A Common Paper for Common People

DONLEY COUNTY FOLKS ALL SET FOR JUNK RALLY PROGRAM

Scrap Drive In Full Swing This Week

The biggest scrap drive in the history of the county is now in full swing according to county agent H. M. Breedlove of the Texas A&M College Extension Service.

Forrest Sawyer, Chairman of the salvage committee of the Donley county USDA War Board has announced the collection of scrap iron by the WPA in making a house to house canvass of the county and hauling the iron to the dealers for the farmers or buying it at the farm. The trucks were furnished by commissioners G. G. Reeves of Precinct 2 and J. A. Tollett of precinct 3. These commissioners furnished the trucks to help haul the scrap iron for the farmers and in this manner get the material to the factories so that the war department will have a clean sweep of Donley county. Mr. Reeves and Tollett stated that they thought that this would help to get the job almost complete for Donley county when the entire county has been canvassed.

Mr. Sawyer stated that there was no way of estimating the amount of iron that would be collected by sending the trucks to the country to help get this iron. This is the best method used to collect the iron and farmers and ranchers that did not have a way to bring the iron to town will not have to worry because it will be picked up at their doors.

The entire board expressed their appreciation to the commissioners for helping in this drive for scrap metal that is so important to the national defense.

WILLINGHAM INFANT DIES SUNDAY

Bobby Russell, infant son of Mr. and Mrs. T. W. Willingham, passed away at the home of his grandparents Sunday.

Funeral services were held Monday at the home of Mr. and Mrs. F. H. Gammage, the child's grandparents. Rev. Hamilton officiated. He is survived by his parents, three sisters and one brother.

Burial was in Citizens cemetery under the direction of Buntin Funeral Home.

LIEUT. BOURLAND TO TAKE COURSE AT MIAMI BEACH

First Lieut. Lacy N. Bourland, son of Mac Bourland, and former resident of Clarendon is now at Miami Beach, Fla., where he will take a six weeks training course in the Army Air Force.

Lieut. Bourland, after leaving Miami Beach, will go to Hamilton Field, Calif. where Mrs. Bourland and two sons, Bill and Dick, hope to join him.

Registration For Fall Term Begins Monday For Local Students

The fall session of Clarendon Public Schools and Junior College will open at 9:30 a. m. on Monday, August 31.

College students will register in Room 14; High School Seniors will register in Room 13; High School Juniors will register in Room 11; and the High School Sophomores will register in Room 21.

All High School students are required to pay a library fee of One Dollar. All students are required to show a smallpox vaccination certificate or show reasonable proof of fairly recent vaccination.

MISS STEVENS RECEIVES BACHELOR DEGREE

Miss Elizabeth Stevens, well beloved teacher of the Clarendon schools, was among the 56 graduates of Sul Ross State Teachers College at Alpine who received their degrees at commencement exercises on Thursday evening, August 27. She was awarded the Bachelor of Science degree.

For many, many years Miss Stevens has been a grade teacher in the Clarendon schools, and has watched her pupils, through the years, grow into useful men and women.

Clarendon is proud, and always will be, of this grand personage who has endeared herself so closely in the hearts of our people.

VISIT IN AMARILLO

Mrs. N. S. Percival returned home this week after spending a week in Amarillo with her children. They had all gathered to be together with Mrs. Percival's daughter, Mrs. Phillips Bianchi, before her departure for her home in California.

Local Merchants Guarantee Good Sale For Top Winning Barrows In Fall Show

E. S. Ballew, Burt Mayfield, and J. R. Gillham, members of the sales committee for the Donley County Fall Fair's Club Barrow Sale have reported that enough merchants have been contacted to guarantee a good sale of the winning barrows in the annual fall show.

A minimum of 30c per pound for the grand champion barrow, 25c per pound for the reserve and third rating pigs, 20c per pound for the other two breed champions, 5c per pound premiums on the other five first place pigs, 3c per pound on ten second place pigs, 2c per pound on third place pigs, and 1c per pound on fourth and fifth place pigs, has been guaranteed by the businessmen and firms of Clarendon. A special sale will also be held for the grand champion pen of barrows.

During the past several years the club boys' pigs have been sold at Dallas and Amarillo at the Texas State Fair and the Tri-State Fair, but these two events were canceled this year. A majority of the local merchants have been canvassed and the remainder will be contacted within the next few days the committee has announced.

10 Persons Injured In Motor Crash

Nine persons were injured seriously and one fatally early Saturday morning when two cars crashed head-on about four miles west of town. Occupants of a third car involved in the crash, escaped injury.

Fatally injured were Archie L. Norman of Saint Jo, Texas.

Others injured were Mrs. Clayton Snow of St. Jo, Mr. and Mrs. J. W. Meadow and their grandson, Henry Bennett Meadow; Clayton Snow; Mr. and Mrs. J. W. Norman of St. Jo, and their daughter Barbara.

Occupants of the third car involved and who escaped injury were Allen Gray and L. Z. Barber, both of Flagstaff, Ariz.

Mr. and Mrs. Meadows were taken to Amarillo Sunday from the Clarendon Clinic, their condition, still considered serious. The remainder of the victims have been released with the exception of Mr. Clayton Snow.

APPENDIX OPERATION

Billie Ralph, son of Mr. and Mrs. E. R. Andis, underwent an appendectomy at St. Anthony's Hospital in Amarillo Tuesday night. He is said to be doing just fine at this time.

O'Daniel Elected To U. S. Senate

The second primary is over and the tumult and shouting is fast dying away. The hectic senatorial race ended with an O'Daniel victory with James V. Allred trailing by a few thousand votes. The figures released Tuesday by the election bureau gave O'Daniel 444,272 votes and Allred 429,825. An estimated 14,500 votes was still uncounted. Election bureau officials estimated that O'Daniel's majority will reach at least 15,000 when all votes are accounted for.

Allred received his strongest vote from counties in which large cities are located, although his vote in the rural districts increased somewhat over the first primary. O'Daniel, as was expected, received his strongest support from the rural areas and from the "forks of the creek" in central and

LATE ELECTION RETURNS

Senator W. Lee O'Daniel defeated James V. Allred by a total of 17,592 votes out of a total of 880,948 cast in the recent primary. The final tally showed O'Daniel 431,628 to Allred's 449,200.

Senator O'Daniel expects to return to Washington the last of the week.

east Texas.

Monday morning, the election bureau dropped tabulation on several state races which appeared to be settled. Total votes counted showed the election of John Lee Smith of Throckmorton over Harold Beck of Texarkana for the lieutenant-governorship; Beauford Jester of Corsicana to the unexpired term of railroad commissioner over Pierce Brooks of Dallas, and the reelection of Jesse James as state treasurer over W. Gregory Hatcher of Dallas.

(See O'DANIEL, page 8)

Cong. Worley Back Home

Passing through this section of the Panhandle late Saturday night was Lt. Gene Worley fresh from Australian waters where he has been in active service for the past several months.

The Congressman was traveling by bus and was rushing to Bonham, Texas where he has a son, born some three weeks ago. Mrs. Worley had been staying with her parents at Bonham in the absence of Mr. Worley.

Just as soon as possible, Cong. Worley will be in Washington on the big job of representing the Texas Panhandle. His able office force, directed by Mrs. Altavene Clark, has done a wonderful work in keeping the "home fires" burning in the absence of the Congressman.

CAVENDER REPORTS CROPS FINE

C. C. Cavender of Hedley was in Clarendon Tuesday, reporting that the crops in the Hedley country are the finest in many years. Mr. Cavender being an engineer at one of the Hedley gins, naturally is a close observer of crop conditions, especially the cotton prospects. He believes that with the present price level, farmers in Donley county have the best chance to make a profit than they have had in many years.

LOCAL LEGION POST REQUESTS BUGLES

The local Legion Post has received a request for any bugles that are available. The 359th Infantry at Camp Barkley is trying to organize a Drum and Bugle Corps and are unable to obtain bugles.

Anyone having a bugle that they want to furnish Uncle Sam's boys, please bring it in to B. C. Antrobus at the Antro Hotel right away.

ON VACATION

Mr. and Mrs. Lee Bell and son Bobby left Sunday for New Mexico where they plan to spend the week sightseeing and fishing.

FILM INDUSTRY TAKES LEAD IN BILLION DOLLAR BOND DRIVE

In line with the recent statement by Secretary of the Treasury Morgenthau in Washington, Victor H. Victory, local administrator for the War Savings Staff, announced today that the Treasury's September bond and stamp drive has designated the motion picture industry as its spearhead—just as the retailers were the key-force in the July drive. A billion dollar national sale is the target.

Every branch of the motion picture industry has been mobilized for the September campaign. Hundreds of cities will have bond rallies at which top-flight movie stars will appear in person.

The Pastime Theatre in this city is in the drive; some 15,000 theatres nationally have enlisted.

The management of the Pastime Theatre will seek the cooperation of every other industry and organization in this city. Local committees already are being formed. Not only are theatre sales of bonds and stamps to moviegoers to be stepped up, but all sales everywhere must be sky-rocketed to hit the billion quota.

"We here in Clarendon will do our share and I know the moviegoers of this city will do theirs," (See FILM INDUSTRY, Page 8)

V-Mail Popular In Clarendon

The recently introduced V-Mail, combination letter and envelope for correspondence with men in the armed forces, is becoming popular here.

Pointing out that V-Mail provides a safe means of communication with members of our armed forces, the post office department gave assurance that the film, upon which the communications are reproduced, is given the most expeditious dispatch available. Because of the small space taken up by the rolls of films, they often can be carried on ferry planes or bombers.

Every pound of weight which can be saved on air transports overseas, the department said, means that an equivalent amount of weight can be allotted vital military material.

In recognition of this, Postmaster J. C. Estlack has been advised, and in an effort to insure delivery of mail to as many men as possible at overseas destinations when space is limited, the war and navy departments have directed that V-Mail be given priority in dispatch over all other classes including air mail, when transportation facilities under control of those departments are used.

Car Tags To Last For Duration

The 1942 automobile license tags are for the duration of the war, apparently; therefore each man and woman must use a little elbow grease to keep them cleaned and waxed so as to ease their long-range job.

The state highway department has settled on a policy of one by four inch tabs for 1943, the tabs to be bolted on the present 1942 plates after they are obtained through regular registration channels.

It is possible that the same or a somewhat similar policy will be followed as long as the war lasts but right now department officials are happy enough to have settled the 1943 problem.

John Deaver Will Be Speaker Here Sat.

John Deaver, popular district attorney who will make the main address here Saturday at the Donley County Junk Rally. This is a patriotic program promoting local interest in the war effort in which public sentiment may be welded more closely together in a common cause—the preserving of world democracy.

GRADY INFANT DIES WEDNESDAY

Small, infant son of Mr. and Mrs. Ralph Grady Jr., who was born Tuesday, August 25, passed away at 2:30 Wednesday morning at St. Anthony Hospital in Amarillo. A grave-side service was held at the Citizens cemetery this Thursday morning at 8 a. m. with the immediate families and close friends attending. Rev. M. M. Miller conducted the service. The Buntin Funeral Home had charge of arrangements.

Mrs. Ralph Grady is the former Dorothy Jean Bogard, daughter of Mr. and Mrs. Neal Bogard of Clarendon. Ralph is the son of Mr. and Mrs. Ralph Grady Sr. of Clarendon and Brice. He is now in military training at Camp Swift located at Bastrop, Texas and will be here for a short time on furlough. Friends and acquaintances offer their condolences to this young couple on the loss of their first born.

VISIT GRANDAUGHTER

Mr. and Mrs. G. B. Harris of Harrold visited their granddaughter, Betty Janice, infant daughter of Dr. and Mrs. B. B. Harris, over the week end.

Proper Care of Sows At Farrowing Time Very Important Says Local Vocational "Ag" Instructor

A number of Donley County farmers have lost complete litters of pigs during the past several weeks due to improper care of the sow at time of farrowing, resulting in a fevered condition of the sow similar to milk fever in cows which results in the inability of the sow to produce milk for the young pigs. J. R. Gillham, local Vocational Agriculture Instructor, states that this condition is largely due to improper feeding immediately before and after farrowing.

A good plan to follow is to feed the sow only bran and milk for two or three days before and after farrowing, and the day following farrowing only a very small amount of this should be fed, Mr. Gillham states.

"The full grain ration for the sow should not be reached for at least four or five days after the

Saturday the 29th of August will be Junk Rally day in Clarendon and all over Donley county, according to county agent H. M. Breedlove of the Texas A&M College Extension Service.

Forrest Sawyer, chairman of the local salvage committee has arranged a program for three o'clock in the afternoon on the main street of Clarendon. The speaker for the occasion will be John Deaver, district attorney. The Clarendon High School band will play a concert and parade on the main street before Mr. Deaver delivers his address.

The scrap iron salvage program is well under way in Donley county with the WPA furnishing the labor and commissioners court furnishing the trucks to make a house to house canvass of the county. The iron is bought at the farm from the farmer and he receives his check from the United States Government. This program will cover the entire county and will give all persons a chance to dispose of their old iron and put into guns and ammunition for the armed forces.

This program Saturday will be to show the interest of the people in Donley county in getting the old iron to the factories to help in the national defense program.

All persons in town at three o'clock this coming Saturday and hear Mr. Deaver give a short address on the Scrap Iron Program.

This is the time to convert old iron into tanks and guns and ammunition to give to boys on the front lines so this war will end a great deal sooner with victory for the United Nations.

Remember the slogan: "Slap a Jap with Scrap."

RECRUITERS SEND TWO MEN FROM DONLEY CO.

The Amarillo recruiting office shipped 18 men Wednesday. Among those were two Donley county men: Major G. Richerson, Hedley, navy recruit and George C. Shields, coast guard, also of Hedley.

RETURN HOME

Mr. and Mrs. W. J. Lewis Jr. returned from a vacation trip through Colorado Tuesday. They report a most enjoyable trip but regretted the fact that they didn't have more time to spend up there.

Proper Care of Sows At Farrowing Time Very Important Says Local Vocational "Ag" Instructor

"Pigs taken from sows that fail to produce sufficient milk should be fed warm cows milk with a small amount of sweet cream added, and about four or five drops of lactic acid to a quart of milk. Experiments have proven that there is more butterfat in sows milk than cows milk, and the lactic acid will aid in causing the milk to digest in the pigs stomach and prevent scours."

MEMBER OF
Panhandle Press Association

Former Clarendon Boy To Take Diplomatic Post In Argentina

It has been announced in Washington that Byron Skelton, former Clarendon High School graduate and a nephew of L. H. Skelton here, has been appointed as special assistant to the ambassador of the United States in Argentina, and will report to his post of duty in Buenos Aires within the next few weeks. Mr. Skelton is a member of the law firm of Saulsbury & Skelton of Temple, Texas.

During the past several weeks Mr. Skelton has been in Washington working with the officials of the Board of Economic Warfare, the treasury department and the department of state on problems in Argentina affecting the welfare of the United States and the defense of the western hemisphere, with particular emphasis on economic warfare against the Axis

and pro-Axis peoples in South America.

Mr. Skelton was asked by the government to undertake this work because of his training as a lawyer and his knowledge of the Spanish language as a contribution to the war effort. It is the present policy of the government to place a Spanish-speaking attorney in the embassy of the United States in the capital of each of the Latin-American countries as a legal adviser to the ambassador on questions vital to this nation's economic warfare against the Axis, and it is in accordance with this program that Mr. Skelton is being sent to Argentina.

He will be accompanied to Buenos Aires by his wife, Mrs.

Ruth Skelton, and two daughters, Sue and Sandra. They will leave Temple about Sept. 1 and will go by plane to Mexico City, through Central America, down the west coast of South America to Santiago, Chile, and over the Andes mountains to Argentina. They will be away from Temple for the duration of the emergency.

Mr. Skelton is former county attorney of Bell county, past president of the Kiwanis club, Temple YMCA, and Bell County University of Texas Ex-Students association. He is currently worshipful master of the Temple Masonic lodge and has been actively associated with the USO program.

Farm Meeting To Be Held Monday At Childress

Farmers from five counties of this area will hear latest reports on legislative and administrative decrees affecting agriculture at a meeting to be held under the auspices of the Farm Bureau in Childress Monday, August 31.

The conference, in which farmers from Childress, Collingsworth, Donley, Hall and Wheeler counties will participate, is the first of a series of sub-district meetings scheduled in the Panhandle next week for a consideration of agriculture's status in a world at war.

Reports will be given by state and national Farm Bureau leaders on some of the issues facing agriculture today as brought out at the recent Southern regional farm conference in Raleigh, North Carolina.

Effects of ceiling prices on agricultural commodities, the farm labor situation, the all-out battle to maintain full production through parity prices, the necessity for a strong farm organization, and

many other current problems will be discussed.

Featured speaker will be R. G. Arnold, organization director of the American Farm Bureau Federation, whose forceful presentation of agriculture's position has made him a widely-known and popular speaker throughout the South.

W. M. Deck of Perryton, vice-president of the Texas Farm Bureau, will preside and discuss various points brought out at the Raleigh conference, and G. W. Haggard of Waco, editor of Texas Agriculture, will explain latest developments in the move to increase the production of synthetic rubber from grain. A round-table discussion of local farm problems will follow the talks.

The meeting will begin at 2:30 p. m. in the Childress county courthouse. All interested farmers are invited to attend.

Producers Get 7 lb. Allowance

College Station, August 26—Texas cotton farmers will receive a 7-pound per bale allowance for cotton wrapped in cotton patterns this year.

The new program, under which cotton is substituted for the traditional jute wrapping, is the culmination of years of intensive agency by state and federal agencies to get buyers and handlers of cotton to make allowance for the additional cotton in a bale wrapped with the fabric.

Cotton patterns and ties on a 500-pound bale weight about 14 pounds while the jute wrapper and ties weigh from 21 to 22 lbs., Fred Rennels, assistant administrative officer of the AAA in Texas, said.

The cotton bale covering not only gives a neat appearing and well protected bale, but permits

the packing of more lint per bale and gives producers an opportunity to use a fabric manufactured from their own product, he explained.

The 1942 program provides for production of 4,000,000 cotton patterns which will be sold by mills to producers at a fixed price of \$1.10 and to wholesale distributors at \$1.00 per pattern. This is close to prevailing prices for jute patterns.

Since 11,000 bales are required to make 1,000,000 cotton patterns, it would take about 130,000 bales to make enough patterns to cover a 12,000,000-bale cotton crop, Rennels said.

Mrs. Elmer Logsdon left Wednesday for Abilene where she is to join her husband who is entering the medical corps soon at Camp Wolters. Mrs. Logsdon has been visiting her mother, Mrs. H. L. Riley here the past month.

Mrs. R. W. Moore and son, George, left Friday to visit relatives in El Paso.

Mr. and Mrs. C. C. Gilbert returned home Friday after a very enjoyable visit with their son and family, Mr. and Mrs. Charles Gilbert at Springer, N. Mex.

HUDGINS

Mrs. S. M. Harp

The Baptist revival will start Thursday night. We hope all will come out and help in the meeting.

Mrs. Pat Cearley spent Saturday night and Sunday in the Jack Foster home.

Mr. and Mrs. F. G. Roy have moved back from Dumas. Mary Nell Perdue is staying with her grandma Perdue at this writing.

The young people's Sunday school class enjoyed a social at the school house Thursday night. L. C. Tims is on the sick list at this writing.

Mr. and Mrs. Walter Goodjoon of Lubbock spent part of this week in this community.

Mrs. Alline McFarling and sons of Pampa spent Sunday with her parents, Mr. and Mrs. J. L. Talley and family.

Uncle Levi Foster spent Sunday and Sunday night with Mr. and Mrs. Jack Foster and family. Mr. and Mrs. Bob McCoy and Melba Jean motored to Memphis Saturday.

Mr. and Mrs. Otto Elliott and family visited with Mr. and Mrs. Leon Foster Sunday afternoon. The singing Sunday night was

Bomb 'em with JUNK

JUNK NEEDED FOR WAR
Scrap Iron and Steel

Needed for all machines and arms of war. Fifty per cent of every tank, ship and gun is made of scrap iron and steel.

Other Metals—Rubber—Rags—Manila Rope—Burlap Bags

Needed for making bombs, fuses, binoculars; planes; tires for jeeps; gas masks; barrage balloons; wiping rags for guns; parachute flares; insulation for electric wiring.

WASTE COOKING FATS—When you get a pound or more, strain into a large tin can and sell to your meat dealer.

NEEDED ONLY IN CERTAIN LOCALITIES—Waste paper and tin cans—wasted only in certain areas, as announced locally.

NOT NEEDED (at this time)—Razor blades—glass.

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your junk, get in touch with the County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

THE TEMPLE OF TRUTH
By the Apostle

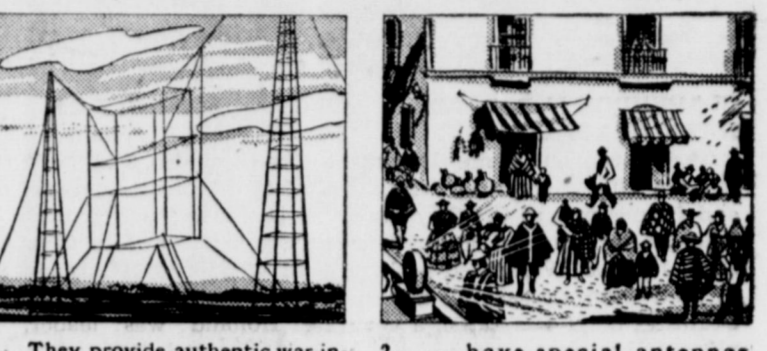

OLD HOME SPUN.
There has been a lot of stuff injected into the family feed troughs the past fifteen years, but the most satisfactory list among

the sensible folks who enjoy good health, still includes milk, eggs, greens, beef, hog jowls and plain old cornbread. There are other good eats, but none more palatable and nourishing than these named. If you happen to have a patch of greens, and can rustle up some seasoning from the hog pen this fall and winter, you are a gastronomic millionaire—what ever that is. Health depends largely upon the food one eats. The food depends upon the judgment and ability of the individual. Some 25 years ago a babe of a few weeks was slowly starving to death in an isolated section of New Mexico. An old cowpuncher finally took charge of the case. It was comical to see that big-hearted old westerner clumsily handle that we bit of helpless humanity after all other methods and efforts had failed. This old man who had reared his brood, knew something about babies. He settled down on sour buttermilk. Within a few days the babe smiled and that old man shouted like a man at meetin'. He knew he was gaining ground. Well, to make a long story short, the old nurse long ago went to his reward. The once helpless little babe is serving his third term as sheriff of Lea county, N. Mex. He made a strong, healthy individual even if he was compelled to resort to a crude nurse and plain old buttermilk. Some folks eat to live. Then there is a class that live to eat and they have a heck of a time.

NEIGHBOR STUFF.
The election is over. The mud-slingers have repaired to their wallow. If you made a blamed fool of yourself and made a good neighbor sore yelling your head off for a candidate that cared nothing for you, then you are the only one to lose in the election. We have to live with our neighbors. Let's always remember that when some fad or something comes along that might sweep us off our feet.

Towers of Truth

Chinese, Finnish, Tagalog, Dutch, Spanish—programs in more than a dozen tongues go out from the towers of General Electric stations WGEA and WGEO, Schenectady, and KGEI, San Francisco.

1. They provide authentic war information for news-starved peoples around the globe, entertainment for U.S. forces abroad. These G-E short-wave stations . . .

2. . . have special antennas "pointed" at Australia, South America, China, Europe—making reception there almost as strong as from local stations.

3. They provided the only U.S. programs that reached Batavia. People in conquered lands risk their lives to listen. Smuggled letters say they bring hope of release.

4. Some announcers are regular G-E production employees, working on war work. They tell people in their native lands that America is determined on victory.

General Electric believes that its first duty as a good citizen is to be a good soldier.
General Electric Company, Schenectady, N. Y.

FARM HELP.
Here is a letter from Jim Jackson of 3004 Polk Street, Amarillo asking me to tell the farmers that he can furnish hands for crop gathering. He proposes to round up the help and make his money out of hauling them down here. If you are interested, see Jim or write him.

V-MAIL LETTERS.
You can write more at less expense if you will get the free V-Mail sheets at the postoffice and write your son in the service. The letters are photographed and take up far less room. In fact they take up less than a tenth of the room of the original letter, and thousands may be sent by plane. Your Government wants to help you to contact your loved ones. Will you help?

AND THAT'S THAT!
The man at the movie was annoyed by constant talking behind him. "Excuse me," he said, turning around, "but we can't hear a word here."
"You don't say so," retorted the woman behind, "Well, what we're talking about isn't any of your business."

CAUTION.
Never mail a letter without your address on it so that it may be returned to you if it fails in delivery. Never mail anything without first writing the address of the party who is to get it. Blank letters or postcards blank on the front side are mailed most every day. Always give your box number if you have one. Never forget box numbers in any address—going or coming. It means a much quicker delivery in many instances.

OUR WEAKLY POME.
Bathing contest by the sea.
Gal as cute as could be,
Was asked to hustle,
And remove her bustle,
Said: "That ain't no bustle,
that's me!"

SLOGANS.
Abroad: "Make it snappy and slap a Jappy."
At Home: "Slap the Japs with scrap."
With that, I shall mount my "tomwalkers" and proceed on my gasless way to the poor farm on the hill. Yep, the pot has more greens and hog jowl left for supper after a fair round at it at dinner. Why daddburn it, we still eat dinner at noon and supper in the evening just like the old pioneers that settled this section. Besides, a lunch often turns out to be just a snack. Adios Amigos.

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."
The Potts home and the Wiedman home on the Amarillo highway are both an asset to the town; thus making a favorable impression on the tourist passing through the city.
The D. O. Stallings home is surrounded with a number of bright colored flowers in addition to the spacious well-trimmed lawn.
There is not a more beautiful or attractive block in the city than the one in which the homes of Allen Bryan, Simmons Powell and U. J. Boston. The Powell home is marvelous with its green drapery of vines almost covering the house.
Odus Caraway's landscape and garden are bright and fresh with the terraced lawn, the evergreens in the front and the vari-colored in the rear.
A pink shrub and many other things of interest are noticed in the garden of Cal Merchant.
Sophie Pillow says you can't tell how far a guy has gone in a car just by looking at the speedometer.
If you are over 17 and under 50 you are neither too young nor too old—By joining the Navy you can prove that you are patriotic and bold!

CLARENDON H. D. CLUB HAVE ANNUAL PICNIC

The Clarendon Home Demonstration club members, families and friends met at the City Park Friday afternoon at 7:30 for their annual picnic. Well-filled baskets of food were spread and after a bountiful meal was eaten, a very pleasant hour was spent visiting.

Those to enjoy this occasion were Mr. and Mrs. Elmer Hayes and daughter Leona, Mr. and Mrs. J. C. Estlack and granddaughters, Ira Jean, Patricia Ann, Barbara Faye and Jacqueline Marie Estlack, Mr. and Mrs. O. C. Watson and son George, Mr. and Mrs. Henry Williams, Mrs. R. Y. King, and twin daughters, Mrs. M. A. Hahn and son Alfred, Mrs. Karl Adams, Mrs. Lena Antrobus, Mrs. G. A. Anderson, Mrs. A. H. Baker, Mrs. C. L. Benson, Mrs. Mattie Hudson, Mrs. W. A. Davis, Mrs. A. L. Chase, Mrs. C. D. McDowell, Mrs. A. G. Lne, Miss Fern Phillips and Mr. Basil Smith.

All members are urged to be present at the next meeting, Sept. 4th at 3:30 p. m. in the home of Mrs. C. D. McDowell.

PATTY MOLESWORTH HAS PARTY

Miss Charlotte Molesworth entertained with a party for her niece Patty Molesworth, daughter of Mr. and Mrs. Jack Molesworth, on her 13th birthday Saturday evening at the John Molesworth home.

A seven o'clock dinner was served after which the guests enjoyed the show, "Mad Martin-dales" at the Pastime.

Those present were Ada Sue Smith, Melba Ruth Grady, Eria Etta Cannon, Georgia Bell McNeil, Patty Molesworth, Max Keys, Manley Bryan, Harlen B. Naylor, Jimmy Douglas, James Palmer.

NAVY CLUB TO MEET TUESDAY, SEPT. 1st

Members of the Donley County Navy Club will meet on Tuesday, Sept. 1st at the Clubroom. Time will be 8 o'clock. All mothers, sisters and wives of men serving in the Navy, Marines or Coast Guard are eligible for membership in the Navy Club.

At this time, yarn has finally been received to complete the afghan.

Plans for new activities will be discussed at this meeting, therefore it is requested that all members be present, and a cordial invitation is extended to all who are eligible to become members.

RETURN HOME

Mr. and Mrs. W. E. Betts returned his sister, Mrs. C. A. Burton to her home Monday night from Temple where Mr. Betts had been for medical treatment. Mr. and Mrs. Betts returned to their home at Clovis, N. Mex., Tuesday.

WOMENS SOCIETY OF CHRISTIAN SERVICE

The Circle No. 3 of the Womens Society of Christian Service of the Methodist church met at the country home of Mrs. Chas. Bairfield Wednesday afternoon with nine members and 3 visitors. Mrs. Lee Holland was leader. Rev. Quattlebaum gave the devotional.

Another Letter From Ireland

Friends and acquaintances of H. L. Riley Jr. will be glad to learn that he is getting along fine in the armed forces somewhere in Northern Ireland. This past week his mother, Mrs. H. L. Riley, received the following letter from him. We pass it on to you:

Dearest mother:
Will write a few lines to let you know I am still o.k. If I felt any better I don't know what I would do. I hope everyone at home is feeling alright. I guess you have received the last letter I wrote by this time.

What kind of a crop are you going to make? This country is as pretty as it ever was. I wish you could see the pretty flowers and hedges here, also the rock walls. Some of them are older than I will ever live. All of the houses are made of rock.

A few days ago we took a thirty mile hike with full field pack and rifle. I didn't know that I could do it, but now if I ever have to I will be able to. They have curfew here at eleven o'clock. But they roll up the sidewalks about eight o'clock. If you want to take your girl for a ride you have to use a bicycle or a cart. They sure have some of the prettiest horses and cattle I ever saw.

Even if it is a pretty country I wouldn't trade one square foot in Texas for all of it. Do you know Skeeter's address? If you do send it to me as I would like to know how he is and to write him. Tell Jim I said to write to me.

I guess I will sign off for now. Will write again in a few days.
Love your son
H. L. Riley

MORE RAIN FALLS

It still comes—and it so happens that we have needed it every time. The official measurement of moisture here Tuesday was .80 inch. All we need now is some more warm weather to keep the worms out of the cotton.

Billie Lou Gilbert who has been going to Texas Tech is spending her vacation at the Gilbert ranch.

Arline Dozier returned home Friday after a months visit with relatives at Hobart, Okla.

Eggs Being Dried On Large Scale

County agent H. M. Breedlove of the Texas A&M College Extension Service announced this morning that eggs produced on Texas farms in the Food for Freedom Program are being dried and sent to the four corners of the earth.

"They are being dried or dehydrated in Texas, for we have 12 of the largest egg drying plants in the nation," Breedlove said. "Right now eggs are being shipped in the 5 ounce containers to our fighting forces and to forces of the United Nations. Dried eggs are only one-fourth as heavy as shell eggs. This difference in weight and space is important in the shipping of the eggs to the Allies and to our own forces."

Farmers in Donley county selling eggs might send eggs to their own friends or children now in the armed forces. The big program is to produce infertile eggs, get rid of the rooster. This will make a good Sunday dinner and the eggs will keep much better.

According to information from the various specialists, the dried eggs are as good as shell eggs and are often times preferred by some people to the shell eggs. They can be so easily shipped and sent to all parts of the world that the general idea of specialists at this time, is after the war dried eggs will still be in great demand by the consumers and for shipping and actual use by the public.

"This might give you some idea of where the eggs that you are producing are going and why we want infertile eggs," Breedlove said. "This is a good program, produce eggs for Freedom."

Church News

ASSEMBLY OF GOD CHURCH
Alma Wisdom, Pastor.
Church services every Thursday, Saturday and Sunday night Sunday school, 10 a. m.

EPISCOPAL CHURCH OF ST. JOHN BAPTIST
Rev. Frank H. Hutchins, M. A., Clergyman
Mr. Walter B. Knorpp, Lay Reader

Sunday, August 30—11:00 a. m. Morning Prayer and Sermon.
Mr. Knorpp.

FIRST CHRISTIAN CHURCH
L. Guy Ament, Pastor

Do you want the church to grow and prosper? Do you want the teaching force of the church to be encouraged? Be at Sunday school next Sunday. We meet at 9:45 a. m. If your place is to be filled, you must be on hand.

Church service at 11 a. m. Theme: "The Four-fold Man." Think of it!

Evening services at 8:30 o'clock. "The Fruit of the Spirit." Prayer services and Bible study next Wednesday, 8:30 p. m. All are urged to be present and enter into the study. First chapter of Revelation. Read before coming.

Women's Missionary Society meets next Wednesday afternoon at 4 o'clock, Sept. 2nd. Mrs. Shelley is hostess. Mrs. Hayter is the leader for the lesson. There will be a kitchen shower for the Hazel Green, Ky. Mission school. Every lady of the church is urged to be with us in the meeting.

All are welcome to these services, we invite all.

Naval Training School Course Group I

All Group I students (electricians' mates, fire controlmen and ordnancemen) are instructed in the same subjects for the first two terms. Work covered during this period includes elementary shop mathematics and theory, blueprint reading, standard shop practice relating to all the trades involved, types of guns, bore-sighting, fire control communication and principles of pointer, and director firing, also the uses of various tools and instruments employed by electricians and ordnancemen.

After the first eight weeks, each class is subdivided into two groups; Group I(a) Electrical and Group I(b) Ordnance, the division depending upon the student's choice and natural ability as demonstrated in his earlier work.

FASHION PREVIEW

THEY knew what they wanted this candid crowd featured in the September issue of Good Housekeeping Magazine. A plaid cotton with the "torso" look. A cotton-corduroy suit with a separate dickey embroidered "Me", and a cotton-corduroy jumper with rayon shirt that's good on tall, short, thin or plump.

Clarendon Clinic Hospital Notes

Miss Edith Shelton left Friday for Lake Arthur, N. M. where she started her duties as a teacher in the school system there Monday.

COTTON AND COTTON SEED MUST BRING MORE MONEY

(Statement of Tom Linder, Commissioner of Agriculture of Georgia.) Cotton is now selling in South Georgia for about 17c a pound, and cotton seed is selling for \$40 a ton for wagon seed.

I am informed by reliable people that under the present ceiling price of oil, meal, hulls and lint, cotton seed should be bringing from \$50.00 to \$55.00 per ton. Mr. Leon Henderson and the OPA fixed a ceiling price on osnaburg and other heavy cotton goods.

The OPA did not fix ceiling and leave it to the cotton mills to get as near the ceiling as they could get—the Government guarantees that ceiling price to the mills. The Defense Supplies Corporation, a government agency, will pay the mills the ceiling price for any of these goods which do not bring the ceiling price in the open market.

The ceiling price on these cotton goods is presumably sufficient to take care of all the operating expenses of the mills, including labor, and leave a profit. Why should not the farmer be guaranteed the ceiling price? The ceiling price on cotton, as fixed in the bill creating the Office of Price Administration, is 22c for middling on the New York and New Orleans Exchanges.

If the mills are guaranteed the ceiling price on their goods, why should not the Government guarantee the ceiling price to the farmer on his cotton? The farmer is now losing at least \$25.00 a bale on his cotton and cotton seed.

The Government loan on cotton is now 16.22c a pound. This is 6c a pound too low under the bill creating the Office of Price Administration.

There is no more important product for the successful carrying on of the war than cotton and cotton seed oil. Present prices of cotton and cotton seed are below cost of production. Should this crop sell below cost of production it means a further reduction of production of next year's crop.

Talk about inflation! The greatest acceleration of inflation comes from reduction of production. When less commodities are produced the demand for these limited products is violently increased automatically. The only sure preventative of inflation is to increase production so that there will be enough to go around.

We should hold our cotton off the market if we have to put it in the Government loan at 16c. Cotton put in the Government loan can be redeemed and sold in the open market. Congress can also increase the loan on cotton to 22c so as to give the farmer the same protection as the cotton mills have already been given.

The Agricultural Adjustment Act provides for a parity price which will give the farmer the same purchasing power in terms of things which the farmer buys that he had in the base period of 1909-1914. Under the terms of the Agricultural Adjustment Act the parity price of cotton today is from 30c to 35c a pound. A loan of 22c a pound would only be two-thirds of the true parity price.

I understand that Senator Bankhead of Alabama is going to introduce a bill providing for loans of 100% of Wickard's "fake parity." Wickard's "fake parity" now is 18.85c a pound. Senator Bankhead should change his bill so as to provide for a loan of 22c a pound. The farmer growing cotton at 22c a pound would still be contributing one-third of his cotton crop in the nation's war effort. I shall advocate this at the Dallas meeting.

SIDE GLANCES ON TEXAS HISTORY

By Lorena Drummond University of Texas Library

It wasn't priorities but necessity that made Texans 60 to 70 years ago hoard soap, candles, matches, lead, dye, flour, salt—in fact, almost anything except rawhide and fresh meat.

"Erzatz" was a word unknown in those days, but the pioneer Texan and his lady did a pretty good job devising their own substitutes for practically every commodity and convenience considered essential in more "civilized" sections of the country. Several accounts of these homemade essentials are given in "Pioneer Days in the Southwest from 1850 to 1879," compiled by John A. Hart and Emanuel Dubbs, a copy of which is found in the University of Texas Library's voluminous Texas Collection.

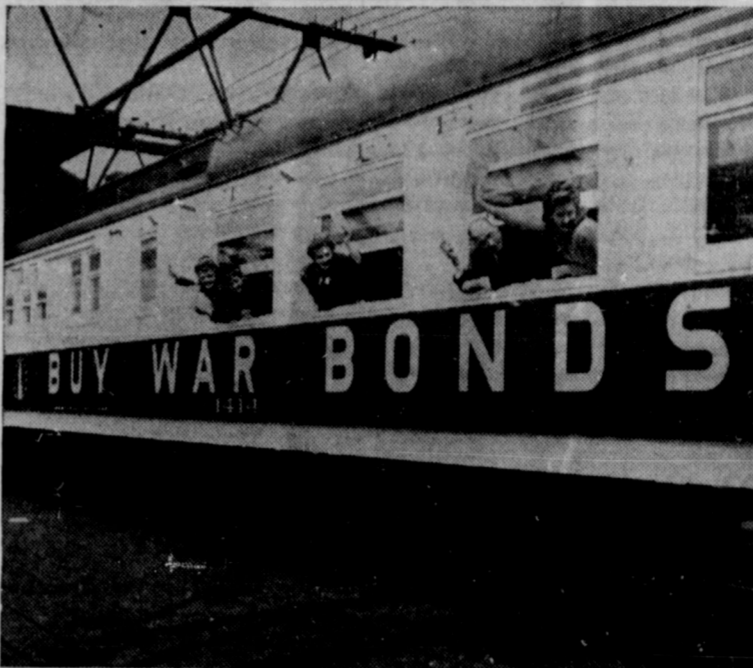

Beds-In-A-Wall Houses were of logs. Furniture was "built-in," but not in the fashion of today's modern cabinet work. Sometimes a one-legged bedstead was constructed, using the log wall of the house for the head and one side. Again a four-legged frame would be built, with green rawhide stretched across it.

"The dining table was built on the same fashion as the four-legged bedstead," Hart wrote, in his recollections of the early days of Weatherford, Parker County. "Boards were shaved out with a drawing knife for the top and when visitors came, a tablecloth was used, made of domestic, woven by the housekeeper herself.

"Some were lucky enough to get hold of a few chairs and had stools enough to make out the set; some had all stools or benches. A tree was cut and split open and faced with a broad axe, four holes were bored and legs put in and the stool or bench was completed."

Hand-Made Light Candles were all made by hand, sometimes several hundred at a time. "There were two ways to make them, one was to get as many sticks as was needed and tie strings to them, usually about half dozen to the stock for wicks and dip them in a pot of warm tallow, lift them and dip them in a pot or bucket of cold water and back into the tallow. Some had molds, drop the wicks in the molds and pour the tallow in the molds." "I remember when matches sold for ten cents a box which contain-

Santa Fe Cars Carry War Bond Sales Plea

Contributing wholeheartedly to the sales campaign, the Santa Fe has just brought out the first transcontinental railway roving War Bond billboard in the form of the above dining car, now operating on the Grand Canyon Limited, and which later will be used on the California Limited and the Ranger. Painted red, white and blue, the diner with the backing of a Minute Man sign, displays the message, "BUY WAR BONDS," on either side. Stewards in charge of the car are accredited members of the War Savings Staff of the U. S. Treasury Department. As an additional means of spreading the War Bond appeal, the Santa Fe is having the same message lettered on 200 box cars.

LUBBOCK ARMY FLYING SCHOOL BAND BEING RECRUITED FROM WEST TEXAS DISTRICTS

A War Department announcement will be welcome news to men between 45 and 50 years of age, who are otherwise qualified, to fill vacancies in the Army Air Forces Bands. The West Texas Recruiting District has a quota of 28 musicians to be filled for the Lubbock Army Flying School at Lubbock by September 21.

Each band will consist of the following personnel and instruments: Flute-Piccolo; Bb Trumpets; French Horns; Tenor Trombones; Bb Clarinets; Alto Saxophone; Tenor Saxophone; Baritone Saxophone; Bb Cornets; Bb Baritone; Bb Basses; Snare Drums; Bass Drum. Qualified musicians should see their nearest Army Recruiting Station before this quota is filled. This is the chance for which men over 45, who have heretofore been above the age limit for enlistment in the Armed Service, have been waiting. This is their chance to serve their country. Further information may be secured at any of the following U. S. Army Recruiting Stations: Lubbock, Amarillo, Plainview, Pampa, Odessa, Ig Spring, Sweetwater, El Paso, and Fort Bliss.

Mr. and Mrs. Lee Holland were Berger visitors Wednesday.

Mr. and Mrs. Harry Tyler left Tuesday for a visit with his mother, Mrs. Tyler at Memphis.

Mr. and Mrs. Ira Horton are the proud parents of a 10 lb. girl born Monday, August 24th.

Volunteer Officer Candidate Applicants

Lt. Col. Marvin B. Durrette, District Recruiting & Induction Officer, Hq. West Texas Regt. District, Lubbock, states that the War Department has announced an increased quota in the number of Volunteer Officer Candidate applicants who may be inducted for the purpose of competing for selection for an Officer Candidate School, the increase being for the Antiaircraft Coast Artillery Corps. Interested Class III-A Selective Service registrants, deferred for dependency reasons only, between the ages of 18 and 45, may apply for the qualification examination through their Local Boards. Successful applicants who are detailed to attend Officer Candidate School and who satisfactorily complete the course of instructions are commissioned as officers in the Army of the United States. Unsuccessful Volunteer Officer Candidate applicants, who so desire, may apply for release from active military duty after four months service and return to their homes.

T. J. Noland of San Diego, Calif. is visiting his son and family, Mr. and Mrs. Gene Noland.

Patti Quattlebaum is home after a visit in Amarillo.

Mrs. Bill Bentley and daughter Nell were shopping in Amarillo Monday.

Harry Blair is in Texarkana this week on business.

Mr. and Mrs. Homer Charles Speed left Thursday for Lubbock where he will be in training in the Air Corps.

Dwight Blair returned home after a week end visit with Max Rhea at Lubbock.

Jo Evelyn Hicks left Wednesday for her home at Childress after a visit in the Harry Blair home.

Bert Smith reports that his son Junior who is in the Amarillo hospital is improving slowly.

Misses Letha and Geraldine Harris, sisters of Dr. B. B. Harris, visited in his home this week.

Mrs. Margaret Goodner and son Tommy have returned home from Dallas to be ready for school.

Mrs. W. H. Patrick was an Amarillo visitor today.

ed twenty-five matches," Hart went on. "Only travelers or freighters could afford to use them. Matches were not used only in extreme cases. Many times I have walked a mile to borrow fire. Everybody kept a piece of punk and a flint rock to strike fire, and by placing the flint on the punk and striking it with a pocket knife would produce fire. Some times we would take raw cotton, place it on a skillet lid and sprinkle powder over the cotton, take a case knife and strike the lid, knock fire out of the lid and catch the powder, and we had fire." Mrs. Tilatha Wilson English of Gainesville, writing her reminiscences in the same volume, had another method of striking fire. "I have spun fire many a time, and I will tell you how I did it. I took deep copper thread and doubled it several times, and twisted it a little, and then held it in the whirl of the wheel and turned the wheel right fast, and it would mightily quick set it on fire. I would have some cotton ready and stick in it. I would soon have plenty of fire." Rawhide And Gourds—Indoors And Out Rawhide—an abundant natural resource—was truly a frontier substitute for any cord or rope, for shoes or even for clothing. "Rope hobbles, bridle reins, clothes lines, bed cords, were nearly all made out of raw hide," according to Hart's account. "Some hair rope was made out of hair by cutting the bush of cattle's tails off and twist the strands into a rope. People were considered quality when they could have a pair of hair bridle reins. Like raw hide, gourds also filled many uses. "Lots of them would hold half a bushel," Mrs. English explained. "We put lard in them or anything we wished. Spanish gourds were large at both ends and small in the middle. We would saw off both ends about half way, clean them out good, tie a cloth over one end, and it made a good strainer. We had gourds to milk in, drink water out of, and other things too numerous to mention." Mrs. Otis Rolls and small daughter Sherrill of Corpus Christi are visiting with her parents, Mr. and Mrs. Victor Smith. Mr. and Mrs. Frank White Jr. are at home after attending a Hatchery Convention at Dallas last week.

MIDWAY

Mrs. John Goldston

Mr. and Mrs. Holland and son Calven and J. C. Sisson and Mr. and Mrs. Tom Perdue spent the past week fishing and visiting at Bridgeport.

Mrs. W. D. Higgins left Saturday night in company with Mr. and Mrs. Reed for Tenn., her old home. Mr. and Mrs. Reed are to visit with their son Vernon while there.

Mrs. Clyde Pittman left the past week for Houston where she will remain with her husband.

Mr. and Mrs. John Chamberlain and son Ben made a business trip to Memphis Saturday.

Mr. Gene Chamberlain who has been stationed at Corpus Christi in employment of the government in cotton, has been transferred to Lubbock. Mr. and Mrs. Chamberlain will arrive in Lubbock about the 1st of Sept.

Miss Roy Guy spent the week end with Miss Betty Lou Naylor.

Mr. and Mrs. Derrick have received word that their son Floyd has attained the rank of Corporal in the Military Police department. The other son Frank, has also attained promotion. These sons are really deserving of the appreciation of their parents and friends.

Dr. and Mrs. Newton Cameron

visited here with Mr. and Mrs. Ruel Nichols last Saturday.

Mrs. Potter, Mrs. Harlen and son Donald left Sat. morn for Estelline to be with Jim Wise, a relative who is seriously ill.

Naylor route mail carrier, Mrs. Donald Harlen came near having a serious accident Saturday when one axle of her car broke while on the route. A mechanic was called and we are glad to say the mail only delayed.

Rev. Fitzgerald who is holding a meeting in connection with Rev. DeBord, visited several families Friday eve, and when he visited at the Pickering home, left his car in the road in front of the house. When he started to leave his car was gone. It was found later standing on the very edge of a deep canyon where it had rolled to.

Mrs. T. L. Naylor arrived Friday from Wichita Falls for a week's visit. She is visiting in the home of her sons, John and Carl Naylor.

Mr. and Mrs. Floyd Naylor of Wichita are also here.

Jo Tom, the young son of Mr. and Mrs. Carl Naylor, had a tonsil operation Friday at the Clarendon Clinic. He was returned to his home Saturday doing nicely.

Mrs. Edith Longan, Mr. and Mrs. Nelce Roberson accompanied Mr. and Mrs. Cecil Beach of Plainview to Colorado Saturday. Mr. and Mrs. Roberson are to meet their son Jack in Denver. Mrs. John McMahan and daughter

visited in the Goldston home Sunday afternoon.

Mr. and Mrs. Roy Wilson of Alanreed visited with friends and relatives in Clarendon Saturday.

Mrs. W. K. Davis received another letter from her son Clarence who is in Australia. He was well.

Mr. Pickering is trucking his produce to Amarillo.

Mr. and Mrs. Hefner and Mr. Wood held the election for Naylor. Mr. and Mrs. John Goldston and Mr. Loyd Moreland for Wilson box.

Mr. Henry Riley and son Elmo of Shamrock spent Sunday night in the W. K. Davis home.

Misses Virginia and Jane Williams and Ruth Teach of Ill. were dinner guests of Miss Katie Meaders Wednesday evening.

Miss Teach is a house guest in the Glenn Williams home.

Mr. Gillham visited the John Goldston farm Wednesday looking about the young sons pig project.

ASHTOLA

Mrs. W. B. Miller

We are glad that the attendance of our Sunday school is increasing; hope to have a still larger crowd next Sunday.

Mr. and Mrs. J. R. Brandon are spending some time with Mr. Brandon's parents at Springdale, Arkansas.

Mr. and Mrs. W. A. Poovey accompanied by their daughter Miss Helena from W.T.S.C. visited in Claude Sunday.

Mrs. Thel Drennan and little daughter from Anson, spent last week with Mrs. Mary Swinburn. Mr. and Mrs. McCabe and family from Conway spent Sunday in

the home of Mr. and Mrs. Fred Mandrosky.

Miss Nadine Dickson and brother James from Groom attended Sunday school at Ashtola Sunday.

Mr. Willie Brandon who has been working in San Diego, Calif. passed through Ashtola one day last week on his way to Springdale, Arkansas where he was to be drafted for the Army.

Mr. O. A. Swinburn from Overton visited in the home of his sister-in-law, Mrs. Mary Swinburn last week.

Miss Bobby Watts from Canyon arrived Saturday afternoon to begin her work as primary teacher in Ashtola school, which began Monday the 24th.

Mrs. E. C. Dewey is on an extended visit to her daughter, Mrs. Les Lisle in San Diego, Calif.

Dorsey Lettel returned Monday from a visit of two months with his mother in Dallas, and at other points in east Texas. He was accompanied home by his aunt, Mrs. Lester Joyner.

Mr. and Mrs. Joe Zelisho and daughter from Haskell county were recent visitors in the home of Mr. and Mrs. Fred Mandrosky.

Mr. Jesse Nelson who is employed at Amarillo spent Sunday night and Monday here with his family.

Mrs. Sam Allen and children returned to their home at Amarillo Monday morning after having spent last week in the home

of Mr. and Mrs. A. L. Allen.

Mrs. Ray Norman and sons James and Sammie from Amarillo spent several days recently in the home of Mr. and Mrs. H. S. Mahaffey.

Mr. Charley Nelson from Amarillo spent Sunday night here with his wife.

We are glad to welcome Mr. and Mrs. Eulan Higdon as citizens of our community. Eulan is employed at Amarillo.

James Reid Lovell is rapidly recovering from an injury to his leg which required five stitches, caused from an accident while riding his bicycle one day last week.

LELIA LAKE

L. D. Aten left Friday for an indefinite visit with relatives at Cutler, Indiana.

Mr. and Mrs. Sam Roberts, Mrs. Floyd Parker and Marjorie, Mrs. Quin Aten and Shirley shopped in Amarillo Wednesday.

Mr. and Mrs. J. R. Teague and daughter and Mrs. Charlie Robertson and daughter Emogene of Santa Rita, New Mexico, left Friday after visiting with relatives and friends here. They were accompanied home by Mrs. Robertson's mother, Mrs. Oma Baggett. Monty Ray Wolford is visiting

relatives in Oklahoma City this week.

Mrs. Lamar Aten and son Wayne returned Monday after visiting her parents near Eastland.

Mrs. Charlie Reynolds left Friday to visit with Mr. and Mrs. J. P. Reynolds of Clovis, N. Mex.

Mr. and Mrs. Bernice Howard and sons and Mrs. Billy Howard, all of Amarillo, spent Sunday with Mr. and Mrs. W. P. Howard.

Mr. and Mrs. Quin Aten and Shirley visited with relatives in Memphis Sunday. They were accompanied home by June Meredith.

Mrs. A. F. Page and children of Abilene spent the weekend in the home of Mr. and Mrs. B. F. Wolford.

C. Mabry of Oklahoma City came Monday to accompany his father J. H. Mabry home. Mr. Mabry has spent the past three weeks visiting with his sister, Mrs. M. M. Tomlinson and other relatives here.

Fern Martin returned to her home here Sunday night after a ten day stay in the Clarendon Clinic, suffering from a broken shoulder.

Mr. and Mrs. Bob McGowan of Clarendon visited with Mr. and Mrs. Dick Sargeant Sunday.

Mr. and Mrs. Edwin Cox Jr. returned to their home in Chicago Friday night after visiting his mother, Mrs. J. R. Cox and sister and family, Mr. and Mrs. Tom Tucker.

What Will Win The War?

There are many statements, loosely circulated, to the effect that food, faith, hope, courage production, unity, etc., etc., each is the one thing that will win the war. However, the truth is that military might will win—nothing else. The things mentioned above, and many others; are highly important, some vitally so. But let's not be distracted from the fact that FORCE is what we must have to win. Let's bend our every effort to build the greatest striking force of all time.

FENCING A WILD RIVER...

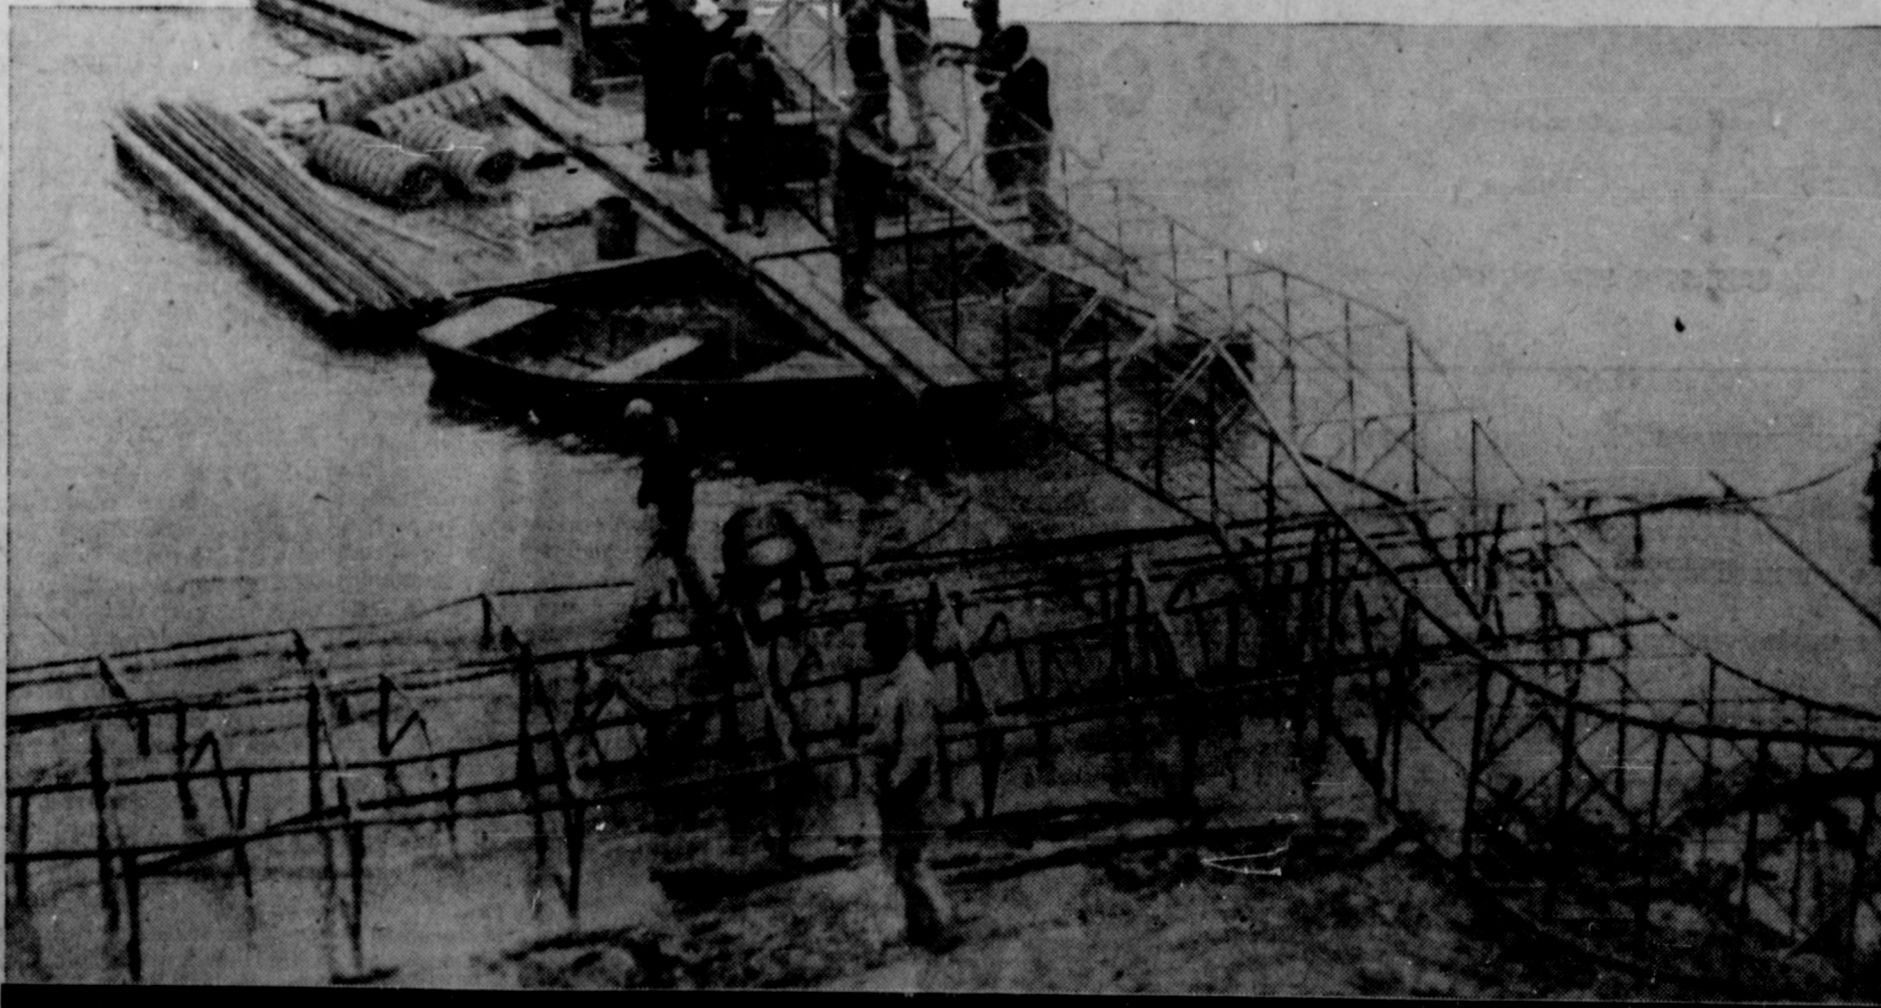

that's why we say... Dependable Natural Gas Service Doesn't Just Happen!

● Sometimes rivers threaten DEPENDABLE Natural Gas Service. Recently, United Gas men fenced in a wild river to keep it from destroying a pipe line and interrupting Gas Service. That's why we say "Dependable Natural Gas Service Doesn't Just Happen!"

● An important part of our job of providing DEPENDABLE Natural Gas Service is to discover trouble before it happens, along our more than 6,000 miles of main pipe lines. That's why we check Gas pressures, every hour, replace equipment before it fails, maintain Gas reserves far in excess of today's needs.

● This high standard of Gas Service, established in peacetime, now meets the expanded demands of war production. Natural Gas Service is working for Victory —AND WE WILL WIN!

Buy U. S. War Bonds and Stamps—Help Win the War!

Perfect Comfort IN EVERY GARMENT

1 GIANT BELT LOOPS

Ten times stronger than shoe-string loops. Prevents pants sag and distributes load evenly around the waist.

2 FOOT-DEEP POCKETS

Bigger than ordinary pockets. Lots of room for hands, even for tool carrying.

3 FULL-CUT SEAT

Full-cut, roomy, and comfortable. No binding at waist when you sit down.

These and 32 Other Extra Features

When you buy your size, you really get your size. And it's still your size after laundering. They're tailored just like dress pants—full-cut, neat fitting, and comfortable. Yet their 35 Extra Features cost no more. Try on a pair at any leading department or men's store. Examine the features carefully. You'll say like thousands "I can Depend on Dickies!"

Loy Morris returned to Pampa Sunday. He has been visiting his grandparents, L. M. Marshall.

There will be a chicken barbecue Friday night at the Martin school house. Everyone is invited.

Doris Bailey spent the weekend in Amarillo with Ruth and Ruby Blackman.

Mrs. Herman Patrosen and children of El Paso is visiting her sister, Mrs. Cannon.

Mr. and Mrs. Frank Bourland and Mrs. Ralph Keys attended the funeral of the infant daughter of Mr. and Mrs. Charles Bourland last week in Pampa.

Naval News

Men from 22 to 45, having the ability to handle any power boat of 25 feet or more, are needed by the United States Navy as commissioned officers.

Lieutenant H. P. McBride, in charge of the Dallas Branch, Office of Naval Officer Procurement, said an urgent need has arisen for applicants with small boat experience. They are wanted for immediate assignment on minesweepers, minelayers, subchasers, net vessels and other patrol craft.

The usual qualities of leadership, judgment, initiative, and physical stamina for sea duty are required. The men must have a vision of 15/20, corrected to 20/20, in each eye.

Further information may be obtained from Lieutenant McBride at 1530 Allen Building, Dallas, Texas.

An average sewing machine contains enough copper to meet the requirements of ten .30 caliber machine gun bullets.

GOLDSTON
Beatrice Smith

We were very proud of our attendance in Sunday school Sunday, 86 attended. We want to welcome each and everyone back each Sunday.

Owen Swicher of Chicago is visiting his cousin Joe Wayne Dilli.

Mr. and Mrs. Ramond Farr and children are visiting his parents in Cado Mills.

Mr. Roy Roberson visited in Shamrock Tuesday of last week.

Mrs. Hahn and daughter Ollie is visiting their daughter, sister and family, Mr. and Mrs. Bill Rowe.

spent Tuesday night of last week in the Roy Roberson home.

Mr. and Mrs. Thomas Clayton and daughter visited her sister, Mr. and Mrs. Sam Dale and daughter Lucille, Sunday.

Mrs. Bernie Townson and son, Donald visited in the Roy Roberson home Sunday. Daphne Roberson returned with them to stay over night.

Mrs. Collier Brock was expected home Monday after attending the funeral of her niece in Ark.

Mr. and Mrs. Talmage Tolbert and children of Corcoran, Calif. is visiting her brother and family, Mr. and Mrs. H. C. Smith. This was the first meeting in nine years.

Mr. and Mrs. Murphy Brock visited in the Roy Brock home Sunday. Mr. Collier Brock and children and Miss Della Brock visited in the evening.

Eliminating Rheumatism With Chiropractic

Many different conditions characterized by pains and aches in different parts of the body are frequently called by the term "Rheumatism." Many of these symptoms can be classified as acute rheumatism fever, rheumatoid arthritis, and osteoarthritis. Other symptoms put in the same category are those of neuritis, neuralgia, back-aches, and sciatica, and many joint and muscle strains.

Because of the generally vague and indefinite symptoms, rheumatism is not effectively treated by the usual methods. On the other hand, it is a symptom group for which the Chiropractic method could be considered almost as a specific. The chiropractor is able to locate and trace the pains and aches to the nerves involved in causing them. By his individual procedure, the chiropractor successfully removes irritations from the nerve pathways involved, thus effecting a correction of the condition.—The National Chiropractic Journal. (Adv.)

Leaf Worms Begin Cotton Damage

Leaf worms are beginning to cause some damage to cotton in Donley county according to county agent H. M. Breedlove of the Texas A&M. College Extension Service. Recent survey of cotton fields indicate an infestation in some parts of the county. Poison has been ordered to date for several producers and poisoning will begin as soon as the weather clears.

"We are ordering the poison as fast as the farmers call at the office," Breedlove said, "and some farmers are even doing their own dusting where they have small patches by putting a board across the saddle horn and riding a horse and having the poison in two cheese cloth bags and walking the horse up and down the rows and dusting in this manner."

Lon Rundell is starting poisoning with a six row poisoner obtained from farmers in the Hedley community. M. G. Cottingham and Harvey Shaw are running a machine that poisons four rows at a time. These machines will be available by contacting either of the above mentioned men.

"The poison machines are attached to tractors," Breedlove said, "and either Mr. Shaw or Cottingham will pull in the field and furnish their own driver and machine."

Farmers noticing leaf worms in the cotton should contact the county agent at once for the poison. Letters have been mailed to all farmers in Donley county warning them of the leaf worm infestation.

"The rainy weather that we are now having is very favorable to the leaf worm on cotton," the county agent said.

FROM ARIZONA

Mr. and Mrs. Durwood Ray of Williams Field, Arizona, visited her brother, Mr. and Mrs. Granville McAnear and Iva Jean the first of the week. They will visit relatives here and at Brice for the next 10 days, before he returns to camp.

Mother Local Man Dies Sunday

Funeral services were held Tuesday at the First Baptist church of Hedley for Mrs. Susannah Heath, aged 73, with Rev. M. E. Wells officiating and assisted by Rev. V. A. Hansford and Rev. A. L. Teaff.

Mrs. Heath was a native Texan and had been a resident of Hedley for the past 23 years. She is survived by her husband, T. E. Heath of Hedley; four sons, G. C. of Clarendon, O. A. of Levelland, T. G. of Ft. Worth and J. P. of the U.S.N.; two daughters, Mrs. Stanley Connors of Hedley and Mrs. H. L. Kinslow of Amarillo. Also 11 grandchildren, nine great grandchildren, two brothers and two sisters.

Pallbearers were Dee Franklin, Hobart Moffitt, O. C. Sargent, Delbert Kinsey, Clyde Bridges and Charles Rains. Honorary pallbearers were Walter DeBord, Claude Nash, W. I. Rains, Dan Lattimer, C. L. Goin, John Blankenship, Grover Moore and Tom Hunnicutt.

Burial was in Rowe Cemetery, Hedley under the direction of the Womack Funeral Home.

IN OFFICERS TRAINING

Word was received here this week that Sgt. Led Jay is now at Camp Lee, Va., attending officers training school. He was sent to Virginia from Louisiana, where he has been on maneuvers with the Army.

Mrs. Ralph Bourland and children of Quail visited this week with her parents, Mr. and Mrs. David Johnson.

Film Industry—

(Continued from Front page) said Lee Bell, chairman of the War Activities Committee of the motion picture industry here.

"Salute to Our Heroes" month is the title of the September drive. The slogan of the campaign will be: "Buy A Bond To Honor Every Mother's Son In Service."

The plan is based on sentiment and pride in the local men who are fighting the war. It is hoped that a bond will be purchased during September in honor of every local man in service, be he a medal decorated hero of the battlefronts or an humble drafted private just on his way to camp.

The movies launched their bond and stamp drive May 30th. During June, it is estimated, the sales mounted nationally to \$18,000,000.

"This is the people's war; 35,000,000 moviegoers are the people; 15,000 theatres are the home-front fortresses from which we can shower bomb-buying bonds on the enemy," said Si Fabian, campaign director.

It is planned to hold rallies in every village, town and city in honor of local heroes—and every man in service is considered a hero to those who must stay at home.

Every person buying a bond at a movie theatre during September will be given a postal card to address to the man in service in whose honor the bond is purchased—a salute from home to every mother's son in service. "I have just bought a war bond and I was thinking of you when I did it," says the card which the theatre will supply and mail.

It is hoped that millions of these cards will go from the theatres carrying a cheering message to men at camp and at the far-flung battle fronts.

O'Daniel—

(Continued from Front page) E. L. Pitts of Lubbock appeared to have won the place on the Seventh Court of Civil Appeals over E. C. Nelson of Amarillo. Returns from forty-four of the forty-six counties in the district, including forty complete, gave Pitts 40,403 votes, and Nelson 35,119.

In the only run-off here in the county, the office of County Judge, the incumbent R. Y. King defeated Walker Lane by a decisive margin.

How Donley Voted:
For United States Senator: W. Lee O'Daniel, 885; James V. Allred, 761.
For Lieut. Governor: John Lee Smith, 968; Harold Beck, 489.
For State Treasurer: Jesse James, 977; W. Gregory Hatcher, 873.
Railroad Commissioner: Beauford H. Jester, 886; Pierce P. Brooks, 708.
Chief Justice: E. L. Pitts, 541; E. C. Nelson, 938.
County Judge: R. Y. King, 1013; Walker Lane, 606.

Sept. Blue Stamp Foods Listed

Blue stamp foods available during September to families using food stamps in Donley County were announced today by Mr. Dan L. Boyd, Area Supervisor for the Agricultural Marketing Administration.

Foods for September are the same as those listed for August except that fresh plums, peaches and oranges, and butter have been removed from the list because conditions do not warrant additional market support for the items at this time. The complete list of blue stamp foods for the period September 1st through September 30th is fresh pears, fresh apples, all fresh vegetables including sweet and Irish potatoes,

shell eggs, corn meal, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, self-rising flour, enriched self-rising flour, and whole wheat (Graham) flour.

Designed to help create necessary new outlets for farm products and enable farmers to increase production, the food stamp program also helps build up the health of the nation by making much needed additional foods available to underprivileged families, Mr. Boyd pointed out.

VISIT RELATIVES HERE

Mr. and Mrs. Beatty of Rochester, Texas, Mrs. Marvin Whitfield of Hedley and Mrs. B. J. Leathers visited their brothers Lee and Joe Holland and their wives. Mr. and Mrs. Beatty also visited his sister, Mrs. Hillman here the first of the week.

FORMER CLARENDON RESIDENT DIES AT CLAUDE

Funeral services were held Sunday afternoon for Mrs. Ruby Ellen Bagwell, aged 47 years, at the First Baptist church in Claude. Rev. Luther Roberts, pastor of the Church of Christ in Amarillo, officiated.

Mrs. Bagwell was a daughter of Mr. W. W. James and was born in Donley County, and resided here for 22 years, after which time she moved to Claude where she has resided for the past 25 years.

She is survived by her husband, a daughter, Velesta and a son, Hurlon. Also three brothers and three sisters.

Burial was at Claude with Womack Funeral Home in charge of funeral arrangements.
