A Common Paper for Common People

## 11,347 Autos Stolen In Texas Past 3 Years

AUSTIN, Oct. 6.—State police identification officials reported today that 149,834 fingerprint records had been received from police of Texas and the nation since the bureau was created three years ago.

Fiscal year reports showed that 24,982 personal fingerprint records were in the state police files and have been instrumental in the identification of 27 civilians otherwise unknown. The remainder of the records relate to criminals and are kept apart from the personal identification files.

Included in the reports were records of the thefts of 11,347 automobiles in the three-year period and notices of 2,083 other property thefts. Automobile losses decreased 25 per cent the past year when 3,295 were reported stolen. Photographs of criminals numbered 22,319 and criminal records received from the Federal Bureau of Investigation at Washington totaled 111,836.

Early last year, the director said, a single fingerprint system was installed for the identification of criminals who leave their fingerprints at scenes of crimes. In this particular file there are 23,750 records.

The records stated that 950 examinations of questioned handwriting and typewriting documents were made by experts of the bureau. Identifications of fugitives increased 314 (eq) per cent during the past fiscal year.

Advertising in the Donley County Leader gets excellent results, says the Creomulsion Company, makers of Creomulsion, a prescription for Coughs, Colds and Bronchial Irritations.

A consistent user of newspaper space for many years, the Creomulsion Company has again started a nationwide advertising campaign on their product with regular insertions in the Donley County Leader.

Creomulsion, recommended by thousands of physicians and druggists, is sold and guaranteed by all drug stores.

Pastime Theatre Announces Schedule Change

In their regular advertising space in the Leader, the Pastime Theatre is this week announcing a change in programs, beginning Saturday, October 8th.

Hereafter the Saturday night prelude will be shown Sunday and Monday, and a 10c bargain night will be held Tuesday. The next bill will run Wednesday and Thursday with a change in picture for Friday and Saturday.

The management also announces a change in time with the first show opening at 7:15 instead of 7:30 as on previous nights.

## Donley's WPA Workmen Transferred To Gray County McClellan Dam Job

When orders came last week stopping all WPA work on Highway 88 north of town, there was consternation among the large number of families affected. Commissioners G. G. Reeves and John Hermesmyer and A. C. Donnell, WPA foreman, immediately got busy in behalf of the welfare of families of men dependent upon the local job.

They went to Pampa and effected a plan with the aid of county judge Sherman White and Bob Bradshaw, supervisor of the McClellan dam project, whereby 79 men were added to the 30 Donley county citizens already working on the dam.

The transfer is said to assure workmen 110 hours a month rather than 84 as they had been allotted on the local job. Laborers are paid thirty cents an hour.

It is said that A. C. Donnell will be given a foreman's place in another county, due to his excellent record over a long period.

## RENEWALS COMING IN DAILY

The management wishes to take this means to thank the many readers of the Leader for the prompt response to 'pay up' subscription dues. This is the season to get even with the board. The small sum of \$1.50 is a small sum in reality to a lot of folks, but when we have out several hundred, the total is quite an item to us. Please bring or send your renewal as soon as possible.

## F. F. A. Members To Sponsor Boxing Tournament

The members of the local F.F.A. chapter voted at their regular meeting Tuesday, September 27, to sponsor a boxing tournament to start the latter part of October. The tournament will be divided into two divisions with members of the chapter participating in one division, and other students desiring to participate in another division. The tournament will be divided into the regular weight limits beginning with all weights under 85 pounds grouped together, and having ten pound intervals for all weights above.

Champions of the F.F.A. division will fight the champions of the other divisions in the final bouts. All physically able F.F.A. members voted to participate in the fights, each of which will consist of three one minute rounds. Results will be awarded by members of each division.

## College Exes To Dine And Plan For Reunion Tonight

Plans for the Clarendon College reunion, to be held here November 11 and 12, will take definite shape tonight when committees from several towns meet here for a dinner at the First Christian Church.

Clyde I. Price, chairman of the arrangement committee tonight issued an appeal for everyone interested in the reunion to be at the church at 7:45 o'clock. Tickets are on sale at the Douglas and Goldston Drug store.

The gathering is vital to the success of the reunion, Price said, in stressing the importance of Clarendon College exes attending.

## Clarendon F. F. A. Get New Equipment For '38

The Clarendon chapter of the Future Farmers of America have received new manuals, pins and parliamentary drill books for use this year. J. R. Gillham announced this morning.

The pins this year are silver with an American eagle surmounting the cross section of an ear of corn.

## HIGHWAY 88 IS ONE STEP NEARER

### Rightway South of Town Almost Completed

The call of the state requiring that deeds be secured to the right-of-way on the survey for new roadbed for Highway 88 south of town elicited the effort of Commissioner G. G. Reeves who proceeded to comply with the order at once.

Mr. Reeves stated today that all deeds to the land required from town to the south side of the L. R. Dean farm had been secured with the exception of the Douthitt heirs who own the small farm adjoining the cemetery on the south side.

It is believed that the State Highway Department will proceed with grade and drainage work just as soon as the right-of-way is secured. Some changes have been made in the survey in following the old roadbed between town and the Cap, but the scenic portion down the Devil's Backbone will be followed with the exception of straightening out the curves, Mr. Reeves stated.

## Poultry Show To Be Held December 1, 2nd, and 3rd.

The 1938 Green Belt Poultry Show will be held in Clarendon December 1st, 2nd, and 3rd. Plans are now being laid for the show and the premium list will be worked up in the near future. A number of new special premiums will be added to the local show which will be open to all exhibitors.

A poultry judging contest will be held on Saturday, December 3rd, in connection with the judging contest. The contest was the largest of its kind in this area last year with the exception of the Area Contest at Lubbock. Byers, winner of the silver loving cup last year, is expected to be on hand to defend its trophy.

The services of R. B. Galloway as judge for the show have been promised by his employers, the Hardeman King Feed Company of Amarillo.

## NYA Administration Helps College Students

Clarendon Junior College is included with seventy-nine Texas colleges and universities to receive National Youth Administration college aid. Twelve jobs are provided in the local school paying \$180 per month.

## READS HOME PAPER 35 YEARS

Another 'home paper taker', reading the record of J. H. Hurn in last issue, is G. A. Anderson. He left Dallas county in 1905, but has been a subscriber to the Lancaster Herald the entire period of 33 years.

## VISIT IN PAMPA

Mrs. Lester Schull entertained in a missionary meeting with a whistling solo in Pampa Monday. She was accompanied there by Mrs. M. R. Allensworth, and the meeting was held in the home of Mrs. John Platt.

## Clarendon Food Store Gets Meat Market Fixtures

Patrons of the Clarendon food store will be pleased to know that the firm has installed the latest pattern of modern refrigeration and display cases in their meat market, manager Alvin Landers announced today. The display case enables the customer to select from a choice line of meats at sight. Fresh and cured meats is being featured on a scale in keeping with any modern market.

## Amarillo Pastor Preaches At Baptist Church

Rev. J. D. Horton, pastor of the Pierce Street Baptist church in Amarillo, filled the pulpit here Sunday for Rev. J. Perry King. Rev. King is conducting a revival of two weeks at the Pierce Street church. The meetings will close Sunday night. Ben Ratliff has charge of the choir.

## COUNTY ATTORNEY LOSES COAT

Somewhere in old Donley county perhaps, a man is vexed because his coat is too small. The reason is, the coat is not his. He left his coat at the courthouse and took county attorney R. Y. King's. The county attorney does not like the trade for two reasons. First, the coat is too large. Second, the coat does not match his dark gray pants. If the party will bring the coat back and get his own, a coat of better quality, "all will be forgiven."

## DISTRICT COURT TO OPEN MONDAY

### Criminal Docket Extremely Light Unless Grand Jury Digs Up Something

Donley county is running true to form despite conditions here and abroad. The folks refuse to commit any sort of crime that will entail any expense or trouble. In fact the citizenship is high class and law-abiding as the court records back through the years will testify.

## LELIA LAKE FLOOD CONTROL BODY MET

Soil conservation experts and members of the Lelia Lake flood control committee met at the county agent's office Wednesday night to discuss plans for power for erecting terraces, spreader dams, etc., to curb water loss in the Windy Valley community.

The work is expected to greatly decrease crop loss by flood waters over a 40,000 acre tract yearly.

Attending the meeting were John Howard, chairman, Elmer Kennedy and M. G. Cottingham, committee men; H. M. Breedlove, secretary; P. C. Bennett, project manager from the Vega soil conservation department; E. E. McBride, Memphis OOC camp superintendent; A. C. Robinson, agronomist; Nemo Knapp, conservation expert, Memphis.

## Wildcat Test Nears Oil Strata

The wildcat test well south-west of Hedley is nearing the Pennsylvania where oil in some quantity is expected. The structure is high, as compared with the Lelia test of some years ago. The depth at present is approximately 3300 feet.

## GAS HEARING IS AGAIN POSTPONED

### Next Step In Proceedings Expected Within Next Thirty Days

The Texas Railroad Commission's hearing on the City Gas Company-City of Clarendon natural gas rate controversy, scheduled for 10 o'clock at the City Hall here Monday morning, was cancelled and the company presented evidence to the commission at Austin, City's attorney W. T. Link announced.

Link said the hearing here was called off because the City Gas Company failed to obtain their expected new evidence. The testimony presented Monday by the company was from the United Gas Company books dealing with gas loss, etc. The United serves pipeline for the City Gas Company it is said.

The railroad body expected to make their decision from the record taken at the March hearing in Clarendon under the direction of Judge Owlin Culberson. Link believed at least 30 days would elapse before the commission announced their judgment.

Railroad commissioners E. O. Thompson, Lon Smith and C. V. Terrell were to be here Monday, and a banquet had been planned in their honor Monday.

## Vag Charges Filed When Two Bums Stage Strike

Vagrancy charges were filed this week against two transients who, according to sheriff Guy Pierce, staged a sit down strike in the town square, demanding that before they moved.

The two, according to Pierce asked for something to eat at the home of J. L. Kirby in Jericho. They refused to leave and jerked open a door when the house keeper denied them food. They were arrested by constable Arthur Brown.

## F. F. A. Meeting Will Be Held October 11th.

The second F.F.A. meeting of the year will be held in the Chapter rooms October 11, beginning at 7 p. m. 48 members attended the last meeting and an equally large number are expected to be present at the next meeting. Only paid up members are eligible to attend the meeting.

Plans are being made to present the gold F.F.A. key signifying honorary membership to Homer Mulkey at the meeting if he is able to attend.

## SCHOOLS CLOSE FRIDAY

Schools at Martin, Sunnyview and Ashtola closed Friday until after the cotton picking season. Cotton production is spotted even as to different sections of the county, and often vary on adjoining farms. This is said to be due to unfavorable growing weather the entire season.

## MACE IN HOSPITAL

Mr. and Mrs. J. R. Mace are in Amarillo attending their son, R. E. Mace of Albuquerque, N. M., who underwent a major operation in St. Anthony's Hospital Tuesday. Reports at this time indicate that he is doing as well as expected, but he is in a critical condition.

## Grand Jury Sessions Will Begin Next Monday

Members of the grand jury panel are L. E. Thompson, Buck Glass, R. H. Thomas, Edwin Baley, Walter Fraser, W. D. Franklin, Tom Tate, E. L. Lewis, J. H. McMurtry, C. H. Grooms, Van Knox, W. L. Goldston, J. A. Tollett, John A. Lemmons, Harvey Shaw and Clyde Hudson.

## PITTMAN JOINS GULF

L. L. Wallace announces in this issue of the Leader that Carl Pittman, auto washer and greaser deluxe has joined his force at the Gulf Station. Mr. Pittman has made auto, laundering and lubrication a study for several years, and is likely acquainted with hundreds of auto owners because of his skill.

## SMALLWOOD WILL PREACH AT LELIA

### Services Will Be Held In Second Baptist Church

Announcement is made that services will be conducted by Rev. Ernest Rippetoe Saturday night. Rev. Lafe Smallwood will preach at the eleven o'clock service Sunday.

Rev. Smallwood is well-known in this section having been in the grocery business in Clarendon within recent months. His father was a Baptist minister for more than a half century in Erath county.

A large number are expected to attend the services from Brice where Rev. and Mrs. Smallwood resided for several years.

## One Man Convicted On Lelia Lake Drug Store Theft

A man giving his name as Deafy McMury, was found guilty in County court here Tuesday on a petty theft charge in connection with the Lelia Lake Drug store robbery last week when wrist watches, an alarm clock and other articles were stolen.

The man was arrested in Pampa, according to county attorney R. Y. King, who said officers here obtained a tip from an unnamed person when McMury allegedly offered one of the missing articles for sale.

McMury was given a \$15 fine and a 30 day jail sentence by Judge Lowe.

Sheriff Pierce said this morning the woman allegedly with the three missing wrist watches, and an alarm clock, who was found on the street, had no charges filed against her when she remained in the car when the robbery occurred, Pierce said.

## State Aid Adjustment Will Begin Next Monday

W. T. Lofland, former superintendent of the Vernon schools, will visit the Donley county schools next week with a view of inspecting for state aid. He will begin Monday, Supt. Kavanaugh stated Tuesday.

## STOLEN CAR RECOVERED

An automobile stolen from Jack Latson last week was recovered during the week-end in Carey. Nothing was taken from the car and gasoline was left in the tank.

The car was taken Tuesday, Sept. 27, while parked in front of the Latson apartments.

## DONLEY COUNTY WILL EXHIBIT VARIED FARM AND RANCH PRODUCTS

### Visit Relatives In South Part of State

Returning here Friday, Mr. and Mrs. Homer Estlack and son, Allen Homer, were on their way home at Vernon after a trip that took them over much of the south part of the state. They visited Gene Estlack's family at Austin, and Mr. and Mrs. Phifer Estlack at San Antonio. A trip to the coast took them to Corpus Christi. On the down trip they visited the family of L. W. Boyd near Goldthwaite, Mrs. Boyd being an aunt of Homer Estlack.

This morning H. V. Crumley, pastor of the Church of Christ, came to the Leader office "all smiles." An assistant pastor, H. V. Crumley, Jr., weight seven pounds, arrived Wednesday afternoon at Adair hospital. Mother and babe doing nicely, and the preacher shows evidences of complete recovery.

## LIQUOR CHARGES

Della McCambell and Albert (Marble Eye) Boyd, both colored, were charged this week on liquor violations. Della McCambell pleaded guilty and Boyd is in the county jail in lieu of \$250 bond.

The Donley County Exhibit at the Golden Jubilee Celebration of the State Fair of Texas is being arranged today by J. R. Gillham, local chamber of commerce secretary and vocational agriculture instructor, and Led Jay, Clarendon College student. The exhibit will feature Donley County as a diversified farming area listing truck, cotton, small grains, grain sorghums, legume hays, ranching and Hereford cattle and Dairying as the chief agricultural resources. Conservation will also be featured in the exhibit with the contoured, terraced, strip crop, and deferred acreages being listed, the number of range dams, trench sills, and the approximate amount of silage stored will be listed on the background of the exhibit. The center of the floor of the exhibit will feature a miniature trench silt.

14 samples of eleven kinds of seed and grains will be shown; 8 types of grain sorghum, sweet sorghum, and corn samples will be shown in head and ear form; five forms of roughage will be exhibited, as will 8 kinds of vegetables.

The materials were gathered by members of the local F.F.A. and the grains for the exhibits were all hand picked. Wheat from the R. W. Moore farm tested 64 after being handpicked.

The exhibit will be in place when the fair opens October 8 and will remain until October 23rd.

# Clarendonites 'Kick In' Total of \$137,524.40 In Taxes Annually

Clarendon's tax burden, based on the Texas per capita load of \$49.90, is \$137,524.40, according to a survey by the National Consumers Tax Commission, which recently launched a nation-wide "war on taxes that penalize the consumer."

Texas residents, the commission reported from its headquarters in Chicago, contribute an estimated \$308,060,375 a year in taxes to local, state and national governments. More than 63 percent of that amount, the report stated, is paid "blindly" by Texas' shopping public in hidden taxes that increase the price of every purchase.

The survey was made public through Mrs. Kenneth C. Frazier, of Dallas, president of the commission. She is leading the commission's fight here with the cooperation of Mrs. Volney W. Taylor, of Brownsville, Texas member of the organization's national committee.

The commission's campaign by the women of the nation against taxes that "raid the family pocket-book" is receiving great impetus by the enthusiastic support of Texas housewives, Mrs. Frazier said.

"Most Texas residents," she added, "feel comparatively tax free because they pay little or nothing in direct levies, such as those on property and income. But the fact is, they, as consumers, actually pay a much larger share of the tax burden than is raised by the visible taxes. They pay through hidden levies that raise the price of all life's necessities!"

A drive is under way in Texas, Mrs. Frazier stated, to establish units in every city and town to join with other states in the crusade.

**TEMPLE OF TRUTH**  
By the Apostle

Just turn around now and then wipe your feet and you have the latest dance shown on the screen. That is if you are interested.

The girl who plays the piano by ear has nothing on the old man who fiddles with his whisks. And vice-versa.

Reading about these folks who jump or threaten to jump from the windows of high buildings, recalls an incident that happened in Amarillo. A man jumped from a window in the second story and lit on a pile of crushed concrete. After he regained consciousness, a man asked: "Why did you jump?" The victim turned up a face writhing with pain and said, "a woman lied to me!" Then the inquisitive one asked, "why would a woman lying to you cause you to take a jump like that?" The bleeding victim shelled down and said, "durn her, she said her husband was in Lubbock!"

Mrs. George Norwood was hostess at the first meeting of the Tuesday Contract Bridge Club this fall. She entertained at her home Wednesday afternoon.

Floyd Lumpkin, Simmons Powell, U. J. Boston, Sam Dyer, Forest Sawyer, Miss Nettie Sims and hostess, Mrs. Geo. Norwood.

The house was decorated in beautiful fall garden flowers. In the games Mrs. Joe Bownds won high for members, Mrs. Forest Taylor high for guest, Mrs. Floyd Lumpkin cut.

**MELBA RUTH GRADY ENTERTAINS**

Melba Ruth Grady entertained a number of her friends with a party at the home of her parents, Saturday afternoon in celebration of her ninth birthday. Various out-door games were played during the afternoon. Refreshments of ice cream and cake were served.

A delicious refreshment was served to members, Mesdames Tom Murphy, H. M. Breddlove, Sam Cauthen, Joe Bownds, Paul Slaton. Guests, Mesdames Frank White Jr., Forest Taylor, B. P. Brent, Rufus White, A. W. Hicks of McLean, Alfred McMurry, Jimmy Miller, Allen Bryan, B. F. Kirtley,

A number of lovely gifts were received by the little hostess. Favors of all-day suckers and bouncing balls were given the guests. Guests, Patricia Molesworth,

Ruth Patman, Guida Meryl Miller, Elise Norwood, June Atteberry, Mary Ann Brumley, Kathleen Grady, Dewey Tom Heath, Max Keys, James Wesley Palmer, Manley Bryan, and hostess, Melba Ruth Grady.

**PATHFINDER CLUB**

The Pathfinder Club held the first meeting of the year in the form of a 7 o'clock dinner at the club room Friday, Sept. 30th.

The hostesses for the occasion were Meses. Bigger, Goodner, Boston, Landreth, Barcus, Thompson, Cox and Miss Harris, who served a delicious 3-course meal from one large beautifully appointed table.

The center-piece was a beautiful bowl of large pink dahlias. Two other bowls of small pink dahlias and rosebuds and a trailing vine of pink artistically placed completed the table decorations.

Bowls of garden flowers and fern added their vote of decoration to the room.

During the dinner hour an orchestra, composed of Mrs. Allen Bryan, Mrs. Marvin Warren, Mr. and Mrs. Sam Cauthen, Murrell Landreth and John Burton King played softly and sweetly.

The retiring president, Mrs. Joe Goldston was toastmaster and in the course of her speech, she presented each of the retiring officers with a handpainted picture in appreciation of their loyal support during the year.

During a short business session the minutes of May 12 were read and approved and an interesting history of the past year's work was read by the historian, Mrs. C. B. Morris.

At this time the broadcasting station K-L-U-B was tuned in and Mrs. C. T. McMurry in a few well chosen words introduced Mrs. Goldston who in turn introduced the new officers over the air enumerating their various duties in a humorous vein and presenting each with a symbol of her office.

The following were introduced, Pres., Mrs. B. L. Jenkins; vice-pres., Mrs. C. T. McMurry; Recording secy., Mrs. Simmons Powell; Corresponding Secy., Mrs. Ed Dishman; Treasurer, Mrs. C. B. Morris; Parliamentarian, Mrs. H. T. Burton; Historian, Mrs. A. T. Cole.

Mrs. Jenkins, in making her speech of acceptance expressed her love and appreciation for the Pathfinder Club in a splendid way, and asked the support and co-operation of every member in making the coming year a successful one.

There were 36 active members and 8 associate members present. Mrs. Geo. Dugan of Greenville was a guest.

**CHRISTIAN ENDEAVORS**

The Senior Christian Endeavors of Clarendon motored to Claude Sunday evening for a joint service with the young people of Claude, Conway and West Amarillo.

A steady stream of sentiment-stimulation comes from the Government to increase their natural willingness to do this.

The need for American dollars is a powerful factor in Japan's precarious financial structure.

**Credit Purchases Restricted**

In the United States, where Japan buys most of its necessities, its purchases on credit have been greatly restricted. Japan is paying cash for most of the airplanes, munitions, oil, cotton and machinery that it gets and to do this it must buy dollars with its yen.

At the same time it is meeting the interest of \$316,000,000 obtained from American investors before the war began by bonds sold on the American market. They represent national, municipal, government-guaranteed, and privately guaranteed corporate issues.

Adding a final touch to what appears to the picture, Japan's exports have shrunk by some 20 per cent and commodity prices have risen.

Germany and Italy, Japan's "anti-Communist" allies, are in no position to help with credits because

they need cash just as badly as Japan does. Nor is the rest of the world eager to give raw materials or manufactured goods on a pay-after-the-war basis.

**Four Sides of Picture**

There are four sides to the Japanese financial picture today: heavy inroads on resources, greatly increased taxation, restriction of imports to the barest necessities,

## PIGSKINS PARAGRAPHS

By DICK COOKE

There were guesses and guesses last week but in the main they picked the wrong winners. In fact there were only eleven contestants picking the right teams. Out of that number, Bill Alexander won the Bryan Clothing Co. award with a total points of 95, just one short of the actual total. The right figure was 96 points.

tical guesses of 99 points each were Ralph Grady and Harry McCracken. They divided the Douglas and Goldston and Shaver and Whitlock prizes.

Bill Weatherly picked the exact total but had a couple of teams out of line so he was left on the side line.

Now for the next contest and here they are:

- \*Shamrock vs. Lefors.
- \*Wellington vs. Hollis.
- \*Clarendon vs. Mobeetie.
- \*McLean vs. Altus.

\* Indicates where games will be played.

The Clarendon junior high school Colts won their way into local fans' hearts with a splendid

exhibition of football last Thursday afternoon at the local field.

This department was not represented (only by Buddy Knorpp) but the praises poured in from every source. The kids really do play good football and deserve the support of the local fans.

### JAPAN RATIONING—

and rigid control of domestic finance.

Economically, Japan is like a sailor in an open boat—but with a fair-sized cask of water.

The nation catches a little rainwater in the form of gold production and some export revenue. But mainly it is living off its stores and will not sight land until the China war ends.

Japan grew prosperous while others fared badly in the years from 1931 to 1934 which brought depression to the rest of the world. With cheap labor and cheap goods it flooded world markets. The reserves accumulated in those days are financing the war today.

The empire's gold production, operating under full steam, is about \$75,000,000 a year. In about the first four months of this year Japan shipped abroad \$33,500,000 in gold for cash purchases—a drop in the bucket. A whole year's gold output would carry the country only two weeks in the war costing \$5,000,000 a day.

#### 10 Per Cent Tax Rise

The total average increase in taxes is almost 10 per cent. Ordinarily Japanese tax-payers put \$500,000,000 annually into the Treasury, and on May 16 the Finance Ministry announced that the "natural increase" in revenue had reached \$43,500,000. There are scores of new special taxes and income taxes have increased more than 10 per cent on an average.

Rigid import control started last October, when the Ministry of Commerce and Industry listed nearly 700 articles which could be imported only by special permission.

Importers say such permission is

### Broncs-Memphis at Top of Conference

#### Idle Rockets Firm In Full Season Standing; Ponies Second With 500%

The Memphis Cyclones swirled around the Lakeview Eagles last Friday night to gain a tie for first place conference standing with Clarendon. The victory also marked the first win for the Hall county boys out of three starts.

Although idle Friday, the Wellington Skyrocks continue to lead the south half in full season standing with their three wins and no defeats. Clarendon, also idle, held on to their second place position in the full season standing.

Up in the north half, Lefors was bounced around by Wheeler to not only lose their perfect record in the full season percentage column, but had to take a conference loss at the same time. Shamrock went into the undisputed lead of the north circuit with their one conference win over Mobeetie, Sept 23.

With a smashing 25 to 0 victory over Canyon, McLean has a clean slate in season standing. They have not yet played a conference tilt.

#### The standings:

SOUTH					
Full Season					
Team	G	W	L	T	Pct.
Wellington	3	3	0	0	1000
Clarendon	2	1	1	0	500
Memphis	3	1	2	0	333

almost impossible to obtain.

#### Money Controlled

Inside Japan, money is controlled down to the last sen. It passes around in a small circle, from Government to industry (particularly munitions) to laborer and back again to Government in the form of personal and corporation taxes and national bond issues.

The whole problem is to keep money from leaving the country, except for absolute necessities that Japan lacks. Foreign goods, such as movie films, can't come into Japan except on a tiny quota basis.

### Bronchos Are Set For Mobeetie Here Tomorrow Night

#### Hornets Expected To Be Tough, According To Comparative Scores

After a weeks lay-off, the Clarendon High School Bronchos are pointing for their second victory of the current football season when they meet the Mobeetie Hornets at the College Field here Friday night at 8 o'clock.

The Hornets may be hard to stop, if you take the dope route, which shows that although they have lost three out of their four games today, they stubbornly held the Wheeler Mustangs to a tie. Wheeler is the champion dope up-setter in the north half of district 3-B and last week-end wrecked the Lefors Pirate schooner to give the Buccaneers their only 1938 loss.

The Hornets also held the Pirates to a 0 to 13 loss the week before Lefors downed Clarendon 26 to 6.

The Bronchos are expected to show much improvement this week, a smoother attack and a stronger defense.

#### 3-B RESULTS

Shamrock 19, Canadian 0.
Mobeetie 0, Perryton 32.
Memphis 18, Lakeview 7.
Lefors 0, Wheeler 12.
McLean 25, Canyon 0.
Groom 27, Miami 0.

#### Groom Wallops Miami 27 to 0

GROOM, Oct. 2.—The Groom Tigers opened the 1938 conference season Friday with a 27 to 0 win over the Miami Warriors.

Staging a powerhouse attack thru the Warrior line, the Tigers opened early with Keuhler taking a lateral from Brittain for the first score. Lack added two touchdowns on power plays and Black made it four with another rush through the line.

The Tigers will play Claude in another conference game next Friday.

The Clarendon Junior High school Colts took the bit in their mouths Thursday afternoon and tramped the Memphis juniors 21 to 0 in a fiery grid tilt at the College field here.

Featuring brilliant ball handling on tricky reverses and excellent blocking, the colts had little trouble in gaining an early margin. Johnson scored early in the first quarter. He also carried over for the extra point.

The second Clarendon counter came in the third frame after a scoreless second quarter. Johnson again went over after a beautiful pass to Allison left the ball on the Memphis 2 yard line. Johnson again went over for the conversion.

The last Colt tally was rung up in the fourth period with Smith going over from the 2 yard stripe. Johnson hit the line for the extra mark.

The Memphis offense was stopped by the smashing tackling of the high riding colts. The Hall county boys only registered two

first downs for the afternoon. Clarendon marked up 12 firsts with 3 in the initial period, 3 in the second frame, 2 in the third quarter and 4 in the final.

The colts were sparkling all during the fray. They played hard, smart football reflecting heads-up generalship and drilling that would credit many an older club.

The Clarendon line-up: Ends, Spier, Thornberry; tackles, Beard, Spencer; guards, Cornell, Adams; center, Thompson; half backs, Allison, Smith; quarter back, Johnson; Full back, Ryan.

#### MEMPHIS WINS

MEMPHIS, Oct. 5.—Memphis scored once in the second, and twice in the third quarters to down the Lakeview Eagles 18 to 6 here Friday night and go into a tie with Clarendon for the first place in south half of district 3-B.

Watson for Lakeview scored in the fourth from the 18 yard line.

### Panhandle Scenes Show Ancient Past

What marine life was like in the Southwest during the Devonian era about 400,000,000 years ago is shown in a new habitat case completed under the direction of Prof. C. Stuart Johnston of West Texas State College.

The case, located at the Panhandle-Plains Historical Society Museum, shows models of the earliest known vertebrates. The fish-like animals were the ancestors of modern backboneed animals. Also shown are starfish, snails, sponges, and some plants, all in natural size. There were no birds in those days, and no land animals excepting a few like centipedes and scorpions. In the latter part of the period depicted began the development of land plants and four-footed amphibians.

Prof. Johnston made the models. Much of the work on the case,

however, was done by G. F. Sundstrom of San Antonio. Some of the painting of the background is by Mrs. J. A. Hill. Another similar case completed some time ago shows animal and plants of the comparatively recent Middle Pliocene epoch—about 5,000,000 years ago. In it are seen dog-like animals, saber-tooth tigers, and huge elephants.

Thirteen other cases must be constructed to show the development of plants and animals from their earliest known existence to the present. This work is being facilitated through WPA scientific projects sponsored by the College.

#### LEANING ON MY HOE

By Annie L. Towler

There's much that I remember  
When I'm leaning on my hoe—  
The happy days of boyhood,  
Old friends I used to know,  
My old home in summer time,  
My school days, my chum—  
For when I'm leaning on my hoe  
These dear old memories come—

The creek below the corn field  
And the deep old swimming pool,  
The swing 'neath the apple tree  
In shade so dense and cool,  
My mother in the doorway  
Her brown hair aglow—  
Oh, there's much that I remember  
When I'm leaning on my hoe.

#### GOOD NEIGHBOR POLICY.

Ft. Worth wanted West Texas to help them dig out the Trinity, root and branch and make a sea-going affair of it. The West Texas Chamber of Commerce readily agreed to lend its resources. You could hear the steamboat whistles at this point, Wichita Falls protests to the contrary notwithstanding.

Then there came up the matter recently of locating a veterans hospital. Old Ft. Worth, in cahoots with Dallas, did her best to swing all the hospital down there. In fact West Texas was said to have a healthy climate to the extent that no hospitals are needed out here.

That move made West Texans suspicious again. That feeling of resentment is an annual affair, and this year semi-annual, but it does not mean anything.

Now comes one Amon Carter to Amarillo offering to move Amarillo down to Ft. Worth where they already have an airport, something that Amarillo considers minus in her civic assets just at this time. About the time that Amarilloans get ready to accept the generous offer of Samaritan Carter, Dalhart will be heard from. Dalhart will likely file claims to everything that Amarillo has taken from her when they find out that Ft. Worth is taking the plains metropolis for a ride.

The moral of this story is: Ain't it great to live in a small town that nobody wants!

### "ALEXANDER'S RAGTIME BAND" BEGINS A SECOND HIT CAREER

"Alexander's Ragtime Band," the song which Irving Berlin wrote nearly thirty years ago and which has lived long enough in popular

fancy to become a genuine American folk song, forms the theme of the Darryl F. Zanuck 20th Century-Fox production which bears the song's name.

The film opens at the Saturday night prelude at the Pastime Theatre, with Tyrone Power, Alice Faye and Don Ameche in the starring roles.

While it revolutionized the entire popular concept of dancing and singing in 1911 - - - and is generally admitted to have begun the ragtime vogue which has since passed through the eras of blues and jazz to current "swing" - - - there are a number of interesting facts in connection with the song itself.

Originally written by Irving Berlin as "Alexander and His Clarinet." The song had no words. Revamped and lyricized for a Friars Frolic in New York in 1911. First sung in public in 1911 by Emma Carus in Chicago.

In 27 years, to date, has been given 10,000-odd performances. In the motion picture it will give more than 60,000 performances within a year.

At the peak of its career the song sold 2,000,000 copies of sheet music - - - its staggering total over 27 years cannot be learned.

Irving Berlin did not own the copyright to the song until 1925 when he bought it. The author and composer was paid \$25 a week when he wrote "Alexander's Ragtime Band."

He since has written 600 songs which have aggregated more than 60,000,000 copies of sheet music.

### Blind Banker Sculptures Dinosaur In Wire

Mark Shoemith, America's famous blind sculptor, inspects the wire dinosaur by Berthold Ordner, blind Viennese artist.

ALTHOUGH blind, Berthold Ordner has accomplished the unique feat of creating a new type of sculpture. A "wire-plastic" dinosaur, 26 inches long and 12 inches in height was fashioned by Ordner by hand with no tools other than pliers and wire cutters. The figurine has just been purchased by the Sinclair Refining Company of New York, as an addition to its large collection of dinosaur models.

Ordner, a banker, developed his new art, "wire-plastic," as an escape from despair when his eyesight failed him in 1929. He found not only an escape but a new life. After trying many mediums, he evolved

the new method of forming figures by twisting and looping wire over a frame. He is able to achieve a remarkable feeling for form and texture through his use of twists and loops and through blending different types of wire. Figurines modeled in this manner by Ordner are considered by experts as showing high artistry.

The National Bureau for Blind Artists, with headquarters in New York, aided Ordner in locating a client for the dinosaur piece. The Bureau is very much interested in Ordner's work, believing it disproves the common impression that sculpturing of any kind is impossible for blind persons.

#### TROUBLES

There's times, when things are upside down.

I'd like to get away,  
And leave them all a-standing there

Until some other day.  
But seems, that trouble grows with time.

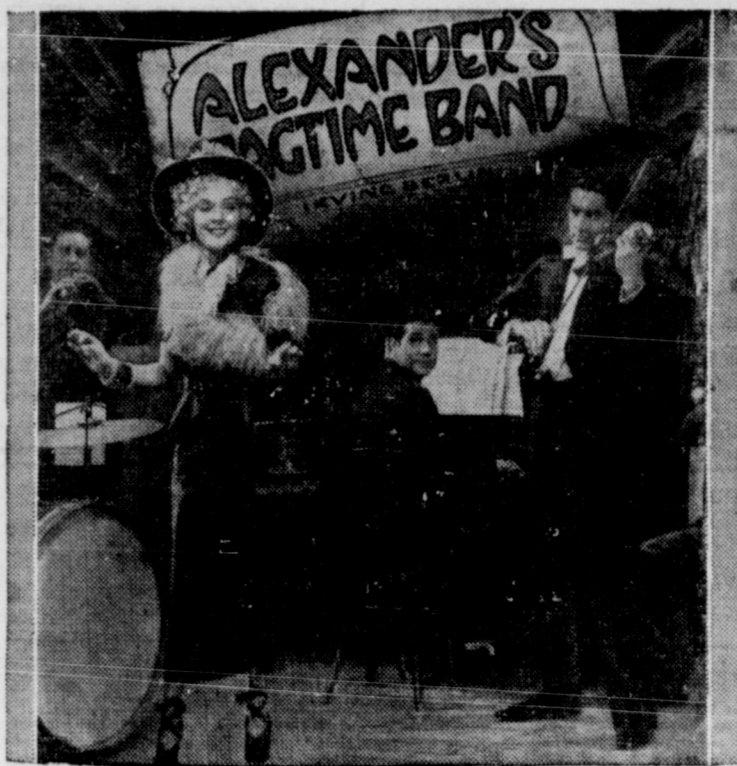

The same as anything;  
It sort of sprouts and goes to root

Instead of taking wing.  
And, so, I guess my Dad was right

When long ago he said,  
"If trouble gets to pushing you,  
Dont run, but fight instead."

Mrs. J. L. McMurtry and brother and wife, Mr. and Mrs. Dodson of Lawton, Okla. visited in Pampa Tuesday.

Frank Jones and R. O. Proffitt were up from the Hedley country Tuesday. Both men report a fair sized yield though flood cotton coming along slowly.

An American cavalcade of love - - - and melody - - - and stirring events, Irving Berlin's "Alexander's Ragtime Band," 20th Century-Fox production, stars (left to right) Alice Faye, Don Ameche, and Tyrone Power, coming to Pastime Theatre, October 8-9-10th.

#### THE SUPREME LAW OF BANKING

This Bank has always welcomed constructive legislation for its own sake and for the sake of its depositors.

In the midst of today's discussions about banking laws—it is well to keep in mind the fact that no legislation can take the place of honesty of purpose and a strict adherence to the highest standards of banking practice. The unwritten law of character is still the strongest of all.

The interest and importance of Biology is usually a matter of opinion among students. Personally, I think it is very interesting and holds a place of unusual importance. For those people who are in constant doubt and argument over evolution, it is especially interesting.

Biology is the study of things that are alive, both plants and animals. Man lives in a world filled with living things. Some are his friends and some are his enemies. It is essential, if he is to be master of this world, that he should understand the living things that are around him.

Everywhere about us Nature reveals her secrets, her beauties, and her activities. Of special interest are the living things, the plants and animals, for they are always doing, going, growing. There is nothing more interesting in life than life, and yet we know so little about it. It is perhaps the greatest riddle of the universe. Whether the riddle of life will ultimately be solved is a question which everyone would like to answer but only the rash would attempt to predict.

All the remarkable progress in biological information has come through the painstaking observa-

tions of many scientists, who by their contributions have made the world a better place in which to live. But in our zeal to apply these brilliant discoveries to human welfare, we must not overlook the beauty of biology; and as we attempt to understand life, let us not miss the delight that comes from simply knowing animals and plants in our homes.

Biology will take its recognized place as a valuable subject in training only when teachers require accuracy of observation. It is possible to learn much about our own lives from the study of animals and plants, but trustworthy conclusions can be formulated only from reliable observations.

College Biology students have three lecture periods and two laboratory periods each week. The laboratory is fully equipped to meet all problems and experiments of everyday Biology. The laboratory is also a very interesting one, containing various preserved mammals which have been collected by the students. These mammals have been dissected, and are very interesting for anyone to see. Man, in his opportunities and responsibilities of life must know life and its functions; thus, we have the importance of Biology.

**PIONEER PRINT SHOP AT MUSEUM**

An oldtime printing office, complete even to the dirty apron, coal oil lamp, and spittoon, will be placed soon in the museum of the Panhandle-Plains Historical Society on the West Texas State College campus at Canyon.

Gathering of materials has been begun by Frank Hill, Tahoka newspaper man who is pushing the project, and Clyde W. Warwick of Canyon, secretary of the Panhandle Press Association.

An old G-Wash hand press formerly used by the Canyon News is one piece of equipment already available. The sponsors are assembling eye-shades, type-sticks, old type, nail kegs, and other objects of pioneer journalism.

Pictures of oldtime and present day publishers and editors are being sought in connection with the same exhibit.

**Homer Mulkey Is Elected Honorary Member of Clarendon F. F. A.**

Homer Mulkey, owner of the Pastime Theatre, was signally honored by the Clarendon F.F.A., this week, when he was elected an honorary member of that organization. Mr. Mulkey is the only man who has been selected as an honorary member for the past two years. His selection was based on his interest in the F.F.A., and his untiring efforts to aid the boys in increasing interest and securing better work throughout the organization. To use his own words "I am 100 per cent for the boys" plainly states his relation to the group.

Mr. Mulkey will be presented a gold key signifying this honor at an early meeting. He will be the only man in Clarendon to ever receive such a key. Plans are being made to present the key at the meeting October 11th if Mr. Mulkey is able to attend the meeting.

**F. F. A. to Exhibit Pigs And Poultry at State Fair**

For the first time in local F.F.A. history, Clarendon will have an exhibit of club pigs at the State Fair. Joe Williams will exhibit 2 Duroc Jerseys, Pete Morrow will exhibit 5 Hampshires, Carl Morris will show 8 Hampshires, Harice Green will show one Poland China, and Ray Isham will show a litter of six. Carrol and Clyde Peabody are expected to enter pigs, but the number has not been decided.

Carl and Russell Morris will enter their White Orpingtons and Columbian Wyandottes in both the open and club division of the poultry show. Pete Morrow will enter his brown leghorns in the club division, and Lowell Primrose expects to show his white langshans in both the club and open divisions.

**Local VA Department To Exhibit Ribbons**

Approximately 300 ribbons won last year by the Clarendon vocational agriculture classes have been assembled and are on exhibition in the local F.F.A. chapter room.

Members exhibiting ribbons are Eugene Putman, Johnny Leathers, Joe Williams, George Moore, Pete Morrow, Carl Morris, Russell Morris, Darrell Bailey, Earl Barker, Homer Speed, Junior Spier, Harice Green.

The chapter this year are pointing toward more prizes. Livestock will be taken to the State Fair, Dallas, Amarillo and Fort Worth shows and the local March exhibit.

**August Has Decrease In Traffic Fatalities**

Mr. and Mrs. J. R. Bartlett and family visited in Hollis, Okla. Sun.

Texas gained its sharpest drop of the year in street and highway traffic fatalities in August when 112 persons were killed by this type of violence, only 83 of which, however, occurred on the open highway—cities and urban traffic accounting for the balance, according to state police statisticians.

Although this was a saving over July of 27 lives, safety officials predicted that the death tolls will begin to rise after September's fatalities are counted. There has been a seventeen per cent decrease in deaths this year compared with the same period in 1937 when an all-time traffic record was made in the killing of 2,043 persons in the calendar year.

The death list for the first eight months of this year has reached 1,027, the statisticians reported. August records showed that 1,282 persons received injuries in collisions, which was more heartening to state police, for July reports listed 1,454 injured persons. This indicated, safety experts said, that drivers are operating at lower speeds causing less impact in crashes.

State officers deplored the large pedestrian death rate that reached 25 during August. One hundred twenty-seven pedestrians were injured, many of them critically. Accidents in which only vehicles were involved snuffed out the lives of 38 persons and injured 734. Three were killed while riding bicycles and two at railroad crossings.

With all Texas schools in full swing a sharp warning was repeated by Captain Homer Garrison, Jr., assistant state police director, to drivers, pedestrians and school children to use caution in order to avoid a repetition of the many fatal vehicular assaults in the vicinities of schools last year.

State patrolmen, Captain Garrison declared, whose forces have been augmented with additional men since last June, will be particularly alert for reckless and drunken drivers going to and from football games and at other events that cause highways to be crowded.
