Explorers Flying High

A very special thanks to Mr. Charles (Chuck) Ekleberry and to Mr. Pat Robertson. They have given considerable time to the local Explorer Post lately.

Chuck is a highly qualified flight instructor and over the past two weeks has spent time introducing the members of Post 2437 to the thrills of flying light aircraft.

During an orientation to ground school Chuck introduced the Post to principles of aerodynamics, cross-country navigation, and FAA regulations that govern private pilots. Much of the ground school was spent in "hands-on" work and we had the able assistance of Pat Robertson and Bob Williams, both experienced pilots.

After the introduction to ground school each member of the Post was able to view Clarendon and Donley County from the air. A few were even brave enough to actually pilot the plane. We owe a great debt of gratitude to Pat for the use of his Cessna 182.

Explorers who took part in the "flight training" were: Shane Ashcraft, Jodi Kidd, Lee Gage, Robert Lee, Nathan Lowrie, Christie Helms, Cindy Hermesmeyer.

Sheriff Reports Quiet March

County officials processed 23 arrests in March. Five of these were DWI charges and an additional five were DPS traffic warrants. There were four cases of aggravated assault, two public drunks, two disorderly conducts and two revocations of probation. There was one arrest for non-payment of child support, one for possession of a controlled substance and one assault on a police officer.

While not all incidents resulted in arrests, the above still represents a relatively quiet month. The Sheriff's Department is still working on several cases that began earlier. Anyone with information on any crime can call 874-3533.

What does the Bible say...

ABOUT SALVATION:

HEAR- "So then faith comes from hearing, and hearing by the Word of God!" - ROMANS 10:17 "He who rejects Me, and does not receive My sayings, has one who judges him; the Word I spoke is what will judge him at the last day!" - JOHN 12:48... We must first be willing to study and listen to the message of God's Word - the Bible!!!

BELIEVE - "But these things have been written that you may believe that Jesus is the Christ, the Son of God; and that believing you may have life in His name!" - JOHN 20:31 We must believe what the Word of God is telling us concerning who Jesus is, His life and ministry, His death, burial & resurrection. We must put all our faith, all our trust, all our hope in Jesus Christ and in what He has done for us!!!

REPENT- "Thus it is written, that the Christ should suffer and rise again from the dead the third day; and that repentance for forgiveness of sins should be proclaimed in His name to all the nations, beginning from Jerusalem!" - LUKE 24:46-47 We must turn away from sin and religious false teaching and seek the Lord's will by giving our hearts and lives completely over to Him... Jesus said, "Unless you repent, you will all perish" - JOHN 13:36-37!!!

CONFESS- "If you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you shall be saved; for with the heart man believes leading to righteousness & with the mouth he confesses leading to salvation!" - ROMANS 10:9-10 We must come to Christ in total commitment and completely surrender our heart and life unto Him owning Him as our only Lord & Master!!!

BE BAPTIZED- "Baptism now saves you - not the removal of dirt from the flesh, but an appeal unto God for a good conscience - through the resurrection of Jesus Christ!" - I PETER 3:21 "Do you not know that all of us who have been baptized into Christ Jesus have been baptized into His death? Therefore, we have been buried with Him through baptism into death, in order that as Christ was raised from the dead through the glory of the Father, so we too might walk in newness of life!" - ROMANS 6:3-6 Baptism is not a meritorious work of law; It is simply the obedience of faith that marks your new birth and puts you into Christ and into His death. It is at the point of baptism that a person is saved! (See: Acts 2:38 & Mark 16:16)

LIVE FAITHFULLY- "Take care, brethren, lest there should be in any one of you an evil, unbelieving heart, in falling away from the living God. But encourage one another day after day... lest any one of you be hardened by the deceitfulness of sin!" - HEBREWS 3:12-13

Weekly, workers in all 24 highway districts note where flowers are blooming and, via computer, share the information with other highway department offices. Wildflower seekers can call department headquarters in Austin, one of the 12 Texas tourist bureaus, or the nearest district office, and talk to a person -- not a recording -- about where the flowers are.

The program, now in its third year, is one way the department tries to make driving a more pleasant experience for Texas travelers. Through vegetation management, landscaping, and propagation of native plants, highway department experts cooperate with nature to avoid erosion, minimize "highway hypnosis," and keep Texas highways some of the most beautiful around. For District 25 wildflower information, which includes Donley county, call Childress at (817) 937-2571. For other district contact numbers, call the Clarendon Press at 874-2259.

Smoking: Don't Be A Statistic

- Over 50,000 studies document cigarettes' devastating health effects—heart disease, cancers of the lungs, mouth and other tissues—yet 54 million Americans continue to smoke.
- Every year, 360,000 Americans die as a direct result of smoking related diseases. Cigarettes cause more deaths than AIDS, alcohol, cocaine, heroin, fires, automobile accidents, homicide and suicide combined.

April is Cancer Control Month

Cancer, a condition in which body cells multiply and may spread uncontrollably, continues to be one of the leading causes of death in the United States. Cancer is often related to our work and lifestyle. Preventative measures may help reduce the risk of developing cancer.

Stop Smoking: U.S. government statistics indicate that about 30 percent of all cancer deaths can be attributed to the use of cigarettes and smokeless tobacco.

Avoid Excess Radiation: Excessive exposure to ultraviolet rays of the sun and X-rays can cause various cancer types.

Improve The Diet: Eating foods that are rich in fiber and certain vitamins (vitamin A, C, and E) may help prevent cancer. The National Cancer Institute recommends that dietary fat be reduced to no more than 30 percent of the total caloric intake.

Avoid Chemical Hazards: We should limit our exposure to any of about 30 chemicals, such as benzene, which may cause cancer.

Reduce Alcohol: Excessive alcohol consumption is associated with cancer of the mouth, throat, and esophagus.

"Savings banks," "thrift banks," stockbroker "bank" accounts, and credit unions, etc. all try to pose as real bankers. But they don't always offer you the experience or, in some

cases, the security of bankers.

In fact, the only place you'll find a banker is The Bank, where your deposits are Federally insured up to \$100,000.

Now, that's the best financial security there is! And a Full Service Bank offers the newest ideas to help your money reproduce.

The money will be used for their loss prevention program.

The Texas Farm Bureau Insurance Companies pay fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

BUYING GUIDE

Bradward on Classifieds 4

Watch your headlines!
Your classified ad must capture the attention of your friends and neighbors - your readers - in a split second. If not, you lose them.
Truth is, you never had them!
Once upon a time two men, same town, had classified side by side, week after week, in their local newspaper.
One wrote, "REMODELING," plus his address and phone number.
The other wrote, "WANT TO INCREASE THE VALUE OF YOUR HOME?"
The first says how he earns a living.
The second gets all the jobs.
The second man continued, "... References? We'll give you a list of every remodeling job we've done. Check us out. Happy satisfied customers everywhere. Ask them."
Then he gave his address and phone number.
This second man compels you to think about what you want, need, dream for.
Zig Zigler has it right, "YOU CAN GET ANYTHING IN LIFE YOU WANT IF YOU JUST HELP ENOUGH OTHER PEOPLE GET WHAT THEY WANT."
The second man believes this. He gets more work than he needs.
He has sub-contractors of like mind, spirit, and pride. He only hires those who care.
No one buys anything to help the seller save for pencils from those men with dark glasses and little tin cups. Remember this.
"REMODELING" has maybe 10 words. Cost maybe a dollar or two.
The second man, all for success, has 25 to 30 words in his classifieds.
Can he afford them? He gets the best jobs, earns the most money.
See what a few extra dollars invested with his newspaper brings this second man?
No wonder his newspaper loves him! His is a continuing first class success story.
Does the second ad pay for itself? The second man is the busiest guy in town!
What is it worth for your success to tell everyone what he/she most cries to hear? That someone out there knows, cares, can be relied on.
Classifieds are the most powerful advertising today... if you take the time and make the additional investment in a few extra words to get a powerful message to your readers.
Next time, thoughts about using abbreviations.
