NANCY SELVIDGE

Funeral services held Nov. 5 for Nancy Selvidge

Funeral services for Mrs. Nancy Deanne Selvidge, age 42, were held at 2:00 p.m. on Tuesday, November 5, 1985 in the Clarendon Church of the Nazarene with Rev. Bill Hodges, Pastor, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Selvidge died at 2:00 p.m. on Sunday, November 3, 1985 following a lengthy illness. She was born October 22, 1943 in Coffeyville, Kansas and had lived for much of her early life in Stinson. She was a resident of Borger for eleven years before moving to Clarendon in 1975. She was married to Leonard D. "Tex" Selvidge on August 2, 1975 in Clarendon. She had worked for most of her life as a dental hygienist and had worked for several months for Dr. Dan Bentley in Clarendon before her illness. She was a member of the Texas Dental Hygienists Association and the Clarendon Church of the Nazarene.

Survivors include her husband, Leonard D. "Tex" Selvidge of Clarendon; her parents, Mr. and Mrs. Donald Scott of Stinson; one daughter, Mrs. Shay Kinnert of Clarendon; one son, Scott Newland of Canyon; one step-daughter, Miss Shay Ann Selvidge of Austin; one step-son, Chad Selvidge of Austin.

Casket bearers were John Naylor, Don Altman, Jerry Asher, Dane McDaniels, Jerry Morris, and Darell Harper.

The family requests that memorials be to the Clarendon College Scholarship Fund or to the Clarendon Church of the Nazarene.

4-H Bean and Cornbread supper scheduled for Nov. 8

Wellington blanks Broncos 19-0

The Clarendon Broncos traveled to Wellington Friday night and were defeated 19-0. It was a night of missed chances to score for the Broncos. Three times Bronco drives died inside the Skyrockets 20 yard line.

The first quarter was scoreless as both teams moved the ball very little. The second quarter was much more eventful as both teams began to move the ball. First the Rockets moved 65 yards for the first score of the night and added the point to make the score 7-0. On the kick off, the Broncos Robert Youngblood took the kick and faked a hand off to James Ariola and went 50 yards down to the Rockets 35 yard line. On the play, the Rockets were hit for a 15 yard personal foul to move the ball to the 20 yard line. Behind the running of Ariola, Daniel Ford, and Leland Howell the Broncos were on the Rocket 8 yard line. The treat died as the Broncos tried a field goal and missed from the Rocket 4 yard line. The 7-0 score was the score at half.

The second half saw a repeat of the first half. The massive line of the Rockets took control of the line of scrimmage as the Rockets scored twice to make the final score 19-0.

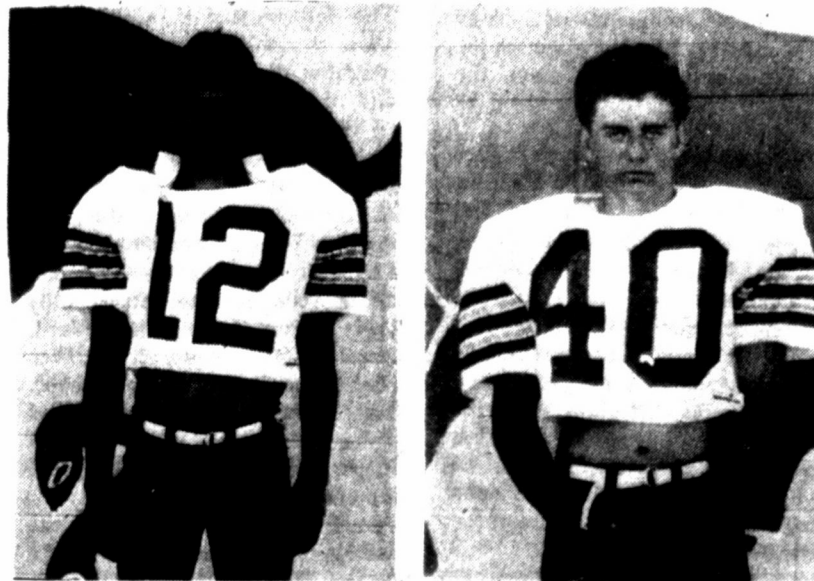

The Broncos had two chances in the last half to score but were turned away each time. Clay Sharp jumped on a fumble at the Rocket 45 yard line and Leland Howell hit Brent Hayworth with a pass to the Rocket 20 yard line. Ford went around right end and took the option pitch from Howell and ran to the Rocket six. The drive ended on the next play with a fumble. Later on the Broncos again failed to score after reading the Rocket 10 yard line.

Ford led the rushers with 47 yards on 6 carries. He was named offensive player of the game. Leland Howell and Paul Williams led the defense as Howell had 9 solo and 9 assisted tackles and Williams had 5 solo and 10 assisted tackles. Williams was named defensive player of the game. Randy Crump continued to punt the ball very well as he averaged 45 on four punts.

The Broncos end their season this Friday against the White Deer Bucks at 7:30 p.m. at home.

Grape production meeting slated for Nov. 12

A meeting on grape production will be held Tuesday, November 12, 1985, according to County Extension Agent Ronald Gooch. The meeting will be held at 7 p.m., in Room 102 of the classroom and administration building of Clarendon College in Clarendon.

Speakers for the meeting will be Dr. Bill Lipe, associate professor, Texas A&M University Research and Extension Center, Lubbock, and Bobby Cox, a Director of the Texas Grape Growers Association and owner of Pheasant Ridge Winery, Lubbock.

Interest in grape production in Texas has increased in recent years and today it is a revived and growing

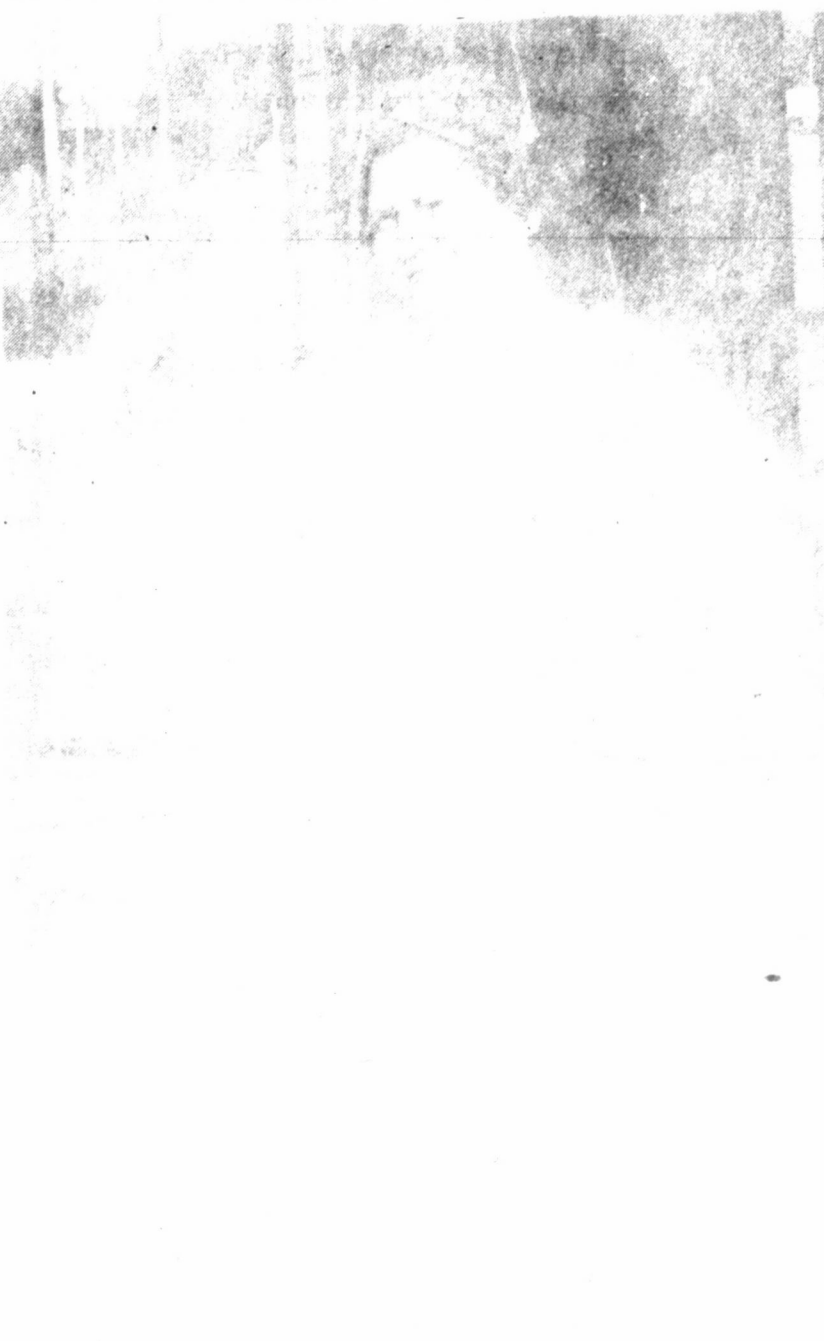

industry. Wineries are in production at Lubbock and Hereford.

The sandy, well drained soils of the Southeast Panhandle, along with hot days, cool nights, low humidities and wind are conducive to growth of grapes in quantities marketable for industries.

Anyone interested in grape production is invited to attend this meeting.

Notice

The Firebelles will meet Tuesday, November 12 at 7:30 p.m. at the college for a film and discussion on breast cancer. All members are encouraged to attend.

Clarendon JV smashes Wellington 30-6

The Bronco junior varsity football team beat the Skyrockets last Thursday in Clarendon 30-6. The Bronco offense and defense came alive to show that the Bronco spirit is alive in Clarendon. It was the best hitting game

we've had all year," said Coach Steven Loveless. "Almost everything we did worked well on defense and offense."

The Bronco defense put great pressure on the Rockets in the first

half as Richard Graham intercepted a Wellington pass and Michael Moore and Chris Ward recovered one fumble each. The Bronco offense was stopped on both of these possessions. On an aggressive defensive stand by the Broncos, Michael Moore tackled the Wellington punter in the end zone for a safety that put the Broncos on the scoreboard, 2-0. The Rockets punted to the Broncos that put the Broncos in good field position at the Wellington thirty yard line. Five plays later the Broncos scored on a one yard run by Brad Shadle. On the next Bronco possession, Brad Shadle passed to Jake LaGrone on a play that went 65 yards. Three plays later Wes Hatley hit Brad Shadle with a touchdown strike. Brad Shadle made the 2 point conversion to make the score 22-0.

Wellington scored on the ensuing kickoff that went for 65 yards for their only score. In the second half, the Broncos took the kickoff and marched 73 yards for the touchdown on an eight yard run by Arthur Harris. Todd Phillips ran into the end zone for the 2 point conversion that made the

score 30-6. The Bronco defense stopped the Skyrockets drives in the second half with an aggressive and swarming style of play. Bill Wiggs helped stop a drive with a fumble recovery. The Wellington offense was held to less than 120 yards, while the Broncos amassed 195 yards rushing and 126 yards passing. "Our offensive line of Michael Moore, Chris Ward, Derek Howard, Jason Green, and Billy Wiggs played outstanding, making big holes for our running backs," said Coach Loveless. Brad Shadle led the rushing attack with 86 yards and Arthur Harris had 72 yards. Wes Hatley completed 8 of 16 passes for 61 yards. Jake LaGrone had three receptions for 102 yards and 1 touchdown. The Bronco receivers of Monte Hollar, Shawn Hermesmeier, Richard Graham, Jason May, and Todd Phillips played very well. Other Broncos running backs that played well were Danny Gaines, Todd Phillips, Danny McCampbell, Walt Thompson, and Randy Gaines. The defense had numerous solid hits in shutting down the rockets throughout the game. "I am very proud of all our kids," said Coach Paul Williams. The Bronco defense seemed to have a magnetic striking oneness on the Wellington runners and receivers punishing them on every play. The Bronco defense was led by Walt Thompson, Brad Shadle, Jake LaGrone, Michael Moore, Billy Wiggs, Arthur Harris, Chris Ward, Richard Graham, Monte Hollar, Wes Hatley, and Shawn Hermesmeier. Other Broncos that played good defense were Danny Gaines, Todd Phillips, Randy Gaines, Jason May, Danny McCampbell.

The Broncos final game of the season is on the road against White Deer this Thursday. The Bronco JV has won 2 games in a row, so get excited and make it three with a victory over the Bucks.

Congressman Beau Boulter Reports from Washington

BILL TO GIVE FARMERS A FAIR CHANCE

QUESTION: Who gets a \$47 million zero-interest 50 year loan for agriculture development?

ANSWER: A) The American Farmer B) Communist Chinese

Absurd as it may seem, these are the types of credit terms available through the World Bank and other international financial institutions of which the United States is a member. In other words, the U.S., through its membership in these institutions, subsidizes such generous credit terms to countries like China while our own farmers are squeezed out of the credit market — entirely.

I am introducing legislation in the House of Representatives to end this blatantly unfair, and unwise, expenditure of U.S. taxpayer dollars.

My bill, the Foreign Agriculture Investment Reform Act (FAIR), will stop the flow of U.S. dollars to programs that subsidize foreign agricultural production that would harm U.S. exporters and producers. FAIR would do two things:

1. Require the Secretary of the Treasury to instruct the U.S. Executive Directors of international financing institutions to use our votes to oppose loans for investment in agricultural production of a commodity when the commodity is already in surplus on world markets, and the export injures U.S. producers/exporters of the same, similar, or competing commodities.
2. Discourages such investment further by reducing the U.S. contribution to these organizations by an

amount equal to the share of U.S. funds that went either to countries which subsidize their exports, or to the production of commodities for export into surplus markets.

The plan is aptly named. It is FAIR. There can be no justification made for the current system of foreign subsidization. The damage to our U.S. producer is two-fold. Their share of the world market is declining in direct relation to the entrance of subsidized commodities into the market. And, the prices they can receive for their commodity decline on the world market as surpluses increase.

There is absolutely no reason why your tax dollars should be used, for example, to loan Hungary \$80 million for expansion of agriculture exports, to loan \$60 million to Uruguay to increase export incentives, or to loan Egypt \$139 million to increase production of rice exports. These are real loans, made by the World Bank.

Our farmers need our help. They don't need us to help the competition. My legislation has already received strong support from many of my colleagues in the House. An identical bill will be introduced in the Senate. It is a good bill, and one that has a critical purpose: to reduce unfair subsidization of foreign agriculture and give our farm exports a FAIR chance in world markets.

She is also the 1985-86 Clarendon FFA Sweetheart.

Halley's Comet: Little Known Facts

For more than 2500 years, Halley's Comet has ticked off the centuries like a cosmic clock in 76-year orbital periods—and it's still going strong.

The brilliant comet is named for the English astronomer Edmund Halley. Halley was the first to believe that comets belonged to the solar system and took definite paths around the sun at regular intervals.

He found that the paths taken by certain comets in 1456, 1531, 1607 and 1682 were all identical. He decided that the same comet made all these paths, and correctly predicted its return in 1759—thus, the naming of "Halley's Comet."

Did you know that some strange creatures are hiding in the tail of Halley's Comet, and they plan to invade the Earth upon the Comet's return in 1985 and again in 1986? Not really—that's the legend behind the new action toys from Matchbox Toys called Parasites.

These evil cosmic creatures fold up and hide out in their own vehicles. There's a choice of six: Corvette, Dodge Caravan, Chevy Van, Firebird, Ford Pick-Up Truck and Elanor.

STEVE LOVELESS

Loveless receives award

Clarendon High School's boys basketball coach Steven Loveless has been selected as Coach of the Year by the Amarillo Officials Association. Coach Loveless was selected among all the Panhandle area coaches for this distinction. The award recognized Coach Loveless for his outstanding contribution to the sport of basketball for the 1984-85 season. It was based on the coach's attitude towards the same and his rapport with the team. The award was presented to Coach Loveless at the Amarillo Official's annual dinner meeting on Tuesday, October 29th at Sutphens Barbecue in Amarillo. Jim Harvey, professional and NCAA official, spoke at the dinner on different aspects of coaching and officiating the game of basketball.

Steve Loveless has been coaching and teaching for eight years, three of which have been spent at Clarendon High School. He began his career in Corpus Christi, spent two years as head basketball and head track coach at Austwell-Tivoli, followed by one year at Klondike High School before coming to Clarendon. He is currently working on a Master's Degree in education at West Texas State University.

Letter To Editor

An Open Letter to a Veteran

It would be cruel to give you pity, though I am touched by your condition. As I sit in a veterans' hospital I see you being wheeled into the waiting room. You are so much younger than I - yet you are so much older. Tears fill my eyes, yet a gigantic smile illuminates your face as you enter.

My tears come because you stood in my place. Somewhere one day, while I went my selfish way, you fell in battle. I was oblivious to your pain. I didn't hear you cry out. You did survive, though time was subtracted from your life span. There were many other that day who did not get what they probably wanted most - a tomorrow.

I would like to rush over to you and shout, "Thank You" at the top of my voice. I will say it in this way so that not only you, but others (especially those who have no smile) will know also. There are some who lost even more - a mind that does not heal, eyes that cannot see, ears that would not hear me.

I must stop now, for tears are clouding my vision. Life is like that - filled with half-expressed feelings. Here is my inadequate, "Thank You" for spending yourself in battle for me. May I live a life worthy of what you paid for my freedom.

Lola Boone, McComb, Miss.

Okie for a Day

Quivira Girl Scout Council recently sponsored a trip for the Junior Girl Scouts to Oklahoma City, Oklahoma. The group left the Pampa United Methodist Church in two chartered buses at 4 a.m. Saturday morning and arrived in Oklahoma City at 8 a.m. Breakfast was eaten at McDonalds and then the group headed for the Oklahoma City Zoo and the Kirkpatrick Center. The morning, lunch and part of the afternoon were spent at the Zoo. At the Kirkpatrick Center, which is a museum complex designed to provide a major cultural, educational and recreational facility for the citizens of the southwest, the group participated in "hands on" activities in the Omniplex. In the planetarium the girls watched the "Fall Heavens". The group also visited the greenhouse and gardens. Dinner of pizza was eaten at Lincoln Park near the Zoo. The group left Oklahoma City at 7 p.m. to head for Camp Red Rock, Red Lands Girl Scout Council Camp, to spend the night. Sunday morning, following non-denominational church services, the group boarded the buses at 9 a.m. and headed for Pampa. At Sayre, Oklahoma the buses stopped for a break and arrived in Pampa at 12:30 p.m. The group of seventy-seven Junior Girl Scouts, eleven adults and one Field Executive from the communities of Fritch, White Deer, Pampa, Wheeler, Borger, Miami, Groom, Higgins, Memphis, Clarendon, McLean and Canadian had lots of fun.

Those attending from Clarendon included Cara Breitting, Toni Breitting, Christel Green, Suzzette Henson, Kelly Edwards, Deane Nazworth, Jennifer Brody, Mary Green, Janice Breitting.

K-9 Korp Kapers

By ELIZABETH McANEAR

On October 22, the Donley County 4-H held its annual awards banquet in the school cafeteria. There were several members of the Donley County K-9 Korp who received awards for their participation in the 4-H Dog Project this year. In the senior division they were: Sr. all around - Michael Moore; Sr. junior showmanship - Craig Wright; Sr. obedience - Todd McAnear; Sr. Most Improved - Gwen Tolbert. In the junior division they were: Jr. all around - Jennifer Davis; jr. showmanship - Georgi Klattenhoff; jr. showmanship - Shannon Myers; jr. obedience - Steven Davis; and jr. most improved - Debbie Tolbert. There were two special awards given this year. The Club Spirit Award went to Scott Myers. The Hang Tuff Award went to Elizabeth McAnear. Bob and Vera Andis were presented with a plaque of appreciation from the K-9 Korp members for their love and devotion they have given. Helen Woody was also presented with a plaque of appreciation for her support of the K-9 Korp and exceptional coverage this year of all our activities. Congratulations to all of the winners!

For the past six weeks a group of the K-9 Korp members have been training under Jan Phillips from Canyon, Texas, who is a professional dog handler. She has been teaching them showmanship and conformation techniques to be used in showing their dogs. On Wednesday, October 30th, graduation from this class was held. Each Korp member and their dog were judged and graded by Ms. Phillips and some special awards were presented by her. They were: open senior - 1st place Michael Moore; Novice Sr. - 1st place Shannon Myers, 2nd place Jennifer Davis; Novice Junior - 1st place Steven Davis, 2nd place Scott Myers; Best Handler - Steven Davis. Congratulations!

On Wednesday, November 6th, at 6:30, we will have graduation in obedience. Annette Brooks of Amarillo has been instructing for the past six weeks. There will be 8 sub-novice, 7 novices, and 1 graduate novice receiving certificates. We would like to invite everyone to come and watch us work with our dogs.

The next classes will begin on November 13th. If you would like to enroll or have any questions, contact Judy McCully at 3419.

Don't forget the 4-H Bean and Cornbread supper Friday night on November 8th from 5:00 until 7:00. Contact any 4-H member for tickets.

SUDDENLY EVERYONE AND HIS BROTHER WANTS TO BE YOUR BANKER.

Every day, someone else compares himself to a banker. Stockbrokers say they can manage your transactions like bankers. Savings & Loan people say they're able to give you financial counsel like bankers. But can they? No one else has the banker's hundreds of years of banking tradition. Bankers

also have very special training in the management of people's money. That's why the only place you'll find a banker is The Bank. Look for the Full Service Bank® emblem. When others go so far to say they're like a banker, aren't you glad that the one helping you is a banker?

Watt's Happening in Hedley

by Peggy Watt

Mike and Donna Lamberson and Mikala and Ashley of Pampa spent the day Sunday with their grandparents J.T. and Helen Lamberson. Susan Cosby, Nancy and Charlotte of Tulsa, Oklahoma spent the weekend with her parents Bill and Juanell Carson, and grandmother Mrs. Tom Tate. Stan and David stayed home. Stan is an associate pastor at one of the Methodist Churches in Tulsa. Thunder was home over the weekend. He brought June Brogdon to meet us. He's busy going to school and working in Amarillo. I don't know how many of you noticed in Sunday's paper, but in the copy concerning the play being presented by the Amarillo College Arts & Drama Department, Carl Cox is one of the actors cast in the drama to be held later this month. I hope I

get to go to the play. Carl, if you're reading this, please note!!! Frenchie and Virginia Gafford of Amarillo spent the weekend with her mother Mrs. Cassie Owens. Mrs. Owens told me that she was getting along better every day after suffering from a stroke and having eye surgery. Pie Adamson and Rita Stone visited in Hedley last week. I may never get used to calling Pie a visitor. Charlie and Eunice Johnson of White Deer were here last week. I visited with Charlie for a little while at the Senior Citizens Center when he and Alfred picked up their lunches. I talked to Eva Canada a few days ago. She went to Amarillo for a check up last week and is doing well. She went to church Sunday and ate

out afterward. Paula Clendennen and Nancy Burr of McLean visited with Paula's parents Tom and Opal Saturday. Su-San finished her Med-ride course at Amarillo College last week. She had a score of 96 for the course. She took her state exam Monday evening. She'll be in suspense for about six weeks before she knows if she passed it or not. Needless to say, I'm very proud of her. Several people corrected some mistakes I made in my copy recently. Nora Hopper told me she made the money tree given to Pie when she moved, and Raymond Hopper told me he put the carpet on the church steps. Sorry! If I've said it once, I've said it a dozen times, my typewriter is the worst speller in the world and

never writes things exactly like it's supposed to. Whoever did what, the gutter still isn't on the edge of the roof and if it rained, the carpet would come off the steps again. Nookie Wiggins took Geraldine to the doctor in Amarillo Monday. The entire community was shocked and saddened by the sudden death of Joe Wood last week. Sympathy is extended to Flossie and the rest of his family. Mary Ruth White and Dean Hill went to Dallas last week where Wendol Spier is seriously ill. Jean Taylor told me that he is some better. Flora Sanders was called to Wellington Friday where her sister Roberta is in the hospital. The doctor might have sent her to Amarillo for treatment. I didn't find out much of what's happening in Hedley because on Friday afternoon we received word that my uncle was very seriously ill and in the hospital in Wellington. Su-San and I went over to be with my aunt and cousins. He died during the night Friday. Funeral services were held Sunday in Wellington. Clyde and Mildred Hoggard enjoyed a practice session in Clarendon last week with the folks who play for the Senior Citizens up there. On Friday they went to Clarendon and picked up their grandchildren and brought them home for the weekend. On Sunday they hosted a sixth birthday party for granddaughter Candi. Those enjoying Sunday dinner were Bobby Hoggard,

FmHA Accepting Emergency Loan Applications

Donley County was declared eligible for FmHA disaster emergency loans on October 2, 1985. Generally, that means that farmers who have lost at least 30 percent of their production due to the drought are eligible for FmHA loans. Proceeds from crop insurance and the PIK program are taken into account when determining eligibility.

FmHA County Supervisor, Marvin Crabtree, is urging farmers who are interested in receiving an emergency loan to get their applications into his office as soon as possible. Crabtree said, "we hope farmers will get their applications in early rather than waiting until near the deadline which is June 2, 1986. The longer they wait, the more chance there is for long delays in getting their checks. If the applications come in early we can avoid backlogs and speed up the process."

The FmHA office is located at 416 S. Kearney in Clarendon. The telephone number is 874-3552.

End-Of-Year Crop and Livestock Reports
Austin... The Texas Crop and Livestock Reporting Service will begin contact farmers and ranchers across the state in late November for acreage, yield and production totals for 1985 and for end-of-year livestock and poultry inventories.

The confidential interviews, conducted by mail or in person by field enumerators, provide information used by producers to make their production and marketing plans for the coming year.

"Producers are depending on this information for an accurate picture of the 1985 agricultural situation," state statistician Dennis Findley reported. "Results from these surveys also provide vital information on the direction of Texas agriculture. In tough economic times, accurate crop and livestock figures are essential for all segments of the agricultural community."

To reduce survey costs, the Texas Crop and Livestock Reporting Service is urging individuals to return the mailed questionnaires as soon as possible. The reported information will be combined for state as well as county estimates.

Annual county estimates are published for livestock, dairy, poultry, cotton, field crops, small grains, fruits and pecans, vegetables, and cash receipts from the sale of farm products.

Wool-Mohair-Unborn Lambs
Remember... Bring in your sales receipts for the wool, mohair, unborn lambs sold. The wool or mohair must be reported for the calendar year in which it is sold. The owner of the sheep or goats is the person that should be filing. If ownership is questioned, it is the producer's responsibility to prove the ownership before payment is issued. The deadline date to file 1985 sales receipt on time is Jan. 31, 1986. If an incentive payment is set for 1985, it will be mailed to you in May.

1985 Cotton Production
It is the policy of the Donley County ASC Committee to accept ASCS-503 cards (Cotton Production Cards) signed by both the Gin Representative and Producer. It must contain warehouse weights as proof of production. Remember when you turn all of your production in to make sure and file a disaster application (ASCS-574) if you have not and will not harvest a portion of land. This is important in computing next year's yields.

Holidays
This office will be closed November 11th and 20th in observance of Veterans Day and Thanksgiving.

Audra, Bill, and Candi of Clarendon, Cecilia Lemons, Tim and Jody Wigginton, Felicity and Joe of Brice, Jana Hill, Rachel and Jennifer Rieken came later for the cake and gifts.

Medical Center News

By VERA JOHNSON

All residents had a wonderful time Halloween afternoon. The dining room was decorated in Halloween decor, and all residents wore hats they had made.

Marie Stotts, Alice Skinner, Lenora Shaw, Veda Mahaffey, Nora Leathers, and Jesse Wood made their hats and modeled them. Also they made enough hats so all residents had a hat to wear to the party.

The judges decided that Alice Skinner had the most original. She received 1st prize, a vase. Veda Mahaffey received 2nd prize, Kleenex holder, by creating the most witchiest. Jesse Wood created the most masculine, and A.L. Mayo was the best male model.

A most desirable guest attended our party, an old witch. She went around crying like a cat trying to make everyone laugh. No one laughed so all received a prize. Also we created a cat by answering questions correctly. Answers were parts of the cat. Everyone giving a correct answer received a prize.

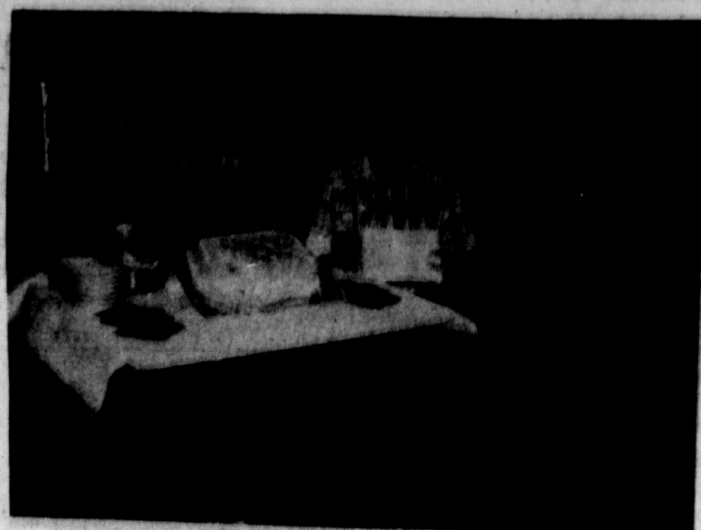

Next she passed out words and each person had to match the word to a picture. All answered correctly so all received another prize.

Neil Vitarelle spent the day with us, helping with the party. We surely do appreciate her and also Mr. and Mrs. Jim Smith helped with the party. They helped serve refreshments, popcorn balls, and helped with games.

Sue Leeper, Peggy Cockerham, Alice Hood, Gertrude Reid were our judges.

The poor old witch couldn't fly, couldn't dance, couldn't cast a spell on anyone so she just carried her broom and helped with everything. We appreciate our special guest. No one guessed her named. I will tell you a secret. It was Alice Hood. Alice is one of our good cooks. She will be leaving us and moving to Amarillo but she promised to come back next Halloween.

We had 3 October birthdays, Blance Smith, 10-2-1892, Bonnie Bray, 10-4-1908, Vira Floyd, 10-18-91. They celebrated their birthdays in their rooms with their families. We wish them many more

MEDICAL RESIDENTS at Halloween party

Ferris honored with party

Clayton Ferris was honored with a birthday party at Medical Center on Friday, October 25th with several workers of Medical Center in attendance. Clayton was presented with a birthday cake and gifts from his mother and father, Mr. and Mrs. Roy Ferris and Medical Center personnel. Clayton is doing us a good job with his piano playing abilities and he is very much appreciated by residents and staff at Medical Center. It is believed that Clayton was pleasantly surprised with this show of our appreciation. This was done with the knowledge of Clayton's mother and father who were very pleased with the outcome. Clayton, we wish you many more happy birthdays and thank you again for the good work you are doing at Medical Center. We are thankful for persons such as yourself that help us do the job that we are doing in fulfilling the total needs of our residents.

4-H News

Monte Hollar and Lisa Burch were among the honorees at the District 1 4-H Gold Star Award Banquet in Canyon, November 2, 1985. Having previously been named winners of the highest county 4-H club achievement award in Donley County, these local 4-H'ers were among Gold Star Award winners from twenty other counties in the district.

Sponsored by the Deaf Smith County Electric Cooperative, Inc., the Rita Blanca Electric Cooperative, Inc., the North Plains Electric Cooperative, Inc., the Swisher Electric Cooperative, Inc., the Greenbelt Electric Cooperative, Inc., the Lighthouse Electric Cooperative, and the Texas Agricultural Extension Service, the district program annually recognizes the outstanding 4-H club members in each county. Recipients of the Gold Star Award must have demonstrated outstanding leadership development and successfully completed a project related to agriculture, home economics, or

personal development. The recognition program was conducted by members of the District 4-H Council. Lesia Fuston, second vice president, led the pledge to the American flag and the 4-H motto and pledge.

Accompanying the local winners to the awards banquet were Ronald Gooch, County Extension Agent - Agriculture; Terry Floyd, County Extension Agent - Home Economics, and her husband Lynn; Burl and Carlene Hollar; and Ray and Cheryl Burch.

CLARENDON COLLEGE

Home of the Battlin' Bulldogs

College basketball teams win opening doubleheader

The Bulldogs started their 1985-86 season with style Monday night. The doubleheader against Western Oklahoma State of Altus in the Clarendon College gym was played before an unusually large and an expectedly enthusiastic crowd.

The Lady Bulldogs had control of their close game from the first tip off. The half time score was 34 for Clarendon and 33 for Western Oklahoma. The final score was 69-62 in favor of Coach Irvin's Ladies. Every member of the team played, and sophomore Victoria Peacock and freshmen Cindy Reagins and Shelia Adams scored in the double figures with Linda Weatheron, Tia Stewart, and Angela Tate also contributing points.

All of the Bulldogs also saw action with the exception of O'Neal Dawkins who was out with a knee injury. The Bulldogs were down nine points in the first half but pulled ahead 41-38 by the end of that half. Starters for the Bulldogs were Roderick (Sticks) Davis, Shawn Read, Vincent Mason, Timothy Lee Moore, and Virgil Reagins. Read and La Vert Bizzle added to the score with impressive outside shots.

Mason was 100% from the free throw line. Moore blocked well under the basket and Reagins was high point. The final score was 77-63.

The Lady Bulldogs will play in the South Plains Tournament in Levelland this weekend. The teams will not have another home game until December 2. Make plans now to support these teams with your presence and applause.

RODEO CLUB OFFICERS - Shawn Dennis, vice president; Chris Downer, student senate representative; Henry Herrmann, president; Carol Brandenberger, student senate representative; Melody White, treasurer; Sug McKinley, Datil, NM.

Clarendon College Rodeo Club

Officers for the 1985-86 Clarendon College Rodeo Club are Shawn Dennis, vice president of Los Lunas, NM; Chris Downer, student senate rep of Clarendon; Henry Herrmann, president of Syracuse, Ks; Carol Brandenberger, student senate rep from Llano; Melody White, treasurer from Boise City, OK and Sug McKinley, secretary from Datil, NM.

The purpose of the Rodeo Club is to provide students that enjoy rodeo the opportunity to participate in the fellowship and recreation of these events in a competitive manner. The Rodeo Club is a non-scholarship program that pays N.I.R.A. club dues so students of the college may participate in all N.I.R.A. functions. The Rodeo Club sponsors at least two intramural rodeos a year as well as several roping events. The organization is open to all students attending Clarendon College. The college owns a "toro" bucking machine along with roping and riding stock. Also, the college has a roping and riding arena on the campus. Kelvin Sharp, rodeo PE instructor, is sponsor of the club.

FTA met

The Clarendon F.T.A. met October 15, 1985 during the noon period. Sheri Chamberlain, Vice-Pres., presided in President Tammie Deen's absence. The meeting was called to order. Rachel Bowling, Recording Secretary, called the roll and read the minutes of the previous meetings. All members were urged to turn in their candy money from candy they have had since September 25.

Members were encouraged to pay Chapter dues (\$5.00) Chapter needs to affiliate with District XVI F.T.A. and State TFTA.

Some members expressed a desire to run for a district office; they are: Amy Johnson for District XVI Treasurer, Shanna Cole for District XVI President, Larinda Pettit for District XVI Recording Sec., Sheri Chamberlain for endorsement by district for a state office.

The Mr. and Miss F.T.A. Speech Contest was explained and 2 students desired to enter the contest - Rachel Bowling and Marj Ekleberry. The contest consist of writing a 3-minute speech over the TFTA theme "Education: A New Frontier."

The contest will be conducted November 9th at the District XVI TFTA Convention to be held on the W.T.S.U. campus.

The historian Marcy Helms, reported that the chapter scrapbook is being worked on. The cover is being designed and painted by Doris Ekleberry. The scrapbook is to be entered in competition at the district convention; then onto the state level.

Point sheets were filled out. Members fill out their point sheets because the point sheets determine who goes to the state convention.

A sign committee has been making the spirit sign for the pep rally. Sheri Chamberlain has been in charge. Lisa and Cindy Blanton have made locker signs, doing a great job.

The F.T.A. Spirit Chain was briefly discussed. It will be discussed at a later date.

The October 26th Halloween Carnival was discussed.

Attending were: Sheri Chamberlain, Rachel Bowling, Lesia Fuston, Brigett Spier, Cindy Blanton, Lisa Blanton, Shanna Cole, Marj Ekleberry, D'Lis Robinson, Jennifer McAnear, Larinda Pettit, Stacy Graham, Sue Chambless, Amy Johnson, Jake LaGrone, Clay Sharp, Marcus Smith, Jan Kidd and Miss Betty Veach, Advisor.
October 22, 1985

The Clarendon F.T.A. meet Oct. 22, 1985 at the noon period.

President Tammie Deen presided.

Rachel Bowling, Recording Secretary, called the roll and read minutes of previous meetings.

President Tammie gave a report on candy sales. The sale is going smoothly, over half of the money has been turned in so bill can be paid. All F.T.A.'ers need to turn their candy money into Miss Veach. Some F.T.A.'ers need to check out candy so they can get their points.

Larinda Pettit, Treasurer, gave a brief report on who has paid dues and that the chapter has affiliated with TFTA District XVI. District XVI dues consist of \$1.00 for each member, \$25 to District XVI Mr. and Miss F.T.A. Scholarship and district convention registration.

Every member encouraged to attend the District XVI TFTA Convention on the WISU Campus on Saturday, Nov. 9th, 1985.

All candidates running for a district office were asked to fill out information sheets on themselves and they would be sent to David Webb, Tullia, District XVI President by Oct. 25. Shanna Cole, Larinda Pettit, and Sheri Chamberlain responded; they are candidates for district offices.

Campaign managers were selected for Shanna Cole who is running for District XV president; Brigett Spier is Shanna's campaign manager. Marj

Ekleberry is Larinda Pettit's campaign manager; Larinda is running for District XVI Recording Secretary. Rachel Bowling and Tammi Deen are Sheri Chamberlain's campaign managers. Sheri is running for District XVI Vice President and to be endorsed by District XVI for a state office. A night meeting next week will be scheduled to work on skits and campaign material.

Marj Ekleberry is Clarendon's contestant for the Miss F.T.A. Speech contest, November 9th.

Three delegates need to be picked to represent Clarendon F.T.A. in the House of Delegates at the District XVI Convention, November 9th. Plans for the F.T.A. "Spirit Chain" were finalized. The competition between classes would begin October 23 and run till November 1. Each class would buy links (3 links for 5c) to build chain and the class with the longest chain would get to wear football jerseys all day Friday and to Pep Rally.

Containers for money are to be decorated and put in English classes. In charge of the chains were: Seniors: Rachel Bowling and Lesia Fuston; Juniors - Cindy Blanton and Lisa Blanton; Sophomores Marj Ekleberry and Larinda Pettit; Freshmen, Stacy Graham, Sue Chambless and Amy Johnson.

It was decided to meet on Tuesday, Oct. 29 for the purpose of getting skits together for our 3 candidates running for district offices. Campaign managers, candidates and ones interested in being in skit will meet.

One candidate for Miss F.T.A. speech contest will be Marj Ekleberry. Three voting delegates will be selected to represent Clarendon during the House of Delegates to vote for district offices.

It was mentioned that the pep rally signs need to be finished.

The Halloween Carnival on Oct. 26 was discussed. It was decided to have booth and sell our F.T.A. candy.

Point sheets were filled out. Attending were: Rachel Bowling, Lesia Fuston, Tammie Deen, Cindy Blanton, Brigett Spier, Sheri Chamberlain, Shannon Cole, Clay Sharp, Larinda Pettit, Jan Kidd, Marcy Helms, Amy Johnson, Marj Ekleberry, Stacy Graham and Miss Betty Veach, Advisor.

October 29, 1985

F.T.A. met for the purpose of working on skits for:

1. Sheri Chamberlain - running for District XVI Vice-President and endorsement from district to run for state office.
2. Larinda Pettit - Dist XVI Recording Secretary.
3. Shanna Cole - District XVI President.

Campaign managers are Brigett Spier for Shanna Cole; Marj Ekleberry for Larinda Pettit; and Tammi Deen and Rachel Bowling for Sheri Chamberlain. Each candidate and campaign manager broke up into groups to work on skits.

Attending were Sheri Chamberlain, Lesia Fuston, Steve Porter, Marj Ekleberry, Larinda Pettit, Rachel Bowling, Cindy Blanton, Lisa Blanton, Sue Chambless, Marcy Helms, Shanna Cole, Brigett Spier, Amy Johnson, Trisha Clifford, Tammi Deen and Miss Betty Veach, Advisor.

Winners of the F.T.A. Spirit Chain

The "F.T.A. Spirit Chain" competition was a great success. The money will be used to set up an F.T.A. Scholarship for a senior F.T.A.'er. The amount of \$175.00 was raised this year.

The competition was really competitive between the sophomores and freshmen of C.H.S.

F.T.A. wished to thank the sophomores who helped make their chain and others who were not in F.T.A. Thank You Again.

The Sophomores were the winners this year and got to wear bootball jerseys all day Friday. The freshmen came in a close 2nd.

F.T.A. wishes to thank all classes for their participation.

Young Homemakers met Oct. 28

The Clarendon Young Homemakers met Monday, Oct. 28. The meeting was called to order by Missy Kidd, president. She introduced Pat Robertson who gave a program on fire prevention in the homes. He discussed the need for having an escape route and meeting place in case of fire and the need for having smoke detectors and fire extinguishers in our homes. It was a very interesting program and we thank him for presenting it.

After the program a business meeting was held. A work schedule was set up for the Christmas Bazaar for Nov. 23. Anyone wanting to work needs to call Annette. Also we will set up that morning at 8:00 a.m. so anyone who needs to can take their

items to Denise or Annette.

Also Missy reminded everyone they need to remember to do for their secret sisters. We are to reveal at the Christmas party who we had as secret sisters.

It was decided to have our Christmas party Dec. 13th at Nancy's house. More arrangements will be made at the next meeting.

Members present were Missy Kidd, Wanda Smith, JoDee Mincey, Edie Robertson, Debbie Hollan, Nancy Kidd, Fay Vargas, Susan Henson, Valorie Ashcraft, Denise Bertrand, Annette Osburn, Betty Veach and guest Priscilla Anglin, Brenda Shields and Pat Robertson.

The next meeting will be Nov. 25 which will be election of officers.

Yea, I'm a little behind -- sorry about that. Ole punnie will get it all together again soon -- I hope.

Welcome to our new cook-helper, Thelma Behrens. We are pleased to have this senior person in our kitchen on Tuesday and Wednesday.

Thanks to Rev. James T. Carter for the delicious apples and pears. We did enjoy them.

Game nights and jam session nights are really doing well. We are having from eight to twelve musicians and twenty to thirty guests each Friday night. Just a lot of good fellowship and fun.

Fifty-eight enjoyed October Birthday/Anniversary salad supper. Birthday people present were Clara Mae Carter, Carol McClellan, Clyde Putman, and Pauline Jones. Had one anniversary couple present, Don and Annie Wooten. Jay Gould was winner of the door prize. Gwen Putman, Don Wooten and Truett Behrens got the fun things. Had super entertainment by Creed Smith, Truett Behrens, Jerry Chambliss,

Historians note that during more than four centuries of recorded history in that area that became Texas, many more than six flags have flown at significant times and places. One of the first Anglo-Texan banners was associated with the opening shots of the Texas Revolution at Gonzales.

In 1835, Mexican troops demanded return of a small cannon they had loaned to Texans for defense against hostile Indians. But relations between settlers and Mexican authorities were already volatile, and the Texans refused, creating a banner of white cotton emblazoned with a cannon and the words, "Come and Take It."

Several flags of the revolutionary period featured a "lone star," as on Capt. William Scott's flag, the Georgia Battalion Flag, and Texas Naval Flag.

In Northeast Texas were flags of the Long Republic and the Fredonian Republic; in South Texas, a flag of the Republic of the Rio Grande. At San Jacinto, where Texas won independence, the charging Texans carried a white silk banner centered with the figure of a woman symbolizing liberty.

The proverbial "six flags" of nations that exercised actual domination over, or staked major claims to Texas will be featured in this section during the next few weeks. Also featured will be historical information and highlights on the state seal, bird, flower, official dish, tree, stone, grass and gem.

The Great American Smokeout: A great day for quitters

Smokers who want to give up the cigarette habit may find the task easier on Thursday, November 21. That's the date of the American Cancer Society's ninth annual Great American Smokeout -- a day when the nation's 54 million smokers are encouraged to kick the habit for at least 24 hours, just to prove to themselves that quitting is possible.

A special program, "Adopt-A-Smoker" has become a popular feature of the Smokeout. "Non-smokers can be a part of the Smokeout by 'adopting' smokers they'd like to have quit for the day," Kim Sharrar, YAC chairman said. "Adopters can offer 'survival kits,' snacks and encouragement throughout the day. The support really helps.

Survival kits are being assembled by YAC members and will be available at Bivens Pharmacy and Gibson's Discount Center.

Many business people and professionals have no idea that they -- and all they've worked for -- are exposed to costly private lawsuits.

In fact, the very hallmarks of success -- from yachts to handsome homes -- make business people tempting targets.

Civil lawsuits have increased from an estimated 10 million in 1967 to projected 14 million for 1982. By 1979, the average award in a fatal accident case was over \$350,000.

Yet the standard homeowners insurance policy typically provides liability coverage of only \$100,000. So a major lawsuit might endanger savings, a home, even future earnings.

Knorpp Insurance believes that people with important assets should consider personal liability umbrella policies. These policies will not protect against liabilities incurred in business -- but they will close some of the gaps that other types of coverage leave open.

Knorpp Insurance umbrella policy offers as much as \$10 million in protection -- and a million dollars in coverage costs as little as \$100.

Proposed Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency
ACTION: Proposed rule.
SUMMARY:
Technical information or comments are solicited on the proposed base [100-year] flood elevations shown in your community's preliminary Flood Insurance Study and Flood Insurance Rate Map. Those base [100-year] flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program [NFIP].

1986 GMC Suburban by Joe T. Lovell, Claude.
1985 Buick by Daylon Johnson, Shamrock.

DATES:
The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in the community.

ADDRESSES:
Study and maps showing the proposed base flood elevations and their delineation are available for review at the City Hall, Clarendon, Texas.

Send comments to: Honorable James L. Kuhn, Mayor of the City of Clarendon, Donley County, P.O. Box 1069, Clarendon, Texas 79226.

For further information contact: John L. Matticks, Acting Chief, Risk Studies Division, Federal Insurance Administration, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-2767.

SUPPLEMENTARY INFORMATION
The Federal Emergency Management Agency gives notice of the proposed determinations of base [100-year] flood elevations, in accordance with Section 110 of the Flood Disaster Protection Act of 1973 [Pub. L. 93-234], 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 [Title XIII of the Housing and Urban Development Act of 1968 [Pub. L. 90-448]], 42 U.S.C. 4001-4128, and 44 CFR 67.4(a).

These elevations, together with the flood plain management measures required by Section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed

ordinances will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

Pursuant to the provisions of 5 USC 605(b), the Administrator, to whom authority has been delegated by the Director, Federal Emergency Management Agency, hereby certifies that the proposed flood elevation determinations, if promulgated, will not have a significant economic impact on a substantial number of small entities. A flood elevation determination under Section 1363 forms the basis for new local ordinances, which, if adopted by a local community, will govern future construction within the flood plain area. The elevation determinations, however, impose no restriction unless and until the local community voluntarily adopts flood plain ordinances in accord with these elevations. Even if ordinances are adopted in compliance with Federal standards, the elevations prescribe how high to build in the flood plain and do not prescribe development. Thus, this action only forms the basis for future local actions. It imposes no new requirements; of itself it has no economic impact.

Lessees and owners of real property in the City of Clarendon, Donley County, Texas, are encouraged to review the preliminary Flood Insurance Study and Flood Insurance Rate Map available at the address cited above. Proposed base flood elevations along flood sources studied in detail are shown on the flood profiles in the study. The flood sources studied in detail are:

SPOTLIGHT On Teen's

By REV. TONY COLBURN

GOING STEADY PART III

Another unwritten rule in going steady is that the boy may call at the girl's home almost at will. He need not make arrangements beforehand. He may just drop in unannounced and unexpected. She may have hardware in her hair and be helping Mom with the dusting. She may be up to her elbows in work when her knight in shining armor suddenly appears and requests an audience. She may have just been rousted out of bed, still in a housecoat, hair like a rat's nest, when helpful little brother shouts, "Here he comes!"

The rules are not all the same everywhere you go. No governing board has published a book of regulations for going steady. The rules are not hard and fast. They change somewhat with the individuals involved as well as with the part of the country that the couples live in.

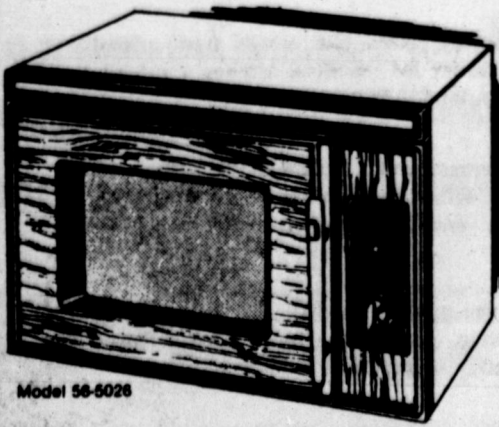

In the minds of some young people, going steady is as binding as engagement. For them it is the relationship that should lead to the actual betrothal and ultimately marriage. They talk of love. They share intimacies. They make plans about home and family. Some begin to collect pieces of silverware for a set. They look at furniture and talk about apartments and houses. The girl may begin to plan the wedding and select the attendants.

At the other end of the going steady teeter-totter is the attitude that there is nothing binding about the relationship. Some young people go steady with several members of the opposite sex at the same time. I don't understand how someone can date two or three people at the same time. I had a hard enough time trying to keep up with and to please one. Someone who has the capability to date two or more at the same time is either a fantastic manipulator or else they're crazy.

The going steady bug nips nearly every teenager at one time or another. Most everyone who has ever been a teenager remembers what it was like to fall in "love" for that very first time. I think that the love that we think we experience many times isn't love at all. We need to be careful about what we call love. Don't get the word just mixed up with love. They are completely opposite. Lust desires to have while love desires to give.

WHAT YOU DON'T KNOW ABOUT HEAT PUMPS...

COULD COST YOU MONEY!

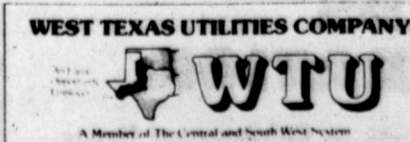

**An Electric Heat Pump & The Energy Saving Plan
Will Help You Save Money in These Ways:**

1 The electric heat pump is the most efficient system for heating and cooling a home, and can offer you years of energy savings. A heat pump can actually produce more than 2 units of heat for every unit of electricity used in a properly insulated home.

An electric heat pump, along with the other energy efficiency measures outlined in the Energy Saving Plan, can save you thousands of dollars in energy bills over the life of your home.

2 You can get a \$110 per ton cash bonus for installing a central system heat pump in your home through the Energy Saving Plan. Your home must meet all the E.S.P. requirements and be served by WTU to qualify for the bonus program. Also, be sure to ask about WTU's incentive plan for installing a heat pump window unit.

For more information on the electric heat pump and the Energy Saving Plan, contact your local West Texas Utilities office today.

THANK YOU CARD

Hi! My name is Samantha Kelly Robinson Vargas and I had my first birthday the 29th of October.

My mother and big sister had planned on having a birthday party. I was very excited about that, but something happened that changed everything.

My mom was taken to the hospital on my birthday. She is doing great now, and she wanted me to thank everyone that called and sent cards and flowers to her while she was in the hospital.

She would like to also thank the Xi Lambda Xi for the wonderful meal that was prepared for our family on my mom's return home.

Our whole family would like to thank Wes and Susan Henson for taking care of me and my big sister Brandy while our folks were at NWTB.

And a very big thank you to Mrs. Ruby Jewell Hardin for my very first birthday cake. It was a Caro Bear cake. I will remember it forever and so will my mom! after the clean up.

Thanks to Patsy, Delbert, Debbie, Greg, and Tim for my Teddy Bear and books. Also thanks to Pat, Eddie and Chuck for my doll.

Thanks to Annette my babysitter and Blake for my phone and socks, and for taking care of me a little longer than usual.

If I forgot anybody, please forgive me, I'm only one year old.

Love you
Samantha Kelly Robinson Vargas

HONORABLE MENTION in costume contest Monte Danner and Debbie Hamilton.

From The PEN of PASTOR PINION

THE PRIORITY OF HOME (Cont.)

"But if any widow have children or nephews (grandchildren), let them learn first to show piety at home and to requite (repay) their parents: For that is good and acceptable before God" (1 Timothy 5:4). While Paul is giving instructions in this passage for the care of widows, yet it has a wide application in that God is calling for the establishment of piety or kindness in the home. Inasmuch as the word "First" is used, it is to reveal how the home appears in the sight of God.

Every reader of the Bible must recognize the tremendous stress which is laid upon the home and how it is revealed as the oldest and most important of all institutions. Before the tribe, the nation or the government comes the home, and none of these could possibly exist apart from the home. One of the greatest possible enemies to mankind is that which strikes at home life. "Let them learn first..." is the way God puts it, and here we see how the business of home-making is a cardinal one. We cannot escape the fact that the home is the primary department of Christian living.

I deplore the existing condition among youth and no topic claims the interest who demands the attention a does juvenile delinquency. All sorts of suggestions have been offered as causes for this strange condition among growing children and as many remedies have been offered. But, I believe, the real cause for the

frustration of young life which is so apparent today is broken home life. The old-fashioned home with its piety seems almost to be a thing of the past.

Edgar Guest was on the right track when he wrote, "It takes a heap o' livin' to make a house a home." And not until the Lord Jesus Christ is recognized as the head of the house will the home be what God intends it to be.

I believe the genuinely Christian home is the answer to the vexing problem of youth. Parents need to realize that they are the ones ultimately responsible for the training and education of their children. Parents need to wake up!

The stability of a nation is in exact proportion to the sanctity of the home, and when home life becomes cheap, national life begins to crumble. God help us to put the home back on top of the list of priorities.

President Ronald Reagan's last movie was "The Killers" in 1964.

Salt used in its pure form and in the many chemicals derived from it, directly affects almost all major industries. There's salt in shoe leather, in the dye of a hat and tons go into the production of paper.

Boulter bill promotes "Fair" farm policy

Blasting Administration policies that lend taxpayer dollars to foreign agriculture producers while squeez-

ing U.S. farmers out of international markets, 13th District Congressman Beau Boulter (R, TX) introduced legislation today which he said will "end this blatantly unfair, and unwise, expenditure of U.S. taxpayer dollars."

Boulter's legislation, the Foreign Agriculture Investment Reform Act (FAIR), requires the Secretary of the Treasury to instruct U.S. Executive Directors of international financial institutions to oppose loans for investments in agriculture production of commodities that are already in surplus on world markets.

At a press conference held with Senator Steve Symms (R, ID), the author of similar legislation in the Senate, Boulter noted that "right now the U.S. is a member of several international financial institutions, like the World Bank, which provide generous credit terms to countries like China for them to subsidize their agriculture industries. And while we are using our taxpayer dollars to support these credit terms," he continued, "we are literally squeezing our own farmers out of international markets."

Another key provision of the legislation would reduce the U.S. contribution to international financial institutions by an amount equal to the share of U.S. funds that went either to countries which subsidize their exports, or to the production of commodities for export into surplus markets.

FAIR, Boulter said, will stop the flow of U.S. dollars to programs that subsidize foreign agriculture production when that production is harmful to U.S. exporters and producers. "Our farmers are struggling today largely because of the past mistakes of our government. And we still have policies that in effect cripple our farmers", Boulter said. "There can be no justification made for the current system of foreign subsidization."

Explaining that as heavily subsidized foreign commodities enter international markets, U.S. farmers are less able to compete, Boulter concluded that current U.S. policies "are only serving to help the competition," he concluded.

Boulter's legislation has eleven original co-sponsors, and is expected to be assigned to the Banking and Finance Committee.

THEN/NOW!

Great legislators, history suggests, have to know when to stand firm, and when to compromise. Here's a look at some great compromises of the past and present.

THEN: In the first half of the 1800's, Henry Clay, Speaker of the House of Representatives, became known as "The Great Compromiser" because of his successful efforts to keep the Union together despite increasing divergence between North and South.
