Clarendon Jr. College Registration Set For Monday, September 16th

Dean Weldon E. Day reported today that everything was in readiness for registration of Clarendon Junior College students Monday, September 16th, with the outlook good for increased enrollment for the first semester. The faculty is well staffed and we're looking forward to a very successful school year, he added.

City Commission Sets Greenbelt Water Dist. Election For Sept. 28

In a meeting last Thursday morning, members of the City Commission met and called an election for the purpose of determining whether the Board of Commissioners shall be authorized to enter into a contract with Greenbelt Municipal and Industrial Water Authority for the purpose of supplying water to the city of Clarendon. The election date for the above was set for Saturday, September 28.

Enrollment In Hedley Schools Is Up

Kenneth Sams, Supt. of the Hedley Public Schools, announced this week that the total enrollment of the Hedley schools was up 17 pupils over the count at the same time last year which gives a total of 168 registered.

Prayer Service Set For Sunday Afternoon

An initial service of prayer and preparation for the Easter Simultaneous Revivals will be held next Sunday afternoon, September 15, at 2 p.m. in the hospitality room of the Farmers State Bank.

JAYCEE-ETTES MEET WITH COMMISSIONERS

A committee representing the Jaycee-ettes met with the City Commissioners Saturday to discuss with them the possibility of having all vacant lots cleaned and mowed in an effort to combat the hoards of mosquitoes plaguing the town as well as improve the town's appearance.

DONLEY COUNTY YOUNG FARMERS TO MEET

The Donley County Young Farmers will hold their regular meeting Tuesday evening, September 17, at 8 p.m. in the High School Agriculture Building. All members are urged to be present.

Flash Rain & Hail Damages Ashtola Crops

A flash rain, hail and wind which struck the Ashtola area Monday afternoon, left heavy damage to crops in an area three miles wide and several miles long and turned the Ashtola townsite into a virtual lake. Mrs. Hubert Rhoades reported 3 1/2 inches of moisture at Ashtola and Vance Gray, who farms this side of Ashtola reported 1.90 inches.

In the main storm area, leaves were stripped from cotton and row crops were flattened by the strong wind. Some small buildings were blown over and tree limbs were ripped from the trunks. Overall damage to the cotton crop can not be determined for several days when the hail pecks on the bolls show the actual damage.

Another small cloud with destructive manners unleashed its fury on the Raymond Waldrop farm Saturday afternoon, causing considerable damage to granaries, outbuildings and some hail damage.

Here in town our official weather observer has recorded a total of 33 inch of moisture from showers since the first of the month with .07 recorded Tuesday night. The total moisture for August was 4.85 and the total for the year now stands at 11.70.

Enrollment In Hedley Schools Is Up

Kenneth Sams, Supt. of the Hedley Public Schools, announced this week that the total enrollment of the Hedley schools was up 17 pupils over the count at the same time last year which gives a total of 168 registered.

Mr. Sams also reported that the Hedley schools would turn out Monday, September 16, for the Amarillo Tri-State Fair and all students should make an effort to attend the Fair on this date if it is their desire as no absences will be accepted as excused on other days of the week for this purpose.

JAYCEE-ETTES MEET WITH COMMISSIONERS

A committee representing the Jaycee-ettes met with the City Commissioners Saturday to discuss with them the possibility of having all vacant lots cleaned and mowed in an effort to combat the hoards of mosquitoes plaguing the town as well as improve the town's appearance.

Also included in the discussion was the placing of litter containers in the business area and types which the city would agree to empty. The Jaycee-ettes have been working on this project throughout the summer and have ordered another sample container in an effort to find one that is acceptable to the city.

DONLEY COUNTY YOUNG FARMERS TO MEET

The Donley County Young Farmers will hold their regular meeting Tuesday evening, September 17, at 8 p.m. in the High School Agriculture Building. All members are urged to be present.

Four Negroes Released In Connection With Incident Here Aug. 30

Sheriff Truett Behrens stated that four Negro men have been released after polygram tests at Lubbock last Friday. The four were being held along with Bonnie Ray Weatherston in connection with the entering of two homes in the white section of town September 30th.

Behrens said the tests showed that Albert Evans, Joe Boy Hanes, Vernon Moore and Jim Ellis had no direct connection with the case but pretty well verified Weatherston's statement that he made here soon after his arrest. He is being held in the local jail on an assault charge pending action of the Donley County Grand Jury which will probably convene in October.

Donley Added To Haying Privileges

In a telegram to the Leader Monday, Cong. Walter Rogers announced that haying and grazing privileges are being offered by the department of agriculture in Donley County where a feed shortage has developed. Cong. Rogers said the privileges were offered on conservation reserve land and on feed grain and wheat stabilization diverted acres. Arrangements to participate in the program may be made with the County ASC Committee, Cong. Rogers, added.

First Bale Of Cotton Ginned At Hedley

The first bale of 1963 cotton was ginned at Hedley Tuesday of last week at the West Texas Gin. Field weight of the cotton was 2,385 pounds and the finished bale weighed 575 pounds.

The cotton was grown on the J. M. Kennedy farm and was picked by the Quail seniors. The cotton was sold to the Hedley Lions Club for the Cotton Festival and brought a price of 40 cents per pound.

LOCAL YOUNG LADIES TO ATTEND MISSOURI COLLEGE THIS YEAR

Miss Connie Williams and Miss Janis Smith left Amarillo by plane Monday morning for Columbia, Missouri, where they will enroll at Stephens College. Both will be first year students. All students attending from this area traveled this flight, being joined by other students at Oklahoma City although the flight was not strictly for students.

Miss Williams is the daughter of Mr. and Mrs. Bill Williams. Miss Smith is the daughter of Dr. and Mrs. G. W. Smith.

Mr. and Mrs. Wm. Payne and Mr. and Mrs. Glenn Williams returned home Monday after spending the week end with their children in Colorado. The Payne's visited their son and family at Westminster and Mr. and Mrs. Williams visited their daughter and family at Aurora.

FARM NEWS

from County ASCS Committee

Final Diverted Acres Payment
We have completed computations for final payments for both the wheat stabilization and feed grain programs. To avoid confusion in the office, the following schedule has been arranged for producers to come in by community on different days, sign the forms and receive their payments.

- "C" - September 16, 1963
- "E" - September 17
- "G" - September 18
- "B" & "D" - September 19
- "A," "F," and "H" - September 20

If you cannot come into the office on your designated day, you may come in on or after September 23.

The Application and Annual Payment Statement for soil bank producers will be ready at this time for signatures also. However, final payments on CR will not be made until we receive our allocation from the State Office.

Your cooperation by coming in on your designated day will be greatly appreciated.

Community Committee Election
Today, September 12, 1963, is the final date in which you can mail or return your ballots in person to the county office.

Anyone not receiving a ballot still has time to come to the office and cast a vote for the men whom they want to serve as community committeemen.

Ballots will be tabulated publicly on September 17 at the ASCS Office. The newly elected chairmen of the community committees will then meet on September 20 to elect the all important County Committee.

PLEASE RETURN YOUR BALLOT - YOUR VOTE IS IMPORTANT!

Lion Gov. To Visit Local Club Tuesday

District Governor of District 2-T-1, O. A. "Steve" Stephens of Amarillo will make his annual visit to the local club on Tuesday, September 17.

Lion Steve is a charter member of the North Amarillo Lions Club. He is in his 10th year of Lions work with perfect attendance and has held all offices of that club and was charter president.

Lion Steve will travel approximately 40,000 miles for the development and promotion of Lionism in this District; which consists of 28 counties in the Panhandle.

ROPING CLUB OPEN TO MORE MEMBERS

The Clarendon Roping Club which was recently reorganized, is open to more members who are interested in calf roping. The club is roping each Sunday afternoon at the Rodeo grounds and anyone interested may contact the persons in charge at that time.

ALVA DEVER DIES WED.

As we were preparing to make our last press run Wednesday afternoon, we received word that Alva Dever, long-time resident and employee of Wallace Monument Co. died suddenly in front of the City Gas Co. on main street. A complete obituary will be carried in the Leader next week.

Bronchos To Play Mustangs At Claude Friday Night, 8:00

The Clarendon High School Bronchos, smarting from their first defeat at the hands of the Gruver Greyhounds here last week, will journey to Claude to play the Mustangs at 8 o'clock Friday night. The Bronchos will be looking for their first win and the Mustangs will be doing their best to uphold their young, unblemished record.

The Bronchos lost to Gruver in a closely-fought game 8-14 last Friday night while Claude was blanking Silverton 14-0. Coach Jack James says the Bronchos should have an equal chance to defeat the Mustangs Friday night but they will have to play better football in every department than they did last week to win. The Mustangs are larger and faster and our defense will have to be clicking if we hold them in check, James added.

Coach James' probable starting line-up this week will probably be the same as last with the exception of starting Eddie Wilkinson in a half-back position in the place of John Grady. The probable starters in the backfield will be David Mooring at the quarterback slot, Eddie Wilkinson and Ronnie Longan at the halfback positions and Teddy Graham in the fullback spot. In the line will be Dennis Stewart and Lester Welch in end positions; Douglas Bradshaw and Larry Gray, guards; Ronnie McAnear and Steve Shelton, tackles; and Kenneth Price as center.

Colored Woman Receives Heavy Fine And Jail Sentence

The intersection of Highway 287 and main street was the scene of quite a melee here last Wednesday afternoon when a Negro woman was apprehended after backing into a big truck.

The woman, Zelma Moore, of Amarillo was arrested by Sheriff's deputies and tried in County Court where she received a sentence of 60 days in jail along with a DWI fine of \$134.40, resisting arrest \$59.40, abusive language \$35.40 and disturbing the peace \$35.40, a total of \$264.40. At the present time she is serving her 60 day sentence in the local jail.

MISSIONARY TO SPEAK AT NAZARENE CHURCH

The Church of the Nazarene will have as its speaker tonight, Sept. 12, Rev. Earl L. Morgan.

Rev. and Mrs. Earl L. Morgan, returned Nazarene teachers and missionaries to Lebanon and the Middle East, are on a furlough in the United States, engaged in deputation work among churches of the denomination.

In church talks, Rev. Morgan will describe Lebanon and the Middle East. He also may tell about the work in Italy, where the Morgans spent five years. He will show colored slides where possible.

Rev. Morgan was born in Kane, Pa. He is a graduate of Olivet Nazarene College, Kankakee, Ill.; Missouri Valley College, Marshall, Mo.; and the Nazarene Theological Seminary, Kansas City, Mo. He also took graduate work at the University of Kansas City.

He was pastor of the Nazarene church in Marshall prior to his appointment abroad.

H.S. Ex-Student Ass'n. Announces Homecoming Plans

The Clarendon High School Ex-Student Association announced plans this week for the annual ex-student reunion and homecoming to be held November 15-16. There has been some confusion regarding dates. The High School homecoming will be held October 25 climaxed by the football game Friday night with Canadian. It is hoped that by another year the two homecomings may be combined.

The Ex-Student homecoming will be opened with the Clarendon-Memphis Football game Friday, November 15. The business meeting, banquet, and dance will be held on Saturday, November 16.

All ex-students who have not done so, should turn in their address or that of any ex-student who has not done so, to Genella Eads or Betty Smith. If you have received no correspondence regarding the reunion in the past, this is the reason. Please turn in the address as soon as possible so that you may be put on the mailing list.

The November 15-16 dates were set up so as to avoid having the reunion on a date when West Texas State University had a home football game. All ex-students who can do so, are urged to attend the High School Homecoming when the Clarendon Bronchos play the Canadian football team in Broncho Stadium the night of October 25.

Pioneer Resident Of Area Dies In Pampa Friday

A pioneer resident of the area, Cleo Schaffer, died in a Pampa hospital Friday. Mr. Schaffer lived about 10 miles northwest of Jericho and was a frequent Clarendon visitor. He was a stock farmer and rancher.

Funeral services were held at 2 p.m. Monday afternoon in the Duenkel-Carmichael Funeral Chapel in Pampa with the Rev. Manuel Reynolds, pastor of First Methodist Church of Groom, officiating. Burial was in the Jericho Cemetery.

Survivors include his wife of the home; two sons, G. W. Schaffer and Curtis Schaffer, both of Pampa; four grandchildren and three great-grandchildren.

JAYCEES MEET WITH CITY COMMISSION

The Jaycees meet with the City Commission concerning the traffic problem at our schools. The Jaycees are very interested in the safety of the children around our school grounds and ask that you slow down to a very slow pace when driving through the school area. Also, they ask that you do not park on the pavement area that is marked "No Parking" when attending school functions. There are two large parking areas at the school which will accommodate all the cars attending school functions at any time, and they ask that you use these areas.

The Jaycees will continue to work with the City and School Officials to eliminate the traffic hazards about our schools.

County Agent Flip Breedlove and Secretary of the Donley County Fair says that the big Donley County Fair and Quarter Horse Show gets underway this Friday, the 13th of September. The show will run for two days, 13th and 14th.

The Quarter Horse Show, approved by the American Quarter Horse Association will be held Friday, the 13th, at 1:00 p.m. at the Rodeo grounds. Entries will be taken the morning of the 13th and end at noon that date. All horses will be released right after the show.

The departments of the fair consist of the Donley County Flower Show which is open to all persons and everyone is urged to have their flowers in the fair barn not later than nine a.m. on the 13th as judging will be on that day. All other departments will be set up on the 12th so that they will be ready for the judging on the 13th at ten a.m. Other departments are the Community Agriculture exhibits, Poultry Department, Home Economics Department, which is open to the home economic departments in Donley County Schools, Needle Craft Department, Fine Arts Department, Canned Goods Department, County Homemade Baking Department and the Horse Show.

Everyone is urged to take part in the fair and bring flowers and set up individual exhibits in the merchants' department. The other departments will be open for all entries all day on the 12th and all exhibits will be set up on the 12th of September.

Plans Are Made For Simultaneous Revivals

The Clarendon Ministerial Alliance meeting in the hospitality room of the Farmers State Bank, Monday completed initial plans for simultaneous revivals in each of the churches in Donley County during the week of March 29 to April 5, 1964.

The general theme of this week of revival will be "If My People . . ." taken from II Chronicles 7:14 which reads, "if my people who are called by my name humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

"The early announcement of the dates of the, county-wide evangelistic effort is being made," said Rev. J. V. Patterson, president of the Ministerial Alliance, "to permit organizations in the county to adjust their calendar of activities for the week of March 29 to April 5 to eliminate as many conflicts as possible and insure the greatest participation."

Lawrence Neece was selected as general chairman of the Evangelistic Campaign and a steering committee was created composed of the following: Committee on Arrangements, C. J. Lohoefer; Publicity, Tommye Saye; College Prayer Meetings, Flavil Hodges; Finance, Frank Phelan; Secretarial, Phoebe Ann Buntin; and Ministerial Liaison, J. V. Patterson.

Individuals interested in volunteering their services in any way to help make this endeavor a success are asked to contact Lawrence Neece as soon as possible.

GOVERNORS CAN CUT TRACTOR FUEL COSTS

COLLEGE STATION — Overhauling a tractor's governor may save farmers as much as \$48 a year, says Henry O'Neal, extension agricultural engineer, Texas A&M College.

In a study of 50 farm tractors at Kansas State University, it was found that 40 of these tractors had faulty governors and did not maintain proper engine speeds. Of the 40, only 10 could be corrected by governor adjustment while the other 30 required a complete overhaul of the governor. The 10 tractors with governors that could be corrected showed an overall maximum horsepower increase of 9.1 percent and a fuel consumption decrease of 4.8 percent after the adjustments were made.

Thus, O'Neal says, farmers who spend \$1,000 annually for tractor fuel can reduce their

fuel expense \$48 a year on this one service item alone if their power unit is operated with a faulty governor.

Proper engine speeds are essential if maximum tractor efficiency is to be obtained. Speeds higher than those recommended by the manufacturer can lead to overheating and tractor breakdown. Speeds less than recommended cause loss of horsepower and poor performance.

A check of the engine's speed while it is not under a load is not enough, O'Neal states. Engines must be checked when under a full load as well as without a load to determine the governor response. He recommends having a qualified mechanic check the tractor under load with a dynamometer.

GRASSROOTS OPINION

MILES CITY, MONT., STAR: "The Administration's failure to solve the unemployment problem is being used as a potent argument on Capitol Hill for rejection of many of President Kennedy's legislative proposals and for greater reliance upon the private enterprise system. . . . Opponents contend that all such problems can best be dealt with at the local level and that the best contribution the federal government can make is to moderate — in the right way — the present confiscatory tax system and permit private enterprise to function effectively."

GRASSROOTS OPINION

RIVERTON, WYO., RANGER: "The desire to govern themselves still burns in the hearts of the Indian people. A few weeks ago the general membership of the Arapahoe Tribe voted to reject a proposal that the federal government take over law enforcement on the Wind River Indian Reservation. The Arapahoes said they wanted to pay for their own law enforcement costs. They in effect rejected the idea that all that which springs from Washington is better than (that) which has local roots. They turned their backs on the idea that it comes from Washington, it's free."

HARDWARE & APPLIANCES

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — Texas' new Parks-Wildlife Commission has reclassified its personnel keeping with the \$3,500,000 budget set by the Legislature. Reclassification will result in an additional \$10,000 in salary expenses.

Commissioners voted to keep all personnel from the old Parks Board and the Game and Fish Commission on the payroll.

Howard Dodgen, former executive secretary of the Game and Fish Commission, will be retained as a Consultant to the Board until January.

Commission also approved Executive Director Weldon Watson's recommendation that the state parks system be managed through the five regional offices used by game officials. Regional headquarters are located in La Porte, Rockport, San Angelo, Tyler and Waco.

NEW TREND? — There seems to be a new trend toward refusing federal aid: The Irving School Board spurned an offer of an \$11,000 grant because "of the growing danger of federal control of the school curriculum."

But most school systems still accept educational assistance from the U.S. government. Texas Education Agency, looking at preliminary figures for the 1962-1963 school year, found \$33,700,000 was paid to Texas schools by federal programs.

In some cases, however, acceptance is selective: Both Houston and Dallas, which have local programs geared to prevent student drop-outs, refused cash grants for a similar federal program.

Houston and Dallas also are among the Texas towns which reject federal funds for school

lunch programs. Others include Odessa, Goose Creek, Wichita Falls, Fort Worth, Henderson, Longview, Borger and Alvin.

U.S. AID — Abilene turned down a \$446,730 offer of aid for a \$3,090,000 sewer treatment plant from the U.S. Department of Health, Education and Welfare.

Federal grants for \$3,000,000 worth of sewer treatment improvements in Texas are recommended and administered by State Health Department officials.

Funds refused by Abilene were distributed among the following towns: Fritch, Gonzales, Graford Hidalgo, Markum, Mineral Wells, Richland Hills, Smiley, West Columbia and Windom.

TEXAS' TAX TAKE — Although the Lone Star State accepted less federal money than many other states during the fiscal year that ended on June 30, it received slightly more than it paid out, according to a survey by Congressional Quarterly.

Texans paid about 4.26 percent of all taxes received by the federal government. It reaped 4.81 percent of the \$10,000,000-plus federal grant total, or \$500,295,000.

National average of federal aid received was \$56 per capita. In Texas, the assistance averaged \$49 per citizen. Alaskans were high with a per capita average of \$226. Low was New Jersey with \$34 per capita.

Schools and sewage systems were just a few targets of federal aid. In fiscal 1962, this state received \$128,734,600 for highway construction; \$31,120,182 for unemployment insurance; \$22,552,894 for agricultural conservation;

"PRIME MINISTER" ARRIVES—Mr. Kenneth W. Riebe, in his role as Prime Minister of the mythical Territory of Columbia, and Lt Col Allen E. Simmons, pass through an honor guard at the bivouac area of the Red Forces' 41st Civil Affairs Company during USSTRICOM'S Exercise SWIFT STRIKE III. Lt Col Simmons, the 41st's Commanding Officer, presents the Red Homeland salute. Mr. Riebe, in reality the City Manager of Newberry, S. C., was one of some 50,000 citizens of North and South Carolina, and Georgia, whose personal cooperation made it possible for USSTRICOM to conduct the largest military exercise in our country's peacetime history.

\$139,252,153 for welfare assistance, and \$13,350,583 for the national guard, as well as aid in other fields.

VENISON POPULAR FOOD—State Parks and Wildlife Department has a booklet available for free distribution, which should be of interest to ranchers, hunters and just about everyone.

Its title is "Texas Deer Herd Management — Problems and Principles." Booklet was written by James G. Teer, wildlife biologist formerly employed by the state. In his research, Teer found that deer herds of Texas provided more than 6,000 tons of meat for family consumption last year.

Another bulletin, newly-revised, also can be secured without cost. It's called "Poisonous Snakes of Texas and the First Aid Treatment of Their Bites."

SALES TAX RECEIPTS SOAR—State Comptroller Robert S. Calvert announced that sales tax

revenues for the fiscal year which ended on August 31 will exceed his expectations.

Earlier, Calvert predicted sales tax income for the state would total \$177,975,013. Now he says it will be \$2,141,429 more, or a total of \$180,116,442.

CONSTRUCTION INCREASE—Residential construction accounted for \$81,600,000 of the \$142,000,000 worth of construction authorized in the state in July. It was the lightest July and the third highest monthly level in 17 years.

So reports the UT Bureau of Business Research.

GAS BILLS VARY — A study of records, which the Texas Railroad Commission keeps on municipal gas rate structures, reveals a wide variance in gas rates across the state.

Lowest average year's bill paid by individual consumers in 1962, among the 22 cities on the commission list was \$41.50. It was paid by citizens of a Corpus Christi suburb.

Highest average annual gas bill was paid by residents of Dallas. One of the lowest average bills was that paid by Amarillo residents. Their average bill for the year was \$53.43.

LAWMAKERS' RETIREMENT PAY — Members of the House of Representatives who have served four two-year terms and state senators who have served two four-year terms, now are eligible for retirement pay under a new law, effective September

1. When a legislator has completed eight years of service, he receives a \$100 a month retirement check. It increases \$10 a year as long as he remains in the Legislature.

SHRIMP NAMED COMMISSIONER — Gov. John Connally has appointed Virgil Versaggi of Brownsville to the Gulf States Marine Fisheries Commission. He succeeds Weldon Cabanis of Rockport.

Versaggi has been in the Shrimp business in Brownsville since 1949. He also operates shrimping fleets out of Tampa, Fla., and British Guiana, in partnership with his fourth brothers.

He was first president of the Texas Shrimp Association. Also first president of the Shrimp Association of the Americas.

LAND OFFICE RETURNS MONEY — Land Commissioner Jerry Sadler has turned back to the State's General Revenue Fund \$221,275 left over by the General Land Office from its fiscal 1962 appropriation.

"Reasonable economy of operation," Sadler said, "made this refund possible."

AGRICULTURALISTS IN EUROPE — Agriculture Commissioner John C. White, Sen. Culp Krueger of El Campo, Dr. Tyrus Timm of Texas A&M and Dr. Wayland Bennett of Texas Tech are in Brussels, Belgium, to attend a conference on agriculture.

Sen. Krueger is vice-chairman of the State Senate's agriculture

committee.

EDUCATION GROUP TO MEET — Leaders in the field of development of higher education in Texas will meet in Austin on September 9.

Calling the group together is the Committee of the Governing Boards of State Colleges and Universities. Sen. Walter Richter of Gonzales is executive secretary of the privately financed Committee.

On the program will be Governor Connally, Dr. A. B. Martin, executive director of the Governor's Committee on Education Beyond the High School; and Dr. Lester Harrell, director of the Texas Commission on Higher Education.

Purpose of the meeting is to spell out the Committee's goals for the immediate future and determine a means of attaining them. Committee represents the common interests of all the state-supported senior colleges. It is interested in supporting programs and activities aimed at improving the quality of and support for higher education in Texas.

Comprising the Committee are representatives of each board of regents serving the 20 state-supported senior colleges and universities.

OCEAN GROVE, N.J., TIMES: "Uncle Sam is rapidly preparing to crack down on taxpayers who neglect to report dividends. Wives are wailing because they don't want their husbands to know that they have savings, and The New York Times quotes Manhattan Tax Director Charles Church as saying, Solomon-like, 'If it's a choice of arguing with your husband or arguing with the Tax Collector, you had better argue with us.'"

EVERETT, WASH., HERALD: "Too many people in this administration have placed faith in a belief that the only important thing is to avoid a major war between the United States and Russia, and if that can be forestalled, communism, because of its own structural weaknesses and the education of its people, will slowly turn away from dictatorship and enslavement and move toward the Western position. No dictatorship ever walked off the stage of human affairs."

TRACTORS INVOLVED IN FARM ACCIDENTS

AUSTIN, Tex. — Tractors are involved in more farm accidents than any other farm implement, the Texas Safety Association reports. Other machines do have higher accident rates, but it is because they are used less. Driving too fast is a factor in most tractor upsets.

COME TO THE
Fair

There'll be something of everything Donley County produces. We urge you to take a long, long look at all of this — the real wealth of this area . . . wealth that comes from the soil and from the strength of the people who live here.

There'll be ribbons and trophies for the winners . . . but we predict every entry will be of prize-winning quality. Those who really deserve the awards are the men and women who have worked long and hard to make this fair a success.

MISS CAROLYN WALLIN FETED AT WEDNESDAY MORNING COFFEE

Miss Carolyn Wallin, bride-elect of John Payne, was entertained at a coffee and miscellaneous shower at Patching Club House Wednesday morning, September 4. Receiving hours were from 9:30 to 11 a.m.

Guests were greeted by Mrs. Joe Pfeiffer who presented each to Mrs. Eda Wallin, Miss Carolyn Wallin, and Mrs. Louise Payne.

House decorations included a triangular arrangement of gold gladioli and bronze chrysanthemums, a mantle arrangement of large and small mums in bronze and gold, and in the foyer a bouquet of bronze mums. Tables on which the gifts were displayed were marked by small nosegays in gold and bronze and one small arrangement of gold marigolds.

The refreshment table was laid with an imported Mexican drawn-work cloth and silver appointments. A pedestal arrangement of champagne carnations, gold mums, and gold grapes provided the decor. Assorted miniature pastries were served with coffee and tea. Mrs. Dennis Kotara of Panhandle, Mrs. William Clark of Miami, Mrs. Jimmy Swinney and Miss Frances Wallace presided alternately at the table and guest-registrar. Mrs. Dennis Bradshaw entertained throughout the morning with a repertoire of piano selections.

There were near 70 guests registered and a number of others sent gifts. Included in the house-party were Mesdames Joe Pfeiffer, John McClellan, George Thompson, Jr., Earl Alderson, J. H. Spier, Jr., Bill Williams, L. L. Wallace, James McNear, Mike West, Homer Estlack, Pauline Watters, and Miss Marjorie Harlan.

LES BEAUX ARTS CLUB HOLDS FIRST MEETING OF CLUB YEAR

Members of Les Beaux Arts Club met at Patching Club House Friday morning for a 9:30 a.m. brunch. This was their first meeting of the new club year. Hostesses were Mrs. M. R. Allensworth, Mrs. W. C. Thornberry, and Miss Mable Mongole.

Garden flowers decorated the entertaining room. The buffet table, head table, and quartet tables were laid with red and white check cloths and napkins. Cantaloupe, seedless grapes, fried chicken, steamed rice, hot rolls, jelly, and coffee were included on the menu. Mrs. John Bass gave the invocation.

Mrs. C. T. McMurtry, retiring president, presided over the installation of officers. Mrs. Gene Alderson, incoming president, made several announcements following installation.

The next meeting date will be the afternoon of Friday, October 4, when Mrs. Robert Lindsey of Borger will be guest speaker. Her subject will be "The Purpose and Function of Federated Women's Clubs."

Attending were two guests: Mrs. Varble of Sherman, Texas, and Mrs. John McClellan; also members Mesdames Gene Alderson, John Bass, Stina Cain, C. C. Carman, H. S. Hardin, W. K. Hardin, J. H. Howze, W. J. Lewis, Jr., Lee Palmer, Tommy Saye, E. O. Simmons, C. G. Stricklin, C. T. McMurtry, M. R. Allensworth, and Miss Mable Mongole.

Mr. and Mrs. Frank Corder and family and Mr. and Mrs. Tom Corder of Amarillo, also Mrs. Edith Longan were guests Sunday in the home of Mrs. J. C. Estlack.

Miss Dishman, Mr. Hunt Wed In Home Ceremony

Before an improvised altar of white gladioli flanked by candelabra and backed by emerald palms, wedding vows were solemnized Saturday evening, August 31, for Miss Jo Dishman,

daughter of Mr. and Mrs. Elmer Dishman of Lelia Lake, Texas, and Eddie Z. Hunt of Dallas, Texas, son of Mr. and Mrs. Howard Hunt of Dodson, Texas. The service was read by Bright Newhouse, minister of the Church of Christ, in the home of the bride's parents.

Candles were lighted by Misses Kay Green and Nona Beck, daughter of McLean, Texas.

BRIDGE TOURNAMENT WINNERS ANNOUNCED

The first Bridge Tournament sponsored by the Jaycee-ettes was held Tuesday afternoon and night with 45 entries. The tournament was held at the Youth Center recently redecorated by the Jaycees and Jaycee-ettes. Afternoon winners were Mrs. Willard Skelton and Mr. C. L. Benson. Winners Tuesday night were Mr. and Mrs. Nelson of Claude.

Jaycee-ettes want to thank all of those who took part in the tournament. If you are interested in other such tournaments let them know.

The Jaycee-ettes held their

regular meeting Monday night at the Youth Center. A special program was presented by Bernice Moreland. Her subject was "Hair Styling and Eye Make-up." The program was most informative and enjoyable.

After the meeting tables were set up for the Bridge Tournament.

CLARENDON F.H.A. HAS FIRST MEETING

The Clarendon Chapter of the F.H.A. met in regular session Monday, the 9th, in the cafeteria. Melissa Ann Patterson, President, called the meeting to order. Junior and Chapter Degrees were given and a report on Panama was the program.

Those girls to receive Junior Degrees were: Beth Bourland, Teza Estes, Carolyn Graham, Judy Greene, Pam Hicks, Sue Hill, Emily Neece, Leane Risley, Vicki Sebesta, and Elaine Tolleson. Chapter Degrees were given to Ann Allen, Jill Benson, Lynn Bourland, Betty Dever, Sandy Deyhle, Janet Goodman, Sandra Shults, Vicki Sloan, and Darlene Shields.

Subscriptions for Co-ed Magazine were taken by Ann Martin and Sara Barrow. Also, the magazines were passed out to those who had bought subscriptions.

The speakers of the program were Sheila C. Moreno and Dolly L. Martinez. These girls told of the Panama and their customs there. The girls are attending TWW this fall. Many interesting points were made about the ways of Panama. It is surprising how much Panama is like the United States.

Miss Moreno and Miss Martinez are staying with the Fred Bourlands for awhile. Sheila Moreno plans to become a teacher after college.

Everyone had a marvelous time listening to these girls.

MARY MARTHA'S HAVE SOCIAL

The Mary Marthas' met in the home of Mr. and Mrs. Pat Myers last Tuesday afternoon, Sept. 2, for their social and business meeting.

The meeting opened with prayer by Mrs. Mary Myers, President. Mrs. James Smith, presided at the business meeting. Minutes of the last meeting were read by the Sec.-Treas., Mrs. A. H. Moore. Then the Benevolence Treas., Mrs. Dania Naylor, gave her report, after which the Group Captains, Mrs. D. M. Cook, Mrs. Clarence Ragan and Mrs. George Benson, gave their reports for the month of August. New officers were then elected for the next year. Mrs. James Smith was re-elected as president; Mrs. Mary Myers was also re-elected as teacher; Mrs. Billie Christal, ass't. teacher; Mrs. A. H. Moore, sec.-treas.; Mrs. Grace Leathers, vice president; Mrs. Dana Naylor, benevolence; Lillie Knox, reporter. Group captains will be appointed by the president.

Mrs. Walter Lowe had charge of the program. Her scripture was found in Micah, 6th chapter, 8th verse. She also gave two beautiful readings entitled "The World Is Mine," and the other, "Charity." Meeting closed with prayer by Mrs. D. M. Cook.

After a period of fellowship, ice cream, cake, and Coke were served by the hostess.

Fourteen ladies were present. They were Mesdames D. M. Cook, G. E. Benson, Billie Christal, Walter Clifford, A. H. Moore, Walter Lowe, Sam Lowe, C. W. Martin, James Smith, Van Knox, Carl Naylor, W. C. Ragan, Scott, and hostess, Mary Myers.

Next meeting will be with Mrs. Scott, Oct. 1. —Rep.

Mr. and Mrs. James McAnear and family of Brice and Mr. and Mrs. T. L. Shumate of Amarillo were Sunday visitors in the home of Mr. and Mrs. Clyde Wilson.

Mr. and Mrs. James Gain of Iowa Park and Mr. and Mrs. George Schollenbarger spent the week end at Taos, N.M.

ASHTOLA NEEDLE CLUB NEWS

The Ashtola Needle Club met in the community hall Thursday, Sept. 5. Veta Mahaffey, vice president, presided. Meeting opened with prayer by Millie Knox, after the reading of the minutes of our last meeting by Sue Rhoads, sec.-treas. Plans were discussed for the fair.

The remainder of the afternoon was spent visiting and sorting and packing dry seeds for the fair booth.

Cake and iced tea were served to 13 members. They were Mesdames Clyde Butler, Tressie Hughes, Jo Harp, Johnnie Poovey, Bell Jones, Rubie White, Naomi Green, Lena Graham, Mary Sue Rhoades, Mary DeBord, Lillie Knox, and the hostesses, Veta Mahaffey and Sue Rhoades. —Rep.

HUGHINS QUILTING CLUB MEETING

The quilting club met Sept. 3rd with Harlene Phillips as hostess. One quilt was quilted.

Those enjoying the afternoon were Mary Lee Nobles, Cora Elliott, Ruth Lindly, Pauline Koontz, Barbara Helms and Paula, Wilma Lindly and Joy.

Refreshments of ice cream, cake, pie and iced tea were enjoyed by all.

We will put up our booths at the fair barn the afternoon of Sept. 12th. Everyone bring what you have for the fair.

Our next quilting will be Sept. 17th with Frankie McAnear as hostess. —Rep.

Mr. and Mrs. Otis Naylor attended funeral services for Earl Cook of Childress Tuesday afternoon.

Mr. and Mrs. W. L. Jordan, Mrs. Mae Prewitt, and Mr. and Mrs. Lamar Aten were Amarillo visitors Tuesday.

Mr. and Mrs. Van Knox visited Mr. and Mrs. Ross Springer at Hedley and Mr. and Mrs. G. J. Hinders of Memphis Friday.

LOANS AVAILABLE FOR WATER CONSERVATION

Loan funds are available to eligible Donley County Farmers who wish to develop water supply systems for irrigation, household use and livestock, reports Claude Moore, County Supervisor for the local Farmers Home Administration.

Mr. Moore points out that these funds can be extremely useful in developing the water and land resources of the community and otherwise supporting Rural Areas Development. Each dollar used wisely in developing and conserving water and land resources, helps prevent crop failures, boosts farm income and increases the value of local property.

Funds used in developing water and land resources stimulate local business activity.

Donley County farmers may obtain water development and soil conservation loans to drill wells and otherwise improve water supply systems for irrigation, home use, and livestock; purchase pumps, sprinkler systems, and other irrigation equipment.

Farmers pay 5 percent interest on water development and soil conservation loans, according to Mr. Moore. And he said that loans to individual farmers in Donley County are usually scheduled for repayment over a period of 10 to 20 years but that loans may be made payable over periods up to 40 years if necessary.

Loans to individual farmers in Donley County will vary considerably in size because of the wide range in the needs of borrowers. However, a farmer may borrow up to \$60,000.00 depending on how the funds are to be used and the property available for security.

To be eligible for a water development and soil conservation loan, a farmer must be unable to obtain the necessary credit on reasonable terms from private and cooperative lenders.

Further details about water development and soil conservation loans may be obtained from the Farmers Home Administration office located in the Gillham Building at Clarendon, Texas.

Farmers Home Administration also makes loan to purchase and develop farms, buy livestock and equipment and pay farm and home operating expenses, build and improve rural homes and essential farm service buildings, and to meet emergency credit needs of farmers suffering from a natural disaster such as hail, flood, or drought.

NEW EMPLOYEE AT TAX OFFICE

Sheriff Truett Behrens announced yesterday that Mrs. Orelia Potts of Hedley has assumed her new duties in the County Tax office replacing Mrs. Barbara Edens, who has resigned.

Mrs. Potts was associated with the staff of the Security State Bank at Hedley for eight years.

New all-time highs were recorded in the Federal Bureau of Investigation's accomplishments in all major phases of operations during the 1963 fiscal year. J. Edgar Hoover's report to the Attorney General shows that fines, savings and recoveries in cases investigated by the FBI during this period reached a new peak of \$186,225,348 — a figure representing a return of \$1.37 for every dollar appropriated for the Bureau. Convictions in FBI cases came to 12,816, the largest number for any peacetime fiscal year, and were recorded against 96.1 per cent of all persons brought to trial.

Bronchos Lose 1963 Opener To Gruver

By Rod Stone, Staff Reporter
The Clarendon Bronchos tangled with the Gruver Greyhounds in Broncho Stadium last Friday night and came out on the short end of the score with the final count at 14-8.

The game was principally a defensive battle with both teams being lax in the offensive department.

ment. The Bronchos were not as strong defensively as they had indicated in practice sessions and Coach James was somewhat disappointed, but credited a lot of their errors to inexperience.

Gruver scored the first touchdown in the second quarter with Ray Kelly carrying the pigskin across from the 2 yard line with only 50 seconds left on the clock. The visitors bid for the extra point failed when Jim Cooksey threw an incomplete pass intended for Bob Gelespe.

In the third quarter the Greyhounds pushed their second tally across with Wayne Leatherman going over from the 3 yard line.

In the fourth quarter the Bronchos broke the Greyhound defense when quarterback David Mooring threw a pass to Ted Graham for a first down. Operating from their own 20 yard line, the Bronchos chose to go to the air again with Mooring completing a 15 yarder to Dennis Stewart on the 5 yard line. With 2 minutes and 50 seconds left to play, John Grady picked up the needed 5 yards for the 6 points. Interference was called on an attempted pass from Mooring to Stewart for the extra point which moved the ball to the one yard line and Ted Graham plunged over for the two points.

The Bronchos gained 101 yards rushing while the Greyhounds gained 157. Three passes were completed by the Bronchos for a total of 50 yards and the Greyhounds gained no yardage through the airlines. Total yards gained were 151 for the Bronchos and 157 for the Greyhounds.

Mr. and Mrs. George Gary and Mr. and Mrs. Charles Gary and family of Amarillo visited Saturday afternoon and night with Mrs. Edith Longan and Mrs. J. C. Estlack.

CITY NOTES

By MAYOR C. J. LOHOEFER

At the regular meeting of the City Commission Saturday, representatives of the Clarendon Jaycees were present and expressed the organization's concern in regard to speeding on the college boulevard and around the school in general and also the loud mufflers on the vehicles. The city is soliciting the aid of all law enforcement officials, including the Highway Patrol, to help cope with the situation and is asking parents to extend a few words and a clamp down at home to help eliminate the problem.

Representatives of the Jayceettes were present also in the interest of cleaning up the town, mowing vacant lots and placing trash containers on main street. They also showed concern in regard to the delinquent city taxes.

The city has been informed by the FCC that the local fire department will no longer be allowed to use the same radio band as the area law enforcement and new arrangements should be made by Oct. 1. City commissioners voted to purchase necessary equipment to make the change in equipment and comply with the FCC request.

Those to visit in the W. C. Scott home Sunday were Mr. and Mrs. Chester Scott and Connie of Amarillo, and Mr. and Mrs. Clayton Lisenley of Lubbock.

Mr. and Mrs. George Dillard of Canyon, Mr. and Mrs. Jack Stewart of Amarillo, and Mr. and Mrs. Ray Robertson and children of Pampa were Sunday visitors in the home of Mr. and Mrs. W. L. Jordan.

Mrs. N. A. Hutton of Bellflower, Calif., visited last Tuesday night and Wednesday in the home of Mrs. Ruby Hutton.

JAYCEES THANK LABOR DAY DONORS

The Clarendon Jaycees would like to thank the following people for donating the vast amount of items it took to make their Labor Day Rest Stop one of the biggest and best ever. President Hommel stated that the people, when asked to assist the Jaycees by donating the items needed, were very generous, and by their generosity, over 2,500 Labor Day travelers were served hospitably.

The Clarendon Jaycees say, "Thanks," to the following: Dr. Pepper Btl. Co., Arnholtz Coffee Co., Lee's Cafe, AAA Motor Co., Murphy Funeral Home, Bill Land, Borden's Company, Ruby's Grocery, Clifford's Grocery, Clarendon Food, Jr.'s Food Mkt., Valance Food Liner, Mead's Bread, Sealtest Milk Co., Foxworth-Galbraith, Mike McCully, General Telephone Co., Mayor Lohoefer, Lumpkin's Drive-In, Mrs. George Thompson, Texas Highway Dept., General Telephone Company, and Freshie Bread Co.

Mr. and Mrs. Van Knox accompanied Mr. and Mrs. L. P. Moore and children, Mr. and Mrs. Glenn Wallace and Tony to Abilene where they attended the wedding of their grandson, Milton Denny, of Lubbock Saturday night. Milton married Miss Delane Beal of Abilene. They were students at Hardin-Simmons. Milton's mother will be remembered here as Charline Knox.

Mr. and Mrs. George Thompson, Jr., were recent visitors in the home of their daughter and family, Mr. and Mrs. Odell LaGrone, and children of Canyon.

Visitors in the home of Mr. and Mrs. W. B. Ayers last week were his son, Mr. and Mrs. Gilmer Ayers of Truth or Consequences, N.M.

SON-IN-LAW OF LOCALS ON MISSION TO BRAZIL

Rev. J. D. Horton, pastor of Hillcrest Baptist Church, Amarillo, one of the most widely known preacher-pastor-church builders in West Texas, left Wednesday by plane, together with Mr. Wayne J. Tiller of that church, for a series of missionary meetings in Brazil. Mr. Tiller is a Deacon in that church.

Their operations will be in the vicinity of Volta Redonda, Brazil, about 100 miles from Rio de Janeiro, where Mr. Horton will preach six sermons each day, and Mr. Tiller will be speaking as a layman. Interpreters will be used in this series of sermons.

Mr. Tiller is a son-in-law of Mr. and Mrs. J. A. Warren of Clarendon, and the husband of the former Billie Nell Warren.

Mr. Tiller was reared in Baley County, near Muleshoe. He served in World War II as a paratrooper.

He and his family reside at 6701 Calumet, Amarillo, and they have four children, a daughter and three boys. The older boy is studying for the Ministry.

OPEN HOUSE AT YOUTH CENTER

The Jaycees held an open house at the Lion's Club Youth Center last Sunday from 2 to 5 p.m. with only a few of the citizens of this community coming by to see what had been accomplished for the youth of our community. The Jaycees were very disappointed that only a few showed an interest in this worthwhile project, for we do have limited facilities for the youth of this community. The Jaycee and Jayceettes thank those of you who took the time to come by; also they would like to thank Coca-Cola Btl. Co. for serving the refreshments.

VACATION IN EAST TEXAS

Mr. and Mrs. Smith Rees and Will have returned home after spending the past 10 days visiting relatives at Marshall, Jefferson, Daingerfield, Mt. Pleasant, and Henderson.

September 1-2 all of Mrs. Rees' family gathered at the home of her parents, Mr. and Mrs. C. E. Lunsford at Marshall for a family reunion. This was the first such gathering in several years. Three brothers, two sisters, their families, grandchildren and great-grandchildren were present.

While away the Rees got in some good fishing at Caddo and Lake of the Pines.

Mr. and Mrs. Earl Butler and boys, also Mr. and Mrs. Bill Butler and boys, all of Borger, Mr. and Mrs. Glenn Butler of Claude, and Mrs. Poovey visited Sunday in the Clyde Butler home.

Mr. and Mrs. Bill Reid and family of Lamesa spent last week end with his parents, Mr. and Mrs. Lloyd Reid.

Attend the church of your choice.

Cub Scout News

Reorganization of the Clarendon Cub Scouts is underway. Den Mothers of the old dens will start their meetings as soon as the new fall literature is received. Mothers of just-turned-eight-years-old boys who will consider becoming Den Mothers should contact Tommie Saye.

The first round-table of this district will be at Wellington this Tuesday night, Sept. 17, at 7:30. Attending this meeting will benefit everyone who wants to know more of the Cub Scout program. The fall quarterlies will be passed out at this time. Anyone wanting to attend should contact a Den Mother or the Cubmaster.

The September Pack Meeting has been set for Sept. 30, a Monday night. A film will be shown.

RETURN FROM VACATION

Mr. and Mrs. G. D. Hillis has just returned from a vacation. They went sightseeing in Salt Lake City, Craters of Moon in Idaho and Yellowstone Park.

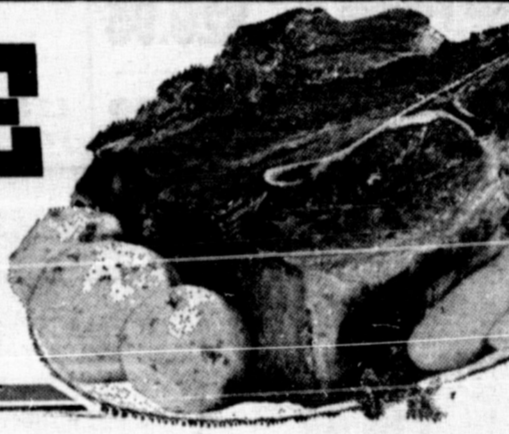

They visited their son in Rupert Idaho and a son in Casper, Wyoming, his sister in Prickett, Colo. Trudy Reed, Cathy Gibson, and George Don Hillis of Lakeview went with them.

Mr. and Mrs. George Garrison of Boise City, Okla., visited the week end with her mother, Mrs. Frank Whitlock.

Mr. and Mrs. Clarence Whitlock of Amarillo visited Sunday with his mother, Mrs. Frank Whitlock.

Agriculture - Our Nation's Strength

By DELBERT W. REED
Ag. Dept. Clarendon Jr. College

How does the American of today rate agriculture? Does he feel that it is just a world of "hillbillies" with a team of mules, or perhaps an illiterate peasant wearing a striped pair of overalls?

Obviously agriculture is much different from this description. Agriculture has always, and will continue to be one of the most important things in the life of every American, either directly or indirectly. Agriculture is the "backbone" of our nation. It is most unpleasant trying to conceive the United States without food for survival, and of the many luxuries and products now enjoyed being completely absent from our lives.

It has been said by many, "Anyone can go out and farm." However, many of these people don't know how unfortunate it would be for them to engage in farming. We are now living in an era in which agriculture is manned with educated and technical minded people. Grandfather's farming methods and ideals have become antiquated by the progress of time of education. For example, how many farmer's of today boast of the number of farms they have worn out by hard work? A good farmer of today would be ashamed of this.

Statistics show that roughly less than 10% of our total population is actually engaged in agricultural production. Today each worker can produce enough for himself and 25 others as compared to 7 others in 1900. This may lead one to believe there are no opportunities in the field of agriculture. However, there are many opportunities because another 40% of the American people are engaged in related fields of agriculture. Some of these closely related fields include farm and ranch managers, conservationists, entomologists, processing, industries, economists, agricultural sales, appraisers, teachers, and many others.

The United States is far superior to other nations in the field of agriculture. This does not mean that we should not strive to be even more superior because we are obligated with the challenge. A day we lose is gained by some other country. We are considered one of the two major world powers and agriculture has helped us gain this standing. A weakened power occurs as a result of a poor agricultural economy. Agriculture makes a stable economy.

The Soviet Union is considered a world power, but their economy is much weaker than that of the United States. Agriculture is the key to this economy. The Russians are faced with the problems of devoting resources to the economic and military race with the United States and also with devoting urgent demands for more consumer goods. For instance, 50% of their working force is engaged in agricultural production as compared to less than 10% in the U.S. Industry and military production in Russia is limited because of the large working force required to produce agricultural products. Unfortunately, for the Russians, these people can't be moved from the farm to the factory. Russia is a nation of over 200,000,000 as compared with less than 190,000,000 in the U.S.

The Russians are well aware of this situation and they are pushing agriculture in their colleges. The year 1956 marked the first year of rapid agricultural changes in the Soviet Union. They graduated 84% as many college students as the U.S., 10% of which were agriculture majors as compared to 2.7% in the U.S., or 3 times as many agriculture majors. The seven year plan of Russia calls for a 50% increase of agricultural trained specialists by 1966.

We Americans should be aware of the situation and prepare to defend our superiority. We are most fortunate in having good institutions and colleges to train us and to give us all a chance to develop our potential. Everyone with a potential should strive to make his contribution to the strength of our nation - AGRICULTURE.

BLOWIN' Out the CORNERS

Each year about this time everyone is thinking about school. Whether we have a youngster in school, a grandson or only watch the pupils go back and forth down the street or the school busses passing by it seems that everything reminds us of another school year...

Each year we receive a small booklet entitled Treasured Verses published by Warp Publishing Company whose business is workbooks and the like for schools. In it we always find a treasure of poems and thoughts appropriate for the beginning of school. This time we would like to dedicate the following to all our teacher readers. It is called: PARENT-TEACHER TRUST

By Maurine Martin
She'll teach your child the ABC's And, how to use apostrophes... She'll lend a sympathetic ear And help erase a doubt or fear... She'll introduce him to great men Who fought life's battles with sword or pen. She'll guard you from the Gossip's tongue By concealing those Tales Told by Your Young...

Speaking of schools; our mail today brought a letter from Miss Carmelita R. Colemn, c/o Philippine Union College, Box 1772, Manila, Philippines. She is a Junior and almost nineteen years young. She wants pen-pals in the United States especially Texas. She is studying to be a secretary. Some of you young readers please write to Carmelita... She read one of our poems and a little mention in The Sunshine Magazine. This is our second letter from the Philippines within the last month...

It is not enough that we strive to stamp out all evil, we must also try and do a bit of good...

We never seem to cease hearing from far away places that this column finds its way... We are so thankful for the fact that it does travel so far, and even more thankful for the many readers who have taken the time to write...

Our latest report comes from Mrs. Clarence R. Van Dame, 3430 Raddisson Drive, Toledo 14, Ohio... She states that she never fails to read Plowin' Out The Corners in Southwestern Crop & Stock...

Her hobby is recipes and cook books, but we will let her tell you about it in poetry form: To You, friends of this column, I'd like to say Hello. And tell you about my hobbies, So here I go:

A collector of Cook books am I; Of recipes too, oh me, oh my! To my collection would you like to add?

If you'd be so kind, twould make me very glad. Want me to send you some of mine?

Just write me a letter — that would be fine. So, for anything you wish to do, Thanks a million, and God Bless You...

Please smother Mrs. Van Dame under with recipes and let her know how many readers we have. The address is 3430 Raddisson Drive. I almost made the mistake of writing Madison which would be wrong...

Another reader from far away Chicago ordered our book this week, and we'll bet many of you have used his product. He is Walter Heiby, President of Precision Equipment Co., 4401 North Ravenswood Avenue, Chicago 40, Illinois... Thank you Mr. Heiby, and your book is on its way despite the fact your check got into the company accounts. All we hope is that it didn't get into the editor's coffee fund. My, My.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

Behind The Civil Rights Scene
The civil rights wrangle in the House and Senate has degenerated into a sectional spitball fight — Yankees against Yankees. Too many of the Nation's elected representatives — from both parties — are yapping at

each other about who is going to get the credit or blame for what is done or isn't done. You don't hear much talk in the Capitol cloakrooms about the merits of proposed civil rights legislation; the issue has succumbed to a heady brand of politics in which Northern Republicans and Democrats are pointing their fingers at each other and engaging in fishwifely argument. Civil rights advocates in the Democratic Party are trying to corral Republican votes for the

coming showdown. The Democrats are having trouble because the Republicans can't simply go along with the opposition party proposals — they want to be able to claim some pride of authorship. "After all," they argue, "We're the party of Lincoln — and we ought to have some bigger role in this thing." Democrats behind the legislation want the whole hog if they can grab it — but the hog is well-greased in the kind of politics that defies analysis on party lines.

Southern Democrats, knowing that their constituencies feel generally that only time and a basic change in attitude will make true racial progress possible, are on the sidelines in the current stage of things. The Southern vote will come in a near-solid bloc against the legislation, whoever wins out in the credit-blame battle. The South's "No!" will have a resounding ring in the House, where prolonged debate is prohibited by the rules, and another solid "No!" will echo through the Senate after Southern Senatorial fortitude has been worn down by a prolonged filibuster.

Only the most callous Americans of any section would deny the fundamental rights of any citizen, white or Negro. The issue in the current controversy goes deeper. It is more subtle and insidious and behind much of the pressure are men who care not a hoot whether one more Alabama Negro is able to vote in the next election or is able to obtain service at a department store lunch counter. The shadow is cast by men whose steady push at the rear of the vehicle called "civil rights" is aimed at centralization, final and complete, of all meaningful government control at the Federal level.

Said Thomas Jefferson: "I am for preserving to the States the powers not yielded by them to the Union, and to the legislature of the Union its Constitutional share in the division of powers; and I am not for transferring all of the powers of the States to the general government, and all those of that government in the Executive Branch."

Editorial voices in the North declare that the States' Rights position is now "spurious," that it is posed only as a barrier to a grant of equality to Negro citizens. In the tragically fallacious notion then that legislative fiat can alter the human heart, they would thus tear the vitals from the U.S. Constitution.

The basic question could well be whether or not the United States has come to the point where its citizens will succumb finally to an "Uncle Knows Best" philosophy of national government. Once the Nation has adopted this policy, those who now are so vigorously pushing for enactment of sweeping civil rights legislation (believing that they will thereby benefit politically), may find that the pendulum has a two-way swing. As a result of the centralization they have forced upon their country, they may find that they are to become victims of massive and impersonal Federal intervention in affairs over which they'd like some private control.

This is not a partisan controversy. Republicans and Democrats from the North are trying to work out a way in which they can combine to share the credit. In this, their dispute is sectional — not along national party lines. Their argument at the moment is with each other — not with Democrats from the South. With this issue resolved, if it can be, the attention then will shift to the tactical question of how the bipartisan combine of sectional forces can push civil rights through to enactment.

Northerners should pause a moment in this troubled time to ask themselves several serious questions going beyond anything involved in the legislation itself. They should ask: "By political expediencies are we really providing solutions for the South's problems — and our own grave problems?" "Will we destroy the essence of the Federal-State relationship?" "What will the effect be on the Constitution itself?"

AGRICULTURE INVOLVES MANY PEOPLE
COLLEGE STATION — It is common knowledge that the number of people on Texas farms and ranches is declining. But it is less commonly known that many of the people leaving the country are not leaving the agricultural industry.

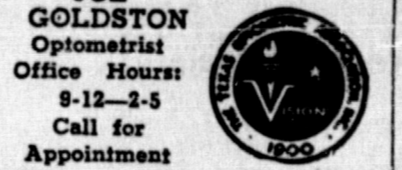

Today nearly 40 percent of all Texans derive their income wholly or in part from farming and ranching or connected businesses, says John McHaney, economist with the Texas Agricultural Extension Service. These businesses supply the production needs of farmers and process and distribute agricultural products, he adds.

Many agricultural processes that were once handled on the farm are now performed by these businesses and likewise much labor that was once needed on the farm is used by them. As one example, farmers today purchase most of their power in the form of gasoline and machinery instead of raising animals and feeding them, says McHaney. Therefore, workers that supply these production needs perform a service for the farmer and are partially dependent on him for their living. About 96 percent of the agricultural production in Texas must pass through the business firms of the state before reaching the final consumer, he points out.

There are many reasons for the growing interdependence of agriculture and business, says McHaney. Some of them are that farming and ranching require a large capital investment, more cash is spent for living expenses and crop production today, and farmers are more dependent on the market place. Increased efficiency in farm and ranch production has released much labor to the urban areas but much of this labor retains its connection with agriculture. Today's agricultural industry involves more than farming and ranching, the economist concludes.

\$27,000,000 has been spent for commercial construction

Previously published figures of industrial and commercial construction in our service area are now boosted by the addition of another huge sum. Recent civic improvement expenditures by cities and counties amount to \$34,000,000, exclusive of any State or Federal improvements.

This figure is more evidence of growth — big growth — in the area we serve. Moreover, when we say that this Center of the Southwest is in one of the Nation's fastest growing regions, the statement is backed by facts.

It is another reason why we are convinced that our service area — the Center of the Southwest — faces GROWTH UNLIMITED in the months and years ahead.

NOTICE OF ELECTION
 THE STATE OF TEXAS:
 COUNTY OF DONLEY:
 CITY OF CLARENDON:

TO THE RESIDENT, QUALIFIED ELECTORS OF THE CITY OF CLARENDON, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Clarendon, Texas, on the 28th day of September, 1963, on the proposition and at the place more particularly set forth in the resolution adopted by the Board of Commissioners on the 5th day of September, 1963, calling said election, which is substantially as follows:

RESOLUTION

CALLING AN ELECTION FOR THE PURPOSE OF DETERMINING WHETHER THE BOARD OF COMMISSIONERS SHALL BE AUTHORIZED TO ENTER INTO A CONTRACT WITH GREEN BELT MUNICIPAL AND INDUSTRIAL WATER AUTHORITY FOR THE PURPOSE OF SUPPLYING WATER TO THE CITY OF CLARENDON.

WHEREAS, the City is in urgent need of an additional water supply which may be obtained by contract with Green Belt Municipal and Industrial Water Authority;

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE CITY OF CLARENDON, TEXAS:

1. That an election be held in said City on the 28th day of

September, 1963, at which election the following proposition shall be submitted:

PROPOSITION

"Shall the Board of Commissioners of the City of Clarendon, Texas, be authorized to enter into a contract with Green Belt Municipal and Industrial Water Authority for the purpose of supplying water to said City, and for the operation by said Authority of the City's water production, water supply and water supply facilities, as authorized by Chapter 342, Acts of the Fifty First Legislature and other applicable laws."

2. That said election shall be held at the City Hall within said City, and the following named persons are hereby appointed as officers of said election:

Sam Lowe, Presiding Judge,
 George Benson, Assistant Judge,
 Anita Shelton, Clerk,
 Ann Hommel, Clerk.

3. That said election shall be held under the provisions of Chapter 342, Acts of the Fifty First Legislature, and only qualified electors of the City who own taxable property therein and who have duly rendered the same for taxation shall be permitted to vote at said election.

4. The ballots for said election shall have written or printed thereon the following:

PROPOSITION
 "FOR THE WATER CONTRACT"
 "AGAINST THE WATER CONTRACT"

Each voter shall draw a line through one of the above expressions, thus leaving the other as indicating his vote on the proposition.

5. If this election results favorably to the making of said contract, the Board of Commissioners will pass an ordinance prescribing the form and sub-

stance of said contract and directing its execution. A proposed draft of such contract is on file in the City Clerk's office for public inspection. Failure of other cities in the Authority to authorize such contracts with the Authority shall not impair the authorization conferred by this election upon the governing body of this City.

6. A substantial copy of this resolution signed by the Mayor of said City and attested by the City Clerk shall serve as proper notice of said election. Said notice shall be published on the same day in each of two successive weeks in a newspaper of general circulation published within said City, the date of the first publication to be not less than fourteen days prior to the date set for said election. Except as otherwise provided in said Chapter 342, Acts of the Fifty First Legislature, the manner of holding said election shall be governed by the general election laws.

ADOPTED AND APPROVED this 5th day of September, 1963.

(SEAL) C. J. LOHOEFER Mayor.

Hall Co. Hootenanny
 Slated Sept. 14 At Park

If you have never attended a HOOTENANNY, you don't know what you've missed. The federated club women of Memphis are sponsoring just such a musical jamboree the night of September 14 in the City Park amphitheatre. The tickets will be the nominal fee of 50c for adults and 25c for students.

That particular night was chosen for a proper time for two reasons: One, the sweet aroma of barbecuing beef will be rising from the ovens of Pete Land of Clarendon and his crew of good cooks who will be on hand making ready for the Hall County Reunion the following day. Two, the aforementioned women are

WITH A CHARY HAND

The late Samuel Gompers is generally referred to as the father of the organized labor movement in this country, and he fought to the last ditch for what he thought the unions had coming. He once had something to say about the Welfare State, though he didn't use that comparatively new phrase. In his view, "Doing for people what they can and ought to do for themselves is a dangerous experiment. In the last analysis, the welfare of the workers depends upon their initiative. Whatever is done under the guise of philanthropy or social morality which is any way lessens initiative (is) the greatest crime that can be committed against the toilers. Let social busybodies and professional "public morals experts" in their fads reflect upon the perils they rashly invite under this pretense of social welfare."

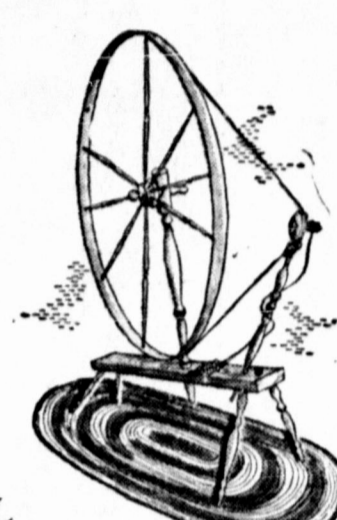

The complexities inevitably accompanying scientific, social and economic change have necessarily altered the attitudes that government and labor bring to bear on controversial prob-

lems. These problems are tough economically and politically, involving wages, working conditions, protections against adversity, the shifting employment situation, tax policy, and the like. But this is no excuse for the "let the government fix it" attitude that has sorely infected

so many of us. We must give power to government with a chary and reluctant hand, and only when the need is inescapable. Otherwise we'll create a Welfare State whose proper synonym is "dictatorship."
