Jake's Steak-Out To Hold Formal Opening Saturday, July 25th

Clarendon's newest business and eating establishment, Jake's Steak-Out will hold its formal opening Saturday, July 25th. This new business is located at the intersection of east highway 287 and highway 70.

Owners and operators of Jake's Steak-Out are Mr. and Mrs. G. A. Lamberth and Mr. and Mrs. Jimmy Carter. This new partnership was formed so one or more of the management would be on hand at all times to greet customers and see that customer satisfaction was maintained at all times.

The new building of brick construction housing Jake's Steak-Out is 42 x 50 feet and will seat ninety-six people at one time. This includes the "Rustlers Roost" private dining room which is cooled by refrigerated air for greater comfort.

Our special broiled steaks are prepared on an El-Fram Charcoal broiler which is quite new in this territory, Mr. Lamberth stated. Our steaks are specially prepared and come from animals which are exposed to a tenderizing process before they are butchered, he added.

A large, hard surfaced parking area has been provided for customers north and east of the building and modern furniture and equipment are featured throughout.

Mr. and Mrs. Lamberth have been operating the Dixie Cafe here for the past 14 years and were recently joined in the business by their daughter, Beth, and son-in-law, Jimmy Carter.

The public is cordially invited to visit this new establishment Saturday for their formal opening and inspect the facilities that are featured for your eating enjoyment. The business will be open seven days a week from 5 a.m. to 11 p.m.

Committee Sets Dates For Donley Co. Fair

County Agent Flip Breedlove says that the Donley County Program building committee met on the night of the 16th of July in the Community Room of the Farmers State Bank of Clarendon, Texas. C. L. Lewis presided at the meeting. The board set the dates for the Donley County Fair and Quarter Horse Show for the 18 and 19 of September. The Quarter Horse Show will be on the 18th at 1:00 p.m. at the Fair Grounds with Herb Howell of Friona, Texas, as the Judge, approved by American Quarter Horse Ass'n. The fair at the fair grounds in Clarendon will feature these other departments, Flower Show, Merchants Department, Community Agriculture Exhibits, Home Economics Department for regular home economics departments in schools, Needle Craft Department, Fine Arts Department, Canned Goods Department, County Home Made Baking Department and the Quarter Horse Show. Breedlove said that all superintendents of the departments would be announced later. The catalog for the fair will be off the press in August. A building committee was set up by the board for supervision of the fair building, this consisted of C. A. Pitts and Lee Shaller. Breedlove says that all departments of the fair will be completed in a few weeks and everything will be ready to go for our big county fair.

F.F.A. MEMBERS ATTEND STATE CONVENTION

Irvin Mears, David Hardin, Barry Tyler and advisor, Art Sommerfeld attended the State F.F.A. Convention in San Antonio. The convention was held July 15, 16, 17. There were 900 chapters represented at this meeting, totaling some 4,500-5,000 state members.

Numerous awards were given at this convention. Among those to receive awards were two Clarendon F.F.A. members, Rod Stone and Bernie Green, who received their Lone Star Farmer Degree.

Leader Out-of-County Rate — \$4.50 a Yr.

FARM NEWS

from County ASCS Committee

Cotton Loans For 1964

We have been notified that the cotton loan clerks who have been approved in the past will not be approved for 1964 and future years. Only the employees of approved lending agencies (in our county that means the three banks) and the ASCS employees will prepare the cotton loans.

We do not have all the details of the program but should begin getting new instructions before too long.

Feed Grain Program

We understand that the 1965 feed grain bases will be established by August 15, 1964, so that wheat producers will be able to know whether or not they want to substitute wheat for feed grain or feed grain for wheat as permitted under the 1965 wheat and feed grain programs.

1965 Wheat Allotments

The work is completed on the 1965 wheat allotments and the notices will be mailed as soon as we have State Office approval to do so. The allotments will have the minimum 10% reduction already deducted as it was in 1964.

Notices Of Proven Yields

Revised notices of cotton yields were mailed last Friday to all producers who proved a higher production for their farm(s). If you have any question about these notices, please feel free to come by and discuss it with us.

ACP

Payments will be mailed out within the next few days to all producers who completed ACP practices the first part of 1964.

We are especially interested in introducing ACP to all producers who have not used this program. We urge you to stop by and give us an opportunity to talk ACP with you.

Over A Million Gallons Of Water Pumped Daily

A report from Mayor C. J. Lohoefer Wednesday revealed that over a million gallons of water are being pumped daily by the City of Clarendon to meet the demand of local residents. We are pumping all wells around the clock in an effort to keep up with the daily use, he added.

With the continued dry, hot weather we are taking every precaution in keeping the wells in operation with city employees making several checks on the pumps throughout the night as well as daytime, the Mayor stated.

A daily average of a million gallons a day was registered throughout the month of June and since June 20th, the total water pumped each day has exceeded the million mark.

The temperature throughout this time has ranged around the one-hundred degree mark and it moved up to a very humid 101 Tuesday of this week. We have had some good cloud formations the past several days but very little rain. The area west of Ash-tola was the only locality reporting moisture and the showers there ranged from one-half to three quarters of an inch.

Most crops are holding up pretty well at the present time and some farmers report that their crops didn't really start much growth until last week. A good soaker right now would certainly improve the outlook for both farmers and ranchers as grass land is very dry.

TELEPHONE DIRECTORY BEING COMPILED

The new Clarendon telephone directory is now being compiled, Wayne L. Goodrum, district manager for the General Telephone Company of the Southwest, announced today.

Almost all business telephone users in Clarendon have been contacted by telephone by a representative of the General Telephone Directory Company regarding changes in listing.

Any changes to be made in the directory must be processed before July 30, Goodrum stated, to be included in the new book.

Distribution of the new book will be by mail, as in the past. The actual delivery date will be announced later, Goodrum said.

School Registration Set For August 27-28

Supt. K. D. Vaughan announced this week that registration in Clarendon Public Schools would be held August 27-28 and regular classes would begin August 31st. This is only five weeks away so if you have not had that vacation yet, it's time to get started.

Clarendon Junior College registration will begin September 8th with regular classes slated for Sept. 9th.

Head football coach Jeff Walker has announced that all prospects for the Broncho squad would report for training on Monday, August 17th. His assistant coach will be Clyde Noonkester who coached at Lamesa last year.

The first football game on the schedule is with Gruver at Gruver on September 4th.

Services Held For Mrs. Minnie Hays

Funeral services for Minnie Acres Hays, age 83, were held Tuesday, July 21st, at 11:00 a.m. in the Church of Christ of Clarendon with Robert C. Jones, pastor, officiating. Interment followed in Citizens Cemetery with Murphy Funeral Home in charge of arrangements. Pallbearers were Clarence Cornell, Lonnie Cornell, J. Bradford Hays, Frank Welborn, Jr., M. W. Eddleman, and P. C. Messer.

Mrs. Hays formerly of Cisco, Texas, died on Saturday, July 18th, at 8:30 p.m. in Sanatorium, Texas. She was born December 23, 1880 at Borham, Texas, and was married to Joseph Walter Hays on October 7, 1900 at Stephenville, Texas. Mr. Hays preceded her in death, September 25, 1963. Mrs. Hays was a member of the Church of Christ.

Survivors include: two daughters, Mrs. Frank Welborn of Oklahoma City, Oklahoma, Mrs. E. O. Cocks of New York City, N.Y.; two sons, Joseph Bradford Hays of North Hollywood, California; William D. Hays of Bad Godesberg, Germany; two sisters, Mrs. Z. C. Cornell of Clarendon, Texas; Mrs. Audrey Bacon of Lakeria, Texas; three brothers, T. L. Acrea of Gorman, Texas, Roy Acrea of Bayton, Texas, Robert Acrea of Gardonia, California; seven grandchildren and three great-grandchildren.

LEADER CLASSIFIEDS GET RESULTS

National Farm Safety Week, July 19-25

AUSTIN, Tex. — The Texas Safety Association today urged all urban residents to join farmers and ranchers throughout the state in observing National Farm Safety Week, July 19-25.

Theme for the observance is "Safer American Families Everywhere."

"You can be a part of National Farm Safety Week by putting safety first — at home, at work and at play," J. O. Musick, TSA General Manager, said.

The safety director reported the primary concentration of the 1964 Farm Safety Campaign will be on safety with farm chemicals, farm tractors and home poisonings.

He suggested urban residents as well as rural residents give their homes a safety check-up for poisonous products and dangerous mechanical equipment.

"Keep pesticides only in their original containers and tightly closed. Never put them in unlabeled gallon jugs, pop bottles, buckets, cups, paper bags or other common food containers," Musick said.

"Also, make sure all mechanical equipment in your home is in proper working order and that electrical circuits are not being overloaded. Don't forget to repair all frayed electrical cords. They can and do start fires — and could give you a fatal shock."

Sargent Services Held At Hedley

Funeral services for John Austin Sargent, 81, were held Tuesday afternoon in the Hedley Church of Christ, J. C. Stepp assisted by Bright Newhouse officiated. Burial was in Rowd Cemetery.

Mr. Sargent died Sunday morning in Hall County Hospital, Memphis. He was a retired farmer. He was born November 23, 1882, in LaVaca County and was married to Marijda Ann Brock in September of 1902.

Surviving are two sons, Clarence E. Sargent of Amarillo and Willie Clark Sargent of Stinnett; one daughter, Mrs. Allan Stokely of San Mateo, Calif.; 15 grandchildren and 24 great-grandchildren.

Arrangements were under the direction of Spicer Funeral Home of Memphis.

Area Little League & Senior League Games To Be Played Here This Week

Silverton Rodeo Will Be August 6-7-8

The Silverton V.F.W. Rodeo will be staged August 6-7-8 at the V.F.W. Rodeo Arena in Silverton, Texas. Rodeo events will include Tie Down Calf Roping, two go-rounds (entrance fee \$20.00); Heading, Heeling and Face, two go-rounds (\$20.00 fee); Saddle Bronc Riding, two go-rounds, \$50.00 added (\$16.00 fee); Bull Dogging, two go-rounds \$20.00 fee; Ladies Barrell Race, two go-rounds (\$10.00 fee); Bareback Bronc Riding, one go-round, first 30 entries (\$10.00 fee); Bull Riding, one go-round first 30 entries (\$10.00 fee); Kids Breakaway Roping, two go-rounds, 15 and under (\$3.00 fee). There will be a calf scramble each performance for the kids.

Stock will be furnished by Ratjen Brothers of Happy, Texas.

Admission will be \$1.25 for adults and 50c for children 12 and under.

On Thursday, August 6, there will be a western parade through downtown Silverton. Riding clubs from this area have been invited to participate.

There will be a free barbecue in the city park sponsored by the Silverton Lions Club from 5:00 until 7:00 p.m. There will also be an exhibit by the Silverton art students of Mrs. Louise Vaughan on the courthouse lawn Thursday afternoon (weather permitting).

There will be dances Thursday, Friday and Saturday nights at the Silverton Fire Hall beginning at 9:30 o'clock nightly. A Rodeo Queen will be presented at the Saturday night performance of the rodeo.

Rodeo books close Thursday, August 6, at 11:00 a.m. Entry fee must accompany the entry. The club reserves the right to run into one go-round if necessary. For further information write Fred A. Strange, secretary, Box 786, Silverton, Texas, or phone 2741, 5501 or Bean 4173.

In addition, the Silverton Lions Club will give away a Chevrolet filled with \$100.00 worth of groceries at the Saturday evening performance of the rodeo. The Silverton Young Farmers will give away a pair of Bob Byson shop made boots (\$50.00 value) and the Silverton Riding Club is giving away a \$250.00 cushion-seated saddle.

You all come to Silverton August 6-7-8! We'll try to make you feel at home.

SARDIS BAPTIST CHURCH TO HOLD SERVICES

Church services will begin at the Sardis Missionary Baptist Church beginning Saturday night, July 25, and run through Sunday night, August 1. Day time services will begin at 10:30 each morning and evening services at 7:30 p.m.

Elder John W. Reynolds of Henderson, Texas, will be preaching. The public has a cordial invitation to attend any or all of these services.

HOMECOMING TO BE HELD AT GOODNIGHT

Sunday, August 2nd, is the date set for Homecoming at Goodnight. Every former or present resident of the community is invited to attend and renew acquaintances and visit. The gathering will be held at the Goodnight Baptist Church. There will be a basket lunch at the noon hour.

Miss Rhoda Wiedman and Mr. and Mrs. Glenn Churchman have returned home after having visited the ladies' sister, Mrs. Gertrude Hardesty, in Salem, Oregon.

Clarendon will play host to both the Little League and Senior League area play-off games here this week end. Billy Jack Land, president, announced yesterday that the Senior League games would be played here also.

The addition of the Senior League play-off necessitated a change in schedule of games but all were worked in just fine, Land stated.

Thursday night Clarendon Little League all-stars will play Childress at 6 p.m. and Carson County Senior League will play Amarillo Air Force Base at 8 p.m.

Friday night, Carson County Little League will play Memphis at 6 p.m. and the winner of the Clarendon-Childress little league game will play Amarillo Air Force Base little league at 8 p.m.

Saturday night, the winners of the Little League bracket will play the final game and in the Senior League, Clarendon will play the winner of the Carson County-Amarillo AFB game in the finals. Clarendon Senior League drew a pass and will play only the one game.

The winner of the Little League area play-off advances to the district play-off next week at Dumas, while the winner of the Senior League area play-off will advance to the district play-off at Seymour next week.

The local Little League and Senior League all-star teams have been putting in some hard practice hours in preparation for the games this week and other teams that will be playing here have also been in for practice sessions on the local diamond.

Little League all-star coaches are Jr. Putman and Lloyd Leeper. Members of the all-star team are: Jim Moore, David Taylor, Charles Lewis, Bennie Reese, Steve Adams, Bobby Sim, Jim Riskey, Steve Merchant, Johnny Gilleen, Byrd Adkins, Johnny Hill, Glen Annis, Bobby Leeper and Joe Yankee.

The Senior League coaches are Jerry Hawkins and Hubert Kidd; Players are Arthur Fields, Pat Perkins, Mike Spier, Monte Land, Ray Fields, Donnie Mooring, Mac McClellan, Walter Reese, Lawrence Gardner, Irvin Mears, Mike Sloan, Archie Smith, Merle Lewis and Maddox.

There is no charge for these games so plan now to be out for every game and let our local teams know you are behind them all the way.

Hedley Legion Post Elects Officers

Ansil Adamson, who has served the unexpired term of T. H. Moffitt, deceased, as Commander of the Hedley American Legion Post, was elected as the 1965 Commander of the Post.

Other officers elected were A. W. Anderson, First Vice Commander; Edward O. Dishman, second Vice Commander; Paul L. Stewart, Third Vice Commander; C. L. Johnson, Adjutant; A. L. Cherry, Historian; Malcolm Glass, Chaplain; R. A. Shaw, Post Service Officer; and Roy Hunter, Sgt.-at-Arms.

The Post passed a resolution that Curtis D. Mears of Clarendon be retained as County Service Officer of Donley County. Meeting date of the Hedley Post is the second Tuesday in each month.

HOSPITAL NOTES

Patients as of Wed., July 22: W. B. Webb, Mrs. Margaret Dishman, Cap Morris and Wm. Payne. Dismissals: Mrs. C. C. Bailey, Mrs. J. T. Hill and W. H. Mendenhall.

Science And Technology

Science and technology have completely transformed life in the United States in the past 100 years. They have helped us achieve the highest living standard in the world. As we all recognize, the pace of development in science and technology continues to be breathtakingly swift.

In the past 100 years, the farm population required to feed the Nation has decreased from 8 out of 10 to less than one out of 10,

due largely to mechanization and improved production techniques. In that period, the average life span of Americans has increased from 40 years to 70 years because of medical advances in the prevention and cure of disease and gains in nutrition and sanitation. Of all the food products available to the housewife today, 66 percent did not exist 10 years ago.

Of all the drugs now on the market, 45 percent were unknown 5 years ago.

More than 5,000 companies today are engaged in missile-aerospace research or production — a program that has led to the development of more than 3,000 new products or techniques in private enterprise.

Scientific progress today not only is an essential factor in determining the character of tomorrow's civilization, it is vital in insuring the safety and security of the United States and Free

DEAD OF NIGHT landing brings 24th Infantry Division soldiers, Sp5 Orle Loben (left) and Sp4 Ben Collura, into "aggressor" held territory where they drag their rubber raft ashore for concealment. Camouflaged for night movement, the two "guerrillas," accompanied by two other patrol members, move silently through dense forest to complete their mission—destruction of an "enemy" communication center. The raid is one phase of intensive counterinsurgency training conducted by Company A, 2d Battalion, 19th Infantry in Germany.

Congress is to appropriate wisely Amarillo. We must never overlook the scientific fields, it must have a sound understanding of what past accomplishments of our scientists in their laboratories pursuing objectives in basic research — seeking entirely new processes and data without known applications. Michael Faraday the last century developed the magnetic induction coil during this kind of inquiry, and I'm sure you can recall a number of other similar milestones in science. The magnetic induction coil led the foundation of our whole electrical industry. Someone asks Faraday what possible use the little device was. "Well, what use is a newborn baby?" asked Faraday.

Shrimp spawn offshore and the young ones must find their way into the sheltered, less salty waters or they perish.

Fort Bliss was established February, 1848, near El Paso, Texas, as a defense against Indian raids.

CALL FOR INFORMATION

Not long ago we read in some of the livestock papers a story to the effect that government money under the aid to underdeveloped countries program had been used by American promoters to develop ranch land to a productive stage in foreign countries with the beef being shipped back here to compete with home-grown meat. This would be a blow below the belt.

The other day someone gave us a sticker saying that American Beef Is Better. This kind of promotion can help and it is the real American Way.

On the humorous side we heard about the city cousin that watched the cattleman put a sticker reading Eat Beef And Stay Slim on his pickup. He claimed that it was then with some difficulty that the man loaded himself and his fat tummy into the driver's seat. This shouldn't discourage our friend from the city because he could well have been topping off his dinners with a big city helping of dessert. Keep up the good work Mr. Cattleman.

Two ladies were discussing happenings at the last club meeting. "What did they have," asked absent Abigail?
"Nothing," answered present Patricia, "And we had such an awful lot of it."

It has been said that most of Man's troubles come through their mouths — either eating, drinking, or talking.

Some of those who study such things say that a person is taller early in the morning than late in the evening. No question he is shorter after the 10th of the month.

There was a time when child psychology centered around the clump of bushes near the back of the house. This reminds me of the last whipping my mother

PLANNING CAN AVOID MISERY FOR VACATION
TYLER — Outdoor vacations, camping trips and even family picnics can be ruined, reminds W. R. Long, regional information-education officer of the Parks and Wildlife Department, by accidents, injuries, illnesses and many seemingly insignificant quirks of nature.
He says a little care and caution, plus some advance information, will eliminate and lessen

these inconveniences.
"The addition of a snake bite kit, sun-tan oil, insect repellent and a spray-type disinfectant in your camping gear," advises Long, "will alleviate many possible discomforts. Those susceptible to the toxicity of poisonous plants need to visit their physician for advance shots or medication, and the thoughtful camper will do well to get a tetanus shot, or if this has been done, a booster."
"Brushing up on first aid techniques may save a life, and knowledge of boat safety rules may prevent disaster. The cautious boater knows to stay with his boat, using it as a life preserver, if an accident occurs."
"Guns, boats and cars do not kill people; people kill people! But the careful camper has the fun-filled outdoor world at his doorstep!"

WALDROP FAMILY HOLDS REUNION

Mr. and Mrs. L. L. Waldrop had all their children home last week for a visit and a reunion Sunday in the Raymond Waldrop home.

Their children are: Mr. and Mrs. Sam Hendrix and Sue of Wilder, Idaho; Mr. and Mrs. Roy Waldrop, Dolores and Brian of Marey, N.Y.; Mr. and Mrs. Joe Hadder of Dallas; Mrs. Dale Miller, Mark, Rickey and Marcia of Roswell, N.M.; Mr. and Mrs. Tom Thurmond of Santa Clara, Calif.; Mr. and Mrs. Bob Cole and Terry, and Mr. and Mrs. Raymond Waldrop, Tom and Beth.

Others to visit during the day were: Mrs. Gaytha Bruce, Mrs. Dorothy Stone, Karen and Kathy of Amarillo; Mr. and Mrs. Aubrey Sanders, Betty, Sherry, Aubrey, Jr., Deloris, and Jullie of Arlington, Texas; Mr. and Mrs. Hugh Sanders and Larry of Brice; Mr. and Mrs. Elmer Sanders of Memphis; and Mr. and Mrs. W. D. Higgins.

BAPTIST GROUP ATTENDS SESSION AT GLORIETTA

Representatives of the Baptist Youth Choir left for Glorietta Thursday morning to attend the week end music session held there. They arrived at the assembly grounds and stayed at the Women's Dorm there.

While there the group had the privilege of hearing many fine youth choirs and attended conferences and choir rehearsals. Attending from Clarendon were Maudea Self, Toza Estes, Kay Pfeiffer, Rhonda Goodman, Leane Risley, and their sponsor, Mrs. W. R. Lawrence. The group returned home Sunday night.

SHOWER AT BRICE HONORS MISS WOOD

Miss Jo Ann Wood, bride-elect of Terry Bailey, was honoree at a miscellaneous shower in the home of Mrs. Aubrey Martin at Brice. The honoree's chosen colors of blue and white were used in the decor.

The refreshment table was laid with a white cut-work cloth over blue and was accented by a floral arrangement of white flocks and blue daisies showered with glitter. Appointments were crystal and silver. Presiding at the table were Mrs. Jimmy Swinney and Zoretta Gillespie. Mrs. Max Johnson secured names for the register.

Thirty-eight guests registered and others who were unable to attend sent gifts.

Hostesses for the courtesies were Mesdames Aubrey Martin, Hattie Gillespie, Merle Lemons, C. A. Hightower, James McAnear, Truett Behrens, G. W. Selmon, Flora Johnson, Jim Pascall, Bill Weatherly, Johnny Grady, Charlie Murff, Hope Lemons, Velma Lemons, Cal Holland, T. W. McAnear, Jim Blevins, Archie Hawkins, and Ezra Williamson.

Miss Wood was also honoree at a personal shower in the home of Miss Betsy Chamberlain. Hostesses were Miss Chamberlain and Miss Elaine Behrens.

Kandace, Kirk, and Kim Rumpy of Lubbock visited last week with their grandparents, Mr. and Mrs. M. C. Rumpy. Their parents, Mr. and Mrs. Max Rumpy came for them Monday night.

Mr. and Mrs. Jack Stewart of Amarillo visited in the W. L. Jordan home Thursday night. Mr. Stewart has just returned from Alaska.

Association Warns Vacation Drivers

AUSTIN, Tex. — The Texas Safety Association today warned vacation drivers to be on the alert for slow-moving vehicles when traveling on the state's rural roads.

"Slow-moving and oversize vehicles traveling on the same roadway with fast-moving vehicles present real danger to drivers who ordinarily do not drive under such conditions," J. O. Musick, TSA General Manager, said. "The driver of a fast-moving vehicle frequently does not realize how much he will have to cut his speed when approaching a slow-moving vehicle on the roadway ahead."

Citing the farm tractor as one type of slow-moving vehicle drivers may expect, he explained the speed factor involved.

"The top speed for many tractors is around 20 miles an hour. At this speed a tractor is moving 29 feet a second. A car traveling 60 miles an hour travels 88 feet a second. The car moving 60 miles an hour requires 251 feet to stop under perfect conditions. At 70 miles an hour, 328 feet is required," he said.

Musick also pointed out that hillcrests and curves often hide slow-moving equipment on the road ahead.

"While most equipment operators drive as far to the right and on the shoulder as possible, part of the equipment still may extend out on the roadway. There are times also when it is impossible for the operator to travel on the shoulder of the road," he added. Some tractor operators attach a 12 to 14-foot vertical pole with a red flag to the vehicle to warn other drivers. Even when a tractor cannot be seen over the crest of a hill, the red flag on the long pole warns drivers that the equipment is present.

Among other safety devices now being used in some states is a pyramid-shaped metal shield which is visible day or night. The shield is mounted high on the equipment. It is intended to alert the driver of a fast-moving vehicle of the presence of the equip-

ment.

Musick also advised drivers to be on the alert for farm equipment crossing the roadway and turning onto or off the roadway.

"Watch for movements of road construction equipment and crews in areas where new roads are being built or repaired," he added.

In closing, Musick pointed out that slow-moving equipment has a tendency to cause other vehicles to follow too closely. This violation is indicated in many investigations of rural accidents. Impatience to get around such equipment is another cause of accidents.

"So, to stay out of trouble where such conditions exist, stay alert, slow down, keep your distance and be patient," he said.

SOCIAL SECURITY FIGURES RELEASED

Payments totalling some 1.3 billion dollars are now going each month to over 19 million people in the form of retirement, disability, and survivors payments under the Social Security Act.

These figures were given today in a statement released by Hal Geldon, social security district manager in Amarillo.

At the beginning of 1963, some 91 million workers were insured, 55 million were permanently insured, and 52 million had worked long enough to qualify in case of disability. These figures have increased during 1963 and up to the present time.

The 55 million can expect to receive retirement payments whether or not they do additional work. The families of the 91 million can expect to receive monthly payments, a lump-sum amount, or both, in case of the worker's death. The 52 million and their families are protected in case of disability. The net effect is that some 90 percent of the working population has protection against one or more of these risks.

Since all of these hazards are universal, social security is a basic source of income at retirement, disability, or death.

MOWERS REQUESTED TO SPARE HABITAT

TYLER — Landowners, routinely mowing pastures to control weeds during July and August, may contribute measurably toward maintaining good habitat for game birds, reports Wildlife Biologist Joe Davidson of the Parks and Wildlife Department.

"The weed cutting," he says, "is an excellent practice and can be made doubly so when wildlife is considered. Landowners interested in providing food to hold bobwhite quail on their land will do well to leave patches of goatweed, ragweed, and partridge peas, adjacent to brushy fence rows and woods borders.

"Wildlife is usually dependent on man and his agricultural practices and often good wildlife conservation may work hand and glove with a sound agricultural program."

Visitors in the home of W. B. Ayers the past ten days were Mr. Ayers' grandson and wife, Mr. and Mrs. Herald Stogner of Lubbock, and Mrs. Ayers' daughter and husband, Mr. and Mrs. R. L. Nolen of Arlington, also a niece and husband, Mr. and Mrs. W. C. Larimer of Garland, Texas.

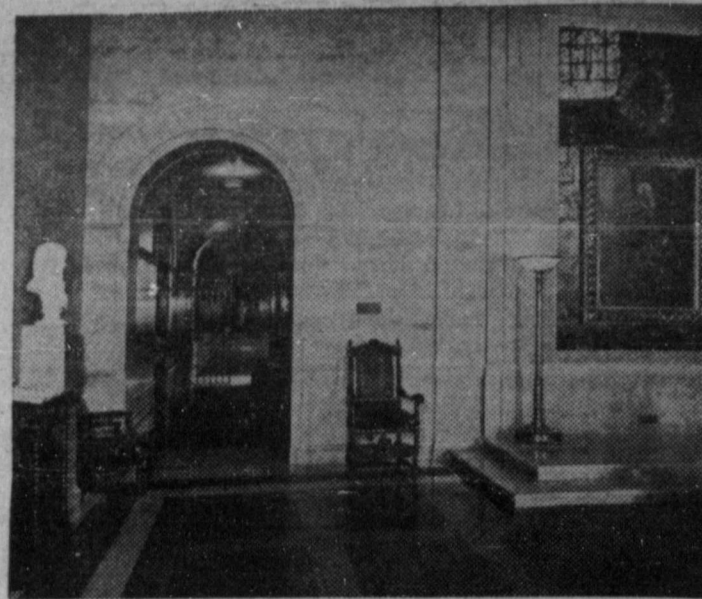

Mr. and Mrs. Clitt Williams of Amarillo and Mrs. C. T. Williams visited with Mr. and Mrs. C. W. Martin Sunday evening.

Mr. and Mrs. Herman Cross and Annette had as visitors Tuesday Mr. and Mrs. Arnold McLeMore and Glinda of Moran, Texas.

Kim Jordon of Amarillo visited his grandparents, Mr. and Mrs. W. L. Jordon Tuesday.

Engraved gems out of the earliest years of the Roman conquest of England show that Roman officials carved gems as a hobby.

KERRVILLE — A gray rat snake recently accommodated the Kerrville District Office of the Parks and Wildlife Department by laying 15 eggs. The staff uses a few reptiles in information and education routine and is counting on the hoped-for hatch to embellish its props.

ARMSTRONG BROWNING LIBRARY — Entrance to the McLean Foyer of Meditation in the Armstrong Browning Library. The Cloister of the Clasped Hands in this room contains Harriet Hosmer's cast of the clasped hands of the two poets.

Galveston, Texas, is located on an island connected to the mainland by two causeways. Louisiana is the wettest state in the U.S.A. with its average annual rainfall of 55 inches.

Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — New preliminary steps, inclining Texas toward the inevitable realignment of congressional and legislative districts, were taken last week.

Atty. Gen. Waggoner Carr asked that the federal district court at Houston allow time for the Legislature to redraw the districts in its session next year

as the court had done earlier with congressional apportionment.

In view of U. S. Supreme Court decisions that both houses of the state legislature must be selected on the basis of population alone, Carr concluded that there is little doubt that Texas districts would be declared unconstitutional.

Meanwhile, in Fort Worth and Dallas a committee of the Texas Legislative Council held its first public hearing seeking advice on how congressional districts should be redrawn.

A parade of witnesses was heard before the committee recessed briefly. It moved to Houston for its third hearing on July 17. A fourth hearing will be held in San Antonio. Committee spokesmen have indicated they may go to West Texas, then perhaps return to South Texas for further testimony.

A session of the full Legislative Council, research arm of the Legislature, is scheduled for July 27 in Austin. At that time, the Council is expected to decide whether to broaden its own study to include the explosive, close-

home problems of recarving the state's House and Senate districts.

ARCHIVES MURAL UNDER WAY — Work has begun on a \$30,000 mural in the new Texas Archives and Library Building. It will portray state history from the days of the Spanish explorers to the present.

American painter Peter Hurd and English artist Peter Rogers, who is Hurd's son-in-law, will work together on the 45 by 13 foot mural. Texans will recognize among the figures Stephen F. Austin, the Father of Texas; Sam Houston, general, governor, senator, and president of the Republic of Texas; Anson Jones, last president of the Republic; and Jim Bowie, Davy Crockett and William B. Travis, heroes of the Alamo.

Work is scheduled to be finished by September.

SCHOOL FUND ALLOTMENT APPROVED — State Board of Education raised the per student apportionment of state available school fund money to local districts from \$78.50 to \$81.50.

This \$3 per capita hike represents an overall \$7,600,000 raise in available fund aid to the districts for 1964-65, based on a current estimate of more than 2,500,000 students.

Comptroller Robert S. Calvert estimated the fund for the coming school year at \$218,300,000. Board allocated \$10,500,000 to finance the cost of purchasing and handling text books. This left \$207,800,000 to be distributed on a per capita basis.

This increase means no increase in overall state aid. Allocations to all but the few prosperous "budget balance" districts for salaries and operations will be decreased by an amount equivalent to the available fund boost.

Dr. L. S. Richardson, Brazosport Public Schools superintendent, was appointed to the 1964 state textbook committee to study books offered for school adoption.

Board also agreed to name a study committee to look into a proposal for a \$1,400,000 junior college at Pampa.

A policy change directed that more time in driver education courses be spent on behind-the-wheel instruction and less on general safety lectures.

ARMY EXAMS — The number of 18-year-olds who will be given Army mental-physical exams by Texas draft boards during August will be increased to 2,762 (from 1,816 in July).

Tests are in line with the President's call for examination of all newly registered men out of school and available for service. They will not be considered for immediate armed forces service. But those failing the examination will be referred to the Texas Employment Commission for advice and counsel on jobs or job training.

Only about 225 in the draft age bracket (most of them 22 or above) will be examined next month — and only 119 are scheduled for induction during August.

This is the lowest induction call for Texas since April, 1961, when the quota was 65.

INVALIDATION UPHELD — Third Court of Civil Appeals agreed with an Austin district court that a requirement in the new small loan act that Texans own more than 50 percent of the stock in new Texas lending companies is unconstitutional.

Loan Commissioner Frank Miskell had denied applications for loan branch offices in Houston, Waco, Texarkana, El Paso, Dallas, Fort Worth, San Antonio and Arlington on the stock ownership provision.

Ruling does not apply to other sections of the 1963 law.

PARKS & WILDLIFE DEPT. — Weldon Watson, director of the State Department of Parks & Wildlife, reports that a lot of people want state parks built near the many reservoirs under construction around the state. He feels, however, that nothing should be added until old parks are rehabilitated.

Watson made this statement when he filed a request for a \$25,700,000 budget for 1966-67. This is an increase over the current biennial budget of \$11,000,000. Included are \$7,000,000 more for parks and \$4,000,000 more for wildlife projects.

He pointed out that most of the facilities in existing parks were built by C.C.C. workers some 30 years ago, and they're in bad repair. He said there's hardly a beam in the cabins at popular Bastrop State Park that hasn't rotted out.

But Watson described a poor pay structure as the Parks and Wildlife Department's chief ailment. He said the starting salary for game warden trainees of about \$330 a month is so low that it is impossible to recruit "men the state will be proud of."

He wants a complete revision of the Parks and Wildlife's pay classification formula, so trainees as well as regional department heads will be paid in line with Department of Public Safety salaries.

APPOINTMENT ANNOUNCED — Gov. John Connally named Terry L. Jacks of San Marcos as district judge of the 22nd judicial district, effective August 1. He replaces veteran Judge J. R. Fuchs who resigned.

Jacks has been Hays County Attorney since 1955. The 22nd

ASHTOLA NEWS

Mrs. Hubert Rhoades

Mrs. Veda Mahaffey continues to recover from major surgery in Groom hospital.

Mr. and Mrs. Harold Green of Borger visited Mrs. Walter Green Sunday afternoon, and called in the Hubert Rhoades home. John Just, who is stationed in

and the Donald Youree family, all of Amarillo.

F. G. Watt and the Collier Heater family of Dumas left Saturday for a visit with the Edwin Ayers family in Kauffman.

Mrs. Jessie Adamson and Zona left Saturday for a vacation trip to Yellowstone Park and will visit the Tom Sawyer family in Wyoming before returning home.

Mrs. W. I. Rains and Ike, and Mrs. Mabel Bridges made a business trip to Quitaque and Turkey Friday.

Mr. and Mrs. T. Bounds and children of Fort Worth visited Mr. and Mrs. E. M. Glass last week.

The Paul Dishman family of Dallas spent Thursday night with the Roy Jewells. The Dishmans were enroute to Colorado on vacation.

Rube Sargent was able to come home Saturday from Hall County Hospital where he spent several days.

The Merle Owens family of Amarillo spent a week end with home folks, the Woodrow Clendenens and Sam Owens.

Mr. and Mrs. Foy Moss and son of Dallas visited Mr. and Mrs. J. B. Pickett Thursday.

Mrs. L. O. Whittington and Miss Janis Dales of Long Beach, Calif., visited Mrs. Ethel Kinslow last week.

Mr. and Mrs. Rex Willoughby and son, Tommy, of Tyler are visiting the lady's mother, the H. P. Wilsons.

Mrs. Joe Dillard and sons of Lubbock spent last week with the lady's parents, the Elmer Howells.

The R. M. Saunders family are on vacation in Colorado and Mexico.

Mr. and Mrs. J. M. Baker left Monday for Houston where they will visit their daughter and family. Judy Baker of Amarillo accompanied her grandparents.

Mr. and Mrs. Homer Grimsley of Hawthorne, Calif., spent Thursday with his brother, the Clyde Grimsleys.

Mrs. Elmer Howell returned home last week from a two week visit with her daughter, Dr. and Mrs. Jack Tofte, and son at Portland, Oregon.

Mr. and Mrs. James Evans and Janie recently visited Mrs. Nesswith in Lubbock who is ill.

Rev. Bob Estes and Johnny Hoggett attended church vocational conference at Plainview last week.

Charley Foster has been serving on Federal Court in Amarillo the past three weeks.

Mr. and Mrs. Holland and sons of Dallas spent several days visiting her father, the Johnny Myers family.

Chas. Rains of Amarillo and granddaughter, Charlotte Everett, of San Antonio visited Mrs. W. I. Rains Friday.

Mrs. Edith Cunningham of Enid, Okla., spent the first of the week with her mother, Mrs. Eva Hill.

Two Hedley girls living in the same block suffered broken legs the past week. They were Susie Stone, daughter of Mrs. Jay Nan Stone, and Vicky Skaggs, daughter of Mr. and Mrs. J. D. Skaggs. The Henry Little family of Wichita Falls were visitors at First Baptist Church Sunday.

Rev. and Mrs. Bob Estes and children spent Thursday in Roaring Springs celebrating the birthday of the lady's father, Elmer Hipp.

Hedley was shocked when word went out that Mr. Rube Sargent suffered a heart attack last Sunday evening at his home. He was rushed to Hall Co. Hospital and died a short time later. Funeral services are pending. Mr. Sargent was a favorite with his many friends, always happy and enjoying life. Even though he was a sick man he was one who never complained. He always had a smile and a word of encouragement for his friends.

iting Mrs. Charlotte Word. Mr. John Butler of Claude visited Sunday afternoon in the Hubert Rhoades' home and Clyde Butler in Clarendon.

Tony Wallace of Clarendon spent Friday night with the Van Knoxs.

Mr. and Mrs. Dane Perdue and girls of Levelland spent Sunday in the H. S. Mahaffey home. They all visited in the afternoon with Veda in the hospital.

Winona Perdue is spending a few days with the H. S. Mahaffeys and other.

Mr. and Mrs. Van Knox visited the Ross Springers in Hedley. They all went to see the G. J. Hinders in Memphis, stayed for dinner and more visiting. All reported an enjoyable time.

Mr. C. B. Morris is still in the Adair Hospital, but much improved.

Mr. W. M. Payne is in Adair Hospital. We wish for him a speedy recovery.

Trecia Moore of Clarendon spent Thursday with Mr. and

Mrs. Van Knox. Mrs. Dora Joyner and Paul Gene Nelson of Amarillo visited in the Jess Nelson home Saturday.

Mrs. Lilly Nelson of Paris, Texas, has returned home after visiting in the Jess Nelson home for a few days.

Those attending the 79th birthday dinner for Mr. H. H. Nelson in Floydada were Mrs. Lilly Nelson, Mr. and Mrs. Jess Nelson, Mr. T. A. Nelson, Ruth and Johnny Just, Mr. and Mrs. Harvey Nelson and family of Dumas, Mr. and Mrs. Ben Nelson of Pampa, Mr. and Mrs. Bobby Powell of Amarillo, Mr. and Mrs. Everett Watterson and family of Morton, Judy Coursey of Levelland, Mr. and Mrs. Lesley Coffee of Panhandle, Mr. and Mrs. Cone Harris and children of Slator.

Mr. and Mrs. Ira Thornton returned to Phoenix, Ariz., after spending several days here with the J. M. Graham family.

Jimmy and Beth Carter**

HILITES . . .
(Continued from page 5.)

District covers Comal, Hays, Caldwell, Fayette and Austin Counties. Jacks was nominated for the court in primary elections this year when Fuchs did not seek another term.

PORT ARANSAS BANK APPROVED — State Banking Board approved a charter application for Island State Bank at Port Aransas.

A requested charter for the State Bank of Hurst, in Tarrant County, was refused. Action was deferred on the proposed Yorktown Community Bank and the Cullen Center Bank of Houston.

COLLEGE STUDY UNVEILED — Long-secret and long-awaited recommendations by the governor's committee for making Texas colleges and universities No. 1 in the nation have just been unveiled.

College officials and the press were briefed on highlights of the report by the Governor's Committee on Education Beyond the High School. It followed a year of intensive research.

Report now has gone to the printers and will be presented to Governor Connally and the Legislature by August 31.

YOUTH CONFERENCE HELD — Some 1,800 teenagers from 230 counties convened here for the attorney general's second Youth Conference. All are outstanding teenagers who were sponsored by a civic, church or school group.

Purpose of the conference is to promote a free exchange of ideas, and then inspire the youngsters to go home and offer help to curb potential teenage trouble-makers.

Attorney General Carr, conference sponsor, delivered the keynote address. He brought them up-to-date on two pressing problems — school dropouts and juvenile delinquency — and said

that adult leaders need help from the new generation.

Other speakers included Bernard M. Suttler, Federal Bureau of Investigation; Dr. Paul M. Stevens, director of the Southern Baptist Radio and Television Commission; Department of Public Safety Director Homer Garrison, Jr.; House Speaker Byron Tunnell; and Fort Worth Judge Wright Armstrong, Jr.

OILFIELD WASTE ORDER READIED — As of August the Texas Railroad Commission and the State Board of Insurance will put into effect a 1963 law which requires oil and gas operators to file bonds with the Railroad Commission. Requirement is to assure that abandoned wells are properly plugged in accordance with all commission rules.

Law requires a \$5,000 bond for a single well. But it allows operators to post a \$10,000 blanket bond covering all wells they operate.

Enforcement of the act is part of the state's drive to prevent pollution of water supplies by oilfield salt water.

SHORT SNORTS — James J. Kelly of Austin now is assistant executive director of Texas Industrial Commission, succeeding Bill R. Shelton who will become general manager of Industrial Development, Inc., of Wichita Falls on August 1. Republican senatorial candidate George Bush has appointed Jim Allison, Jr., of Midland, former executive vice president of the Midland Reporter-Telegram, as his assistant state campaign manager.

Mr. and Mrs. J. R. Brandon, Mrs. Julia Heuer, and Miss Etta Harned left Sunday morning to attend the World's Fair, visit Niagara Falls and other points of interest.

Mrs. Ray Robertson and children of Pampa visited Sunday night and Monday with her parents, Mr. and Mrs. W. L. Jordon.

SOIL CONSERVATION DISTRICT NEWS

Stubble Mulching

Stubble mulching is the basic conservation measure where wind erosion is a problem. The fundamental of the practice is to keep a dead residue on the surface until conditions are such that another crop will give reasonable protection. However there is a job to be done everywhere in controlling both wind and water erosion, getting water into the ground, reducing crusting and reducing evaporation. To the extent this job cannot be done satisfactorily with growing crops and crops in the rotation that improve soil structure, the stubble mulching is applicable regardless of whether the problem is wind or water erosion or maintaining a satisfactory level of production.

Much greater progress has been in the adaptation of machinery and proving the economic merits of stubble mulching in the lower rainfall areas where wind erosion is the most common problem. Sweeps or blades are the only implements that will do a thorough job of leaving residues on the soil surface. Thirty inch sweeps are considered about the minimum size that will do the best job of stubble mulching. Remember that anything but the best is not satisfactory in dryland soils where rainfall is uncertain and wind erosion is most severe. Your Donley County S.C.S. personnel will discuss stubble mulching and its advantages at any time.

National Farm Safety Week July 19-25, 1964, has been proclaimed as National Farm Safety Week by President Johnson. The theme this year is "Safer Ameri-

can Families Everywhere."

During this period, which has been set aside to observe safety, we should examine our working and driving habits and make sure our procedures are safe. Safety should be a way of life. Accidents in rural America take thousands of lives each year, result in temporary or total disability to thousands and work untold hardship through loss of income and property damage.

People sometimes forget that any work can be performed safely. Most of the time we get away with careless acts. The one time we get caught may result in a cut finger, or it may add another statistic to the national death record from accidents for the year.

Some things to remember as we go about our daily activities are that almost half of all vehicle accidents occur because of excessive speed; over a third of all pedestrian accidents results from crossing in the middle of the street, and three-fourths of all vehicle and pedestrian accidents happen in clear weather.

Do not use hand tools improperly. They should be used only for their intended purpose. Make sure ladders are sound before using them. Work in a clear area on a clean surface.

Be safe — not a statistic.

Mrs. Ples Harper, president of the Texas Panhandle Heritage Foundation, was in Clarendon Friday, July 17, conferring with Mrs. Frank White, Jr., and Mrs. J. W. Adams who are the Donley County representatives on the Heritage Foundation Board.

Virgil Jordon of Friona visited Sunday afternoon in the W. L. Jordon home.

To Late To Classify:

FOR SALE — Alfalfa Hay. See Raymond Waldrop. (26-c)

REGULATIONS ON COMING DOVE SEASON SET

AUSTIN — The regulations for the coming mourning dove and white-winged dove season as promulgated by the Parks and Wildlife Commission are:

The North Zone mourning dove season opens at noon September 1 and runs through October 30. Shooting hours are from noon until sunset. Bag limits are 12 per day and 24 in possession.

The South Zone mourning dove

season opens September 26 and runs through November 24, except in counties having a special open season on white-winged doves where the season will close on November 20.

The Department also announced regulations for some of the other migratory game birds. Rails and gallinules (except coots) may be taken from September 1 through October 20. Shooting hours will be from sunrise to sunset. The bag and possession limits will be 15 in the aggregate.

Woodcock may be hunted from November 27 through January 15, from sunrise to sunset with a daily bag limit of five (5) and a possession limit of 10. The season on Wilson's snipe or jack snipe is from November 2 through January 15 from sunrise to sunset. Daily limit is eight (8) and possession limit is 16.

Mrs. Ray Robertson and children of Pampa and Mrs. W. L. Jordon visited Mr. and Mrs. Lamar Aten Monday.

Congratulations on Your Formal Opening

of Jake's Steak-Out

We join the many friends of Mr. & Mrs. Jake Lamberth and Mr. & Mrs. Jimmy Carter in extending congratulations on your move into your new home.

As the electrical, heating, air conditioning and plumbing contractor, we are proud to have been a part of the team that put up the new building for Jake's Steak-Out.
