16 rebounds in playing one of his best games. Murry also played his best game as did Scott. Murry constantly harassed his larger opponents with his drives for the basket. Scott played a good defensive game as well as scoring his high in points for the season.

PARISH MISSION TO BE PREACHED AT CATHOLIC CHURCH NEXT WEEK

A Parish Mission will be preached by Father Albert Fuytink of the Redemptionist Mission Band during the week of Feb. 17 to Feb. 24 at St. Mary's Catholic Church. The public is invited.

The hours of service will be Feb. 17, 9 a.m. and 7:30 p.m. Remainder of the week at 7 a.m. and 7:30 p.m. Week days, 4:30 p.m. for school children.

METHODIST MEN TO SPONSOR PANCAKE SUPPER FEBRUARY 16

The Clarendon Methodist Men will sponsor a pancake supper Saturday, February 16th, in Fellowship Hall. The menu will consist of pancakes, bacon and sausage. You can eat all you want for the one price of only 50 cents.

Serving time will be from 6 to 8 p.m. and the public is invited.

Mr. and Mrs. A. T. Lewis and Phyllis of Deer Park, Texas, and Don Meador of Amarillo spent the week end with their mother, Mrs. Odell Duggins and grandmother, Mrs. Talley.

Last Games of '62-'63 Season Friday Night

Local fans will have their last chance to see the high school teams in action on the local court Friday night. The Canadian Wildcats invade the Broncho Corral holding a victory over both the Bronchos and the Bronchoettes from their last meeting. Both the boys' and girls' games should prove to be very interesting. The Bronchoettes only chance for a tie with Wellington for the District Championship is that they defeat Canadian and that McLean should win over Wellington in the game which is also played Friday night at McLean.

In conference play last Friday night the Bronchoettes had no trouble in handling the visiting Lefors girls a 48 to 30 defeat in which the score by quarters ran 0-11, 6-26, 17-34, 30-48. The reserves played much of the second and fourth quarters. Regina Borden was high point for her team with 17 points.

The Bronchos fell to the Pirates to the tune of 43-39. Dwight McAnear led the scoring with 23 points in the boys' game. At workout last Monday, four girls were moved up to the "A" squad. Carolyn Graham, Charlene Gray, and Connie Phillips are the sophomores that have been doing a good job on the "B" team all season. Carolyn, at 5'7" is a good rebounder who brings the ball out well and is showing improvement on defensive abilities. Charlene and Connie can both play the guard or forward position with fair results. The fourth girl to be moved up to play these last games with the varsity is Leane Risley, a 5'7" freshman, who has been outstanding on the "B" team in rebounding and in alert defensive play. Leane is fast improving in her shooting talents and may eventually be one of our starting forwards or guards as she plays either position with equal talent.

Boy Scouts To Hold Chili Supper Feb. 16

Boy Scout Troop 33 will sponsor a Chili Supper Saturday, February 16, in the basement of the First Christian Church. The serving time will be from 6 p.m. to 9 p.m. The price is 50c per ticket. This is a newly organized troop in Clarendon and the boys are taking this opportunity as a means to finance their program. Please make an effort to support the boys in this fund raising project. Come out and enjoy a good Chili Supper.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

The Committee on Un-American Activities

The House Committee on Un-American Activities again seems assured of adequate financial support for its work in the coming year. I expect a resolution to be introduced in the House soon calling for a \$350,000 appropriation, the same sum as granted to the committee last year. There is only spotty opposition around the country to the work of this committee, and the overwhelming majority of House Members supports it. The committee again will have the money it needs.

I've always been a strong supporter of the Committee on Un-American Activities. Not only does it stand as a watchdog against subversive influences at work in this nation, but the investigations it has conducted have produced much worthwhile legislation. In the years 1941 through 1962, the committee made a total of 142 legislative recommendations to the Congress, of which 42 were enacted into law, including six in the last session.

Already in this session, the chairman of the committee, the Hon. Francis P. Walter of Pennsylvania, has introduced a set of bills to tighten provisions of the Internal Security Act of 1950. One of his bills provides that any federal officer or employee who wilfully fails to answer, or falsely answers, certain questions relating to Communist activities or national security, when summoned to appear before any federal agency, shall be removed from office or employment. A bill I first introduced in 1961 has

United States and the Free World by International Communism. The Hon. Joe Pool of Dallas was named to serve on the committee in this new Congress, the first Texan appointed to the committee since Martin Dies. Because Rep. Pool was elected as Congressman-at-Large, Texans of every District can feel he is serving them directly.

Washington Roundup

The Interior and Insular Affairs Committee, on which I serve as third ranking majority member and chairman of the subcommittee on Irrigation and Reclamation, soon will receive from the Interior Department a proposal for landmark legislation to provide outdoor recreation facilities. When he briefed the committee recently, Secretary Udall said the proposal would serve "to preserve the face of this country and the outdoor recreational opportunities our people have always prized so highly." How Congress will greet it remains to be seen.

When all of the facts are known initial excitement over General Accounting Office criticism of the helium conservation program will die away. I had a major part in formulating this program, designed to give private enterprise corporations the job of conserving the vital natural resources for which our Panhandle gas fields are famous. The tip-off as to the reason behind criticism, based on unjustified claims that participating companies are taking profits not due them, came in a Washington Post editorial. "If the helium reserves are a genuine national need," said the Post, "Congress should reconsider this program and set up a nonprofit public corporation to acquire gas used principally in government-supported missile and atomic industries." A nonprofit public corporation is precisely what those of us who set up this program were trying to avoid. In my view, the mood of the Congress is against placing the government into any industrial activity that could better be handled by private enterprise companies equipped to work in the field.

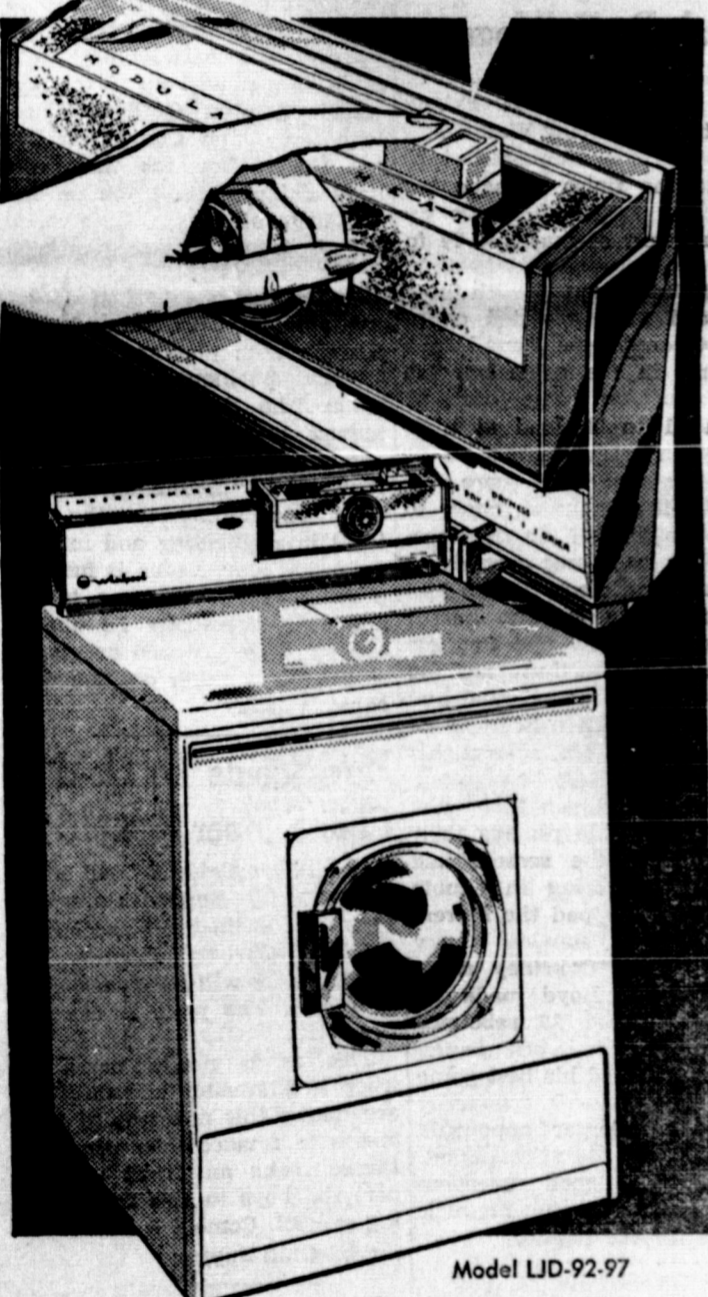

The President's tax revision proposal for oil and gas amounts to an end run to avoid a head-on collision with the 27 1/2 percent depletion allowance. The tax program submitted by the President would leave the 27 1/2 percent rate intact, but it would in effect cut the allowance by tightening reporting and computation procedures. The Treasury Department estimates the effect would be the same as a drop of up to one-fourth in the oil and gas depletion allowance. The Independent Petroleum Association of America estimates that the effect would be a drop in the allowance to 17.5 percent. In my opinion, a tough battle is coming over this proposal, avoiding as it does a direct clash with the long-standing 27 1/2 percent rate.

Again last year our exports exceeded our imports. The gap is narrowing. In 1962, the value of imports reached \$16.4 billion, up from \$14.7 billion in 1961. The 1962 export total was \$20.8 billion, compared with \$20.1 billion in 1961. We must continue efforts to see that the balance of our exports remains well ahead to assure our continued agricultural and industrial strength.

the hardest of all the members of our body to control. The Bible bears out that this is true. We speak out in a moment of anger, and have to regret our words in sadness and hurt.

It would be hard to number the percentage of divorces that grow out of one or both not being able to control the tongue. Usually it is the case of one word leading to another until the rift is too wide.

In the home parents can be too cross with the children giving the impression that there is not enough love. Children can cultivate the habit of talking

back to their parents disrespectfully until there is no love and understanding near enough to the surface to preserve a happy home.

Even in the churches where it would seem that kindness and brotherly love should abound we can find friendships and fellowships floundering on the rocks because of carelessly spoken words. Bitter words spoken in public become almost impossible to make amends for or to withdraw. Once spoken we have our pride to protect, and having a forgiving spirit becomes more and more difficult. Bringing one's self to the point of asking for forgiveness becomes next to unthinkable.

It is said that; some people think before they speak, some speak before they think, and others never think at all.

Someone has said that if we could fuel our rockets with idle rumors, they would take off faster and travel to the ends of the world.

Whether a man is his own worst enemy, or his best friend depends largely on his being able to tell his worst enemy from his best friend.

The story of a very worthwhile project appeared in the last issue of The Lion, the official publication of Lion's International. It had to do with the prayer chapel sponsored by the local Lions of Denver, Colorado. This Chapel named in honor of President Eisenhower is located only a few steps from the din and rush of 17th Street. But it is here that many from all walks of life turn aside for a few moments of conversation with God. It bears no denomination, only the picture of Jesus praying in the garden. A Bible on the stand stays open at II Kings 20:5 which reads; "I have heard thy prayers, I have seen thy tears; behold I will heal thee."

Typical of the appreciation many find for this place to come and kneel seeking the answer to the need of their heart was this comment from one lady; "If I had heard about his place sooner, I would not have suffered a nervous breakdown."

No one has to have a special place to talk with God. Any place or any time that we will turn aside from the world He will be there to listen. But, at the same time many will not remember to talk with God unless reminded by something that to them represents His divine presence. Because of this we

take off our hats to the Lions of Denver for providing this reminder to so many who are in need. Our congratulations to a Club dedicated to the helping of others rather than seeking only entertainment for themselves.

SOIL CONSERVATION DISTRICT NEWS

DIVERSIONS

This practice is used to divert excess water from cropland, from gullies in pastureland, and to break up the concentration of water on long, gentle slopes. It may also be used to divert water into or away from earthen reservoirs or into a system of water-spreading terraces on cultivated land.

Diversion terraces should not be substituted for standard ter-

aces on land requiring standard terraces as an erosion control measure.

Diversion are not applicable below high sediment producing areas unless land treatment practices or structural measures, designed to prevent damaging accumulations of sediment in the channels, are installed with or before the diversions.

Level closed-end diversions may be used under conditions where the drainage area is small, the slope of the land is fairly flat, and the soil is permeable enough and deep enough to absorb the impounded water in a reasonably short period of time. Under no circumstances should level closed-end diversions be

used when local conditions are such that open end diversions with protected outlets should be installed.

Necessary protective outlets and waterways must be provided on open end terraces. Diversions must meet Soil Conservation Service Practice Specifications.

The federal cost share on diversion terraces is 6c per cubic yard of earth moved.

If anyone is interested, feel free to contact your local S.C.S. office and any assistance needed will be supplied.

Do you know that...

Today the United States has more power capacity than the next 5 nations combined and almost three times the power capacity of the Soviet Union.

West Texas Utilities has increased its electric generating capacity over 6 times since 1942.

In terms of residential use, the American home uses nearly eight times the electricity of the Russian home. Americans use twice as much for lighting alone as the Russian total.

The average cost of a kilowatt hour to residential customers served by WTU has decreased 35% in the last 20 years.

LIBRARY NOTES:

EDITH BARNES

In "The Prize" Irving Wallace has taken six Nobel Prize winners as his main characters and come up with a winner. It did not cause much of a stir among

literary critics but has been on the best seller list for weeks. That means that people are reading it, inspite of it being one of those long ones.

Mr. Wallace wrote of and on, on this novel for fifteen years. To guarantee its authenticity he made two trips to Sweden, talked to many former prize winners as well as extensive trips to other

scenes in the book: Denmark, Germany, France and Italy. Even if the book was not bang up good fiction the true anecdotes about real winners, the pressures brought to bear on the Nobel juries and all the rest that goes with their final selections would make it worth while reading.

The following is true and what many of the Nobel juries are proudest of — the awarding of the Peace Prize in 1936 to Carl von Ossietzky, editor of a German news paper. As early as 1929 he published an article: . . . "exposing disarmed Germany's secret war budget, and telling the world that his Fatherland was breaking its treaty pledges by secretly building an army and air force."

He was charged with treason and thrown in prison for two years.

"When he came out there was a new name in Germany to be reckoned with, Adolph Hitler. Instead of leaving Germany he stayed on and hooted Hitler when

others cheered him."

He was soon put in a concentration camp.

The first year he was nominated the prize judges ignored him as he was the "little man." The next year so many nominated him they could no longer ignore him but for fear of angering Hitler they gave no Peace Prize that year.

When Carl von Ossietzky's name came up the next year two of the judges resigned and were replaced the new jury showed its courage by giving him the prize.

Goering stood over him and commanded him to turn it down. He smuggled a cable out thanking the judges and accepting the award. In 1940 when Hitler conquered Norway he arrested the entire Nobel Committee.

The Peace Prize has been given to many famous names . . . "But I suspect that of them all, Carl von Ossietzky was the greatest. And because of him, this one moment in our history, our Nobel Committees and judges knew greatness too."

by the plant or evaporates and large amounts can easily be accumulated.

Symptoms of excess salts in the soil are yellowed leaves, shedding of leaves, and stunted growth or death of the plants due to reduced intake of water into the plants. Methods recommended by the bulletin to remedy the salted conditions include leaching the soil, irrigation more often, planting salt tolerant crops and using good cropping practices.

The new bulletin also discusses the testing of water and soil salinity for irrigation farmers, a new service of the Texas A&M Soil Testing Laboratory which was begun on August 16. This service may be used in the same way that the soil testing lab is used and the information sheets necessary for the tests are available from your county agent or from the Agricultural Information Office, College Station.

"Test for Water Quality and Soil Salinity" may also be obtained from the Agricultural Information Office.

PINE LUMBER BEST FOR BUILDING PURPOSES
COLLEGE STATION — Are you planning to build a new home, car port, storage shed or other structure?

If so, consider using Southern yellow pine lumber. It is the strongest wood used for construction purposes, reports Bill Smith, extension forester at Texas A&M College. And Texas annually produces 500,000,000 board feet of this lumber, he adds.

Tests conducted by the Forest Products Laboratory of the U.S. Department of Agriculture prove conclusively that Southern pine has superior strength characteristics over some 9 other different kinds of lumber used for building homes and other structures, Smith says.

The characteristics tested included bending strength, toughness, nail holding strength, stiffness, strength as a post and hardness. Texas pine lumber

exceeded all other construction woods in the combined total strength ratings.

Homes and other wooden structures properly built of grade-marked Southern pine lumber will have superior strength, concludes Smith.

The District of Columbia had a delegate in Congress for four years, 1871-1875.

SALINITY TEST -- DON'T GUESS

COLLEGE STATION — Nearly one-fourth of Texas farmland is under irrigation and thus subject to possible "salting-up" according to L-570, "Test for Water Quality and Soil Salinity" recently published by the Texas Agricultural Extension Service. The bulletin explains that salts put in the soil by irrigation water accumulate and can cause poor soil structure, trapping of water, and toxicity to crops. These water carried salts remain behind when the water is used

In the view of Vice-President Robert R. Gros of the Pacific Gas and Electric Company, the advertising man is not a "flashy, tricky, huckster intent on lamboozling the public." In a recent speech, as reported by Stanford Review, he declared that the advertising man has taught "us how to lead a better life and contributed enormously to our tastes, high standards, and general social improvement." Also, he added, "advertising is practiced out in the open for all to see and that shady or misleading advertising destroys its perpetrators."

MARY MARTHA CLASS ENJOYS MEETING IN CARL NAYLOR HOME

The Mary Martha Sunday School Class at the First Baptist Church enjoyed a social in the lovely home of Mrs. Carl Naylor Tuesday, Feb. 5.

Mrs. Walter Lowe led the opening prayer. Then the group said the Lord's Prayer for the devotional. Mrs. James Smith, president, held a short business meeting. The group leaders gave monthly reports. Mrs. Lillie Knox, vice-president, had charge of the program which was given by Mrs. Sallie Benson on a question and answer skit that was enjoyed by the group.

The Valentine theme was carried out in the refreshments by serving cherry pie, whipped cream, topped with a cherry. Those to enjoy the evening were: Mmes. Mary Myers, Lillie Knox, Lena Smith, Maude Palmer, Cecil Cook, Sallie Benson, Lois Moore, Walter Lowe and associate members, Mrs. Nollie Simmons, Mrs. Sam Lowe, and Mrs. Walter Clifford. The visitor, Mrs. Annie Leathers, was present. The group stood and sang Happy Birthday to Sallie Benson.

We plan to meet March 5th with Mrs. Myers. Our hostess was Mrs. Carl Naylor. —Rep.

GAMMA KAPPA CHAPTER OF DELTA KAPPA GAMMA MEETS IN CLARENDON

The Clarendon members of Gamma Kappa Chapter of Delta Kappa Gamma entertained the Chapter in Clarendon Saturday afternoon, February 9. The meeting was held at 2 p.m. in the Homemaking Department of Clarendon High School with members attending from Collingsworth, Childress, Hall, and Donley Counties.

Mrs. L. C. Sweat, president, presided and Mrs. Charlotte Word gave the opening prayer. Mrs. Brunetta Morris gave a brief talk about the life of Dr. Francis Kelsey and her work especially in reference to dangerous drugs in the United States.

Mrs. Harold Bugbee was a guest speaker. She gave a very interesting story of her career as an artist, some of her experiences with the American public, and her use of Casein as a media in painting. Of special interest to her is the painting of wild life in native habitat and she exhibited a landscape painting with quail to the foreground.

Mrs. Gladys Ballard of Estelina was made a new member in an impressive initiatory service.

The White Elephant Sale netted approximately \$40 to be applied on the scholarship fund.

The Valentine motif was carried out in decoration and refreshments which were served to about thirty members and guests.

Clarendon members attending were Misses Inez Blankenship, Edgar Mae Mongole, and Mesdames Hazel Brandon, Velma Bourland, Faye Pinkerton, Charlotte Word, Marguerite Goodner, Lucile Naylor, and Velma Weaver. —Rep.

Jolliff-Stogner Wedding Vows Exchanged In Saturday Service

Miss Wanda Lee Jolliff became the bride of Herald Stogner in a service at Ford Memorial Chapel of The First Baptist Church, Lubbock, Texas, at 8 p.m. Saturday evening, February 9. The bride's father was assisted by the Rev. Walter Lane in performing the double-ring ceremony. Parents of the couple are Rev. and Mrs. R. Austin Jolliff, Lubbock, Texas, and Mrs. Winnie Wester, Canyon, Texas.

Vows were exchanged before an altar decorated with palm ferns and baskets of white roses and chrysanthemums backed by white tapers. A kneeling bench covered with white satin marked the center of the altar.

Mrs. Walter Lance, organist, played a prelude of nuptial selections and accompanied Mrs. Walter Harry who sang "Whither Thou Goest," "Because," and as a benediction "The Lord's Prayer."

Candles were lighted by Becky Lane, and Glendell Jolliff, brother of the bride. Flower girl was Lisa Hipps and ringbearer was Ray Purdy.

The bride, given in marriage by her father, wore a gown of white silk mist taffeta and Chantilly lace designed with a figurine bodice of lace and long sleeves tapering to points over the hands. The portrait neckline was scalloped and embroidered with iridescent sequins and pearls. The bouffant silk skirt extended to a formal chapel train and was enhanced by insets of lace and dainty bows. Her fingertip veil of imported French silk illusion fell from a crown of seed pearls and iridescent sequins. She carried a bouquet of white frenched carnations centered with a white orchid.

Matron of honor was Mrs. Jim Eldridge of Emmett, Idaho. Other attendants were Mrs. Cliff Stogner of Lubbock and Miss Oleta Armstrong of Bonham. They wore dresses of royal blue delustered satin fashioned with

MRS. HERALD STOGNER

a fitted bodice, bracelet-length sleeves, and a softly pleated skirt in street-length. Each added a matching blue crown headpiece with a veil of matching tulle. Mrs. Ethridge carried a bouquet of pink frenched carnations and other attendants carried bouquets of white frenched carnations.

Cliff Stogner attended his brother as best man. Groomsmen and ushers were Kenneth Dietrich and Dorman Purdy.

Immediately following the ceremony a reception was held in the chapel parlor. The bride's table was laid with a white linen cloth and centered with the tiered wedding cake topped with a miniature bride and groom. Appointments were silver and crystal.

For the wedding trip to Ruidoso, New Mexico, the bride wore a blue delustered satin dress fashioned with a slim skirt and a jacket. Her accessories were matching and she wore the Orchid taken from her bridal bouquet.

The couple will be at home at 2618 E. Bates, Lubbock, Texas.

Mrs. Stogner is a graduate of Emmett High School, Emmett, Idaho and prior to her marriage was employed by Pioneer Natural Gas Company, Lubbock. Mr. Stogner is a graduate of Clarendon High School and West Texas State College, Canyon, Texas, and for several years was an employee at the Donley County Leader in Clarendon, Texas. He is now employed by Texas Tech Press in Lubbock.

Mrs. Winnie Wester of Canyon was hostess at the rehearsal dinner honoring members of the wedding party. The dinner was held at The Ming Tree in Lubbock Friday evening.

Attending the wedding from Clarendon were Mr. and Mrs. W. B. Ayers, grandparents, and Mr. and Mrs. G. W. Estlack.

ASHTOLA NEEDLE CLUB MEETS AT CENTER

The Ashtola Needle Club met Thursday, Feb. 10, at the Ashtola Center and quilted. Sixteen members, one visitor and a new member were present. The visitor was Miss Laura May Harp of Amarillo and the new member was little Miss Patricia Trout, daughter of Mr. and Mrs. Bob Trout, who was voted the Club's Sweetheart.

Refreshments were served by the hostesses, Mrs. Veta Mahafey and Mrs. Sue Rhoades.

The next meeting will be Feb. 21 and the ladies of the community will sew for the Adair Hospital.

A covered dish luncheon is the order, so everyone come and bring a covered dish and your tumbler, so those who don't sew can quilt. We will try to finish the quilt started last Thursday.

Annual FHA Banquet Held Saturday Night

"Moon River" was the theme of the annual FHA Banquet, and the High School Cafeteria was the setting Sat., Feb. 9. A large sparkling moon hung high above the red and white river boat in which the Valentine Sweetheart was crowned.

Miss Connie Martin, 1961-62 sweetheart, escorted by Philip Abel, welcomed the Royal Court aboard. Princesses and escorts were Sandra Deyhle-Dee Hudgins; Karen Hill-Wayne Lewis; Audrey Shields-Charlie Slavin; Regina Borden-Presley Yarborough; Mollie Floyd-Dickie Moffett; Agatha Wallin-Alfred McNabb; Sharon Williams-Dwight McAnear; Melissa Patterson-Robin Green. Deanna McAnear, escorted by Mike McClesky, was runner up for the Sweetheart honor and assisted Danny Ray when he crowned Miss Darlene Shields the new Sweetheart for 1962-63. The audience sang "Let Me Call You Sweetheart" to complete the coronation ceremony.

Other program numbers included "If I Were Dan Cupid", Pam Hicks; "Hi-Li-Li" duet by Lynn and Beth Bourland; "Husbands" Sandy McDowell; "Miss FHA Asks for a Date" Judy Greene; "Moon River" and "You'll Never Walk Alone," solo by Maudena Self. Miss Lynn Bourland led the audience in a Scrambled Heart game in which Dennis Stewart and Gary Lowrie tied for honors. Their gift was a wiener dog. Processional and recessional music was played by Mary Louise Caldwell. She also accompanied the girls who sang. Patricia Green served as mistress of ceremonies.

Valentine mobiles floated above the beautifully decorated tables. Gold moons glistened at the candles and saucy cupids and red place cards marked the places.

A delicious meal, prepared by the cafeteria ladies, consisted of roast, gravy, beans, mashed potatoes, angel salad, hot rolls, strawberry short cake, was served by FHA mothers.

Honor guests for the occasion included Mr. and Mrs. K. D. Vaughan, Mr. and Mrs. Morris Ledger, honorary members and chapter parents.

A midnight movie "It's Wonderful to be Young" completed the entertainment for the night. —Rep.

PATHFINDER MEETING HELD FRIDAY

Pathfinder Club met Friday afternoon, February 8, at Patching Club House with Mrs. C. G. Stricklin and Mrs. C. T. McMurtry hostesses. Meeting was called to order by the president, Mrs. Heckle Stark, and Club Collect was read in unison.

During the business session a report was heard from the Nominating Committee with the following officers being elected for the coming year: President, Mrs. John Bass; Vice-President, Mrs. T. M. Caldwell, Jr.; Recording Secretary, Mrs. Morris Ledger; Treasurer, Mrs. Wm. S. Greene; Corresponding Secretary, Mrs. J. V. Patterson; Parliamentarian, Mrs. Heckle Stark; Federation Counselor, Mrs. Dick Shelton; and Historian, Mrs. Wm. J. Lowe.

The program was presented by a guest, Mrs. Pete Kunz. Her subject was "Travels With The Great Artist — Edward Marshall Boehm." Boehm is a self-taught artist and ornithologist whose life-like porcelain statues of birds have become collectors items. Mrs. Kunz displayed two of these statues which she had purchased.

During the social hour refreshments were served from a table laid with an aqua linen tablecloth and centered with an arrangement of red carnations in a crystal bowl flanked by red candles in crystal candelabra. Mrs. Heckle Stark served from the silver service.

Attending were three guests: Mrs. Pete Kunz, Mrs. H. R. Beck, and Mrs. Ruby Bromley; and members Mesdames John Bass, George Benson, H. T. Burton, Lee Holland, J. H. Howze, Morris Ledger, Genoa Lowe, S. W. Lowe, J. V. Patterson, Heckle Stark, and the hostesses, Mrs. C. G. Stricklin and Mrs. C. T. McMurtry. —Rep.

AUSTIN — Rep. Will Smith of Beaumont wants the voters of Texas to select the Speaker of the House.

He has introduced a resolution calling for a constitutional amendment to make the position of Speaker an elective office.

If passed by the people it would eliminate much bickering among House members, not only during sessions but between sessions. It would speed up work in the House by enabling the members to get down to business on the opening day of each session. And equally important it would save the State many thousands of dollars as a consequence of the man hours lost.

Frequently serious and bitter personal feuds have developed between members of the House prior to the House's selection of a Speaker as well as by disgruntled groups following the election.

To add to the confusion, prospective candidates for Speaker start jockeying for position with the beginning of every new session.

In the end the taxpayer of course is the loser. It has been said that some special sessions

have been necessary due to the long delays and the wrangling that has resulted in years past over the Speaker or the speaker-ship.

The Senate does not have this problem since the people elect the Lieutenant Governor to preside over the Upper Chamber. Both jobs are identical, but only in the Senate do the people have a voice.

PADRE PROJECT BRIGHT—Prospects are brighter for passage of Padre Island National Seashore legislation by the House and Senate.

An impressive parade of supporting witnesses went before State Affairs Committees in both chambers and a surprising about-face occurred on the part of Land Commissioner Jerry Sadler.

Several hundred Seashore boosters journeyed to Austin . . . largely from Nueces, Willacy and Cameron counties . . . to pack the mid-week hearings. A total of 27 witnesses testified in favor of Sen. Bruce Reagan's Padre proposal, with no one appearing in opposition.

Similar testimony was heard by the House State Affairs Committee . . . studying bills by Reps. Menton Murray of Harlingen and Ronald Bridges of Corpus Christi. A single opposing spokesman stated that he just did not like the idea of creating a national seashore area.

Opposition had all but vanished otherwise — principally because of Sadler's retreat from his previous stand. He told the legislators that if a Federal project was what they wanted, "then I want to see it happen, too."

The reversal by Sadler apparently signaled the end of various "anti-Padre" efforts mounted in

both houses by Rep. Rayford Price of Frankston and Sen. George Parkhouse of Dallas, each of whom was sponsoring a bill giving Sadler veto power over the Seashore project.

House and Senate subcommittees appointed to study the legislation appeared to be generally sympathetic and avowed Padre Seashore opponents were in a minority on both groups.

WOMEN'S RIGHTS — More than 200 women marched into a senate committee meeting on "equal rights for women" and cheered committee approval of a constitutional amendment they've battled for through several legislative sessions.

The "equal rights" bill — yet to be passed by the Senate — may run into trouble in the House of Representatives.

Rep. James Cotten of Weatherford — former foe of the amendment — is chairman of the House Constitutional Amendments committee.

GOVERNOR SIGNS FIRST BILL — First bill to be signed by Gov. John Connally was one he'd requested.

It was the bill which appropriates \$65,000 for his office; \$50,000 for a study of higher education needs; and \$82,000 for investigation and prosecution by the Attorney General's office.

Governor Connally also made two appointments. He named Austin attorney Robert D. Bullock to the Texas State Historical Survey Committee, and reappointed Mrs. J. S. Abercrombie of Houston to the State Board of Mansion Supervisors.

SOLD ON SCREWORM PROGRAM — Governor Connally met with farm and ranch leaders and told them he's still a strong supporter of the Screwworm Eradication Program, but won't request the legislature to make emergency appropriations until he sees the results of the program's fund drive.

"I am completely sold on the program," Connally said, "and I am confident the livestock industry will raise the remainder of its quota by March 1."

He said requirements for a state contribution to the eradication program will be considered after March 1. "I do not think we will have difficulty in securing state appropriations, if the producers can meet their commitment," the governor predicted.

'MADE IN U.S.A.' ORDER HIT —The 3rd Court of Civil Appeals in Austin has contradicted the State Highway Commission by declaring that the commission has no authority to enforce a "made in the U.S.A. only" restriction on highway construction materials.

Commission had stated on October 28, 1960, that highway contractors can't use foreign materials for highway construction. This order was challenged by the Texas Association of Steel Importers, Inc., in the 53rd District Court in Austin, which upheld the state order.

Importers appealed to the 3rd Court of Appeals. It ruled, "We believe an order disbarring all imported materials from the market available to highway

construction contractors acts to restrict competitive bidding."

Attorney General Waggoner Carr plans to appeal the decision.

LEADING TRIAL ATTORNEY JOINS CARR — Texas' Attorney General, who recently bemoaned the fact that his department couldn't afford to employ experienced trial attorneys to prosecute slanted-hole oil well cases and cases resulting from the Billie Sol Estes scandal, has added a legal luminary to his staff.

He is Joseph Searcy Bracewell, former president of the Houston Bar Association and father of former Sen. Searcy Bracewell.

HOME FOR PARKS BOARD? —An alternate to Governor Connally's proposal that the State Parks Board be combined with the Game and Fish Commission has been offered by the Bayshore Rod, Reel and Gun Club of Baytown.

The club, which believes the merger proposed by Connally would be "catastrophic" for the Game and Fish Commission, argued that the State Highway Department would be a more suitable "partner" for the Parks Board.

As the law now stands, the Highway Department holds the purse strings to all state money allocated for tourist attraction.

INDUSTRY LURE — A proposal to give new or expanded industry a five-year exemption of state property taxes has been advanced by Rep. C. Jim Segrest of San Antonio in a constitutional amendment he introduced in the House.

"Tax lures" for new industries are considered unattractive by the Texas Industrial Commission, but Rep. Segrest predicted a property tax exemption would speed up industrialization. His proposed exemption would apply to new industries coming into the state or to existing firms which increase both capital investment and employment by 10 per cent.

LIFE BEGINS AT FORTY — That old saying "life begins at forty" has been refuted by many workers who claim their troubles start at forty, when their jobs are endangered because of their advancing age.

Governor Connally included job security for people up to 65 in the program he laid before the 58th Legislature, and the Fraternal Order of Eagles has made the matter its No. 1 legislative project.

Bills stating that no state agency or political subdivision of the state may refuse to employ a person solely on the basis of age have been introduced in the senate by Sen. Franklin Spears of San Antonio and in the House by Rep. Will L. Smith of Beaumont.

Bills also provide that no agency of the state or any political subdivision may establish a maximum employment age of less than 65 years.

If the bills pass, it also would be illegal for any individual, firm or association in Texas to refuse to hire, or attempt to fire, anyone up to 65 solely on the basis of age.

STAMPS OR CASH — Rep. Milton Schiller of Cameron is

circulating a bill to require merchants to give customers a three per cent cash discount if they don't want to accept trading stamps as a shopping "bonus."

Schiller is trying to see what sort of support he'd get if he decides to introduce the bill.

BILL BOOSTS OIL QUOTAS —A bill which would make the Railroad Commission allow much greater oil production in Texas has been introduced in the House of Representatives.

Rep. Lloyd Guffey of El Campo has proposed that the commission set 14 days as the minimum operation monthly by any well.

He also wants new fields unprorated until production reaches 10,000 barrels daily.

Every well also would be permitted to produce at least the "average daily capacity allowed by the commission for the preceding 60 days."

TOURIST SLUMP ENDS — A four-year tourist slump ended in Texas last year.

State Highway Department says tourists spent \$471,000,000 during 1962, an increase of \$31,000,000 over 1961.

Number of tourists jumped from 8,400,000 to 10,600,000.

HEALTH PANEL DUE — A steering committee is being selected to choose and guide a state-wide planning committee for developing mental health services in Texas.

Dr. J. E. Peavy, state commissioner of health, is chairman of the new committee. Co-chairman is Dr. Cyril J. Ruhlman, director of mental health for the state hospital system.

Leading Texas authorities in psychiatry and mental health will be on the committee.

NOT FOR JP COURT — Violators of game and fish laws cannot be tried in justice of the peace courts.

Attorney General Carr issued the opinion in response to a request by Rep. Bill Hollowell of Grand Saline, chairman of the House investigating committee.

Hollowell said his committee has received reports that such violations were being tried in justice courts contrary to at least two decisions by the Court of Criminal Appeals.

NO TEEN-AGE TATOO — Rep. J. E. Ward of Glen Rose has introduced legislation that would make it unlawful to tattoo any person under 18 years of age.

Ward's bill declares that it is important to prevent young people from acquiring tattoos which may be disfiguring and impossible to remove without scarring.

It also noted that disease may be transmitted by the tattooing process.

DEFICIT FLUCTUATES — State General Revenue Fund now shows a deficit of \$60,508,881, State Treasurer Jesse James says.

This figure is up almost fifty per cent over the 042,281,647 deficit reported on January 9.

DO - NOTHING OFFICIALS HIT — Do-nothing public officials will get small paychecks if Rep. Maurice Ball of Dallas has his way.

Ball, a Republican, has introduced a House measure which would allow deductions from salaries of public officials who neglect their duties.

Texans unhappy with officials from the governor down to city department heads could present their complaints, along with \$100, to the appropriate person or agency which authorizes the payment of salaries.

FUNDS ASKED — Dean of the new South Texas Medical School in San Antonio has asked legislators to give the school enough funds to begin recruiting a faculty.

Dr. Robert Berson said prospective heads of departments at the new medical school could join the staff of the R. B. Green Hospital until the school's teaching hospital is completed.

HOSS "ALL TEXAN" — Hoss Cartwright, in Austin to address a joint session of the legislature, said he is mighty glad to be home in Texas again.

The 300-pound "Bonanza" star, whose real name is Dan Blocker, said he'd never really been away — just "on a long link" from here to California.

"Once you're a Texan, you can't be anything else," he declared.

The big actor was named "Tex-

an of the Year" by the Texas Press Association.

TOUCHY PROPOSAL — The Texas Legislature has been confronted with the politically touchy proposal of replacing justice of the peace courts with county courts of record.

Rep. Ben Barnes of DeLeon offered a proposed constitutional amendment on the subject. He noted, however, that his sponsorship is "by request."

The idea originated in the State Bar of Texas, and has been the subject of controversy both inside and outside the organization.

BOOSTING TEXAS — Rep. Bill Walker of Cleveland wants a silhouette of the State of Texas and the words "Lone Star State" on Texas' automobile license plates.

He has introduced a resolution in the House aimed at accomplishing this goal.

Walker says the change would make the identification of Texas cars "instantaneous as they tour the continent."

REPEAL SOUGHT — Rep. Don Gladden of Fort Worth is asking repeal of a law requiring school districts to secure voter approval before desegregating schools.

Gladden said his bill is co-authored by 50 House members.

NO CLOSED MEETINGS — Rep. John Alaniz of San Antonio would prohibit closed meetings of state, city or county agencies.

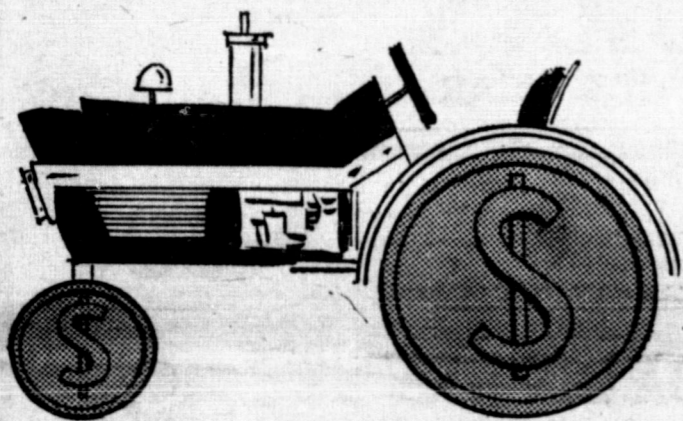

Alaniz has introduced a bill in the House providing a \$100 to \$1,000 fine for public officials who participate in closed meetings.

Two other representatives, Chester Brooks of Houston and Bill Rapp of Raymondville have introduced similar legislation. Alaniz is an attorney. Brooks and Rapp are newspapermen.

The latter two also have introduced legislation calling for public records to be open to inspection by any citizen of Texas.
