## Man Arrested for Burglary, Hangs Self

A New Mexico man who had just been arrested for burglary hung himself in the Donley County Jail in the early hours of the morning of February 14.

About 10:05 p.m. on Thursday, February 13, Billy Chadwick, Michael Williams and Jared Estes stopped by the sheriff's Office to report that there was a truck parked in front of Dude Cornell's Shell service station and someone was inside the station. They described the truck, a semi-trailer, milk tanker.

Law enforcement personnel immediately went to the filling station, but the burglar and the truck were gone. The front door was broken and several items were missing. They Sheriff's Office notified surrounding counties.

Officers in Memphis stopped a milk truck and notified Donley County. The driver refused to give permission to search the truck, so Sims Goodall, investigator for the District Attorney secured a search warrant. Investigators found several tires, some merchandise and a small amount of cash from the Clarendon Shell Station. The driver, Conrad Romero, 35, of Rio Rancho, New Mexico was arraigned in Hall County, then transferred to the jail in Clarendon at approximately 1:00 p.m.

Officials in the jail report that Romero appeared calm. He read a book in his cell until at least 3:30 a.m., when Deputy Charles Blackburn made a routine check on all the prisoners. None gave any evidence of anything out of the ordinary. But sometime before 6:00 a.m., Romero apparently hung himself on an electric extension cord.

The Sheriff's Office immediately called the District Attorney's Office and the Texas Rangers and requested an official investigation. They also asked for an autopsy.

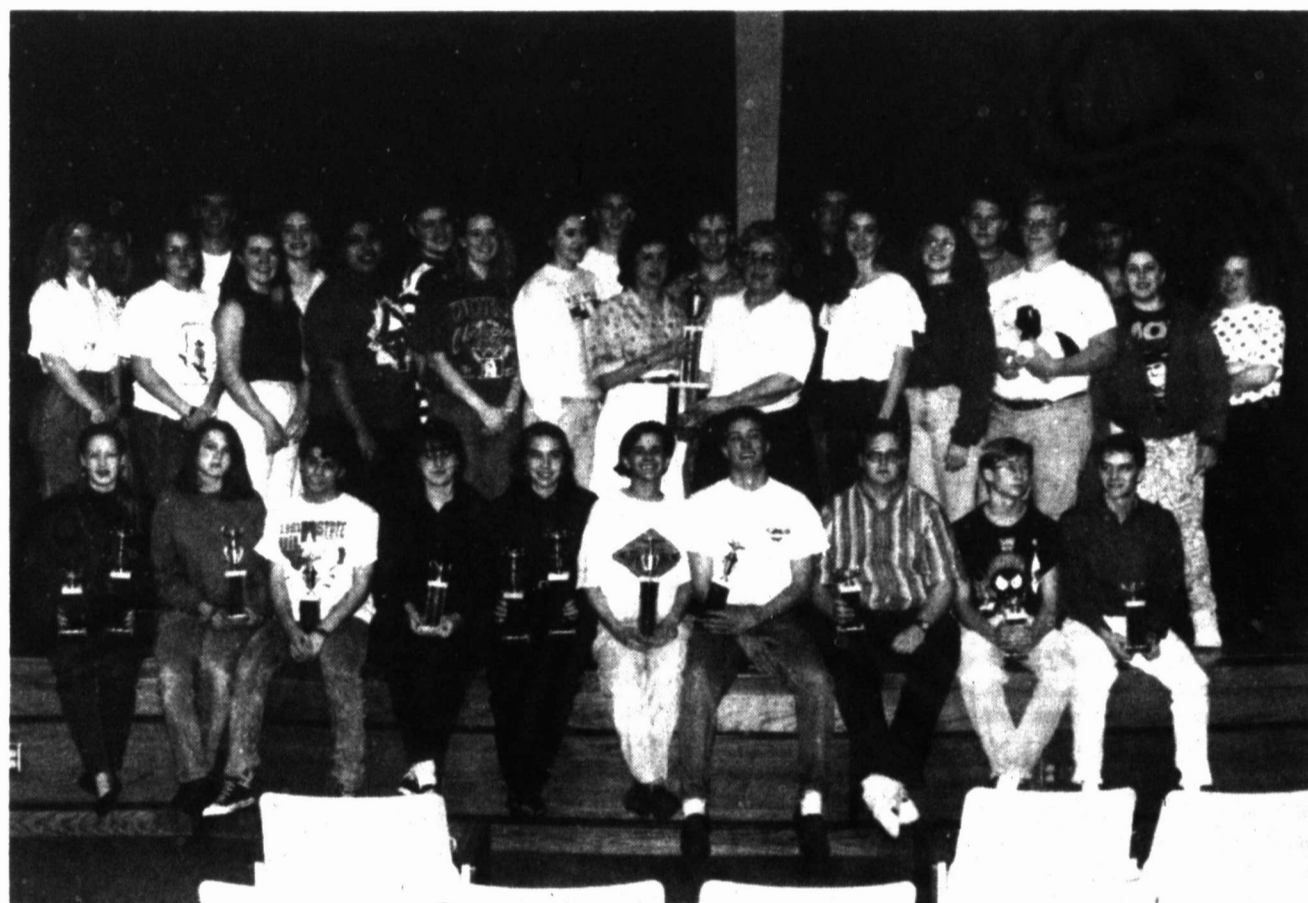

## Grant Awarded To Water District

The Texas Water Development Board awarded Panhandle Ground Water Conservation District No. 3 a \$11,787, 75-percent matching grant to be used for the purchase of water quality testing and mapping equipment and for training. The District covers an area of approximately 3000 square miles and includes all or portions of Potter, Armstrong, Carson, Gray, Roberts, and Donley Counties.

## SWCD Taking Orders For Seedling

The Donley County SWCD is still taking orders for trees. Protect your home and farm from dust storms and harsh winter winds. A homestead windbreak can save up to 30% on home heating and cooling costs. There has been good response this year for trees, however, the SWCD still have a fairly good selection on hand. Please feel welcome to come by the Donley County Soil Conservation office for further information.

CLARENDON'S TROPHY-WINNING UIL TEAM: (front row) Beth Barbee, Jennifer Simpson, Charlie Smith, Tony Breitling, Megan Williams, Danny Smith, Chance Fletcher, Chan Bilbrey, Lee Gage and Greg Collins; (second row) Stacey James, Suzzette Henson, Dorcas Osburn, Victor Ruiz, Dena Nazworth, Angie Kepley, Mrs. Hayes--UIL Coach, Mrs. Stavenhagen--UIL Coach, Tessa Fletcher, Lisa Hill, Buddy Howard, Richard Corder and Haley Hamilton; (back row) Conrad Jaramello, Ron Suito, Kristi Shults, Kevin Judd, Scott Hankins, Stephen Bivens, Tim Landon, Stacey Alexander, Luis Camacho.

## Filing Period Opens

Area municipalities and boards will hold elections in May, but candidates must sign up soon if they wish to run. Filing opened on Monday, February 17. The last day to file will be Wednesday, March 18. The following offices (in alphabetical order) will be up for election. Many of the incumbents now in office may run for re-election.

The city of Clarendon has three slots coming up to vote. Those places are currently filled by Aldermen Steve Smith (now Mayor), McKinley Smith and Bobby Kidd.

The city of Hedley will be electing a mayor and all five councilmen.

The City of Howardwick will have three positions coming up, those now occupied by Nancy McClintock, Clayton Srygley and Robert L. Hall.

The Clarendon Consolidated Independent School District will have four positions up for election. These include the places now occupied by Venita Sharrar (who has moved to Perryton), Phil Fletcher, Derlene Graham (filling the unexpired term of Chris Matthews), and the place now occupied by Johnny Floyd.

The Clarendon Junior College District will elect regents to fill the slots now occupied by Leo Smith, James A. McAnear, Sr., and Jiggs Mann. The Donley County Hospital District will elect four directors, for the positions now held by Johnny Leathers, Wanda Dromgoole, Connie Pitts and Jim Cockerham.

The Hedley School Board will be electing several trustees, but details were not available at press time.

Many of the incumbents now in office may run for re-election. Citizens who would like to sign up to run for office may do so at the office of the entity that will hold the election.

The District will purchase a Geographic Information System to locate wells added to the District in January 1991 in the newly acquired portion of Carson and Donley County. The District will also use some of the grant funds to upgrade their in-house water quality lab. The Board is authorized to use proceeds from its Agricultural Trust Fund for grants to local conservation districts in order to assist them with agricultural water conservation and water-quality testing programs.

Most of these other schools are considerably larger than Clarendon.

## Good Gardens Start Now!

Area residents who are having trouble growing petunias, tomatoes or a variety of other garden plants may have soil infested with verticillium or fusarium organisms. These diseases are commonly called "wilt", but are caused by micro-organisms harbored in the soil.

Randy White, of White's Feed and Seed, cautions that it is time now to treat for such pests. Vapam, a soil fumigant--when properly applied--will help control wilt, as well as weed seeds, insect eggs and other pests. However, Vapam must be applied four to six weeks before planting. That means that gardeners must treat infested soil now if they want to plant at the normal spring planting time.

## Cancer Board Meets

The Donley County Unit of the American Cancer Society met in regular session at the Hospitality Room of the First Bank and Trust of Clarendon on February 10, 1992. President Genevieve Caldwell called the meeting to order. Paul Bivens read the treasurer's report and Helen Estlack read the minutes of the previous meeting.

Jeff Walker, who serves the district as Crusade Chairman, was presented a plaque for the Award of Merit for our unit. Discussion was begun for the 1992 Cancer Drive to be conducted the second week in April. Carol Grady consented to serve as Residential Chairman for the drive and Darlene Spicer will again serve as Business Chairman.

Amy Marshall, district Field Representative, presented a program on Nutrition for Better Health. The film "Eat Smart" stressed the importance of good nutrition as a boost to overall health and an aid in the prevention of many cancers.

# TRAX

## Transit Gets New Logo

Panhandle Transit takes on a brand new look February 24 when it becomes a member of the new statewide TRAX rural transportation network, announced Robert Whorton, Director of Transportation Department for Panhandle Community Services.

A new logo showing a friendly little bus zooming into the word "TRAX" will be incorporated into Panhandle Transit's advertising,

schedules, signage, vehicles, and other marketing materials.

The TRAX network is a new affiliation of all 40 existing rural bus systems across the state. Coordinated through the Texas Department of Transportation (TxDot), it aims to heighten awareness and use of public transportation services in rural areas, said Richard G. Christie, TxDot Director of Public Transportation.

A major advertising campaign will also begin for all TRAX systems in late February. Through a series of humorous spots, it emphasizes "when you've need to make tracks, TRAX can take you."

Locally, the statewide TV and radio spots will be supported by several promotions. Panhandle Transit will unveil a new bus with a new look and will have an open house at its new headquarters of-

ices located at 1309 W. Eighth, Amarillo, Texas, data yet to be announced.

"We're enthusiastic about the opportunity to let people know more about our services. It truly is for everyone in Clarendon, Texas and the entire Donley County area," said Robert Whorton.

"The TRAX network is a network in the sense that a person could travel across the state on several systems. Each system is still autonomous, serving its own citizens within specific geographic areas," he said, although we will inter-line with other common carriers such as bus lines and airlines.

Panhandle Transit has served the transportation needs of all twenty six counties in the Texas Panhandle area since 1984. Demand responsive curb to curb service with 24 hour advance notice required. The past year, ridership was 57,600 one way trips on the system's 30 vehicles.

Bus service on the Panhandle Transit is available 8 am to 5 pm Monday through Friday in most area locations, and the fare is 25 cents per mile to travel outside of any community, and 50 cents within any community. Call 806-874-2579 or 806-874-2606 for ride information, days of the week and ride information.

community who want to make a difference in the quality of life for the family and the community as a whole.

The workshops are conducted by highly trained extension educators who assist each participant in developing leadership and decision-making skills which they, in turn, teach to other community groups.

Dr. Judy K. Flynn, District Extension Director, said "Countless public policy issues affect the quality of today's family life in our area and people of the Panhandle care about those issues."

Developing leadership skills is essential, particularly for women, who are and want to become involved in the decision making process that drives all types of public policy, says Flynn.

The FCL program offers participants indepth training on ways to become agents for change and how to conduct group meetings. Other discussion topics include managing conflict, building coalitions and establishing teamwork. Proven techniques will be provided on handling group stress, motivating others for change, handling power, and talking to decision-makers. Speakers will discuss the use of persuasion, ways to develop listening skills, and the art of negotiating.

"This program works because participants completing the FCL Workshops are expected to commit 66 hours of community service activities and to teach others in their communities about leadership," (170 says Flynn).

Sponsors of the program are the Texas Agricultural Extension Service, Texas Extension Homemakers Association, and the W. K. Kellogg Foundation. The workshops are open to anyone in the community, regardless of age, race, religion, national origin, sex, handicap or veteran status.

For information about the FCL program and workshop, contact: Dr. Judy Flynn at 806/359-5401, or Cheryl Pickard at 806/874-2142.

## GARDENS--from p. 1.

This is also the time to fertilize cool season grasses. White says, "We expect a bumper crop of weeds this year, due to the abundance of moisture during the fall and winter months." Some fertilizers have weed-controlling herbicides in them, or other herbicides may be applied separately.

Area residents with fruit trees will want to use a dormant oil spray soon, before bud break. These oils are not very toxic, but they do smother many disease organisms and insects eggs.

## CANCER SOCIETY--from 1.

Members present for the meeting were Genevieve Caldwell, President; Onita Thomas, Mary White, Jeff Walker, Helen Estlack, Darlene Spicer, Ann Luttrell, Carol Grady, Margaret Wells, Carroll Duncan, and Paul Bivens. Guests present were Glendora Green and Joe Wells.

Two New Ways of Delivering Medicines

Transdermal patches and implants represent two of the newest dosage forms prepared by pharmaceutical manufacturers. Both of these dosage forms work on the principal that a slow and constant release of active ingredients is a desirable feature for certain medicines.

Transdermal patches are similar to small bandages that contain medicine. When patches are applied to the skin, the medicine inside the patch flows through the skin into the bloodstream at a steady and predictable rate. The first medicine approved for skin patch application was scopolamine, an atropine-like medicine used to treat motion sickness. Scopolamine patches are placed on the skin just behind the ear and provide protection against motion sickness for up to three days. Nitroglycerin and other medicines are available in the form of skin patches.

Implants are surgically inserted under the skin to provide controlled release of active ingredients. A large amount of medicine is implanted for slow release. In 1990, the U.S. Food and Drug Administration approved Norplant, a contraceptive, for implantation. Norplant continuously releases small amounts of hormone. According to a recent issue of FDA Consumer, Norplant protects against pregnancy for a period of five years.

A big thank you to those of you who helped make our Bake Sale Saturday, a big success. Thank you to our staff and others who donated their time to bake and help set up in their store. We were able to raise \$287.50 for our residents which will go towards their recreational needs.

Friday, February 14, we celebrated Valentine's Day and there was standing room only as Mollie Dickson was crowned our Valentine Queen and Roy Blackman our King. Terra Putman accepted the honor as Princess and Tunnice Kent our Prince. Music was provided by "Panhandle Good Time" and everyone who attended enjoyed the afternoon.

BAILEY ESTES

## Birthday Celebrated

Mr. Bailey Estes celebrated his 70th birthday recently. It was a surprise celebration, February 8, 1992, at the Senior Citizens.

Hosts for the evening were his daughters and son-in-laws, Toza and Don Nelson of Lubbock and Melissa and John Butts of San Antonio. It was a complete surprise since the girls and families stayed at the Western Skies Motel. A live Western Band played and sang. Playing in the band were: G.P. Lee, Wes Thomas, Bud White, David Lane, and Bailey. The place was filled with many relatives and friends recounting events of the past. Do you remember when?

Bailey received many cards and good wishes including Junior Putman's "Hey, Bailey, do you remember when we didn't have these?" His daughters presented him with a new suit and a basket centerpiece containing replicas of his life, a fisherman, a hunter, an anvil, a bible, sheet music of "The Yellow Rose of Texas", money, a coffee pot, a boat, a guitar replica, music notes and a domino. The walls were beautifully decorated with banners and the tables had colorful fluorescent balloons and ribbons and streamers on them. They presented him with a memory book full of letters and cards and a video tape was played from his good friend Wayne Johnston from Alpine, California, telling a cute story of their adventures while in their teens. Wayne and a friend recorded some music for the party. He has his own band and is known as "Buck Wayne" in California.

linger. Having three brothers and a sister made for a full house. I attended school there and graduated from Tascosa High School in 1972. I went to work at various places until November 1972 when I went to work for Colbert's Clothing. I loved to swim, play baseball as well as other sports. I had an out of state scholarship at Panhandle State University in Goodwill, Oklahoma for the full semester as well as the hope of playing Pro Ball with the San Francisco Giants Farm Club in Amarillo. I was to have a try out with the team scheduled for July 9, 1974, but I never made it. On July 2, 1974 at 8 p.m., I didn't think to step into the pond and check the depth at Thompson Park. Instead I dove in head first and broke my neck leaving me paralyzed from the neck down for a period of time. I spent seven months in extensive therapy to which I began to see some movement for the first year. With continued therapy, I began to regain the use of my arms and was on my way back to a life in a chair, but a life regardless of how I was to live. I went on to graduate from Texas A & I University in Kingsville, Texas with a Bachelor's Degree in Art and Psychology in 1987. I then started working for my Administrator's License in long term care. I received my license April 3, 1991. Since finishing college I have not only worked in nursing homes, I have also been a resident in nursing homes. Having been a resident of many nursing homes, I feel I have learned the needs of the residents as well as the needs of a staff. I feel these experiences enable me to implement the major needs of our residents and help us to improve the quality of life for our loved ones.

I have to say that Clarendon is the friendliest town I have lived in by far and you have all made me feel extremely welcome here. One last thing I would like to say to our youth especially, if you want something bad enough, you can have it with determination and hard work and it will be very rewarding as I can tell you from my own experience. I wouldn't change my life in any way because I have learned many things that most people never have a chance to experience.

I again would like to invite all of you to come out and visit our home and help bring a little more joy to those who live here.

Thanks again for everything. Michael Hollinger, Administrator

## Revival Scheduled

First Assembly of God Church will be having a Revival, Monday, February 24 through Friday, February 28, with Evangelists Freddy and Clara Weaver of Bowie, Texas. Services will begin at 7 p.m. nightly. Everyone is encouraged to attend.

Brother Weaver will be ministering in music. He is a tremen-

dous pianist and has put Christian lyrics to many old Country and Western favorites. Brother Weaver will also be ministering the Word of God with an emphasis on Evangelism. Prayer begins at 6:30 p.m. each night. Come and bring someone with you that needs the Lord. Afternoon and Saturday. The lessons will be for two hours at a time. They will cost \$6.00 for the two hours. If anyone is interested please contact Jeanne Mondragon at 2320.

The students will learn many gymnastic stunts, how to train by stretching and getting in shape. It will be work and fun. Any future cheerleaders, twirlers, and athletes in general are welcome.

DR. GARNETT TEAKELL

## Deputation Services Scheduled

Dr. and Mrs. Garnett Teakell, missionaries to the Nazarene seminary of the Americas in San Jose, Costa Rica, are now on furlough and holding deputation services in the local churches of the Nazarene. They will be holding services in the Clarendon Church of the Nazarene, 3rd and Hawley, Tuesday night, February 25th, at 7:30 p.m.

Dr. Teakell is a graduate of Pasadena College (now Point Loma Nazarene College), where he received the A.B. and M.A. degrees. He has also earned the M. Div. and D. Min. degrees from the Nazarene Theological Seminary.

Mrs. Marilyn Teakell received her B.S. and R.N. degrees from Olivet Nazarene College (now Olivet Nazarene University) and has attended Nazarene Theological Seminary. While in Belize she received her midwifery training.

They were first appointed as missionaries to Belize from June 1957 to June 1978. Dr. Teakell served there in the fields of education and evangelism. Mrs. Teakell served as a nurse in the Nazarene clinic at Benque Viejo.

Since January of 1979, the Teakells have ministered at the Nazarene Seminary of the

Americas. During that time, Dr. Teakell has professor, and at various times has had responsibilities as registrar, academic dean and council treasurer. Presently he is the dean of the School of Theology and teaches in the areas of Bible and theology in both the residential and extension programs. Mrs. Teakell is the Seminary nurse and teaches health-related activities on campus.

Dr. and Mrs. Teakell are the parents of one son, Gariel Ruben. While on furlough, they are residing in New Mexico.

### Publications Available At Extension Office

by Tim Trimble

The Donley County Extension Office has available for farmers and ranchers the 1991 Farmers Tax Guide for preparing 1991 returns. Other available publications include Tax Guide For Small Business, Your Federal Tax For Individuals, and Package X, Volume 1 and 2, of informational copies of Federal Tax Forms.

Another publication that farmers can get from the Extension office is the Texas Commercial Motor Vehicle Drivers Handbook. Come by or contact the Extension office for one of these publications.

apparently causes some confusion about the need to file both reports," said Jim Talbot, Amarillo Social Security office.

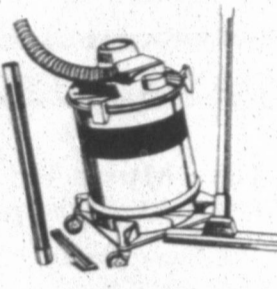

"Sometimes, Social Security beneficiaries think filing an income tax return takes care of the Social Security earnings report requirement," he said. "And while the IRS does share tax return information with SSA, the tax return does not provide all the information that SSA needs."

A second confusing area, according to IRS officials, occurs when Social Security beneficiaries

## Minutes

### Howardwick Council Meeting

February 11, 1992

The Howardwick City Council met in a regular session on February 11, 1992 at 7:00 p.m. in Howardwick City Hall. In attendance were Mayor C. Edwin Bills, Councilmen, Clayton Srygley, Nancy McClintock, Bob Hall, Weldon King, eight guest and City Secretary, Dianna Knight.

Mayor Bills called the meeting to order at 7:03 p.m. and welcomed all present. Invocation was given by Mayor Bills.

The January 7, 1992 and January 14, 1992 Minutes were read by the Secretary. Mayor Bills explained about our Workmans Comp. Insurance. Time sheets for the Maint. Man were revised to make it easier to audit this year for this insurance. In the January 14, 1992 Minutes concerning Mr. Kevin Thompson for Alderman, it was determined after the meeting he was not a qualified voter of the County, making this appointment null and void. After these explanations, Minutes were approved.

January Financial Statement was presented for Council's approval. Motion was made by Clayton Srygley and seconded by Bob Hall to accept. Motion carried.

Granting of Bills to be Paid: Motion made by Clayton Srygley and seconded by Bob Hall to pay. Motion carried.

Change of Council Meeting to 1st Tuesday after the 5th of each month. Motion made by Clayton Srygley and seconded by Bob Hall. Motion carried.

Petty Cash: Bob Hall made a motion to set an amount for Petty Cash and seconded by Clayton Srygley. Motion carried.

Employee Guidelines and Pay Raises: After some discussion, it was decided to check back in the minutes and find out what was

Roger Murphy attended Clarendon City Council meeting in February 11, 1992 in regards to work out a plan with the City of Howardwick on trash pick-up. They will let us know something later.

Doris Cain asked if they could park an R.V. Trailer on their lot in Country Club North during the week? The parking of any R.V. or trailer in a restricted zone is against Deed Restriction.

Road Grader: Received an estimate from West Texas Caterpillar on cost of repair to our grader. Clayton Srygley made a motion to table this matter and then call an emergency meeting if a grader was found. Motion carried.

Appointment of Election Judge and Alternate Judge: Bob Hall made a motion we appoint Lois McVicker as Judge and John McVicker as the Alternate Judge, seconded by Clayton Srygley. Motion carried.

Appointment of Alderman: Mayor Bills asked for nominations for Alderman. Weldon King nominated Mr. H.C. Clark, Clayton Srygley nominated Mr. Robert L. Thompson. Bob Hall moved nominations cease. Motion carried. Mayor Bills called for a vote. All for Mr. Clark, 2 votes cast, Weldon King and Nancy McClintock. All for Mr. Thompson, 2 votes cast, Clayton Srygley, and Bob Hall. With a tie vote, Mayor Bills cast his vote for Mr. Thompson, making Mr. Robert L. Thompson an Alderman for the City of Howardwick.

With no further business, Clayton Srygley made a motion to adjourn seconded by Bob Hall. Motion carried.

decided on Maint. Man for a pay raise. Guidelines for the Secretary are to be the same as Maint. Man as far as vacation, sick leave, and pay raise. It was decided that sick leave would accumulate from year to year but not payable on termination. Vacation pay would be for time earned but not used with no accumulation. Pay raise would be one year from date of permanent employment. Clayton Srygley made a motion to raise the Secretary to \$5.50 per hour seconded by Bob Hall. Motion carried.

Trash: Mayor Bills, Clayton Srygley, and wife attended a meeting in Clarendon on Waste Management. Several things found out, one being, it is against the law to burn trash inside the City Limits.

## SS NEWS--from p.4.

think that they do not need to file a tax return if their income is under the Social Security earnings limit --in 1991, \$9,720 for people 65 through 69; \$7,080 for people under 65. But there is no connection between the Social Security earnings limits and the requirement to file an income tax return.

A third confusing area arises when Social Security beneficiaries request an extension of the filing date for their income tax return and assume that they will also get an extension of the filing date for their Social Security earnings report.

this year. Carroll Duncan, the team sponsor, has coached several successful groups in the past.

## Class Studies Dinosaurs

This past six weeks, Mrs. Hankins' second grade class studied dinosaurs in science. Many things were learned about these reptiles of long ago; from their size, what they ate, where they lived, to that there are still many unanswered questions about them. To better help the class understand these animals, and their size, the pupils drew, to correct size, and colored two meat-eating dinosaurs. The smaller dinosaur was called Compsognathis, being only 12" tall and the Allosaurus was 10 ft. tall. The class also made a model of what it might have looked like during the time that the dinosaurs lived. Another interesting thing that was studied was how scientists find and put dinosaur bones together. To know about what it might be like to do this, the class went on a pretend dinosaur dig. What was dug was tried to put together and then draw in the rest of what the skeleton of this dinosaur might look like. Through this study we hope a few interesting facts and ideas have been learned, but also that a curiosity has been triggered to study and search out more about the reptiles of long ago.

### Thank You

We want to Thank each and everyone of you for the prayers, cards, food, flowers, and support you have so generously given in the loss of our loved one. We couldn't have gotten through without you. A special Thanks goes to Bro. Bob Gilpin, Mr. Jack Moreman's R.F.O. class, all the guys at Vaughn Hall, the ladies at The First Baptist Church, the Senior Class of 92, Steve Smith and Mr. Pat Robertson, whom we would have been lost without. We pray that God's Blessings will be with each and everyone.
