Liquor Control Board Agents Make Raid; Two Negroes Fined \$737.60

For the first time in a long time, the Texas Liquor Control Board moved in last week and four intoxicant charges against two Negroes were filed and the total results was a fine of \$737.60. According to County Attorney Bill Lowe, who filed the charges Saturday afternoon at the request of Liquor Control agents, two agents posing as dove hunters, visited the establishment of Walter Alexander last Wednesday afternoon and again Saturday afternoon. These two men secured the necessary information to bring about the charges and after being served beer in the establishment Saturday afternoon, several other agents, led by Haskell H. Hall, head of the board in Amarillo, moved in. Quite an assortment of beer, wine and liquor were confiscated. Willie Gardner, who was said to be employed by Alexander, was charged with Possessing Beer for sale and for selling same in connection with the visit of the agents Wednesday. Walter Alexander was charged with the same after the visit Saturday. Both pled guilty to the charges in County Court before Judge R. E. Drennan yesterday and were assessed fines each of \$100 for possession and \$200 each for selling making a total of \$300 fine for each man plus court costs which brought the grand total to \$737.60. Mr. Hall filed the complaint against Alexander in connection with the Saturday raid and another agent Joseph Frazier filed the complaint against Willie Gardner in connection with the Wednesday visit. Mr. Alexander was present and sold beer to the two Agents but was absent when the raid took place. Along about the same time the raid was made at Walter Alexander's place, another bit of excitement was taking place in connection with beer a mile west of the Country Club. A farmer in that area saw something being unloaded from a car into a culbert. Upon investigation he found 12 cases of cold beer. In seeking more official information in regard to the 12 cases of beer, your Editor was informed by Sheriff Behrens that there was "no information for publication."

Fine Arts Entries Requested For Fair

The Clarendon Chapter of Young Homemakers would like to encourage all artists of the local trade area and Donley County in particular to enter your work in the Donley County Fair, September 18-19. All pictures must be painted by the exhibitor. There will be three places in each class. All pictures will be tagged showing the owner's name, address, and class entered. Those people painting one year or less and those painting two years or more will be judged in different classes. We hope that the children's division will be larger this year. The division will include the 6-13 year old. Judging will be at 11 a.m. on September 18th. The following divisions were suggested by the steering committee: Heavy Oil; Light Oil, Water Color; Pencil; Hand tooled pictures, and number painting. Entries in both of the above divisions will be protected by the committee in charge, however, the fair and committee will not be responsible for loss or theft. Ribbons will be given for prizes. If you have any question about entries in the Fine Arts Department of the County Fair, you should contact Mrs. Fred Bouriland at the High School, Chairman of the Department and Young Homemaker Advisor.

Jr. High Colts To Open Season Here Thrusday Night With White Deer

The Junior High Colts will open their football season here Thursday night, September 17, when they meet the Junior High team from White Deer on Broncho field. Game time is 7:30 p.m. Coaches Pete Bromley and Jack Hall report 55 boys have come out for the team this year and are looking forward to a fine season. The boys have some new equipment of which they are real proud and are most appreciative. Each game will boast a different captain and co-captain depending on performance at the previous game. Cheer leaders selected for this year are Kathy Craft, Lenita Fedric, and Debbie McAnear from the eighth grade; and Candy Skelton and Paulette Pfeiffer from the seventh grade. Colt mothers will have the concession stand open for all home games and will have the usual drinks and food for sale. The Colts will be in there to win their game this Thursday night so all of you football fans come out and give them your support. This will be the only home game this week.

Expect To Award Bid For Greenbelt Tonite

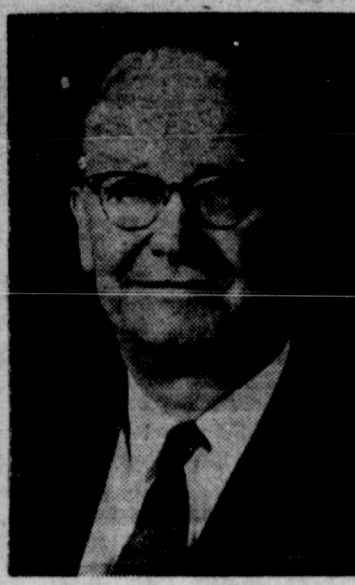

The contract to build the pipeline from Lake Creek east of Lelia Lake to Childress and Quanah is expected to be let at a meeting of the directors of the Greenbelt Municipal and Industrial Water Authority at Childress tonight, Thursday, it was announced this week by W. Carroll Knorpp, local director of the Authority. Low bidder for the project, which is the first phase of the Greenbelt water project was R. H. Fulton of Lubbock. The bid was \$3,041,302.20. His bid states that the project will be completed by June 1, 1965. The June 1, 1965 completion time will permit the system to be placed in operation prior to next summers peak loads, and will give Childress and Quanah good drinking water, something they have not had thru the summer months for quite some time. The hearing on the re-location of the dam site north of town at the Red River Bridge crossing will come up at Austin later this month.

Lelia Lake Paymaster Gin Sets Open House

An announcement is appearing in the Leader this week of the Open House at the new Paymaster Gin at Lelia Lake next Thursday, September 24th at 7:30 P.M. Quinn Aten, gin manager, is inviting all families of the area to see and inspect the new Gin which has been constructed a short distance south of the old location at Lelia Lake. The new gin is of higher capacity and the gin yard will accommodate a much larger number of cotton trailers etc. We are in a position to render a better service to our customers in every way. Mr. Aten stated. Free door prizes, refreshments and gifts for the children will be a big feature of the Open House, he added.

IN AMARILLO HOSPITAL

Bill Todd, co-owner of the Household Supply Co., is a patient in Northwest Texas Hospital in Amarillo and it is anticipated that he will undergo surgery later this week for a stomach perforation. His many friends wish him a speedy recovery.

Bronchos Journey To Panhandle Friday Night To Play Panthers

With two defeats behind them and looking for the sweet taste of victory, the Clarendon Bronchos will be journeying to Panhandle Friday night for their third non-conference encounter of the season. Game time will be 8 p.m. The Panthers suffered defeat last Friday night also, going down under the onslaught of McLean 30-6. This was their second defeat of the young season also, and it looks like both teams will be trying to move over to the winning side of the ledger. Coach Jeff Walker reports the Bronchos all in good condition with no serious injuries to date. After ironing out several wrinkles this week, the Bronchos should have a good chance to defeat the Panthers, he stated. Probable starters in the game Friday night will be the following in the line beginning at left end; Richard Thornberry, Freddie McAnear, Mike Horton, Kenneth Price, Douglas Bradshaw, Gene Branum, and Bobby Cain. In the backfield will be David Mooring, Jack Robinson, John Grady and Richard Bell. Strong fan support will be appreciated by the coaches as well as the squad members so make your plans now to journey to Panhandle for the game Friday night and give them your moral support.

Soaking Rain Late But Most Welcome

The first good soaking rain in several months covered the entire area Monday night and Tuesday and eventhough it was late to help row crops very much, it was most welcome as it will still help the situation in many ways. Some parts of the country received up to around four inches and many dry stock tanks were filled and running over. The moisture will help range land and will also give farmers and ranchers an opportunity to plant their winter grain crops if they have not already dusted them in. The area west of Ashtola reported three to four inches; Hubert Rhoades reported a total of 2.25 at Ashtola; C. C. Rich reported a total of 3 inches at the Country Club; Ellis Chenault caught 1.75 inches at Lelia Lake and W. G. Johnson had a total of 2.55 at Hedley. Our official weather observer here in town measured a total of 1.97 in the southeast part of town while unofficial reports of 2.50 to 3 inches were reported for the west part of town and west of town. The addition of this 1.97 brings our yearly total to 11.97.

Exhibits, Flower Show & Horse Show Expected To Attract Many Visitors

This week is the week of the Donley County Fair and Quarter Horse show says County Agent, Flip Breedlove. All exhibits will be set up on Thursday, September 17, so they will be ready for the opening of the fair September 18. The Fair will be held on both the 18th and 19th of September in Clarendon. The Quarter Horse show will be held at the Rodeo Grounds at 1 p.m. September 18. This is an American Quarter Horse Association approved show. Breedlove said that judging in all departments will be on the 18th starting at 10 a.m. with the community agriculture exhibits and then follow the catalog for judging schedules. Everyone is advised to follow the catalogue for instructions of the various departments. Additional information can be secured by contacting the superintendents of each department. Every one is urged to start early on September 17th setting up the exhibits and space for the various exhibits will be assigned when you start to set up your display. County Agent, Flip Breedlove will set up a county agriculture exhibit at the Tri-State Fair in Amarillo on Sunday, September 20. This exhibit will be set up from products taken from the exhibits of the communities in the County Fair. Superintendents of the various departments of the Fair are: Flower Show sponsored by Les Beaux Arts Club, Mrs. Gene Alderson; Merchants department, R. E. Drennan; Community Agriculture exhibits, Flip Breedlove; Lloyd Reid, J. R. Brandon, Art Sommerfeld, and W. H. Cooke III; Home Economics department for school classes, Ruth Richerson and Ellen Bryan; Fine Arts Department, Mrs. Fred Bouriland; Canned Goods, County Homemade Baking and Needle Craft departments, Bobby Dishman; Horse Show, Jerry Hawkins, Sid Stewart, Virginia Browder, Joe McMurtry, and Flip Breedlove. The premium money made available for the different departments of the County Fair was paid for by the merchants and individuals whose names appear in the County Fair catalog. Breedlove stated that he would be in the Fair Building all day Thursday, September 17th, to assist anyone in getting located for their exhibits so come early and get a good place in the building for your display.

Communism Authority To Speak Here September 22

Dr. Floyd D. Golden, Educational Consultant with Rittenberry and Rittenberry Architects, has accepted an invitation to speak to the Jaycees on Tuesday, September 22, 1964, at 7:30 P. M. in the College Auditorium. Dr. Golden was chosen one of thirty Educational Administrators to tour the Soviet Union, primarily to study their Educational System. In addition to studying the Educational System the group also gave considerable time to the study of Economic, Political conditions, and Religion in the Soviet Union. He received his B. S. degree from West Texas College in 1925, his M. A. degree from University of Colorado, and has done advanced study at Colorado College of Education; University of Texas, and Columbia University. He received an Honorary LL.D. from Hardin-Simons University in 1950. Dr. Golden's educational experience has been in the administrative capacity since 1921. He has served as Principal, Superintendent, Dean and President; serving as President of Eastern New Mexico University from 1941 to 1960. The public is invited to come and hear Dr. Golden's speech. The Jaycees think the speech will be well worth your time. Joycece Lloyd Leeper who has charge of the program says: "Let's fill up the auditorium with a capacity crowd to hear this fine speaker."

HERE'S SOME MORE MOM!

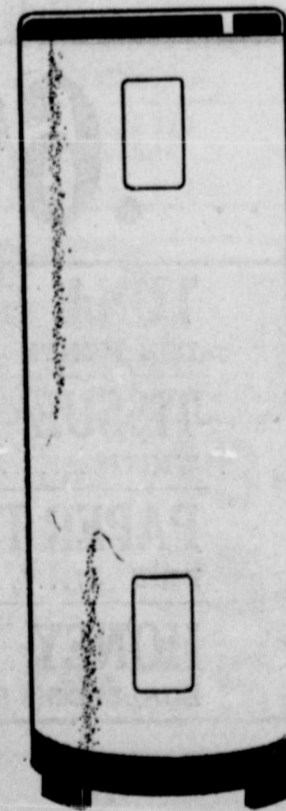

Youngsters have a knack for messing up things... themselves, the house, their clothes. This is especially true during the winter months. And it takes a lot of hot water to clean up. The new 3-times-faster, quick recovery, flameless electric water heater is time saving and

provides a more-than-ample supply of hot water. A strict temperature control prevents overheating and there's nothing to re-set, regulate, or turn on and off except the faucet.

It can be easily installed anywhere in the house, since there is no flame, no flue is needed. Only a flameless electric water heater is fully automatic.

See your electric appliance dealer or your plumbing fixtures dealer about installing a flameless electric water heater.

COME TO THE
FAIR

There'll be something of everything Donley County Produces. We urge you to take a long, long look at all of this — the real wealth of this area... wealth that comes from the soil and from the strength of the people who live here.

There'll be ribbons and trophies for the winners... but we predict every entry will be of prize-winning quality. Those who really deserve the awards are the men and women who have worked long and hard to make this fair a success.

PATHFINDER CLUB OPENS YEAR WITH BREAKFAST

Members of Pathfinder Club opened the new club year with a breakfast in the dining room at Jake's Steak-Out Friday morning, September 11. The officers' table was accented by a beautiful arrangement of pink carnations, the club flower. Quartet tables were centered with a bud vase and a pink carnation.

Mrs. John Bass called the meeting to order and pronounced the invocation. As retiring president, she thanked the club members for their cooperation throughout the year and presented each of her staff of officers a gift. On behalf of the club, Mrs. Bass was presented a gift for her leadership throughout the past year.

Mrs. T. M. Caldwell, Jr. was introduced to the club as president for 1964-65 and the new staff of officers were installed. A short business session was held and the coming year's work discussed. Mrs. William J. Lowe gave a history of the club for 1963-64.

It was announced that Mrs. Ella Willis will be guest speaker at the next meeting, September 25th.

Hostesses for the breakfast were Mrs. J. H. Howze and Mrs. C. G. Stricklin.

Attending were Misses Ruth Ricerson and Mable Mongole; also Mesdames Karl H. Adams, C. E. Bairfield, John Bass, George Benson, Fred Buntin, H. T. Burton, T. M. Caldwell, Jr., Joe Goldston, Wm. S. Greene, Lee Holland, J. H. Howze, Morris Ledger, Genoa Lowe, S. W. Lowe, Wm. J. Lowe, Joe Lovell, C. T. McMurtry, Frank Phelan, Jr., Dick Shelton, Heckle Stark, C. G. Stricklin, and Glen White.

GRANDDAUGHTER OF LOCAL RESIDENT WEDS

Miss Judy Lane Green and David Bennett Nash, Jr. exchanged wedding vows Saturday evening in the chapel of the First Methodist Church, Temple, Texas.

The bride is the daughter of Mr. and Mrs. Robert Lee Green of Temple and granddaughter of Mr. and Mrs. Geo. L. Green of Clarendon. The bridegroom is the son of Mrs. David Bennett Nash of Fort Worth and the late Mr. Nash.

The Rev. Ervin M. Gatherings read the double-ring vows before a setting of pink roses flanked by tiered candelabra.

Given in marriage by her father, the bride wore a gown of white organza over peau de soie. Mrs. Paul H. Walser of Temple was her sister's matron of honor. Hollis Nash of Fort Worth was his brother's best man.

Following the wedding a reception was held in the church parlor.

The couple will make their home in Houston where Mr. Nash will attend the University of Houston.

Among the guests to attend the wedding were Mr. and Mrs. Geo. L. Green of Clarendon, Mrs. Lodi Green Bentley of Amarillo, and Miss Heelen Green of Dallas.

SENIOR H.D. CLUB TO MEET

The Senior Home Demonstration Club will meet Friday afternoon, September 18, at 3 p.m. in the home of Mrs. Virgil Poole. This will be the first meeting of the new club year and all members are urged to be present.

LOCAL YHT MEMBERS ATTEND AREA I MEET

At the Area I convention of Young Homemakers of Texas held in Hereford Saturday, September 12, Mrs. Delbert Reed, first vice-president of the Clarendon Young Homemakers became Area I President.

Approximately 150 were in attendance. Delegates representing Clarendon were Mrs. Velma Bourland, advisor; Mrs. Pat Reed, Mrs. Ginny Garland, Mrs. Peggy Maxcey, and Miss Lynn Bourland, local "Little Sister." Guests for the local chapter were Mrs. Steve Reynolds, Mr. and Mrs. Ted Brock, Mr. Bourland and Miss Beth Bourland.

An inspirational talk on Family Living and a birthday party marking the third year that the Young Homemakers have been active in Texas were on the afternoon agenda, and Rev. Leon Hill of Amarillo was speaker at the banquet for Young Homemakers and the Young Farmers that evening.

Awards were presented at the banquet. Miss Lynn Bourland was selected to win the "Little Sister" award from a group of eight contestants. She will compete for state "Little Sister" at the convention to be held at Dallas in January.

HARMONY CLASS ENJOYS COFFEE

Thursday morning, September 10, Mrs. Charles Lowry entertained members of the Harmony Class of the Methodist Church and guests with a coffee in her home. Mrs. J. R. Gillham was assisting hostess. Twenty-one members and guests enjoyed the occasion. A fruit plate, assorted breads, rolls and coffee were served.

The following officers were elected for the coming year: President, Mrs. Ruby Hutton; 1st Vice-President, Mrs. Charles Lowry; 2nd Vice-President, Mrs. C. A. Pitts; 3rd Vice-President, Mrs. Homer Bones; Secretary, Mrs. Otis Naylor; Assistant Secretary, Mrs. O. C. Watson. Rep.

The average annual number of deaths from snakebites in the U.S. is less than 50 a year.

MISS LYNN BOURLAND

LOCAL GIRL WINS F.H.A. LITTLE SISTER AWARD

Miss Lynn Bourland, daughter of Mr. and Mrs. Fred Bourland was selected from a group of eight contestants for the F.H.A. Little Sister Award given each year at the Area I Young Homemakers' meeting. She will now represent Area I in competing for a scholarship award at the Young Homemakers' meeting in Dallas in January.

To be eligible for this award the local contestant was required to submit a copy of her F.H.A. program of work, maintain a grade average of 90 or above, plan to major in some phase of homemaking in college, and be a senior in high school at the time the award is made. In addition, she must have a record of active participation in home, school, chapter, and community.

Lynn is president of her local F.H.A. chapter, participates in the Annual staff, drill team, Future Teachers, basketball, and works as a student assistant for the principal and homemaking teacher. Her future plans are to attend Clarendon Junior College for two years and to graduate from Texas Tech.

1965 ACP

Most of the 1964 ACP practices carried out have been paid. The forage sorghum practices are to be paid within the next few days. Many producers are now signing up to receive assistance to seed rye for winter cover; The cost-share assistance for this practice is \$2.00 per acre. The seeding rate is 48 lb. to 60 lb. per acre, no harvesting is allowed unless the assistance is refunded, and grazing must be withheld until February 1, 1965.

The maximum cost-share limitation for any person with respect to farms and ranching units in Texas or Donley County for approved practices under the ACP Program has been increased from \$1000 to \$1500. At the present time we have approximately \$10,000 in our ACP budget to carry us through the rest of the year. We would urge any of you who have put off carrying out a needed conservation practice on your farm or ranch to consider getting it done and any producers who have not participated in the ACP Program to get acquainted with its benefits.

JIM JUDGE, ATTENDANT

Ice Capades To Open September 21st At Tri State Fair

The 1964 edition of the Ice Capades opens September 21 at the Tri State Fair in Amarillo. This year's production promises to be another outstanding attraction of the Fair.

Many people attend the show year after year for the laughs provoked by the ice-comedians and Hans Mueller and Stan Belliveau, master of slapstick, say that audience reaction to their acts is partially due to the situations set up and the routine and falls which they perfect.

And because Ice Capades loves to hear an audience respond, in addition to Belliveau and Mueller, they have provided specialty performer Jan Tors, British ice comedian Terry Head, and veteran Freddie Trenkler, the Charlie Chaplin of the ice.

Other stars in this year's production are U. S. Champion Barbara Roles, Ann Margaret Frei, Gabriele, The Maxfields, Per Larsen, Gisela, Revell and Desjardins, Tia & Martin, Richard Garrett and Doug Austin. One production of Ice Capades is always billed to delight the

children. This year it is a "Kid-die Circus". And when it comes to a circus, just who are the children? We have a suspicion their names are Grandma, Grandpa, Mom and Dad as well as Johnny, Mary Susan, and David.

Ice Capades skating circus is filled with imaginative characters created for fun, pure Disneyland characters. See what happens when a "ship on the desert" is put on skates and pushed into the ice, or when a two-hump camel puts on skates. When the orchestra swings into the melody "Tie Me Kangaroo Down, Sport" a quartet of kangaroos bounce into view. All of this to delight the youngsters and adults plus the appearance of diminutive Ann Margaret Frei one of Sweden's champions.

Other production numbers include "Masquerade," "A Salute to Cole Porter," "The Annapoliettes," "Viva Italia," and "Hallelujah."

Visitors in the home of Cecil Mills and A. H. Bowling last week were Mr. and Mrs. Mayo Black and family, Mr. and Mrs. James King and family of Amarillo; Mr. and Mrs. Wesley Mills and family, Mr. and Mrs. Wiley Mills of Lubbock; Mr. and Mrs. Dale Mills of Lelia Lake; Mr.

and Mrs. J. C. Mills and family, Mr. and Mrs. Alfred Bowling, and Mr. and Mrs. Gary Bowling and baby of Ft. Worth.

MODEL SPACECRAFT AT TRI-STATE FAIR

Perhaps the most looked-at and talked-about exhibit at this year's Tri-State Fair, September 21-26, in Amarillo will be a model of the spacecraft that will land American astronauts on the moon before 1970.

The highly detailed model of the Apollo spacecraft is now being assembled for free public display at the 41st annual Tri-State Fair.

When the spacecraft takes off for a round-trip to the moon within the next few years, it will carry three astronauts.

One part of the spider-legged spacecraft will house two astronauts who will descend to the surface of the moon. The third astronaut will remain in another section of the craft as it makes a lunar orbit.

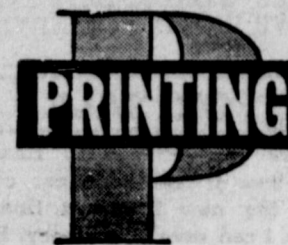

The round-trip to the moon is expected to require six days.

The moon spacecraft is but one of several atomic-age exhibits that will be exhibited through the six days and nights of the Tri-State Fair.

Early Greek literature reveals little about the practical techniques of manufacture, since Greek citizens did not engage in work and non-citizens were ignored in contemporary literature.

Some species of wasps live in social groups while others lead a solitary way of life.

Dear Uncle Zeb,

I have always considered myself a conservative, but now that we have an out and outer running for president I just can't find the courage to take the plunge. When I think of Goldwater I remember the days when we didn't even have hot water. Please help me.

A Hot Water Conservative Dear Hot Water,

Just to take the chill off of you a bit someone has said that a liberal is a conservative that has already spent his own money and started on the other fellow. Anyway, each administration since the cold water thirties, and regardless of party affiliation has spent more money than his predecessor. He has

also advocated more borrowing against the credit of our children than the one he replaced. This can't go on forever. On second thought, this trend will likely continue regardless of who is elected president, just so long as we open our mouths and wait for governmental worms to be dropped in . . . Uncle Zeb.

Dear Uncle Zeb, Please give me a one word answer to the following question: are you a conservative, or a liberal? signed Curious.

The one word is "YES". But if you allowed me to explain, I would have said that I am conservative with that which is wasted on the public in general, but liberal with that which is spent on the improvement of my own way of life. Signed Uncle Zeb.

Life is a funny experience: just about the time we find out 'What's Cookin', we discover that we have lost most of our appetite for such things.

Everybody thinks that children ought to be made to mind, except those who have the responsibility of seeing that they do, and of course the grandparents.

The dummy Charlie McCarthy once said; "You can't cheat an honest man." . . . The trouble nowadays is that if you found one at all, he would likely be too poor

AUSTIN, Tex. — "Interbasin diversions," the process of moving water from where it is to where it is needed, is being talked about more and more in Texas where half of the state's water supply is centered in the eastern one-seventh of the state.

It will be the topic of three speakers at the Association of Western State Engineers in Austin on September 21.

Speakers are Frank Raab of Oklahoma, David Hale of New Mexico and William Warne of California. All three are water officials in states which have turned to interbasin diversion to solve some water problems.

Some moving already has taken place in Texas. In the Trinity watershed, for instance, Dallas is completing a pipeline and treatment plant for moving Sabine River water from Lake Tawakoni to Dallas. Also Houston has signed a contract with the Trinity River Authority to move Trinity water to Houston.

Interbasin diversion will become the subject of more conversations for Texans when the U. S. Bureau of Reclamation releases its pending report. It proposes a 400-mile canal to move surplus water from the Sabine and Neches basins, southward to link all major rivers in Texas and meet the needs of the Gulf Coast to a point below Corpus Christi.

Gov. John Connally has asked the Texas Water Commission to speed up water planning to seek alternatives to the Bureau of Reclamation's forthcoming proposal. But the commission is strapped by the bounds of a budget inadequate for such a study, unless the 1965 Legislature increases its funds.

INSURANCE INTEREST CHA-

RGE UPHELD — An effort by the Allstate Insurance Company to knock out the State Board of Insurance order requiring a minimum charge of six per cent interest on insurance premiums paid by installments has failed.

Board said it found nothing in the hearing to change its mind. It reported that abuses of Texas laws, prohibiting inducements to prospective policyholders and prohibiting discrimination between policyholders, were taking place under deferred payment plans.

"Net costs of handling premium payments financed by insurance companies at cut-rate interest, or no interest, will ultimately be paid by all insureds," said Board Chairman Hunter McLean. "Those electing deferred payment plans should bear such costs."

A spokesman for one company charged that criticism of ruling by the National Association of Independent Insurers laid the groundwork for "an attack on the Texas rating system and policy control." N.A.I.A. charged the order discriminates against Texas policyholders, and that the board had no authority to adopt it.

OUT OF THE RED — State government ended its 1963-64 fiscal year on August 31 with a fat general revenue fund balance of \$73,000,000.

It was the brightest year-end figure since 1949.

"It looks better than it has for a long time," beamed State Comptroller Robert S. Calvert. Five years of deficits still are fresh in his memory. One year the State ran \$110,000,000 in the red.

Calvert declined to speculate on the amount of the surplus

which will be available for legislative appropriation.

Governor Connally predicted earlier that the general revenue surplus may reach \$80,000,000 next year. Despite the abundance of money, the Governor said the Legislature likely will have to pass a new tax bill or amend the existing rates in 1965. This because of demands for more spending in education and other areas.

Calvert noted three factors in the favorable fiscal 1964 close-out: a \$24,000,000 increase this year over 1963 in general tax revenues; an \$8,000,000 jump in the auto sales tax; and a \$3,000,000 crude oil tax increase.

Comptroller's report showed state revenue collections during 1964 were more than \$1,600,000,000, compared with \$1,500,000,000 in 1963. Expenditures totaled \$1,500,000,000, compared with \$1,400,000,000 the previous year.

General economic growth of the state; the federal income tax reduction designed to prime spending; and removal of the \$10 clothing exemption from the state sales tax were seen as largely responsible for the bigger yield from that levy.

CABINET MEETINGS RESUMED — Governor Connally has resumed his schedule of unofficial "cabinet" meetings with top state agency heads.

He started the session last October, but had to discontinue them when he was wounded by the same assassin who killed President Kennedy.

Last week's meeting was held in the office of the Texts Education Agency. Emphasized was overall operations and financing of public schools. A general discussion of agency problems with the governor followed.

These sessions have a twofold purpose: to analyze workings of departments one by one; and to familiarize the governor and other officials with mutual problems.

HIGHWAYS HURRY - UP ASKED — Citizens from San Antonio, Corpus Christi and the counties which connect them asked the State Highway Commission to "hurry up" and schedule work on the proposed Interstate Highway between the two cities so that construction will be

completed by 1968.

That is the year when San Antonio will produce the HemisFair; Padre Island National Sea shore will be in full-scale operation and Mexico City will host the World Olympics. Nueces County Judge Noah Kennedy Jr. said "We would just like to be in a position to swap tourists with the city of San Antonio."

"Hurry-up" urgings also were heard from Valley leaders who pleaded with the Highway Commission to hasten construction of the Valley Expressway (US 83) because the current system of routing traffic on access roads is hazardous.

Lower Rio Grande Valley Chamber of Commerce vice-president Jack H. Drake of Weslaco told commissioners the Valley death rate has risen 40 per cent this year — compared to a statewide rise of 13 per cent — because of accidents on the access roads adjacent to the expressway route.

Commission immediately authorized construction of a 1.7-mile section of the expressway within the city limits of Mercedes.

ANTI - MOSQUITO CAMPAIGN — Spurred by the spread of encephalitis, state, county and city officials all over Texas are conducting a vast campaign against mosquitoes, according to State Health Commissioner J. E. Peavy.

Although much of the war against the disease carriers is waged constantly in areas which have tax-supported districts to combat disease-bearing insects, extra measures are being taken in many places, including Houston where 75 two-man spraying crews are at work.

Dr. Peavy said that as of September 1, a total of 474 cases of encephalitis and 19 deaths had been reported from Houston; 61 cases and five deaths in the Upper Plains region; and a smattering in other counties.

He said the 1964 epidemic has been the worst since 1954, when close to 1,000 cases — most in South Texas — were reported. In a "normal" year only 50 to 75 cases develop.

Dr. Peavy said he feels that the intensive anti-mosquito campaign, and the advent of cool weather will combine to beat down the disease, which is dwindling somewhat.

TRAFFIC SURVEY FUNDS CHALLENGED — A new attorney general's opinion holding that counties cannot spend their funds for traffic surveys required to obtain federal highway aid has confused state highway administrators.

Problems presented by the opinion were outlined to the Attorney General's office. But a revision of the opinion was not officially requested, according to Carr's aides.

Thirteen counties now are participating in the financing of detailed traffic surveys on a 15 per cent local share basis. They are Cameron, Dallas, El Paso, Galveston, Harris, Jefferson, Lubbock, Orange, Potter, Randall, Smith, Tarrant and Webb.

Although cost of the studies is relatively minor, they are important to Texas' 22 metropolitan areas. They must be under way by next July if federal aid to the urban centers is to continue. Cities in nearly half the areas are picking up the local bill, without help from counties. If the opinion stands up, city governments may have to take over in the other 13 counties.

SHORT SNORTS — John C. White, Commissioner of Agriculture, advises that Rio Grande cotton farmers will vote September 30 on whether or not to include an escrow program as part of pink bollworm controls during the 1965 season.

Director Homer Garrison Jr. of the Department of Public Safety reminds motorists that the new auto inspection period began September 1 and ends next April 15.

Women now lead in another field; there are 68,763 more women drivers than men drivers in Texas, specifically 2,642,756 women compared with 2,573,933 men. Longer terms for water district board members can be provided only by constitutional amendment, says Atty. Gen. Waggoner Carr in a recent opinion from his office. Carr also concluded that the school land board has authority to reduce gas royalty from that provided in the original lease by entering into a utilization or pooling agreement at a lower royalty figure. Texas' business activity, on a steady upswing for three and a half years, rose three per cent to a new high dur-

ing July, says the UT Bureau of Business Research. State Board for Hospitals and Special Schools is expected to select a site for a new special school for mentally retarded in West Texas as at a September 14 meeting here. Latest Census Bureau headcount shows Texas has replaced Ohio as the fifth most populous state with 10,300,000.

Veronal, a sleep-producing drug, was named for Verona, the sleepest city the discoverer knew.

Amber with shades of blue, red, or purple is found in the Simeto River near Catania, Sicily.

Texans To Observe Hiway Week Oct. 4-10

AUSTIN, TEXAS — With a theme of "Mobility: Your Fifth Freedom," Texans will observe Highway Week October 4-10. Designating Highway Week, Governor John Connally stated: "It may be fairly said that the growth and prosperity of Texas relates as much to the caliber of its highway system as does the highway system to the growth of Texas."

Sponsored by the Texas Good Roads Association, the Highway Week theme adds mobility to the celebrated Four Freedoms enunciated by the late Presi-

dent Franklin D. Roosevelt. His four freedoms were freedom of worship and expression and freedom from want and from fear.

The Governor's proclamation points out:

"Texans need to be reminded of the excellence of their highways both as instruments for and products of their liberty."

"And although Texas builds highways faster, cheaper, and at greater length than any other state, there is need for vigilance to assure continuation of their expansion and improvement."

PEP CLUB TO SELL STADIUM CUSHIONS

The Clarendon High School Pep Club will be selling stadium cushions in order to raise some much needed cash for their organization. The Jaycees sold advertisement on the cushion and are giving the pep club an opportunity to make some money for their club by offering them for sale. The cushion is made of foam rubber and covered with vinyl and is a very fine cushion. It will not only serve as a very useful stadium cushion but will be a souvenir cushion, useful around the home, car or office.

The cushions are available in broncho and white with the broncho or in green and white with the Bulldog.

The price will be \$2.00 per cushion, and when the pep club comes by to see you, purchase one or more of the cushions and help out a worthy organization.

JAYCEES TO SPONSOR SQUARE DANCE LESSONS

The Clarendon Jaycees voted last week to sponsor Square Dance Lessons here. The lessons are FREE and will begin October 3, 1964 in the Lion's Hall at 7:00 P.M.

Mr. Dusty Randall of Amarillo will be the instructor for the lessons, which will be offered about twice per month for a total of fourteen lessons. There will be no charge for the lessons.

Couples who are interested in learning to Square Dance should contact Jaycee Lloyd Leeper. He can give you the full details.

Bonchos Defeated By Claude 20-6

The Clarendon Bronchos came to life a bit late in the game with Claude last Friday night but at least changed a lop-sided score to a bit more even affair in the final period of the game.

The Bronchos were lagging 20 points in the fourth quarter when Mooring passed to Richard Bell for about 7 yards and the 6 points. Bell took a pass from Mooring for the extra point. A short time later, Archie Smith actually bulldozed his way about 12 yards and the second tally. Mooring passed to Bell again for the extra two points.

The Mustangs dominated the field the greater portion of the first three quarters, racking up 14 points in the first half and adding another six points in the third quarter.

According to Coach Jeff Walker, Doug Bradshaw was outstanding for the Bronchos on the defense and Buster Branum, Richard Bell, David Mooring and Archie Smith on the offense.

REVIVAL ANNOUNCED AT ASSEMBLY OF GOD

A revival meeting will begin at the Assembly of God Church in Clarendon September 21. Rev. and Mrs. Franklin Burns will be the evangelists. There will be plenty of good music, singing and good preaching. Everyone is invited, announced pastor, Roy Eason.

Vocational Rehabilitation Program At Clarendon JC

Clarendon Junior College is an approved educational institution for those who are qualified to enroll under the Vocational Rehabilitation program, The Texas Education Agency, through the Vocational Rehabilitation Office, offers payment of tuition and other services to students who have certain partial handicaps, provided the vocational objective selected by the student has been approved by a rehabilitation counselor.

THE STATE OF TEXAS TO ANY SHERIFF OR ANY CONSTABLE WITHIN THE STATE OF TEXAS GREETING:

You are hereby commanded to cause to be published once each week for four consecutive

weeks, the first publication to be at least twenty-eight days before the return day thereof in a newspaper printed in Donley County, Texas, the accompanying citations, of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: All of the unknown heirs and legal representatives of Belle Kempson Wyman, deceased; and any and all other persons claiming any title and interest in the land hereinafter

described under deed heretofore given to Ben Kempson of Donley County dated October 17, 1911, recorded in Volume 30, Page 458 of the Deed Records of Donley County, Texas, Defendants, Greeting:

YOU ARE HEREBY COMMANDED

to appear before the Honorable 100th Judicial District Court, of Donley County at the Courthouse thereof, in Clarendon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday

next after the expiration of forty-two days from the date of the issuance of this citation, same being the 26th day of October, A.D. 1964, to Plaintiff's petition filed in said court, on the 18th day of August A. D. 1964, in this cause numbered 3162 on the docket of said court and styled Lizzie Kempson, Plaintiff, vs. all of the unknown heirs and legal representatives of Dallye Kempson Shackelford, deceased, being Gladys Blancett, Milbra Wright, Alford Shackelford, Charles Wilson Shackelford and J. L. Shackelford and any and all other heirs and legal representatives of the said Dallye Kempson Shackelford, deceased, who are unknown to Plaintiff, if any; and all of the heirs and legal representatives of Ora Kempson Nixon, deceased, being Harold Nixon, and any and all other heirs and legal representatives of the said Ora Kempson Nixon, deceased, who are unknown to Plaintiff, if any; and all other persons claiming any title or interest in the land hereinafter described under deed heretofore given Ben Kempson, dated October 17, 1911, and recorded in Volume

30, Page 458 of the Deed Records of Donley County, Texas, all of whom are designated Defendants. A brief statement of the nature of this suit is as follows, to-wit: Suit for partition of the following described real estate: All of the Southeast Quarter (SE/4) of Section Number Twenty-eight (28), in Block C-7, Gulf Colorado and Santa Fe Ry. Co. Survey, Certificate No. 4/667, Donley County, Texas, containing 160 acres more or less.

The Defendants herein cited are alleged to own 17/288ths undivided interest in and to the above described property and all other Defendants are alleged to own 34/288ths undivided interest collectively; as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Welcome To The Fair!

It's the best thing to happen this year

The many exhibits, the community products, the prize horses, all will reflect the great progress the county has made, just as it reflects our potential for the future.

There is nothing like friendly competition to stimulate improvement, whether it is toward better ideas or better crops.

At the Fair, you'll get ideas from the exhibits, from visiting with friends and from displays that will help you in your own business and in your farm.

Local Patients Point Up Need For Hospital

The increasingly serious bed shortage in the Amarillo hospitals, and the resulting possible effect on our own residents is becoming a matter of acute

concern to civic leaders, medical men and patients here in Clarendon. As is well known, over 10,000 of the 30,000 patients admitted in 1963 to the Amarillo hospitals came from Golden Spread communities outside the city. Of these, Clarendon contributed 224 cases.

Therefore the drive to add 200 general medical and surgical beds to the Amarillo facilities by building the new High Plains Baptist Hospital becomes as important to Clarendon people as it is to the citizens of Amarillo. Last year, for instance, the 224 patients from here spent an average of 7.2 patient days in these institutions. This is equivalent to occupying 4.4 beds the year round since a fully equipped hospital costs around \$25,000 per bed, our city had the benefit of about \$110,000 worth of hospital facilities last year.

The hospital bed shortage at Amarillo and the need for the new High Plains institution take on added significance, too when it is realized what a special position the Amarillo hospitals occupy in our Clarendon health picture. As one Clarendon leader puts it: "The Amarillo hospitals do not supplant our own home-town hospital and they are not there just to provide an overflow for our local institution."

They are largely referral hospitals which back up our own facilities. In many, perhaps most cases, people go from here to Amarillo because they are referred there by their doctors

here in town. These doctors want to give their patients the benefit of Amarillo's greater resources in the medical specialties, and in the equipment and facilities which only these larger hospitals can afford."

With the growth of our own population, that of Amarillo and that of the Golden Spread in general, the need for quick action to relieve the present load on hospital capacity is obvious. In addition, the opening of High Plains Baptist Hospital, and the great Medical Center that is taking shape around it will mean an influx of even more specialized talent and more advanced facilities to serve the Golden Spread.

Actually, the development of the Medical Center is currently progressing right along with the drive for High Plains Baptist Hospital. The High Plains institution and the Medical Center are both primary projects of the Amarillo Area Foundation, a community trust which is empowered to receive and disburse gifts — both living and testamentary — from Golden Spread residents and others who are interested in forwarding the health and well-being of all the people in the area.

her things, trustee of the 350-acre tract on which High Plains Baptist hospital will be built. This land is to be granted exclusively to the building of hospitals, schools, and research facilities to be devoted to health; so, on this land two other institutions have been allotted space. One, the \$1,800,000 hospital for the treatment of mental and nervous disorders, financed by the Amarillo Hospital District, will be commenced in January, 1965. It will have 100 "specialized" beds. March will see the ground-breaking ceremonies for the second institutions, the \$600,000, twenty-five bed Children's Psychiatric Hospital. The latter has also been

financed already, partly by a gift from the Kilgore Foundation and the balance by matching Federal funds, available under the Hill-Burton Act.

Commencement of High Plains Baptist Hospital is scheduled for the Autumn of 1965. The major reason for the later starting date is the need to raise funds for the building. Unlike the other two institutions, the High Plains Hospital must be financed entirely by public subscription. On completion, it will be operated by the Baptists of Texas. This precludes the use of any kind of governmental funds for its building or equipment. While to date approximately \$3,000,000 of the needed \$5,000,000 building fund has been subscribed, \$2,000,000 more remains to be raised.

As a result of the need and the keen local interest in the new hospital, plans are now going forward to help raise funds in Clarendon to contribute to the drive. Progress in this direction, and some other important facts about the new Medical Center will be reported in later issues.

Five volumes of "The History of Texas" by Wortham were presented to the library by the Senior Class of '64' and the School library in memory of Lester Welch.

LIBRARY CLUB
 The Library Club met on September 8 to elect officers for the coming year. They are as follows: President: Vicki Sloan, First Vice President: Anness Windom, Second Vice President: Ronda Burges, Secretary: Seral Shelton, Treasurer: Margaret Annis, Club Reporters: Leta Burlison and Sue Rogers.

The club agreed to have the Broncho Column this year. Ella Just was elected editor of the column.

This year promises to be a good one with 14 members entering the club. The other members are Nan Neal, Sheri Shaw, Carolyn Vines, Bethyl Eason,

Mary Johnson, Ann Porter and sponsor Mrs. Dema Justice.

 The High School Chorus is proud to have 26 members in the class this year. Mr. Anthony has ordered new music and the class is looking forward to receiving it.

The chorus urges the public to attend each concert to hear these new selections.

DRILL TEAM
 The Drill Team met this past week to discuss matters concerning drill team suits for the Freshmen girls. They decided to send their order in as soon as possible so all of the girls can march on the field and boost the Broncos.

FOOTBALL GAME
 In the first half of the game played against Claude last week, the Broncos got off to a bad start. But in the second half they started fighting to come within 4 points of tying the game. And all of the student body, already hoarse, yelled their lungs out that much more. Even though we lost to Claude we are sure going to beat Panhandle and the student body will be backing you Broncos. So here is wishing you lots of LUCK!

TRUCKS FOR '65!

More models, more engines, more Chevy workpower!

The long strong line of Chevy trucks for '65 is rolling in with miles of new working equipment. Like that handsome Fleetside pickup that leads the pack... one of the 18 pickup models in the line this year.

Further along, you'll find economical Chevy-Vans, a wide selection of walk-in vans, a bigger choice of big trucks, more job-tailored components—trucks built to fit your business and budget. And under those hoods you'll find the best in 4- and 6-cylinder, V8 and diesel power, 18 tough truck engines in all including 4 new lower cost diesels. Here's the huskiest bunch of haulers that ever came looking for work!

Our word for all this is *workpower*. That's the stuff that makes a truck a real truck. A hard-nosed money-saver. Yes, workpower's here and Chevy's got it, in such a variety of types and sizes that picking the best truck for your job will be easier than it's ever been before. If you're in the market, just get in touch with your dealer.
