World Famous Harlem Stars To Play College Puppets

The hilarious Harlem Stars are coming to town. Advertised as the greatest and funniest basketball team in the country today, the Stars are a combination of Negro stars who tour the world making fans laugh. The Harlem Stars are unique in the fact that they never try to run up a great score against their opponents. It is their policy to keep the game close, devoting much time to comedy stuff.

The Harlem Stars will play the Clarendon College Puppets at the Clarendon College Gym on January 15, 1965. The game will begin at 8:00 P.M. with admission prices as follows: Adults, \$1.50; Students, \$1.00; and children under 12, 50c.

School Census To Be Taken This Month

The annual scholastic census as required by state school law will be taken during the month of January, according to an announcement by Supt. K. D. Vaughan.

All children who will be six on or before September 1, 1965 and who will not have reached age 18 before September 1, 1965, are to be enumerated. Children who were born before September 1, 1959 must not be included on the census form.

Parents who have a child whose sixth birthday will come before September 1, 1965 are particularly requested to be sure their child is enumerated.

If such parents do not have an older child in school to bring one of the census forms home, they may obtain census forms at the principal's office of any local school or at the School Administration office.

The amount of State per capita funds Clarendon Independent School District will receive in 1965-66 will depend upon the number of scholastics enumerated on the census.

School officials also use the census statistics in planning the number of classrooms and teachers that will be needed during the next school year.

Funeral Services Held For Wylie Francis Morris

Funeral services for Wylie Francis Morris were held Tuesday afternoon, January 12th, in the Saint John The Baptist Episcopal Church with the Rev. Charles Pederson of Amarillo officiating. Interment was in Citizens Cemetery.

Mr. Morris, 85, died Sunday evening in Southwest Convalescent Center in Amarillo. He was born November 15, 1879 at Look Out Mountain, Tenn. and came to Donley and Armstrong counties in 1912 from Silverton. For a number of years he worked for the J A Ranch and later owned and operated a ranch south of Ashtola. He married Miss Flossie Hill September 15, 1902 at Panhandle.

Surviving are his wife of the home; three daughters, Mrs. L. E. Holloway of Pine Ridge, South Dakota, Mrs. Tom Blasingame of Claude, Mrs. George Curryea of Panhandle; four sons, John W. of Amarillo, H. P. of Brownwood, Pete of Las Vegas, N. Mex., and R. S. of Claude; also one sister, Mrs. Nell Christian of Rockport; eight grandchildren and sixteen great grandchildren.

Pallbearers were Fred Russell, Houston D. Bell, Walter B. Kopp, Lawrence Neece, Chester Roeb, and Earnest Kent. Arrangements were under the direction of Murphy Funeral Home.

We are happy to announce that Dale Burris has been transferred to Clarendon to fill the Range Conservationist position. Dale, his wife Linda and their 9 month old daughter, D'Anne will make their home on the W. G. Tims place about 1/2 mile West of highway 70 just out of town. Dale has worked with the SCS since June in a training position in the Pampa Work Unit. Dale and his wife are members of the Church of Christ. We want to encourage them to become a part of our community.

BURRIS NEW RANGE CONSERVATIONIST

Burris is an enthusiastic young man and we are looking forward to our association with him being a pleasant one. We extend a hardy welcome to you and your family Dale and hope you find your work with us rewarding.

LEADER CLASSIFIEDS GET RESULTS

High School Girls Win Wellington Tourney

The local high school girls basketball team came home from the Wellington tourney last week with the first place trophy and the boys team lost in the consolation bracket.

In their first game, the girls defeated Altus, Okla. 56-30 with Dorothy Richey high point with 29; In their second game they defeated Hedley 49-31 and Dorothy Richey was high again with 29 points; They defeated Wellington in the final game 56-48 for a clear-cut win and the trophy. Janet Rampy was high in this game with 22 points.

The boys team was defeated by Quail 79-67 in their first game with Richard Thornberry high point man with 28. This loss threw them in the consolation bracket and they lost their second game to Hedley 65-49. David Mooring was high with 18 points.

In their first conference games Tuesday night, the boys team won over White Deer 57-46 with Richard Thornberry high point man with 17. The girls lost their conference opener 43-48 to White Deer. Cheryl Fedric was high with 18 points.

The next games, which will be conference contests, will be played at Memphis Friday night and with McLean here Tuesday night.

DONLEY COUNTY SWINE SHOW TO BE HELD JANUARY 21

The Donley County Swine show will be held at the show barn on the fair grounds east of town Thursday, January 21st. Animals will be judged beginning at 4 p. m. by Mr. Beerwinkle professor of Animal Husbandry at West Texas University. Between sixty and seventy hogs will be entered in the show with both Clarendon and Hedley schools being represented according to Art Sommerfeld.

Premium money for the stock show was donated by business men and individuals in the county. Jerry Hawkins and his FFA boys were in charge of this committee.

QUINN ATEN APPOINTED TO COUNTY SCHOOL BOARD

Quinn L. Aten, manager of Paymaster Gin at Lelia Lake, was appointed by the Donley County Commissioners Court as County School Trustee at large to fill the vacancy created by the resignation of J. R. Gillham December 31, 1964.

Mr. Aten has served as a County Board member previously. He is well known throughout the county for his ability in connection with school matters and his unbiased opinions.

MYSTERY MAN TO SHOW POWERS OF HYPNOTISM

What do you think you would do in a hypnotic trance? Merlin, the Hypnotist is appearing at the College Auditorium Wednesday night, January 20 at 8 P.M., under the auspices of the Lions Club. Advance tickets are on sale for \$1. Tickets at the door will be \$1.25. Student tickets also will be available.

Merlin will call a number of willing volunteers from the audience. While under hypnosis, they will shiver with cold, see a motion picture and other uncanny demonstrations, which Merlin achieves through the power of suggestion.

A feature of the show is to make a volunteer stiff as a board, then stretch him between two chairs—his head on the edge of one chair, and his heels on the edge of the other. Then Merlin stands on the person's stomach. After this all over, the volunteer remembers the demonstration as though (See Mystery Man, Page 8)

Ex-Sheriff Behrens Pleads Guilty To Assault Charge

Ex-Sheriff Truett Behrens appeared before Justice of the Peace R. M. (Dick) Chunn last Wednesday and pled guilty to a simple assault charge which was filed by Highway Patrolman Lee Johnson, arresting officer.

The charge read that Truett Behrens on the 4th day of January, 1965, did then and there unlawfully and wilfully commit a simple assault in and upon the person of George Wayne Estlack, against the peace and dignity of the state. R. M. Chunn assessed a fine of \$1 and court costs of \$15.50, a total of \$16.50. In as much as the assault took place inside the lobby of the U. S. Post Office, a Federal charge could have been made as well as other charges associated with the assault.

Incidents such as this are regrettable, especially when the public is disturbed by all kinds of elongated tales, and you are on the receiving end of a blow from a person who has been previously intrusted by the residents of this county as a Peace Officer.

Your Editor was accused of contacting Postal Authorities in connection with Postal routes handled out of the local Post Office. Your Editor denies any contact with Postal Authorities until the assault occurred and refers anyone interested beyond hearsay gossip to contact Postmaster Mike McCully and higher Postal Authorities connected with the case for correct information. Your Editor wishes to point out that the routes in question are under contract to C. Huffman and the contract does not expire for over 2 years from now.

DONLEY 4-H STEERS PLACE IN ODESSA SHOW

Donley County 4-H club members made a good showing at the Sandhills Hereford Show at Odessa, Texas last week says County Agent Flip Breedlove. James Edward Potts of Hedley placed his steer first in the lightweight class with 60 steers in the class. His steer showed for the Grand Champion against three other steers but was beaten. The steer weighed 786 pounds after a 3% shrinkage. It sold for 45 cents a pound. The total sale price plus \$40 premium money made the steer bring \$393.70. The steer was bred by Tomie Potts of Memphis, Texas.

Gary McFall of McLean placed his medium lightweight steer fifth in his class with sixty steers in the class. His steer weighed 829 pounds after shrinking 3%. His steer brought 50 cents per pound and \$16 premium money for a total of \$438.79. Gary's steer was bred by E. L. Sitter of McLean Texas.

There were 240 steers in the show, divided into four classes of sixty steers per class. Mr. Don Goode of Kansas was the judge of the show. Breedlove will leave for the Amarillo show January 22nd with nine steers for the Tri-State show.

Mrs. Irene Gerner is recovering nicely following surgery at Groom Memorial Hospital. She is expected to be able to return home by the last of the week.

Enlarged Student Loan Program Now Available At Clarendon College

The Clarendon College Board of Regents, the Administrative officers, and various laymen of the community recognize a need for a student aid program of some capacity. Upon this basis a student loan fund is now available to a limited number of needy students at Clarendon College on a semester basis. A maximum loan shall consist of tuition, fees, and books for one semester. It will be subject to renewal at the option of the college.

The Clarendon College Foundation will make loans available to its students under the following procedures:

- 1. A Loan Application Form shall be filed in the office of the Dean.
2. A copy of the applicant's transcript of credits must be submitted with a required high school average of 75 or a college average of 1.0 (C) on a minimum of 12 semester hours.
3. A co-signer must be obtained for students under 21 years of age.
4. A note shall be signed upon or before the time of registration.
5. Repayment is due at the end of the semester.
6. The loan may be renewed each semester at the option of the approval officers of the college.

Funds for this loan program have been made available thru contributions of various citizens. No other funds from the college may be used for this program other than contributions that are specifically granted to the loan program.

Deplorable: Only 226 Poll Tax Receipts Issued To Date

With a little over two weeks left before the deadline, only 226 Poll Tax receipts have been issued here in Donley County thru Wednesday of this week. The grand total usually is lighter on an off-election year but to reach the usual total, the County Tax Office will need to stay busy every day between now and January 31st. If you wait until the last two or three days, you will probably have to stand in a long line.

Even though this is not a general election year, there will be school and city elections and possibly bond and other types of elections that can be called at any time. If you are a prospective voter, you should, without delay, purchase your Poll Tax so you will be able to vote on any issue that might come up. Remember too, that your Poll Tax was not included in your property tax statement. You must have a Poll Tax or be eligible for exemption to vote in Texas on local issues.

Miss Lynn Bourland State Award Winner

Miss Lynn Bourland, 18, a senior in Clarendon High School, was named winner of the state "Little Sister" award at the third annual convention of Young Farmers and Young Homemakers in Dallas Saturday.

The Young Homemakers organization is a sister organization of Future Homemakers. Miss Bourland was named winner of the Area I "Little Sister" award after competing with eight other contestants at the Hereford convention in September prior to winning the state award. Her application was forwarded to the office of State Homemaking Education to compete with other area winners. Considered were her activities in the home, school, church, and community.

Miss Bourland is president of the local Future Homemakers of America at CHS, an editor of the annual staff, on the traveling squad of the basketball team, and an assistant in the office of the High School Principal. She sings with the CJC choir on special programs, tours, and TV appearances promoting the work of the college as well as high school. Lynn was presented a beautiful jewelry box and an expense paid trip to the Dallas convention. At the second general session she was asked to bring greeting and she was given a standing ovation following her speech. This award brought her the most pleasure because preparing an application requires so much work. Purpose of the award is to encourage work in all phases of community life and particularly in the field of Homemaking Education.

Lynn is the daughter of Mr. and Mrs. Fred Bourland. She was accompanied on the trip by her mother, local FHA and YH advisor, Pat Reed, Area I president and Ginny Garland, local chapter historian.

Last Rites For Miss Ina Naylor Held Tuesday Afternoon

Last rites in memory of Miss Ina Iola Naylor were held Tuesday afternoon, January 12th, in the First Methodist Church with the Rev. Bob Ely, pastor, officiating.

Miss Naylor, 67, died in Martin Nursing Home at Claude, Texas Sunday evening after an illness of twenty years. She was born in the Naylor Community in Donley County February 8, 1897. She attended Clarendon schools and was employed as an operator for General Telephone Company for twenty years before retirement. She was a member of the First Methodist Church.

Survivors include three sisters Mrs. Eula Chunn and Mrs. Mary Wallace of Clarendon, Mrs. May Hagerty of Odessa; six brothers, Otis and Elbon E. of Clarendon, Ernest T. of Amarillo, A. Earl of Carlsbad, N. Mex., Loran (Slick) of Panhandle, and Clyde W. of Hector, Ark.; also many nieces and nephews.

Pallbearers were Robert Naylor, Jim Naylor, Glenn Wallace, Jim Bixs, Gene White, and Owen Johnson, all nephews. Burial was in Citizens Cemetery under the direction of Murphy Funeral Home.

BAND PARENTS TO MEET

Band Parents will meet Monday evening, January 18th at 7:30 p.m. in the Band Hall. Parents of all High School band students are invited to attend.

On December 24th, a legal notice was published in the Leader by the Greenbelt Municipal and Industrial Water Authority giving notice of intention to introduce a bill during the Regular Session of the 59th Legislature to amend certain provisions of Chapter 35, Acts of the First Called Session of the 53rd Legislature, being the Act creating Green Belt Municipal and Industrial Water Authority.

In the notice, the Greenbelt seeks authorization to acquire and develop underground water and water rights.

According to Maurice Risley, president of the Donley County Farm Bureau, the local organization went on record at a regular directors meeting Tuesday night of passing a resolution opposing any legislation giving the Green Belt Authority any rights to underground water. "The Bureau is not opposing the surface water rights of the Authority in any way", Risley stated, but pointed out that there could be future damage to irrigation farming in Donley County if a number of large wells were drilled to withdraw large amounts of water for the Authority's use. This could be done by lowering the water table and causing failure in irrigation wells, he added.

Approximately twenty visitors, irrigation farmers, were present at the directors meeting to voice their opposition to the proposed legislation.

Funeral Services Pending For Mrs. Andrew Jay

Funeral services are pending with Murphy Funeral Home for Mrs. Andrew Jay who died at Moore Convalescent Home here Wednesday morning.

Mrs. Jay, a long-time resident of Clarendon, had been in ill health for several years and had been a patient of Moore Convalescent Home here since last Friday. She was a member of the Presbyterian Church.

Survivors include her husband, Andrew Jay of Clarendon; two sons, Andrew L. Jay of Annonade, Va. and John H. Jay of Dalhart; one sister Mrs. Millicent Cadle of Quanah and two grandchildren.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

POLITICALLY SPEAKING

There is an old saying, "Politics makes strange bedfellows." The truth of this statement has certainly been proven by the recent actions of both the Democratic and the Republican Parties in the House of Representatives. The Democrats punished two of their Members for failure to support the Presidential and Vice Presidential nominees in the last election, and for supporting the nominees of the Republican Party. On the other hand, the Republican Party kicked out their leader in the House of Representatives in spite of the fact that he has been one of the most vigorous supporters of the Republican nominees for President and Vice President. This created a situation where all three were pretty well stripped of seniority rights with regard to committee assignments. Seniority is of great importance to every Member of Congress, hence the loss of it is a substantial blow.

Press reports indicate that the Republican Party had a number of defectors among the Members of the House of Representatives. There was no discussion as to punishment of these defectors for bolting the party; on the contrary, there was some talk that they may be the leaders of the new "image" of the Republican Party. Summed up, it would appear that the two Democratic defectors stripped of seniority because they bolted the party, and the Republican Leader stripped of his powers even though he vigorously supported the party nominees, are in the same political bed—outcasts from their own parties for completely reverse reasons, but political bedfellows nevertheless.

I would not presume to pass judgement on the actions of the Republican Party or its Members in the House of Representatives. However, I do not occupy the

same situation with regard to the Democratic Party. I vigorously disagree with the action of the Democratic Caucus in punishing John Bell Williams and Albert Watson. I do not agree with what these two men did, but I would forever defend their right to do it. Whether or not they should be punished should depend entirely upon the law and the rules applicable at the time the action was taken. The Constitution of the United States in Section 9 contains the following proviso: "No bill or attainder or ex post facto law shall be passed." It is undeniable that there were no rules or requirements in the Democratic Party applicable to Members of Congress that if they failed to support the Presidential and Vice Presidential nominees of the party that they should receive certain punishment. Hence the infliction of the punishment upon John Bell Williams and Albert Watson was in violation of the Constitution.

It might also be pointed out that the Eighth Amendment of the Constitution of the United States provides as follows: "Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unjust punishment inflicted." A principle and belief of our people has always been "equal justice under the law."

In the case of Williams and Watson, both the Eighth Amendment of the Constitution and the basic principal of equality of justice were violated. John Bell Williams has been a Member of Congress for 18 years and had followed the rules which made him, because of seniority, the number two man on the Committee on Interstate and Foreign Commerce. He was next in line to become chairman of this, oldest committee in history of Congress. Albert Watson of South Carolina is a new Member of Congress, relatively speaking, and had acquired only the seniority of one term. Nevertheless, the same punishment was inflicted upon both men. John Bell Williams was stripped of seniority that had taken 18 years to build up. Albert Watson was stripped of seniority of only two years' duration. This punishment was inflicted on both of these men for the same identical offense. Hence, mathematically speaking, Williams was required to pay a penalty nine times greater than the penalty paid by Watson. Morally speaking, the action against these men was unjustified, because the same identical offense which Williams and Watson were charged had been committed a number of times in recent years and had gone unpunished without any effort to challenge the offenders, or to write a rule prohibiting such defections.

It is my studied opinion that the grievous wrong committed

should be corrected before this session of Congress gets further under way.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made. Corvair Corsa Sport Coupe

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Chargaed! you just don't know what you're missing.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Today many Towns are "waking up" to Community Development

Everywhere you go these days you see towns engaged in or planning "community development." These activities range from simple clean-up programs to business modernization, new schools, hospitals, public buildings and recreational facilities as well as commercial and industrial promotion . . . making the towns better places to live, work and play. In 1965 we will run a series of ads which will picture and describe examples of community development now taking place in our service area. This is part of our area development program in which we are dedicating our efforts to assist the towns we serve to grow and progress. Growth-conscious towns are invited to contact their local WTU manager for the services of our area development representatives.

HERE AND THERE

Campus Chatter
By Steve Richerson

Well, back to the old grind. Many moans and groans were overheard this week in the halls, but it isn't long till semester break, so everyone seems content to wait it out. (At least they were content until they realized that semester finals preceded that semester break.)

Punk Campbell had a most unusual Christmas. Besides getting engaged, he had his tonsils out. That's a pretty wild combination for a small town boy.

The love bug has really bitten on the "Hill." Jeanine Lowe and Frank Hermesmeier took the big step. All he did was ask her if she had seen the new altar in the church, and she said, "Lead me to it!" Congratulations, Jeanine and Frank. We hope that you both will be very happy.

Attention!! Attention!! Flash!! The duce-ace domino in the game

going on in the lounge ever since school started has been confiscated. If anybody knows the whereabouts of this domino, please return it to Butch Brown. He is going crazy 'cause he can't play 42.

THIS AND THAT

Dafinitions
By T'Rose Stepp

The New Year brings about many resolutions. This year we all intend to better ourselves in one way or another. Punk Campbell, for example, has decided that in order to be successful, he is going to have to make his mistakes when nobody is looking.

Those who did not make resolutions at least feel that they have learned something with the coming year.

Frank Hermesmeier has discovered that a wedding is a ceremony at which a man loses complete control of himself.

Clydean Gilbreth has decided that maturity is the time of life when, if you had the time, you'd have the time of your life.

Lynvol Bowen has decided that the time he spends in college will be the only vacation a boy will get between his mother and his wife.

Dwayne Evans made the sage observation that everyone likes to be the center of attention—everybody except maybe a pick-pocket.

Dean Day was overheard to remark the other day that middle age is the time in life when greener grass simply means something that has to be mowed more often.

WHEN AND WHERE

The Girl's Quartet from CJC performed again last week when they presented a very entertaining musical program for Ladies' Night at the Lions Club in Hedley. The quartet is composed of Lynn and Beth Bourland, T'Rose Stepp and Maudena Self. Mrs. Weaver directs the vocalists, and Mrs. Jesse Adams is their accompanist.

Members of the faculty met this week with a representative of the American College Testing Program for orientation concerning the value of ACT scores in the placement of students in the overall college program. It was the unanimous decision of the faculty that the meeting was very enlightening and that the information would be helpful in the enrollment of students at Clarendon College.

The game with Lubbock Christian College Tuesday night was a heartbreaker in that we lost by a narrow margin. But it is better to lose by a narrow margin than by a wide one! The game was almost unbearably exciting, especially in the last few minutes, as was evidenced by the continuous roar of the crowd. If Tuesday night's game was any indication of what fans will see Saturday night when the local Bulldogs tangle with Amarillo College then the town should turn out en

WHO AND WHAT
Our apologies that this column is again vacant this week. Our reporter has been vainly trying to corner Coach White long enough to get an interview, but has met with little success to date. We promise to have something for you next week, even if we have to don a suit and race up and down the basketball court in order to talk with him.

COLLEGE COSTS CONTINUE UPWARD

Continued increases in college costs are shown in a new nationwide survey by the U. S. Office of Education, reports Mrs. Wanda Meyer, Extension Service home management specialist.

Median tuition charges—the halfway mark between those of the higher and those of the lower—increased \$206 in private universities and colleges and \$49 in state and other publicly supported schools, the survey shows.

The median tuition in private institutions rose from \$534 for the 1958-59 school year to \$470 for 1962-63. The median at publicly supported institutions increased from \$134 to \$183, in comparison.

During the four-year period, tuition and student fees were upped by 98 percent of the private institutions, while in state-supported colleges and universities, 81 percent raised tuition and fees for state residents, and 91 percent increased charges to out-of-state students.

The latest survey does not reflect additional increases in tuition and fees effective in many institutions of higher learning with the beginning of the new academic year in September. These changes range from small amounts to "considerable" amounts.

The Office of Education did not report on charges for room rent and meals, Mrs. Meyer said. These costs reflect less change than tuition and vary less among private and public universities.

An earlier survey a year ago showed these annual averages: Public universities and colleges, \$189 for room and \$350 for board; private schools, \$231 for room and \$415 for board.

Hunt-Thompson Wedding Announced

Judith Ann Hunt and George M. Thompson III were married Sunday, January 10th, in the Epworth Methodist Church, Lubbock, Texas.

The bride is the daughter of Mr. and Mrs. Davis May, Plainview Highway, Lubbock, Texas. Mr. and Mrs. George Thompson, Jr. of Clarendon are parents of the groom.

Rev. Jim Tomlinson of Sweetwater, brother-in-law of the bride, performed the double ring ceremony in the presence of immediate families and close friends. Mrs. Nancy Wiseman, church organist, played a selection of traditional wedding music.

Escorted by her father, the bride wore a pale blue imported wool suit with matching accessories and halo hat. She carried a white orchid surrounded by frenched carnations and tied with love knots.

Mrs. Donna Adams of Lubbock was matron of honor and Mrs. Juanice Tomlinson served as bridesmatron. Both are sisters of the bride.

Serving the groom as best man was Frank Gibbs of Lubbock. Griff Evans of Houston and Lubbock was groomsman and ushers were John Larow and John Griffith, both of Houston and Lubbock.

An informal reception was given by the bride's parents immediately following the ceremony.

After a wedding trip to points of interest in Texas Mr. and Mrs. Thompson and their three children, Renae, Al, and Hank will reside in Lubbock where Mr. Thompson is a Divisional Man-

ager with Sears. Mr. and Mrs. Thompson, parents of the groom, entertained with a rehearsal dinner Saturday evening in the dining room of the Eldorado Motor Hotel, Lubbock.

JAYCEE-ETTE NEWS

Jaycee-ettes met in the Hospitality Room at the Farmers State Bank Tuesday evening. A board meeting was held preceding the regular meeting.

Ann Hommel called the regular meeting to order and several committee reports were given. Ann modeled the new Jaycee-ette uniforms and we are proud of them. Our thanks to Mrs. Hahn who did a wonderful job for us.

We had so much fun at our last White Elephant sale that we voted to have another Thursday evening, January 21st, at 7:30 p.m. in the Jaycee Room. This will be open to the public and we hope everyone will try to come. Admission will be one White Elephant.

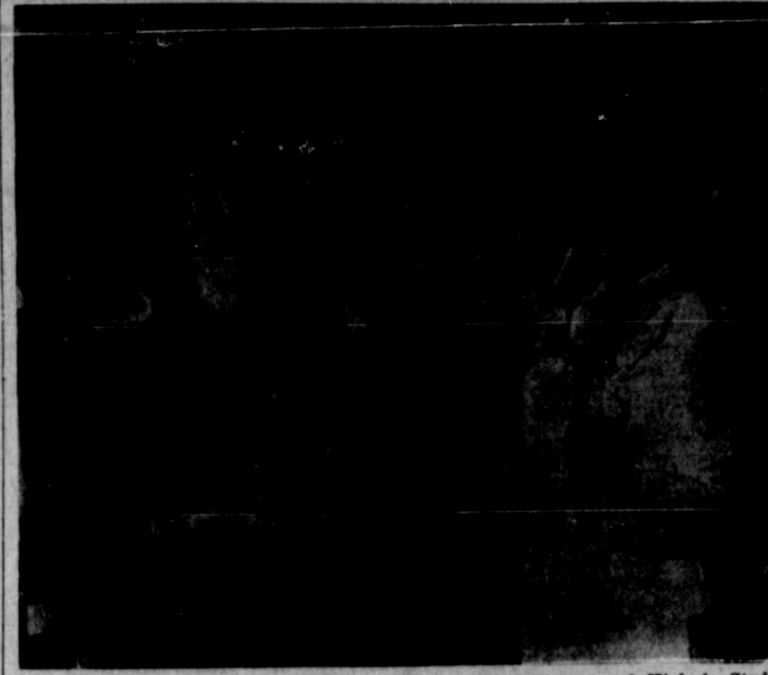

Hostesses for the Tuesday meeting were Ann Hommel and Theola Leeper. —Rep.

PATHFINDER CLUB MEETING HELD

Pathfinder Club met in regular session Friday afternoon, January 8th, at Patching Club House. Hostesses were Mrs. W. H. Cooke III and Mrs. Stina Cain.

Mrs. T. M. Caldwell, Jr. presided. Meeting was opened with Club Collect. Announcement was made that the District President, Mrs. R. T. Lindley of Canyon, would meet with the club February 12th and all members were urged to be present. Plans for the annual reception January 22nd, from 3 to 5 p.m. at the club house were explained by the chairman, Mrs. R. S. Brumley. The reception this year will be in the form of a colonial tea and members of the houseparty are requested to dress in colonial attire. Each member will be allowed two guests.

President, Mary Belle DeBord; Vice-President, Gladys Gresham; Secretary-Treasurer, Tressie Hughes; Ass. Sec.-Treas., Naveda Dunn; Reporter, Veda Mahaffey.

The next meeting will be January 21st at the club room with Veda Mahaffey hostess and Mary Belle DeBord leader. Starting time will be 2 p.m. —Rep.

GOOD NEIGHBORS CLUB

The Good Neighbors Club met with Rosa Bingham January 8th in an all day quilting. One quilt was nearly finished.

A delicious lunch was served at the noon hour to one guest, Mrs. Wheeler, and members Nova Barker, Della Barker, Emma Barker, Blanche Gray, Florence Harp, Bessie Helton, Carrah Mixon, Alta Spradlin, Lida Warren, and Rosa Bingham. Maggie Easterling and Ruby Jordan came in the afternoon.

The next meeting will be with Emma Davis, January 22nd. —Rep.

LOCALS ATTEND BANQUET AT SAN ANGELO

Mr. and Mrs. Chauncey Hommel and Mr. and Mrs. Hubert Kidd, local Jaycee and Jaycee-ettes, attended the "Five Outstanding Young Texans" banquet at San Angelo last week end.

Nominations for the award came throughout the state. The selection of the five was made by a distinguished group of Texans. The five were Charles T. Doyle, Texas City, Dr. James H. Granberry, Lubbock, Clinton H. Howard, Irving, William J. Marshall Jr., San Angelo, Bill D. Mayers, Marshall, Texas. A most interesting and enjoyable time was reported by all.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met January 7th with Quata Phillips, hostess.

Refreshments were served to two guests. Minnie Ivey and Nita McDonald; and members Alice Hall, Johnnie Bryson, Nora Helm, and Eleanor Martin. —Rep.

Locals Attend State YH Convention

"Our Homes—The Strength of the Nation" was the theme selected for the State Young Homemakers convention for their annual convention in Dallas the past week end. The Young Homemakers organization is sponsored by the Division of Homemaking Education, Texas Education Agency, Austin. Delegates from the Clarendon Chapter were Pat Reed, Area I President, and Ginny Garland, Historian for the local chapter. Also present were Mrs. Fred Bourland and Miss Lynn Bourland. Approximately 400 members representing 150 chapters were in attendance.

An informative and entertaining program was presented with several outstanding speakers taking part. A coffee honored past State Officers. The Young Homemakers and Young Farmers met in joint session for the Awards Luncheon at which time Miss Lynn Bourland of Clarendon was named "State Little Sister" in recognition for her outstanding contributions to the programs of work in her home, school, chapter, church, and community. This is the first time an FHA girl has been so honored at the State Convention. The luncheon was sponsored by the Rural Electric Cooperatives and Lone Star Gas Company shared hostess responsibilities.

A comment in the elevator by an observer of convention delegates was "Isn't it wonderful that there are so many young homemakers who are interested in bettering themselves professionally." This is a compliment to the adult program of work in Vocational Homemaking and Agriculture departments.

31st COTTON PAGEANT AND BALL AT A&M — The Agronomy Society of Texas A&M University will present its 31st annual Cotton Pageant and Ball on April 3. The event has long been one of the university's social highlights.

MIDWAY QUILTING CLUB

The Midway Club met with Leona Scott January 7th. One quilt was finished.

Those present were Louise Aten, Allie Quattlebaum, Jewell Myers, Ellen Moreland, Eddie Williams, Leona Scott, Lucille Eanes, Jossie Simmons, and one visitor, Lena Smith.

The next meeting will be with Mary Lee Longan January 21st, at the Community Center. A covered dish luncheon will be served. —Rep.

BEEF FUTURES TRADING A REALITY

1964 may long be remembered by brokers as the year cowboys invaded the trading floor. The Chicago Merchantile Exchange in late November began a system of beef cattle futures trading. Major users of the new marketing device are expected to be traditional livestock men—producers, feeders, dealers, and slaughterers, says Ed Uvacek, a Texas A&M University marketing specialist.

C.I.C. BULLDOGS LOSE TO LUBBOCK PIONEERS

Tuesday, January 5, Lubbock Christian College invaded the Bulldog's gym and emerged with a slim 82-80 victory. Costly mistakes at the end of the game hurt the Bulldogs. The Bulldog's offense was highlighted by the outside shooting of Alvin Alexander and Johnny Powers, who scored 19 and 13 points, respectively. Trooper was high point man for Clarendon with 30 points and Evans had 24 for Lubbock Christian College.

Saturday, January 9, the Bulldogs succumbed to Amarillo College by an 81-56 margin. The Bulldogs seemed spiritless after the LCC loss and were never really in the game. Trooper had 20 points for Clarendon and Campbell added 11. Hill led Amarillo with 25 points.

The Bulldogs go to New Mexico Military Institute January 12. Next home game is against Frank Phillips College, January 26, and should be an exciting game again this year.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Just one year and four months ago, the state law establishing the office of Regulatory Loan Commissioner — called the "Loan Shark Law" — went into effect.

Opening of that state office marked the end of more than 36 years of battles over regulatory control of loan companies.

Actually, that part of the law which provides for the licensing of those making loans of \$1,500 or less, once they meet rather rigid licensing standards didn't become effective until December 23, 1963.

Since that time, some 1,800 loan offices have been licensed. Commissioner Frank Miskell says that 22 examiners have made a thorough check of the books and records of 724 offices.

Also, the agency's enforcement division has investigated 154 complaints by individuals against lenders. According to Miskell, 72 of the complaints involved alleged overcharges or refund shortages. But most of the investigations revealed that borrowers had not been overcharged. "They just woke up to the high cost of borrowing money."

Forty of the complaints involved charges of harassment or unreasonable collection efforts. Investigation of these led to the discovery that some complaints were unjustified. Also, some were beyond the jurisdiction of the Loan Commissioner. They have been referred to district courts.

Other complaints ranged from hip-pocket (unlicensed) lenders to concealment of facts that should have been revealed in license applications. At the close of the agency's first year of operation, all but four of the cases were classified as "settled."

Miskell says that the "big ones" — the complaints that will be subject to public hearings and possible revocation of license — will be coming up early in 1965.

EGG PRODUCERS GET REMINDER — Agriculture Commis-

sioner John C. White reminds egg retailers and industry men that after January 1 all egg containers must bear the license number of the grader-packer.

Number identifies eggs and fixes responsibility for grading or labeling violations, White said. Also it is aimed at preventing out-of-state firms from shipping eggs into Texas without paying required fees.

Producers who sell eggs from their own flocks on an ungraded basis do not have to have a license number.

New provision of the law was passed by the Texas Egg Marketing Advisory Board last summer. License numbers were assigned on September 1 when the annual re-registration period began.

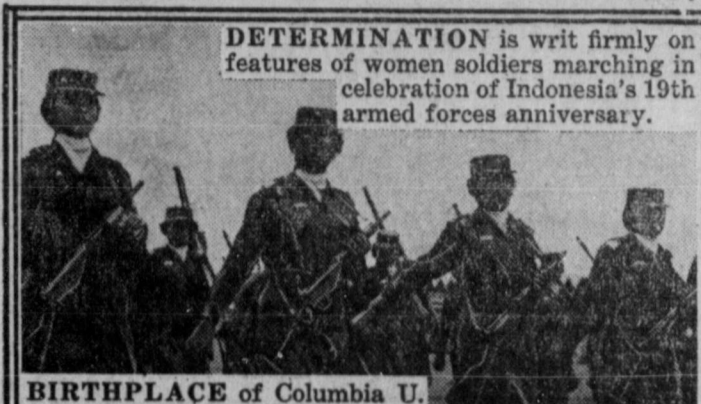

BOB HOPE TALKS TEXAS — Special premiere of a film designed to tell the "true story" of Texas will be held in Austin on January 13, when "Bob Hope Talks Texas" will be shown to Gov. Connally, members of the Legislature and other State officials.

Film was produced through efforts of the Texas Industrial Commission. It was financed by 14 industries and chambers of commerce. Purpose is to sell persons in other states and other countries on Texas and its business, industry and tourist attractions.

E. B. Garmany, chairman, said the commission hopes that the film will have some impact on plant location decisions — and that it will "hit at the image that Texas is all cowboys, Indians and sage brush."

TAX ESTIMATES DUE — R. L. Phinney, administrative officer of the Internal Revenue Service, reminds farmers and ranchers that Friday, January 15, 1965, is the final day for filing their estimated Federal income tax returns for 1964. That is unless they have arranged to file their final return on or before February 15.

People, Spots In The News

DETERMINATION is writ firmly on features of women soldiers marching in celebration of Indonesia's 19th armed forces anniversary.

BIRTHPLACE of Columbia U. School of Engineering, about to mark its 100th anniversary, was this former broom factory at Park Avenue and 50th Street, New York (as it looked in 1865).

NEW VERSION of ventilated hairdo is "diamond-studded snake," a Parisian creation.

LOIS, LINDA and KAREN, daughters of the L. B. Nixons of Riverside, Cal., agreed on their "candidate" although their parents differed on the Presidency voting.

Phinney said that Farmers and ranchers who do file estimated returns on January 15 and pay the tax due on the estimate have until April 15 to file final returns and pay balances of taxes due.

Tax law defines a farmer or rancher as one who earns two-thirds or more of his gross income from farming or ranching.

OPTIMISTIC NOTE FOR OILMEN — Dr. Robert B. Williamson, research associate with UT's Bureau of Business Research, says Texas Oil producers have grounds for cautious optimism concerning 1965.

He notes that while mid-

December stocks of Texas crude were at the lowest point in 16 years, prospects for greater demand were in view. State crude oil production allowable for January was raised to the highest level in two years.

Williamson reports that the U.

S. Defense Department, an important oil and gas customer, plans to increase its military purchases of petroleum fuels by three percent during the fiscal year ending in June, 1965.

He points out that crude production rose one per cent the first 11 months of 1964, and oil and gas well completions also were up fractionally.

INAUGURAL INVITATIONS — Some 40,000 Texans have received invitations to the two big state political-social events of the season — the gala Democratic victory dinner on January 25 and the inauguration of Governor Connally and Lt. Gov. Preston Smith on January 26.

Party leaders hope to set new attendance and financial records at the \$25 a plate dinner.

Speaking will be limited to a minimum for political functions, probably confined to Connally, Smith and House Speaker Byron Tunnell.

Inauguration ceremonies will be simple and brief.

REDISTRICTING DELAY? — High Texas political leaders have not given up on thwarting federal court-ordered legislative redistricting on the basis of population alone.

Connally, Smith and Tunnell all have made known their support of efforts to amend the U. S. Constitution permitting state senators to be selected with consideration given to geography, as well as head count.

Tunnell was chairman of the resolutions committee, at the recent General Assembly of the States which called on all states to petition Congress for a constitutional convention on reapportionment.

Look for two resolutions to be introduced on this subject during the 1965 session of the Texas Legislature.

One will call for a constitutional convention to consider an amendment reserving to states the right to determine makeup of their subordinate political subdivisions.

Another version may simply urge Congress to submit such an amendment for ratification by three-fourths of the states.

Action by 35 state legislatures

would be necessary to require Congress to call a federal convention. Apparently, a simple majority vote of Congress could set the convention in motion. A two-thirds majority in Congress is necessary for outright submission to an amendment to the states.

Under a federal court decision, Texas lawmakers have an August 2 deadline staring them in the face for completion of legislative redistricting. Nevertheless, some continue hope that they will find a way out through a constitutional amendment.

SCHOOL BOARDS TO BE CANVASSED — Texas school boards this month will be asked their opinions of public school legislation. Results of the survey will be made known to lawmakers.

Members of the Texas Association of School Boards and the Texas Association of School Administrators form the committee which will poll the boards. Local school superintendents will be called on to distribute survey material to the board members.

HIGHER INTEREST RATES IN STORE FOR CONSUMERS

Higher interest rates on credit are ahead for consumers, says Mrs. Wanda Meyer, Extension Service home management specialist at Texas A&M University.

Financial institutions across the nation are beginning to pass along the higher charges they must pay for use of Federal Reserve funds—they are doing this in spite of the Reserve Board's earlier assurances that its recent hike from 3.5 to 4.0 per cent in the discount rate would not result in a general increase in consumer interest rates. The discount rate is in the interest that the Reserve Board charges member banks on the money it loans them.

In the wake of the increase in the discount rate, a number of banks raised their prime interest rate from 4.5 to 4.75 percent. This is the rate charged to the biggest and safest borrowers, such as corporations. All other interest rates are scaled up from it.

One of the most influential

financial institutions, the First National Bank of Boston, has rescinded the increase recently in response to President Johnson's public stand on the issue, thus almost certainly nipping in the bud any nation-wide trend to increases for the present. Others predict that a general increase in the prime rate would come in the spring.

Whether this will occur or not, it is consumers who will pay for the Reserve's higher discount rate, starting now. A number of bankers are making efforts to charge more for loans to individual borrowers to make up for the squeeze on the prime rate. Nearly all commercial credit agencies have already raised their interest rates in the amounts that vary according to the length of the loan.

QUALITY PLANTING SEED GOOD INSURANCE — Money invested in quality seed is good crop insurance. The use of the best seed of adapted varieties is basic to successful farming, says R. J. Mears, Texas Agriculture Extension Service Agronomist. Now is the time, he adds, to make arrangements for needed seed for planting the 1965 crop.

Our heartfelt thanks to all who extended comforting sympathy in our recent sorrow. For the beautiful flowers and other kindnesses we are deeply grateful.

The family of O. B. Taylor

I would like to take this means of expressing my sincere thanks for the cards, flowers, visits and other kindnesses during my stay at the hospital. Your thoughtfulness was deeply appreciated.

Jane Bownds

To all of those who remembered me with cards, gifts and other kindnesses during my illness I would like to extend a word of thanks. Words can not adequately express my appreciation for your thoughtfulness.

MYSTERY MAN

(Continued from Page 1.)

it had taken place in a dream. To demonstrate the power of post hypnotic suggestion, Merlin tells the volunteers that their right foot will be fastened to the floor when they try to leave the stage. They find it impossible to leave the stage until Merlin breaks the spell.

Merlin is one of the few magicians who has mastered mass hypnosis, which is generally considered to be the most difficult of all magicians' accomplishments.

Instead of escaping from a thoroughly examined and padlocked box, as the Great Houdini used to, Merlin locks a young lady in the box, and then in a matter of seconds, the lady is out and Merlin is in. The box is unlocked, the lid removed, and out jumps Merlin.

Another feature of the show is Erna, the Princess of Magic, who has mastered the Hindu Basket mystery.

City Administrator Explains City Budget

Last week it was reported to you that your City Government has approved a budget for the year 1964-65. Your first question probably would be-What's so strange about a budget? I live by one all the time. This may be true and if you do, you know how hard it is to live by one. The same is true for your City. You also know that you just can't throw all your money into a pot and spend it on luxury items whenever you want without any consideration of your regular living expenses.

But before we can even think about what we have to budget, we must first determine how much we are going to have to operate with. You may ask: Where does the money to operate the City come from? In Clarendon, the major source of income is Water and Sewer Taxes. Sanitation and miscellaneous items such as fines, permits, licenses, and franchise tax supplies the rest. The total estimated income for the City comes to \$143,638.00. The Water and Sewer department pays its own way and a part of the surplus above its operating expense is transferred to the General Fund and becomes a part of the budget for the rest of the City. The approved budget for this year is \$124,512.00. This amount of money must now be divided between the various departments of the city, making it possible for them to operate in an efficient

Mrs. Glenn Wallace, Chairman of the Jaycee-Ette Christmas decorating committee, is shown here presenting the first place plaque for residential decorations to Mrs. Dick Vallance.

manner, not deprived of the monies that they need to carry out their responsibilities.

It must be borne in mind that all departments are just as important to the operation of an efficient city government as the text and it must be taken into consideration when a budget is prepared. There can be no "fair haired" department. All must be considered on the same basis when preparing the budget. All employees must be considered on an equal basis. The money is thus divided and it can only hope that no great emergency arises to upset it.

Now comes the big problem—making sure the department heads live within the budget. This can only be done by setting controls with a central purchasing agent and a very, very close eye on spending. As you can see, a city

budget operates much in the same way as your own private budget does. Let us hope it operates better than most of them do. It is our responsibility to see that it does.

MORE BEEF IN '65 — Beef production in 1965 is expected to increase only two to three per cent over the 1964 output. The number of cattle and calves on hand January 1, 1965 was up only slightly from January's total of 106.3 million head, says John McHaney, economist for the Texas Agricultural Extension Service. Much of the gain will be in calves held from last year's calf crop.

First bicycles were called "dandy - horses" in England.

FARM NEWS

from County ASCS Committee

1965 FEED GRAIN PROGRAM

The sign-up for the 1965 Feed Grain Program will open February 8th and close March 26th. The notices of acreage, payment rates and yields will be mailed out within the next few days. If you wish to appeal the acreage yield, you must do so within the 15 day period after the date of the notice.

The acreage substitution for wheat and feed grain has been included for 1965 and will give producers more flexibility range of cropping opportunities and income possibilities.

Any producer who signed an "Intention to Participate" in the 1965 Wheat Program may revise his intention at the time of the Feed Grain Program sign-up.

NEW GROWER COTTON ALLOTMENT

January 22, 1965, has been established as the closing date for filing applications for new farm cotton allotments. To be eligible for a "new grower" allotment, neither the operator nor owner of the farm can have an interest in any other cotton allotment in the United States.

If you think you might be eligible for a new growers cotton allotment, come in and talk with us about it.

RELEASE OF COTTON ACREAGE

If your farm is not covered by a CR contract and you are not planning to plant your entire cotton allotment, let us urge you to release the unused portion to the county. By releasing this cotton, your allotment will be protected and the other farmers in our county will get to use the released cotton.

March 3 will be the final day

to release cotton. This is also the last day to request any additional cotton which is released to the county.

OFFICE NEWS

Mrs. Irene Gerner, our feed grain clerk, underwent surgery in the Groom Hospital on January 5. We are sure that each of you join with us in wishing Irene a very speedy recovery.

"Shy" Johnson is still recuperating at home after surgery in December to correct an eye ailment.

We are all missing Irene and "Shy" very much and hope they can both be back with us in the very near future.

Start New Year With Safe Vehicle

Col. Homer Garrison, director of the Department of Public Safety today encouraged Texas motorists to "start the new year with a safe vehicle" by securing the 1965 vehicle inspection sticker without further delay.

The Public Safety Director said that approximately one-half of the inspection period has expired and only about one-fourth of the vehicles in the state have been inspected. He added that unless the inspection pace is stepped up, motorists may expect to find the usual waiting lines at the inspection stations when the April 15 deadline approaches.

"The inspection stickers for 1965 have been available since September 1," Garrison said, "allowing ample time for all vehicles to be inspected without delay prior to the deadline. There can be no extension of the deadline and vehicles not displaying the new sticker will be in violation of the law after April 15."

Texas now has more than 5,200 authorized inspection stations over the state. According to Garrison, these stations are ready and capable of handling the remain-

ing vehicles without delay provided vehicle owners do not wait until just a few days before the deadline.

He pointed out that the basic function of vehicle inspection is to detect and correct vehicle defects that might cause an accident. He said that last year vehicle defects contributed to fewer accidents than ever before in Texas.

SOIL CONSERVATION DISTRICT NEWS

Diversion terraces have become very popular over the last few years and have done much to control water erosion on long slopes. The definition of a diversion is: Grading or digging a channel with a supporting ridge on the lower side, across the slope. The purpose of this practice is to divert water from areas where it is in excess to sites where it can be used or disposed of safely.

Conditions where the Practice Applies — This practice applies to sites where:

1. Runoff from higher lying acres is damaging cropland, pastureland, rangeland, farmsteads, recreation, wildlife or conservation structures and recreation facilities.

2. Runoff is available for diversion and can be safely and efficiently utilized on nearby sites by waterspreading.

3. Diversion of runoff into or away from farm ponds is needed. Diversion shall not be substituted for terraces on cropland requiring terracing for erosion control.

This practice is eligible for cost-share assistance through the ACP program or the GPCP program. SCS technicians are available to give you assistance in the planning and lay-out of this practice.
