Delbert Robertson, president of the local Volunteer Fire Department is shown placing the Fire Chief's hat on Billy Jack Land who was named Fire Chief last Thursday night to succeed the retiring chief, Basil Smith.

Plans For New School Building At Hedley Announced

Keneth Sams, Superintendent of Hedley Schools, has announced that the contract for the new school building for Hedley Independent School District was awarded to Trout Contractors of Borger, Texas at a meeting last Wednesday evening. The contract price was \$273,000 and called for completion of the building September 1, 1965.

Supt. Sams says the building will have 7 class rooms, a central library for all twelve grades, a complete Homemaking Department, all level science area, teachers work rooms, superintendent's office, principal's office, tax office, cafeteria, gymnasium, and dressing rooms. The building will be a brick structure.

The Agriculture building has been moved to the north on school property and the ground is being cleared for the new building. The contractor plans to begin work on the new building within a week or as soon as the site is ready.

BULLDOGS FACE THREE OPPONENTS THIS WEEK

Clarendon College Bulldogs go on the road Tuesday to face South Plains College at Levelland. South Plains has produced some unusual basketball playing this season, particularly in view of the fact that they played Amarillo College the past week in which a 17 minute stall was their feature.

Friday at 8:00 p.m. the Bulldogs play New Mexico Military Institute in the local College Gym. This game will be a "tooth and toe-nail" type of game.

Saturday, February 6, the San Angelo Rams invade the Bulldog Gym at 8:00 p.m. The Rams feature an unusually strong team that is the leading team of the conference at this time. All fans should take note that a chili supper will be served from 6:00 p.m. until 8:00 p.m. at the Lions Club Hall preceding this basketball game. The Phi Theta Kappa organization will sponsor this event.

Bulldogs enter this week winless in all conference play, but they have a determined spirit to win in each and every event. Fans are urged to come out and see these basketball games and some fast and furious ball handling.

Services Held Wed. For Claud B. Fussell

Funeral services were held Wednesday afternoon in Wallace Funeral Chapel in Tulia for Claud B. Fussell with Rev. Lewis Kerselman, pastor of the First Presbyterian Church of Tulia officiating, assisted by Morgan Sturges, minister of the Church of Christ. Burial was in Rose Hill Cemetery there.

Mr. Fussell, 68, a cowboy in the Clarendon area about 20 years, died Monday night in the Groom Memorial Hospital after suffering a heart attack last week. He was employed by J.W. Espey and son at Sandy Camp south of Clarendon at the time of his death. He had previously worked for the J.A. 6666, Matador and other ranches in past years. He was a veteran of World War I and a 32nd Degree Mason.

Survivors include two brothers, Gordon Fussell of Tulia and John Fussell of McCamey and a sister, Mrs. Helen Skiles of Trinidad, Texas.

Pallbearers were Pete Borden, Horace McClellan, L. E. Bogue, Joe Bownds, George Schollenbarger and Guy Putman.

JAYCEE BASKETBALL TEAM TO HOST KIXZ IN THURSDAY NIGHT GAME

The Clarendon Jaycees, undefeated and leading the south zone of the Jaycee Region I-B basketball league, will host KIXZ "Dribbling Drops" in a non-conference benefit game Thursday night starting at 8 p.m. in the CHS Gym. Proceeds from the contest will go to the Clarendon High School Band Fund and will be used in purchasing new musical instruments.

Clarendon defeated the Canyon Jaycees 43-42 Monday night to run their record to 3-0. Hubert Kidd sank a free toss with 5 seconds left in the game to break a 42-42 tie and give Clarendon the victory. The radio station team has lost all 9 of their games; however, they have raised nearly \$1,500 for various area projects.

Tickets selling for \$1 for adults and 75 cents for students may be purchased from any Jaycee or member of the Clarendon Band or admission may be paid at the door.

Leader local rate \$3.50

PHI THETA KAPPA CHILI SUPPER

Members of the local chapter of Phi Theta Kappa wish to remind the public of the chili supper being served in the Lion's Club Hall from 6:00 to 8:00 on February 6, prior to the game between the College Bulldogs and San Angelo College. Prices are 75c for adults and 25c for children, which pays for all the chili you can eat plus crackers and a choice of coffee, tea or milk. Proceeds from the supper will be used to purchase a lighted sign for Clarendon College.

POLL TAX TOTAL CLIMBS TO 934

It was a busy week end in the Poll Tax department and all efforts were fruitful for the poll tax total in Donley County swelled to 934 when sales were shut down Sunday night at midnight. A total of 349 tax receipts and exemptions were issued Wednesday of last week until the 31st deadline.

The Jaycees and Jaycee-Ettes helped tremendously in bringing about these additional sales by setting up booths on Saturday and Sunday. John H. Jones, local contractor, loaned the Jaycees a trailer house and a poll tax booth was set up on main street until the deadline Sunday night.

The big rush was not over for the deputies in the County Tax office as new license plates went on sale Monday morning and business was rushing in this department. Vehicle owners have until April 1 to purchase the new tags. Current registration receipt, certificate of title and money enough to pay for the plates — are needed to complete the transaction.

Texas license plates have a "new look" this year. Each passenger plate has three-lettered prefix followed by two or three numerals.

ELECTION OF JAYCEE DIRECTORS SET FOR WED.

Nominations for Directors of the Clarendon Jaycees were placed on the floor at their regular meeting last night. The election will be held Wednesday night of next week. All Jaycees are urged to be present for this meeting.

LEADER CLASSIFIEDS GET RESULTS

CHS Boys Maintain Perfect Record In Conference Play

With three games to go, Coach Charlie Sullivan is keeping his fingers crossed as far as the CHS boys basketball team is concerned. At present they have a seven won and no loss record in conference play and Charlie, as well as the boys, have their eye on district honors.

Last Friday night the boys team defeated White Deer 39-35 with Odell Louis high point man with 10 points. The girls lost their game 45-53 eventhough Dorothy Richey hit the basket for 23 points.

In the boys game with Memphis Tuesday night, the locals took a close one 56-54 with Archie Smith high with 29. In the boys B-game, the local team won 44-34 with Zane Williams high with 16 points. Memphis does not field a girls team so the girls did not play.

Friday night both teams will journey to McLean and on Tuesday night of next week they will host Canadian here. Your support at these games will help the local teams on toward victory.

Last Rites For Mrs. Roxie Littlefield Held Friday Afternoon

Funeral services for Mrs. Roxie Annabelle Littlefield, age 85 years, of the Goldston Community north of Clarendon, were held in the Church of Christ, Friday, January 29 at 2:00 p.m. with Bill Blackstone of the Groom Church of Christ, officiating, assisted by Rev. Roland Moore of the Vigo Park Methodist Church. Burial was in Citizens Cemetery with arrangements under the direction of Murphy Funeral Home.

Mrs. Littlefield was born February 11, 1879 in Ripley, Mississippi. She was reared at Sunset, Wise County, Texas and was married to Virgil Littlefield, August 26, 1903 at Alvord, Texas. They moved to Donley County in 1937. Mr. Littlefield died December 31, 1955 in Clarendon.

Mrs. Littlefield died Wednesday, January 27 in the Groom Memorial Hospital where she had been a patient for seven weeks. She was a member of the Clarendon Church of Christ.

Surviving are: two daughters, Mrs. Elberte Henderson, Garden Grove, California and Mrs. Pearl Boone, San Angelo, Texas; five sons, Bill of Clarendon, J. E. of Happy, Texas, John of Friona, Texas, Jim and Lloyd Littlefield of Groom, Texas; also 18 grandchildren and 31 great-grandchildren.

Pallbearers were grandsons of Mrs. Littlefield.

GOOCH TAKES 4-H STEERS TO EL PASO SHOW

Ronald Gooch, Donley County Agent, will leave Thursday afternoon with five 4-H steers for the El Paso show. Two of the steers will be shown by Susan McAnear and the other three by Henry and John Hermesmeyer.

Gooch will be accompanied to El Paso by Flip Breedlove, who retired as Donley County Agent, February 1, Bud Hermesmeyer, and James McAnear. Susan McAnear, Henry and John Hermesmeyer will join them later for the judging. The show will open Saturday and continue to the following Saturday.

CHAS. SPEED INJURED IN ACCIDENT

Chas. Speed has returned home after spending several days in an Amarillo hospital. Mr. Speed was injured in an accident Thursday morning when his car was involved in a collision with a semi-trailer truck near the J & W Lumber Company on Highway 287.

Sen. Rogers Clarifies Water Authority Loan

(reprint from Childress Index)

Application for \$4,200,000 to finance the second phase of the Greenbelt Municipal and Industrial Water Authority was approved last week by the Texas Water Development Board. Approval was also given by the board for state participation of \$650,000.

Sen. Andy Rogers said that the approval of the monies was "one more of the legal, profunatory steps necessary for conclusion of the Texas Water Development Board financial actions and participation in the Greenbelt Authority project."

Sen. Rogers held a long conference on Tuesday of last week in Austin with Jim Nichols member of the consulting engineering firm of Freeze and Nichols, and Roland Walden, the Quanah member of the authority.

In discussing the progress of the Authority, Sen. Rogers said, "Progress continues in dissolving any, and whatever, misunderstanding that might exist concerning Donley County Farm Bureau and the Greenbelt Authority."

Editor's Note: In our last conference with Maurice Risley, president of the Donley County Farm Bureau, Mr. Risley stated that he had not seen or received any varification regarding a change in wording of the proposed Legislative bill and that the Farm Bureau as well as other interested civic groups and individuals would continue pushing their efforts to protect the irrigation farmers, the citizens of Clarendon and all interested parties as a whole. We do not want to hamper the surface water project in any way but we do want to protect our underground water rights. Risley stated, Petitions are being circulated this week which will show exactly how the people of Donley County feel in regard to the issue as it now stands.

Quality Job Printing at the Leader

After 6 Years of Turmoil, 16.69 Miles of Road To Be Completed NE of Hedley

Memorial Services For Former Resident Friday February 5

Memorial services for Lt. Cmdr. Donald Wayne Beard, former Clarendon resident, will be held at the Naval Chapel at Sanford, Fla. Friday, Feb. 5th at the same time that Cmdr. Beard's body will be buried at sea off the China Coast.

Cmdr. Beard was reported missing in the South China Sea December 9th. His body, with the wreckage of his plane, was found later in the Laos jungles. He was on a routine reconnaissance training flight off the Carrier Ranger when the plane was reported missing.

Born in Clarendon, Beard 33, graduated from high school in 1945 and from the Naval Academy at Annapolis in 1953.

He is survived by his wife, Donna, 2 sons of Sanford, Fla.; his mother, Mrs. Bertha Beard of Odessa; three brothers, Johnny of Odessa, Bob of Texas, City and Jimmy of Alaska.

The family requested that memorials to Lt. Cmdr. Beard be made in the form of contributions to the Clarendon High School Library. These may be left or sent to the School Administration Office.

BILLY JACK LAND NAMED NEW FIRE CHIEF

At a meeting of the Clarendon Volunteer Fire Department last Thursday night, Billy Jack Land was named Fire Chief to succeed Basil Smith and Richard Maxey was named Assistant Fire Chief.

Officers elected for the Volunteer Fire Department were: Delbert Robertson, president; J. T. (Tack) Moreland, 1st vice-pres.; Hubert Kidd, 2nd vice-pres.; Bob Kidd, No. 1 hose captain; Bill Ridenour, No. 2 hose captain; and Ronnie Hill, No. 3 hose captain; Frank Wooten, Secretary-treasurer.

It has taken a long time to get the issue settled, but all details regarding right-of-way etc. have been completed on the paved road project northeast of Hedley and the Texas Highway Department is advertising in the Leader this week for bids on constructing 16.690 miles of paving in the area.

The new paving will connect with State Highway 203 1.5 miles northeast of Hedley and travel northeast of Hedley and travel northeast across Salt Fork of Red River to connect with existing paving extending south out of McLean.

Another part of the highway project will join State Highway 203 at McKnight and travel northward near the river and connect with the road mentioned above. It is believed that this new project will serve pretty well all those who have been concerned with the proposition in that immediate area.

With this road project all settled, Donley County can look forward to working on other FM roads in the county.

BREEDLOVES HONORED BY PANHANDLE COUNTY AGENTS

County Agents and their wives from all 22 Panhandle Counties gathered at the Coronado Inn in Pampa last Saturday afternoon to honor H. M. "Flip" Breedlove and his wife Dorothy on his retirement as County Agent of Donley County after 30 years of service.

The Agents of District 1 presented Mr. Breedlove with a bronze plaque for 30 years of distinguished service in agriculture in one county. Mrs. Breedlove was presented a beautiful corsage of roses. John Brazzill, County Agent from Canyon and director for District 1 of the State Agriculture Agents Association, acted as master of ceremonies.

Mrs. D. W. Tomlinson, Jr. of Phillips visited Thursday with Mrs. Bill Mooring.

Aid to the Clarendon College scholarship fund and student loan fund was presented to college president Kenneth Vaughan by Clarendon Jaycee-Ette President, Mrs. Chauncey Hommel in the form of a check for \$1,311. The civic auxiliary secured donations and pledges from Clarendon citizens and businesses. Jaycee-Ettes on hand with Mrs. Hommel for the presentation were, left-to-right, Mrs. Ronald Hill, Mrs. Lloyd Leeper, Mrs. Delbert Robertson, Mrs. Gene White, Mrs. Tom Cook and Mrs. Tom Higley. Weldon Day, dean of the college, said the current drive for funds will end on Feb. 15.

Mrs. Martin called on Mrs. Cowan Sunday night.

SOIL CONSERVATION DISTRICT NEWS

The Golden Spread Chapter of the Soil Conservation Society of America held its annual meeting at Wyatt's Cafeteria in Amarillo, Texas Friday, January 22nd at 7:00 p.m.

The purpose of the meeting was to install 1965 officers for the Golden Spread Chapter. Henry Williamson of Dalhart was installed as President, James Burks of Dumas as Vice-President and Don Longhoffer of Dumas as Secretary - Treasurer. Committees were appointed to direct the Chapter's 1965 program of activities.

The meeting was concluded with a program presented by Carl Warrick, Ranger for the U.S. Forest Service in the Dalhart area. Carl made a color slide presentation of the Recreation and Wildlife aspects of the Panhandle National Grasslands. He said that the need for Recreation was increasing annually in this country and many landowners and businessmen were developing recreational enterprises. The color slides featured development of recreational areas by the U. S. Forest Service on the National Grasslands in Gray, Hemphill, Dallam and Randall Counties.

Bright Newhouse with the Soil Conservation Service of Clarendon calls your attention to the fact that membership is open to anyone interested in the promotion of the conservation idea.

WHAT IS RANCH PLANNING?

by Dale R. Burris

Ranch planning is decision making. Only the rancher can make the final decision on how to use his land. His decisions should be based on the sound use of his resources which are his soil, water and grass.

The first step is to gain a thorough understanding of the resources on the ranch. Soil is classified according to the kind of soil and the degree of erosion. Different kinds of soil usually differentiate different range sites. Range sites are kinds of range land with different potential to produce different kinds or amounts of plants. Range sites are important keys to what you can expect from your range. You can expect the most production possible from every range site by managing the grazing in accordance with the potential to produce forage.

Native plant cover on each range site is graded into four range condition classes - excellent, good, fair, and poor. A range site is in EXCELLENT condition when more than three-fourths of the plants are the kind that originally grew there before livestock was put on the range. When one-half to three-fourths of the plants present are these original kinds, the range is in GOOD condition; one-fourth to one-half, FAIR condition; and less than one-fourth, POOR condition.

Ordinarily, the higher the condition class, the greater the forage production.

Range sites and range conditions will indicate how much your rangeland can produce and how much it can be improved.

A ranch conservation plan, when carried out on the land will:

1. Keep your land in crops that will conserve soil and water.
2. Stabilize and improve eroded soils.
3. Increase desirable grasses.
4. Insure adequate feed and forage for your livestock at all seasons of the year.
5. Increase the efficiency of your operation and net return from your land and livestock.

NOVEMBER CASH RECEIPTS FROM FARM MARKETINGS IN TEXAS DOWN - Texas farmers and ranchers received \$254.7 million during last November from the sale of all crops, livestock and poultry products, according to the Texas Crop and Livestock Reporting Service. Cash receipts for all marketing were down 18 percent from Nov. 1963. The total cash receipts came from crop sales of \$166.1 million and livestock and livestock products sales of \$88.6 million.

Discover The Difference Page 3-A

How long since you have eaten a sponge cake?... I wouldn't have the least idea how to make one. It was for a long time that we thought it was a cake which the ingredients had been borrowed or

sponged from the neighbors. Lately we have been told differently.... This week, just when we were wondering what to put into this column in the mail came a nice fat letter from our good friend and faithful reader from Lawton, Oklahoma. In this mail from Captain Frank Dougherty was enough material to take care of our needs in good order. So here goes with Captain Frank.

There are no hopeless situations; there are only those men who have grown hopeless about them.

To smile at the jest who plants a thorn in another's breast is to become a principal to the mischief.

What lies before us, and what lies behind us are tiny matters compared to what lies within us.

No man is too big to be kind and courteous, but many are too little.

Some parents are so busy giving good advice to their children that they fail to set a good example for them.

If a man has to stand on his own dignity he is very short.

Continuing with our sponge column with Captain Frank.

A Kansas cyclone hit a farm house just before dawn one morning. It lifted the roof off, and picked up the bed upon which the farmer and his wife were sleeping and set them down gently in the back yard. The wife began to cry.

"Don't be scared, we're not hurt", her husband consoled.

"I'm not scared" she responded between sobs, "I'm just happy, cause this is the first time in 14 years that we have been out together."

A Texas rancher had some boots made and they turned out to be too tight. The bootmaker wanted to stretch them. "Not on your life", said the rancher. "Those boots are going to stay too tight. Every morning I find cattle busted out of the fences, and I have to mend the fences all day. The dust is blowing around the ranch. If I turn on the radio the price of cattle is down, and the cost of feed up. All the while my wife is nagging me to move to the city. Man, when I get ready for bed and pull off these tight boots that's the only pleasure I have all day."

Why is it that spring fever makes a man want to prop his feet on his desk and rest, but it makes a woman want to move everything and clean house?

There is no man really brilliant who does not know he is ignorant.

Siamese cats were first imported in 1890.

The sun is 400,000 times brighter than the moon.

CHORUS NEWS

The chorus is proud to announce that at the beginning of the second semester some more boys and girls joined the chorus. Any more boys interested in joining, please talk to Mr. Anthony.

The chorus is working hard to give a real good performance in their next concert. Everyone will be welcome to come.

SENIOR PERSONALITIES

Nan Carol Neal came into the wide world on October 9, 1946. She now stands five feet two and a half inches with blonde hair and blue-green eyes. She plans to attend Columbia Christian College in Missouri, and become a foreign language interpreter.

Her pet peeve is a person who never seems to see or believe in humor. Her favorite recreation is having plenty of fun. Her idols are her Mother and Dad. She prefers movies. Her favorite foods

include anything solid and good! Her favorite colors are blue and gold.

Her happiest moment will be the step after graduation—a new road to life. Her ideal boy is one who is fun and at the same time well-mannered. Looks are not the most important, but it is personality that counts. Does B.C.W. of "Big W" contain these factors?

Roger Dale Finch was born on March 20, 1947. He stands six feet two inches with brown hair and blue eyes. He plans to enter Cal. Poly Tech and become a good Bachelor mechanic in some big automobile center. His pet peeve is spoiled show-off girls. His favorite recreation is sports car races and being around cars. His idol is his older brother. He likes movies because they are more interesting and he likes to be away from home part of the time. The foods that he likes best are pizza

KIDNEY DANGER SIGNALS HOW TO TREAT THEM IN JUST 24 HOURS.

See us. We deliver: big-car luxury, not just a big-car name.

CIDAA

Remember this fact when you're shopping big-car names. If you don't get the room to begin with, you don't get the luxury. That's why Chryslers come in only one size. Large.

Here's another point to consider. Almost half of the '65 Chryslers are priced only a few dollars a

month more than the most popular smaller cars comparably equipped. Last point. If you're going to pay the price of a Chrysler, get one.

CHRYSLER '65

REMEMBER WHEN?

Hamilton Industrial Museum

"I bet there are few people alive today who remember when this 1895 antique was actually used as a source of heat. Besides not giving out just an awful lot of heat to an awful lot of space, it didn't exactly smell like the breath of spring either. Times have certainly changed.

Now-a-days safe, flameless electric heating carries even, steady heat to all parts of a room or home. Hot spots, cold spots and drafts are things of the past. Since electric heating is totally flameless there are no pilot flames to go out or gaseous odors, no soot, film, smoke, or residue to rest on indoor walls and furniture. The house stays clean, comfortable, and fresh smelling.

If you aren't enjoying the comforts of flameless electric heat call a WTU representative or see your electrical heating contractor right away."

News from CJC

WHEN AND WHERE

Parent's Night
Saturday, February 6th, has been designated as Parent's Night at Clarendon College, when parents of all students enrolled here receive a special invitation to attend the basketball game between the Bulldogs and San Angelo College. Parents of members of the basketball team will receive special recognition.

Don't forget the pre-game chili supper sponsored by members of Phi Theta Kappa—all the chili you can eat plus crackers and a choice of Tea, coffee or milk for the unbelievably low price of \$.75 for adults and \$.25 for children. The chili is being prepared by the Lion's Club cooks with the assistance from members of Phi

Theta Kappa and will be served in the Lion's Club Hall from 6:00 to 8:00. So all you students treat yourselves and your parents to a delicious chili supper before taking in the ballgame. The public is also cordially invited to avail themselves of this delicious supper at such a low cost. Proceeds from the supper will be used to purchase a lighted sign for the college.

Institution of Phi Beta Lambda Chapter
by Maudena Self

The Phi Beta Lambda Chapter (formerly the FBLA) met in the Community Room of the Farmer's State Bank on January 28, 1965 at 7:30 p.m. for the purpose of installing the chapter officers. An installing team from the McLean High school preformed the ceremony. Mrs. Mary Tom Riley, area F.B.L.A. supervisor, directed the installation. Those officers installed included:

Karen Clements, President; Rodney Porter, First Vice-Presi-

dent; Jimmy Blackerby, Second Vice-President; Ann Weatherly, Secretary; Pat Sperry, Treasurer, and Maudena Self, Reporter.

—cjc—
HERE AND THERE

The Clarendon College gym was the scene of a suspense-filled hour of contest between Frank Phillips College and the Clarendon Bulldogs last Tuesday evening. The game was an almost unbearably close one all the way, with the Bulldogs leading most of the time, but never by more than 6 points. With six seconds left on the clock the game was tied up; then one of the Borger lads, who had not made a basket all evening, managed to get possession of the ball, made a spectacular shot from forty feet out and won the game for Frank Phillips. This was a hard game for the Bulldogs to give up, but certainly not one for which they need to apologize. The fans really got their money's worth and more, and were just as disappointed as the team that victory was snatched away in the closing seconds.

Hill was high point man for Borger with 19 points. Prosper topped the card for Clarendon with 24, while Campbell was close with 23.

finally arrived. A lot of new faces are to be noticed when walking around the campus, as is the absence of a few old ones. We hated to see Hudgins go, but I guess he thought he could have a better time down at A&M. Our loss is someone else's gain? The house he rented has been declared a disaster area.

Old Race Track Willingham is making the scene again after an absence of a semester. He is thinking of teaching a course, "How to Stay Out of College" or "Careless Driving is College Kid Stuff."

—cjc—
WHO AND WHAT
Meet The Faculty

It is with pleasure that we introduce to our readers this week an outstanding personality at Clarendon College—it's President, Mr. Kenneth Vaughan. This very capable and busy administrator serves in a two-fold capacity as High School Superintendent as well as College President. Such a dual office carries with it innumerable and complex administrative tasks which might intimidate a man of lesser abilities, but which seem only to challenge the enthusiasm of President Vaughan.

Mr. Vaughan spent his boyhood in Canyon where he graduated from high school. He also attended West Texas University there, taking his Bachelor of Science degree in Education in 1949 with major fields of Biology, Sociology and Education. He earned the Master of Education degree in 1953.

Mr. Vaughan taught for three years in the public school system in Borger, then served as High School Principal at Clarendon for six years. He moved to Amarillo from Clarendon where

Eanes Irrigation Service

Well Developing and Repairs
PEERLESS PUMPS
EDWIN EANES
Naylor Route, Clarendon

he was employed as Assistant Principal of Amarillo schools for one year. He returned to Clarendon in 1962 and has served since then in his present capacity.

The Vaughan family includes Mrs. Vaughan (Melba Ruth) and two children—Linda, age 13 and Steve, age 11. Mr. Vaughan is a member of the Methodist Church, Masonic Lodge, State Teachers' Association, American Association of Junior Colleges, Texas Junior College Association, and Texas Association of Administrators. His hobbies include golfing and working with young people, the latter not so much a hobby as it is a pleasure, stated President Vaughan.

—cjc—
THIS AND THAT

Everyone is pleased to see so many new faces on the campus. The boys are especially excited over the pretty, unattached lassies they've seen enrolling. Take it easy fellows! Don't scare them off!

A great big welcome to all of you new students. We think that you will find us a friendly and cooperative student body and faculty, and we want to do all we can to make you feel comfortable and right at home. We certainly hope that the time you spend at Clarendon College will be pleasant and profitable.

—cjc—
Datynitions
by T. Rose Stepp

With enrollment for the new semester going on this week, it's been difficult to get any interviews. I did, however, manage to interrupt a few people as they studied schedules or stood in line to pay tuition and fees.

I was amused at the answer I got whenever I asked Ronnie McAnear to describe a football

Betty Stimaker
Cook & Operator

game. He said it looked to him as if they were trying to see who could run from one end of a cow pasture to another, carrying a pumpkin without either getting knocked down or stepping in something.

Ronnie Woods said he thought that opera was a lot of high class screaming.

When asked to define a flood, Larry Neece said it was a frog-strangling rain.

Jane Denny believed the best definition of a hick is someone who looks both ways before crossing a one-way street.

After a few moments of thought Bill Spier decided that an igloo was an icicle built for two.

Mr. Reed described juvenile delinquency as "a modern term for what we did as kids."

Karen Clements thinks will power is the ability to eat one salted peanut.

I asked Alvin Alexander what he thought the greatest time-

1926 BOOK CLUB ENJOYS REVIEW

Members of 1926 Book Club met Tuesday afternoon at Patching Club House with Mrs. Bill Williams, president, presiding.

After a short business meeting a delightful program was presented by Mrs. Joe Ritter who reviewed "Tobias Brandywine" by Dan Wickenden. The story centered around a New England family, that of Senator Winthrop. Tobias Brandywine came to the Winthrops as a wanderer. He became a part of the family and as time progressed turned out to be an actor. The story portrayed his influence upon the family. Setting of the book was in the early 20s until after the crash. Mrs. Ritter presented the review in her usual charming and interesting manner.

Present were Mesdames C. E. Bairfield, C. A. Pitts, Loyd Johnson, A. J. Garland, W. C. Thornberry, E. S. Ballew, Otis Naylor, Billie Christal, W. M. Crain, J. R. Brandon, Bill Williams, and Joe Ritter.

Hostesses were Mrs. A. J. Garland and Mrs. Loyd Johnson.

MARY MARTHA CLASS

The Mary Martha Class of the First Baptist Church met Tuesday afternoon in the home of Mrs. Kinch Leathers.

After the regular business meeting, Mrs. Oscar Thomas brought an inspiring program titled "The Greatest Picture Ever Painted." The story was taken from the Bible.

Lovely refreshments were served to eighteen members by the hostesses, Mrs. Quinn Aten and Mrs. Kinch Leathers.

Quality Job Printing at the Leader

YOUNG HOMEMAKERS MEET

The Young Homemakers met Tuesday afternoon in the home of Mrs. Lloyd Risley. Mrs. Warren Hardin brought a most interesting program on the use of different attachments for the sewing machine. Most of the girls realized that our attachments are very helpful and time saving if we know how to use them. Members found it hard to leave the sewing machine to take up the business.

Hostesses Sherry Semrad and Jo Schollenbarger served refreshments to members: Peggy Maxcey, Wilma Lindley, Roxie Barbee, Donna Tipton, Harlene Phillips and Gay Cole; also to guests: Tiny Alderson, Verdine Tipton, Melba Risley, Mrs. Edgar Talley, Mrs. Warren Hardin, and Mrs. W. R. Lawrence.

Our next meeting will be March 9. The program will be on "Furniture Buying and Selecting" and will be presented by Mr. and Mrs. Billy Goodman. There will be a Valentine party Friday, February 10, for the children of the Young Homemakers.

—Rep.

KIL KARE KLUB MEETS

The Kil Kare Klub met January 28th in the lovely home of Mrs. J. R. Bartlett. Visiting was enjoyed throughout the afternoon.

Delicious refreshments of fruit cocktail cake with whipped cream, cheese sandwiches, salted nuts, and spiced tea were served to one guest, Mrs. T. D. Hall of Wichita Falls, and to members Mesdames M. C. Rampy, Homer Mulkey, Nollie Simmons, Frank White, Sr., John Blocker, Clyde Gilbert, S. W. Lowe, G. C. Heath, and Miss Etta Harned by the hostess, Mrs. Bartlett. Time and place of the next meeting will be announced later.

—Rep.

ENGAGEMENT ANNOUNCEMENT

Rev. and Mrs. Wilton Lynn of Hedley, Texas announce the engagement and approaching marriage of their daughter, Ann, to Wendall Ray Luttrell, son of Mr. and Mrs. L. S. Luttrell, Naylor Rt., Clarendon, Texas.

The marriage will be solemnized March 25th at 8 p.m. at the Hedley Methodist Church.

BETA SIGMA PHI-MU GAMMA

Mu Gamma Chapter of Beta Sigma Phi met Thursday evening, January 28th at Patching Club House with Genella Eads hostess. Plans for a Valentine party to be held Saturday night, February 13th, at the Country Club were discussed.

Mr. Tom Higley of Higley's Studio gave a very interesting and most enjoyable program on TV and News Media. Everyone agreed to have him back again soon.

After the business and program, refreshments were served to Sandra Mooring, Genella Eads, Ann Stepp, Frankie Henson, Pat Day, Mary Neal Risley, Bert Garland, Linda Hicks, Beth Carter, Beth Walker, Anne Johnson, Wanda Nichols, and Barbara Cosper. Anne Johnson won the raffle.

CHAMBERLAIN CENTER TO HONOR LINVILLES

The Chamberlain Community Center will host a miscellaneous shower honoring the Johnny Linvilles Friday evening, February 5, at 7 p.m. at the center. The Linvilles lost their home in a fire at Clarendon Saturday morning. Doughnuts will be served. Everyone is invited.

LELIA LAKE CENTER NEWS

The Lelia Lake Community Center will meet Friday, February 5, at Lelia Lake. Louise Aten and Grayce Ayers will be hostesses. We had a very nice meeting last month with a good crowd and a good supper. We will play Volley Ball and "42". Visitors are welcome. Bring a covered dish for each family. Bring your own dishes.

—Rep.

NEW ARRIVAL

Attorney and Mrs. James Reed Lovell of Dumas, Texas are the proud parents of a baby girl named Laura Lee, born January 29th in Dumas Memorial Hospital. The young lady weighed 8 lbs 5 oz. Grandparents are Mrs. Ernest Hunt and the late Mr. Hunt, and Mr. and Mrs. Ben R. Lovell. Great-grandmother is Mrs. W. A. Poovey. Laura Lee arrived on the birthday of her late great grandfather Lovell. Uncle Zeb says a good example of minority rule is when there is a baby in the house and we are sure Laura Lee will exercise this minority rule to the fullest on her older sister and four brothers.

SCHOOL CAFETERIA MENU

Monday — Ham, Asparagus with Cheese, Corn on cobb, applesauce, hot rolls, butter, milk.

Tuesday — Hamburger on bun with cheese, lettuce, tomatoes, pickles, onions, shoestring potatoes, cherry pie, milk.

Wednesday — Steak with gravy, creamed potatoes, green beans, hot rolls, butter, apricots, milk.

Thursday — Tamale pie, mixed vegetables, date cake, deviled egg, milk.

Friday — Cat fish, sliced potatoes with sauce, blackeyed peas, hot rolls, butter, milk, honey, peanut butter.

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for those comforting acts.

The family of Mrs. Roxie Littlefield

We wish to thank every one for the beautiful flowers, food, cards, and for the many deeds of kindness during our bereavement. Your thoughtfulness was sincerely appreciated.

The Wylie Morris Family

CREAM-PUFF—Quilted cotton checks are transformed into a charming duster. It's trimmed in ruffles edged with double rows of baby rickrack. Fashion bonus: matching scuffs at no extra cost. By Evelyn Pearson.

SHIP AHOY—A great look for land or sea is this cotton denim ensemble. The long sleeveless jacket, double-breasted and with slit pockets, tops new-looking pants. By M. R. Fleischman.

JUMP SUIT—Perfect for sailing, sky-diving, or beach wear is this stretch cotton twill suit with brightly lined hood. Underneath, a bikini in the same print as the hood lining. By Bob Cunningham of California.

GENERAL TELEPHONE REDUCES STATION TO STATION RATES

General Telephone customers will join others throughout the nation in enjoying reduced station to station interstate long distance rates effective February 1, 1965 according to Joe H. Collyns, director of public relations.

The rate reduction extends the hours which station to station late night rates and night rates which apply only to station to station interstate calls, the "After 9" calls, are now in effect all day Sunday and from 8 p.m. to 4:30 a.m. Station to station interstate night rates, formerly, the 6 p.m. to 9 p.m. calls, will now be in effect all day Saturday, 4:30 a.m. to 8 p.m., and from 6 p.m. to 8 p.m. Monday thru Friday.

Emphasis is placed on the fact that only station to station calls of over 431 miles between states are affected by the new rate reductions. Person to person and regular day time rates remain essentially the same.

LEADER CLASSIFIEDS GET RESULTS

N.W. TEXAS HEREFORD BREEDERS ASS'N SALE SET MONDAY, FEB. 8.

Stockmen from Clarendon are invited to attend the second annual show and sale of the Northwest Texas Hereford Breeders Association to be held Monday, February 8 at Quanah.

The show and sale will take place at the Hardeman County Livestock Pavilion, located at the municipal airport a mile southwest of Quanah.

The show and sale is scheduled for 9:45 a.m. Monday at the Pavilion with four grand champion and reserve trophies to be awarded the top two cows and bulls.

The sale will get underway at 1 p.m. Monday following lunch to be served on the show grounds. A banquet honoring visiting buyers and consignors will be held Saturday night, February 7, at 7:00 P.M. at Dutch's Restaurant.

A total of 64 offerings, 53 bulls and 11 cows, have been consigned for the sale.

Officers of the Association include Jim Ross, president; James Bartlett, vice-president; Hood Willis, secretary; and W. L. Wil-

COUNTY JUDGES AND COMMISSIONERS TO CONFERENCE AT A&M

County judges and commissioners from at least 100 Texas counties are expected to attend the seventh annual conference for this group at Texas A&M University, February 14-16. Total attendance is expected to total 300. The conference is sponsored by the County Judges and Commissioners Association of Texas and the Texas Agricultural Extension Service.

WHEAT SITUATION IMPROVES — The third decline in as many years was registered in the wheat carryover on July 1, 1964. This decline, explains John G. McHaney, Extension economist of Texas A&M University, is the result of the special acreage diversion programs and the high levels of exports during recent years. However, he adds, the expected carryover on July 1, 1965 should amount to about 901 million bushels, about equal the 1964 carryover on the same date.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

A goodly share of the 3,000 Texans who went to Washington for President Lyndon Johnson's inauguration went through the same sort of celebration—on a much smaller scale—in Austin Monday and Tuesday.

Following Monday's early-afternoon State Democratic Executive Meeting, the round of State Inaugural parties began. One of the best-attended was a reception in the Gondlier Hotel for House Speaker Ben Barnes of DeLeon and Dan Blocker (the "Hoss" Cartwright) of Bonanza fame).

"Hoss" was the headliner, along with TV celebrity Edie Adams, at a \$25-per-plate Democratic Victory Dinner, honoring Gov. John Connally, Lt. Gov. Preston Smith and other party winners.

Following the solemn ceremony

of the swearing-in of Connally and Smith on Tuesday, another round of luncheons and receptions began. Gov. and Mrs. Connally received thousands of visitors at a reception in the Governor's Mansion, across the street from the Capitol.

Connally's kind of celebration, heavy on the folksy flavor, is a far cry from the custom of a series of governor's balls on the eve of Inauguration.

BILL FILING BEGINS — First bill filed in the House of Representatives was one by Rep. Maud Isaacks of El Paso—only woman member in the House. It would allow youngsters 15½ years old to obtain drivers licenses if they pass approved drivers education courses. It's designed also to abolish the special motor scooter

and motor bike licenses.

DISTILLED SPIRITS BILL — A measure which sponsors say will raise \$10,000,000 in tax money for the State, during the next two years, has hit the legislative hopper. It is not a liquor by the drink bill. But it would make available to people dining in Texas restaurants tiny, 2-oz. (or less) bottles of distilled spirits.

Bill calls for an annual fee of \$500 from each restaurant providing the service. Sponsors claim it will encourage tourism while at the same time will not permit open bars.

Measure was introduced in the upper house by Sen. Jim Bates of Edinburg and in the lower house by Rep. Willis Watley of Houston.

TEACHER BILL IN — A bill raising the salary of school teachers \$45 a month for each month of the school was assured of passing in the House. Rep. George Hinson of Mineola, who is sponsoring the measure, invited other House members to sign the bill as co-sponsors. He quickly got more than 80 signatures, a majority of the House members.

Bill probably will have easy sailing in the Senate, where it was introduced by Sen. A. M. Aikin Jr. of Paris, joined by Sens. J. P. Word of Meridian, Dorsey B. Hardeman of San Angelo, D. Roy Harrington of Port Arthur and Jim Bates of Edinburg.

Another bill asked by the teachers, one providing for five days sick leave a year cumulative to 30 days, was introduced by Rep. Wayne Gibbens of Breckenridge. Both bills are being sponsored by the Texas State Teachers Association.

BEEF IMPORT MEASURE INTRODUCED — A plan to discourage the purchase of imported beef by Texans was laid out by Sen. Dorsey B. Hardeman of San Angelo.

His proposal would make it illegal—subject to fines up to \$500 and a jail sentence—to sell imported meat, unless the grocer displays a sign six by 12 inches large, with the words, "Imported Meat Sold Here," and labels packaged meat, "Product of... stating country of origin.

COUNTY SCHOOL SUPPORT — Texas Committee on State and Local Tax Policy recommended

that the proportionate share of the Minimum Foundation Program which is borne by local taxing Authorities in the Local Fund Assignment be increased by a total of some \$19,000,000 over the next two years.

Committee stated that State government is providing \$56 more per pupil for public school education than the national avg. while local governments are providing \$93 per pupil less than local governments of other states.

No recommendation was made regarding Governor Connally's proposal that the State ad valorem tax be abolished—one way county and city governments would have more tax leeway—but it is rumored that the committee made its recommendation with that in mind.

TIPRO POOLING BILL IN — Rep. Wayne Gibbens of Breckenridge is garnering support for the petroleum pooling bill—a product of the Texas Independent Producers and Royalty Owners Association, which he is sponsoring in the House.

Gibbens said the bill "emphasizes safeguards to make sure pooling orders will be fair to all parties." It would allow forced pooling only after every effort to pool voluntarily on a fair basis had failed.

HOG CHOLERA ERADICATION — A bill has been introduced which would permit the Texas Animal Health Commission to cooperate with the Animal Disease Eradication branch of the U. S. Department of Agriculture in an effort to do away with hog cholera in the state.

If the bill by Rep. Grainger W. McIlhany of Wheeler is passed, Texas would become the 48th state to join the nationwide program.

Authorized would be use of biologicals, quarantine of infected animals and slaughter of infected animals with payment to owners. This would not be done until incidents became low, according to the Texas Farm Bureau, one of

RANGER TRAINING—Republic of Vietnam Rangers are fusing demolition charges under the watchful eye of U.S. Army Advisor Sfc Joseph D. Belyea at Duc My, Vietnam. Sergeant Belyea (Billericia, Mass.) is assigned to the Duc My Ranger Training Center as NCO advisor to counter insurgency instructors.

the backers of the bill. Carr issued his statement after the high court had struck down a warrant under which he and Bexar County Dist. Atty. James Barlow seized 2,000 books and pamphlets from San Antonian John Stanford.

Material was confiscated Dec. 27, 1963, after Stanford was ordered to register as a Communist by the Subversive Activities Control Board.

"Under each decision of the U. S. Supreme Court regarding state prosecution of Communists, it becomes more difficult to en-

force our state laws, but we intend to continue our efforts as vigorously as possible," Carr said. **TFB HEAD OPPOSES CHARGE** — C. H. DeVaney, president of the Texas Farm Bureau, told more than 70 legislators attending a bureau legislative conference in Austin that redistricting solely on the basis of population would seriously hurt state and national government.

DeVaney believes the Legislature should work toward an amendment to the U. S. Constitution which would override the Supreme Court decisions on reapportionment.

COLORED BRIDGES — Texas bridges may take on an Easter egg hue.

Texas Highway Department announces it is considering painting overpasses and other structures in different colors. It already is trying out a few new shades of gray.

Theory is that pastel shades will help relieve monotony for drivers, thus making travel safer and more pleasant.

K. K. Moore, supervising paint engineer of the THD Materials and Tests Division points out two problems. First agreeing on colors, and second, more rapid fading of brighter hues. He predicts some standard color will be used in another five years.

South Dakota, a jump ahead, already is planning to paint all its interstate overpass bridges in blue, pink, green, yellow, lavender and orange.

ROYAL GETS DISTINGUISHED SERVICE AWARD - Texas Press Association presented its first Distinguished Service Award on Jan. 22nd at the newspaper publishers' Mid-Winter Convention in Austin. Award was given to Darrell Royal, Athletic Director and Head Football Coach at the University of Texas. It was presented in appreciation of the national recognition which Royal has brought to the state through the gridiron prowess of his Texas Longhorns, plus his own ability and personality. TPA Pres. Aubrey McAlister, (left) publisher of the Bonham Daily Favorite, is shown with Royal as the two examined the copper engraved plaque which pictures the famed Longhorn coach. Presentation was made at an honor banquet attended by 300 daily and weekly newspaper publishers of Texas. Dave Campbell, sports editor of the Waco News-Tribune, spoke on "That Man Darrell". Jimmy Banks of the Austin Business of the Dallas Morning News added to the tributes paid the honoree.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

"GOOF BALLS" AND "PEP PILLS"

The Committee on Interstate and Foreign Commerce began hearings last week on H. R. 2, a bill designed to deal with proper control of depressant, stimulant and hallucinatory drugs and also counterfeit drugs. It is the opinion of many that these drugs should be brought under controls similar to those applying to narcotics such as opium and heroin. Most of the drugs referred to in H. R. 2 are valuable therapeutic agents and render a distinct service to mankind. However, the abuse and mis-use of barbiturates, which are central-nervous-system depressants for use where a hypnotic or sedative effect is desired; of amphetamines and similar central-nervous system stimulants, which serve as treatment for depression and control of appetite; tranquilizers, which are usually helpful in the treatment of distressed and disturbed patients, are causing great

tragedy in this Country in the form of rising toll of deaths on the highway, juvenile delinquency, violent and bizarre crimes, suicides and other antisocial behavior.

Previous hearings in the Congress have established that the abuse and mis-use of these drugs have been on a marked increase, and that this increase has been in the small as well as the large communities. The Commissioner of Food and Drugs, Mr. George P. Larrick, testified that the illegal traffic in amphetamines spawned in truck stops, service stations, and roadside taverns had spread throughout the Nation; that there were organized rings bootlegging barbiturates and amphetamine drugs; that it is an interstate and a national problem in all respects, and that tremendous profits are involved. For example the Food and Drug Administration has established that amphetamines can be purchased at wholesale at less than \$1.00 per thousand, and sold at wholesale in the illegal traffic at \$30 to \$50 per thousand, and at retail for as much as 10 to 25 cents each. This substantial profit makes this business most inviting to organized criminals and could very well bring about

another era of gangsterism. In addition to barbiturates and amphetamines, it is important to note that there are other types of drugs capable of causing unnatural effects, and hence subject to mis-use and abuse. In one instance, a chemical commonly referred to as LSD-25, which produces immediate hallucinations and aberrations, was also found capable of inducing lasting changes in the mental and emotional stability of some users. Instances of some college students who took doses of the drug for thrills became disturbed to the point that they had to leave college, or even enter mental institutions. Tranquilizers have also become agents of abuse and it was concluded by one authority that the popularity of tranquilizers as suicidal agents rival barbiturates.

The problem posed must be solved. The Food and Drug Administration is asking for substantial expansion of Federal authority, including wide discretionary powers. The question before the Congress is the extent of power that should be given a Federal bureau (which is not directly answerable to the electorate) without invading the Constitutional guarantees of the private

citizen, and without pre-empting the rights and powers of the States. Hitler would have solved the problem by simply commissioning his Gestapo to deal with the subject without regard for the innocent people that might get hurt. The United States, however, places the rights of innocent people first. Hence, the Con-

gress must be very careful in the powers and authority it delegates to a board or a bureau. It is in a situation of this kind that the aid and assistance of all God-fearing, law-abiding citizens of this Country is needed to solve a difficult problem yet retain the rights of the individual under the Constitution.

JAYCEE BASKETBALL TEAM TAKES WIN OVER CANYON

The Clarendon Jaycees defeated the Jaycees from Canyon Monday night by a score of 43-42 in a basketball game played in the College Gym. This win was the third in a row for the local club and by winning this game, it gave them the right to play Pampa for the championship of the Region I-B clubs.

The locals will travel to Panshandle Monday, February 8, for the last game in the southern division of regional play. The playoff game with Pampa will follow the Monday night game at a place yet to be decided.

ASSEMBLY OF GOD TO SHOW TEEN-AGE FILM FEBRUARY 16

The Assembly of God Church will show the film "Teen Revolt" in a service at their church, Tuesday, February 16, at 7:30 P.M. This 30 minute sound and color film was produced by the Teen Challenge staff on actual gang turfs in cooperation with confirmed teen-age drug addicts and beatniks. It depicts a drug-crazed generation of youth who are revolting against society and all that it stands for.

Rev. Roy Eason, pastor, extends a cordial invitation to the public to attend.
