LVN Students Graduate

Clarendon College LVN students graduated Friday, August 17th in the Harned Sisters Fine Arts Center.

Mrs. Valorie Ashcraft provided the music for the processional and recessional. Mrs. Michele Jolly of Wichita Falls provided the special music. Dr. Phil Shirley was the featured speaker of the evening. The 1990 Valedictorian is Kari Hodges West, daughter of Mr. and Mrs. Larry Hicks of Clarendon. The Salutatorian is Sharla Fanning of Childress. The graduates received a school pin and diploma then recited the Florence Nightingale Pledge.

The graduates were: Kari Hodges West, Clarendon, Cathy McAneer, Memphis, Kelly Nickens, Sedan, Mary Murphy, Pampa, Sue Branum, Wellington, Tammy Hall, Amarillo, Patricia DeBose, Wheeler, Sharla Fanning, Childress. The instructors are Carole Ward, RN and Judy Presley, RN.

The Vocational Nursing Graduates received their hospital experience at one of the following hospitals: Family Hospital Center in Amarillo, Hall County Hospital in Memphis, and Collingsworth General Hospital in Wellington. The graduates will take their state board exam in October.

A reception followed in the cafeteria with refreshments of punch and cookies. The centerpiece for the table was donated by Carroll's Flowers of Wellington.

MDA Funds Raised

Clarendon citizens raised approximately \$1,894.00 in pledges and special events during the 25th annual Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association. In the Panhandle area a total of \$100,000 went up on the toteboard and nationally over \$44,000,000.00 was pledged.

Hosted again by Jerry Lewis, MDA National Chairman for 41 years, the 21-1/2 hour entertainment marathon featured some of the most popular personalities in show business including stars of TV, film, stage and the concert world-- all of whom contributed their talents to help in the fight against some 40 neuromuscular diseases.

KFDA-TV carried the local portion of the show which was aired live from the Howard Johnson Plaza Hotel and began at 8:00 p.m., Sunday night and went off at 6:00 p.m. Monday.

Special MDA events coordinated by the pledge center during Labor Day Weekend included: Fire Dept. Fill The Boot, & Labor Day Rest Stop by Clarendon Firebells.

The Association currently sponsors some 500 individual research projects worldwide. It also supports some 230 outpatient clinics nationwide, where people with any of the 40 muscle disorders covered by MDA programs receive medical care, orthopedic aids and related services.

The Donley County Crops Tour will be held this year on September 18, 1990, starting at the Paymaster Gin in Lelia Lake. Registration will begin at 8:00 a.m.,

and the program will start at 8:30 a.m. The tour is sponsored by the Donley County Extension Crops Committee and the Range Improvement Committee. The Paymaster Gin, ADM, will sponsor coffee, donuts, and cold drinks for producers.

With new requirements for farmers and ranchers with private applicator license to obtain continuing education units (CEU's) to keep their licenses, the tour will provide two CEU's for those that participate. Private applicators must obtain fifteen CEU's by December, 1995.

Featured speakers at the tour will be Dr. James Supak, Extension Cotton Specialist, and Dr. Brent Bean, Extension Agronomist, Jim Donaho, District SCS Conservationist, and Weldon Sears, SCS Range Conservationist.

The tour will begin with Dr. Bean demonstrating proper spraying techniques through the use of a unique spray table. He will discuss the effects of different nozzles, worn nozzles, boom height and other problems. Jim and Weldon will discuss Conservation Compliance Plans and alternatives in these plans. Senior Citizen News

by Nova Neuhaus

Last two weeks have been very busy ones completing the paperwork for our new fiscal year 1991 funding request. I was very happy to hand deliver the packets to Panhandle Area Agency on Aging in Amarillo on Friday, August 31st.

We have been enjoying fresh new potatoes, yellow squash and red onions which we received from the Food Bank's garden this month. The garden has been a new venture for they are sponsoring this summer. The tract of land for this project was donated by an individual in Amarillo and was supervised by another group of volunteers. The complete garden planting, care and harvest has been solely by volunteers. Needless to say it has been very successful and we are

grateful to be receivers of bounty. Also, want to thank Mary Lee Longan and Hugh Neuhaus for furnishing the fresh tomatoes for the Center in August.

Had very good participation on Blood Pressure Day, August 21st with Carmen Wright checking 45 blood pressures. We so appreciate Carmen's faithful efforts for this phase of our program. Thanks to Fannie Wilson and her busy little fingers to make up the bright pink perpetual calendar for my office. It makes it so cheery in here. Fannie also makes the cutest articles that we give as fun prizes at our Birthday Anniversary suppers.

We had a big crowd, delicious food and lively music for the Birthday Anniversary Supper, Tuesday night, August 28th. Frank Read opened our evening with prayer and we sang Happy Birthday to Marie McCracken and Frank Read had two anniversary couples: Frank and Gertrude Read and Lacy and Mary Lee Noble. Louise and Gene Butler, Gene is in California, but was with us in spirit.

Door Prize went to Bill Meador and Fun Prizes went to Don Wooten, Carol McClelland, and Alta Adkins. The fun prizes were donated by Fannie Wilson. Jane Kerr entertained us royal with her talents on the electric keyboard and piano playing Country Western and Big Bank Era tunes which prompted lots of toe tapping, knee slapping. Thanks Jane!

Our Ford Van is now much easier to load into for passengers, thanks to the ingenuity of Shirl Pitts. He designed a U-shaped tall handle and mounted it just inside the doors that aids getting into the van. He was assisted by Donnie Phillips who did the welding. We appreciate this job so much as it makes it much safer to board the van and easier too. Shirl was also kind enough to repair the bug can opener and folding counter in our kitchen last week.

Verdie Tipton donated a number of Green Stamp Books to the Center to put with books we had here at the Center for us to acquire a telephone and set of kitchen scales for the Center. Thanks to her for all that tickin' and stickin'!

Fun After Fifty Club met here at the Center on Saturday, Sept. 1st.

They enjoyed a bountiful lunch and lots of good singing by the Senior Citizens Singers.

The Senior Citizens Dance Club had a good attendance at 3rd Tuesday Night Dance at Community Bldg. with Melvin Srygley and his Country All Stars.

On Sept. 4th, Tuesday, we had 54 folks come in for Blood Pressure check. Carmen Wright really was a busy lady. Thanks Carmen. She will be back here on Tuesday, Sept. 18th from 9 a.m. til 1 p.m.

So appreciated Shirley Pitts doing a fall House-Cleaning job in our warehouse. Now we can find everything at a glance.

We enjoyed watermelons last week donated by Gene Vaughn. Thanks to Sue Shields, the cooks now have a bunch more aprons to wear.

Thanks to all our great Volunteers for August: Alta Adkins, Thelma Behrens, Marie Bell, Ann Buryan, Lee Caskey, Helen Catco, Kristy Christopher, Della Fortenberry, Imogene Glass, Hazel Guy, Trina Judd, Mary Lee Longan, Marie McCracken, Letha Mulder, Shirley & Dorothy Pitts, Thelma Rudder, Verdie Tipton, Eda Wallen, Karen Wortham and Carmen Wright.

Memorials: Athlyn Estlack by Lee Caskey and Phillip Wiggins; Clara Hodge by Lessie Salmon and Onita Thomas; Wanna Mae Talley by H.L. Riley and Bill & Juanita Meadors. Love: Eddie Strickland. Facility Use: Senior Citizens Dance Club, Jack Edens Family Reunion, Nazarene Church Youth Group.

Kate Jones Celebrates 95th Birthday

Kate Jones of Clarendon celebrated her 95th birthday on September 10. She was born in 1895 in DeLeon, Texas, one of twelve children born to John R. and Della Ayers. Her family moved to southwestern Oklahoma and then near Hedley during the early 1900's. She married Felix Jones in 1917 and they lived in McLean for many years where she owned and operated Kate's Cafe on old Route 66. It was during this time that she was named Mother of the Year by the Amarillo News-Globe Times. This was an especially great honor because she never had any children of her own, but was always very popular with children and was loved and respected by the teenagers of McLean for her great hamburgers and advise.

Mrs. Jones husband, Felix, passed away in 1969. In 1973, she moved to Clarendon to be near her two sisters, Addierene Mahaffey and Emma Shannon. (Mrs. Mahaffey passed away in 1986.)

In years past, Kate has worked as a practical nurse, in children's day care, and for the Green Thumb Project. She formally retired at the age of 90. She still keeps her own house and does her own laundry. She can still be seen on pretty days working in the yard at her sisters for exercise and just for the fun of it.

MR & MRS CLINT LEE HUNT

Whitfill-Hunt Nuptial Vows Read In Clarendon Service

Miss Audra Elise Whitfill became the bride of Clint Lee Hunt at 5:00 pm on the afternoon of July 14 in the First United Methodist Church of Clarendon.

The bride is the daughter of Anthony and Anita Whitfill of Memphis and the granddaughter of Mrs. Edna Elise Roberts and the late Don Roberts of Waterflow, N.M. and Mr. and Mrs. Jack Whitfill of Lockney.

The groom is the son of Gary and Nena Hunt of Clarendon and the grandson of Mr. and Mrs. Ashel McDaniel of Silverton and Mr. and Mrs. Frank Hunt of Silverton.

Rev. Terry Tamplen of Clarendon read the double ring ceremony before an altar which included a heart covered with greenery, laced with silk peach roses and navy bows. Tiered candelabras with peach candles and navy bows were on each side of the heart. The altar banisters were lined with greenery, peach votive candles and peach roses. The two aisles were lined with large peach bows on the pews.

Mrs. Anne Chamberlain of Memphis was the organist and played the traditional wedding marches. Jim Shadle, vocalist, accompanied by his wife, Suzie, on the piano, sang, "Wind Beneath My Wings" and "Vows Go Unbroken."

Kristi Ann Bailey of Hedley was the maid of honor. Kayle Dee Hunt of Clarendon and Anna Louise Whitfill of Memphis were bridesmaids. The girls wore peach riveted taffeta dresses with a dropped waist.

Richard Graham of Clarendon was the best man and Vince Whitfill of Memphis and Todd Lindley of Clarendon were groomsmen. The boys wore gray tuxedo blazers, peach cummerbunds and ties, with heavy starched Wranglers and boots.

The ushers were Greg Smith of Amarillo, Johnny Lindley of Lakeview, Coy Labaune of Idalou and Bill Hefner of Clarendon.

Guests at the wedding were registered by Kelli LaBaume of Lubbock.

Given in marriage by her mother and father, the bride wore an all white satin bridal gown. The gown featured traditional long lace sleeves with white satin pouff shoulders. The bodice was accented with lace and bead work, bead work also trimmed the shoulders and accent bow. The skirt of the dress was trimmed with dainty lace.

She wore a brim hat featuring a satin pleated cover with beadwork to accent the hat. The hat was trimmed with a net cover for face, lace ruffles were on the back of the hat and a veil, trimmed with beads,

fell from the back of the hat.

The bride's mother wore a navy dropped waist satin dress with a white satin collar and silver accessories. The bride's father wore a gray tuxedo blazer, peach cummerbund, and bow tie with starched Wrangles and boots.

The reception followed immediately at the church. Servers were Valerie Neff of Dalhart, Shannon Myers of Lakeview and Leigh Ann Ellerd of Canyon.

The wedding cake was a tiered heart carrying out the wedding colors of peach and navy. The cake top was the Precious Moments Bride and Groom.

The newlyweds are now at their home in Clarendon following a honeymoon trip to San Antonio.

BRONCOS IN ACTION?

FFA News

by Chance Fletcher

Starting the new year with great anticipation are the incoming officers for the Clarendon FFA Chapter. They are President-Buddy Howard, Vice-President-Brad Williams, Secretary-Brendon Moffitt, Treasurer-Bobby Havens, Reporter-Chance Fletcher, and Sentinel-Crystal Havens.

Upcoming events in which the FFA will be participating are the Tri-State Fair and the South Plains Fair. Students involved in showing animals are Shane Ashcraft and Billy Bob Hoggard are showing sheep. David Green, Brad Williams, Philip Williams, Brendon Moffitt, and Jodi Kidd are showing

swine. Some students will also have a booth at the fairs.

Farm Safety Week begins September 16 through September 22. This week is set to help students and others learn the importance of safety around farms and ranches.

The Clarendon Chapter will be sponsoring a poster contest for grades 2-5 to encourage learning about farm safety. There will be a grand prize of a fifty dollar savings bond given to the best overall poster.

There will be first, second, and third prizes for each grade. First place will receive a "Full Meal Deal" and second place will receive a medium "Blizzard", and third place will receive a "Sundae", all provided by Dairy Queen.

The FFA will be passing out poster board Friday, September 14, to all contestants. The rules for each contestant are, they must draw a picture that best exemplifies what farm safety means to them. It must be turned in by September 21. Further announcements will be made at a later time. Call Chance Fletcher (874-3118) for information.

The Clarendon FFA Chapter has high hopes for this year in learning agriculture in our society today. The farmers and ranchers join with our community in working for the success of agriculture in our area and nation.

U.S. Students Score Last in Biology; Many Schools Don't Teach Physics

The Science Crisis

(NU) - America must revolutionize its approach to science education. There is little doubt that the role nations play on the world stage in the 21st century will depend on their command of science and technology.

high schools offer no physics classes, and 17 percent offer neither chemistry nor biology, according to Keith Geiger, president of the National Education Association.

Economic and political might will be determined by a nation's ability to be a leader in scientific research and technological development.

Few Engineers

The National Science Foundation projects that only a fraction of the 4 million high school sophomores who indicated an interest in the natural sciences and engineering in 1977 received degrees in those fields, and only a fraction of them are going on to doctorates.

Yet today, fewer than half of all Americans know that the earth goes around the sun once a year. One-third believe that boiling radioactive milk will make it safe.

Today, only seven percent of U.S. college students earn degrees in engineering, compared with some 22 percent of Japanese college graduates. A significant shortfall of engineers and scientists is predicted in the United States by the year 2000.

Letter To The Editor

"We have just delivered the New Donley County history book, and what a nice book it is. All those who helped have produced a most interesting book of 450 pages, hard bound and with a striking color picture by Gary Mays embossed on the cover.

Curtis Media, owe a big "Thank You" to all involved.

The local history section of the book contains hundreds of stories, photos of the county's towns, businesses, churches, schools, clubs and organizations and special stories of local interest make up a fantastic history of a very historic county.

This was a limited edition, and when the small supply of extra books is exhausted, it is doubtful if there will be a reprint. While the supply of extra books last, they may be purchased from Maggie Stewart and Eureda Mays at the Print Shoppe. You may call 874-2711."

Current residents of Donley County were invited to submit their up to date family histories, and 639 did so. Each story is written by a member of the family, and is so identified. As in all sections of the book, each and every surname in the family section is listed in the book's index.

Sincerely,
Bob Knowler
President Curtis Media Corporation

We at Curtis Media wish to recognize all who worked on the book for doing an excellent job. We have become the nation's largest publisher of community and county history books, and the Donley County book ranks as one of the most interesting and well done book we have done. Naomi's News

Naomi Green

Weather continues to be hot and dry, irrigation of peanuts is a priority, digging beginning Monday 17th, or soon. Cotton bolls are cracking, probably be some defoliation to begin earlier harvest. Those with peas to harvest have enjoyed some ideal weather.

Kasie Dawn Green arrived about 10:30 p.m. at Northwest Hospital in Amarillo Sunday night. Jodie and Jason are proud parents. The little miss weighed 6 lbs and 4 ounces.

Jerry and Gloria Gray from Canyon were visitors at the Vance Gray home Sunday. Buster and Lindsey Gray of Clarendon joined the family gathering.

H.A. Green went to Canyon and got Joe and took him to Umbarger to see Billy Jack Green's new trailer home. They all had lunch together in Canyon.

Stella Jewett was in Amarillo Thursday and visited with her two daughters and their families, Linda Bagrich and Barbara Mason.

Dennis and Loretta Harrison went to Amarillo Sunday to help Anna, their daughter celebrate her birthday.

Skeet and Eleene Brown went to Stinett Sunday to see Kay and Harold Green

Last week-end Michelle and Jeff Hassel of Tulsa, OK, brought some friends, Vic and Jennifer and came to spend Friday to Monday with Skeet and Eleene Brown.

Frank Mahaffey is doing as well as can be expected. He was moved to Hall County Hospital last week. Veda has not been as well as usual at the Medical Center.

Aline Partain's mother and sister, Mrs Minnie Taylor and Dorothy Thorton came by to see her enroute from Minnie's home at Leedy Ok. to Grants, New Mexico, where Dorothy lives.

Clinic To Be Held

The Breast Cancer Screening Program of the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital of Amarillo will continue community breast cancer clinics for early detection of breast cancer.

Funding is available through the Texas Cancer Council for screening mammography for Texas residents qualifying for financial assistance.

Early detection of breast cancer is the major goal for cancer control for each woman seen in the clinic. The clinic provides low cost screening which includes a breast exam by a Registered Nurse trained in breast cancer detection, teaching of breast self examination, and a mammogram.

Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done following the guidelines recommended by the American Cancer

Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are: Learn and perform breast self examination every month. Have a physical examination every year. have a mammogram according to the recommendations by age. Age: 35 to 40, one baseline mammogram; 40 to 50, A mammogram every 1 to 2 years; over 50, Yearly mammograms.

A clinic will be held in Clarendon on Friday, September 21, 1990 from 10:00 to 3:00 at the Clarendon Medical Center Clinic. Exams are done by appointment only. For information about the clinic or to make an appointment, please call the Harrington Cancer Center at our toll free number 1-800-274-4673. Locally, for more information, contact the Medical Center Clinic at 874-3760.

SCOUTS--cont'd from p. 1.

Saye, James Thomas, Joey Lee, and several Boy Scouts.

Following the meal, each of the Cub dens were raised to the next level of Cub Scouting and received their Quality Unit Awards. The Tiger Cubs, led by Julie Hartman and Tommie Saye, were graduated from Tiger Cubs into Cub Scouting. Den 2 Wolves, led by Gayla Davidson, were promoted to Bears. Den 1 Bears, led by Dee Ann Sears, were promoted to Webelos. Cubmaster Allen Estlack made the presentations.

Webelos Scott Bivens, Will Boston and B.J. Hamilton were marched across the bridge from Cub Scouting and into Boy Scouting. Scoutmaster James Thomas received them into Troop 433 and presented them with the Troop's red and black neckerchief.

Jones Buys Clinic

Jeff A. Jones, D.V.M., is the new owner of the Dalhart Veterinary Clinic. Dr. Jones has been employed by Dr. A.S. Abdullah for the last three years. Dr. Abdullah will remain on the staff as a consultant, concentrating on integrating nutrition with herd health management.

Dr. Jones will employ the same friendly staff with the addition of a professional groomer on Thursdays.

Dr. Jones attended Texas A&M University receiving a B.S. in Bio Medical Science in 1981, a B.S. in Veterinary Medicine in 1985 and

Thursday, September 13, 1990

Prevention & Removal of Excess Ear Wax

The accumulation of excess cerumen or ear wax occurs in many individuals. Wax may accumulate due to overactive wax producing glands, narrow or curved ear canals, or secretion of a wax that is either harder or softer than normal. Ear wax may become impacted and will be difficult to remove when it is pushed deep into the ear canal. Generally, there is no wax in the inside half of the ear canal unless it has been pushed there.

The best approach to excess ear wax is to go to a physician for professional removal of the wax with the proper instruments. Do not attempt to remove the wax with a cotton-tipped stick applicator or swab. Wax pushed next to the ear drum can cause loss of hearing. Also, accumulated wax may trap water inside the ear, producing problems during the warm summer months when many individuals go swimming.

In some instances, accumulation of wax in the external portion of the ear canal can be prevented. Many nonprescription wax-softening products contain propylene glycol or glycerin. Other wax-softening substances include olive oil, mineral oil, and diluted hydrogen peroxide solution. After the wax has been softened, it should be removed by gently irrigating the ear canal with warm water, using a rubber ear syringe.

Corners

Once in a while you can find a beautiful agate in Donley County. Generally it will look like any other little round rock until it is licked or wet down. Then the color inside shows up.

Pebbles in Donley County are usually round because they have been washed around and bumped against other rocks until the roughest corners and jagged edges have been worn away. It takes only a little more abrasion and polishing to reveal the beauty that is hidden inside.

Sometimes living a Christian life is a bit like a fractured chip of stone falling into a stream. When first in the water there are lots of rough edges. Gradually--and not always comfortably--these are worn down. Ideally we hope that God will polish us until we shine, until we become things of beauty in a rough and cutting world. We know that He alone can see our potential for beauty.

Our glory is only reflective. We have no glory except in the light that we reflect. Life's abrasions are meaningless unless we are trying to shine like Him.

But there is a comfort here for those who are trying. So long as we look on God's glory, we will be constantly changed "from one degree of glory to another," [Second Corinthian letter, 3:18].

Maybe today was terrible. Everyone who came along "rubbed us the wrong way". We failed to live up to Jesus' example of patience and concern for others. We hurt. We feel bruised and guilty. Yet maybe God sees where unsightly protrusions have been ground away. We reflect Jesus' light more clearly. While we may not yet realize it, the improvement may be worth the pain.

"We are afflicted in every way, but not crushed; perplexed but not driven to despair; persecuted but not forsaken; struck down but not destroyed; always carrying in the body the death of Jesus so that the life of Jesus may also be manifested in our bodies. For while we live we are always being given up to death for Jesus' sake, so that the life of Jesus may be manifested in our mortal flesh..."

So we do not lose heart. Though our outer nature is wasting away, our inner nature is being renewed every day. For this slight momentary affliction is preparing us for an eternal weight of glory beyond all comparison, because we look not to the things that are seen, but to the things that are not seen; for things that are seen are transient, but things that are unseen are eternal." [II Cor. 4:8-11; 16-18]

Howardwick Minutes

The Howardwick City Council met in regular session on Saturday, September 8, 1990 at 8:30 a.m. in Howardwick City Hall. Mayor Max Hennigh, Aldermen Nancy McClintock, Huell Bingham, Robert Hall, Joyce Combs; City Secretary Margaret Milhoan and seven guests were present. Clayton Srygley was absent.

Mayor Max Hennigh called the meeting to order and welcomed the seven guests. City Secretary Margaret Milhoan read the minutes of the August 4, 1990 meeting; minutes were approved as read.

City Secretary read the August 1990 financial statement. There was some discussion about secretarial salaries being \$400 more this month than last. The secretary was on vacation and the city had to pay someone else to stay in the office. There was some discussion of workman's comp., gasoline purchased, swimming pool, etc. After discussion, Joyce Combs made a motion to accept the financial statement as read. Robert Hall seconded. Motion carried unanimously.

City Secretary read the bills to be paid for August 1990. There was some discussion about the bill for Thriftway, the a discussion about the insurance to Knorpp Insurance and also a question about the phone bill basic rate. After this discussion, Joyce Combs made a motion to pay the bills as read, with Huell Bingham seconding. Motion carried unanimously.

There were several complaints about individual lot owners who need to mow their lots. The council decided that the city would go ahead and mow these lots as they do the other lots that are unmowed.

There were some complaints about the bathrooms at City Hall so it was decided that this matter would be checked out and some type of cleaners would be bought to remove the scum from the water on the commodes.

There were some complaints about the dirt that is piled up on Gary Street. The complaint was that it was dangerous and someone almost ran into it. The city will try to get that dirt leveled out.

There was mention of the cold mix to fix the streets. The city has ordered the cold mix, but the company that the city orders from is unable to deliver at this time.

The next item was the Public Hearing concerning the planning grant. It was explained that this was the beginning plan that was necessary—by a professional—to help the city plan what might be possible in the future. There were some questions about being able to read this plan. The plans are the City's property but may be checked out to look at. It was explained that this has been approved and now all the city has to do is use the plan to decide what priority the need are and go from there. There was some discussion concerning the condition of the water and it was explained that the city has nothing to do with the water at present. The city does not own the system.

Robert Hall made a motion to adjourn and Joyce Combs seconded. Motion carried unanimously.

Winners Announced in 4-H Bake Show

Results of the 1990 Donley County 4-H Bake Show have been announced.

Carrie Simpson, Jenny Roberts and Jennifer Simpson will represent Donley County in the District Bake Show held in conjunction with the Tri State Fair in Amarillo.

An August 30, nine 4-H members participated in a Breadmaking Workshop held at the First United Methodist Church in Clarendon. Each member helped prepare pizza crust using whole wheat flour and enjoyed topping and eating the pizza. The group also made banana muffins using various amounts of whole wheat flour. Those attending were: Christine Woodard, Shannon Williams, Jennifer Simpson, Carrie Simpson, Emily Simpson, Jenny Roberts, Tarah Tamplen, Tammy Williams, Rachel Woodard, Nancy Woodard, and County Extension Agent Cheryl Pickard.

The Lions Tale

by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday, Sept. 11, 1990, at the Lions Hall with 18 members present. Lion Sweetheart Jessie Adams and 4 guests were present. Following the regular opening ceremony, Boss Lion Bernabe made some announcements and Program Chairman Smith presided over a short impromptu program. Our annual Pancake Supper will be held this Friday night from 7:30 p.m. at the Lions Hall. You'll come.

Minding Your Own Business

Old Fashioned Business Ethics

Small business enjoys a good reputation. People usually think of entrepreneurs as honest, hard-working and ethical. My experience in working with hundreds of small businesses reinforces this reputation. In addition, I believe that business ethics play a vital role in small business success.

Our free enterprise system was founded on principles of conduct that have become blurred today. Insider trading scandals, the savings and loan industry boondoggle, and business and political graft have become the norm. The message is clear: Cheat, if you have to, but win at any cost.

Maybe I'm old-fashioned, but I don't believe that cheaters are ever winners. One of the greatest joys that I derived from owning my own businesses was knowing that I built them honestly. However, following the principles of honesty and integrity is not always easy.

Ethical Dilemmas
The following incidents are true-life examples that area business people have shared with us. The names and genders have been changed for reasons of confidentiality.

Joe had an opportunity to hire his competitor's area manager. The manager promised to bring Joe the competitor's customers lists, pricing policy and sales records. This information would help Joe's struggling business. Should he hire the manager?

Bill just closed a big loan at the bank. A few days after the papers were signed, he noticed a large error. The bank inadvertently omitted the largest piece of equipment used to collateralize the loan. Should Bill point out the error?

A Three-Point Check

The answer to many ethical questions can be found in a new book written by Kenneth Blanchard and Norman Vincent Peale. In "The Power of Ethical Management," they suggest using a three-question test to establish ethical behavior. The questions are: 1) Is it legal? 2) Is it fair to all? 3) Would I be happy if the whole story was made public?

These three questions make it easier to tackle any issue that involves questionable ethics. "Is it legal" establishes a minimum criteria. If it is against the law, don't get involved. The fairness question asks if it would be okay if I were on the receiving end of the deal. The third question asks if it would be all right if the whole story was printed on the front page of the local newspaper.

The ethical dilemmas faced by Joe, Mary and Bill become fairly simple decisions using this test method. While it is legal for Joe to hire the manager, the manager's proposal is not fair to all parties.

The information that the manager will bring to Joe's company will give Joe an unfair advantage. Joe wouldn't want the situation reversed or made public knowledge.

Mary's dilemma is answered by the first question. Not reporting cash income is tax evasion, a punishable crime. Even though we may not like the IRS, the law says that we must pay taxes on all income.

Bill's situation may not involve legality. However, the question of fairness certainly is relevant. It will not be fair to the bank if the error is not reported. Bill can further his good working relationship with the bank by pointing out the irregularity.

Many of life's toughest problems can be solved by asking the ethics test questions. Is it legal? Is it fair? Would I want everyone to know about it? One of the best comments I've heard on the subject of ethics is that there is no right way to do a wrong thing.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENT OF PROPOSED CONSTITUTIONAL AMENDMENT GENERAL ELECTION NOVEMBER 6, 1990

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

Found Faithful

by Jon Leggitt

Unfaithful. What a terrible word! Does it describe you? Sometimes the word doesn't apply. I can't be unfaithful to my wife if I have no wife. I can't be unfaithful to my church if I have no church. I can't be unfaithful to my Heavenly Father if I do not acknowledge Him as Father. So this is for you, Christian--for you, churchman. Are you unfaithful?

How many of your church's services have you missed in the past year? A quarter of them? Half of them? Why? There are legitimate absences, of course: sickness, grief, the occasional ox in the ditch. When these things happen to you, do your pastor and other leaders know about them? Let the congregation help. Let God's people bear you up in time of trouble.

(Satan loves to cause you to hallucinate. He'll have you seeing oxen--red ones, black ones, long-horned ones, and yes, even Paul Bunyan-sized blue ones in every ditch between your Sunday-morning funny papers and the church door, if you let him. If de-oxing ditches is a frequent Sunday occurrence with you, let God show you which ones are really mired and need your help, and which ones are just so much bull from Satan and need to be "ox-orcised.")

One could spend hours cataloguing reasons members are unfaithful to the services and work of their church, but I won't. Virtually all of those reasons are characterized by some degree of selfishness and lack of commitment. One could also spend hours railing against such selfishness and unconcern, but I won't do that either. Rather, let me just see if I can't get you to look at your faithlessness from several points of view.

First, suppose you were a godly, studious pastor, sincerely believing the Lord had given you a special message for your people,

but many of your own congregation, much less the "heathen," refused to come hear your word from the King. Wouldn't that be about the most demoralizing thing a pastor could suffer? You are supposed to be part of the support team for God's called-out ones.

Secondly, how many persons do you know who are both sporadic church-attenders and effective Christian witnesses? Can you name even one? I can't either.

And how many Christians do you know who are lax in their church attendance, but are regular, dependable contributors to the church treasury? Doesn't the church have a right to expect such support from its own? Do you feel no responsibility to help with the work? Don't you miss the joy of giving? Shouldn't the time of offering be a highlight of the week?

The Word tells us that in the last days there shall be a falling away from the church (1 Thessalonians 2:3, 1 Timothy 4:1). There is plenty of solid scriptural evidence that we may be living in the last days. Are you helping, by your casual attitude toward your church, to fulfill this chilling prophecy? How much better to help fulfill Peter's prophecy that, as we work and witness, we are "hasting the coming" of Christ (11 Peter 3:12).

Finally, if you have been unfaithful to your church lately, have you thought how it may be affecting your fellow members? Might they doubt your love for them? Do they wonder why you don't seem to need to worship with them? Has it ever occurred to you how many of your brothers and sisters stand at the door right up until service time, anxiously awaiting your arrival, wondering what could be keeping you? Don't snort at the idea--I've kept such a watch many a time! We need you. We miss you. We love you. Why don't you need and miss and love us? Is it my fault? What can I do to help?

Brother or sister, if I have described your situation in any way, would you please ask yourself two questions? First, how do I reconcile my actions with the clear command of the Lord in Hebrews 10:25 to "[Forsake not] the assembling of ourselves together," and second, am I planning to do something about my unfaithfulness? What? When?

Being present and active in one's church isn't always easy. It takes time, effort, and talent. But where else are these things better spent? Think of all those who would benefit--all those who would be happier--if you could always be depended upon in your church. Shall we make a list? Your pastor, your other teachers and leaders, your people, your Lord, yourself. What do you have to lose by making the effort? Let's make another list: _____ A bit shorter, isn't it? See you in church Sunday. Please?

Hedley News

Preliminary 1990 Census figures were received at City Hall last week. The City Manager and Council have been enjoying responses to this question: "1980's census figure is 380. What do you think the new figure is?" Guesstimates have ranged from around 350 downward to about 270. In other words, Hedleyans expected that the community lost a number of residents over the past ten years.

Actually, Hedley grew just a bit. The preliminary figure is 391. Perhaps that should not be so surprising after all; school enrollment has been up considerably the past two years. The final figure will be issued by the Census Bureau on December 31.

Tige Hill was still in High Plains Baptist Hospital in Amarillo early this week.

Gerald Bland, after suffering a difficult time last week, was able to return home from the hospital. Marie has also been quite ill.

Edith Bain was ill much of last week, and stayed with her brother, Clayton Mann, in Clarendon until she was feeling better.

We wish a speedy recovery to Tige, Gerald and Marie, and Edith. Descendants of Charles Fleming Sanford and Vernon Sanford held their annual family reunion at Hedley Senior Citizens Center on Sunday, September 2. It was the first time in thirty-five years that several family members were able to attend. The group enjoyed a wonderful meal at noon, visited, reminisced, and enjoyed films from earlier get-togethers, especially from the 1940s and 1950. Several attended local church services that morning.

Those present were Newell and Faye Sanford from Dallas; Faye Sanford Termin from Plainview; Dan, Sheryl, Daniel, and Crystal Fondren from Plainview; Don Blanks of Hedley; Wayne and Betty Tarter from Amarillo; Bobby, Kristi, and Jeff Blanks from Happy; Lisa and Trevor Johnson from Claude; Bill and Mae Tarter of Wyomissing, Pennsylvania; Sanford and Miriam Tarter from Boise, Idaho; Dennis, Lori, Kris, and Cody Hill from Yukon, Oklahoma; Patsy and Kathy Spier from Amarillo; Marci Spier from Tallahassee, Florida; Pauline and Jon Leggitt and Joyce Boliver from Hedley; and Chris and Jennifer Spier of Burleson.

Also attending were Roy Don Wells from Amarillo; Jessica Wells of Arlington; Albert Blanks from Memphis; Madonna Blanks, Wade Dodd, and Justin, also from Memphis; Rodney, Leslie, and Ashley Wells from Amarillo; Bob, Pat, Mandi, and Holli White from Hedley; Gary, Renee, Carrie, Heather, and Landon Shields from Lelia Lake; Audry Novotny from Fort Worth; Don and Charlene Wells from Amarillo; and Craig, Lisa, and Jeremy Wells from Arlington.

Also present were Keith, Nitta, Bryan, and Callie Brown from Mansfield; Aaron Williams of Electra; Leroy and Euva Blanks from Happy; Mary Ruth and Harold White of Hedley; Cherri and Patrick Hill from Houston; John, Tracy, and Sean Fondren from Lubbock; Tanya, Tara, and Tamra Gibson from Perryton; Joyce Feekes from Lakeside, Arizona; A. N. Williams of Milan, New Mexico; and Tootsie and Pat Patrick from Pennsylvania.

An army of red pickups descended upon Margaret and Otis Holland over the Labor Day weekend. When the pickups were gone, the house sported a fresh new coat of paint. If anyone can pry out of Margaret her secret for training her relatives so well, let us know.

Linda, Kirk, and Kristen Dwight from Laguna Park visited the Hoyce Kennedys, Randy and Debbie Woodard, and Lois Lair over the Labor Day weekend. Paul and Pam Dwight from Panhandle also visited with Lois.

Labor Day weekend visitors in the home of Edgel and Audra Tisdale were Barbara and Gary Bible and children from Decatur; and Don, Pat, and Tim Doak of Cleburne.

Visiting recently with Opal Murray were J. P. Heath and Bill Turner of Pampa, Jim and Beverly Kinslow from Amarillo, Hall and Pauline Harding from Clarendon, and L. D. and Odell Moore of Memphis.

THANK YOU

In the last few years we've had several occasions to call on the Sheriff's department. Each and every time we've needed Jimmy, he's been there and did his job in full. We want to thank Jimmy Thompson and Joe Shadle in our last theft and the recovery of our goods. Keep up the good work Jimmy.
The Vernie Ford family
Thank You

Thanks to all the wonderful people of Clarendon for their prayers, visits, gifts and all the wonderful things they've done for me. You've all been an inspiration to me and I couldn't have made it without you. This is the most wonderful place I've ever lived. I grew up here, but moved away in 1933 and returned back here in 1976, and there are still wonderful people that live here. May God bless each and every one who has done for me. I love all of you, all the churches, businesses, friends, nurses and people I didn't even know have been wonderful to me. I was in be 6 months in Amarillo and it's just like heaven being at home where everyone is so wonderful to me. I pray that God will shower all his blessings upon all of you and I know he will. Your prayers are my hearts desire. I really praise the Lord and thank him for bringing me this far.
With love, God Bless All,
