## Clarendon Girls win 2-AA district meet

Winning every meet during the past two seasons with exception of one the State meet, Clarendon girls have completed a very outstanding season by taking the District Championship for the third straight year. They scored in 14 of the 15 events and have ten individuals and two relays qualified to the Regional Track meet on April 22-23 at Texas Tech in Lubbock. The team is in a very strong position to defend the Regional title they won last year.

The District Championship was a well rounded team victory with 76 points coming in the field events and 103 points in the running events. Leading the team in its victory were several top performers, Linda Weatherton (won 4 gold and 1 silver), Susan Thompson (won 3 silver, 1 gold and 1 bronze), Muzzy Hayes (won 2 gold and 1 silver), Paula Noble (won 2 gold medals) and Connie Garman (1 silver and 2 bronze). In addition there were others that performed above their normal efforts.

The team has competed very well, and they should be complimented for their efforts in one of the worst weathered springs in several years. They ran in snow, freezing temperatures and had only one "track day" during the season.

In addition, there were only two seniors, Susan Thompson and Krystal Hayworth. These two girls came out and made an effort and did show some leadership. A special thanks for their

effort and performances. Good seniors create a good team without jealousy. They worked well with the under classman and especially the juniors for a very successful season. This will give these two seniors a good memory about their athletic career.

The results of the District Track Meet are as follows:

**400 METER RELAY**-Clarendon, 3rd, 54.36

## Are drugs a problem?

Are drugs a problem in the 20th century? Will this problem carry over into the 21st century? Will drugs harm me? Is liquor a drug? What effect will drugs have on an unborn child?

These questions and many more will be plainly answered on Monday evening, April 18th, at the Clarendon Junior College auditorium, 8 p.m.

Because of the combined efforts of the Clarendon In-

dependent School District, and all the area churches, Harry Edwards, Toxicologist from Houston, is being brought to Clarendon to lecture and answer questions on this very important issue.

Parents bring your children to hear Harry Edwards speak plainly about drugs, at 8 p.m., April 18th, college auditorium. Your life and the life of your children is in danger. Please come and be informed.

Tickets to the luncheon which is hosted by the WTSU Returning Student Program are \$10 each and must be purchased from the Returning Student Office by Monday, April 11.

Women have been nominated by individuals and organizations for contributions to civic and volunteer service, career and professional areas. Clifford, a graduate of Clarendon College, attended the University of Heidelberg, Germany, when her husband, Jack, was serving in the military. She has assisted her husband in the management of a grocery store for 20 years.

In 1977, Clifford became the first woman elected as a member of the city governmental body and Clarendon citizens elected her as mayor four years later. During her tenure, a new ambulance has been purchased for the city which maintains no hospital, citizens passed a bond to enable upgrading the water systems and the local government obtained funding from the Texas Aeronautical Commission for a grant to pay 80 percent of costs of repaving and new lighting at the municipal airport.

Clifford also is active as a member of 1926 Book Club, Early Bird Home Demonstration Club, Beta Sigma Phi Sorority, 4-H activities, and First United Methodist Church. The Burton Memorial Library has received a board, a chapter of the Friends of the Library through Clifford's work, has joined the state library system and moved into a newly-renovated facility. She and her husband are parents of three children.

## PIK Donley County's Pick

PIK, Payment in Kind, a program established by the government to help the farmers control the over production of certain commodities. Most area farmers have chosen to participate in the PIK program. This means that they will not be planting crops such as cotton, wheat or feed grains. This does not mean, however, that they will be idle this season. Far from it, they will be required to control noxious weeds such as field bindweed, redvine, trumpet creeper, pepperweed, milkvine and silverleaf nightshade. "There are a number of weeds that offer the growers the opportunity for significant population reduction while the land is idle," says Dr. Wiese from Texas A & M University, Extension weed control specialist. "These include johnsongrass, shattercane, field bindweed, barnyard grass and several more."

The government PIK rules state that "a farm operator shall, in a timely manner, use needed control measures for erosion, insects, weeds and rodents on the conservation use acreage". Failure to do so can result in a reduction or complete loss of program benefits.

In addition to weed control, the farmers participating in PIK must work on wind and water erosion prevention. A cover crop is most desirable and is required to protect the soil from erosion unless a farmer requests and receives ASCS permission to leave the ground as stubble from the previous crop. In this area, it is difficult to control wind erosion unless a cover crop or stubble is left in the field. If a farmer is to treat for weeds, the soil is best tilled which then makes it impossible to control erosion.

There are a total of 663 farms with one or more base acres of cotton, wheat or feed grains. Of this number, there are 523 enrolled in the PIK program.

A total of 74,621 base acres with all three base crops is registered with the ASCS and 69,319 have enrolled in PIK, or 93% of the total acreage.

There are 53,760 acres in cotton and 52,293 have been enrolled, or 97% of the total cotton base.

Wheat base acreage totals 12,349 acres and 84% or 110,342 acres have been enrolled.

Feedgrains total 8,448 acres in the area and 79% or 6679 base acres have been enrolled in the PIK program this year.

## Two suspects sought

While traveling through New Mexico on his way to Oklahoma City, Jessie John Doiron picked up two white male hitchhikers in New Mexico at approximately 8 a.m. on April 4. The three spent the night in Amarillo.

Early the next morning, while traveling down I-40 north bound into Donley County, the two hitchhikers asked Doiron to pull off the road so they could use the bathroom. When the hitchhikers re-entered the van, one entered by way of the front door and the other by the sliding door on the side. The hitchhiker, who had entered by the sliding door allegedly hit Doiron in the head with a hammer. Both subjects then allegedly gushed Doiron out of the van where he was caught in the front seat belt and was dragged several yards before falling free of the seat belt. The van ran over his left foot.

At this report, Doiron is in the Intensive Care Unit of the Coronado Hospital in Pampa

with a busted spleen, four broken ribs and other internal injuries.

Complaint charges have been filed against the two hitchhikers for unauthorized use of a vehicle and attempted murder.

At the time of this report, the stolen had been spotted in Fayetteville, North Carolina. Sheriff Jimmy Thompson stated that they expect the Cumberland County Sheriff's office to apprehend the suspects within the next 12 hours.

Around 60-70 folks attended the 4-H pie supper at the Hedley Cafeteria Saturday, April 9. There were more pies than the table could hold. Folks were quite willing to bid on the delicious delicacies to help send a 4-H'er to state, to help pay for their traveling costs.

Cherri Brown, county homemaking agent said that the income from this great successful supper netted the Donley County 4-H'ers \$725.25 after all of their expenses! Congratulations residents of Donley County for helping your youth!

The first leg of our successful 4-H year begins in Canyon at the District meet, then in Lubbock for the Area and finally to Austin for the state 4-H convention and competition. We hope to see several Donley County 4-H'ers attend thanks to our superior helpful County citizens.

Happy Birthday to Henry Hasty April 6th. Henry said he was 39 years old. Lelia Lake either has a bunch of people the same age or a lot of wishers. Pat, Steve Allen and the kids, Barry and Rhonda Hasty had supper at Henry and Nadine's to help celebrate Henry's birthday.

Will all faiths get you to heaven? There are over three hundred different denominations in the world today, so that means over three hundred different faiths. What does God say about this?

Answer-Ephesians: 4-4-6. There is one body and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, one God and Father of all who is above all, and through all, and in you all. Christ is the body, the church. Ephesians 1-22:23.

Please address all your Bible Questions to the Clarendon Church of Christ, Box 861, phone 874-2495. The Bible answer will appear in this newspaper.

### Book Club

#### held meeting

On April 5, 1983, the 1926 Book Club met at the Patching Club House at 4:00 p.m. for their regular meeting. Thelma Bairfield and Evelyn Mann, hostesses, served

delectable Fruit Cocktail Cake, tea or coffee to the group.

After refreshments and visiting, Helen Phelps, vice-president, called the meeting to order. She conducted a short business meeting and then turned the floor over to Carolyn Hamilton who introduced the guest speaker for the afternoon, Mrs. Helen Witt of Groom. Mrs. Witt has written poetry since her high school days, but she came back to it in earnest when the oldest of her three children was a first grader. From then on she commemorated the important moments of the lives of her family and friend in delightful verse. The years covered her children's growing up, graduations, leaving the nest, the career of her busy physician husband, her grandchildren, her loss of her husband, and her widowhood. She shared many of these poems with those present. The sentiments ranged from very humorous to thought-provoking and inspiring.

Enjoying this fine program were members: Thelma Bairfield, Hazel Brandon, Rachael Butler, Dessa Day, Oressa Delaney, Carolyn Hamilton, Evelyn Mann, Hazel Monroe, Helen Phelps, Mary Thornberry, Frieda Tucker, Mary Hazel Vandant, and Dorothy White. Mrs. Lucille Case, a long-standing friend of Mrs. Witt, was a welcome guest.

EDWARD AND LYNN MCKINNEY

## McKinney Body Shop opens on 287

Edward and Lynn McKinney have joined forces and talents in their new business efforts located on Highway 287 next to the former Peanuts Drive-in. They have opened a new body shop and

will be available to help those with minor or major auto body damages.

"We can do major body over-hauls, or we can do minor dents," McKinney said. The service offers free

estimates, free pick-up and free delivery and best of all, if your vehicle is in for a major over-haul, you will be given an automobile to drive while the work is being done-FREE!

Edward has been doing body work for about 10 years. He worked with Chamberlains for four years and about four years with Ingersol-Rand. He is married to Connie and has two children, Michael and Tracy. Connie is from McLean and Edward is a native of Clarendon.

Lynn has been doing body work for 5 years, and also worked at Chamberlains and Ingersol-Rand. He is married to Gina of Lelia Lake and has one son, Timothy.

"We are in business to serve you to the best of our ability and to give quality work," they said. "We know there is first rate competition out there, and we want to do quality work to pull in as many satisfied customers as possible."

The location is excellent and the prospects seem right. They also do windshields and all automotive glass replacements. "We work with the insurance companies as closely as possible to give the best break we can," McKinney brothers said.

They use factory mixed paints, take great care to match existing paint and consider each job as their most important job of the day.

They can be reached at 874-3457 or stop by to see them and their shop.

### WON'T GO DOWN

Occasionally, an adult or child will experience one of two problems when attempting to swallow tablets or capsules. The first problem relates to a tablet or capsule becoming "stuck" in the throat. How can this problem be minimized? Simply take the medication with a large glass of liquid while standing or sitting in an upright position.

The second problem is the inability to swallow a tablet or capsule. This may be a particular problem with large tablets or capsules. What to do? First the medication should be placed on the back of the tongue. Force should not be used [if it is, gagging or choking may occur]. Looking down while swallowing is often helpful. And taking the medication with a large glass of water or other liquid facilitates swallowing.

Sometimes people experience difficulty swallowing tablets or capsules because they believe they will have swallowing problems. The dosage units may appear to be too large to swallow. If one simply relaxes and tries to forget that there is a tablet or capsule on the back of the tongue, swallowing is usually accomplished. But if all else fails, the tablet or capsule can be placed in jelly or some other soft food that is pleasing to the taste.

**Erickson fm P1**

His first title from Maverick Books, THE DEVIL IN TEXAS (paper, \$5.95); appeared in September of 1982 and was an instant success. Two of the stories in this collection of wry cowboy humor are narrated by a character named Hank the Cowdog, who refers to himself as Head of Ranch Security.

Hank became the star of THE DEVIL IN TEXAS," Erickson says. "I figured that if people liked him so much, I had better give him a whole book to himself."

He wrote the book in the winter of 1982. It's called HANK THE COWDOG, and it's just out from Maverick Books (\$5.95 plus \$1.00 postage. Maverick Books, 1101 Baylor, Perryton, Texas 79070).

The story begins with Hank saying, "It's me again, Hank the Cowdog. I just got some terrible news. There's been a murder on the ranch."

Someone or something has broken into the chickenhouse and killed a chicken in cold blood. Hank and his buddy Drover get right on the case, and before it's all over, Hank has been accused of the murder, runs away from the ranch, and is captured by a tribe of wild coyotes.

If Erickson's subject matter has gone to the dogs, his writing career hasn't. After putting in a long fifteen year apprenticeship, he is at last winning recognition as a writer and public speaker. In March, he was elected to the Texas Institute of Letters and becomes the only author north of Lubbock to be so honored.

Whith HANK THE COWDOG, Erickson is not only bringing out a book, but has also produced the material as an audio book.

"It's a new concept in the publishing world: recording a book on tape. Actually it's just old fashioned storytelling." Erickson recorded HANK THE COWDOG in a professional sound studio in Amarillo. Sound effects and music were added later, after the author had recored the voice parts--which required that he assume the identities of fourteen different characters: three cowboys, three dogs, four coyotes, two buzzards, one cat, and one cowboy's wife.

The tapes are being sold as a package, including a copy of the book and two cassette tapes (two and a half hours of programming) for \$19.95 plus \$1.00 shipping, and are available only through Maverick Books.

No question about it, John Erickson's writing career has gone to the dogs. And he's enjoying it so much that he's already working on another Hank the Cowdog book.

HANK THE COWDOG and THE DEVIL IN TEXAS can be checked out of the Clarendon Library.

## Delta Kappa Gamma

The April meeting of Gamma Kappa Chapter of Delta Kappa Gamma was April 9, 1983 in the parlor of the First Baptist Church in Childress.

This meeting was a tea honoring retired and future teachers.

The president, Evelyn Messer, opened the meeting. Edna Smith gave the invocation and following the invocation guests were introduced.

The program title was "What Students Should Know about Their World". Ethel Hillhouse, scholarship chairman, assisted by Hazel Brandon and Juanita White in a very interesting manner developed the theme of the

program topic. Hazel Brandon read poems illustrating qualities that lead to a successful life. Some of these qualities are love, peace, kindness, humility and hope.

Juanita White discussed how the level of education had increased. She also told of the need of improvement for the percentage of illiteracy is far too high.

Ethel Hillhouse concluded the program by reading A Tribute to a Teacher.

During the business meeting, Betty Veach of Clarendon was unanimously elected to membership and will be initiated at the May meeting.

## Bronchos compete in Amarillo Relays

The Clarendon Bronchos Boys Varsity Track Team traveled to Dick Bivins Stadium last Friday and Saturday to compete in the 34th Annual Amarillo Relays. A large field of 16 teams competed in this perennially tough meet. The Bronchos scored 22 points in the meet and turned in several of their best efforts of the season even though failing to qualify for the finals in the strong field of competitors.

Brad McGuire placed 4th in the discus with a throw of 139'1". He also placed 4th in the shot put with a seasonal best of 50'9 1/4". His teammate Arlis Thomas placed fifth in the shot with a toss of 49'3".

David Weatheron paced Broncho runners in the meet with his fifth place effort in the 200 meter dash and his first place finish in the 400 meter dash. David ran a 23.2 in the prelims of the 200 and a 23.57 in the finals for his fifth place finish. David ran a fine time of 50.43 in the prelims of the quarter and came back with an outstanding 50.09 effort in the finals

for his gold medal. This was an exceptionally fine time as there was a 10-15 MPH wind to contend with during Saturday's finals.

Dyron Howell ran a 2:09.5 in the 800 meter dash and Joey Stefanatos clocked a 2:12.69 in the same event. These were seasonal best but they failed to qualify for the finals in the strong field. Bryan Smith also posted a fine time of 4:57.1 in the 1600 meter run but failed to make the finals by two places.

Robert Youngblood ran a 16.56 in the 110 high hurdles and Dean Cearly posted a 16.66 for his best time of the season. Although failing to qualify for the finals, these efforts show hope for point potential at the district meet at Panhandle on April 19th.

The Bronchos travel to Groom this Saturday for a final tune up meet before the District 2-AA meet. Other Bronchos who competed in the Amarillo Relays were Russell Alexander, Brett White, Stanley Gardner, Rod Keown, Stan Garland, Brett Harbert and Mark Luttrell.

## Howardwick Fire Dept. responds to fire

At approximately 4:00 p.m. April 2, 1983 a fire was reported at L.L. Whitehead's residence. The Howardwick Volunteer Fire Department responded with two units and twelve volunteer firemen. It was reported that the Howardwick Volunteer Firemen arrived approximately five minutes after being called.

The fire was extinguished promptly with very little damage to the building.

The Howardwick Volunteer Fire Department is continuing to improve its facilities and training as a result of the dedication of about 20 Volunteer Firemen and the support of the residents of

Howardwick, Clarendon and Donley County.

Ticket sales for the two Kirby vacuum cleaners being given away July 4th is still in progress. A purchase of one or more of these tickets from any of the Howardwick Volunteer Firemen could be your way of saying "Thank you".

### Large group from Clarendon attended Cinderella

Several residents of Clarendon attended the Houston Ballet production of "Cinderella" in Amarillo Wednesday, April 6. The weather cleared off just in time for all of the folks to

drive on dry, safe roads. There were around 70 folks from the "Athens of the Panhandle" in attendance, many of them were little kids. Genevieve Caldwell was

largely responsible for bringing the Houston Ballet production to Amarillo. Her efforts were well rewarded with a good turn out in spite of threatening weather. Mrs. Betty Boston and Mrs. Jean Chamberlain were also instrumental in helping produce the beautiful ballet. "Cinderella" was a mag-

nificent program, with glittering stage designs, gorgeous costumes, the most elegant dancing and the music was vibrant. The coach brought oohs and ahs from an appreciative audience and the ballroom set brought applause for the set designer.

Among those attending from Clarendon were some members of the Beta Sigma Phi, Xi Lambda Xi sorority: Katie and Dave Dvorak, Pat McCombs, Betty Veach, Dona and Mandy Goss, Maurine and Missy Butts, Pat and Jason Archuleta, Roxane and Brandy Strickland, Susan, Suzzette and Frankie Henson. Also attending from Clarendon were: Mr. and Mrs. T.M. Caldwell, Mr. Betty Boston, Mrs. Jean Chamberlain, the Bill Greene family, the Todd Knorpp family, the Paul Bivens family, the Bronnie McNabb family, Katherine Green and family, Kay Bell and family, Diane Mooring and family, Chris Clifford, Buffy Han-

Chamberlain Community Center will meet Friday, April 15 at 7:00 p.m. for a covered dish supper. Hosts and hostesses will be Mr. and Mrs. Richard Dangler and Mr. and Mrs. D.R. Koontz. Everyone come and bring a covered dish and enjoy the fun and visiting.

### Help - persons for 50th reunion

Bill Greene is heading up the difficult task of locating all of the members of the class of 1933 for their reunion. He needs help in locating some of the folks. If you have any information about the folks Bill is looking for, please contact him at 874-3443 or 874-2382. They all lived in or near Clarendon in the 1930's and 1940's. Look over the list of names and if you know how to reach them or know of someone who might know how to reach them, contact Bill Greene at once.

Those missing are: Betty Nina Crawford, Elizabeth Dunn, Julia Fay Hutton, Robert Lambert McKee, Frances Louise Smith, Phillip Smith, Harvey Lou Strawn, Callie Lillian Walters and Garland Wood.

Any help would certainly be appreciated and will help make the reunion complete. Thank you for your efforts.

### VOLLEY BALL TOURNAMENT

The Hedley Ex-Student and Ex-Teacher Association will have a volleyball tournament April 21, 22 and 23 at the Hedley School Gymnasium.

This is a fund raiser for the Association and all Hedley Ex-Students and Ex-Teachers are urged to turn out in numbers to help conduct the tournament.

The Association will bear the expense of soft drinks and coffee for the concession. Sandwiches and other concession (brownies, pies, cupcakes, etc.) will be sold upon donation. A hearty amount of concession will be needed and all ex-students and ex-teachers should make it a point to attend the tournament and donate some type of food for the concession stand.

There will be a \$18.00 entry fee for teams participating in the tournament. The fee is due on the first night of play and can be paid at the gate.

Teams wishing to play volleyball in the tournament should call 856-2451 or 874-2035 after 6 p.m. There will be a men's bracket and a women's bracket.

All entries must be placed with Renee Shields or Shauna Monroe at the above listed telephone numbers by Sunday, April 17.
