## July 4th Activities

Early history indicates that Clarendon celebrated its first July 4th back in 1878. They had a rodeo, horse racing and a picnic with a lot of patriotic speeches. Hundreds of thousands of citizens have helped Clarendon celebrate this holiday since that time.

In years past, when the ranchers of the area provided free barbecue, old-timers state that as many as 10,000 have been fed. Eleven years ago the Al Morrah Shrine Club undertook the task of providing the barbecue. They did this only after the ranchers decided it was too expensive to continue the free barbecue. The Al Morrah Shrine Club raises this money to help the Shriners Crippled Childrens Hospitals and Burn Institutes. Unlike a lot of fundraising efforts, where as much as 25 to 50 percent of the money goes for administrative distribution, the Shriners give approximately 98 percent of all the money raised from the July 4th celebration to help these children.

This year the weather was beautiful and there was enough wind to keep you cool in the shade. One hundred eleven signed the Old timers registration book. Mrs. O.C. Watson was the oldest citizen to register. She was the first baby girl born in Clarendon after it moved to the railroad. She has lived in Clarendon 97 years.

J.F. Cannon from Crowell received the gift for having the most children and Jim and Hazen Guy traveled from Holbrooke, Arizona to get the honor of having traveled the longest distance to attend the reunion.

Ray David won first place in the

fiddling contest. He received \$150 from the First Bank & Trust of Clarendon and a silver platter from Price Super Save Station. Gary Williams took second place, and he received \$100.00 from Deyhle Veterinary Clinic. Merle David took home the \$75.00 for third place provided by Frank Derrick. Fourth place money of \$50 went to Bartow Riley. This money was provided by Donley County State Bank.

Miller and ushering duties were handled by David Word, Tim Word, Mark Grigsby and Wes Grigsby.

Prerecorded music was presented prior to the ceremony. The service selections included "All In His Own Sweet Time" sung by vocalist, Penny Pennington; "The Lord's Prayer" arranged by Charlotte I. Word and sung by Billy alley, vocalist; along with the bride's own vocal presentation of "And On This Day" during the unity candle lighting service. Organist, Mrs. Ann Root, provided accompaniment for selections.

Flower girl was Lauren Swercinski of Gladstone, Mo. and the ring bearer was Brandon Word of Canyon.

Matron of honor was Ms. Cindy Ramsey and bridesmaids included Kelli Campbell of Amarillo, Jeanna Fulton of Dallas, Tammy Schneider-jan of Bushland and Robin Wright of Canyon. They wore matching raspberry colored floor length moire taffeta gowns with fitted princess-styled bodices. The ruffled necklines extended into rosettes and gowns were completed with a flared dirndl skirt with front princess styling. Each attendant carried a single rubrum lily bloom with English ivy garlands, babies breath and ribbons.

Michael Miller, brother of the bridegroom, served as best man. Groomsmen were Mark Grigsby of Amarillo, Wes Grigsby of Honda, N.M., Gerald Smith of Amarillo and Michael Word of Canyon, the bride's brother. They wore grey sharkskin tuxedos with white sing-tipped shirts and matching accessories.

The bridegroom wore a grey

sharkskin tuxedo with tails, a white wing-tipped shirt and matching accessories. His boutonniere was a cluster of three stephanotis.

Presenting the bride in marriage was her grandfather, Judge W.R. Christal. She wore a white shimmer satin wedding gown with Sabrina neckline heavily beaded and draped to a point in Queen Victoria styling.

The sweetheart shaped bodice was designed with brocade and jeweled with pearls and sequins. The waist was gathered and draped to a tight fitting point and the backwaist plunge was accented with a runner of satin and accented with pearls atop the bridal illusion. The sleeves were French pouf beaded and embroidered venice lace. European laces, edged into the shimmer satin wedding train, with cathedral points at the end of the Queen's crest peaks. Sosabella cut-work laces of embroidered roses and petals decorated the full length court cathedral train. Her cathedral length silk illusion veil was held to a Juliet cap, beaded with pearls and sequins, and she carried a cascade bouquet arranged of rubrum lilies, white lilies and stephanotis with ivy garland accents and babies breath wisps.

Raspberry moire taffeta, overlaid with lace, covered the wedding table at the reception following in the church's parlor. A silver punchbowl and floral centerpiece complemented the traditional wedding cake, decorated with fresh flowers, which was served by Lynne Ann Word and Dawn Word.

The groom's table was laid with matching lace atop raspberry moire taffeta and displayed a double-ring

cake topped with two doves. The table was accented with a silver coffee service and five-branch sterling silver candelabra as Marilyn Miller and Susan Word served guests.

Residence for the newlyweds will be at 4711 Virginia Street, Apt. 1107, Amarillo.

### Susan Thompson Compete in NCAA Division National Track Meet

Susan was one of only 16 triple jumpers and 17 long jumpers to qualify nationwide for the NCAA Division II Track Meet. To qualify you had to jump at least 19 feet, 2 1/4 inches in the long jump and 39 feet, 1/2 inch in the triple jump in competition during the year.

Susan, along with 11 other Abilene Christian Lady Wildcats, went to Los Angeles, California to defend their national title. They had won the title in 1985 by only 3 points. This year they enjoyed a lead most of the 4 days of competition and repeated as champions by 19 1/2 points.

The ACU men were also successful in defending their title. They have won 5 straight Division II National Championships. This year they outscored their closest opponent by 82 points.

Last year was the first time the men and women from the same university won a National Championship. This year made two in a row - a feat that will be hard to beat! Susan is a Senior Physical Educa-

**Letter to Editor**

Dear Helen:  
Just "gotta" let you folks back home know that we celebrated our 50th wedding anniversary this past weekend at Kimberling City, Mo. Why there? Because that's the vicinity in which we enjoyed our honeymoon 50 years ago. My brother and wife, sisters and spouses, 2 cousins, our 2 daughters and 1 son-in-law and of course our 2 granddaughters helped us celebrate. Joe and I were married in Tulsa, Oklahoma on Saturday, June 13th, 1936. Have lived in Howardwick since July 1972 after having lived in Pampa from June 1940 until moving to Howardwick.

See you -  
Joe L. and Margaret E. Wells

Helen:  
Just another note to tell you what a great feeling it was to proudly lead the Wagon Train parade down the streets of Clarendon. Without yours and Pat's help and cooperation it would not have been possible. It was an event that I and my family will long remember. Thanks again for your cooperation.

My wife, Margaret, and I have visited several sites, ie Lewisville, Irvin, and Richland Hills and I can tell you outside of Irvin, which is headquarters for the Wagon Train, Clarendon's reception was top. Maybe that opinion could be a little bias, but to me it was the best.

Sincerely  
Roy L. Morrow

**Texas Veterans Land Board Action Triples Texas Veterans Benefits**

A recent decision by the Texas Veterans Land Board to allow multiple participation in all three Texas Veterans benefits programs has dramatically increased the value of special benefits available only to Texas Veterans from \$20,000 to \$55,000.

By a unanimous vote, the board voted to adopt recent recommendations of the Sunset Commission and the Texas Legislature to change the current program guidelines so that, instead of participation being limited to just one of the three Texas Veterans loan programs, an eligible Texas Veteran can now participate in all three. The multiple eligibility change will be in effect during a four-month test period that began on June 17.

The board also acted to reduce the minimum acreage required to get a Texas Veterans Land Program loan from 10 acres to five acres.

"Reducing the acreage requirement from 10 acres to five will make it easier for more Texas Veterans to buy quality land close to the urban areas where they live," said Texas Land Commissioner Garry Mauro.

In addition, Mauro said that allowing Texas Veterans to participate in all three Texas Veterans programs will greatly increase the state benefits now available to Texas Veterans.

"This means Texas Veterans can now get a \$20,000 loan to buy a house and get a \$20,000 loan to buy land and get a \$15,000 home improvement loan to make repairs to their residence," said Mauro, who serves as Chairman of the Texas Veterans Land Board.

"I want to urge every Texas Vet who've always wanted to use more than one of our fine programs to act within this four-month period," Mauro said.

"In the past Texas Veterans were limited to only one loan with the Texas Veterans Land Board," said Carlton Bell, Deputy Commissioner for the Texas Veterans Land Board. Bell explained that during the next four months, however, a Texas Veteran who has already received one loan will be eligible to apply for a loan from one or both of the remaining programs as well. For example, a Veteran who had already received a Texas Veterans land loan could now apply for a Texas Veterans Housing loan or a Texas Veterans home improvement loan.

Bell stressed that at the end of the four-month test period, the board will study the effects of multiple participation and will make a decision at that time on whether to make this change permanent.

The Texas Veterans Land Program offers eligible Texas Veterans a \$20,000 loan at 8.75 percent to purchase a minimum of five acres.

The Texas Veterans Housing Assistance Program offers eligible Texas Veterans a \$20,000 loan at 9.5 percent to apply to the purchase of a home.

The newly-created Texas Veterans Home Improvement Loan Program makes available \$15,000 loans at 11.5 percent to make substantial repairs to a Veteran's residence.

The programs are financed through the sale of general obligation bonds at no cost to the taxpayer. The bonds are repaid by fees charged to Texas Veterans receiving loans through the program.

To find out how to participate in these programs, Veterans can call toll free 1-800-252-VETS for assistance.

# Watt's Happening in Hedley

by Peggy Watt

Charlie and Eunice Johnson of White Deer and Bo and Ruth Noble of Dumas came recently and went with Walter Johnson to Pauls Valley, Oklahoma to a school reunion. They visited with friends and relatives there.

Virgil McPherson and Haskell Phelps attended the horse races at Ruidoso Downs, New Mexico last week. Virgil told me he didn't lose all his money.

Lori Ann Yannis of Memphis is visiting with us. She attended the Saints Roost Celebration in Clarendon with us. Fred always helps with the beans at the Shrine barbecue. He and Billy Powell, and Bob McCombs have cooked beans all over Clarendon. I don't think they've cooked them in the same place twice. Billy is always worried that they won't get done. One helper told him Friday if they didn't get done, they could go to Gibson's and get some pork and beans and nobody would know the difference. There were several Hedley people at the Saints Roost celebration. There I visited with Buford and Gerry Holland.

Gerry's sister, Drucilla McBrayer and her friend Vera Paxton of Fort Worth were with them. Pick and Laqueta Cox and Carl enjoyed their lunch, and I saw Virgil McPherson and his daughter Carolyn Kirkland and granddaughter Debbie. Connie and Mahdeene Debord and Slat and Peggy Debord were at the celebration. E.P. Doherty was there with his granddaughter Melinda Huey and Chris. Melinda looks like a little girl playing at being grown-up. She's such a tiny little thing. Chris is almost as big as she is and is only 6 years old. That doesn't seem possible. I visited with Della Linville. Martha Hill had Jeff and Lori with her. They live at Ralls. Jeff was in Su-San's class at school. He was always a nice friendly boy. J.T. and Helen Lamberson were at the celebration. Helen was having fun. J.T. ain't as active as she is anymore and seemed to enjoy sitting in the shade visiting with whoever passed. We visited with Walter Johnson after lunch. He was waiting for the old fiddler's contest to start.

I'm not sure there could be a celebration without P.A. He was watching Matt Martin having a good time. Sis Martin and Kendra were there, but Kendra isn't as active as Matt. In fact, I don't know of any kid that's as active as Matt. Blackie and Shirley Johnson were there. Blackie is a past president of the Clarendon Outdoor Entertainment Association. I visited with Clyde Stone for a while. He was sitting in the shade watching the people go by. He told me he moved his chair as the shade moved. Clyde and Mildred Hoggard enjoyed the old fiddlers contest. There were several people who attended the rodeo and dance that I didn't get to see. Sharon and Earl Wheatly were at the rodeo. Andy was in the team roping. At the end of the roping Friday night, Andy and Junior Crump were in third place, but I understand they lost out Saturday night. I'm not sure of that. Our kids went to the dance one night or another. Leon told me there was a big crowd.

I enjoyed a short visit with Congressman Beau Boulter after the

parade Friday. He and Ernie were visiting with the people on the street. They missed lunch. I told Ernie it wouldn't hurt him to miss a meal, but Beau looked like he needed to make up some meals. Beau had a meeting in Pampa later, but Ernie came back to Hedley and visited with his parents, Johnny and Della Linville.

Bill and Carolyn Jones of Pampa were at church Sunday morning with her aunt, Myrtle Reeves. Betty Hix of Amarillo was with Helen Lamberson. J.T. Lamberson Jr. visited his parents, J.T. and Helen during the weekend. He's working in Vernon now. Coleen wasn't with him this time. She is home in Houston.

Tommy Wayne and Carolyn Clendennen and Benjamin of Amarillo visited with his parents, Tom and Opal Saturday. Tommy had dinner that night with Leon and Linda. Opal minded Benjamin while his parents visited around.

Carroll and Marsha Favor of Childress and Alice Paschall of Amarillo visited their parents, Ed and Ethel Favor Sunday.

Ray and Sue Pinkerton and Chad of Dallas spent the holiday with her parents, Red and Dean Hill. Sue and Ray attended the class reunion at Clarendon for the class of '66. Mandy has been with Red and Dean and will return home with her parents.

Clay Houdashell of Amarillo is back with his Hedley grandparents, Johnny and Della Linville always enjoy having him.

Mrs. Nora Hartwell had all her children, grandchildren, and her great grandchild home Sunday. James and Nonie Hartwell and Leroy and Opal Hartwell of Amarillo were their along with Phillip and Arletta Cobb, and Shawn and Shane and Tina Cobb and Randall of Wellington.

Melissa Beasley and Benjamin and Alice Melissa visited with her grandparents Clyde and Mildred Hoggard Thursday night. They attended the celebration in Clarendon, Friday. Melissa met her sister, Jody Wigginton, there and returned home with her. Tim and Jody Wigginton are in the process of moving from Brice to Wellington. Tim will be with the sheriff's department or with the city police.

Ruby McKee had most of her children home during the holiday. Those joining M.O. and Sue Weatherly were Bill and Anna Belle McKee of Houston, O'Dell and Mattie Nivens of Quinlin, Dean and Betty Jo Hedgecoake of Norse, Pam McKee of Tacom, Washington, J.C. and Helen Upton and Casey, Danny and Cindy Horton and Helen Marie of Amarillo and Gary and Nancy Weatherly Scott and Curtis of Colorado Springs, Colorado. Ruby had a painful fall a few days ago. She told me she had bruises in places she didn't know she had places. Pam will be staying with her for a few days.

Bud and Elise Bennett of Oklahoma City spent a few days with her mother, Mrs. Gladys Howell. They returned home Sunday afternoon.

Etta Mae Cherry is home after an extended vacation visiting her children. James and LaNell Barnett of Vernon came for her and took her to their home first. From there they went to Wichita Falls to visit Paul and Cherry Hernandez. Then they went to Mount Vernon and visited with her sister-in-law, Allie Stinson and her family. They also visited with other relatives there. Next they went to Burnet to the home of her eldest son, Glyndon and Bonnie Cherry. While there the Cherrys celebrated their 40th wedding anniversary. Among those enjoying the celebration were Bonnie's parents, Jack and Hazel Edens of Clarendon, Aubrey and Francis Cherry of El Paso, Royce and Sis Crisler of Midland, Mikey Cherry and his sister Paula of Plano, Scott and Vickie Smith of Austin, and her sister Kathy of Ohio. Etta Mae then went to Midland and visited with Royce and Sis Crisler and their son Lanny. Lanny lives in El Paso but works in Midland. She returned home Saturday. When I talked to her, she told me she had to go to the doctor in Amarillo later this week. She expects to have to take some more chemotherapy treatments. If so, she will be staying in Canyon with her granddaughter, Larry and Teresa Carter during the treatments.

Stuart Messer of Wichita, Kansas is spending a few days with his parents, Doyle and Evelyn Messer, and brother, Lyndon. Mrs. Lute Messer joined the family for lunch Sunday. Stuart's wife, Amy, wasn't able to come at this time. She's an attorney and had an important case coming up this week.

My nephew, Steven Mullins, celebrated a very important birthday recently. He was 16 years old. I was afraid to ask him how he celebrated. Someone asked him if he was 16 and

never been kissed. He told them he'd been kissed 'till the world looked level.

Mrs. Cassie Owens enjoyed some unexpected company recently. Her brother-in-law, Henry and Nora Owens of Amarillo and nephew Jack Owens and Kelly of Las Vegas, Nevada surprised her. Her son, Jimmy Owens of Amarillo brought them and they enjoyed riding around and looking at the crops and seeing the country. They lunched at Big Moms Saturday. Joe Wayne Wood, Jody, Wesley, and Brandon of Panhandle and Maurice Myres of Amarillo visited with Flossie Wood and Jane during the weekend. I haven't seen Maurice in several years. I wonder if he remembers the time he borrowed my car. He was in high school at the time and didn't have a car of his own. I understand the boys had a quarter mile measured off out on the McLean highway. Some of the cars around were fast!

Doug and Martha Lowe of Fort Worth, David Lowe, Charles and Debbie Lowe and Brandon spent the holiday with her parents, Alfred and Eloise Spalding. Doug, Charles, David and Jack Stafford attended the rodeo Friday night.

Rodney Hargrove and Pat Stephens of Amarillo visited his grandmother, Mrs. Lila Wiggins Saturday. Nookie and Geraldine Wiggins found them for homemade ice cream and cake.

Nookie took Geraldine to Amarillo to see the doctor Monday. It is a routine check-up and she expects to get only a usual report.

Sis Martin told me that her grandfather, Walter Johnson was taken to Hall County Hospital Sunday. I don't know what's wrong with him or if it's serious, but don't think he'd go to the doctor if he wasn't really sick. Claude Spivey stopped by and told me he was on his way down to the hospital to see about him. Fred is down there as I write this. He'll find out and I'll let everyone know.

Doyle and Evelyn Messer was in Oluste, Oklahoma last week for the annual Shrine Club project was Travis Fancher. He died there suddenly, Sunday. Funeral services were held at the Oluste United Methodist Church Wednesday.

## Flea Market to Go Begin July 19 in McLean

The first City of McLean Flea Market - Arts and Crafts Sale begins promptly at 9 a.m. Saturday, July 19, according to Sam Green, coordinator of the project for the City. "We have all kinds of arts, crafts, baked goods, and other flea market items for sale," she said. The Flea Market is scheduled for Saturday from 9 a.m. to 6 p.m., and Sunday from 1 p.m. to 6 p.m. in the factory building in McLean.

"The building is large enough to give us plenty of room for displays," Mrs. Green said, "and also give us a

nice, cool place for people to browse and shop."

In conjunction with the Flea Market, the merchants of McLean are planning a Christmas in July Sale in most businesses on Main Street.

"If we get good response from this flea market," Mrs. Green said "we are planning to have the sale every month in the factory building." The 25,000 square foot building was formerly the home of Marie Foundations, Mrs. Green said.

The flea market is sponsored by the City of McLean.

## Unemployment Tax Coverage Expanded by 69th Legislature

The Texas Employment Commission has advised the farmers and ranchers of Texas of a dramatic increase in the number of farms and ranches that will be required to pay State Unemployment Tax on their employees.

The revisions to the Texas Unemployment Compensation Act were made by House Bill 32 which was passed in the latest session of the Texas Legislature. Prior to January 1, 1986, only agricultural employers who paid their employees a total of \$20,000.00 in a calendar quarter or those who had ten or more employees in twenty different weeks during a calendar year were required to pay unemployment tax. The new legislation lowered both the amount of wages and the number of employees required.

The passage of House Bill 32 lowered the wage criteria to \$7,500 for 1986 and \$6,250 for 1987. It also lowered the employment criteria from 10 to 4 for 1986 and to 3 for 1987. Texas farmers and ranchers who met the respective requirements in the prior year must begin to pay the tax.

In addition to lowering the wage and employment criteria, unemployment tax is now levied on farmers and ranchers who employ migrant and seasonal workers, regardless of wage or employment criteria. Migrant farm and ranch workers are now covered by Unemployment Insurance and their earnings must be reported to TEC. Seasonal farm and ranch workers who work on a truck

farm, orchard or vineyard or who work for farmers or ranchers who employ migrants at the same time, same location and do the same work as migrants must also be reported.

Finally, under the new legislation, if a labor agent or crew leader provides workers to a farmer or rancher, for purposes of paying the tax the labor agent is the employer and must report wages to TEC. Also, the labor agent must present evidence to the farmer or rancher that he pays the tax. Ultimately, however, if the tax is due from the labor agent or crew leader is not paid, the farmer is responsible for that tax.

Total wages paid to workers in covered categories must be reported on or before the last day of the month following the end of the quarter, so the report for the first quarter of 1986 is due before April 30, 1986. The TEC advises liable farmers and ranchers to contact them as soon as possible, if they have not received a TEC account number, to avoid paying penalties.

TEC advises that farmers or ranchers can contact any of the field tax representatives stationed across Texas or may contact the Status Section of the Tax Department at: Texas Employment Commission, Tax Department, Status Section, Austin, TX 78778.

The following chart illustrates which farm and ranch workers are covered by the new Unemployment Compensation laws.

Type Worker	No wage Criteria	(4 for 20 or \$7,500 (1986))	Performed on truck Farm, Orchard, Vineyard	Work with Migrants

## FmHA Guaranteed Operating Loans Doubled in Texas

The Department of Agriculture's Farmers Home Administration in Texas has made twice the number of guaranteed operating loans this year as it did at this time last year, according to FmHA, Texas State Director, J. Lynn Futch.

As of June 4, FmHA had guaran-

teed 11,024 operating loans totaling \$1 billion during fiscal 1986. At the same time in fiscal 1985, FmHA had made 5,951 guaranteed loans amounting to \$675 million. Texas has made 386 guaranteed loans for \$50 million. At the same time in fiscal year 1985, Texas had made 171

guaranteed loans for \$25 million.

"After a somewhat slow start," Futch said, "banks and other private sector lending institutions are participating to a greater extent with FmHA in providing farm operating credit to farmers who need special help."

"For the first time, direct farm operating loan funds have been exhausted in the states," he said. Additional requests for operating credit in Texas will have to be met through guaranteed loans."

As an example of the "new spirit of cooperation," Futch noted that in just three weeks since the announcement of Operation Assist, private lenders have accepted 232 FmHA loan guarantees nationwide for \$17.9 million. Under Operation Assist, FmHA County Supervisors complete paperwork for farm credit applicants and take them to a private lender to try to work out an FmHA guaranteed loan. If the private lender makes the loan, FmHA agrees to reimburse the lender up to 90 percent of any loss which may occur.

The Interest Buy Down program, authorized in the 1985 farm bill, already has resulted in 819 loans for \$83 million nationwide. Under the interest buy down, FmHA will match a reduction in interest rates by a bank of up to two points. That agreement can result in a reduction of up to 4 points for the farmers.

The Approved Lender program had attracted 1,300 banks as of April 30. An approved lender is a bank or other lending institution whose forms and paperwork have been approved by FmHA in advance. Guarantee requests from approved lenders are given high priority by the agency.

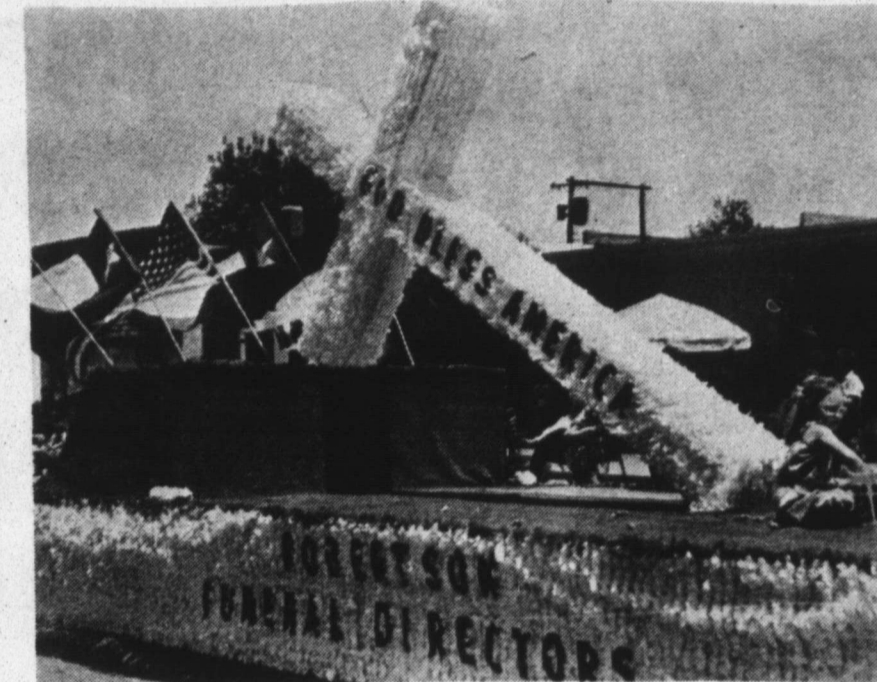

"Private sector lenders have accepted the new FmHA programs designed to help as many efficient farmers as possible to stay in business," Futch said. "The word is out that the Federal Government can no longer afford to meet all the demand for operating funds from farmers who are facing financial difficulty. From now on, that's a shared responsibility of both the private and public sectors."

## Rich Reunion

The Rich Reunion was held 20 miles from Durango at beautiful Vallecito Lake in the mountains of Colorado. James, Rava, Edward, Connie, Michael and Traci McKinney and Claris Leffew went from Clarendon. Also attending the reunion were Finice, Neva Dyer, Brent, Kem and baby Dyer, Shane, Shelly and Tanner Dyer, Kathleen Braddock, all from Pampa; Marie Olovido, Debby and Keelsey Powders, all from Woodward, Oklahoma; Richard and Betty Cooke from Santa Maria, CA; Johnny and Toni Rich, Cinda, and Donnie, Lillian and Taylor McBeth, all from Lovington, N.M.; George, Shirley, Charolett and Sara Rich, James, Christie, Justin and Britan all from Albuquerque, N.M. We all enjoyed fishing, horseback riding, arts and crafts fair, shopping in Durango, train rides from Durango to Silverton, ratt rides down the Colorado River, bingo, the cowboy chuck wagon dinner and music show, the party boat tour, the Alpine slide and hamburger cookout. The McKinneys parked at the Vallecito RV Park next to L.L. and Mary Wallace. We enjoyed visiting with them. We spent the night in Santa Fe. There, Connie and Edward's friends from Santa Fe visited them, John, Lisa and Michael from Santa Fe. Rava, Connie and Claris Leffew visited the Loretta Academy of Santa Fe. Everyone had a good time.

Don't use rubber gloves when polishing silver and don't store silver with rubber bands. Rubber darkens silver.

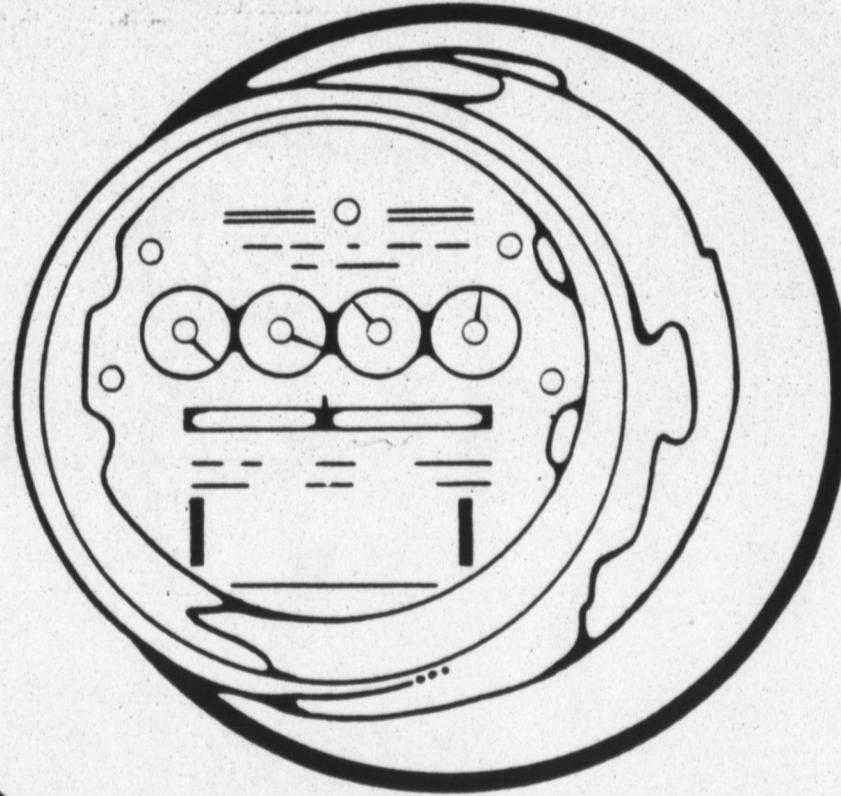

ROBERTSON'S FUNERAL DIRECTORS float entry in parade.

To clean a glass decanter, chop a large potato into small pieces. Put into the decanter with some warm water and shake rapidly.

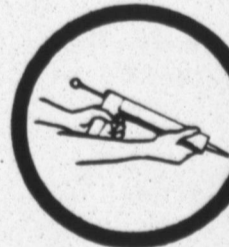

"A man's delight in looking forward to and hoping for some particular satisfaction is a part of the pleasure flowing out of it, enjoyed in advance." Arthur Schopenhauer

## HELP SLOW YOUR ELECTRIC METER DOWN THIS SUMMER.

Set Your Thermostat at 78° or Higher.

The recommended thermostat setting for summer cooling is 78° or higher. Portable fans or ceiling fans can help you feel comfortable at higher thermostat settings. Don't forget to turn fans off when you leave the room.

Tightly Seal Air Leaks in Your Home.

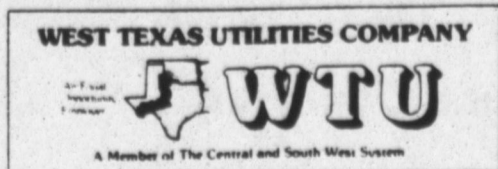

Make sure all cracks around windows, doors, pipes and wiring are tightly sealed with proper caulking and weatherstripping. Also, R-30 insulation in the ceiling, and R-16 insulation in the walls is recommended to adequately insulate your home.

Check Your Filter Regularly.

A dirty filter could keep your air conditioning system from operating as efficiently as possible. Clean permanent filters according to manufacturer's instructions, and replace non-permanent filters.

For more information on how to help slow your electric meter down this summer, call your local WTU office.
