## Funeral service held for Miraim Sursa

Graveside services for Mrs. Miriam Sursa, age 61, were held at 2:00 p.m. on Saturday, August 23, 1986 in Citizens Cemetery in Clarendon with Rev. Bryan Knowles, Pastor of the Hedley Baptist Church, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Sursa died at 3:00 p.m. on Thursday, August 21, 1986 in High Plains Baptist Hospital in Amarillo following a short illness. She was born October 11, 1924 in Childress County, Texas and was married to Windall Wesley "Cotton" Sursa on June 20, 1942 at Childress. He died June 26, 1986. She had been a resident of Ashtola for 20 years before moving to Clarendon 12 years ago. She had been the manager of the Clarendon Dairy Queen for the past 12 years. She was a Baptist.

Survivors include one daughter, Mrs. Jerri Ann Shields of Stinnett; three sons, Windell Sursa Jr. of Hedley, Tommy Sursa of Guthrie, Joe Sursa of Guthrie; two brothers, Floyd Thomas of Fort Worth, Richard Thomas of West Columbia; eight grandchildren; and two great grandchildren.

## Clarendon College registration figures are up over last year

Clarendon College is gearing up for an exciting, productive fall semester. Pre-registration figures are up, and the dormitories are full. September 2 will kick off with a faculty meeting at 9:30 a.m. in the cafeteria. Dorms will also open that day so sophomores and freshmen will be moving into Knorpp, Vaughan, and Phelan Halls. On Wednesday at 9 a.m., September 3, registration will begin, and classes will start on Thursday.

Evening classes on campus for this semester are business math 10 taught by David Wiese and Human Relations (Business 115) by Ruth Robinson on Tuesday evenings, European History 1500-1815 by Jo Schollenbarger on Wednesday evenings, General Photography (Art 181) on Monday and other art classes by James Ivy Edwards on Tuesday and Thursday evenings.

Please check with the Registrar, Tex Selvidge, for further information about these and any other classes.

## Ashtola Reunion

Fifth Ashtola ex-student-teacher reunion will be held at the Ashtola Community Center Saturday, August 30, 1986. Registration begins at 10:00 a.m. Please bring a covered dish. Make plans to attend.

## NOTICE

Several ladies in the Clarendon area are interested in forming a group to study dolls and share interests. If you would be interested, please call 874-5104.

### Claude Franklin Liles

Claude Franklin Liles, 74, of Hedley, died Saturday.

Services were at 10 a.m. Tuesday, August 26 in First Baptist Church with the Rev. Bryan Knowles, pastor, and the Rev. Lewis Ellis, of Pampa, officiating. Burial will be in Rowe Cemetery by Spicer Funeral Home of Memphis.

Mr. Liles was a retired section hand for Santa Fe Railway. Born at Salom, Mo., he was a member of First Baptist Church. He was married to Vera L. White in 1955 at Clovis, N.M. He had lived at Hedley since 1963, moving from Bovina.

Survivors include his wife; four step-daughters, Cleoptra McQueen of Memphis, Mildred Imogene Gilchrist of El Paso, Trudy Wooten of Barstow and Joy Nell Coffman of Emma, Mo.; a step-son, Rayford Earl Ziegler of Odessa; two sisters; four brothers; 17 grandchildren; 27 great-grandchildren; and seven great-great-grandchildren.

Casket bearers were O'Neill Weatherly, Bud Hoggatt, Forrest Morton, W.S. (Hap) McQueen, Dale Ward, E.M. Sampley.

## Clarendon ISD

### K-8 pre-enrolls

All new students in grades K-8 will pre-enroll at the Junior High office on the 29th of August between 9:00 a.m.-12:00 a.m. Students in grades K-8 who attended Clarendon in 1985-86 will not register on August 29. Those students will be at school on September 2 at 8:00 a.m.

All new students need birth certificate, immunization records and grade cards from their previous school. Students must be accompanied by a parent or guardian.

Grades 9-12 will also pre-register August 29th. The following schedule will be used: 9:00 a.m. - Seniors, 10:00 a.m. - Juniors; 11:00 a.m. - Sophomores; 1:00 p.m. - Freshmen.

All new students must be accompanied by a parent or guardian. All students who cannot register in scheduled time will register at 2:00 p.m. Registration will be in the cafeteria.

## Clarendon's outstanding first grade scores

The 1985-86 first grade students scored extremely high on the Teams test which was administered in the spring of 1986. Of the group, 98 percent passed the reading test, 93 percent passed the math test, and 95 percent passed the writing test. When these scores are compared to all first graders in the nation, Clarendon's children out-performed 83 percent of them in math, 73 percent in reading, and 80 percent in writing. These scores indicate that superb teaching and learning occurred during the kindergarten and first grade years. A special thanks and honor goes to Mrs. Cornell, Mrs.

LONE STAR WAGON TRAIN arrived in Hedley Wednesday, August 20.

## Firebelles to sponsor MDA rest stop

On Labor Day weekend, the Clarendon Firebelles, assisted by the fire department, will sponsor a rest stop. It will be set up by 6 p.m. Friday, August 29 and will be open until 6 p.m. Sunday, August 31, at the state rest area on the west end of Clarendon.

Coffee and soft drinks and cookies will be distributed to travelers in an effort to refresh them and give them a chance to rest thereby making the highway a little bit safer with more alert drivers. The refreshments will be given free of charge. Donations made at the rest stop will benefit the Muscular Dystrophy Association. Last year almost \$200.00 was collected for the MDA and approximate-

ly 240 travelers signed the register.

The support of local citizens last year was greatly appreciated. Due to the number of fires this year the Firebelles are low on funds and any help would be appreciated. If any citizens would like to make a monetary donation or donation of soft drinks or cookies, they may do so by calling 874-2753 or 874-2834 or bring

any such donation directly to the rest stop Labor Day weekend. Anyone who would like to volunteer time to assist in manning the rest stop would

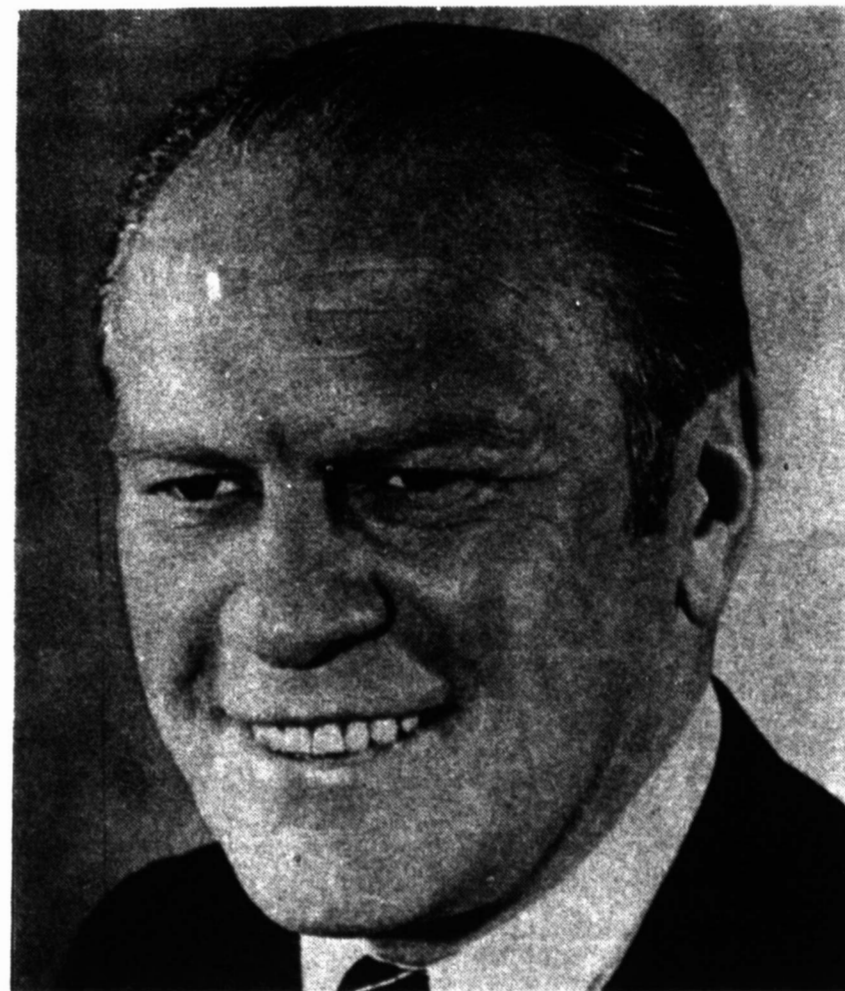

also be appreciated since the stop will be open 48 hours straight. And, of course, anyone who wishes to just come visit with us will be welcomed.

## Colt Mothers

to meet  
Tuesday

If you have a student in the seventh or eighth grade in Clarendon Junior High for the 1986-87 school year, you are urged to be present for the first meeting of the Colt Mothers. This meeting will be Tuesday, September 2, 1986, at 5:30 p.m., in the Clarendon School Cafeteria.

There are several items of business that need to be taken care of so that we can plan for our football concession stands, both of which will be in September. Please make plans to be present if at all possible. We need your input to make these fundraisers a success.

## President Ford to speak at Boulter reception

President Gerald Ford will be urging voters to re-elect Congressman Beau Boulter (TX-13) this year when he speaks at a Dessert Reception on Friday, September 5th at the Amarillo Hilton Inn.

The Dessert Reception, beginning at 7:30 p.m. in the Hilton Atrium, is \$25 per person and the public is invited to attend. Joining President Ford in honoring Congressman Boulter will be David and Roger Otwell, and Miss Rodeo Texas, Stacy Cook of Spearman.

The Otwell Twins, who appeared on the Lawrence Welk Show for seven seasons and are presently working on Welk's Christmas special, will be performing for reception guests. The Otwells, from Tulia,

have just released a video entitled "One Nation Under God." For tickets, contact Patsy Leffew 874-2421 or 874-3159.

## Memorial Fund set up for Virginia Fair

There has been a memorial fund set up in the Donley County State Bank for Virginia Fair to help with her hospital and doctor expenses. She is in Northwest Texas Hospital with cancer. Ms. Fair has lived in Clarendon most of her life, and at present has no income.

## Bollworm activity on the increase

Bollworm activity has increased and heavy infestations of bollworms were found in several fields on Friday. Infestations of one to three bollworms per plant or 40,000 to 100,000 worms per acre were found in some fields. Treatment may be justified when counts average 5,000 to 8,000 per acre or 10 to 15 percent of these plants are infested.

Check the entire cotton plant, as small bollworms and eggs are being found in all areas of the plant, not just in the terminal area. Continue to check fields twice a week in order to detect bollworm eggs and small larvae early.

## Goldaster weed control tour Sept 9

### Library reading program over for the summer

Much reading among Clarendon children was accomplished during the summer through the Texas Reading Club 1986 which took place at Burton Memorial Library. Shane Judd read a total of 518 books which was the most books read by any of the 171 registered members. Other children who read exceptional amounts of books are: Donny Howard who read 397 books; Matthew Grizzel, 359 books; Jennifer Grizzel, 313 books; Justin Griffin, 298 books; Joel Grizzel, 296 books; Daniel Grizzel, 290 books; Alcasha Grizzel, 289 books; Gannon Rhinehart, 174 books; Bryan Rhinehart, 144 books; Nathan Sears, 101 books; and Todd Lindley, 86 books.

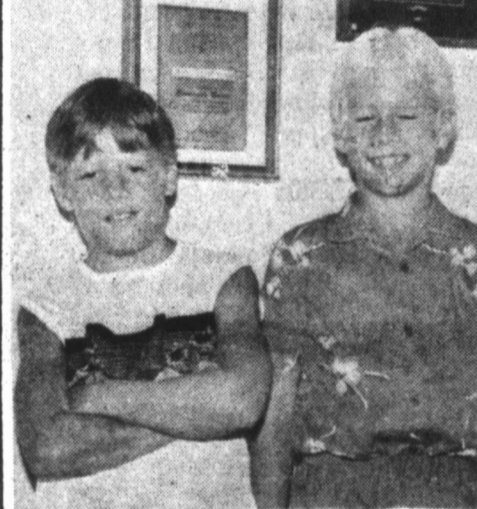

Jason Lee and Ernie Lee were

winner of the bookmark contest. Copies of their bookmarks will be printed and handed out at the Tri-State Fair in Amarillo.

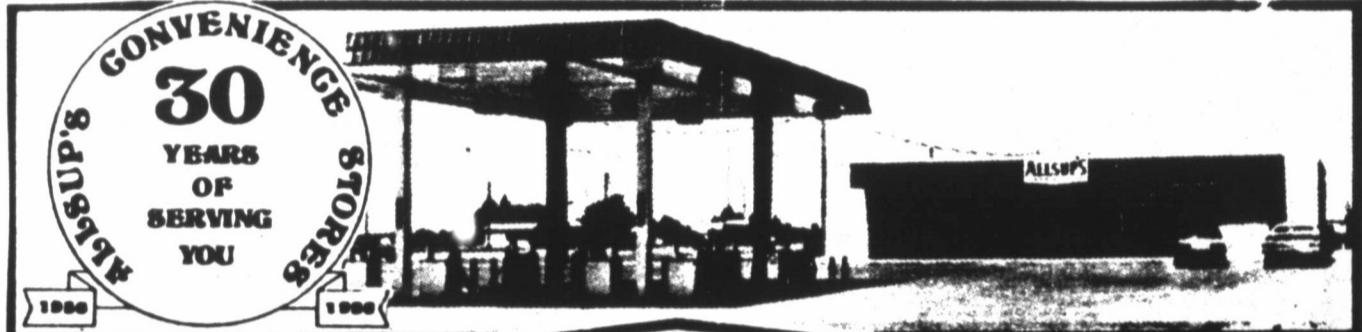

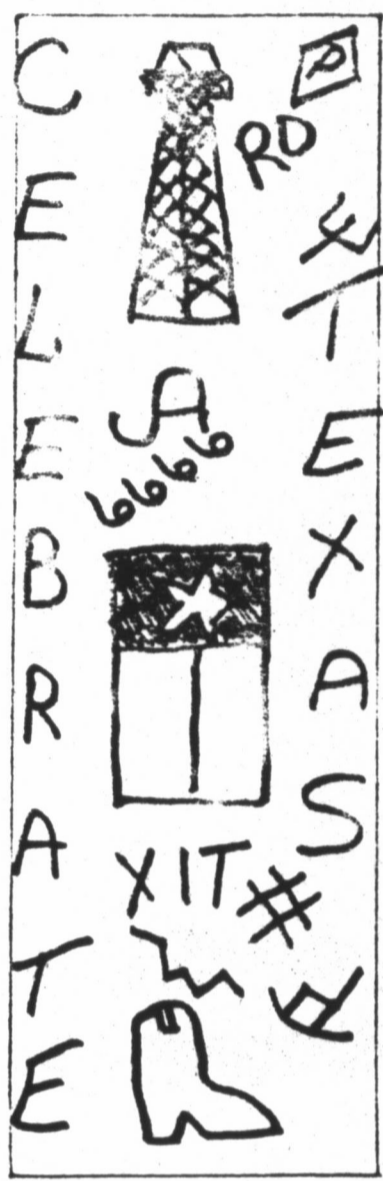

We would like to give an extra acknowledgement of appreciation to Mary Beth Nelson, Diane Chamberlain, Mary Green, Denise Bertrand, Jackie Sanders, Cinda Courtney, and Cindy Shelton who consistently contribute their time each summer to conducting different types of activity classes for the children each Tuesday morning. Other ladies who assisted with the classes this summer are Connie Irvin, Jeanette Loveless, Sandy Grizzel, and Regina Wooten.

Special guests and puppet shows are always highlights of the Reading Club meetings. A very special thanks goes to the following people who so willingly contributed their time and talents to make the Reading Club more fun for Clarendon's children: Jerry Chambliss, Michelle Chambliss, Jamie Deyhle, Edwin Campbell, Pat Slavin, and Puppeteers, Tracy Shadle, Sheri Hall, Shane Judd, Dorcas Osburn, Stacy Thomas, Donald Gooch and Steven Davis.

Thanks to the following people who were also involved with the Reading Club and whose efforts were very much appreciated and necessary in order to complete a well-rounded children's summer program: Karen Wortham, Regina Havens, Katherine Green, Andrea Edwards, Shannon Myers, Trina Judd, Buddy Howard, Kelly Edwards, Misty and Todd Dudley of Hereford, Texas.

BOOKMARK WINNERS: Ernie Lee and Jason Lee. Ernie's and Jason's bookmarks will be printed and passed out at the Tri-State Fair in Amarillo.

## Senior citizens news

Thanks to everyone for your cooperation in the Nutrition Program Evaluation. With both programs there was a total of eighty-six turned in. The results were really good and I truly appreciate all of you for helping.

Thanks to Nadine Bobbitt for additional punch cups and glassware. Thanks to Tennis Smith for the good fresh tomatoes.

We missed Carmen on blood pressure day last Tuesday. Sure hope she is feeling better this week.

Had a light crowd for the third Tuesday dance on August 19th. Maybe the weather was too hot because the music was good, the floor was slick and there was a lot of good food to eat. Those that didn't show missed a good time.

Had five tables busy with games on Thursday, August 21st. It's nice to have that many out on game night.

Friday, August 22nd, seventeen members of the dance group enjoyed an evening of fun and dancing with the forty-five and Uppers dance group at the Amarillo Senior Citizens.

Twenty-four came out Friday night to hear music by Hugh Neuhaus, J.B. Yates, Bailey Estes, Forrest Denton, Weldon Petty, Fred Fortenberry, O.C. Edwards and me.

The Center will be open on Monday, September 1, 1986 - Labor Day holiday.

## Kelli Preston named to the Society of Distinguished American High School Students

Kelli Preston, daughter of John and Phyllis Preston has been named to the Society of Distinguished American High School Students - the nation's leading high school honor society. Kelli was chosen to represent the First Baptist Church in the Society for 1986.

Each year high school principals and church officials across the country assist the Society in recognizing and rewarding America's most distinguished students. This honor is one of the highest that can be bestowed upon a student while in high school.

It is quite an achievement and one of which you may be very proud. Only those students who have demonstrated academic excellence, leadership in extra-curricular activities, or have been service-oriented in civic affairs are chosen to receive this honor.

The Society's primary goal is to provide the recognition such achievement deserves while offering these students an opportunity to participate in a scholarship program conducted specifically for them. This program, the National Awards, is supported by 140 colleges and universities spanning the United States. Kelli's membership will be announced in the 1986 edition of "The Society of Distinguished American High School Students" which will include her name, high school, and biography of activities, honors, and awards.

Kelli is the granddaughter of Dale and Marie Hill of Memphis.

## Drivers cautioned as school opens next week

Last year in Texas there were 1,228 accidents involving school buses, with seven fatalities and 323 non-fatal injuries. Schools are about to open again, and drivers are once more being cautioned to be unusually attentive in and around school zones and school buses.

An increasing problem in recent years has been drivers who either ignored or were unaware of the law restricting vehicles from passing a school bus while the bus is loading or unloading children. Children often cross the street in front of the bus, and a car that's trying to pass may not see them coming.

The problem became so bad two years ago that the Texas Legislature considered requiring buses to have mechanical arms at the driver's window that would extend into the traffic lane while the bus is stopped. At present, buses in Texas have flashing lights at the front and back of the vehicle when stopped, as well as signs noting that vehicles are required to stop for the buses.

To emphasize the importance of stopping for these buses, the State Department of Highways and Public Transportation has produced public service announcements with Texas singer-songwriter Jerry Jeff Walker as its spokesman.

Walker, the 44-year-old author of the classic, "Mr. Bojangles," believes in the message he offers in the television commercial.

"It's important to note that stopping for those flashing red lights is not just a courtesy, it's the law," Walker said. "That means stopping

whether you're behind the bus or approaching it from the other lane."

The law states: "The driver of a vehicle upon a highway inside or outside a business or residence district upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle before reaching such school bus when there is in operation on said school bus a visual signal such as specified in Section 124 of the Act, and said driver shall not proceed until such school bus resumes motion or is signaled by the school bus driver to proceed or the visual signals are no longer actuated. A violation of this subsection is punishable by a fine of not less than \$50 nor more than \$200."

In addition to Walker himself, his daughter Jessie, son Django (named for 30's-era jazz guitarist Django Reinhardt) and 10 other children from the Austin area took part in the PSA production. The Austin Independent School District supplied a brand new bus for the spots.

In Memory of Beulah Gertrude Rich  
 WHEN GRIEF IS NEW  
 When grief is new it's hard to pray,  
 "Thy will be done" is hard to say.  
 With heart and mind all numb with pain  
 We cry "Beloved, come back again."

But can we really ask that she  
 Return from God's eternity.  
 To suffer and grow old in years?  
 The selfish cry is drowned in tears.

Death comes to all, one first must go;  
 If she were left, she'd sorrow so.  
 It's better that I wait a while;  
 God grant I do it with a smile.

# WOULD-BE BANKERS HAVE BEEN MULTIPLYING LIKE RABBITS.

Don't allow yourself to be misled by apparent similarities. Just because so many others are hopping to include the word "bank" in their names doesn't mean that they are actually bankers. "Savings Banks," "Thrift Banks," stockbroker "bank" accounts, etc., try to blur the difference between them and real bankers. But they don't al-

ways offer you the experience or, sometimes, the security of bankers. In fact, the only place you'll find a banker is The Bank, where your deposits are Federally insured up to \$100,000. As for multiplying, our Full Service Bank is always ready and able to offer the newest ideas to help your money reproduce.

THE ONLY PLACE YOU'LL FIND A BANKER IS THE BANK.

MR. AND MRS. HUGH SANDERS

Marcia, Cary Sue and Kriss Ann Davis went with Eileen Brown to Tulsa Thursday to visit with the Greshams. Skeet Brown and Gary Davis came over Friday to join them. They took the children to the zoo and Betty and Don and Skeet and Eileen went to Sallisaw to the horse races. They saw a lot of beautiful green country and a lot of lakes and enjoyed the rivers.

LaRue Pittman of Amarillo spent the weekend with her parents, the Tom Shadies.

The Baker boys of Fort Worth have been visiting the Joe Neal Shadle family. Brad brought them by to see Tom and Louise Shadle while they were here.

Katherine, David, Clint and Lindsay Green and Roy Monroe went to Wet and Wild and to Six Flags over the weekend. They visited with the Charles Dunns and Susie, Bob and Taylor Gammon. Kim Phillips and Marty Dunn joined them with one of Marty's friends three year old daughters for the rides. They had an adult for each child. The weather was overcast and cooler than it had been. The children remained for a week long visit with their grandparents. David was excited about getting to help Kim move in at A&M. Bob Gammon is opening a ladies ready-to-wear outlet which Jerry starts this week as manager. So everybody in Dallas had a busy week planned as Katherine who began her teaching this week.

Our sympathy is extended once again to the Sursa family, former Ashtola residents. All of us will miss the support and encouragement that Miriam gave to us in all of our activities.

Mary and Christel Green were among other Girl Scouts of the Quivira Council to attend the Junior Rally Day at the Cibola Camp Saturday all day.

### Ashtola - Martin News by Naomi Green

There will be a work day to clean up the community center August 28 in preparation for the Ashtola Student Reunion August 30th.

Ruth Clay enjoyed having her family to visit with her and Benny last week.

Mr. and Mrs. Benny Clay went to Spur last Monday to the funeral of Benny's sister's husband Carl Rye.

The Bill Bennetts were in Amarillo Sunday to see the Lonnie Parrs and the Jimmy Bennett family.

Paula and Maxey Nuess of Tucson, Arizona visited with Beth and "Hoss" Watts, Charolette Payne and Horace and Naomi Green at the Green home Sunday afternoon.

Jason Green was in Amarillo to visit with Rhonda and Lori for the weekend. They brought him home and visited with the Greens and their

Fritch house guests Beth, "Hoss" and Charlotte Sunday afternoon.

Larry, Jerry and Little Jerry Green were in Umbarger for business Sunday and visited with Billy Jack and Frankie Green.

Melba and Lloyd Risley took a vacation in Colorado last week. They went to Monument Park, Fort Garland, Alamosa and down to Anita. They enjoyed the scenery through the Narrow Gauge Railroad country around Gharna. At Las Las Cruces, they visited Melba's brother, Mayon Johnston. The weather was hot but nice and they had a lovely time but were glad to get home to their own beds.

Mary and Christel Green were among other Girl Scouts of the Quivira Council to attend the Junior Rally Day at the Cibola Camp Saturday all day.

NITA MANNING

### Medical Center News

By LOUISA KING

Nita Manning is an all around nurse. She is very versatile and able to function wherever she is needed. When she is not working the 11-7 shift you might find her either working the 7-3 or 3-11 shift.

The nursing department of Medical Center thought a person with these qualities should be the "Nurse of the Month" for the month of August.

Nita Manning and the late Dr. Edwin L. Manning moved to Clarendon from Dimmit. Dr. Manning was the pastor of the First Presbyterian Church of Clarendon and taught psychology and sociology at Clarendon College. Dr. Manning expired May 13, 1985.

Nita graduated from LYN school of nursing at Clarendon College in 1983 and is now employed at Medical Center. The employees at Medical

Center congratulate you Nita for the loyalty you have shown the nursing department and the care given to each resident.

Every nursing department should have a nurse like Shirley McKinney. She is certified nurses aid and works on the 11-7 shift. Each morning the oncoming nurses are greeted with a hearty hello and a big smile. She helps make your day. Shirley is married to Frankie McKinney and they have one son. They live at 607 Burkhead. Shirley has been in the nursing field for 3 years.

Shirley was voted nurse of the month of July by her co-workers. Although Shirley hasn't been in the nursing field but three years, she gives the care of a much experienced nurse. Her attitude reflects the slogan of "We Care." Congratulations Shirley.

### THANKS CLARENDON

A dream is about to come true. We are opening our new Dairy Queen facility here in Clarendon. A tribute to Miriam and Cotton Sursa for making our dream come true. Although they aren't here to see it completed, they and their employees for the past 12 years have worked hard hours upon hours beyond duty to make it a success story. We appreciate the support and dedication of all who have made it possible for us to build our new facility here in Clarendon. We just want to show you the people of Clarendon how much we appreciate it by building a beautiful new Dairy Queen facility in which Clarendon and the surrounding area can be proud of. Come by and have a cup of coffee with us and see our new store. Again, thanks Clarendon and a big special thanks to Miriam and Cotton Sursa and their family for their wonderful dedication.

**WATT'S HAPPENING IN HEDLEY**

BY Peggy Watt

Jon and Sarah Chitwood, Jennifer and Heather and Kay Miller and Sidney Ketchum of Amarillo visited with their parents, Roy and Juanita Brown last week.

The most important bit of news this week, to me, is that James and Timberlee Potts, James Lee and my kid Keith got home from their cotton stripping jaunt Saturday. I've forgotten how many bales of cotton they stripped, but it was a bunch. We were glad for Keith to get home.

Ricky and Audrea Cherry of Amarillo visited with his grandmother, Mrs. Etta Mae Cherry last week. Her daughter, LaNell Barnett of Vernon, came Thursday and took her to Amarillo to the doctor. They visited with Misses Ola and Eula Curd while they were there. One Saturday her son, Lynn Cherry of Clarendon and Amarillo came. He expects to get off his crutches and out of his cast before too much longer. His wife, Ginnie is improving from a heart attack.

Laqueta Box and Mrs. Amelia Holly went to Stinnett to visit Pick and pick up their young grandsons, Elwyn and Wymon and bring them home. Their parents Elgie and Linda McCleskey of Spur and Joe and Lucy Poole are vacationing in Tennessee.

Mrs. Eva Hansard visited her children in Amarillo. She enjoyed her daughters and their families, Curt and Wanda Richards, Dickie and Vinona Bennett, and Bob and Pat Harp. She had a doctor's appointment for a regular check-up.

Woodrow and Ora Pearl Farris were in Memphis last week for Woodrow to see the doctor. He sprained his back working on a plow. When I talked to Ora Pearl, she told me that he was feeling better.

Bill and Alice Paschal of Amarillo spent Friday night with her parents, Ed and Ethel Favor.

Bobby Hoggard, Audra, Bill, and Candi lunched Sunday with his parents, Clyde and Mildred Hoggard. Candi stayed for a long visit. I think she enjoys playing with her little cousins.

Johnny and Kathy Hoggatt spent Saturday night with his parents, Bub and Betty Hoggatt. They attended morning worship services at the Baptist Church. Their children John, James, and Mary had been visiting for two weeks already.

Rev. Wayne and Carol Gilbreath and their four children visited the Baptist Church Sunday morning. They were enroute from Fort Worth to Silverton, Colorado where he will assume pastoral duties at a Baptist Church there.

Arthell and Velva Gibson of Pampa visited with her father Walter Johnson Sunday. They came to pick up a show calf for their grandson Derek Dagner.

Pat Knowles came home last week after spending some time in Beaver, Oklahoma with her mother, who is undergoing medical treatments in Liberal, Kansas daily for weeks. Pat got home in time to accompany the children from the Baptist Church on a trip to Wonderland Park and Show Biz Pizza.

Mike and Donna Lamberson, Mikala and Ashley of Pampa visited their grandparents, J.T. and Helen Lamberson last week for a swim.

J.R. Howell came last week to visit his mother, Mrs. Gladys Howell. His sister, Bud and Elise Bennett of Oklahoma City spent the entire week.

Clay Houdashell of Amarillo spent part of last week in Hedley with his grandparents, Johnny and Della Linville. He went home with his Dad Ernie Wednesday. Della went to Amarillo Saturday and brought his sister, Michele home with her for a few days before she has to start to school.

Ruby McKee's grandson Tim Upton is in Morton Cancer Research Center in Dallas undergoing tests. His wife, Jackie and parents, U.C. and Helen Upton are with him.

LESIA FUSTON, Clarendon, relinquished her 1985-86 Texas Hereford Queen crown during the Texas Junior Hereford Association Day hosted by J Bar F Ranch in

Normangee. It was Lesia's honor to name Rene' Stewart, Sterling City, her predecessor to the 1986-87 crown. Individuals present during the

Texas Hereford Queen coronation were, left to right, Lesia Fuston, Rene' Stewart; Princess, Mellasa Smith, New Boston; and princess, Paula Ivey, Kerrick.

Bobby and Pat Roland of Amarillo spent the weekend with his parents, Bob and Jessie Roland. Bob's sister, Ed and Ethel Favor joined the Sunday evening for ice cream.

Mr. Lett is in the VA Hospital in Amarillo.

Fay Patton was one of the graduating students at Clarendon College School of Vocational Nursing. Fay is approximately my age, and I congratulate her on her perseverance. I also congratulate her husband, Reggie and son Vernon for their patience. It must have been a long hard year for all of them.

T.E. Naylor attended the 40th wedding anniversary celebration of Basil and Letha Smith in Fritch last week.

Jo Hinton and Tony of Rosebud, New Mexico visited her parents, James and Edith White recently. She brought her nephew, Chris King home and picked up her daughter, Renee, who had been visiting in Vernon with her other grandparents.

Matt Naylor of Memphis, Geneva McAfee and Seth of Canyon, and Jerry and Linda Frye, Tara, Jamie and Blake of Amarillo joined Tex and Linda Naylor and Jared of Clarendon at their parents home last week. T.E. and Faye Naylor took their children into Hedley to see the Lone Star Wagon Train arrive.

Susan Cosby, David, Carmen, and Nancy of Tulsa, Oklahoma were at the morning worship services at the Methodist Church Sunday. We've enjoyed having Susan and her children often during the summer but suspect that they won't be here so often when the children start to school.

Speaking of school, the school at Hedley begins classes Monday, September 1. I'll have a rundown on the teachers and other information next week. They had pre-enrollment last week, and forgot to take by boys up enroll them. That might be another sign of old age. I'm sure they can go whenever they get enrolled.

The Emma and Tom Owens descendants met this past week for their annual family reunion. The activities started Saturday night with a cookout at the home of Berle and Linda Owens in Amarillo. Then Sunday everyone gathered at the Fleetwood Park for a bountiful lunch. After lunch, the afternoon was spent visiting, making pictures and playing volleyball.

Several of the families enjoyed the beautiful presentation of "Texas" in the Palo Duro Canyon after a lovely meal at the home of Linda and Gerry Frye on Monday night.

Then on Wednesday, we had a double celebration as it was T.E.'s birthday and the Lone Star Wagon Train was in Hedley. It brought back memories for Cassie and Julie Owens. Sue Owens had a lesson in shoeing a horse. Thursday lunch was at Otis and Ester Owens. To round

## SOME THINGS DESERVE TO BE DONE RIGHT

Some things deserve to be done right. Few people would doubt that building a super-highway, or a giant suspension bridge, or even a hundred story skyscraper requires both the best time and effort possible. Why then, is the federal government cutting corners in what is surely the most important long-term development this country is ever likely to undertake? Why is the Department of Energy not using the scientific resources at its disposal to locate the safest site possible for this nation's first high-level nuclear waste storage facility?

This is a question I have been asking for some time, and one for which I have yet to get a sufficient answer. I think this is a shame, because if there is any one project that needs to be done right, it is this one. The process of selecting a site for this nuclear waste dump, however, has blown up in the DOE's face, and deservedly so. Thus far, its behavior and actions have been characterized by incompetence, high-handedness, and condescension rather than the safety and sophistication necessary for the task. Safety, in fact, does not even ap-

pear to be a concern in the selection process any longer. By deciding to eliminate the Eastern U.S. (where a majority of the waste is generated) from its deliberations, the DOE may have eliminated safety from its deliberations as well. Following this formula, the DOE is saying it will choose the safest site in this country for a high-level nuclear waste repository, yet will only consider the Western U.S. in its selection process.

Examining the three finalists in the selection, DOE's lack of concern for safety becomes even more apparent. By its own selection methodology, the three sites chosen by DOE are not the safest available. If safety were a concern, any combination of finalists would include a site in Richton Dome, Mississippi. Combined with its previous decision, this indicates that the site DOE eventually chooses for the waste facility will not even be the safest in the Western U.S., let alone the whole country.

The American people, and especially those in the states involved, are entitled to believe that

the location of this nation's first nuclear waste repository is the best in terms of the nation's interests. The American people, however, have lost faith in the DOE. They have lost faith because the DOE has not been straight with them. It has based a critical selection process on politics rather than safety.

I am not making a backyard argument. I'm making a safety argument. Because I believe that when the DOE is talking about drilling two 12-foot-diameter shafts through the Ogallala aquifer that supplies about nine states with water, when so far they do not even have the technology to properly drill a 1-foot-diameter shaft, we have a right to raise some serious questions. We not only have a right to raise these questions, we have a responsibility to do so. To do otherwise would be to pass a horrible buck to generations yet unborn.

A bunch of badgers is known as a "cote".

There are six ways a batter can get on base without getting a hit in baseball: error, base on balls, catcher drops third strike, hit by pitch, fielder's choice and interference by catcher.

## Kids Klub to begin through Triple C

All kids between the ages of 7-12 take notice. A kids Klub will begin Monday, August 25 at Triple C Center, 101 E. 4th. It will start at 5 p.m. and be over by 6 p.m., every Monday and Thursday, twice a week. LaJuana Tucker and Elena Ramariz will be supervisors. If anyone wants to help with this project, please call 874-2315.

If we cannot put the truth of the Lord Jesus Christ into the minds of

our children is going to? This Kids Klub is going to be neat! Bible stories, singing, and learning about God and country, the values this country was based on, will be part of the agenda.

Parents are welcome to come along and see what their children are being taught.

Kids, there may be refreshments, prizes, and surprises!

**COOKING ORNER**

If you want to make Chinese food at home, it's very easy. Many stores sell traditional Chinese vegetables in cans. Just use a non-stick pan and a little bit of oil to stir fry vegetables and chicken breast cubes. Add a bit of soy sauce and hot red peppers for flavoring. In Chinese, *Ho* means "good" and *Lai* means "hot (spicy)". *Yee* means "hot (temperature)". *Ho Yee* or *Ho Lai*. Either way, you'll have yourself a good and spicy, hot meal.

Whether you're preparing Mexican or Chinese food at home, you'll want a beverage to complement these spicy cuisines. One beer with both a hearty Old World taste and a distinctive amber color is one of the top seven largest-selling imports in America. Dos Equis originated in Germany and was brought to Mexico by Wilhelm Haase, a German brewmaster who founded Cerveceria Moctezuma, S.A., which produces Dos Equis. Since Dos Equis was the first brew Haase produced in the 20th century, the beer's two red XXs on the label—that means 20 in Roman numerals—have become distinctive symbols for this popular beer, which is distributed in the U.S. by All Brand Importers, Inc.

Any filling meal should be followed by a subtle and light dessert. Some good ideas are sherbet, fresh fruit or perhaps just a cup or two of an international coffee. Cappuccino or Espresso, both Italian, make excellent after-dinner beverages. Irish or Turkish coffees are also excellent choices.

## Bullock releases state tax restructure

State Comptroller Bob Bullock released details of a plan to restructure Texas' major taxes with reduced rates on a broader tax base.

"The Texas tax system currently does not mirror the Texas economy and is in dire need of fair, uniform simplification," Bullock said.

Bullock's suggestions were included in a Special Financial Report, "Time of Change/Time of Choice," and amount to the first overhaul of the sales tax since it was adopted 25

years ago.

The centerpiece of the plan would put a lower tax rate on goods and virtually all services not currently taxed and put items taxed under separate laws—like the hotel occupancy tax—under the sales tax umbrella.

A series of calculations illustrating the tax concept shows that it could raise between \$926 million and \$4.8 billion in additional revenue in the 1988-89 biennium depending on which lower tax rate was adopted.

Bullock said the expanded sales tax base would also boost the income to cities and transit authorities by nearly \$1.5 billion in the 1988-89 budget period.

The proposal also reduces tax rates on motor vehicles sales, lowers oil and gas severance rates and taxes other minerals produced in Texas.

It also changes the make-up of the state's corporate franchise tax with its heavy—and some say archaic—reliance on assessments against

capital and surplus with a new formula that levies against corporate gross receipts at a dramatically-reduced rate.

Exemptions are suggested for small businesses from both the sales tax and corporate franchise tax. It would remove 110,000 current sales tax taxpayers with annual sales of less than \$5,000 and would exempt 113,000 small corporations with annual receipts of less than \$50,000. The plan would make it possible to

roll back sales tax rates to those of 15 years ago, produce additional revenue and give small taxpayers a break, Bullock said.

The proposal keeps exemptions for food for home consumption, agricultural items, prescribed medicine, doctors' bills, required medical devices and appliances.

Bullock said the proposal will lessen the impact of sales tax regressivity by lowering the rate and taxing sales of personal and professional services purchased by high-income households.

By spreading the sales-tax burden more fairly among all businesses, it will bring 234,000 new taxpayers into

the system, particularly service industries, which now employ a fourth of the state's workers.

### The Lion's Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Thirty-one members and guests were present. Following the regular opening ceremony, Lontamer Messer introduced Larry Gilbert, director of the Pampa Center of Clarendon College and several other guests. Boss Lion Simmons announced that Lion Todd Knorpp will be in charge of our annual pancake supper which will be held the night of the first home football game. He also announced that Lion Jim Shelton will be in charge of our annual ladies night anniversary banquet this year. Program chairman Donald Smith then introduced David Wiese, head of the business department at Clarendon College, who gave us some information on the various business courses being offered at the college.

### Bain Family reunion

The Bain Brothers, Bob, Jim, Tom and Henry, family reunion was held the weekend of August 9 and 10 at the Civic Center in Sunray, Texas.

This reunion was instigated when in 1980 part of the family gathered to celebrate George Bain's 80th birthday. Over the past six years other members of the families were invited to the birthday celebration because there were several other members who celebrated birthdays in this two or three month span of the year. As a result it has now grown to a full family reunion, now celebrated annually on the second weekend of August at the Civic Center in Sunray, Texas.

There were ninety-eight registered guests Saturday August 9th to enjoy an outstanding buffet lunch. The majority of the guests and family returned for the Sunday lunch and visitation. A very good time was had by all present.

Those present this year were: Johnny Bain and wife from near Palasca, Texas; W. and Florence (Bain) Higdon from San Antonio; Mary Helen Bain Boston from Pampa; J.L. and Marylynn Bain from Fresno, California; Woodrow and Beas Bain from Rocksprings; Viola Bain Howell from Seymour; Otha Bain and children Keith, Theresa, Re, and Vera and their families from various points; George and Corky Bain for Logan, New Mexico; Otho Bain and wife from Albuquerque, New Mexico; Otho's 3 daughters and their families; Bill Bain from Dumas; Gene and Helen Bain and children of Dumas; Myrtle Ruth Bain and children from Dumas; Jack and Thoramae Bain and children of Dumas; Joe Ray and Norma Bain and children from the state of Colorado; Garland and Winnie Bain from Runge; Lewis and Maxine Bain from the Corpus area;

Gertrude Bain Carnes of Dumas; Ronnie and Pat Carnes and Clydene Carnes of Dumas; Peggy Carnes Hall and son from Amarillo; Thelma Bain Hall of Clarendon; T.E. and Faye Naylor from Clarendon; Duane and Mae Naylor of Crowell; Gerald and Linda (Naylor) Frye and children Tara, Jamie, and Blake from Amarillo.

Hope to see everyone again next year.

### Martin Reunion

Saturday, August 9 was a special day for many ex-Martinites. Approximately 75 people gathered for a reunion at the Lions Hall. Each person who attended contributed to an enjoyable time. A few attended the reunion for the first time. Others have been here for every reunion. Some traveled a great distance, other came a few miles or blocks. Jimmy Goodman traveled the most miles from Springfield, Mass. Several came from California.

Lucille Polk Naylor from Hereford added excitement by being there. This was a special treat, especially for the ones of us whom she taught many years ago. She has either held many of us on her lap or turned some of us across her lap. It was nice seeing her again.

Some of the ex-Ashtola people requested that the Ashtola reunion be combined with this one. Most everyone agreed. We decided to have the reunion about the same time next year. If we have your

mailing address, you will receive a reminder during early summer. So plan your vacation time now with this in mind. Also if anyone would like to have a name and address added to our mailing list, let some of us here

in Clarendon know about it.

Several pictures were taken during the day. No one can remember who took whose picture. If you took a picture that turned out well that some of us would like a copy of, let

some of us know or bring the pictures with you next year.

We missed all of you who were unable to attend. You can be sure that your name was mentioned some time during the day.

### ESSENTIALS FOR AN EFFECTIVE SCHOOL

According to the U.S. National Institute of Education, there are five critical characteristics that distinguish a good school from a second-rate school. Students learn best and achieve more, the Institute reports, when the school has--

1. HIGH EXPECTATIONS - students must be challenged and encouraged; teachers must set high standards of achievement and behavior.
2. STRONG LEADERSHIP - the principal and/or administrator must be men of vision who are capable of conceiving and implementing improvements in curriculum, methods, and facilities.
3. EMPHASIS ON INSTRUCTION - basic skills must be stressed and frills eliminated; learning

tasks must require student effort and involve a substantial part of each day; homework must be a regular requirement.

4. FIRM DISCIPLINE - the climate must enhance learning, not disrupt or distract it; there must be safety and freedom from violence and vandalism; disruptive behavior must not be tolerated.
5. TESTING - student performance and achievement must be continually and consistently evaluated.

These five essentials are heavily stressed in Christian Education. Christian education is dedicated to the return of such basics to education. In addition, Christian schools add a sixth essential; the moral and spiritual development of the student.

**Prayer Seminar**

Frank Hammond, noted author of "Figs in the Parlor" and "God Warns America Arise, OK, Church" will be in Hollis, OK at the Civic Center August 29th and 30th.

Frank was called of God to be a pastor when he was 26 years of age. In preparation for the ministry he completed his degrees at Baylor University and Southwestern Baptist Theological Seminary.

After twenty years in pastoral ministry, Frank became hungry for personal revival, and for the next six

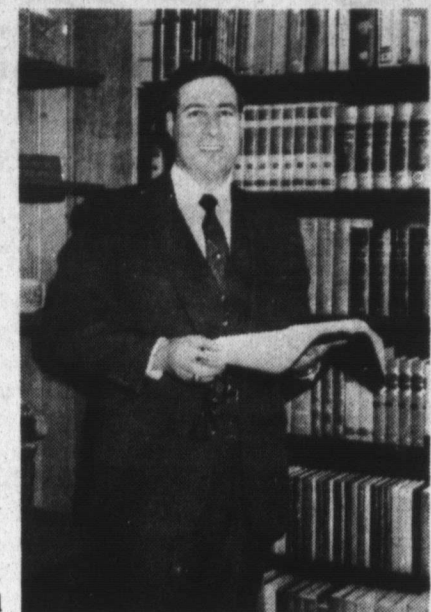

years, Frank says, "I was in the school of the Holy Spirit. He taught me the principles of spiritual warfare and deliverance." During this time he wrote a book which became a best seller. It is a practical guide to the ministry of deliverance titled "Figs in the Parlor."

The Hammonds have ministered throughout the United States into Canada, Europe, behind the Iron Curtain and into South America.

Frank and his wife also conduct family seminars. Their ministry is called "The Childrens Bread," which is an outreach of the new covenant church, Plainview, Texas.

Services begin Friday at 7 p.m., Saturday 10 a.m. and Saturday at 7 p.m.

**From The PEN of PASTOR PINION**

"THE FRUIT OF THE SPIRIT IS JOY"

Often we sing, "I've got the joy, joy, joy, down in my heart..." but you could not prove it by the expression we have on our face. Then we feel guilty because we know we should have joy but we do not feel joyous. The problem is that we often

confuse joy with happiness and they are not necessarily the same thing.

The greek word translated joy in Galatians 5:22 can mean cheerfulness but the governing thought is actually a "calm delight." That is a true spiritual joy of the heart. That is the joy that even in the face of trial we still experience that "calm delight" that God is at work and that He does all things well. True joy does not concentrate on the temporal pleasures of this life. Those temporal things may bring pleasure for a season but may quickly fade and perish. True spiritual joy focuses in

the eternal possession we receive as children of God. This focus on the eternal will help us keep our perspective when problems come because all the trials of this life are but for a moment while heaven is forever.

This calm delight is not a product of the workings of the flesh but is the result of totally yielding to the Holy Spirit. Nehemiah said, "the joy of the Lord is your strength." The reason so many believers have no strength is because they have allowed the world to steal their joy through bitterness and sin.

In order to maintain joy we must do three things. We must follow His commandments or in other words do right. We must follow His will and thereby be right. And finally we must follow His wisdom and lean not in our own understanding and by this we think right. In this way we will maintain our joyful spirit in spite of finances, health problems and disappointment.

Not every situation in life will be a happy situation but by allowing the Spirit to control our heart, we will be able to rejoice even in the bad times. Paul said, "Rejoice in the Lord" and there we will find joy.

**"LENNY"**

Lubbock -- This is the story of Lenny. In some ways, Lenny was unique. Special. In other ways, he could have been anyone.

Like most boys his age, Lenny experienced the painful transition of adolescence. His passion was sports, but through his early teens he was a terrible athlete. He stood 6-3 at age 13, and his feet tended to stay confused. He would trip and fall during basketball games. He couldn't dribble, couldn't even catch a pass from a teammate. His shots were thrown at the basket with the grace and touch of a wrecking ball. His junior high coach cut Lenny from the team his eighth grade year, and he walked home crying. He was devastated.

Lenny didn't know at that time his best days lay ahead. In the next years he became acquainted with weight training and running. He began building his legs and upper body into masses of strength. He kept playing basketball, and eventually learned to handle the ball rather well. His shots became soft, deadly accurate from outside. Not only could Lenny jump, but he could dunk the ball with authority. His high school team won the state championship, and Lenny was a hot property. College basketball beckoned, and Lenny answered the call.

Lenny chose a college close to home, a decision that delighted his family and friends. The family knew the coach at this college, and Lenny looked up to the man as a father figure. In his first year at college, Lenny quickly became a popular man on campus. He played on the varsity his first year as well, and everything seemed to be in order.

Lenny's only drawback, it seemed, was his choice of friends. You see, he liked to hang out with some seedy characters. A lot of them like to do drugs and drink excessively. But Lenny wouldn't indulge. His coach and parents lectured him about hanging around these types of people, but Lenny still did it. His friends occasionally tempted Lenny, but he'd never give in.

"C'mon, Lenny," they'd say. "Give it a try. It's fun, Lenny, plus it'll wear off by Saturday, and that's when the game is anyway!"

Lenny just laughed. He didn't need drugs, and he didn't use them. Too much to risk. Too much at stake. Four years went by fast for young Lenny. With each passing season, he got better and better. His senior year he was named to almost every All-America team there was. Sportswriters and coaches across the nation called him the greatest athlete in college basketball. Lenny was never comfortable with such praise. He'd only smile bashfully at such talk. His goals weren't complete until he signed a professional contract and made the grade in the NBA. Maybe then he could relax a little.

When the National Basketball Association held its player draft, Lenny was among the first players selected. The world champion Celtics were the team, and Lenny was their man. His dream had come true...for the time being.

A couple of nights later, Lenny was out with his friends again. The atmosphere was festive, and eventually his friends tempted him again.

"How 'bout a little of this stuff, Lenny?" they said. "C'mon, man, let's celebrate!"

The lure of it must have been too much this time. "Just once," he must have thought. "Why not...it'll wear off by Saturday. I'm a

professional basketball player now... my life ahead of me." So Lenny did it. He snorted the white powder into his nostrils. The next morning he was dead. Dead of something they called "Cocaine Intoxication."

Lenny had a lot going for him: Talent, his health, a chance, and a future. In a way, I guess he was special. Then, again, in other ways he could have been anyone.

**NOTICE**

Donley County Hospital District will use the following rules and procedures to comply with its responsibility under the indigent health care and treatment act for residents of Donley County.

Applications can be requested from the administrators office at Medical Center or by writing the Donley County Hospital District, P.O. Box 1007, Clarendon, Texas

79226. Assistance in completing the application will be provided if needed. If for some reason you do not qualify, there could be other programs available to meet your need. This information will also be available at the administrators office.

Donley County Hospital District will use rules and procedures already in use for determining eligibility for indigent health care. In summary, these are the rules:

1. Application forms must be completely filled out.
2. Verification of income, termination of income, residence, household composition, and resources is required, if questionable.
3. Monthly adjusted income for 80 percent assistance is \$99.99 for one person. Add \$25.00 for each additional family member. Partial assistance is available in accordance with a higher income table.
4. Liquid resource assets cannot exceed \$5000. Personal property and homestead are exempt assets.
5. Higher liquid resource assets and income may be accepted in special circumstances.
6. Eligible persons must be a resident of Donley County.
7. Applicants must provide all requested information and documentation requested or applications will be denied.
8. Applicants have the right to appeal adverse decisions.
