FEED TIME AT RODEO GROUNDS — Bill Todd, left, and Pete Borden are shown taking care of feeding steers at Rodeo Grounds. Both look better fed than the steers. Story below.

The following contributed by Wrangler Bill Todd.

The Clarendon Outdoor Entertainment Association, according to contract, had to purchase three (3) steers injured in regular rodeo performance last July 4th.

These steers, although very poor and thin, cost the Association \$375. Again, this cost was according to contract which the Association had to live up to. Had these steers been offered for resale at time of purchase, they might have brought \$25 each. The association being composed of thrifty members decided to try and grow "this bunch of cattle" to a profit.

We have cut all expenses to the bone and find that we still need help. We need and can use this help in any form except advice. (We have enough of that between ourselves). We can use hay (any form), cake, meal, and if you do not have any of that, just drop a few pesos by and we can buy the needed ingredients. If this tactful, carefully worded message has not gotten through to you yet, we are asking for DONATIONS, and we are asking humbly, pleadingly, tearfully, prayerfully, and we could get down on our knees.

Anyone who has hay or donations of any type, see Pete Borden as he already has his private brand on the cattle.

Clarendon Jr. College Registration Sets A First Day Record

Clarendon Junior College began the first day of registration at 9:00 a.m. Tuesday, September 8. Registration continued into the evening hours with a total of 128 students completing their initial enrollment. An additional 20 students who did complete their pre-registration during the period of August 17-August 26 have not checked into the college on the first day, but almost all of these are expected to add to the registration total.

The first day of registration reflects a gain of 32 students over any previous registration period, and it is a gain of 43 students over the previous registration period of 1963-64.

The night school registration will continue to add additional students to the above totals. Registration in night school will continue through September 23. Good interest has been shown in the majority of the classes that are offered.

A tentative Evening Class Schedule is as follows.

Monday: Bible 137 - Life and Teachings of Jesus, History 213 - American History, Psychology 113 - General Psychology.

Tuesday: English 113 - Composition and Reading.

Wednesday: Spanish 113 - Beginning Spanish.

Thursday: Government 213 - American National Government, English 213 - Survey of English Literature.

BRONCHO MOTHERS TO OPERATE STAND

Broncho Mothers will operate the concession stand at all home football games this year. At a recent meeting it was decided that each Broncho Mother bring 20 cup cakes to the stand before each home game. Mothers are reminded that our first home game will be Friday night and are asked to have their cakes at the stand on time.

Broncho Mothers will appreciate your patronage throughout the football season.

Arrangements To Be Registered For Show

Flower gardeners of Donley County are urged to survey their gardens and make plans now for their entries in the flower show September 18-19. Classes and rules have been set up for this year's show and all exhibitors are urged to comply. The show is again being sponsored by Les Beaux Arts Club.

If you plan to have entries you are asked to contact Mrs. Gene Alderson or Miss Mabel Mongole before September 16th and register with them as all contestants are required to register their arrangements or specimen by that date. Even though circumstances should not permit the exhibit of your entries after they were registered there would be nothing lost.

Three trophies plus ribbons in each class will be awarded. Trophy for the Best of Show for Arrangement will be a silver plated sandwich tray. Runner-up will receive a smaller tray. The Gold Cup Trophy will be awarded the Best Specimen of the show.

All late entries and those not conforming to classifications will be displayed but not judged. A list of classifications and rules were published in last week's Leader and will again be published next week so if you are in doubt check either of these two papers. Your cooperation will be sincerely appreciated. Make those calls now!

Mrs. W. H. Lemons Buried Here Sat.

Funeral services for Mrs. Virgie Mae Lemons were held Sunday afternoon at the First Baptist Church in Clarendon with Rev. M. O. Evans, Rev. W.R. Lawrence and Rev. George Archer officiating. Burial was in Citizens Cemetery.

Mrs. Lemons, 75, died Thursday night at Groom Hospital. She had been a resident of Brice since 1918.

Survivors include her husband, W. H. Lemons; three daughters, Miss Velma Lemons of Brice, Mrs. Thelma Holcomb of Wheeler and Mrs. Virginia Slaughter of Amarillo; two sons, Merle of Brice and Jim of Denver; a sister, Mrs. Ruth Moore of Tyler; two brothers, Milton and Foy Holt of Tyler; 13 grandchildren and 7 great-grandchildren.

BRONCHO BOOSTERS CLUB MEETS MONDAY NIGHT

The Clarendon Broncho Booster Club met Monday night and watched the film of the Clarendon-Gruver football clash last Friday night.

Twenty-two members joined officially and more are expected to join next Monday. Anyone wishing to join this organization to boost our youngsters in their school athletic competition may contact any member of the Jaycees. Membership tickets are \$2.

Coach Walker and Coach Noonkester reviewed the forthcoming game with Claude. All present will have a better idea each week of what each opponent has to offer after attending the booster meeting every Monday at 8 p.m.

The public is cordially invited.

FORMER RESIDENT DIES IN CALIFORNIA

Mrs. Roy Clayton, a former resident of Clarendon died in Pomona, Calif. Sunday night. Funeral services and burial were held Thursday. Among the survivors are her husband; a daughter, Mrs. Ralph Reichner of Pomona; and two brothers, Ralph and Clifford Decker of Clarendon.

COMMUNITY COMMITTEE ELECTION

September 8 was the final day for ballots to the County Office for the community committee election. These ballots will be tabulated publicly Friday, September 11 at 10:00 A.M. by the County Committee. Any interested party may witness the tabulation.

The man receiving the highest number of votes in each community will be elected chairman and delegate to the County Convention. The 8 elected delegates will meet Friday, September 18, at 1:00 for the County Convention at which time they will elect your 1965 County Committee.

1965 WHEAT PROGRAM

Sign-up is underway for the 1965 Wheat Program at the county office. There is no automatic participation in the program. An intention to participate must be filed no later than October 2, 1964, for a producer to participate in the program.

If you have not already filed your intention, we urge you to do so very soon. There is no reason to delay since you will be permitted to change your wheat intention later during the 1965 Feed Grain Program Sign-up.

Please bring any questions to the County ASCS Office and let us help you understand how you can benefit by participating in the program.

A THOUGHT

"If your wife decides she wants to learn to drive, don't stand in her way."

MRS. THOMAS IS SUPERVISOR OF NURSES AT ADAIR HOSPITAL

Mrs. Onita Thomas has been employed as Supervisor of Nurses at Adair Hospital and took over her duties there last week. She was formerly a Supervisor at Northwest Texas Hospital in Amarillo and had been a member of the Staff at Northwest since 1957.

Mrs. Thomas's husband, Claude Thomas, has purchased the Seago Feed Mill in Clarendon and will operate that business. Mr. and Mrs. Thomas have established residence at 513 Bond Street in Clarendon. They have three children: Jim Bob, Gary Don, and Irvin Lynn.

Mrs. Thomas is the daughter of Mr. and Mrs. J. F. Rumpy and was raised in the Lelia Lake Community, where she graduated from High School before entering College and Nurse's Training.

Mike McCully, President of Adair Hospital Board of Managers, expressed pleasure at being able to engage a head nurse with the proven nursing and administrative experience of Mrs. Thomas and, on behalf of the Community, welcomes this family "back home to Donley County."

REVIVAL ANNOUNCED AT ASSEMBLY OF GOD

A revival meeting will begin at the Assembly of God Church in Clarendon September 21. Rev. and Mrs. Franklin Burns will be the evangelists. There will be plenty of good music, singing and good preaching. Everyone is invited, announced pastor, Roy Eason.

DONLEY DEMOCRATIC WOMEN TO MEET

The Donley County League of Democratic Women will meet tonight at the Community Room of the Farmers State Bank at 7:30 p.m. Miss Claudia Brummett, delegate to the National Convention will be guest speaker. Members are urged to attend.

County Fair Ready For Opening September 18

All committees are functioning properly on the Donley County Fair and Quarter Horse show says county agent Flip Breedlove. The fair will be in Clarendon at the fair grounds on the 18th and 19th of September. The Quarter horse show, approved by the American Quarter Horse Association will be held at 1:00 P.M. on the 18th at the Rodeo grounds.

Breedlove said that all exhibits will be set up on the 17th of September so that they will be in place and ready for judging on the 18th. All persons working with exhibits for the fair can consult your 1964 Donley County Fair catalog and each department will give information on how it will be handled. Fair catalogs can be secured at the county agent's office or from merchants in town, who will have some of the catalogs in their places of business. Any person wishing to set up exhibits should contact the county agents office.

Olympic Torch To Enter Panhandle September 15th

The Olympic Torch being carried from New York City to Los Angeles, California will be entering the Panhandle on September 15th and will get through the Panhandle by the 17th of September. The torch left New York on September 1st and is due to arrive in Los Angeles on September 26th. Run For The Money is the name of the project and it is an all out effort by the Jaycees in the United States to raise a million dollars for the Olympics which is supported entirely by donations.

Billy White, local Jaycee chairman, reported that the Clarendon Jaycees will be responsible for running the torch from Alanreed to the Highway 66 and 70 intersection going to Pampa. Billy said that the Clarendon Junior College and Clarendon High School athletes will be running with the torch for the Jaycees and that the distance of 15 miles will be divided among the two. A contest of the best will be measured, with each group taking 7 1/2 miles each. Clarendon will take over the torch somewhere around 7:30 p.m. on the 15th and will be running until approximately 11:30 p.m.

These individuals who would like to see the locals run are invited to be over on Highway 66 during these time periods on the date stated. The event will be covered by National Television and Radio.

VACATION AT YELLOWSTONE

Mr. and Mrs. Coleman Shields and Mr. and Mrs. Bright Newhouse have returned home after a most pleasant vacation. While away they visited Yellowstone National Park, parts of Montana, and the Black Hills of South Dakota and the Bad Lands. The return trip was made through Nebraska and Kansas.

JOHNSON INJURED SATURDAY

Cowboy Johnson was injured Saturday when a horse fell on him and is a patient in Dimmitt Hospital. He received six broken ribs, a broken collar bone, and broken breast plate. An air pocket has also developed between his lungs and ribs. Friends wish him a rapid recovery.

Mrs. Herman Cross spent Wednesday and Thursday at the Groom Hospital with her aunt, Mrs. W. H. Lemons of Brice. Mrs. Lemons died Thursday night.

Revival Meeting Set For Calvary Baptist Church

The Calvary Baptist Church, located at East 2nd and Jackson St., will begin a revival meeting Monday, September 14th and continue through Sunday, September 20th. Services will begin at 7:30 p.m. each day.

The pastor, Rev. Joe Moore, will be doing the preaching each night. Bro. Moore has just recently been called as pastor and there are many that he has not met since being in Clarendon. He stated that he would like to meet everyone and takes this opportunity to invite you to come to the meeting that he might have this opportunity.

Bro. J. B. Lane, a long time resident of this area, will be in charge of the singing.

Services Held Monday For Pete Kunz

Funeral services were held Monday afternoon at the First Methodist Church, Nara Visa, N.M. for Samuel Peter Kunz with Rev. James T. Mitchell, Salt Lake, Utah, officiating, assisted by Rev. Paul Hancock, pastor of the local First Christian Church. Burial was in the Nara Visa Cemetery.

Mr. Kunz, 72, died Saturday afternoon on the Eserton Ranch near Nara Visa, where he was visiting his brother-in-law. He had been a resident of Donley County and Clarendon 37 years. He was a veteran of World War I and was a member of the Clarendon Lions Club and First Christian Church.

Survivors include his wife, Harriet of Clarendon; and a sister, Mrs. Ida Wiley of Snyder.

HOSPITAL NOTES

Patients as of Wed., Sept. 9 — Mrs. Victor Smith, Mrs. May Prewitt, F. C. Paulk, Willie Sims, J. A. Sanders, Glenn Williams, and Willard Richardson.

Dismissals — Vadie Carpenter, Beverly Edgett, Emma Gregory, J. S. Moore, Mrs. Lou Scarborough, Pauline Sutton and John White.

Fans who were unable to make the trip to Gruver last Friday will have an opportunity to see the Bronchos in action this Friday night when they play hosts to the Claude Mustangs on the local field at 8 p.m. The Broncho "B" team will be playing Wellington tonight, Thursday, at 7:30 p.m.

"The Bronchos will have to have the right attitude and play heads-up football throughout the game to be able to cope with the Mustangs", coach Walker stated. The Mustangs show considerable weight and apparently benefited by past experience last week end when they defeated the Silverton Owls 14-0. Two of the Mustang backs, Jim Hubbard and Benton Fox displayed lots of speed in the game with Silverton and the Broncs defense will have to stay on its toes to stop these two speedsters.

Coach Walker stated he would probably use the same starters as last week in his lineup; in the line beginning at left end: Richard Thornberry, Freddie McAnear, Mike Horton, Kenneth Price, Douglas Bradshaw, Gene Branum, and Bobby Cain. In the backfield will be David Mooring, Jack Ribinson, John Grady and Richard Bell.

ICE MAKING MACHINE DONATED TO HOSPITAL

Lee Bell, President of the Adair Hospital Memorial Fund, announced this week the donation of a new ice-making machine. This \$785.00 unit was purchased with funds which have accumulated as memorial gifts have been made, usually upon the death of friends or loved ones.

Memorial gifts may be received through the mail, or left at th Farmers State Bank; and suitable cards are mailed to the bereaved family, acknowledging the memorial.

Through the years this Fund has made many valuable property donations to the Hospital, including oxygen tent and breathing machines.

The Fund has recently renewed its non-profit charter with the State, and donations enjoy tax status as gifts to charitable institutions.

most wonderful. This time we enjoyed the hospitality of our friends from home Roy and Mae Brunson. They were wonderful to us. He now has a dandy service station in Red River and was really on the move during July and August. All of the fat accumulated while waiting for a crime to be committed during his time as sheriff of Armstrong County has already dwindled away. He has a nice station and during the rush didn't have to wait long for a tourist.

Even when it is just a quickie trip we always enjoy Red River. Its hard to find a time of year that we can definitely call the

was to be a dance that the older ones could take part in called The Creep.

This time at the Sunday Service in the Community House the message was brought by a history professor from Texas University. We didn't get his name. But, he talked of the good fellowship and goodwill between the vacationers in Red River and suggested that we bring a good supply of it home to share both with those in our church and community life, but to especially practice this spirit with those who agree with us and those who do not during the coming months of high tension between now and the fall election. . . This we want to remember. . .

Wacky Problem Of The Week; Dear Uucle Zeb,

If I should tell you that I stepped on a rattlesnake, and that instead of biting me he bit himself and almost died before I ended his life would you call me Lucky or Unlucky? . . . Signed, Nervous.

Dear Nervous, Perhaps you are lucky, but if you hadn't of put the words in my mouth I would have just called yo Windy. . . Unc. Zeb

Dear Uncle Zeb, Years ago my wife would whisper in my ear that she loved me each morning as I kissed her goodbye for the day. It has been such a long time since she whispered these words, could it be that her affection has changed? Signed Worried,

How long has it been since you kissed her in the morning, especially goodbye for the day? Remember absence makes the heart grow fonder, and even more so if you have gone after another paycheck. If the pay check is not needed try again with the kiss in the morning. Unc. Zeb

It seemed hard for one preacher to find a subject - the weather had been so hot locally that it didn't seem wise to remind them of the bad place, and the way most of the brethren lived it seemed even more foolish to remind them of a better world to come. . .

LIBRARY NOTES

EDITH BARNES

A memorial gift has been given to the library to be dedicated to the memory of Mrs. Frank Whitlock.

The time is long past due when anyone should apologize because their children, especially the boys, like to read. Of course reading like any other good thing can be overdone. When a person reads to the exclusion of everything except eating and sleeping it has become a vice.

Vera Featherston Back's book "Feathers" will be read and enjoyed by those who grew up in this part of the country in the late 1800s and early 1900s because they were here for at least two later generations for its historical value.

Quoting from a book review: "This family chronicle by Vera Featherston Back, who has taught English in the Mc Lean schools for 25 years, can be read for the

story of the changed fortunes of a big family or it can serve as a source book on life on the Texas front at the time the frontier was making its last stand in Commanche and Stonewall counties and in far West Texas."

Mrs. Back tells the story of a family--her own--in which Pa was a preacher and Ma embodied all the pioneer virtues. The little Feathers apparently never knew they were 'underprivileged,' and in retrospect, most of their times were good.

"Material for a hundred newspaper feature stories is bound up in the book from which the reader can learn much about the times--everything from the impact of barbed wire on the life of the rancher and the nester, to the cattle drives, the rites of courtship, the play parties, the revival meetings and the neighborliness which characterized life in a simpler time."

"Almost nothing in Feathers' ever suggests the television West. Mrs. Back's story is considerable nearer the mark--in fact, you might say it's right on target."

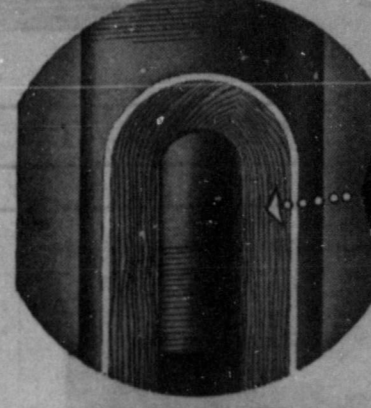

A memorial gift has been given to the library to be dedicated

to the memory of Mrs. Imation of the 1964 Pan-American Livestock Exposition in Dallas, Oct. 10-18. Braham judging is scheduled for Thursday, Oct. 15. The sale will follow on the same day.

Smith-Graham Nuptials Read In Sat Ceremony

In a double ring ceremony at 7:30 P.M. September 5th, Miss Rachel Mildred Smith of Madison, Wisconsin, daughter of Mr. and Mrs. Charles Smith of New Glarus, Wisconsin, and James Carl Graham of Madison, Wisconsin, son of Mr. and Mrs. Doyce Graham, Clarendon, Texas, were married in the Swiss United Church of Christ, New Glarus. The pastor, the Rev. Linus L. Weirwill, officiated.

Lighted tapers and arrangements of white lilies decorated the altar which was centered with a white kneeling bench. Given in marriage by her father, the bride wore a floor length gown of white organza and Chantilly lace over taffeta fashioned with hoops, long pointed Chantilly lace sleeves, and a watteau train of Chantilly lace over nylon with three bows at the shoulder line. The bodice of the dress was trimmed with beading and her elbow-length veil was attached to a crystal crown. She carried a bouquet of white carnations and pink roses. She wore a single strand pearl necklace, a gift of the groom.

Mrs. Thomas Brooks, Fayetteville, Tenn., her sister's matron of honor, and Mrs. Owen Smith, Richland Center, Wisconsin, bridesmaid, wore pink shantung sheath dresses with overskirts and matching headdresses. Miss Bonnie Smith, niece of the bride was dressed identically to the other bridal attendants and presided at the guest registrar. All bridal attendants carried nosegays of white carnations and pink roses.

Doyce Graham, Jr. of Lafayette, Indiana, was his brother's best man; Charles D. Bates of Lubbock, groomsmen; and Dr. Paul Roger Rowe, Madison and Owen C. Smith, Richland Center, the bride's brother, were ushers. Michael Graham of Clarendon, brother of the groom, attended the registrar and took gifts to the display table.

Miss Alberta Sayen of Madison, was soloist, and Miss Joann Kehrl, organist. The bride's mother wore a suit of mint green with brown accessories. The groom's mother wore a royal blue suit with matching accessories. Each wore a corsage of white carnations. Immediately following the wedding, a reception was held in the basement of the church. A pink and white decor was carried out at the table and in the floral arrangement. The wedding cake was four-tiered, frosted in white with pink rosebuds and topped with a bride and groom in miniature. Punch and coffee were served by the ladies of the church. Guests were seated with place cards, place favors, cups of mints and nuts, and printed napkins.

The bride's going away costume was a white wool sheath dress with black accessories and the corsage of white carnations from her wedding bouquet. After a trip to northern Wisconsin, the couple will live at 2209 Cypress Way, Madison.

The bride is a stenographer in the Agronomy department at the University of Wisconsin. She received her schooling at Madison. The groom is a graduate of Clarendon College and Texas Tech at Lubbock. He received his Master Degree from the University of Wisconsin where he is continuing work on a Ph.D. Degree in Agronomy and Bio-

chemistry. He is employed by the University in research. Parents of the groom, Mr. and Mrs. Doyce Graham, hosted the rehearsal dinner Saturday night at the New Glarus Hotel Dining Room. Several previous courtesies and showers had feted the bride.

LES BEAUX ARTS CLUB BRUNCH IN LEWIS HOME

Members of Les Beaux Arts Club enjoyed a brunch in the home of Mrs. W. J. Lewis, Jr. Friday morning. Mrs. John Bass was co-hostess.

Chicken a la king on toast, a choice of fruits, and cantaloupe were served from a table centered with a beautiful pink azalea. Coffee was poured from a silver service.

The meeting was called to order by Mrs. Gene Alderson and after hearing the minutes and treasurer's report, she expressed her appreciation for the cooperation she received during her term as president. Mrs. W. J. Lewis, Jr., will be president for the current year and presided throughout the remainder of the meeting. Members gave Mrs. Alderson a rising vote of thanks.

A discussion of the flower show to be held in conjunction with the County Fair September 18-19 was held. Club members will be on duty throughout this time. Attending were Mesdames Gene Alderson, John Bass, Stina Cain, H. H. Hardin, W. K. Hardin, Tommie Saye, Forrest Sawyer, E. O. Simmons, J. D. Swift, W. W. Taylor, C. T. McMurtry, W. J. Lewis, Jr., Homer Glascoe, and Miss Mable Mongole, Rep.

MIDWAY CLUB

JAYCEE-ETTES HOLD REGULAR MEETING

Jaycee-ettes met in the Hospitality Room of the Farmers State Bank Tuesday evening for their regular meeting. Plans were discussed for a seminar to be held in Clarendon September 26.

The program was given by Marjorie Harlan on Flower Arrangement. It was most interesting and was enjoyed by all.

The Jaycee-ettes welcome their new members, Darlene Spier and Doris Cook. Visitors were Beth Carter and Kay Valance.

YOUNG HOMEMAKERS MEET

The Clarendon chapter of the Young Homemakers met Tuesday afternoon in the home of Mrs. Peggy Maxcey. The meeting was called to order by our president and projects for the coming year were presented and accepted. A money raising project of selling candy was discussed and decided upon.

There will be a workshop Tuesday afternoon at 1:30 p.m. in the home of Mrs. Velma Bourland. We will be working on our emblem and banner, so bring your scissors and glue. We will also work on our fair exhibit.

Our program was brought by Mrs. Velma Bourland. The topic was "Sip and Snack" and everyone enjoyed "eating" our program. Recipes of the snacks were presented to all present.

Members present were: Peggy Maxcey, Gay Cole, Barbara Orsak, Pat Reed, Roxie Barbee, Jo Schollenbarger, Ginny Garland, Wilma Lindley, Velma Bourland, Donna Tipton, Sherry Semrad, Harlene Phillips and Audra Beth Garland. Visitors were Bobby Dishman, Joyce Mills and Jo Ann Kidd.

Our next regularly scheduled meeting will be Tuesday, Oct. 6 at 4 p.m. in the home of Gay Cole. The program will be "Flower Arrangements" presented by Mrs. Dollie Dee Bain.

AUSTIN, TEX. — Initial post-convention plans and strategy mapped by President Johnson for the November general election campaign will bear a "made in Texas" label. "Made in Austin, Texas" would be more specific, for much of it will originate here.

The President, his nomination as the Democratic party's standard bearer secured, hurried home to his ranch to rest up and do some thinking.

His visit attracted greater interest than any since his first as president, during the Christmas-New Year season.

With Vice Presidential Nominee Hubert Humphrey as his guest at the ranch, private talks inevitably turned to the battles ahead.

Gillespie County Democrats welcomed the President back to his home county with a Hill Country-style birthday celebration and barbecue two days after his 56th birthday.

OPERATION MOTORCIDE — Col. Homer Garrison Jr., Head of the State Department of Public Safety, announced that "Operation Motorcide", the grim tabulation of Labor Day weekend traffic deaths as they occur, will go into effect Saturday (Sept. 5) at 12:01 a.m.

Garrison said his department estimates 36 persons will be killed on streets and highways during the 72 hours from the beginning of "Operation Motorcide" to 11:59 p.m. Monday.

But he said the prediction won't come true of ALL drivers make certain both themselves and their vehicles are in excellent condition, and if they use "caution, courtesy and good sense" at all times while at the wheel.

EDUCATION REPORT BEATS DEADLINE — Gov. John Connally's Committee on Education Beyond the High School has completed its report and recommendations for excellence in Texas colleges and universities.

The 64-page report, recommending doubling of higher education expenditures within the decade and placing of all institutions under a strong coordinating board, has been delivered to the governor.

REDISTRICTING HEARINGS TO WIND UP — Congressional redistricting hearings conducted by a Texas Legislative Council committee will wind up here next month.

Meetings already have been held in Fort Worth, Dallas, Houston, San Antonio, Lubbock and Tyler.

Committee chairman, Sen. Geo. Moffett of Chillicothe, said the group has "many suggestions" for redistricting.

Its big job now is to mold them together and come up with a reasonable plan or set of plans for legislative consideration, thus carving the state into 23 congressional districts as nearly as possible equal in population.

CONSTRUCTION PEAK HIT —

Texas construction reached a 35-month peak during July.

It was the greatest building month of the year and second highest month in nearly 18 years of records compiled by The University of Texas Bureau of Business Research.

A whopping \$140,600,000 of building was authorized in July. It represented a 21 per cent increase over June.

Bureau also reports that retail sales in the state during July rose two per cent over June. Normally there is a small decline between the two months.

Meanwhile, the U. S. Department of Commerce reported that the average income of Texans rose last year from \$1,973 to \$2,068.

BUS FARE HEARING SET — Hearings on a request from 31 bus lines to raise their intrastate passenger fares by 10 per cent were set for September 19 by the State Railroad Commission. Motor bus express and C. O. D. charter coach services also seek an increase.

The lines, including major carriers, maintain they have had sharp cost increases in their operations since 1961, when fares were raised five per cent.

YOUTH COUNCIL ASKS INCREASE — The Texas Youth Council — administrator of Gatesville and Gainesville schools for delinquent youths and of juvenile parole programs — told examiners from Governor Connally's and the Legislative Budget Boards' offices it needs to raise its biennial budget by \$6,200,000 to \$18,300,000 for fiscal 1966-67.

Council's director, Dr. James A. Truman, warned that the youth-reform systems would be set back to the difficult days of 1957 unless the State Legislature approves a sound, long-range program of care and construction.

In addition to \$3,400,000 for construction at Gatesville, Gainesville and Crockett schools for juvenile offenders, the Council proposed establishment of a \$1,388,367 home for dependent, neglected and orphan children, (but did not suggest a location). This because the State orphans home at Waco and Corsicana are crowded to capacity and expansion at those sites was not deemed practical.

OIL FIGHT — Independent oilmen from the East Texas Field took on major companies at a Railroad Commission hearing at which a proposal was made by Atlantic Refining Co. to give additional allowable to wells in that giant oil field. The wells now have allowables on a per-well basis only, and Atlantic wants to add production based on acreage.

Small operators, conceding that it would increase their allowables, too, fear that if the Atlantic plan were adopted, it would open the door to a court review of the field rules, which could easily result in wiping out the

allowables of wells drilled on tiny townlot tracts.

But the hearing also brought out a major inequity, and court action could come on that. A well capable of making only 19 barrels is exempt from shutdown days under a state law, so it can produce 30 days a month. But a well making 20 barrels a day is limited to about eight days' production a month. So the proper wells get to produce more oil than the better wells.

DRAFT DODGE CARRIES PENALTY — Noting that an estimated 6,000 to 8,000 18-year-old men have not conformed with the draft registration law, Col. Morris S. Schwartz, State Director of Selective Service, issued a reminder that 18-year-olds who wait more than five days after their 18th birthday to register with their local board are subject to penalty.

Maximum penalty for failure to comply with the draft law, Schwartz said, is five years in prison, a \$10,000 fine, or both.

WATER NEWS — Latest word on construction of the \$64,000,000 Amistad Dam on the Rio Grande and the Devil's River is that bids will be opened by U. S. and Mexican authorities working jointly on the project on November 6.

Both countries have been busy re-routing roads and railroad lines in the vicinity of the proposed dam to make way for construction.

Texas Water Commission will hold a hearing on the Colorado River Municipal Water Authority's application to build a dam at Robert Lee on the Colorado River on October 19 at 10 a.m.

Commission gave the Guadalupe-Blanco River Authority permission to build a low-water dam near the mouth of the Guada-

lupe River in Calhoun County. The dam will have a rubber top, so it can be deflated when river flows are high - if that day ever comes again.

Continuing its "clean-up" of unused water rights in Texas, the Water Commission this week cancelled out reduced water rights in Kimble, Mills and Coleman Counties which dated back as far as 1904.

NEWSPAPERS MUST WAIT — Atty. Gen. Waggoner Carr has ruled that the State Treasurer can put cost of publishing names of persons having money coming to them through insurance policies or annuities "on the cuff" and pay the newspapers later, as money accrues to a special state trust fund.

Advertising costs under the insurance escheat provision cannot be paid from the treasurer's own general appropriation, the opinion continued.

DROP-OUTS CRITICAL — Measuring the cost to the nation's economy of some 900,000 school drop-outs each year by the dollar, Col. S. Perry Brown, chairman of the Texas Employment Commission, said it adds up to millions of dollars each year.

Then he warned, "If effective action is not taken, I submit that we will pay ten-fold in re-training, as well as unemployment insurance, welfare costs, and other forms of dependency. Yet the greatest loss both economically and socially will be in wasted human resources."

SHORT SNORTS — State Highway Department will open bids for construction of a new district office building at Brownwood on September 17. . . November 25 through January 3 is the date for the open season on ducks and coot set by the Parks and Wildlife Commission. . . Agriculture

Commissioner John C. granted cotton farmers in Hidalgo, Starr, Cameron and Willacy Counties (Pink Bollworm Control Zone No 1) a 12-day extension of the plow-up deadline - until midnight, September 12. . . Highway Department reports that motor vehicle registrations in Texas rose about 61 per cent over the past 10 years, with passenger cars and commercial trucks setting the pace, while marked decreases were shown in farm-truck and city-bus registration. . . Attorney general's opinion advised Grayson County Attorney Dean Martin that the county judge's opinion must be secured before seismograph blasts can be performed on land situated in Grayson County under Lake Texhoma. . . State Health Department advised parents to be sure their young football-playing sons wear proper well-fitted protective equipment. . . Texas Liquor Control Board reports it collected \$3,800,000 in taxes and fees during July, 2,100,000 from the beer tax alone. . . County commissioners in counties to 21,500 population have authority to decide whether or not their county judges will collect a \$75 a month auto expense allowance, the attorney general held. . . W. J. Cutbirth is now director of administrative services for Texas Parks and Wildlife Department. . . State park attendance increased 500,000 during the last fiscal year - to 6,600,000. . . A new \$47,331 federal grant for planning to combat mental retardation has been received for Texas, adding to an earlier \$30,000 grant. Sale of livestock and livestock products brought Texas farmers and ranchers \$154,100,000 during June, U. S. Department of Agriculture reports.

WHAT'S BEEN GOING DOWN

AND OUT

FOR YOUR BENEFIT?

DOWN and down the unit price of electricity has dropped over the past years. Today in homes served by WTU, the cost per KWH is 17% less than it was in 1953. While the cost of living continues to rise... the cost of electricity continues to fall.

UP and up has gone the amount of electricity the customer is using. WTU has grown in the past years and will continue to grow... staying ahead of its customer's needs.

OUT in every direction have gone power lines to supply electricity for all. Customers all through West Texas are provided with benefits from the most modern and efficient generating plants.

ELECTRICITY DOES IN ONE DAY what it would take 228 hours to do by hand in the average American home.

Jaycees Serve Over 2,500 Free Hospitality

The Jaycees served over 2,500 motorists at their Labor Day Hospitality Booth set up over the Labor Day week end in an effort to prevent traffic accidents by getting motorists to stop and refresh themselves. The 2,500 people served, represented twenty two states and two foreign countries. States represented were Texas, California, Alabama, New Mexico, Nevada, Colorado, New Jersey, Oklahoma, Louisiana, Montana, Washington, New York, Florida, Arkansas, Arizona, Missouri, Michigan, Wyoming, Utah, Indiana and North Carolina. The two foreign countries represented were Ireland and Africa. Approximately 1,500 cups of coffee and 1,200 soft drinks and milk, and 15 dozen donuts were served to the travelers.

The theme of the local Rest Stop was "Sleepy Eyed Sam". Walt Knorpp, chairman, said the rest stop was opened at 6:00 p.m. on Friday and wasn't closed until 12 midnight on Monday. The rest stop was publicized on Radio and Television. All the travelers expressed their appreciation for the courtesies extended to them at the rest stop and many said that the one here in Clarendon was the finest they had seen. The area of the rest stop was lighted at night by a 1,200 wt. landing field light. Walt said the businesses that helped make the project a success included: Murphy Funeral Home, furnished tents; AAA Motor put a wrecked car at the location; General Telephone furnished a light plant; Hommel Mobil Station furnished barrels for tables; Foxworth-Galbraith furnished lumber for tables, Dr. Pepper Btl. Co. from Childress furnished soft drinks and cups; Borders Milk and G. W. Bradshaw furnished orange drink and chocolate

milk; Don Wooten Service Station furnished some soft drinks; Arnholtz Coffee Co., Golden Light Coffee Co., Ruby Brumley and Carol Hudson furnished the coffee; Clifford Grocery, Vallance Food Store, Juniors Food, and Clarendon Food furnished rolls and hot cups; Lee's Cafe Jake's Steak-Out, Lumps Drive In and J. C. Steak House furnished donuts and other items, Knorpp Insurance and Emmett Simmons Insurance furnished safety literature to distribute. Walt said on behalf of the Jaycees, he would like to express his appreciation to all the merchants who helped in any way and to all the individuals who helped, with a special thanks to Albert Johnson Jr. and Billy Jack Land for their efforts.

Mr. and Mrs. Tommy Messer and Michael of Amarillo visited in Clarendon during the holiday week end. Michael remained for a longer visit.

Mr. and Mrs. Ronnie Tyra and Jeff of Amarillo visited in the Gerald Noble and Frances Smith homes over the week end.

Gruver Defeats Bronchos 28-6

The Clarendon Bronchos were defeated by the Gruver Greyhounds by a score of 28-6 Friday night in Gruver. A steady downpour of rain for three quarters marred this opening game for both teams.

Normal conditions prevailed for most of the first quarter, which ended with both teams engaged in a defensive battle at midfield. With two minutes of the second quarter gone, Gruver gained possession of the ball and drove to pay dirt. The scoring play was a 20 yard run by Gruvers left halfback. Gruver also ran their extra point conversion, making the score 8-0.

Plagued by the rain in trying to handle the football, the Bronchos and Greyhounds exchanged the ball on several series of downs. Then the Greyhounds pushed over for a second TD a few seconds before the half ended. Following their successful extra point conversion run, the score at half-time stood at 16-0.

During the third period, the Bronchos outplayed and outscored the Greyhounds. Taking the football in their own territory, the Bronchos drove with determination to the other end of the field and across the Greyhound goal line. Archie Smith was the Broncho who carried the pigskin across from five yards out for the six points, but the extra point attempt failed, leaving the score at 16-6.

Gruver took the ball on the kick-off after the touchdown and on their third play, completed a 40 yard pass and run for their third score. Their try for extra points was not successful.

Clarendon failed to muster a substantial drive and gave up the ball on downs. Then Gruver again took advantage of the situation and drove to the final

score of the game with 18 seconds of play remaining.

Coach Walker was pleased with play by the Bronchos in the first and third quarters, but he wasn't completely satisfied with the attitude of the boys. He stated "You have to think and play like a champion - to be a champion - second effort on every play by every boy".

The coaching staff and players wish to express their appreciation for the support shown by the many fans who made the long trip to Gruver.

New 1965 Vehicle Inspection Underway

AUSTIN—Col. Homer Garrison Jr., director of the Texas Department of Public Safety announced today that the time has arrived for Texas motorists to have their vehicles inspected again.

Garrison said September 1 marked the 1965 vehicle inspection period as prescribed by the Public Safety Commission. As in previous years, the period will end on April 15, 1965.

"This means that between now and April 15, 1965, more than 5,200,000 Texas registered vehicles will have to be inspected at the 5,200 official inspection stations in Texas," he said.

Garrison urges motorists to have their vehicles inspected in the routine visits to garages for ordinary maintenance and repairs and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker. He further pointed out that with the ever increasing number of vehicles registered in Texas, it is becoming even more difficult for the motorist to get an inspection sticker without some delay.

"With the hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked for the winter months ahead," Garrison said.

In announcing the new inspection period, the Public Safety Director pointed out that vehicle inspection in Texas has apparently been a valuable tool in reducing traffic accidents due to vehicle defects. When compulsory vehicle inspection began in 1951, 19 per cent of all vehicles involved in fatal accidents had a defect that contributed to the accident, while in 1963, that percentage had been reduced to 4 per cent. In non-fatal accidents, vehicle defects as a contributing

factor were reduced from 20 per cent in 1951 to 5 per cent in 1963.

INFLUENZA IMMUNIZATION RECOMMENDED

The Texas State Department of Health has issued recommendations for influenza immunization for 1964-65. Local outbreaks of influenza are anticipated, but it is hoped that a major outbreak will not occur.

Immunization is generally recommended for persons over forty-five years of age; for pregnant women; and or persons of all ages who suffer from chronic disease, e.g. heart, lung, kidney, or metabolic disorders. Local physicians are advised to encourage immunization as early in September as practical.
