New Jaycee officers elected last week are, left to right, Bob Bell, Treasurer; Gary Gerdes, Vice President; Bill Bradshaw, President; Glenn Wallace, Inter-Club Director; and Owen Johnson, Secretary.

Local Schools To Observe Public School Week Here March 7-11

The week of March 7th through the 11th is again designated as Public School Week, and the schools in Clarendon are observing the week with open house and invite parents and friends to visit the classroom to observe children in a normal school day classroom and extra-curricular activities.

Developments in education to meet the demands from federal, state, and local people, which will be of interest to you. Texas Public School week is an opportunity for you to visit your schools to see how these new developments are being put to use.

Funeral Services Held For Bill M. Salmon, Sr.

Funeral services were held Wednesday afternoon, March 2, at the Brice Baptist Church for Billy Morgan Salmon, Sr. Rev. Clifford Jester, pastor of the Shady Oaks Baptist Church in Hurst and Rev. Claude H. Harris, pastor of the Brice Baptist Church officiated. Burial was in Citizens Cemetery, Clarendon.

Mr. Salmon, age 56, died Monday in Hall County Hospital. He had been a life-long resident of the Brice community. November 15, 1927 he was married to Esteline Smith who preceded him in death in October of 1951.

Surviving are a son, Billy Jr. of Brice; a daughter Mrs. Susie Bistle of San Antonio; brothers, Zack of Brice, Roland of Lakeview, and Pat and Pete of Amarillo.

Leader Local Rate - \$3.50 a Year.

Bill Bradshaw Elected To Head Jaycees

W. R. (Bill) Bradshaw was elected as President of the Clarendon Jaycees at their annual election meeting on Wednesday night of last week. Bradshaw has been a member of the local club since it was chartered in 1962, and he will take office at the Jaycee and Jaycee-Ette Installation and Awards Banquet to be held at the High School Cafeteria on the night of March 25th.

Other officers elected were Gary Gerdes, Vice President; Owen Johnson, Secretary; Bob Bell, Treasurer; and Glenn Wallace, Inter-Club Director. Other directors of the club will be Roland Hill, Chauncey Hommel, Duane Nichols and Tom Higley.

The local Jaycee club has had the honor of being named one of the most outstanding Jaycee clubs in the State the past several years and have received recognition nationally for their achievements. The Jaycees are a non-profit organization and are organized to promote civic welfare and to study and foster the commercial, industrial and educational development and needs of the City of Clarendon.

It was organized for educational and charitable purposes and is especially designed to aid and sponsor the growth and development of young men in this City, to develop in them a spirit of patriotism, civic interest and to provide opportunity for personal achievement, and to furnish an avenue to intelligent participation by young men in the affairs of this community, state and nation and serves to develop true friendship and understanding among young men of all nations.

The Jaycees wish to thank the people of Clarendon for their support in the past years and ask your continued support in the future. Tickets for the banquet will be on sale after March 1st and can be obtained from any member.

Former Resident Dies At El Paso Tuesday

Funeral services have been set for Friday in El Paso for Ed B. Antrobus, 73, who died there Tuesday evening following a lengthy illness. Burial will be at El Paso.

Mr. Antrobus was a native of Clarendon and a long-time resident here. He has made his home at El Paso the past 15 years.

He is survived by his wife Kay of El Paso and six children; also three sisters, Mrs. O. C. Watson of Clarendon, Mrs. Lucy Stargel of Oklahoma City and Mrs. Edith Mercer of Dallas and one brother, B. C. Antrobus of Clarendon.

PROPER PAPERS ARE A NECESSITY TO REGISTER CARS

Complaints continue to come in in regard to the registration of cars and motor vehicles, and the fact remains—that people simply are not bringing the proper papers with them to register their cars for the current year.

Don't blame the personnel at the tax office if you fail to be able to produce your car title and registration receipt for last year. It is their job and they must abide by the law. Only about 300 vehicles have been registered to date.

As the deadline draws near there is going to be a tremendous rush. If you do not have these papers there is nothing you can do but wait until you can produce them and perhaps pay a penalty if they are not found before the deadline.

Save yourselves and the girls at the tax office a lot of trouble by taking these papers with you when you apply for your new license plates.

FARM NEWS

from County ASCS Committee

1966 CROP MEASUREMENTS

All producers except those who have soil bank will be required to measure their own farms this year. This method of measurement was used in several counties around us and proved very satisfactory. Many dollars were saved in the counties which used this type of performance.

A measurement service will be offered if a producer prefers to pay the cost of having a county office representative do the measuring for him. The charges for the service are as follows: Premasurement Service (before crops are planted) \$14.00 per farm plus \$2.00 for each plot over one plus 15c per estimated acre plus \$5.00 for mileage and office work.

Measurement Service (after the Crops are planted) \$7.00 per farm plus \$2.00 for each plot over one plus \$2.00 for mileage and office work. We will help you every way we can in the office to determine your acreage, but please remember that you are the one certifying to the acreage reported. We will be required to spot-check at random 25% of the farms reporting measurements.

1966 PROGRAM SIGNUP

You are reminded that April 1, 1966 is the final date to sign your intention to participate in the wheat, feed grains, and cotton programs. These are all volunteer programs. Find out if they suit your farming operations; if so, be sure to sign up before the deadline.

You are reminded that all producers, regardless of the size of the allotment, who intend to earn cotton payments, must sign an intention to participate prior to April 1.

Science Fair Set For March 4, Friday

The 1966 Junior High Science Fair will be opened to the public March 4th from 9 a.m. to 4 p.m. All fair projects will be set up March 3rd for judging. Due to the lack of space this year various grades will be set up in certain rooms.

These displays will be as follows: Miss Mongole's fourth grade, Mrs. Barrow's sixth grade, and Mr. Leathers' seventh and eighth grades will be shown in Room C-124.

Mrs. Hawkins' fifth grade will be shown in Room C-113; Mrs. Butler's fifth grade in Room C-120; and Mrs. Shaller's fourth grade in Room C-116.

The fair is usually held during Public School Week but in order to meet the entry requirements set up by the Amarillo Fair, an earlier date had to be scheduled for the Clarendon event this year.

Again a cordial invitation is being extended the public to visit the local 1966 Science Fair.

WEED CONTROL TOPIC FOR YOUNG FARMERS MEETING TUES. NIGHT

With the growing season not too far away, the main program topic for the Donley County Young Farmers meeting next Tuesday night will deal with weed control. The group will meet at 7:30 p.m. in the high school ag building. All interested persons are invited to attend.

Guest speaker for the occasion will be George McDuff, engineer with Southwest Fertilizer and Chemical Co. of Lubbock, who will explain what Treflan can do in regard to weed control. This program is provided thru the cooperation of West Gas Co., local Treflan dealer.

Mrs. Morris Ledger, Mrs. C. G. Stricklin, and Mrs. C. T. McMurry attended a meeting of Federated Clubs in Amarillo.

Clarendon Girls Lose Bi-District Game To Stratford 48-55

Clarendon High School girls lost their bi-district basketball game to Stratford in a "standing room only" crowd at Tascosa Gym in Amarillo Tuesday night. The local group started cold and seemed to be unable to find the basket with this condition existing until well into the fourth quarter of play.

The first quarter ended with Clarendon trailing by one point—10-11. Stratford stretched their lead to 20-26 by halftime and came back to bring their score to 39 as compared to 25 for Clarendon in the third quarter. Clarendon scoring picked up in the fourth quarter but time ran out and the game ended with a final tally of 48-55.

Cheryl Fedric was high scorer for Clarendon with 20 points. She was followed by Sandra Longan with 16, Christina Moore with 11, and Sue Hill with 1. Myrna Hester was high point girl for Stratford with 29.

The local girls closed their season with a 23-10 record and in commenting, Coach Carl Irbek stated that he felt the entire team had done a fine job throughout the season. As for the game Tuesday night he attributed our defeat to the free throw line where Stratford averaged 71% while Clarendon's average was 58%.

One girl on Stratford's team hit 19 out of 20 free throws, Christina Moore did much to bolster Clarendon's average at the free throw line.

In the warm-up game with Nazareth Friday night the local team was edged out by two points on the final tally. By quarters the score stood at 14-15, 20-26, 33-35, and 42-44. Cheryl Fedric paced Clarendon with 20, Sandra Longan with 18, and Sue Hill with 4.

Carol Schulte hit the basket for 25 for Nazareth. Both Coach Irbek and the entire team are looking forward to another fine season next year and are hoping for the continued splendid support given them this year.

List Growing For Young Farmers Auction Sale Saturday, March 19

The list of items for the Young Farmers Farm Sale which will take place here Saturday, March 19th is growing each day, and will continue to grow as additional items will be added to the list between now and the sale date.

The list includes practically all types of farm equipment, household items and many miscellaneous items. This will be a top-notch sale if there ever was one, a member of the Young Farmers stated.

The sale will be held at the County Fair Grounds with Maurice (Cobb) Britten of Groom as the auctioneer. Food and refreshment will be available at the sale and drawings will be held in conjunction with the event.

HOSPITAL NOTES

Patients as of Wed., March 2—Mrs. Elizabeth Barker, Mrs. George McKee, Mrs. Pearl Pierce, Mrs. Dollie Beach, M. E. Tyler, Max Pipes, John White, and Mrs. Ralph Keys. Dismissals—Miss Mae Bennett, Mrs. W. S. Carlile, Buck Glass, Mrs. Emily Hill, Mrs. Dorothy May, Alfred McMurry W. M. Pickering and Mrs. Fannie Reynolds.

Leader Out-of-County Rate - \$4.50 a Year.

Voter Registration A Must To Vote In Any Election Held This Year

Four Candidates In College Regent Race

According to information released at noon Wednesday, a total of four candidates had signed up for College Regent. The deadline for filing was 5 p.m. Wednesday afternoon.

The four who have filed are Bright Newhouse, Billy Chirstal of Lelia Lake, Ross Springer of Hedley, and Mrs. Virginia Brown from the Giles area near Memphis.

In addition to the new listings, George Thompson withdrew his name from the list of candidates. He, along with Richard Tunnell and Walter B. Knorpp, have declined to run for re-election as they feel representation on the college board should be distributed over the county. The college is now a county-wide supported institution and we feel that people outside of Clarendon should have a voice in the operation and progress of the college as well as local residents, they added.

There will be three vacancies to be filled in the April 2nd election.

OPERATION TEEN-AGE

The Student Senate of Clarendon College is sponsoring "Operation Teen-Age" through the help of Miss Mary Cooke who is Democratic Chairman of Donley County. "Operation Teen-Age" is a program that has been presented in various parts of the state. It consists of four inmates from the Huntsville Prison who relate their experiences with the hope that teen-agers and others will be aware of various reasons for the prisoners' mistakes and subsequent trouble with society.

Mr. Lovell of the Texas Department of Corrections will accompany the four prisoners. All interested persons are invited to attend the program at the College Gymnasium, March 8, at 10:00 A.M. There is no admission charge.

JAYCEE CAGERS TO PLAY KIXZ DRIPS TONIGHT

The Clarendon Jaycees will play the KIXZ Dribbling Drips at 7:30 p.m. today (Thursday) in a basketball game that will see the proceeds going toward the refurbishing of a new room for the Jaycees in the new City Hall. Tickets will be sold at the gate for \$1 and 75 cents.

The game will be played in the Clarendon College Gym. The Jaycees and the Drips played a game last year with the radio station group coming out on top. Clarendon has played one game this year against a Jaycee group from Childress and came out on the short end of the score.

Considerable confusion has come up over recent court decisions regarding the poll tax in Texas and the new voter registration law recently enacted by the Texas legislature.

All persons who have paid their poll tax under the old law are eligible to vote. BUT all others who plan to vote in the elections this year are required to register under the new Voter Registration Law. Registration will begin March 3 and continue through March 17. This must be done at the Tax Office at the County Courthouse. All registration forms will be stamped "conditional" in the event that the court ruling should be reversed, a possibility which appears very unlikely at the present time.

Persons who were 61 years of age as of January 1, 1966 will not need to register to be able to vote; however those who will have attained the age of 21 and do not have a poll tax receipt or exemption must register.

People are reminded that this is an important issue and not to be taken lightly. Elections are pending in all levels of government whether it be right here in Clarendon, state wide, or on a national level. Have you any right to complain, find fault, criticize or make any remarks regarding any level of government if you are not interested enough to cast your vote—regardless of how you believe. Who knows! Yours might be the determining vote cast.

With the prospect of progress and construction within our community some very vital issues entirely unexpected now may arise that would be of utmost interest to you. Go register right this very minute. The time grows short!

J. G. McAnear Only Candidate Out So Far For City Alderman

Up until 1 o'clock Wednesday afternoon, J. G. McAnear was the only candidate signed up for re-election as City Alderman. There are three terms expiring at this time; that of McAnear, Gene White and Clyde I. Price Jr.

The filing deadline for a place on the ballot as an Alderman is Saturday midnight, March 5th. Mrs. Brenda Higley, City Secretary, stated that she could be contacted at home after 5 p.m. Friday and up until midnight Saturday if anyone should desire to file for Alderman past regular hours at City Hall.

Time is running out and those interested in City affairs should consider the possibility of running for Alderman themselves or encourage some capable and responsible person to run.

MISS KATHY SPIER ELECTED HEDLEY LIONS QUEEN

Hedley Lions Club Queen was selected Thursday night from a group of five contestants. Announced as winner was Miss Kathy Spier, 18 year old daughter of Mr. and Mrs. Windol C. Spier. Beverly McPherson, 16 year old daughter of Mr. and Mrs. Virgil McPherson.

test to be held in Hereford April 15. Chosen first alternate was Miss Lana Altman, 16 year old daughter of Mr. and Mrs. Ray Altman, and second alternate was Miss Beverly McPherson, 16 year old daughter of Mr. and Mrs. Virgil McPherson.

Leader Photo & Engraving

Voting was close in the selection of a Queen to represent the local Lions Club at the regular luncheon Tuesday. Miss Sandra Lamberson, daughter of Mr. and Mrs. Jack Lamberson, right, won out for first place after voting off a tie. Janny Robinson, daughter of Mr. and Mrs. Joe Robinson was first runner-up. Miss Lamberson will represent the local club at the 2T-1 convention at Hereford.

MEMBER OF

Texas & Panhandle Press Associations

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

TEXAS INDEPENDENCE DAY

March 2 is Texas' very special, historic day — Texas Independence Day. No other State celebrates its own independence day because (as every Texas school-child knows) no other State but Texas declared its independence from a foreign nation to become a separate republic. On March 2, 1836, at Washington on-the-Brazos, delegates to the constitutional convention declared Texas independent of Mexico — declaring, in the words they adopted, "that

the people of Texas do now constitute a free sovereign and independent Republic." The delegates to the convention were still in session when four days later, at the Alamo, Colonel James Travis and his heroic band of Texas patriots fell to the massed onslaught of Santa Anna's army. Many of the 30 counties comprising the 18th Congressional District were named for Texans immortalized by those stirring events of early 1836, the battle of the Alamo and the signing of the Texas Declaration of Independence. Three of the counties of the District, including the two counties added to the District by the Texas Legislature's action last year, are named after defenders of the Alamo. George Washington

COTTLE gave his name to Cottle County, in the southeast corner of the district. Lt. George A. LAMB and Peter James BAILEY, who also died at the Alamo, are the Texas heroes whose names are borne by the newly-added counties in the southwest corner of the 18th District.

Nine signers of the Texas Declaration of Independence are immortalized by Panhandle counties: George C. CHILDRESS, who as committee chairman was the principal author of the declaration, James COLLINSWORTH, later to become the first chief justice of the Republic of Texas; Dr. Junius William MOTTLEY, killed a month after the signing in the Battle of San Jacinto; Samuel P. CARSON, secretary of state for the Republic in the cabinet of the first Texas President, David G. Burnet; Andrew BRISCOE, who fought at San Jacinto; and Robert POTTER, John S. ROBERTS, Martin PARMER, and James G. SWISHER, four others among the 59 signers of the Declaration. It is interesting to note that when Collingsworth and Motley counties were created by an Act of the Texas Legislature in 1876, careless writing of the bill added a letter "g" to James Collingsworth's name and dropped a "t" from that of Motley.

Other counties in the 18th Congressional District are named for men who played drastic roles in those stirring days of the Republic. Erastus (DEAF) SMITH was commander of Sam Houston's scouts. Commodore Edwin Ward MOORE led the Texas navy. Wil-

liam Beck OCHILTREE served in the cabinet of the Republic. Sidney SHERMAN was an officer with Houston at San Jacinto. Judge Anderson HUTCHINSON was a direct judge in the Republic. Warren D. C. HALL was adjutant general under President Burnet. Henri CASTRO was a native of France who came to America, established a colony in Southwest Texas, and later served the Republic as consul to Paris. Abner S. LIPSCOMB was secretary of state under President Lamar. Judge John HEMPHILL was chief justice under the Republic of Texas and U. S. Senator after annexation.

These are other celebrated Texans whose names our 18th District counties bear: Royal T. WHEELER was chief justice of the Texas Supreme Court in the 1850's Oliver C. and Rufus HARTLEY, John M. HANSFORD, James W. DALLAM, and Stockton P. DONLEY were all famous early-day Texas attorneys. General Horace RANDALL was killed in the Civil War. Willis Simpson OLDHAM was a member of the Confederate Senate from Texas. ARMSTRONG County, in the words of the 1876 Act creating the county, was named for "several early Texas pioneers of that name." Peter GRAY, for whom my home county was named, was a member of the first Texas Legislature.

We of the Texas Panhandle are the proud possessors of a rich, proud heritage, and the names on our land help preserve it. WALTER ROGERS Member of Congress 18th District of Texas

ASHTOLA NEWS

Mrs. Hubert Rhoades

Mr. and Mrs. R. R. Partain and Rudy spent Saturday night and Sunday in Borger with Mr. and Mrs. W. W. Jones.

Mr. and Mrs. Dan Corley of Sunray visited Mr. and Mrs. Frank Mahaffey.

News From Clarendon College

HERE AND THERE CAMPUS CHATTER

By Jim Blackerby

Spring is just around the corner, and everyone seems to feel its proximity. There is extra bounce in everyone's step, as indicated by Jerry Taylor's bouncing backwards down the stairs without falling—quite a feat. The sparkling twinkle in Dolfia Vallance's eyes is typical of the look acquired by young girls when their thoughts turn to romance. The laughing smile on the boys' faces comes from knowing what the girls are thinking about.

In the spring, when a young man's thoughts turn to fancy and a young girl's to love, many exciting things occur. Since the signs of restlessness are already appearing, Clarendon College will experience a long spring. Maybe it will be an exciting one.

THIS AND THAT DAFYNITIONS

By Gwen King

"A photographer," says Tom Higley, "is one who makes an ugly girl as pretty as a picture." Mr. Selvidge defines psychology as the science that tells you what you already know in words you can't understand. "A yawn," says Brenda Moore, "is a silent shout."

A professional on the subject, Mrs. Ann Luttrell, defines kissing as a means of shortening single life.

"A harp," says Butch Brown, "is a piano in the nude."

In discussing literature, Mrs. Hamilton asked her "brightest" pupil, Buster Branum, to define an author. His reply was, "A fool who, not content with having bored those who live with him, insists on boring future generations."

TALENT SHOW

By Maudena Self

The College Choir sponsored a talent show on February 23 for the entertainment of the college and high school students. There was talent galore, which was evidenced in various ways. There were piano soloists, guitar pickers, all types of singing groups and a few comedians.

Judges for the show were Mrs. Basil Smith, Mrs. Emmett Simmons, and Mrs. Bill Williams. They chose Jim Stewart, who played the guitar, as first place winner of the Girls' Sextet, made up of college girls, for the second place winner.

The proceeds from the talent program will be used to pay the expenses of the Hand Bell Ringers from Wayland Baptist College. They will present a program during Fine Arts Week on April 29, 1966.

WHEN AND WHERE CLARENDON COLLEGE AGGIE CLUB RODEO

The Aggie Club of Clarendon

College is planning its second annual rodeo for April 22nd and 23rd. The performances will start at 8:00 P.M. each evening. There will also be a matinee performance on the 23rd at 2:00 P.M. The stock will be furnished by Ratjen Brothers of Happy, Texas.

There will be dancing after each evening performance. An announcement will be made later as to the name of the band.

The books will be open on April 1st and will remain open until April 21st. Any high school or college student between the ages of thirteen and twenty-one may enter the competition.

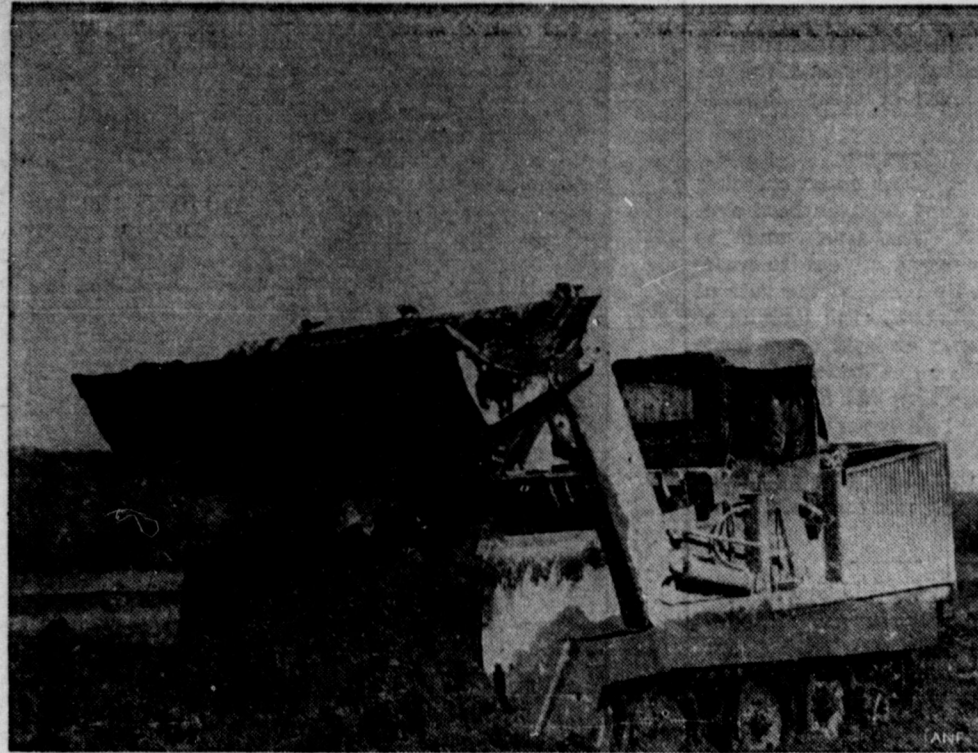

Additional information may be obtained by writing to: Secretary, Aggie Club, Clarendon College, Clarendon, Texas

WHO AND WHAT AIR FORCE ROTC TESTS TO BE GIVEN

Air Force ROTC officials from Texas Technological College will administer the Air Force Officer Qualifying Test on the Amarillo College campus, on March 9, 1966 at 2 p.m. in the conference room, Student Union Building.

The test is in conjunction with the Air Force's new two-year ROTC commissioning program now being offered at some 186 colleges and universities across the nation.

This new program affords young men who transfer from Junior Colleges to four-year institutions the opportunity to compete for Air Force Commissions on an equal footing with other

SCRAPING BOTTOM—The Universal Engineer Tractor-Crawler (UET) undergoes field tests at the U. S. Army, Armor Board, Fort Knox, Ky. The UET is a multipurpose, lightweight construction machine designed as a Combat Engineer Squad Vehicle. Army Engineer Research and Development Labs at Fort Belvoir, Va. International Harvester manufactures the vehicle.

students who have taken the traditional four-year program.

BULLDOG KENNEL

Comments From The Coach's Corner

The Bulldogs concluded their season with a home game and a road trip to South Plains and Roswell. The road trip involved the two biggest and strongest teams in the league.

The home game was a battle between the cellar dwellers. The Bulldogs hit their all-time high of the season with 99 points, breaking their previous record of 96 points scored against Altus, Oklahoma. This record also pulled us out of the cellar for the first time in three or four years. Dennis Shugart hit an all-time high for

an individual, scoring 33 points. Alvin Alexander held on to his 20 point average by sinking 19 points.

Our joy was short-lived, being terminated by the South Plains Texans, the Western Conference Champions, on Friday night. They obliterated us. Alexander's performance was the only warm spot, recording a 26 point tally. Shugart had another good all-around ball game.

We still weren't out of the fire, moving on to New Mexico Military Institute the next night. We ran into a brick wall on defense which was nearly impossible to penetrate because of their size. Little Alvie proved again that he can score against the best opposition that a junior college can offer, shooting a total of 22 points. New Mexico Military Institute has the leading scorer of the conference in Nelson. He and Alvie have guarded each other in both games. Nelson is 6-3 while Alvie is only 5-8, and Alvie has outscored him in both contests.

I think the boys, even up to the last minute, fought all the way. They completed a twenty-seven game schedule of the most ter-

rifying competition that they or the coach have ever seen. The best way to describe our competition this year is that it was unbelievable.

Actually, the season never ends for an athlete, even though the schedule is completed. The work still continues. The boys know that they must put in hours and hours of work between now and next fall, which they are willing to do in order to be ready to play next year.

Recruiting is the next and biggest problem facing the athletic department. Recruiting good athletes is one of the most competitive fields involving human talent. It has often been said by old, experienced coaches that recruiting is 90% of the teams success, organization is 7%, and coaching is 3%. Clarendon College, being the smallest school by several hundred students to compete in athletics in Texas, will have to fight harder for good athletes than anyone. But we feel fortunate that we have several outstanding boys who have indicated a desire to attend our school because of the type basketball we play, the competition we face, and the fine

Look—we aren't kidding. For a few dollars a month more, you could be driving a Chrysler:

Make	Wheelbase	Overall Length	V-8 Engine Cubic Inch Displacement	Base Monthly Payments	Difference Per Month
CHRYSLER NEWPORT	124"	219.0"	383	\$65.80	—
FORD GALAXIE 500	119"	210.0"	289	\$58.32	\$7.48
CHEVROLET IMPALA	119"	213.2"	283	\$58.45	\$7.35

BASIS OF COMPARISON—All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 1/2 down and 36 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

The hard facts are all in the chart. You can practically pay the price of a Chrysler and get a lot less car all the way around. Or, you can come in and move up to the Chrysler class for far less money than most people suspect. Confidentially, which choice makes the most sense to you, a little car or a full-size Chrysler?

GIDA

Move up to Chrysler—the big car you can afford

AAA MOTOR CO. of Clarendon - 113 West 2nd St., Clarendon, Texas

spirit our team has shown this year.

Park Sealers Survive Fall

LA GRANGE—Two adventurous teen agers explored a cliff adjoining Monument Hill State Park and escaped with contusions, abrasions but no fractures.

They had almost reached the top of a precipice when the leader slipped and fell about 25 feet to where his companion was standing on a ledge. The latter broke the fall.

Two hours and many moans later they got the daring youngster to the hospital where he was described "as very lucky but not a very badly hurt boy."

Even a bad haircut will cure itself in a few days.

Often when we talk about liberty we mean being free from doing the things we don't like so that we can be slaves to the things we want to do.

At the present rate; the taxpayer may be the first of our natural resources to be exhausted.

There are so many labor saving devices being sold these days that we have to work all our life to be able to own them.

Tax paying time really taxes the mind. We are almost afraid to mention it for fear some taxing agency will try to do just that.

Uncle Jay Bob says that it is surely a good thing that the Chinese never piled up a big national debt like countries do today. If they had the ancestor worship idea would never have clicked at all.

We take off our hats to the Hemphill County Commissioners Court. These men made the unusual headlines in this modern day when upon discovering that they had more tax revenue than

was needed to operate the county's business efficiently—it was then that they did the almost unheard of thing—lowered taxes.

It seemed to us as an onlooker that President Johnson bent over backwards, forwards, and in everyway went all out to make sure that he received the vote of organized labor. In looking at today's paper at least three large groups are right down his neck because he kept his neck tucked in on the 14-b repeal battle. It just goes to show that in politics one has to keep on doing things for everyone not only often but lately.

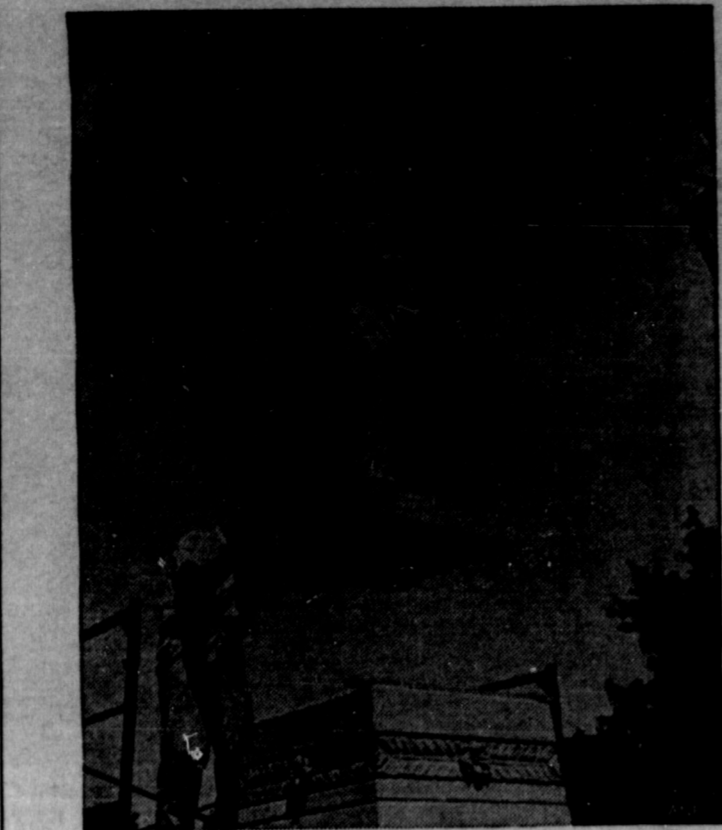

Sometimes we blame our children in this modern day for not being able to successfully deal with the rough spots along the road of life. It could be that too many times as parents we fail to let them feel the bottom on their own.

Men depend on their strength for their charm. Women depend on their charm for their strength.

BRONCHO COLUMN . . .

BRONCHO CHIT CHAT

This article is dedicated to the freshmen and sophomores of Clarendon High. The reason I have picked such a subject is because recently I heard some students comparing the degrees of maturity of each class. They make their comparisons simply by describing them. It went something

THAYER'S STATUE—The statue of Colonel Sylvanus Thayer, "The Father of the Military Academy" and newly elected to the "Hall of Fame for Great Americans" at New York University, is guided into its temporary home at Trophy Point, near the Academy. The statue was moved from in front of the cadet dining hall where it had stood since 1853 to make room for construction. In the next ten years the Corps of Cadets will expand from its present 2643 to 4417. New barracks, a new science building, additions to the gymnasium and dining hall, and numerous renovations to existing buildings, all blending with current architecture are planned.

like this. Freshmen enter high school terrified and unsure of themselves. Pretty soon they gain confidence and think there is nothing they don't know. They show their maturity by giggling the loudest and at all the silly jokes, and by playing the unheard of pranks. They think they are the best and they try hard not to show how much the seniors impress them. A year later, when they are sophomores, they "never were as silly and stupid as those freshmen." Sophomores are "people of the world" who depend on

no one. They giggle less and talk more. They have reached the ripe old age of 15 or 16 and no one can tell them anything they don't already know. Actually, the underclassmen are pretty good people to have around, and are usually fun to be with.

For the next exciting episode about the juniors and seniors, read next week's exciting issue.

SENIOR PERSONALITY

Steve Stewart is the 18 year old son of Mr. and Mrs. Sidney S. Stewart. He was born December

8, 1947, in Memphis, Texas. Steve stands six feet two inches tall, weighs 155 pounds, has brown hair and brown eyes. Steve has attended the following schools in Midland, Texas: David G. Burnet, Davie Crockett Elementary, and Alamo Junior High. Steve says that his favorite subjects are physics

and tennis. After graduation from Clarendon High School Steve plans to attend Clarendon Junior College and the University of Texas. Steve's plan for the future is to go to college and become an industrial mathematician. Steve says his favorite colors are maroon and white be-

cause they are the school colors. He says that his favorite type of food is Mexican food. Steve's pet peeve is anyone that has to cheat to pass a test. Steve described his favorite person this way, "They have a pleasant personality, good sense of humor, and can carry on an intelligent conversation."

If the first part of your car registration number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to

invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00 happens to be its price. *Manufacturer's suggested retail price for Special V-6, 4-cyl. coupe. Price includes Federal Excise Tax and in-warehouse dealer delivery and handling charges. Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

NEW TRUDAN 2 IS HERE!

Trudan 2, Northrup King's new true hybrid sudangrass, is an exciting forage. Unlike sorghum-sudangrass hybrids, Trudan 2 produces fast growth without coarseness . . . the finest-stemmed, highly palatable plant yields high TDN. Trudan 2 grows back fast with lower prunic acid content. Great for grazing, hay or haylage. Trudan 2 can mean more beef or milk per acre. In tonnage trials, Trudan 2 has out-yielded sorghum-sudangrass hybrids.

Order NEW Trudan 2 now. Supplies are limited!

1926 Book Club Presented Texas Program

The 1926 Book Club met Tuesday afternoon, March 1, at Patching Club House with Mrs. J. R. Brandon and Mrs. Bill Williams as hostesses. Planters of Ivy decorated the entertaining rooms.

During the social hour which preceded the program, dream cake and coffee were served.

The program theme for the afternoon was "Texas" and Mrs. L. N. Cox presented slides of the Big Bend Country, Palo Duro Park, and recent snow scenes in Clarendon. Also, in keeping with the theme, Mrs. C. A. Pitts gave an interesting account of recent travels to the southern coast of Texas.

An informative talk on the history of Texas music was presented by Mrs. W. R. Christal.

Special recognition was given the General Federation of Women's Clubs of America now in its 75th year and commemorating its Diamond Jubilee Anniversary.

Mrs. W. C. Thornberry and Mrs. E. S. Ballew were selected Jewels of the Club to be honored at the District and State conventions of Federated Women's Clubs of Texas. They received this honor on the basis of number of years as Book Club members and the outstanding leadership they have given throughout this time.

Twelve members were present.

LELIA LAKE CENTER NEWS

The Lelia Lake Community Center will meet at the club house Friday, March 4, at 7 p.m. Visitors are welcome. Bring a covered dish and your dishes. Games of 42 and volley ball will be played.

Pathfinder Club Convenes Friday Afternoon

Pathfinder Club convened at Patching Club House for regular meeting Friday afternoon, February 25, with Mrs. C. T. McMurtry, president, presiding. Usual order of business was dispensed with.

A letter of appreciation from our County Librarian, Mrs. Edith Barnes, was read in which she thanked the club for their help in maintaining our City and County library.

Mrs. C. G. Stricklin gave an informative resume of the Federated Club meeting held last week in Amarillo the purpose of which was to tell of the needs of our Mental Hospital at Wichita Falls. Much interest was displayed by the 125 Federated Club Women from over the area who were in attendance.

A very enjoyable and impressive program was presented by Mrs. Genoa Lowe, leader, assisted by her son, Douglas Lowe of Wellington. The subject was "Soil Conservation." Mrs. Lowe gave a short talk after which Mr. Lowe presented a colored movie with audio and a thought provoking religious theme. The program was surely appreciated.

During the social hour punch and cake were served to guests: Mr. and Mrs. Douglas Lowe, Miss Wilma McLean, and 17 members. Hostesses were Mrs. C. G. Stricklin, and Mrs. C. T. McMurtry.

The club will meet March 11 with Mrs. Joe Goldston and Mrs. C. E. Bairfield as hostesses.

Hueco Tanks in the Hueco Mountains near El Paso, Texas, are large natural cisterns formed by depressions in limestone.

Mu Gamma-Beta Sigma Phi Presented Program On Landscaping

Mu Gamma chapter of Beta Sigma Phi met Thursday evening in the Hospitality Room of the Farmers State Bank. Hostesses were Mrs. Lee Johnson and Mrs. John Wayne Stepp.

An interesting program on "Landscape Art" was presented by Mrs. Duane Nichols.

Those present included Mesdames Jack Eads, John Bob Butler, Billy Mac Hicks, Ronald Bailey, Phil Anthony, Arlis Mooring, Delbert Reed, Jimmy Lee Butler, Troy Guy, A. J. Garland, Richard Hadley, Sherman Cosper, Redell Henson, Jeff Walker, Duane Nichols, Lee Johnson, John Wayne Stepp, and one guest, Mrs. Jimmy Carter of Amarillo. —Rep.

MARTIN QUILTING CLUB

The Martin Quilting Club met Thursday, February 24, in the club room with Annie Waldrop as hostess. One quilt was finished and another partially quilted.

Present were Elsie Sibley, Nevada Dunn, Hazel Edens, Sallie Christie, Lois Stevenson, Blanche Higgins, Rosa Lee Watson, Ruth Lyle, Velma Hearn, Edna Osburn, Oddie Moss, Margaret Waldrop, Eileen Jackson, and one visitor, Mike Turner.

The next meeting will be with Hazel Edens March 10 at the Club Room. Everyone is invited to come. Bring a covered dish. —Rep.

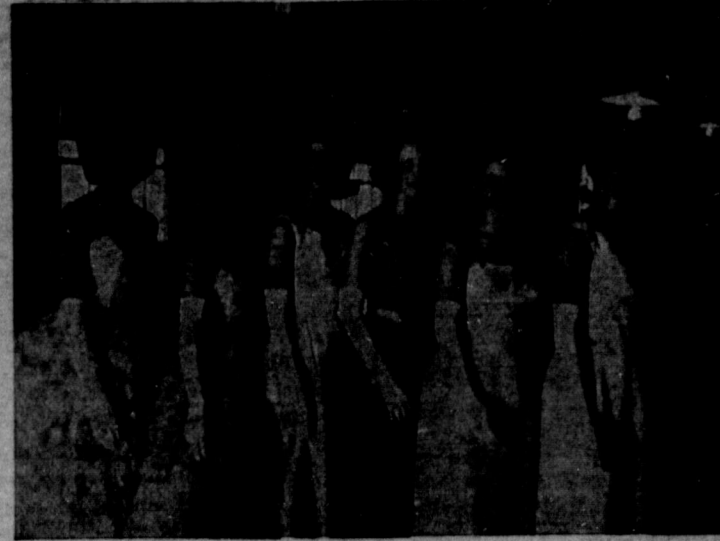

MARY MARTHA CLASS

The Mary Martha Class of the First Baptist Church met in the home of Mrs. Pat Myers Tuesday afternoon March 1.

Meeting was opened with prayer by Mrs. Annie Leathers and was followed by the usual order of business conducted by Mrs. James Smith. Mrs. D. M. Cook gave the devotional from Exodus. The scripture was based on the building of tabernacles which was timely in consideration of our planned building program.

A lovely plate refreshment was served. —Rep.

Leader Photo & Engraving

Candidates for the Clarendon Lions Club Queen Tuesday were: left to right, Sandra Lamberson, Lynna Carter, Carol Chamberlain, Emily Neece, Janny Robinson and Linda Palmer. Miss Lamberson was chosen Queen from the group.

YHA GROUP ATTENDS AMARILLO WORKSHOP

Several representatives of the Clarendon Young Homemakers attended a Mental Health-Mental Retardation workshop in Amarillo Thursday. An outstanding program was presented including a discussion on mentally retarded children; volunteer work carried on at the State Hospital at Wichita Falls and some of the facilities provided for patients there; presentation of plans for the children's psychiatric center and hospital presently being constructed in Amarillo; and a discussion of juvenile problems being dealt with in courts at the present time.

Plans are now being made for a Mental Health Workshop to be held here in April and several outstanding speakers have been secured for the program the purpose of which will be to better acquaint the local citizens with facilities available for treating the mentally ill in our area.

Young Homemakers attending the meeting were Sherry Semrad, Lynda Burris, Donna Tipton, and one guest, Mrs. Faye Montgomery. —Rep.

QUALITY JOB PRINTING AT THE LEADER

GOLDSTON QUILTING CLUB

The Goldston Quilting Club will meet Thursday for an all day gathering in the home of Johnnie Bryson. Everyone bring a covered dish for lunch and bring scraps for quilt blocks, also some unbleached domestic. She would like for each one to make a block for her friendship quilt.

Everyone be sure and try to be present. —Rep.

MIDWAY CLUB

Midway Club met Thursday, February 24, in the home of Eddie Williams for an all day meeting. One quilt was finished.

Present to help with the quilting were our new member, Nancy Lane, and Lelia Bulman, Ellen Moreland, Jewell Myers, Allie Quattlebaum, Lois Chapman, Louise Aten, Grace Ayers, Mary Lee Longan, and the hostess, Eddie Williams.

Our next meeting will be March 10 at the Lelia Lake Community Center with Grace Ayers as hostess. An all day meeting will be held with a covered dish luncheon at the noon hour. This will also be our pollyanna day so everyone bring a gift. —Rep.

LEADER CLASSIFIEDS GET RESULTS

Juliette Low Tea To Highlight Girl Scout Week

A Juliette Low World Friendship Silver Tea will be held on Girl Scout Sunday, March 6th, at the First Methodist Church from 2:30 to 4:30 p.m. This is a neighborhood event and all five troops in the Clarendon neighborhood will be working together.

Gifts to the Juliette Low World Friendship Fund bring together guides and girl scouts from many lands. For the Girl Scouts themselves, it is a way of carrying out the fourth Girl Scout Law—"A Girl Scout is a friend to all and a sister to every other Girl Scout."

The public is cordially invited to attend this tea and get acquainted with the leaders and personnel working with this worthwhile organization.

GIRL SCOUT TROOP 182

Girl Scouts of Troop 182 met at the Canteen Friday, February 25. Girls are making puppets for a Puppet Show and are also making scout uniforms for Barbie Dolls to be used in a window display at Saye's during Girl Scout Week, March 6-12.

Girls of this troop will attend services at the First Christian Church at the 11 o'clock hour on Girl Scout Sunday, March 6. On this same date they will also participate at the Juliette Low Tea to be held at the Methodist Church in the afternoon. Junior Scouts will make cookies.

March 10 will conclude activities for the week for members of Troop 182 when they will have a banquet at Bain's Restaurant. Badges will be presented by Jan Altman and Lucy Saye, leaders. Parents are invited to attend. —Rep.

CHAMBERLAIN CENTER NEWS

The Chamberlain Community Center will meet Friday night, March 4. Everyone is invited to come and enjoy the evening with us. We will play 42 and visit. Bring a cake and a can of fruit. Drinks will be furnished by the hostesses, Mrs. Frank Hardin and Mrs. Richard Dingler. —Rep.

JAYCEE-ETTE TRAVEL NEWS

Several Jaycees and Jaycee-ettes were in Canadian Thursday evening to attend a joint banquet of the Chamber of Commerce and the Junior Chamber of Commerce. Attending from Clarendon were Chauncey Hommel, Mr. and Mrs. Tom Higley, and Mr. and Mrs. Gary Gerdes.

Saturday night, Mr. and Mrs. Chauncey Hommel and Mr. and Mrs. Tom Higley were in Leveland for a banquet meeting. Prior to the banquet an orientation period for Jaycee wives was conducted by Mrs. Hommel and Mrs. Higley in hopes of extending another Jaycee-Ette club.

GOOD NEIGHBORS CLUB

The Good Neighbors Club met in the home of Florence Harp Friday, February 25 for an all day quilting. A covered dish luncheon was enjoyed at the noon hour.

Visitors for the day were Mary Lee Noble and Sallie Christie. Members present were Nina Dale, Blanche Gray, Carrah Mixon, Rosa Bingham, Ruby Jordon, Lida Warren, Bessie Helton, and the hostess, Florence Harp. Mr. Harp was a dinner guest.

One quilt was finished. The meeting will be with Bessie Helton March 11. Everyone bring handwork. We may piece on a top. —Rep.

MISS RODGERS NAMED TO DEAN'S HONOR ROLL

Miss Bonnie Rodgers, daughter of Mr. and Mrs. Thad Rodgers of Clarendon, was one of 128 undergraduate students named to the Dean's Honor Roll for the fall semester at West Texas State University. Miss Rodgers is a sophomore majoring in math.

Mr. and Mrs. Raymond McKee and children of Baytown, Mr. and Mrs. Jim McKee and sons of Philadelphia, Pa., and Harold McKee of Borger have been here thru the week end to be with their mother, Mrs. George McKee who is critically ill.

Mrs. Homer Estlack and her sister, Mrs. Ted Price of Electra are with their father, J. C. Drennan, who is a patient in St. Anthony's Hospital in Amarillo.

CLARENDON HATCHERY

They're back at it again! Texas legislators were called back to Austin for a special session Monday by Gov. John Connally.

A three-judge federal court's order knocking out the poll tax as a requirement for voting prompted Governor Connally, on advice of Atty. Gen. Waggoner Carr, to call the extraordinary meeting of lawmakers. Purpose is to pass a voter registration law in case Carr's appeal of the lower court's decision to the U. S. Supreme Court is lost.

Texas has no other form of voter registration than machinery for collecting the poll tax, noted the governor. If the Supreme Court agrees that the \$1.75 levy is an unconstitutional infringement on due process, Carr and Connally feared local election officials would find it "virtually impossible to determine who is a qualified voter."

Connally made it clear that if the Supreme Court accepts Texas' appeal and delays final disposition through 1966 elections, only those who paid the poll tax by January 31 will be permitted to vote. Come what may, the governor thinks those who paid the levy should be considered automatically registered this year.

Federal judges here, while convinced the poll tax is an improper "charge on a very precious constitutional right," disagrees with U. S. Atty. Gen. Nicholas Katzenbach that it has been employed in modern times to deny Negroes the right to vote. All evidence, they concluded is to the contrary. As limited as the special sessions subject matter is, state lawmakers already are finding room to disagree. Some think voters should be required to register every year to guarantee purity of the ballot box. Others feel the new

law should allow re-registration by voting in elections.

A proposed state constitutional amendment to abolish the poll tax which will be voted on next November calls for annual registration.

CAMPAIGNS BEGIN—They're off and running in the May 7 primary elections!

Filing deadline last week found seven contested Democratic races and eight Republican candidates filed. All 8 GOP candidates were unopposed.

Democratic primary spotlight is on the attorney general's race race between Crawford C. Martin (who resigned as secretary of state) and Sens. Franklin Spears of San Antonio and Galloway Calhoun of Tyler.

P. S. Ervin of Dallas joined the Democratic contest for railroad commissioner which included incumbent Byron Tunnell of Tyler and Rep. Paul Haring of Goliad.

Fred Williams, Del Rio, was a late entry against Democratic Land Commissioner Jerry Sadler.

District Judge John F. Onion of San Antonio is opposing Court of Criminal Appeals Judge W. T. McDonald of Bryan.

Rep. Bill Hollowell of Grand Saline, last man to post his \$1,000 filing fee, is taking on Lt. Gov. Preston Smith, Lubbock. Hollowell's teammate, Stanley C. Woods of Houston, and Mrs. Johnnie Mae Hackworth of Brenham, are opposing Governor Connally.

Agriculture Commissioner John C. White of Wichita Falls, Comptroller Robert S. Calvert of Austin, Treasurer Jesse James of Austin and three incumbent State Supreme Court judges have no Democrat opposition.

Emphasis this year obviously will be on the November general election clash between GOP U. S. Sen. John Tower, seeking reelection, and the Democratic nominee. Candidates on the Democratic primary ballot are

Waggoner Carr and John R. Wiloughby of Houston.

Other Republican candidates are T. E. Kennerly, Houston, for governor; Kellis Dibrell, Seguin, for lieutenant governor; Robb Stewart of Dallas for attorney general; Rudy T. Garza, Corpus Christi, comptroller; L. D. Gilmer, Houston, treasurer; Albert B. Fay, Houston, land commissioner; and Jack Garrett, Danbury, agriculture commissioner.

APPOINTMENTS — Governor Connally named T. D. Armstrong of Galveston, Wells Stewart and Ralph S. O'Connor, Houston, to the board of directors of Texas Southern University.

Governor picked as Texas new Animal Health Commissioner R. W. Hodge of Del Rio and Dent Ingram of Carrizo Springs.

He appointed Mrs. Margaret Bortel of San Antonio to State Board of Cosmetology.

EDUCATION STUDIES BEGIN — Two important studies of the public school system have been launched. A spokesman for one predicts teachers will ask for another \$500 a year raise at next year's legislative session.

Governor's Committee on Public School Education, directed to make a far-reaching report on school needs, held its first meeting here and selected Glen H. Ivy, Texas Research League staff member, as its director.

House Interim Committee on Education decided to collect comparative data on what teachers are paid over the nation. Rep. Charles Wilson of Lufkin said he believes teachers will ask for another pay raise in 1967. They got one in 1965.

POVERTY PROJECTS APPROVED — Fifteen more Community Action grants and two VISTA grants under the Economic Opportunity Act have received Governor Connally's approval.

Grants went to agencies in Harris, Hidalgo, Atascosa, Karnes, Wilson, Brooks, Jim Hogg, Zapata, Dallas, El Paso, Kleberg, Maverick, McLennan, Shelby, Starr, Comal, Blanco, Nueces and Webb Counties. They ranged from \$5,752 for Economic Opportunity Development Corporation of Laredo project to \$53,181 for Harris County Economic Opportunity Organization.

MANUFACTURING AT RECORD LEVEL — All-time highs in employment, payrolls and value of output were set by Texas man-

ufacturing industries in 1965, and outlook is even brighter for 1966.

So concludes a study of Texas industrial expansion by the university of Texas Bureau of Business Research.

Total Texas manufacturing employment this year is expected to rise by 13 percent, with biggest increase in electrical machinery production. Estimated value added by manufacture for 1966 is anticipated to be slightly above \$8,500,000,000, a 21 per cent rise over 1963.

A serious problem facing Texas manufacturers, BBR noted, is a shortage of skilled labor (particularly machinists) and engineers for aerospace companies supporting the Manned Spacecraft Center in Houston.

Shortage of engineers, machinists, technicians and managerial talent emphasizes again the "need to provide a superior educational system at the elementary secondary and college levels," BBR stresses. Many industries, Bureau warns, can move where skilled labor is available, and there is less and less work for the uneducated and unskilled.

NEW HIGHWAY MAPS — New 1966 Texas highway maps are off the presses. Initial printing of 800,000 will be the largest in history.

Maps are produced for free distribution by Texas Highway Department's travel and information division.

New maps shows 521 more miles of divided highways than appeared on 1965 map and over 22,000 miles of farm-to-market roads, an increase of 7,500 miles over 1965. Also shown are all highways, public lakes, safety rest areas, city routes and mileage between points.

WATER RIGHTS — The March 15 hearing of the Texas Water Rights Commission will begin a review of some 200 water permits and certified filings which reports to the commission indicate have not been used for 10 years.

Commission was given an assignment by the Legislature to cancel unused water rights, so the water in Texas streams can be allocated to cities and others who need and intend to use it.

Law requires cancellation of rights which have not been used for 10 years.

Hearing on five such rights on March 15 will launch the review. A second set, involving rights in

Lee, Ellis, Wilson, Oldham and Jack Counties, is set for hearing March 30.

WINTER AND EARLY SPRING FAVORABLE TO PARASITES

Winter and early spring are the seasons most favorable for external parasite infestations in cattle, reminds County Agent Ronald Gooch.

He suggests that all animals be treated when the need arises for the control of these profit takers.

Lice, for example, can cause heavy economic losses in the form of loss in condition of the animals, a drop in milk production and if left to their own, they can in some cases cause the death of animals. Loss of hair, dark, dirty appearance of white areas, rubbing and licking are good indicators that lice are present.

The pests can be controlled by the use of sprays, dips, dusts or rubbing devices, points out the county agent. But, he adds, it is of utmost importance to use the proper concentration of the insecticide as recommended by the manufacturer.

Because of the restrictions on the use of chemicals in agriculture due to residue and other problems, Gooch advises stockmen come by his office for a copy of MP-691, "Texas Guide for Controlling External Parasites of Livestock and Poultry." The publication is free and contains not only the recommended control measures but also safety restrictions, minimum days from last application to slaughter, dilution chart for mixing sprays or dips and other helpful hints for the safe use of insecticides for controlling economically important external parasites of livestock.

TEXAS WHEAT GROWERS LIKE NEW VARIETIES

Rapid and dramatic changes in acreages of varieties in Texas from 1959-64 indicate grower response to research developed varieties. Dr. I. M. Atkins small grain section leader for the Texas Agricultural Experiment Station, said the new varieties have been developed by the Texas Station in cooperation with the U. S. Department of Agriculture. They include Tascosa, Crockett, Caddo, Wichita, Concho, Kaw, Milam and Quana. Improved Triumph developed by an independent breeder was the most widely known variety in the 1964 survey.

CHAMBERLAIN NEWS

Mrs. A. O. Hott

Mr. and Mrs. Tom Barbee of Quitaque visited their son, Mr. and Mrs. E. W. Barbee and family, Tuesday night. All attended the Quitaque and Groom bi-district basketball game at Wellington Tuesday night.

Mr. and Mrs. Garth Carter and boys of Dumas spent the week end with their parents, Mr. and Mrs. A. C. Carter and Mr. and Mrs. Henry Mann. Mr. and Mrs. Hal Riley and Mrs. Lena Springer, all of Amarillo, and Mr. and Mrs. Gervis Kennard and Jennifer of Lakeview ate lunch Sunday with Mr. and Mrs. Mann.

Scott Barbee of Oklahoma City, Oklahoma spent Tuesday and Tuesday night with Mr. and Mrs. E. W. Barbee and children.

Mrs. Frank Hardin is on the sick list. Hope she will be well soon.

Mr. and Mrs. C. C. Scott of Amarillo visited Mr. and Mrs. Price Webb Thursday.

Mr. and Mrs. Tom Bogard of Muleshoe spent the week end with his sister, Mr. and Mrs. Roy Blackman.

Mr. and Mrs. Price Webb and her mother, Mrs. Etta Reynolds, visited her son, Mr. and Mrs. Clarence Reynolds of Ashtola, Thursday night.

Mr. and Mrs. E. W. Barbee, Ewayne, Jennie and Jan attended the Clarendon-Gruver bi-district basketball game at Canyon Monday night.

Mr. and Mrs. A. O. Hott visited Mr. and Mrs. Leonard Dozier Friday afternoon.

Mr. and Mrs. Don Lemons of Brice visited her parents, Mr. and Mrs. Price Webb, Monday.

Mrs. D. G. Ballew returned home Saturday night from Ft. Worth where she spent a week with her son, Mr. and Mrs. Harold Darby and Craig.

Mr. and Mrs. Price Webb visited their son, Mr. and Mrs. Kenneth Webb and children, in Amarillo Saturday.

Mrs. Etta Reynolds visited her son, Mr. and Mrs. Clarence Reynolds Saturday.

Mr. and Mrs. Richard Dingler and Mr. and Mrs. D. G. Ballew attended Mr. and Mrs. Travis Ivey's housewarming Sunday afternoon, and visited Mr. and Mrs. Frank Hardin.

Mr. and Mrs. D. C. Mann visited Mr. and Mrs. Richard Dingler Friday night.

Mr. and Mrs. Don Lemons and boys of Brice, Mr. and Mrs. J. C.

Ashcraft, Bill Littlefield, and Mr. and Mrs. Pat Myers visited Mr. and Mrs. Price Webb Sunday.

Mr. and Mrs. Robert Cash and girls of Amarillo visited her parents, Mr. and Mrs. Richard Dingler Saturday night.

Mr. and Mrs. Jimmie Carter and Jay Neel of Amarillo spent part of the week with their parents, Mr. and Mrs. A. C. Carter and Mr. and Mrs. G. A. Lamberth. Mr. and Mrs. Jimmie Carter are moving to Denver, Colo.

HUGE MULLET TAKEN FROM FRESH WATER

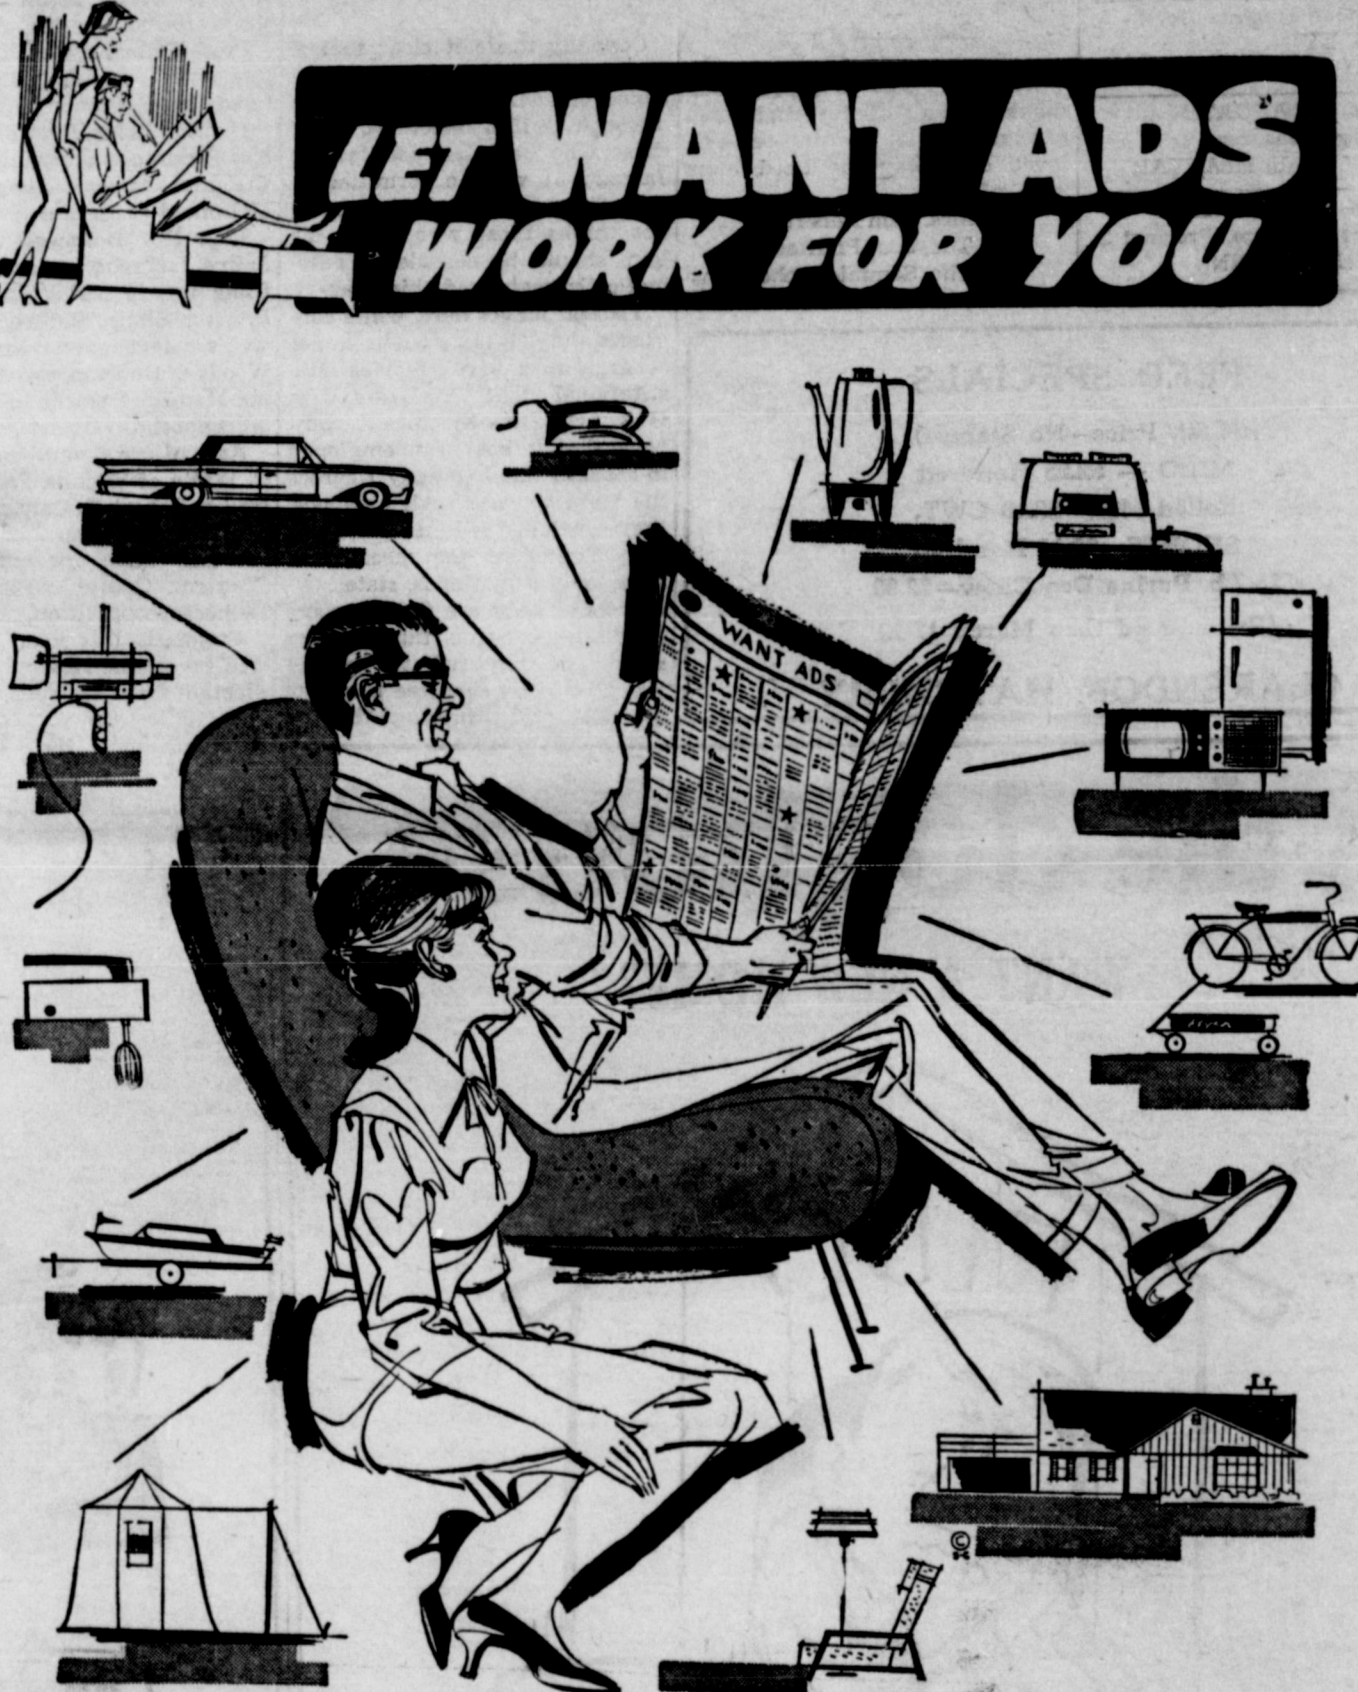

A huge specimen of the common mullet, usually found only in salt-water bays, has been taken from the fresh waters of Lake Corpus Christi.

A commercial fisherman, working under contract for the Texas Parks and Wildlife Department, called Game Warden Frank Henze to identify a fish he had taken in his nets.

Henze was amazed to find that the fish was actually a mullet which weighed eleven pounds.

"I've never seen even a small mullet taken from these waters (Lake Corpus Christi) before," Henze said.

Australia is the only continent in which the blowgun was unknown.

Donley County Leader

HEDLEY NEWS

Mrs. Mabel Bridges

Butch Weatherley returned to Ft. Riley Friday after a two week leave at home.

Mrs. T. J. Cherry and Mr. and Mrs. Elmer Howell visited the lady's brother, Elzie Kidd in an Amarillo Hospital last week. We are happy to learn Elzie is able to be at home in Clarendon.

Harry Mendenhall came home from Northwest Hospital in Amarillo Saturday. He underwent major surgery.

Mr. and Mrs. Arthell Gibson and son of Pampa spent the week end with the lady's parents, Mr. and Mrs. Walter Johnson.

The Sunday morning service at

First Baptist Church was the last morning service for Rev. Bob Estes as pastor. The Estes family was honored with a fellowship lunch in Fellowship Hall following the service. A gift was given the Estes. They are leaving Monday for Ft Hood where Bro. Bob will be an Army Chaplain. They leave a host of friends in Hedley who wish them well in their move.

Mr. and Mrs. Collier Heater and son of Dumas spent the week end with the lady's father, F. G. Watt.

Mrs. Alice Wall of Wellington is visiting a relative and friends here for a few days.

Mr. and Mrs. E. M. Glass and Myrtella Deahl attended funeral services in Amarillo Wednesday for Sam Robertson.

Mrs. Jessie Adamson and Danny

Drum spent the week end in Amarillo with relatives.

Mrs. Bob Roland of Alanreed visited friends here Saturday.

Mr. and Mrs. George Younger of Canyon spent the week end with his mother, Mrs. Younger.

Mr. and Mrs. Bud Johnson and children of Amarillo spent the week end here with his parents, the Charley Johnsons. Bud is building a house here. His family plan to make their home here.

Mr. and Mrs. Doyle Clendenen of Amarillo spent the week end with their parents, the W. W. Clendenens and R. M. Saunders.

A familiar landmark in Hedley is being torn down. The Hedley Grade School building.

Quite a few folks are sick with flu in our community: Mrs. Clifford Johnson, Mrs. Othel Winn, Connie DeBord. Possibly others.

News is short this week due to your reporter having the flu.

Hedley Lions Club will have a make up meeting Thursday night at 7 p.m. Mrs. Don (Letha) Springer had charge of last week's program and Miss Ricki Rowell will have charge of next week's program.

The Hedley Post will not have their regular monthly free supper next Tuesday night. The Post now has a membership of 90. Only 8 more members are needed to reach their 1966 quota of 98.

The Senior Class of Hedley High School will present a 3-act play titled "Boarding House Reach" at the Hedley High School Auditorium Friday night. This will be the first play to be presented in the new auditorium.

LIBRARY NOTES

EDITH BARNES

Another gift has been given to the library to be dedicated to the memory of Miss Ruth Richerson.

Quoting from an article in the Amarillo Daily News, "Teen Book-Worms Abound" by Eugene Gilbert: "The book manufacturers don't have to be told about it. They already know (from their clicking adding machines) what our latest survey has shown: The youths of America are reading more than any other previous generation of young people."

"Much of the upsurge in reading can be attributed to the popularity of paperbacks, a fact

again evident to the sellers and confirmed by figures we have just obtained from the boys and girls themselves."

"This was the basic question we asked 1083 teen-age boys and girls: 'Outside of required reading for school, how many books have you read in the past year?' Only 7 tenths of one per cent said they hadn't read any. And only 27 per cent said they had read less than 10. The overwhelming majority read anywhere from 10 to 'more than 50' books in a 12-month period."

Although a lot of the books checked out of the library are for book reports I am sure our teen age readers do as much un-required reading as the average, maybe more.

I don't know when ever a book has created the stir that Truman

Capote's "In Cold Blood" has. If he has started a trend, and it surely seems that he has, those who seldom or never read non-fiction are going to be out of luck as his new "art form" is called the non-fiction novel. Don't let the phrase "art form" scare you as his book is as easy to read as the lightest fiction. When you read such words as masterpiece, as an example, you expect the book to be obscure and practically undecipherable. With "In Cold Blood" it just is not so. More later about the author and his book.

A memorial gift has been given to the library to be dedicated to the memory of Mr. Sam Robertson.

A memorial gift has been given to the library to be dedicated to the memory of Mr. D. T. Smallwood.

 Wednesday—Roast with gravy, creamed potatoes, English peas, apple butter, hot rolls, milk, butter.
 Thursday — Hamburger on bun, lettuce, tomatoes, pickles, onions, potato chips, wheat cake, milk.
 Friday — Teachers' meeting.
 The largest orange trees in America are found in the Red River Valley.

by Vern Sanford

Are they building a big lake near your town? Or a pond that will be stocked with fish?

If so, get the trusty old camera out and take some pictures. Not necessary photos of the big bridges under construction or the huge bluffs that have been there for years. It's true they make good subjects, but we have other pictures in mind.

We're thinking of pix of the big holes that fish will hide in when the lake finally is filled with water and stocked with bass.

Take pictures also of the trees soon to be completely under water or mostly submerged. Fish like cover. That's where you'll find the best fishing spots later on.

Remember in taking such photos to pinpoint the spot with objects that still will be above the waterline. Even then, it won't be easy to find the exact location from a boat.

Mark the exact spot by the criss-cross method.

Here's how to do it: Look at something on the bank directly in front of you — well above the waterline. Then look directly behind you for a marker on the other side. Repeat this spotting method from another direction, too, preferably at a 45 degree or 95 degree angle from the original marking.

This criss-crossing method will make it possible for you to locate the exact spot quickly — right where the cross marks intersect.

Another way to pinpoint the spot is to estimate the depth the water will run and anchor a float. It's easy to make such a marker and inexpensive too.

You can pick up some excellent flotation material in big blocks almost any place that receives shipments of breakable products. Nowadays glassware, cameras, watches, office machinery, ink—many items of all shapes and sizes are packed in molded styrofoam forms — most of which are discarded.

Next buy a spool of fishing line. Some 20-lb. monofilament should be fine. Braided trotline will do.

Tie the line securely around its center so that it will unwind easily.

Finally tie the free end of the line to a heavy object such as a discarded concrete block, a piece of scrap iron or a large rock.

As the water rises, the line will "play out" as fast as the float rises. It will come to rest directly above your soon to be "favorite fishing hole," . . . if you've estimated water depth correctly. (The engineers can tell you.)

Be sure to locate your anchor far enough away from every obstruction that might prevent the float from coming to the top.

As a double precaution — in case the float works loose — be sure to pinpoint the location as outlined above. Then you will have your own personally, bouy-marked fishing "hole".

Mark a few of these "hot spots" then row out to your happy fishing grounds and you'll soon be sliding fish on your stringer.

The New CLASSIC 12 by SMITH-CORONA

Handles those extra wide typing jobs for home and office. A real value. The Classic 12 carriage is 2 full writing inches longer than carriages on ordinary portables, YET THE CLASSIC 12 IS PRICED LIKE A PORTABLE. The Classic 12 is today's most complete manual portable. Check these features:
 • Half-space key for squeezing in corrections
 • Full Size Office Keyboard • Page Gage—signals page bottom • Key-set Tabulator
 • Quick-set Margins • Personal Touch Selector • Trailing Carrying Case.

15-DAY TOUCH TYPING COURSE
 Buy the Classic 12 and you get the famous Smith-Corona 15-DAY Touch Typing Course on LP records for only \$3.95 (\$12.95 when purchased separately).
