Economic Development and Business Management Workshop to be held

An Economic Development and Business Management workshop will be held on November 4th in Room 102 of the Clarendon College Administration and Classroom Building. Registration will be from 1:30 to 2:00 p.m., with the program starting at 2:00 p.m. The registration fee is \$10.00 which will include the evening meal. The workshop will conclude by 8:30 p.m.

The workshop, sponsored by the Texas Agricultural Extension Service is designed to provide training that will enable interested, qualified individuals to deliver these programs in their communities. Material covered in these workshops should result in increased retail sales, thus improving a community's income capability. The workshop includes three specific programs: "Customer Relations I - The Care and Feeding of Customers"; "Customer Relations II - Turning Lookers into Buyers"; and "Visual Merchandising - The Eyes Have It".

Anyone interested in attending the workshop should contact Ronald Gooch, Donley County Extension Agent at 806-874-2141.

Downtown merchants urged to attend

The Chamber of Commerce regular meeting will be on Thursday, October 23rd at 7:00 p.m. in the Hospitality Room of the First Bank and Trust. All directors are urged to attend. All members are welcome to attend these monthly meetings.

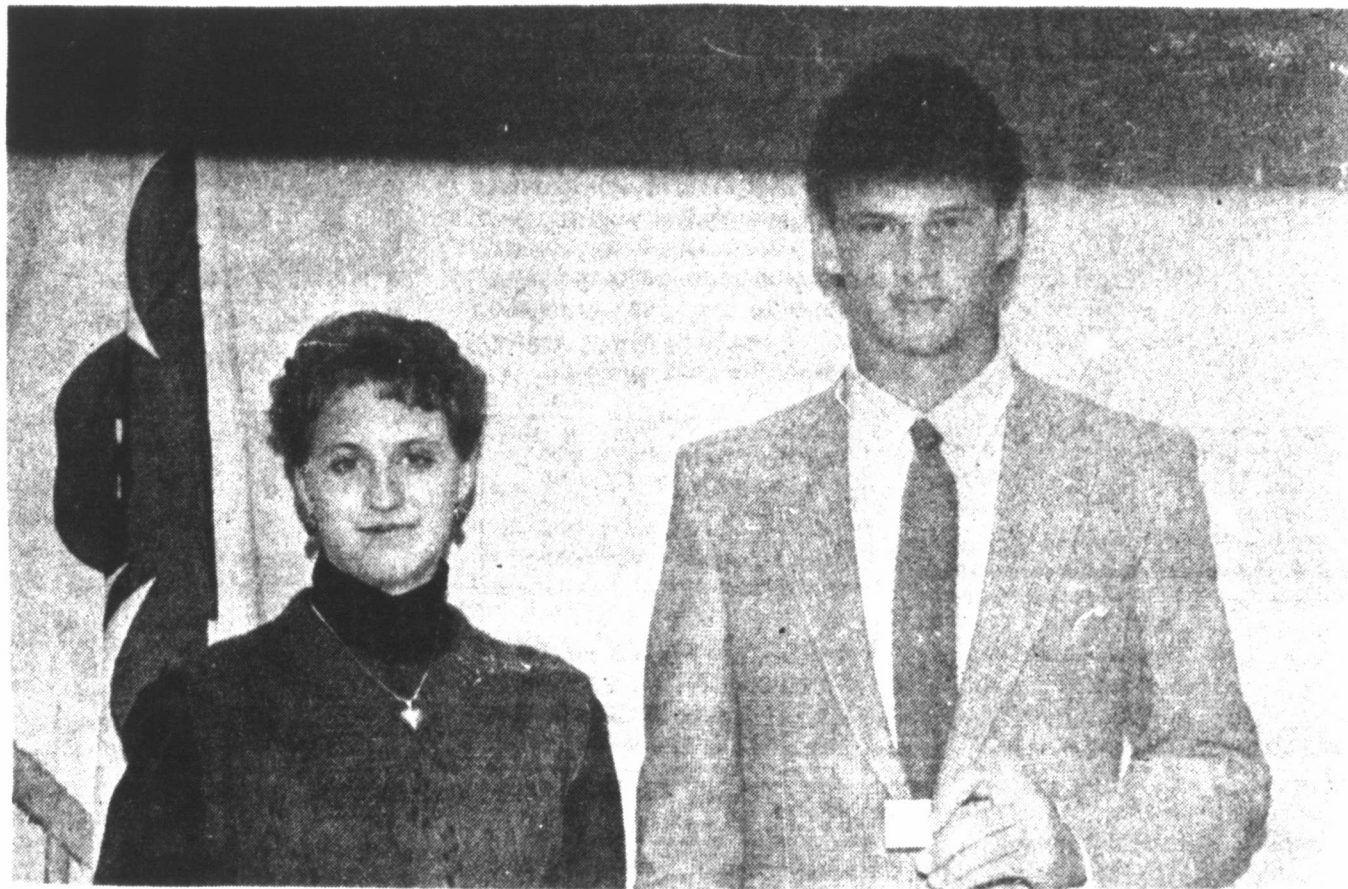

Downtown business owners are requested to attend this meeting. Plans will be made for the "Late Night Shopping", as well as the Christmas Tree Lighting. If you can not attend please send a representative from your business to present your ideas and opinions. WE NEED YOU THERE. Anyone who is interested in helping with the Christmas Tree Lighting is also invited to attend. For more information contact Patsy Lefew - 874-2421.

Broncos beat Wellington 20-19

The Clarendon Broncos outlasted the Wellington Skyrockets Friday night in a hard fought battle 20 to 19 to send their record to 3-4. The game went down to the last play with the Rockets attempting a 35 yd. field goal. Bronco Brad Shadle blocked the attempt to save the victory.

The first quarter was all Wellington as they quickly jumped to a 13 to 0 lead behind the running of Alex Johnson. After a Clarendon punt, Johnson took the ball and ran 80 yds to the Bronco 10 yd line as James Ariola ran him down. The Rockets scored in two plays to make the score 6-0. The kick was good to make it 7-0. The Broncos again failed to move the ball and kicked and Wellington took over and covered the 60 yds in 7 plays and Bronco Michael Moore blocked the extra point to make the score 13-0 as there was still 6 minutes left in the quarter. The Broncos still were unable to move the ball and Daniel Ford punted back to the Rockets. The game began to turn in the Broncos favor as they stopped the Rockets. The first quarter ended as the Rockets lead 13-0.

The second quarter was completely different as the Broncos took charge. After a Rocket punt, the Broncos took over on their 40 yard line. The Broncos moved 60 yards in 12 plays as Ariola and Marcus Smith ate up the yardage running on a much needed third down pass from Wes Hatley to Jock LaGrone for 8 yds. Ariola scored from the 5 and Jason Slavin missed the extra point, even though he missed younger Slavin is getting to be a super kicker for the Broncos. The score remained 13 to 6 as the Broncos ran out of time the next time they got the ball. They moved from their own 14 to the

Wellingtons 25yd line in 7 plays. Ariola ran for 36 yds on 5 carries and threw for 22 yds to LaGrone and Hatley hit LaGrone for 9 yds. A pass in the end zone fell incomplete as time ran out. The first half was over, but it was easy to see the second half was going to be a thriller.

The Rockets received the second half kick off and moved into Bronco territory but Ariola came up with a fumble. The Broncos moved into Rocket territory but the drive died and the Rockets took over. This time the Rockets fail to gain a first down and punted and the Broncos took over on their 38 yd line. Smith and Arthur Harris made 2 yds and Hatley hit Ford for 6 to set up a fourth and two from the Bronco 46 yd line. The Bronco coach Buddy Sharp decided to gamble and went for the two yds and it paid off as Smith made 5 yards to the 49 in Wellingtons end of the field. A interference call gave the Broncos the ball at the 39 and Smith went the distance on the next play as he broke two tackles and scored. Smith scored the two points and the Broncos had their first lead 14 to 13. The quarter ended and the exciting fourth quarter was ready to begin.

Wellington moved the ball 53 yds to take the lead 19 to 14 with 9 min. left. The Broncos took the kick off and were stopped at their own 38 yd line. Here they began their winning TD drive. Ariola made 3 yds then 5 yds and Shadle kicked up the first down. The Broncos were hit with two penalties and appeared to be stopped as they faced a fourth and 22 yd from their 35 yd line but Hatley hit Ariola for 27 yds and a first down on the Rocket 8 yd line. A third down

pass from Hatley to LaGrone was good for the TD. The point after failed and the Broncos lead again 20 to 19. Hatley intercepted a Wellington pass but the Broncos failed to run out the clock and choose to punt with 7 seconds left but the snap sailed over Fords head and the Rockets took over on the Bronco 18 with 1 second left. The Rockets lined up for the field goal and Shadle got in to block the kick as the game ended 20 to 19 for the Broncos.

Injuries hurt the Broncos all night as they lost Jeff Mills and Steven Phillips during the game and Mike Murry did not play as results of an accident at the Thursday night bon fire.

Monte Hollar, Todd Phillips and Watt Thompson led the defense with 15 tackles each. Hollar and Phillips were named defensive players of the week and Michael Moore was named offensive player of the game for his blocking from his guard position.

The Broncos also won the stats battle with 20 first downs to 14 and total yardage was Broncos 307 to 210 for the Rockets. Hatley completed 9 out of 14 passes for 106 yards. LaGrone had 7 catches for 73 yds. Ariola had 83 yds on 24 carries and Smith had 61 yds on 12 carries. Ford punted twice for over 50 yds and he was named special team player of the week for his punting.

The Broncos stand 1-1 in district play and play the Quanah Indians here Friday night at 7:30. Quanah is 2-0 in district play and are the district favorites. They defeated Canadian 42 to 20 last Friday night.

The film PRODIGAL PLANET to be shown at Calvary Baptist Church

PRODIGAL PLANET is a film that offers a futuristic look at a nuclear charred world following the wholesale exchange of nuclear attack. The film follows the lives of a few survivors left in that radioactive wilderness and will be shown at the Calvary Baptist Church at Hiway 287 and Jackson on Sunday, Oct. 26, and Nov. 2, at 7:00 p.m. in Clarendon.

This Mark IV production is the fourth in a series of prophecy films on the end times including: THIEF IN THE NIGHT, A DISTANT THUNDER, and IMAGE OF THE BEAST. The PRODIGAL PLANET builds on the quality and power of the earlier films in the series. It is notable not only for the excellent performances and the compelling

dramatic sweep of the story line, but also for its biblical accuracy and penetrating insights into scriptural truth.

The story follows the desperate journey of David Michaels, a condemned fugitive from the world-wide dictatorship of the anti-christ. He and others, who refuse to wear the mark of the anti-christ, must run for their lives.

At the same time, underground believers are seeking a key computer component that will allow them to broadcast information and support to their resistance members around the world. It becomes David's lot to try and deliver the component to an unknown destination in the deserts of the Western United States. His

search for clues unravels like an Agatha Christie thriller.

With outstanding technical production and cinematography, PRODIGAL PLANET allows a glimpse of the devastation in the "days after". Although the film is based on biblical prophecy of destruction and tribulation found in the books of Revelation, Daniel, and Ezekiel, the film offers a positive message of hope and reassurance amidst our current climate of pessimism and despair about the future. Even a planet that has become a prodigal is not beyond the reach of the love of God.

PRODIGAL PLANET is a true story that is yet to happen.

Moore and Leathers receive 4-H Gold Star

The 1986 4-H Achievement Banquet was held in the High School Cafeteria on Tuesday night, October 14, 1986, with approximately 150 people in attendance.

The purpose of the achievement banquet is to recognize 4-H'ers for their outstanding 4-H work during the past year.

The highest county 4-H award is the Gold Star Award, which went to Mike Moore and Chris Leathers. They will represent Donley County at the District I Gold Star Banquet, to be held at the East Dining Hall on the campus of WTSU, November 1, 1986, at 6:30 p.m.

The K-9 Korp also presented "Top Dog Agent" awards to Ronald Gooch and Terry Floyd. The Korp presented plaques to Helen Woody, Tiny Alderson, Annette Brooks and Jan Phillips, making them Honorary Members. An appreciation plaque was presented to Bob and Vera Andis. Hip-O-Ranch Kennels presented the first Sissy and Coony Memorial Traveling Award to Jennifer Davis.

This award is to honor two great Australian Cattle Dogs. They were

the first to earn their Companion Dog and Companion Dog Excellent Obedience Titles in the state of Texas. They were the top hands, working cattle at the ranch; demonstration dogs, showing locally at some of our 4-H affairs; and acting escort to three of the first Australian Cattle Dogs to be shown at Westminster Kennel Club Dog Show in Madison Square Garden in New York City. The criteria for this traveling award encompasses: leadership, attendance, preparation of a record book, obedience participation in Regional, State and American Kennel Club Dog Shows, and Sportsmanship. Jennifer was the first to receive this very prestigious award presented by Bob and Vera Andis.

Guests attending the Donley County 4-H Achievement Banquet were Steve Reynolds, P.C. and Opal Messer, Tiny and Gene Alderson, J.C. and Helen Woody, and Carol Grady.

Special thanks to the Pins N Pans 4-H Club leaders for the decorations and to all the parents, leaders and 4-H'ers for their help and support in making the banquet a success.

Halloween Contest

The Chamber of Commerce will be sponsoring the 2nd Annual Halloween Adult Costume Contest on Halloween day, Friday October 31st. A judging station will be set up downtown and participants will be asked to come by at their convenience to be judged. Judges will be from out-of town and the judging location will be announced at a later date. Gift certificates will be awarded and may be redeemed at any chamber member business.

So go up to the attic and down in the basement and drag out all those old treasures. Last year's contest was a great success. Let's all get fired up and out do ourselves.

Again, we would like to encourage

the area businesses and offices to support our efforts by allowing and encouraging their employees to participate in this fun-light hearted event. Everyone is urged to get out and about to see all our friends and neighbors at their "best".

Learn to read program at library

Is there an adult you care about who would like to learn to read? A special program for teaching adults to read is being made available through Burton Memorial Library.

Tutors are available to teach reading. They are volunteers who have had special training in teaching reading. Lessons will be given at the library. The lessons will be private. There will be one pupil - one tutor. Anyone interested in this reading program for adults, please contact Annis Stavenhagen at the library.

Business Travelers Should Exercise

Exercise can help business travelers eliminate stress, fatigue, backaches and stiff joints.

Also, exercise can reduce the effects of jet lag by building stamina and improving sleep.

Many people spend long hours traveling on business.

Their productivity can be increased by attention to physical fitness while they are away from work and home.

Many hotels now provide exercise facilities for travelers including spas, exercise equipment and indoor swimming pools.

Occupational health programs should not be limited to the workplace. They can be taken on the road as exercise and other fitness practices.

Tom Christian named Interim Director for Museum

Area rancher Tom T. Christian has been appointed Interim Director of the Panhandle-Plains Historical Museum. His appointment was announced Oct. 14, 1986 by Carl D. Hare, President of the Panhandle-Plains Historical Society.

Christian's duties will officially begin on November 1, 1986. He will retain the position of Interim Director until a new permanent Director is selected, said Hare.

The new Museum Director brings to the position a varied background in business, education, and government. A native of Claude, he came from a ranching family whose roots go back nearly a century in Panhandle history.

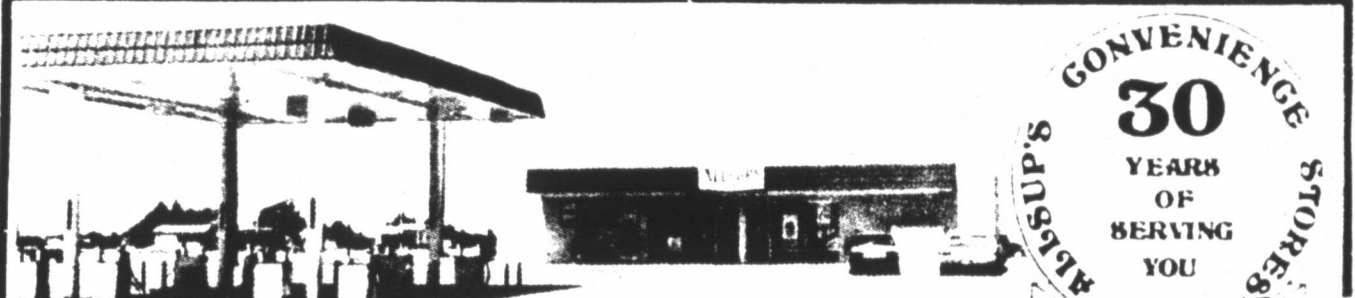

Christian was elected as State Representative for the 75th Legislative District in 1968 and served from 1969 to 1972.

He served as President of the Panhandle-Plains Historical Society from May of 1977 until May of 1978. Christian's grandparents were charter members of the Society, and four generations of his family have claimed membership.

Other regional posts held by Christian include eleven years on the Claude, Texas, School Board, as well as Past Presidencies of the Panhandle Livestock Association, the Panhandle Rural Health Initiative, and the Armstrong County Medical Society.

He is a member of the Board of Texas Panhandle Heritage Association and serves as a Regent of West Texas State University.

"I've grown up with an appreciation of this museum," said Christian, "and seen it take a regional to a national position. It has already preserved so much that's important in Plains history-Indian culture, ranching, cowboy life, Western art-and I believe that it's beginning a new era of growth. I'm pleased to be able to take part in what I see as a very bright future for the institution."

Girl Scout News

By JONDEL MOFFETT
First Grade Brownies

Leader: K. Mireles; Asst. leader: Shawn Cannon and Troop Committee Members: Susan Murray and Patricia Leffew.

From Sept. 4-Oct. 2 these leaders registered 17 girls as Brownies. First meetings include learning sessions of Brownie basics, refreshments, games, handing out and exploring books, collecting and counting dues, and in general getting acquainted with each other and the leaders. An exciting time is enjoyed by all these new members of Girl Scouting. Welcome to the world of fun and adventure!

Second Grade Brownie Troop 111
Leaders are Anna Beth McNabb and Maurine Butts; Assistant is Cina Courtney.

Here are the 15 members: Missi Buis, Jana Breitting, Margaret McAbb, Liza Tull, Stephanie Floyd, Hether Shields, Renee Watson, Lara Hommel, Kathryn Ritchie, Valie Menchacha, Shalon Martin, Drey McAnear, Annie Jones, Jennifer Pasco, and Shauna Travis. These second grade girls meet at the First Baptist Church each Tuesday afternoon from 2:45-3:30. They are enjoying outside games in the lovely autumn weather. They also have recorded their growth statistics to compare them with those recorded last year.

Third Grade Brownie Troop 217
Leaders are Valerie Ashcraft and Brenda McConnell.

Troop members are: Delinah McConnell, Aaron Ashcraft, Lana Moffett, Freedom Garrison, April Hommel, Mandy McAnear, Jennifer Hatley, Somer Harper, and Dorinda Plummer. These girls meet every Monday from 2:45-4:30. The Brownie program has been updated this year so new books were bought. The new Girl Scout promise is as follows: On my honor I will try to serve God, my country, to help people at all times, and to live by the Girl Scout Law.

These girls have been learning about "Taking Care of Myself" while doing Fitness Fun, Healthy Eating, Choosing Clothes, Caring for Your Clothes, Aerobic Dances, and Animal Moves (Imitation Exercise). These girls cooked and ate their own apple pies at one delicious meeting.

Junior Troop 203
The leader is Mary Green and asst. leader is Janice Breitting.

Eleven members registered include: Ramona Woodard, Cara Breitting, Mandy Floyd, Christel Green, Haley Hamilton, Jessica Wendlandt, Shauna Price, Janet Watson, Carrie Shields, Carla Moore, and Beth Barbee.

This troop is fourth and fifth graders mixed. The leaders are happy with this arrangement and the girls are thankful for their leaders. "Camp-Out in October" has been the troop goal this Autumn. Getting ready for the fun at Cibola takes time, planning and lots of effort on the part of the girls under the direction of the leaders.

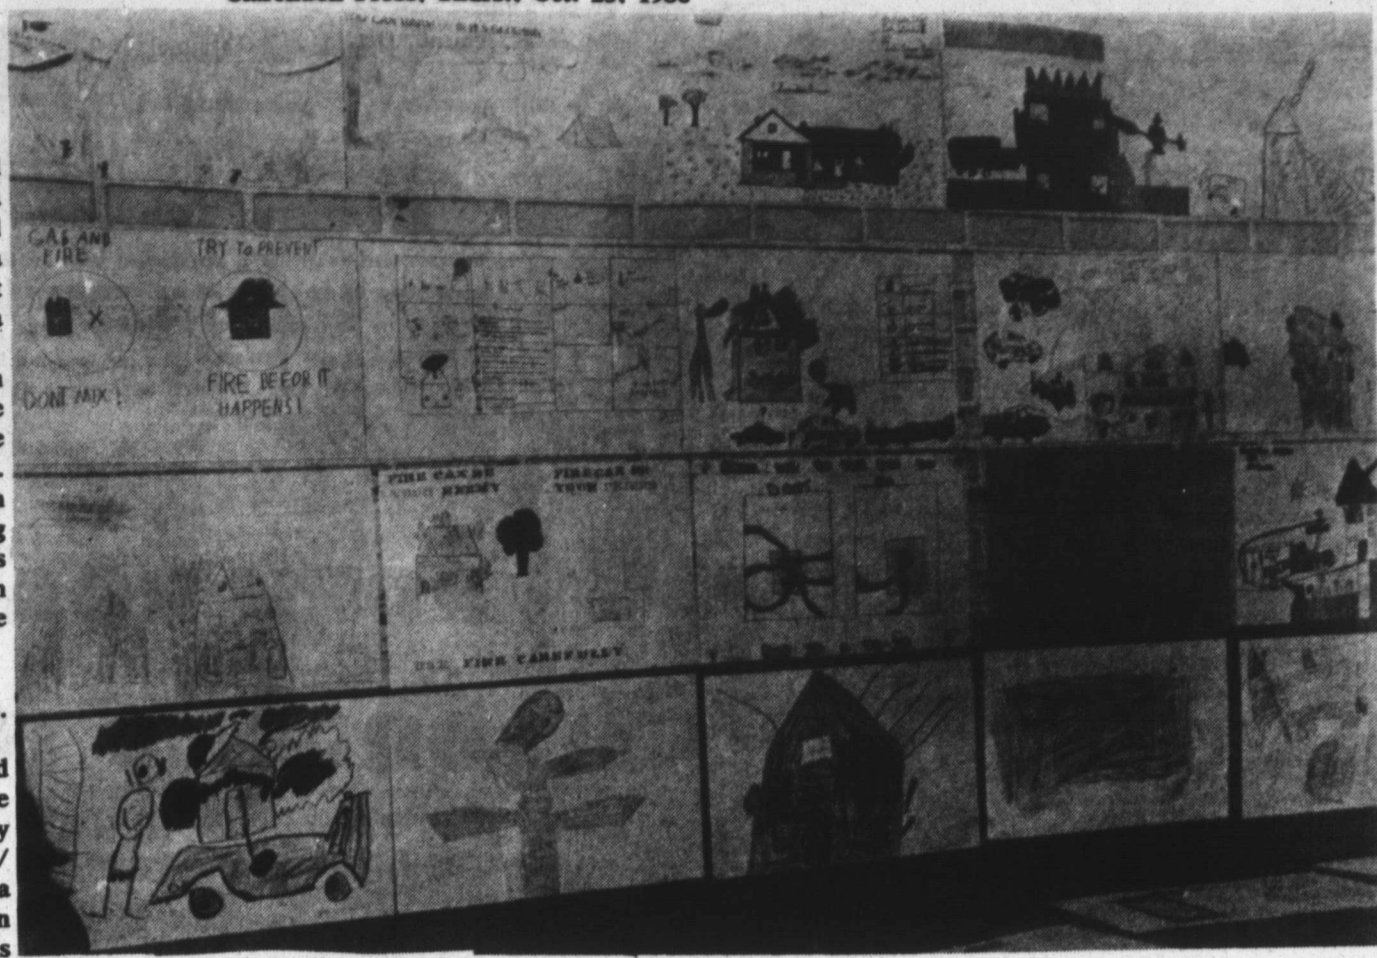

Girl Scout Troop 180
Leader is Carolyn Myers and asst. leader is Joy Martin.

In September this troop organized and combined the 7th and 9th grade troops, Cadettes and Seniors. They worked on the Fashion/Fitness/Make-up Badge. Leslie Fincher, a beautician from Judy's Hair Design spoke to the girls on new techniques in proper hair care. They completed their Adverting and You portion of their badge. On September 29 Bivens Pharmacy helped them complete the badge when a Revlon cosmetologist, Monika Guckert of Amarillo advised them on a beauty regime to match their skin type. Quivira Girl Scout Field Directors gave the girl Scout Camp-Crafter Course at Camp Cibola the weekend of September 27-28. Troop members are: Shannon Myers, Andrea Edwards, Toni Breitting, Megan Williams, Regina Watson, Lydia Black, and Kelly Edwards. One member, Shannon Myers, attended the first class in an American Red Cross Canoeing course at Lake Friar, South of Perryton September 13-14. This troop extends a special "Thank You" to Leslie Fincher and Bivens Pharmacy as resourceful people helpful in the attainment of badges.

Area Seminar for teachers

Science and math teachers served by Education Service Center Region 16 (Amarillo) interested in the GTE Foundation Growth Initiatives for Teachers (GIFT) fellowship program can get more details at an area seminar beginning at 4 p.m. Oct. 27 in the Palo Duro Room of the Amarillo Fifth Season, 6801 140 West in Amarillo.

The GIFT program provides opportunities for school enrichment and professional development to secondary school mathematics and science teachers. Teachers in both public and accredited non-profit private schools are eligible.

Charles Watkins of General Telephone Company of the Southwest, coordinator of the Texas program, said the grants reward outstanding teachers by providing them with an opportunity to update their subject knowledge and to translate their learning experience into effective teaching.

GIFT offers a school enrichment grant of \$2,500 each to the mathematics and science teachers which must be matched by an additional \$2,500 each from the school or community; a personal development grant of up to \$2,500 each for study, field work or in-service training; and an opportunity for each teacher to participate in an all expense paid seminar with GTE scientists, managers and human resource experts to address real-world needs in mathematics and science education.

PROMOTES HAIR GROWTH

A prescription medicine taken by mouth and used to help control high blood pressure may eventually be approved by the U.S. Food and Drug Administration as a promoter of hair growth in men having male-pattern baldness. MINOXIDIL solutions are already commercially available in Canada for this purpose. If the F.D.A. gives its seal of approval, minoxidil will be the first drug in the U.S. approved for use in baldness.

The manufacturer of minoxidil has already tested over 1,600 balding men at 27 centers for one year. According to one report, 40 percent

of men using a two percent minoxidil solution rated hair growth as "moderate" while 8 percent rated hair growth as "dense".

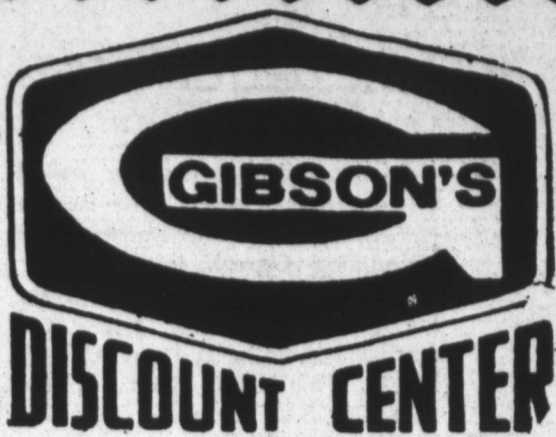

Minoxidil does not, therefore, appear to be a "miracle" hair replensher. Solutions of the medicine do not stimulate hair growth in all bald men. And most men who have experienced hair growth have not observed phenomenal results. When taken by mouth, minoxidil can cause a variety of side effects including increased heart rate, dizziness, and fainting. Its effects when applied to the skin for long periods of time are not known at this time.

Ashtola - Martin News

by Naomi Green

Betty, Don and Mandy Gresham from Tulsa came Friday night to the Skeet Brown home. Bob and Lenna Finck of Salida, Colo. came Saturday. They were joined by Gary, Marcia Cary Sue and Kriss Ann Davis of Groom, Kay and Harold Green of Stinnett, Sheryl and Mike Grant and Kindra of Amarillo and Eddy Finck of Groom. Those of the family that did not have to get back to jobs Monday were invited to supper at the Davis home Monday night.

EllenTiffany and Stephanie Patterson were out for Fall break and spent some time with the H.A. Greens last week.

Patricia, Jerome, Jennifer and Elena Doerrie of Booker attended the Perryton-Childress ball game Friday night and came to the H.A. Green home afterwards. They went on to Amarillo Saturday taking Jason to visit with Rhonda and Lori.

Katherine, David, Clint and Lindsay joined the out of town guests for lunch at the H.A. Green home Sunday.

Beth and "Hoss" Watts and Charlotte Payne were guests for the weekend at the H.A. Green home.

Burl and Carlene, Monte and Mindy Hollar visited with the Carl Taylors in Amarillo Sunday afternoon.

Vance and Ismanell Gray entertained Jeannie, David and Dusty Tittle of Canyon Sunday. Larry Gray of Earth was here for business and made it home for lunch. Buster Gray and Terri Tittle came out along with college students, John Able, Larry Powell, Dixie Wilcox and Audry Holman.

Rodney Green of Amarillo and Joe Green of Canyon visited briefly with Naomi Green enroute to Childress last Friday.

Alma Hall of Amarillo brought Joyce Stewart out her plane from Troutville, Virginia to see the Royce Halls Saturday morning. T.E. Naylor and Faye and Tex and Linda Naylor visited with them Sunday night.

Joyce Stewart and Thelma Naylor made a trip to White Deer Sunday afternoon to visit with Mr. and Mrs. Roy Stewart.

Wednesday afternoon Hazel Brandon entertained out of town guests Wilma Batson and Gladys Seago of Waco and local guests Mrs. Grace Leathers, Rachael Butler, Altha Floyd and Melba Leathers.

Mr. and Mrs. J.R. Brandon attended the Top Of Texas Buddy Trailor Rally Friday, Saturday and Sunday at Collingsworth County Pioneer Park

five miles north of Wellington. About fifteen families attended.

Hazel Brandon came in from the rally Saturday afternoon in time to help other Donley County members of Gamma Kappa Chapter of Delta Kappa Gamma entertain a three county meeting of Wellington, Samnorwood, Memphis, Hedley and Clarendon. Edgar Mae and Mable Mongole of Canyon also attended.

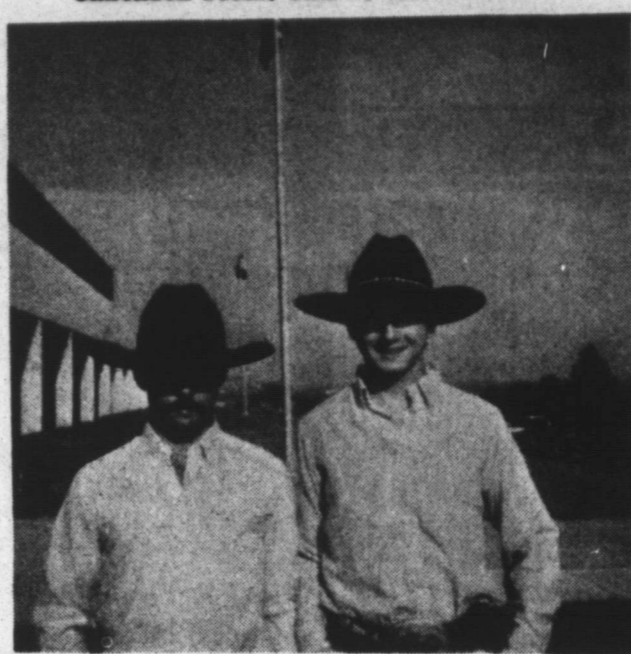

Betty Veach also assisted with the party.

Horace poured out another 2 inches of rainfall Tuesday morning. Gullies running through Martin give thought to where one's top soil is, in spite of having what we hoped was adequate cover crops.

Out of town guests in the home of Viola Graham last week were: Helen Crawford of Grand Prairie, Mr. and Mrs. Orville Bayes of Lubbock, Mr. and Mrs. D.W. Tomlinson of Bartlesville, Okla.

Nova Mooring and Viola Graham attended the funeral of their uncle, Lawrence Watson, in McLean Saturday.

Clarendon Press, Thurs., Oct. 23, 1986

STEVE GAILLARD AND CHRIS DOWNER won first in Bull Riding and won in Hide Pull in the Intramural Rodeo last week.

1986 Autumn Intramural Rodeo

Over 100 Clarendon College students participated in the 1986 Autumn Intramural Rodeo last week.

A hometown student and out of the state students seemed to dominate the event. Chris Downer of Clarendon placed first in the Bull Riding and paired up with Steve Gaillard of Texhoma, Texas to also win the Hide Pull. New Mexico was well represented by winners Phillip Borden of Broadview and Joe Parker of Grady as top team Ropers in a contest of 37 ropers. Wayne Jiron and Misty Ford of Bosque Farms won the Ribbon Roping. The team of Tommy Thompson of McAlister, Warren Metzger of Estancia, and Larry Rush of Melrose demonstrated the prize winning Land of Enchantment style of Steer Saddling. A Colorado student walked away with the honors in Bareback Riding,

John McKee of Pagosa Springs. In the ladies' events Tiki Jackson of Spearman showed her stuff by winning first in three events, Steer Riding, Goat Tying, and the Rescue Race, with help from her partner, Wes Farley of Turkey. Carol Brandenburg of Llano had the best barrel racing time in a field of five. The Calf Dressing contest drew eight teams with the agility, skill, and tenacity of Julie Blackburn of Broadview, NM, Kye Grau of Grady, NM, and Cindy Moor of Helena, Ok paying off with a first place.

This rodeo represents hours of preparation and work by Rodeo PE Instructor, Kelvin Sharp, and his Rodeo Club members. The weather cooperated this year to the extent that no one was sunburned or drowned.

Friendship Quilting Club

The Friendship Quilting Club met in the home of Florene Bennett of Ashtola Wednesday afternoon October 8.

Business meeting was called at 2 o'clock by Pres. Jane Stevens and minutes were read by Oddie Moss in the absence of Louise Aten-sec. and treasurer. As there wasn't any old business - new business was discussed. Day of the meeting time was changed from the 2nd Wed. of the month to the 2nd Tues. of the month. New officers were elected: President - Annie Thomason, Vice President - Doris Denny, Sec. and Treasurer - Thelma Rudder, Reporter - Yvonne Belle McDaniel and Coed Committees - Annie Thomason and Irene

Assembly Lines

Rev. J.W. Brown

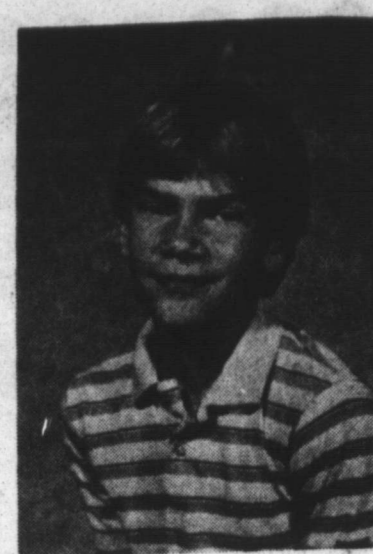

We praise the Lord for the wonderful services we have been having - the Holy Spirit has been manifesting his gifts in nearly every service. We are truly enjoying an out pouring of the Latter Rain blessings of God. We would like to thank Minnie Thomas for being in charge of our Nursing Home service last Saturday and also we thank Clayton Ferris for playing the piano for us. We appreciate everyone who went.

We enjoyed our Sunday School Convention we attended in Amarillo, Friday, Oct. 17. We received some tremendous information that will stimulate growth in our Sunday School Dept.

We are planning on Opening our Child Care Center Nov. 3. We will be open 6 a.m. to 6 p.m. Monday-Friday, and will offer care for newborns to 12 years old. For information call 2195.

Sat., Oct. 25 at 7 p.m. we invite everyone-especially those who are sick or afflicted-to attend our Healing service at 1st Assembly of God 5th and McClelland - there will be special music. Come expecting a miracle.

Justin McLemore US Award winner

The United States Achievement Academy announced that Justin McLemore has been named a United States National Award winner.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 102 of all American High School students.

Justin, who attends Waxahachie Junior High was nominated for this National Award by Mrs. Carrie White, an algebra teacher at the school.

Justin will appear in the United States Achievement Academy Official yearbook, published nationally.

'Recognizing and supporting our youth is more important than ever before in American's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement,' said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities re-

sponsibilities, enthusiasm, to learn and improve citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher.

Justin is the son of Jerry and Gailene McLemore of Waxahachie. Grandparents are Mr. and Mrs. Bob Hodge of Hedley.

DOUG SEAL FOR CONGRESS

811 East Avenue
Wellington, Texas 79095
806/447-2794

Greg Middents, Director
806-447-2794

IMMEDIATE RELEASE

Doug Seal believes in an open door policy and has an open mind on all the issues.....

EMPLOYMENT: Doug Seal has a plan to create more jobs by:

- *Achieving overall economic growth by bringing interest rates down, making existing industries globally competitive and developing new industries.
- * Training new workers and retraining displaced workers to take advantage of employment opportunities.
- * Accelerating reconstruction of our deteriorating infrastructure and creating a new and better nation.

INDUSTRIAL REVITALIZATION: Doug Seal calls for a new industrial strategy to make our industries globally competitively by:

- * An aggressive trade policy which promotes the export of U.S. goods and services abroad and enforces U.S. trade rights under international agreements.
- * Promoting new assistance for entrepreneurial small businesses.
- * Increasing federal investments in basic research and development to maintain the United States' world leadership.

AGRICULTURE: Representing a state where agriculture is one of the leading industries. Doug Seal is a strong supporter of America farmers;

- * A competitive rate of return to farmers that is comparable to the rates of return earned by other American industries.
- * Family Farm remains as central to the success of American Agriculture as ever.

EDUCATION: Doug Seal believes the U.S. must recommit itself to establishing excellence in our educational systems and to providing quality education for every American.

- * A renewed commitment to Chapter I of the Elementary and Secondary Education Act.
- * Special initiatives to instill excellence in education
- * A renewed commitment to financial assistance for college students

ENVIRONMENT: Doug Seal believes that we need to protect our air, our water and our farmland.

- *Prohibit landfill disposal of especially hazardous wastes.

DEFENSE: Doug Seal would strengthen our military as we cut defense spending by redesigning our military in line with the critical challenges of today's warfare.

- *Reform of the kinds of weapons we buy. Overly complex weapons cost too much and don't work well in combat. We need to buy simpler, more effective weapons in larger quantities.
- * Reform of the way we make defense decisions. Military Policy too often is determined by interservice rivalries or political considerations, rather than by the prospects for success in combat.

How to squeeze more profit from stockers... Switch to Synovex®!

IMPLANTS

No other implant can deliver the return on investment that Synovex implants can. Results of 51 stocker trials prove it, with Synovex outperforming Ralgro nearly 73% of the time, and cattle averaging 7.9 more pounds than Ralgro. And in 56 trials, Synovex-implanted cattle averaged 32.5 lbs. more gain than non-implanted cattle.

One Synovex implant lasts for the entire grazing season. So there is no need to reimplant your pasture cattle to get superior gains.

It's the No. 1 implant in terms of consistent, superior performance. Synovex is safe, too. Contains only naturally occurring growth promotants like those already present in the animal's system. So safe, in fact, that Synovex has no withdrawal requirement before sale or slaughter — offers the maximum market flexibility you need.

There are other advantages, too, including ease of implanting and implant retention you can't always expect from other implants.

So when it's time to implant your stockers, don't just settle for good gains. Switch to Synovex implants!

Buntin and Skelton elected to Library Board

Phoebe Ann Buntin and Willard Skelton have been elected new members of the Burton Memorial Library Board of Advisors.

They are replacing Jim Shelton and Boo Lowe who have completed their two year terms.

Other board members are Jean Chamberlain, chairman; JEM Simmons, vice-chairman and Jane Gilkey, secretary.

The board serves in an advisory capacity to the library and deter-

mines policy. Annis Stavenhagen, librarian says, "Without these dedicated board members through the years, we would not have been able to accomplish anything. In fact, the library would still be in the courthouse and we would not be a part of the Texas Library System".

Firebelles have meeting

A regularly stated meeting of the Firebelles was held October 14 at the fire station.

The secretary and treasurer's monthly reports were read and approved.

The annual Halloween carnival was discussed. The members voted not to participate this year.

A brunch was planned for November 15 at 10 a.m. at the Dairy Queen. The Christmas party was set for December 6. The place will be determined by the November meeting. It was voted to plan the Annual Christmas party on the first Saturday of December for all future years.

There being no further business, the meeting was adjourned and Edie Robertson proceeded to give the program. She presented ideas for crafts to make for gift-giving and for sales.

Members present were Annette Osburn, Edie Robertson, Tammy

Taylor, Wanda Smith, Debbie Hollan, Connie Pitts, Valorie Ashcraft, Connie McAnear, JoDec Mincey, Neva Spier, Nancy Watson, and Becky Lane.

EXERCISE-INDUCED ASTHMA & BRONCHOSPASM

Experts say 85% of allergic asthmatics have symptoms of wheezing during or following exercise. Nearly 40% of non-asthmatic patients with allergies or a family history of allergy experience bronchospasm or constricted airways caused by exercise.

Other symptoms include an accelerated heart rate, coughing and chest tightness five to ten minutes after exercise.

Exposure to cold air and low humidity tend to worsen symptoms since both are thought to increase heat loss from the upper airways. Air pollutants, such as sulfur dioxide; high pollen counts, viral respiratory tract infections, & hot muggy air, also increase the severity of wheezing following exercise.

ACTIVITIES THAT CAUSE WHEEZING

(in order of severity):

1. Free running (most likely to induce asthma)
2. Treadmill running
3. Bicycling
4. Swimming (least capable of producing symptoms)

DIAGNOSIS

1. A patient history is taken
2. Tests are performed, which can include either a cycling, running or treadmill test
3. Lung capacity is measured before, during and 20 minutes after exercise

TREATMENT

1. The selection of exercise activities such as running, biking, and hiking may aid those who cannot tolerate strenuous outdoor running sports. (HOWEVER, IT IS IMPORTANT TO REMEMBER THAT IN THE MAJORITY OF PATIENTS WITH ASTHMA OR EXERCISE BRONCHOSPASM, PRE-TREATMENT WITH PROPER DRUGS MAY ALLOW THEM TO PARTICIPATE IN ANY ACTIVITY THEY CHOOSE).

Swimming is often considered the sport of choice for asthmatics and those with a tendency toward bronchospasm because of two factors: a warm, humid atmosphere and year-round availability. Others recommended include those that involve short bursts of energy such as baseball, football, wrestling, short distance track and field events, golfing, gymnastics and surfing.

Cold weather events, such as skiing and ice hockey or long-distance, non-stop activities like basketball, field hockey or soccer are more likely to aggravate airways. However, despite these precautions, many have found that with proper training and medical care, they are able to excel as runners or even basketball players.

2. Drugs, administered prior to exercise, are all helpful in controlling and may prevent exercise-induced bronchospasm.
3. The athlete should avoid exercising with viral infections, when pollen and air pollution levels are high, or when temperatures are extremely low.
4. Warm-up exercises have been shown to alleviate chest tightness before competition.

CONCLUSION

The inability to participate in athletic programs and/or recreational sports can be a handicap for children and adults alike. For years, it was thought that asthmatics could not and should not take part in team sports and vigorous activities. Today, with proper detection and treatment, those affected by exercise-induced asthma and bronchospasm can become capable of exercise that's beneficial to both their physical health as well as their emotional well-being.

Fire Prevention Week results

The fire department open house on October 11 attracted many children despite the weather. Due to the weather the 1927 Seagraves was not used to give rides as in the past, but the children were allowed to sit on it in the station and ring the bell and siren. Free cokes and cookies were given to the attendees while observing the posters on display.

The winning posters were kept by the firemen so they could be entered in the district contest.

Division 1 (K-2nd grade) 1st place: Stephanie Floyd; 2nd place-David Bradley Tyler, Calvary Baptist Academy; 3rd place-Jason Curry.

Division 2 (3rd-5th grade) 1st place-Scott Tucker, Calvary Baptist Academy; 2nd place-Jennifer Garrison; and 3rd place-Mandy Floyd.

Division 3 (6th-8th grade) 1st place-Dorcas Osburn; 2nd place-Jeffery Campbell; and 3rd place Lewis Camacho.

Division 5 (Sp. Ed) 1st place-Stella Jaramillo; 2nd place-Raymond Ballard; and 3rd place-Curtis Wine.

Soil and Water Conservation District taking orders for seedling trees

The Donley County Soil and Water Conservation District is taking orders for seedling trees for wind breaks and other land owners use. We will be ordering trees from October until March 13, 1987. Some varieties of trees sell out early, so you will need to make your orders soon.

The Forest Services are offering the following: Afganistian Pine, Arizona Cypress, Austrian Pine,

Ponderosa Pine, Red Cedar, Scotch Pine, Blue Spruce, Rocky Mountain Juniper, Bur Oak, Caragana, Desert Willow, Green Ash, Honey Locust, Little Walnut, Osage Orange, Pecan, Russian Olive, Cotoneaster Rugosa Rose, Honeysuckle, Choke Cherry, Lilac, Sand Cherry, Ash, Chinese Elm, Sumac, Plum, Golden Willow, Narrow Leaf Cottonwood, Cottonwood, Poplar, Hackberry.

To make your order come by the Soil Conservation Office in Clarendon, 416 South Kearney or Call 874-2339.

We will also be selling Submatic Irrigation Systems. These can be arranged for tree rows, flower beds, lawns, hanging plants, gardens, and other watering needs you may have. The slow and even watering provided by the drip irrigation eliminates plant stress, saves water, saves fertilizer and saves labor.

A Record of Achievement Managing the Public Trust

Garry Mauro is a problem solver. Where some see only problems, he sees solutions. He sees empty state coffers and he finds ways to fill them. He sees Texas schoolchildren with dreams of higher education and he finds ways to pay for those dreams. He sees falling oil and gas revenues and he figures out ways to increase them. He sees the West Texas desert and he creates ways to farm it. GARRY MAURO thinks solutions. And he backs up that thinking with action.

Garry Mauro—Texas Land Commissioner

- Collected more than \$1.6 billion from the state's oil and gas leases to defray the cost of public education since taking office in 1983. Last year, Land Office deposits into the Permanent School Fund meant that Texas taxpayers paid an average of 7.2% less in state school taxes and 3.2% less in local property taxes.
- Modernized the Texas Veterans Land Program so that the last three years have been the most productive three year period in its 40-year history.
- Created nearly 25,000 Texas jobs and billions of dollars in economic activity across the state by creating the Texas Veterans Housing Assistance Program—all without costing Texas taxpayers a penny.

- Used common sense management to run the General Land Office and earn the state of Texas an additional \$100 million in revenues without raising taxes.
- Has a vision for the future that includes: raising another \$120 million in never-before collected, non-tax revenues for Texas; starting a \$500 million loan program to keep alive the Texas tradition of the family farm and ranch; using Israeli farming techniques on state land to make it more valuable and more productive.

Congressman Beau Boulter Reports from Washington

THIS WAR MUST BE FOUGHT AT HOME

A star athlete in the prime of his life dies of a cocaine-induced heart attack. A federal narcotics agent is kidnapped and tortured by Mexican officials. A home is burglarized by desperate junkies looking for money to buy a fix. A parent discovers that his child is hooked on drugs.

There is no escaping the fact. Drug abuse and its horrible side-effects have shattered our families, and weakened the fabric of our entire society with its burden of economic losses, health costs, and increased crime. This crippling disease, and it is a disease, knows no boundaries. It cuts across race, sex, personal wealth, and social status. Drug abuse is an equal opportunity destroyer. It can kill anyone.

That's why we must work together to defeat this epidemic, before it slowly and most surely defeats us. We must declare war on drugs, and begin our campaign where it unfortunately starts, with our young people. True, it makes some sense to target the domestic and foreign fields where these deadly crops are grown, and it also is sound and necessary policy to increase the enforcement of laws which discourage the smuggling of this poison. However, these supply-targeted efforts would be quite unnecessary if there were no demand for drugs in the first place.

It would not matter how relentless drug traffickers were, or how vicious their tactics could be. These parasites on our society would be powerless in a land where each per-

son had simply said "no" to this ultimate form of materialism.

Each individual's decision to live-drug-free is a stone in a wall of fortification that would protect society beyond the U.S. Drug Enforcement Administration's wildest dreams. For some individuals, that decision must be made again and again, and will undoubtedly not be an easy one to make. However, we must do our duty as parents, teachers, clergymen, community leaders, and friends to ensure that the decision made by the young people of this country is the right one.

Often, the simple love of a parent or friend can fill the void that some attempt to fill with drugs. Youth needs to be encouraged to be independent thinkers, alert to resist an adverse mental climate.

As your Congressman, I have, and will continue to support legislation that increases funding for the enforcement of our drug laws, as well as the prison terms imposed on suppliers and smugglers. Unfortunately, this will not be enough. We must seek to enlist every citizen in our attack on this menace. The actions begun in Washington must be carried on down to our families and schools.

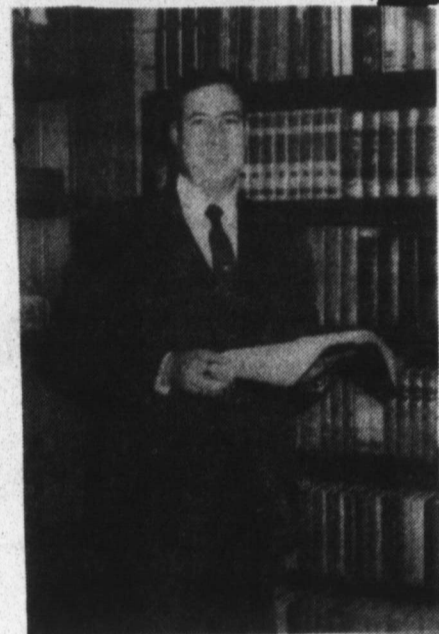

The deadly circle of the drug culture can only be stopped by society's awakening out of materialistic, self-seeking values that perpetuate that cycle. A society represented more exclusively by positive values would leave fewer spaces for the weed of drug abuse to take root and grow.

Jackson and his wife are both natives of Coleman County. He is a 1962 graduate of Santa Anna High School and worked for WTU as a serviceman at Santa Anna and as local manager in Jayton, Bronte and Alpine before moving to San Angelo at local manager in 1978. He was promoted to customer service supervisor of the San Angelo District in 1981.

At San Angelo, Jackson was on the official board of St. Luke United Methodist Church, director of the Downtown Lions Club and was active in Chamber of Commerce Affairs.

The Jacksons have two children: Wes, a freshman at Texas Tech University, and Shelly, a senior at Angelo State University.

From The PEN of PASTOR PINION

A LOVE LETTER (copied)

How are you? I just had to send you this letter to tell you how much I love you and care about you. I saw you yesterday as you were walking with your friends. I waited all day, hoping you would walk and talk with me also. As evening drew near, I gave you a sunset to close your day, and a cool breeze to rest you. Then I waited, but you never came. O yes, it hurt me, but I still love you because I am your friend.

I saw you fall asleep last night, and I longed to touch your brow, so I spilled moonlight upon your pillow and your face. . . . Again I waited, wanting to rush down so we could talk. I have so many gifts for you. You awakened last this morning and rushed off for the day. My tears were in the rain. Today you looked so sad, so alone. It makes my heart ache because I understand. My friends let me down and hurt me many times, but I love you. I try to tell you in the quiet green grass. I whisper it in the leaves and trees, and breathe it in the color of the flowers. I shout it to you in the mountain streams, and give the birds love songs to sing. I clothe you with warm sunshine and perfume the air. My love for you is deeper than the oceans and bigger than the biggest want or need you could ever have. We will spend eternity together in heaven. I know how hard it is on earth I really know, because I was there, and I want to help you. My father wants to help you too. He's that way you know. Just call me, ask me, talk to me. It is your decision. . . I have chosen you and because of this I will wait. . . Because I love you!

Your Friend, JESUS

Dayton Jackson named Assistant Manager for WTU

Dayton Jackson, an employee of West Texas Utilities Co. since 1964, has been named Assistant Manager of the company's Panhandle District.

Jackson and his wife, Mary, are moving to Childress this month from San Angelo, where he has been district customer service supervisor.

Don Welch of Abilene, vice president and director of customer services, said Jackson has been designated to succeed District Manager A.D. Green at Childress when Green retires on Jan. 1, 1987.

WTU's Panhandle District has headquarters in Childress and includes local offices at Clarendon, Crowell, Matador, Memphis, Paducah, Quanah, Quitaque, Shamrock, Turkey, Vernon and Wellington.
