 New Series--Volume 20 Number 31 CLARENDON, DONLEY COUNTY, TEXAS, SEPTEMBER 15, 1949 A Common Paper for Common People

### Entire Premium List Given For Fair, Horse Show And Races

Reports are in from all committees and county agent H. M. Breedlove says that the county fair this year will be far larger than the fair last year. Fourteen communities have already signed up to have exhibits in the agriculture department and three more are to be contacted. Instructions are in the hands of the chairman of each community and work has already started on preparing of exhibits in some of the communities.

The entire premium list for the Donley County Fair, Horse Show and Races are as follows:

#### COMMUNITY AGRICULTURAL EXHIBITS

Any community in Donley County is eligible to compete and the community agricultural exhibits will be judged on quality of products displayed, arrangement and neatness. Each exhibit must have at least 20 commodities on display as shown in the listing sheet below. A community can show as many commodities as they wish as long as they have at least 20 of the ones shown in this listing.

The judge will use the following method in judging the community agricultural exhibits:

1. Must have at least 20 of the commodities listed in this paper on display, or more.
2. Quality of products displayed, 60%.
3. Arrangement of display and decoration of back wall, 25%.
4. Neatness of exhibit, 15%.

Exhibits must be in place and ready to be judged by 10 A. M. on Sept. 30th. It will be necessary that all exhibits be set up on the 29th of September. The judge will be well qualified in agriculture and will be from out of county.

The Premium money for agricultural exhibits is \$40.00 for 1st place, \$30.00 for 2nd place and \$20.00 for 3rd place, and \$10.00 for all other exhibits.

The following are the commodities and number of each to be shown, from which you can select those for your community display:

- Head or Ear Grain**  
All samples must be 10 heads or ears, except sunflower.  
Milo, red; Milo, dwarf yellow; Kaffir, blackhull; Hegari; Sunflower (3); Corn, any variety; Corn, Yellow dent; Pop Corn, any variety.
- Cotton**  
3 lbs. seed cotton; 20 open bolls cotton.
- Grain and Seeds**  
Each sample to be one gallon.  
Rye, any variety; Milo, red; Milo, dwarf yellow; Milo, white; Kaffir, blackhull; Peterita; He-

gari; Peanuts, Spanish; Field peas, not blackeye; Alfalfa; Sweet clover; Sudan grass; Sweet sorghum, red top; Sweet sorghum, any other variety; Millet.

**Sheaf Forage**  
Small bundles, from 3" to 6" at middle band.

**Pears**  
Pears, any variety (6).  
Some have asked about using canned goods in jars on the exhibit. It is alright as long as you have 20 or more of the above commodities.

Let's all work to make this the biggest fair ever in Donley County. Each year we should try to make it better than the year before. It is your Fair, but any way that we can help you we want to do so; just call on us or on any of the committees. We will all be there to assist and advise in setting up the exhibits. Let us know if we can help.

J. Gouldy, Farm Home Administration  
H. M. Breedlove, County Agent.

#### POULTRY DEPARTMENT

Judging--Sept. 30th at 10 a. m. This department is open to all counties and all breeds of chickens. Pens will be furnished for the chickens and also the feed.

The following classes will be used for all breeds but the breeds will be judged separately except for the sweepstakes premiums.

**Single Entries**  
Old and Young birds to be (See PREMIUM LIST, Page 8)

### Sub-Division No. 1 Of Soil Conservation Dist. to Hold Election

October the fourth is the day that sub-division No. 1 of the Donley County soil conservation district will hold its election for member of the board of supervisors. H. M. Breedlove, county agent, says that the election will be held in the district court room in Clarendon at 2:30 p. m.

The law requires that every four years there be an election in each of the sub-divisions of the soil conservation district for a supervisor. Mr. C. E. Bairfield is the present supervisor in sub-division No. 1. This sub-division is located in all the land that lies south of railroad from Ashtola to the Brice highway, and all land that lies west of the Brice highway to the county line both directions.

Breedlove stated that the Soil Conservation district law provides that only land owners are eligible to vote in the election for supervisor.

The board of supervisors are very important to the soil conservation district and even more so at the present time since the five million dollar appropriation to the districts by the legislature of Texas. Every one is urged to be thinking about this election and to be present at the election. Each member when elected will serve for a term of five years because only one election is held each year and it rotates in the sub-divisions of the district.

### Youth Center Amateur Night September 29th

The Youth Center is sponsoring an amateur night, Thursday, Sept. 29th at 8 o'clock at the College Auditorium. This contest is open to the public in general -- as a club, organization or as an individual. There will be three cash prizes for the three best entries. First prize will be \$10, second prize \$7.50 and third prize \$5.

The proceeds from this program will be used to help defray the cost of air conditioners installed this summer.

Make your plans now to attend this show. You will be assured of an evening of good entertainment and at the same time you will be helping the youth of our county. The price of admission will be 35c for adults and 25c for students.

If you are interested in entering this contest, contact Mrs. Jack Brooks or Mrs. Olin Bain. The deadline for entries is Wednesday noon, Sept. 28th.

### Repair On Football Field Finished

The job repairing the crumbled wall around the football field has been completed and Cleo Woods, local Lions Club chairman, is to be complimented for his untiring efforts in seeing that everything was in readiness for the beginning of the football season.

Mr. Woods was behind the drive to raise the money and secure the materials and did a mighty fine job all the way through. Enough money was raised and materials donated to nearly finish the job but due to the excessive clean-up work it was understood that approximately \$100 is still needed to pay for everything, so if you have a little extra cash in your pocket you might hand it to Cleo or any member of the Athletic Council and it will be gratefully received.

**IOWA PRIZE CORN GOES TO THE PRESIDENT**  
 DES MOINES, IA. -- President Truman receives a display of Iowa corn which won the State Fair sweepstakes for the presenter, John Middlekoop (right), Packwood, Ia., farmer. Helping to hold the tray are Harold Russell (left), handless movie star and new National Commander of the Amvets, and Harold Keata, Fort Lauderdale, Fla., (on Truman's left), the Past National Commander.

### VERNON GOLDSTON AWARDED LONE STAR FARMERS DEGREE

Vernon Goldston was awarded the Lone Star Farmers Degree by the Texas Association of Future Farmers of America at a banquet in Amarillo last week. This is the highest honor conferred by the Association. It is given in recognition of the most outstanding work in F.F.A. of Texas.

Mr. Tom Seay, the Agriculture instructor of the Clarendon High School, attended the banquet.

Johnny Lynn (Uncle Jay) of Amarillo received an honorary degree at this same time.

### Local Poljo Fund Gets Check From National Headquarters

Donley County Chapter of the National Foundation for Infantile Paralysis received from national headquarters of the March of Dimes organization yesterday a check for \$1425.00 to assist in payment of local polio-patients' medical care, it was announced today by Chapter Chairman Mrs. Johnnie Blocker.

The money was requested from the emergency epidemic aid fund because the local Chapter, which retains 50% of March of Dimes proceeds each year for financial assistance to polio patients, whose families can not pay full costs unaided, has run out of funds.

So far this year national headquarters has advanced \$5,518, 164.05 to Chapters as a result of increased incidence of infantile paralysis plus a heavy carry over of cases from 1948, year of highest incidence since 1916.

Donley County Chapter is presently providing funds for the care, in whole or in part, of four patients stricken this year and also is continuing to pay costs of care for one patient stricken in former years.

### Bronchos-Mustangs Battle To Tie Game

Clarendon fans are still wondering what to really expect out of the Bronchos this year as very little could be figured out after the game last Friday night with the Claude Mustangs as the weather was quite soggy and the field was slippery. When the final whistle sounded the game was a scoreless tie. The lighter Mustangs held the edge over the Bronchos throughout the first three quarters leading the Bronchos five to two in first downs during that period but were unable to score.

The Bronchos came back in the fourth period to pick up three more first downs to even the score and were on the Mustangs 10 yard line when the game ended. Bradford sparked the drive in the backfield and Tatum was in there picking up the majority of tackles in the line.

The entire game was filled with fumbles and penalties and the slippery ball was plenty hard to handle.

### POLIO VICTIMS REPORTED IMPROVING

Carl Naylor reported Wednesday that his son, Joe Naylor who was stricken with polio last week, was doing as well as could be expected at this time and doctors believed there would be no further infection in his case. At the present time his left leg is paralyzed. Mr. Naylor also reported that Billy Rumpy has had a couple of flare-ups but was doing better. He is paralyzed also.

### Death Claims Pioneer Lady

Mrs. R. A. Chamberlain, age 85, pioneer resident of Clarendon, died at 5 o'clock Wednesday morning in Fort Worth at the home of her daughter, Mrs. J. D. Browder. Mrs. Chamberlain suffered a heart attack Tuesday afternoon. In view of her age, Mrs. Chamberlain had been quite active up until a short time ago when she went to Fort Worth to visit her daughter.

Mrs. Chamberlain came to Old Clarendon, when the town was located on the north side of Red River, with her husband in July, 1887, at which time he worked with his uncle, Judge Ben White, in his general mercantile store in Old Clarendon, and for a number of years after they moved to New Clarendon in its present location. Mr. Chamberlain preceded her in death some 25 years ago.

Mrs. Chamberlain was an active member of the Presbyterian Church and Eastern Star.

Mrs. Chamberlain is survived by one son, F. E. Chamberlain of Clarendon; and two daughters, Mrs. J. D. Browder of Ft. Worth and Mrs. Whitfield Carhart of Greenville; one brother, Dr. Park Lillie; eleven grandchildren and 12 great-grandchildren.

Funeral services will be held at the First Presbyterian Church at 4 o'clock this afternoon with Rev. J. J. Wester, pastor of the local church, officiating.

Pallbearers will be C. T. McMurry, W. J. Lewis, Wesley Knorrp, Allen Jeffries, W. W. Noblet, W. H. Cooke, Jr., L. T. Shelton, Thomas E. Bugbee and W. G. Word.

Flower bearers will be Berkley Neece, Gertrude Knorrp, Kathryn Kent, Charlotte Molesworth, Marie Bell and Vera Lewis.

Burial will be in Citizens Cemetery, with the Murphy-Spicer Funeral Home in charge of arrangements.

### WILL ANDERSON DIES IN CALIFORNIA

Bud, N. D. and R. E. Anderson were called to California last Thursday due to the illness of their father, Will Anderson. He passed away in a Bakersfield hospital late Thursday night.

Mr. Anderson was a former Clarendon resident prior to moving to California three years ago. Funeral services were held Monday afternoon at Bakersfield.

### Chillicothe Eagles To Invade Broncho Field Friday Nite

#### QUARTERBACK CLUB TO MEET MONDAY NIGHT

It has been announced that the Quarterback Club will hold their first meeting of the season next Monday night at the gym. Due to the band parents meeting at 7:30, the hour has been set up to 8:30.

#### BAND PARENTS MEETING MONDAY NIGHT

The Leader has been asked to announce that there will be a band parents meeting at the Band room next Monday night at 7:30. All members are urged to be present.

### Mrs. B. F. McCracken Rites Held Tuesday

Funeral services were held Tuesday afternoon at the Burns-Bain Funeral Chapel for Mrs. B. F. McCracken with Rev. Thomas A. Gray officiating.

Mrs. McCracken, age 64 years, died at her home here Monday morning following an illness of several years. She had been a resident of Clarendon for the past 21 years, moving here from Alameda.

Survivors are her husband, two sons, Durwood and Harry McCracken of Amarillo; two daughters, Mrs. R. B. Harris, Van Nuys, Calif., and Mrs. Thad Rodgers of Clarendon. Also eight grandchildren.

Burial was in Citizens Cemetery.

### CLOUDY, RAINY WEATHER HOLDING UP HARVEST

The fall harvest is still at a stand still this week due to continued cloudiness and intermittent showers. Many farmers say their cotton will be ready to pull any time it fair's up. Wheat growers are also waiting for enough dry weather so they can get into the field to sow their wheat.

The official weather station at the airport measured 1.23 inches of moisture since last Wednesday night. This brings our grand total to 24.47 for the year.

The Clarendon Bronchos will tangle with their second foe, the Chillicothe Eagles, here Friday night at 8 p. m. This will be another non-conference game, but both teams will be in there to win if possible.

The Eagles have a weight average around 190 pounds and have plenty of striking power. Last Friday night they defeated the Paducah Dragons-18-7 and used a number of substitutes. According to Rev. W. W. Fry, who scouted the game, James Boone, 160 lb. half back, will be one of the visitors to watch as he was plenty good.

Coach Clinton stated that he was expecting a much better showing out of the Bronchos this week and is doing a bit of shifting in the line-up in an effort to strengthen both his offense and defense. Drew Christie will be out this week due to a twisted ankle received in the Claude game last Friday night, and Carlile who was injured in practice last week is expected to be back in the line-up for limited action.

The probable starting line-up for Clarendon, starting at left end: Trussell, Tatum, Travis Mulanax, Gene White, Pittman, Whitaker, Leon Mulanax, Carlile, Jenkins, LaGrone and Bradford in the backfield.

The probable starters for Chillicothe, starting at left end: McClellan, Keith Aulds, Gibson, Kenneth Aulds, Herchman, Moore, Dan Morrison; Boone, Travis Bryant, Hefvey and Lloyd Morrison in the backfield.

Folks, don't forget the Band Parents will have plenty of hot dogs, coffee, etc. at the field for you to snack on Friday night. Last week they ran out of hot dogs but they report they will have plenty this week.

The Band will be on the field at half time and will perform "The Drum Major's Plight", so be sure to make your plans to be up there.

The Bronchos will appreciate all the support you can give them. Yell a whole lot and let them know you are in the stands. Remember the game time is 8 p. m.

**CRAZED VET COLLARED AFTER ORGY OF KILLING**  
 CAMDEN, N. J. -- Police are holding a World War II veteran who shot up a quiet residential section of Camden on Sept. 6, littering the street with the bodies of twelve dead and three wounded, one of whom has since died. In the photo are (left to right) an unidentified patrolman, patrolman Tom Carr; detective Vince Connelly, the veteran, identified as Harold Urub, and patrolman Russell Young.

**BEAUTY AND CURVES AND TALENT TOO**  
 ATLANTIC CITY, N. J. -- Joane Ann Pederson (left), Miss California, and Jacque Mercer (right), Miss Arizona, both have curves in exactly the right places and both won in the first swimming suit competition in the Miss America Beauty Pageant, Sept. 7. The preliminary in the talent division didn't give as much trouble to the judges, when they were bewitched by Gloria Yvonne Burkhardt, Miss Minnesota, playing selections on her violin.

COTTON SEED LOANS:

Many of you in the County will be thinking soon of Cotton Seed Loans and how to go about getting one. Farm-Storage loans may be obtained through December 31, 1949, on cotton seed stored in farm structures and off-the-farm structures that have been approved. Loans will mature on April 30, 1950, or earlier upon demand by Commodity Credit Corporation. This loan rate is \$49.50 per ton. Where can you obtain a loan??? At the county PMA office.

WE'RE ON THE RADIO:

This office feels quite honored to say that we have had a part on a radio program. Last Saturday at 11:00 a. m. over station KAMQ in Amarillo, Texas, Mildred M. Ritter, Administrative Office, Flip Breedlove, County Agent, and Carman Rhode, Unit Conservationist of SCS had a fifteen minute round table discussion about AAA, SCS, and the work of a County Agent. Perhaps some of

you heard the program. It was very interesting, and it's just natural with us to feel quite proud of Mrs. Ritter, Mr. Breedlove, and Mr. Rhode. Next Saturday the ACA Administrative Officer and County Agricultural Officials from Claude, Texas will have charge of the program.

MONEY IN THE BUDGET:

We still have some money left in our budget, and we will be glad to issue you an approval for contour seeding small, drilled grains, or leaving your stalks and stubbles on the land. The payment of both of these practices is 25 cents per acre.

WINTER LEGUMES:

Last year we had approximately 110 farmers who took advantage of the winter legume and rye practices through this office. We feel confident that there were more in the county who carried out these practices, but did not know about the assistance that AAA gives. To date we only have 52 farmers who have approvals for these two practices. This year we want to have many more than the 110, so come to the office and let us give you an approval either for winter legumes or rye. The

payment on rye is 1.50 per acre, and our payment for winter legumes is made according to the type of seed you plant. Let us help you help your self; come by and let us talk to you about these practices. We want to double our 1948 number and make 1949 the best year for seeding winter legumes. We also pay you to fertilize your winter legumes with Superphosphate. If you aren't going to plant legumes, we can help you fertilize your pasture land or alfalfa.

REPORTS FROM THE COUNTY:

Robert E. Mann down Hedley way reports that the deep chiseling he did last March on his farm has proved worth the time and effort. He is going to make a bale per acre and he said that he has the best crop he has had in 25 years. Our Community Committeemen from Hedley also report that Mr. A. B. Harris has done one of the best chiseling jobs that has ever been done in that district or the whole county. We also have received word in the office that Kermit Evans of the Ashtola Community is going to make a bale and a half of cotton on the land that he has irrigated with a sprinkling system. So you see, these Conservation practices pay off.

WHEAT FARMERS:

A word of advise to wheat farmers who are getting ready to plant this years crop. As you know, a wheat mixture is acceptable, and you can stay in compliance if you seed your wheat and what ever you are going to mix with it at the same time, but do not plant wheat this fall and next spring seed barley, oats, or whatever other grains you want to plant over it. If you are planning to overseed your wheat allotment you will be interested to know that it will not interfere with your cotton allotment.

VISITORS IN THE OFFICE:

Ward M. Taylor, Field Supervisor for this district visited in the office this week. We are always happy to have Mr. Taylor and we know that those of you who have met him realize what a good job he is doing in this county and other counties to help us solve our problems on conservation.

ODDS AND ENDS:

Some of the latest payment farmers in the county are: Joe McMurtry, Kinch Leathers, Carroll L. Lewis, Newburn Simmons, Charles Bairfield, J. B. Lane, Don

Hillis, Hall S. Hardin, and Harold Phelps. These producers have approvals for many different practices such as: Application of Superphosphate to alfalfa, vetch, and pasture land; leaving stalks and stubble on the land, contour seeding drilled small grains, and deep plowing sandy cropland.

At the present time we cannot sell any potatoes to producers. However, we will let you know when they are available again. As your friend, we thought we ought to tell you this. We're interested in you and your welfare. It pains us to see you throwing money away. That's why we recommend soil conservation to you—our future is in the soil.

OLD PATHS  
By DOYLE WILLIAMS  
Minister Church of Christ

If you will remember last week we were studying the simplicity of the Gospel: in its infantile state, and comparing it with modern times. That they can tell you how many anxious there were, how many experienced a change, or how many were hopefully converted; but a case where every one was shown the way to God, what to do to obtain pardon, so that each one did it the same day, and entered into the covenant with God, is what they can not do. The plain truth is, they have no plan of salvation, no definite, clear, and intelligible terms with which a soul of the race can comply and become a Christian. It is as clear as sunbeams that the apostles had definite, clear, and intelligible terms of salvation, which they could place before men, with which they could forthwith comply and come to the

promise of pardon. Hence, when the three thousand inquired, "What shall we do?" The apostle had an answer, which he could utter, in one single sentence, definitely clear, informing them what to do, so that they understood it, and did it the same day, and entered the kingdom of God. Not a seeker went away seeking, nor a mourner went away mourning, nor a single failure of any sort.

If any man thinks this is making too much of a single case, in the apostolic practice, look at Acts 3:19, and find the directions there given, and see how many seekers went away seeking, and he will find no account of a single case of the kind. In a single sentence, the apostle told them what to do; they did it, and were immediately accepted. There was not a single failure. There was no such thing as honest people, seriously and earnestly trying to become Christians and utterly failing. Turn to the eighth chapter and follow the evangelist of Jesus Christ, and you will find him showing every man and woman that came to him what to do to come to the Lord, and not a failure is made. Every sincere inquirer is told how to become a Christian, shown how to enter

into the covenant, on the first interview with the preacher. Read on and examine the account of the preaching to the Ethiopian officer, treasurer of Queen Candace, and during the first interview, Philip points him to the lamb of God, shows him the way into the kingdom, receives him, and he goes on his way rejoicing. This preacher had definite, clear, and intelligible terms of pardon; presented them to the officer, who at once complied with them, and was accepted of the Lord.

The same was true in the case of young Saul, as recorded in the ninth chapter of Acts. Ananias was sent to him to tell him what he must do. As soon as he reached the room where he was, in the first sentence he uttered he told him what he must do. It was definite, clear, and intelligible. He rose forthwith, did what he was commanded, and was pardoned. Though he was the chief of sinners, he did not have to wait a single day, but rose at once and yielded himself to the divine commandment. Nor was there any more delay when Peter, for the first time, appeared before the Gentiles. Though they had never heard a Gospel sermon, the apostle laid the matter before them, and showed them the way to God. They followed his instructions, turned to the Lord and entered into the covenant at once, and rejoiced in the salvation of the Lord. Not a seeker or a

mourner went away seeking or mourning, but every honest, inquiring soul that desired it found the Lord. So it turned out in every instance under the labors of the apostles and first evangelist. They never failed in any instance, to show the poor sinner the way to God, where he was honestly inquiring. They never made a failure. Indeed, in that day, they did not have any preachers who could not show a sinner the way to God. The Lord never called or sent any man to preach who could not, or would not, set forth the terms of pardon.

Local Ford Dealer Enters Dealership In Car Safety Contest

Doss Palmer, owner of the Falmer Motor Company, Ford dealer at Clarendon has entered his dealership in a \$100,000 car safety contest sponsored by the Ford Division, Ford Motor Company.

Mr. Palmer is one of the 6,400 Ford dealers throughout the nation who has entered his dealership in the contest during September and October.

Seven hundred prizes totaling \$100,000 will be awarded winners of the safety contest. The prizes are 25 new Fords including five Ford Trucks; 25 \$1,000 U. S. Savings Bonds; 100 \$100 Bonds, 200 \$50 Bonds and 350 \$25 Bonds.

The contest has the support of the National Safety Council, in a letter to L. D. Crusoe, Vice President and General Manager of the Ford Division, said:

"Certainly every motorist should check and double check the mechanical condition of his car for

safety's sake, and you at Ford are making such a check easily available for all drivers throughout the country.

"And I am sure that this free check-up and safety contest with its attractive prizes, will make Americans more safety conscious—it will save lives."

In order to participate in the contest, Mr. Palmer pointed out, motorists must bring their car or truck, of any make, to the dealership for a safety check at absolutely no cost or obligation to the motorist.

Free checks will be made on the brakes, steering, headlights, rear and stop lights, tires, windshield wipers, muffler, glass, horn and rear view mirror.

The Palmer Motor Company will place an attractive safe driver reflector insignia on the car or truck inspected and motorist will be given an entry blank to participate in the contest.

The motorist must then complete in no more than 50 additional words the following statement:

"All cars and trucks should be safety-checked periodically because \_\_\_\_\_"

A jury of prominent persons in national safety circles will judge the winners. Only one entry per car or truck may be entered.

Other details of the contest are available at the Palmer Motor Company.

TRI-STATE FAIR TO HAVE NEW "WHITE WAY"

For the first time in the history of the Tri-State Fair there will be a "White Way" for the convenience of visitors. It will be 900 feet in length and will have the lighting equivalent of 90,000 kilowatts.

The new White Way will be in the area formerly occupied by the old Quarter Horse Barn and the old Machinery Shed.

The "Bright Lights" are but one of the many features awaiting the Fair Goers of '49.

From where I sit... by Joe Marsh

Sure You Haven't A "Blind Spot"?

As I was driving down Main Street last Saturday, another car swung out right in front of me. It turned out to be Buck Blake. He wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets a "blind spot" to what's going on about him!

Now, lots of normally considerate folks have their "blind spots."

It could be anything from day-dreaming while driving a car to humming out loud at the movies.

From where I sit, it's mighty important to be on guard against your own "blind spots." The other fellow has a right to his "share of the road," too—whether it's having a taste for a temperate glass of sparkling beer or a desire to listen to some classical music if he wants to.

# PLOWIN' Out the CORNERS

Glad, so glad to see our column appearing in the Groom News. Thanks Carl, and I hope I hear from some of the readers. - - -

Enjoyed the steak and chicken cook-out at the Russell Blanton's the other night in spite of the rain. Never again will I argue that there is any other way, to cook steak and chicken except in a "Dutch oven". It was as sweet as one of Grandma's pies could ever have been, and so tender and juicy. Can't see why anyone would ever want to have a big house when living in a garage apartment was so cozy and nice as the one these folks live in. Thanks for the fun.

One of the guests told me this story, about an old country boy that was supposed to be a little shy on gray matter. Anyway, if you placed a dime and a nickel

in your hand and told him to take one of them, it is said that he would always take the nickel. Finally one of his friends jumped him out; "Listen" he says "I know you know better than that." "Shore", says the so-called chump "I know the difference, but if I took the dime they would quit pulling the gag on me."

This week I have sent membership cards in the Ain't Smoking Right Now Society to Otis H. McKee, Rt. 3, Box 790, Dallas, Texas and Ed Rodgers of my home town. Mr. McKee reads the Farmer-Stockman and sent his card addressed Armstrong County, Texas and the post office department brought it on thru. How do they do it? Will someone mail him a clipping of this column. Best wishes Ed and Otis.

Heard this from my barber—"Be it ever so homely, there's no face like my own." And ain't that the gosh-awful truth - - -

Mr. Boggess, one of the early "Jiners" in the ASRNS, thinks that I should have given the name of the fellow who fell from grace last week; the one that I caught smoking. Says, this way they don't know who it is that I caught. Sounds like he is taking

sides with this fellow who sells this plow that won't "Trouble your stubble". Anyway, next time I see Mr. Boggess buying groceries, I am going to sneak a peek in the grocery sack, and so help me I'll publish his name if I find anything that looks suspicious.

A Taking Girl!—read some place She took my hand in sheltered nooks, She took my candy and my books She took that lustrous wrap of fur, She took those gloves I bought for her, She took my words of love and care, She took my flowers rich and rare, She took my kisses, Maid so shy, She took, I must confess, my eye, She took whatever I would buy, And then she took another guy.

Washington is investigating quite a few Five-percenters; doubt if too many of the Ten-percenters got molested - - -

Someone said "We needed more people in Washington with the interest of the country at heart, instead of the interests of the country by the throat."

In Mason King's Column for last Sunday, I notice he writes about a fellow in McLean with my name. Wonder if I could get him to join my club? Think I will drop him a line. Anyway, he, the fellow with the same name, seems to grow a lot of watermelons. Wouldn't be a bad connection to make. - - -

### ASHTOLA

Mrs. Doyce Graham

Mr. and Mrs. J. E. Kidd of Sunnyview, Mr. and Mrs. Roy Larence and Mrs. Dan Allen of Amarillo visited Mrs. Mary Allen Sunday.

Mr. and Mrs. L. O. Morris were surprised last Wednesday when they received by express a large salmon fish their daughter Pat caught and sent them. She caught 3 more like it over the week end in Washington.

Mr. and Mrs. Wayne Allen, Mrs. Joe McCanniss and Lonnie Allen of Amarillo visited Mrs. Mary Allen Wednesday.

Our population increased by the arrival of Glenda Faye, daughter of Mr. and Mrs. T. P. Lane, on Sept. 6th and Walton Lawrence, son of Mr. and Mrs. Horace Green, on Sept. 7.

James Reed and Joe Tom Lovell left Sunday for SMU. James Reed will take up his second year of law, and Joe Tom is working on his last year of Business Administration and will get his BBA degree in May. They are at home with Rev. and Mrs. S. W. Hayne at 3213 Drexel Drive, Dallas just south of the campus.

Mr. and Mrs. Jack Lane have moved into the George Gibb home.

Mr. and Mrs. W. A. Dickerson & Dorothy of Groom visited the Ben Lovells and Edd Wheelers Wed.

Sunday guests of the Goble Barkers were Mrs. John Nichols of Memphis, Mr. and Mrs. Geo. Nichols of Los Angeles, Mr. and Mrs. Haskell Swearingen of Amarillo and Mr. and Mrs. Carl Barker and Mr. Lou of Hudgins.

Mrs. Harold Graham was in Amarillo Wednesday for medical treatment.

Mike Higgins of Amarillo visited Saturday with James Reed and Joe Tom Lovell.

Edd Mahaffey and Mr. and Mrs. Warren Hardin reported extra good luck with the load of watermelons they took to Amarillo Sat. Joe Tom Lovell, Don Barker, Lynn Leathers, Douglas Shelton and Billy Phillips enjoyed the wrestling matches in Amarillo Thursday night.

Dr. and Mrs. M. H. Rhoades attended the baseball games in Amarillo Thursday and Friday.

Mr. and Mrs. Willard Cook and son of Borger spent Sunday with Mr. and Mrs. W. A. Poovey.

Mr. and Mrs. Leo Wallace and Patsy made a business trip to Amarillo Saturday.

Mr. and Mrs. Wade Ray and daughters of Amarillo and Mr. and Mrs. Harry Long visited Sunday with the R. R. Rays. A horse kicked the oldest girl and she was rushed to an Amarillo hospital. After examination her doctor said she only suffered shock and no bad injuries.

Mr. and Mrs. Warren Hardin visited Sunday with grandmother Hardin who is ill.

A large crowd attended the Lovell-Myers quilting Thursday. On Sept. 22, Josephene Barker and Mary Henderson will be hostesses and Oct. 13, Mrs. John Brandon and Mrs. Henry Wilson will serve.

Mr. and Mrs. Carrol Hudson and son and his mother, Mrs. Major Hudson are at home from a weeks vacation trip in the Colo. mountains. Carrol and family returned to their home at Hereford after visiting a few days with his parents and other relatives.

### CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

There were several publications of 1944 and 1945 in the list of books given by the Evan's children recently. These are "Let Us Consider One Another" by Josephene Lawrence, "Jossy" by Nora Lofts, "The Private Adventures of Captain Shaw" by Shay and Pasos, "Boston Adventure," by Jean Stafford, "The Double Agent," by Terihet, "My Indian Family" by Wernher. Then this week our gift is "The Eagle's Song" by Anne Miller Downes. It is a book of enduring significance for all Americans today, and a book you will be proud to read and to own. It is a People's Book Club edition, and a gift we can readily use and enjoy. Each month we are made happy over the cooperation of the generous Library friends.

A book for teenage girls—"Calling Nurse Blair" by Lucy Agnes Hancock, was received this week. One for family interest is "Especially Father" by Gladys Faver. This little book is filled with laughter and a few tears, warm-hearted and tender, the heritage that has made Gladys

Taber one of the best-loved authors of our times. We also have Sabatinis "The Gamester." This is a story concerned with a momentous episode in French History—the inflation and financial panic that followed the death of Louis XIV and a fabulous character, John Low. Several of my men patrons enjoy everything Sabatinis writes.

A few of the Little Golden Books are replaced as they were badly worn after the summer seige of little people. These books are "Tommy's Wonderful Rides", "Tootle", "Let's Go Shopping," and "Scuffy The Tug Boat."

We have mended and patched quite a stack of books during the shifting period of our readers. They will soon be ready for their work. A few have been seeking material this week.

**THE TEMPLE OF TRUTH**

By the Apostle

**THE AUDIENCE.**

Gals listening to the soap opera get worked up to a lather, but the gals reading their script over the radio to make that racket, are in the chips.

At 22 N. W. Clinton in Ft. Worth is a Russian church with a large membership. They are said to be Baptist workers in the packing plants.

**MISPLACED.**

Light heads are said to be too often behind the headlights.

**EXPANSION.**

Travel broadens the mind and also lengthens the conversation.

**INQUISITIVE.**

The victim on the car lot looked over the bunch of wrecks and

finally was induced to get into one for a trial spin. The salesman could not get his victim to talk until he got him into the car. At that time he inquired: "What made the blamed thing jerk when it started off?" The salesman had to think for a split second when he readily came up with "Oh that shows it is anxious to start."

**MISSIONARY STUFF.**

Two old palsy-walsys met on the street when one started the conversation by saying: "Bob you ought to pull your curtains down at night. I saw your wife in your lap." Charley did not seem to grab for anything and just replied that "Bob the joke is on you, for I was not at home last night!"

**OLD TIMER.**

Heard a fellow say today that it was a big job to support the government, a family and a car these days.

**DUMB KLUCK.**

The Prof. in lecturing his class

stated that "women in the middle ages used a lot of cosmetics." The bright gal on the front seat called him down by saying that women in the middle ages right now used a whole lot.

**EXPLANATION.**

A service man who spent some time in England informed me that the difference between a dance and a "dawnce" is \$2 and a couple of fist fights.

**DEFINITION.**

I have had some good friends in my time and some alleged friends. The latter had every good quality of a dog except fidelity.

**CAUTION.**

The polio campaign is on in a big way because the need is much more than ever before. Every family should carry polio insurance. It costs so very little—about six dollars a year—and no one can afford to be without means when polio strikes. Don't depend on some generous soul doing for

## WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The Woman's Society of Christian Service met at the church Sept. 7th, at 3:30, for their regular business meeting. There were 22 members present.

Mrs. Frank Blair brought the devotional using the subject "God Calls Us." Mrs. Chas. Lowry explained our new study on "Japan." This study starts the 14th and is being taught at the church every Wednesday at 3:30. Every lady is invited and urged to come and take this interesting study.

Mrs. Allensworth's resignation as vice president was accepted, and Mrs. Bulls was elected to fill her place. Seven new members have been added to our roll this summer, and the new young Mother's Circle is to have their first meeting on the 14th. These meetings are at the church and a nursery is provided for children.

A contribution of \$20.32 was collected for some special local work.

Plans were made to contact every woman in the church and secure their interest in the society. Remember the church needs you as much as you need the church.

## MOTHERS STUDY CLUB

The Mothers Study Club will meet Sept. 27 at 3:30 p. m. at the Clubroom for their first meeting of the club year. All members are urged to be present.

## THE DONLEY COUNTY LEADER

### BRONCHO MOTHERS CLUB

The Broncho Mothers Club enjoyed a picnic at the Millard Word ranch home last Wednesday evening with the following in attendance: Mr. and Mrs. Jack Brooks, Mr. and Mrs. Frank Jones, Mr. and Mrs. Ernest Jenkins, Mr. and Mrs. Donald Ballew, Mr. and Mrs. Henry Tatum, Mr. and Mrs. Ray Moore, Mr. and Mrs. Beryl Clinton, Mr. and Mrs. Millard Word and Bobby and Mrs. Carl Pittman. The group had planned games for the evenings entertainment but the heavy rain which struck broke up the picnic.

This club also entertained all the football boys and their lady friends at the Canteen Monday night with a Lil' Abner party. Ice cream and cake was served to the group which enjoyed the affair very much.

### CLARENDON H. D. CLUB

The Clarendon Home Demonstration Club will meet with Mrs. Austin Rhoades in all day covered dish luncheon and to piece on Club quilt, Friday, Sept. 16th. All members bring thimbles and quilt scraps.

### KILL KARE KNEEDLE KLUB

Beautiful garden flowers of asters and roses were used to decorate the guest rooms at the home of Mrs. R. O. Thomas Thursday afternoon when she entertained the Needle Club. The usual line of fancy needle work, talking and visiting was enjoyed for several hours. The hostess served a lovely salad plate to invited guests, Mrs. Horace Reed and Mrs. Genoah Doshier, and club members, Mesdames A. O. Hefner, H. Mulkey, W. A. Land, Mrs. Frank Whitlock, Major Hudson, H. C. Brumley, Frank White Sr., Gene Noland, C. E. Lindsey, S. W. Lowe, J. R. Bartlett, R. R. Dawkins, and Misses Ida and Etta Harned.

### AMERICAN LEGION AUXILIARY

The American Legion Auxiliary met in regular meeting at the Club room on August 15th. At our meeting, we elected the following officers: Mrs. Curtis Mears, President; Mrs. H. M. Breedlove, Sec-Treas.; Mrs. Dale Hill, Vice-Pres.; Mrs. Tom Tucker, Chaplain; Mrs. Basil Smith, Reporter.

We are now working on our 1950 membership drive, and we urge everyone to see Mrs. Breedlove and get those dues paid.

Our next meeting will be at 4 p. m. on Sept. 20th. We are urging everyone to bring a gift for our Xmas box to be shipped to a V. A. Hospital at Xmas time.

### HONORED ON BIRTHDAY

Mrs. Stock Lamberson was honored by her children Sunday with a lovely birthday dinner. The lace covered table was centered with a beautiful decorated birthday cake, in pastel colors, surrounded by greenery and white daisies.

The house was made beautiful with garden flowers. Thirty-four guests attended the dinner.

### ADUDDRELL-TILLER

A double ring ceremony read Sunday afternoon August 14, in the home of the bride's parents, united in marriage Miss Betty Aduddrell, daughter of Mr. and Mrs. John Aduddrell of Bula and Dewitt Tiller, son of Mr. and Mrs. Hoyt Tiller of Bailey Burrow. Rev. Jassie B. Leverett officiated. Greenery, gladioli and the beautiful decorated mantel formed a background for the exchange of vows.

Miss Dorothy Leverett, pianist, played a nuptial prelude, and the traditional wedding marches were used.

The bride, who was given in marriage by her father, was attractive in a suit of dawn blue. She wore navy accessories and completed her ensemble with a corsage of white carnations. Mrs. Doris Vick attended the bride as maid-of-honor. She wore a pink wool crepe with navy and white accessories and wore a corsage of white carnations. Don Mickey served as best man.

Immediately following the ceremony a reception was held. The serving table was laid with lace cloth over blue, and decorations consisted of miniature wedding bells filled with tiny cut flowers forming a semicircle around the beautiful decorated three tiered wedding cake which was topped with a miniature bride and groom.

Mrs. Vernon Reid served the cake and Mrs. Jack Aduddrell

### ADUDDRELL-TILLER

The bride is a graduate of Bula High School and attended business college at Plainview. Prior to her marriage she was employed in the District and County Attorney office, Plainview.

The groom graduated from Muleshoe High School and attended Texas Tech.

Following a wedding trip to Mexico and Colorado the couple will be at home at Needmore, Texas where he will be employed at the gin.

The bride is the granddaughter of Mr. and Mrs. H. M. Reid of Clarendon.

### KAPPA SUB DEB CLUB

Last Wednesday the Kappas met in the home of Alice McCrary. They discussed their plans to go to Dallas during the State Fair. Pledge court was held after which delicious refreshments were served to Nancy Bennett, Mary Edna Elmore, Lois Hommel, Ann Thompson, Shirley Brumley, Jo Ann Ritter, Fanchon Allred, Jean Ballew, Patsy Blair, Jo Ann Sibley, the pledges, and the hostess.

Mrs. Gray and her daughter, Mrs. Kersey and her granddaughter Gwin McCallum came Thursday from Ontario, Canada for a months visit with her son, Rev. and Mrs. Thomas A. Gray and family.

Mrs. Howard Stewart shopped in Memphis Monday.

**The Lion's Roar**

By O. D. Lowry

The Lions Club held its regular meeting Tuesday, Sept. 13 in the club hall. Percentage of attendance was 90.6. There were four guests and visitors present for this meeting. The fall attendance contest started with this meeting and the club hopes to maintain at least an eighty-five per cent standing for the entire period. The success of this undertaking will rest with each individual Lion so members your presence is urgently requested at each club meeting.

The minutes of the Board of Directors meeting were read and approved.

The program consisted of two piano numbers by Margie Nell Crofford and a talk on the Clarendon Schools as given by Lion H. T. Burton. Thanks for this fine program.

**Telephone expansion doesn't just "HAPPEN"**

Money for telephone expansion can come only from investors... everyday people who put their money into telephone stocks and bonds.

The money you pay for telephone service must be used only to meet expenses and pay a fair return to these investors for their confidence in your telephone company's business ability.

Thus, the wave of telephone expansion programs throughout the country means more than just better telephone service. It is a thrilling example of continuing faith in the American free system in all forms of business.

**NEW MASSEY-HARRIS COMBINES**  
 HAVE MORE CYLINDER CAPACITY  
 More efficient cylinder and beater design lets you harvest faster.

★ More cylinder capacity lets you cover more acres a day . . . up to 50 with the new Massey-Harris big capacity "26"—up to 70 with the "27"—the biggest capacity combine on wheels. You move along at a good clip because straw is kept open . . . loose, to give the rasp bar cylinder a better chance to rub out the biggest percentage of your grain. Leaving the cylinder, straw moves directly onto the longer, wider walkers so you get all of your grain, cleaner grain to increase your profits . . . more capacity in the entire combine to get your grain in faster, easier, at less cost.  
**And Balanced Separation**  
 This amazing new Massey-Harris combine principle assures perfect control of grain and straw through every step of harvesting. Every unit has the capacity it needs to do a better job of harvesting your grain. Stop in soon for complete details on these new, better Self-Propelled.

Illustrated is the new "27" Self-Propelled. Available in 16, 14 and 12-foot widths.

THE DRAMATIC NEW  
**Cul - Matic Water Softener**  
 . . . with Push-Button Control

Don't Just Buy a "Steel Tank!"  
 Own a Water Softener That Offers You Real SERVICE FEATURES!

So dramatically different is the Cul-matic, it can actually be exchanged with our famous Culligan Service Softener! Home-owned softeners invariably lose softening capacity because facilities for adequate backwashing are not available in the home. Culligan engineers solved this problem by designing the Cul-matic zeolite unit so that it is interchangeable with the famous Culligan Service Softener. This means that the Cul-matic can be professionally rejuvenated and sterilized at our plant—with no interruption in your flow of soft water. See the amazing time-saving work-saving features . . . years ahead of any softener on the market. Backed by Culligan, the nation's leading Soft water service organization. Approved for F.H.A. financing. Sold on one-year warranty!

**Naoma Mooring Wins Farm Bureau Queen Contest at Wellington**

Over 200 people attended the Bi-District meeting of the Texas Farm Bureau Federation held Saturday, Sept. 10 at Wellington in the Community Building.

Highlight of the day was the crowning of a Bi-District Farm Bureau Queen, in which Miss Naoma Mooring, representing

J. Walter Hammond of Tye, federation president, spoke on "Why We Need an Organization," and explained the work of the organization along legislative lines and showed the good results it had brought.

One of the nicest things about the meeting was the free lunch served to the farm bureau members and their guests. The lunch consisted of barbecue, beans, apricots, coffee and soda pop.

Mr. and Mrs. Maon Johnston and children of El Paso visited last week with his sister and family, Mr. and Mrs. Lloyd Risley and children, also Mr. and Mrs. T. M. Shadle and family and brother, Mr. and Mrs. Wayne Johnston and baby of Amarillo.

**Public Education May Take Severe Beating Unless World Oil Redistribution Plans Are Blocked**

HOUSTON—The American oil industry, the people of Texas and public education in the state will "take a severe beating" at the forthcoming conference on the British dollar crisis in Washington unless American officials block reported British plans for a reorganization of world oil distribution, it was charged today.

D. W. Hovey, president of the Gulf Coast Refiners' Association, said a British proposal to increase her refining capacity in order to limit her imports of oil, as reported in news dispatches from London, is a "back door effort - - - to push American oil out of its markets and thus further reduce American production and employment and Texas revenue for education."

His statement, sent to Senator Tom Connally, chairman of the Senate foreign relations committee and other members of the

Texas congressional delegation, said the dollar crisis sessions should be open and that oil men, oil state officials and representatives of the general public should be allowed to sit in as observers and be given a hearing.

He charged also that the British are attempting, through the economic negotiations, to bring about the same degree of international oil control which was the objective of the Anglo-American oil treaty, negotiated in 1945 and 1946, and which the Senate refused to ratify in 1947.

Hovey quoted news reports from London which said the British attempted some time ago to obtain aid under E.C.A. to finance an increase in refining capacity and production facilities in the Middle East which would have enabled her to dispense with \$400,000,000 per year in oil imports and provided products for export to former American markets. This program, Hovey said, was rejected by American officials, but the British are attempting to revive it.

He also quoted news reports which said British officials plan to present to the dollar crisis conference such questions as "regula-

tion of production - - allocation of markets - - fixing of prices - - strategic defense of such exposed oil producing regions as the Middle East - - "

"The objectives have a familiar ring," Hovey said. "American oil men and diplomatic officials know that these objectives, are the same as the objectives of the Anglo-American petroleum treaty which Britain tried to put over in 1945 and 1946, and which the Senate in 1947 refused to ratify after a storm of protest from the independent American oil industry - - The independent oil men and refiners who fought the treaty pointed out that it was a first step toward internationalization of American oil reserves, imposition of production and price controls through the device of a treaty and a long step toward complete government control of the American oil industry - - - Having failed to attain the objective through a treaty which had to be ratified by the Senate, the British apparently are trying to attain the same results through economic agreement - - - which, unlike the treaty, would not have to be ratified by the Senate."

Independent refiners are par-

ticularly likely to be hurt by the British proposal, Hovey contended, because "the present disparity between sagging oil product prices and the price of crude is - - partially due to the unnecessary import of residual fuel oils." The situation, he added, may well be aggravated by "fixing of prices and proposed allocation of international markets for petroleum and products."

Hovey pointed out that the Anglo-American treaty aroused a storm of protest in Texas and other states in 1945 and 1946. The then governor of Texas, the state land commissioner, the superintendent of public instruction, the members of the Railroad Commission, the State Democratic Convention, the State Board of Education, trustees of State colleges and universities, teachers' associations and school administrators joined in an attack upon the treaty, Hovey said, because they considered it a threat to public education in Texas and a step toward nationalization of the oil industry.

**New Southwide Magazine Makes First Appearance**

Featuring such "strictly Southern" authors as Virginius Dabney, Hodding Carter, John Temple Graves, Jonahan Daniels, Harry Ashmore, William W. Ball, Octavus Roy Cohen and Jesse Stuart, a brand new Southwide magazine, Southern Fireside, made its first appearance in Clarendon last Thursday.

Bearing a September dateline and scheduled to appear each month from its Birmingham, Ala. publication office, Southern Fireside claims to tell "the story of the South today, yesterday and tomorrow" to a Southern audience. Circulation of the first issue, in the 13 Southern states, is in excess of 500,000 copies.

Designed for the entire family, the new magazine draws solely upon Southern writers and illustrators for its content, with each of the Southern States represented in this first issue.

A new story by South Carolina's Octavus Roy Cohen, featuring the prominent Birmingham Darktown character "Florin

Slappey," and a Jesse Stuart tale of the Kentucky Hills lead the fiction content of "Southern Fireside."

Of especial interest to a Southern audience is the article, "Is There a Southern Point of View?" in which six prominent editors of Southern newspapers speak out on one of today's most controversial questions. Featured on the panel of writers are Virginius Dabney, editor of the Richmond (Va.) Times-Dispatch; Jonathan Daniels, editor, Raleigh (N.C.) News and Observer; William W. Ball, editor, Charleston (S.C.) News and Courier; John Temple Graves, newspaper columnist, Birmingham, Ala.; Hodding Carter, editor, Greenville (Miss.) Delta Democrat Times, and Harry S. Ashmore, executive editor of Little Rock's Arkansas Gazette.

"Where Drama Is King," a factual tale of animal warfare in the Santee Swamp, by James Wallace, Jr., of South Carolina, and "Ain't Got Long ter Stay Heah," a study of the Negro and his religion by Martha Foster Herbert, of Louisiana, also are featured in Southern Fireside's first edition. Aimed at a Southern home audience, the new publication includes articles on gardening, home decoration and sewing, cooking and children's games peculiar to the South. Ernest Rogers, columnist of the Atlanta Journal, writes about new movies and Walter Spearman, professor of journalism at the University of North Carolina, discusses new

books by Southern authors. Among the Texas writers represented in Vol. 1, No. 1 of Southern Fireside includes Laura V. Hamner, well-known Panhandle writer and radio historical commentator.

**1949 Tri-State Fair & Exposition Taking Shape Rapidly**

The 1949 Tri-State Fair and Exposition is taking shape rapidly. Fair officials, according to John K. Boyce, President, are looking forward to one of the biggest and best fairs in the organization's 26-year history.

Agricultural and Livestock Exhibitors of the Tri-State area will be competing for more than \$14,000 in cash prizes.

The new Bull Barn will house all livestock. This building, recently completed at a cost of approximately \$175,000 is one of the finest in the nation.

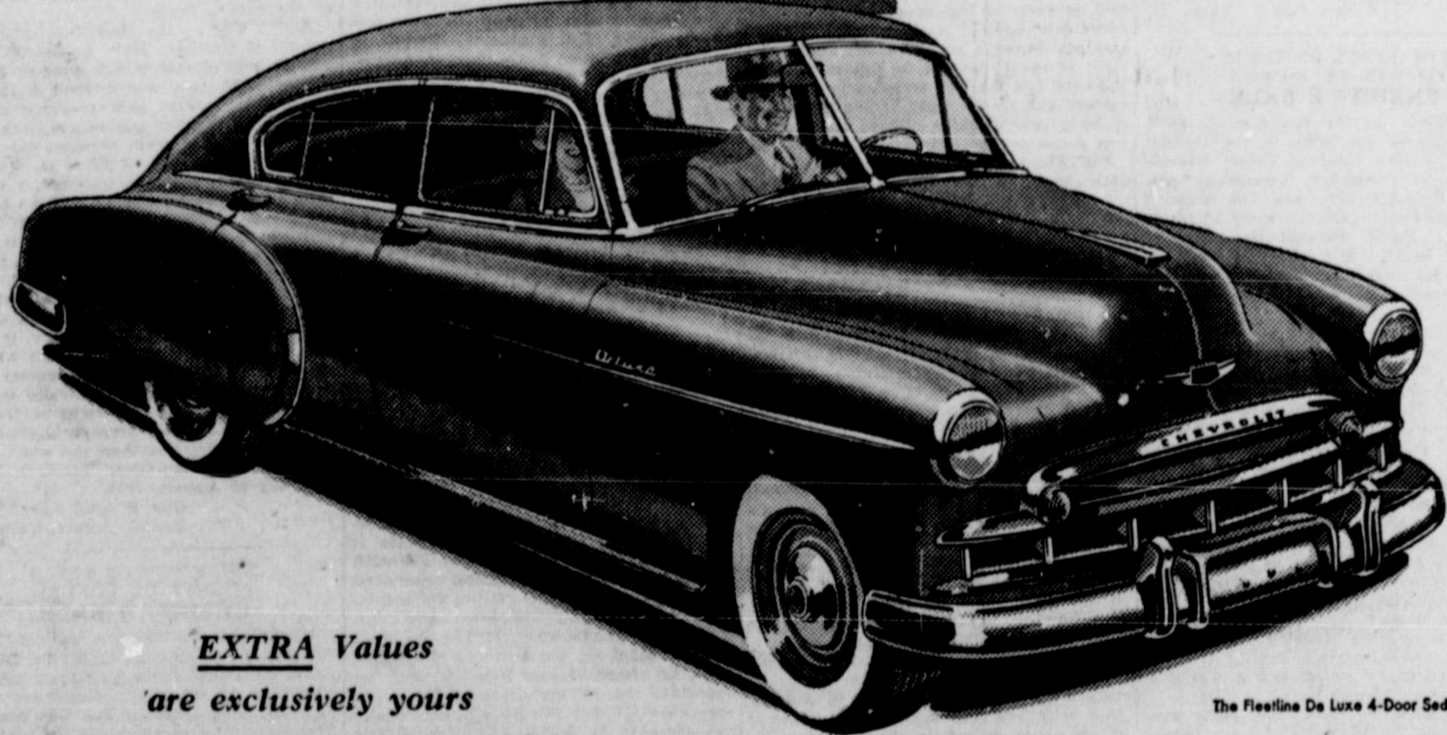

The old livestock building has been remodeled and given a face-lifting and will be the new home for Quarter Horses.

For the first time since 1941 there will be a poultry show. Earl Curry, Superintendent of this show is already at work to make the reactivated poultry show a success.

Schools now must be in operation on their own for at least a year before they may accept veteran-enrollees at Government expense under the G. I. Bill, Veterans Administration announced today.

This means that unless the one year minimum is met, Veterans beginning training in such schools may not receive subsistence allowances.

This restriction was contained in Public Law 266 — signed into law August 24—the Independent Offices Appropriations Act of 1950, providing V-A's appropriations for the fiscal year beginning July 1, 1949.

Purpose of the law, V-A explained, is to protect the interests of veterans by requiring schools to have had one year or more experience in providing the type of training they propose to offer to exservicemen and women.

The new law prohibits V-A from spending any money for subsistence allowances, tuition, fees or other charges for a veteran who enrolls in a school which has been functioning for less than one year immediately prior to his enrollment date.

Those veterans, however, who commenced courses in such new schools before Public Law 266 went into effect may continue their training at Government expense.

V-A instructions, amplifying the law, explain that the effective date of a school's operation "will be the date on which a full schedule of instruction was commenced by the school to a minimum of 25 students for which the school collected tuition."

Also, the instructions state, the school must meet these requirements: 1. It must have been in continuous operation under substantially the same ownership and management for a full 12-month period, including reasonable vacation and holiday periods.

2. It must have provided to at least 25 students during that year's period the course or courses of substantially the same length and character as those to be offered following the initial year.

For the purpose of Public Law 266, V-A defines a school as such when it operates in only one location. A subsidiary, branch or extension of an existing school, either in the same or in a different community, will be considered a separate institution.

Amendment Would Permit Jury Trials To Be Waived In Lunacy Cases

Full support was promised today by Governor Allan Shivers for an amendment to the Texas Constitution which would give mentally ill persons admission to state hospitals without a mandatory jury trial.

"I am glad that this matter has at last come before the people," said Governor Shivers. "Every other state has revised its laws to permit jury trials to be waived in lunacy cases, and I think it is high time we removed the antiquated statute from our own books."

The amendment, passed by large majorities of both houses of the 51st Legislature, will be submitted to a statewide vote on November 8. It will permit the next Legislature to enact laws permitting a mentally ill person to be hospitalized without a courtroom jury trial unless a jury is demanded.

"It appears to me that the proposed amendment has been well worded," stated Governor Shivers. "Every reasonable safeguard of the citizen's right has been retained. The amendment directs the Legislature to make sure that a mentally ill person would have access to a jury trial if he, or someone close to him, were to ask for it."

"As I understand it, this is a measure primarily to protect the health of the patient. Our doctors and psychiatrists report that the courtroom scene now required by Texas law often has a very detrimental effect on the patient, who is necessarily treated like a defendant in a criminal trial. From my own experience as a lawyer, I can readily believe that the doctors have an important point."

The Governor praised efforts of the Texas Society for Mental Hygiene and the Texas Council on Mental Health in working for improvements in the state mental health laws. The Constitutional Amendment, together with a drive for increased state hospital appropriations, made up the chief legislative projects of these organizations during the session just adjourned.

SOCIAL SECURITY NEWS

Q—How many people have Social Security cards? A—Over 91 million social security cards have been issued.

Q—Why is it necessary for a person to have a Social Security card? A—After a worker is issued a card, the Social Security Administration establishes a ledger sheet and other records under the worker's name and social security number to insure accurate posting of his earnings.

Q—Couldn't these records be set up under the name only? A—No. With over 91 million accounts it would be impossible to correctly post the wages of persons with identical names. Even uncommon names are numerous in the social security files and common names such as John Henry Brown run into the thousands.

Q—If I get my card in Texas and move to another state should I get a new number? A—No. You should have only one social security number for a lifetime, regardless of where you live. If your card is lost, always ask for a duplicate—never a new number.

Accurate and official information can be obtained by writing the social security office in Amarillo, or by contacting the representative when he is in Clarendon. Floyd B. Ellington, Amarillo office representative, will be at the County Court House, Tuesday, September 27, at 9 a. m.

YOUR KEY TO GREATER VALUE

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Only one word fits it — Wonderful!

You know how it usually is—slow and steady is the rule in automotive progress. But every now and then it happens. Along comes a car that's new all over—like this one—and headlines sing the news.

Take the styling of it—fresh and smart and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it—handy in traffic, easy to garage, actually more room and a sweeter ride in fewer over-all inches.

Step inside—and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom.

Try the power of big 110 or 120 hp high-compression Fireball engines—sample the restful levelness of a ride that sets the standard for the industry.

Check controls—and note really big news: The luxury of Dynaflow Drive—newest, simplest and smoothest of all modern transmissions—is optional equipment, available now at the lowest price level yet!

Finally, look at the price tag. Measure its figures against others—and see if any car, even in the lowest-price field, gives you so much of what you want for each dollar you invest.
