KEN SLAVIN

BARRY TYLER

### Three named as Outstanding Young Men of America

Gregory W. Norton, Ken Slavin and Barry Tyler, all young men from Clarendon, have recently been named to the Outstanding Young Men of North America Awards program.

These men were selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups, including the United States Jaycees which also endorses the Outstanding Young Men of America program.

In every community there are young men working diligently to make their cities, as well as their country, better

### Broncos edge Boys Ranch

Last Friday night at Boys Ranch was a beautiful setting for a football game. Unlike the previous week, when the Boys Ranch-Vega game had been rained out there, conditions were perfect for the Roughrider-Broncho showdown, which matched two teams that were gathering momentum and confidence as the season progressed.

In the previous week's games, Clarendon had mauled Sunray in a contest that lasted only one half (due to lightning), and the Roughriders had defeated Vega when the game was replayed Saturday afternoon following the Friday night cancellation.

Famous for their rodeo skills, the Boys Ranchers had ridden the Longhorns until the count was up, but they could not stay atop the Broncos, who came from behind to unseat the Roughriders in the fourth quarter. The final score was 9-7.

It was a hard-hitting game

places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to his community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

Ken is the son of Mr. and Mrs. Clyde Slavin. He is a law student at Texas Tech.

Barry is the son of Mr. and Mrs. Dub Tyler and is the dean of students at Hardin Simmons University.

between two well-coached and inspired teams. As the score indicates, it was a defensive struggle. But it didn't start out that way.

When the Broncos took the ball on their first possession, they marched from their own 45 yard line to the Boys Ranch end zone in only 5 plays. The quick score was deceptive, however. That was the only Broncho touchdown of the game.

After stopping the Roughrider offense on its first three plays and forcing a punt, Clarendon took the ball just shy of midfield. The Broncos took up where they had left off in last week's Sunray game. That is, they gobbled up big chunks of yardage.

Junior Tailback Glenn Westerton took a pitch from junior Quarterback Dyrone Howell on the first play from scrimmage for the visitors and blitzed 27 yards around

### Clarendon entertains Childress Bobcats for Homecoming

After three road games and a strong showing at Boys Ranch the Broncos are in town for a homecoming against the traditionally strong Childress Bobcats.

The bobcats are 2-1-1 for the year, with victories over Quana and Shamrock by 9-8 and 28-0 respectively. While tying Wellington 7-7 and losing to Memphis 12-7. All of these teams are district 2AA teams and will face the Broncos in district play.

The Bobcats are led on offense by Kevin Moore (160 Sr. AB) and Dewayne Burt (160 Jr. FB), while the main running back is Kenneth Sims (145 Soph. HB). They are working behind an outstanding line with the likes of Scott Dean (197 SR), Shawn Garrison (164 JR), Tim Burt (180 SR), Darwin Lankford (203 SR) Steve Steele (155 JR) and Tom Husband (172 SR). This is a fine football team and it is made even better due to the fact that the

Bobcats can throw so well. The Bobcats are playing exceptionally well defensively allowing only one team (Memphis 12-7) to score more than a touchdown. So it

will be tough on the Broncos to untrack and get going unless they are well-prepared and excited to be playing a team with such tradition as the Mighty Bobcats.

### Homecoming events begin Friday

Senior students from Clarendon High School will be out all over town Friday after 11:30 a.m. delivering the mums individuals may have purchased for the Friday homecoming game against Childress.

Tension will mount as the day progresses and will reach its climax at 2:45 when everyone in school and all

alumni are invited to the big pep rally which will bring Bronco Mania to a fever pitch.

Fans can then stew in their own energy until kick off time. After the big game, hopefully a winner for the Broncos, there will be a dance for High School students and their dates in the High School Cafeteria.

### Alternative to Homecoming dance

Leather and Lace is the name of a country music group which will perform in the college cafeteria following the Homecoming football game with Childress. This gathering is for High School and Junior High youth and is sponsored by some of the area churches. The purpose of this gathering is to give interested youth an alternative to the dance. It will begin about 10:30 p.m. at Clarendon College Cafeteria.

The setting will be country! The food will be country! Come and eat country with us, sit on bales of hay, by lantern light and listen to one of the most talented youth singing groups anywhere.

Leather and Lace has the following singers and musicians: Justin Mathias, age 16, Junior in Miami High School. His father and mother are Mr. and Mrs. Ed Douglas of Miami. Justin sings and plays lead guitar for the group. He writes songs, has a recorded tape which will be on sale at their performance in Clarendon. Troy Tim-

mons, age 15, a sophomore in White Deer High School. His father and mother are Mr. and Mrs. Charlie Timmons of White Deer. Troy is the drummer for the group. Karla Stout, age 13, 8th grade Pampa Middle School is the beauty of the group. Her father and mother are Mr. and Mrs. Ben Stout of Pampa. Karla is a singer and plays bass guitar. Casey Vearnor is a graduate of Shamrock High School, the son of Mr. and Mrs. Donald Vearnor, of Shamrock. He is a singer and plays rhythm guitar. This is a very talented country music group that writes much of the music that they play. They also play much of the current popular songs being heard on the radio. This is not a dance—it is an opportunity for fellowship, good food, and excellent entertainment by the Leather and Lace Country Music group of the Panhandle. Remember that this is for Junior High and High School youth and any of their parents that wish to come. No cost!

MELINDA VARNELL signs up Bronco McNabb for Clarendon College Jog-A-Thon to be held Oct. 19th.

### Bulldog Jog

Clarendon College will be holding their third annual fund raising Jog-Walk-Crawl-A-Thon October 19th.

The Bulldog Jog is sponsored by the Clarendon College Athletic department to raise funds for scholarships, recruiting and unbudgeted expenses for both the men's and women's athletics and cheerleaders.

Anyone interested should pick up and complete a registration card and receive

a packet of sponsor forms and instructions. This can be done at the Clarendon College Athletic office.

Everyone is invited to participate, athletes, cheerleaders, administrators, stu-

dents, boosters and friends of Clarendon College. If you can't be in the Jog-A-Thon,

why not sponsor someone! Clarendon College appreciates your help.

JERRY COURTNEY being signed up for CC Jog-A-Thon by Bobbie Dombowski.

### NIRA Rodeo Sept. 30

Rodeo time isn't all over yet, according to the college students from the Southwest region. The college NIRA rodeo will begin this Thursday, Sept. 30 and continue through October 2nd.

Clarendon's rodeo arena will open its chutes at 7:30 Thursday thru Saturday evenings and the slack will be taken Saturday morning at 8 a.m. There will be something for the non-rodeoers as well, as usual with a good rodeo, because both Friday and Saturday evenings after the rodeo will begin at 9 p.m. Loaded Dice will play for real book kickin' dancin'.

Around fifteen colleges will be represented in this

### Calendar

Fri. Oct 4 at 7:30 p.m. Chamberlain Community Center covered dish supper.

Monday, Oct. 4 at 7:30 Women's Aglow Fellowship monthly meeting.

Oct 4, Mon. 7:30 p.m. Band Booster Meeting, Band Hall.

Oct 5th Tues. 7:00 p.m. Senior Citizens dance.

Mon. Oct. 4, 8 p.m. Call meeting of Lodge 700.

### Senior Citizens dance

Senior Citizens will sponsor a dance in the Donley County Senior Citizens Center Hall on October 5th, Tuesday. Plan on coming.

Southwest NIRA rodeo event. There will be 43 bareback riders, 22 saddle bronc busters, 52 bull riders, 88 calf ropers, 39 bull

doggers and over 90 team ropers, 35 girls breakaway ropers and 45 barrel racers. Everyone is invited to attend and watch the fun.

### Soil and Water Conservation election

An election for a director to serve in Zone 4 on the west of the Donley County Soil and Water Conservation District Board is scheduled for October 4, 1982 at 4:15 p.m. Keaney, in your local SCS Office announced Bud Hermesmeier, chairman of the board. The election will be held at 7:30 p.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the subdivision where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

includes an area bordered by highway 70 on the west; 287 on the south, and FM 291, FM1260 and FM1755 on the east.

Current members on the board of directors of the Donley County SWCD are Bud Hermesmeier, Chairman, Jack Moreman, Vice Chairman, Ted Shaller, Dick Bode and Henry Hasty members.

The purpose of the Donley County SWCD with headquarters in Clarendon is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has

## Cotton Tour Oct. 1

You are invited to attend a cotton tour on Friday, October 1, 1982. Meet at the Donley County Farmers CO-OP Gin in Clarendon or the Paymaster Gin at Lelia Lake at 8:45 a.m. Busses will leave Clarendon and Lelia Lake at 9 a.m. to make the tour.

Tour stops will be made at several cotton variety demonstration plots. You will

### Chamberlain Community

Chamberlain will hold its monthly covered dish supper at the Chamberlain Community Center Friday night at 7:30. Opal Darnell and Mr. and Mrs. Doss Finley will be host and hostesses for the fun-filled evening.

get to see more than 20 different cotton varieties, different production practices, cotton planted in rye stubble, etc.

The following Extension

### Windy Valley reunion

ATTENTION all residents and former residents of the Windy Valley Community. You are invited to a reunion at Clarendon Community Center in East Clarendon at the Rodeo Grounds.

Registration begins at 9:30 a.m. October 10, 1982. Pot luck lunch will be served at 12:30. Bring a covered dish. The rest will be furnished. See you there.

Service Specialists will be here to discuss cotton varieties, cotton production practices, fertilization, diseases and insects: Dr. Dale Pennington, Soil Chemist; Dr. James Supak, Cotton Agronomist; and Dr. Carl Patrick, Entomologist. They will all be available for questions.

We are looking forward to seeing you Friday morning, October 1. Refreshments will be served.

### Call meeting of Lodge 700

There will be a call meeting for Clarendon's Lodge 700 Monday evening, October 4 beginning at 8 p.m. This will be to confer a Master Mason degree. All Masons are urged to attend.

# Pitts 50th anniversary

Mr. and Mrs. C.A. Pitts celebrated their 50th wedding anniversary Sunday afternoon, September 19, 1982 in the Fellowship Hall of the Clarendon First United Methodist Church of which they are members.

They were pleasantly surprised by many of their out of town friends and relatives, who arrived Saturday and Sunday to help them celebrate and wish them many more happy years together.

On September 21, 1932, Carl Alton Pitts and Lockie Frances Taylor were married in their home town, McCamey, Texas. He is a former manager of West Texas Utilities Company. They lived in Clarendon from 1956 to 1970 when he retired. They moved to Aransas

Pass where they managed the Gas Lite Mobile Park. After ten years there, they were ready to return to Clarendon to retire again.

They have two children, David Carl, Clarendon, and Donald Alton, Dakton, Virginia; two lovely daughters-in-law, and three grandchildren, who hosted the happy occasion. Although Donald and his family were unable to be present, they were here in spirit.

About one hundred friends and relatives registered during the afternoon. Out of town guests were: Mr. and Mrs. Frantz Reardon, Mason; Mr. and Mrs. E.T. Hart, Ft Worth; Mr. and Mrs. Kenneth Fix, and Mr. and Mrs. Harry Conrad, Aransas

Pass; Mr. and Mrs. Sidney Rodgers, Plainview; Mr. and Mrs. Freddie Welling, Mador; Mr. and Mrs. W.C. Seitter, Lawton, OK.; Mr. and Mrs. Basil Smith, Fritch; Mrs. L.N. Cox, Mrs. Mollie Ritter, and Mrs. Lucille Naylor. Hereford; Mrs. Julia Ann Crabb and Mrs. Eva Shackelford, Amarillo; neices and nephews; Donna Owen and son, Doug, Carleton; Mrs. Bob Lynch, Frisco; Mrs. Larry Lee, Grapevine; Mrs. Roger Sanders, Plano; and Mr. and Mrs. Lanny Burnett, Dallas.

## Christmas in October

Have you noticed the Christmas goodies in the stores already? It does seem early to plan on Christmas, but it is that time of year to get on getting your gifts early.

Donley County Homemakers are sponsoring a "Christmas in October" Bazaar to be held October 9 from 10 a.m. to 5 p.m. in the Community Center.

The bazaar will be a great time to do some early Christmas shopping or to look at new ideas for handicrafts you might want to make yourself.

Samples of items from exhibits and booths include: novelty sewing items, burlap items, beading, home-baked food items, sculptures, arrangements, dolls, magnets, tole painting, woodcrafts and macrame.

"Microwave Candy Cookery" will be the topic of a program presented at 1 p.m. by Karen Burgess, Family Living Consultant for West Texas Utilities.

Sherri Harder, Home Economist for Arrowhead Mills will present a program at 2 p.m., on "Nutritious Holiday Cookery."

The bazaar is sponsored by the Extension Homemakers Council and each E.H. Club has donated door prizes to be given away during the afternoon programs.

The public is invited to attend the bazaar.

MR. AND MRS. C. A. PITTS

## Xi Lambda Xi hayride

In a gentle breeze, bits of hay wafted upward into Susan Henson's shoes, filling Katie Dvorak's blouse and piercing Charlene Mays eyes as they participated in a hay ride down the dusty JA ranch road. The bouncy rough road gave them a moment to ponder the weighty problems of womanhood; Genella Eads in particular found herself with arms crossed for most of the incredibly bouncy journey.

Pat McCombs grabbed for dear life onto the sides of the trailer as Dave Dvorak drove in the bar ditch to try to find a smooth spot in the road. Peggy Anderson and Betty Veach rode in the enclosed comfort of their car following the flatbed trailer down the country road.

A bon fire was lit in the front yard of Katie Dvorak's country retreat and a wonderful business meeting was conducted to the accompaniment of horses snorting and bugs flapping. Genella Eads presented a program on communication and the different types of communication we have around us today.

tion we have around us today.

Pat Archuleta sent brownies to help hostess Katie Dvorak out. Punch and fresh veggies were served to fortify the hayriders for their return trek back up the worst road in the county.

A marvelous time was had by all, good things happened to bolster sisterhood and spirits, many things were planned and a closeness to each other and the Lord occurred under those sparkling stars as the seven sisters joined hands around the crackling fire. Beta Sigma Phi means sisterhood.

## Fun After 50

Looking for fun after that 50th birthday? Come to the Lions Club Hall at 10:30 Saturday, October 2nd for a visit and short meeting and covered dish luncheon that will begin at noon. There will be no program this week, but plenty of visiting and good cheer.

## Richey Sui Angelo DPS officer

Sgt. Truman Richey, son of Mr. and Mrs. John Richey of Clarendon, was recently named as Texas Highway Patrol Department of Public Safety officer in San Angelo.

A native of Clarendon, Richey joined the DPS in October 1969 after serving four years with the US Navy which included a two-year stint on a patrol boat in Vietnam.

His initial assignment in the Texas Highway Patrol was in the Carson County community of Panhandle where he served for nine years. He was transferred to Beaumont in 1978.

Richey will work in Tom Green, Coke, Irion, Crockett, Schleicher and Sterling counties. "I volunteered for the assignment in San Angelo because I wanted to be closer to home and in a part of the state that I'm familiar with."

Sgt. Truman Richey

## Brown and Grady go to El Paso

Two members of the Texas Extension Homemakers Association from Donley county took part in the association's annual professional meeting in El Paso, Sept. 14-16.

Attending the sessions at the Convention Center were Cheri Brown, county

extension agent and Carol Grady.

Approximately 900 members from across Texas took part in the session, the 56th annual meeting of the homemakers organization. Mrs. Billie H. McCraw, president of the 22,680-member group, presided at business sessions.

## CJC Business club

The Clarendon College Business Club, OEA (Office Education Association, formerly PBL), elected five new officers for the fall, spring semesters of 1982-83.

The five officers are as follows: LaDonna Murdock from Wellington, Secretary; Brenda Westbrook from McClean, Historian; Barry Everett from Vega, Reporter; and the two student representatives are Shelly Hill from Claude and Jimmy Wyatt from Estelline.

The President and Vice-President were elected earlier and are Wade Johnson from Estelline and David Smith from Clarendon respectively.

**BOB MABRY and his sister Rhonda show off the stuff dog Bob won with 2-dimes at Tri-State Fair. They are the children of Mr. and Mrs. Larry Mabry.**

## McCombs and Bray blue ribbon winners

Pat McCombs took several jars of canned goodies, including vegetables, relishes and jams and fruit juices to the Tri State Fair. She won two blue ribbons, one for her grape jelly and one for her grape juice. Pat also won two second place red ribbons, one for her strawberry preserves and one for her corn relish. Pat has put up 12 pints of grape jelly and 20 pints of grape juice. She has a house full of garden pro-

duce she has canned this summer.

Mary Bray from Goldston won first place in men's knitted sweaters and first place blue ribbon for her afghan. Mary has a real talent for knitting and is a "pearl" of a knitter!

Some fish, such as groupers and flatfish, are able to change color to match the background on which they are lying.

## Bronco Buster

Hi Bronco fans!

Well this is the week of homecoming. Everyone should come and support the Broncos as we play Childress. The seniors will then sponsor the homecoming dance for all C.H.S. students and their dates.

The Broncos really appreciated the support everyone gave them at Sunray. Even though it was raining cats and dogs, Bronco fans stayed out and gave their support. The Sunray Bobcats were saved by lightning as the officials called the game after the half with final score being Broncos 14 and Sunray 0.

Last Friday the Broncos played at Boys Ranch. They took the Roughriders for a rough ride winning the game 9-7. Way to go Broncos!

The Seniors would like to thank everyone for buying mums. The money made will be used for the homecoming dance.

The junior class will be selling magazines. Everyone please support this activity. The money made will be used, if enough is made, to take the junior and senior classes to Sex Flags or to sponsor the prom.

Last Friday F.H.A. had a beau of the week. He was Arlis Thomas.

Once again everyone be at the game Friday night to support the Broncos for home-

coming. The pep rally will be held in the school gym at 2:45. The queen and her attendants will be announced.

Now for some C.H.S. gossip. Mr. Stevens-What ever happened to Blondie? Ken D.-Are tardies really that bad? Bronco Band-How's your whiplash?

## Colts

## Corral

BY TRISHA CLIFFORD

Hi, Colt fans! Last week our teams played against Shamrock and we'd like to compliment them on the fine job they did. Our seventh grade boys put up a good fight, but were overcome by only 8 points. We want these boys to know that we're all still very proud of them and are behind them all the way.

The eighth grade enjoyed a victory over the Irish, licking them 20-10. Way to go, guys!

Marcus Smith, #27, scored the first touchdown. Then Jimmy Phillips, #35, followed Marcus' example, leaving us in the lead. Once again, Marcus scored. Also, the defense was really on the ball, making several brilliant tackles which prevented their team from getting more than one touchdown. We are very proud of all the boys and can hardly wait to see them win next week! Once again, it's at our home stadium, so everyone come to watch both teams defeat Canadian!

Six weeks tests are almost upon us, so now is not a bit too early to start memorizing studying, etc. Also checking to make sure no notes are missing. Hopefully, everyone will do well on them.

We all enjoyed the high school pep rally last week very much and are looking

forward to the next one. Everyone keep up the good work on behavior, ESPECIALLY NOT running to lunch.

Now, it's time for the Colt Gossip. Mike M. Who's that knocking at the window? Craig W. Why are you sitting there? Shawna S. good looking guys in Science. Christina L. lovely hair-do. Sheri C. Weiny women. Monte H. are you really studying??

## School menu

Oct. 4 thru 8th

**Monday:** Salisbury steak w/ gravy, mashed potatoes, fried okra, hot rolls, fruit, milk.

**Tuesday:** Mexican special, tossed salad, ranch style beans, jello, milk.

**Wednesday:** pinto beans, buttered spinach, cornbread, chocolate cake, milk.

**Thursday:** beef ravioli, english peas, sweet potatoes, hot roll, cookies, milk.

**Friday:** charburger on bun, lettuce & tomato salad, sliced onion with pickles, and cheese and french fries, cobbler and milk.

## First Aid Course limited to girls

The Red Cross office at Pampa informed Clarendon that the course was limited to 18 students. Since Clarendon, Memphis, and Wellington will be participating, it is with regret, there is not room for other adults to take the course. It has to do with the personal instruction by the instructor. To the local Girl Scout Leaders it will be necessary to purchase a first aid book which will be about \$3.50. October 11th and 12th 6:30 to 9:30 sharp at Lions Club Building.

## Reserved seats not filled

Reserved seats means just what it says! It means that the person or persons holding such seats is guaranteed that place to sit. Also reserved seats, when purchased means, you are supporting Clarendon Broncho Football. The money taken at the gate is halved with the visiting team. The money taken in from our reserved seats goes to Bronco Club to be used in Clarendon Athletics. In other words-It's ours!

We still have about 100 seats to be sold. Please help our athletic program by reserving a seat for yourself and your family.

Mrs. Bob Trout (Cula Jo) will have a table set up at our homecoming game between Clarendon and Childress. Go by the table and reserve your seats. Still some choice seats available!

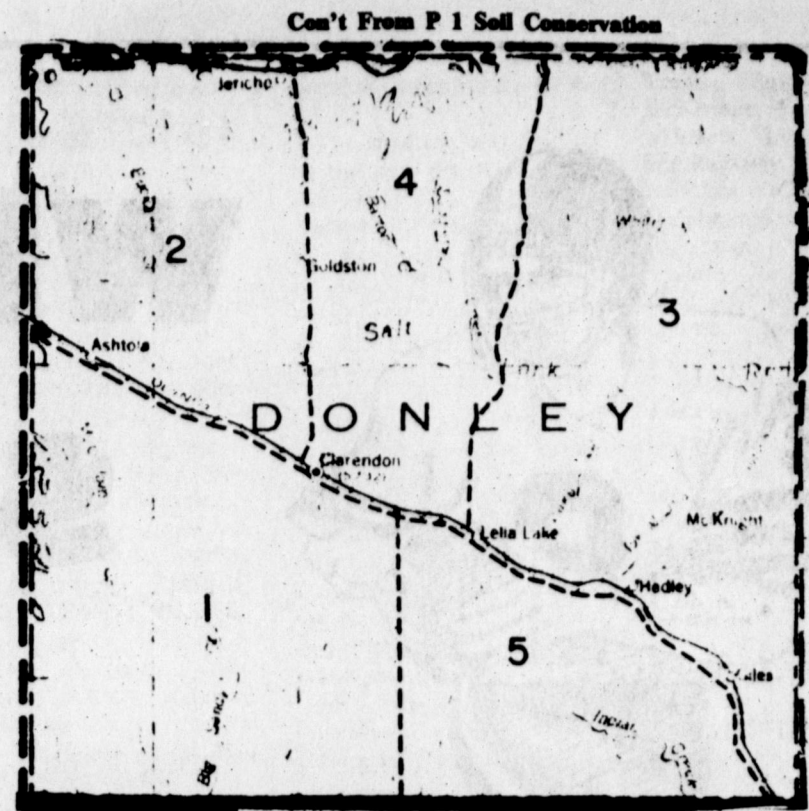

Also support our Broncos by being at Bronco Booster Club each Tuesday evening. The new time following the Childress game will be 7:30 p.m.

Also become a member of Bronco Booster Club. Cost \$5 per individual and \$25 per business. Contact Tom Harguess, Doug Wright, Tiny Alderson, or any Bronco Club member.

## Senior Citizens events

Blood pressure will be taken free all day Monday, October 4th. If you see spots before your eyes, get dizzy easily, tire quickly, seem unusually worn down lately, you need your blood pressure checked.

Exercise Mondays thru Wednesdays from 11 until 11:20 to prepare your appetites for the noon meals served every Sunday thru Friday at the center.

authority to enter into working agreements with these governmental agencies and

private concerns to carry out its purposes. All conservation programs

managed by the district are of a voluntary nature to the landowner or operator.

## Jr's sell magazines for class project

The Clarendon High School Jr. class is sponsoring a magazine renewal service as a fund raising project. This plan will allow us to raise the necessary money to go to Six Flags and have a prom if we reach our goal.

The average family in America today subscribes to 4-5 magazines each year.

Through our program, 40 percent of the price of the magazine is retained by the unit selling the magazine. This 40 percent is usually sent on to the publishers and leaves the local community.

When you renew through this program you are not spending any additional money; you simply allow 40 percent of the price to remain for the use of the Jr. class.

Any subscriptions you now have regardless of when they expire may be renewed through our organization. If all our parents and friends extend their favorite magazine subscriptions, we will easily reach our goal. We need your support.

Please support the Clarendon High School Jr. class. Renew your magazine sub-

scriptions today. Get in touch with a Junior or call Clarendon High

School, leave your name and number and a Junior will be in touch.

## 4-H Foods & Nutrition Project begins

There will be a 4-H Foods and Nutrition Project meeting on Tuesday, October 5, in the Donley County Extension Office.

Junior 4-H'ers, 9-13 years old, will meet at 3:45 p.m., Senior 4-H'ers, 14-19 years old, will meet at 5 p.m.

Project group assignments will be made during the meeting and the rules for the county and district food shows will be discussed. Parents are invited to attend the meetings.

The Donley County Food Show will be November 21, and the District 1 Food Show will be December 4 in Dumas.

For 4-H'ers interested in Dairy foods, there will be a Dairy Foods Project Meeting on Monday, October 4, at 3:30 p.m. in the Extension office. The Dairy Foods

Project is being conducted by Alleene and Christina Leathers.

## First Bale of Cotton bundled

The first bale of 1982 crop cotton in the Altus, Ok. Marketing Services Office territory, USDA-Cotton Division, was classed on Thursday, Sept. 22, according to W.E. Cain, Area Director.

The 480 pound bale was hand-pulled near Memphis, Tx. by the owner B.C. Cornish, and ginned at the Memphis Farmers Coop Gin, Memphis, Tx.

The first bale was classed on the new High Volume Instrument (HVI) system, testing grade 42, staple 31, mike 29, and strength 25. Volume harvesting will get underway in a few weeks, Cain said.

The large ads of last week disclosing the calculated effective tax rates were required by state law for the purpose of informing the taxpayer of the tax increase. However, during a year of general reappraisal, such as this, those calculations can be deceptive. Compare each Tax Entity's tax levy of 1981 with the levy now being considered. The total of all 1982 levies indicates a TAX INCREASE OF LESS THAN 3%.

TAX ENTITY	1981 TAX LEVY	1982 PROPOSED LEVY	
CLARENDON SCHOOL	\$422,269.	\$410,542.	DECREASE \$11,727.
HEDLEY SCHOOL	\$120,554.	\$110,637.	DECREASE \$9,917.
CLARENDON COLLEGE	\$170,317.	\$174,203.	INCREASE \$3,886.
DONLEY HOSPITAL	\$172,274.	\$173,050.	INCREASE \$776.
CITY OF HEDLEY	\$7,864.	\$8,162.	INCREASE \$298.
CITY OF CLARENDON	\$111,658.	\$121,250.	INCREASE \$9,592.
DONLEY COUNTY	\$235,018.	\$245,702.	INCREASE \$10,684.
<b>TOTAL</b>	<b>\$1,239,955.</b>	<b>\$1,243,546.</b>	<b>INCREASE \$3,591.</b>

Proposed total tax increase for 1982 = LESS THAN 3%

Your individual property tax may have gone up more than 3% or perhaps down below last years amount. This is a result of 1981 tax being based on assessed values which have become obsolete; 1982 taxes will be based on the recent appraisal of market value on all property county wide (the exceptions are: exemptions legally allowed; productive value appraisal of ag-land).

It is true that a slight shift in property tax responsibility will occur as a result of state wide tax code revision enacted by your state representatives and senators. Ranch land will be paying less tax, farm land will be paying the same or less tax, home owners will be paying more tax, business, commercial, and utilities will be paying more tax.

Information pamphlets are available at the appraisal district tax collection office in the Courthouse Annex.

A point of perspective: the above stated tax levy to supplement the services provided by local government are slight compared with the total dollars going to state and federal tax! For every tax dollar collected for local needs, an estimated seven dollars are sent from Donley County to Washington and Austin!

*Charles S. Keller, Appraisal District Director*

## AUE members attend convention

Scarlet O'Hara and the rest of her Southern Belle friends are alive and kicking. Well at least that's what they thought at the Amarillo Hilton Inn Saturday night. The annual Northwest Texas Area Beta Sigma Phi Convention was held there on the 25th and 26th and the theme was "That's What I Like About The South". Eight members of Alpha Upsilon

Epsilon attended the Saturday session. We registered at 3:30 and received our Southern Belle purses full of survival goodies. We browsed through the flea market which was set up in the lobby of the Hilton Inn and admired all of the hand-made crafts created by our Beta Sigma Phi sisters. The money made from the flea market went to the individual

chapters who had booths and they in turn donated profits to different charities. We then viewed the yearbooks and scrapbooks that had been entered in the contest. There were some excellent books and all were very interesting. We entered our scrapbook and although we didn't win we learned a lot of good tips and saw some great ideas and were very proud of our Scrapbook. At 6:30 p.m. we attended the Pitty Pats Plantation Party in the Hilton Garden Club. We all dressed up in Belle attire

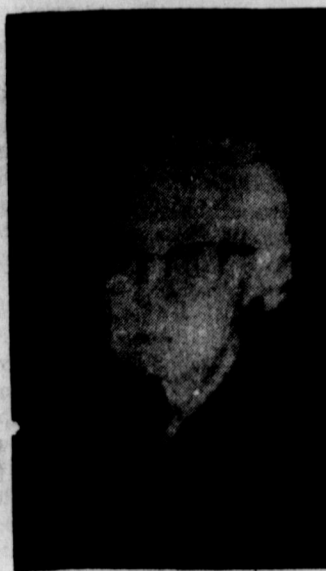

complete with pantaloons, hoop skirts and parasols. We were treated with a buffet banquet of Southern Fried Chicken, Prime Rib, Green Beans, Mashed Potatoes, assorted Salads, Rolls and Desserts. There was a delightfully funny speech given by Ruth Holiday a sister member from Boys Ranch. After the banquet we all attended the Hospitality Room provided by the sponsoring chapters where we were served "bona fide" Mint Juleps.

On Sunday three members attended the session which included a devotional, forums, dinner and a very special speech made by Bill Ross the President of Beta Sigma Phi of Kansas City Mo. Bids were made for the 1983 convention and girls "get ready" we're going to Vernon for the "Roaring Twenties" in 1983. We all had a "blast" and we felt kind of special because it was our 1st convention, all eight of the members from A.U.E. won door prizes. We hope that all Beta Sigma Phi members can attend the convention in Vernon next year. We would like to give a special thanks to the three Amarillo chapters, Preceptor Gamma Psi, Preceptor Alpha Mu, and Xi Gamma Phi, who were sponsoring chapters of the convention. It was GREAT!! Those members who attended were Sandra Eads, Terry Floyd and Patsy Leffew on Saturday and Sunday and Terri Floyd, Denise Grady, Connie McKinney, Jeanne Mondragon and Fuzz Mooring attended the convention on Saturday.

## Beta Sigma Phi attend area

### convention

Two members of the Xi Lambda Xi chapter of the Beta Sigma Phi sorority attended one day of the area Convention held in Amarillo Sunday, Sept. 25th. Scrapbooks and yearbooks

MRS. STELLA KING

were reviewed and studied by President Pat McCombs and Extension officer, Katie

Dvorak. Good ideas were stored in notebooks to be utilized in the chapters' future books.

Bill Ross, the President of Beta Sigma Phi International in Kansas City, MO answered questions members addressed to him. Many important things were learned and discussed by the son

of the founder of our sorority. Later, after the delicious buffet meal, Bill Ross gave a speech about what Beta Sigma Phi means that all sisters in the sorority could profit from having heard Bill's comments.

Both Pat and Katie won door prizes, a sure sign that those who attended this wonderful convention were winners in more ways than one.

Next year's convention will be held in Vernon and will have a Roaring 20's theme. All Beta Sigma Phi members are encouraged to attend.

## King celebrates 93rd birthday

Stella King was surprised Sept. 25 with a surprise birthday party in her honor recognizing her 93rd birthday. The party was given by Nadine Bobbitt in her home. The guest of honor was served cake and ice cream. Friends of the King for a Day attending were: Athalee Dodson, Alfreda Edwards, Bernice O'Neal, Blanche Higgins, Nora Hartwick, Josephine Burgess, Susie Shields, Jessie Adams, Hazel Campbell, Lucille Jones, Carol Harguess, Nadine Bobbitt, Betty White and Norma Putman. Congratulations birthday girl Stella King!

## Pathfinder Club met

The Pathfinder Club opened the club year of 1982-1983 with a luncheon at the Patching Club house on Friday, September 24 at 1 p.m.

The meeting rooms were decorated with fall foliage and flowers. Each table-four had a beige cloth and a center piece of tiny red, orange, and yellow zinnias with golden hued fall leaves. Each napkin holder had its own fall flower.

The meal was catered by Katherine Green, aided by Mary Green. She served a delightful luncheon of hot chicken salad, green beans almonde, frozen fruit salad ring, hot dinner rolls and cinnamon rolls, and iced tea or coffee. Dessert was frozen

chocolate mousse pie. The meal was an enjoyed treat for all.

The meeting was opened by the new president, Mrs. D.G. Bray. Roll call was answered with reports of summer highlights of the members. The "highlights" ranged from trips, visits from the grandchildren, down to "vacations" in St. Anthony's!

The historian, Mrs. Horace Green, gave the history of last year's activities in rhyme.

The club voted to give a donation to the Patching Club House as a memorial for Harriet Kunz, a faithful and enthusiastic member of many years.

Mrs. Paul Cook was unanimously welcomed into membership of the club. Mrs. Tommie Saye was elected as the corresponding secretary for the coming year.

Two guests, Mrs. Verdine Herrington and Mrs. Paul Cook were present at this opening meeting. The hostesses were Mrs. Heckle Stark and Mrs. Rolle Brumley. Members attending were: Mrs. Raleigh Adams, Mrs. C.E. Bairfield, Mrs. D.G. Bray, Mrs. Dick Delaney, Mrs. Horace Green, Mrs. A.R. Henson, Miss Mable Mongole, Mrs. Tommie Saye, Mrs. Joe Wells, Mrs. Frank White, Mrs. Royce Williams, and Mrs. Dick Shelton.

## AUE first meeting held

Alpha Upsilon Epsilon had our first official meeting September 7, 1982 in the home of Roxanne Strickland. We were pleased to meet our new members Patsy Leffew,

Holly Gerner, Cheryl Gerner, Tressa Topper, Connie McKinney. We also have two transfers, Leslie Schnauffer and Roxanne Strickland. Our meeting opened with all members reciting the opening ritual. Most of our business was about the Little Miss and Master Pageant. The date has been moved to December 4th. The Area Convention was discussed, some were making plans to attend.

The closing ritual was recited and the meeting adjourned. Roxanne served a delicious German chocolate cake and ice tea for refreshments.

## AUE 2nd meeting

Alpha Upsilon Epsilon met September 20, 1982 in the home of Jeannie Mondragon. The opening ritual was recited by all members. Guess what! Another new member was introduced, Lisa Winsor, welcome to Beta Sigma Phi!

We are going to enter our float in the Hedley Cotton Festival. Plans are underway to get the float in order.

Eight members are making plans to go to the area convention in Amarillo. Those going are Terry Floyd, Terri Floyd, Jeannie Mondragon, Connie McKinney, Patsy Leffew, Sandra Eads, Denise Grady and Fuzz Mooring.

Denise was in charge of the program for this session. She presented us with a guest speaker, Patsy Robertson. Patsy gave a talk on finding our place. Everyone enjoyed her very much.

The closing ritual was repeated and the meeting adjourned. Jeannie's refreshments were a Mexican dip and chips with punch.

We have, as of now, 18 members on our role.

Buy a Jenn-Air now and get this \$100 wok absolutely free.

Right now, you can get our exclusive new Wok accessory free at your honorable Jenn-Air dealer.

Just buy any Jenn-Air cooking system\* before November 30th, and this exciting option is yours.

# Chamberlain News

By MRS. HAWLEY HARRISON

Chamberlain Community Center will have their next regular meeting Friday night October 1st. Come enjoy the good food and games if you can.

Mr. and Mrs. W.R. Chaney returned home last Wednesday from a wonderful vacation in Cimarron Canyon. Mr. and Mrs. G.H. Hickman of Dallas were there too, and all had a delightful time.

Mr. and Mrs. Tom Barbee of Quitaque, Jan and Barry Schafer of Skellytown and Ewayne and Janice Barbee Beth and Tommy were supper guests of Ernest and Roxie Barbee last Monday night.

Loretta Harrison and Anna were in Amarillo on business last Tuesday.

Doug and Martha Lowe and son David brought Mrs. Beniah Lowe home from Ft. Worth Friday night. She had a delightful week visit in their home. We are so glad she is home.

Mrs. Vivian Allen and Pat Brad and Andree visited Mr. Heard Reeves, and visited Mrs. Alma Reeves in the hospital Saturday and returned home Sunday. Mrs. Reeves was better and hopes to be out of the hospital soon.

Mr. and Mrs. Gene Grim-

lano of Amarillo visited Mr. and Mrs. Richard Dingler Saturday.

Mrs. Ruby Blackman is in an Amarillo hospital. We hope she will be home soon.

Gary and Kathleen Duncan of Odessa and Tanya and Lance Shipp of Abilene spent the weekend with Mr. and Mrs. Frank Thomason and Mr. and Mrs. Carol Duncan.

Mr. and Mrs. John Jones visited Bud and Carmen Wright Saturday night.

Billie and Olace Hicks were luncheon guests of Louie and Oleta Griffin Saturday.

Joy Naylor and children visited Loretta Harrison and Anna Saturday.

J.D. and Nelda Jones of Dalhart were supper guests of Mr. and Mrs. Hawley Harrison Saturday evening, and visited Dennis, and Loretta Harrison later in the evening.

Otis Kootz of Clarendon, Mrs. Otha Eddleman of Claude and Mrs. Kathy Holland and baby of Hedley visited Mr. and Mrs. D.R. Kootz Sunday afternoon.

Mrs. Billie Hicks visited Dennis and Loretta Harrison and Anna Saturday.

Mrs. Clara Mae Carter visited Ross and Bill Mears

Sunday afternoon. David and Betty Lande were supper guests of Dennis and Loretta Harrison Sunday night.

J.D. and Nelda Jones visited his mother Mrs. Erma Lee Jones at Medical Center Nursing Home this weekend.

Mrs. Clara Mae Carter visited Bradis Ballew and Ruth and Nell Corbin Sunday.

Gladys Blackburn visited Mrs. Ella Simmons Friday afternoon.

Paula Jo and Lane Garvin of Silverton are the proud parents of a baby girl born Sunday in Amarillo. Warren and Ruby Jewel Hardin are grandparents and Mr. Richard Dingler is a great grandparent. Our congratulations.

## Accent On Health

Texas Department of Health Robert Bernstein, M.D., Commissioner

Texas immunization activities have produced a 93 percent reduction in vaccine preventable diseases and an 89 percent reduction in mortality in the past 15 years, thanks to the success of immunization activities in the state.

Euel A. Smith, director of the Immunization Division of the Texas Department of Health, said the Division was established in 1967 and "has provided and distributed vaccines and pro-

moted immunizations throughout the state." Governor William P. Clements, taking note of the accomplishment, earlier designated September as Preschool Immunization Month to focus attention on early immunization of preschoolers.

Smith said that in 1971 the 62nd Texas Legislature enacted landmark childcare facility and school immunization laws. He said the Immunization Division was given enough resources to implement and monitor the new preschool and school immunization requirements.

Remarkable accomplishments in reducing the threat of immunizable diseases are evident when comparing the two 15-year periods (1952-66, and 1967-81). After the TDH Immunization Division was established in 1967, statistics show a 93 percent reduction in morbidity and a 89 percent reduction in deaths from five vaccine-preventable diseases. These diseases are diphtheria, pertussis, tetanus, polio and measles. Rubella and mumps were not reported in Texas until 1966 and 1968, respectively.

Smith noted that since the Immunization Division was established, the years 1978-79, and 1981 were diphtheria-free ones; and 1973-74, 1976, and 1978-81 were polio-free years.

"With the continued cooperation of parents, day-care center directors, and school officials, and the joint efforts of public and private health care providers, we will meet our goal of eradicating immunizable diseases in Texas," Smith said.

He said in 1981, immunization levels in childcare facilities for all seven vaccine-preventable diseases reached 95 percent. For the same year, immunization levels for six vaccine-preventable diseases in the schools were in the 98 percent range. Pertussis was not measured since the vaccine is not administered to persons seven years of age or older.

## Acupuncture in Texas

Texas law includes acupuncture under the definition of the practice of medicine. This means only a licensed physician or a trained acupuncturist under the physician's supervision can legally perform this ancient Chinese therapeutic technique.

The non-physician acupuncturist must obtain permission to practice from the Texas State Board of Medical Examiners, the agency that

primarily regulates physicians. The board's guidelines stipulate that an acupuncturist must have at least two years of acupuncture training from a board-approved institute.

A physician also must seek board approval to be a specific acupuncturist's supervising doctor. If approved, he can allow the acupuncturist to perform certain tasks so long as the physician retains supervision and control over the acupuncturist. The physician also retains responsibility for the care and treatment of acupuncturist patients.

Dating back to before 2500 B.C., acupuncture involves piercing certain parts of the body with thin needles ranging from about one to nine inches in length. Although the technique is used to treat diseases, Texas newspaper ads for acupuncture clinics generally emphasize it as a means of losing weight and quitting smoking and drinking.

How acupuncture works revolves around Chinese medical theory: "Chi," the basic energy of living things, is a pressurized air stream that flows through 12 primary channels of the body. Six are called "yin," and the other six "yang." When Yin and yang are out of balance, the theory contends, the body is susceptible to illness and pain. Inserting and manipulating needles at the proper locations restores the balance, acupuncturists say.

The Texas Medical Association encourages further research into acupuncture, but only by or directly supervised by a licensed physician. The doctor must be "adequately skilled" in this field. "These safeguards are necessary to protect the public from exploitation and indiscriminate application by those untrained or unqualified in acupuncture," TMA says.

## The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. There were 27 members. Lion Sweetheart Jessie Adams and 2 guests present.

Following a delicious meal of pork chops with all the trimmings, Boss Lion Bivens called the meeting to order. Lion Billy Ray Johnston led the singing. The Boss Lion then led the Pledge of Al-

legiance and prayer. Lion tamer Messer then introduced Lisa Winsor, a bookkeeper for Riggs Farm and Ranch who was a guest of her husband Lion M.T. Windsor. Also visiting with us was David Smith, a student who was the guest of his father Lion Donald Smith. Boss Lion Bivens reminded us that our annual Ladies Night Banquet will be Oct. 26th. Meeting adjourned.

# Martin-Ashtola News

By NAOMI GREEN

Warren and Ruby Jewel Hardin recently joined the grandparents club. Leah Brook Garvin weighed in at 7 lb. and 1 oz. at North West Texas Hospital at 5:45 p.m. Sept. 26th.

Matt Mooring of Austin visited his father this weekend. The family took him to catch a plane Sunday afternoon.

Veda Mahaffey was back in Amarillo for her medical

check-up on Friday.

Danny Phillips of Amarillo visited with Connie Havens and her family Saturday.

The J.R. Graham family went to the fair Saturday. While it was good for the "gate" that we got through fair week with out a rain, farmers could have used a soaker.

Fred and Bea Butler visited with the Bill Bennetts Sunday afternoon.

Tasha Owen of Amarillo was a weekend visitor with her grandparents, the Doyle Littlefields. Vaneil was home Sunday.

Mr. and Mrs. Bill Talley and children of Hedley and the Haskell Talleys of Memphis were guests in the Jerry Green home Sunday.

The Bob and Milton Havens families joined the Gus Havens of Sweetwater at the home of Vera Havens for the evening meal Saturday.

Lena Mae and Derline Graham were in Amarillo for Lena Mae's doctor appointment Thursday. They got a satisfactory report.

Monte McAnear family went to the fair and to "Crystal Gayle" show. Ginger is quite a fan and was delighted that she also got an autograph of the star.

Mr. and Mrs. Carl Taylor of Amarillo visited with the Burl Hollar family Saturday and had business in Clarendon.

Wayne Johnston and friend Jake of Wickenburg, Arizona flew in for a weekend with the Lloyd Risleys. The Richard Thornberry family from Memphis joined them for a visit and supper on Saturday.

Pete Land went to Hedley

Sunday to visit his sister, Ellen Fay Land.

Mr. and Mrs. Larry Watson were in Raton for the horse races. Adenia Mills stayed with the girls.

Annie Sue Hollar of Paducah visited with the Burl Hollars Sunday. Mr. and Mrs. Woodrow Read of Graham Texas were weekend guest in the Hollar home.

Mr. and Mrs. Duane Naylor of Thalia visited with the H.A. Greens and the Royce Halls enroute home from Santa Fe and West Texas State University Parent's day.

Mr. and Mrs. Carnes from Turkey visited with the Claude Spiveys Sunday afternoon.

Mr. and Mrs. L.A. Watson went to Wellington to the Livestock Sale Thursday.

Mr. and Mrs. Bud Hermesmyer were in Sunray Sunday to visit John and Helen Hermesmyer.

Hubert Rhoades was in Claude Sunday to have lunch with Ruth and Lorane Rhoades and Mrs. John Butler.

Enroute home from the funeral in Okla. last week Mr. and Mrs. Walter Jewel and son Stacy of Larmie, Wy. spent Monday night with the L.A. Watsons.

The Jerry Green family visited with the Jimmy Jacksons Saturday night.

J.R. Brandon was in Amarillo Wednesday for his medical check-up.

Bessie Hale of Amarillo visited Saturday afternoon with Adderine Mahaffey. Hap Watson and son Mike of Groom visited with the L.A. Watsons Friday.

Cristie Byrd stayed with her grandparents, the James Tolberts for several days.

Horace and Naomi Green and Donald White represented the Greenbelt Electric Coop at the Region V workshop at Ceda Canyon Tuesday.

Gary and Marcia Davis with Carrie Sue visited with the Skeet Browns Sunday.

Mrs. Billy Hearne of Houston visited with the Charlie Hearnes last Sunday night.

Wayne Johnston and friend, Jake of Wickenburg, Arizona visited a while Saturday night with the Charlie Hearnes.

Jason Green spent the night Friday with Jason Klinert and they went to the fair Saturday.

Rosie Lee Lockwood of Claude visited with the Skeet Browns Tuesday.

Todd Graham was at the Texas Tech homecoming game.

## First 1926

## Book Club meeting

At 7:00 p.m. September 21, 1982, the 1926 Book Club members held a salad supper at the Patching Club House to start their new year. The buffet table and the quartette tables were tastefully decorated for the fall season. Hostesses for this occasion were Carolyn Hamilton, Rachael Butler, and Susie Shields.

A business meeting followed, conducted by vice-president Phelps in the absence of Betty Veach, president.

The club wishes to thank Bill Thornberry for the railing he placed at the front steps of the club house in honor of his mother, Mary Thornberry. It is deeply appreciated.

Mrs. Phelps discussed some of the problems facing the Club House Board. Representatives to that board will be selected at the next meeting.

The 1926 Book Club voted

to give the Club House Board \$50.00 as a memorial to the late Harriet Kunz, a loyal worker on the Board for many years. This is only a small token of our deep affection and appreciation for Mrs. Kunz.

Each member then reported on her summer's activities. They were varied and interesting.

Other than the hostesses, members attending were Inez Blankenship, Hazel Brandon, Jessie Adams, Frieda Tucker, Evelyn Mann, Pauline Heath, Lockie Pitts, Mary Thornberry, Mary Beth Nelson, Viola Bones, Dessa Day, Billie Clinton, Pauline Morris, Mary Hazel VanZandt, Dorothy White, Helen Phelps, and Oressa Delaney.

## Womens Aglow to have meeting

Monday, October 4th at 7:30 will be the monthly meeting of Womens' Aglow Fellowship. Judy Lindsay will be our guest speaker.

We welcome you for a great time of Worship and Fellowship.

## EMS Activity Report

09-20-82 Lester Blackberby, 68 of Clarendon, no transport from Gilkey Clinic, Clarendon. Medical.

09-22-82 Charles Lewis, 84 of Clarendon from Medical Center Nursing Home, Clarendon to High Plains Baptist Hospital, Amarillo. Medical

09-23-82 Mary Bartlett, 88 of Clarendon from residence to Northwest Texas Hospital, Amarillo. Medical.

09-24-82 Betty Borque, 39 of Clarendon, no transport from residence. Medical.

09-25-82 Abbye Warner, 70 of Clarendon, no transport from residence. Medical.

09-26-82 Andrew Turner, 78 of Clarendon, medical transport from Medical Center Clinic, Clarendon. Medical.

09-26-82 Jake Holman, 72 of Clarendon from residence to Hall County Hospital, Memphis. Medical.

09-27-82 Orpha Swinney, 85 of Clarendon from Medical Center Nursing Home, Clarendon to Hall County Hospital, Memphis. Medical. 197 responses handled in 1982 to date.

## PUBLIC NOTICE

In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on September 13, 1982, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective October 19, 1982. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change; the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 9.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

Ablene	Haskell	Quanah
Alpine	Hawley	Quitaque
Anson	Hedley	Rankin
Aspermont	Impact	Rising Star
Baird	Iraan	Rochester

## Bronco JV smash Irish 21-0

The luck of the Irish was on the Broncho side tonight, thanks to a storming defense and timely offensive plays.

The Broncos started the scoring with their first touchdown on their first series of downs with Randy Crump scoring from the 3 yard line after a nifty gainer by Kenneth Calloway and Robert Youngblood.

Both defenses played tough ball for the remainder of the first half. The Irish offense could get only 5 first downs and the Broncos only 2.

The third quarter started the way the 1st half ended, both teams' offense was overwhelmed by good defensive plays. Both offensive units were looking at the 4th down and long most of the night; however on Clarendon's 2nd possession on 4th and long the Irish ran into Randy Crump who was punting and the referee dropped the flag for a big 15 yard penalty and a first down.

This wasn't enough so an Irish player immediately gives the Broncos an additional 15 yards for unsportsman like conduct penalty. This moved the ball to the Irish 30 yard line. In the next play, Robert Youngblood swept the right side for 10 yards and a 1st down to the Irish 20 yard line. Then a nifty gainer by Randy Crump is erased by a clipping penalty against the Broncos. The Broncos now must take to the air on 1st and 25 from their 35 yard line, but an Irish defender gets the pass from Youngblood on the Irish 12 yard line. The Bronco defense meets the test and 3 downs later the Irish loose 9 yards and are forced to punt from the end zone. The punt is

blocked and Randy Crump recovers it in the end zone for a Bronco touchdown. The extra point attempt fails but the Broncos lead 12-0.

The Irish next offensive series is thwarted again by the high flying defense. The Irish punts the ball to Brett Hayworth who call for a fair catch and is creamed by an Irish defender. This moves the Broncos to the Irish 39 to start their next offensive series. After 3 downs could net only 3 yards to the 36, the Broncos gambled on 4th and 6th. The pitch left from Youngblood to Kenneth Calloway was undetected by the Irish as Calloway went in untouched for the biggest offensive play of the night. The pass attempt failed but the Broncos add to an already safe lead to make the score 18-0.

The Broncos kick off with 8 minutes remaining in the 4th quarter. It goes into the end zone for a touch back. The Irish offense takes over on the 20 yard line but down 18-0. They now must go to the air. On 1st down an 11 yard pass is completed to the 31 Yard line for the Irish's first down of the second half. Another pass completion for a second 1st down and the Irish show new life before the Broncos defense rise to the occasion with a quarterback sack and hold on to force the Irish to punt on 4th down.

The Broncos offense tries to get on track again when Kenneth Calloway goes up the middle for 13 yards and a first down on the Irish 49. On third down an errant pitch back forces the Broncos back to their own 35 where Randy Crump is called on again to punt. One of

Randy's worst punts of the night set the Irish up on their own 42. On the first down, Mark Luttrell intercepts a pass on the right side and runs all the way down to the Irish 5 yard line where he was wrestled out of bounds. The Broncos offense lost yardage on the next 3 plays before Randy Crump was called in to attempt a 29 yard field goal which split the uprights to notch the score at 21-0.

The Broncos substitutes were all inserted but on already beaten Irish team was still unable to move on the fresh Broncos. After a couple of more turn overs by both teams, the lights are turned out on the Irish hoped of scoring.

In summary it was a tough defensive game for both teams, but when it had to be a big play by the Broncos offense gave as a big first win.

### Shamrock wins over 7th grade Colts

The 7th grade Colt team and the Shamrock Irish squared off Friday at 4:30 p.m. in the Broncho stadium.

The Colts kicked to Shamrock, the Irish made several good plays for a first down, then with 1:28 left in the first quarter, they put 6 points on the board, then added 2 more making 8-0 Shamrock.

The second quarter started with the Colts on their own 35 yard line, 3rd down and about 7 to go for the first down. On the very next play the Colts fumbled and returned the ball to Shamrock, but their luck was just as bad. On their first play, they also fumbled, returning the ball to the Colts. Brad Shadle took a quick hand off

and went to the 35, but the Colts just couldn't get moving. The Shamrock team had trouble holding on to the ball and with 52 seconds left in the first half fumbled the ball away. The Colts got off one play, before calling for a time out, and with 11 seconds left the Irish received a 15 yard penalty. The half ended at 8-0, Shamrock.

On the opening kick off starting the second half, Shamrock had to kick off twice, due to a penalty on the first kick. The Colts quickly stalled and Dan Ford kicked the ball down to the Shamrock 5 yard line. On the next series of plays the Colts took over the ball on their own 30 yard line but were unable to move.

The only threatening score in the 4th quarter came when Shamrock broke away and it looked like a sure TD, but Brad Shadle and Jeff Mills came across to stop him. Neither team was able to move the ball and the game ended in a 8-0 Shamrock victory.

### 8th grade Colts top the Irish with 20-10 win

In a game trouble with fumbles on both sides, the Shamrock Irish and the 8th grade Colts fought a back and forth battle for the ball, with the Colts coming out with a 20-10 win.

The Colts received the first kick, J. Phillips took the catch back to about the Colts 40, but on the very next play they fumbled and Shamrock recovered. Their first two plays, gain them nothing, but on 4th down they broke through the Colt lines down to about the 8 yard line. The Colts strong defense held them for three downs, but then they went over for the first touchdown of the game,

but a yellow flag brought the ball back for a 15 yard penalty. There the Colts tighten up their defense, and Shamrock had to turn over the ball on the 10 yard line. A fumble, then put the Irish back in the drivers seat, just feet to go, but the first quarter ended, with Shamrock still unable to make the touchdown. But on the Colts first play, they were tackled behind the goal line, and Shamrock Irish put the first score on the board with 2 points.

On the Colts next series of plays, Marcus Smith raced down the left side putting nothing but air between him and the Irish, the extra point failed, making it a 6-2 Colt ball game.

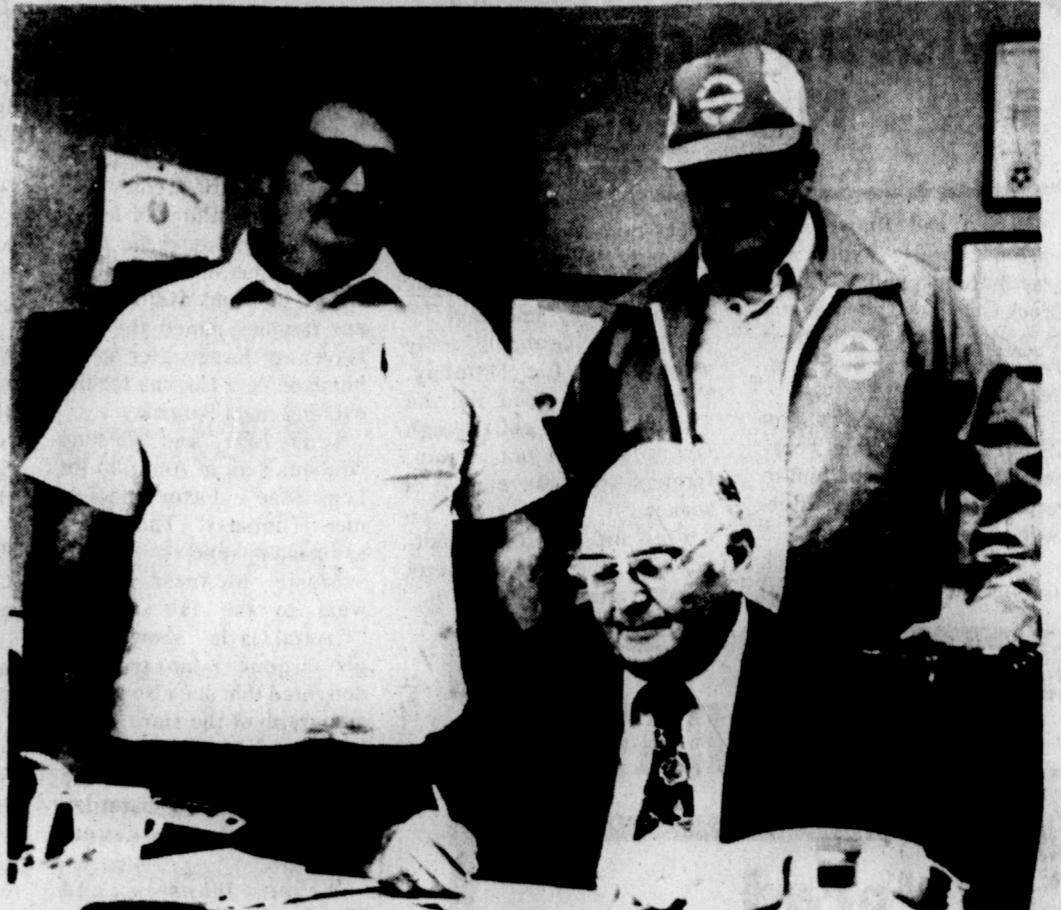

J. LaGrone, J. Phillips, M. Hollar and Marcus Smith was the big reason, Shamrock was unable to get much yardage, but then with only 55 seconds left in second half, Shamrock hit pay dirt, and ran the ball over for 2 extra points, making it a 10-6 Shamrock game.

The second half started with fumbles and more fumbles on both sides, then on a Shamrock fumble, J. Phillips caught the ball before it hit the ground, and made like a steam engine for pay dirt, ran the extra points across, 14-10 Colt game. Marcus Smith added 6 more points to the score before the final whistle blew, making it a 20-10 Colt ball game.

### Roaring 20's Reunion

October 16th is the date for all of the graduates of Clarendon High School classes from 1920 thru 1929. Bill Dillard of Canyon is the planning board chairman.

Mark on your calendar and contact old school chums so that you can make this the cats pajamas, the 52 skiddoo affair of your life!

PRESIDENT OF Farm Bureau and Fire Chief Delbert Robertson watch as County Judge Billie Christal signs proclamation for Fire Prevention Week, Oct. 4-10.

The "Great Chicago Fire" burned out of control for three days--October 7-9, 1871. That fire claimed 250 lives and over 2000 city acres! At the same time in Pichtigo, Wisconsin, fire claimed another 800 lives. Both fires recorded the largest loss of lives in fire history.

From these fires, we learned the need to prevent fire. President Woodrow Wilson declared the first Fire Prevention Day. In 1922, Fire Prevention Week was proclaimed by President Warren Harding, always to be observed during the week in which October 9 falls.

1982 commemorates the 60th anniversary of Fire Prevention Week and the Clarendon Volunteer Fire Department along with the Clarendon EMS has scheduled several events commemorating this week. A fire drill is planned for the school on one day of this week. On Saturday, October 2 an open house will be held at the fire station from 10 a.m. to 3 p.m. with exhibits, refreshments, demonstrations, rides on the 1925 fire truck, etc. All of this is free and all of the adults and kids of the community are invited and encouraged to attend. There will be a blood pressure clinic and exhibits by the EMS. A new ambulance is due to be delivered by that date and

will be on display along with life support equipment. The public is welcome to ask questions of the firmen and EMS personnel regarding their displays and duties.

Starting off the open house at 10 a.m. will be the presentation of trophies and ribbons to the winners of the poster contest. Competition will be tough as the students have put in much work on their posters. In addition to a large trophy, the top poster will receive a \$50 savings bond from both the First Bank and Trust and the Donley County State Bank. Their genotous donations have made the quality of the poster contest excellent.

All winning posters will be on display at the city library October 4-9, and must be picked up on Monday, Oct. 11. All other posters must be picked up at the fire station from 3-4:30 p.m. on the day of the open house. All three Amarillo TV stations have been invited to attend and cover this event. The Clarendon Press will run pictures of the winners in the October 7th edition.

The Fire Department and EMS have put forth much effort and gone to a good deal of expense to make this the best Fire Prevention Week possible so attend the open house and show them that you support their efforts.

Watch for more articles in next weeks Press regarding the major fires of history, biggest fire losses, fire safety, busiest fire departments in the US, and more.

### NEVER SMOKE IN BED

Most fire fatalities happen when somebody falls asleep while smoking in bed. Insurance company statistics are frightening when it comes to smoking in bed. Make it a standing rule... "Never smoke in bed."

### TEXAS TOPICS

Statistics show that the Caribbean islands rank as one of the most popular locations for honeymoons by Texans. June bookings for Frenchman's Reef Beach Resort in St. Thomas, for example, were up 37 percent last year, due primarily to the increased popularity of the islands among honeymooners.

Richard Todd, captain of the New York Jets, and his bride chartered a boat from the Reef's Undersea Centre for daily scuba diving among the many wrecks of ships that went down in the area years ago. They were joined at the hotel by Mike Kadish, of the Buffalo Bills, and his wife who discovered the area on their honeymoon and decided to settle in St. Thomas during the off-football season.

Frenchman's Reef is the largest resort in the U.S. Virgin Islands. It has its own generating plant for electricity, a fresh water distilling plant and a sewage treatment facility. The hotel's air conditioning is powered by the largest solar system of its kind. A Texas bridegroom commented to Managing Director Nick Pourzal, "What, no oilwells?"

Four-fifths of the people of Texas live in urban areas. Half of those are located in the metropolitan areas of Dallas-Fort Worth, Houston and San Antonio.

# WITH YOUR HELP...

## WE'RE MORE THAN A MATCH FOR ARSON

HELP! ARSON AFFECTS ALL OF US! MOST OF US THINK ARSON IS SOMEONE ELSE'S WORRY! STATISTICS PROVE DIFFERENTLY:

1. Arsonists seriously affect your children's education when they torch your schools.
2. You pay the cost of higher insurance premiums as a result of the arson menace.
3. You could lose your job! Few businesses can recover from a major fire.
4. Taxes rise, property values decrease, heavier burdens are placed upon your fire department.

HELP YOUR COMMUNITY HELP ALL OF US COMBAT THIS HORRENDOUS PROBLEM. ARSON IS CAUSE FOR IMMEDIATE AND GREAT ALARM IN YOUR COMMUNITY. BE ALERT ABOUT ANY SUSPICIOUS TALK, OR ACT, AND REPORT YOUR OBSERVATIONS TO YOUR LOCAL FIRE STATION OR POLICE AUTHORITIES. ARSON IS A CRIME, BUT WITH YOUR HELP, WE'RE MORE THAN A MATCH FOR IT!

CLARENDON, TEXAS

### FIRE PREVENTION WEEK

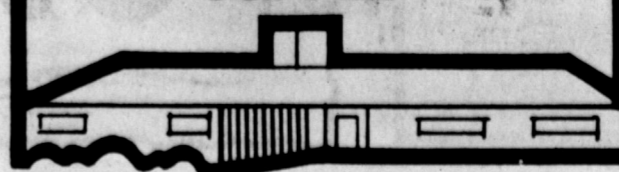

DON'T GIVE FIRE A PLACE TO START!

CREATE A FIRE-SAFE HOME YOUR LIFE MAY DEPEND ON IT!

Avoid the hazards of flammable liquids when stored and used in or near your home. It can't be stressed enough: flammable liquids are dangerous products. Use extreme caution when handling them!

CLARENDON AUTO SUPPLY

PROCLAMATION  
BY THE

COUNTY JUDGE OF DONLEY COUNTY

TO ALL TO WHOM THESE PRESENTS SHALL COME:

I, Billy Christal, County Judge of Donley County, do hereby declare the week of October 3-9, 1982 as FIRE PREVENTION WEEK in Donley County, for the following reasons:

WHEREAS, this year's theme for FIRE PREVENTION WEEK is "Learn Not To Burn Wherever You Are." This title is aimed at you - to remind you to be aware of your surroundings at all times whether at home, at work, at school or at play. Be mindful of your safety from fire wherever you are; and

WHEREAS, every room in your home and every person is a potential hazard. In the kitchen, a dangling coffee pot wire could be the cause of a serious scald to an adventuresome toddler. Train yourself to keep wires and hot cook pot handles out of the reach of children and to help prevent serious burn injuries to your family. Take a walk through every room in your house and on into the garage and attic. Make a list of things that may threaten your life safety and work with your family to correct hazards like - turning the home water heater temperature setting down from 140-145 degrees to a much safer temperature of 120-130 degrees; and

WHEREAS, you can be your own Fire Marshal by: (1) Correcting fire hazards associated with smoking and matches. Make it a rule in your home of, "No Smoking in Bed". If you have smokers in your home: before leaving home or retiring for the night, empty all ash trays into aluminum foil (extinguishing all smoking materials). Also, check floors and remove cushions from upholstered furniture to look for dropped, burning cigarettes; and

WHEREAS, every home should keep one or several properly maintained fire extinguishers and smoke detectors. In case a fire does occur in your home the smoke detector and fire extinguisher prove to be dollars well invested; provided you and your family know how to react.

WHEREAS, "Learn Not To Burn Wherever You Are" means having a well rehearsed E.D.I.T.H. - Exit Drills in the Home; knowing the procedures on "What Do You Do If You're Caught In A Hotel Or Motel Fire"; and to "STOP, DROP AND ROLL" if your clothing catches fire; now,

THEREFORE, I urge all citizens of Donley County to join hands in "observing" this special period by working together fifty-two weeks a year to fully realize the benefits of FIRE PREVENTION WEEK.

Signed Billy Christal  
County Judge

# "Learn Not To Burn Wherever You Are"

October 3-9, 1982 is Fire Prevention Week in Donley County and across the nation, with the theme: "Learn Not To Burn Wherever You Are".

According to Lacy Lee Noble, President of the Donley County Farm Bureau, fire prevention has special significance to farm and ranch families for the following reasons:

Fires on farms and ranches pose a special threat, unlike an urban or city property that has immediate access to a well organized fire department and an abundance of water.

Most farm and ranches are relatively isolated from fire fighting equipment and may lack adequate water for fighting a fire.

Many farms and ranches have the added fire risk brought on by traversing of railroads and roads. Trains cause grass fires as the result of a "hot box". The careless smoking motorist uses the roadway instead of his ash tray to discard his used smoking materials - thus turning valuable farm property into ashes. Vehicles traveling along the roadway on a bare rim create or produce sparks that result in grass fires spreading over many acres of crop and rangeland; many times destroying valu-

able structures and equipment.

Though U.S. fire losses amount to approximately \$5 billion annually, the human misery caused by unwanted fires is the most terrible cost. More than 6,000 people die and many more are injured in over 1,000,000 fires each year.

Farm fire property losses (dwellings, buildings, animals, cotton, hay, grain, supplies, timber, machinery and vehicles) approach an estimated \$300 million annually.

Frequent causes of building fires include electrical faults, smoking and matches, heating and cooking equipment, children playing with matches, open flames and sparks, arson, chimneys and flues, lightning and spontaneous combustion.

Joe Smetana, Safety Director, Texas Farm Bureau Waco, Texas, offers these suggestions for fire and burn prevention:

Plow fire lanes around pasture-range-timber land. Also, plow fire lanes around farm structures, equipment and hay bales. Spray to kill weeds and grass - that later become a fire hazard.

Up date any old electrical system. Wiring may fail due to faulty installation, over-

loading, physical damage, aging, and the deterioration caused by chemical action, heat, sun, moisture and weather. Check your fuses and circuit breakers. Check wire size with the amount of current being used. For example: At 110-120 volts, No. 14 A.W.G. copper wire will handle a maximum of 15 amperes or 1800 watts; No. 12 wire will handle 20 amps or 2400 watts; and No. 10 wire 30 amps or 3600 watts.

Be careful with matches, lighters and smoking. Do not smoke in places with combustible or flammable materials, nor when refueling or

handling flammable or explosive materials.

Think about fire prevention when you use a welder; especially when you use an oxy-acetylene torch for cutting. Too high oxygen pressure can blow sparks twice as far as a need be.

Locate above-ground fuel storage tanks at least 50 feet from buildings; keep the tanks painted white, under shade. When refueling a tractor, turn off keep the engine and extinguish smoking materials. If the engine is hot, let it cool for a few minutes. For added protection, have a fire extinguisher handy.

Dear Clarendon Citizen  
 I am looking for a newspaper obituary or article about my grandfather Richard Oldham Thomas died 1 Jan. 1923 in Clarendon, Texas. Do you have newspapers dating back that far. If not where would I write to find a copy. My Thomas relatives lived and maybe still do live there.  
 Would you be able to photocopy the article for me. I will be glad to reimburse you for your costs.  
 Also would you look up Martha or Mattie Thomas died around the first week of Dec. 1931 in Meadow but buried in Clarendon, Texas.

Thank you,  
 Pat Southard  
 315 Sabra Ct.  
 Las Vegas, Nevada 89107

**TEXAS TOPICS**

Ideal drinking water is free of bacteria, sparkling clear and tasty, but water in its natural state seldom has these qualities. Water drawn from a natural source must first be purified at a treatment plant before it is pumped to consumers. Many Texas towns use these three basic processes: coagulation and settling, filtration and disinfection.

### Jennifer Lynn Hill

Randy and Kay Lynn Hill of Amarillo are proud to announce the birth of their daughter, Jennifer Lynn. She was born Sept. 17 at North West Texas Hospital and weighed 6 lb. 1 1/2 oz. and was 20 1/2 inches long.

Baby Hill's Grandparents are Mr. and Mrs. Ralph Hill of Clarendon and Mr. and Mrs. Bobby Johnson of Amarillo. Her great grandparents are Mr. and Mrs. Everett Johnson of Claude Mrs. Henry Wilson of Amarillo and Mr. and Mrs. O.T. Hill also of Clarendon.

### John Tyler Topper

Keith and Teresa Topper are proud to announce the arrival of their son, John Tyler. He was born at the Hall County Hospital on September 22nd, at 12:07 p.m. He weighed 5 pounds, 15 ounces, and was 19 inches long.

Grandparents are Mr. and Mrs. Billy Hill and Mrs. June Topper of Clarendon.

### Daniel Clay Sawyer

Misti Sawyer announced the arrival of her baby brother, Daniel Clay who was born September 16. Daniel weighed 5 lbs and was 19" long and entered into Texas via Memphis.

Dan and Michele Sawyer are the parents and they are from Clarendon. Grandparents are Ed and Mary Ann Sawyer from Clarendon, and Harold and Roxie Armstrong from Van Horn.

Daniel's great grandparents are Forrest and Gladys Sawyer from Clarendon, Mae Osburn, Dawson, Jim and Jessie Armstrong from Van Horn and Elmer and Ganell Reynolds also from Van Horn.

### Amy Michelle Newhouse

Bubba and Nancy Newhouse are the proud parents of an 5 lbs. 11oz. baby girl, Amy Michelle, born Sept 24 in Kerrville Tex. She is welcomed at home by her sister Sara Lynn and Eight foster sisters in Fenton Cottage at Medina Childrens home where Bubba and Nancy are houseparents.

Grandparents are Bright and Cloe Ann Newhouse of Clarendon and Kenneth and Sue Rogers of Throckmorton.

## Heat's On

By KATIE DVORAK

Winter seems to be making an early start on the country. There have been reports of snow and ice already north of here.

What could be better tasting on a cold, snappy day than hot meat and potatoes baked in a pizza pan? Serve it with a tossed salad, a hot veggie, milk and have a super nutritious meal.

#### Potato Sausage Ruff

1 pkg mashed potato flakes (8 servings)  
3 eggs  
1/2 lb. sausage  
1/2 C. shredded sharp cheddar cheese

1 TBS chopped pimiento  
2 tsp chopped chives  
1/2 C. milk  
Prepare potatoes as directed on package, except reduce water to 1 1/4 C. Beat 1 egg and stir into potato mix. Spread potatoes on a greased 10 to 12" pizza pan, building up edges to form a thick 3/4" high rim. Bake at 450 for 15 to 20 minutes or until browned. Reduce oven to 350.

While crust bakes, brown sausage, pour off excess fat. Sprinkle sausage and other ingredients over crust. Beat remaining 2 eggs and combine with milk, pour over filling. Bake at 350 for 15 minutes or until filling mix sets.

Would you like something foreign to serve your guests? Something they have never eaten before and will not likely be eating all winter? Try this:

#### Tunisian Dessert Brick

8 egg roll skins (find it in Amarillo stores)  
8 TBS applesauce  
8 TBS walnuts  
3 C. oil  
4 tsp sugar  
powdered sugar for dusting

For each brick, place 2 egg roll skins on a flat surface so

they overlap about 2". In center of egg roll skins, place 2 TBS applesauce, 2 TBS walnuts and 1 tsp of sugar. Fold egg roll skins over and with spatula place brick in pan with hot oil and cook 2 minutes or till brown. Flip over and brown other side. Remove and dust with powdered sugar.

Let's start to use up those peaches in the freezer. Try this one.

#### Peach Pie

3-4 C. sliced fresh peaches  
1 C. sugar  
pinch salt  
1 well beaten egg  
1 TBS flour  
2 TBS butter  
1 tsp cinnamon  
2 recipes pie pastry

Combine peaches, sugar, salt, egg, flour, butter and cinnamon. Pour into 6 1/2 X 10" pie pan lined with pastry. Roll out second recipe for pastry and cut into strips for top of pie. Bake at 400 for 30 minutes.

In order to keep peaches from turning brown while fixing this dish, soak them in lemon juice or ascorbic acid (Fruit Fresh).

## Foods lessen odds of getting cancer

Although we have heard plenty about foods that appear to increase the chances of getting cancer, a recent study also cites foods that seem to reduce the odds, says the Texas Medical Association.

A scientific committee of the National Academy of

Sciences says in a report that diets rich in fruits, vegetables and whole-grain cereals seem to reduce the chances of getting certain kinds of cancer. The panel specifically urged daily consumption of produce high in vitamin C and carotene, which the body changes to vitamin A.

The committee noted that vitamin C in foods can inhibit the formation of cancer-causing substances. It said foods rich in vitamin C, such as citrus fruits, tomatoes and peppers, appear to lower the risk of stomach and esophagus cancer.

Foods high in carotene are associated with a reduced risk of many cancers, including lung, breast, bladder and skin. These foods include dark-green leafy vegetables and deep-yellow fruits, and vegetables, such as carrots, spinach and broccoli.

The study also cited vegetables in the cabbage family—cauliflower, kale and brussels sprouts—for their natural cancer-inhibiting substances.

But the committee advised against taking large doses of vitamin and nutrient supplements. It cited a lack of proof that this is healthful and noted possible toxic hazards.

The study also urged people to cut back on foods that may increase the risk of getting cancer. They include: --Salt-cured and smoked foods such as bacon, bologna, smoked fish and ham, sausage and hot dogs.

--Foods high in fat such as fatty cuts of meat, cooking oils and whole-milk dairy products.

Finally, the report urged moderation in drinking alcoholic beverages. It noted that heavy drinking has been associated with an increased risk of cancer of the upper gastrointestinal and respiratory tracts, particularly when combined with smoking.

## Operate microwaves safely

They detect speeding cars, provide warnings against burglars, send telephone and television communications, and provide deep heat for treating sore muscles. But the most familiar use of microwaves is to cook food.

Despite their widespread use, research on whether low levels of radiation from microwaves pose any health hazard is inconclusive, says the Texas Medical Association. But microwave ovens are considered safe if approved by the U.S. Food and Drug Administration and used properly.

Three characteristics allow microwaves to be used in cooking: They pass through glass, paper, plastic and similar materials; foods absorb them; and metals reflect them.

Inside the oven, an electron tube called a magnetron produces microwaves. They bounce off the oven's metal walls until absorbed by the food. The microwaves cause the water molecules in the food to vibrate, producing heat that cooks the food. For this reason, foods with a high water content, like fresh vegetables, cook more quickly than others.

These ovens cannot make food radioactive because microwave energy is converted to heat as soon as the food absorbs the waves. The concern is over radiation leaking from ovens. But FDA standards limit allowable microwave leakage during an oven's lifetime to a level far below that known to harm people. In addition, the measurements are taken two inches from the oven's surface, and the level of leaking radiation that might reach a person decreases dramatically as he moves away from the oven.

Here are some tips for operating a microwave oven safely:

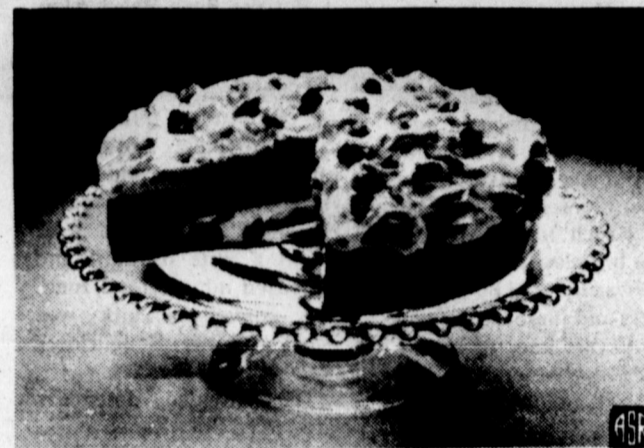

- Follow the manufacturer's instruction manual.
- Don't operate the oven if the door closes improperly.
- Never operate the oven if you have reason to believe it will continue to operate with the door open.
- Don't stand directly against the oven for long periods while it is on.

## BROILED ROYAL TURKEY SANDWICH

8 slices bread  
Butter  
1/2 C. salad dressing  
1 C. finely diced cheddar cheese  
1/2 C. finely chopped green bell pepper  
1/2 C. finely chopped red bell pepper  
1 T. lemon juice  
1 T. minced onion  
1/2 tsp salt  
1/4 tsp pepper  
1 lb. sliced breast of turkey  
4 slices cheddar cheese

Toast bread on one side only. Spread untoasted side with butter or salad dressing as desired. Mix 1/2 cup salad dressing with cheese, green pepper, red pepper, lemon juice, onion, salt and pepper. Set aside. On four slices of the toasted bread, place cheese and turkey slices; broil until bubbly. Spread bell pepper mixture on remaining slices of toasted bread and close up sandwiches. Serve warm.

## Special Added Touches Make Simple Desserts Party Perfect

With the entertaining season in full swing comes the inevitable search for delicious, elegant desserts that aren't difficult or time-consuming to prepare. A simply made gelatin dessert can be a rousing finale to a meal, or it can stand majestically alone, when a special touch, such as the topping on Snow Covered Cherry Dream, is added.

The "snow" covering this attractive holiday-red mold is a combination of La Creme whipped topping from Kraft and sour cream, with miniature marshmallows folded in.

The slightly tangy flavor of the mixture is a perfect complement to the cherry flavored gelatin, chopped fresh pears and walnuts. No last minute preparation of this dessert is necessary, because unlike whipped cream, La Creme frozen whipped topping with 54% real dairy ingredients doesn't separate or will under refrigeration. That makes it the ideal

dessert to make ahead for parties.

Friends drop by unexpectedly? Spirited hot coffees and other hot beverages can be transformed into luscious desserts when served in an attractive mug topped with a large spoonful or two of

whipped topping made with real dairy ingredients. The fresh natural dairy taste stands out — yet the topping has only 12 calories per tablespoon, and all the convenience of other prepared whipped toppings.

Any leftover whipped topping can be refrozen. Or it might be nice to keep it in the refrigerator to top a weeknight family dessert to make it extra special too.

Whether the gathering is impromptu, or well-planned in advance, the dessert can star if that special touch is added. Snow Covered Cherry Dream 2, 3-oz. pgs. cherry flavored gelatin

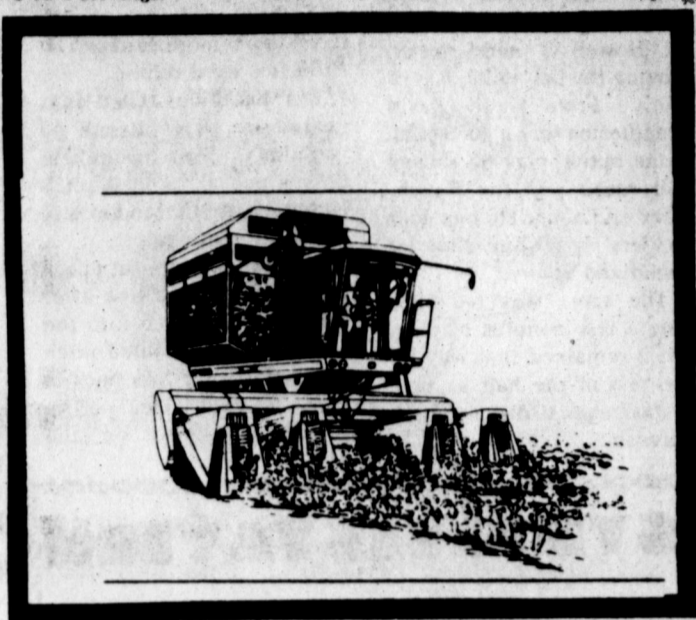

2 cups boiling water  
1-1/2 cups cold water  
1 cup chopped pears  
1/3 cup chopped walnuts

2 cups thawed La Creme whipped topping  
1 cup dairy sour cream  
1 cup Kraft miniature marshmallows

Dissolve gelatin in boiling water; add cold water. Chill until partially set; fold in pears and nuts. Pour into lightly oiled 8 or 9-inch layer pan. Chill until firm.

Combine whipped topping and sour cream; fold in marshmallows. Unmold gelatin; top with whipped topping mixture. 6 to 8 servings.

## Kitchen Fires frequently start by leaving food unattended

## Now's the time to buy that new John Deere cotton stripper. Make your best deal and postpone finance charges until 1983

A new John Deere cotton stripper could make a world of difference in your productivity. You can't find a better time to get one. We're ready to deal. And on top of the deal you make by October 30 this year, all your finance charges will be waived until 1983. It's a winning combination that can keep more of your money available for other uses. Come on in and let's talk it over.

**Bronchos Can't From P 1**

right end, finally being brought down at the Boys Ranch 28 yard line.

Then senior Fullback David Weatherton burst through the middle of the Boys Ranch line, behind excellent trap blocking by junior Quick Guard Arlis Thomas and junior Strong Guard Creed Wright, for 16 yards to the opponents' 11 yard line.

A quick pitch to Glenn Weatherton netted 3 more yards, a quarterback keeper by Howell 2 more yards, moving the ball to the 6 yard line. From there David Weatherton took a good pitch on an option play by Howell and raced into the Roughrider end zone, eluding four tacklers with his superior speed and agility.

The score was 6-0 after only a few minutes of play, but it remained that way for the rest of the half as both teams began to display tough defense.

After a series of punt trade-offs between the teams, Clarendon mounted another offensive drive in the second quarter. Starting at their own 32 yard line, the Bronchos reeled off five good runs in a row.

Howell pitched to Glenn Weatherton for an 8 yard gain. Then David Weatherton made 5 yards on a dive play. Howell made 4 more yards himself on a quarterback sneak. Then another dive play by David gained 5 more yards. Finally, sophomore Tailback Rodney Smith picked up 5 more yards. The Bronchos were rolling.

But this drive stalled as it neared the Boys Ranch 40 yard line. Two incomplete passes and a fumbled pitch ended it, and Clarendon was forced to punt again.

The Roughriders set up on their own 20 yard line after the punt had sailed into the end zone. A fumbled pitch resulted in a big loss back to their 7 yard line. The Bronchos seemed on the

verge of winning the first-half field position contest.

But the Roughriders refused to give in. Instead they executed one of their best plays of the evening, a trap play that resulted in a 50 yard gain all the way to the Clarendon 43 yard line.

Time was running out in the first half, though, and a few incomplete passes ended the Boys Ranch drive as intermission began.

The Bronchos were chomping at their bits when the third quarter began, hoping to unsaddle the Roughriders and make the game a runaway. Receiving the kickoff, the visitors drove the ball all the way to the home team's 10 yard line.

On this drive, Howell hit Tight End Ray Crump on a screen pass and the tall senior rambled for 15 yards. Then Howell pitched the ball to Rodney Smith for 7 more yards. Howell then kept the ball on an option play and picked up 5 yards. Another pitch to Glenn Weatherton earned 10 yards, and still another pitch to Rodney gained 5 more yards.

Unfortunately, the gutsy Boys Ranch team came up with a big play at this point. Smith was hit hard by several tacklers and fumbled the ball at the 10 yard line, where the Clarendon drive ended.

The Broncho defense, which played with great intensity throughout the game, stopped the Boys Ranch offense again and forced another punt. But when the Clarendon offense took over near midfield, trouble started for the Bronchos. Another fumble, this time on a pitch to Glenn Weatherton.

The momentum seemed to be shifting in favor of the home team. An option pitch netted 20 yards for them.

Then the Boys Ranch quarterback ran a bootleg to the right and threw a fine pass to an open receiver, despite the fact that senior Tackle Brad McGuire and End Rodney Smith were draped all over him.

The ball was then at the Clarendon 11 yard line. Four off-tackle dive plays resulted in a Boys Ranch first down at the 1 yard line. But the already-stingy Broncho defense then became even stinger. First-and-goal from the 1...dive play...no gain. Second-and-goal...dive play...no gain. Third-and-goal...dive play...no gain.

Brad McGuire was dominating the line of scrimmage. And the other Broncho defenders were playing their hearts out too.

But the Boys Ranch players know a little bit about determination and desire too. On fourth-and-goal from the one, the BR quarterback faked a dive play and handed off to the second back through as he was being tackled. The second back found a little daylight and squeezed into the end zone. The conversion kick was good and the Roughriders led 7-6.

The Broncho defenders had forced Boys Ranch to run 9 plays in order to score from the 11 yard line. Now that, fans, is good defense.

On the kickoff Rodney Smith found a hole in the Boys Ranch pursuit and bolted 35 yards to midfield. But another fumble was caused by the hard-hitting players in

blue, who now clearly had the momentum, the lead, and the ball.

But McGuire & Co. forced Boys Ranch to punt again, and Clarendon prepared to drive for the winning score as the fourth quarter began.

However, a spectacular one-handed interception by the Boys Ranch safety ended that drive before it began. Then the home team started a drive of their own to clinch the victory.

The ball had reached the Broncho 35 yard line when the game's momentum took an abrupt about-face as a result of one big clutch play by the maroon defense.

Defensive signal-caller Coach Dudley Kelm decided to gamble with a safety blitz on an apparent passing down. Junior safety Richard Gaines came hustling in to sack the Boys Ranch quarterback for a crucial loss. But better than that still, Gaines hit the quarterback hard enough to cause a fumble and Rodney Smith recovered the ball at the Clarendon 46 yard line.

The clock was running too fast for the home fans. This might be the last chance to win the game, they thought nervously. But the next three plays gained only 6 yards, and Clarendon lined up in punt formation on fourth-and-four at the Boys Ranch 48 yard line.

But they didn't punt. Coach Ted Allen, who thrives on such pressure situations, called for a fake-punt pass. The snap went to Dyrone Howell rather than punter Arlis Thomas, and Howell lofted a perfect strike to Flanker Richard Gaines, who

caught the ball and ran all the way to the Roughrider 18 yard line.

For Gaines it was his second clutch play of the final quarter. Perhaps it was the result of sibling rivalry: his brother John plays for Boys Ranch.

Clarendon was then poised to win the game in dramatic fashion, and that's just what they did. Two Howell runs gained 8 yards to the Boys Ranch 10 yard line. Then Arlis Thomas lined up to kick a field goal from the 16 yard line.

The ball sailed clearly through the uprights. The Bronchos had regained the lead, 9-7.

But Boys Ranch was not through yet. On the kickoff a speedy Roughrider back broke through a slight hole and into the open field. Only a game-saving tackle by Glenn Weatherton stopped him at the Clarendon 45 yard line.

Soon thereafter, facing a fourth down situation, Boys Ranch tried a gamble of their own: a daring reverse play. But End Ray Crump saw it coming and dropped the runner for a big loss.

Clarendon took the ball but could not gain a first down. Arlis Thomas punted on fourth down from midfield and boomed one out of the end zone. Officially, it was a 50 yard kick. The ball traveled about 75 yards altogether.

It looked as though that kick, plus the Thomas field goal, had put the final nails in the Boys Ranch coffin.

Not so. The never-say-die Roughriders took the ball on their own 20 yard line and

executed a clutch pass play that gained 30 yards.

The blue team was at midfield with enough time to score a touchdown or a field goal to win the game.

But Glenn Weatherton then produced his second game-saving play of the final quarter. He intercepted a Boys Ranch pass at the 35 yard line.

Dyrone Howell then fell on the ground intentionally on the next few plays to run out the clock and preserve the Clarendon victory.

The Broncho players, coaches, and fans were relieved and very happy to win this tough contest against the aptly-named Roughriders.

Both teams left the field proudly. It was that kind of game.

## Greer maps out Cemetery

Genologists have had a difficult time finding names of folks buried in the Citizens Cemetery east of Clarendon. The reason is because the names of individuals buried in the various plots have not been recorded. Often, a plot may be purchased in one family name and later grave sites sold to other folks and none of this is recorded in the Robertson Funeral Directors' files. So, if some member of the family comes along looking for the gravesite of their long-lost family member, there is no record of them on file and they must walk around the entire Citizens Cemetery to find the grave site.

Molita Greer, however, has given the entire summer over to completing a project that Delbert Robertson predicted would take over a year to do. He said that "I couldn't have spent much time doing it and it is a monumental task," and Molita Greer did it this summer. She had to walk all over

the cemetery, plot by plot to locate and record names of individuals buried in the gravesites. She then transferred that information onto 3 X 5 index cards and alphabetized them. She then cross-indexed most of them for the files.

Graves without markers, however, cannot be indexed, naturally. In time, they will be given names as families come looking for names who are supposed to be buried in Citizens Cemetery, these unmarked sites can be discovered.

Molita Greer has indexed almost 7,000 graves. She said that the project "gave me a reason for walking. I hate to walk just for the sake of walking, but doing this gave me a good reason to be out and enjoy myself at the same time".

Thank you Molita Greer for tackling such a monumental chore for all of our posterity!

## Obituaries

### Andrew Turner Sr.

Graveside Services for Andres Turner Sr., age 80, a resident of Clarendon 30 years were held at 2:00 p.m. Wednesday, September 29, 1982, in Citizens Cemetery, with Tom Harguess, Church of Christ, Minister, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Turner died at 12:30 p.m. on Sunday, September 26, 1982, at Medical Center Clinic in Clarendon. He was born on April 15, 1902 at Navasota, Texas. He married the late Nettie Jones in 1952. He worked as a laborer and was a member of St. Stephen's Baptist Church.

Survivors include three sons, Andrew Turner Jr. of Clarendon, Cleveland Turner of Dallas, Andrew Turner of Navasota, Texas; a step-son, Curtis Wines of Amarillo; a step-daughter, Zettie Mae Edwards of Dallas; one sister; seventeen grandchildren; and eleven great grandchildren.

# IN AND AROUND HEDLEY

## Hedley News By DARLENE BALL

Hobart Moffett had surgery on Friday, and is in St. Anthony's Hospital.

Jerry Clements of Los Angeles Calif. visited Louise Long last Thursday. Jerry is the son of the former L. Long.

There is many Hedley people in the rest home in Memphis, Mr. and Mrs. Preston Gilbreth, Ethel Kinslow, Willie Johnson, Tillie Spalding, Bessie Yandell, Fanny Reynolds, Mrs. Cline and Mrs. Vic Shelton. These people do have regular visitors such as, Hobart Moffett, Ruby Buckler, Eva Hansard, Red Dogherty, V.T. McPherson, Mr. and Mrs. Bert Stone, Mr. and Mrs. Gardenhire, Moon Mullins, Myrtle Reeves, Lois Beach and Eloise Spalding.

Last week Willie Johnson had company from Snyder, Okla., Mrs. Mot Mills and Mrs. Carl Million.

Fanny Reynolds is up most of the day now and has her meals at the table, in the rest home.

Our Hedley people that are in the Memphis rest home, had a trip by busing down town to see the Memphis parade for the ole time settlers. Among the floats, was Hedley's one of the prettiest.

The Jeffers Brothers and sisters family get together was held in Amarillo, Sept. 15th, at the home of Mr. and Mrs. Robert Moore. Twenty-two family members were present. Mrs. Stella Jeffers, Mrs. Evelyn Hopper, Mr. and Mrs. Gilbert Jeffers, Mr. and Mrs. S.L. Jeffers and daughter Sheryl-son, Paul and Debby, Mr. and Mrs. Chris Moore and baby son, Mr. and Mrs. Bobby Moore all of Amarillo. Mr. and Mrs. Raymon Jeffers, Clarkville; Mr. and Mrs. Dean Jeffers, Dallas; Eddie Jeffers, Claude; Mr. and Mrs. N.W. Jeffers, Hedley; Mrs. Bettie Lou Wright, Houston and Mrs. Christene Cavener of Dundee. All had a good time, with lots of food and pictures taken.

Mr. and Mrs. Jack Broyles from Thousand Oaks, Calif. visiting Mr. and Mrs. J.T. Lamberson.

### Local

Mrs. Alice Johnson, Mrs. Cloese Spalding and Mrs. Lois Beach visited Mrs. Lillie Spalding and others last week. They visit all Hedley people ever week. It is always good to see them.

Mildred Hutie is a regular Wednesday visitor at the nursing home. Her husband Bob has an aunt here. She is Mrs. Beck.

Mr. Billy Ray Johnston

visiting the home here Tuesday. He runs the Clarendon nursing home. He visited with Mrs. Willie Johnson. She has known him since he was a little boy.

## Sgt. Holt in Turkey

Sgt. David P. Holt, son of Jack V. Holt, Sr. of Hedley, and Juanita Cross of Amarillo, has arrived for duty at Incirlik Air Base, Turkey.

Holt, an aircraft pneumatic systems mechanic, was previously assigned at Cannon Air Base, NM.

# Lelia Lake News

By JEANIE LAUDERDALE

Mr. and Mrs. Herbert Shields celebrated their 33rd wedding anniversary Thursday, Sept. 23rd. Thursday night they went to Amarillo for supper and then attended the Ice Capades.

Mr. and Mrs. Roy Lee Helms and Mr. and Mrs. Leo Smith visited Mrs. Alderson in St. Anthony's Hospital Tuesday.

Mr. and Mrs. Earl Shields and Derek and Mr. and Mrs. Donald White attended the Amarillo Fair Thursday.

Mr. and Mrs. R.O. Nelson attended the fair Friday. On their way home they visited with Mr. and Mrs. Forrest Denton.

Mr. and Mrs. Phil Lauderdale and Shauna attended the Fair Friday night.

Mr. John Eaves of Abilene spent Thursday night with Mr. and Mrs. Andrew Henderson. John is an old friend of theirs.

Mr. Richard Lewis' granddaughter Mr. and Mrs. Phil Casto and girls from Amarillo visited Saturday.

Mr. and Mrs. Ferrel Floyd were in Amarillo Tuesday. While there, they visited and had dinner with Mr. and Mrs. Boner Howard.

Bud Moore picked up his son, Michael Moore, at the McCully's Friday. They spent the weekend together in Amarillo.

Mr. and Mrs. Hollis Bannister and their granddaughter, Mr. and Mrs. Pat Cencerius, went to Amarillo Sunday to attend their grandson Douglas' 1 year birthday party. Douglas is Kelsey's boy.

Happy Birthday Nathan Kootz. His birthday was Sept. 21st.

David and Wanda Wilson just returned from a ten day vacation. They toured Tennessee and Kentucky. While in Nashville they went to the Grand Ole Opry. They just had a great time.

Mr. and Mrs. J.D. Wooten visited his sister Bertha

Boyce in Norman, Okla. last week.

J.B. and Yvonne Belle McDaniel attended the Quarter Horse Show in the Bill Cody Arena Monday. Mr. and Mrs. Don Owens had horses in the show. After the show J.B. and Yvonne Belle visited with the Owens in their home. Mrs. Owens parents, Mr. and Mrs. Tode Hill, were also there.

Andree Allen spent Wednesday visited her grandparents, Henry and Nadine Hasteley. Brad Allen got to visit after school.

Mrs. J.H. Bowling was in Amarillo Wednesday on business. While there she visited Mamie Mills. Mamie is still being fed intravenously. Our prayers are with her.

R.O. Nelson's brother, Ray from Dimmitt, visited R.O. and Alena Sunday.

Sunday, Earl and Susie Shields and Don and Maxine Robinson visited Ruby Blackman in the hospital in Amarillo.

Lacy and Mary Lee Noble visited the Henry Hasteys Sunday.

Mr. and Mrs. J.H. Bowlings daughter Otheila, from Panhandle came to see them Sunday.

Mr. and Mrs. Jack Moreman, Melody and Patrice Shields attended the Tri-State Rodeo in Canadian Saturday.

Mr. and Mrs. Bob Cowan visited Henry and Nadine Hasteley Sunday night.

We are all sorry to hear about Hobart Moffitt being in St. Anthony's Hospital. We want to wish him the best. He's a fine fellow.

Christine and Norman Kennedy of Lawton, Okla. visited Sunday with her brother Mr. and Mrs. Earl Shields.

The Leroy Leathers were in Amarillo Saturday. Katrina entered her muffins and won an honorable mention ribbon. Congratulations. Katrina then attended the

fair with her cousins, Steve and Sara Richardson.

The Jerry Knootz family attended the fair Wednesday evening.

Mr. and Mrs. Harold Browning visited his two sisters in St. Jo. over the weekend. Friday night they went to Arlington and saw the Texas Rangers and Calif. Angels play baseball. Saturday they attended a school reunion in St. Jo.

Sunday, Jerry, Janon, Amy and Nathan Knootz visited Janon's parents, Mr. and Mrs. Cliff Jones, in McLean.

Saturday, Ronald and Mary Castner went to Amarillo and bought them a new leaseat. Hmmm.

## Studer receives NMMI Scholarship

Tracy S. Studer, student at New Mexico Military Institute in Roswell, NM., has recently been awarded a scholarship from the NMMI Foundation, Inc.

More than \$42,000 in scholarships have been awarded to 37 cadets at the military school this year by the Foundation, according to Col. Harry D. Blake, Jr., director of development.

Although divided into six categories, most of the scholarships are based mainly on academic excellence, Blake said. Funds are provided by an endowment fund maintained by the Foundation for the benefit of the institute.

Texas has more fairs, festivals and expositions than any other state - over 500 each year.

Texas raises more cotton than any other state.

## Handy Helper

### Avoid Costly Home Repairs

A little preventative maintenance avoids many more costly home repairs. And it's easy. Set yourself a schedule. One weekend each month, go on an inspection tour of your house. Each time, pay special attention to one of the following:

— Hinges, latches and locks. Tighten loose ones. Adjust misalignment. Look for excessive wear. Lubricate all moving parts.

— Inspect tile and trim. Reapply grout between chipped or loose tiles. Touch-up wood trim. Check all exposed metal for rust and corrosion. Treat with protective spray.

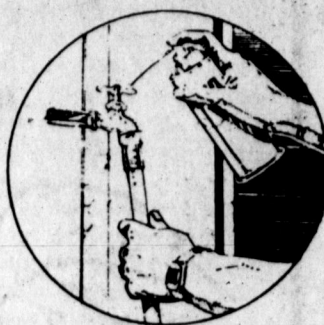

— Heater filters, ducts and vents. Replace filters. Lubricate moving parts. Clean vents.

## Medical Center Superior Rating

Every year that the Texas Department of Health has given certificates to nursing homes, Clarendon's Medical Center has earned the coveted Superior certificate.

With a staff of 62 and residents numbering 43, Administrator Billy Ray Johnston has had his hands full fulfilling all of the requirements necessary to earn this certification.

"There is a waiting list of folks wanting to be admitted to our facilities," Johnston said, "because we have a fine staff and have a fine record." Johnston said that they really keep "up to snuff" in order to earn the

— Windows. Repair loose or torn screens. Clean tracks. Clean and lubricate all sliding, turning or rolling parts.

A few convenience tools are all you need. Pliers, screwdrivers, a hammer. And keep prepared with a spray can of WD-40. An all-purpose lubricant, penetrant, rust preventative, metal protector and cleaner, WD-40 is perfect for each of the above tasks. Plus hundreds of other uses.

The product is available in various sizes in local stores.

For more information, write: WD-40 Company, P.O. Box 80607, San Diego, CA 92138-9021.

## Hedley to help Harrington Center

As of this week, Hedley residents can participate in a unique plan to invest in our own economy and still contribute to a very worthy cause. Security State Bank President, Robert P. Bell, announced today a cooperative agreement between the bank and the Don and Sybil Harrington Cancer Center.

The plan, which is called the Endowment Fund Agency Agreement, is being implemented throughout the Panhandle, Bell said. It calls

for banks (or savings and loan firms) to serve as depositories for the Harrington Cancer Center Endowment Fund. In addition, banks may choose to establish the funds by pledging .02 of 1% of current deposits over the next three years, Bell explained. Then area residents can contribute to the funds through their local banks. Those donations (the principal) are held intact and invested by the banks; income from the investments

goes to the Don and Sybil Harrington Cancer Center.

All gifts, including memorial contributions, can be held in Hedley's endowment fund. Security State Bank informs the Cancer Center of all memorial contributions received, so that proper acknowledgements to the donor and family can be sent.

NO OTHER CAMERA LOOKS OR WORKS LIKE IT

The remarkable KODAK Disc Cameras

- Ultra compact, fits in the palm of your hand.
- Electronics so advanced, you press the button, the camera does the rest for great-looking pictures.
- Automatic film advance, built-in flash plus recharge in just 1 1/2 seconds, help catch the shots you may have been missing.
- Full Five-Year Warranty\* on camera and ULTRALIFE Energy Source.

\$54.99

YOU'VE GOT TO SEE IT TO BELIEVE IT! STOP IN TODAY.

\*Ask us for details on Kodak's Five-Year Warranty. If this camera doesn't work with normal care, return it to us and Kodak will repair it without charge.

CAMERAS & PHOTO EQUIPMENT FOR HOLIDAY GIFTING!

Big, bright pictures. Aim-and-shoot ease.

\$34.99

Built-in Electronic FLASH

Planning a vacation or a special trip? Take along the affordable KODAK EKTRALITE 10 Camera, and bring back all the memories in bright, beautiful color.

A KODAK EKTRALITE 10 Camera is so easy to use. For shots indoors or at night just switch on the built-in electronic flash. For well-lighted subjects, just aim and shoot. That's all there is to it.

So this year, save all the fun with an EKTRALITE 10 Camera from Kodak. Come in and see one today.

GREAT NEW CAMERAS BEAUTIFUL INSTANT PICTURES

NEW KODAMATIC™ 960 Instant Camera

- Flash every time for great instant color pictures
- Flash turns on and off automatically
- Long battery life—can last up to two years
- Quick flash recharging
- Aim-and-shoot ease—no focusing!
- Sleek, compact folding design
- Full Three-Year Warranty\*

\$64.99

\*Ask us for details about Kodak's Three-Year Warranty. If this camera doesn't work with normal care, return it to us and Kodak will repair it without charge.

NEW NORELCO TRIPLEHEADER RAZOR

36 self-sharpening blades for fast, close shaves

On/off switch

Coil cord

Cuts whiskers below skin level!

Now you can get the new Norelco Tripleheader™ at our special price! This razor actually cuts whiskers below skin level for close, smooth shaves. 36 self-sharpening blades under Micro-groove™ floating heads let you glide through your shave. Convenient on/off switch. 115/230 voltage for foreign or domestic travel. Easy "flip-top" cleaning. Coil cord. Gift box.

\$37.99

Ladybugs don't bite!

Norelco LADYBUG®

- Exclusive styling—easy to hold, easy to use!
- Close, fast, comfortable shaves at a low, low price!
- Unique dual action shaving head for one stroke closeness\*

\$12.97

INTRODUCING THE BUDGET PRICED NORELCO SPEEDRAZOR™

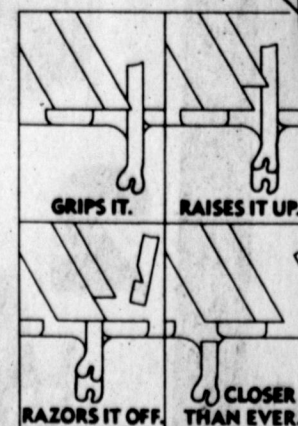

For a no-nick, no-cut, close comfortable shave.

Specially designed with the Norelco floating super Microgroove™ shaving heads. Speedrazor gives you a close comfortable shave without nicks or cuts. Each head has 12 self-sharpening blades which cut against surgical steel, for more cutting action and a closer shave.

\$27.97

NEW NORELCO ROTATRACT RAZOR

Pop-out trimmer, on/off switch, twin blade shaving action

For the finest Norelco shave ever!

Now you can get faster and closer shaves with this Norelco Rotatract™ Razor... with never a nick or a cut... never a "Gotcha!" 45 lifters raise hair up so 45 cutters can razor hair off for the closest Norelco shave ever. Cleaning is a breeze with the "flip-top" cleaning feature. And the sideburn and moustache trimmer grooms at the touch of a button. New, sleek design with handy on/off switch. Ready to give in attractive gift box.

REG. 32.97

**Flavo-Drip® 2 to 10 cup Drip Coffeemaker**

**\$28<sup>99</sup>**

Brews coffee that tastes better than perked, and with the speed of an "instant." Makes 2 cups in about 2 minutes, 10 cups in less than 10 minutes. Uses disposable paper filters that trap bitter-tasting oils and sediment. Keep-warm plate maintains coffee at serving temperature.

**FREE GIFT WRAP**

**6 Qt. Stir Crazy® Corn Popper No. 5346**

Makes popcorn without all the calories

2 to 6 Quart CORN POPPER

Uses less oil than ordinary poppers to give you nutritious popcorn with fewer calories and cholesterol. Automatic stirring rod tumbles the corn for bigger, fluffier, great-tasting kernels. Cover flips over for serving.

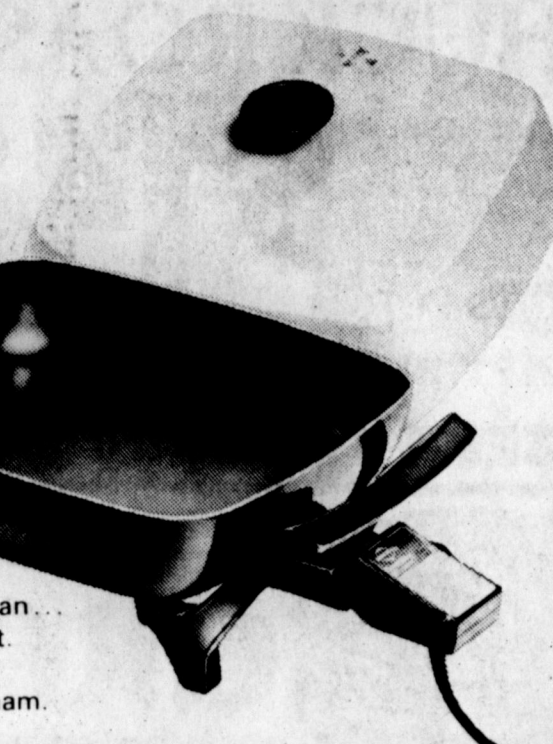

**\$31<sup>97</sup>**

**A WEST BEND WOK TURNS 1 LB. OF HAMBURGER INTO BEEF ORIENTAL!**

Turn inexpensive beef, chicken or fish into exotic main dish meals—easily, automatically—with a West Bend Wok. Your Wok will soon become the most versatile appliance in your kitchen—use it to stir fry, deep fry, simmer, steam or stew. Fired-On Non-Stick interior, porcelain exterior, 5½ qt. capacity, completely immersible.

**44<sup>99</sup>**

**11" Electric Skillet**  
**\$25<sup>99</sup>**

Cooking's no guessing game with this automatic frypan... just set the heat control at the temperature you want. Non-stick SilverStone® cooking surface—clean-up's fast and easy. Extra-deep cover for roasts, poultry, ham.

**THE POPPERY™**  
**HOT AIR CORN POPPER**

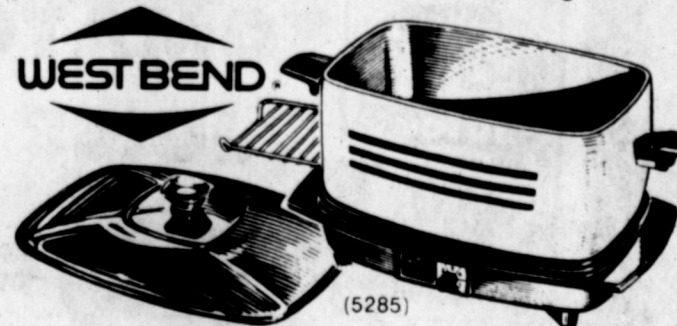

For Wholesome Popcorn!

Popcorn made without oil means a nutritious snack without extra calories and cholesterol. Makes 3 to 4 quarts of popcorn in less than 5 minutes. Fun & easy to use!

**\$24<sup>99</sup>**

**Slo-Cooker Plus®** automatic slow cooker with SilverStone® premium non-stick cooking surface

- Pot lifts from base for oven or rangetop cooking; non-stick heating base becomes a mini-griddle.
- Includes baking/roasting rack.
- Features SilverStone®, the most durable non-stick surface ever created by DuPont, for fast, easy clean-up.

**34<sup>99</sup>**

**2 to 6 cup Hot Pot™ Heat & Server**

Heat liquids in a hurry with an "instant" Hot Pot. Heat selector dial lets you choose from 5 settings to heat soup, milk, pudding, gravy or boil water for instant tea or coffee. Two to six cup capacity (36 oz.). Red exterior.

**14<sup>99</sup>**

**5 to 9 cup Automatic Percolator**

Brews 5 to 9 cups of delicious coffee, then keeps it serving hot automatically. "Cool Tip" basket removal. Built-in temperature control. Heat resistant handle, with lock-on cover latch. Polished aluminum.

**\$15<sup>99</sup>**

**For tasty coffee—12 to 22 cup Party Perk**

Perfect coffeemaker for parties—brews up to 22 delicious cups, and keeps it serving-hot, all automatically. "Lock-on" lid. Two-way faucet serves individual cups, or holds in an open position to fill a carafe or pitcher. Polished aluminum.
