## MOISTURE TOTAL GROWING SOME MORE NEEDED

Our moisture total here in town received a push upward again Tuesday afternoon with .86 being added but the area covered was not very big as only .20 was reported at the Country Club and Lelia Lake. The narrow band of rain went northeast across McLean where a tornado was reported north of that city. There was some strong, twisting wind here that unroofed a barn, blew down several TV antennas and broke tree limbs. The hail that accompanied the cloud did very little damage.

The rain last Wednesday night covered more area with the following area reporting stations revealing good amounts: Rhoades at Ashtola 1.20; Knox at Lelia Lake .74; Schaffer north of Jericho 1.50; J. B. Lane south of Ashtola .90; C. C. Rich at the Country Club 1.30; A. J. Garland west of Ashtola 1.15 and here in town .72 inch. This brings our monthly total to 1.58 and our year's total to 5.55. In June 1965 we received 7.42 inches. The average for June is 3.08.

## FARM NEWS

from County ASCS Committee

### 1967 NATIONAL WHEAT ACREAGE ALLOTMENT INCREASED

Secretary of Agriculture Orville L. Freeman announced a 15 per cent increase in the national acreage allotment for wheat for 1967 crop. This represents regular allotment of 55 million acres plus small farm increases to make effective allotment of 59.3 million acres.

Secretary Freeman said this means US farmers will be permitted to plant an additional 7.7 million acres of wheat this fall and next spring for harvest in 1967. He forecasts a "substantial increase" in farm income as a result.

As in previous years, eligibility for price support loans and wheat marketing certificates is dependent upon the producer planting within his allotment and complying with other conservation or program provisions. However, because of the increased allotments, no acreage diversion will be required for 1967 crops.

The price support for wheat in Donley County has been announced at \$1.25 per bushel less any discount and plus any premiums. Protein premiums are applicable to Hard Red Winter, Hard Red Spring, and Hard White Wheat (of the varieties Baart, Bluestem and Burt) grading No. 5 or better. Protein premiums will not be applicable to the undesirable wheat varieties.

There have been some major changes made in the loan procedure for 1966. These will be passed on to you as they are received in the county office.

**YOUNG HOMEMAKERS TOUR OF HOMES A SUCCESS**

It's worth seeing—the homes in Clarendon, that is!—was the favorable comment of the many visitors who participated in the "Parade of Homes" in Clarendon Sunday, June 5. The tour consisted of guided visits through the homes of Mr. and Mrs. Jo McMurtry, Mr. and Mrs. Ray Palmer, Mr. and Mrs. Frank Hommel, Mr. and Mrs. Tack Moreland, and Mesdames W. J. Lewis, Jr. and W. W. Noblet.

Young Homemakers assisted home owners with the tours and served refreshments during the afternoon to approximately seventy-five guests. Visitors from Shamrock and Memphis not only enjoyed the tour but also enjoyed visiting with old friends.

The purpose of the tour was to help new home owners as well as those who plan to redecorate in planning home improvements. True western hospitality from home owners was largely responsible for the success of this project. It is hoped that another such tour may be planned for next year.

## Fedric-Adams Nuptials Solemnized June 4

The marriage of Miss Cheryl Rae Fedric and Gary Neil Adams was solemnized Saturday evening, June 4, at 7:30 p.m. in the First Methodist Church of Clarendon. Rev. Robert S. Ely performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Stephen M. Fedric of Clarendon, and Mr. Adams is the son of Mr. and Mrs. Raleigh Adams, also of Clarendon.

Arrangements of white gladioli and greenery in front of white candelabras holding white tapers decorated the altar. Yellow bows and wedding bells marked the pews. Candles were lighted by Mitchell Fedric, brother of the bride, and Steve Adams, brother of the groom.

Mrs. Bill Williams, organist, presented selections of religious music by Mendelssohn, Bach, Mozart, and Von Weber, and an organ solo, "Pastorale" by Purvis, as a special number. Traditional wedding marches were used.

Given in marriage by her father, the bride's formal Empire gown of white Chantilly lace was slim beneath a panel train from the shoulders. The carpet length gown was fashioned with a fitted bodice, a lowered scooped neckline, and sleeves tapering to a point at the wrist and fastened with small satin covered buttons. Her tiered finger-tip veil of illusion fell from a tiara of seed pearls and she carried a cascade bouquet of white roses. In keeping with tradition, for something old she wore a cameo necklace, a gift from her maternal grandmother; she borrowed a white linen handkerchief from her paternal grandmother, wore a blue garter and tucked a penny in her shoe. This wedding date also

marked the thirty-third wedding anniversary of the groom's parents.

Bridal attendants were Miss Sue Hill, maid of honor, and Misses Lanita Fedric, sister of the bride, and Janice Easterling, bridesmaids. They wore formal carpet length dresses of powder blue brocade. Their short veils were held in place by a tailored bow matching their dresses. Miss Hill carried a nosegay of blue trimmed white and yellow carnations. Bridesmaids carried nosegays of yellow carnations. Guests were registered by Miss Elaine Tolleson.

Attending the groom as best man was his brother, Jimmy Adams of Estelline. Groomsmen were Neal White of Arlington, Texas and Girard Darrow of Fort Worth, Texas. Ushers were Melvin Housden of Pampa, Texas and Sherman Cosper of Clarendon, Texas, brothers-in-law of the groom.

Mrs. Fedric chose a pink silk shantung sheath dress topped with a matching lace duster and white accessories for her daughter's wedding. Her corsage was a pink cymbidium. Mrs. Adams wore a vanilla colored dressmaker suit with turquoise and bone accessories. Accenting her costume was a white cymbidium.

At the conclusion of the ceremony a reception was held in Fellowship Hall of the church. The bride's table was covered with a white cut-work cloth over blue. An arrangement of yellow carnations centered the table. Misses Emily Neece, Shirley Hearn, Carol Cornell, Adele Barnhill, and Frankie Waldron presided alternately.

The bride is a recent graduate of Clarendon High School where she was active in sports. She plans to continue her education in the fall of this year. Mr. Adams

Mrs. Gary Neil Adams - nee Cheryl Rae Fedric

holds a B.S. degree in Mathematics from Texas Technological College where he graduated with high honors. He will receive his Masters degree at the close of the summer session this year.

Following a brief wedding trip the couple will be at home in Lubbock where Mr. Adams is doing his graduate work. The bride chose a jonquil yellow cut-away suit with a multi-floral blouse of whipped creams, and white accessories as a traveling costume. Her corsage was taken from her wedding bouquet.

Among the out-of-town guests attending were Mr. and Mrs.

Henry Gilbert, Mr. and Mrs. J. W. Hunter and boys, Mrs. B. F. Bussard, Mrs. Andy Harp, Lisa Dean, and Mr. and Mrs. Gary Rogers, all of Amarillo; B. E. Gilbert of Borger; Mr. and Mrs. E. T. Fedric of Stratford; Mr. and Mrs. C. A. Carr of Plainview; Mrs. Bob Ashworth and Mrs. Roe Cobb of Claude; Joe Preston, Kenneth Housden of Lubbock; Mr. and Mrs. Melvin Housden of Pampa; Mrs. Ewell Adams of Childress; Mrs. Stella King and Jimmie Adams of Estelline; Girard Darrow of Fort Worth and; Neal White of Arlington.

A program of traditional nuptial selections was presented by Don Cox, brother of the bride. Vocalist, Mrs. Don Springer, Hedley, sang "One Hand, One Heart", and "Climb Every Mountain."

The altar was centered with a lighted archway decorated in entwining greenery and majestic daisies of pastel shades. On either side were branched candelabra decorated with stephanotis garlands and rainbow daisies; and glowing baskets of pink gladioli and matching daisies. Emerald palms, tropical plants and ferns formed a background for the decoration. The bridal aisles were marked with ribbons in pastel shades.

Mrs. J. L. Prendergast of Panhandle, was matron of honor. Mrs. Lloyd Dean Messer, Hedley, served as bridesmatron and Pamela Dilldine, Amarillo, was bridesmaid. Velda Williams, Pampa and Paula Dilldine, Amarillo were flowergirls.

Her veil of English silk illusion fell from a crown of seed pearls and she carried a white Bible topped with a white Catlaya orchid, stephanotis and gypsophalia.

**Miss Annirene Martin And James McEwin United In Ceremony**

In a candlelight ceremony Friday evening, June 2, at the First Baptist Church in Clarendon, Texas, wedding vows were exchanged by Miss Ruth Annirene Martin, Clarendon, and James Ritter McEwin of Amarillo, Texas. The Rev. W. R. Lawrence, pastor, officiated at the double ring service.

The bride is the daughter of Mr. and Mrs. Clyde G. Martin of Clarendon. Parents of the groom are Mr. and Mrs. Mack Lee McEwin of Amarillo.

Vows were exchanged before an archway centering the altar and marked by a profusion of daisies, candles, and greenery. On either side of the archway were Grecian columns topped with Boston ferns and flanked with wrought iron candelabra bearing white tapers and entwined with stephanotis garlands. Clusters of ivy and white satin bows with candles graced the pews and lighted the bridal aisle leading to a chancel gateway formed by an opening in a chancel encirclement of white pots topped with daisies and connected with swags of silk rope.

Ferns and tropical plants were placed at vantage points to complete the decor. Candles were lighted by Susan McEwin, Amarillo, sister of the bridegroom, and Kent Heath of Clarendon.

Tracy Cary of Pampa, organist, presented traditional wedding music and "Green Sleeves" and accompanied Janan Baldwin of Amarillo who sang "Whither Thou Goest" and "The Lord's Prayer."

The bride, given in marriage by her father, Clyde G. Martin, wore a formal wedding gown of white satin and re-embroidered Alencon lace with chapel train, fashioned with long petal point sleeves and a scalloped sabinna neckline. The controlled bell skirt was accented with motifs of Alencon lace re-embroidered with seed pearls. Special features of the gown were a basque waist with appliques of Alencon lace, and a bias fold of satin encircling the waist. Her veil of tiered silk illusion was attached to a double wedding cake crown of seed pearls and crystals. She carried a bouquet of white daisies showered with streamers of picot satin ribbon.

Bridal attendants were Miss Shirley Moss of Clarendon, maid of honor; bridesmaids, Ann Allen of Clarendon, Kathy McEwin of Amarillo, sister of the bridegroom, and Natalie Skelly of Pampa. They wore matching empire waisted floor-length dresses of aqua satin. Veils of aqua silk illusion gathered around an aqua rose formed their headpieces. Each carried a nosegay of daisies and a linked daisy chain. Flower girl was Karen Robertson, cousin of the bride, and Bill Cornell of Clarendon was flower boy. Stephen McEwin, brother of the bridegroom was ringbearer.

Mack Lee McEwin of Amarillo attended his son as best man.

Groomsmen were Dennis Stephenson and Delbert Morgan, both of Amarillo, and Clyde Martin, brother of the bride. Ushers were Archie Scribner and Dave Schott of Canyon, Don McGaughey and Jerry Anthony of Amarillo.

A reception in the church parlor immediately followed the ceremony. The refreshment table was laid with a net cloth over satin. A chain of fern and daisies formed swags on the floor length table skirt and clusters of daisies and white satin bows were placed at vantage points on the table. The wedding cake of white decorated with touches of aqua was served from one end of the table and punch was dispensed from the opposite. A branched silver candelabra served as an epergne for an arrangement of white daisies and aqua candles. Garlands of plumosus fern and daisies draped the candelabra and fell in swirls to the cake and punch bowl. Mrs. Bud Hermesmeier cut the cake which was served by Mrs. David Lane of Canyon. Mrs. Judi Kitto of Pampa poured punch. Guests were registered at the wedding and the reception by Miss Maudena Self. Others included in the houseparty were Mesdames B. E. Jones, M. L. Mays, Hershel Heath, Thomas Perkins, Mark Allen, C. F. Moss, and Miss Evelyn Warren.

As a traveling costume the bride chose a simple shift of beige lace knit with crocheted modified cowl collar and white accessories. Complimenting the costume was a corsage of pink tea roses.

After June 2 the couple will be at home in Canyon. The bride is a graduate of Clarendon High School and attended Clarendon Junior College and West Texas State University. She plans to further her Art major in Los Angeles upon the graduation of the bridegroom. The groom graduated from Amarillo High School and attended Wayland Baptist College. boys. Another memorial gift has been given to the library to be dedicated to the memory of C. B. Morris.

Two memorial gifts have been given to the library to be dedicated to the memory of Mrs. Bill Patman.

Mesdames Brandon, Brown, Butler, Donald, Hawkins, Johnson, Mears, Shaller, Miss Blankenship and Miss Mongole have again given summer reading memberships in the library. I am sure all of you parents appreciate this and encourage your youngster to make use of it. To encourage the love of reading, in the young especially, is a project that all of us should be interested in.

A brief review of the few rules at the library. Hours as always are from 2 until 5 p.m. every day except Sundays and Holidays. A three-month membership is only 25 cents, books are due in two weeks and can be renewed. There is a charge of 2 cents a day for over due books and magazines. Lost, mistreated, or torn books have to be paid for plus fines if they are over due. The date due slip has the due date on it and is in each book.

The library is more than proud of three new books, all the latest editions: Bartlett's "Familiar Quotations"; Roget's "Thesaurus"; and a best seller of some weeks back, H. W. Fowler's "A Dictionary of Modern English Usage." Yes, it honestly was on the best seller's non-fiction list for some weeks.

Joe Archibald's "Commander of the Flying Tigers: Claire Chennault" was really written for teenage boys who like books about

flying, but older readers will find it interesting.

A quote from the book: " Paul Greene, from Clarendon Texas, was given proof of Nippon fanaticism when hit on his first pass at the bombers, he was forced to bail out of his blazing P-40. Japanese fighters circled him as he dropped earthward, their guns red-hot. He suddenly went limp, hanging from the strings of his parachute like a broken doll. Playing possum saved his life."

Another memorial gift has been given to the library to be dedicated to the memory of Josephine Word Kirschman.

Another memorial gift has been given to the library to be dedicated to the memory of Lt. Commander Millard Word.

Getting to the bottom of a problem could well be the thing that lands a man on top.

Even though the doctor told some folks there was nothing wrong with them the expression on their face would ever let you know about it.

A patient man is one that can enjoy the scenery when he has to take a detour.

There is a difference between being worth a lot of money and having it.

Even our old clothes will look brighter if we always wear a big smile.

Sometimes we are judged by the company we just left.

Congress is soon going to have to figure out how to make a person pay taxes for services that he doesn't even want in the first place.

**JAYCEES TO SPONSOR PARADE AND PROGRAMS FOR CELEBRATION**

The Clarendon Jaycees have again agreed to sponsor the annual July 4th Parade. This has been a club project for the last four years. The parade has grown better each year and this year promises to be no exception.

Director Delbert Robertson will be in charge of contacting visitors and setting up the parade. Riding Clubs from over the Panhandle area will participate and Jaycees are hopeful that there will be bands and floats representing other towns and businesses as well as those locally.

Robertson stated that Jaycees will be building a float for the Parade and challenge every business, club, or organization to build a better one.

Jaycees will also be selling ads for a Rodeo Program. These programs will be sold at each Rodeo performance. If you have not been contacted for an ad contact Bob Bell who will be happy to assist you in preparing an advertisement for this year's program.

**FUTURE LOOKS GOOD FOR DAIRYMEN**

Dairymen are going into June Dairy Month in a strong position relative to future prices, says A. M. Meekma, Extension dairy specialist at Texas A&M University. The continuing decline in dairy cow numbers and a slow down in the increase in milk production per cow make the future price situation favorable. The virtual elimination of any surplus of manufactured milk products has added further strength to the dairy market.

Chinese gold rush workers gathered jade at the diggings and shipped it to China, leaving the gold to the Americans.
