Bronchos To Play First Conference Game With Tigers At McLean Friday Night

The first game of real importance of the season comes up this Friday night for the Bronchos when they journey to McLean to tangle with the Tigers in the first conference game of the season for either team.

Coach Clinton is looking to this game to be the hardest so far for the Bronchos this season. Here's how it looked to him: McLean has played four games to our three. They have lost two and won two; whereas we have won two and tied one. McLean lost to Phillips and Hereford, both powerful teams. They won over Panhandle and Canadian and incidentally they always play a different brand of football against the Bronchos--they try to win if at all possible.

Clinton reported that the Bronchos had been hard hit with the flu this week with a number of the regulars failing to report for practice several days and other cases may crop out between now and Friday night. Naturally the Bronchos will be some weaker physically under these conditions but regardless of whatever may befall them, they will be out there Friday night with the determination to win, especially their first conference game.

The Bronchos certainly appreciated the following they received for the Perryton game and knowing their home bunch was on the sideline helped a lot in winning the ball game. Let's have a much larger crowd go along with them Friday night. The distance is shorter and many more should be able to make the trip.

The probable starting line-up for Clarendon, starting at left end: Trussell, Tatum, Travis Mulanax, Gene White, Jones, Whitaker, Leon Mulanax, and Carlisle, Jenkins, LaGrone and Bradford in the backfield.

STEEPLE JACK NOW WORKING ON COURTHOUSE

If you have paused to gaze at the man working on the county courthouse building - - and wondered - - yes, he is a real Steeple Jack, one of those fellows who use a few ropes and a few other pieces of equipment to work on the steepest of roofs.

This man was hired recently to repair the courthouse roof and gutters and also to make the structure bat tight. It was estimated that it would take 3 or 4 weeks to complete the job.

The bat problem at the court house has been a foremost problem for many years and certainly needs remedying, and the man hired says he can get the job done. He started rigging his equipment last Friday.

CLUB ROOM BOARD TO MEET MONDAY

There will be a meeting of the Club Room Board Monday afternoon at 4 o'clock at the club room. The president and vice-president of every club using the club room are requested to be present or see that a representative of their respective club is in attendance.

Cub Scout Pack To Be Organized Here Monday, Oct. 3rd

A meeting for the formation of a Cub Scout Pack in Clarendon will be held at the American Legion Hall, Monday, October 3, at 7:30 p. m. All parents of boys 8, 9, and 10 years of age are urged to attend this meeting. M. M. McCully, Legion Post Commander, said.

Many parents have expressed the opinion that if other parents in Clarendon knew a little about the program they would be more interested, so the following is given for their information:

Election of Supervisor For Sub-Dist. No. 1 Will Be Oct. 4th

Tuesday, October 4th will be the day of the election of supervisor for sub-district No. 1 in the Donley County Soil Conservation District. The election will be held in the district court room in Clarendon at 2 p. m.

Each year an election is held in one of the sub-districts for the election of a supervisor. The present supervisor in district No. 1 is C. E. Blairfield. Each supervisor when elected serves for a five year term and only land owners are eligible to vote under the state soil conservation law.

Don't Forget The Flower Show!

Do not forget the Flower Show out at the Donley County Fair buildings Friday, Sept. 30th. All persons are eligible to bring flowers to the show and are urged to make their entries. Blue, red and white ribbons will be given winners in all classes. It is the flower show that develops a radiation point from which home and civic improvements are given an impetus.

If you have a beautiful flower, put it in a milk bottle and bring it.

All entries should be in by 10 a. m. Friday morning at the Fair buildings. The committee in charge: Mesdames W. W. Taylor, chairman, J. D. Swift, J. W. Evans, C. C. Powell, J. R. Ross, Frank Phelan, Pete Kunz, Carl Allmond.

Dollar Day Bargains Featured Next Wed.

That day of bargains is approaching again. The October Dollar Day date is next Wednesday, October 5th, a date when you should have the opportunity to buy many wanted items and make that precious dollar go much, much farther.

Three local dry goods merchants have a very nice assortment of bargain items featured and another big sale in the furniture line will get underway this week end and will be in full progress for dollar day next week. Save your copy of the Leader this week and see if the ads don't save you quite a tidy sum.

AMATEUR NIGHT TONIGHT at 8 p. m.

Don't forget tonight is the night for the Amateur Program, sponsored by the Youth Center. The time--8 p. m. The place--College Auditorium. Admission--25c and 35c. Mr. C. R. Blevins' string ensemble will give a short concert preceding the Amateur show.

SIXTH GRADE CLASS TO HOLD FOOD SALE SATURDAY MORNING

The Sixth Grade is sponsoring a Food Sale this Saturday morning beginning at 10 o'clock in the building first door south of Hudson & Taylor. Featured in the food sale will be pies, cakes, cookies, candies, dressed chickens, butter and eggs, an assortment of food items that will almost complete your week end meals. Mrs. Gordon Bain is the sixth grade teacher.

JEEP SIMPLY TRAVELS OVER ANYTHING THAT COMES

Two prominent Clarendon citizens would have faced a dire calamity a few days ago had they not been "armed" with a jeep. Col. Robert E. (Bob) Baird was at the wheel and is alleged to have been accompanied by B. F. McCracken in quest of a strayed horse somewhere to the southwest of Clarendon a few days ago. Perhaps it was in the JA pasture. The jeep does a lot of things but does not record the field marks of a country.

Going along at the usual rate of speed with Bob as quiet as usual, the jeep suddenly dropped down. When Bob arrived at a period in the course of his remarks on an entirely different subject, he turned to Mr. McCracken and allowed "durned if we ain't fell in a well!"

And they had. Bob describes the incident of small consequences because he simply put the machine in what he terms "compound cathatic," and the jeep readily pulled the whole mess out of the well with no damage either to occupants or machine. Bob Baird says "that if the jeep had been everything the salesman recommended, it wouldn't have fallen into the well in the first place."

NEVER TOO OLD TO LEARN FOR 74-YEAR-OLD STUDENT

SECOND GRADERS TO HOLD BAKE SALE

It has been announced that the students of Mrs. Hendrix's second grade will hold a bake sale in the building formerly occupied by the H-B Electric next Wednesday afternoon, October 5th. Plenty of good food will be on hand for your selection.

FOUR STUDENTS NEEDED IN ORDER TO GET EDUCATION COURSE AT HEDLEY

Miss Ruth Richerson, county school supt. reported this morning that four students were needed to continue the Extension course in Education at Hedley each Monday night. Dr. Roberts, head of the Education Department at West Texas State College at Canyon, organized the class in Education 472-572 at the Hedley High School Monday of this week but only 32 of the required 36 students enrolled. Miss Richerson explained that anyone in the county was eligible to take the course which will run for the next 16 weeks, will cost \$15, and allow 3 hr. credit. The class, if continued, will meet every Monday night.

If you are interested in this course, please send your \$15 to Mrs. T. V. Reeves at Canyon right away as the class will be discontinued if the required number is not listed by next Monday.

If you have any questions in regard to this course, contact Miss Richerson and she will be happy to give you all available information.

THIRD GRADERS TO HAVE CAKE WALK SATURDAY

Don't forget the Cake Walk, sponsored by the two third grade classes this Saturday evening at 7 p. m. It will be held in front of the Pastime Theatre and there will be plenty of cakes and also plenty of space to walk.

FORMER RESIDENT DIES AT BANGS TEXAS

Funeral services were held last Wednesday for Frank J. Sparks, former J. A. Ranch wagon hook, who passed away at his home at Bangs, Texas last Monday, Sept. 19th.

Mr. Sparks was a long time resident of this locality before moving to Bangs some three years ago.

Among the survivors are his wife, a son Snooks Sparks of Clarendon, a step-son A. C. Conner, also of Clarendon and a daughter, Mrs. Arthur Davis of Plainview.

Colts To Play Two Games Next Week

The Clarendon Jr. High Colts, coached by Rev. John English, have two games scheduled within the next week with the first being played this Friday afternoon at 2 p. m. at Claude. The next game will be played here next Wednesday evening at 7:30 with the youngsters from Wellington.

Last Tuesday night the Colts held the reins in a run-a-way victory over the McLean Kittens. The final score was 31 to 6 in favor of the Colts and practically every member of the Colt squad had an opportunity to play. McLean was unable to score until the Colt team took over in the fourth quarter.

Sheriff Wright Issues Warning About Hot Checks & Burglaries

Sheriff Guy Wright issued two warnings this week in regard to the crime wave that has struck all around us the past week or so. He stated that hot check artists had been on a rampage and were increasing in numbers so be sure of the signature on the check, the identity of the person signing the check or endorsing the check or you may get "took" good.

The other warning is in regard to robberies in rural areas such as those that took place at Lockney, Quanah and over the line in Oklahoma last week. The sheriff suggests that if you come to town on Saturday, to leave someone at home to watch after everything as these rural robberies have proven quite costly and very easy pickings for the culprit when he knows no one is at home and no one close to interrupt his actions.

We have been very fortunate so far but you never know when or where those thugs will strike next, the sheriff added.

LOCAL F.F.A. YOUTHS ATTEND DIST. BANQUET

Four local F.F.A. members, Fred Molesworth, Charles Stafford, Royce and Claude Moffett, their sweetheart Miss Jo Ann Ritter and T. H. Seay, local instructor, attended the Annual Greenbelt District Future Farmers of America Banquet at Turkey Tuesday night of this week. They reported a very enjoyable meeting and approximately 200 youths from over the district attending. Claude Moffett is the district Treasurer of the group and Billy Ray Hightower of Hedley is Parliamentarian.

Remember the dates of the fair this week end and make your plans to be in Clarendon and bring the entire family because there will be fun for every one and lots to see in this county fair which we think is the "Biggest Little Fair In The World." All of the judges for the different events are from out of town and specialist in each event for which they were chosen by the committees of the show board and the respective judges will be introduced to the public when he starts to judge the events.

FAMILY AFFAIR

COLLEGE STATION — Farm and home safety is a family affair, says Mrs. Eloise Johnson, extension specialist in family life education of Texas A&M College. It involves everyday habits of living, working and playing and there's no safety engineer on the job to remove hazards and pre-

vent acts of thoughtlessness and carelessness, she adds.

"We must realize that the human element and our own attitudes play a big part in our own actions. Likewise, the home atmosphere can be partly responsible for many of the farm and home accidents," she says. Some of these contributing causes are worry, dissatisfaction, annoyance, anxiety and unhappiness. Mental conditions may cause one to take unnecessary risks, be thoughtless in doing a task or even cause the development of wrong attitudes toward safety.

The home atmosphere, she says, should be cheerful; calmness should prevail, there should be understanding between all members of the family and all should work toward the development of a safety attitude for the family. "All accident hazards cannot be eliminated so we must learn to live safely with them. We teach our children by the examples we set and remember," she cautions, "don't teach by fear but by logic."

Farm safety is a family responsibility and it offers a challenge to every member of the family. Those who succeed will reap a harvest of happiness and satisfaction, concludes Mrs. Johnson.

Rev. and Mrs. W. E. Hamilton, Mrs. Lena Antrobus and Mrs. Elba Ballew attended the Methodist Missionary Society Zone meeting at Quitaque Thursday.

Mrs. S. D. Churchman and Miss Mona were Amarillo visitors Sat.

Health Notes

AUSTIN — Dr. Geo. W. Cox, State Health Officer, in speaking of cancer, said that it ranked second as a cause of death in Texas, being exceeded only by heart disease. Last year approximately 6900 Texans died of this disease. One of the reasons so many people die of cancer is because the disease usually exists some time before it is recognized. By then it has progressed from a small local cancer to a large and dangerous one.
 In the beginning cancer is not painful so many persons do not consult a doctor. Any lump, especially in the breast, should be looked upon with suspicion. Other suspicious symptoms are any

sore that does not heal about the tongue, mouth or lips; sores caused by broken teeth or ill fitting dental plates should receive attention; irregular bleeding or discharge from any opening of the body is a danger signal. Persistent indigestion with loss of weight is a symptom of cancer of the stomach. With any of these signs one should go immediately to a doctor. Many times the suspicion of cancer will have been unfounded but it is much better to be safe.

It is desirable to treat all diseases in their early stages, but in no case is it more important than cancer. Periodic examinations made with cancer in mind affords the best protection against this disease. Surgery, x-ray and radium are the main weapons which are used to combat cancer.

State Fair of Texas To Be Bigger And Better Than Ever

A bigger, brighter, gayer, more fantastic and original spectacle is the promise which the world's largest state fair holds to the two million visitors expected for the gigantic 16-day exposition starting Oct. 8th in Dallas, W. H. Hitzelberger, vice president and general manager of the State Fair of Texas, has announced.

"The 1949 Fair will be the best-balanced show in the history of the exposition," Hitzelberger said. "This year we will see to it that sprawled over the 187 acres of fair grounds will be more of everything which fairgoers like, and that quality-wise all phases of the giant show will be at least two cuts above anything ever before seen at the Fair."

Commercial exhibits such as foods, agriculture, automotive, home show, and farm implements, will feature more interesting displays than at any time since the war. This is attributable, Hitzelberger said, to new market conditions and increased competition for public interest.

Two new foreign exhibitors—the British and Belgian governments—will add a new international flavor to the Fair by presenting the best of their export articles in a serious bid for Southwestern favor.
 More money for livestock premiums has resulted in a heavier flow of entries than for any previous Fair. Headlining the 1949 livestock exhibits will be the National Aberdeen Angus show, Oct. 8 - 13. Herds from all representative Angus-producing states and from Canada are expected. Other breeds in the Beef Cattle show include Herefords, Shorthorns, and Brahmans. Breeds in the Dairy Cattle show are Holstein-Friesians, Jerseys, Milking Shorthorns, and Guernseys.

Other major shows of the livestock division will be swine, sheep, Angora goats, Quarter and Palomino horses, and an outstanding junior livestock show. Premiums total \$65,235.

An entirely new type of Agriculture Show is being built to provide "a harvest of ideas for farmers who wish to increase crop yields and incomes. Featured will be flax, grain sorghum, grass, corn, cotton, peanuts, rice, wheat, roses, pecans, oats and barley. Living, growing specimens of each crop will be presented in a dramatic setting "showscaped" by the nationally-famous Lambert Landscape Co. of Dallas.

A revolutionary poultry exhibit will discard competitive classes and instead show how to raise better poultry under typical farm and backyard conditions.

Three major football tilts—Texas vs. Oklahoma, SMU vs. Rice, and SMU vs. Kentucky—top an impressive nine-game gridiron schedule in the Cotton Bowl

which is being increased in capacity from 87,431 to 75,347 by addition of a second deck on the east side. The Fair's parking lot is also being enlarged at a cost of \$25,000 to accommodate 1,000 additional cars under all weather conditions.

Also in the Cotton Bowl will be six nights of free 30-minute fireworks shows and the spectacular "Marchiesta" climaxed Music Festival Day, Oct. 19.

Entertainment features being signed for the Ice Arena, Grandstand and Auditorium, will round out the best-balanced entertainment program in the Fair's history, Hitzelberger said.

Free outdoor acts on the Midway will include the Stratosphere Man, highest sway pole performer in the world; and the Waldorfs, daredevil motorcycle act 100 feet in air.

The women's division will feature two new classifications, potted plants and ceramics, and the world's largest cake baking contest.

Most breath-taking event of all, however, is expected to be Rural Youth Day, Oct. 15, when 75,000 4-H Club boys and girls, Future Farmers and Future Homemakers will be the honored guests of the Fair. "Interest in this day alone is a good indication that the 1949 Fair will be the most successful ever staged," Hitzelberger said.

Those to spend Sunday with Mr. and Mrs. R. G. Eddleman Jr. and girls of Clarendon were Mrs. U. G. Koontz, Otis and Doyle, Mr. and Mrs. Delmer Koontz and girls, Mr. and Mrs. Glenn Sloan and daughter and Mr. and Mrs. Curtis Moffett and son, all of Clarendon; Mr. R. G. Eddleman Sr., Mr. and Mrs. Bert Eddleman and family, both of Goodnight and Mr. Woody Eddleman of West Palm Beach, Fla.

Judge and Mrs. R. Y. King and family had for week end guests, her cousin, Mr. and Mrs. Frank Heines and daughter Mary Frances from Okarchee, Okla.

Recipe of the Week
 BY MARY LEE TAYLOR

Butterscotch Brownies

1 cup sifted all-purpose flour
 1/2 cup brown sugar
 1/4 teaspoon salt
 1/2 cup soft shortening
 1/2 cup Pet Milk

1 teaspoon vanilla
 1 egg, separated
 1/4 cups brown sugar
 1/2 cup chopped nuts
 1/2 cup whole, shelled nuts

Turn on oven; set at moderately hot (400° F.). Grease one 9-in. square pan. Mix flour, 1/2 cup brown sugar and salt. Work in shortening with fork. Stir in 1/4 cup milk and vanilla. Spread in pan. Bake 15 min., or until light brown. Mix slightly beaten egg yolk, remaining 1/4 cup Pet Milk, 1/4 cups brown sugar and chopped nuts. Fold in stiffly beaten egg white. Spread on baked layer. Arrange whole nuts on top. Reduce heat to moderately slow (350° F.); bake 30 min. longer, or until brown. Dip knife in water, then cut into 1 1/2-in. squares while still warm. Let cool before removing from pan. Makes about 3 doz.

NEW MASSEY-HARRIS COMBINES
 HAVE MORE CYLINDER CAPACITY
 More efficient cylinder and beater design lets you harvest faster.

★ More cylinder capacity lets you cover more acres a day... up to 50 with the new Massey-Harris big capacity "26"—up to 70 with the "27"—the biggest capacity combine on wheels.

You move along at a good clip because straw is kept open... loose, to give the rasp bar cylinder a better chance to rub out the biggest percentage of your grain. Leaving the cylinder, straw moves directly onto the longer, wider walkers so you get all of your grain, cleaner grain to increase your profits... more

capacity in the entire combine to get your grain in faster, easier, at less cost.

And Balanced Separation

This amazing new Massey-Harris combine principle assures perfect control of grain and straw through every step of harvesting. Every unit has the capacity it needs to do a better job of harvesting your grain.

Stop in soon for complete details on these new, better Self-Propelled.

Illustrated is the new "27" Self-Propelled. Available in 16, 14 and 12-foot widths.

Mary Jean Newby, Bill Armstrong Wed at Sunrise

The First Baptist Church of Hughes Springs was the scene for the Sunrise wedding Sunday, Sept. 11 of Miss Mary Jean Newby of Hughes Springs and Bill Armstrong of Amarillo.

The bride is the daughter of Mr. and Mrs. Reno P. Newby and the bridegroom is the son of Mr. and Mrs. Bryan Armstrong of Clarendon.

The ring ceremony was read by the Rev. L. A. McKinney of Hughes Springs. Mrs. D. D. Starnes of Mineola played the traditional wedding music. Miss Ruth Ann Parrish attended the bride and Jack David Poole of Avinger was best man.

The bride wore a tailored suit of marie blue gaberdine with belensago accessories. She carried a white Bible topped with white carnations.

Mrs. Bryan Armstrong, mother of the groom, wore an attractive black faille dress, with black accessories and a corsage of white carnations. Mrs. Newby was attractive in a mauve grey tissue faille dress, with which she wore black accessories, her corsage also was of white carnations.

The out of town guests were: Mrs. Bryan Armstrong, mother of the groom and Mrs. D. F. Cook, sister of the bride from Clarendon, and Mr. and Mrs. Robert Allan, sister of the groom, from Houston.

BRIDAL PARTY AT BREAKFAST IN HARRIS HOME
Mr. and Mrs. Bill Armstrong and members of the bridal party and their immediate family were honored with a wedding breakfast at the home of the bride's aunt, Mr. and Mrs. A. B. Harris, immediately following the Sunrise ceremony Sunday, Sept. 11 at the First Baptist Church in Hughes Springs.

The hostess had her table attractively laid with a white linen cloth and centered with a crystal bowl of colorful cut flowers; other floral decorations were used in a charming manner throughout the home.

Seated were: the bridal couple, Mr. and Mrs. Billy Armstrong, their attendants Miss Ruth Ann Parrish and Jack David Poole, Mrs. Bryan Armstrong, Mr. and Mrs. Reno P. Newby, Mr. and Mrs. Bob Allen, Mrs. D. F. Cook, Mr. and Mrs. Marvin Naron, Mrs. D. D. Starnes, Mrs. J. B. Shaddix and the host and hostess.

The newly weds will reside at 804 Fillmore St., in Amarillo.

REUNION AT S. J. RANCH

The S. J. Ranch was the scene of a reunion given by Mr. and Mrs. Homer Smith on Sunday, Sept. 25. The luncheon was served buffet style.

Those present were the host and hostess, Mr. and Mrs. Homer Smith; the guests, Mr. and Mrs. Millard Word of the S. J. Ranch, Mr. Ben Hennige of the S. J. Ranch, Mr. and Mrs. Andy Collins and son Doyle of Memphis, Mr. and Mrs. Clyde Collins and children Sandra and Ricky of Memphis, Mr. and Mrs. Vincent Thomas and daughter Ruby Fae of Clarendon, Mrs. Della Smith and son S. J., Mrs. Lucille Kerlee and sons Buster and Billy, Mrs. Virgil Lee Adams and son Warren of Clarendon, also Mr. and Mrs. H. D. Webb of San Angelo, Texas.

Annual Presbyterian District Conference Meets In Clarendon

The Annual District Conference of the Women of the Church of Dallas Presbytery, met in the Church at Clarendon on September 21, 1949. The following program was given:

Quiet Music — Mrs. Millard Word, Clarendon.

10:00 A. M. Call to Order—Mrs. Robert Francey, District Chairman, Happy.

10:15 "What are We Doing"—Local Presidents.

11:00 "Missions at the Grass Roots" — Miss Mabel Mongole, Clarendon.

11:15 Solo—Mrs. W. G. Word, Clarendon.

11:20 "Missions in the Home Church"—Miss Margaret Mizel, on leave.

12:15 Recess for Lunch.

1:20 Call to Order.

Mymn Sing

Offering

Prayer

1:30 "Lift up Your Eyes"—Mrs. Julian Smith, Dallas.

2:00 "What Can I Do?"—"In My Own Spiritual Growth?"—Mrs. G. L. Green, Clarendon.

"In My Home?"—Mrs. J. R. Benika, Amarillo.

"In My Community?"—Mrs. J. G. Dowse, Amarillo.

"In All The World?" — Mrs. Smith, Happy.

2:40 Benediction.

There was an unusually good attendance, there being 15 from Amarillo, 6 from Happy, 29 from Clarendon and one visitor from Missouri.

Outstanding on the program was the talk by Miss Mizel, who has been a missionary for 30 years, having spent the most of this time in China; the address by Rev. C. E. Dodge, and "Lift Up Your Eyes" by Mrs. Smith from Dallas.

The Conference will be held in Happy in 1950.

THE TEMPLE OF TRUTH

By the Apostle

BIG HURRY FOLKS.

They who measure their pro- gress in miles often wind up with "feet" under the ground.

DESTINY.

Those who abandoned the babe on the doorstep of a Stamford hospital recently probably did a kind act. It will be adopted and will have a chance under the modern adoption methods.

HIGHEST TRIBUTE.

Having no children of their own or any prospect of it, Mr. and Mrs. Ray Wadsworth, who operate a dairy at Bangs down near Brown- wood, adopted a baby boy. Then they a short time later adopted another, both from an approved "baby station" in Dallas or Ft. Worth.

SUGGESTION.

A simple way to prevent secret treaties would be to employ women diplomats.

THE BROADCASTER.

Men and whales have much in common. The only time a whale gets into trouble is when he stops to blow. A wise man never blows his "knows."

SCARCITY.

A lawyer friend allows as how you can't judge a woman's character these days by the clothing she wears, as there isn't enough evidence.

REVENGE.

The old lady who could not for- give her daughter for eloping, has been living with the couple ever since.

QUEER STUFF.

The biggest joke of the year is that the members of the legisla- ture, after spending all the state money and going deeply into debt, now want the taxpayers to raise their salaries and let them stay in session all the time.

Baptist Hour Begins

The first Year-Round Baptist Hour will go on the air over a Convention-wide network of 132 stations on October 2nd with Dr. Robert G. Lee, of Memphis, presi- dent of the Southern Baptist Con- vention, as the speaker.

Plunkett's Variety Show To Be Here

Plunkett's Variety show, with ten members of the family to give the show company its name, will set up in Clarendon Oct. 3rd.

A new flameproof tent will house the show on the lots south of main street.

The show is sponsored here by the V. F. W.

If the weather is cold the tent will be adequately heated.

The Plunketts family has spent twenty years in the tent show business, in the west. Thirty people are in the company of entertainers, presenting a three-act comedy play and ten acts of vaudeville with a complete change of program each night.

On the vaudeville bill this year Miss Jerrie Plunkett, songstress; Kenedy (Chubby) Swain and Billy (Toby) Crunch, described as two of the funniest men in stage show business; Cleo and Flo Del- garde dance team; the eight Plunkett epaches, a line of beautiful girls in gorgeous costumes; Capt. Plunkett trained animal acts, featuring the seals and Congo, the trained Chimpanzee, Miss Billie Plunkett flying trapeze; Kalo, master Magician; Sky Ballot, Miss Billie, Miss Gloria and Miss Charlene: the Famous Plunkett troupe on the bounding

Trampoline; One of the outstand-

ing acts is Mr. Jim Plunkett re- enacting the famous minstrel show days; Bob Wager in his Imp- erson actions.

This year the Plunketts proudly present the Dick Darling Produc- tions of vaudeville acts in con- junction with beautiful wardrobe and lighting effects, using Stro- blite.

School children are cordially invited to the show grounds dur- ing the day to see the seals. Free!

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

"This week we have received Angela Thirkell's new book "The Old Bank House." This is a novel of gaiety, charm, and wit. And apparently this writer continues to use characters that have appeared in other of her novels, but this fact will not detract from the reader's interest if he or she is not familiar with these characters. On the shelves are three other books of Angela Thirkell's — "Before Lunch," "The Brandons," and "Cheerfulness Breaks In." On the non fiction list we have "Alcatraz Island Prison," by James A. Johnston who is former warden of Alcatraz penitentiary. He retired in 1948 after fifteen years of service. His observation of neurosis among prisoners, the conclusions he is able to draw from his study of psychaic criminals, are especially informing.

One of our younger patrons, Frank White III, recently spent a month at Mobridge S. Dakota. While there he read 23 books from the public Library, so was awarded a prize for having read more books during the month than any patron. His membership fee of \$1.00 was refunded so he paid his home Library fee for one year.
 The Kemp Library of Wichita Falls has recently introduced the plan of accepting books dedicated to the memory of those who have

passed on. The Librarian suggests that she would appreciate an opportunity to aid in the edition selected to avoid duplicates as room space is quite limited. We too are badly in need of space. So many useable books can not be accepted if duplicates. We trade and scheme daily to secure good material—have space for a small reading table and our magazine rack.

The Evans boys from a rural section gave us seven books this week. There was only one duplicate—The rural children are excellent patrons, and rarely careless with their books.
 There is some excellent material for adults now — get your share.

Donley County ACA Farm News

COTTON ALLOTMENTS:

Mrs. Ritter, Administrative Officer of this office, went to Wellington this week to attend a meeting pertaining to cotton allotments. We have had several fellows in the office the last few days wanting to know if we did have any news about the allotments and how and when they would be set. We can't give you

any information at the present time, but we hope to be able to tell you something in next week's article.

SAVINGS BONDS:

This office has been asked to co-operate with the Treasury Department in their fall campaign to sell bonds to farmers and ranchers. We have posters up in the office, and we have ordered some pamphlets to mail out to you producers. We think it's a good idea and those of you who have already purchased bonds know its

a good idea, so let's all get behind this drive.

COUNTY FAIR:

The office has missed Flip Breedlove this last week, but he is doing his best and spending his time to give us a bigger and better county fair. Be sure and go to see the fair. We know it will be worth your time.

WINTER LEGUMES:

The producers in the county are going all out for winter legumes. Those planting vetch, peas, or rye in Community A are: J. Ralph Porter, Wilson Gray, Roy Robertson and Walter Fraser. Those in Community B are: Finis L. Hill, Fred Mulkey, H. S. Mahaffey, F. C. Crofford, Carl Morris, and J. B. Lane. Those in Community C are: C. E. Bairfield, Cleo Woods, Alton R. Webb, A. F. Sprinkles, Claude Moore, John R. Gillham, L. T. Mays, H. T. Warner, Forrest Sawyer, Rosco Land, Mark Allen, T. L. Speir, Luther Byars, Dennis R. Lindley, and C. H. Bugbee. Those in Community D are: W. N. Proctor, W. A. Guy, Ray Holland, H. A. Swinney, H. L. Riley, Buster Riley, Marvin Jones, Harry Brumley, and H. L. Shaller. Those in Community E are: John Richey, John Shields, Will Kennedy, and J. P. Holliman. Those in Community F are: W. M. Snelson, Tommy Bain, Charles Waddell, W. P. Doherty, and Frank Jones. Those in Community G: W. F. Grimsley, V. T. McPherson, Carman Rhode, James Gould, W. C. Quisenberry, and Ansil Adamson. And Community "H" THERE ARE NONE!! What about this fellows? Aren't you interested too?

20% Superphosphate:
Nearly all of the above producers also have an approval to apply 20% Superphosphate to their peas and vetch. We also have issued an

approval to several producers for phosphate to apply to alfalfa and pasture grasses. They are: Park L. Chamberlain, Finis L. Hill, Charles Waddell, H. L. Riley, John Tate, A. E. Greer, Granville L. Simmons, and Carl B. Morris.

SETTLEMENT VALUES FOR COTTONSEED LOANS:

Settlement values for cottonseed loans not redeemed by producers prior to maturity will be based on grades delivered to Commodity Credit Corporation, according to latest information we have. The loan rate of \$49.50 per ton is based on the average grade for the past 5 years, which was 97.7. Since 100 is the "basic grade" and grades may range from 40 to 125, the settlement value of basic grade 100 will be \$50.65 per ton plus or minus a percentage of such price equal to the percentage by which the grade is above or below 100. Price supporting loans on cottonseed from the 1949 crop will be available through December 31, 1949 and will mature April 30, 1950, or earlier on demand. Loans will be made on cottonseed with a moisture content of 11 percent or less placed in approved storage on or near the farm. Growers interested in a loan should contact the county ACA office.

Notes from - - - CITY HALL

Well, here we are back again. We your city government have been so busy and accomplished so little that there has been very little news.

We wish to thank the people who have been very considerate and cooperative while we had their water cut off enabling us to lower their lines so they would not freeze this winter. If any of you know of any lines that froze last winter, that we have not lowered, please let us know.

Our tax notices will be mailed shortly and if you have the money you will save some by paying your taxes soon.

Just a little explanation as to where our taxes go: 75% go toward retirement of bonds and interest. Then we will have roughly \$9,000 to go into the General Fund. That we already owe, viz to pay for street maintenance, and monies we have borrowed to take care of the slack months in water revenues.

We hope this answers the questions we have been asked from time to time. We will have an announcement to make next week.

We will, beginning October 1st, charge sewer rental to residents who have sewer service available even though they have not been connected. There is, and has been, an ordinance to this effect for some time.

Don't forget that between 2 and 4 o'clock on October 4th, we will have a tax sale on several lots at the court house. We would much rather you owned them than the City.

The Lion's Roar

By O. D. Lewry
The Lions Club held its regular meeting September 27 in the club hall. Eighty-six per cent of the members and eight guests were present for this meeting.

Lion J. C. Estlack was the lucky Lion. The program consisted of a talk on the Donley County Fair by Lion Breedlove and brief talks by high school coach Beryl Clinton and junior high coach John English.

Lions we have been holding our goal of 85% attendance but 90% would look even better.

Among the ladies to see the beautiful flower display Tuesday at Amarillo in different beautiful homes were Mesdames J. L. McMurry, C. C. Powell, Pete Kunz, Joe Goldston, Walter Taylor, Emmett Simmons, Chas. McMurry, Frank White Jr., Frank Phelan Sr. and DuLaney.

Mrs. Howard Young of St. Louis and Mrs. Dick Young and daughter Harriet of Dumas visited Mrs. T. F. Connally and Mrs. Alfred McMurry over the week end.

Dr. and Mrs. J. W. Evans returned home Friday from a 10-days visit at Abilene, Kansas where he visited his sister, Mrs. Gordon and on to St. Louis where he visited his sister, Miss Evans.

Mrs. Lena Dilli will leave Friday morning for Howard, Kansas to visit Mr. and Mrs. R. C. Dilli. Later she plans to go on to Chicago for an extended visit with her relatives.

Donley County Fair Premium List

The entire premium list for the Donley County Fair, Horse Show and Races are as follows:

COMMUNITY AGRICULTURAL EXHIBITS

Any community in Donley County is eligible to compete and the community agricultural exhibits will be judged on quality of products displayed, arrangement and neatness. Each exhibit must have at least 20 commodities on display as shown in the listing sheet below. A community can show as many commodities as they wish as long as they have at least 20 of the ones shown in this listing. The judge will use the following method in judging the com-

munity agricultural exhibits:

- 1. Must have at least 20 of the commodities listed in this paper on display, or more.
2. Quality of products displayed, 60%.
3. Arrangement of display and decoration of back wall, 25%.
4. Neatness of exhibit, 15%.
Exhibits must be in place and ready to be judged by 10 A. M. on Sept. 30th. It will be necessary that all exhibits be set up on the 29th of September. The judge will be well qualified in agriculture and will be from out of county. The Premium money for agricultural exhibits is \$40.00 for 1st place, \$30.00 for 2nd place and \$20.00 for 3rd place, and \$10.00 for

all other exhibits. The following are the commodities and number of each to be shown, from which you can select those for your community display:

Let's all work to make this the biggest fair ever in Donley County. Each year we should try to make it better than the year before. It is your Fair, but any way that we can help you we want to do so; just call on us or on any of the committees. We will all be there to assist and advise in setting up the exhibits. Let us know if we can help.

1949 The Bluebird 1950

Vol. 1 No. 1 LELIA LAKE SCHOOL NEWS Sept. 29, 1949

A new shop course has been added to the Lelia Lake High School curriculum.

The purpose of this course is to teach the boys how to do simple carpentering work. The boys have just finished an end table and did a nice job of it.

There was approximately \$300 worth of equipment bought for the shop this year and it is expected to get more later. The shop now has a bench saw, jointer, and a jig saw. The rest are small everyday carpenter tools.

The boys are going to start making themselves a cedar chest after cotton picking, which will probably start in 3 weeks.

There has been a special place made for the shop outside the main school building. It is located southwest of the gymnasium.

There are nine junior and senior boys taking shop this year. They are: Billy Hill, Bobby Hill, Billy White, T. J. Carter, Lee Roy Jackson, Ralph Ayers, Benny Darnell, Keith Reed, and Kenneth Wilkerson.

—By Ralph Ayers

For four years students of Lelia Lake School have not had to car-

ry their lunches with them, for they have a lunchroom where hot meals are served daily.

The lunchroom has three workers, Mrs. J. C. Christal, supervisor; Mrs. Lena Brown, and Mrs. Leona Butler, assistants. They have the necessary health certificates. Standard grade A meals are served without milk. The average meals served a day are eighty-two. They are served in regular serving trays, which are much more convenient than plates.

The lunchroom has new linoleum, refrigerator, and a ten-burner stove. The seating capacity is forty-six. The dishes are washed in hot soapy water and sterilized.

Since the majority of the students of Lelia Lake are from rural communities the lunchroom has and is being of great service to them.

Chances of the Lelia Lake boys basketball team being a winning one look fair at the start of the season, but it is expected to look better at the first conference game.

Friday, the Bluebirds, will play the Lelia Lake Outsiders.

The Bluebirds lack the height they had last year, but promise more speed. The team expects to win as many or more games than they did last year, of which only five were lost. They have a good chance to win Friday night. If they lose, it will be on account of the height of the other team.

The team has about fifteen boys going out for basketball. They are going to have two good teams besides several inexperienced players to pick from.

Prospects for the girls basketball team look exceptionally green. They have the material to come out with a good team if nothing happens and the spirit to win is firmly planted in each player.

They lost four players in the 1949 graduation. The two experienced players are Bobbie Seago and Marilyn Butler and it looks as if they may have to play pretty hard until the others get over their fright.

The freshmen girls are looking pretty good, although it is their first year to play. Two that show promise are Margie Tims and Mary Dodson.

They have a chance of winning more games this year than they did last year. Of the seventeen games played last year they won only four. This year they hope to win the majority of their games.

Marilyn Butler entertained with a party Tuesday night, September 20, in the home of her parents, Mr. and Mrs. J. L. Butler.

Games were played and refreshments were served to Shirley Atan, Bobbie Seago, Billy Hill, Adell Fox, Dude Cornell, Janell Fox, Odell Morrow, Noma Lee Lewis, Bobby Hill, and hostess, Marilyn Butler.

STATE FAIR 'ATOM PILE'—This model of a uranium pile is a small segment of one of the dramatic exhibits in the "Man and the Atom" show coming to the 1949 State Fair of Texas Oct. 8-23 direct from the famed American Museum of Atomic Energy at Oak Ridge, Tenn., cradle of the atom bomb. Admission to exhibit will be free.

time.

Approximately 160 miles are covered by the Lelia Lake school buses each day. Billy Hill drives the Windy Valley bus and T. J. Carter drives the Naylor route. Each bus makes four routes in a day. There is a 1946 Ford and a 1946 Chevrolet.

Besides making routes, the buses are used to go on ball-games, trips, and other school activities.

John Jay was in Amarillo last Friday attending to business matters in regard to aerial spraying.

OLD PATHS
By
DOYLE WILLIAMS
Minister
Church
of Christ

The whole country abounds with men and women as sincere, candid, and honest as can be found on earth, who have been seekers, mourners, done every thing the preachers told them to do as faithfully as human beings could, and continued an astonishing length of time, and found nothing; demonstrated this system to be a failure. They know they have been disappointed, deceived, deluded. They have, in many instances, turned away in utter disgust, became hardened and abandoned sinners. Many of them have abandoned all churches, all preaching, and are out at sea without chart or compass.

This modern, dark, gloomy, and unintelligible system of seeking without inquiring of the Lord, in his clear, definite, and intelligible instructions, where he will be found, and where he has promised the salvation of the soul from sin, is responsible for all this. There never was a failure in the Lord's plan. The failure is in men, who either do not know the Lord's plan, or will not practice it. There can be no excuse in the case. In the nature of the case, the Lord would not make the way of salvation so dark, mystical, and difficult that honest and sincere people could not find, and then condemn them for not finding it. The very idea of men and women entering an institution, and then not knowing how to show other people the way in, is utterly ridiculous. There is, probably, no institution into

which men and women have entered, in this world, and could not show others the way in, except some of the dark, misty, and foggy systems of religion. Men and women get into these, and can not tell how they got in, or how another person can get in! This is confusion worse confounded, darkness that may be felt.

There is nothing clearer to the man acquainted with the New Testament than that, in the time of the apostles, any person who desired to be a Christian could forthwith turn to God and enter the covenant. No such thing is known to the Scriptures as persons desiring to become Christians, and seeking to do so, but could not. This is implied by all the invitations of the Gospel. Whosoever will, let him take of the water of life freely, is the very spirit of the Gospel. Thousands of these modern seekers die seeking, without even the imagination that they have found pardon. This is not the way of the Lord, nor even a wise human device, but one of the weakest, most mischievous deceptions and extensive failures ever known. Thousands of people, in all directions, need go to no man to tell them, to no preacher or private person, for they have tried it, and know for themselves they have tried honestly, and found nothing. They know what sort of promises were made to them, encouragements were held out and advices were given, and they know that they have received nothing; that they have been utterly disappointed, misled and deceived. This much is not a matter of opinion with them, but of personal knowledge. They know it.

The injury done to these is incalculable. In numerous instances the injury can never be mended. Many will go no farther, but put all Religion and the Bible itself on the same footing, and never again have any confidence in religious instruction. (Con-)

Texas A & M College Wants Mourning Dove Wings

COLLEGE STATION—An appeal is being made to Texas hunters to send mourning dove wings to the Texas Cooperative Wildlife Unit, Texas A&M College, College Station. From these wings it is possible for Wildlife technicians to determine how many of the birds were hatched this past summer, and thereby know if a successful nesting season occurred.

Collecting dove wings at A&M is a part of a coordinated research program initiated by the U. S. Fish and Wildlife Service due to a noticeable decline in the dove population during the past few years. All wildlife conservation agencies in the Central and Southeastern United States are cooperating in this program.

Hunters are urged to aid in this program by sending the right wing of doves to the Texas Cooperative Wildlife Unit, A&M College, College Station. Each wing should be marked with the date and location where each dove was taken.

HATS ON FOR MINNIE PEARL

Minnie Pearl, of the WSM Grand Ole Opry, laughs when she hears a woman say, "That old hat? Why, I wouldn't be caught dead in it!" For, if it weren't for an old hat, Minnie Pearl wouldn't even be alive. Minnie Pearl will appear with the Grand Ole Opry at the Amarillo Tri-State Fair, October 3-7th.

The whole career of a tall, slender blond gal named Sarah Ophelia Colley can be traced to an ancient straw skimmer that her mother wore on dates about 50 years ago. What has that got to do with Minnie Pearl? Well, Sarah Ophelia Colley is Minnie Pearl, every Saturday night when she races pell-mell to an NBC microphone in Nashville, Tennessee, and hollers: "How-Dee! I'm just so proud to be here!" Millions of fans tuned in to "Grand Ole Opry", radio's oldest network commercial program, grin in friendly anticipation when they hear that greeting. For Minnie Pearl is radio's foremost country-style comedienne, featured on the 23-year-old "Opry" show. And every time she faces an audience, she's wearing that

flat straw sailor, trimmed with flowers and a bit of fruit, that nobody laughed at when it was new and her mother wore it proudly.

"It has brought me luck," Ophelia will tell you. "And it's

MINNIE PEARL.

also a reminder that my Mom was the first person who encouraged me to go on with my career." A popular young teacher in her home town of Centerville, Ten-

nessee, Ophelia Colley — as she was called—hankered to be a performer in show business. This was in the early '30's, when Ophelia, a smiley, attractive graduate of Ward - Belmont College, came back to Centerville to teach youngsters the fine art of the drama, in which she had won her diploma. For two years she devoted herself to home town pupils, but began to yearn for a change. So she joined the Wayne P. Sewell Producing Company of Atlanta, and began travelling all over the South, giving dramatic readings and coaching local talent for their productions. She was still, in every sense of the word, a teacher—but now she was beginning to feel like a trouper, too. That was the best part of it.

Minnie Pearl made her bow as a surprise feature on an amateur program at a summer hotel in South Carolina in 1938. Having worked out the character, Ophelia needed a costume. So, she went shopping at a little General Store nearby and got: a bright yellow organdy dress, with a long flounce that nearly reached her ankles, on sale for 89 cents; white lisle stockings; a square black pocketbook; flat-heeled black Mary Jane slippers with loose straps. She wrote her mother all about the daring plan to introduce her character the next Saturday night at a hotel program. In replay she got a good luck token, by which Mrs. Colley showed her faith that her daughter would make good: she sent a sailor hat of rough straw, trimmed with flowers and fruit, which she had once worn as a young girl on her first dates. That, she hoped, would come in handy to complete the costume.

It didn't just complete costume. It also completed Ophelia's belief in the rightness of her idea; if Mom thought enough of her Minnie Pearl to help dress "her" up, maybe the character did have merit. That antique bonnet also played a big part in giving her confidence the night of Minnie's debut.

During the past seven years, while the whole nation has been setting acquainted with (and getting a crush on) Minnie Pearl, her creator—happy to be a performer at last—has used up thousands of funny remarks, comical songs and anecdotes. She has also worn out several organdy dresses, copies of the 89-cent original, dozens of pairs of white lisle stockings (still ordered by mail from that tiny General Store) and 31 pairs of ill-fitting Mary Jane strap-slippers. But the hat she wears each Saturday night is the same lucky heirloom that served as her rabbit's foot on her debut broadcast. Ophelia still looks upon that old straw boater as a souvenir of "Mom's" belief in her, and wouldn't want to give a performance in any other "lid."

"You might say," Ophelia Colley sums it up. "that for seven years I've been talking through her hat."

The feet of firefighters will be protected from heat, glass and nails by a newly developed stainless steel insole for shoes and boots.

SOCIAL SECURITY NEWS

Q—What is the difference between Social Security and the Old-Age Pension?

A—There are three main programs under the broad Social Security Act. Old-Age and Survivors Insurance, Unemployment Compensation and Public Assistance. Old-Age Assistance (commonly called Old-Age Pension) is administered by the State Department of Public Welfare.

Q—How does a person qualify for Old-Age Assistance payments?

A—Application is made with the State Department of Public Welfare worker who is generally located in the county court house. Public Assistance is given to the needy aged, the needy blind, and to dependent children. The basis for determining need varies with the different states.

Q—Isn't this the same as Old-Age and Survivors Insurance?

A—No. A person's need is not considered in making Old-Age and Survivors Insurance payments. To qualify for retirement payments or survivors' payments in case of death, the worker must have been employed a required amount of time on jobs covered by social security.

For further information you are

invited to contact the Amarillo social security office or the representative when he is in Clarendon. Floyd B. Ellington, Amarillo office representative, will be at the County Court House, Tuesday, October 11, at 10:00 a. m.

Stepped into Smith's Department Store the other noon and saw the strangest thing. "Sis" Davis was coming up the stairs from the basement with a bundle of wash.

"Is Smitty taking in washing these days?" I asked. "Not quite," she says. "He's just put in a new automatic washing machine, so the girls who work here can get their laundry done while they're eating lunch. Means more time to relax at night and on weekends."

I thought what a swell boss Smitty must be. Human relations between the boss and employees

SERVING the Gulf South

... by making natural gas AVAILABLE FOR USE

Your own personal prosperity is closely linked with the prosperity of your community and state. Therefore, anything that creates wealth in the area contributes in one way or another to your welfare.

United Gas has created millions of dollars of new business in the Gulf South by building pipe lines to gather and move to market natural gas that might otherwise have remained worthless under the ground. This is another example of the way the American Business System works to bring better living to your community.

MERCHANTS DISPLAY

Merchants display should be set up on Sept. 29th. All merchants who have not been contacted should see R. E. Drennan

I notice a little in the papers, not enough probably, about the election coming up in Nov., in which we vote on several amendments to our state laws, and elect some men to sit on the newly created state school board. We should know the man we elect to this office, we should feel that he is a man faithful to the school problems. Anyway, one of the main reasons for so many wanting to do away with the present state superintendents office was because of the lack of interest by the people in this office, which allowed one man to keep himself in office indefinitely. We better wake up and take an interest in our schools and what goes with our taxes or there is no telling where we will end up - - -

One of the amendments allows women to sit on the jury in Texas. What do the women want in regard to this? There must have been a lot of women after our legislators in order to get this up for a vote. As for me I would like to let the girls have this job and I think I will vote that way. However, Mama don't approve of it at

all. She is against it hook, line and sinker. She says "Most of the trouble in the world is caused by women trying to wear men's pants." Anyway, let us hear from you women about this. Is Mama right? - - - Understand this is not my viewpoint. I think that our whole judicial system would be improved by the change. Women are more conscientious than men and would take the job more seriously. Anyhow, if you women want to sit on juries, you don't need to go vote, just stay home and we men will vote to let you have the job.

"Genius is one percent inspiration and ninety nine percent perspiration"—Edison.

"Work as if you were to live a hundred years; pray as if you were to die tomorrow."—Franklin

"Success is full of promise till men get it; then it is a last year's nest from which the bird has flown."—Beecher.

"Indeed I tremble for my country when I reflect that God is just."—Jefferson.

"The man who can't make a mistake, can't make anything."—Whitman.

"Don't take the bull by the horns, take him by the tail; then you can let go when you want to."—Josh Billings.

Anyway, Mama had a new book with a lot of quotations in it. I had to work hard all week. Everyone else had to work hard this week which is one reason for nobody writing to us. So, it was a perfect set-up to borrow from the book this week.

There is something wonderful about working, especially working all alone out in a big field, with maybe only the tractor for company. There all our friends pass along in our minds and we visit with them and think about the good deeds that they have done for us. If anyone has done a bad deed to us, usually we can forgive him easier out in the field than anywhere else. I used to think that if I was ever financially able to quit plowin' I would write a book. Now, I think if I

should ever write a book it would be on how better to enjoy plowin'.

Finally we come to the bottom of the page and we wonder whether to send it to the editor, or tear it up, maybe we should have at that - - - Write us this week, if you have an idea on any of the above subjects.

Ernest Tubb Will Be In Grand Ole Opry At Tri-State Fair

Ernest Tubb, the tall Texas Troubadour, is one of the headliners of the WSM Grand Ole Opry which will appear at the Amarillo Tri-State Fair, Oct. 3-7. Since 1942 he has been packing them in at the big show and at his public appearances throughout the United States. His famed rendition of the songs that the people like to hear, backed up by his familiar Texas drawl and the humorous twinkle in his eyes, make him a box office sensation, in addition to his great appeal to millions of radio listeners.

ERNEST TUBB

Ernest is a native of Crisp, Texas, and grew up in Ellis County in the Lone Star State, a section famous for its cattle. He was an early admirer of the late Jimmie Rodgers, the "Singing Brake-man", and when his idol died, he became fast friends with Rodgers' widow, who gave Ernest the guitar he now uses. The Opry star says this guitar—the one used by Jimmie—is one of his most cherished possessions, and that he still looks to Mrs. Rodgers for guidance and advice.

Aside from his fame as a member of the WSM Grand Ole Opry cast, Tubb is one of the nation's best-selling recording artists. He records for Decca and that firm's only other artist who tops Ernest

is Bing Crosby. Among his latest releases are such hits as "Let's Say Goodbye Like We Said Hello", "Daddy When is Mommy Coming Home", and a novelty record with the Andrews Sisters, "I'm Biting My Fingernails Thinking of You."

Tubb has made a number of motion pictures in Hollywood, his most recent being "Hollywood Barn Dance".

CANNON JERSEY COW RATED AS TESTED DAM

COLUMBUS, O.—A Texas registered Jersey cow has been rated as a Tested Dam by The American Jersey Cattle Club. The distinction was awarded Mistletoe

Star Missy 2nd for having three offspring with official production records. She is owned by Frank E. Cannon of Clarendon, Texas.

The cow's descendants averaged 8,317 pounds of milk and 427 pounds of butterfat on twice daily milking, mature equivalent basis. The tests were checked by Texas A&M College and The American Jersey Cattle Club.

The production testing carried on by Cannon is part of a program offered by The American Jersey Cattle Club to make possible the continuous improvement of the Jersey breed. The Club's national headquarters is in Columbus, Ohio.
