Funeral services for Dorothy Patricia "Patty" Craft

Funeral services for Mrs. Dorothy Patricia "Patty" Craft, age 57, were held at 2:00 p.m. on Tuesday, January 13, 1987 in St. John the Baptist Episcopal Church in Clarendon with the Rt. Rev. George Quarterman and Rev. Carl Edward Creswell, officiating. Interment was in Oaks Creek Ranch Family Cemetery southeast of Clarendon with arrangements under the direction of Robertson Funeral Directors.

Mrs. Craft died at 11:55 a.m. on Sunday, January 11, 1987 in High Plains Baptist Hospital in Amarillo following a lengthy illness. She was born August 23, 1929 in El Paso, Texas and moved to Donley County 50 years ago. She was married to William Eugene "Bill" Craft on November 26, 1949 at Clarendon. She was a homemaker and a member of the Burton Memorial Library Board and the Saints Rost Museum Board. She was also a member of St. John the Baptist Episcopal Church.

Survivors include her husband Bill Craft of Clarendon; her mother, Mrs. Jack Molesworth of Junction; two daughters, Mrs. Cathy Keene of San Antonio, Mrs. Chris Matthews of Clarendon; one son, Jack Craft of Clarendon; two brothers, John Molesworth of Junction, Fred Molesworth of Amarillo; and four grandchildren.

Casket bearers were Lee Palmer, Chuck Deyhle, Winston Pritchard, Jenks Boston, Jim Hayes, Joe Robinson, Don Thornberry, and Wayne Riggs.

The family requests that memorials be to St. John the Baptist Episcopal Church or to the Saints Rost Museum.

Donley County Stock Show

The 1987 Donley County Stock Show is being held on Saturday, January 17th. The livestock judging schedule is as follows:

9 a.m. - 1 p.m.
Lamb Showmanship
Lamb
Gilt
Barrow
Swine Showmanship
Heifer
Steer
Beef Showmanship
1 p.m.

This year there are over 60 girls and boys who are participating in the stock show. This number is up considerably from the 1986 Donley County Stock Show, which shows a real interest by the kids in working very hard to raise quality animals for the stock shows this year.

At 6 p.m. there will be the Exhibitors and Buyers Supper. This is our way of saying thank-you to the participants and the buyers who support these kids in their efforts.

The Premium Sale begins at 7 p.m. Each exhibitor will auction one animal at this time. The amount of money which is bid by the buyers goes to the exhibitor to help pay all the costs of raising their animal and taking it to other stock shows. It is very important that everyone in our community understand that this Premium Sale is very important. These kids work for many months, and many hours to produce the best animals possible. The Premium Sale is the community's way to say "You did a good job," and show the support these kids need.

We want to invite everyone to the 1987 Donley County Stock Show and Buyers Supper on Saturday, January 17th. Come out and see these kids work with their animals and support them at the Premium Sale. Remember our youth are our future leaders. Help to support them and show them that Clarendon really cares.

Girl Scout cookies go on sale Jan. 16th

It is time for the Girl Scout Cookie Sale to begin. The Brownies, Junior, Cadet and Senior Girl Scouts will begin the sale January 16th at 4:00 p.m. and will take orders until February 1. All of the favorite cookies are available this year for only \$2 per box. These funds provide each troop with their operation-captol for the year, so each order is greatly appreciated. If you are not contacted by a member of the troops please call Cookie Chairman, Maurine Butts at 874-3829 or the neighborhood chairman, Mary Green 874-3641 or a troop leader. Troop leaders are Kollett Mireles, Anna Beth McNabb, Valorie Ashcraft or Carolyn Meyers.

VERA AND BOB ANDIS PRESENTS Dawn May with Sissy and Coony scholarship

May receives scholarship award

Hip-O Ranch Kennel present the first Sissy and Coony Memorial Scholarship Award on Wednesday, January 7th at the Clarendon Community Center.

This scholarship was initiated to honor two great Australian Cattle Dogs - Sissy and Coony.

The recipient of this award has already attended one semester at Frank Phillips College and plans to continue this coming semester. This young lady exemplifies the true spirit of the sport - patience, kindness, perseverance, honesty and truthfulness. This is not unlike the two dogs, with heart to strive, loyalty to duty. With a sense of dedication to achieve her goal: the best she could do. Exemplary conduct is also involved from the ultimate results of her efforts.

In 1980 Dawn May was the only girl in the group of four teams to represent Donley County at the Texas 4-H Dog Show in San Antonio. She came home with a creditable performance and high rating with her record book.

With a great deal of pride and honor Kathi Dawn May was awarded a symbolic trophy buckle.

Calvary Baptist missions conference

The Rev. Gary L. Pinion, and members of the Calvary Baptist Church, extend a warm and friendly invitation to everyone to attend the 1987 Annual Mission and Stewardship Conference. Pastor Pinion says, "This years conference promises to be the greatest conference ever in the history of our church." "Our church has always been strong on Mission, last year alone we gave over \$12,000 to support foreign and home mission works."

The theme for this years conference is "1987 Year of Dedication, To my Lord, my Family and my Church". This years guest speaker will be Rev. G.A. "Jerry" Clark pastor of the Bible Baptist Church in Dumas, Texas. Brother Clark is a strong Mission minded pastor. Last year their church was able to give over \$102,000 to Mission works.

In addition to Rev. Clark there will be Missionary testimonies and slide presentations by missionaries representing the fields of England, Peru, Brazil and Kenya.

Special music will be provided by the "Singing Payne Family." The services will be each night, Thursday thru Saturday at 7 p.m. and Sunday morning at 10 a.m. with an Old Fashion Church Dinner to follow the morning services. A nursery will be provided during each service.

Emergency farm loan applications being accepted

Applications for emergency farm loans for losses caused by drought, hail, high winds, excessive rain, flooding, early frost, and freezing weather which occurred January 1 through November 12, 1986, are being accepted by the Farmers Home Administration (FmHA) office located in Clarendon, FmHA County Supervisor Marvin Crabtree said today.

Donley County is one of twenty-six in Texas recently named by the Secretary of Agriculture Richard E. Lyng as eligible for loans to cover part of actual production losses resulting from the drought, hail, high winds, excessive rain, flooding, early frost and freezing weather.

Mr. Crabtree said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or 500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate is 4.5 percent.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," Crabtree said. Farmers participating in the PIK or Federal Crop Insurance programs will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until August 31, 1987 but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," Crabtree said.

Eligibility is extended to individual farmers who are U.S. citizens and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Clarendon is open from 8:00 a.m. to 5:00 p.m. Monday through Friday, and is located at 416 South Kearney.

County dumpster to be open only 3 days week

When the city dump was discontinued there were two dumpsters made available for all the citizens to use. One was for city dwellers and the other was for those persons who lived outside the city limits.

Due to the fact that some of the county citizens have not complied with the rules set forth by Donley County in using the county dumpster and continue to dump trash on the ground, around the dumpster even when the dumpster is empty, have forced the commissioners court to make new rules and close the dumpster except for three days a week. The County dumpster will only be available on Tuesday, Thursday and Saturday. The Commissioners will hire someone on these three days to help with the proper dumping of trash. The court requests that citizens help the commissioners maintain the county dumpster so that it can be used to its peak capacity for which the dumpster was intended.

CHAMBERLAIN COMMUNITY CENTER

The Chamberlain Community Center will be having a covered dish supper on Friday night, January 16th at 6:00 p.m. We will also have country and western music and singing by Wesley Thomas and Band. Everyone is invited to come out and enjoy the evening with us. There will be fun and games and music and singing after we eat.

FRIENDS TO MEET

Friends of the Library will meet at the library on January 15th at 7:30 p.m. Members are encouraged to bring guests. Visitors are welcome. There will probably be a short program and refreshments.

HOWARDWICK FRIENDSHIP CLUB

Ring out the old and ring in the new - Friday night, January 16th at the Howardwick City Hall, pot luck supper at 7:00 p.m. - all is free.

Watt's Happening In Hedley

by Peggy Watt

Susan Carson, David, Nancy, and Carmen of Tulsa, Oklahoma spent the weekend with her parents, Bill and Juanell Carson. They attended morning worship services at the Hedley Methodist Church.

Johnny and Dorene Conaster visited Johnny's uncle and aunt, Mr. and Mrs. C.V. Conaster in Canyon Monday of last week.

Pick and Laqueta Cox visited his sister and brother in law, Lois and Joe Campbell in Matador Sunday. Pick's aunt, Mrs. Dollie Hawkins of Houston joined them there.

Carl Cox won an 'Individual Acting Award' for his performance in competition in El Paso recently. He will go to Fort Worth to compete in individual performance competition next week.

It was good to have Mollie Dickson back in her regular pew in the Hedley Methodist church Sunday morning. She has been out for several weeks. She had surgery in an Amarillo hospital about the middle of December and her son in law, Charlie Johnson died on December 22nd.

Ethel Favor treated Ed to lunch at the Clarendon Dairy Queen last Monday. At least that's what Ed told me. Ethel told a somewhat different story. I do know that they dined there because I saw them.

Ethel and Jessie Roland shopped in Clarendon on Tuesday, and on

Saturday, Ed and Ethel helped their Childress children, Carrol and Marsha Favor work cattle in Childress.

Mark and Stephanie Molloy of Lubbock got home from their trip to Minot, North Dakota. Actually, they got to her parents, Darrell and Clara Jo Holland's house Saturday. Just in time to celebrate Steph's birthday. Clara's mother, Callie Stephens, joined Darrell and Clara, Mark and Stephanie, Bubba, Schell, Tanya, Rhett in cake and ice cream on Sunday. Mark got to go ice fishing while he was in North Dakota, but didn't catch any fish. When he got back to Hedley and called his brother, Brent, he told him they had caught more than 60 fish after he left. Mark doubts the accuracy of the story.

Clyde and Mildred Hoggard visited their children, Jim and Cecilia Lemons in Brice last Sunday. This week their son, Bobby Hoggard, Audra, Bill, and Candi of Clarendon, Melissa Beasley, Benjamin and Alice, Janice Alexander, Angie and Donna of Memphis and Jeannette Floyd visited. Bill brought his friend, Andrew Vinson with him.

Clyde and Mildred Hoggard and Jeanette Floyd visited their aunt Mrs. Rebecca Smith in Floydada Monday.

Leroy and Opal Hartwell and James and Nonie Hartwell of Amar-

LOUISE STEWART and District Lions Governor Jimmy Ross

NINA RIDDLESBURGER and District Lions Governor Jimmy Ross

illo visited with their mother, Mrs. Nora Hartwell Sunday. The girls attended morning worship services at the church of Christ. When I talked to Mrs. Hartwell, she told me she had to go back to the doctor Friday but that she was feeling better. She also threatened to beat me with a big club.

Eloise Spalding was back in church Sunday morning. She has been sick for several weeks and spent some time in the hospital, but she said she was better except for a cold. I think everyone in town has or has had a cold.

J.T. and Colleen Lamberson of Vernon and Denise Farranti of Houston spent the weekend with J.T. and Helen Lamberson. Helen and Colleen took Denise to the plane in Amarillo Sunday afternoon.

Louise Long went to Memphis to see the eye doctor Monday.

Faye Naylor attended a sales meeting of Home Interiors one day last week. She lunched with Linda Frye and Blake and visited with Geneva McAfee.

Tex and Linda Naylor and Jarred of Clarendon and Geneva McAfee of Canyon and W.L. Sanders of Burleson spent the weekend with T.E. and Faye Naylor. Faye and Geneva visited with Mrs. Edith Bain Sunday.

Frenchie and Virginia Gafford visited with her mother, Mrs. Cassie Owens during the weekend.

Bobby and Pat Roland of Amarillo spent the weekend with his parents Bob and Jessie Roland. Bob took Bobby hunting, but didn't get any quail.

Charlie and Eunice Johnson of White Deer visited in Hedley during the weekend. They attended morning worship services at the church of Christ.

Su-San and Lorene McCrary have started the hospital phase of their nursing training. They are working at Family Hospital Center in Amarillo. Su-San will continue to work part time at the Memphis Convelescent Center in Memphis.

The High School ball teams went to Chillicothe Tuesday of last week. I don't know about the girls, but the boys lost. Both teams had key players injured during the games. Tina Shields twisted her knee and Keith Watt sprained his ankle. Coach Collins thought it might be broken, but a trip to the doctor showed a sprain.

The teams traveled to Clarendon Friday night. Again the boys lost. So did the girls. I don't know the scores, but I think the girls lost by only three points.

Bubba Holland played in both the Chillicothe and Clarendon games while Keith was injured. Hopefully he will be able to be back in action by Friday night when they begin district competition. The teams will travel to Silverton then.

The Junior High teams played in a one day tourney in Silverton Saturday. Both teams brought home the second place trophy, they beat Motley County but lost to Silverton.

The classes at Hedley schools are taking their semester tests this week. I suppose the tests will be taken on Thursday and Friday. Hopefully all the student will pass all their tests.

Stewart and Riddlespurger recognized at International Conference

At the Lions International winter conference held in December, Louise Stewart and Nina Riddlespurger of the Hedley Lioness Club were recognized for outstanding services to the Hedley Community.

Louise is the immediate past president of the Hedley Lioness Club. During her term of office, the Lioness Hall became an attractive and well-equipped meeting room and kitchen. She, along with Helen Lamerson, spread paint in downtown Hedley on park benches, wall of the Lioness Hall, and wherever there were unsightly objects. They also made flowers grow where before there were only weeds.

Nina, in addition to her work as a

regular member, spearheaded the Hands Across America project in Hedley. She also arranged for the Mobile Cancer Screening Unit to come to Hedley for the benefit of the women of this area who were concerned about detecting early signs of cancer. The Unit from Amarillo was brought to Hedley on two different occasions.

Nina also worked with the group who fed the Sesquicentennial Wagon Train as it made its way through Donley County and the Lone Star Wagon Train when it stopped in Hedley.

Both of these women 'went the second mile' in rendering community service.

HEDLEY SR CITIZENS MENU

Thursday: Steak with gravy, potatoes (savory butter), herbed green beans, tossed salad, roll, oleo, fruited gelatin and pears, milk, tea, coffee, juice

Friday: Lasagna, summer squash, gr. lima beans, jellied veg. salad roll, oleo, fresh fruit cup with cookie, milk, tea, coffee, juice

Monday: Oven fried chicken with gravy, fried okra, mashed potatoes, fresh gr. pea salad, roll, oleo, purple plums, milk, tea, coffee, juice

Tuesday: Roast beef, au-gratin potatoes, carrots, raw veg. salad, roll, oleo, cherry cobbler, milk, tea, coffee, juice

Wednesday: Pork chops, baked sweet potatoes, gr. beans, coleslaw, corn muffin, oleo, mixed fresh fruit, milk, tea, coffee, juice

Who's New

Ron and Jo Ann Glover of Hedley excitedly announce the arrival of a son. Born at 12:33 p.m. on Wednesday, January 7, 1987, in Childress General Hospital in Childress, he weighed 9 pounds and 10 ounces and was 22 1/2 inches long. He has been named Matthew Kyle.

Maternal Grandparents are David and Virgie Goodson of Amarillo. Matthew was welcomed home by brothers Mike and Mark and sisters, Cheryl and Carol.

Letter to the Editor

The Clarendon Press welcomes letters to the Editor and is more than happy to print them. However, there are two conditions to printing these letters. First, they must not be liable. Second, we must insist that all letters must be signed. If requested, we will leave off the name, but The Press must know who writes the letter.

If the person who wrote "A Concerned and Searching Reader" will contact Helen Woody either at the paper 874-2259 or at home 874-2302, I think we can correct the situation to their satisfaction. I am just as interested in the situation as you are.

Pins and Pans

By AMY PINION

The Pins and Pans 4-H Club met on December 11th and January 8th at the County Courthouse. December 11th Cynthia Sparks showed us how to make suckers.

On January 8th we learned about wheat. Suzy Hall made a picture book. Those who attended were: Katrina Leather, Sheri Hall, Kimberly Altman, Amy Pinion, Carrie and Jennifer Simpson, Julie Altman, Christina Leathers, Lana Moffett, Aaron Ashcraft, Debi Hall and Mandy Floyd.

The Clarendon Press is published every Thursday at 106 S. Kearney and entered as Second Class Mail at the post office at Clarendon, Texas. J. C. and Helen Woody, publishers and editors.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

All pictures used in The Clarendon Press which are not the property of The Clarendon Press must be picked up in 10 days after publishing date.

MR. AND MRS. JASON LOWRIE

Bunn - Lowrie exchange vows

Kelly Jo Bunn and Jason Keith Lowrie were united in marriage Thursday afternoon on January 1, 1987, with Wilbert Bernabe officiating. The ceremony was held at the First Christian Church of Clarendon.

The bride is the daughter of June Bunn of Amarillo and George Bunn of Dallas. Parents of the groom are Judy and Terry Chandler of Amarillo and David and Paula Lowrie of Clarendon.

The bride was given in marriage by her father. Maid of Honor was Crissy Anderson of Dallas. Best man was Shawn Billeter of Amarillo. Candles were lit preceding the ceremony by Nathan Lowrie, brother of the groom. Brent Self, cousin of the groom, of Hereford, served as usher.

A reception followed the ceremony

in the First Christian Church Fellowship Hall. Serving cake and punch were Tracy Byrum, sister of the bride, of Amarillo, and Crissy Anderson.

The bride graduated from Palo Duro High School in 1984 and is employed by Taco Villa in Amarillo. The groom is a 1985 graduate of Caprock High School and is employed by Wolfe Nursery.

Out of town guest included Mr. and Mrs. C.E. Fenno of Lefors, Mr. and Mrs. Arvil Lowrie of Wellington, Mr. and Mrs. Huey Lowrie of Plainview, Joel Martinez of Dallas, Mr. and Mrs. A.B. Pond of Canyon, Mr. and Mrs. Franklin Wall of Pampa, Mr. and Mrs. Brent Self, Tanner and Shantell of Hereford, Mr. and Mrs. Gene Byrum, Jill, Erik, and Josh of Amarillo, and Scott Bunn of Amarillo.

If hot fried chicken is not to be used immediately, cover with aluminum foil and punch holes in the foil; that will allow the steam to escape so the crust won't become soggy.

Medical Center News

The Donley County Medical Center Volunteer Auxiliary met at the Medical Center Wednesday Jan. 7th, 1987 at 2:00 p.m. in the dining room. The purpose of the meeting was to elect new officers for the coming year of 1987. Rev. Truman Ledbetter was elected as Chaplain. He replaces Rev. Blackerby who has accepted the pastorate of the Brice Baptist Church.

Election of officers were as follows:

President Frank Reid
 Vice President Odie Moss
 Secretary Jeannie Formway
 Reporter Maxine(Leta)Smith
 Chm. of calling committee Odie Moss

The program was presented by Activity Director, Vera Johnson, who showed the film "Grieving, Suddenly Along," after which refreshments of punch and cheese and fruit tray were served. Those members attending were: Vera Johnson, Activity Director; Jeannie Formway, Assistant Activity Director; Odie Moss, Norma Corgill, Hugh Mahaffey, Frank Mahaffey, Fred Fortenberry, Mel-

ville Mills, Maxine (Leta) Smith, James (Jim) Smith, Frank Reid and Gertrude Reid.

Think About This

Too many citizens of a small town decided they could save money by doing their shopping in a larger city. Let's agree...yes, by doing your shopping in the city you MAY save enough to pay for the trip and a meal.

But...because of the loss of revenue for goods and services the small town does not have enough tax money to:

- *repair and pave streets
- *repair and build water lines

*hire employees necessary to keep city street and parks clean

Would you say that an unpaved street devaluates your property? Does low water pressure add to the value of your home if you want or need to sell? Is a town which does not look clean inviting to other people who may be looking for a place to relocate?

Who loses in the long run?

Assembly Lines

Praise God for 2 glorious services on Sunday. We thank the Lord for all of our visitors and we invite you to come back. Our church is on fire for God—come get a blessing and Be One! Friday night, January 9th we had a bus full to go to Mike Warnke's Concert in Amarillo - everyone had a great time. Last Tuesday, the WM's had a surprise birthday party for Sister Candy Brown, and also had a great time in studying Gods Word. This Thursday January 15th, we'll

take a bus load to Memphis for a skating party. Contact the Pastors for more information on this time of Christian Fellowship.

1987 is a year of Growth for 1st Assembly. Our theme is "Come Grow With Us" - we all need to grow up spiritually in Gods Word, not man's doctrine. Gods Word is true. Study it - it will change your life. We have a bus to serve you - if you need a ride to church or Sunday School call us at 874-2195.

Mac Stavenhagen at Stavenhagen's Furniture is announcing the association of Earl Ford, as their service maintenance man.

Earl will also be doing contract wiring and electrical work on his own.

If you need any electrical work done, large or small you may contact Stavenhagen Furniture at 874-2452 or Earl after 5 p.m. at 874-2964.

Lion's Tail

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Twenty-eight members and guest and Lion Sweetheart, Jessie Adams, were present. Following the regular opening ceremony Lontamer Messer introduced local guests Lynn Alderson, David Smith, and Terry Bernabe. Ronald L. Dew of La Porte City, Iowa was the guest of Lion Bernabe. Jim Morris of Amarillo was the guest of Lion SoRelle. First V.P. Shelton presided today in the absence of the Boss Lion. He introduced our District Governor Jimmy Ross of Flomot who was here for his official visit. He was accompanied by Zone Chairman, Mark White, a banker from Memphis, Anthony Whitfill with Rural Electric in Memphis and Sam D. Ross, a rancher from Quitaque.

District Governor Ross told us that the theme of Lionism this year is "Bring Quality to Life". He also said that Lions International was started in 1917 by a group of businessmen and has grown from that humble beginning into the world's largest service organization with over 1,350,000 members.

Giving. In order for those who have responded to God's leading to go to a foreign country, someone must send them. Along with praying, giving is something all Christians can do in order that the gospel may go forth.

Giving so that others may go is giving above and beyond the tithe. In order to do this, it may mean giving up one trip to dinner with the family and giving what would be spent there to missions. Or, it may mean not buying a new dress and using that money to help support a missionary. Actually though, it won't be difficult for most to find the extra to give. God has blessed America so abundantly, especially in comparison with the rest of the world. Thus, God must expect more from us, for "unto whomsoever much is given, of him shall be much required" (Luke 12:48).

Giving does not make you spiritual but spirituality makes you give.

Going. The importance of prayer and giving for world evangelization cannot be overstated. However, to effectively reach the world for Christ requires going. People living in an unevangelized part of Europe or Asia will not hear the gospel message unless someone goes to tell them. In Asia, almost two billion people have never heard of Jesus Christ.

Worldwide, over 2.5 billion have yet to hear of Him! Who will tell them? Christians need to be aware of

their individual responsibilities and how vital it is that each be actively involved in the harvest. Statistics reveal that of all Christian workers, 90 percent of the world's population. That leaves only 10 percent of all Christian workers for the remaining 95 percent of the world.

Occasional prayer and giving is not sufficient. To accomplish the task will require compassionate prayer, sacrificial giving, and dedicated going. For too long Christians have been content to sit and learn rather than go and tell. Numerous Christians need to surrender personal goals and desires and go where God leads to share the good news of Jesus Christ. This may mean witnessing to neighbors, family, and friends or it may mean going to a city in South America or the Muslim world where there is no Christian witness.

The statement which says that if you cannot go you can, through praying and giving, make it possible for other to go is only partially correct. Praying and giving so that others can go to the farthest corners of the world is to be done at the same time as going yourself—going to those in the part of the world in which you live.

No Christian is free from the command to go and tell. Each believer is to be active in God's harvest. God has a place for you to fit in. Will you accept what he has for you?

Cost-Effective Weed Control Saves Money

With low market prices and increasing production costs for cotton, herbicides still represent a high-return investment.

Dr. James Supak, cotton agronomist with the Texas Agricultural Extension Service at Lubbock, says herbicide use on cotton acres has made a big difference in production.

"The introduction of dinitroaniline (DNA) and other families of herbicides into the cotton industry in Texas had a tremendous impact," Dr. Supak says. "Previously cotton growers would have to plow under their cotton crop and reseed it if too many weeds emerged. With an ever-expanding array of herbicides, growers now have an economical alternative for weed control."

"A grower simply can't grow and harvest a cotton crop efficiently without using an effective weed control program that typically involves one or more herbicides," Dr. Supak states.

With continued DNA herbicide use, some growers may be concerned about crop safety. However, Dr. Supak notes that when these herbicides are properly handled there is no need for concern.

Herbicides may affect the root development of a cotton plant to

Frequently, herbicides receive all the blame for slow plant development in the spring. However, Dr. Supak says there are many factors that can stunt early growth.

"Growers are aware that weather, soil compaction, wind, blowing sand and poor seed quality as well as misapplied herbicide are among the problems that can slow early develop-

ment. These should all be considered in assessing problems influencing normal crop development.

Dr. Supak says proper herbicide application typically has no adverse effects on the crop and normally reduces input costs associated with tillage and hand labor.

"With increasing labor and energy costs, growers need the cost-effective protection of herbicides to control their weed problems."

The DNA's are broad-spectrum herbicides that can provide season-long control and save money in the long run by cutting costs for tillage and hand weeding.

Growers can be confident that DNA herbicides applied at the proper rate and incorporated correctly can provide economical weed control, minimal crop injury and protect cotton yields.

The longest river in the world is the Nile River—4,145 miles long.

PRAYING...GIVING...GOING...

Three words best describe how each Christian, regardless of profession, can be involved in world evangelization.

Praying. God has commanded all believers to "Pray ye therefore the Lord of the harvest, that He would send forth laborers into His harvest" (Luke 10:2). This is one of the few things God has definitely commanded Christians to pray for, yet few do it regularly. God does not work except by the prayers of men. Almost everytime prayer is mentioned in the Book of Acts it is concerning world missions.

Along with praying for more Christians to respond to God's call to active service on foreign field, those already serving must be supported by prayer.

The missionary and his family face physical, emotional, and spiritual problems almost daily. They have to struggle through language and cultural obstacles in order to communicate the gospel of Christ more effectively. Your prayers will be of tremendous help to them as they labor for Christ overseas.

Progress is made through prayer. Doors are opened through prayer. It will take prayer to reach the world!

Winter Tips: The Dangers of Hypothermia

With the coming of chilly days and colder nights, it's time to remember some of the special concerns that come with changes in the weather. For the elderly, hypothermia (a dangerous drop in the body's core temperature) can be a serious threat.

Older persons are particularly vulnerable to hypothermia for a number of reasons. The most common is that the body's warming system may not work as well with age.

Even relatively mild temperatures of 60 to 65 degrees Fahrenheit may trigger hypothermia in some older persons. Experts suggest the elderly, and particularly those over age 75, should consider keeping their living quarters at 70 degrees F. or higher. If heating your whole home is hard to afford, consider closing off the part(s) you use least.

Whatever your age, good cold coping strategies can come out of the closet. Clothing makes great adjustable insulation. If you dress in layers, you can take clothing on and off for maximum comfort. Also, be sure beds have enough bedding and blankets. And don't hesitate to wear a cap or hat indoors or to bed. Keeping the head warm can keep the whole body considerably warmer.

One further prescription for prevention, if you are taking medication, check with your doctor or pharmacist. Ask if it's a type that could affect body temperature or temperature regulation. If you are at risk of hypothermia, your doctor may be able to choose another medicine that would work as well without having this effect. Or if this is not possible, you will at least be aware and can take extra precautions against cold.

Remember, hypothermia is a medical emergency. If you suspect someone has hypothermia, contact a hospital or physician immediately.

Early Birds Homemakers Club

The Early Birds Extension Homemakers Club met Wednesday, January 7th in the home of Betty Hester.

The club members and one guest enjoyed a program presented by Terry Floyd on "Communication, the tie that binds the family."

The next meeting will be February 4th.

Firebelles

A called meeting of the Clarendon Firebelles was held on January 5th at the fire station in lieu of the regularly stated January meeting.

The meeting was called to order by President Annette Osburn.

Minutes of the December meeting were read and approved. The monthly treasurer's report was read and approved. Treasurer Wanda Smith reported that only \$104.60 profit was made on the VCR ticket sales, and reminded everyone that the 1987 dues are now due and payable.

Motion carried to have the installation of officers on January 24th at 7 p.m. at the fire station for the membership only. Members are to wear their red T-shirts so that the annual group pictures can be made.

Motion carried to host a men's and women's volleyball tournament February 19-21 and to host a mixed tournament later in the season. Neva Spier was appointed to register teams. Preliminary plans were discussed regarding the rules, brackets and refreshments to be sold. It was decided to raise the entry fee per team from \$30 to \$35 and to not collect a general admission charge from the spectators. The work schedule will be set up on January 24th after the installation ceremony.

There being no further business, meeting was adjourned.

Members present were President, Annette Osburn, Vice President, Edie Robertson, Secretary, Tammy Taylor, Treasurer Wanda Smith, Historian, Becky Lane, Connie Pitts, Renee Stroud, Valorie Ashcraft, Connie McAnear, Venita Sharrar, Neva Spier and Nancy Watson.

ONE SMILE

"Laugh and the world laughs with you," is part of a speech I heard while going to school. Also "weep and you weep alone". Look into the mirror and see which one of those statements fits you. If you have forgotten, go back and look again. Look long and hard. This article will wait until you get back. Now then, use that smile as you meet others on the street or in your home. That smile won't break your face but a frown will leave lines that are permanent. You may say "I don't have anything to smile about." You can read, can't you? In most of your homes you have a Book that has been on the best seller list that will teach you how to smile. This year, a New Life, a New Hope you will find in the pages of that one book. It has been the best seller for a long, long time and it is something that will give you the hope for life eternal with Him.

Oh yes, I thank you for that smile -- you look much better because of it. Don Altman

Pathfinders

The Pathfinder club met on Friday January 9th in their first meeting of the new year. The President, Mrs. Muri Butts, presided. Program Chairman, Imogene Bromley introduced our City, County Librarian, Annis Stavenhagen. After her talk we realized how far our Library system has come since it was started by a small group of Pathfinder Club Ladies in 1911.

The Library resources are used by all ages of citizens. The childrens reading program in the summer has been most encouraging and fun.

Patrons are offered free use of 16 mm films from Amarillo Library collection for programs of study. Senior Citizens and Nursing Home uses two films a week for improvement and entertainment. The school and college use this film service also.

Adults who want to learn to read are given this service by volunteer teachers at the library so they can improve this necessary skill along with their young school age children.

Your Clarendon Library card can be used in all 28 Panhandle of Texas small towns which belong to this library system. "Don't leave town without it" Mrs. Stavenhagen laughingly said.

Patrons can secure framed art prints, cassette tapes, sound film strips, large print books, and Spanish language books from the Library by asking.

After this enlightening program the hostess Mrs. Blaine Butts and Mrs. Paul Cook served homemade pies and coffee.

The new officers were elected for next year:

President Mrs. Paul Cook
Vice President Mrs. Ed Manning
Secretary Mrs. Forrest Sawyer
Reporter Mrs. Frank White, Jr.
Parliamentarian Mrs. Heckle Stark
Historian Mrs. Horace Green

These new officers do not take office until next September. The study program will be planned for next year.

Fruit, vegetable growers invited to state workshop

What does it take to succeed in growing fruits and vegetables?

A workshop at the National Guard Armory in Marlin on January 20th will provide the answers. Registration is from 8:30 to 9:00 a.m.

The workshop, called "New Horizons in Texas Produce," is for commercial fruit and vegetable growers throughout the state, says Falls County Agent Kenny Ray with the Texas Agricultural Extension Service, the Texas A&M University System.

"Fruit and vegetable production is

gaining in importance as agricultural producers become more diversified due to current economic conditions," Ray points out. "This workshop will provide the latest information to help producers with their operations in the year ahead."

A full slate of state specialists with the Extension Service will be on hand for the workshop. They include Dr. Sam Cotner, Tom Longbrake, Dr. Calvin Lyons, Dr. Dale Pennington, Dr. Jerral Johnson and Dr. Charles Cole.

A wide range of topics will be

discussed including "New Crop Potential," "Marketing Options," "Soil Fertility," "Basic Production Practices for Tomatoes and Melons," "Basic Production Practices for Peaches," "Insect Control for Fruits and Vegetables," and "Disease Control for Fruits and Vegetables."

County Extension offices in Falls, Limestone, Milam and Robertson counties are cooperating in hosting this educational program. A small registration fee will be charged to cover the cost of educational materials and a noon meal.

Bronco Basketball

The boys varsity basketball team defeated Hedley last Friday 67-31 to make their after Christmas record 2-2 and bring their pre-district record to 3-11. Four of the Broncos' losses were closely played games that could have gone in the Broncos favor.

Against Hedley, the full court pressing defense by the Broncos made the first half score 31-17. In the second half, the Broncos man-to-man and zone defenses held the Owls to only four field goals. The Broncos shot 44 percent from the field, second best of the season. All the Broncos saw playing time as the Broncos went on to victory. Clay Sharp was the defensive player of the game. Wes Hatley played an outstanding game: 18 points, 6 rebounds, and 7 steals. Chris Ward scored 12 points and grabbed a game leading 7 rebounds. Clay Sharp also hit in double figures with 11 points and had 5 assists. James Ariola and Danny McCampbell also played well. "This victory was good and is a good way to go into district play," said Coach Loveless. "We have won two games in a row and this will give us more confidence this week as we play in Canadian and then host Wellington this Friday."

The district teams started district play this past Tuesday night. "Our district seems to be fairly even this year," said Coach Loveless. "On any night any of the teams in the district may win." The Canadian Wildcats have the best pre-district record with 13 wins and only two losses. The remainder of the District 2-AA teams are as follows: Quannah 11-5, Shamrock 9-9, Memphis 6-9, Clarendon 3-11, and Wellington

(unavailable). The Broncos host Wellington this Friday and then host Quannah next Tuesday. All varsity district games will start at 8:00 p.m.

WINTER ITCH

Each winter persons from all age groups complain of dry, tough skin that takes on the appearance of "fish skin." The elderly are especially prone to have this skin problem, with the legs commonly affected. Itching is a frequent complaint and causes

many persons to visit pharmacists and physicians. Skin specialists call the condition **ichthyosis vulgaris**; most people call it "winter itch." Cold winds "pull" water from the skin. Low humidity due to household heat also causes the skin to lose water. Repeated

exposure to soaps and detergents can increase water loss up to 75 times normal loss. Care for winter itch involves preventing water from leaving the skin and replacing lost water. Keep room temperature as low as is consistent with comfort and use

household humidifiers. Avoid exposure to soaps and detergents. Use a therapeutic bath oil or cover the body in an emollient cream immediately after bathing to "trap" water in the skin. Petroleum jelly is sometimes a satisfactory alternative to more costly products.

DONLEY COUNTY SENIOR CITIZENS

Caring People...A Lamp to the Community

Thanks to Mary Hazel VanZandt for the box of scraps for Arts and Crafts. Had a good turn out for Blood Pressure and Diabetes Clinic on Tuesday, January 6th. Don't know just how many the Diabetes girls did - Carmen checked forty-nine blood pressures.

Theima Behrens and Barney took care of Game Night on Thursday, January 8th. I was on the couch battling a sinus headache.

Back to work on Friday, not in full swing, but back. Had some real good music at the Jam Session on Friday, January 9th. Musicians were Jerry Chambliss, Wesley Thomas, Weldon Petty, Roy Stephens, J.B. Yates, Johnny Hancock, Fred Fortenberry and Lucille Smith.

Want to thank our volunteers for their services in December. They are Alta Adkins, Theima Behrens, Barney Baten, Ann Bunyan, Norma Corgill, Lillian Eudy, Gweneth Goldston, Lenora Karnes, Amy Lawson, Marie McCracken, Allene Naylor, Marie Sides, Verdine Tipton, Eda Wallin, Carmen Wright, Don and Annie Wooten and Fannie Wilson. Our volunteers are a vital part of the

program and we thank them from the bottom of our heart.

December 1986 donations were as follows: Love - Charles and Marie Seets, Raymond Hinkle, Gweneth Goldston and D.W. and Lela Swain. CONSUMER ALERT

Attorney General

Lotteries Are Illegal In Texas

Although lotteries are legal in some states, they are still illegal in Texas. In addition, it is illegal to send lottery information into the United States from other countries. At least one Canadian organization is sending gambling information into Texas. Those who respond through the mails are also in violation of federal laws, according to postal authorities.

Either way, the law is the same. Persons who set up the lottery and persons who buy lottery tickets are committing criminal acts.

BINGO

In areas where voters have authorized charities to conduct bingo games, those charities licensed by the Comptroller of Public Accounts may conduct such games. There are a number of rules concerning legal bingo, which are set forth in art. 179d TEX. REV. CIV. STAT. ANN. If your group is interested in being licensed for bingo, contact the State Comptroller's Office at (512) 475-2386.

If you have received a solicitation for entering a lottery, your best course of action is to throw it away or turn it over to local postal authorities.

FOREIGN LOTTERIES

The post office is conducting an investigation of the illegal Canadian operation and will attempt to stop any mail going back to the lottery operators. So, if you have tried to enter such a lottery, don't be surprised if your entry is returned to you marked "Return to Sender."

CHARITY

Most people do not realize that lotteries conducted for charitable purposes are also illegal. For example, a local boys club may sell lottery tickets at \$1 each to raise money for football uniforms. The prize may be anything from a color TV to a home-cooked meal. Or a church group may "accept donations" for chances to win a prize in order to help collect money for refugees or other needy people.

FOR MORE HELP

If you need more help or information on consumer problems, contact your nearest Attorney General Consumer Protection Office (in Austin, Dallas, El Paso, Houston, Lubbock, McAllen, and San Antonio). The Attorney General's Office is the people's law firm. We're here to help you.

Men turning 26 in 1987 reach an milestone

The selective service system has announced that men who will reach their 26th birthday in 1987 are reaching an important milestone.

Beginning on January 1, 1987, men who were required to register with selective service in 1981 will be turning 26. Selective service does not have the authority to accept registrations after age 26. By failing to register before turning 26, a young man will have permanently forfeited his right to certain benefits including federal student aid, job training and federal employment. In

addition to these federal benefits, some states require registration for state student aid, entrance to a state supported college or university, state employment and permission to practice law.

Many of the 25-year-olds who have still not registered may be unaware of the requirement or do not understand importance of the obligation to register. Some may even have served in the military but failed to register either before entering the armed forces or after leaving active duty. Others may have been institutionalized or incarcerated at the time of their 18th birthday and not realized that they were required to register if released prior to age 26.

For those men born in 1961 who have registered, 1987 also marks the year that ends their eligibility for selection for induction under present law should there be a return to the draft. Over 17 million men, age 18 through 25 have registered with selective service since registration was reinstated in 1980. These men comprise over 97 percent of those required to register.

Men age 18 to 25 who have not yet registered still have a chance to avoid risk of prosecution and loss of benefits by registering promptly at any local post office. Failure to register is a felony punishable by a fine of up to \$250,000, up to 5 years in jail, or both.

VA pays record insurance dividend to veterans

The Veterans Administration has announced that 3.2 million veterans who have kept their GI life insurance policies in force will share a record high dividend distribution in 1987 totaling \$934.9 million.

No application is necessary. Each policyholder will receive the 1987 dividend in the month of the anniversary date of the individual policy.

The higher dividend payout is due to lower death rates among policyholders and high interest earnings on the insurance funds' investments. The figure is \$29.9 million more than paid out in 1985, when policyholders

shared an annual dividend of \$905 million.

Government life insurance has been issued through various periods starting January 1, 1919, through May 2, 1966, to veterans of World Wars I and II and the Korean Conflict.

The only VA-administered program now open to new issues to Service Disabled Veterans Insurance. It is available, without dividends, to veterans with service on or after April 25, 1951, who have a service-connected disability.

Volunteer Your Time
More and more often these days, America's older people are finding that by helping others, they help themselves.

Volunteer work at The Salvation Army has helped many older Americans feel wanted and useful, happy in the knowledge that they're making a difference in other people's lives. Sewing, knitting, package wrapping, preparing and serving food, telephoning, interviewing, mailing and typing are but a few of the assignments given volunteers. For free brochures on how you can become involved in this good work, write: The Salvation Army, 799 Bloomfield Ave., Verona, NJ 07044.

Congressman Beau Boulter Reports from Washington

GETTING THE BIG BALL ROLLING

Over the past month, just about every eye and ear in Washington has been tuned to coverage of the events surrounding the U.S. sale of arms to Iran, and allegations of the diversion of profits from those sales to the Contras in Nicaragua. Without a doubt this is important business, and President Reagan should make every effort to make all details of the crisis known, correct the mistakes made, and punish any illegal actions on the part of members of his Administration.

However, in my opinion, the most important thing is for this difficult chapter in our foreign policy to be put behind us quickly, so that we can get on with some of the equally-important business facing us at this time.

For example, while the major television networks have been giving the "Iranian Arms" story almost unlimited coverage, the federal budget deficit has not gone away or even sat idle. On the contrary, it has been increasing to detrimental proportions.

Regardless of what action the Congress or President takes in the Iran case, unless action is also taken soon to reduce the flood of federal red ink, the Iranian arms incident will be but a footnote on the list of problems we leave our grandchildren to clean up.

Likewise, while the nation has been preoccupied with Iran, the situation facing oil and gas producers throughout the oil patch has not moved toward resolution either. On the contrary, oil prices and the rig count remain at dismal lows, while income in the service related industries fails to improve. The accompanying lack of domestic exploration promises to increase our already intolerable dependence on foreign crude, thereby endangering both our economic and national security.

The farm economy faces similar tribulations. World commodity surpluses are too high, while prices, exports and farm income are still too low. Although most economists agree the '85 farm bill will provide a turnaround eventually, we must maintain income support for our farmers throughout the transition. Just as important, the U.S. government must discontinue its absurd policy of subsidizing the agricultural production of our foreign competitors. Action must be taken to improve the lot of the American farmer and it must be taken soon.

The nation's attention, however, remains focused on Iran. And unfortunately, other problems both at home and abroad degenerate due to lack of attention. As I said before, it is indeed important for President Reagan to make clear the details of the Iranian arms scandal to the American people, and take whatever action is necessary.

Congress has an important role to play in this process, and once the President cleans up the mess at the White House—as I'm sure he will soon—Congress must work to put this incident behind us. Scoring political points at the expense of the President neither reduces the deficit, nor helps the needy. This country needs coopera-

tion among its leaders to make progress. Only in this manner will we get the big ball rolling and get on with the truly-important business at hand.

Request for Statement of Qualifications Management Services

Donley County has recently received a contract award from The Texas Department of Community Affairs for improvements to the county courthouse. Accordingly the County is seeking to contract with a qualified management consultant, to carry out several aspects of over all program management for the locality.

Donley County is hereby requesting statements of qualifications from management firms interested in performing the above mentioned tasks. The statements are required by 10 a.m., Feb. 2, 1987, the selection of a management firm will take place after that date. Copies of the Request For Statement of Qualifications package may be obtained from Judge Billie Christal, Donley County, P.O. Box 777, Clarendon, Texas 79226, 806 874-3625.

The final selection of a management firm will be made by the Commissioners Court of Donley County. Donley County is an affirmative action equal opportunity employer.
