NEW MAYOR

C. J. (JERRY) LOHOEFER

Lohoefer Elected Mayor In City Election Tuesday

C. J. (Jerry) Lohoefer was elected to serve Clarendon as its new mayor in the City Election Tuesday. An exceptionally large number of voters went to the polls and cast their vote which shows that more and more folks are taking greater interest in public affairs.

There were 542 votes cast with Lohoefer receiving 257, Major B. Hudson running a good second place with 204 votes and Sam W. Lowe receiving 78 votes. Three other write-in votes were cast to bring the total to 542.

Lohoefer will serve with Commissioners Otis Naylor and Lloyd McCord.

Approximately 1,000 Take Polio Vaccine

The Clarendon Junior Chamber of Commerce announced that over 960 doses of the Sabin Oral Polio Vaccine were administered at the Donley County Courthouse last Sunday. It was given to persons of all ages, some just three months and some of those receiving the vaccine were age 70 to 80 years.

For those persons who were unable to take the vaccine Sunday, a make up will be held this Friday, April 6th, between one and two p.m. at the school adjacent to the cafeteria. Registration is necessary for Type III to be administered. It will not be administered to children unless they have a note of permission from parent or guardian.

This will be the last of the planned program of the Jaycees to sponsor the Sabin Oral Vaccine. They wish to thank the citizens of Clarendon and residents of Donley County for their participation in this program to help Stamp Out Polio.

Donley County Leader \$3.95 Yr. in County.

—Photo Courtesy of Saye's Studio

The following officers of the Jaycees were installed at the Installation Banquet Friday night: left to right, Chauncey Hommel, president; Dr. Richard L. Gilkey, vice-president; Delbert Robertson, secretary; and Richard Tunnell, treasurer. Robertson was also named "Jaycee of the Year."

Jaycees Urge Citizens To Vote

In keeping with the Jaycees policy of urging voters to express their opinion, a "get out the vote" campaign was initiated for the Mayor's election Tuesday. Similarly, being vitally interested in preserving our Junior College the Jaycees urge all qualified voters to vote Saturday, April 6th, in the School Board Election.

The Jaycees ask each voter to examine the qualifications of the candidates — find out which candidates wish to be true representatives of the people and carry out the voters' desire, as indicated by the election to enlarge the college district boundary and the election to levy the school tax rate.

It might be wise to examine the tax rolls and see which candidates pay substantial school taxes and which pay little or none, and to see what various persons render as property.

While you are at the tax office, look over the minutes of the school board meetings, see if your elected school board representatives truly represent you. Also, look at the books and look at the budget. Inquire about the cost of a half million dollar college plant to the independent school district some years ago.

Examination of these facts should reveal if the Junior College is a definite asset; if any "drain" on the Independent School District funds has approached the cash value of the college or not.

The Jaycees believe the people of Clarendon have indicated their wish to support the college in previous elections. It is now time to do so again. Progress can be lost by apathy, so your vote is necessary. Examine carefully the candidates, see if they are motivated to "represent you" or to represent themselves or other persons.

Your vote is important. This election is more than a school board election. It appears as a fight between moral principle and the tax dollar. The Jaycees believe in moral principle. Make your decision and vote accordingly. Vote for whom you please, but please vote.

RAIN SUN. NIGHT BREAKS CURRENT DRY SPELL

Rain that fell Sunday night, dropping .46 inch moisture, broke the current dry spell and raised hopes for more in the near future. So far this year moisture has been scarce and is badly needed for the winter grain crops. The Hedley area received over an inch and the Chamberlain-Lelia Lake area received around three-fourths of an inch. The fall was lighter to the west.

Thirty-Two Enter Golf Tourney

Sunday will mark the first tournament of the spring season at the Donley County Golf Club and thirty-two entries have been recorded which should make it one of the best. The tourney will begin at 1:45 p.m. Sunday afternoon and will be played in four-omes with each group teeing off from a different tee box and continuing until 18 holes have been played.

The following members who have signed up for the tournament must be on the tee box assigned to them by the designated time or will have to forfeit:

1st tee box: Dr. Geo. Smith, Richard Vallance, Bill Allen, Delbert Robertson; 2nd: Scooter Moffitt, Robert Mills, E. A. Tip-ton, Dennis Bradshaw; 3rd: Roddy Seago, Guy McGee, Jerry Allen, Carroll Knorpp; 4th: Ray Palmer, Dee Hudgins, Bill Williams, Homer Estlack; 5th: Shelby Bell, Allen Estlack, George Thompson, Gene White; 6th: John Stepp, Phill Hart, Guy Mills, Dwight McAnear; 7th: Bill Hicks, George Schollenbarger, Jim Butler, Geo. Estlack; 8th: John Payne, Walt Knorpp, J. Gordon Stewart, Lee Palmer.

Visitors will be welcome but no other players will be allowed to use the course during tournament play.

Last Rites Held For Mrs. Minnie Darden

Mrs. Minnie Darden, 77, a resident of Clarendon for the past 23 years, was found dead in her home by a neighbor last Tuesday at 7:30 p.m. The cause of death was determined due to a heart condition.

Funeral services were held at 4 p.m. Thursday in the Murphy Memorial Chapel, with Rev. W. R. Lawrence, pastor of First Baptist Church, officiating. The body was taken to Girard, Texas, Friday morning where another service was held from the Girard Baptist Church at 2 p.m. Friday. Interment followed in the Girard Cemetery under the direction of Murphy Funeral Home.

Mrs. Darden was born in Fisher County, Texas, July 22, 1883. She was Minnie Walker Mayfield before her marriage to Claude Darden in Kent County, Texas. Mr. Darden died June 20, 1958. She was active in the First Baptist Church, of which she was a member, and was also a member of the Order of the Eastern Star.

Survivors include one daughter, Miss Chloe Darden, a teacher at Pampa Junior High School; one son, Ray W. Darden of Clarendon; three sisters, Mrs. C. C. Spradlin of Lubbock, Mrs. Carl Cox of Nevada, Missouri, and Mrs. B. L. Richardson of Hobbs, New Mexico; six brothers, Bust Mayfield, and W. G. Mayfield, both of Van Buren, Arkansas, John Mayfield of Clyde, Texas, Earl Mayfield of Strathmore, California, Frank Mayfield of Clairemont, Texas, and Wayne Mayfield of Midland, Texas.

Pallbearers for the service here were J. R. Brandon, Carl Bennett, Joe Ritter, Bill Ray, Dick Vallance, and Van Kennedy.

YOUNG GROUP SQUARE DANCERS TO GRADUATE FRIDAY NIGHT

The younger group of square dancers who have been taking lessons with Dusty Randall at Lions Club Hall will be graduated this coming Friday night, April 5, at 7 p.m. All parents of this age group are urged to be present.

The following Friday night, April 12, graduation will be held for the Adult Class of square dancers.

There will be Square Dancing following each graduation.

SHALL WE PROGRESS OR NOT? (AN EDITORIAL)

This newspaper is dedicated to the community it serves and in so doing, it takes a positive stand on any issue that it feels will effect the progress of this community and the majority of people residing within its radius. It is our policy to present the facts after close study and research. As most of you know, a newspaper can not afford to print libelous statements.

In the early days, Clarendon and this community grew on the strength of its schools and churches, and we believe, as the majority vote shows in previous elections, that this community can continue to grow if our schools are permitted to progress in the manner in which your majority vote has already indicated.

It has taken lots of hard work and determination on the part of our residents in the past to provide the school facilities that many of us have had the privilege of using and our descendants are using today. We believe the majority of our residents today are made of the same stuff and have equal determination and the ambition to see that our school of higher learning does grow in the future.

This is one of the reasons why we believe the majority of voters in the Clarendon Independent School District will go to the polls Saturday and cast their vote for the two candidates whom we know are definitely for the progress of our schools in their entirety, who have the intestinal fortitude, as some other members of the present board of trustees, to extend every effort toward a never ending chain of progress in the way of educational facilities in Clarendon.

Warren Hardin and Fred E. Chamberlain, Jr., were raised here, think along the same lines, and want to carry out the desires of the majority of our residents. Both are property owners, one paying near \$350 in school taxes and the other near \$450 in school taxes alone.

The other two candidates, Lee Palmer and Bill Craft, are fine men but they are being supported by a minority group unwilling to accept a majority vote of the people because they would prefer to pay little or no taxes. They possibly agree that the continuation of Clarendon Junior College would be fine . . . if it didn't cost them any more money.

According to the school tax rolls, which are open for inspection, Lee Palmer did not render any property to the school for tax purposes last year and did not pay any tax to the school. So far this year, he has not rendered any property for tax purposes. In the college elections which are being contested at present, he was qualified to vote in the first election concerning annexation but he was not qualified to vote in the Tax Rate election. In addition, he has been a resident of the school district only a comparatively short time.

Bill Craft, the other candidate, moved into the Clarendon School District last year. He paid taxes on personal property alone to the school district in the amount of less than \$25 as shown by school tax records. He has rendered less valuation this year than last year.

Prior to moving to the Clarendon School District, Mr. Craft resided in the Lakeview district but chose to send his youngster to Clarendon due to the quality of the local schools over the Lakeview system. After the first year, the youngster was taught locally free of charge for three years as Hall County would not grant a transfer. We are proud they chose Clarendon to school their children but we do not believe the quality of our school has been lowered but greatly improved during the past few years.

In the issue concerning the College, it has been suggested that outsiders be called in to make an evaluation, etc., to determine whether it was feasible to continue operation of the institution. The good residents of our area have been able to run their schools in the past and we think the majority of our residents still feel they are capable of saying whether they want and can afford an institution of this nature for the benefit of generations to follow.

We believe in progress and without extended effort and continued progress, our community will dwindle to nothing.

When you go to the polls Saturday, we hope you will consider the issue at hand in all sincerity and vote for the two men, Hardin and Chamberlain, who we believe will carry out the wishes of the majority, to the best of their ability and for the greatest benefit to everyone concerned.

Dog Rabies Vaccination Day Set For Friday

Each year the City, along with the cooperation of Dr. Chas. Deyhle, offer a combined special rate for dog vaccination for rabies and city dog tag. The time set for this two-in-one operation is Friday afternoon, April 5, from 2 to 6 p.m. at the County Court House Lawn. The combined price for the vaccination shot and the city dog tag is \$2. Any other time the regular price is \$3.50.

Be sure to take advantage of this special offer as it is compulsory that each dog be vaccinated for rabies and have a city dog tag that is current or the dog will be subject to disposal.

NUTTER ATTENDS LIBRARY MEETING

Daniel Nutter, Clarendon Junior College Librarian, attended the annual Texas Library Association meeting which was held at the Statler-Hilton Hotel in Dallas, March 27th through the 30th.

This was the 50th annual meeting of this association whose membership includes librarians from all public schools and colleges in Texas.

Rev. W. R. Lawrence Is New Boss Lion

Members of the Clarendon Lions Club elected new officials to serve the club for the ensuing year at their regular luncheon Tuesday.

Elected were: President, Rev. W. R. Lawrence; 1st vice-pres., L. L. Wallace; 2nd vice-pres., George Thompson; 3rd vice-pres., Billy Goodman; secretary, Jack Clifford; treasurer, Joe Bownds; Directors, Homer Bones and Gene Alderson; taitwister, John Payne; Lion Tamer, B. J. Land; Official Greeter, Ernest Kent. Hold over directors are Bill Williams and Clyde Slavin.

HOSPITAL NOTES

Patients as of Wed., April 3: Mrs. W. C. Jones, Pete Bromley, D. T. Smallwood, Vadie Carpenter, Mrs. D. C. Williams, Mrs. Jack James and baby boy, Mrs. J. C. Blackburn.

Dismissals: Mrs. Oliver Abel, C. C. Carter, Darrell Fuston, Karen Hill, Mrs. Cap Morris, Carol Lee Peterson and son, Ernest Clay, Mrs. W. W. Roney, Cecil Rich, Mrs. W. L. Sickles and Mrs. R. L. Womack.

School Trustee Election Big Issue For Locals Sat.

CJC's Fifth Annual Senior Roundup Friday Night

The fifth annual Senior Roundup, sponsored by Clarendon Junior College, will be held at the College Gymnasium on Friday night, April 5, beginning at seven o'clock.

Registration for the big event will begin at seven o'clock and the program is scheduled to get underway about 7:30 and will continue until 9:00. The dance will be from 9:00 until 12:00.

Included in the program will be the awarding of scholarships and achievement awards.

The dance band will be the "Fayro's" from Turkey.

Seniors and their guests from Clarendon, Silverton, Turkey, Quitaque, Estelline, Memphis, Lakeview, Hedley, Dodson, Wellington, Samnorwood, Quail, McLean, Claude, Kelton, Brisco, Wheeler, Mobeetie, Flomot and Matador have been invited to attend the program and dance.

Dean Announces College Honor Roll

Dean Oliver J. Abel of Clarendon Junior College has announced that the following students have been placed on the Dean's Honor Roll for the first nine weeks of the second semester of the 1962-63 school year.

Sophomores include Philip Abel and Mary Dunn of Clarendon; Martha Hanna of Port Arthur; John Kennedy of Quail; Ava Pearl Lacy of Amarillo; Jon Leggett of Hedley and Susie Romo of Wellington.

Freshmen students gaining the honor are Sammie Salmon of Lakeview and Jerry Whitfield of Dodson.

YOUNG FARMERS-RANCHERS TO COMPLETE JOB

The Donley County Young Farmers-Ranchers plan to complete their job in the concession stand and press box at the Little League Park Saturday, weather permitting. Joe Shadle, president, is requesting all members be present so the painting can be completed.

It has been a long time since as much interest has been taken in a school trustee election as the one coming up this Saturday, April 6, at the School Business Office.

The big issue of the election is the future of Clarendon Junior College and future progress of our schools. The election of two school trustees is the key to the issue as opposition is already evident on the present school board and with the election of two more trustees with the same opinions, the situation could be disastrous as far as the college is concerned.

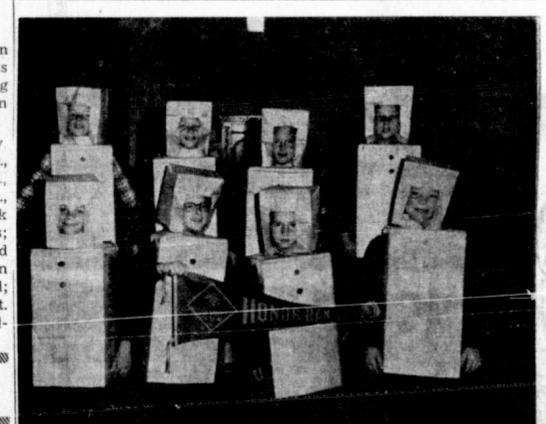

There are four candidates in the race for the two positions. Warren Hardin and Fred E. Chamberlain, Jr., present members of the board, are seeking re-election and are being opposed by Lee Palmer and Bill Craft, two candidates who are being supported by a minority group who opposed the life and progress of Clarendon Junior College and possibly any other progress of the local school system that would require any more taxation. This has been shown by three suits filed in District Court whereby the College would be strangled through lengthy court action.

Warren Hardin and Fred Chamberlain are both well acquainted with the situation confronting the school and the future outlook of our children and our community and are willing to continue serving the progressive citizens of the Clarendon Independent School District.

Voters, who are in doubt about various statements and claims which have been circulated, are urged to take time to learn the true facts and go to the polls Saturday and vote the way you think best. A lot is at stake and the vote of every qualified voter in the district is needed to show a clear picture of the majority's thinking in regard to the future of Clarendon Schools.

Remember the voting time is from 8 a.m. to 7 p.m. The voting place is the School Business Office which is located on the northeast corner of the school campus.

Joe E. Johnston and W. C. Johnston of Plainview were visitors in Clarendon Friday.

—Photo Courtesy of Saye's Studio

Den 1 of the Clarendon Cub Scouts won the attendance banner at the March Pack Meeting. Den 1 boys pictured are: back row, John Moore, Johnnie Floyd, Jeff Campbell, and Will Lowe; front row, Mike Leeper, Pat Robinson, Pat Moore, and Joe Neal Shadle. They presented a skit "Relicking Robots" in which each robot told the things he could do for a person who owned him in the year 2,000. Also shown at the Pack Meeting was a film on John Glenn's ride in the Friendship 7.

MARTIN NEWS

Mrs. Raymond Waldrop

Mrs. Joe Sasser and daughter of Amarillo spent last week with Mr. and Mrs. W. W. Ashcraft and Nancy.

Mr. and Mrs. Raymond Waldrop and Beth, Mr. and Mrs. P. C. Messer and Katerina went to Lefors Friday night to attend church service at the First Baptist Church. Bro. Lawrence is in a revival there.

Mr. Bruce Johnson of Amarillo visited Sunday with Mr. and

Mrs. Steve Reynolds.

Mrs. Lela Bulman, Mrs. Della Barker and Mrs. Emma Davis were dinner guests Sunday of Mr. and Mrs. L. L. Waldrop.

Mrs. Doris Mills and children of Lubbock spent the week end with his parents, Mr. and Mrs. L. A. Watson and attended Faylons and Nancy's wedding.

Mrs. Lavern Thompson, Mrs. Edna Osburn and Mrs. W. G. Tims went to Amarillo Friday and took Brenda Osburn's science project to put on display for the science fair in Amarillo. Brenda won 3rd place. Sherron and Rex Berry of Amarillo spent the week with the Osburns.

Mr. and Mrs. W. D. Higgins visited in the Earl Myers home Thursday night at Lelia Lake.

Mr. and Mrs. Arnie Moss visited Friday night with Mr. and Mrs. Clarence Moss and Shirley. Mrs. Janie Mann and Larry Don visited Monday afternoon with Mrs. Gay Cole.

Mr. and Mrs. Odell Osburn and girls and Sammy Thompson attended the science fair in Amarillo Sunday.

Mr. and Mrs. W. D. Higgins visited Sunday night with Mr. and Mrs. Bert Ayers.

Mr. and Mrs. Don Reynolds and family of Amarillo visited Saturday with Mr. and Mrs. Steve Reynolds.

Mr. and Mrs. Othel Elliott spent Sunday in Lubbock with their daughters, Mr. and Mrs. David Stout and Mr. and Mrs. Darrell Leffew.

Mrs. Trula Deger, Jewel Simpson, Jewel Smith of Wellington and Mrs. Elsie Sibley shopped and visited in Amarillo Monday.

Mr. and Mrs. Odis Benson and daughter of Wellington visited Friday with Mr. and Mrs. C. E. Jackson.

Mr. and Mrs. Rosco Land, Mr. and Mrs. Clarence Cason of Wellington visited Sunday with Mr. and Mrs. Pete Land.

Mr. and Mrs. W. D. Higgins went to Amarillo Tuesday. They visited with Mr. and Mrs. B. H. Higgins and shopped.

Mr. and Mrs. D. E. Stevenson visited Sunday with Mrs. Ed Dishman and Mrs. Stewart.

Mr. A. L. Barrow of Amarillo visited Tuesday with his sister, Mrs. Glenn Helton.

Better get your pencil and paper out and start thinking. Everybody's doing it!

Reason is, there's a bill before the Texas House of Representatives calling for a slogan to be imprinted on our auto license plates. Three choices are given in the bill. They are "Lone Star State" . . . "Vacation State" . . . and "Texas Has Everything".

Letter slogan was sent in by a newspaperman, Bob Bray, publisher of the Marble Falls Highlander.

Come to think of it, what's wrong with "Hi Pardner" — the two words we used in starting this column? Sounds like the friendly welcome of a Texan . . . in state or out of state.

Cost of adding a slogan to the Texas tags would run only about \$150. Or just the cost of the new dies.

Speaking of license plates . . . a bill by Rep. Ray McNutt of El Paso would eliminate the front tag. Saving to the state — \$400,000 annually.

UP IN THE AIR — Activities of state agencies in aeronautics filled the air in two recent meetings of the House Committee on State Affairs.

Rep. Ben Barnes of De Leon got a hearing on his bill to abolish the Texas Aeronautics Commission. It is asking \$436,000 for the next two years. Commission has been credited by some opponents of the bill with helping create landing strips in smaller communities. Rep. Gene Hendryx of Alpine favored abolishment of the commission.

He said citizens of his town built their own airstrip with \$4,000 of local money, without any governmental aid except for the use of some county bulldozers. Land Commissioner Jerry Sadler protested a bill by Rep. Roy Arledge of Stamford which would force all agencies except the Texas National Guard, State Guard, and the Department of Public Safety to sell all "executive-type aircraft" with more than 260 horsepower. Sadler said the Arledge bill was aimed mainly at the Land Office. He insisted the State Land Office needs an airplane for aerial surveys of state land.

ANNEXATION COMPROMISE — Municipal annexation bill, as

passed by the House, is considered a compromise by the Texas Municipal League. Ditto for interested industries — including the Texas Association of Homebuilders — that have been on the other side of the fence.

Straddling the fence during the four days it took the House to pass on the bill written by Rep. Henry Grover of Houston, and rewritten by Rep. Jerry Butler of Kenedy, were enough representatives to decide the matter for one side or the other.

Several votes indicated the cities might win the right to annex additional territory in a manner they consider reasonable. Other votes indicated the industrial pressures would be the winning factor.

Finally, 130 House members decided Grover's bill was good enough to send to the Senate as a "workable vehicle" for a joint conference committee. But 14 felt that it still wasn't fair either to cities or to rural people living on fringes of the cities.

Main point in contest still seems to be: How much authority should cities have over surrounding areas subject to annexation?

As it stands, cities would be limited to setting "minimum standards."

AUTO INSPECTION DEADLINE — Col. Homer Garrison, Jr., director of the State Department of Public Safety, has sent out a reminder to Texas drivers who do not have their 1963 auto inspection stickers that April 15 is the deadline.

If Rep. Terry Townsend of Brady has his say the \$1 auto inspection fee will be raised to \$2. But Rep. George Richardson of Fort Worth said he will oppose any increase.

CROP INSURANCE — Farmers will get more liberal crop insurance coverage under revised policies and rates issued by the State Board of Insurance. New plan eliminates the controversial mechanical-harvesting clause pertaining to cotton.

Revisions were requested by both wheat and cotton growers. Coverage will be available under economically-priced "escalator" and "step-ladder" forms, as well as "broad form" policies.

GOVERNOR'S APPOINTEES — Frank C. Erwin, Jr., Austin attorney, was named by Governor Connally to the UT board of regents, to replace Judge W. St. John Garwood, also of Austin, whom the Senate earlier refused to confirm.

Jack Kullgen of Waco was his choice as State Highway Commissioner. He replaces Charles Hawn of Athens, whose term has expired.

Rev. C. A. Holliday, Negro minister of Fort Worth, has been named by Connally to a six year term on the Texas Board of Corrections. He succeeds John S. Justin, Jr., of Fort Worth. Connally pointed out that this is the first time a Negro had been appointed to the board.

Connally re-appointed to the Board of Corrections J. M. Windham of Livingston and Jack Vaughn of Dallas.

Dr. J. A. Chatman of Lubbock, Joseph A. Scott, Jr., of San Antonio and Rev. Martin Griffin of Waco were assigned to the Texas Southern University's Board of Directors. All are Negroes. They replaced J. M. Odom of Austin, Mack H. Hannah, Jr., of Houston and the late Dr. Everett H. Givens of Austin.

Mrs. Jack T. Bowman of San Antonio was appointed to the

Board of Regents of Texas Woman's University. Mrs. John Hazelwood of Amarillo was re-appointed.

To the Texas Tech Board of Regents the governor named Herbert Allen of Houston and Roy Furr of Lubbock. He re-appointed Harold Hinn of Dallas.

LEGISLATIVE WIND-UP — Governor Connally and House Speaker Byron Tunnell seem to agree that the 58th Legislature should wind up its business before the May 27 deadline. This should please the Legislators. They stop getting the usual \$12 per day living allowance 20 days before that deadline.

But many are afraid the loan shark bill may hold them here.

PECOS, TEXAS, INDEPENDENT: "We subscribe to the belief that freedom is a gift of God and not a political grant. We believe that freedom is consistent only with Christianity. We believe that our welfare shall depend on our own initiative and ability, we believe in maintaining a society in which the citizen has fullest individual freedom and the government's primary and paramount role is the protection of that freedom."

MARKSVILLE, LA., NEWS: "Every elected or appointed government official or board, receiving or otherwise handling public funds, should publish at regular intervals an accounting showing where and how each dollar of taxpayer money is spent. The Weekly News holds this practice the greatest safeguard against corruption in office, and believes it to be a fundamental principle of democratic government."

Lion C. R. (Slim) Hunsucker, Hedley carpenter and contractor, was elected President of the Hedley Lions Club last week. Lion Hunsucker is a charter member of the club. Other officers elected were Gene Allison, First Vice Pres.; Earl Wheatley,

Second V.P.; T. H. Moffitt, 3rd V.P., Billy White; Sec.-Yreas.; Hobert Moffitt, Lion Tamer; L. O. Thompson, Taitwister. New directors are Johnny Conanster and M. O. Weatherly and hold over directors are Alfred Spalding and L. D. Moore.

The Hedley Post of the American Legion will have a free supper at their regular meeting next Tuesday night. The Post now has 86 members. Their quota is 91.

Miss Cheryl Stegall was elected Lions Club Queen at the contest held at the Hedley High School auditorium last Friday night. She is the daughter of Mr. and Mrs. Richard Stegall of the McKnight Community. Runners-up were Dolores Messer and Sandra Moffitt. Miss Stegall will represent the Hedley Lions Club at the District Convention at Shamrock April 19th and 20th.

Mr. and Mrs. Gene Allison and Mr. and Mrs. Harold White were hosts and hostesses to a "42" party Saturday night. Refreshments were served to: Mr. and Mrs. Mack Bush, Mr. and Mrs. Connie DeBord, Mr. and Mrs. H. L. Morgan, Mr. and Mrs. R. M. Saunders, Mr. and Mrs. O'Neill Weatherly, Mr. and Mrs. Earl Wheatley, Mabeleene DeBord and O'Neill Weatherly won the prizes, winning all six games. R. M. and Margaret Saunders won the "booby" prizes. Spring and Easter were carried out in the decorations.

Mrs. Roy Jewell spent a few days in Hereford last week visiting her daughter, the V. C. Hopson family, who were moving into their new home.

Mr. and Mrs. Collier Heater and J. W. of Dumas were week end visitors in the F. G. Watt home.

Mr. and Mrs. Dale Parks of Abilene spent the week end with the lady's sister, Mrs. Ray Aultman.

Mr. and Mrs. C. R. Hunsucker spent the week end in Lubbock with their daughter, the Al Mannys.

Mr. and Mrs. Billy White and daughter spent the week end with his parents in Wichita Falls. David Tate of Amarillo, Mrs. Don Carson and children of Borger visited their father and

grandfather, the Tom Tates, the week end. Glad to report Tom showing improvement after his illness.

Mr. and Mrs. Chas. Rains of Amarillo visited his mother, Mrs. W. I. Rains, Sunday.

Mr. and Mrs. Joe Glass of Snyder spent the week end with Mr. and Mrs. Malcolm Glass.

Mr. and Mrs. C. C. Cavender of Amarillo spent Saturday in Hedley transacting business and visiting friends.

Mr. and Mrs. Kenneth Taylor have moved from Amarillo to Hedley to make their home. Kenneth will be employed at the Conoco Station.

Mr. and Mrs. Merle Owens and daughter of Amarillo visited over the week end with their parents, the Sam Owens and Woodrow Clendenens.

Mesdames Cecil Lamberson and Jap Shaw visited Mrs. Tom Cooper, who is ill in Amarillo, Wednesday.

The Wilsey White family of Amarillo visited the Luther Pet-ty's Sunday.

Mrs. Doug Lowe and children of Jayton were here last week with her father, Alfred Spaulding, who has been quite ill. Latest report was he was resting and feeling some better.

Mr. and Mrs. C. L. Johnson spent last week in Corpus with their son, Billy, and family.

Mr. and Mrs. Homer Clark of Wichita Falls spent Sunday and Monday visiting his sister, Mr. and Mrs. Tom Tate.

Mrs. Willie Bird of Ardmore, Okla., is visiting her sister, Mrs. J. B. Masterson. Mrs. Donald Lindsey of Amarillo spent Sunday with her mother, Mrs. Masterson.

Mr. and Mrs. Ross Springer and Don attended the Golden Wedding of Mr. and Mrs. John Lawrence at Logan, N.M., Saturday. Mrs. Lawrence and Mrs. Springer are sisters. Four brothers were present: M. L. Alexander of Lakeview, Clifton Alexander of Santa Anna, Calif.; Paul Alexander of Yucca Valley, Calif.; Bob Alexander of Grand Prairie, Tex.; a sister, Mrs. Albert Marksbury of Fontanna, Calif.

Mr. and Mrs. Brewster of Henrietta spent the first of the week in the Tom Tate home. The ladies are sisters.

The many Hedley friends extend deepest sympathy to the Grover Heath family in their recent sorrow. The Heaths lived in Hedley a number of years and had a wide circle of friends. A daughter, Mrs. Frank Murray, lives here. A large crowd from Hedley attended the funeral service.

Mr. and Mrs. Grady White of Houston visited their aunt, Mrs.

Mattie Barnett, Monday. Mrs. Grady will be remembered as Marguerite McFarling, daughter of Oscar McFarling.

FACT AND OPINION

In the view of Chairman Oren Harris of the House Interstate and Foreign Commerce Committee, Congress must come to grips with the transportation industry's problems and enact some form of legislation. Pointing to the downward trend in total volume of traffic handled by regulated common carriers and the resultant deterioration in their financial condition, particularly of the railroads, he said: "This disclosure of past performance and estimates for the future are most disturbing because they indicate that the very existence of common carriers under private ownership is being threatened."

Frank Gotch was one of the greatest wrestlers of all time.

Ashcraft - Watson Nuptials Exchanged In Sunday Service

Miss Nancy Ashcraft, daughter of Mr. and Mrs. Woodrow W. Ashcraft of Clarendon, became the bride of Faylon Watson of Lubbock, son of Mr. and Mrs. L. A. Watson of Clarendon, in a double-ring ceremony read Sunday, March 31, at 3 p.m. in the home of the bride's parents, The Rev. Waymon Culp of Plainview officiated.

Arrangements of white carnations were used in decoration. Attending the couple were Miss Johnnie Shields and Wondell Luttrell. Miss Shields wore a street-length dress of blue nylon complimented by matching accessories and a corsage of white carnations.

The bride was attired in a street-length dress of white lace fashioned with long sleeves. She wore a small white hat with veil and white accessories and carried a bouquet of white carnations tipped with blue and showered with blue streamers. She also wore a necklace with a cultured pearl.

Following the ceremony the couple was honored at a reception. The bride's table was laid with a lace cloth and centered with an arrangement of blue and white carnations within a heart of white meline and topped with white wedding bells. Appointments were crystal and silver. Wedding cake and punch were served by Mrs. Wesley Mills, Mrs. Jack Mix, and Mrs. Bob Cole.

Relatives and close friends attended.

FUTURE HOMEMAKERS OF AMERICA

This is National FHA Week. The Clarendon Chapter is doing a series of program activities this week. The first of these programs was presented Monday, April 1, in the college auditorium. Robin Green spoke on "Communism—a Threat to America." The speech was very good. The Future Homemakers of America used the opening and closing ceremony for the first time this year. —Rep.

GOLDSTON COMMUNITY CENTER NEWS

On March 23 we all met at the Center and had a wonderful time, a nice supper, and good music. It is believed that we had one of the largest crowds that we have had in some time. Everyone seemed to enjoy themselves. We had several visitors from other places and we were surely glad to have you, and want you to come back anytime.

We especially want to thank the musicians for their good music. We all enjoyed it and invite you back anytime.

Our next meeting will be April 27th, Saturday night, with Minnie Roberson, Nora Helm, and Irene Pritchard as hostesses. Everyone bring cookies. We will play "42." —Rep.

ASHTOLA NEEDLE CLUB MEETING

The Ashtola Needle Club meets Thursday, April 4, at 2:30 in the Center. There will be an Easter program. Everyone come and bring a guest with you. Mrs. Vena Hudson will be the leader. —Rep.

1926 BOOK CLUB HOLDS REGULAR MEETING

The 1926 Book Club met in regular session at Patching Club House Tuesday afternoon, April 2, with Mrs. A. J. Garland and Miss Inez Blankenship hostesses. Lovely arrangements of violets and cut flowers decorated the club rooms. Mrs. W. M. Crain opened the meeting with Club Collect led by Mrs. C. E. Bairfield.

The program, "Texas Heritage," was presented by Mrs. E. S. Ballew. Highlights from the book "Two Centuries In East Texas" by George L. Crockett were reviewed giving incidents from the first Texas settlements at San Augustine and Nacogdoches. She closed with a lovely tribute to the memory of the late and beloved Harold Bugbee who has left so much to preserve our Texas Heritage.

Attending were Miss Inez Blankenship and Mesdames C. E. Bairfield, E. S. Ballew, L. N. Cox, W. M. Crain, A. J. Garland, Loyd Johnson, Otis Naylor, W. N. Poole, Frank White, Jr., and one guest, Mrs. George Benson. —Rep.

BETA SIGMA PHI- MU GAMMA CHAPTER

Ginny Garland entertained Mu Gamma Chapter of Beta Sigma Phi in her home Thursday evening, March 28. Mrs. Ann Edwards of Goodnight presented a very interesting program on Ceramics. Mrs. Edwards brought mix and mold and made a vase, readying it for the fire. She also showed several lovely finished products and told of their making.

Attending were Mary Neal Risley, Betty Winton, Paula Sebesta, Bert Garland, Jo Ann Benton, Hazel Guy, Jane Bownds, Mrs. Ann Edwards, and the hostess, Ginny Garland. —Rep.

Mr. and Mrs. Geo. L. Green have returned home after visiting their daughter, Miss Helen Green, in Dallas, a son, William Green and family in Trinidad, Texas, also a son, Robert Green and family in Temple, and Mrs. Green's sisters in Ferris and Lancaster.

FUTURE AND RETIRED TEACHERS HONORED WITH TEA SATURDAY

Gamma Kappa Chapter of Delta Kappa Gamma honored future teachers and retired teachers at a tea Saturday afternoon, March 30, in the parlor of the First Methodist Church, Wellington, Texas.

Among those honored were Mrs. J. H. Headrick, retired teacher, and Becky Spivey, future teacher, both of Clarendon.

Mrs. Charlotte Ingham Word of Clarendon, honorary member of Gamma Kappa Chapter presented the program, "A Musical Tribute." Mrs. Word, a widely recognized composer, used her poems and music, charmingly explaining the inspirations which led to the words and music, and singing some of her works which are being readied for publication. She introduced her tribute to the guests with the poems "Spring" and "The Voice of God." She then played and sang "The Swing Song," "The Green Meadow March," "Lullaby," and "God Speaks to Me." After the poem, "For Today," Mrs. Word continued the musical tribute with "Aunt Mary's Music Box," "Waltz in E Flat," and concluded with "I Thank Thee, Lord."

Chapter members brought gifts to be sent to the State Hospital, Wichita Falls.

Refreshments were served from a beautifully appointed table. Attending from Clarendon were Mrs. Millard Word, Mrs. J. H. Headrick, Becky Spivey, Mrs. Velma Weaver and Misses Inez Blankenship and Edgar Mae Mongole. —Rep.

CHAMBERLAIN CENTER SCENE OF MEETING

Friday night, April 5, will be regular meeting night. This will also be our annual election of new officers for the coming year. All members make an effort to be present.

Hostesses will be Mrs. Jess Ivey and Mrs. D. R. Lindley. Cake and fruit will be served. —Rep.

GIVE TO THE RED CROSS.

FHA - PREPARATION FOR CITIZENSHIP

The Clarendon Chapter of the Future Homemakers of America plans two meetings a month. These include programs with guest speakers, chapter member participation, ceremonies and socials. We have been very fortunate in that we have had to cancel only one meeting, and we have had approximately two-thirds of our membership present at each meeting. We have 86 members, four charter members and five sets of chapter parents who participate by working toward local, area, state, and national goals.

The local goals for the Clarendon Chapter include: to wear white and the FHA emblems for special meetings; to send red rose bouquets to the various churches in National FHA Week; to show our appreciation to our teachers by giving them a red apple and a ribbon to wear during FHA Week; to enter food, hobbies and educational exhibits in the County Fair; to participate in educational contests—Betty Crocker, wool, Co-Ed; to attend Area and State meetings; to nominate a girl for area office; to encourage degree work; to adopt a Sr. Citizen for a year as well as to have a Secret Pal; and to assist civic organizations in their programs of work.

The programs for the year include the formal initiation, the degree ceremony, the formal installation of officers. In the early fall the FFA-FHA Barbecue encourages everyone to pay dues on time, and the Sweetheart Banquet in February always encourages other new members to join FHA. This year we plan a pillow party for the next year freshmen. Other programs include: "How to Make a More Beautiful You," "Around the World at Christmas," "Communism—a Threat to America," "Marriage Calls for Preparation," "Meet Your Friend — The Dry Cleaner," "The Magic Barrel—By-Products of Petroleum Industry. Learn to Speed Read," "Learning to Enjoy Older People," "Know Yourself, Ladies," a discussion of legal status of

women in Texas, "Hello, Teen-Agers from Greece," and "Be an American Foreign Exchange Student (Holland)."

To date we have carried out each goal with vigor and enthusiasm. We have served for banquets, modeled as prospective Sweethearts, and assisted each civic group that has asked for our assistance. We have shared half of our programs with the whole student body by presenting them as assembly programs. One girl has submitted application for a state degree this year. Approximately 10 girls will complete their chapter degrees, and we have hopes that all our freshmen will complete their junior degrees this school year.

Our local election of officers is a highlight of the year. We follow the Area plan by asking each girl who desires an office to submit her name and qualifications by Friday preceding National FHA Week. We elect officers at a called meeting using secret ballots. After the election we have a birthday party and reveal our secret pal. The exchange of birthday presents at this time is planned so that those who have summer birthdays will not miss out, and those members who can never remember dates, will have no excuse for forgetting. At Christmas the boys usually get to play Santa by helping the girls smuggle their Secret Pal's gift into her locker. —Rep.

JR. H.D. CLUB MEET HELD IN WILSON HOME

The Junior Home Demonstration Club met Thursday afternoon, March 28, in the home of Dollie Wilson. No business was transacted.

An interesting and informative program was presented by Mrs. Javan Tucker. Mrs. Tucker, a native of Greece, is a naturalized American citizen. She told something of her native land and the surrounding countries.

Attending were Wilma Spier, Mary Belle DeBord, Leona Henning, Noma Lewis, two guests, Mrs. Alta Adkins, Mrs. Javan Tucker, and the hostess, Dollie Wilson.

Mr. and Mrs. Bob Bentley of Lafayette, La., announce the arrival of a daughter, Pamela Joan, March 29. She is the granddaughter of Mr. and Mrs. Ralph Bourland of Plainview and Mr. and Mrs. Graeme P. Smith of Calgary, Alberta, Canada.

To the host of friends who came to us with love and sympathy, to those who could not come but sent flowers or messages of condolence, the doctors and hospital staff, we want to express our deepest appreciation. We are especially grateful to those who helped with the music and flowers. May we be more worthy of such friendship.

The Family of Grover Heath

The recent bereavement which has visited our home has brought to us a greater appreciation of our friends. Such kindnesses and neighborly thoughtfulness can never be forgotten.

The family of Mrs. Claude Darden

ASHTOLA COMMUNITY CENTER NEWS

We, the people of Ashtola and those of other neighboring Communities, who visited with us last Friday night, feel that we were indeed fortunate to have had Mr. and Mrs. J. F. White come our way and share some of the pleasures with us that they enjoyed so much last spring as they toured Europe. We just had the pleasure of making the trip with them. They narrated each scene so carefully and interestingly that we all felt as if we too were boarding the jet plane at Idlewild Airport in New York City where the tour started, and landed in London. Among the many places of interest was Buckingham Palace and West Minister Abbey, where the queens and kings are crowned. Beautiful cathedrals and so many parks where the flowers were so very beautiful were shown. As J. F. said, "It was even interesting to see the people driving on the wrong side of the street."

Their way of life is so different to our's here in America. A few of the places of interest were the Tower of London, St. Paul's Cathedral with all its great splendor, the beautiful fountains in Trafalgar Square, the Piccadilly Circus, the museums and the Parliament Buildings near the banks of Thames River.

Then we visited France where we viewed some of the beautiful Gothic Cathedrals on lofty hills, some with hand painted windows, hand carved ceilings and arched doorways and etchings of gold. The Strasbourg Gothic Cathedral with its rose window of stained glass is the most beautiful cathedral in France. We found the Chamfords Chateau with its many turrets very interesting. Lombardy poplar trees are grown in France more than any other and are so very pretty. Then we had a glance at the Basilica at Lourdes and the Virgin Mary. The picturesque old harbor of Marseilles, then on to Paris to the Palis De Chaillot and the Eiffel Tower. The Bourse with its sixty-six Corinthian columns. Then on to Spain with its splendid Gothic cathedrals decorated with carvings and etchings of gold, scarlet and azure. Its vast arenas for bull fights and matadors and beautiful flower gar-

dens, then there was Switzerland the land of the snow covered Alps, fine pastures and cattle. The lakes were so beautiful. There is Berne, the seat of Switzerland's government, then a glance of the Vatican City, home of the Pope.

Lastly, Germany with its beautiful Cologne Cathedral, its wonderful hillside vineyards and pretty villages and hill top castles, and so many things and places. We just can't begin to tell about. We all feel indebted to J. F. and Nell for taking time to tell us so much about each scene and bringing to our attention so many little things that we would ordinarily overlook, making the pictures so much more interesting.

We all found the pictures very interesting and educational. Our sincere thanks to J. F. White. Sixty-five people came from Goodnight, Clarendon, Martin, Chamberlain and Ashtola to enjoy these pictures. —Fep.

BREEDLOVE TO ATTEND REFERENDUM STUDY

County Agent Flip Breedlove and co-workers from some 20 other wheat producing counties will meet in Amarillo on Thursday afternoon, April 4th, to obtain detailed information on the approaching wheat referendum.

Similar meetings will be held in 6 other Texas cities, all conducted by a panel of A&M College specialists headed by John E. Hutchison, director of the Texas Agricultural Extension Service. In this series of meetings, agents will receive training and material which will prepare them to conduct needed educational programs that are designed to acquaint producers with all aspects — pro and con — of the referendum, the director said.

As in the past, county Extension agents will take no sides in this issue, but will present factual, unbiased information so that wheat growers can decide for themselves whether they wish to vote "yes" or "no," Hutchison explained.

Mrs. E. L. Lewis and Mrs. Maude Palmer visited the week end with relatives at Post, Texas.

Sneak Preview Of Senior Class Play

The Senior Class of Clarendon High School is proud to give you a sneak preview of their forthcoming senior play "Papa Says No." This play we guarantee to be very funny.

The plot concerns young ladies who are inclined to have minds of their own. So, exciting results are bound to occur when wealthy, dictatorial Mr. Page decides to end his daughter Jane's romance with Jack Prescott by taking her for a trip to Florida. From there (at least so he thinks) it will be an easy step to send her to South America for a year's stay with his brother. But, when Jack finds out what is happening, things begin to look complicated for him. So... what does he do but take a plane to Florida. Upon his arrival he enlists the aid of his college friend Pete Carter. To prevent Mr. Page's knowing he is there, Jack masquerades as a waitress in the hotel coffee shop, and Pete impersonates a pretty girl, hoping to vamp Mr. Page and persuade him to postpone his trip. All of which would be just fine — except for nosy Miss Luella Watts, a guest at the hotel. When someone breaks the lock on Mr. Page's suitcase, she accuses Jack of doing it. And reason enough, for Jack's actions are very strange indeed. But, when the police are called in, all looks hopeless for Jack and Janet — until a very lucky incident occurs that solves the difficulty to everyone's satisfaction and complete enjoyment. Here is a plot in which surprise piles upon surprise until the audience will wonder how this complicated mixture of comedy and farce can ever be untwisted.

So mark April 26th on your calendar as the date for the senior play "Papa Says No."

AMARILLO FIRM GETS HIGHWAY CONTRACT

A contract for 6.8 miles of construction on RM 2695, north-east of Hedley in Donley County has been awarded to an Amarillo firm, it was announced in Austin this week by the State Highway Commission.

Ivan Dement Inc. submitted the low bid of \$203,963 on the project. Grading, structures, base and surfacing from five miles south of Gray County line, south for 6.8 miles is expected to take 150 working days, according to Palmer Massey District Highway Engineer at Childress.

C. B. Hudson, Resident Engineer at Clarendon will be in active charge of the project while it is under construction.

Mrs. C. E. Underdown returned home Thursday last after visiting her sisters, Mrs. Sam Famme and Mrs. Carra Adkins at Carnegie, Okla., Mrs. Lena Adair in Shawnee, and a brother, Jesse Waddle in Okmulgee.

NEW PARKING LOT BEING PREPARED

Through the cooperation of the City and merchants in the immediate area, a new parking lot is now being prepared on the Watson and Antrobus lot north of City Hall. Merchants in the area have leased the lot to help ease the parking problem on main street and the street west of City Hall so customers will have more convenient parking. The City is assisting with the preparation of the lot.

Ricky Joe Guy of Amarillo spent the week end with his grandparents, Mr. and Mrs. Troy Guy.

Sunday School Week To Be Observed April 8 Through 14

This year's observance of Sunday School Week — April 8 through 14 — carries a special significance. We live, for one thing, in an intensely materialistic age, in which tens of millions of us are almost literally buried in a sea of goods and services whose result is more leisure, more money, less work. More immediately, we live in a world of discord and revolution, where no man knows what tomorrow may bring. In such a world of distractions spiritual values, on which everything worthwhile and lasting must rest, are of crucial importance in lending strength and stability to each of us in recognizing and attaining worthwhile goals in life.

In Sunday School children can find some of the essential foundation blocks on which to build a future for themselves and for the world. It is the place where the child can find his start in religious experience, and begin to learn of its wonders, whatever the church or creed of his allegiance. He will be a better adult because of it.

Of all the many Weeks that are observed each year, none is more deserving of recognition, observance, and success.

GRASSROOTS OPINION
SHOSHONE, IDAHO, JOURNAL: "A former U.S. foreign aid official . . . registered some interesting points on observations he has made about American responsibilities. T. R. Bowden of Ogden, a former Idaho banker, commented that after 14 years of operation, 'there isn't anybody anywhere, that knows what the U.S. is trying to do . . . when it comes to understanding our foreign aid program. Bowden pointed out that the U.S. is trying to raise the people of primitive countries to the level of the U.S. in a few years, a process that took America 150 years to achieve . . . Bowden added that he was 'glad' to be out of the program because he couldn't stand to 'see the taxpayers' money wasted that way.'"

GOLD CROWN SUBMERSIBLE PUMPS

The GOLD CROWN SUBMERSIBLE PUMP is the result of the best engineering and production facilities available. All of this combined with the newest methods used for making castings, assures ultimate accuracy in parts, plus super-smooth water passage for maximum hydraulic efficiency. FILTER CARE IMPORTANT ON FORCED AIR HEATERS

COLLEGE STATION — Dirty filters are the cause of two common problems with forced air heating systems — loss of efficiency and unsatisfactory performance.

W. S. Allen, extension agricultural engineer, says the first indication of a dirty filter may come when fuzz is noted over the house and the efficiency of the system declines. In some instances, the engineer points out, he loss in efficiency is accompanied by an increase in noise made by the heating system fan.

When the surface of the filter becomes heavily coated with fuzz and dust, the air flow is reduced and the efficiency of the system is curtailed, Allen ex-

plains. The filter, thus, is a very important part of the forced air heating and/or cooling system.

Allen suggests frequent checks of the filter to make sure it is performing its task. The frequency of replacing the filter will vary from household to household. Believe it or not, he says, a filter will become plugged and dirty shortly after the system in a new home is put into operation. This, he adds, is due to the amount of fine sawdust and "builder's dirt" which is present but unnoticed.

Some types of filters can be cleaned with a vacuum cleaner and washed to remove the fuzz and dust and then treated with a filter solution to extend its useful life. Most systems, however, are equipped with the "throw-away" types and these should be replaced with a new filter. Allen emphasizes the importance of replacing the filter with size and type recommended by the manufacturer of the system.

Frequent checks of the filter on your heating system along with proper maintenance will eliminate many of the problems commonly experienced and result in a more satisfactory and efficient operating system, says Allen.

gram. The "intention to participate" forms show 10,238 acres to be diverted from the production of corn, grain sorghum, and barley. The diversion is from base acreages of 31,834 acres.

For farms signed up, estimated total payments for diverting acreage amount to \$77,902.00, not including price-support payments to be made this fall.

Grazing Diverted Acres
Let us remind you that the date set to stop grazing on diverted acres is May 1. You may begin grazing again November 1, 1963.

Sodding Bermudagrass
If you are planning to sod bermudagrass this spring on your farm and you have not notified the county office, please do so right away.

The County Committee needs this information for ACP Budget purposes.

Cost-share assistance is available under the 1963 ACP to help farmers with conservation projects on their farms. Farm operators are encouraged to visit the ASCS County Office to discuss their plans and determine whether needed program assistance is available.

Sign up and be counted among those underwriting our country's might. Defend FREEDOM by buying U. S. Savings Bonds — this month, next month, all year around!

LOHOEFER THANKS CITY VOTERS

In electing me to serve you as your next Mayor of Clarendon, I would like to express my appreciation for the votes and support I received and the confidence you have placed in me. I shall do my best to conduct the duties of the office in a manner which will be of the most benefit to all concerned.

C. J. (Jerry) Lohoefer

Grass and rural fires are an ever increasing problem to the local Fire Department. Last Thursday night at Fire Drill the Firemen spent much of the night cleaning and servicing their equipment after a busy day of fighting three grass fires. The first alarm was sounded at about 2:40 p.m. and it was 6:30 before they returned to the station.

Chief Graham appointed a committee to secure a fire truck that can fight rural and grass fires better.

The purpose of this equipment is to relieve abuse of the present city truck and to have a piece of equipment that can get around over rough country.

An exceptionally good used 4 wheel drive truck was obtained and it was taken to a Fire Truck Manufacturer in Wichita Falls where a tank and pump are to be mounted. This will take about two weeks. This is one of two trucks the local firemen are trying to obtain.

The past few weeks a great number of farmers and ranchers have been contacted to see if they were interested in helping with this project. A good response was given to this request. The amount needed to obtain both pieces of the equipment is in the neighborhood of \$8,000. Your local firemen are contributing \$550 and possibly more toward your protection.

You will be contacted soon for

help. It is for your protection and service that these firemen are interested in getting this equipment. Please give generously.

Clarendon College Choir Makes Tour

The Clarendon Junior College Choir, under the direction of Mrs. Velma Weaver, did programs at Samnorwood, Quail, Dodson and Estelline last Friday.

These programs are presented each spring as a part of the plan to build good will and advertise Clarendon Junior College by acquainting people in the surrounding area with the facilities and course of study offered here.

PANHANDLE SCIENCE FAIR HELD IN AMARILLO MARCH 28-30

The annual Panhandle Science Fair was held in Amarillo March 28, 29, and 30 and Clarendon young people did very well considering size and qualifications.

The following were winners: Sue Wozencraft, Sara Barrow, and Judy McAnear won third places in the Junior group Medicine and Health. Brenda Osburn won third place with her study of the eyes. Honorable mentions were won by Anna Beth Simmons and Cindy Lowe, fifth graders.

Others participating in the Science Fair were Philip Finch, Maxey Osburn, Louise Barrow, Linda Longan, and Sharron Henson.

TO THE VOTERS OF CLARENDON

I wish to take this opportunity to thank everyone who supported me and voted in my behalf in the Mayor's race. Although I was not elected, I will always be for the progress of Clarendon. Thanks again.

Major B. Hudson

A Forecast Of College Needs

A measure of the burden Texas may be called upon to shoulder in meeting the needs of higher education in the present decade has been taken by the Texas Commission on Higher Education.

A report just adopted by the commission estimates that the state's cost for providing education beyond high school will reach \$302.3 million in the 1969-1971 biennium, which would be considerably more than twice the \$144 million appropriation for the current biennium.

The commission does not have doubts of the state's ability to finance such a college system. "Most of the high priority needs can be attained," the report said, "within the financial resources of the state and also within the framework of the 20 existing state institutions plus the two additional institutions (San Angelo College and Pan American College at Edinburg) which the commission has recommended for full state support."

What may be most significant in the commission's report, however, is the emphasis it places upon the development of junior, or two-year, colleges. It predicts that the 212,000 present enrollment in the state colleges and universities will rise to 305,000 by 1971 and that the increase "can and should be met by existing public junior colleges and by the creation of additional junior colleges."

It adds that the new junior colleges will be needed in certain metropolitan areas "where the resources and potential students are adequate to insure an economic and a quality operation." Listed among the metropolitan areas not presently supporting a two-year community college are both Fort Worth and Dallas. The extent to which the com-

mission would go in creating new junior colleges is not stated, but the report specifies their lack in a dozen metropolitan areas besides Dallas and Fort Worth. It should be easy for the public to support the commission's attitude toward this phase of higher education, for two-year colleges can perform valuable services to a community.

Within the range of their work they can offer education at less cost to the taxpayer and to the student than can four-year colleges. They can be situated so near to their enrollment that most of their students can live at home and commute to classes. They moreover are multi-purpose institutions, offering standard freshman and sophomore academic work acceptable for transfer to senior degree-granting colleges and also terminal courses, often of a strongly vocational and technical character, that permits graduates to enter directly into careers.

Texas has been a pioneer in the junior college movement and already has a number of such public institutions supported in part by state aid, in part by local tax revenues, and in part by tuition, as well as numerous private junior colleges. But more are needed if the press of enrollments is to be adequately met.

A hindrance in the past has been the ambition of local communities which, no sooner than good and accredited two-year colleges are functioning, undertake to obtain their elevation to four-year status and full state support. If the junior college system is to be enlarged, the preservation of two-year colleges

as such is as important as their creation, and the means of making this possible should be found.

ALDERSON NAMED TO "LEGION OF LEADERS"

Gene Alderson has been awarded Chevrolet Motor Division's highest selling honor. Mr. Alderson, a member of the sales staff of Alderson Chevrolet, was named to membership in Chevrolet's "Legion of Leaders" Honor Club at a special award banquet attended by fellow members from the Division's Oklahoma City Zone. This is his first entry into the select group of Chevrolet salesmen.

For over a quarter of a century Chevrolet has recognized its leading salesmen. The first "Honor Organization" was inaugurated in 1926. Now, thirty-seven years after its inception, the "Legion of Leaders" is considered the most rewarding recognition program for salesmen in the automotive industry.

Mrs. W. M. Patman has returned home after a visit in the home of her son and family, Mr. and Mrs. Billie Patman, son and daughter at New Orleans. While there Mrs. Patman became acquainted with the little granddaughter, Lisa Kay, who arrived March 5. The young lady weighed 7 lbs., 6 oz.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

THE TFX

I predict that when the TFX controversy cools, our very able Secretary of Defense, Robert S. McNamara, will have the support of most Americans in his deci-

sion to award the fighter plane contract to General Dynamics Corporation. McNamara's job, under the National Security Act of 1947 establishing the Defense Department, is to provide unified direction and control of our Armed Services. He had full legal authority to make the decision. Few men in the U.S. are as qualified as Secretary McNamara to make a sound decision in a matter so involved in the complexities of industrial pro-

duction, economics and military needs. In my judgment, no Secretary of Defense during my tenure as Your Congressman has discharged his duties as capably as has Secretary McNamara.

The losing bidder in the TFX case, Boeing Aircraft Corporation, has an outstanding record in designing and manufacturing nuclear-age aircraft and weapons systems. Boeing's major error came in its failure to meet the TFX requirements that General Dynamics met well — the requirements set by Secretary McNamara for a tactical fighter aircraft that would serve both the Air Force and Navy. As could be expected, many uniformed officers in the two services favored the Boeing designs because Boeing, in effect, designed two planes — one for the Air Force and one for the Navy. Secretary McNamara sought a single-design aircraft, one that he estimates will save the taxpayers \$1 billion, one that will meet the nation's defense needs for years to come. It is the Defense Secretary's job to see that our defenses are maintained in proper balance. Too often, military leaders become locked blindly in positions that would be of advantage only to their single service, not to the general needs of the defense establishment. Too often, they do not give sufficient weight to costs involved.

Too much is being made of the fact that the TFX contract went to a firm that will build the plane in Texas, in Fort Worth. Employment at the Convair plant in Fort Worth will about double to approximately 15,000 workers. But building modern aircraft is a highly complex manufacturing job and thousands of component parts are needed from supplier far from the assembly point. When the Convair people at Fort Worth built the B-36 bomber, items for the plane were manufactured in some 40 of the then 48 states. Convair's TFX subcontracts will be similarly diversified. Had Boeing won the job for its plant at Wichita, it too would have spread subcontracts across the nation.

We in the Panhandle have a special interest in the TFX, which the Air Force will designate the F-111 if and when it is approved for full production. I have every reason to believe that the Technical Training School at Amarillo Air Force Base will be assigned the mission of training mechanics and technicians needed to service the new aircraft. This would be in line with the present mission at the Amarillo base.

WASHINGTON NOTES:

At this writing, twenty-seven state legislatures have ratified the anti-poll tax amendment. The 87th Congress submitted it to the states last August, and

thirty-eight states must ratify it before it can become the Twenty-Fourth Amendment to the U.S. Constitution. It would cancel the requirement of five states, including Texas, that voters pay a poll tax or other tax before voting for President, Vice President, electors for President or Vice President or for Senators or Representatives in Congress. It is quite possible that ratification will be completed this year so that poll taxes won't be required in 1964 elections.

I was aware, as President Kennedy noted in a recent speech in Chicago, that "the crest of the postwar baby flood has swept through our elementary and secondary schools and is now about to engulf the labor force." But the statistics supporting the point are startling: Last year, 2.8 million young Americans reached the age of 16. In the 1960's, 26 million new young workers will enter the labor market. Workers under the age of 25 now constitute more

than one-third of our unemployed — although they number less than one-fifth of the labor force. Urge young people you know to stay in school until they are properly trained; the jobless rate is highest among the unskilled.

A resolution introduced in the Congress would set terms of office for Members of the House at four years instead of two years. It's true that the two-year term places a heavy responsibility on Members, some of whom have little opportunity to make a real legislative contribution before their service ends. But I can't support this resolution to amend the Constitution and lengthen the term, and I doubt that very many of my

House colleagues will vote for it. Members of the House are close to the people in their districts; they must remain close, and responsive to the will of the people they represent. It is proper that voters have the opportunity every two years to appraise the records of their representatives.

The Empire State Building is 102 stories (1,250 ft.) high.

Fire destroyed 530 buildings in New York City in 1835.

THE MOST FOR OUR MONEY

The determined opposition to our College Program is distressing to some of us who have worked for decades for Clarendon Schools.

These opponents are in the minority. Their efforts in large part are financed by non-resident land owners, who do not live in our school district and who are not entitled to vote in our affairs. Several of them are millionaires, and their only interest in our schools is their very SELFISH wish to pay as little school tax as they can get by with.

The college is not a big burden. The tax support is reasonable. We kept the school open in the depression days before we had all this state money that we have now.

We voters voted for this college district and we voted a tax on ourselves. Nowhere else can we get as much for our tax dollar.

In the coming election, Mr. Craft and Mr. Palmer are known to be committed to the wishes of the wealthy non-resident land owners.

We must support Mr. Hardin and Mr. Chamberlain who have represented us so faithfully, and who will continue to abide by the decisions of the qualified voters.

(Pol. Adv. paid for by Mr. and Mrs. Cap Morris and other senior citizens interested in good schools)

VOTERS

Since my views concerning education have been publicized by both sides in this controversy, I feel it necessary to tell the public what MY views on education really are: and what my stand will be if elected to the School Board.

Being the father of four children who will spend a combined total of at least 48 years in Clarendon's institutions of learning, how could I be against education? I believe we have as good a public school system as is possible considering that it has had to share its facilities and funds with Clarendon Junior College. Now that an effort is being made to separate these two institutions, I think that our public schools can be improved without any further tax increase. Some of the things I believe could be done to improve our public schools are:

1. Better salaries for our good teachers.
2. Repairs to our Northward School and at least one additional teacher there.
3. A remedial reading instructor and a counselor for students with special problems.
4. Encourage more participation in interscholastic league competitions.

As to the college situation, I believe that a good Jr. College in Clarendon would be an asset to our community if the economy of the community can support one. Although a definite figure has never been established as to the exact amount of money the college has been taking from the public school, it has been in such quantities that our public school has been jeopardized financially. Austin has warned the public school to stop appropriating funds above the allowable limit to Clarendon Junior College or all state aid could be cut off.

I believe that the college situation is too weighty to be decided by a few men on a School Board or any other small group. Therefore it is my wish that an unbiased authority on Jr. Colleges (which is available from the state at no cost) be brought in to make an evaluation of Clarendon Junior College, and that ALL these findings be made public. Some of the things I think the people should know are:

1. What it has cost in the past to run the college for one year.
2. What it will cost to provide necessary facilities for its growth. (Most school officials agree that our college must grow to survive.)
3. Is there enough of a local need that growth is possible?
4. What amount of revenue from local taxes will be necessary in the future — say for the next 5 or 10 years.

These findings could provide the whole community with information for establishing a definite goal to work toward cooperatively, or show us that we are pouring good money after bad into something which is economically impossible. THEN, after ALL the people in the district know the facts, call an election to allow them to make the decision themselves.

Even though the School Board may have the power to hire professional appraisers to re-evaluate all property in the Clarendon Consolidated Independent School District in order to provide money for the college, I do not believe it is justified in doing so. As I have said before, I believe that the future of Clarendon Junior College should be decided by a vote of the people to whom ALL the facts have been presented.

As citizens of this community, I believe it our obligation to make our school system as fine as the new buildings which house it; to provide as fine an educational institution as the children of our community deserve — the best.

If you agree with these views on education, I will appreciate your vote April 6.

/s/ BILL CRAFT

Bill Craft

SOIL CONSERVATION DISTRICT NEWS

Points Out Possible Wind Erosion Hazards

More than a million acres in northwest Texas are presently susceptible to severe wind erosion, according to reports just received by H. N. Smith, State Conservationist of the Soil Conservation Service. This is mostly cropland on which there are insufficient residues to protect the surface from wind blasting.

The areas most susceptible are the sandy soils of the southern High Plains south and west of Lubbock and the sandy soils in the eastern Panhandle around Wellington and Wheeler. There are about one-half million acres in the south High Plains that are presently unprotected. A large acreage of winter wheat has been killed and in a lot of these areas, they do not have adequate cover to protect the soil in lengthy blow periods. Lipscomb County has lost a large percent of its winter wheat.

Although the wind season has not fully started, there have already been 39 windstorms reported in the southern High Plains that have been of sufficient velocity to move soil and about 62,000 acres of cropland have already been damaged, according to reports from the SCS field offices.

The windy season, when damaging winds are most frequent, is just starting, according to Smith. March and April are the months when the greatest amount of wind damage usually occurs. The extent of the damage this year will depend largely on how severe the winds and how much moisture is received so that the farmers can list or otherwise treat their land as an emergency measure to control erosion.

State Conservationist Smith warned that the present conditions have the potential for a severe dust season. Twelve soil conservation districts out of 51 reporting are very dry, the soil moisture inadequate to plant crops. Thirty-four have only fair moisture conditions and unless additional moisture is received, will be in poor shape to resist erosion even with emergency treatment. Only 7 counties report good moisture conditions.

Wind erosion is always a potential problem in the northwest part of the State and when coupled with drought, conditions can get serious in a short time. The only means of controlling wind erosion is to use cropping systems that maintain considerable amounts of residues on the surface for protection, and to keep soils subject to severe wind erosion under permanent grass cover.

Soil conservation districts have been providing assistance for preparing plans that will control wind erosion. Research data and farmer experience have shown that residues left after grain sorghum harvest will provide adequate protection if they are left on the surface through the blow season. A conservation plan includes crops that resist wind erosion and provides for the management of the residues to protect the soil.

CHAMBERLAIN NEWS

Mrs. A. O. Hott

Mr. and Mrs. Milton Mann and daughter of Canyon spent the week end with his parents, Mr. and Mrs. C. L. Mann. Their other children, Mr. and Mrs. Chester Mann and son of Ashtola, Mr. and Mrs. Tillmon Barber and sons of Amarillo and Mr. and Mrs. Harold Lindley and Jay visited Sunday.

YOUR CHOICE

In this school board election, many articles have been printed about several different factions and who is against what and why.

I, as a candidate have been mentioned as being an opponent of higher education in our community, more specifically Clarendon Junior College.

My name appears as plaintiff in a suit currently filed against the members of the county school board. This suit was filed against the way the election was held . . . and in my particular case, I was denied the right to vote at the polls. In this country anyone who is legally qualified to vote in an election should stand up for his rights.

I am FOR many things in education for our public school children:

1. More pay for the teachers who shape the minds of our youngsters so they can take their rightful economic place with other professional people who have had far less training and do far less good.
2. More emphasis placed in the areas of most importance in public schools, so that our children leave high school with an education and not merely a diploma.
3. Modern teaching aids that will enable our children to gain the education that our present environment demands.
4. A well-rounded program in physical fitness.

In regard to our Junior College my stand is and has been, to secure the use of a team of Junior College experts from the state department of education which will cost our district nothing, and to accept their recommendation as to whether the Junior College is an economically sound venture.

If their report is affirmative and they recommend the continuation of the college and we can operate it without robbing our public school and the children thereof, I shall do all within my power to further the course of the college.

With these things in mind, I solicit your support in the election.

/s/ LEE PALMER

MAKES STRONGER PAPER AND INSULATION BOARD

drivative of cereal grain has been found to make stronger insulation board and paper, ac-

ording to the U.S. Department of Agriculture.

Zinc xanthate, an insoluble cereal product, was used in tests by USDA's Agricultural Research Service. The best experimental boards containing 10 percent of the derivative were lighter but 1 1/2 to 2 1/2 times stronger than commercial insulation boards of similar density.

The process for making cereal-zinc xanthate involves two steps. First, starch, flour, ground wheat or some other grain product is reacted with carbon disulfide and an alkali such as lye to produce the cereal xanthate, which is insoluble. Then xanthate is reacted with zinc

salts to form cereal-zinc xanthate, which is insoluble.

Another cereal derivative, cereal-zinc xanthide, has shown promise for use in making paper. Research conducted a year ago with this derivative using a pulp mixture containing 44 percent of the substance, increased paper strength considerably.

APRIL PLENTIFULS SUGGEST EATING "HIGH ON HOG"

COLLEGE STATION — April will be a good time to eat "high on the hog," both literally and figuratively.

Texas consumers also may well choose the better cuts of beef, because both pork and beef are on the nine-item April list of plentiful foods, reports the Texas Agricultural Extension Service.

The list features pork and carrots, as April supplies of each promise to run far above usual trade needs.

Beef rates a spot on the list for the first time in 1 1/2 years. Prices on both pork and beef are noticeably lower than last winter.

Also plentiful are milk, eggs, potatoes, peanuts and all peanut products, including peanut butter, canned freestone peaches and canned ripe olives.

The monthly list is prepared by the Agricultural Marketing Service, a part of the U.S. Department of Agriculture, in cooperation with producers, processors and the food trade.

When supplies of any food exceed expected demand, it is eligible for official listing as a plentiful.

Distributors and retail grocers cooperate in the Plentiful Foods Program by providing special promotions, including lower prices on many items.

Extension home economists suggest that consumers will find it to their advantage to serve plentiful foods, as food in abundance usually provides economy, ready availability and wide choice in quality.

TIRES BIG PART OF FARM TRACTOR UPKEEP

COLLEGE STATION — The repairs and replacement of tires accounts for about 30 percent of the repair costs on farm tractors, according to Henry O'Neal, extension agricultural engineer, Texas A&M College.

A few simple practices will reduce these repair costs and extend the life of tractor tires, O'Neal says.

Keeping tires properly inflated is the most important part of tire care. They should be checked every two weeks, according to

the engineer. Under-inflated tires may not appear low but the sidewalls will buckle when the tractor pulls a load and will eventually break. Continued operation at low pressure will reduce tire life by one-fourth, says O'Neal.

Tire slippage causes excess wear and wastes fuel and time. Weights can be used on the wheels or they can be filled with calcium chloride treated water to give additional traction and prevent this slippage, he says.

Careful driving and stopping will prevent much injury and wear on tires. The careful tractor driver stops smoothly, drives slowly and is careful to avoid stumps and stones that might cause punctures and bruises.

Sunshine and grease are very harmful to rubber, according to O'Neal. Never allow tires to stand on an oily floor or to sit in the sunshine while not in use. He also recommends that implements not in use be jacked up so that the tires are not supporting their weight.

O'Neal advises the prompt repair of cuts and bruises to prevent costly tire replacement. Cleaning up nails and glass can also reduce tire repairs around the farm, he says.

The size of the average new home in this country has increased nearly 30 per cent in the past 10 years. Larger families constitute one factor, as does a demand for more ample living space.

DON'T VOTE AGAINST YOURSELF

Two of the candidates for Trustee have taken public stands against the School Board's action in carrying out the expressed wishes of the voters.

Mr. Palmer is one of the petitioners who retained lawyers and initiated court action to try to upset the very decisive election victories as regards the College District, and the college tax.

Mr. Craft is similarly opposed to the School Board's carrying out the wishes of voters of the district, and outlined his opposition in a recent issue of this newspaper.

Vote for MR. CHAMBERLAIN and MR. HARDIN. They are representing you and you can count on them to continue to try to conduct school business according to the desires of the voters.

MR. CHAMBERLAIN AND MR. HARDIN deserve your SUPPORT.

(Pol. Adv. paid for by friends of Clarendon Schools.)

VOTERS

CLARENDON INDEPENDENT
SCHOOL DISTRICT

Elect

Bill Craft and Lee Palmer

as your two new school board members.

They are for better public schools
and equal taxation.

QUALIFICATIONS:

Both have attended college, one having taught for several years.

Familiar with problems concerning the local economy.

Both have children to educate in the public schools.

Both of these men are interested in and realize the individual's educational needs.

These two men are interested in the progress of Clarendon and the surrounding communities.

Consider these qualifications listed above and elect these two men to represent you, the taxpayer, on your school board.

(Paid for by friends of Bill Craft and Lee Palmer.)

The first one to send us the poem Bag of Tools asked for in our column was Mrs. George L. Stanley of Shamrock, Texas. Second Honors went to Will Chamberlain of Clarendon, Texas, and our third letter was from Box 490 also in Clarendon and gave us this additional thought; "I am bigger than anything that can happen to me. All these things; sorrow, misfortune and suffering are outside my door. I am in the house and I have the key" —Lummis

Something to make us all feel better; Figuratively speaking all of the boys at Boys Ranch are brothers. This is in a large sense true actually because there are 28 sets of two brothers at the Ranch. There are also 14 separate trios, and two groups of four brothers each. To read this made me feel warm inside, and I am sure that you will also be glad that so many times the families are kept together. This was carried to the point recently in that one girl was taken along with the group of brothers. She lives with some of the staff and is an idol of all the boys...

From Mr. Farley's Column; "Showing distrust in a boy you are trying to help is like calling a dog and then throwing rocks at him."

While we were classified as a public official of the peace, we were elected a director in the United Peace Officers of America. This is and has been from its beginning a few years back an organization dedicated to helping Boys Ranch. They have insisted on keeping me on as a

director. Anyone who wants to help the boys, and believes in peace and order in this old world can be a member. This year, this organization will strive to raise money for a new building at the Ranch... If you would like a part contact your local peace officer or write to us...

It is possible to have good friends whom we have never seen. This has been true with us many times over both in the experiences of this column and in other ways. This was especially true in the case of Naomi Ruth Field a young lady often referred to in the pages of this column. One page in our book was given over to the poem Shut-In written by Mrs. Belcher from the inspiration brought to her after a visit with Naomi. Confined for many years to a wheelchair and later to her bed she brought courage and inspiration to many.

In this condition she developed a magazine business so large that it could be shared with others. Her telephone surveys and services brought much recognition. She almost supplied her entire family in appliances due to her unbelievable ability to win contests. Her slogan was the winner in the recent contest at Claude. Her prize possession was a letter from Mrs. Eisenhower regarding the above mentioned poem. But good things have to make changes. This week we received word from a mutual friend that God had called Naomi home to be with His other Ruths and Naomis. Her arthritis torn body was to suffer no more and she was to forever brighten Heaven's portals for all those to come later... We can not improve on the words of her friend, Anita Ewing, who in telling us about the tragedy said;

"My grief is for those of us who will miss her."

We can always find free cheese in a mouse trap, but we can not find a happy mouse there. Even if the government should find a solution to all our problems it is doubtful if we would be happy in the condition.

Conscience is that still small voice that makes one feel smaller.

BRIDGEHAMPTON, N. Y. NEWS: "One hundred years ago George S. Boutwell, first commissioner of Internal Revenue, had a staff of only one clerk, and personally read all letters from taxpayers."

FRIGIDAIRE

ELECTRIC
CLOTHES
DRYERS

Beats all outdoors for

getting clothes dry!

Beats all outdoors for getting clothes dry! One dial does all the work. You have a choice of Timed or No Heat settings. And special settings for delicate fabrics and Wash & Wears. Plus — automatic cool-and-fluff period at end of every cycle — an advanced feature you'll find in every '63 Frigidaire Dryer.

- Exclusive Frigidaire Flowing Heat dries clothes breeze-fresh, even safer than sunshine!
- No-stoop nylon lint screen on the door!
- Porcelain enameled drum won't snag clothes!
- One dial does it all — gives you just-right drying for all fabrics — even "Wash & Wears"!
- No-Heat cycle is ideal for airing pillows and bedding, de-wrinkling garments, drying plastics.

FREE WIRING — to WTU customers who purchase their electric clothes dryers from local appliance dealer.
