Carmen Rhodes was issued approvals for seeding Canadian Wild rye, Crested and Western Wheatgrass this week.

Miss Martha Lou Mott of Amarillo visited over the week end with her grandmother, Mrs. Lena Dhill.

WD TRACTOR WITH TWO-CLUTCH POWER CONTROL

PTO Independent of tractor motion

- 1. Transmission clutch starts and stops the tractor, but permits uninterrupted operation of PTO, belt pulley and hydraulic system.
2. Engine clutch controls entire power line. Transmission clutch makes it possible to stop or reduce forward travel without affecting PTO speed.

TWO-CLUTCH POWER CONTROL is a real advantage in the harvest seasons.

Stop in and see us for full information.

Full two-plot power. Available with wide front axle. 17 new features include power-adjusted wheel treads, 5-way hydraulic system and easier steering.

Donley County Leader, \$2.50 year

SOCIAL SECURITY NEWS

Q—Does everybody get the same amount in benefits?

A—No. Benefits are based primarily on the worker's average monthly wage.

Q—How is the average monthly wage figured?

A—The worker is credited with all wages received for work in covered employment, up to \$3,000 a year. This total, divided by the number of months since January, 1937 (or age 22, if later), determines his average earnings per month.

Q—How is a worker's account established?

A—An account is established for each worker under his name and the number on his social security card.

Q—Where can official Social Security information be obtained?

A—Write the Amarillo social

security office or contact the representative when he is in Clarendon. Floyd B. Ellington, Amarillo office representative, will be at the County Court House, Tuesday, August 23, at 9:00 a. m.

Mrs. W. D. Martin enjoyed her 82nd birthday Friday when she was surprised with a birthday dinner by a few of her neighbors and friends. Those present were Mrs. H. B. Hill, Mrs. Monica Harvey and her sister Mrs. Dollarhide and Mrs. J. C. Estlack.

Mr. and Mrs. Jack Gray and son of Lubbock are visiting his mother, Mrs. Ruth Gray and her parents, Mr. and Mrs. Leonard Putman.

Mr. and Mrs. A. O. Hott had for dinner guests Sunday, Mr. and Mrs. Roy Roberson of Goldston, Mr. and Mrs. White Horn of Esteline, Mr. and Mrs. Donald Townson of Borger and Mr. and Mrs. A. W. Covington and family of Clarendon.

Pfc. Raymond Adams from Alaska is home on a 20-day furlough.

Bob McDonald spent last week with his grandparents, Mr. and Mrs. Morgan.

Mary Helen Headlee spent Monday night with Joan Putman.

Larry Headlee spent Monday night with L. M. Putman Jr.

Bobby Gene Trout spent Saturday night with L. M. Putman Jr.

Texas Physician Elected To A.M.A.

A Texas physician who recognized the medical needs of small town and rural areas and has made great strides towards meeting those requirements has been elected to share his know-how with the nation.

Dr. F. J. L. Blasingame of Wharton is the newest member of the nine-man board of trustees of the American Medical Association, elected by acclamation at the recent A.M.A. convention in Atlantic City, N. J.

This 42-year-old general practitioner and surgeon was born in Hot Springs National Park, Hot Springs, Arkansas, but moved to Hempstead when he was two years old, receiving his education there through high school. His mother, Mrs. Lillian W. Blasingame, still makes her home in Hempstead.

He is the youngest member of the board of trustees, governing body of the medical association, and is also a member of the board of trustees of the State Medical Association of Texas and chairman of the board of trustees of Wharton Junior College.

The father of five children, two

boys and three girls ranging in ages from 2 to 14 years, Dr. Blasingame met his bride, the former Dorothy Rugeley of Wichita Falls, while they were both attending the University of Texas. Dr. Blasingame obtained his bachelor of arts degree from the University in 1929 and his medical degree from the University of Texas Medical Branch in Galveston, where he has taught anatomy and now holds a lectureship in anatomy.

He interned at the Henry Ford Hospital in Detroit, Mich., and practiced briefly in Canyon, Texas, before moving to Wharton in 1937.

The Rugeley and Blasingame Clinic and Hospital in Wharton serves a wide area of small town and rural residents, with an eight-doctor staff to offer complete medical attention, general and specialized.

Realizing that the faculty distribution of doctors is one of the major problems of public health and that the general practitioner is the backbone of medicine, Dr. Blasingame will be one of the leaders in the American Medical Association program to try to provide adequate medical facilities for all areas of the nation.

Truett G. Fields was issued an approval for chiseling around 139 acres of tight land.

If wheat growers comply with acreage allotments, thus adjusting production to expected requirements, it may be unnecessary to use Marketing Quotas for future crops.

Feel Free To Consult Us Without Obligation

Too many people try to measure devotion in terms of price. Many times they impose hardships upon themselves by exceeding their means when arranging a funeral. It has been our policy, and it will continue to be, to help you plan devout, tasteful services that give expression to your feelings, yet do not overtax your resources.

Burial Insurance for every member of the family.

Bell-Bain

Marriage vows were exchanged Friday evening, August 5th, in the home of the bride's parents between Imogene Bell, daughter of Mr. and Mrs. S. C. Bell, Sr., of Clarendon, and Elbert Bain of Huntington Park, California, son of Mr. W. V. Bain of Lelia Lake.

The double ring ceremony was read by Rev. L. A. Sartain before the fireplace banked with fern, flanked on either side with floor baskets of white gladioli. The mantle was decorated with white phlox and yellow tapers, carrying out the bride's chosen colors of yellow and white.

Mrs. M. R. Allensworth played "The Rosary" and "Ah, Sweet Mystery of Life" for the nuptial prelude, while the candles were lighted by Mrs. Juanita Vaughn.

Jo Veta Holland of Sunray, Texas, niece of the bride, sang "I Love You Truly." "Clair De Lune" was played softly as a background for the vows.

The bride was attractively attired in an afternoon dress of navy crepe fashioned with a fitted bodice featuring a deep V-neckline and three quarter length sleeves, and having a flared skirt. She wore white accessories and carried a small colonial bouquet of white gardenias surrounded by Lily of the Valley.

Miss Louvetta Cowan attended the bride as maid of honor, and chose a dress of burgandy iridescent faille with white accessories. Her corsage was of white camellias.

H. R. King of Groom, Texas was best man.

For her daughter's wedding, Mrs. Bell chose a two-piece dress of black crepe, complemented by a corsage of red carnations.

The lawn at the Bell home was the scene of the reception following the ceremony. The table was laid with a lace cloth centered with a crystal punch bowl surrounded with marigolds, baby breath, and fern, interspersed with golden wedding bells. Mrs. Leon Carter and Mrs. Harless McMahan presided at the punch bowl, and cake was served by Misses Hazel Bingham and Emma Ayers.

Mrs. Bain was graduated from Hedley High School. She was employed by Southwestern Associated Telephone Company, serving the past three years as cashier.

Mr. Bain was graduated from Lelia Lake High School and Clarendon Junior College. He is employed by Reams Mfg. Co. of Southgate, California.

After a short wedding trip, the couple will make their home in Huntington Park, California.

Many out-of-town friends and relatives attended the wedding.

Yum, Yummm! Ice cream is a favorite, during warm summer months, with the children at the Texas Scottish Rite Hospital for Crippled Children in Dallas. Unable to wait for Nurse Edith Kasper to hand a double dip cone to Rebecca Newsum, Detroit, Texas; Alejandro Ferraris, Brownville, (left) and Sylvia Landers, Mesquite, (extreme right) are happily making short work of their ice cream cones.

GARDEN CLUB

The Garden Club met in the home of Mrs. A. L. Chase, with Mrs. J. H. Howze, co-hostess August 9th.

Mrs. Lee Holland was in charge of the meeting. Elections of officers were held and the following were elected: Mrs. J. H. Howze, President; Mrs. Kunz, vice-pres.; Mrs. Frank Phelan Jr., Sec.-Treas.

The subject for the afternoon was on Peonies.

Mrs. Joe Goldston read a poem by the beloved Edgar Guest.

Mrs. Wadsworth had the members answer roll call with hints on gardening. Mrs. Holland gave an article from "Flower Grower" magazine entitled, "I go overboard for Peonies", by Neal R. Van Loon of New Jersey. While the climate in New Jersey may be more suitable for the growing of this finest garden subject, some beautiful peonies are grown in Clarendon and it is hoped that all the flower growers will add some to their planting. Mr. Van Loon's method of planting is as follows: dig a trench 3 ft. wide and 2 ft. deep—and as long as your pocketbook will allow—turn old seeds upside down in this trench, put mellow soil over the top. Set out plants in November, observing the time honored rule of "two inches of soil over the eyes". He lists the following as the very finest: White, Mrs. Frank Beach; Light Pink, Mrs. F. D. Roosevelt; Deep Pink; Blanche King; Japanese Pink; Isami Guidi; Blush; Elsa Sass; Med. Pink; Ella Christensen; Red; Tempest; Single; Dancing Nymph. He considers these the best but also says that it is hard to single out any

one in a class as there are so many fine ones. The May 1948 Flower Grower lists a great number that sell for a dollar a plant. Some beauties to be found around Clarendon include Mons. Jules Elie, Sarah Bernhardt, Walter Faxon, Mary Brand, Festiva Maxima and others—these sell for a dollar.

Mrs. Harry Brumley and Mrs. J. L. McMurtry showed some unusual centerpiece arranged with vegetables. Mrs. Brumley's 'collection' placed on a lazy susan consisted of egg plant faces with 'lemon' caps; 'celery ladies with radish faces' and 'potato rabbits'; Mrs. McMurtry's arrangement was a 'rose' of red cabbage garnished with carrot strips and onions.

Refreshments of cake and punch were served to eighteen members and four guests, Messdames Stark, Wester and Glascoe and Miss Howren.

ROMIE DERRICK CELEBRATES 70th BIRTHDAY

Sunday, August 14, a birthday dinner was given in honor of Romie Derrick at her home on the RO Ranch.

Many nice gifts were received and a good time was enjoyed by all.

Those attending the dinner were Mr. and Mrs. Dayton Shelton, Mr. and Mrs. Kirk Doshier, Mr. and Mrs. Glenn Williams, Mrs. Donald Harlan, Mr. Floyd Derrick, Mr. and Mrs. Bud Hermesmyer and boys, Frankie, Henry. Out of town guests were

Mr. and Mrs. Paul Giesler of Turkey, Mrs. Alberta Osbourn and girls Beverly Lynn, Joan and Sharron of Denver, Colo.; Miss Annie Mae Curtis, Mr. and Mrs. Cliff Nelson and girls Jessie and Charlene, Mrs. Frances Frazier, all of Amarillo.

Those to call in the afternoon were Mr. and Mrs. Frank Hermesmyer, Johnny Bill, Phillip, Nell and Joan of Jericho.

Mr. and Mrs. Geo. Norwood are visiting Mr. and Mrs. Billy Johnson and family at Lake Jackson.

HONORED WITH BIRTHDAY PARTY

Miss Linda Sharon Blair was honored with a party at her home Friday, the 12th. The party celebrated her second birthday.

Refreshments of ice cream, cake and punch were served to: Mrs. Bill Grone Jr. and daughter Judy, Mrs. Marion Cross and son Bill IV, Douglas Bradshaw, Mrs. Bob Hudson and niece Pamela Hicks, Miss Lois Marie Hommel and niece Sharon Henson, Mrs. Skeet Wiley and son Carl Wayne, Mrs. J. D. Riley and daughter Janice Ann, Mrs. Al Covington and son Keith Wayne, Mrs. A. H. Moore and sons Gordon, Don and Jack, Mrs. Harry Blair and daughters Biffie Dee and Delene, the honoree Sharon Blair and the hostess, Mrs. Dwight Blair.

Those sending gifts were: Mrs. Keith Bain and son Ronnie, Mrs. Melvin Vick and son Robert and Miss Carolyn McDonald.

A joyous time was had by all.

YOUTHS HONORED BY CHURCH MEMBERS

A large number of the members and friends of the First Christian Church gathered in the basement of the church last Tuesday night in honor of two of the younger members, Miss Ollie B. Sullivan and Mr. Charles Hamrick, who are leaving this week for Oklahoma City where they will enroll in Midwest Christian College to prepare for full-time Christian service.

Ollie B. is the daughter of Mr.

and Mrs. J. W. Sullivan and was graduated from the Clarendon High School last May. Charles is the son of Mr. and Mrs. A. N. Hamrick and was graduated from Clarendon Junior College last May. Both young people dedicated their lives to Christian service during Senior week at the Julian Bivins Christian Camp in June.

The meeting opened with the serving of generous helpings of ice cream and cake, after which the minister of the church, Thomas A. Gray, spoke briefly. At the close of his remarks the young people were showered with many beautiful and useful gifts. The happy occasion came to a close with the offering of prayer by two elders of the congregation, Mr. Gordon Maddox and Mr. Roy Clampitt.

CLARENDON H. D. CLUB

Mrs. Cottingham and Mrs. Laura Taylor will entertain the Clarendon Home Demonstration Club members and their families at Mrs. Cottingham's home Friday evening at 7 p. m. with a chicken barbecue and fish fry. The ladies are requested to bring plates, knives, forks, spoons and glasses for their families.

MISSIONARY CIRCLES OF METHODIST CHURCH

The Circles of the Missionary Society of the Methodist Church met in the following homes Wednesday afternoon. Circle No. 1 met in the home of Mrs. Eunice Buntin with 10 members present.

Mrs. A. L. Thornberry gave devotional. Mrs. L. N. Cox gave the lesson. Dainty refreshments were served.

Circle No. 2 met in the home of Mrs. Theima Bennett with 9 members present and 1 guest. Three new members were elected to the Circle. Mrs. Bones gave the devotional. Mrs. Merchant had charge over the business meeting. Refreshments were served by Mrs. Bennett.

Mr. and Mrs. A. O. Hott had in their home Sunday, Mr. and Mrs. Donald Townson of Ft. Worth, Mr. and Mrs. Roy Whitehorn and son of Estelline, Mr. and Mrs. Roy Roberson and son of Goldston, Mr. and Mrs. Al Covington and children, Mr. T. W. Trussell and Jack Trussell of Clarendon.

MASSEY-HARRIS GOBLE
Heavy-Duty
OFFSET DISC HARROWS

NEW HARROW CHANGES TILLAGE METHODS!

Long considered one of the most efficient orchard and vineyard tillage tools, the Massey-Harris Goble Offset Disc is now demonstrating its all-around ability wherever a heavy-duty harrow is required. In some applications, farmers find that this new disc eliminates the need for plowing.

In cotton, corn, grain... wherever you have particularly stubborn soil or heavy root growths, these husky all-welded harrows step in to handle the job with a result that's mighty hard to beat. The sharp-edged blades "disc in" the toughest crop leaving just enough residue on top to help check soil drifting.

In spite of its rugged hulkiness the Goble is an easy pulling offset harrow... the result of oil-bath bearings. These patented bearings extend the full width of each section... are free-running, long lasting. And they're positively sealed from dust and dirt—a big economy advantage that means low maintenance. Thrust is absorbed at the center where the greatest strain occurs in any harrow.

It all adds up to better soil preparation... easier handling... a better job done more economically.

Stop in soon... ask about this more efficient way to prepare seed beds.

Mr. and Mrs. George W. McCleskey and two children of Lubbock visited his parents, Mr. and Mrs. G. H. McCleskey over the week end.

Carroll Knorpp was issued an approval for digging a well.

"LOG"-RHYTHM—"Miss Polo Duro"—vivacious Harriet Carter, 18, of Amarillo, Texas—conditions herself for "The 'Wheatheart of the Nation' beauty contest at Perryton, Texas, this month. Miss Carter is pictured at Palo Duro Canyon State Park, the Panhandle's natural wonder, which she will represent.

Natural Resources Should Leave Capital Gains to State For Improvements

BROWNWOOD—Immediate enactment of a program providing a tax revenue for natural resources to assure future stabilization of the State's economy by investing in permanent improvements, such as rural roads, soil and water conservation, State hospitals and public buildings, is the pressing need in Texas today. This recommendation came from Gilbert Smith, former President of the Texas County Judges and Commissioners and now Executive Director of the Texas Rural Roads Association, speaking here today before the 19th annual convention of the West Texas Press Ass'n.

In sounding a warning, Smith said: "The day is inexorably coming when the natural resources of this State will be exhausted, as oil and natural gas are being drained off to other sections of the country in such a rapid fashion that within 25 years Texas will be a great blighted area." He urged action to stabilize this condition before it was too late.

"As our natural resources are depleted," the Director of the Texas Rural Roads Association said, "the State will have to rely more and more upon its agricultural economy, and certainly no one can disagree that rural roads are the arteries feeding our agricultural economy."

"The State Highway Department has been doing a splendid job in building one of the finest highway systems in the country," Judge Smith declared. "But it is now time to bring the rural roads of this State up to par and that to take Texas out of the mud, we must balance the scales between the highway and the rural roads programs."

"The Texas Rural Roads Association, following a meeting of the Board of Directors in June, recommended a plan embodying the sound business premise, that natural resources, Texas' greatest capital assets, should leave capital gains to the State in the form of permanent improvements, as they are drained away," Smith

said. "These should include soil and water conservation, rural roads and such public and institutional buildings as the Legislature finds necessary."

"They should be paid for out of a reasonable severance tax on natural resources," he continued. "The money should go exclusively to such permanent projects and under no circumstances should it go into the general state operations funds."

The Rural Roads Association director called attention to a recent report from the National Planning Association to the President's Council of Economic Advisers, which coincides closely with the Association's recommended program.

"This report," Smith said, "goes so far as to suggest the Federal Government levy a production tax on these resources, if the State fails to collect adequate tax revenues, as the present rate of production will dwindle the supply sharply within the next 20 years."

"The exhaustion of these major fuels is depriving us of a very important source of raw materials for industry, besides paralyzing our future economy and menacing our national security," he warned.

Mrs. Ernest Tipton and children are visiting relatives at Poolville, Texas.

Herbert W. Guill was issued an approval for constructing a Diversion Terrace on his farm.

Mrs. Bud Anderson went to Okla. City on business Wed.

Joe H. McMurtry was issued an approval for constructing an earthen dam.

\$380,000 In Awards For 4-H'ers With Highest Records

Forty-five business concerns and private citizens are offering \$380,000 in 4-H incentives this year through the National Committee on Boys and Girls Club Work, according to G. L. Noble, director.

This amount will be presented to 4-H boys and girls who have outstanding records of accomplishment in the 28 agricultural and home economics programs arranged by the National Committee and supervised by the Cooperative Extension Service. Awards range from county medals to college scholarships. Some 1,800,000 members in 80,000 4-H Clubs from 46 states—plus Alaska, Hawaii and Puerto Rico—may take part in the activities.

Climaxing the year's events is the National 4-H Club Congress to be held in Chicago, November 27 to December 1. An estimated 1,500 members, accompanied by

leaders and other 4-H workers, will attend and receive well-earned recognition.

Nearly 150,000 county medals valued at \$100,000 are offered to the ambitious 4-H'ers. State and sectional awards, which include trips to the Chicago Congress, U. S. savings bonds and gold watches, amount to over \$180,000. National winners announced at the Congress are eligible to receive scholarships totalling \$40,000. In addition, there are cash prizes and other benefits amounting to nearly \$50,000.

Farmers are put on notice that compliance with wheat acreage allotments will be necessary if they want the protection of Government price supports on their 1950 wheat crop.

Mrs. Greer Cottingham of Tucumcari, N. M. visited relatives here last week.

Large Numbers Visit Palo Duro State Park Every Weekend

CANYON—A new attendance record was set recently at Palo Duro Canyon State Park when the 53,100th visitor passed thru the gates at the head of this 120-mile natural wonder.

In fact, from this point out each new visitor will set a new record. The last top yearly figure was set in 1945 when 52,314 visitors were clocked through the entrance gate turnstile. With four and half months still to go, it is expected that the 1949 figure may exceed 100,000.

Banner weekends are planned for the remainder of the summer.

Last Sunday a new Crosley Shelvador refrigerator was awarded to the lucky finder of one of the Canyon's Treasure hunt coins. Ten thousand of these coins have been dropped in the park area, and those ending in the figure "7"—1,000 in all—are immediately winners; others are eligible for larger prizes.

One of the biggest weekends in the history of Palo Duro Canyon is expected September 3 through 5th. Saturday, September 3, Shriners from all over the plains will assemble at Mesa Mecca for their big outdoor ceremonial which, for the first time in this part of the country, is open to the public.

Glenn L. Casey's beautiful prize winning Quarterhorse, Casey's Beauty, will be presented to the holder of the prize-winning coin September 4th, and on the following day an all-expense paid 14-day trip to Rio de Janeiro will be offered.

Top prize, a shiny, brand-new Chevrolet, will be given September 11 at the final drawing for this year's hunt. All coins not previously winners are eligible.

Mrs. M. S. Swinburn from Soledad, Calif. is visiting Mrs. N. L. Jones and other friends.

Miss Anna Moores returned home Thursday from her vacation trip by plane from Denver to Amarillo. Mr. and Mrs. Emmett Simmons met her and brought her home.

WHAT ARE NATIONAL FARM LONA ASSOCIATIONS?

They are organizations which originate applications for loans on farms and ranches located in their chartered territories. They endorse these loans which are made by the Federal Land Bank of Houston, and are employed by the bank to service the loans.

W. A. Ragsdale's Celebrate Fiftieth Wedding Anniversary

Mr. and Mrs. W. A. Ragsdale were made very happy last Sunday when a number of their children, relatives and friends were on hand to help them celebrate their 50th wedding anniversary. Mr. and Mrs. Ragsdale were married near Charleston, Texas in Delta County, August 16, 1899. They moved to Donley county in November, 1921 and into Clarendon in 1933. Their anniversary date was Tuesday of this week but the celebration was held on Sunday as a matter of convenience for those attending. Mr. Ragsdale is now 69 years old and Mrs. Ragsdale is 67.

Those to enjoy the occasion were their son Mr. and Mrs. C. A. Ragsdale of Clarendon; their daughter Mrs. L. O. Cockerham of Ft. Worth; granddaughter, Mr. and Mrs. Grady B. Jones, D. L. Geraldine, Bobby, Troy and Buddy and Mr. and Mrs. Moulder, all of Windy Valley; Mr. and Mrs. G. W. Cockerham, George Olin, Jimmy, Stanley and James Richard Scott of Spade Flat; Mr. and Mrs. Eugene Cockerham, Margaret, and John Douglas of Amarillo; Mr. and Mrs. J. C. Sneed of Clarendon; Mr. and Mrs. Harmon Jones of Amarillo; Mrs. C. H. Hubbard and son of Memphis.

A number of friends sent flowers and gifts during the day.

Mr. and Mrs. L. L. Wallace and family and Mr. and Mrs. Homer Estlack and family returned home Sunday night from a 10-day vacation trip in New Mexico, Colorado mountains and other points.

HARD-WORKING EYES.... IT IS ESTIMATED THAT AT LEAST ONE-FOURTH OF OUR PHYSICAL ENERGY IS USED IN SEEING, SAYS THE BETTER VISION INSTITUTE.

Those visiting in the Frank Hardin home Sunday afternoon were Mr. and Mrs. Garland, Mrs. Vera Headed and son and daughter, Mr. and Mrs. Nolie Simmons and Mr. and Mrs. Heckle Stark.

Mr. and Mrs. A. R. Henson announce the arrival of a new son, born August 13th. He weighed 8½ lbs. and was given the name Wesley Neil Henson. Mother and son are both doing nicely at this time.

Donley County ACA Farm News

WHEAT FARMERS! The County Committee will listen to appeal cases, for all those wanting a larger wheat allotment, on Friday, August 26 at 10:00 a. m. Letters will be mailed out to all producers in the County who have made an appeal at this office. At the present time we have had 52 appeals and 18 "new grower" appeals.

WHEAT LOANS! Loans and purchase agreements will be available, to producers in the County, from time of harvest through January 31, 1950, and the applicable documents must be signed by the producer and delivered to the County Committee not later than such a date. Our number of completed loans in the office has increased to 119 Warehouse Storage Loans, and 26 Farm Storage Loans. We also have three Purchase Agreements.

WHILE THE MONEY LASTS! If you are eligible to receive payment for leaving your Stalks and Stubble on the land, be sure and come to the office for your approval. Our budget at this time of the year is not very large, and "first come, first served."

PAYMENT EARNERS! The latest earners in the County are: J. Coyt Doherty, who is drilling a well; Charles F. Weaver, who is constructing Diversion terraces; Charlie A. Crow, Large Ridge terraces; Mrs. Willie M. Reeves and Annie O. Reeves, who are having some deep chiseling done; and Lester T. Mays and Fred Mulkey who have approvals to leave stalk and stubble on the land.

Agricultural Shorts! "If prices and wages were reduced 15%, it would have the effect of doubling the burdens of our National Debt. How low can we afford to let prices drop?"

"The farmer receives less than half of every dollar spent for farm food products." "In waging the 'Battle of Soil' the hardest fight is not with wind and wash of rain, but with the misunderstanding and prejudice of people who do not realize what they are doing to the soil."

Roy Rogers To Appear At Rodeo

Excitement has been running high at Boy's Ranch ever since it was learned that Roy Rogers, the famous screen cowboy, would appear in person at the Boy's Ranch Annual Rodeo, September 4th. Dale Evans, Roy's leading lady on the screen and his wife off the screen, will accompany him and appear at the Rodeo.

Both Dale and Roy said that they would be more than happy to come to Amarillo for this big event, and insisted on paying their own express. They are donating their transportation, expenses, and their time.

Because Roy's famous horse, Trigger, is on location, he will not appear with Roy. But Roy and Dale will be the feature attractions at the Rodeo.

This year, all the boys at the Ranch are going to participate, even the little fellows. The youngest ones will try their hand at calf riding on some small yearling calves. Even the 5 year old son of the Superintendent will straddle one of the calves.

The older boys will participate in bronc and steer riding, trick roping and trick riding, ribbon roping, and many other events. From the looks of the number of entries and the number of events, the Rodeo this year will be the biggest and best yet.

The date of the Boy's Ranch Rodeo is September 4th, and it will be held at the Tri-State Fair Grounds in Amarillo. There will be two performances—one in the afternoon and one in the evening. And Roy Rogers and Dale Evans will appear in both of them.

Tickets are on sale now for both performances. The entire proceeds of the rodeo will go to Boy's Ranch. Prize money will be given to the winners of the different events, and Roy Rogers has offered to donate some boots and metal figures of Trigger as additional prizes.

Put a circle around September 4th on your calendar. That's the day of the Fifth Annual Boy's Ranch Rodeo, to be held at the Tri-State Fair Grounds. Remember, Roy Rogers will be there in person.

Col. and Mrs. Andrew F. Price of Ft. Worth spent the weekend visiting their aunt, Mrs. Fred Buntin and Phebe Ann.

LONG STEMMED BEAUTIES
NEW YORK, N. Y. - Prize winner of these lovely Amazons is Helen Lukacs, 22, of Chicago, Ill. (center), five feet, 11 inches in height. Madeline Rainey, 20, of Philadelphia, Pa. (left), just six feet tall, won third position, while Virginia Gentili, also six feet tall (right), of New York City, was second prize winner.

Mrs. Victor Smith and grandson Victor Lynn de Vlaming and Mr. and Mrs. Bert Smith Jr. returned home from a visit at Abilene with her parents, Mr. and Mrs. J. E. Gill and her brother, Mr. and Mrs. A. A. Nored and also at Holliday with Mr. and Mrs. Otis Rolls. Victor Lynn de Vlaming remained for a longer visit in the Rolls home.

FORMER LELIA LAKE LADY PASSES AWAY JULY 31

Mrs. Mollie Mabery, a long-time resident of Donley County, quietly passed away at her home in Devine, Texas, Sunday morning at 7 o'clock, July 31st, at the age of 73. She was a member of the Baptist Church for some 60 years. Funeral services were held at the Baptist Church, Rev. T. D. Taylor, officiated. Burial was in the Evergreen Cemetery at Devine.

Mrs. Mabery is survived by her husband; one son, Jim Mabery; two grandchildren, Mrs. Marie Odum, J. L. Mabery, and four great grandchildren; one sister, Mrs. S. J. Meyer of Houston. The Mabery's lived a number of years at Lelia Lake before moving to Devine in Feb. of 1938.

PROSPECTS GOOD FOR LARGE CROWD AT OLD SETTLERS REUNION TODAY

President J. T. Bain of the Donley County Old Settlers Reunion reported that all indications pointed toward a large attendance at the old settlers picnic at Tate Grove today.

A good program had been outlined for the occasion and plenty of visiting will take place among the old timers who come together on this day to renew acquaintances and hash over old times.

Pat, Bob and Kenny Schull returned home this week after spending the past two weeks with their grandparents, Mr. and Mrs. B. L. Wren at Colorado City. Mrs. Wren and her daughter, Mrs. Bob Gorson of San Angelo brought them home and will remain here this week for a visit with Mr. and Mrs. Paul Schull.

1878 A COUNTY - WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY 1949
 New Series—Volume 20 Number 27 CLARENDON, DONLEY COUNTY, TEXAS, AUGUST 18, 1949 A Common Paper for Common People

CHINA "WHITE PAPER" AVAILABLE FROM GOVT. PRINTING OFFICE

Copies of "United States Relations with China," the "White Paper" just released by the Department of State, are now available to the public through the Superintendent of Documents, Government Printing Office,

Washington 25, D. C. at \$3.00 a copy.

This 1,054-page, buckram-bound volume is a compilation of the records of our relations with China, with special emphasis on the last five years.

Mrs. Maggie Wisdom of Claude spent the week end here with her sister, Mrs. Wylie Morris.

if we had talked just a wee bit louder. But in my judgment the best part of the story is the good sense of humor that you both had.

Went by to visit awhile with Tom Henry; and you can't imagine all the letters, cards and little things that he is getting through the mail lately.

Also, dropped in on Uncle Bob for a little chat. He tells me the story about the two Scotchmen out boat riding. They decided to take a swim. Sandy said to Mike: "I'll wager you a schilling that I can stay under the water longer than you." "I'll take ya on," said Mike, and they ain't niver come up yet." The dialect is my own and any resemblance to the Scotch is accidental - - - "Ain't come up yet."

One trouble with spending too much time thinking about ourselves is that we might not be worth it.

I believe folks get along better on the average when they get married while they are still young and foolish, rather than waiting until they are old and foolish.

One of my friends, that has a ranch in South Dakota, and is on the road back and forth a lot, was having some trouble with the heavy traffic along the way. He was especially peeved at a fellow in front of him who kept getting in his way. The fellow was also out of state and was driving a car with an Illinois license. Anyway, my friend talking in what he thought was an under-tone and merely to help calm his own "Jitters" said: "Move over there you Illinois Jew." To the amazement of my friend the fellow heard his remark, and with a friendly smile replied, "Okay, come on by, you Texas Jackass." Thanks Paul for acting out this little human drama, and thanks also to your friends for telling me about it. It could have happened to so many of us so many times

He also tells the story on Judge Roy Bean; A man was found drowned in the river, and in his pockets they found thirty dollars and a six-shooter. The jury found the dead man guilty of carrying a concealed weapon. The Judge fined him "Thirty Dollars", and gave the six-shooter to the foreman of the jury. Uncle Bob visited in the Judge's saloon in those early days - - -

I could put all the money that I have made out of my writing in a fairly small "Piggy bank," and I probably didn't really deserve that much, but the friends that I have made, and the nice wonderful folks that I have either met in person or had letters from—no bank would hold their worth. Only in our heart can we put away these treasures and enjoy them and draw out from this ac-

count the strength it takes to keep on keeping on.

Newest members to the Ain't Smoking Right Now Society are Harold Grimes of Rt. 1 out of Claude, Texas, and W. T. Smoot of 1214 W. 10th St. in Amarillo. Actually they are the same kind of members as Uncle Jay is; honorary or ornery, the Ain't Niver Smoked members. Sure hope they don't break over or otherwise give as much trouble as so-called Pride of Wolf Creek has given us. Anyway, we are glad to have them.

Do you remember the blizzard last fall and the Nordyke's getting caught in the blizzard and staying all night with Mama and me? And then the nice things that he had to say about us, and the young lady and her son from the town of Brooklyn writing to Lewis after reading his article—about the way he helped find her a job and a place to stay, and she moved to Texas and the Panhandle to raise her son. Anyway, she seems to have made good. According to the papers she is now working in the office of Canyon College. She wanted to move from Amarillo to a smaller town to be closer to the wide-open spaces. Congratulations to this young lady for her vision; for the plain old "Nerve" in seeking a new life "Out West, and congratulations to Lewis for taking time out to help her with her problems - - We have always felt an interest in her new future, and all the time were wishing that everything would turn out good for them. According to the article her ambition is to own a little store and sell things, especially around a school. Good luck Katie and little Jay.

Have you tried to vote since they passed the new law on balloting after the Jim Wells county argument - - My gosh, Anyway, I couldn't even vote for Coke now if I wanted to.

Reckon Pappy W. Lee would actually run again? They say he is advertising for some fiddlers. Maybe he just wants to hear this new song "Old Shorty". Anyway, that song takes the cake, and for that matter Pappy did too. If he does choose to run I'll wager just about everything I have, 'Ceptin' Old Shorty, that he won't be elected - - Come to think of it; believe I would bet Old Shorty, too.

Anyway, on August 26th, Don-

ley County is having its Farm Bureau Queen Contest. Mr. Holly Wood has invited me down to help with it. Sure want to go, but I hope he will get David Rasco and Mason King and Co. to be the judges. Me, I can't judge the girls. I get the good looking ones mixed up with the better looking kind—I just haven't got the heart to pick one out. Please, Please, Mr. Wood, don't pick on me for the judge's job.

Enjoyed the visit with my old friend Willard Knox Sunday morning. Anyway, he wiggled one of his friends out of two watermelons, and not wanting me to hear about it and call him selfish, he flew up Sunday morning and brought me one of them. That's what I call being a real friend, and a neighbor. What would we do in this world without our friends, and without our neighbors. We couldn't make it—we just couldn't. Not only that but we made plans to raid some-

body's watermelon patch when I come down to Lelia Lake on the 26th for the Queen Contest. Thanks and thanks for the nice treat and I do hope you enjoyed the ride up the caprock; wish I wasn't afraid to get both feet off the ground.

Mr. and Mrs. G. R. Grant and Mrs. Clyde Hudson visited awhile Monday afternoon with Mrs. J. E. Hunt at Groom.

SERVING the Gulf South

... by bringing in NEW SPENDING MONEY

Money for Sister's shiny new shoes, for Johnny's new suit for school, for all the things you need and want . . . comes from JOBS. And those jobs, of course, are possible largely because the owners of business and industry invest their money in plants and equipment.

United Gas has brought millions of dollars of new money into the Gulf South to build its producing, transmission and distribution facilities . . . money provided by thousands of stockholders and investors living all over the country.

This investment of new spending money is another example of the way the American Business System works to bring better living to your community.

UNITED GAS
 ... SERVING THE Gulf South

One of a series of ads illustrating the many ways in which United Gas contributes to the welfare of the area it serves.

Facts And Figures On Polio

By Dr. Roy James H. LaLonde, Buffalo, New York

(Continued from last week)

Due to the increase of polio in recent years we have with us at all times a backlog of over one hundred thousand chronic cases. This fairly accurate count was made before the outbreak we had in 1946 which registered 24,000 cases. The 1946 epidemic was the largest since 1916 when there were about 30,000 cases. The foregoing figures represent crippled cases and does not include thou-

sands of mild cases which are just diagnosed as a summer cold or flu. We should keep in mind that only about thirty percent of the victims of poliomyelitis are crippled from the disease, the other seventy percent get well with only mild symptoms. If the thirty percent who are crippled after the acute stage could have had early chiropractic care, the disease could have been arrested in the early stages. Early care should also include prevention.

There are many factors to be considered in care and prevention. Need we mention the fatigue lesion now accepted by all healing arts? No, we can go back farther than that. We are chiropractors and well schooled in the fact

that the subluxation plays a big role as one of the factors. This is especially true in the lumbosacral region of children who are subject to many falls, trauma and in some cases severe trauma from spankings. It is the active healthy child who is subjected to more trauma, so it is the healthy active child who suffers from numerous subluxations.

It can be recognized only by the occurrence of the disease or symptoms of the damage which it produces in the host. It is from a study of the damage produced in the invaded tissues, as well as from a study of the host or hosts which the virus invades, that the presence of a virus becomes known. These studies also help in differentiating one virus from another.

From recent studies of these virus agents, one becomes greatly impressed with their enormous potentiality for destructiveness to human beings, lower animals and plants, and with their importance in the economy of the world. The mere enumeration of some of the diseases will serve to illustrate these points: measles, smallpox, chicken pox, yellow fever, poliomyelitis, some forms of the common cold, influenza, psittacosis, mumps and rabies are but a few of the scourges that afflict man; foot and mouth disease of

cattle and the encephalitis of horses are two destructive diseases animals which have enormous importance; the mosaic diseases affecting tobacco, tomato and other plants illustrate virus plant diseases of great economic importance.

In summarizing Facts and Figures on Poliomyelitis research, we can go back almost as far as the history of chiropractic itself and the discovery of the subluxation. These early investigators traced some of the cases to falls and other types of trauma. Other than the trauma factor their research remained pretty much dormant until the discovery of the fatigue factor by Doctor Frame which he believes to be the same as the trauma factor. Believing polio to be a process of pathological factors, he could not ignore the fact that other investigators had isolated a fixed virus of polio. After years of study and endless research in the study of the viruses, Doctor Frame decided upon the necessity of animal experimentation, in the face of the medical history of scientific exhibitions along these lines. But necessity is the mother of invention, and it was surely necessary to clear up the virus factor.

The history of the virus research has been published in the N.C.A. Journal throughout the

years and need not be repeated here. Thousands of letters have been received requesting the latest technic and hundreds of other questions in regard to research. It was decided that the best method to reach both the profession and the public was with slides and movies on technic. This required more research on the most modern methods of adjustive phases, hot packs and muscle training. No man or technic is perfect and I am sure Doctor Frame expects you to improve upon this technic. He is also desirous that reprints of the movie be made for all state chiropractic associations that they may carry the work to the public. Let me assure you that the movie has proven the greatest boost to the advancement of our science upon every occasion that it has been shown to the public. (Adv.)

Mr. and Mrs. C. B. Harp, Laura Mae, Merle and Lucky visited relatives in Ft. Worth and Cleburne the week end.

Shirley Wilson attended Doris Crawford's slumber party Friday night.

Van Knox and Slim Hendershamed fished at Buffalo Lake Wed.

Mr. and Mrs. Ira Thornton of Phoenix, Ariz. are visiting relatives here.

Mr. and Mrs. Junior Mauldin of Borger spent Saturday night with Mr. and Mrs. Hubert Rhoades.

A sister and her family, Mr. & Mrs. O'Brien, from Calif. are visiting Ed Mahaffey and family.

Lu McClellan, Jr. is taking his Bachelor of Arts Degree from Sul Ross College at Alpine on Aug. 23

Mrs. W. M. Parker of West Port, Ore. is visiting her daughter and family, Mrs. W. H. Wilson.

Mr. and Mrs. H. Tolleson and Jeanette, Mr. and Mrs. C. W. Tolleson, and Mr. and Mrs. Cleve Ingram enjoyed an outing at Lake McClellan Saturday.

Frankye and Shirley Wilson shared a picnic with friends at Lake McClellan Sunday.

Employees at the S J Ranch enjoyed an ice cream supper and watermelon feast at headquarters Thursday night.

Mr. and Mrs. Hill of Hereford were guests of Grady Hensons the

week end.

Mr. H. W. Lovell had all his children home Sunday which included H. W. Jr., Bill McCarter, Mrs. Nell Henson of Gladewater, Mr. and Mrs. Ben Lovell and sons James Reed and Joe Tom, Mr. and Mrs. Chester Myers and children and Mrs. T. A. Nelson.

Linda Tolbert is improved at this time.

Mrs. Mary Allen is still on our sick list but is some better. Her daughter, Mrs. E. L. Hunsucker of Pantex is staying with her. Other visitors this week included Mr. and Mrs. Elza Kidd of Sunnyview, Mr. and Mrs. J. E. Kidd of Amarillo, E. L. Hunsucker and a granddaughter of Amarillo and Mrs. Albert Reid of Goodnight.

Mr. and Mrs. Haskell Swearingen of Amarillo visited Mr. and Mrs. Goble Barker Sunday.

Guests of the Vernon Millers the week end were Rene Guntzman of Stratford, Faydene Watkins of Canyon and Wilma Watkins of Wichita Falls.

Mrs. Maurine Lackey spent the week end with her mother, Mrs. Mullins.

Mrs. Merl Rattan, Mrs. Helen Cox and Mrs. Anness Bennett visited with Mrs. G. R. Grant Saturday eve.

SOUTHWESTERN ASSOCIATED TELEPHONE CO.

THE TEMPLE OF TRUTH
By the Apostle

ACTION.

The Old Groun says that when three women are talking it is conversation, but when one leaves, it

becomes gossip.

DETECTION.

A local man whose wife is quite a conversationalist, says that the only time that she will listen to him is when he talks in his sleep.

THE UNCIVILIZED.

Worriers are folks who pay interest on trouble before it is due.

MENTAL HIGHWAY.

Some folks are so broad minded everything slips through.

INGENUITY.

A school janitor once said that in cleaning up a room he picked up a book upon the fly leaf of which was written: "In case of fire, throw this book in." Yes, it was a grammar.

AGRAVATION.

A travel folder is a sort of trip tease.

SCIENTIFIC.

The dentist was asked the question: "Why does a cavity in the tooth feel so large to the tongue." Then the dentist explained that it was just the natural tendency of the tongue to exaggerate.

SIMILARITY.

The girl who used to work in a beauty shop is now employed in a bakery. She says that the work is much the same because she continues to grease old pans.

TRICKY TRIO.

A public speaker has to stand up to be seen, open his mouth to be heard, and sit down to be appreciated.

CITY-COUNTY LIBRARY NOTES
By May L. Prewitt

This has been "Gift Week"—three books were added to the Junior section by gift—"Nan of the Gypsies," "Norma Kent of the WACS," "The Young Treasure Hunter," and "Big Enough" by Will James—this last was purchased and completes the Will James list. Gifts to the children's corner were three of the "Tuck-Me-In-Tales"—Chirpy Cricket, Bobby Bobolink and Solomon Owl—and an exceedingly clever story of "Scuttlebutt, and the Carrier Kitten."

The Garden Club gave a check to apply on books, and a "Book-of-the-Month" friend gave several lovely books that are still attired in their new jackets. Those that are not duplicates are "Vain Shadow" by Hartzell Spence. This book is an epic of adventure—the story of Don Francisco Orellana and the discovery of the Amazon. It is a strikingly different side to the writing gifts of Hartzell Spence whose famous best seller, "One Foot In Heaven," was the quietly humorous account of his life as a pastor's son. "Praise at Morning" by Mildred Masterson McNeilly—is a story of a girl's maturing from an impetuous coquette into a courageous woman who could deny her heart for the sake of her beliefs, of a man's sacrifice to all he possessed when he dedicated himself to a great ideal. Another is "Toward the Morning" by Hervy Allen. This story contains some of the best prose yet written in America, and all of Mr. Allen's uncanny ability to present the

MOJUD
the stockings with the extra-dark seams and heels

You're right any way you look at it — you're in step with fashion's forecast of lighter stockings that look like stockings and not bare legs. You're glamorous in the outright flattery of Mojud's ultra-sheer suntans with the extra-dark seams and heels. Come in today . . . you'll find "Magic" an irresistible stocking.

COOL

Of course — it's Electric!

LADIES . . . is your kitchen a "Turkish Bath"? The kitchen in many an otherwise modern home is often turned into a regular "steam-bath" by the use of old-fashioned cooking stoves. However, many housewives are finding these hot August days that Electric Cooking makes their kitchen work cooler, easier, faster, and cleaner.

And when it comes to that important item of economy, the cost of Electric Cooking is amazingly small, considering the marvelous conveniences and the extra leisure time it brings.

Stop in at the West Texas Utilities Company . . . see a demonstration of modern electric ranges. Ask questions, look them over thoroughly . . . then you, too, will prefer electric cooking.

West Texas Utilities Company

Look what you get for less than many Sixes!

Come see this Stunning New Buick SPECIAL—big in room, big in valve-in-head straight-8 power, easy to manage in size and price

Yes, we know it looks like a lot more money.
That stunning new front end — those graceful, tapering fenders — those bigger interiors and high-visibility windows add up to a car you'd expect to wear a pretty fancy price tag.

Then do a little hard-boiled matching-up of price tags.
In particular—compare this beauty with the sixes—and ask yourself why you should pay for straight-eight power and not get it.

But come in and see for yourself how right we were when we said this new beauty was priced right down your alley.
You have, remember, three smart body types to choose from—the tidy, three-passenger Coupe shown here, a neat 2-door, six-passenger Sedan and a smart 4-door Sedan with the roomiest interiors ever found in a Buick SPECIAL.

Come try the comfort-patterned seats, handle this easily managed wheel, lift the hood and see the bonnet-filling valve-in-head straight-eight power plant you command, measure the shorter bumper-to-bumper length.
They're going fast, as you might expect. Getting a firm order in is a smart move just to insure early delivery.

TEN-STRIKE! Only Buick SPECIAL has all these Features!
Traffic-Handy Size • More Room for the Money • Dynaflo Drive optional at extra cost • Jet-Line Styling • Non-Locking Bumper-Guard Grilles • High-Pressure Fireball Straight-Eight Engine • Coil Springing all around • Low-Pressure Tires on Safety-Ride Rims • Greater Visibility fore and aft • Self-Locking Luggage Lids • Steady-Riding Torque-Tube Drive • Three Smart Models with Body by Fisher

When better automobiles are built BUICK will build them
