CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, FEBRUARY 29, 1968

A Fine Paper For Fine People

Miss Rubye Storey of Matador was presented as Bulldog Basketball Queen for 1967-68 at the Clarendon-South Plains game Monday night. Runners-up were left, Miss Liz Hubble of Wheeler and right, Miss Adele Barnhill of Clarendon.

College Bulldogs Begin Play In Regional Tournament Today

Coach Lawrence Overcast and his Clarendon College Bulldogs will enter their first game in Regional play at Big Springs Thursday afternoon, February 29, at 4 a.m. Their opponent will be Hill County of Hillsboro, Texas. The Region V play-off began February 28th. Clarendon College is seeded fourth in the tournament with Hill County fifth.

Hill County has about the same type ball club as Clarendon. The team is about the same size, holds a similar record in the scoring column, tallies the same number of points on defense, and has won the same number of games.

In commenting Coach Overcast stated that the Bulldogs are in top shape physically and in good spirits, and that he and the team are optimistic about winning the first regional crown for Clarendon College. He further added that the Bulldogs must play their best ball all the way.

The winner of the Clarendon-Hillsboro game will play the winner of the Ranger-Odessa game Friday night. An invitation is extended to all CC fans to attend these regional games and lend the Bulldogs your full support.

BEEF CATTLE COURSE SET FOR TODAY (THURS.)

A beef cattle short course will be held today (Thursday), according to County Agent Ronald Gooch. The meeting will begin at 1:15 p.m. in the Community Room of the Farmers State Bank in Clarendon and should be completed around 4:30 p.m.

Speakers will include Paul Marion of the Spur Experiment Station, L. A. Maddox, Lowell Schake and Lyndon Almond, all with the Extension Service of Texas A&M University.

They will discuss several beef cattle subjects including growing stocker cattle, cross-breeding, grub control, etc. Everyone is invited to attend, Gooch stated.

REGIONAL BASKETBALL TOURNAMENT AT LUBBOCK SATURDAY

The Region One basketball tournament for Conference A and AA will be held at the Coliseum on the Texas Tech Campus in Lubbock Saturday, March 2. Games will begin at 8:30 a.m. when it will be Clarendon vs Aspermont.

Separate tickets for the public are needed for each session. For the A and AA game Adult Tickets are priced at \$1. All other tickets are 50 cents.

Harlem Stars To Play In CC Fieldhouse Monday March 4

The famous Harlem Stars are coming to town March 4. Advertised as the greatest and funniest basketball team in the country today, the Stars are a combination of Negro stars who tour the world making fans laugh.

The stars will play against the Clarendon College Intramural All-Stars in Bulldog Fieldhouse at 8:00 p.m. A half-time show will feature an exhibition of the Clarendon Junior High Basketball team coached by Bill Thomas. Price of admission is 1.50 for adults, 1.00 for students, .50 for children under twelve. Proceeds will go to the college athletic scholarship fund.

Fans will see fancy exhibition-ball handling, intricate routines, mixed with planned and impromptu comedy.

They enjoy basketball every day, even if they have to travel hundreds of miles to do so. The Stars began their season in Alaska the last week in September and will hit between thirty-six or forty states and the following countries: Mexico, Canada, Australia, Japan and some parts of Europe.

The Harlem Stars are unique in the fact that they never try to run up a huge score against opponents. It is their policy to keep the game close, devoting much time to comedy stuff.

SCIENCE FAIR SET FOR MARCH 4-6

The annual Science Fair will be held March 4th thru the 6th, during Public School Week, at the Clarendon Junior High School. Entries must be in by 4:00 p.m. Monday afternoon, March 4th, ready for judging. First place projects will receive trophies. Second and third places will receive ribbons. The best projects will go to Amarillo to compete in the Panhandle Science Fair. In the past, many of the projects have rated highly. Several students are hoping to do so again.

The fair will be open to the public on the fifth and sixth of March. The projects will be on display in rooms C-124 and C-122. Everyone is cordially invited to attend.

Mr. and Mrs. John David Bryant of Canyon and Gary West attended the West Texas State Basketball game at Canyon Saturday night.

Bulldogs Take 2 Wins To Finish Second In Conference

The Clarendon College Bulldogs defeated New Mexico Junior College in Bulldog Fieldhouse Thursday night, February 22 by a score of 38-70. Eleven CC boys reached into the score column. Harry Cannon was top man for the Bulldogs with 23 points. Rick Vidaurri and Roy Holloway accounted for 17 each and Chris Peacock 14. Tom Byrd also gave a good accounting.

Monday night of this week, February 26, the Bulldogs hosted South Plains, winning by a score of 99-76. Cannon was again the leading scorer with 30 points. Five members of the team reached into the double digit: Peacock with 20, Holloway with 12, and Barrera and Byrd 10 points each. Nine Bulldogs hit the scoring column.

These two games were the finest of the season both offensively and defensively and were played against two strong ball clubs. The Bulldogs closed the season with the biggest win record in the history of the college, 23-8, to finish second in the conference. The team was one game behind Howard County, a team CC had beaten three times in season play.

The Board of Regents, the administration, and the faculty congratulate Coach Overcast and the Bulldogs for an outstanding season.

C OF C DIRECTORS TO MEET MONDAY

There will be a meeting of the officers and directors of the Chamber of Commerce Monday night, March 4, at 7:30 p.m. at the City Hall. All members are invited to attend.

CHS Broncs Advance To Regional Play Saturday

LT. GOVERNOR PRESTON SMITH TO VISIT IN CLARENDON MAR. 6

Miss Mary Cooke, Donley County Democratic Chairman, announced this morning that a reception will be held Wednesday, March 6, from 9 to 11:25 a.m. for Lieutenant Governor Preston Smith. The reception will be held at Patching Club House and everyone is urged to attend and visit with Mr. Smith.

Mr. Smith will be glad to discuss his campaign for Governor with you and many issues which he hopes will be of great benefit to the State of Texas. Due to Mr. Smith's loose schedule of stops in various towns, it is requested that everyone please be on time at the reception.

BEHRENS WITHDRAWS FROM SHERIFF'S RACE

Mary Cooke, Donley County Democratic Chairman, received written notice this past week from Truett Behrens requesting the removal of his name as a candidate for the office of Sheriff, Tax Assessor-Collector of Donley County.

This leaves two candidates in the Sheriff's race with Lonnie "Bill" Cornell seeking reelection and Frank Tyler as his opponent.

All other candidates who had paid their initial filing fee for various offices have paid their assessments, Miss Cooke stated. Monday night was the deadline.

GREENBELT LAKE NOW 36.07 FEET DEEP

The official depth of Greenbelt Lake at present is 36.07 feet. According to the official check the water level has been rising an average of .11 feet every four days from the natural flow of the springs feeding the lake.

This rise is in addition to approximately three to three and one-half million gallons going out of the lake each day to supply the five member towns and also feed the streams below to water stock along the way. The supply to the five member towns averages 1 1/2 to 2 million a day.

When the lake is full, the water depth will be 84 feet or the elevation figure will be 2664. The bottom elevation of the lake is 2580 feet.

FIVE THURSDAYS IN FEBRUARY IS RARE

It is rare that the shortest calendar month of the year should have five Thursdays. February 1968 not only has five Thursdays but is also Leap Year. The five Thursdays last occurred in 1940 and has happened only four times in the last 152 years. Such was the case in 1916, 1948, and 1872. February will not experience five Thursdays again until the year 1996. How many of us will be here to view that occasion do you suppose?

LEADER CLASSIFIEDS GET RESULTS

TUESDAY FINAL DAY TO FILE FOR SCHOOL BOARD ELECTIONS

Tuesday, March 5th, is the deadline for filing for a place on the ballot in the coming election for members of the Clarendon Independent School District Board of Regents. Superintendent of Schools and President of the College, K. D. Vaughan, stated Wednesday that no new names had been added to those previously released.

Candidates for the Public School Board are Bill Mooring and E. W. Barbee, incumbents, and Richard Tunnell. Candidates for the Board of Regents are all incumbents: Frank Phelan, Jr., Bill Todd, and Chauncey Hommel.

Persons interested in filing should do so by 5 p.m. Tuesday, March 5, at the School Business Office.

REVIVAL CONTINUES AT FIRST BAPTIST CHURCH

Revival services at First Baptist Church started with very good attendance and much interest. Rev. Nathan Bussey of Elk City, Oklahoma is doing the preaching each morning at 7:00 a.m. and each evening at 7:30. Sam Patterson of Pampa is leading the singing.

These services will continue through Sunday night March 3rd. You are invited to attend. The nursery is open for those who have need of it.

Bronchos Defeat Sunray 42-38 Tuesday Nite For Bi-District

BULLDOG BASKETBALL QUEEN NAMED MONDAY

Miss Rubye Storey, a sophomore from Matador, was crowned as the 1967-68 Bulldog Basketball queen at half-time ceremonies in Bulldog Fieldhouse, Monday evening, February 26. Miss Storey, who is the daughter of Mr. and Mrs. F. W. Storey, received her crown and a dozen red roses from Glyndol Holland, president of the Student Senate. She was escorted by Roy Holloway, Bulldog tri-captain from Coleman.

Runners-up for the crown, and attendants to Miss Storey were Miss Adele Barnhill, a freshman cheerleader from Clarendon, and Miss Liz Hubble, a freshman cheerleader from Wheeler. They were escorted by Bulldog tri-captains Rick Vidaurri and Mike Barrera, both from Laredo.

Other activities surrounding the final conference game of the season included the presentation by the freshman cheerleaders a red boutonniere to Coach Overcast and red roses to sophomore cheerleaders, Regina Borden and Nelda Stepp from Clarendon, and Linda Topper, from Wheeler. Mrs. Jean Moore, sponsor of the K-Nines, was presented a bouquet of red gladioli during the last pep rally of the season.

Coach Carl Irlbeck's Bronchos defeated the Sunray Bobcats for the Bi-District title in a game played in Pampa Tuesday night. The final score was 42-38 with fans held in suspense throughout the entire game and to the final whistle.

The Bronchos scored first and at the end of the first period of play led 15-8. At half-time the margin remained narrow with a 20-16 count. The third quarter saw the margin drop to a 27-25 lead. Mike McCully was high for Clarendon with 13 points. Charles Louis wrapped up 9, Bruce Bush 8, Everett Monroe 7, and Jim Moore 5. Eldon Ware was high for Sunray with 11 points.

Clarendon dropped in 8 out of 11 free throws and hit 17 field goals. Sunray hit 14 out of 17 free throws and tallied 12 field goals. In comment, Coach Irlbeck reported all boys doing an exceptionally fine job, picking up baskets when needed. Many shots were long due to the 2-3 Zone defense thrown up by Sunray.

The Coach and members of the team express their appreciation to all of their fans for the backing and support given them. Clarendon attendance at the Pampa game was good and it is hoped that all of those attending the Pampa game will be joined by others at the Regional game at Lubbock Saturday morning at 8:30 a.m. when the Bronchos will play Aspermont. To know you have the full support of fans with your lends encouragement to a team.

Coach Irlbeck and the Bronchos report they are "going to Lubbock to Win." Let's let them know we are with them 100 percent. Final in Regional play will be at 7 p.m. Saturday evening.

DEADLINE NEARS TO ANNOUNCE FOR CITY OFFICES

The March 4 deadline for announcing for City Alderman nears with the final time being midnight Monday. At press time Wednesday, Bud Knorup stated that no further announcements had been made. All interested in filing should contact Bud Knorup before the March 4 deadline.

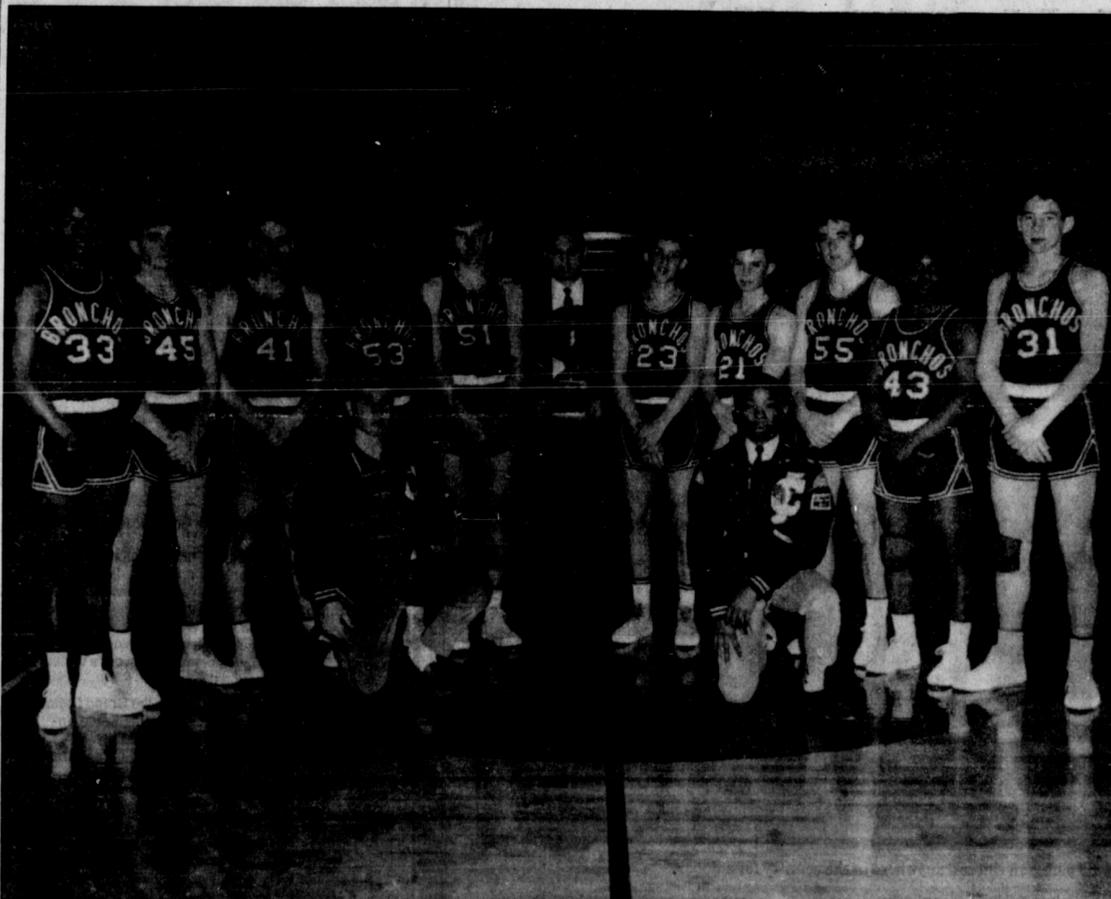

Terms of three Aldermen expire at this time. J. G. McAnear and John Jones, members of the present council, have announced for reelection. George Benson has also announced for a place on the council. Fred Russell, present councilman, has declined to run due to other obligations. Election date has been set for Saturday, April 6.

WEEK END SNOW ADDS TO MOISTURE TOTAL

The snow over the week end melted out a total of .38 inch of moisture. This brings our monthly total to .86. Our total for January was 2.57 which brings the year's total to 3.43 which is certainly an improvement over recent years for the same period of time.

LT. PITTS TO VISIT PARENTS HERE

C. A. Pitts went to Fort Hood Wednesday. He will return to the Pitts' son, Lt. David Pitts to Clarendon Thursday where he will spend a 30 day convalescent leave.

The Clarendon Bronchos are shown here with their coach, Carl Irlbeck, holding the Bi-District trophy which they won at Pampa Tuesday night by defeating Sunray 42-38 in a very close, exciting game. Left to right are: Charles Louis, Sandy Thornberry, Everett Monroe, Bennie Reese, Mike McCully, Coach Irlbeck, Jim Moore, Steve Adams, Bruce Bush, Walter Reese and Wayne Carter. Managers kneeling are: at left, James Shadle and Jerry Moore. (Photo by Saye's)

IMPROVE SOIL WITH TESTING PROGRAM

The soil is a good place to start a farm income improvement program in 1968. A soil inventory, points out County Agent Rinald Gooch, should include a close study of the acres to be farmed or grazed since soils may vary in their productive capacity and adaptability to crops.

A logical first step, he says, is a soil testing program. The determinations from the soil testing laboratory will give needed information on the amounts of plant food required to provide the planned crop or pasture with the nutrients for top production. The fertilizer recommendations for a particular field will thus be based upon the analysis made of the soil sample submitted to the testing lab.

The county agent emphasized the importance of submitting soil samples which are representative of the field or pasture. The laboratory results, he explained, will be no more accurate nor representative than the sample submitted.

Producers are invited to contact the county agent's office for detailed information on how to take soil samples, soil sample containers and needed report forms. The county agent also reminds gardeners that soil testing can help them solve soil fertility problems connected with their activities.

Mr. and Mrs. E. H. Moore and Mrs. Quinn Aten shopped in Memphis Saturday.

Buster Shields and family spent Saturday night and Sunday with his father and mother, Mr. and Mrs. H. H. Shields.

Mr. and Mrs. Luther Butler shopped in Memphis Saturday.

Mr. and Mrs. Edd Mooring had a family gathering Sunday honoring him on his birthday. May you have many more happy ones.

Mr. and Mrs. L. D. Aten went to Littlefield Friday to visit their son and family returning home Saturday.

Earl Myers and Glen returned from Fort Worth Sunday. They visited her sister, Mrs. Grace Turley, there.

Mrs. Mae Wilkinson and Mrs. Patrick of Memphis visited Mr. and Mrs. W. C. Scott Tuesday.

Mr. and Mrs. Herman Mooring and Rita called on Mr. and Mrs. D. M. Cook Sunday afternoon.

Mr. and Mrs. Bonnie Mooring spent Sunday afternoon with Mr. and Mrs. Fox.

Don Barker of Amarillo was down to visit Mr. and Mrs. W. C. Scott Saturday.

Mr. and Mrs. Ted Swindle and daughter of Hereford were here for the week end visiting her parents, Mr. and Mrs. Clarence Ayers.

The following children of Mr. and Mrs. E. E. Fox were here to visit their parents: Mrs. Jean Stepp and Melony of Briscoe, LeRoy Fox of Wichita Falls, Mrs. Sylvia Morland and children of Abilene, and Mr. and Mrs. Bonnie Mooring of Amarillo.

Clarence Ayers was in Mangum, Okla. Tuesday on business.

FACTS LIST PUBLISHED ON TEXAS STATE PARKS

AUSTIN—The research and planning division of the Texas Parks and Wildlife Department recently compiled a list of 25 facts concerning the 61 State Parks.

These facts are published here for your information.

1. If Texas purchases 12,000 acres of State Park land each year for the next 20 years, the State of Texas could obtain the current national average for State Parks . . . if the population does not increase.

2. Texas State Parks contain 6.3 acres per thousand population, or a block of land approximately 17 feet square per person.

3. Texas is 5 1/2 times larger than the State of New York, yet New York has 7 times the amount of State Park land.

4. The State of Oregon has only 3% less State Park acreage than Texas, yet the State of Texas is nearly three times larger with 5 1/2 times the population.

5. Twenty-two per cent of the land required for Texas State Parks has been acquired since 1940 . . . population during this time has increased 88%.

6. Over the last five years (after development) the visitation at Huntsville State Park (60 miles from Houston) increased 346.5% . . . estimated visitation over the same period of time, based on past trends, indicated an increase of only 25.4%.

7. Camping demand is expected to increase 3.5 times between 1964 and 1990, while camping facilities will increase only 0.4 times based on current supply rates.

8. While 5.34% of the nation's population resides in Texas, only 0.12% of the nation's State Park land is found here.

9. Texas' population increased 125% from 1960 to 1965, yet its State Park visitation rose 48.5%.

10. Texas has a per capita visitation of 0.6 to its State Parks while Michigan's per capita visitation is 2.4 and Oklahoma's is 3.7.

11. Texas has an average of 6.3 acres of Texas State Park land per thousand population. This is 24.4 acres per thousand below the national average and 38.7 below what the White House National Conference on Outdoor Recreation suggested for its acreage per thousand population.

The three elevators on the 622-foot Tower of the Americas are located on the outside of the huge structure.

Hold out on the phone company.

After 7 p.m., you can call anywhere in the country for a dollar.

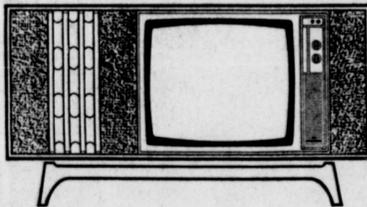

All long distance callers worth their salt know that calling in the daytime is more expensive than calling in the evening hours. (Actually, most people call during the day, when we charge our regular rates.) But long distance callers aren't interested in explanations. The only thing they care about is calling for

the cheapest possible price. So to get more for their money, they devised a scheme you might call The Waiting Game. The idea is to do just what the name implies: Wait and wait and wait and wait. Because they know if they can hold out till after 7 p.m. or any time of the day on Saturday

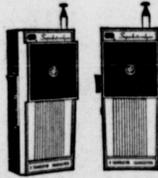

or Sunday, they can call anywhere in the country for a dollar or less. Which just goes to prove that anybody can afford to call long distance. Provided they know how to play The Game. General Telephone A dollar goes a long way.

THE SOHIGRO TREASURE HUNT SWEEPSTAKES IS ON!

WIN one of 2 RCA Color TV Home Entertainment Centers in the Grand National Prize Drawing. Includes stereo record player, plus AM/FM radio.

WIN one of 5 Walkie Talkie sets being given away locally.

Here's all you do: Bring or mail in your completed Treasure Map Entry Form to your Sohigro dealer's. If you haven't already received an entry, come in or call. The first 5 farmers to have a map properly matching the Sohigro dealer's half win a Walkie Talkie set. But hurry—there are many potential winning entries out. Just imagine how much time and legwork a Walkie Talkie can save you around the farm.

And, everyone has a chance to win in the Grand National Prize Drawing for an RCA Color TV Home Entertainment Center—whether or not they win locally. No purchase required. Come on in now and be a winner!

RULES: Offer void where prohibited. No substitutions for prizes will be made. Offer open to farmers and their families residing in the continental U.S. The first 5 farmers with properly matching map halves will be local winners. One local and one national prize to a family. Winners to pay all taxes involved. Decision of judges to be final.

NEWS FROM Congressman Bob Price

18th District, Texas

The House Banking and Currency Committee in its report said that legislation to make U. S. gold reserves available to support our position in international trade and finance "would have absolutely no effect upon our domestic monetary system or the soundness of the dollar."

First, they pointed out, only 20 minutes of the committee's time was devoted to consideration of the reporting of the bill which is "of such far-reaching importance."

Second, they thought the brought on the rise in drains turely.

Another committee, the House Ways and Means Committee, is conducting hearings on the balance-of-payments problem which has brought on our gold stock. And while it is clear that the U. S. suffered a massive balance of payments deficit in the last quarter of 1967, the actual components of that deficit will not be known until the middle of April.

A car will help you see the world, but if we are not careful it may be the other world.

All things come to those who wait. But by that time it's out of date.

The pitfalls of life never look very deep until we have fallen into them.

In some countries the state owns everything. . . In this country the finance company loes.

Nothing can be any more useless than a boy with a new air gun.

We read stories in the paper to the effect that young people have been bribed into dropping out of school in order to become try-outs for the new school drop out program . . . The way most folks are spending here will always be plenty of people waiting to get started in the poverty program.

Old age brings experience and experience usually hurries along old age.

of the Administration's proposals. Curtis said that "removing the gold cover is thus merely a technical change that would not strengthen the dollar. Indeed, it could have harmful effects."

"The gold reserve requirement also serves an important function as a warning signal. If too much gold is lost abroad, or if domestic monetary expansion proceeds too rapidly, the ratio of gold to outstanding Federal Reserve notes drops.

"The decline is widely reported in the press and acts as a warning that policies should be reversed. Removing the gold cover would thus mean the loss of one of our inflationary indicators. . ."

So the Administration has finally been forced to admit that its fiscal policies at home have been unsound and the American public must now bear the brunt of its errors through increased taxation, continuing inflation and restrictions upon their freedom to travel.

The Federal Reserve Board now has the authority to waive the 25% gold reserve requirement. Chairman Martin of the Federal Reserve Board has previously pointed out that there is ample authority under the present Federal Reserve Act to meet the situation without disrupting the economy or the international payments mechanism, and to provide Congress time to consider legislative action.

The minority report concludes that favorable action on the bill at this time is not a question of necessity but rather a matter of judgement.

Congressman Bob Price

SOCIAL SECURITY NEWS

A new leaflet describing the recent changes in the social security law is now on hand at the Amarillo and Pampa social security offices, Travis C. Briggs, district manager, said today.

The leaflet is free of charge, and may be requested

by telephone or mail, or picked up at the offices.

All beneficiaries will get an increase in their monthly payments with the checks to be delivered on March 2. The leaflet points out that no action is necessary to get the increases as it will come automatically.

Other changes include payments to disabled widows between age 50 and 60; payments to children on the records of deceased mothers and changes in amounts beneficiaries may earn without losing benefits.

Clergymen who did not elect coverage under the old law are now covered unless they sign a statement that they are opposed to coverage by reason of religious

principle or conscience.

Changes in the Medicare law are included in the pamphlet. Some of these are the addition of a lifetime reserve of 60 additional days of inpatient hospital care and an explanation of how medical equipment may be purchased instead of rented under the medical part of the program.

Also, it explains that a beneficiary need not pay his doctor's bill before claiming his medicare medical payments.

Panhandle residents may obtain a copy of the leaflet at the Amarillo office at 1006 S. Adams, telephone number 376-5151, or at the Pampa branch office in the Hughes Building, telephone number MOhawk 4-3331.

Swinging At The Fair

When HemisFair '68 opens April 6, in San Antonio, Texas, visitors will note one point: this is a fair in motion. Fairgoers will be able to enjoy a stately gondola glide down the San Antonio river—where Victorian

houses along the banks—some 100 years old—have been restored and will be used as restaurants for various nations.

For a little faster-paced action, the Swiss Skyride will fill the bill. In cars suspended overhead from wires, riders will see a bird's-eye view of the Fair—and be able to get to any far point almost instantly.

Movers who like their action sitting down can go to the revolving restaurant atop the Tower of the Americas—a staggering 622 feet above the ground—for a view of the South Texas landscape as well as the Fair itself. This highest revolving restaurant in the Western Hemisphere will make one complete turn every hour.

But, perhaps the most swinging event at the Fair will be at the Frito-Lay/Pepsi-Cola pavilion. There, Los Voladores, the Flying Indians of Papantla will perform their spectacular feat of climbing a 114-foot pole and "flying" to the bottom. Secured only by ropes around their waists, Los Voladores will turn in a series of 32 dizzying revolutions until they reach the ground. This flying dance has been a tradition of the Totonacan Indians for centuries and will be performed exactly as it has been done in the past—with one important exception. Originally, some provision had been made for the flyers' security. But, at the Frito-Lay/Pepsi-Cola presentation, Los Voladores will be on their own.

Lovers of perpetual motion will find what they want at the Fair. For all ages, HemisFair '68 will be a swinging event.

Range Seeding Will Increase Production

As a person drives through Donley County, he often sees rangeland areas that are

the sick list.

Rev. O. C. Edwards attended the Panhandle Pastors & Laymen's Conference in Plainview Monday and Tuesday.

Jimmy Garland attended a rodeo meeting last week.

Mr. and Mrs. Steve Donald visited Mrs. Walker Donald and Mr. and Mrs. Homer Coston Sunday.

dominated by undesirable grasses and weeds. These areas may have been overgrazed for years, or possibly are old fields that were once farmed and later abandoned. They are unproductive for livestock operations because forage quality is very poor.

There are two basic ways to increase the amount of the better forage grasses on rangeland. One method involves very light grazing or complete deferment over a period of years. The other method is seeding of high quality grasses.

The cost of seeding ranges from three to twelve dollars per acre, depending upon the grass species used, plus de-ferment until frost. On the other hand, it costs the stockman to defer a plot of land for many years. The Soil Conservation Service or the ASCS can pay from fifty to eighty percent of the cost of seeding land to perennial grass. Therefore, it is often cheaper to seed grasses than to defer an area repeatedly.

Land to be seeded should be disked or chiseled lightly with sweeps to destroy exist-

ing vegetation. This is necessary to reduce the competition for water between established plants and young seedlings. The operation should be done lightly in order to leave the old plant residue on the soil surface to protect seedlings from drying winds. Also, a firm seedbed is better than a soft seedbed for grass plantings.

Warm-season grasses should be planted in February, March, or April and protected from grazing until frost. Good grass stands can be ruined by grazing before

the grass is well established. Seeding rates vary widely according to species and method of planting. Grass should be planted with a drill when possible. Broadcast plantings are advisable only in special instances and only with certain species.

Any information such as seeding rates, species to plant, etc., can be obtained from the Soil Conservation Service office.

The average family of four uses over a ton of paper per year.

Mrs. Harry Ruddell Dies In Arlington Monday Afternoon

Funeral services for Mrs. Loula Killough Ruddell, age 86, a former Clarendon resident, were held at 2:00 p.m. Wednesday, February 28th, in Murphy Memorial Chapel with Rev. Baldwin J. Stribling, pastor of the First Presbyterian Church in Canyon, officiating. Interment was in Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Mrs. Ruddell died Monday afternoon, February 26 in the Order of the Eastern Star Home in Arlington where she had been residing since 1961. She was born June 16, 1881 at Hubbard City, Texas and was married to Harry M. Ruddell on June 5, 1901 at Hillsboro, Texas. Mr. Ruddell died in 1938 and Mrs. Ruddell lived in Ft. Worth for 23 years before moving to the Eastern Star Home at Arlington. She was a member of the Hemphill Presbyterian Church at Ft. Worth and the Order of The Eastern Star in Clarendon.

Survivors include one son, Harold Ruddell of Houston; a granddaughter, Mrs. W. R. Connally of Ft. Worth; a great granddaughter, Miss Michele Connally of Ft. Worth. Mrs. Joe Bownds, a niece, and Mrs. C. E. Killough, a sister-in-law, of Clarendon.

Bearers were Joe Bownds, Arlis Mooring, W. Sley Connally, Frank White, C. E. Bairfield, and Paul Montgomery.

CONNIE MACK MOORE PRESIDENT OF FRATERNITY AT SWSC

Connie Mack Moore, a former resident, has been elected regent (president) of Delta Beta Chapter of Kappa Psi Pharmaceutical Fraternity at Southwestern State College. Kappa Psi is a professional fraternity for male students majoring in pharmacy. Moore has served as president of his pledge class and was selected Outstanding Pledge by fellow pledges. He is in his second year professional training of Pharmacy School at Southwestern and a 1966 graduate of Clarendon College where he was a member of Phi Kappa. While in Clarendon, Conny was employed at Tunnell's Pharmacy and his wife, Linda, at the City office.

Funeral Services To Be Held Friday For J. R. (Bob) Allen

Funeral services for James Robert (Bob) Allen, age 71, a retired welder and rancher, will be held at 10:00 a.m. Friday, March 1st, at the First Christian Church with Rev. Paul Hancock, pastor, and Rev. W. R. Lawrence, pastor of the First Baptist Church, officiating. Interment will be in Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Mr. Allen died Monday morning in Veterans Administration Hospital after an illness of over seven months. He was born April 3, 1896 at Channing, Texas and came to Clarendon in 1947. He was a member of the First Christian Church, the Hedley American Legion Post, and a veteran of World War I.

Survivors include his wife Della Allen of the home; four daughters, Mrs. Thelma Downing of El Sobrante, California; Mrs. Jean Williams of Salt Lake City, Utah; Mrs. Millie Hillman of Ridgecrest, California; Mrs. Della Spivey of Oslo, Norway; two sons, Ralph Dotb's of Shingle Springs, California, James Allen of Pampa, Texas; one sister and eleven grandchildren.

Bearers were Earnest Kent, Fred Clifford, Bill Greene Jr., Clarence Cornell, Pete Riley, and Bill Porter.

EASTER SEAL APPEAL SET FOR MARCH 1-APRIL 14

It has been announced that Wesley P. Knorpp will again head the annual Easter Seal campaign in Donley County which will be held this year beginning March 1 continuing through April 14, Easter Sunday.

Funds from the appeal each year are used to finance treatment and rehabilitation for crippled children and adults in Texas. Needs of the handicapped and the cost of providing expert professional care are rising and more money than ever before will be needed this year. There are 21 Easter Seal centers in Texas where services are provided regardless of ability to pay. The Easter Seal Society for Crippled Children and Adults is an affiliate of the National Society for Crippled Children and Adults which last year provided services for almost a quarter of a million handicapped.

Mr. Knorpp serves as con-

This is a progress view of the new Boys' Dormitory at Clarendon College taken by Timmy Saye, son of Mr. and Mrs. Tommie Saye. The cold, wet weather has slowed construction some but progress is evident on several of the structures. (Photo courtesy Saye's Studio)

tact representative in Donley County for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Donley County Appeal.

WEEK END VISITORS

Mr. and Mrs. Mike West and Gary had as guests Saturday night and Sunday Mr. and Mrs. Cawthon Bryant of Hereford and Mr. and Mrs. John David Bryant of Canyon. Others to visit Sunday were Mrs. West's mother, Mrs. J. D. Smith; her brother and wife, Mr. and Mrs. Vernie Smith and a sister, Juanita Smith, all of Ralls. All attended church here Sunday morning.

Former Resident Dies In Albuquerque, N.M.

Funeral services for Miss Eula Ethel Tucker, a retired school teacher and former resident of Clarendon, were held Monday afternoon, February 26, 1968 in Murphy Memorial Chapel with Rev. Carl Nunn, pastor of First Methodist Church and Rev. O. C. Edwards, pastor of the Good-night Baptist Church, officiating. Interment was in the Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Miss Tucker died Friday evening, February 23 in Presbyterian Hospital at Albuquerque, New Mexico after an illness of 8 months. She was born February 20, 1899 in Erath County, Texas and began school in Clarendon. She taught school in Gallup, New Mexico for over 35 years and had lived in Albuquerque, New Mexico for the past 28 months. She was a member of the First Methodist Church in Gallup and a member of the New Mexico State Teachers Association as well as many other organizations.

Survivors include three sisters Mrs. Myrtle Reed of Claude, Mrs. Viola Hoole of Norman, Oklahoma, Mrs. Iva Duffie of Amarillo; one brother, John W. Tucker of Lubbock.

Nephews of Miss Tucker served as bearers.

JR. HIGH BOYS DROP FIRST GAME TO WHITE DEER MONDAY NIGHT

Clarendon Junior High boys lost their first game of the basketball season to White Deer in a game played there Monday evening, February 22, the score Clarendon 29-White Deer 35. Jim Thomas dropped in 9, Ronnie Hill 8, Mack Tomlinson 6, Larry Longan 4 and Wesley Gardner 4 for Clarendon. Haskins hit 13 and Urbanczyk 8 for White Deer. Clarendon Junior High girls were also defeated 17-28. Sheilah McAnear tallied 9 and Carolyn Barrow 8 for the locals. Kotara hit 7 and Urbanczyk 5 for White Deer.

The Clarendon teams will play Wheeler here Thursday night at 6:30 p.m. Coach Bill Thomas reported that if the boys defeat Wheeler they will play White Deer one day next week for the District title.

LEADER CLASSIFIEDS GET RESULTS

Last Rites Held For John Edward Wadlow

Funeral services for John Edward Wadlow, age 90, were held Saturday afternoon, February 24th, in Murphy Memorial Chapel with Rev. W. R. Lawrence, pastor of the First Baptist Church, officiating. Interment was in Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Mr. Wadlow died Friday morning, February 23rd, at the home of his sister-in-law and her husband, Mr. and Mrs. Ed Callahan. He was born January 14, 1878 in the Ozark Mountains of Missouri and resided in Memphis, Tennessee for 58 years before coming to Clarendon in October of last year. He was a retired switchman for the Rock Island Railroad. His wife, May Tobin Wadlow, died in 1957.

Survivors include one daughter, Mrs. Robert Alder of River Rouge, Michigan; one son, Kenneth Wadlow of Memphis, Tennessee; eleven grandchildren, several great grandchildren and great great grandchildren as well as many more distant relatives.

Bearers were J. E. Kidd, Jr., James Tolbert, Don Wooten, Bob Kid, Dale Hall, and Robert Murphy.

TWO CC PLAYERS NAMED ON ALL CONFERENCE TEAM

The All Western Junior College Athletic Conference Team was released this week and two Bulldogs of Clarendon College were among those named. They were Harry Cannon and Chris Peacock. Rick Vidaurri received honorable mention.

Others listed on the team included one from Odessa; two from Howard County; two from New Mexico Junior College; one from Amarillo; one from New Mexico Military Institute; and one from Lubbock.

Final standings in the conference placed teams in the following order: Howard County, Clarendon, Amarillo, Odessa, NMJC, NMMI, South Plains, Lubbock and Frank Phillips.

For the season Clarendon won 23 and lost 8 games, scored a total of 2467 points to average 79.6 against 2205 points and an average of 71.1 for their opponents.

CLARENDON COLLEGE PLANS RELIGIOUS EMPHASIS PROGRAM

A series of religious emphasis programs is being sponsored by the freshman class at Clarendon College. Three guest speakers will be present for the first session, held on March 6 at 10:00 a.m. in the college auditorium: a Catholic priest from Amarillo, a Baptist minister from Tulsa, and a Jewish rabbi from Amarillo. Each speaker will discuss basic tenets of his faith, then conduct a question-and-answer period.

All students are encouraged to attend the forum. Additional sessions involving other faiths are being planned for later dates.

Week end visitors in the home of Mrs. Lena Smith were Mrs. Flora Johnson of Erice, Rev. and Mrs. M. O. Evans of Plainview, and Mr. and Mrs. J. D. Jones. All visited in Memphis Monday

Funeral Services Held Tuesday For Mrs. Elsie Fae Blackburn

Funeral services for Elsie Fae Blackburn, age 63, were held at 2:00 p.m. Tuesday, February 27, in Murphy Memorial Chapel with Rev. George A. Edes, minister of the Church of God, Amarillo, officiating. Interment was in Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Mrs. Blackburn died Sunday morning, February 25th at her residence. She was born July 19, 1899 at Norton, Kansas and married J. C. Blackburn July 19, 1919 at Norton. She had been a resident of Clarendon the past 27 years.

Survivors are her husband, J. C. Blackburn of the home; three sons, Charles E. Blackburn of Clarendon, R.I. (Bob) Blackburn of Ft. Worth, W. O. (Bill) Blackburn of Seattle, Washington; four brothers, Roy E. Hoover of Medford, Oregon, Ray Hoover of Norton, Kansas, Ross Hoover of Englewood, Colorado, John Hoover of Norton, Kansas; two sisters, Mrs. Mary Kendall of Bethany, Oklahoma, Mrs. Ethel Harper of Medford, Oregon; eight grandchildren and two great grandchildren.

Bearers were Lloyd Risley, Maurice Risley, Richard Dinger, Earnest Kent, Carl Morris, and Bill Ray.

AMERICAN LEGION POST REORGANIZES

The local American Legion Post is now in the process of being reactivated and reorganized. At a recent meeting Basil Smith was elected Commander; Clyde Putman, Vice-Commander; and Dennis Rattan, Adjutant. They will be installed Tuesday night of next week, which will be March 5.

Meetings will be held the first Tuesday of each month in the old Legion Hall which is located on the upper floor of the old City Hall and present Fire Station. A membership drive is now on and interested persons are asked to contact Otis Naylor, Dennis Rattan, or come to the Tuesday night meeting.

GRADUATE TO TOTAL ELECTRIC OPERATION

"We graduated to total electric restaurant equipment, and ours is a favorite eating spot on Highway 36!"
B. F. Gilchrist, Rising Star Skelly Truck Terminal and Restaurant on Highway 36, Rising Star, works Reddy Kilowatt day and night. The Restaurant is total-electric operation, and the Restaurant and big Truck Terminal is brilliantly illuminated inside and out. Guard Lights, Quartz Floods, and Double-Wing Fluorescent Floods turn night into day around the service area. Excellent sleeping quarters and showers are provided for the truck drivers—made more comfortable electrically, of course.

Total-connected load in kitchen—72.0 KW. Electric: Range, Griddle Range, Fryers, Toaster, Hot Food Table, Food Warmer, Roll Warmer, Tea Maker, Hot Chocolate Maker, Ice Machine, Dishwasher.

Top O' Texas Stock Show & Sale Mar. 4-6

Buildings and grounds will be put in shape this week for the Top O' Texas Stock Show and Sale, which will be held here March 4, 5, and 6, 1963.

The Gray County Junior Livestock Show, which is sponsored by the Pampa Noon Lions Club, will be held Saturday, March 1, at Recreation Park prior to the Top O' Texas show.

Six counties — Gray, Roberts, Wheeler, Carson, Hemphill, and Ochiltree—compose the territory of the Top O' Texas show.

Approximately 75 steers and 150 hogs will be entered in the show. Judges for this

year will be Dr. Don O. Pinyney, of Oklahoma State University, judging the steers, and Eurol Linder, of Lubbock, will judge the Swine Division.

The weighing of livestock will be finished by Sunday noon, March 3; and judging will take place Monday beginning at 9:00 a.m.

Prizes and special awards will be presented at a barbecue dinner in the Show Arena on Monday night, March 4, at 6:30 p.m. . . . The Top O' Texas Rodeo Association will be host to all junior exhibitors at the dinner. The public is invited to attend the dinner at \$1.25 per plate.

The FFA Livestock Judging Contest will be held Tuesday, March 5, beginning at 9:00 a.m. and will conclude the day's activities with a banquet at the High School Cafeteria at 5:00 p.m. where awards will be presented and results of the contest announced. . . . Speaker for the dinner meeting will be Dr. George Hurt, head of the Department of Vocational Education, Texas Education Agency in Austin.

Judging of the Registered Hereford cattle will take place Tuesday afternoon, Mar. 5, at 1:00 p.m., with Bill Reed, of Sterling City, Texas, placing the sale order. The Breeders Banquet will be held Tuesday evening at 7:30 p.m. in the Starlight Room of the Coronado Inn, with Mr. Kenneth Wyatt, of Tulia, bringing the address.

The sale of all junior livestock is scheduled for 9:00 a.m. Wednesday morning, March 6, with Colonel Walter Britten, of College Station, serving as auctioneer for the 23rd year. . . . Bidders will be served a free country breakfast consisting of steaks, sausage, eggs, hot biscuits, and all the trimmings between 8:00 a.m. and 9:30 a.m.

The Registered Hereford Sale will start at 1:00 p.m. where approximately 65 head of bulls and choice females will sell.

Rex McAnally is Chairman

of the Chamber of Commerce Agriculture and Livestock Committee, sponsors of the Show and Sale. Clyde Caruth is Superintendent of the show, assisted by Ralph Thomas, who is in charge of weighing and records.

Gordon Whitener, of Wheeler, is president of the Hereford Breeders Association, and Earl Breeding, of Miami, is vice president.

Officials urge the public to attend both the show and sale.

FEDERAL INCOME TAX LAW CHANGES

Changes in the handling of medical expenses are about the only difference taxpayers will notice in the filing requirements for 1967 federal income tax returns.

Ellis Campbell, Jr., District Director of Internal Revenue, said there are two major changes in the medical expense area.

First, the medical expenses of those 65 and over are now subject to the same limitations that apply to taxpayers under 65. All taxpayers must now reduce medical expenses by 3 percent of their gross income. Such medical expenses include the cost of drugs and medicine which exceeds 1 percent of income. The excess over this amount is deductible.

Second, one half the premium paid for medical insurance up to a maximum of \$150 may now be deducted as a medical expense without regard to the 3 percent limitation. (Ed. Note—Due to the community property law, Texas taxpayers may claim up to a maximum of \$300 medical insurance provided they file separate returns.)

The balance of the premium cost for medical insurance should be added to other medical costs subject to the limitation. Life insurance and accident and health insurance covering the loss of earnings are not medical expenses and the premiums paid are not deductible.

These changes are explained in the 1040 instructions as well as the IRS Publication No. 17, "Your Federal Income Tax." Mr. Campbell said. Publication No. 17 costs 50c at IRS offices.

People, Sports In The News

NEW YEAR, NEW SERVICE: Girl driver gets written warranty, honored coast to coast by Independent Garage Owners, on work done by her own IGO garage.

L. L. L. GOLDEN'S new book, "Only By Public Consent," analyzes big corporations' ways of gaining public favor.

SUNNY ARIZONA? Grim scene of Air Force men carrying supplies to blizzard-bound Navajo reservation is framed by window of rescue 'copter.

SPRAY SIZING RESTORES NEW LOOK

Spray sizing, a recent scientific combination of fabric finishing agents, was designed to restore the like-new look and feel to all washables and to ease the work of ironing.

The spray adds body to a fabric while keeping it flexible, says Extension clothing specialist Rhea Boyles. The chemical compound penetrates the fibers and lubricates them resulting in added flexibility and wearing comfort. The flexibility allows the fabric to shed wrinkles more easily.

It differs from starch in that the vegetable compound costs the fibers bonding them together. This results in a stiff fabric which wrinkles easily.

The spray sizing can be used on all washable fabrics to restore original body and feel, says the specialist from Texas A & M University, including cotton, linens, silk, wools and synthetic fibers.

The spray sizing should not flake, scorch or stick to your iron or yellow fabrics.

SHEEP AND DEER TO BE COUNTED BY HELICOPTER

SAN ANGELO — Texas Parks and Wildlife biologists in the rugged Palo Duro canyon country will soon be counting mule deer and aoudad sheep from a helicopter.

Assistant Project Leader Phil Evans uses a carbon dioxide charged pistol for firing a half-inch ball of paint to mark the animals while they are in the rocky and brushy habitat as an aid in determining movement and distribution.

Every shot fired, says Evans, isn't a direct hit, but the job gets done.

A white background snow, would be a big help in spotting both deer and sheep because the natural coloration of both species closely resembles the rock and earth background.

NO SCREW-WORM CASES IN JANUARY

The first screw-worm-free January since the eradication program was started in 1962 is in the record books. Program officials urge livestock producers to continue their alert and submit samples from each worm infestation found to the Mission Lab for positive identification.

STRETCH FOOD BUDGET

Interested in stretching your food budget? Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A & M University, gives these pointers:

Most cuts of mature beef are offered at special prices by various markets featuring boneless rolled roast, chuck roasts and steaks, ground beef and the ever popular round, sirloin and T-bone steaks. Best pork values will likely be found on hams, picnics, end cut loin roasts, shoulder roasts and steaks. Fryers remain one of the best bargains when you consider quality, food value and price. Frozen turkeys are also economical choices.

Mrs. Ben Andis and Mrs. L. L. Wood of Amarillo visited Mrs. Walter Hutchins Monday afternoon.

Mrs. Lucille Jones of Plainview and Mrs. Marie Stotts visited Monday with Mrs. J. D. Jones.

Sammy Jacobs, stationed in San Diego, Calif. was a visitor in the Donley County Leader office Monday morning. Sam is a former employee of the Leader.

The rehabilitation library of the National Easter Seal Society for Crippled Children and Adults is its only specialized library of the kind.

CATTLE LICE CAN BE A BIG PROBLEM

Cattle lice may not create much of a problem in the warm months but it's a different story during the winter season, reminds County Agent Ronald Gooch. Closer confinement aids the spread of lice from infested to clean animals.

By the time lice are easily seen, much of the damage may already have been done. The time to treat lice is while the infestations are light, says Gooch.

Four species of lice suck blood from cattle and one feeds on hair and scales. Cattle infested with lice have a rough course appearance and do not make normal gains. The pests, explains the county agent, are more abundant during winter and spring when the hair is long.

Because of the restrictions on the use of the various insecticides available for treating cattle, the county agent suggests that a copy of MP-691, "Texas Guide for Controlling External Parasites of Livestock and Poultry" be picked up at his office.

The guide lists the various chemicals along with the amounts to use and the restrictions on their use. Formulations for both dusts and sprays are given.

In addition to information on lice, the guide also lists control measures for many other livestock and poultry parasites and also a dilution chart for mixing sprays and dips.

The Inland Fisheries Division of the Texas Parks and Wildlife Department monitors 80,000 miles of streams and rivers, 266 square miles of farm ponds, and 1,201,594 surface acres of major public reservoirs in the State.

One fifth of all white-tail deer in the nation are found in Texas; according to the Texas Parks and Wildlife Department.

Fourteen State fish hatcheries produced and distributed 13,986,413 fish during 1967.

The Texas Parks and Wildlife Department reports 1,139,968 fishermen paid \$2,279,037 for fishing licenses during 1967.

The Texas Parks and Wildlife Magazine has a circulation of more than 70,000—a 40 per cent increase over the past two years.

The Texas Parks and Wildlife Department has 254 game wardens. On the average each warden patrols some 1,037 square miles.

OILY TRICK—When fish are in the doldrums and not biting, try stimulating their interest. On your next fishing trip; include in your lunch box a can or two of sardines. Dip your park rinds in the left-over sardine oil every now and then when casting, and you'll find that the fish take a renewed interest in your offering. Fish go for that extra sardine oil. You might ask mama to keep a small bottle handy in the kitchen . . . and pour the excess sardine oil in it until filled. Then park it away in your tackle box to use anytime you need it.

DE-ICING SALT CAN CAUSE PLANT DAMAGE

Common salt, NaCl, is frequently used on streets, walks and driveways to keep them from ice. Extreme caution must be utilized when using salt as it may injure nearby trees, shrubs, flowers, and grass. As the ice and snow melt, the water runs off into the lawn area carrying the salt into the root zone of the plants in the adjacent areas. The effect of the salt injury may not appear until early summer as the hot dry weather approaches. The effect on trees may be marginal burn of the leaves or complete browning and death of the leaves and in extreme cases large trees may actually die.

Ammonium Nitrate can be used to melt the ice in areas where drainage is towards the shrubs and the grass. This material will fertilize the plants as well as melt the ice. If Ammonium Nitrate isn't available, commercial fertilizers that are relatively high in nitrogen and potassium may be used with almost the same effect. Use no

more of these materials than absolutely necessary to melt the ice as continued use for a long period of time can cause damage to plants because of the high concentration of nitrogen.

Sand can be used on icy walks and drives to provide good traction. Many people object to the use of sand because it tracks into the house, but its effect is no more damaging to floors and rugs than common salt which is easily tracked in also.

Before applying the salt to the drive and walkways, be sure to check the drainage pattern so that its use will not damage trees and shrubs. A little caution at the time of application can save many headaches from salt injury the next summer.

The Texas Easter Seal Society served 16,522 handicapped children and adults in 1967.

Since 1956 more than \$2.5 million has been spent by the Easter Seal Research Foundation for projects to fight crippling.

RCA—Best in Sound—Magic Voice of the Screen

It's true! Everything you could want in an electric typewriter — the speed, the ease, that professional touch . . . are all in this stylish Smith-Corona.

ELECTRA® 120

BROADSHOULDERED ELECTRIC PORTABLE—FOR YOUR OFFICE AT HOME—by SMITH-CORONA®

Here's a perfect example of Smith-Corona's master craftsmanship! A complete electric typewriter built into a handsome portable. So many conveniences: inexpensive Changeable Type™ for languages, science and math, Page Gage™, jeweled main bearing, automatic electric repeat actions . . . even electric shift and spacing. It has everything . . . plus a 12" carriage for king-size jobs.

This all-steel, vinyl-clad carrying case is yours at no additional charge!

THERE'S SO MUCH MORE TO SEE AND TRY IN A SMITH-CORONA. COME IN TODAY, AND SEE WHY ONLY SMITH-CORONA® OFFERS YOU ALL THESE ASSURANCES.

5
GUARANTEE: Any Smith-Corona branch office will replace without charge (except for labor and shipping) any part that proves defective within 5 years of purchase date. No labor charge within 90 days of purchase. Warranty covers all parts except motor, rubber parts, energy coil or charger after 90 days. Does not cover damage from accident or misuse and extends only to original owner.

Yes, we carry a complete selection of models, colors and type styles!
