Jack B. Boone

Governor Appoints Jack Boone D. A.

Governor John Connally announced Tuesday morning, the appointment of Jack B. Boone of Memphis as District Attorney of the 100th Judicial District to replace John R. Gillham whose death occurred here Monday of last week.

Kelly Chamberlain Services Held Friday

Funeral services were held Friday in the Presbyterian Chapel, Denver, Colorado for Kelly Chamberlain, former resident and business man here. Mr. Chamberlain died Thursday at Denver. He had operated a business in Scottsdale, Arizona the past several years after selling his insurance business here. He was the son of the late Mr. and Mrs. F. E. Chamberlain and was born and raised in Clarendon.

Survivors include his wife, Mary of Scottsdale, Arizona; two sons, Kelly, Jr., and Finis of Denver; three brothers, F. E. Chamberlain, Jr., of Clarendon, George Chamberlain of Scottsdale, Arizona, and Lewis Chamberlain of Dallas; one sister, Mrs. Mary Joe Payne of Plainview.

LAW FIRM TO HAVE BRANCH OFFICE HERE

James R. Lovell, son of Mr. and Mrs. Ben Lovell and prominent Dumas Attorney, has announced that the Law firm of Lovell, Lyle & Cobb will open a branch office here today, Thursday, in the John R. Gillham building.

The Law Firm has purchased Gilham's practice effective as of August 1, 1968. Members of the firm are James R. Lovell, Hugh T. Lyle, L. Dean Cobb and Rudolf A. Renfer.

Lovell stated that he or other members of the Law Firm would be here at all times and that the services of the Greenbelt Abstract would be carried on also.

Fred Bourland, who has maintained a Tax and Bookkeeping service in the Gilham building, will continue at the same location.

Notice To Parents Of Beginning Students

Supt. Arling Cordell is reminding parents of all youngsters who will start school for the first time that there are certain regulations which must be met before the child is admitted.

A beginner must have a birth certificate showing that the child has attained the age of 6 years on or before September 1, 1968.

It is also necessary for the child to have received immunization for Small Pox, Diphtheria and Polio.

Children needing these shots should receive them now so they will be in good shape for the first day of school.

REVIVAL TO BEGIN SUNDAY AT GOODNIGHT BAPTIST CHURCH

Rev. O. C. Edwards, pastor, has announced that a revival will begin Sunday, August 4th at the Goodnight Baptist Church and will continue thru August 11.

CITY LIBRARY RECEIVES RECORD ALBUMS

Isla Smith, Acting Librarian at the City Library, has announced that the City Library has received 49 LPM and Stereo records sent as a gift from RCA Record Division contributed by N. Racusin. It is seldom that a library of the nature of our City Library receives such a gift and residents of the area are extremely grateful for this contribution.

Miss Smith stated that these records will be checked out on the same basis as books. She also reminds members of the Readers Club that their certificates should be turned in at the local City Library by August 15.

PUBLIC SCHOOL BUDGET HEARING AUGUST 8

The Clarendon Public School budget hearing for the coming year will be held Thursday evening, August 8, at 7:30 p.m. in the Administration Building at the regular meeting of the school board.

Supt. Arling Cordell is extending a cordial welcome to all interested parties to attend.

NOTICE

Seven of the Amendments to be voted on are being carried in the Donley County Leader. The State sets up the publication schedule and these seven will be the only ones carried in the local paper. Our readers will have to look elsewhere for the remaining seven.

Prior to voting time, a short recap will be made.

C OF C TO MEET MON. NIGHT, AUGUST 5

The officers and directors of the Chamber of Commerce will meet Monday night, August 5, at 7:30 p.m. in the City Hall. All members are invited to attend.

Guests in the home of Mr. and Mrs. G. W. Estlack Sunday afternoon and evening were Mrs. Faye Scoggins of Phoenix, Arizona; Mr. and Mrs. L. T. Whitlock of Amarillo, and Mr. and Mrs. David Patterson and Marcy of Canyon.

Free Screening Service for Slow Children Scheduled August 8-9

On August 8th and 9th a diagnostic and evaluation team will be in Clarendon from the Amarillo State Center for Human Development. This team of psychologists, nurse and social worker will screen and test any child whose parents desire this free service.

The purpose of this service is the early detection of learning disabilities and mental retardation. The earlier these disabilities are discovered, the more likely they are to be helped and overcome.

Parents are urged to listen to the following list of types of individuals who would probably need this service:

- 1. Children who are less than six years of age, who are slow in development, even though these children are only marginally different in reaching their developmental landmarks when compared to their agemates. (Late in walking, speech, self-feeding, toilet training, and social responsiveness.)

- 2. Children who have a history of head injuries or diseases affecting the central nervous system.

Good buymanship covers many factors in purchasing food: shopping carefully; using all the food knowledge you have available, and keeping in mind the likes, dislikes and nutritional needs of your family. Extension Consumer Marketing specialist, Mrs. Gwendolyn Clyatt, adds that it means an honest assessment of the value of your time for both cooking and shopping. Reading labels and taking time to do a little calculation to determine cost per pound or cost per serving are other buymanship factors.

**PUBLIC NOTICE**  
Proposed CONSTITUTIONAL AMENDMENT  
NUMBER THIRTEEN ON THE BALLOT (HJR16)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding a Section 1-f, to read as follows:

"Section 1-f. All merchandise, products, goods or wares in the temporary custody of a public warehouseman, who has no financial connection other than as bailee for hire with the owner, shipper, or consignee of the merchandise, products, goods, or wares, are exempt from ad valorem taxation if they are shipped to or from the warehouse by regulated or bona fide private carrier, are held by the warehouseman not longer than six (6) months, and have a predetermined out-of-state destination at point of origin. The books and records relating to out-of-state shipments covered hereby of such public warehouseman shall be available for reasonable inspection by

the proper taxing authorities. This amendment shall not act as a validation of any present statute or law, but only those passed specifically pursuant hereto; provided, however, that enabling legislation passed in anticipation of the adoption of this amendment shall not be invalid solely because of its anticipatory nature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment to exempt certain property temporarily stored in a public warehouse from ad valorem taxation."  
"AGAINST the constitutional amendment to exempt certain property temporarily stored in a public warehouse from ad valorem taxation."

# REAL COLOR ADVANTAGES

**Automatic Fine Tuning (A.F.T.)** locks in the correct fine tuning on all channels broadcasting in your area—both VHF (2 to 13) and UHF (14 to 83). It is completely electronic, completely automatic—no extra switches or tuning meters are needed. Simply select your channel, and the electronic A.F.T. automatically pinpoints fine tuning on the correct signal.

**Instant-Pic control** ends warm-up wait. You get instant sound and a picture seconds after you turn on the set. A master switch keeps TV on "stand-by." To turn off all power, simply turn master switch off.

**Famous New Vista picture quality.** Picture tube design assures locked-in color purity the moment the picture appears, with no color shifting during tube warm-up.

**Solid State color demodulator** delivers more accurate reproduction of what the camera "sees"—truer reconstitution of the broadcast signal and colors all across the spectrum.

**Simplified color-quick tuning.** "Tint" control is color-keyed for easy adjustment of flesh tone and hues on each channel. "Color" control is also color-keyed to help you select the color intensity you prefer, after

which **automatic chroma control** stabilizes the "color" setting electronically.

**Glare-proof, dust-proof picture tube** breaks up and diffuses reflections, giving you better performance in brightly-lighted areas. Picture tube never needs to be removed for cleaning—just wipe the face with a cloth.

**Solid State color stabilizer** system produces beautifully balanced color picture performance, and removes unwanted hues from the picture when you're tuned to black-and-white.

## 26,500-Volt Solid State Chassis

**New Solid State Color TV.** RCA has replaced all except a single tube in this power-boosted chassis with Solid State components. Tube failure, major cause of TV breakdown, is virtually eliminated. Solid State components have no filaments to burn out, so they last indefinitely without causing set-damaging heat.

**Space age circuitry.** RCA solid copper circuits replace old-fashioned "hand wiring" in a majority of potential chassis trouble spots. They won't come loose or short circuit, assuring long life and dependable performance.

**Automatic chroma control** electronically stabilizes the color intensity setting you select for each channel, guarding against color fading or over-saturation.

**Automatic color purifier** electronically cancels magnetism that may cause impurities in the color picture, and removes color from the black-and-white picture. This simplifies home installation and permits movement of the set without a service adjustment.

**Automatic brightness stabilizer** prevents overdriving of brightness to eliminate color "bleeding."

**Automatic scene control** balances brightness and contrast as the picture changes from light to dark scenes.

**Automatic stabilizer circuits** lock the picture in place and guard against interference that causes "tear-out" and "bounce."

**Automatic channel equalizer** (keyed AGC) compensates for TV signal strength variations to minimize picture fading.

**Automatic retrace line extinguishers** remove annoying vertical streaks and horizontal lines from the picture.

**Push-button circuit breaker** eliminates fuse and service calls for fuse replacement.

Two Year Warranty on Picture Tube and 1 Year on All Other Parts. One Year Free Service.

## "TEXAS" DRAWS RECORD ATTENDANCE

By mid-July fifteen performances of "Texas" had been presented this season. A record attendance has been noted covering a vast area of the United States and foreign countries. Changes and additions to the program make the presentation attractive to persons of all ages and through each season.

The production starts promptly at 8:55 p.m. though patrons are asked to be in the canyon and theatre area earlier. Weather seldom halts the performance and in the event that such occurs, refunds are made if a suitable future date cannot be arranged. Closing time is very near to 11:30 p.m. allowing for a short intermission.

Mr. and Mrs. John Howard Gilbert and Clay of Decatur, Ark., visited last week end with his mother, Mrs. Clyde Gilbert.

## CARDS OF THANKS

### Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (SJR39)

**SENATE JOINT RESOLUTION No. 39** proposing an amendment to the Constitution of Texas, relating to the establishment of a retirement, disability and death compensation fund for officers and employees of the state, so as to create as an agency of the State of Texas the Employees Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Employees Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that contributions of members and the state shall not exceed at any time six per centum (6%) of the compensation paid to each person by the state; providing that such Amendment shall be self-enacting; providing for the necessary election, form of ballot, proclamation, and publication; and declaring legislative intent that the adoption of this Joint Resolution shall constitute repeal of Senate Joint Resolution No. 3, previously adopted by the 60th Legislature, so that the proposition as set forth in this Resolution may be submitted to the voters of this state in lieu of the proposition contained in Senate Joint Resolution No. 3.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the state, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of the state as it deems advisable. The Legislature may also include officers and employees of judicial districts of the state who are or have been compensated in whole or in part directly or indirectly by the state, and may make such other reasonable inclusions, exclusions, or classification of officers and employees of judicial districts of this state as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this subsection; and persons participating in a retirement system created pursuant to Section 18-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this subsection except as permitted by Section 63 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this subsection, except as otherwise provided herein. The amount contributed by the state to such Fund shall equal the amount paid for the same purpose from the income of each person, and shall not exceed at any time six per centum (6%) of the compensation paid to each such person by the state.

"There is hereby created as an agency of the State of Texas the Employees Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Employees Retirement System of Texas, which Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized hereunder are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Employees Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided that, stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that not less than twenty-five per cent (25%) at any one time of the book value of investments of said Fund shall be invested in Government and Municipal Securities as enumerated above. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any enabling legislation."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 5, 1968, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas relating to the Employees Retirement Fund and the Employees Retirement System of Texas, revising provisions for investments of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Employees Retirement System."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas relating to the Employees Retirement Fund and the Employees Retirement System of Texas, revising provisions for investments of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Employees Retirement System."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.

Amarillo Woman Dies In Accident

Mrs. Anne Juanita DeVance, 39, Amarillo, was pronounced dead at the scene of the accident one mile west of Goodnight at 6:30 p.m. Sunday, July 28.

She was born May 7, 1929 at Dallas, Texas and had lived at Dallas most of her life.

She moved to Amarillo from Sherman about two years ago. She was a member of the Assembly of God Church in Amarillo.

Survivors include her husband, Russell Elvin DeVance of Amarillo, who was injured in the wreck also, and is in High Plains Baptist Hospital in Amarillo; two sisters, Mrs. Dorothy Walters of Euless, and Mrs. Earlene Story of Haskell.

Others injured in the wreck were two of Mrs. DeVance's nieces, Miss Dorothy Kay Walters, who is in High Plains Baptist Hospital, and Miss Vivian Walters, the driver of the car, who is in Adair Hospital.

The body of Mrs. DeVance was taken to Euless, Texas for services and burial. Arrangements in Clarendon were under the direction of Murphy Funeral Home.

The good life is more than money in the bank, food on the table, and a roof over the head.

The good life is also a place for all children to play, and breathing space to live in and grow strong in body, mind and spirit.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT (SJR14) SENATE JOINT RESOLUTION No. 14 proposing an amendment to Article III, Constitution of the State of Texas, by adding a new Section 52a to give the Legislature the power to authorize cities and counties to issue revenue bonds for industrial development purposes. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 52a to read as follows: "Section 52a. The Legislature shall have the power to authorize cities, counties, and towns to issue revenue bonds for industrial development purposes, or in aid thereof; provided, that property acquired from proceeds of the bonds shall be subject to ad valorem taxes. Legislation passed in anticipation of the adoption of this amendment shall not be invalid solely because of its anticipatory nature. The tax revenue, the utility revenue, and the revenue from services of any county, city or town may not be used to pay any bonds issued pursuant to this authority nor the interest thereon." Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November 1968, at which election all ballots shall have printed on them the following: "FOR the constitutional amendment to give the Legislature the power to authorize cities and counties to issue revenue bonds for industrial development purposes." Tomorrow's world may not have some of the fruits that we have today unless machinery can be developed to harvest the crops economically. Most fresh fruits have been harvested by migrant workers in the past, but that is a long drawn out process, say Extension foods specialists. Tomorrow's world will see new cultivating practices being used for fruits or some of the fruits will not be available on the market.

NEW POLYGLAS TIRE FIGHTS SQUIRM ... Gives up to DOUBLE THE MILEAGE OF OUR BEST SELLING TIRES!

Priced as low as... \$37.07

D-70-14 Tubeless or Red Stripe plus \$2.02 Fed Ex. Tax and Old Tire

Sizes to fit most cars in stock now!

Two sizes of giant-size "Vytacord" Polyester Cord

For the smooth, no-thump ride of rayon combined with the strength and durability of nylon. Vytacord - polyester cord specifically developed for tires.

Two belts of Fiberglass Cord

Holds the tread firm on the road... resists squirm... reduces rub-off wear... improves mileage. Pound for pound, fiberglass is stronger than steel - extra protection against bruise damage in the crown area.

Low Profile Design

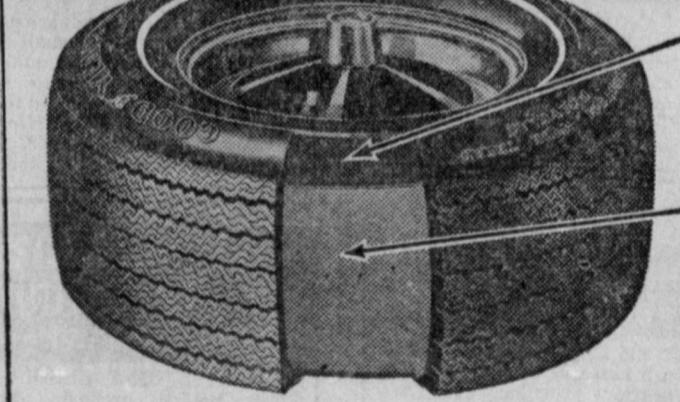

Utilizes the same type low, broad characteristics of racing tires to produce greater stability and better steering control in the turns and on curves.

Wider Tread

Up to 2" wider than conventional tires - puts more rubber on the road for sure-footed stops and starts on wet or dry pavements.

Improved "Tulsyn" Rubber

A new, improved, long-wearing Tulsyn rubber, toughest rubber Goodyear ever used in tires, adds stamina for mileage and muscular body strength.

Conventional tire parts flex under load. Tread squirms... rubs off like an eraser on paper.

The Polyglas tire sidewalls flex... but the belt plies hold the tread firm... less squirm - more mileage.

The tread of conventional tires tends to squeeze and close up under load. The gripping action of the tread loses its effectiveness.

The tread grooves of the Polyglas tire are more open... enabling the tread to grip better on wet or dry roads.

from County ASCS Com.

**1969 Wheat Program**  
 In order to participate in the 1969 wheat program, a farmer will be required to sign up and divert an amount equal to 15 per cent of the 1969 allotment. This minimum diversion does not earn payments and does not reduce the acreage of wheat permitted — the entire 1969 allotment could still be planted. Certificate payments will be based on 43 per cent of the allotment. Additional acreage above the minimum 15 per cent may be diverted for payment. Substitution between wheat and feed grain will again be permitted.

**Diverted Acres**  
 Payments may be lost for failure to properly care for your diverted acres. Weeds must be controlled and no harvesting is permitted. Cattle found on your diverted acres prior to October 1 can result in a severe penalty.

**Office News**  
 Loyd C. "Shy" Johnson, who has been our performance su-

pervisor for the past 12 years, retired July 26.

It is with mixed emotions we see him leave this office. He will be missed very much but we want to see him enjoy retirement to the fullest.

Shy wishes to take this opportunity to thank each of you for the cooperation given him. He says he has many fond memories accumulated over the years.

John Wayne Stepp will be doing the field work now along with C. H. Long who is measuring part time.

Summertime brings warm weather, sunshine and itchy problems. One of the itchy problems is the chigger, a mite smaller than a dot. Chiggers are found outdoors in many places. Lawns, golf courses, parks and river banks are just a few of the places they are readily found. If you get the pests on you, they can cause intense itching. A prompt soapy bath will reduce the irritation.

Visitors in the home of Mrs. Clyde Gilbert Monday were her sisters, Mrs. Montie Wolford and Mrs. Lane Greenway of Claude, also Mrs. David Offono and boys of Denver, Colo.

Speaking of voice, it is said that the male alligator has one of the strongest. It can be heard a mile away.

It is not a mouth, but an elephant can lift a ton with his trunk and yet he can pick up a single blade of grass with it.

It is said that a grain of sugar has sixteen sides, and that a pound contains thirty to forty million of these tiny crystals.

An executive is one that never puts off till tomorrow what he can get someone else to do today.

If you think folks can't take it with them you should look at some of these cars on summer vacation loaded for our highways.

### SEASON TICKETS ON SALE FOR WTSU GAME

The start of the 1968 football season is less than two months off and Athletic Director Frank Kimbrough of West Texas State University has announced that the sale of season tickets for Buffalo games is well under way. Season tickets for the five home games are available in two

categories: with chair \$20; or without chair \$17.50. This season price offers substantial savings over single game prices where chair seats are \$5 and bleacher seats \$4 per game.

The Buffaloes took seven victories out of 10 games last season and will again have one of their stars, "Mercury Morris," back in the lineup. Their first home game will be against Lamar Tech on September 14. There will be 4 other home games: Wichita State on September 21; University of Pacific

on September 28; Texas-Arlington on October 19; and Western Michigan on November 9.

Tickets may be purchased in Clarendon by contacting Joe Lovell at the Farmers State Bank.

## PUBLIC NOTICE

### Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT (SJR24)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. Article 8, Constitution of the State of Texas, is amended by adding a Section 2-a to read as follows:

"Section 2-a. (a) The Legislature may, by General Law, exempt from ad valorem taxation by the state and its political subdivisions all or a portion of any equipment, device or improvement installed or constructed on real property, which is designed to eliminate or abate the harmful effect of air emissions or water effluents on the air and water quality standards established by the State of Texas." (b) Legislation which may be enacted in anticipation of the adoption of this Section is not void because of its anticipatory nature."

1968, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment giving permissive authority to the Texas Legislature to exempt from ad valorem taxation by the State of Texas and its political subdivisions equipment installed on real property to eliminate or abate the harmful effect of air emissions and water effluents, provided that the capital investment in such equipment complies with the air and water quality standards established by the State of Texas."

"AGAINST the Constitutional Amendment giving permissive authority to the Texas Legislature to exempt from ad valorem taxation by the State of Texas and its political subdivisions equipment installed on real property to eliminate or abate the harmful effect of air emissions and water effluents, provided that the capital investment in such equipment complies with the air and water quality standards established by the State of Texas."
