Donley 4-H Boys Win Swine Contest

Heavy Absentee Balloting Spurs Interest For July 27 Primary

TAKES FIRST IN DISTRICT ONE COMPETITION

BANNER AWARDED COUNTY CHAPTER BY BREEDERS ASSOCIATION

Competing with 22 Panhandle Counties, Donley County 4-H boys won first place in swine production demonstrations in district one, H. M. Breedlove, county agent, reported here today.

The 1939 banner was awarded to Donley County by the Texas Swine Breeders Association at the farmers' short course session at A. & M. College last week.

County Agent Breedlove brought the award back to Clarendon and has posted it upon the wall in his office here.

Breedlove said sixty Donley boys, using sixty sows, participated in the contests.

The award was made on the basis of the number of swine demonstrations conducted by the 4-H Club boys and the results shown from these demonstrations.

BUS DRIVER'S BODY IS SENT TO HIS HOME

Thomas W. Holman, 77 years old, died in the hospital here Thursday, shortly after 5 p. m.,—just 13 hours after his streamlined bus crashed into the rear of a truck loaded with watermelons one and one half miles east of Clarendon on highway 287. He was 33 years old.

Darby's right leg was severed, his face deeply cut and he suffered internal injuries in the crash in which five of eight passengers were injured or bruised.

Contrary to various reports, three persons, two men and one woman, escaped unharmed and were not treated at the hospital.

Darby's body was sent to his home at Morgantown, N. C., Friday night by the Buntin Funeral Home.

Mrs. J. R. Dever of Amarillo who was one of the five passengers hurt, was released from the hospital late Thursday afternoon. She was believed to have suffered abdominal injuries.

J. J. Davis of Sunset, Texas, driver of the large watermelon truck which figured in the accident, was absolved of blame after an investigation by officers.

None of the passengers could give a coherent statement about the wreck since all were either asleep or dozing.

Community centers will be set up in the various communities throughout the county for the purpose of speeding up the making of the mattresses. These centers will be set up in any community where there are enough applications to use up one bale of cotton.

Pastime Theatre Float Wins 1st At Tulia

The Pastime Theatre's beautiful float which brought considerable comment when it appeared in the July Fourth parade here, won first prize in the Tulia celebration yesterday.

The float was recently sold to the Tulia American Legion by Homer Mulkey, theatre manager.

Over 100 entries participated in the parade which was part of the celebration commemorating Swisher County's 50th anniversary.

CONNALLY TO BROADCAST TUESDAY

WASHINGTON, D. C. — A special radio broadcast, with a state-wide hook up, will be made by United States Senator, Tom Connally on the night of Tuesday, July 23rd at 9 o'clock.

Senator Connally, who is an influential member of the Foreign Relations Committee of the United States Senate, will discuss national affairs in a talk of interest and importance to all Texans. The Senator will be accompanied by Mrs. Connally, Mrs. Corpas Christi; KRGV, WESLACO; KPRC, Houston; WOAL, San Antonio; WBAP, Fort Worth, and WFAA, Dallas. The broadcast will be from 9:00 to 9:15 o'clock.

25 Bales Cotton Ordered For Mattresses

County Agent H. M. Breedlove announced this morning that application had this morning that the State board for 25 bales of cotton to be used in the making of 250 mattresses for farm families who were eligible to take part in the mattress demonstration program. Breedlove said that this cotton had been ordered, but it was impossible to tell just when the cotton would arrive in the county, but it is expected in the very near future. Sufficient amount of ticking will also be sent to the county to be used in the making of the mattresses.

Community centers will be set up in the various communities throughout the county for the purpose of speeding up the making of the mattresses. These centers will be set up in any community where there are enough applications to use up one bale of cotton.

Cowgirl Beauties Will Parade At XIT Reunion

DALHART, Texas — Cowgirl beauties of the Southwest will ride before the crowds at the Fifth Annual XIT Reunion in Dalhart, August 5-6.

The General XIT Committee has just perfected plans for a Cowgirl Sponsor contest — the first that has ever been held by the XIT Reunion. Lubbock, Dumas, Stratford and Texline have pledged sponsors, and Canadian will send its Miss Sydna Yokley, who took Madison Square Garden by storm with her calf roping act, and who was widely publicized by Life magazine as "The Sweetheart of the Cow Country."

First prize is a beautiful saddle horse, given by the Pinkney Packing Co., Amarillo; second prize is a specially-made saddle, lettered "XIT Sponsor Contest—Dalhart 1940", given jointly by the Brown Saddle Co., of Amarillo, and John L. McCarty, former Dalhartan who is now editor of The Amarillo News; third prize is a pair of shop-made boots, given by the Brown Saddle Co.

CLARENDON FFA CHAPTER RATED STATE'S BEST

COMMITTEE PRAISES LOCAL ORGANIZATION BEFORE STATE CONVENTION

The Clarendon FFA Chapter was announced as the highest rating chapter in the state by the state chapter committee in its report to the State FFA Convention at Houston, last weekend. There are 629 chapters in this state with a total membership of approximately 28,000 boys. The committee in making the report stated that the Clarendon Chapter had completed the most outstanding year's work of any chapter in the history of the organization. The Clarendon Chapter is composed of forty-five members.

Outstanding accomplishments that drew praise from the chapter committee of the state association was the showing of 21 grand champion animals and birds at the Fort Worth, Dallas, and Amarillo Fairs, and Fat Stock Shows, and the winning of \$1945 cash premiums at these shows; the winning of the State Breeder's FFA Swine Production Contest which carries an award of \$100 cash; the winning of the state milk judging contest for the second consecutive year which carries an award of a free trip for team members to the American Royal Stock Show to compete for the title of state champion.

Members of the chapter who registered Jersey Bulls and six registered boar circles in the county during the past year. The committee stated that the project program of the local chapter was the most outstanding in the state.

The local chapter will represent Texas in the national contest to be scored in September.

Carl Morris, Chapter president and J. R. Gillham, chapter adviser, returned Sunday morning from Houston where they attended the annual Texas FFA State Convention. Morris played in the state FFA band while at Houston and appeared on a statewide radio program for a five minute talk as president of the FFA school year. Gillham was a member of the Swine Improvement Committee that worked out plans for the swine production contest for this year.

Galveston, the state penitentiary at Huntsville, and numerous other points of interest were visited during the trip.

WPA Barbecue At Lake Attracts 200 Persons

About 200 WPA officials and members of WPA personnel gathered last Saturday night at McLellan Lake northeast of Jericho for a barbecue feast.

Among those attending were Clifford Davis, former Clarendon man and WPA official at Amarillo, A. A. Meredith, WPA district supervisor, and George C. Caldwell, state WPA engineer.

The chickens for the outing were barbecued by Caraway's cafe here.

Between Thirty And Forty Make Application For Loans Under Farm Tenant Purchase Plan

Between thirty and forty tenant farmers have made application for loans under the Bankhead-Jones Farm Tenant Purchase program, according to John I. Burch, farm security administration official here.

Donley County was designated by Secy. Henry Wallace last week as a county in which the program would operate this year. Loans will be made available to qualified tenant farmers, sharecroppers and farm laborers

Dr. H. R. Beck Is Injured In Car Accident

Dr. H. R. Beck, local physician, suffered a shoulder injury in an automobile accident, according to a telegram received here today by Joe Goldston from Yankton, S. D.

No details of the accident were given. Dr. Beck, who was on a vacation with his wife, was supposed to have returned home Tuesday. He stated in his telegram that he would be delayed a week.

LIONS HERE ENJOY READING PROGRAM TUESDAY NOON

MRS. ERNESTINE PILCHER, CHILDRESS SPEECH ARTS DIRECTOR PRESENTS NUMBERS

One of the most enjoyable programs of the season was presented Tuesday at the Clarendon Lions Club luncheon at the Clarendon Hotel, when the program committee headed by Lion Marvin Warren presented Mrs. Ernestine Pilcher, speech arts director of the Childress High School, in a program of popular readings.

Mrs. Pilcher won the hearty applause of the Lions in two readings, "The Vanity of Men," and the second calculated to deflate any undue ego on their part. The first number was "St. Peter at the Gate," while the last was "Where White Men Came From."

Penelope (Peggy) Blocker, who directed the cowgirl sponsors at the recent Clarendon Coronado Rancho Round-Up & 4th of July Celebration was a visitor for the day and received the applause and thanks of the Lions for her work on behalf of the city.

Lion John Gillham announced the winning of the top prize in Texas for the best FFA chapter in the state by the Clarendon chapter at the session in Houston last week, and exhibited the plaque presented to the local chapter from this place.

The club ordered flowers sent to Mrs. J. R. Porter, wife of Lion Porter, who is recovering from an operation in an Amarillo hospital.

In the absence of Lion President Ralph Andis, enroute to Havana, Cuba to attend the International Lions Convention, Vice-President Louie Thompson presided.

SERVICES CONDUCTED FOR LEE MUSE INFANT

The infant daughter of Mr. and Mrs. Lee Muse died at the local hospital Sunday. Services and burial were held Monday at the Citizens Cemetery with Rev. M. M. Miller officiating.

The Buntin Funeral Home was in charge of the arrangements.

Pauline McElroy and Maxine McClure of Hollis spent the week-end here visiting Ruby McElroy.

Democrats Re-Nominate Roosevelt On A Single Vote For Tradition Smashing Third-Term Campaign

FRANKLIN D. ROOSEVELT

Armored Cars And Tank Will Give Demonstration

An army demonstration unit consisting of two armored cars equipped with weapons and a tank will give a demonstration here this afternoon at 4 o'clock.

This announcement was made late yesterday by Assistant Recruiting Officer, U. S. Army, at the Clarendon Chamber of Commerce.

LEGION MEETING TO BE HELD AT McCLELLAN

PAMPA — For the first time in two years, Kerley-Crossman American Legion post 334 and auxiliary will be host to the American Legion post and Auxiliary units of the 18th district to be held Wednesday, July 24.

Completion of McClellan Creek Conservation project located 25 miles south of Pampa, has provided an ideal setting for the monthly get-together.

The park, on which the federal government spent \$600,000 was dedicated July 4.

Charlie Maisel, former Pampa, now of Phillips, retiring district commander, will preside as district commander for the last time at the meeting. Maisel has been elected fifth division as district leader by J. M. Johnson of Canadian.

First event on the program will be a barbecue, held at the picnic grounds at the park, at 7 p. m. This will be followed by the business meeting one hour later. Ken Bennett and his orchestra will play for a dance to be held at 9 o'clock.

Sherman White, member of executive committee of the local post, and Bill Heskew, sergeant-at-arms, are in charge of the program that has been arranged for the 30 posts and auxiliaries of the district.

Mrs. John Deaver of Memphis, acting district auxiliary president, and Mrs. Hoyt Allen, president of Kerley-Crossman auxiliary, will be in charge of the auxiliaries part in the program.

Mrs. E. L. Blanks and daughter, Nola E., spent Sunday night and Monday with her daughter, Mrs. J. W. McCrary and Mr. McCrary of McLean. Mrs. McCrary underwent a tonsil operation Monday, and returned home with Mrs. Blanks to spend a few days.

L. C. Johnson of Lelia Lake left Wednesday for Nashville and other Tennessee points.

Mr. and Mrs. Tom Goldston returned Saturday from a visit with relatives in the Plainview irrigated area.

Franklin D. Roosevelt was given a tradition smashing third-term nomination on a single vote at the Democratic national convention in Chicago last night.

The nomination, voted a full day ahead of schedule, followed convention sessions which saw numerous speakers, from the very start, delivering what were virtually nominating speeches for the Chief Executive.

The climax came late last night, after the President's message that he was not a candidate had been relayed to the delegates. The convention saw a roaring 50 minute demonstration on a "We Want Roosevelt," cry.

Alabama, first in the roll call of the states, and its senator, Lister Hill, presented the president's name before the convention at the first crack out of the box. Later Senator Carter Glass nominated James A. Farley, and John Garner of Texas was offered by Wright Morrow of Houston.

SEAL COATING IS GIVEN 13 MILES ON ROUTE 287

A light seal coating was applied to 13 miles of highway 287 between Hedley and Clarendon this past week, according to W. D. Hollers, state highway superintendent.

About forty men began work Saturday morning and finished the job Monday.

This same section of the highway paving was completed, four years ago, Hollers said.

Breedlove Returns From Extension Conference

County Agent H. M. Breedlove returned home Sunday night after attending the state conference of county agents at Texas A. & M. at College Station.

Important phases of extension work carried on in the counties and different policies of extension service were discussed, according to Breedlove. The important things to be carried out in extension work were also outlined, he said.

Some 600 extension workers attended the session, Breedlove stated.

McCardell Named To Fair Board In Maryland

Albert N. McCardell, former Chamber of Commerce secretary here, has been appointed by Gov. O'Connor of Maryland as a member of the Maryland State Fair Board.

Mr. McCardell who is now living at Frederick, Md., was recommended for the post by the Frederick County Agricultural Society of which he is a member, and was endorsed by the Farm Bureau, Grange, and County Agent.

Governor O'Connor called him by telephone and announced the appointment.

MRS. PORTER UNDERGOES MINOR OPERATION

Mrs. J. R. Porter went to Amarillo Monday morning to undergo a minor operation. She is in the St. Anthony Hospital and is reported to be "getting along fine." She plans to come home in about a week or ten days.

Mr. and Mrs. Buddy Anderson and family and Mr. and Mrs. Dub Scott left Sunday for a vacation trip to Arizona.

BALLOTS MAILED OUT AND CAST TOTAL 78

INDICATES HEAVY VOTING FOR JULY 27 PRIMARY ELECTION

If absentee voting is any indication, a heavy vote will be cast in Donley County in the primary election on Saturday, July 27.

Helen Wiedman, county clerk, reported late Wednesday that 78 had either voted or requested ballots mailed to them. Of this number, she said, 42 had cast votes in her office, the remainder having been sent out.

Twenty-five ballots were cast or mailed out the first three days of absentee balloting, according to a report issued last week by Miss Wiedman.

About one more week of absentee balloting remains, the last day being Wednesday, July 24.

As the primary election nears, the interest this year centers around the congressional race in which 12 are entered, and the governor's race which has been whittled down to seven candidates.

In the county, the sheriff's race promises to take the spotlight as a nip and tuck vote battle is indicated.

A lull in the European war has given politics a break and more political talk is being heard on the streets at the present time.

O'DANIEL WILL CAMPAIGN IN PANHANDLE

Governor W. Lee O'Daniel will make a swing through West Texas in the closing week of the primary campaign, with five mass meetings in as many days. Opening Monday night in Brownwood he will continue to Wichita Falls Tuesday night, Amarillo Wednesday night, Lubbock Thursday night, concluding his campaign for renomination with a public address and radio broadcast in Abilene on election eve Friday night.

Delegations of supporters are being organized in every county west of Fort Worth to attend the meetings nearest their homes. The Governor will speak from his new sound truck, equipped with public address and illumination system, which was presented him by friends in Ft. Worth.

Only one meeting of the week will be broadcast, when he speaks over TQN network from Abilene. At the other meetings, the Governor has announced, he will speak directly to the people unhampered by the limitations of radio censorship, describing present conditions in state government and his plans for correcting deficiencies at Austin.

This week the Governor is touring South Texas and the Gulf Coast, speaking in Beaumont Wednesday night; Houston Thursday night; Corpus Christi Friday night, and San Antonio Saturday night.

Ralph Andis And Family Leave For Cuba

Mr. and Mrs. Ralph Andis, and son, Billy, left Sunday for Cuba where Mr. Andis is a delegate to the International Lions convention. Mr. Andis is president of the Clarendon Lions Club.

They expect to be gone about three weeks.

MULKEY ATTENDS MASONIC MEETING AT PAMPA

Homer Mulkey left today for Pampa where he will attend a district meeting of Certificate Masons.

OLIN CULBERSON LIKELY TO LEAD IN RAILROAD COMMISSIONERS' RACE

Reports from down-state bring the cheering news that Olin Culberson is likely to be the top man in the sweepstakes for railroad commissioner in the July primary. If this is true then he should come through with a victory in August, and Texas would have a capable, trust-worthy member added to its important bureau of government.

Few communities will give Olin Culberson, or any other candidate for that matter, a more generous support than Clarendon, for Clarendon remembers how her interests were taken care of by Olin Culberson several years ago when he conducted a hearing on the gas rate controversy in this city. His later firing off the job by two certain members of the commission, no doubt hinged on his devotion to the people's interest in the Clarendon and many other similar cases. It will be a notable case of common justice now, for the people of Texas to seat him on the commission where he may continue to serve in their behalf, but with equal justice to the interests of oil and gas, and transportation concerns of the state.

The governor's race seems settled, but Clarendon folks are taking a particular interest in the race for railroad commissioner—and Olin Culberson's commanding position in that race.

HOPELESS TASK FACES OPPONENTS OF O'DANIEL

Diverted interest of the popular mind from state politics by the European war, has been hard on all candidates for office this year, but no group of candidates has faced so hopeless a task as has these running in opposition to Governor W. Lee O'Daniel's candidacy for his second term. It has been so bleak an outlook that most of them have devoted their entire time and energies in bitter, personal attacks on the Governor, usually remembering to close their tirades with an announcement of their own candidacies and a desperate appeal for votes.

Harry Hines has kept his head better than other opponents of the Governor, and in consequence will very likely turn up with more votes than the others even if O'Daniel wins a majority in the first primary, which many seem to think he will do.

Ernest Thompson appears to have abandoned his dignified methods of two years ago, and while pleading for "dignity" in office, has headed the group in mud-slinging at the Governor.

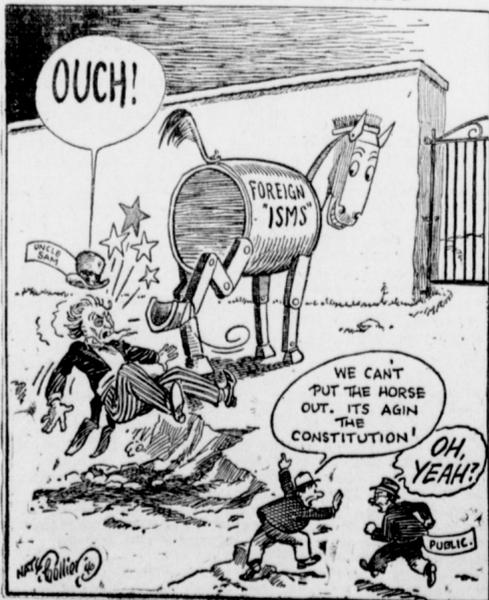

Governor O'Daniel will be re-elected in July or August, and the hopeless task of his opponents will loom larger as election day approaches.

THE ROAD TO SUCCESS IS BLUE PRINTED

Clarendon folks are happy over the success of the 1940 July 3-4 Celebration, and they have a right to look forward to an even greater event in 1941.

One outstanding fact is apparent concerning the route to success for the 1941 Celebration—it can be achieved by the blue-printed route that brought success in 1940. That proven route is unstinted, whole-hearted co-operation. Let no one forget that fact.

HE WHO GETS KICKED

JUST HUMANS

BY GENE CARR

Her Birthday

SUCH LOYALTY MUST BE DESERVED

In all the history of Panhandle politics, The News doubts if any candidate for office, ever had such unanimous, whole-hearted and enthusiastic support as the people of Collingsworth County are giving Deskins Wells in his effective campaign for Congress. The home-folks down Wellington way are making it their number one job these campaign weeks to write, travel, parade, talk and advertise the estimable qualities of their home-town candidate for Congress. They are doing this in so persistent a manner that the whole district is being tremendously impressed.

There is only one publisher in all the Panhandle section who holds a bitter jealousy against Wells, and the press generally is very open and generous regarding this brilliant young newspaper man's campaign, if not actually working for his election.

The loyalty exhibited by Wellington and Collingsworth County is monumental and must certainly be deserved. Anyway, it is a powerful reason why Wells is leading the field in the scramble for votes.

A BOUQUET TO THE TULIA HERALD

Members of the Tulia Herald staff are to be greatly complimented on their seven section, 56 page anniversary edition which commemorates Swisher County's 50th, or Golden, Anniversary.

The edition, four weeks in the making, is the largest single newspaper ever published in Swisher County, and presents a picture of Swisher history from the pioneer days to those of the present.

The paper also marks Swisher County's Jubilee celebration on Wednesday and Thursday of this week.

One section of the edition is dedicated to Happy and is filled with news and advertisements pertaining to this city.

In another section is a big photograph and story of Col. Charles Goodnight which reveals the fine hospitality of this old gentleman. It's a story that every Panhandle citizen should read.

Stories and pictures of old timers and early events are portrayed throughout the paper, making it a valuable document for history reference work.

Indeed, the edition is a piece of work which Swisher County should be proud of, and the Tulia Herald is to be highly complimented.

The edition is on file at the Clarendon News office and anyone wishing to look it over is invited to do so.

WILKIE'S NOMINATION A GOOD OMEN

Regardless of who the Democratic nominee for standard-bearer at Chicago, and without respect as to who wins the election in November, the nomination of Wendell Wilkie by the Republicans is a good omen for the economic status of the Nation.

There has been too much lambasting of business and capital by demagogues and brain-trusters in the past five or six years, and it is stabilizing of sane sentiment to see a major political party turning to an honest-to-goodness business man, capable of running a big business for a profit, as its candidate in 1940.

The News believes the interests of the Nation will be served by good-will between business, labor and government, if we are to improve our internal situation, re-arm the nation, and make a satisfactory progress.

Economic Highlights

Happenings That Affected the Dinner Pails, Dividend Checks and Tax Bills of Every Individual. National and International Problems Inseparable From Local Welfare.

The acridly polite debate recently carried on between the United States and German governments concerning the Monroe Doctrine reveals that this traditional American policy is subject to widely varying interpretations. It is also evident that Hitler is giving the Doctrine an interpretation which was never imagined by President Monroe. The Monroe Doctrine did not come into existence as a long considered, carefully thought-out statement of U. S. policy. Rather it was swiftly conceived to meet a condition which, in 1823, menaced the sovereignty of this nation. At that time the three great European states of Russia, Prussia and Austria had formed a "holy alliance" to crush a revolution in Spain, and were casting covetous glances on Spain's many possessions in the Western Hemisphere. In addition, Russia, which then owned Alaska, was attempting to dominate the Northwestern coast of this continent in the interest of her merchant ships. So President Monroe issued an official warning in which he said that the Americas "are henceforth not to be considered as subjects of future colonization by any European powers." In other words, the status quo was to be maintained so far as Europe was concerned. Afterwards, the policy which had been declared to meet the emergency of the moment, became a convenient instrument for protecting American interests in subsequent crises. We invoked it to drive the French from Mexico after the Civil War, to give the U. S. absolute instead of divided control over the Panama Canal, and to force England to come to terms when a border fight arose between Venezuela and British Guiana.

Today it is obvious that the Doctrine is to be used to provide legal grounds for preventing the Axis powers from seizing New World possessions belonging to the Democracies. Germany has met this challenge by asserting that the Doctrine must work two ways if others are expected to observe it—that in brief, the U. S. must stop interfering with European affairs if Europe is to keep out of the Americas. And here is where the vast difference of interpretation appears. For the Doctrine, as we have always understood and applied it, deals only with physical transfers of territory, not with political activity. We have never used it to deny a European power the right to carry on political or diplomatic work in our sphere of influence. Hitler seems to want to interpret the Doctrine to include "moral suasion" no less than military force.

In addition, high German officials have intimated that they deem it proper to apply a Monroe Doctrine of their own to Central Europe. They argue they have as much right to do this as we have to apply the original Doctrine throughout the Americas. And again, there is a great difference in interpretation. For we have not used the Doctrine as an excuse for imperial expansion and geographical aggression. We have not believed that it gave us the right to enslave and oppress other peoples. To the contrary, we argue, we have used it only to protect weaker nations from the possible oppression of potential conquerors. The President said on July 7th that Europe and Asia should apply the principals of the Monroe Doctrine as a means of reaching agreement on the disposition of possessions of the conquered powers—that all should get together and settle the attendant problems, rather than allow them to be decided by the victor. That looks now like an academic opinion, which will find no favor whatsoever among the swaggering Axis powers.

Germany has said in response to State Department warnings, that inasmuch as she has shown no desire to seize British and French possessions in this hemisphere we have nothing to kick about yet. But Washington authorities feel certain that Germany will make moves in our direction in time, and then the real test of the Monroe Doctrine will come. It cannot be effective unless the 29 Latin American Republics back it up with us. We are working feverishly south of the Rio Grande now in an attempt to bolster our influence there, and enlist both the continents in the crusade to save

democracy in this hemisphere.

Business barometers are well up, largely in anticipation of the orders the armament program should soon give industry. So far, appropriations, completed or pending, for military purposes have passed the \$10,000,000,000 mark, and will no doubt go much higher. The navy is to be increased by 70 per cent, to give us a two-ocean fleet infinitely superior to anything the world has ever seen before. The army is to be mechanized to the limit. For years to come, we are to be on a war economy basis.

It is highly doubtful if the securities markets will long follow the rising production index. Reason: profits will be severely limited. There is general sentiment in opposition to making war millionaires this time. The tax burden the program will necessarily impose will be almost incredible. The new taxes passed this year are but a modest start. We haven't seen anything yet, for we are starting a defense program under the handicap of a \$45,000,000,000 peacetime Federal debt, which far exceeds our World War debt.

Stamp Pad Ink at The News.

INDIGESTION

may affect the Heart
Gas trapped in the stomach or gut may set like a hair-trigger on the heart. At the first sign of distress smart men and women depend on Bell's Doan's Tablets to set gas free. No laxative but made of the fastest-acting medicines known for acid indigestion. If the FIRST DOSE doesn't give Bell's Doan's Tablets, return bottle to us and receive DOUBLE Money Back. 25c.

That Nagging Backache

May Warn of Disordered Kidney Action
Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strains on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the circulating blood.
You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

DOAN'S PILLS

To the Voters of Clarendon and Donley County.

We take this method of calling your attention to the candidacy of Judge OLIN CULBERSON, for State Railway Commissioner.

We are interested in Judge Culberson's race for this High office because of the splendid record he has made in various positions he has held. As County Judge of Hill County, he made a splendid record for service and economy. As Secretary of the State Volunteer Fireman's and Fire Marshall's Association for 21 years, he has had an active part in reducing Fire Insurance rates in Texas more than \$2,000,000 annually.

Especially has he made an enviable record as head of the Oil and Gas Division of the Railroad Commission, and has saved the Gas users of Texas Millions of dollars, in their gas bills, and today more than 400,000 gas consumers enjoy savings on gas bills in many Texas towns, because of the tireless efforts Culberson made conducting 16 major rate investigations which stood the tests of the courts. Other cases he originated affecting savings in more than "200 Texas towns are still pending."

He conducted our Gas rate hearing in Clarendon, and his finding has stood the test in every court so far, and is now pending in the Third Court of Civil Appeals of Texas, and the Attorney General of Texas who presented the case to the Higher Court, says we will win there also.

Judge Culberson is efficient, he is honest, he is fair and further he is capable, just such a man is needed in the Office of Texas Railroad Commission.

Judge Culberson has done much for Clarendon, let us do something for him.

**Citizens of Clarendon Supporting Olin Culberson
for Railroad Commissioner.**

Vivien Leigh and Robert Taylor in "WATERLOO BRIDGE" to be shown at The Pastime Saturday, Sunday and Monday, July 20-22.

Gargantuan Monsters, Earth's First Citizens, Here In Film Cavalcade

Meet a distinguished group of the Earth's First Citizens—Tyrannosaurus, Triceratops and a few other monsters that were dictators of the world millions of years ago.

You've probably seen their reconstructed skeletons in museums, but in the motion picture "One Million B. C." you'll see them as alive and realistic as beasts around an African water hole. Hal Roach Studios, where "One Million B. C." was made under the direction of Hal Roach, declines to disclose the technique used in breathing life into creatures dead and fossilized these many eons.

This is a guide to enable you to identify the dinosaurs who play important parts in the film, which is slated for a gala premiere at the Pastime Theatre on Friday and Saturday.

Tyrannosaurus — the toughest of the dinosaurs, the deadliest of prey that ever lived. Tyrannosaurus was 47 feet long. It walked on its hind legs. Its jaws were equipped with teeth that looked like war sickles.

Dryosaurus — A small edition of Tyrannosaurus — small by comparison, but large enough to have swallowed a few humans for dinner.

Dimetrodon — Sometimes called the Ship Lizard. Carnivorous. Looked somewhat like a crocodile with a huge fin along its back.

Triceratops — A grotesque-looking dinosaur, clumsy, ponderous and with three horns on its head. Despite its awesome appearance, Triceratops, the teeth show, was an inoffensive, cow-like, plant-eating beast.

Paleosaurus — An armoured tank of an animal, plated with thick, protective hide.

Scolosaurus — Resembled an immense horned toad 18 feet long.

The dinosaurs died out 60,000,000 years ago, leaving no descendants behind, making no contributions to the world — except to the motion picture industry.

"One Million B. C." which is a prehistoric film spectacle, stars Carole Landis, Lon Chaney, Jr., and Victor Mature. It was filmed from an original screenplay by Mickell Novak, George Baker, and Joseph Eckstein, and it is being released through United Artists.

U. S. Civil Service Examination Is Announced

The United States Civil Service Commission announces an open competitive examination for Radio Electrician, at \$1800 a Year, for employment in the Central Depot, Civil Aeronautics Authority, Department of Commerce, Fort Worth, Texas, or elsewhere in the States of Texas, and Louisiana. Applications must be on file with the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, La., before the close of business on August 5, 1940.

Applicants must have had at least four years of progressive experience in the maintenance and repair of commercial radio communication equipment, at least 2 years of which must have been acquired in the last five years immediately preceding the closing date for receipt of applications. There may be substituted up to a maximum of two years for each six months of the prescribed experience, work as radio operator or electrician's apprentice; or schooling in electrical, radio electrical or radio engineering. Maximum age limit 45 years; minimum 20 years.

Additional information and application blanks may be obtained from the Secretary, U. S. Civil Service Board, post office, Clarendon, Texas, or from the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, La.

DESKINS SAYS FOES AIDING CAMPAIGN

The people of the Panhandle, who believe in fair play and right living are my army, Deskins Wells told his audience in Panhandle as he continued his dawn to midnight campaign for Congress.

"You are my army and my organization," he continued. "With your help we will win a glorious victory on election day — a victory for the old people whose useful work is done, for the young who are willing to work and who can find no work to do — for the farmer and laborer — a victory for the independent citizen of the Panhandle."

Smiling broadly and continuing to display the tremendous energy that has characterized his campaign from the first, Deskins Wells again thanked his opponents for the help they are giving him by their free advertising in criticizing and belittling him. "Did you ever see a bunch of candidates gang up on the tall-end man in the race?" he asked. "Of course not. They invariably gang up on the leading candidate, and by so doing they enable him to run all the faster."

"The heavy artillery of the opposition is being cut loose. These are not the candidates themselves, but the old-time smooth, experienced and tricky politicians, who for reasons of their own want to see candidates other than Deskins Wells elected. From their heavy carpeted offices and behind their glass-topped desks—they are screaming: 'Stop Deskins Wells!'"

"You may depend on it that no stones will be left unturned to belittle me and cut down my lead in the closing days of the campaign. They are doing it because they know that Deskins Wells will not take orders from them. They know that when elected, Deskins Wells will represent all the people in the 18th Congressional District and not just a select clique. They know that the door of my office will be open to the humblest man or woman, boy and girl and that there will be no closed chamber."

How One Woman Lost 20 Pounds of FAT

Lost Her Prominent Hips
Lost Her Double Chin
Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction.

Thousands of women are getting fat and losing their appeal just because they do not know what to do. Why not be smart — do what thousands of women have done to get off pounds of unwanted fat. Take a half teaspoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys—cut down your caloric intake—eat wisely and satisfyingly—there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied—money back.

BOYER'S RECORD AGAIN CITED IN FINAL PLEA

Max Boyer, candidate for State Senator, enters the final days of the democratic primary campaign with the statement, "I have no last minute suggestions to make to the voters of the 31st district."

When I asked for the honor of representing the people of this district, I told them that I based my plea for their support on the record I had made in serving as Representative of the ten northern counties of the Panhandle. I have asked them to check the records at their court house and find out if Max Boyer has ever been a member of the bloc of state officials who impeded or killed worthwhile legislation. I have told them repeatedly that I have worked and voted for a reasonable solution of the all-important Social Security Program of this state, and in a paid advertisement in this paper, you will find the volume and page numbers of the House Journal to verify this record.

I have proven my friendship to the agricultural voters of this district with my record of work for the state oil conservation legislation, the successful fight to retain the gasoline tax refund to farmers, the livestock legislation, the freight rate fight for lower rates on agricultural products. These facts remain the same as they were when I made my first announcement, and I shall repeat again, if I have proven by my record that I deserve promotion, then I urge every voter to support me at the polls, July 27.

If I have not tried to do the best I could for the people who trusted me with the office of Representative, then certainly you should not return me to the capitol to represent a larger group of Panhandle citizens."

Mr. and Mrs. George Beedy and family of Floyd County were here this week-end visiting in the J. E. Mongole home. Mrs. A. A. Beedy also of Floyd County who has been visiting her sister, Mrs. Mongole for the past week returned home with her son, George Beedy.

Marjorie Harlan, Mrs. Cecil Beach and daughter, Lois, and Mrs. Pat Longon and son and daughter, Harley and Edith, left Friday for Chicago where they will visit with relatives for an indefinite period.

conferences in smoke-filled rooms where only the high and mighty meet."

Wells reiterated his support of pensions equal to those in other states, and equal wages for WPA workers, continuation of C. C. C. program related where possible to emergency defense program, support of right of collective bargaining, opposition to Federal Control of oil, continuation of farm program with steps to place small farmer back on land and support of all-round preparedness program.

Rhoda Wiedman left Saturday for a vacation trip to Colorado and Wyoming.

Mr. and Mrs. Odos Caraway visited Mr. and Mrs. Bob Land in Memphis Sunday.

NOTICE OF TRANSFERS

All scholastic transfers must be made before August 1, 1940. High School students whose grade is not taught in home district must be transferred also to the district where they plan to attend high school. Such transfers must be made by the parents or guardian or the pupil may be charged high school tuition next year. Such tuition would be payable by parents. Application can be made for transfers at the County Superintendent's office.

Mr. and Mrs. Jonny Beard and children left Tuesday for Wichita Falls and points in East and South Texas. They plan to be gone two weeks.

"Television-Telephone" Demonstrated by G-M

Novel Device Shown at Previews of Progress Science Show at World's Fair

Time: 1960. Scene: Typical suburban living room. Housewife (seated in front of queer, boxlike contraption): "... oh yes, let me see—some strawberries... No, those look over-ripe. Aren't those blackberries behind you? ... Send me over two quarts this afternoon."

Fantastic? Impossible? Well, perhaps. But just such a "telephone" conversation may well be commonplace 20 years hence. Just such a contraption, combining elements of the telephone and of television transmission as we know it today, is demonstrated at the New York World's Fair. General Motors, in its Previews of Progress stage show, which lifts the veil on what industrial research may accomplish within the next generation, shows this amazing device along with many other new or potential processes and products.

Set up by RCA television and GM Research Laboratories engineers, the equipment consists of a standard portable television transmitter or "jeep" connected by co-axial cable with a 12-inch screen television receiver. A push-button telephone is coordinated with the television circuit so that when the telephone instrument is lifted at the receiving end the image of the person answering the call flashes on the screen. This seeing phone is only one of the previews of progress shown by General Motors in its stage show. New products fresh from

Will This Be Tomorrow's Telephone?

Pretty Philomene Offer plays the role of housewife in the General Motors Previews of Progress science stage show at the New York World's Fair to demonstrate what might be termed the first "television-telephone". She is shown above engaged in visual conversation with her "grocer", who is Ernest Foss, commentator in the GM stage presentation.

research laboratories are presented—a 100 per cent synthetic tire, plastic tubes that shoot light around corners, glass cloth and a still unexplored plastic produced from lignin, a waste wood derivative. New devices that may some day be commonplace appliances are shown the "freezer", "cooker", "ebox" and "freezing

stove"; a televised newspaper printer; a 185,000 candlepower light the size of a lead pencil. And the history of present-day industries is traced back to their early beginnings to show that in rudimentary form they seemed as fantastic and improbable as do some of the newer research accomplishments today.

LEGAL NOTICE

STATE OF TEXAS) COUNTY OF DONLEY) KNOW ALL MEN BY THESE PRESENTS that we, Mrs. L. E. (Jackie) Phelps, executrix, and Wash Storm, executor of the estate of S. G. Phelps, deceased, on the 27th day of June, 1940, made application to the County Judge of Donley County and State of Texas to permit us as such executrix and executor, respectively, to make an oil and gas lease to the Texas Company, a corporation, on all of the most easterly 160 acres of the north-half 254 acres of the North one-half (N½) of Section 74, Block 20, H. & G. N. Ry. Co. Survey, Donley County, Texas, containing 160 acres of land, more or less, located and situated in Donley County, Texas, belonging to the estate of S. G. Phelps, deceased, and that a hearing be had upon such application in the County court room in Clarendon, Donley County, Texas, at ten o'clock a. m. July 29, 1940, at which time and place all persons interested may appear and be heard on such matter.

Mrs. L. E. (Jackie) Phelps, Executrix. Wash Storm, Executor of the Estate of S. G. Phelps, deceased.

Politics: After the Democratic convention is over the delegates can at least say they had their sayso about who was to be the vice presidential nominee. You can jot down that the convention was a one-man affair, with Hopkins calling the signals, carrying the ball, and doing the kicking. So sure was Mr. Roosevelt of being drafted, his men rented three whole floors of the Congress hotel and made arrangements for Mr. Roosevelt to come to Chicago...

Dark Horse? When the Democratic convention opened, the field of vice presidential possibilities had narrowed down to six: Douglas, Hull, Byrnes, Speaker Bankhead, Wallace and Gov. Stark of Missouri. It's possible that such a dark horse as Jesse Jones might come forward. It would be another honor for Texas to have Jones harnessed up with F. D. R.

The United States has set out on an extensive propaganda campaign designed to make America war-minded. Armored cars and tanks made their appearance here today as part of the government's plan to spur recruiting. Army demonstrations are being staged throughout Texas as part of the scheme. And we can look for more such war rumbings in the near future.

Clarendon's well known square dancers are appearing tonight at the Childress celebration. This corner predicts that they'll go over as big down there as they did here during the Coronado Rancho Roundup.

Every once in a while we have to get on that touchy topic of "Out of town buying." Folks, just remember, what you spend at home helps your home merchant, what helps him helps your town, and what helps your town, helps you. Of course it gives you something to do to run over to to the neighboring city and do a little shopping, but can't you wait until some Sunday and make that a pleasure trip instead? Perhaps your Clarendon merchant doesn't have exactly what you are looking for, but, on the other hand, perhaps he can order it for you. And also, remember, that your home town isn't so bad after all. If you want a little credit, it's very easily arranged, with easy payments. And what if you do pay a cent or two more, isn't it worth the difference you pay to make the trip to Amarillo or Pampa?

This corner is 100 per cent when it comes to home buying, and it makes our blood boil to see the town flooded with phantoms announcing big sales in our neighboring city. Let's stick with the home town, keep our money here, and give our town merchant a break. Really folks, they deserve it!

BONES OBSERVES 4TH YEAR IN BUSINESS

Homer Bones, local garageman, this week is observing his fourth anniversary in business in Clarendon.

Mr. Bones has lived in Clarendon 15 years, and started in business for himself four years ago.

Since opening his garage on Highway 287, two blocks east of Main Street, Mr. Bones has installed modern automobile equipment, and can now give the best service in the following lines: General auto repairing; complete valve service; starter, generator and ignition service; wheel balance and alignment; battery service, acetylene welding; United Motor service; Carter carburetor and part service; radiator repair, cleaning and flushing.

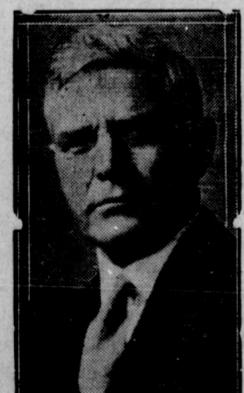

Indian Re-Trial Is Feature of Celebration

Mrs. W. A. Massie brought in to the News office this week a special July 4th edition of the Jackboro Gazette which published this city's big Fourth celebration.

The high spot of the celebration was the re-enactment of the famous Indian trial of Santanta and Big Tree. Jackboro has the honor of having the first civil court in America admitting the red man to its laws.

Bishop Appeals for Donley Support

HOMER S. BISHOP Of Amarillo For Congress

Appeals to his many old and new friends of Donley County for their active support to the closing of the polls July 27th, and earnestly solicits the vote of every voter in the district.

BUT ONE WEEK REMAINS UNTIL 1ST PRIMARY

With absentee voting well under way, only slightly more than one week remains until the first Democratic primary, July 27. As the deadline approaches, increased activity by every candidate is noted. The ballots have been printed and the stage is set for an expression of the qualified voters to register their choice.

Political dates between now and primary time are: July 15-19 — Second campaign expense reports, State and district reports filed with Secretary of State; county candidates with county clerk. July 24 — Last day for absentee voting. July 25 — Last day for presiding judges of elections to obtain list of voters for use in first primary. July 26 — County clerk sends absentee votes to presiding judges of precincts.

SOCIETY

MRS. JOHN DEEVER WILL PRESIDE AT LEGION AUXILIARY MEET

Mrs. John Deaver, 18th District Chairman of the Legion Auxiliary will preside for the last time at the District Meeting at McClellan Lake at Pampa, Texas.

MRS. JOHN DEEVER

as, July 24th. Mrs. Deaver was recently elected state vice president and will be installed in that office at the State Convention in Laredo, August 20.

The Auxiliary of the 18th District has lead the state in membership and child welfare work for the past two years, the membership at this time being 1,014 members for this District.

Because of the outstanding record of the Clarendon unit in helping to make this possible the president and membership chairmen, will be honor guests at the meeting in Pampa. All members are urged to be present. An award will be presented the Clarendon Unit. Mrs. Joe Holland has served as president for both 1939 and 1940 with Mrs. James Trent as membership chairman.

Charlie Maisel will preside at the meeting of the Legionnaires. The American Legion has also

SAM HARBEN BRASWELL HAS BIRTHDAY PARTY

Sam Harben Braswell, grandson of Mr. and Mrs. Sam M. Braswell and son of Sam M. Braswell, Jr., who is here visiting with his grandparents, celebrated his ninth birthday, Tuesday, July 16 with a theatre party.

The small guests met at the Braswell home and were driven to the Pastime Theatre by Mrs. Braswell. After the show, they returned to the Braswell home and the gifts presented to the honoree were opened.

After delicious refreshments various games were enjoyed by Manly and Gene Bryan, Helen, Jean and Bill Porter and the host.

DR. PEPPER EMPLOYEES HAVE PICNIC

The employees of the Dr. Pepper Bottling Co., of Childress, met at the City Park in Memphis Sunday for a picnic with Mr. and Mrs. Homer Burleson as hostess. Every one reported a nice time. Those attending were:

Mr. and Mrs. Paul Griffin and children of Childress; Mr. and Mrs. Artemos Garrett, Childress; Mr. and Mrs. H. W. Shirley and son, Joe Wilber, Childress; Mr. and Mrs. R. R. Hood, Childress; Mr. Durwood Homelton, Childress; Mr. and Mrs. Archie Skidmore, Shamrock; Mr. and Mrs. B. C. Tidwell, Clarendon.

Visitors were: Mrs. Stondley Fyfe and son, Bruce, Childress; Miss Yilpher Greer, Childress; and the host and hostess, Mr. and Mrs. Homer Burleson of Memphis.

enrolled the highest membership in the State for the past two years, the membership of this District being 2,054.

L. E. Thompson served as commander for 1939 with Barcus Antrobus as membership chairman and Joe Holland has served as commander for 1940 with L. E. Thompson as membership chairman.

LEATHERS HAVE FAMILY REUNION TUESDAY

The Leathers enjoyed a family reunion at Lake McClellan, Tuesday evening. Boating, swimming and a picnic supper were enjoyed by all. Those attending were: Mr. and Mrs. G. F. Leathers, Vernelle; Virginia Gee and Jo Robert, Mr. and Mrs. J. C. Christal, Mr. and Mrs. B. J. Leathers and son, Leroy; Mr. and Mrs. H. K. Leathers, Mr. and Mrs. L. K. Leathers and son, Lynn; Mr. and Mrs. D. E. Leathers, Johnny and Margaret Jean; Mr. and Mrs. L. T. Shelton, Douglas and Sandra; Mr. and Mrs. W. R. Christal, Joanne and Janiece; Mr. and Mrs. Earl Alderson and son, Gene.

GARDEN CLUB

The Garden Club met Monday afternoon in the home of Mrs. Tom Connally with Mrs. Connally and Mrs. Walter Taylor as hostesses.

Summer flowers decorated the living and dining room.

During the business session the club elected the following officers for the year 1941: President, Mrs. Bill Bromley; Vice-President, Mrs. Lee Bell; Secretary and Treasurer, Mrs. John Goldston. The name of Mrs. Lee Holland was added to the club membership list. Mrs. McDowell was leader of the program, conducting an interesting roll call.

Mrs. Boston discussed, "The Parade of the Perennials"; Mrs. Fink gave an informational talk on "The Mint Family."

After a dainty refreshment plate was served to twelve members and one guest, the club enjoyed seeing the lovely garden of the hostesses.

WINDY VALLEY CLUB MEETS WITH MRS. HUDSON

The Windy Valley Club met Wednesday afternoon, July 10 with Mrs. N. C. Hudson as hostess. The afternoon was spent in quilting. Mrs. Homer Bowling will be hostess at the next meeting, July 24 at the clubroom.

Lovely refreshments were served to Mrs. J. B. Sexton, Dick Noble, Dalton Swinney, Sug Noble, Lacy Noble, Cecil Mills, Harvey Shaw, John Fowlkes, Homer Bowling, Henry Stagner, Cap Anderson, Read, Henry Riffle, Carl Barker, I. M. Noble, and Opal Hudson, Ruth Richardson, and hostess, Mrs. N. C. Hudson.

JR. H. D. CLUB MEETS WITH MRS. WATSON FRIDAY

Members of the Junior Home Demonstration were entertained Friday in the home of Mrs. O. C. Watson.

The meeting was opened by Club President, Mrs. J. C. Estlack reading the Club Collect. During the course of the business session which followed, plans for a picnic for the husbands and families of the members for next Friday, July 19, in the City Park and ending the club year, were discussed.

The club then adjourned to meet again the first Friday in September.

The hostess served refreshments to two guests, Mrs. Victor Smith, and Mrs. M. E. Bruce of Wichita Falls, and members, Mesdames G. A. Anderson, G. W. Antrobus, A. H. Baker, A. L. Chase, W. A. Davis, J. C. Estlack, O. L. Fink, M. A. Hahn, Elmer Hayes, A. W. Simpson, and Ed Speed.

KILL KARE CLUB MEETS WITH MRS. RUNDELL

The members of the Kill Kare Club were entertained last Thursday in the home of Mrs. Lon Rundell.

The ladies enjoyed an impromptu program and a social hour afterwards.

The hostess served an ice course to four guests, Mesdames Lee Holland, John M. Bass, Sr., Sam M. Braswell, and Joe Goldston, and members, Mesdames R. E. Dawkins, W. A. Massey, W. B. Sims, Eva Draffen, Homer Mulkey, Gene Noland, Sam W. Lowe, J. Perry King, Leck Goldston, Capp Lane and J. R. Bartlett.

CHRISTIAN C. E. CLASS HAS PICNIC IN CITY PARK

The Christian Endeavor Class of the First Christian Church gave a picnic in the City Park Wednesday evening, July 17.

Various games were played and everyone joined in and sang many different songs.

Those attending were Mr. and Mrs. Vernon Reid, Rev. C. E. Harvey, chaperon, Jean Bell, Arleen and Mildred Doster, Zoy

Garden Glances Presented weekly by the Garden Club

"America the beautiful lies in the hands of the gardeners"

No flower in the garden is more beautiful, more easily cultivated, or gives as much bloom as the phlox in its various forms. Have you seen the new shades in the border at Meredith Gen-try's and the extremely tall ones at the Ryan's?

The second bloom of the roses again appears as if to reimpress us with its beauty. The Bert Smith's rose garden is displaying some rare blooms and some exquisite pink roses are on the Mulkey's lawn.

Gorgeous clumps of Tiger lilies are flaunting their orange beauty at the Prewitt's. Red geraniums are gaily decorating a porch box at David Johnson's.

Vari-colored zinnas on the curb at the Chevrolet Garage have defied the hot winds and their concrete environment, and now display their novelty.

Every citizen should be justly appreciative of the unrivaled beauty of the Park lawn and the gay assortment of flowers.

Mrs. Florence Hastings of Artesia, New Mexico, Mrs. Lizzie Hastings of Amarillo and Miss Ila Mae Hastings of Lefors visited here with Mrs. M. W. Crawford Saturday.

Mr. and Mrs. W. H. Patrick left Monday for Ruidoso, New Mexico, where they will spend their vacation.

Fronbarger, Leona Pearl, McCraw, Dorothy Nell Oiler, Lucille McWhorter, Patsy Pittman, G. D. Billie Jack, Lee, and Benny Shelly, and Mary Ellen and Melba Lee Pipes.

SARAH ELIZABETH BARCUS BRIDE OF TODY K. HOUGHINS

Dr. and Mrs. Thomas Stanford Barcus announce the marriage of their daughter, Sarah Elizabeth, to Mr. Tody Kenyon Houghins on Sunday, June 9, 1940, in the Barcus summer home in Ruidoso, New Mexico.

Dr. and Mrs. Barcus and Sarah Elizabeth are well known here in Clarendon as Dr. Barcus was Presiding Elder before the Rev. George T. Palmer.

Mr. and Mrs. Houghins are at home 3611 Amherst, Houston.

ENNIS FAVORS PROMISES HIS COOPERATION

Ennis Favours, candidate for State Representative while speaking in McLean last Saturday afternoon lashed out at Legislators who used their office last time for publicity purposes and for condemning certain individuals, and promised to co-operate with the Governor if elected State Representative.

Mr. Favours said he favored paying the old folks in full and carrying out the Social Security program to the letter. He advocated raising the 7000 pound truck load limit to a minimum of 14,000 pounds, and said he believed the poll tax payment should be reduced, or abolished as a qualification for voting.

Mr. Favours advocated a State law requiring all Legislators to reveal the source of their income under oath once every six months and to file the same of record so as the people would know who they were working for while in Austin.

Bond Papers at The News.

Robert Lyman Ayers will preach at the First Missionary Baptist Church at Lella Lake, Sunday at 11:00 o'clock. Mr. Ayers is from Fort Worth.

Frank White, Sr., Homer Mulkey, and Frank Whitlock attended the Lion's Club program at Childress Tuesday.

"DOWN TO BRASS TACKS"

LEWIS M. GOODRICH Candidate for Congress 18th District

A sound thinker and concise speaker like Lewis Goodrich of Wheeler county can say a lot in a short time. Tune in on KPDN, Pampa, Friday July 19, from 12 to 12:15 o'clock and on KGNC, Amarillo, from 6:30 to 12 Tuesday, Thursday and Friday, July 23, 25 and 26. You'll agree that it's a GOOD vote for GOODRICH!

PERFORMANCE VS PROMISES

MAX BOYER has always co-operated in an effort to solve the problems of Texas.

MAX BOYER voted during the 45th legislature for increased taxes on natural resources to pay OLD AGE PENSIONS, aid for the DEPENDENT CHILDREN, the BLIND, and for TEACHER'S RETIREMENT FUNDS. (See House Journal, 45th Legislature, Pages 890, 3953, 1827 1348.)

MAX BOYER supported EVERY TAX BILL on the floor of the House of Representatives during the last session of the legislature to pay OLD AGE PENSIONS, aid for the DEPENDENT CHILDREN, the BLIND, and to pay TEACHER'S RETIREMENT. (See House Journal, 46th Legislature, Pages 1938, 1945, 2713, 2714, 2336, 2337.)

MAX BOYER has co-operated with TWO GOVERNORS.

MAX BOYER, if elected State SENATOR will co-operate with WHOEVER IS GOVERNOR the next four years.

The people know that MAX BOYER has always stood for a program in the House of Representatives.

The PEOPLE know that Max Boyer will stand for a program in the STATE SENATE.

The PEOPLE know that MAX BOYER has never been a "do nothing" member of the Legislature. MAX BOYER will not be a "do nothing" State Senator.

Vote for

LEWIS P. FIELDS
for
CONGRESS

FIELDS

Advocates—Immediate adequate national defense. Legislation to stop "Trojan House," "Fifth Column," and all other forms of un-American activities.

Opposes—As a veteran of the A. E. F., unjust profits from war and national defense programs.

Offers—Fair and just consideration of all matters pertaining to the District, State, and Nation, plus a common horse sense administration.

YOUR VOTE WILL BE APPRECIATED.

8,000 ATTENDED SHORT COURSE AT A. & M.

COLLEGE STATION — Eight thousand farm people took in the annual Farmers' Short Course at Texas A. & M. College last week.

The number was made up of three thousand 4-H Club boys and girls who registered for the junior section during the first two days of the week and of that many farm men and farm women who registered for the adult section. In addition, it is estimated that 2,000 people from surrounding counties attended without registering for rooms.

Frozen food lockers, land use planning and conservation headlined the program with speakers divided about equally between men and women of national importance and farm people.

Special groups who made the short course the occasion for meetings included the Texas Home Demonstration Association, Texas Agricultural Writers, Texas Agricultural Workers, Master Farmers of Texas and Hereford Cattle Breeders' Association.

County agricultural and home demonstration agents gathered for their annual conference, as did workers of the Agricultural Experiment Station. Several hundred members of land use planning committees and some 500 AAA county committeemen also attended. The Texas County Agricultural Agents held a business session.

James Bartlett returned home Monday morning to spend the rest of the summer here with his parents, Mr. and Mrs. J. R. Bartlett.

FIELDS SAYS HE QUALIFIED BY EXPERIENCE

Lewis P. Fields, candidate for Congress, has spent his 44 years in Texas, 35 of them in the Panhandle; having lived on farms and ranches in Hemphill, Donley, and Carson counties; and has lived in Amarillo since 1920, being engaged in the general insurance business. He makes the following statement:

"I feel that I know the needs of our district and will draw upon the experiences I have had as a farmer, stockman, and business man, and upon information gained as a civic worker, in advancing legislation favorable to the district and nation.

"As a lifelong Democrat, I do not believe in making promises that I cannot fulfill; but I do pledge myself to support the principles of good and economical government, and at all times to put foremost the interests of my constituents and the nation.

"As a veteran of the A. E. F., during the World War, I know what war means, and will not be panicky over the war situation; but I do advocate immediate national defense, and deportation of undesirable aliens, who comprise much of the "Fifth Column" in our country, and I shall always strive to eliminate the profits from war and national defense programs.

"I have always studied the farm problem, and it is my firm belief that the best farm program is one which will permit the man who tills the soil to own the land, and discourage the operation of large farm units by interests who completely mechanize and use a minimum of hired labor.

"I have at all times been interested in our schools and churches, civic and charitable organizations; and I will continue that interest. I have for more than twenty years been active in behalf of our disabled service men, their widows, and orphans, and I will continue to fight for them.

"I am advocating a common horse sense administration, and say that if elected I will try to do the job like I think the people would have me do it."

New Rural School Aid Plan Is Aim Of Supt. LeMay

Report of the state auditor shows that Donley County received \$20,802 rural school aid last fiscal year, out of a total of \$386,825 distributed over Texas, Supt. S. R. LeMay of Athens pointed out this week.

LeMay has proposed distribution of rural aid funds by an automatic method, free of political pressure, so that schools may know in advance how to plan their budgets. He is a candidate for state superintendent.

"Lacking confidence in the present administration of the Department of Education, the Legislature several years ago created a joint legislative committee to supervise rural aid," LeMay said. "I intend to restore the confidence of the public and the legislature in the Department."

A graduate of both A. & M. and the University of Texas, holding four college degrees, LeMay has served in the Texas public school system for more than 25 years. For the past 18 years he has been superintendent of schools at Athens.

Mrs. B. P. Brenits and Mrs. Gladys Power were Amarillo visitors Saturday.

HALL COUNTY'S JUBILEE TO BE JULY 24-26

MEMPHIS, Texas — Plans galore for Hall County's Golden Jubilee three-day celebration, to be held here July 24, 25, and 26, were revealed this week as the time for this county's biggest and most colorful old settlers reunion and rodeo drew nearer.

Topping the features for the three days will be the Pony Express race, to be run from Turkey to Memphis, a distance of about 35 miles. The course for this race, to be held July 24, will be marked, with a pot of \$50 waiting for the first rider. Awards of \$30 and \$20 will be given to second and third place winners. Only one change of mounts, to be made at Oxbow bridge, about halfway between the two cities, will be made.

But the Pony Express race is only one phase of the celebration. There will be speeches by top-notchers in that field, six rodeo performances, a barbecue for pioneers, three cowboy dances to a well known string orchestra, and two ballroom dances, one of which will honor visiting sponsors.

The program will officially open Wednesday morning at 9 o'clock when registration of old-timers (those who have lived in Hall County since 1911 or before) is held. The old-timers will be welcomed and speeches made to them each of the three mornings.

Rodeo performances to be held at 2:30 o'clock in the afternoon and 8:30 o'clock at night, will be the action part of the three-day affair. Open strictly to amateurs, the rodeo is expected to draw the best of

the cowboys from ranches in the Panhandle.

Four \$125 saddles will be awarded to rodeo entrants, two to cowboys, and two to sponsor entrants. "Hitler," a bucking horse that has never been ridden is to be saved until the last night for a special feature, and an extra award will be given to the cowboy who stays on him.

Cowboy dances are to be held each of the three nights. The sponsors' dance will be held Thursday night, and the other ballroom dance will be held Wednesday night.

Old-time fiddlers will also come in for their share of the fun — and prize money. The old-fiddling contest will be held Friday afternoon at 5 o'clock, and the winning fiddler will receive a purse of \$15. Second and third place winners will receive \$10 and \$5 prizes, respectively.

Thursday has been set aside as the official day for pioneers. The tabernacle will be open in the afternoon for visiting and for discussions. The barbecue will be held on that day at 1 o'clock. In addition, an oldtime square

LEMAY PUSHING CAMPAIGN FOR SCHOOL POST

S. R. (Bob) LeMay who has been for more than 18 years, superintendent of public schools in Athens, Texas, is conducting a vigorous campaign for State Superintendent of Education.

LeMay says he has three outstanding qualifications, namely, honesty, qualified, and experienced.

Supt. LeMay's platform is as follows:

1. The handling of state equalization funds should be free from politics. Apportionment of this money should be strictly on the basis of educational needs.

2. Districts entitled to high school tuition, salary aid, and transportation aid should be notified how much state money they will receive shortly after their budgets have been approved by local authorities and the State Department of Education.

3. The per capita apportionment should not be reduced.

4. The State Department of Education should cooperate with the Legislature and other governing bodies.

5. Local school districts should enjoy democratic freedom in their cooperation with the State Department of Education to make the Texas school system second to none.

6. The Curriculum Revision Program should be intensified; it should not be allowed to lag.

7. Texas schools should serve as centers of community life, taking the lead in adult education, music training, and the provision of library facilities.

8. Increased emphasis should be placed on Texas history, literature and culture. Special attention should be given to Texas agriculture, labor and business so that the younger generation will be prepared for the problems of the present and the future.

9. The State Department of Education should offer the leadership required to solve the state's most pressing problem—finding useful employment for the 250,000 boys and girls who have left school and are out of work.

10. A "Hatch Act" should be passed to stop political activity by staff members of the State Department of Education. A political machine has no place in our education system.

11. The State Department of Education should be more efficient educationally; it should be made to function on sound, economical business principles.

12. There should be a Division of Statistics and Research to keep us informed on all educational matters.

LeMay the Man A leader in Texas public school affairs for many years, S. R. LeMay is admirably fitted by experience and education for the position of State Superintendent of Public Instruction.

His educational training is of unusual breadth, including intensive training in civil engineering, law, vocational agriculture, and educational administration.

His experience in educational affairs is equally broad. He has served as teacher in small rural schools, as principal, and as superintendent. During the summer sessions of 1925 and 1926, he taught in Stephen F. Austin Teachers College at Nacogdoches; during the summer sessions of 1934 and 1935, he taught in the University of Texas.

Born on a farm in Houston County, July 19, 1890, LeMay attended one-teacher rural schools until he was 14 years of age. Then he transferred to Crockett High School, and at the age of 16 he graduated with highest honors.

In 1907 he enrolled in Texas A. & M. College to study civil engineering, serving two years in Company A. He taught in a small country school at Porter Springs, in Houston County, in 1909 and helped take the U. S. Census. The following year he taught at Enterprise in Houston

County. The fall of 1911 saw LeMay in the University of Texas law school, selling aluminum cooking utensils and helping manage a University boarding house to pay his way. Graduated from law school in 1914, he remained in the University another year

S. R. (Bob) LeMay

to complete his bachelor of arts degree.

During the next seven years he served as principal of Jasper High School, teacher in the Austin Junior High School, principal of Wharton High School, superintendent at Grapeland, and superintendent at Coolidge.

In 1922, LeMay was elected superintendent at Athens, and he has held that position for the past 18 years. Under his administration, Athens Public Schools have made great financial and educational progress. Several years ago the city won nationwide attention when the high school produced two national championship basketball teams.

In 1922 LeMay received a vocational agriculture degree from A. & M. College, and in 1930 he received his master of arts degree from Peabody College, Nashville, Tenn. He has completed all requirements for the doctor of philosophy degree at the University of Texas, excepting the final examination.

Active in Athens civic affairs, LeMay has been superintendent of the Methodist Church Sunday School since 1925. He has served as president of Athens Rotary Club and the Methodist Church Board of Stewards. LeMay was married at the age of 27. He has one daughter, Mrs. J. B. Billard of Kansas City, Mo., and one son, Bob, of Athens.

EDITOR BILL MILLER AND WIFE VISIT CLARENDON

Editor Bill Miller of the Spearman Reporter and his wife were Clarendon visitors Saturday. The Millers were en route home after attending a political rally at Estelline Friday night.

Mr. Miller spoke there in behalf of the candidacy of Max Boyer who is seeking the post of State Senator.

Meat identification, Bill Jones.

4-H CLUB BOYS WINNERS ARE ANNOUNCED

COLLEGE STATION — Teams from Sterling, Hopkins, Navarro, Bell, Dallas, Ellis, Cherokee, Burleson, Hidalgo, Lamar, Frio and King counties took state honors in the 4-H agricultural contests held at Texas A. & M. College in connection with Farmers' Short Course.

The teams from Sterling, Ellis, Lamar, and Dallas counties will represent Texas in the finals of the National 4-H Congress at Chicago, and the Hopkins, and Navarro County teams at the National Dairy Show, Harrisburg, Pa.

The winning teams, as announced by L. L. Johnson, state boys' club agent of the Extension Service, follow:

Livestock judging, Woodrow Mills, George Mills, and Claude Broome, all of Sterling City, Sterling county. Woodrow Mills was individual high point man in the contest. Second place, Mason county.

Dairy demonstration, Athell Magers and Truman Turner, both of Sulphur Springs, Hopkins county. Second place, Jackson County.

Dairy cattle judging, Elliott Beale, Albert Donohoe and Darrell Williams, all of Corsicana, Navarro county. Second place, Briscoe county. Gerald Arnold, Silverton, Briscoe county, was high point man.

Horticulture, Travis Cox, Nolanville; Bill Bailey and Bryan Swain, Belton, Bell county. Harris county and Burleson county tied for second place. Ralph Hancock, Big Wells, Dimmitt county, and Frances Snieger, Webster, Harris county tied for individual high point honors.

Meat identification, Bill Jones.

James Mitchell and Wallace Rozell, all of Irving, Dallas county. Second place, El Paso county. Bill Jones was high point man.

Poultry contest, Clinton Meadows, Carlisle Phillips, and Reeves Hester of Waxahachie, Ellis county. Second place, Hidalgo county. Charles Jacobson, Round Rock, Travis county, was high point man.

Dairy products contest, Gerald Wood, Harry Thornton, and Bill Wood, Alto, Cherokee county. Second place, Wichita county. Harry Thornton was high point man.

Plant propagation contest, Calvin Koerek, Deanneville; Jessie Wiederhold, and Curtis Pillow, Caldwell, Burleson county. Second place Washington county. Jessie Wiederhold was high point man.

Entomology—Willie Billings, Alamo; Albert Mettlich and Kurt Flack, Edinburg, Hidalgo county. Second place, Jackson county. High point man, Berney Brozowski, Edna, Jackson county.

Field crops, Charles Ball, Pattonville; Jessie Swindle and Jack Ford, Blossom, Lamar county. Second place, Fort Bend county. High point man, Charles Ball.

Cotton classing, Lancelor Wolz, Deanneville; Johnnie Mason and Edward Coufal, Caldwell, Burleson county. Second place, Nueces county. High point man, Edward Coufal.

Soil and water conservation, Fred Moore and Kenneth Stiles, Moore, Frio county. Second place Taylor county.

Miscellaneous demonstration, Cyril Holden, Paducah, and Lynn Fritch, Guthrie, King county. Second place, Frio county.

There are 550 species of native grasses found in Texas, which is approximately half of the total species found in the entire United States.

Bond Papers at The News.

PARITY PAYMENTS ARE STARTED ON RICE, COTTON

COLLEGE STATION — First certifications have been made of Texas cotton and rice parity payments under the 1940 AAA program.

Batches of cotton price adjustment applications from Nueces County and rice price adjustment applications from Colorado County were the first certified by the state AAA office and forwarded for payment. B. F. Vance, assistant state AAA administrator, said.

Approximately 300,000 applications, totaling \$25,000,000, for cotton parity payments are anticipated, the administrator said, while rice parity applications will number about 900 for a total of \$260,000. Payments are expected to be completed by October 1.

Parity payments on wheat, meanwhile, are almost complete with 46,468 applications, totaling \$3,375,963, paid from an estimated 47,000 applications for \$3,400,000.

Parity payments are distinct from conservation payments and are designed to restore to the agricultural producer a portion of the difference between what he receives for his product and what is considered a fair return on the basis of what he must pay for the products of other industries. Parity payments on cotton are made at the rate of 1.55 cents per hundredweight, and wheat at the rate of 10 cents per bushel.

Mr. and Mrs. F. T. Jarvis of Munday are here visiting with their daughter, Mr. and Mrs. Lee Muse.

Stamp Pad Ink at The News.

DOUGLAS AND BURTON FAMILIES ON FISHING TRIP

Clyde Douglas and family and H. T. Burton and family left Saturday for a two weeks vacation and fishing trip in the Gunnison, Colorado area.

Messrs Douglas and Burton are among the leading mountain trout fishermen of Donley county.

Mr. and Mrs. William Albert Sercomb spent the week-end in Berger.

Fred Darby, bus driver, and sending five of its eight passengers to the hospital for medical treatment. The entire front end of the bus was demolished in the

impact which was so great both vehicles were propelled about 75 yards and watermelons were strewn over a wide area.

GOODRICH GAINS EXPRESSED BY SUPPORTERS

"Goodrich is gaining consistently," is the expression of disinterested men who have been over the district this week and it is welcome, but not surprising, news to friends of the Wheeler county man all over the district.

The many supporters in all of the 28 counties of the district have felt that when folks had time to view the field of candidates and compare them, that Lewis M. Goodrich of Wheeler county would swing into the lead in the race for Congress.

And it is widely predicted that Goodrich's supporters will continue to increase right on through the July 27 primary and will bring a smashing victory in the run-off in August.

Most of the 450 men who served on grand juries with Goodrich when he was district attorney of the 31st district, many of whom are now in other counties, are getting things done for Goodrich in a big way.

"The voters want a hard-working, honest, clear thinking man to take Marvin Jones' place," is the comment heard often. And even Goodrich's opponents agree that he fills the order completely.

Widespread comment is being caused by Goodrich's radio talks because of his ability to get down to main ideas quickly, discuss them clearly and take a

definite stand instead of trying to straddle issues. He will speak from KGNC, Amarillo, from 6:30 to 6:45 a. m. on Monday and Wednesday, July 22 and 24, and from 11:45 a. m. to 12 noon on Tuesday, Thursday and Friday, July 23, 25 and 26.

BISHOP PUSHES CAMPAIGN FOR CONGRESS

Henry Bishop, candidate for Congress, is conducting a vigorous up-to-the last minute campaign in his drive for votes in this congressional district.

Bishop says his prospects look good and he's "going strong."

Bishop has lived in this district since 1893. has taught school, farmed and railroaded. He graduated from the University of Texas law school in 1902, and the same year was elected district attorney of the 47th judicial district. He served at this post fourteen years and was elected district judge in 1918.

Bishop says this long training has been valuable and that he now knows the problems and needs of the people of the Panhandle. He stands for progressive democracy of the New Deal, particularly the farm program and conservation of our natural resources. He has also endorsed preparedness and suppression of all un-American activities, opposes sending our armies across the sea to engage in European combat.

ALL-PANHANDLE RALLY SLATED FOR JULY 23

Amarillo — Several congressional and senatorial candidates are planning big delegations to the All-Panhandle political holiday in Butler Field at Amarillo the evening of July 23. The rally will start at 8 o'clock.

More than 200 residents of Dalhart and the XIT Band will attend the rally and get in some words for the XIT Ranch Reunion there August 5-6.

Deskins Wells of Wellington, congressional candidate, said a large delegation would accompany him to the rally and make stops at Childress, Estelline, Turkey, Quitaque, Silverton, Tulia, Dimmitt, Hereford and Canyon. The 'Mr. Worley Goes to Washington' Club at Pampa promised to send 600 members, a band and several entertainers.

An effort is being made to bring Gov. W. Lee O'Daniel to the rally. Ernest O. Thompson, gubernatorial candidate, will attend, and Jerry Sadler is attempting to arrange his schedule so that he can be at the rally.

All candidates and voters of the 28 counties in the 18th congressional district have a public invitation to attend the free rally — nothing to sell; nothing to buy; just politics — which is being sponsored by the Amarillo Globe-News.

The various delegations and bands will stage parades downtown during the day. There will be plenty of comfortable seats at Butler field.

Mr. and Mrs. Ralph Bourland and children to Quail spent Sunday here with her parents, Mr. and Mrs. Dave Johnson.

Mrs. E. T. Hutto and her mother, Mrs. Cluck, both of Canyon visited here with Mr. and Mrs. Rufus White, Monday.

Mrs. J. R. Nelson of Newlin visited in the home of her daughter, Mrs. A. T. Lokey, here Monday.

A NICKEL-A-BALE WAR CHEST FOR COTTON CITED

Cotton firms and cotton farmers of Clarendon and surrounding area were called on today by President Oscar Johnston of the National Cotton Council for "100 per cent allegiance in cotton's total war for increased consumption."

In a message addressed to local producers throughout the county President Johnston declared that "the raw cotton industry is arming as never before in its history to smash down the blitzkrieg of substitutes, surplus, and foreign competition."

The message came simultaneously with the National Cotton Council's announcement of a "universal service" plan to provide funds with which to carry on the fight during the coming year. The new plan, to go into effect August 1, calls for a defense fund of five cents on every bale of lint and three cents on every ton of seed, mobilized with the help of each of the five primary raw cotton interests.

Under the new plan, arrangements have been perfected enabling the producer to make his nickel-a-bale contribution at the first point of sale, either to the cotton merchant, large or small, or the ginner or warehouseman acting as merchant. This contribution is carried on from merchant to compressor, who remits the accumulated funds to the Council when the bale is first compressed, or from merchant to textile mill which remits on uncompressed cotton.

Similarly, contributions on seed, which are made by the ginner and crusher, are assembled and remitted to the war chest by the oil mills.

"For fifty years we cotton farmers have been talking about an organization like the National Cotton Council to defend our markets and find new ones through judicious advertising, intelligent research, and organization to restrictive legislation. At last we have it, and in two years, equipped with modern weapons, it has accomplished more than any of us thought was possible in so short a period.

"Domestic consumption has been brought back virtually to the all-time high, with every indication that a new record can be set in 1941. Plans are ready for a vigorous attack on the acute problem of foreign trade. Council scientists are on the trail of new uses. A united cotton industry has gone to war."
