FIRST EAGLE

BOBBY G. CAIN

Bobby G. Cain, son of Mr. and Mrs. Stina Cain, is the first boy in the history of Scouting in Clarendon to complete all the requirements for an Eagle Scout award. He will receive this award during services at the Methodist Church May 26th.

Bobby, a junior in high school and a football player, has been active in scouting since coming to Clarendon in 1955 from Amarillo. His ambition is to become a Veterinarian.

Some of the highlights of Bobby's scouting career includes attendance at the National Jamboree in Colorado Springs in 1960; being chosen to serve as a Junior Staff member at Camp Kiowa during camp season of 1962; a crew member of the Wilderness Canoe trip into Canada which covered approximately 2800 miles, of which 125 miles was covered by canoe and on foot and being selected to serve as an assistant supervisor in the nature department at Camp Kiowa during the 1963 camp season.

He wishes to express thanks to everyone who has helped him to receive this award. He realizes that without the help and advice of many people, he could not have earned this award.

Mr. and Mrs. Travis Culpepper and son, Darwin, and Mr. and Mrs. Joe Naylor, all of Portales, N.M., were dinner guests in the home of Minnie and Ava Naylor Monday.

MAYOR LOHOEFER TO ATTEND W.T.C.C. MEET

Mayor C. J. Lohoefer will leave today for Wichita Falls to attend the 45th annual WTCC Convention scheduled through this week end. Lohoefer is a director of the West Texas Chamber of Commerce and is a member of the Stock Feeding and Education committees.

A number of noted speakers have been selected for the various sessions and important discussions will be held on stock feeding, one of the great potential programs for the West Texas Area.

College Board Of Regents Appointed

The Board of Trustees of the Clarendon Independent School District has just recently appointed a Board of Regents for the Clarendon Junior College. Heretofore, the Board of Trustees has acted as the governing body for both the public schools and the junior college.

Nine men were appointed to the Board of Regents. Beginning in April of 1964, members of the board will be elected by the people for six year terms. An election will be held each even year and three members will be elected each election time.

The nine men appointed to the Board are: Mr. Walter B. (Bud) Knorrp; Mr. Frank Phelan, Jr.; Mr. Bill Todd; Mr. Douglas Shelton; Mr. R. E. Drennan; Mr. Quinn Aten; Mr. George Thompson; Mr. Richard Tunnell, and Mr. Chauncey Hommel. The men drew for terms at their organizational meeting on Tuesday night of last week. Terms expiring in 1964 will be those of Shelton, Drennan and Aten; in 1966 the terms of Knorrp, Thompson and Tunnell will expire, and in 1968 Todd, Hommel and Phelan will complete their terms.

Mr. Knorrp was elected as the Board's first president, Mr. Phelan was elected vice-president and Mr. Todd will serve as secretary.

All these men are vitally interested in the welfare of the college and their leadership should go a long way toward improving the local institution. Mr. Knorrp served on the local school board for approximately 15 years, the last four of which were in the capacity of chairman of the board. Mr. Thompson also served on the local board some few years ago and Mr. Aten served on the Lelia Lake School Board for a number of years. Mr. Drennan was Dean of the College for 24 years before retiring in the spring of 1957.

Memorial Day Is Closing Date For Local Merchants

Memorial Day, Thursday, May 30th, is one of the four holidays generally observed here by local merchants. In order that you may not be inconvenienced in any manner, plan to do your necessary shopping prior to Thursday.

SPONSORING HYMN SING AT MEMPHIS SUNDAY

The Churches of the Baptist Panhandle Association are sponsoring a Hymn Sing Sunday, May 26, at Travis Baptist Church of Memphis. Time is 3:00 p.m. Everyone is invited.

Quality Job Printing at the Leader

Jaycees Planning Big Parade For July 4th

The Jaycees will have charge of the annual July 4th. Parade again this year and they report that letters have already been sent the area high school bands inviting them to attend. Also the Shrine Band, Air Force Band, and Drill Team of Amarillo have been invited. Letters are now being prepared to mail to the riding clubs of the area. The Jaycees plan to make this year's parade one of the biggest and finest ever; and they will be furnishing \$175.00 in prize money for those who will build floats to be judged. There were several nice floats in the parade last year and the Jaycees feel there should be a great deal more business, civic clubs, and community floats this year. There will be four divisions for judging again this year with \$25.00 being awarded to the 1st place floats in each division; \$15.00 for 2nd and \$10.00 for 3rd place, and there will be 1st, 2nd and 3rd place trophies awarded to the bands that march in the parade.

The Jaycees encourage everyone to plan to build floats and be getting your materials together as the parade is only a little over a month away and if the Jaycees can be of any assistance to you in ordering materials or arranging for you a location in which to build your float please call on them now so they may be secured.

JAYCEETTES TO SPONSOR RODEO QUEEN CONTEST

The Jayceettes have taken as a project the sponsorship of the Rodeo Queen Contest in conjunction with the annual July 4th celebration this year.

Contestants must qualify in the following respect: Girls must be single and range in age 15 years through 19 years. Each must ride a horse in the parade and grand entry for the rodeo. Anyone who has been a Rodeo Queen previously is not eligible to participate.

All girls who are interested in participating this year are invited to attend a Coke Party in the home of Jane Gilkey Tuesday, May 28, at 2 p.m. There will be no sponsors on an individual basis this year. Further information will be given at the party.

MOTHERS OF BASEBALL PLAYERS TO MEET

Mothers of all baseball players, all categories of Peewees, Little League and Pony League, will meet Tuesday, May 28, at 2 p.m. in the hospitality room of the Farmers State Bank.

Purpose of the meeting is to organize and map plans for operation of concession stand, etc., during the Little League season. All interested mothers are encouraged to attend.

Clarendon Little League Opens Play Monday

Opening night for Clarendon Little League Baseball will be Monday night, May 27. Some of the teams have been playing exhibition games the past few weeks, but league play will get underway at six o'clock on Monday.

The first game will send the preseason favorite, the Giants, against the White Sox. The second game will see last year's champion, the Yankees, open defense of their title against last year's second place team, the Cubs.

The Giants, who finished last last year, are the favorites to take the pennant this year. They have such players back from last year's team as Chuck Atkins, Steve Adams, Jimmy Elliott, Bobby Sims, Jim Risley, and Bobby Leeper among others. Some of the new boys which Manager Fred Ketchum is counting heavily upon are Larry Smith, Ike O'Neal and James Shadle. The Giants should be strong in pitching with Atkins, Adams and Sims available for duty.

The standings of last year (See Little League page 8)

Jaycees Take Honors On The State Level

Five members of the Clarendon Jaycees attended the Texas Jaycee Convention held in San Antonio the 8th, 9th, 10th, and 11th of May and brought home a first, second, and third place in the State notebook judging. The local club won first place on the notebook containing a report of their religious and Christmas projects and received a trophy for this accomplishment. They also placed second with their notebook of projects of club development and third place on projects completed in the public relations category. Out of 10 notebooks entered the locals placed three which is a real accomplishment considering there were over 70 clubs entering notebooks in Division 1 which is clubs with under 5,000 population within the city. Delbert Robertson, past president, accepted the awards for the local club. Others attending were Chauncey Hommel, President; W. R. Bradshaw, Inter-Club Director; Robert Bain, Director and Rocky Carter.

The Jaycees will send their notebooks to the National Jaycee Convention for judging which will be held in Louisville, Kentucky, in June.

The Jaycees are very proud of their accomplishments this past Jaycee year and wish to say thanks to each and every citizen of Clarendon and Donley County for you are the ones who gave your support to the local club and helped them achieve their project goals.

Program On Cotton Insects Slated At Hedley

County Agent Flip Breedlove stated this morning that a cotton insect control meeting will be held at Hedley on Friday, the 24th of May, in the Lions Club Den. The meeting will start at 8:00 p.m. Mr. John Thomas, Extension Entomologist from the Texas A&M College Extension Service will be the speaker for the meeting.

Breedlove said that one cotton insect meeting had already been held this year in connection with the Agriculture Clinic in April. This meeting is to get ready for any cotton insects that might appear early and to get more information on the boll weevil.

Everyone is urged to attend and the meeting will start on time. Tell your neighbors and let's have a big crowd for this educational meeting.

1962-63 School Year Closing Activities

JERRY BARRETT

Jerry Barrett To Be Ordained Sunday

Jerry Barrett, son of Mr. and Mrs. Jim Barrett, will be ordained in services at the First Baptist Church here Sunday afternoon at 3 p.m.

Jerry was born July 16, 1944, at Pampa and was converted at the age of 9. He surrendered to the ministry at the age of 15 and was licensed to preach at 17.

He came to Clarendon as a high school junior in 1961 and graduated from the local high school in 1962. He has finished one semester at Wayland College and plans to continue his studies there in September.

He was leader of the Christ Ambassadors two years, a singing group featured over Station KHHH, Pampa. Barrett was called May 12 as pastor of Bethel Baptist Church, Shamrock.

Friends are invited to attend the service Sunday afternoon.

Annual Giles Picnic Slated For May 30

Yes siree! There's going to be a GILES PICNIC on the banks of Buck Creek Thursday, May 30th. The eighth annual picnic is scheduled to begin at ten o'clock that morning and continue 'til ten o'clock that night.

The Mayor of Giles, Lowell Houston, will dignify the festivities with his august presence and the Sheriff, Walter Johnson, aided and abetted by his able deputies, Dave Browder and Gerald Knight will see that everything goes off in good order.

Lloyd Shelton of Clarendon is giving the beef for the picnic. Flip Breedlove and Pete Land will see that the barbecue is done to a queen's taste, not to mention a big pot of beans, onions, pickles, and bread to stick to your ribs. Now, pies, cakes, and salads will be most acceptable should some of the ladies be inclined to contribute.

Fiddle music, community singing, and some brief speeches will keep the festivities lively. And, in the evening, Milton Beasley with his Memphis Eight Square Dancers will entertain. Also, there will be music for round dancing according to Walter Johnson in charge of the music.

Mr. E. M. Glass stated that all assistance in the singing at this picnic will be appreciated. Let's make it the best.

So braid your hair and shine your boots, ring your calendar and join the rest of the revelers on Buck Creek when The Giles Picnic gets underway. We'll see you there!

Monday Is Deadline To Enter Golf Tourney

Monday, May 27, is the deadline for entering the Partnership matched play golf tournament which has been scheduled here for Memorial Day, May 30th, by the Donley County Golf Club.

Entrance fee for the tourney is \$3 and trophies will be given the winners of each flight. The first round of the tourney will be played on Thursday, May 30, and the second play-off round is to be played the following week. Those wishing to enter may do so at Johns Mens Wear no later than Monday.

College Commencement Friday Night, 8:00

Clarendon Junior College will end the 1962-63 school year with its Commencement Exercises to be held in the College Auditorium on Friday night, May 24, beginning at eight o'clock. A total of 33 students will be graduated from the college this year.

Dean Oliver J. Abel, for the past six years Dean and Registrar of the College, will be the principal speaker for the program. Mrs. Dee Williams will play both the processional and the recessional. The invocation will be delivered by Rev. W. R. Lawrence, Pastor of the First Baptist Church in Clarendon. The Salutatorian's address will be given by Miss Martha Hanna and the Valedictory will be given by Jon Leggett. Miss Hanna is from Rock Port and Leggett is from Hedley. Mr. Kenneth Vaughan, President of the College, will present the diplomas to the graduates. The College Choir will sing, "This is My Country," and the College Trio will sing, "My Music is a Prayer," and "Prayer Perfect."

The honor graduates this year are, in addition to the valedictorian and salutatorian, Philip Abel, the second highest ranking boy, Susie Romo, the second highest ranking girl and Alvin Scott, student leadership. Abel is from Clarendon and Miss Romo is from Wellington. Scott, because of an auto accident sometime ago, will not participate in the graduation exercises.

The honor guards will be freshmen students, Sammie Salmons from Lakeview, Jerry Whitfield from Dodson, Presley Yarbrough from Claude and James Starkey from Quitaque. Class officers for this year's class are: President, Neel Carter from Clarendon; Vice-President, Eddie Hunt from Dodson; Secretary, Susie Romo from Wellington; Treasurer, Jo Dishman from Lelia Lake and Reporter, Norma Self from Clarendon.

Class sponsors are Mr. Abel and Mrs. Velma Weaver.

CHS Commencement Thursday Night 8:00

Clarendon Senior High School will graduate 38 students in their annual Commencement Exercises which will be held in the College Gymnasium on Thursday night, May 23, at eight o'clock.

The principal speaker for the program will be John R. Gillham, long-time resident of Clarendon and for many years Vocational Agriculture teacher in the high school here. Gillham is completing his law degree at Baylor University this spring.

The processional and recessional will be played by Mrs. Dee Williams. The invocation will be delivered by Rev. W. R. Lawrence, Pastor of the First Baptist Church in Clarendon and the benediction will be given by Rev. J. V. Patterson, Pastor of the First Methodist Church in Clarendon. The High School Chorus will sing "America — Our Heritage," and "Cherubim Song No. 7." Mr. Morris Ledger, Principal of the High School, will present the class to Superintendent Kenneth D. Vaughan who in turn will present the diplomas to the members of the class.

The honor guards will be Ronnie McAneer, Jimmy Ray, Janis Smith and Deanna McAneer. The ushers will be Shirley Moss, Connie Martin, Glenn Judd and Roger Stone. Mrs. Claudine Todd is the class sponsor.

Senior candidates for graduation are Charlie Anderson, James Bates, Marie Blackburn, Gary Campbell, John Cearley, Jerry Elmore, Mollie Floyd, Jimmy Formway, James Goad, Jack Graves, Robin Green, Billy Hearn, Michael Heath, Larry Hight, David Hudgins, Annetta Hutton, Billy Hutton, Janie Ivey, Beverly Leathers, Jeannine Lowe, Shirley Mann, Cody McAneer, Dwight McAneer, Sue McCord, James Moffett, Vicki Jo Molyneux, Lawrence G. Neece, Judith Pittman, Danny Ray, Steven Richerson, John Truman Richey, Jamie Ross, Charles Slavin, Carol Spencer, Agatha Wallin, Ann Weatherly, Connie Williams, Sharon Williams.

Showers Dent Drouth And Help Feelings

The showers Tuesday and Tuesday night netted a total of .30 inch of moisture according to our official weather observer. The showers did some good but mostly helped personal feelings and gave more hope for moisture in ample amount to get spring planting operations underway. Some good showers feel over the county in spotted areas Sunday afternoon but a good general rain is needed to improve the situation.

We have had a total of .34 inch so far this month here in town and a total of 1.61 for the year. Through May last year we had received a total of 4.10 inches.

Wheat Referendum Is Defeated

From latest reports, farmers over the nation cast a majority vote against the wheat referendum which needed a two-thirds majority to carry. Here in Donley County the vote was quite strong against, in fact 69.7% voted against the referendum. A total of 211 votes were cast in the county with 147 voting against and 64 for.

WIN HONORS AT STATE MEET — These five Clarendon Jaycees are shown with their scrapbook entries which were entered in the State contest held at San Antonio and won 1st, 2nd and 3rd places. Left to right are Rocky Carter, Delbert Robertson, Robert Bain, Chauncey Hommel and Bill Bradshaw who attended the convention. The display at right shows the trophy and ribbons won with the scrapbook entries.

GRASSROOTS OPINION
CLERMONT, FLA., SOUTH LAKE PRESS: "In our opinion, regimentation has gone too far already. How long are we as citizens — God-fearing citizens, if you please — going to stand idly by while our individual rights, privileges and obligations crumble away from under our feet? The end result is tyranny, dictatorship and stifling of all those elements on which our country was founded and which have made it great."

will have attended another annual meeting of the United Peace Officers of America at Boys Ranch. Each year peace officers and many others who are friends to both the officers and the boys at the Ranch meet to visit and to plan some project for the next year.

This year the officers plan to raise all the money possible and contribute it toward a new age and manual training department for the Ranch. If they, the peace officers, reach this most worthy goal we will all have to pitch in and help. The cost of the project is upward of sixty thousand dollars.... To our mind one of the greatest blessings to come from the many such meetings with the boys has been the building of a strong bond of friendship between the officers and the boys. This good feeling in many cases replaced a bit of a sore spot due to some problem that existed before the boys came to the Ranch. We won't say that the building

job can't be done because the officers already have to their credit the beautiful school building which was their first project....

Our home-town editor has been told in the last few weeks that he was too conservative for the conservative and too liberal for the liberals. To walk down the middle of the road these days we would need eyes in the back of our head as well....

Two pleased people were observed being fitted for a dress in the department store; a middle aged lady who succeeded in being fit into a size 16 dress, and a fourteen year old girl who for the first time could wear a size 16....

Let me grow lovely growing old; so many fine things to do, Laces and ivory and gold, and silks need not be new.... There is healing in old trees, old street a glamour hold.

Why not I as well as these, grow lovely growing old?

If a girl wears a new dress women want to know here she got it, and if she shows up with a mink coat they will want to know how she got it.

A welcome guest is one that knows when to leave and let live....

Often we grumble because we don't get what is coming to us, likely we should be thankful that we don't....

The three-cent postcard which has already gone the way of both the one and two cent cards pictured Miss Liberty, and had the word liberty underneath. It also had the words In God We Trust around her head like a halo. These written words are all omitted from the new 4-cent card. It seems a very bad omen....

When we think of the state-

ment; "Behold what God has wrought," we can't help thinking what man has "Mis-Wrought."

Three Rural Accidents Investigated In County During Month Of April

The Highway Patrol investigated three rural accidents in Donley County during the month of April according to Sergeant J. W. Wilson, Patrol Supervisor, of this area.

These wrecks accounted for property damage in the amount of \$545.

The rural accident summary for Donley County from January through April of 1963 shows a

total of six crashes resulting in no person killed, one person injured and an estimated property damage of \$5,265.00.

If you travel the rural roads this month, you will meet up with lots of slow moving farm machinery. The Patrol Supervisor reminds motorists to be ready to slow down in plenty of time to avoid collision — and pass only if you are sure you can do it successfully and safely. Remember too, where there is a farm house, there is a driveway—even though it may be hidden from view. So be prepared to yield, if you must, to traffic entering and leaving. Yielding right-of-way costs you nothing. Demanding it can cost you an accident.

The Sergeant also stated.

"Owners of boat trailers should check to see that they meet the States Motor Vehicle Laws. If they do not you are asking for an arrest or an accident — or both. Every time you take your trailer on the road, make sure all warning and safety devices are working properly. Check especially the lights, and the strength of hitch and coupling. It is a good idea to make additional checks whenever you make a stop."

Sir Gordon Richards, English jockey, holds the world's record for winners.

Something new in **FRIGIDAIRE** refrigerators?
YOU BET!

Think back over recent developments in flameless electric refrigerators. Freezing compartments have grown steadily larger reducing the refrigerated area. At the same time home freezers have gone into countless homes. Result? Lack of adequate refrigerated food storage space. Well... here's the answer... Frigidaire's new "Mini-Freezer" refrigerator! It's designed strictly for the housewife with a home freezer, for it has 96% refrigerator space and only 4% freezer space for ice cubes and the like. This new innovation can be yours for a small down payment and sensible monthly terms — even less with trade-in. Call West Texas Utilities today — or better still, go by and see the sensational new Frigidaire "Mini-Freezer" refrigerator.

West Texas Utilities Company

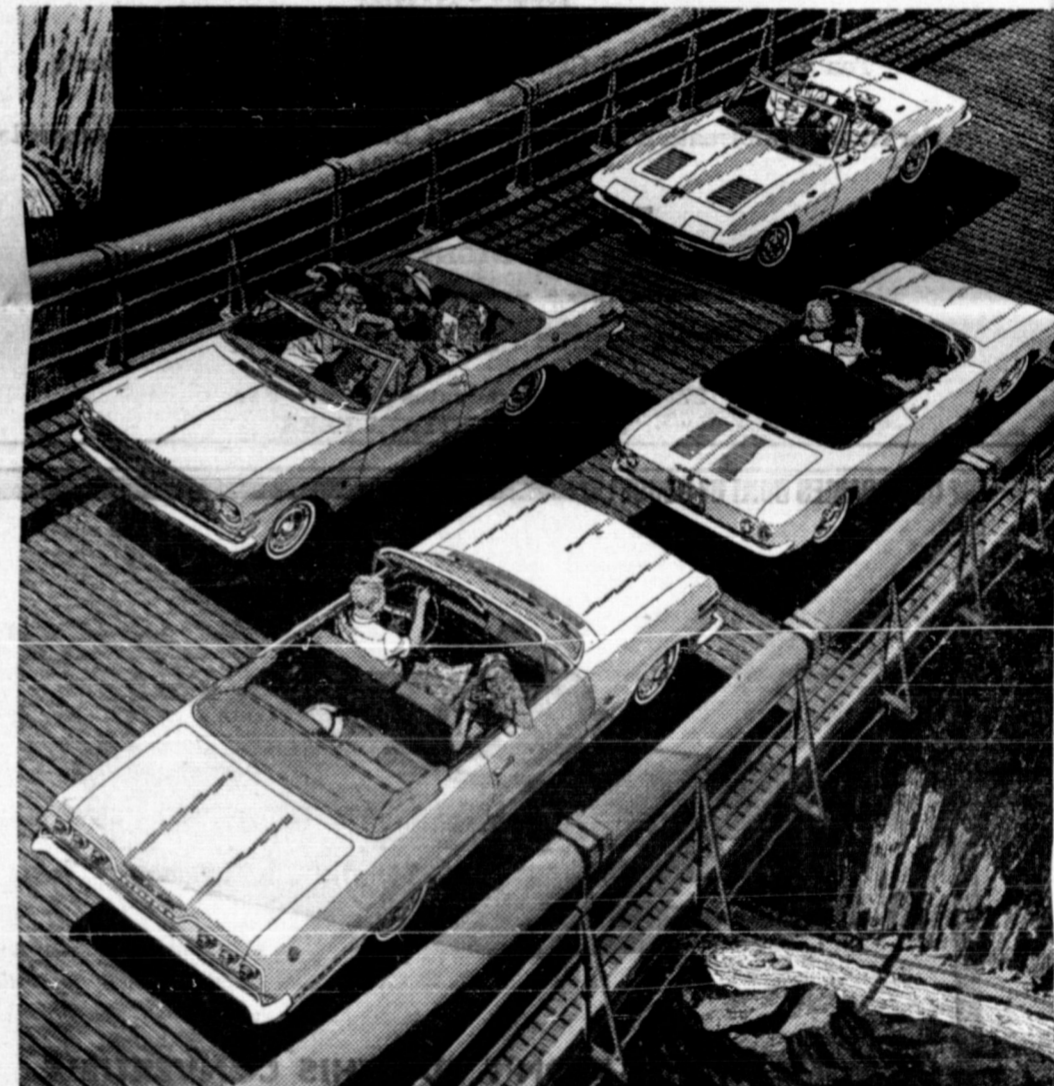

Safety belts, according to the National Safety Council, could save 5,000 lives a year and prevent or reduce injury in 4 million other cases. Shamrock and your Shamrock Dealer want to do something about it. So, they are making this special offer. A Beam's #200 safety belt for only \$5.98, installed.

Put them on your Shamrock Credit Card and pay for them \$1 a month per belt. Please stay alive and healthy.

Put seat belts in your car today. Stop at a Shamrock Station displaying the special seat belt sign.

Summer's coming, get going!

If this isn't a great time to get yourself a new Chevrolet—well, we just don't know when is. Why, you'd almost have to be anti-summer not to let one of these four convertibles get to you. Or any of Chevrolet's sedans, wagons, sport coupes and sport sedans, for that matter.

And there are a lot of other buy-now reasons besides the season. Like the care-free feeling you get on

a long vacation trip in a brand-new car. And it's a smart time to trade, what with your Chevrolet dealer all stocked up for a busy summer. Chances are, he has just the model and color you want — be it Chevrolet, Chevy II, Corvair or Corvette—ready to go right now.

So maybe now you're all wound up? Then spring into summer at your Chevrolet dealer's.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

Concerning Local Airlines

This week I'd like to tell you of a concrete step being taken by one American industry group to hasten the day when government assistance will not mean the difference between economic survival and bankruptcy. This

group is the Association of Local Transport Airlines, an organization of 20 air carriers serving 577 cities having a population of more than 116 million persons and providing the only air service to 341 of these cities.

I was privileged to address the quarterly meeting of ALTA Friday night in Fort Worth on the invitation of Keith Kahle, president of Central Airlines.

The Association of Local Transport Airlines is working through a joint committee of its members

to outline specifications for a new aircraft tailored to the unique requirements of small airlines. Never before have these small airlines operated planes designed specifically for short-haul operations over low-density routes. Generally, local carriers have had to employ planes too large for the number of passengers generated by the Nation's smaller cities.

Now, ALTA's "Low Cost Plane Design Committee" is preparing for aircraft manufacturers speci-

fications for a plane that promises not only to improve the quality of service now offered and to expand it to many additional cities but also to improve the incomes of small airlines and thereby reduce the need for federal subsidies.

The accomplishment of this goal could have important consequences for the Panhandle area. Air service could, as a result, be extended to more of our cities. Up to now, the trend toward large, high-speed, long range jet aircraft as used by trunk airlines has meant that U.S. cities even larger than Amarillo have had to sustain a curtailment in commercial air traffic. No longer is it economically feasible for these giants of the air to be landed frequently. Amarillo enjoyed its heyday of air passenger service during World War II when 26 TWA flights stopped daily at the municipal terminal — many of them because they had to be refueled on the Albuquerque-Amarillo-Wichita leg. Now, only four TWA flights stop each day at Amarillo. I cite this not to criticize the airline as a trunk carrier, TWA is meeting its responsibilities to Amarillo in line with the nationwide pattern.

But as the large trunk airlines have curtailed service in smaller cities, local airlines, constituting an industry born in the postwar period, have come along to fill the gap. One of their big jobs in the U.S. air transport pattern is to move passengers and cargo from small to large cities for transfer to trunk airlines connections. In the past four years, local air service has been added to more than 8,300 route miles—23 percent of the total mileage served by small airlines — and 3,700 of these miles have been added in the last year and a half. Passenger traffic has grown four-fold in the past decade and increased 130 percent in the last five years.

The new airplane being planned by the ALTA committee has, as its primary justification, the prospect of continued and expanded economical service to

smaller communities. A preliminary report from the committee concludes that the airplane "of fully acceptable safety and comfort requirements" should have capacity for 18 passengers, including luggage, plus 1,000 pounds of cargo; that, probably under turbine power, it should be capable of operation at a direct cost of 40 cents per statute mile, substantially below cost figures which have been achieved; that it should have an operating range of 500 statute miles non-stop with full payload; and that it should require a runway no longer than 3,500 feet for takeoff.

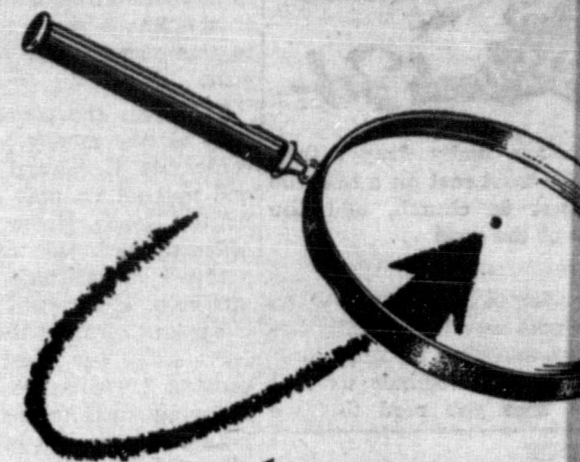

"The alternatives to producing an aircraft designed for small city, short-haul operation must inevitably be either the ultimate elimination of scheduled services to many cities, or further increases in the nation's subsidy bill. Elimination of service is clearly not in the public interest, and increased subsidy for whatever reason is undesirable," concludes the ALTA committee report.

The proposed new plane is not alone the answer to eliminating the need for subsidies to an industry whose economic health is very much in the national interest. Continued improvements in route structures and further relaxation of operation restrictions can also help reduce the level of public payments, which dropped \$1.5 million in the past year. But prospects for the new plane provide heartening evidence of this industry's desire to be self-sufficient and progressive in keeping with the ideals of our free enterprise system.

Samuel Colt invented the revolver in 1835.

William Muldoon was known as the father of American wrestling.

"Doodlebug" was a pilotless plane during World War II.

A TINY SPECK...

of dirt or carbon in the check valve of hydraulic lifter can cause valve "clatter" and costly engine wear. SKELLY SUPREME MOTOR OIL keeps these deposits in suspension. Instead of settling in vital engine parts they drain away with the old oil. See us for a change today.

The Farmers State Bank

CLARENDON, TEXAS
Member Federal Reserve System
Member Federal Deposit Insurance Corp.

then he and Lt. Gov. Preston Smith left the state. Their departure was to permit Sen. Martin Dies, Jr., of Lufkin to take over as "Governor for a Day."

Each bill applied to a special area of interest. For example:

1. House Bill 16 by Rep. Olen R. Petty of Levelland interests State banks. It exempts them from the State sales tax and franchise tax so long as federal banks are exempt. Saves them \$1,000,000 a year.
2. House Bill 588 by Houston Rep. Tom Bass interests firemen and policemen. It enable them

AUSTIN — Gov. John B. Connally signed 27 bills into law...

to credit toward "job seniority" time taken off for military service and guard duty. This speeds up their promotions.

3. House Bill 614 by Rep. Amador Canales of San Diego and Rep. Jerry Butler of Kenedy interests hunters. It puts a "No-Hunting" sign on Duval County for the next five years.

These laws will go into effect late in August.

LOOPHOLE IN THE LOOP—Municipal annexation bill, which has passed both houses, is ready for Governor Connally's signature. It gives every city an "extra-territorial jurisdiction" — from five miles for cities of more than 100,000 population to one-half mile around cities of 5,000 or less population.

It sets up an extra-territorial area of one mile around cities of 5,000-25,000; two miles around cities, 25,000-50,000; and three and a half miles around those with populations ranging from 50,000 to 100,000.

Under this proposed law a city could annex in a year no more than an acreage equal to 10 per cent of its size on the first day of that year. In computing this, many have drawn concentric circles around sample cities.

But this is not the limitation it would appear to be.

Actually, instead of extending its whole perimeter, a large city could annex a five mile strip along major highways without approaching the 10 per cent limit.

VOTERS REGISTRATION — A registration system to take the poll tax's place is all but decided by the Legislature.

Senate-passed bill by Sen. Tom Creighton of Mineral Wells calls for a 25-cent registration fee in lieu of the \$1.50, or \$1.75 poll tax. It retains the present system of registering voters each year.

El Paso Rep. Malcolm McGregor tried to include the Texas League of Women Voters' plan for permanent registration, but it was turned down.

House too the 25-cent fee provision out of the bill. So a House-Senate conference committee will have to settle this dispute. Another House amendment would require rural people and those residing in small towns to register every year, if they are over 60 years of age.

At present, these people are allowed to vote without registering at all.

Entire registration revision hinges on a constitutional amendment to repeal the poll tax. This bill, by Rep. Abraham Kazen of Laredo, passed the Senate, but is tied up in a House committee.

GOVERNOR FOR A DAY — Sen. Martin Dies, Jr., wanted only a simple ceremony when his time came to be Governor for a Day. So he managed to hold the celebration down to a day of greetings in the governor's reception room in the Capitol.

But the simplicity of the event didn't keep the folks from coming to shake his hand and pay their respects. Among nearly 1,000 visitors were many relatives including the senator's well known father and mother from Lufkin.

More than 400 friends came all the way from East Texas in private planes and cars. Only side celebration was the traditional luncheon in the Governor's Mansion. It was attended by kinfolk of both Senator and Mrs. Dies.

CRIMINAL CODE REVISION — The much-opposed revision of the State Criminal Code now has the approval of the District and County Attorney's Association, through an endorsement by its president, Alton Griffin of Lubbock.

Endorsement applies to the House Criminal Jurisprudence committee's version of the State Bar Association's plan for streamlining the code. House version is so different from San Angelo Sen. Dorsey Hardeman's bill which passed the Senate, that it may be a long, hard fight for approval. And there's less than three weeks left in this session. It must end by May 27.

MISSION FOR MIGRANTS — Laredo Rep. Honore Ligarde told the House Appropriations committee that a program of basic education — grade school level reading, writing and arithmetic would be:

"One of the greatest bargains available to you today — the renovation of human beings in such a way that they cease to be a burden to the state and assume the dignified role of contributing taxpayers."

Ligarde has introduced alternate bills to set up an educational program under the Texas Education Agency, through the urging of the Texas Committee on Migrant Farm Workers.

There are about 127,000 illiterate migrant farm workers in the state. In addition there are 800,000 other adults who rate as illiterates and who would also be eligible for courses if a plan is adopted.

FOR MEN ONLY — Decision by Texas A. & M.'s board of directors, to make the college educational provoked introduction of a House resolution against the board's decision. Also a bill designed to prevent entrance of females.

Rep. Will Smith of Beaumont introduced both measures.

1962 VOTERS' REGISTRATION — State Comptroller Robert S. Calvert reported a total of 2,020,183 voter registrations issued through January 31, 1963.

This included 1,654,805 poll tax payments and 365,378 exemption certificates, to be used in any elections held through January 31, 1964.

Loving County issued the least poll tax receipts — 90. Harris County, the most — 282,768.

TEAMWORK TOO GOOD? — Sen. Murray Watson of Mart said the 58th Legislature is by-passing many major issues in its "mad rush" to adjourn by May 27.

He praised the teamwork of House and Senate, but said, "All this good teamwork and this great speed is fine and good, but in our mad rush to set records — to avoid controversial issues —

and to adjourn within the 140-day period, we are overlooking many vital problems."

Sen. Watson said the Legislature "seemingly is avoiding any positive approach to the growing water pollution problem — to traffic safety, crime, delinquency, divorce and other problems relating to our society's health and welfare."

GUARD COMMANDER TO RETIRE — Maj. Gen. Lloyd M. Bentsen, Sr., of Mission will retire as commander of the Reserve Corps of the Texas State Guard on May 11.

He will be succeeded by Maj. Gen. John L. Thompson of Houston.

STAMP SALES UP — More than \$9,000,000 was taken in by the State from the sale of wine, liquor and cigarette stamps in April. This represented an increase of \$750,000 over the April, 1962, revenue.

WATER SAFETY ACT SUNK — Rep. Ben Atwell failed in a third attempt to launch a water safety bill which prohibited fees for use of public poundments.

BUSINESS ACTIVITY DOWN AGAIN — The seasonally-adjusted index of Texas business activity went down in March for the second month in a row, according to the Bureau of Business Research, which bases its index on the 1957-59 average.

Business in general in March was seven per cent below February's level and four per cent below that of March, 1962.

Only three cities — Beaumont, Tyler and Texarkana — showed increases. El Paso and Lubbock remained at their February levels, while other cities showed declines from two to 16 per cent.

DOCTORS BEING CALLED — State draft boards have issued a call for 60 doctors for the Army, Navy and Air Force, according to State Selective Service Director Col. Morris S. Schwartz.

The 60 physicians would be the state's share of a national call for 1,350.

Physicians — either fathers or non-fathers — would be subject to call if they were born on or after January 1, 1935.

EIGHTH REPUBLICAN — When Charles R. Scoggins of Corpus Christi was sworn in to fill the vacancy created by the recent accidental death of Rep. James L. Lattimore of Corpus Christi, Texas, had its eighth Republican member of the current Legislature.

The 31-year-old Scoggins, a geologist by trade, is the second Humble Oil Company employee in the House.

Rep. William S. Davis of Midland, a petroleum engineer, is the other Humble employee. He, too, is a Republican.

The Royal Standard Flag is flown from Buckingham Palace in London when the Royalty is in residence.

People Receiving Benefits Increase

By the end of 1962, there were 24,806 people in the Texas Panhandle receiving old-age survivors and disability insurance benefits, according to Hal Geldon, Manager of the Amarillo Social Security Office. The total benefits paid to these people for December, 1962, was \$1,529,866.

This is an increase in the number of people receiving benefits by about 12 percent over the same month in the previous year, Geldon said.

Nationally, almost 15 million people were receiving about a

billion dollars a month in old-age, survivors and disability insurance benefits at the close of 1962.

Donley County people participate and share in this program along with the rest of the United States. In December, 1962, there were 746 persons in the county receiving monthly payments. These insurance benefits totaled \$41,018.00 for that month.

For the entire State of Texas, old-age, survivors, and disability insurance payments at the end of December, 1962, were being paid to 785,995 persons at the rate of \$45,504,045 per month.

FINANCIAL LESSON: COLLEGE LEVEL

If your youngster is enrolled in a college or university, or has been accepted for entrance — consider this important lesson in financial planning: the College Life Insurance Plan of Fidelity and Guaranty.

Designed for students between 16½ and 24½ years of age, F. & G.'s College Life Plan gives present protection of \$10,000 — for only \$40 a year. And it continues at that level annual premium to age 28, even if your youngster does not finish school. Then it converts to permanent life insurance — at guaranteed standard premiums . . . can build important cash values for the years ahead.

There are many other extras — like waiver of premium disability and guaranteed insurability. May we tell you more? Just call

ASHTOLA NEEDLE CLUB NEWS

The Ashtola Needle Club met Thursday, the 16th, in the community building with one visitor and 16 members present.

Meeting opened with prayer by Mrs. Bertha Clark. The ladies were asked to guess who their polyanthuses were and after a lot of guessing and fun, the gifts were presented to each member, thus revealing who had been our polyanthuses for the last six months.

Next meeting will be a surprise party some time in June. This will not be on a regular club date. Our next regular meeting will be July 18 at 8 p.m. This will be an ice cream supper, so watch the news for later information.

Lovely refreshments were served by the hostess, Mary Bell DeBord, to the visitor, Mrs. Dill, and members, Anna Porter, Sue Rhoades, Ruby White, Marie Lane, Bertha Clark, Nevada Dunn, Elizabeth Graham, Lena M. Graham, Gladis Gresham, Vena Hudson, Bell Jones, Lillie Knox, Laura Mahaffey and Veda Mahaffey. —Rep.

GOLDSTON QUILTING CLUB MEETING

The Club met Thursday at the center with Eleanor Martin as hostess. One quilt was quilted.

Refreshments of coffee, punch and cookies and cakes were served to Ola McBrayer, Georgie Vaughan, Bonnie Davis, Nora Helm, Adgar Williams, Johnnie Bryson, Irene Pritchard, Minnie and Joy Roberson, and hostess, Eleanor Martin.

The next meeting will be with Adgar Williams on Thursday evening, May 30. Everyone try to be there. We will draw for new numbers for quilting. —Rep.

SR. H.D. CLUB MEETS IN LANE HOME

Mrs. A. G. Lane entertained members of the Senior Home Demonstration Club in her home Friday afternoon, May 17. Meeting was opened with Club Collect read by Mrs. J. H. Helton. Mrs. Geo. Green, vice-president, presided. Roll call was answered with each member reporting on May Baskets; then, the Penny Parade was held.

For the program each one told what she did on Mother's Day.

Refreshments of strawberry short cake and drink were served by Mrs. Lane to one guest, Mrs. Will Lott and members Mesdames Virgil Poole, C. H. Darling, William Payne, Bennie Crabtree, W. L. Jordon, George Green, J. H. Helton, and O. C. Watson.

After adjournment the group toured the Lane yard.

The next meeting will be in the home of Mrs. O. C. Watson. —Rep.

JAYCEETTES MEET IN HOMMEL HOME

The Jayceettes met in the home of Ann Hommel May 18. The meeting was brought to order by the president, Kay Bain.

The group voted to have a Coke party for the girls who will be contestants in the Rodeo Queen Contest. The party will be held in the home of Jane Gilkey May 28 at 2 p.m. The group also discussed how to beautify Clarendon and how to make newcomers more welcome.

Refreshments were served by the hostess, Ann Hommel, to Kay Bain, Shirley Messer, Frances Hill, Janie Hill, Rava McKinney, Carolyn Wallin, Jane Gilkey, and Andra Bradshaw. —Rep.

Attend the church of your choice.

BETA SIGMA PHI MOTHERS' TEA HELD AT CLUB HOUSE SUNDAY

Mothers were honored at a tea given by members of Mu Gamma Chapter of Beta Sigma Phi Sunday afternoon, May 19, at Patching Club House. Hazel Guy, president, welcomed the guests. Helen Crawford presided at the registrar.

The program was presented by Mrs. Velma Bourland and students in her Homemaking Classes. The girls modeled clothing projects and tots clothing which they had made. Mary Neal Risley read a poem, "My Mother's Garden."

The refreshment table was laid with a green net cloth. Centering the table was an arrangement of yellow shasta daisies and yellow candles. Appointments were crystal. Hazel Guy and Helen Crawford presided.

About 40 members and guests registered. —Rep.

COFFEE HONORS MISS DIANNA FOWLER

A coffee honoring Miss Dianna Fowler was given in the home of Mrs. Alvin Landers Saturday morning, May 18. Co-hostess for the courtesy was Mrs. Allen H. Estlack.

Guests were greeted by Mrs. Landers and presented to the honoree and her mother, Mrs. Johnny Fowler of Memphis. Mrs. Frank Phelan, Jr., presided at the registrar.

The refreshment table was laid with a white embroidered cloth accented by a floral arrangement of pink daisies and baby breath. Napkins were pink and appointments were silver. Cookies were also pink. Mrs. Stina Cain presided at the table.

About 30 guests registered. Miss Fowler has taught Language-Arts in the seventh grade at Clarendon Junior High School for the past two years. She is the bride-elect of Mr. Ed Dowdy of Dimmitt, Texas. Vows will be exchanged at 6 p.m. the evening of June 8 at the First Baptist Church in Memphis, Texas. Friends are invited to attend.

LEADER CLASSIFIED ADS GET RESULTS

BAPTIST GIRLS' AUXILIARY TO HOLD CORONATION

The Girls' Auxiliary of the First Baptist Church will hold their annual coronation for recognition of forward steps Sunday night, May 26, at 7 p.m. at the Church. The public is invited to attend. A reception will be held in the church parlor following the program.

ATTENDS LUNCHEON

Mrs. Velma Weaver, state chairman of music, Delta Kappa Gamma, attended a luncheon Saturday noon and a banquet and reception Saturday evening in Amarillo hosted by Zeta Delta Chapter of Delta Kappa Gamma. Mrs. Ethel G. Sloan of Houston, Alpha State president was guest speaker at the banquet.

HEDLEY NEWS

Mabel Bridges

The oldest land mark on Hedley's main street, the Masonic building, is being torn down and a new Masonic Temple will be built. Jr. Hill bought the old building after the fire last fall.

Hedley school closed the school year Friday evening with the Senior Graduation program. Ten received diplomas. Immediately after the exercises, the seniors left on their trip to points of interest in Colorado. Making the trip were: sponsors, Mr. and Mrs. Connie DeBord, Mesdames Ed Floyd, Winfield Mosley and Buford Holland.

Mr. and Mrs. Billy Wiggins and baby of Lubbock spent the week end with their parents, the W. B. Wiggins and Sam Sanders families.

Mrs. W. P. Doherty and Mrs. Leon Doherty visited over the week end in Atoka, Okla.

Mrs. Sam Owens spent a few day last week with her mother, Mrs. S. C. Bell, in Sunray.

Mrs. Mattie Mendenhall and Janie visited Sunday with the lady's sister in Amarillo.

Ted Maddon, who is employed in Borger, spent the week end with his family.

Johnny Gilbert of Panhandle is visiting his grandparents, the Preston Gilberts.

Mr. and Mrs. Loyd D. Messer of Sunray announce the arrival of a fine son born May 11. He weighed 6 pounds and was named Leeman Dale. Hedley grandparents are Mr. and Mrs. L. D. Messer and Mr. and Mrs. Alfred Spaulding. Great-grandmothers are Mrs. Tom Messer and Mrs. Tillie Spaulding. Mrs. Mattie Beach is the great-great-grandmother. Congratulations.

Mrs. Tunnell of Dallas and Mrs. Monte Smith and children of Hobbs, N.M., visited the Winfield Mosley's last week.

Mrs. Ed Morton and Mrs. Eva Hill visited Mrs. Clara Bain in Inez Rest Home in Clarendon Friday.

Mr. and Mrs. Preston Gilbert attended commencement exercises in Panhandle Friday evening. Jimmy Gilbert, their grandson was graduating.

Mr. and Mrs. Sam Owens spent the week end in Amarillo with their children.

Mrs. Lucy Heath of Clarendon visited her daughter, Mr. and Mrs. Frank Murray, Sunday.

Mrs. Cecil Lamberson is on the sick list. We wish her a complete recovery.

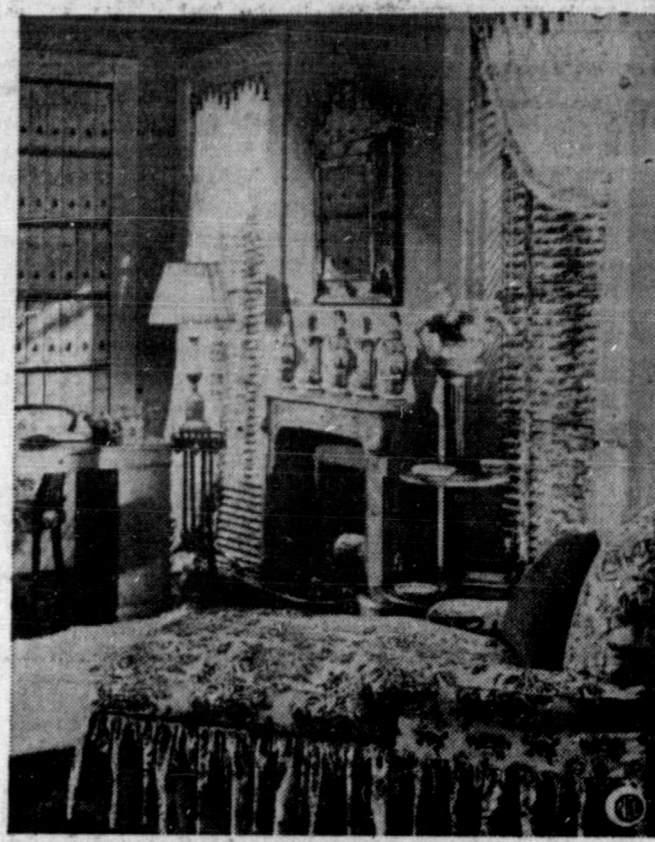

Mrs. Horace Cooper is ill at her home. We wish her a speedy recovery.

Mr. and Mrs. Albert Sanders spent the week end in Plainview with their sons and families.

Mr. and Mrs. Joe Naylor and Minnie and Ava Naylor enjoyed calls from Mr. and Mrs. Scott and Mr. and Mrs. Quattlebaum of Lelia Lake, Mr. and Mrs. Carl Naylor of Clarendon, and Mr. and Mrs. Edwin Eanes of the Naylor Community this past week.

Mrs. Royce Hall and Mrs. Sam Owens of Hedley, Mrs. T. E. Naylor of Dumas, and Ava Naylor visited in Dalhart Thursday with Mrs. James Clark and Mrs. Robert Eyre.

Mr. and Mrs. Joe Naylor returned to their home in Portales, N.M., Saturday after a few days with his sisters, Minnie and Ava Naylor.

DECORATIVE BLINDS—Cotton fabrics find a new window use when laminated to blinds, according to the Venetian Blind Institute. For chair and blinds, deep and medium blue, and brassy gold dominate the print used here by Elisabeth Draper.

SOIL CONSERVATION DISTRICT NEWS

Soil Stewardship Week — May 19-26, 1963

"I till a small bit of the Soil of America" an Illinois farmer writes. "My partner is my wife. The creator is our landlord. I use the soil, the rains, the snows, the frosts, and the sun to bring forth my harvests. These are the tools of the Almighty. Thus I feel I am a fellow craftsman with the God of Nature. Also, I realize I have responsibilities to God, as well as to my fellowman. I recognize my duty to take good care of the acres entrusted

to me, that I may at last turn them over to the generation following me more fertile than when they came under my husbandry." The name of this farmer who wrote this is unknown, but was quoted in our National Association of Soil and Water Conservation Districts Newsletter recently.

It is a wonderful sermon in a very few words. However, we would remind every one that Soil Stewardship is not only meant for the farmer or rancher, we are all affected by what agriculture does toward the conservation of our soil and water. Today when so much emphasis is being placed on the space race and most discussions concern rockets, satellites, orbits, and trips to the moon, we who remain

here on earth must be more than ever concerned about conservation.

There is a population explosion, so they tell us, and all of these people involved in this explosion will need space, food, clothing, shelter, and air to breathe. Now with many forces at work changing the size and shape of this space with cities becoming larger, more and larger highways, airports, power and water development we must learn to better conserve and use our soil and water to greater advantage than ever before in the history of the world.

A country can be only as great, only as successful as her natural resources will allow. History bears out the truth of this statement. Great nations have wither-

ed and died when their resources were exhausted. We in the United States have jeopardized our future as a nation by a seeming disregard of the health and future of our once unlimited wealth of natural resources — our forests, soils, lakes and streams, grass lands, wildlife, and scenic treasures.

All of our population, rural and urban, should make themselves more aware of Soil Stewardship because they are as dependent upon the soils for their needs as is the man on the land. Soil Stewardship Week is May 19 through May 26, 1963, however, the true conservationist practices this fifty-two weeks out of the year and does not need this reminder each year.

You may obtain up to 50% of the cost for controlling brush on your farm or ranch through the local ASCS office or SCS office.

For the dollar invested this practice returns more than any other conservation measure. For technical assistance contact the Soil Conservation Service Office.

N. W. ALTMAN CELEBRATES BIRTHDAY

N. W. Altman of Newlin celebrated his 74th birthday Sunday, May 19, with a gathering in the park at Memphis. Ten of twelve children were present, 21 grandchildren, and two great-grandchildren. Relatives and friends brought basket lunches. After blessing of the meal, Mrs. Jerry Murphy presented her father with a three-tiered white cake decorated with red roses.

Attending were Mrs. N. W. Altman, Sr.; and Mr. and Mrs. Jake Crisman, Mr. and Mrs. John Ward, and Miss Jean Ward of Memphis; Randy Morrison of Dallas; Mr. and Mrs. Ray Altman and children, Lura Dell Moore and Richard Shaw, Mr. and Mrs. Boots Ward and family of Hedley; Mr. and Mrs. Wallace McCallum and family, Misses Dorothy, Joyce, and Marcia Altman of Lovington, N.M.; Mr. and Mrs. Don Altman and family, Mrs. C. S. McCallum and Carol of Lelia Lake; Mr. and Mrs. Weldon Altman and children, Mr. and Mrs. N. W. Altman, Jr., and children, Mrs. J. H. Ward, Mr. and Mrs. Edwin Ward and family, David Max, Mr. and Mrs. Alvin Ward and family and J. G. Pound, all of Newlin; Mr. and Mrs. Bill Williamson and children of Amarillo; Mr. and Mrs. Jerry Murphy and Sharan of Lubbock; and Mr. and Mrs. Dell Graham of Plainview. —Rep.

Mr. and Mrs. Jimmie Paul Smith of Amarillo visited their parents Sunday.

Mrs. Royce Hall and Ava Naylor attended the Spring Festival of Choral Music at Dumas May 14 in honor of Miss Linda Faye Naylor.

VIRGINIA, MINN., MESABI DAILY NEWS: "Parents who send their sons and daughters to the private college are to be commended. They are doing much to keep private education moving and growing. . . It will be good for America if private education can be expanded. Keeping it flourishing will constitute a guarantee against too much state and political control over future learning in this nation — and conformity."

We want to thank our friends for the cards, visits, flowers and all other courtesies extended to us during my stay in the hospital and convalescence.

D. E. Stevenson

I wish to thank my friends for the cards, flowers, gifts and many other kindnesses during my illness. Your thoughtfulness will always be cherished and remembered.

Mrs. J. T. Patman

I would like to thank each student on the Martin school bus for a most enjoyable year as your driver, Mr. and Mrs. B. E. Jones for the refreshments Tuesday, the Ollie Thompsons and Odell Osburns for the nice gift and refreshments Thursday afternoon. We enjoyed them very much.

Johnny Mays

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

MONEY FOR SPACE

In the wake of Astronaut Gordon Cooper's magnificent 22-orbit, 34-hour flight around the Earth, the Congress is nearing decision time on how much taxpayers' money to spend next year on space activities. Authorizations for our space programs are being shaped by the House Committee on Science and Astronautics. Once this committee has detailed the dimensions of the program, it will be up to the Appropriations Committee and then the full House of Representatives to act on providing the funds. Whether or not the full amount—the requested \$5.7 billion—will be appropriated remains to be seen.

The major portion of the request — \$3.7 billion — would go for the manned space flight program, which the Administration has marked as a matter of top priority. The objective is to place an American astronaut on the Moon, and to place him there first, ahead of a Russian Cosmonaut. Before we have achieved a Moon landing, according to official estimates, we will have spent \$20 billion, although many in the Congress and the Administration feel the cost will have been far higher.

The Committee now is attempting to determine whether all or part of the requested \$5.7 billion should be authorized for the 1963 fiscal year. The Congress is now in an economizing mood and a very careful study is being made of space expenditures. The committee study also reflects a feeling among some Americans that perhaps our effort to place a man on the Moon is too accelerated, too heavy a drain on other aspects of the economy.

Arguments FOR the massive effort are based mainly on appeals to our national pride — the United States should be first to the Moon, that our prestige will suffer if we are not first in this dramatic race. Arguments AGAINST the accelerated program include the high cost, the need to spend the money on other projects in this country, the concentration into one program of scarce scientists and technicians.

How this most interesting and crucial debate will be resolved is a question no one now can answer. The decision, whatever it is to be, will be of important consequences to the Nation. It is of the sort that will echo through history as having been very right or very wrong. Meanwhile, we all join in a hearty hooray! for Major Cooper and the thousands of our countrymen who share the limelight with him in the success of the Faith 7 mission.

NOTES: Congressman John Saylor of Pennsylvania, a Republican who serves with me on the House Interior and Insular Affairs Committee, presented me with an unusual request last week. Mr. Saylor wanted a Texas flag so that Cub Scouts in his district could properly salute the Lone Star State at a Scoutarama late this month. I forwarded the request to friends in Amarillo. They were kind enough to send me a large and beautifully made Texas flag, which I passed along to Mr. Saylor. I was chagrined, however, when my friend John Saylor asked me, "Red at the bottom or the top?" I was thinking that we Texans have some pioneering and educating to do in Mr. Saylor's great State when I informed him that the red bar in the flag is at the bottom.

Another of our distinguished Panhandle citizens, Montagu Kingsmill Brown of Pampa, is celebrating a birthday — his 55th. All who know him love M. K. and wish him well on this auspicious occasion. Last month, M. K. marked his 60th anniversary as a Texan. This fine man, a native of Middlesex, England, and a British cavalry sergeant major during the Boer War, came to Pampa as an employee of the White Deer Land Company in 1903. He was Pampa's second mayor. He was a driving force in the early years and always a big contributor of time and resources to civic, cultural and religious works. M. K. Brown is that special kind of American and Texan — one who chose our country and State and made lasting contributions to them.

Mr. and Mrs. W. A. Poovey and Mrs. Clyde Butler made a business trip to Borger Friday.

INSECT CONTROL GUIDE FEATURES GALL CONTROL COLLEGE STATION

The formation of abnormal growths or galls on ornamental plants and shade trees is caused by many species of insects and mites, according to L-119, "Texas Guide for Controlling Insects on Ornamental Plants."

Mites, plant lice, midges, Cynipids and Psyllids cause the galls by laying eggs in the tissue of the leaves, stems and twigs before leaves are fully developed. The plant is stimulated by the laying and hatching of the eggs

and forms an abnormal growth, inside of which the immature pests develop. Control of the pest at this point is impossible because they are inside the gall and safe from insecticides.

Most plants can tolerate a large number of galls without apparent damage but keeping plants in good health helps prevent serious infestations. The publication recommends insecticides for the control of galls, though it explains that they will only help to check the spread of the insects.

The guide, prepared by entomologists of the Texas Agricultural Extension Service, also gives recommendations for the control of lawn, foliage eating insects, sucking pests, and bark and wood boring insects. It ex-

plains that insecticides can be obtained in the forms of dusts, wettable powders, granules and emulsifiable concentrates.

Insecticides should be mixed according to the directions and used only as recommended. All insecticides are poisons and should be handled with care, emphasizes the publication.

For more information about the control of insects on ornamentals, visit your county agricultural agent or write the Agricultural Information Office, College Station, and ask for L-199, "Texas Guide for Controlling Insects on Ornamental Plants."

The Linotype machine was invented by Ottmar Mergenthaler. It was first used in 1886 by the New York Tribune.

FARM NEWS
from County ASCS Committee

Wheat
The 1963 Wheat performance is almost complete. The reporters are now checking the excess wheat and wheat cover on diverted acres.

Thanks to you wheat producers for your cooperation in helping the reporters during wheat performance.

This office has just received the information that Congress just passed legislation authorizing a voluntary Feed Grain Program for 1964 and 1965. This action is of importance to farmers who grow both Wheat and Feed Grain. If Marketing Quotas on Wheat are approved in the Referendum Tuesday, May 21, and you take part in both Wheat and Feed Grain Programs, you may choose to (1) Plant Feed Grain on all or part of your Wheat allotment or (2) Plant Wheat on all or part of your Feed Grain acreage. The new provision gives you complete freedom to substitute one grain crop for another to grow the crop best suited for your farm.

Diverted Acres Requirements For 1963

Each producer who has filed an intention to participate in the 1963 Feed Grain Program and/or the 1963 Wheat Stabilization Program should keep in mind the following approved conservation uses for diverted acreage.

A. Permanent or rotation cover of grasses and legumes.

B. Summer or winter cover crops consisting of small gramas, legumes or grasses, including volunteer stands of such crops that are normally seeded in the area.

C. Trees or shrubs planted in 1963 or in the fall of 1962 for

erosion control, shelterbelts or other forestry purposes, or for wildlife habitat.

D. Water storage developed in 1963 or in the fall of 1962 for any purpose, including fish or wildlife habitat.

E. Wildlife food plots or habitat (other than acreages of wheat, barley or rice). Corn and grain sorghums will qualify only if planted in small plots and approved by the county committee.

F. Corn or grain sorghums plowed down as green manure.

G. Clean tillage carried out in a workmanlike manner with prior approval of the county committee.

H. Grain sorghums planted as a cover or litter crop in preparation of a seedbed for establishing permanent cover of a type provided under ACP practice A-2 or GPCP practice GP-1.

I. Volunteer cover, predominantly native grasses and legumes (not weeds), which is acceptable to the county committee and which will be as effective in preventing wind and water erosion as seeded cover.

ACP News

Due to the lack of moisture and to the fact that the mesquite, sage, shinny and yucca do not have sufficient growth to insure a good kill many farmers and ranchers have decided against trying to spray this year. The brush must be in a vigorous growing stage for the herbicide to penetrate the plant properly and insure the best results. Most of the brush just simply hasn't had enough moisture to promote normal growth. We appreciate the cooperation of producers and contractors in this matter, trying to do what is best for all concerned.

You are urged to participate in the ACP program (Agricultural Conservation Program). It would be especially good if producers who have never taken advantage of ACP would carry

out a practice or practices to see how it can help their farms or ranches.

At the present time the majority of ACP work falls in the category of tanks or dams, some brush control, sprigging bermuda grass, and the beginning of the Summer Legume practice — seeding guar or cow peas.

Come in and talk with us; let us help you in any way we can.

ALEXANDER GRADUATES AT WAYLAND COLLEGE

John Alexander of Samnorwood was among those to receive his Bachelor of Science Degree at Wayland College in Plainview Sunday. John is a former student of Clarendon Junior College and made his home with Mr. and Mrs. C. E. Bairfield, his aunt and uncle, while in Clarendon.

Attending the Sunday morning service were his parents, Mr. and Mrs. J. L. Alexander, Joyce and Nancy of Samnorwood, Mr. and Mrs. R. R. Crawley of Wellington and Mr. and Mrs. C. E. Bairfield of Clarendon.

They were joined in Plainview by Mr. and Mrs. Billy Alexander of Morton. Billy is a brother of John and also a graduate of Clarendon Junior College and McMurry College at Abilene.

LITTLE LEAGUE . . .
(Continued from Page 1.)

could very well be reversed this year. Last year the Yankees were on top at the close of the season followed by the Cubs, White Sox and Gold Sox. The Gold Sox of last year are the Giants of this year. This year the Giants are a clear-cut favorite with the White Sox and the Cubs slated to fight for second and third places with the Yankees a probable last place finisher. The Yankees, managed by Dennis Bradshaw lost heavily from last year's championship team and do not figure to be a contender this year.

The White Sox, managed by Billy Jack Land, will be a strong contender this year. Among others, they are counting heavily this year on Steve Land, Johnny Gillian, Johnny Hill, Ronnie Rippetoe, Steve Bell and Gene Hommel. New boys counted upon to help fill the gap left by boys who finished their eligibility last year, are Gary Bennett, Burt Atkins, Ted Tyler and Scooter Tarver.

The Cubs, managed by Billy Mac Hicks, will also be a contender. They finished a strong second last year and have several boys back this season who will be more experienced. The Cubs have last year's leading hitter and the league's most valuable player, Jim Moore, back this year and with a little more help they could be real tough.

The Yankees of Manager Dennis Bradshaw, will present a hustling team but will be too inexperienced to figure to be a contender for the championship. Lost from last year's team are such boys as Lawrence Gardner, the league's leading pitcher, and Billy Fields, the best catcher in the league. Back, however, will be such performers as Benny and Walter Reece, Charles Lew-

is, Jerry Moore and Randolph Weatheron. James King, a 9-year old, is being counted upon to come through this year.

Clarendon had one of the most successful Little League programs in the country last year. Lots of interest in the teams was shown last year and it is expected to be a bigger and better success this year. All games will be played at the Hart-Moore Field and all people who are interested in a program for young boys are invited to come out and support your favorite team.

League officials this year are, President, Horace McClellan; Vice-President and Official Scorer, W. W. Pinkerton; Sec-

retary-Treasurer, Phoebe Ann Buntin; Player Representative, David Bennett; Fund Drive Chairman, Mrs. Jane Gilkey, and Umpire-in-Chief, John Richey. The Board of Directors is composed of Mr. L. L. Wallace, Mr. Junior Spier, and Mrs. George Thompson.

Field managers and their assistants are: Giants, Fred Ketchum and Leon Gibbs; White Sox, Billy Jack Land and Kenneth Vaughan; Cubs, Billy Mac Hicks and Roland Hill, and Yankees, Dennis Bradshaw and Larry Hopkins.
