The Bronchos

THE MIRACLE WORKER cast Wade Johnson and Janet Gordon with baby Benjamin Floyd.

"The Miracle Worker"

Casting has now been completed for the Clarendon College Theatre's local production of "The Miracle Worker". William Gibson's great stage and motion picture success.

The two central characters, Helen Keller as a child and her compassionate tutor, Annie Sullivan, which were played in both the Broadway and Hollywood versions by the remarkable young actress, Patty Duke and Anne Bancroft, will be portrayed locally by Tanya Bell of Clarendon, and Tammy Densberger of Mobeetic.

Others featured in the cast are; Janet Gordon of Panhandle as Kate Keller, the mother, and Wade Johnson of Estelline as Mr. Keller, the father. Also Jimmy Wyatt of Estelline as James Keller, the son; Lisa Hartman of Wellington as Aunt Ev; Marki Chandler of Allison as Martha; Cindy Harrison of Mobeetic as the Doctor; Lisa Anderson as Martha; Cindy Harrison of Mobeetic as the Doctor; Lisa Anderson of Pampa as Viney; Dennis Knowles of Hedley as Mr. Anagnos.

Working behind the scenes are; Stage Director and Props Manager, Lisa Anderson, Light Director Veronica Gonzales of Las Cruces, New Mexico, Bobbi Dembowski of Sierra Vista, Arizona, Costume Director, and Student Directors; Ronnie Dunlap of Lubbock, Sandra Selmen and Paige Farrar both of Claude.

This production will be under the personal direction of Miss Leslie Schnauffer, Chairman of the Fine Arts Department. An exciting true-life drama, "The Miracle Worker" tells of the story of the child, Helen Keller, who was deaf, dumb, and sightless, and of the herculean efforts of her compassionate tutor, Annie Sullivan, to help Helen make a place for herself in the frightening world about her. The Clarendon College Fine Arts Department.

Sorority Pecans arrive

Last week it was reported that the Xi Lambda Xi sorority annual pecan sell had been postponed, due to the fact, that the pecans had not arrived. We are happy to report that the pecans have now arrived and can be purchased from the following members: Peggy Anderson, Carol Bryant, Janie Finch, Gloria Gage, Susan and Frankie Henson, Genella Eads, Pat McCombs, Betty Veach, Charlene Mays, Frances Johnson, Beth Johnston, Maureen Butts, Beth Walker, Becky Hell, Sandra Mooring, Pat Archuleta or Barbara Morrow.

The pecans are packaged in one pound containers and sell for \$4.50. They are considered Extra Large pieces, but mostly they are pecan halves. If it is not convenient to purchase from the above members, you may come by Henson's when you are down town, as they will have them in the store.

Senior Citizens Events

Blood Pressure will be taken all day till 3 p.m. Monday, Nov. 15. There will be a dance at the Lions Club Hall Tuesday, November 16 from 8 till 11. Come and enjoy the dancing and fun.

Exercises every Monday thru Friday 11:00 to 11:20. Meals are served Sunday thru Friday.

Crafts every Friday at 1:00

partment's presentation of this outstanding stage and motion picture success will take place on November 13th and 15th at 7:30 p.m., and November 14th, Sunday, at 2:00 p.m. matinee.

Clarendon College, Clarendon, Texas, needs your old clothing, jewelry, hats, furniture, etc. for their costume dept. If you have something to donate for the drama productions call-Fine Arts

Dept. Clarendon 874-2574. These articles are tax deductible and a tax receipt will be furnished. Thank you.

Remember to support your local theatre November 13, 14 and 15.

ELMONETTE BIVENS

Bivens guest speaker

Mrs. Elmonette Bivens will be the guest speaker Nov. 11, at the First Baptist and Trust of Clarendon for the District I HIEFSS (Hospital Institutional Educational Food Service Society) and for the Dietetic Association.

Mrs. Bivens was asked to be the guest speaker by Mrs. Welch, the Food Service Supervisor at the Clarendon Medical Center and president of the HIEFSS. Mrs. Bivens will give the program on drugs most commonly used in nursing homes, their reactions, why they are given, nutrient and drug interactions, possible nutrient depletion, foods that must be taken with drugs and drugs that should not be taken on an empty stomach.

There will be a question and answer session and each member present will then evaluate Mrs. Bivens on her program.

Mrs. Bivens is a graduate of Memphis High School; a graduate of Southwestern Oklahoma State University School of Pharmacy, interned at St. Anthony's Hospital Pharmacy, Oklahoma City, Okla. She is a member of Kappa Epsilon Pharmacy Fraternity 3 years; has worked as a retail pharmacist 2 years. She and husband, Paul own and operate Bivens Pharmacy. They have two sons, Stephen and Scott.

Social Security Rep. to be in Clarendon

A representative of the Amarillo Social Security office will be in Clarendon, at the courthouse, Nov. 18th between the hours of 9 a.m. and 4:45 p.m. This individual will be glad to assist you in filing an application for social security retirement, survivors disability, medicare or supplemental security income benefits. If you are unable to visit personally, you may call 806-376-2241 to conduct any social security business.

Liability Insurance Law

The new liability insurance law is working, according to Larry Todd, head of the public information office at the Department of Public Safety. A recent check on an average day's worth of accidents (1994 reported accidents) showed that 97.7% of Texans now have liability insurance. During all of 1981 only 73.1% reported traffic accidents had liability insurance. That in an increase of 24.6% which shows, that the liability law is working.

A total of 21,341 notices have been put into the system on people caught driving with out liability insurance as of August 5. That's a lot of people waiting for their second conviction.

Any needed behavioral change always seems easier to accomplish when someone joins with the individual trying to make the change, and this is an ideal time to take a day off from smoking, suggests Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Ever want a girl? Now you can have one!

...or at least one you can buy Christmas and birthday presents for. A girl, who is not a delinquent, but could be your daughter if circumstances had been different. A girl, who beyond her control, had been left in this world without a home or the necessities of life, such as food, clothing and shelter.

need love...a need to know, that someone cares. How many of us in our warm homes, surrounded by loved ones, would like to share a tiny bit of our worldly possessions with one of these girls. Girlstown sees that each girl has a gift under the tree. For most of these girls, this is all they will get this holiday season.

girls, this was the only time in their life, that they had received a gift bought for them...can you imagine, being in your teens and never, but never having received a gift, meant specially for you. This year there are almost twice as many girls needing your love and concern as last year. If you would like to share with one of these girls, you may call Molita Greer, 874-3311, Debbie Roberts after 5 p.m., 874-2318 or Elmonette Bivens, 874-3914.

They have a resume on each girl. It will give their name, age, size, color preference, hobbies and other information which would help you select her a gift. These gifts need to be turned in by December 6th to assure they will be at Girlstown on time.

After you have chosen your girl, purchase her gift, it maybe returned to the above mention names, or left at Bivens Pharmacy.

FIRST BALE OF COTTON ginner in Donley County this year [l to r] W. B. Wiggins, gin mgr, Rodgero Brano, ginner; and first bale owner V. T. McPherson.

Cotton ginned in County

The cool weather Donley County had the latter part of October and the first part of November has not really hurt the cotton crop. But the overall prospects look somewhat better than they did in July and August, when heavy hail and rains forced many farmers to replant, but still are expected to fall far short of the good crops made a few years ago.

The first bale ginned in Donley County was by West Texas Gin in Hedley, Oct. 26. It was pulled by V.T. McPherson with a M Farmall 21

stripper, one of the first strippers made. It weighed 484 lbs., was graded 42.32, 43. It was bought by the Hedley Lions Club for \$257.97 plus \$100 bonus. This bale is always given away by the Lions Club at the Hedley Cotton Festival. Out of the 2300 pounds of seed cotton, it made 1000 pounds of seeds and was gin free. W.B. Wiggins is the gin manager.

It took 3220 pounds of seed cotton to make the 490 pound bale and a 250 pounds remnant. Dwayne Strickland is the manager at the gin.

Earl Shields, manager of the Paymaster Gin in Lelia Lake baled their first bale of the season for David Mooring Nov. 2. It had 24% turn out. Shields said, they had several bales on the gin yard waiting to be ginned. He also stated, "The cotton around Lelia Lake looks a lot better than they expected it to look."

Jaws of Life

The Jaws of Life is a hydraulic disentanglement rescue tool used chiefly for rapid rescue of persons trapped in wrecked automobiles, enabling the rescuers to remove the person without causing further injury or additional problems with injuries already received.

The Jaws of Life is operated by a self contained portable power source and is capable of generating several tons of power for spreading, pulling, cutting, and jacking. By using it properly, the mass of twisted metal is removed from around the injured person rather than the injured person being removed from the wreckage causing more injuries. Within five to ten minutes, trained personnel using the tool can remove all four doors, both door posts, the complete roof, the front and back seat, control pedals, and pull the steering and column away from the driver onto the

hood of the car, thereby allowing easy access to persons trapped inside. It can also cut or spread any other obstructions that might be interfering with access to the injured. There are many of these tools in use nationwide and they save many lives every day.

hood of a structure such as a roof or wall where the use of axes would be very time consuming.

The nearest Jaws of Life are located in McLean and

Panhandle and take at least 45 minutes to 1 hour to arrive here. McLean has brought theirs to Donley County before to use in situations where no other means of rescue was possible.

Giving up cigarettes isn't easy, but many Americans will try to do this again on Nov. 18—the date of the annual "Great American

Smokeout". More than 52 million Americans still smoke, and the Smokeout focuses public attention on smokers from coast to coast.

Cyclones edge Bronchos

In a typically hard-fought and exciting renewal of a classic series, the Memphis Cyclones outlasted the Clarendon Bronchos here last Friday night. The final score was 13-8. It was a struggle to the end as the Cyclones closed their season at 8-2 and the Bronchos at 5-5.

Clarendon received the opening kickoff but was unable to start a drive and punted to the Memphis 41 yard line.

Then Memphis executed a big play on their very first snap that eventually provided the difference in the ball game.

Cyclone quarterback Kenneth Jones rolled out to his right and unleashed a high long one that was taken in by Hernandez, the flanker, at the goal line. The sixty-five yard toss (in the air) shocked the home fans and delighted the visitors as the black and gold took a 7-0 lead with 9:59 left in the first quarter.

After receiving the second kickoff, Clarendon was again unable to mount a drive. A pass from Dyron Howell intended for Ray Crump was intercepted by Cyclone linebacker, Paul Richardson at the Broncho 45 and returned to the 24.

The maroon defense held, though, and forced the visitors to settle for a field goal attempt. It was no good from the 31, but a penalty against the offense set up another try from the 36, and Richardson booted this one through the uprights. But another penalty against Memphis disallowed the score. Then Jones finally dropped back to punt, and put the ball out of bounds at the Clarendon 2

yard line. Unable to move the ball, the Bronchos punted again. Memphis took the ball at midfield and, after several incomplete passes, Jones punted again, this time giving the Bronchos only slightly more operating room by kicking to the 9 yard line.

The Bronchos punted a third time, giving Memphis the ball at the Clarendon 45. Then, on a third-and-twenty situation, Jones put the ball into orbit again. When it finally came down, Hernandez again was there to catch it at the goal line and score. A bad snap ruined the conversion kick, so the score remained 13-0.

Jones completed only one more pass for the evening, and ended up 3 for 17 on his passing, but the two touchdown bombs make the difference in the ball game.

The Bronchos were forced to punt a fourth time on their next possession, but a least their field position improved. Memphis was backed up to their own 25, and then a sack Con't P 9

Broncho mothers meeting

All mothers are urged to attend a meeting at 5:30 p.m. on Monday, Nov. 15, 1982 in the school cafeteria. In order to make enough money to cover the usual expenses of the Broncho mothers, we will need to have at least one more money making project. All mothers will be involved so in order to have a say-so you need to be present!

Dental Care Program for the elderly

The Texas Dental Association has introduced a new statewide dental program that provides dental care to senior citizens at reduced cost. The program, called for by the 1982 TDA House of Delegates, is designed to increase access to comprehensive dental care for elderly citizens on low, fixed incomes. Volunteer dentists—all members of the Texas Dental Association—have agreed to provide dental care at a reduced cost to senior citizens across the State of Texas. The program named "Senior Dent" has received wide approval on both state and national level.

To be eligible to receive reduced-fee care under the "Senior Dent" program, an individual should be age 65 or older; not eligible for federal, state or other dental health assistance; not eligible for private dental insurance; and should have an annual household income of \$12,000 or less OR be accepted by the participating dentist due to special circumstances.

To receive a referral to participating dentists, the senior citizen simply calls the TDA statewide toll free number: 1-800-252-9377. The caller is informed of the eligibility guidelines and given the telephone number of several participating dentists in their Zip Code area. In some instances, they will be referred back through the component dental society for a similar referral.

The actual kickoff for the "Senior Dent" program will be November 30, 1982 with a statewide press conference planned at the State Capitol. Recognizing the diverse needs and dental condition among the elderly population, the program promotion

will emphasize preventive care and retention of natural teeth. Approximately 1,400 dentists have agreed to provide their services at a reduced fee to senior citizens.

In designing "Senior Dent", one of the Association's primary objectives was simplicity. Its goal is to explain the program to the dental profession and the public in a way that all parties could understand. In addition, TDA encourages senior citizens to use "Senior Dent" for regular preventive dental care. Regular examinations and preventive care are needed for individuals who have dentures as well as for those with some or all of their natural teeth.

Cottonseed prices

USDA reports that Texas cotton producers were paid \$75 to \$95 per ton for cottonseed at the gin. Oilmill prices in Texas were quoted at \$65-85 per ton basic grade 100. Forty-one percent protein meal sacked was quoted at \$170-\$200 per ton and \$150-\$175 per ton for bulk sales.

Texas Nursing Home Assoc. elect officers

On October 27, 1982, the Golden Spread Chapter of the Texas Nursing Home Association met to elect officers for 1982-83. The following people were elected: President-Billy Ray Johnston; Vice President-Mike Mayo; Secretary-Lynell Peek; Treasurer-Phillip E. Kieplinski.

Mr. Johnston is administrator of Donley County Medical Center in Clarendon. He is married, and has three daughters. This is Mr. Johnston's second term as President of the Golden Spread Chapter.

Mr. Mayo is the administrator of La Casa Canyon Nursing Home in Canyon. He is new to the Panhandle area, but has shown a willingness to become involved. We are pleased to have him as part of our organization.

Mrs. Peek is administrator of Palo Duro Convalescent Home in Claude. She and her husband have 2 children. Mrs. Peek is the daughter of the late Dr. John L. Witt and Mrs. Helen Witt.

Mr. Kieplinski is administrator of Olsen Manor Nursing Home in Amarillo. Mr. Kieplinski has been active in the nursing home organization for many years. He brings a great deal of expertise to the position of Treasurer.

We are pleased to have these people serve in this organization. Under their leadership, the Golden Spread Chapter of TNHA should continue to grow and be an example to other chapters in the State.

Alex K. Cooke '47

Alex Cooke awarded Distinguished Alumnus

Texas Tech University's top award, the designation of Distinguished Alumnus, was made during formal ceremonies Oct. 29, 1982, to four outstanding people in the fields of banking, business, medicine and engineering.

Chosen on the basis of significant contributions to society through their lives and their work. Among the four honored was Alex K. Cooke of Lubbock. He is a nephew of Helen Carr Cooke and Mary Cooke of Clarendon, and a cousin of Bill Cooke III. Although Cooke spent his boyhood in Clarendon, his birth certificate reads, "Born west of the Pecos". His father was a member of a pioneer Texas family and was a cattleman in Sierra Blanca.

Cooke was a star on the 1933 Clarendon Championship High School football team and went to Clarendon Junior College, where he also played football. He was valedictorian of the graduating class of 1938.

After junior college, he attended an aircraft school in Wichita, Kansas, where he served as president of his class and graduated in 1941 as the top student of 30. He was one of only five to receive his CAA&E Master Mechanics License. Cooke went to work for Beechcraft following graduation in a position that was considered "high priority" because of World War II.

While in Kansas, he married Verna Marie Eurton in 1942, and in 1944, he joined the Navy, serving as a petty officer.

After his discharge, Cooke entered Texas Tech and majored in business administration. He graduated in 1947 summa cum laude, lettered in golf and was a charter member of Phi Delta Theta fraternity.

Since graduation, Cooke has continued a close association with the university. He has served in the Ex-

Students Assn., Red Raider Club, West Texas Museum Assn., Ranching Heritage Association and the Ex-Letterman's Club.

From Tech, he went to work in the bookkeeping department of Homer G. Maxey & Co. and was named secretary-treasurer one year later. In 1966, he was made president of the company, and in 1970, chairman of the board, a position he continues to hold today. The company changed names and is now Fields and Co., a wholesale distributor of heating, plumbing, air conditioning and electrical supplies. Cooke is also co-owner of the company.

One of the remarkable facets of Cooke's life began early in his professional career. He was told he had a terminal kidney disease, with no more than five years to live. Thirty-one years later, he has continued to astound medical experts, including

those at Mayo Clinic, with his hard fought battle against supposedly insurmountable odds.

He has destroyed many of the myths associated with Kidney disease and has participated in experimental research programs which resulted in the saving of many lives. Nine years ago, after being flown to Mayo with "terminally ill glomerulonephritis," he was placed on the dialysis machine. With this new experience came the knowledge that although medical help was available, only those who were financially able, of a certain age, sex, and sometimes a certain race, were "chosen" to receive dialysis treatment.

The nearest treatment center to Lubbock was Dallas, and there he was refused care because of his age. Not only was Cooke then, instrumental in making the legislature aware of the need

for medicare for kidney patients, he was the driving force behind the founding of the South Plains Kidney Foundation and Dialysis Center.

Mr. and Mrs. Cooke have two sons, Alex Jr. and Thomas Field.

totaling \$184,796 to the 40 Texas counties and 28 cities who have legalized charity bingo and levied the optional 2 percent local tax.

The quarterly allocation of bingo tax collected by the Comptroller and returned to the local governments was more than \$68,000 higher than the first quarterly allocation made in August. Since that first payment period, 15 more counties and eight more cities have levied the bingo tax.

"This money is going to work in the local communities who levied the tax," Bullock said. "The amount of tax we collect will continue to grow as more Texans petition to legalize charitable bingo and local governments realize this is a revenue source they can put to work."

Biggest check went to Nueces County where 40 Corpus Christi area organizations licensed to conduct bingo games by the Comptroller's Bingo Regulation Division brought in taxes of \$19,890.

Biggest check to a city went to Mesquite, which received \$6,926 in revenue collected from six organizations conducting games in that city.

As of Wednesday, a total of 98 counties, 118 cities and 90 justice precincts had legalized charitable bingo. The Comptroller had received 2,086 bingo license applications and issued 1,903 licenses, according to Bingo Regulation Director George Garland.

Residents of areas where bingo has not been legalized will have four opportunities during the coming year to petition local governments for elections on the issue.

Four Clarendon students enrolled in LCC

Four Clarendon natives are among 989 students enrolled at Lubbock Christian College for the fall 1982 semester.

That number includes Randy White, Richard Thompson, William Thompson and Bobby Weatherton. Randy White, the son of Mr. and Mrs. Donald White of Clarendon, is a 1981 graduate of Clarendon High School. He is also a sophomore agriculture major. While attending LCC, Mr. White has played football for two years and a member of the Kyodai men's social club.

Richard Thompson, son of Mr. and Mrs. Marvin Thompson of Clarendon, is a 1980 graduate of Clarendon High School. He is a junior speech communication major. Richard has been named athlete of the week, and has played football for three years.

William Thompson is also the son of Mr. and Mrs. Marvin Thompson. He is a freshman computer science major. He also plays football.

Bobby Weatherton, son of Mr. and Mrs. Howard Weatherton, is a 1982 graduate of Clarendon High School. He is a freshman football player.

The purpose of Lubbock Christian College is to provide relevant academic educational opportunities in a Christian environment.

Greenbelt Promenaders

Greenbelt Promenaders are starting square dance lesson November 15, 1982, at 7:30 P.M. at the Community Building. Everybody is welcome to come out and join in or just watch. We would like to welcome the experience

dancers back to help with lessons.

Our caller is Leon James from Claude, Tex. For more information call 874-2315 or 874-2136. Singles, Jr. High and High School are welcome.

Lemon juice will produce writing which is invisible when dry, but which stands out in brown when the paper is warmed.

GET YOUR Super Savings 1.

Collect Gold Bond Stamps every time you shop our store. One "Golden Ten" stamp is issued for every dollar you spend (except on products excluded by law).

2.

Save your Golden Ten stamps (no singles please) on handy "Super Savings" booklets, available free at the checkstands. Each booklet holds 30 Golden Tens.

3.

Redeem your filled Super Savings booklets toward the Super Savings specials of your choice. There are six new specials every week. Watch our ads!

4.

You can also redeem your stamps for beautiful gifts from the Gold Bond catalog. Save your stamps in handy Gift Savers Books, available free at our store.

FHA farm loan interest rate drops again

Interest rates for loan programs of the U.S. Department of Agriculture's Farmers Home Administration, which were lowered last month drops again effective

November 1. Secretary of Agriculture John R. Block announced.

Block said the additional reductions, which are as much as two percentage points for some loans, are

possible because of the general move toward lower interest rates across all sectors of the economy.

"Lower interest rates for Farmers Home Loan Programs will be of great benefit

to the entire rural economy and particularly for the nation's farmers who depend on credit so heavily," he said.

In the Farmer Programs, the interest rates for farm operating loans will go from the present 13.25% down to 11.5%. Farm ownership loans will be reduced from the present 13% to 11.5%. Interest rates for limited resource farm operating loans will be lowered from 10.25% to 8% and limited resource farm ownership loans drop from 6.5% to 5.75%.

Some loans to help farmers recover from natural disasters will have a lower interest rate. The rates for production loans to farmers who need

financing above the actual loss but who cannot get credit elsewhere will be lowered from 15.5% to 14%. The rate for actual loss loans remains at 8%. The rates for economic emergency loans will be reduced from 13.25% to 11.5% and economic emergency real estate loans got from 13% down to 11.5%.

Interest rates for single family housing loans will drop from 13.125 to 11.5% except for those who can afford the rates charged by the Department of Housing and Urban Development. Their rates will drop a full point from 13.5 to 12.5.

Loans for multi-family housing will be reduced from 13.125 to 11.5%.

Commissioners Court minutes

The Commissioners' Court of Donley County, met in Regular Session on this the 13th day of September, 1982 in the Courthouse annex in Clarendon with the following members present, to-wit: W. R. Christal, Judge presiding; J.R. Graham, Com. Prec. 1; Claude Moore, Com. Prec. 2; Buford Holland, Com. Prec. 3; Wm. Chamberlain, Com. Prec. 4; Freida Gray County Treasurer and P.C. Messer, County Clerk and Ex-Officio Clerk of the Commissioners' Court. The following business was transacted:

*Approved the minutes read in open Court this date.
*Amended the 1981-1982 budget.
*Paid the bills as reflected by the Claims docket and approved by the Court.
*Approved the August reports presented by: County Judge, County Treasurer, Tax Collector, Justice of the Peace Precinct's Two and Three.

*Approved R.R. W. Easement presented by the General Telephone Co., according to County regulations.

*Tabled the discussion regarding Veterans School.
*Approved the Sheriff's request for Donley County to employ Faylon Watson to serve County as Deputy Sheriff.

*Accepted the notice from Greenbelt Electric Co-op., Inc., to move the high line poles in the amount of \$4,727.58. This is to move the poles along the Farm-to-Market road No. 2471.

*Advertising for fuel for the sheriff's department, and bids received. The Sheriff's Department will use the key pump to service sheriff's automobiles on a 24 hour basis. This in connection with West Texas Gas Company.

*Approved the 1982-1983 budget as presented.

*Accepted and adopted the 1982-1983 Revenue Sharing Budget.

*Tabled the District Attorney Resolution until September 20, 1982 for further re-consideration.

*Authorized the County

Judge to borrow \$20,000.00 on September 20, to pay Department Bills.

*The County Tax Rate to be set at 8% above the calculated rate for 1982. This amounts to .2318 on a \$100.00 valuation, and to set the date for public hearing on September 28 in the Old Court house building at 6:00 o'clock p.m.

Special called meeting
Sept. 20, 1982

All were present and following business was transacted:

*Tabled the discussion regarding Liability insurance.

*Disapproved payment of Expense by County Service Officer to V.A. School.

*Tabled the District Attorneys Resolution until later date.

*Accepted the bid presented by Herman Word on new fence and fence to be moved. This is approximately 5 miles of fence. This is in the amount of \$9,087.50.

*Employed a substitute or assistant District Attorney to serve part time in the 100th. Judicial District. This assistant D.A. will be under the jurisdiction of the District Attorney.

*Recessed until later date.

October 11, 1982
All present except Com. Wm. Chamberlain. The following business was transacted:

*Approved the minutes read in open Court this date.

*Amended 1981-1982 budget.

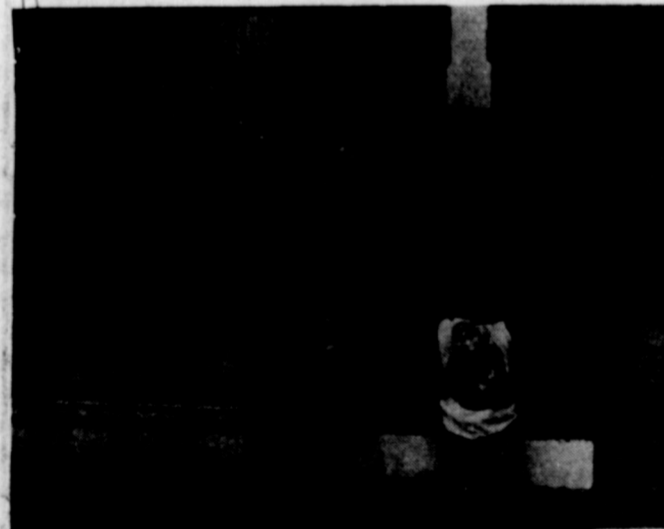

*Approved the bills as reflected by the Claims docket.

*Approved Bronnie McNabb and Jill Turner to serve on Library Board effective immediately.

*Improve the ramp for the handicapped and install sign designating parking place for City Hall, Jail and Patrol Office.

*Employed the firm of Doshier, Pickens and Francis to make 1981-1982 audit of Donley County.

*Approved Sept. reports presented by County Clerk, County Judge, County Treasurer, Tax Collector.

JONDELL MOFFITT presents Scot Bivens with a sucker for making the most accurate guess in the jelly bean contest at the halloween carnival.

A HAPPY THANKSGIVING TO ALL

Lelia Lake News

By JEANIE LAUDERDALE

Sunday visitors in the McCully home were Mrs. Sibley's grandchildren, Mr. and Mrs. Jeff Kubiak and children of Lubbock-Judy's daughter, Mr and Mrs. Ray McAnamy from Pampa, and Ray's Father, Pat McAnaney from Howardwick.

Eddy Helms was ordained as a Deacon Sunday night in the First Baptist Church.

Mr. and Mrs. Danny Holland visited Sunday with his parents, the Ray Holland family.

Lacy and Mary Lee Noble visited Lacy's brother, Sug Noble, at the hospital in Amarillo Sunday.

Coleman and Sadie Shields attended Sadie's daughter, Lisa Knighton and Michael Douglas' wedding at the Garden Center in Amarillo Sat. afternoon. Rev. Tom Posey from the First Christian Church in Memphis performed the ceremony.

Mr. and Mrs. David Wilson also attended Lisa's wedding.

Mr. and Mrs. J.B. McDaniel attended the polish sausage feast at White Deer Sunday.

Earl and Susie Shields had all their children home this weekend. Rosilyn Daylan, and Kensey Sellers from Seymour, and Keenan Shields from Lubbock.

Henry and Nadine Hasty visited the Phil Lauderdale's Friday night.

Hester Shields like to have had some news. He went to Brice Sunday to visit his daughter, Patty and Jerry Lemons, but on one was home.

Jason Klinnert visited Marci Helms Sunday.

Mr. and Mrs. Earl Shields attended Earl's niece, Betty and L.G. Hamner, 25th wedding anniversary celebration in Amarillo Sunday.

There was a grass fire northeast of Lelia Lake Sunday morning. It started at the corner on the Groom place and went northeast across it to the Wilkerson place. It only got about 10 acres of the Wilkerson place thanks to local people using tractors with blades and tandems, a maintainer, and the Clarendon Fire Dept. Ronald Castner has the Wilkerson place leased. He would like

to thank the good friends that helped get his cattle up for safety and fought the fire.

Mr. and Mrs. R.O. Nelson attended the funeral of Ben Mitchell Wednesday in Childress. On their way home, they stopped to visit R.O.'s aunt, Lula Nelson, in the Memphis Nursing Home.

The Leroy Leathers family attended the 4-H bean and cornbread supper Friday. Saturday they went to Littlefield to visit Alene's parents, Mr. and Mrs. Lige Griffin. They were accompanied by one of Kristina's friends, Rachel from Clarendon.

Mr. and Mrs. J.D. Wooten had supper Friday night at Mr. and Mrs. George Boyles in Amarillo.

Mr. and Mrs. Omer Wade from Abernathy visited over the weekend with their son, Mr. and Mrs. Larry Wade and Roger.

Leroy and Kristina Leathers went to Amarillo this Monday for a dental appointment.

Bill Bennett and Bud Butler visited Sunday night after church with the J.D. Wootens.

J.D. Wooten and Bud Butler made a business trip to Hollis this Monday.

NEW FFA TRAILER

FFA purchase new trailer

The Clarendon FFA Chapter, through the support and help of the community was able to purchase a new gooseneck trailer. The trailer will be used for transporting livestock to stock shows. The people that helped in getting the trailer were as follows:

Jerry Hawkins, Bright Newhouse, chamberlain Motor Co., Mike Stavenhagen, Paul Bivens, First Bank and Trust Co. of Clarendon, Gibson Discount Center, Cody McAnear, James McAnear, David McAnear.

Larry Watson, L.A. Watson, Bobby Cole and Don Robinson.

Others were: Lynn Floyd, Dale Robinson, Wandell Lutrell, Sandra Eads, Monty McAnear, Clarendon Manufacturing Co., Donley County State Bank. Special thanks to Bill Wise and Don Stone.

4-H Club meeting

The Donley County 4-H Club will have its monthly meeting Monday, November 15, at 7 p.m. in the Clarendon COMMUNITY CENTER.

James Edwards will present a program on "Photography" and the braiding project will be continued.

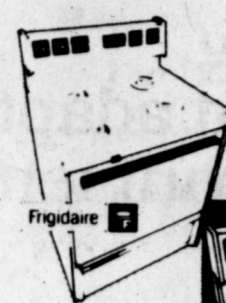

Clarendon Artist Club

The Clarendon Artist Club met November 8 at the Day Care Center. Pat Archuleta gave a demonstration on how to make silk roses. It was enjoyed by everyone. Those attending the meeting were: Bunny Owens, Gary Bible, Roy Lee Helms, Judy McCully, Delores Crump, Edie Robertson, Diana Wiggs, Eureka Mays, and Dessa Day. The one guest attending was Lynn Wiggs. The next meeting will be December 13, 1982.

In parts of Panama, one can see the sun rise in the Atlantic Ocean and set in the Pacific.

Obituaries

David Adams

Services for David Adams, 33, of Borneo, Indonesia, will be at 2:30 p.m., Friday at First Baptist Church of Denver City with the Rev. Bobby Fuller, pastor of First Baptist Church in Bloomfield, N.M. officiating.

Burial will be in Denver City Memorial Park under direction of Singleton Fun-

eral Home of Denver City. Adams died Friday on Terakan Island, Indonesia, after a sudden illness. He was born Oct. 19, 1949, in Brownfield and had been a resident of Borneo for two years. He previously had lived in Monahans. He was an assistant field supervisor for Haliburton Services Limited Inc.

He married Josephine Ma Wai Ping on April 27, 1974, in Monahans. He was a U.S. Navy veteran of Vietnam.

Survivors include his wife of Hong Kong; a daughter, Mayfia Li of Hong Kong; his parents, Mr. and Mrs. W.G.

Adams of Bloomfield, N.M.; his grandmother, Bernice Littlefield of Clarendon; and a brother, Rodney of Albuquerque.

Martin Earl Tucker

Martin Earl Tucker, 25, of Amarillo was shot to death Nov. 1. Murder charges were filed Nov. 3 against a 35 year old Amarillo man.

Results from an autopsy performed by Childress forensic pathologist Dr. Ralph Erdmann indicated that Tucker died of two gunshots to the head and one in the

chest. Services for Martin Earl Tucker were held at 4 p.m., Nov. 4 in Littlefield Baptist Church with the Rev. Dennis Heard, pastor of Living Faith Christian Center in Olton, and Rev. Donnie Howell, pastor of Fieldton Baptist Church, officiating. Burial was in Littlefield Cemetery by Hammons Funeral Home.

Mr. Tucker was born in Littlefield. He attended and graduated from Amherst High School in 1975. He graduated from Clarendon College in 1977. He operated a television shop in Turkey and was a partner with Ricky Rattton in the Mar-Key Appliance Store in Clarendon in 1981, before moving to Amarillo. He was listed in the publication of Outstanding Young Men of America in 1978. He was a member of the Littlefield First Baptist Church.

Survivors include his mother, Alma Tucker of Littlefield; a sister Doris Muller of Fieldton; and one brother, Dwain Tucker of Lubbock.

Waymond Clifford Holland

Funeral services for Waymond Clifford Holland, age 86, were held at 2:30 p.m. on Friday, November 5, 1982 in Robertson Chapel of Memories with Rev. Bryan Knowles, Pastor of the First Baptist Church in Hedley, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Holland died at 8:10 a.m. on Wednesday, November 3, 1982 in Veterans Administration Medical Center in Amarillo following a lengthy illness. He was born March 3, 1896 in Boonsville, Texas and married Jim Anna Spalding on March 3, 1956 at Hedley. He had been a Donely County resident since 1921 living in the Hedley area from 1944 to 1982. He had moved to Clarendon 15 months before his death. He was a member of the Hedley American Legion and a veteran of World War I. He was a member of the First United Methodist Church in Hedley. Survivors include his wife.

Mrs. Jim Anna Holland of Clarendon; one daughter, Mrs. Clifflie Lockby of Clarendon; one step-daughter, Mrs. Mary Lou Skaggs of Amarillo; two sons, Buford Holland, Eldon C. Holland of Big Spring; one sister, Mrs. Hettie Ritchey of San Antonio; nine grandchildren; and fifteen great grandchildren.

Casket bearers were Gerald Bland, J.D. Skaggs, Forrest Morton, M.O. Weatherly, Johnny Linville, and James Evans.

Chamberlain

news

BY MRS. HAWLEY HARRISON

Mrs. Harrison was transferred to Northwest Texas Hospital Saturday. She is doing better now. Hope she will soon be up and around again.

Delmar Koontz's visited Flossie Reynolds Sunday afternoon.

Pauline Koontz and Barbara Helms shopped in Pampa Thursday afternoon.

Glad to know Ruby Blackman is improving.

Gervis and Francis Kennerd of Amarillo visited the Henry Manns Sunday afternoon.

J.E. and Susie Kidd visited Mr. and Mrs. Lloyd Thomas Saturday night for a "42" game.

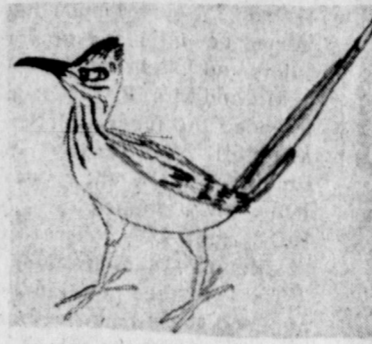

Marshall and Doris Denny had lunch with the Lloyd Thomas' Sunday.

Jack and Mary Lucille Williams of Hurst were weekend visitors of Harold and Wilma Lindley.

Dennis and Ruth Lindley visited J.T. and Ola Stone Friday night and Woodie and Louise Argo Sunday afternoon.

Mr. and Mrs. Tom Barbee of Quitaque and Pat Cox of Odessa ate supper with Mr. and Mrs. Earnest Barbee Monday night.

Due to a lengthy illness, Mrs. Hawley Harrison will not be able to write this column again.

**Road Runner
Joan Kidd**

Road runners seldom have anything newsworthy to report as they trot up and down looking for snakes, baby birds and the like to dine on. However, Road Runner Joan Kidd, official civil servant with the United States Post Office travels 156 miles six days a week carrying news to 180 boxes and over 190 families.

Joan is one of two civil servants in the Post Office. Bob BeCombs is the other. She travels on the only rural route that extends from Clarendon west to nine miles out of Claude, to east into Hedley where she has the Hedley Post Office work with, south out of Hedley and then back to Clarendon.

It takes five hours of driving to complete this circle. "I have from 7:30 until 3:00 each day," Kidd said, "but I usually am finished by 2:30. I come back and help out in the Post Office here in town putting up magazines and the like for the next day."

Joan handled over 7,000 pieces of mail and 150 packages during the last two weeks of September last year. "I expect that will be about the same this year," she remarked. This survey is taken during an "average" time period. "There is a lull in mail from June until September, then it begins to pick up with a real increase beginning in November and lasting until January," she said. Kidd usually gets a .25% increase in mail during the holiday time.

Joan had this job literally dropped into her lap as she had been Lynn Payne's relief driver two years before she began full time work. "He called one day from the Post Office to say he wasn't feeling well then died from a heart attack so I became the first person in this area to inherit a job from a carrier. The rules had just changed so I was able to step in and take over the job."

For six years, Kidd has traveled dusty, muddy, rugged roads in her Ford Broncho. "The first thing Bob did was teach me to change a flat tire," she said gratefully of her husband. "I can change one in 10 minutes flat." She admits to having "lots of flat tires" on her route.

In the first year she began **Mix drink tax for Oct.**

State Comptroller Bob Bullock Monday Oct. 25 said collection of the state's 10 percent mixed drink tax during the third quarter of 1982 was up nine percent over the same period last year.

Bullock said the state received \$34.6 million in taxes on the sale of mixed drinks during the third three months of this year.

He said his office is sending checks totaling \$10 million to 217 counties and 408 cities as their share of the gross receipts tax on mixed drinks for the third quarter.

The state's general revenue fund will receive the balance, \$24.6 million, of the tax money collected.

Texas cities and counties each receive a 15 percent rebate of the tax collected on mixed drinks sold within their boundaries under the law that legalized the sale of mixed drinks in the state.

The mixed drink tax is collected by the Alcoholic Beverage Commission and the city-county rebates are sent out quarterly by the Comptroller's office.

Bullock said the mixed drink tax has brought in \$105.1 million dollars during the first second and third quarters of 1982.

Total tax revenue for Howard was \$824.62. The 15 percent remittance received was \$123.69.

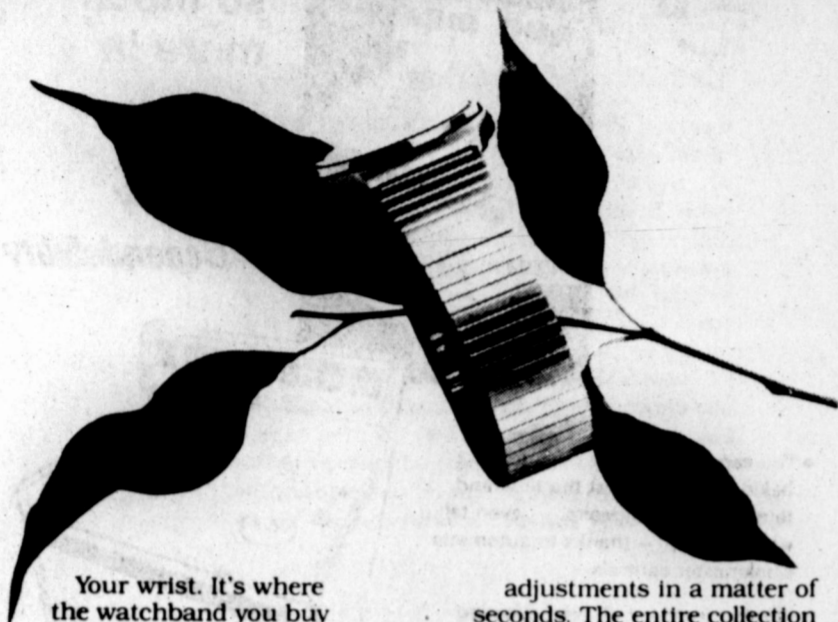

full-time, it rained 25" in 6 weeks. "Once I literally floated on the road bed. And then the dirt just fell away from under my right tires and I was hanging onto nothing. My knees were pretty weak. But some gentlemen from Ashtola and my Bob came to my rescue and pulled me out." Joan has been stuck one other time that required help in pulling her out. "When a Broncho gets stuck, it's stuck pretty good," she laughed. David Pitts is the substitute driver for Joan and he drives every other Saturday learning the route in the event something should require Joan's absence. "The mail will go through."

"I don't think that 5 days a week will effectively deliver the mail," Kidd said with conviction. "I don't see how it could be all delivered on time." Joan is dedicated to giving good postal delivery service and takes great pride in her on-time delivery.

On the days she has off and during the rest of her working day, Kidd "does a lot of grandparenting". She and Bob have three grandchildren with two more due to come around Christmas. All of her children live in the area. "I am sure blessed with having my family around, all of those grandchildren and having such a good job fall in by lap."

Road Runner Joan Kidd, a dedicated Broncho riding mail carrier!

Introducing the Watchband that adapts to its natural environment.

Your wrist. It's where the watchband you buy today will spend most of its life. Spedel's new Self-Sizing Collection of expandable watchbands for men and women lets you decide which length will provide the most comfort to your individual wrist. Operating the invisible mechanism is so easy that you can make

adjustments in a matter of seconds. The entire collection is sold by style rather than length and is available in either stainless steel or rolled gold plate. Look for the name Spedel on every piece. It's your assurance of fine craftsmanship combined with American ingenuity.

Spedel... for fine fashion jewelry.

19" DIAGONAL

The MONET - N2530E

American Made For The American People

Quality makes Zenith first choice of millions...

Every new 1982 Zenith color television comes from a final assembly plant in either Springfield, Missouri or Chicago, Illinois. They come through The Zenith Manufacturing System. That system establishes a quality standard unique in the industry. Zenith Center in Glenview, Illinois is the hub of the whole system. There, the research, design and engineering staff formulate long-lasting performance specifications for each component part of every new Zenith.

In the Glenview laboratories, Zenith is moving television into the future.

The Zenith Manufacturing System

Manufacturing with a care that yields pride. The pride of a Zenith worker and the pride of a Zenith owner. They care about quality.

DELIVERY GUARANTEED IN TIME FOR CHRISTMAS

FIVE GENERATIONS Top row (l to r) Helen West, Gina Herrera, Mrs. H. E. Elliot, Mrs. Bernice Thompson and Baby Christyn Herrera.

Great-great-granddaughter

Mr. and Mrs. H. E. (Cobby) Elliott took her mother, Mrs. Bernice Thompson to Jeneso, Ill. to visit her new great great granddaughter, Christyn Chantelle Herrera, the little miss was only four weeks old. Christyn's mother, Gina is Mrs. Thompson's great granddaughter. They also visited with her granddaughter, Helen West, her husband Cal is the pastor of the First Baptist Church of Jenso. They left Oct. 28 and returned home Nov. 2.

FOOTBALL Con't fm P 1

by Brad McGuire forced a Memphis punt.

Taking the ball at their own 40, the Bronchos continued to be frustrated by the tough Cyclone defense. Howell was hit on first down and lost the fumble. But the maroon team got it back shortly when Brett Bryant intercepted a Jones pass at the Clarendon 30 yard line.

But Jones, who plays defensive end as well as quarterback for the Cyclones, then sacked Howell to stop the Bronchos. Arlis Thomas punted to the Memphis 45 and then Rodney Smith recovered a fumbled punt reception.

As the half neared its end, the maroon offense began to move the ball. Smith made 9 yards inside and soon 12 more on a pitch outside. Another pitch to the speedy sophomore gained 14 more yards, but the only Broncho scoring threat thus far was frustrated by a holding penalty that moved the ball back to the 35 yard line, where another punt was called.

Memphis took the ball at their own 20 and marched quickly to the Broncho 15 as time was running out. But David Weatheron intercepted a Jones pass at the 5 and returned it to the 26 as the first half ended.

In the second half, the Bronchos dominated. The defense shut out the Cyclones and held Jones to zero pass completions. The Bronchos enjoyed much better field position than in the first

half, thanks to a rejuvenated offense and some fine punting by Thomas, who once got off a tall spiral that went 54 yards from scrimmage and was downed on the Memphis 1 foot line.

Clarendon's touchdown came in the fourth quarter when Howell completed three excellent passes in a row. First he rolled right and hit Brett Bryant on a 32 yard gainer to the Memphis 13 yard line. Then he rolled right again and hit Richard Gaines in the end zone.

But the touchdown was negated by an ineligible receiver penalty. Howell then rolled right again, though, and threw back to his left to Kelly Hill for a 23 yard scoring play. Howell then ran a keeper for the 2 point conversion to make the score 13-8 with about 3 minutes left in the game.

Memphis then used up precious time by making first downs as the clock was running out. Clarendon did not get the ball back until only 4 seconds showed on the clock.

So the season ended for the two rivals, both disappointed at not making the playoffs. But the Bronchos, though having lost the game, held their heads high, knowing they had competed with heart and unity and pride.

That is the victory most worth winning.

1926 Book Club

On November 2, 1982, the 1926 Book Club held its regular meeting at the Patching Club House with hostesses Mary Thornberry and Pauline Morris serving sandwiches, a variety of cookies, nuts, mints and hot beverages from the buffet table in the dining room. The club room was cleverly decorated in the fall theme.

Vice-Pres. Helen Phelps presided for a business meeting. Dessa Day reported on the estimated cost of a new sink and cabinet top for the club house kitchen. Mrs. Phelps reported on the cost of glass table settings. Action on these projects was tabled until further study.

The nominating committee presented this slate of officers for the ensuing year. They were elected by acclamation. President, Rachael Butler; Vice-President, Mary Hazel Van Zandt; Recording Sec., Oressa Delaney;

Treasurer, Pauline Morris; Corresponding Sec., Frieda Tucker; Parliamentarian, Dorothy White.

It was reported that Inez Blankinship was a patient in Coronado Hospital, Pampa. The members wish her a speedy recovery.

The program followed. It was a short story, "Mama, why can't you grow old gracefully?" written by our member, Carolyn Hamilton, and presented to us by her. It was certainly enjoyable.

Present for the meeting were Jesse Adame, Thelma

Bairfield, Hazel Brandon, Rachael Butler, Dessa Day, Oressa Delaney, Carolyn Hamilton, Pauline Heath, Evelyn Mann, Mary Beth Nelson, Helen Phelps, Frieda Tucker, Mary Hazel Van Zandt, Dorothy White, and the hostesses.

Letter to the Editor

I was in your town for the recent Clarendon - Wellington High School football game. Your town has changed somewhat since I attended Clarendon College in 1977. I've always remembered Clarendon as a friendly city but I see that this has also changed somewhat.

My wife and I arrived about 10 minutes late for the game and had trouble finding a parking place due to the crowd. We finally saw a spot on an overgrown lot on the northeast corner of the stadium. There were already a dozen or more cars parked on the lot and no signs posted as to the parking status of the lot. After the game, I was one of the first to reach my car. As I was pulling away, a Clarendon Sheriff's Officer pulled into the wrong lane of traffic and rolled down his window. He rudely asked me "Did I know that that was private property?" When I told him I didn't, he proceeded to tell me that he had received a complaint and that he should just write me a ticket. "Did I understand?" After playing this stupid question and answer game again, he proceeded to accost another Wellington fan then left.

I will be the first to admit that I did park on the lot and that I should have been told not to. But I contend that 1) there were no signs posted saying "no parking", 2) with the overgrown condition of the lot, no damage could have been done, and 3) there is not enough parking space around the stadium. But the point of this letter is the attitude of the Sheriff's Deputy. I regret that I did not get his name but I will always

remember his manner. I am an adult and I like to be treated as such, not like a child. Whether the officer was mad about the outcome of the game or life in general, he should treat people with the courtesy that is usually evident in your city. I feel

that a great disservice was done to your community by this man and I hope that this letter will at least make him aware of how he treats people in the future.

Yours Truly,
Jackie Clinkscales

Fish Tales
By KATIE DVORAK

You may wonder why so many of my columns lately have come from the "Colorado Outdoors" magazine. The answer is simple: Colorado offers terrific fishing in just about any corner of the state and for just about any type of fisherman imaginable. So, the little booklet has many choice topics applicable to our little lake.

Today, I'm taking liberty to excerpt from the magazine an article entitled "If you can't beat 'em, eat 'em" written by Jim Heekers, assistant editor. It is about that lowly fish the carp.

Trash or rough fish are really underutilized fish. Carp are just such a fish. They are not liked for watching, catching, or especially, eating. But Don Horak, head of the fish research program for the Division of Wildlife in Colorado had come up with some terrific recipes for carp. He's fried them, pickled them, canned them and stewed them, offering the results to anyone willing to try something new.

Horak is not alone in his quest to utilize underutilized fish. Wisconsin has a booklet published by the Wisconsin Department of Natural Resources entitled "A Fine Kettle of Fish" and is considered the bible by those who would use eat these things.

In spite of all of the attempts to kill out these types of fish across the nation, they are a plentiful source of nutrition. So, you might as well eat them and take advantage of their food value.

Timing is important when catching carp to eat. Don't catch them in summer when lake temperatures get too hot or if they come out of muddy waters or stagnant ponds. When they are feeding on algae, they will taste terrible.

Another major objection to eating carp are all of those bones. But there are ways out of that one, too. Fill the fish by cutting through the Y bones every quarter to three eighths inch. That enables cooking oils to penetrate to the bones and soften them. Or, pickle the fish or grind it to make patties.

Let's go catch some carp to try some recipes with. Carp are a challenge. Some people consider them among the most intelligent of all fish. They can put up a good fight, depending on their mood and how they size you

up, and they can grow to massive sizes. Basically, fish for them on the bottom and use natural or prepared baits such as dough balls.

For recipes, write the Wisconsin Dept. of Natural Resources, Bureau of Fish Management, Box 7921, Madison, WI 53707 and send

one dollar. Also, see Heats On in this paper for carp ideas.

Heats On

Fishermen, here are your long-awaited for carp recipes collected from "A Fine Kettle of Fish" and other sources.

FISH PATTIES

"A Fine Kettle of Fish"
2 lbs. carp
1 C soda cracker crumbs, salted
1 tsp pepper
2 eggs
1/2 tsp thyme
1 small diced onion

Clean, skin and fillet enough fish to make 2 pounds after grinding. Run through a medium coarse food grinder plate twice. Add ingredients. Make into patties and fry crisp. Can also be placed in a loaf pan, covered with tomato sauce and baked at 350 til done.

CARP CHOWDER

"A Fine Kettle of Fish"
1 lb. carp
1 onion
1 tsp tarragon
1/2 lemon, sliced

Poach carp in water with the onion, tarragon and lemon with peel left on until fish is nearly done. Remove from heat, drain and pick meat from bones. Take that meat and continue:

3 C cooked boned carp meat (see above)
5 slices chopped bacon
1 chopped onion
2 C diced cooked potatoes
1 qt milk
4 soda crackers crushed fine crushed basil

Brown bacon, remove from skillet and add onion, saute until tender. Drain off any fat. Return bacon and add fish, cooked potatoes and heat. Add milk and heat until hot, but not boiling. Remove from heat and stir in soda cracker crumbs, salt and pepper and butter. Serve in bowls with a bit of crushed basil on each serving. Serve with garlic bread.

PICKLED FISH

"A Fine Kettle of Fish"
2 qts carp cut in chunks
1 qt white vinegar
2 C sugar
1/2 C canning salt
1 1/2 oz pickling spice (one box)

2 medium onions
Dissolve salt in enough vinegar to cover fish. Let stand 4-6 days. Keep at about 40 degrees. Take out of salt solution and rinse thoroughly with cold water. Place alternate layers of fish and onions in sterilized jars. Place hot mix of vinegar, sugar and pickling spice over fish. Refrigerate and let stand one week before using.

CANNED FISH

[tastes like salmon]
"A Fine Kettle of Fish"
1 qt carp chunks
3 TBS catsup
4 TBS white vinegar
2 TBS cooking oil
2TBS salt

Clean fish and remove rib cage bones. Cut into chunks which will fit into quart canning jars. Pack the fish in a jar and pour the mixture over the fish. Seal with canning lids and pressure cook for 90 minutes at 15 lbs pressure.

BAKED STUFFED CARP

Iowa Conservationist
stuffing:
1 qt bread crumbs or cubes
3 TBS minced onion
2 Tsp ground sage
1/4 tsp salt
1/4 tsp pepper
1/4 C finely chopped celery
6 TBS hot melted butter
1 large (6 lb) carp

Remove head, tail fins, skin and scales from fish. Score fish to bread down Y

bones. Mix all stuffing ingredients well until bread is moistened. Stuff fish on aluminum foil in a baking

dish... oven preheated to 500. Let brown for 10 minutes, remove and cover carp with bacon slices. Lower heat to 425 and bake 35 minutes. Add 5 minutes per pound for carp larger than 6 lbs.

Glass coating materials

Under new Texas regulations effective October 18, 1982, glass coating materials may be installed on all motor vehicle windows except windshields.

Previously, it was illegal to place the materials on the windows to the immediate left and right of the driver's seat. However, the new regulations allow coating materials approved by the Texas Department of Public Safety to be installed on those windows.

The window film materials, which are sold under various brand names, are designed to reduce glare and the build up of heat inside the passenger compartment by limiting the amount of sunlight passing through the windows.

Glass coating materials applied to windows behind the driver's seat need not be approved by the DPS. However, vehicles with window film applied to the rear window must have outside rear view mirrors on the right and left sides.

Coatings which meet DPS standards cannot block more than two-thirds of the light directed at the material. Laboratory tests confirming that coatings meet the DPS standards must be filed with the Department before approval is granted. Regulations also require that the manufacturer's name or number and approval designation appear on the material placed on each of the front side windows.

DPS officials said some window film samples have already been evaluated by the Department and approved for use on the front side windows of motor vehicles.

Martin-Ashtola News

By NAOMI GREEN

Mr. and Mrs. Gary Brown and children of Floydada came to Clarendon for the weekend. Saturday Charline was involved in the Community Center Clean up and Gary visited his parents at

Groom. Charline and the children joined him for visiting Saturday night. They all came back and had breakfast with the Vance Grays and Buster.
Mr. and Mrs. Doss Finley

went to the Chamberlain Community Center Friday night for supper. They reported four tables of 42 players and several 88 players.

Mr. and Mrs. Joe Neal Shadle went to Amarillo Saturday with Mr. and Mrs. Jim Shadle for a birthday celebration for Jim.

Naomi Green met Anne Lemons, Ben, Margaret and Morri of Pampa and the B.H. Woodburvs of Odessa in

Amarillo Friday for a luncheon honoring Anne's birthday.

Mrs. Jeannie Tittle and David of Canyon came from Canyon for the work day at Ashtola Community Center. They had supper and visited the same afternoon in the Vance Gray home.

Mr. and Mrs. J.R. Brandon have returned from a trip to the World's Fair and came home by way of Tyler Texas where they visited several relatives.

Connie Havens and Derrine Graham made a business trip to Amarillo Friday and went by the West Gate Mall to give their seal of approval.

Mr. and Mrs. Skeet Brown made a business trip to Pampa Saturday.

Mary and Christal Green were among the Brownies of Troop 203 who had a hike at Camp Mel Davis Saturday.

Don't know if Johnny and Kay Spivey did much about voting November 2nd because at 5:30 they were busy welcoming Claudette Marie a seven pound 20 inch bundle of joy. It has been some time since the Claude Spivey bunch had a little one. Expect when they all get together some folks may have to stand in line to get to hold her.

Mr. and Mrs. J.R. Brandon entertained with a dinner party honoring her sister Myrtle's birthday. Mr. and Mrs. Frank Reger of Stinnett, Maskel and Jaunita Cole of Amarillo and Jimmy and Don Matherson of Claude and W.D. Brandon were all guests for the occasion.

Brodus Spivey of Austin visited briefly with his parents the Claude Spiveys Sunday evening.

The Jerry Green family visited Sunday afternoon in

"An ounce of work is worth many pounds of words."
St. Francis De Sales

Memphis with her parents, the Haskell Talleys.

Glyndol, Kathy and Lynn Holland of Hedley, Otha Edleman of Claude, Gregg, Cindy, Jason and Kelley Bunyon of Amarillo and Pauline and Nathan Koontz and Barbara Helms were all guests during the week in the home of Flossie Reynolds.

Mr. and Mrs. Benny Clay returned her mother, Mrs. L.M. Porter to her home in Lovington, NM and took an extended trip into Big Bend Country and on to Corpus Christi, Del Rio and back to Beckenridge to see their daughter Mary Ann Hickman and Her husband.

Mrs. James Tolbert received word this week that her daughter, Nadine Corner of Elkard Kansas had been released from the hospital and was at home recuperating from surgery.

Seth Thornberry of Memphis spent from Monday to Thursday with his grandparents the Lloyd Risleys. Leane Thornberry and her friend, Delores Davis of Memphis came by for Seth and Melba and they went to Amarillo for Seth's four year medical check up. Afterwards they all enjoyed shopping.

Mr. and Mrs. L.A. Watson were in Groom Sunday to visit with his brother the "Hap" Watsons.

Mr. and Mrs. Lloyd Risley had supper with Mary Niel and Maurice Risley Sunday evening. Ira and Molly Harber and their granddaughter, Julie of Spearman were additional guests.

Mr. and Mrs. L.A. Watson visited with the But Whites Saturday night.

The Lloyd Risleys were among others who enjoyed the supper and domino playing at Chamberlain Community Center Friday night.

Mary Land and Pat Scroggins visited with Johnny and Eddie Fisher of Calif. and Nell Land at Hedley Sunday.

Paula and Leah Brook Garvin of Silverton had business in Amarillo Tuesday. They shopped in Clarendon Wednesday while the men folk were harvesting milo.

Mrs. Mary Land went to a baby shower for Gena McKinney at the home of Paula Kidd Sunday.

Warren and Ruby Jewel Hardin were visitors at Silverton Sunday in the Lane Garvin home.

Frankie Henson honored by OES

Mrs. Frankie Henson, Deputy Grand Matron, Grand Chapter of Texas, was honored Thursday November 4th, at a regular meeting of Clarendon Chapter #6, Order of the Eastern Star. Prior to the meeting, a salad supper was served to 72 guests. Guests were registered by Mrs. Derell Stark and Mrs. Mary Hazel Van Zandt.

Mrs. Henson is finishing her year as Deputy Grand Matron of District 2-Section 5. Other Chapters in Section 5 are: Childress #101, Hedley #413, Spur #164, Paducah #506, Matador #66, Turkey #569, and Wellington #238. Chapters represented were: Hedley, Wellington, Paducah, Childress, Amarillo #787, Boneta #184, and Crown Chapter #104, Carona California.

Opal James is Worthy Matron and Johnny Leathers is Worthy Patron of the local Chapter.

MORE STUDIES NEEDED

Aspirin has been described as a "miracle drug" and for good reason...it reduces fever, kills pain, and decreases the inflammation of joints in arthritis. Recently, however, it has become suspect as having some relationship with Reye's Syndrome. In this syndrome... which may follow a viral illness...nausea and vomiting may occur and may then progress to drowsiness, coma, and death due to uncontrollable brain swelling.

Recent studies have shown that children recovering from flu or chicken pox who received aspirin were more likely to develop Reye's Syndrome than children who did not receive aspirin. There was, therefore, a possible relationship between the syndrome, the previous viral infection, and the use of aspirin. Aspirin was not indicated as the cause of Reye's Syndrome, however. And the condition is known to occur in children who have not received aspirin.

More studies are needed before aspirin is condemned in its association with Reye's Syndrome. In the meantime, parents wishing to avoid giving their children aspirin should be aware that some cough/cold products contain aspirin. Your pharmacist will assist in selection of aspirin-free preparations.

WE WANT TO BE YOUR PHARMACISTS!

Jerry Hedge

IN AND AROUND HEDLEY

Sherrie Hill

initiated

Sherrie Hill of Hedley was initiated into the Alpha Gamma Chapter of Phi Theta Kappa on October 26, 1982. Ms. Hill is a sophomore student at Cisco Junior College and was initiated along with fourteen others into the highly selective honor organization.

Phi Theta Kappa is the honor fraternity organized in junior colleges across the United States. Its purpose is to recognize and promote high scholastic achievement.

SHERRIE HILL

Facts for You

Interest Rates
The Texas Bank of Cooperatives has announced the following interest rates effective November 1, 1982: seasonal and commodity loans, 12.25% (a decrease from 13.50%); term loans, 12.25% (a decrease from 13.00%).

Wheat Exports
The Wall Street Journal, October 6, 1982, reported that Australia, a major wheat exporter, probably will have to import U.S. wheat next year because of a widespread drought.

The last time Australia needed to import wheat was in 1957.

Cottonseed Prices
Prices paid growers, as reported by USDA, ranged generally from \$60 to \$70 per ton across the Belt, during the week ending on September 29, 1982. Oil mills paid ginner \$70 to \$80 per ton, mostly \$70 for grade 100.

Oilseed Situation
World oilseed output for 1982-83 is forecast at a record 184.8 million tons, down 0.3 million tons from last month, but 12.2 million tons above 1981-82. This month's revision is mostly because of changes in prospective world soybean production.

Worker's compensation and Marijuana
On March 11, 1982, the Beaumont Court of Appeals ruled that a worker can recover worker's compensation benefits for injuries received while in a state of intoxication from using marijuana.

The court issued its ruling despite the Texas worker's compensation law, which denies recovery for "an injury received while in a state of intoxication."

Farmer Bankruptcy Ruling
A federal bankruptcy court has ruled that a farmer can file for Chapter 13 Bankruptcy ("adjustment of debts of an individual with regular income"), under the Bankruptcy Reform Act of 1978. The court held that a farmer qualifies as an "individual with regular income," where the farmer has annual income from the farming business, even though his future annual income is not readily ascertainable with any degree of certainty.

Chapter 13 Bankruptcy permits the debtor to propose his own three-year repayment plan to his creditors (the bankruptcy court

may extend the period to five years). If the bankruptcy court approves the plan, the debtor serves as his own trustee, and his creditors cannot harass him, or seek to collect their debts, during the repayment period.

The Lions Tale

BY GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall with 29 members. Lion Sweetheart Jessie Adams and one guest present. Following the regular opening ceremony, Boss Lion Bivens announced that our club will be giving away a beautiful American ceiling fan. It is brass, reversible and a \$250. value. Tickets are available from any Lions Club member for \$1 each and you are encouraged to purchase a book of five.

The Boss Lion then called on Lion Billy Ray Johnston, Program Chairman, to introduce the program which was given by Claudia Stravato who is Field Manager of the State Comptroller's regional office in Amarillo. She told us a number of interesting facts.

The State Comptroller's office is the chief bookkeeper for the state of Texas. Every state check comes from their office. They are also the chief state budget manager, and every appropriations bill must be signed by the comptroller as well as the governor.

In addition to the 70 offices they have around Texas, they also have 7 offices throughout the United States in order to audit the books of large corporations which operate in Texas but which have their corporate office and books in other states. If Texas were an independent nation, it would rank 10th among the nations of the world in terms of income and expenditures. It was an interesting program. Meeting adjourned.

TIPS ON TRIPS

When you arrive in a foreign country, only exchange enough travelers checks to cover minor expenses for one or two days. There are exchange desks at most hotels. All major expenses should be covered by your tour package.

Take along 25 single United States dollar bills that can be quickly and easily converted for last minute expenses when departing one country for another, such as purchasing and mailing a post card. This will eliminate the need to change a large denomination traveler's check.

Lone Star buys the gas you need. Bob Kimbrel is one of Lone Star's gas buyers who constantly shop the Southwest for gas value and quality, and for contract terms that are favorable to you.

300 smart buys a year help keep gas first in efficiency.

From offshore and onshore. From East Texas, far West Texas, West Central Texas, North Texas, the Gulf Coast and Oklahoma. From 20,000 wells and 790 producers in 690 different fields, Lone Star gets you the gas you need.

Like you, we buy our gas. Lone Star buyers shop for value and quality, and for contract terms that are most favorable to you.

These purchase/delivery transactions are extremely complex. The buyer needs to know the good gas from the not-so-good, the rich source from the skimpy one. Each buy has its own variables, and we make about 300 new buys a year.

Our buyer may have to bid against as many as 15 others from all parts of the country.

And Lone Star's delivery system must be right there. Able to move the gas from the wellhead directly to your home. Today, that requires 32,000 miles of pipeline. And the system keeps growing.

There's plenty of gas. But it takes a smart buy to secure it. And a mighty pipeline system to deliver it.

Lone Star has both. We get you the gas you need.

Lone Star Gas Company
Gas. First in energy efficiency.
