Clarendon's Three Banks Show Increase Of \$145,000 In Deposits

COUNTY IN GOOD FINANCIAL SHAPE REPORT SHOWS

A DECIDED UPTREND IN BUSINESS CONDITIONS IS REFLECTED

Clarendon and Donley County started out 1941 in a much better financial condition than they started 1940, reports of the three local banks this week disclosed.

Deposits of the banks showed a 15 per cent hike, or an increase of approximately \$145,000 for 1940 over the year of 1939, and reflected a decided uptrend in business conditions throughout the county.

At the close of the year, on Dec. 31, deposits for the three financial houses amounted to \$1,260,510.92, compared with \$1,115,282.92 reported on December 30, 1939.

A satisfactory addition to surplus and undivided profit accounts and dividend payments was also reported.

Two of the banks reported dividends of seven and eight per cent for the year.

Another indication of better business was shown in the slight gain in loans and discounts, in comparison with the big increase in deposits.

At the close of 1940, loans and deposits totalled \$504,052.73, in comparison with \$468,984.24 on Dec. 30, 1939, a gain of but \$35,104.49.

Sees Harmony

State Representative Ennis Favors stated in a letter to the Clarendon News that he believed this session of the legislature was going to be a harmonious session since there are 92 new members in the House and ten in the Senate. He also stated that it is generally understood that the social security program will be taken care of this Legislature by something like an omnibus tax bill.

OVER 40 SCHOOLS INVITED TO SEND JUDGING TEAMS

Over forty Panhandle schools have been invited to send teams to participate in the annual Greenbelt Poultry judging contest which will be held in connection with the Greenbelt poultry show here Jan. 18.

Quail, 1940 winner, and Byers, 1939 winner, are among the teams to indicate they will be on hand for the contest. J. R. Gillham, local FFA Advisor, estimated that approximately 100 FFA boys would be here to compete in the contests. Memphis, Quitaque, Turkey, Estelline, and Lakeview are other schools that have already sent in entries for the contest.

A silver loving cup will be awarded the winning team and ribbons will go to the five high individuals. Local FFA members will be in charge of the contest. C. G. Kirkland, Woodie Spencer, Billy Thornberry, Bobbie Harold Smith, will serve as group leaders for the contests, and other FFA members will have charge of the remainder of the event.

District Missionary Institute Held Here At Methodist Church

A Missionary Institute was held here Tuesday for the Clarendon District of the Methodist Church, attended by pastors and laymen from over the district. Dr. Geo. T. Palmer, district superintendent, presided, and Rev. J. O. Quattlebaum, Jr., local pastor, held the devotional service at the morning session.

Connectional leaders of the church were present, with Rev. W. E. Hamilton of Lubbock, heading the educational cause; Rev. Orion Carter of Childress, representing the missionary movement for the conference, while Dr. C. K. Vliet of New York City, gave the inspirational address of the morning, and represented the world enterprises of the united Methodisms.

A noon-day lunch was served following the morning service in the fellowship hall of the church, by the women of the Clarendon church.

In the afternoon various claims of the year's work were represented and discussed, and plans laid for the missionary study in every church in Clarendon district.

Dr. Palmer announced the date for the District Conference this year at Lakeview, on Tuesday, April 29.

Dr. Mark L. Stricklin Is Killed Monday When His Car Plunges Off JA Ranch Road Into Deep Canyon

Clarendon citizens were shocked Monday to learn about the sudden, violent death of Dr. Mark L. Stricklin.

Dr. Stricklin, prominent Clarendon physician, was killed shortly after noon Monday when his car plunged off the JA Ranch road 12 miles southwest of Clarendon into a deep canyon below. He was 58 years old.

His body was found about 3 p. m. by members of the Texas Company seismograph crew.

There were no witnesses to the accident, and Dr. Stricklin was alone. He had been on a call to the JA ranch and was returning home.

The accident happened on the curve of the long red hill just before coming to the JA ranch. Tracks in the snow revealed that the car went straight ahead toward the canyon and that the driver had made no attempt to turn the corner.

Dr. Stricklin's body was found partly hanging out of the car. Only two head bruises marked his body.

Sheriff Guy Wright investigated the accident and Coroner R. C. Weatherly returned a verdict of accidental death.

The body was taken overland Wednesday by the Buntin Funeral Home to Camanche where services were held at 10 o'clock today. Burial was in the family cemetery at Gustine.

Dr. Stricklin had practiced medicine here since 1932, having moved here from Groesbeck.

During the World War he served with the United States Army medical corps and was in charge of a base hospital in France.

Survivors include his widow, one son, Mike Stricklin, one brother, Dr. Guy Stricklin, all of Clarendon, and two sisters, Mrs. Exa Williams of Comanche and Mrs. Pat Long of Houston.

Home Town Boy Still Makes Good, Weds A Vanderbilt, Recognized Among Nation's Outstanding Men

Fame and fortune continues to smile on Jack Frye, former Clarendon boy who has made good, as he travels up the ladder of success.

Frye, president of the Transcontinental and Western Air, Inc., jumped into the national spotlight about three weeks ago when it was rumored he was engaged to be married to Mrs. Helen Varner Vanderbilt.

Frye married Mrs. Vanderbilt New Year's Day, and since then has won national recognition by being listed among the "10 outstanding young men of America."

Frye and Mrs. Vanderbilt were married near Tempe, Arizona by Justice of Peace Paul V. McCraw in a picturesque sunrise ceremony at Echo Canyon. The couple, and their guests, attired in cowboy outfits, rode from their resort hotel to the wedding scene on horseback.

The bride was dressed in a buckskin skirt and jacket and wore a corsage of oatilla blossoms. She was attended by Mrs. Onita L. Smith of Tucson, Ralph Euler of Sewickley, Pa., served as Frye's best man.

After the ceremony, the bride assisted with the breakfast of scrambled eggs and bacon, cooked over a camp fire.

After the breakfast the newlyweds left for Los Angeles and Palm Springs, California.

Each has been married twice previously. Mrs. Vanderbilt was divorced from Cornelius Vanderbilt, Jr., in Carson City, Nevada recently.

Frye, 36, was honored in the nation's first ten young men along with Bing Crosby, Rep. Martin Dies, Col. Charles Lindbergh, Dr. George Gallup, Oren Root, Fulton Lewis, Mark Stanley Matthews, Arch Oboler and Dr. Guy C. Suits.

Four Legionnaires Hear Commander Warner Speak

Four Clarendon Legionnaires heard Milo Warner, American Legion National Commander, speak before the Lions Club at Amarillo Tuesday.

Those attending the session at the Amarillo Hotel were Raymond Smith, local post commander, Ralph Andis, Louie Thompson and H. T. Burton.

Earlier at Amarillo, Warner said, "We can and must have a successful program of building our defenses without strikes, labor blackouts, riots or alien interferences. We must not wait for the conditions which confronted and ruined France before we face them. We are not playing with paper soldiers nor wooden ships. Defense is defense against that which is known now as total war: If war comes, we must be ready to win that war at the least possible cost of men and blood."

Mrs. Fred Russell Still In Critical Condition

A report from Mrs. Fred Russell in a Dallas hospital indicates she is still in a critical condition, although showing some improvement today.

Mrs. M. R. Allensworth is said to be recovering from her recent infections of the mouth, at the home of her sister in Plainview.

FIVE HEDLEY MEN TO ANSWER 2ND DRAFT CALL

DONLEY COUNTY'S QUOTA OF EIGHT INCLUDES 2 CLARENDON MEN

Five Hedley men, two from Clarendon and one from Memphis, will make up Donley County's second draft quota of eight, according to an announcement this week by the local draft board.

The five Hedley men are Lester Trueman Carter, Vernon Pressly, Carl Virgil Tuck, Walter Rodney Guy and J. B. Proctor. R. A. Brame, Jr. and Oscar Glenn Heathington are the two Clarendon men while James Marion Martin, Jr., is the Memphis draftee.

The eight men will report to the local draft board at 9 a. m. on January 14, and will leave by bus at 10:15 for Lubbock where they will undergo selection for the United States Army.

J. H. Green and H. L. Riley will replace those rejected, if any, at Lubbock.

The two Clarendon men and Pressly are volunteers. The other five have the following order numbers, Carter, order No. 933; Tuck order No. 701; Martin, order No. 609; Guy, order No. 863; and Proctor, order No. 105.

HOMER MULKEY

CITY'S MOST BELOVED CITIZEN TO BE BURIED SUNDAY AFTERNOON

Homer Mulkey, Clarendon theatre owner, civic leader and most beloved citizen, died this morning at Harris Memorial Methodist Hospital, at 10:40 o'clock, following an operation for ulcerated stomach on Dec. 26th. Hope had been held for his recovery but complications developed and his death came after numerous blood transfusions, and every device known to modern medicine to bring him back to normal health.

Funeral services will be held here Sunday afternoon, 2:30 o'clock, at the First Christian Church, according to incomplete arrangements today.

Mr. Mulkey was 64 years old a few weeks ago, and has been a resident of the Panhandle over forty years ago. He was an XIT cowboy attached to the camp west of Dalhart in his first employment, where he saved enough money to buy a photographers outfit and take a short course in that work at Effington, Ill., coming to Clarendon in 1904, and becoming one of the outstanding photographers in Texas, having won first honors for his skill shortly before he sold his art gallery to buy a moving picture theatre in 1910, thereby becoming the Panhandle's oldest exhibitor, and among the few pioneer showmen in the Southwest. In addition to the Pastime Theatre which he has operated near a third of a century, he also owns and operates the Cozy Theatre, next door to The News. For many years Mr. Mulkey has been a director in the Texas Association of Motion Picture Exhibitors, and is recognized as one of the leaders among the independent show men of Texas.

During all these years, Mr. Mulkey has been interested and active in almost every kind of civic movement. He is a Mason, having been master of Clarendon Lodge, A. F. & A. M. No. 700, as well as having had most of the high degrees in the order. He is a Knight Templar and a Shriner, as well as a 32nd degree man. The Masons here will have charge of the interment services Sunday afternoon.

Mr. Mulkey is a past president of the Clarendon Lions Club, and has also served as County Red Cross chairman, as well as having been president of the local chamber of commerce. For years he has been in active charge of the crippled children's work of the Lions Club, and has always been in the forefront of all progressive movements of the town and county.

He was a man of large sympathies, and generosity, and many a young person has received aid from him. He was never too busy to help the sick and afflicted and no person was too humble to receive his help in times of sorrow and death. He was a member of the First Christian Church, and held office as an elder, being one of the largest supporters of the church in a financial way.

Mr. Mulkey is survived by his wife, who was with him at the time of his death. He also has a brother, Willie Mulkey, in California.

Mr. and Mrs. Frank White, Lee Bell and A. L. Chase were in Fort Worth when the end came, the former two having gone down last night on learning of his serious condition. They, with Mrs. Mulkey and the casket, will return here this evening.

The News is unable to bring just the tribute due Homer Mulkey in this shock of his going, and the pressure of time as we go to press. Suffice it to say that we have all lost a cherished friend, and Clarendon will never be the same since his going. To the surviving wife, we join the entire citizenship in sincerest condolence.

SENATOR MOFFETT TELLS LIONS OF TAX PROBLEMS

TEXAS SOLON REVIEWS STATE BUDGET AND DECLARES TIME TO HALT

State Senator George Moffett, of Chillicothe, and holder of Clarendon interests, was a guest Tuesday at the Clarendon Lions Club, and on pressure from the program committee consented to make a few remarks, which resulted in a thoughtful address before he was through.

Senator Moffett, himself a Lion, called upon service club members all over Texas to take an interest in state affairs with especial reference to taxation, declaring that the great middle class of Americans had too long allowed tax matters to be directed by those not sincerely committed to the welfare of the state—in many cases to outright demagogues. The Senator showed how funds for the highways, education, pensions and almshouses constituted ninety-three per cent of state expenditures, and that much of the so-called movement for economy outside of those items could not effect the total tax bill to any great extent.

The speaker said there was a great pressure to increase taxes, and that some increases might be expected, but he sincerely trusted that Clarendon citizens would contact their senator and representative — both newly elected — urging that they stand for economy in state government, and against new taxes.

Vice President McHenry Lane presided over the session in the absence of President Andis who was in Amarillo for the day.

An announcement was made of the special Panhandle Lions luncheon in Amarillo, Wednesday, Jan. 15, honoring International Vice President E. H. Paine of Indiana.

JONES TAKES OATH AS U. S. JUDGE

WASHINGTON — Former Representative Marvin Jones of Amarillo was sworn in Monday as a judge of the United States Court of Claims. He took the oath of office in the open court.

In the brief ceremony, Jones appeared in the black robe of the court. The chief clerk, Willard L. Hart, announced his appointment to the bench and read his commission. Immediately following this, the chief justice, Richard S. Whaley, administered the oath to him.

Jones immediately took his place on the bench.

SECURITY BOARD EXPLAINS WAGES TO EMPLOYERS

In developing information pertaining to claims for Federal old-age and survivors insurance, it has been found that some employers do not understand that wages may include other items than cash, Dewey Reed, manager of the Amarillo, Texas Social Security Board office, said today.

It was explained that the taxes, similar to premiums paid on an insurance policy, represent a percentage of the worker's wage. Until 1943 the tax is one per cent paid by the worker and one per cent paid by the employer. Employers deduct each worker's tax from his pay and send it in quarterly, with an equal amount of their own, to the Bureau of Internal Revenue. At the same time the employer makes a report showing the amount of wages paid to each employee.

MR. WORLEY GOES TO WASHINGTON TO LOOK, LISTEN

WASHINGTON — Mr. Worley got to Washington OK. The 31-year-old gentleman who has been generally hailed as a real-life counterpart of "Mr. Smith Goes to Washington," found no crowds to greet him, no bands to greet him, but he hadn't expected any. That's not the way Mr. Worley operates.

Of course, young Mr. Worley could make a pretty good speech, having served six years in the Texas state legislature; he could shake hands like nobody's business, and everybody agreed that he was a mighty fine looking fellow. But nobody thought he would win except Anne and a bunch of school kids.

By living night and day in the old car, stumped the district from corner to corner. Mr. Worley Eugene is his first name, "Jinx" his nickname — finished second in the first primary, thereby putting him in the run-off. That's where the kids really went to

SOIL-BUILDING IS PUSHED BY AAA COMMITTEE

New Year's resolutions may be a lot of nonsense, but there's one resolution that every farmer (and ranchman) in Donley County would do well to make and keep.

Every member of the Donley County AAA committee has made this resolution and intends to keep it, the committee chairman points out. He is urging all community committeemen to make every effort to impress on farmers in their communities the importance of taking full advantage of the soil-building practices under the Agricultural Adjustment Administration program.

Soil building practices, especially valuable in this county include construction of standard terraces, reservoirs for dams, ditches for diversion of flood waters, contour listings of non-crop land, contour listing and contour seeding of crop land, green manure and cover crops left on land, legumes interplanted with feed crops, deferred grazing, control of destructive plants on pasture land, cultivating forest trees and growing home gardens.

REP. ENNIS FAVORS LEAVES TODAY FOR STATE CAPITAL

Ennis Favors, state representative for the 122nd district, will leave today with his wife and baby for Austin where he will represent, Collingworth, Donley, Gray and Wheeler counties in the 47th session of the Texas Legislature which convenes on Jan. 14.

a harmonious session of the Texas Legislature as there are ninety two new members in the House and ten in the Senate. It is generally understood that the social security program will be taken care of by this Legislature by something like an omnibus tax bill; that is to say, a tax of sufficient coverage not to tax any one industry out of business. I am advised that a sufficient number of representatives and senators have already committed themselves to a bill to raise the truck load limit to between twenty and thirty five thousand pounds. These members are not in accord as to the exact amount a truck should haul. A block of about twenty five members of the House have a bill ready for introduction in the House to prohibit long-term appointive office holders from running for other offices during the term of their office.

WORLEY IS NAMED TO PARTY POST

Rep. Eugene Worley of Shamrock Tuesday was elected secretary of the Solid Democratic Delegation for the next two years, succeeding Rep. Ed Gossett of Wichita Falls.

Texas members of Congress in Washington elected Rep. Wright Patman of Texarkana chairman of the delegation. Patman succeeds Rep. Luther Johnson of Corsicana, who was chosen at the caucus as the state's representative on the House steering committee.

Federal Judge Marvin Jones last session was the delegation representative.

Rep. W. R. Poage of Waco was endorsed by the delegation as its choice for a position on the House agriculture committee if the state is permitted to retain two seats in that body.

Strong opposition may be expected to this, however, in the opinion of Rep. Milton West of Brownsville. A member of the House ways and means committee, which makes committee assignments, West said he would fight for Poage's placement on the farm group. Judge Jones last session was chairman of that important body.

HOME FOLKS WILL HONOR JONES JANUARY 24

Judge Marvin Jones, who retired the first of the year as the 18th District congressman, will be honored in Amarillo by his home folks Jan. 24. A program of tribute to the man who served the Panhandle 24 years and became a leader in national affairs is being worked out. It will be announced within a few days.

Judge Jones (of the U. S. Court of Claims) won national acclaim for his farewell speech in Congress. Here is comment from an article syndicated nationally by the McClure Newspaper Syndicate:

In a fine bit of philosophizing, retiring Rep. Marvin Jones of Texas handed the much-abused members of the House a welcome New Year's present. Capitol Hill veterans characterize his "valedictory" as one of the most remarkable analysis of Congress and its creators — the voters — ever delivered.

Mrs. Belsler of Lubbock Says Hoyt's Compound Ended Soreness, Stiffness, Swelling in Feet and Limbs.

"My feet and limbs were so swollen and sore and stiff that I could hardly walk," says Mrs. A. M. Belsler, of 1518 Ave. F, Lubbock, Texas, a long-time resident. The pains were so severe

MRS. A. M. BELSHER that I couldn't even do my own housework. I had given up hope of finding relief.

"Then I tried Hoyt's Compound. From the first few doses I could see a marvelous change. I now feel and act much younger. I can get a good night's rest, the stiffness and swelling have gone. And at last I can really enjoy doing my housework! I hope other sufferers will take my advice and try this splendid medicine!"

Hoyt's Compound is recommended and sold by the Douglas & Goldston Drug Store and by all leading druggists.

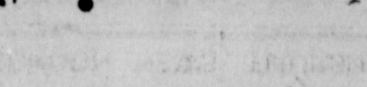

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
