## Coyote Trappers Set For Action

The coyote drive in Donley County is getting well underway and the shipment of guns and bait ordered by farmers and ranchers in the county has arrived in the office of the county agent. 150 guns were ordered, 685 shells and 30 bottles of scent bait. They are now being issued to those who ordered and by the middle of December the program is to be actually under operation and have started to killing the coyotes.

### NEW LADIES CLUB ROOM NOW READY FOR USE

Mrs. Barcus Antrobus, president of the Club Room Board, announced this week that the new ladies club room was now ready for use and that the move had been made effective Monday of this week. The club room is now located in the former Patching home in Southwest Clarendon. The home was given to the ladies of Clarendon by the Patching children as a memorial to their parents, the late Mr. and Mrs. F. G. Patching, to be used as a city club room.

### Hedley Woman Dies In Amarillo Hospital

Funeral services were held Tuesday afternoon at the Hedley Methodist Church for Mrs. Mary Jane Collier, Hedley resident who passed away in an Amarillo hospital Monday morning. Mrs. Collier, age 60, had lived in Hedley since 1938, when she moved there from Ashtola. She was a member of the Methodist Church.

### Episcopallians Asked To Bring Soap To Thanksgiving Service

As a token offering of thanks to God, the members of the Congregation and any others interested are asked to send soap to the Thanksgiving Service. There is a critical need in Japan for soap to be used in general cleaning. This soap will be sent to Abilene, then shipped direct from there to Koyoto Japan. It is only a small offering of our Thanks to God.

### Mrs. R. J. Bogue Buried Last Friday

Funeral services were held at the First Baptist Church at Goodnight last Friday afternoon for Mrs. Alice A. Bogue with Rev. A. B. Mosley officiating. Mrs. Bogue, age 73 years, died at the Groom hospital last Wednesday morning. She had been a resident of near Goodnight and Donley County since 1924. She was a member of the First Methodist Church.

### GRAVESIDE SERVICES HELD FOR CORMAN INFANT

Graveside services were held Monday afternoon for James Michael Corman, infant son of Mr. and Mrs. Robert A. Corman of Clarendon. Rev. Thomas A. Gray officiated. Survivors besides the parents are one sister Janice and one brother Clarence, grandparents, Mr. and Mrs. Clarence Pipes of Clarendon and Mr. and Mrs. Farmer Corman of Oak, Neb.

### Four Locals Off On Big Fishing Trip

Four prominent Clarendon citizens will leave tomorrow morning (Thursday) on a 10-day or two weeks fishing outing. They are: J. G. McAnear, Glenn Adkins, C. M. Akin and G. W. Bradshaw. The trip will take them to Arizona where they will travel into Old Mexico and on westward to Guaymas, Old Mexico on the Pacific coast. There they will have an experienced guide awaiting their arrival and he will take care of all their needs from there on. They plan to fish in the California Gulf where not too many fishermen have the opportunity to try their luck, and from information received, their guide is one of a very few who knows the gulf waters and where the best fishing is found.

### LEADER A DAY EARLY THIS WEEK

With the fine cooperation of our many friends, news reporters, advertisers and all, we are able to bring the Leader to our readers a day early for Thanksgiving. Being able to publish a day early, on Wednesday, the Leader friends will be able to join their friends in observing this one great day of the year when we all pause to offer our meager thanks for the many blessings that have come our way.

### Wayland College President To Speak Here Sunday

President J. W. (Bill) Marshall of Wayland Baptist College, will speak at the morning and evening worship services of the First Baptist Church of Clarendon, according to Rev. L. A. Sartain, pastor, on Sunday, November 27. Election to the presidency of (See President to Speak, page 8)

## Lions Show to Feature Many Local Notables

The Lions Musical-Minstrel revue, "Talk of the Town," which is to be presented Wednesday, Thursday, and Friday, November 30, and December 1 and 2nd, promises to be one of the highlights of Clarendon's 1949 activities due to the appearance of the many local, and esteemed citizens throughout the two hour production.

It will be of interest to the general public to know that Mayor Joseph Jones will appear as the mayor in the comedy skit "For Services Rendered". To add to the prestige of the show, Mr. Bill Williams, the owner of Clarendon Electric Co., will comprise one of the "crowd" whose interpretation of the pep squad of Clarendon High School of old will undoubtedly bring tears to the eyes of both oldsters and youngsters.

With the raising of the Second Act curtain, the familiar faces of several leading townfolk will confront the audience. Though some of them may be hard to recognize due to the black-face, their actions will speak for them. The end-men will pull their ancient gags in an attempt to ruffle good old Mr. Interlocutor, whose identity, is for some reason, being kept a secret. Among the songs that are to be executed by both minstrel chorus and soloists are, "Here Comes That Showboat", "Ole Man River", "Alabama Bound", "Waitin' For The Robt' E. Lee", "The Whiffenpoof Song", and "Hallelujah". Mrs. Frank Phelan will ring the rafters of the auditorium with the ever lovely tones of "Summertime", from "Porgy and Bess." The chorus and soloists have been rehearsing nightly for the past week in order to assure the audience of giving their best.

Booths, which will fill the gymnasium, are to be sponsored by school and community personnel. Prizes will be furnished by merchants from several towns. Among the entertainment will be a fishing pond, bingo, cake walk, hoop throw, white elephant sale, baseball and basketball throw, fun house, horror house, school talent program and a foods concession stand.

### STORES TO CLOSE THURSDAY

All Clarendon business firms will be closed tomorrow (Thursday) in observance of Thanksgiving Day. Plan to do your shopping either this afternoon (Wednesday) or on the week end. Thanksgiving is one of the four closing holidays agreed upon by local business firms.

### It's Time To Write Dear Ole Santa

The Leader will publish Santa Letters again this year, and it's time now for all youngsters to start writing their letters so they will have plenty of time to get to the north pole before Christmas time. Your Donley County Leader plans to publish the letters in the December 8th and 15th issues, so this will necessitate receiving them early in order to get them set to type.

The deadline for receiving the letters at the Leader office will be December 2nd. Any letters received after that date will have very little chance of being published at all, so please hurry and do your Santa Letter writing now. Just address them to Santa Claus, % Donley County Leader. Santa and Leader readers will enjoy seeing your youngsters letter included among the hundreds that will be published during the above mentioned dates.

**PRESBYTERIAN BAZAAR**  
The Ladies of the Presbyterian Church will hold their annual Bazaar in the church basement Saturday, Dec. 3rd. Further announcement will be made in this paper next week.

### FARM BUREAU MEETING TO BE HELD MONDAY NITE

Mr. Holly Wood, president of the Donley County Farm Bureau announced this morning that a meeting of the Donley County Farm Bureau would be held Monday night, November 28th at 7:30, at the Lelia Lake school house. Mr. Wood stated that the purpose of the meeting was for the delegates to the state convention to give a report on the convention to Donley County. Every one is urged to attend this meeting and hear the events that happened in Dallas at the state convention of the Farm Bureau.

### COMMUNITY THANKSGIVING SERVICE AT LELIA LAKE

A community Thanksgiving service will be held Thursday evening at 7 p. m. at the Lelia Lake school house. A special program has been prepared and a special Thanksgiving message will be delivered. The public is cordially invited.

### CLUB ROOM BOARD MEETING CALLED

A meeting of the Club Room Board will be held Tuesday, November 29th at 8 o'clock at the new club room located in the Patching home. Presidents and Vice Presidents of all clubs using the room are asked to be present, stated Mrs. B. C. Antrobus.

Four-Year-Old Cheer Leader Wants to Lead Yells In Cotton Bowl New Year's Day

WACO—A four-year-old "Roy Rogers" has a burning ambition to lead yells in the Cotton Bowl next New Year's Day.

Roy's real name is Harris Coe, Jr., son of Baylor University students from Houston. He picked up his fancy omnifer from the movies. His real distinction, as of the present, is that of being Baylor's fifth cheer leader.

Baylor students elected four of their number as the leaders of their pep section, and were surprised some three weeks ago when a half-pint youngster with a half-pint megaphone appeared as middle man. He yells and jumps and throws his megaphone into the air just as big as his college buddies.

Red Bush, one of the elected cheerers, said it all started when the youngster wandered from his parents' rooming house over to Greer House, where Bush lives. He saw Red's big megaphone and asked what it was. Red demonstrated—and Coe begged for it. But the big one was too much for

him to handle. Next pep rally, though, found the youngster all dressed up in a full cheer leader's costume, courtesy of the Baylor Book Store. And he had, also, the miniature megaphone. He imitated his buddies perfectly.

Then on the night of the big alumni pep rally preceding Baylor's Home-coming football game, Coe beat his buddies to the platform and led the crowd of 3,500 in two complete yells—all by himself. He's been in every pep rally

since then, and also attends the big games.

Mrs. Lena Dilli who is visiting in Illinois has been seriously ill the past week but is doing nicely now. She says hello to all her friends. She is at La Grange, Ill., 121 W. Calendar Ave.

## Hedley Club Celebrates Anniversary

HEDLEY, Nov. 19—Members of the 1919 Study Club celebrated their 30th anniversary recently with a guest tea, to which all former members were invited, in the Lions' Hall.

Guests were greeted by Mrs. Ruby Glass and Mrs. Mary Harris, who presented each with a corsage in the club colors of green and white. Arrangements of autumn flowers featured the decorative appointments.

Mrs. J. W. Noel secured names for the register, where members and guests noted their hobbies, names and addresses. Mrs. U. J. Boston of Amarillo, former president of the study club, and Miss Myrtle Hall, current president, presided at the serving table, which was laid with a lace cloth and appointed in crystal. A decorated cake in a nest of fern and flowers featured the centerpiece.

Mrs. Mary Harris, the only charter member of the organization still living in Hedley, gave the formal welcome. Mrs. A. Vinyard of Quitaque responded with a message on the "Joy of Coming Home." Mrs. Elvia Davenport, director of the high school choral club, presented several members of the club in songs appropriate to the occasion. Taking part were Anita Bain, Patsy Usrey, Caroline Reeves and Mary Alice Hunsucker, with Joan Ray Moreman as pianist.

Music during the social hour was presented by Misses Anita Bain, Sara Rains, Joan Ray Moreman, Mary Alice Hunsucker and Mrs. L. P. Trimble. Short talks by guests and club members followed the program, and at the conclusion, the assembly joined in singing "Auld Lang Syne." Attending the tea were Mesdames A. Vinyard of Quitaque,

**IRON STAIRS IN ABILENE HOSPITAL**—This ancient iron stairway at the Abilene State Hospital has caused many falls—not only by the epileptic patients in the hospital, but by the nurses as well. Several patients in the last dozen years have fallen on those stairs and been killed. Injuries occur nearly every week. Notice how cautiously the nurse in the picture is moving from step to step. Abilene State Hospital was one of the several hospitals at which newspapermen of the state recently inspected conditions.

## CUE AND CURTAIN CLUB

The Cue and Curtain Club met in the home of Bob Clifford Monday, Nov. 21, 1949.

After a short business meeting, Joane Swink gave a reading entitled "The Landing of the Pilgrim Fathers." Mary Ann Landers gave a reading "After the Ball Game," and Doris Wallace gave a speech with the help of Inelle Cox, Alice McCrary, and Sam Patterson.

Lovely refreshments were served by the host and his mother to the following: Mrs. Johnson, Sandra Shelton, Mary Ann Landers, Patsy Estlack, Bill Porter, Geraldine Durham, Joane Swink, Willetta Riney, Inelle Cox, Mary Elmore, Sam Patterson, Alice McCrary, Ramona Rhea, and Doris Wallace.

Norris Spurgeon, Mrs. S. E. Roland, Mrs. Buck Hill, Pamela Hicks, and Roger Wayne Smith.

## MOTHERS CLUB

Members of the Mothers Club met at the ladies club room located in the Patching home, Tuesday afternoon. Due to sickness, Naomi Green was unable to be present as hostess. Her mother, Mrs. Cap Morris, graciously greeted the guests and served as hostess.

Mrs. Carmen Rhode presided over the short business meeting in the absence of the president. The program was presented by Mrs. Herschel Heath and Mrs. G. W. Estlack. Three new members were voted into the club.

The next meeting will be a Xmas party.

## CARD OF THANKS

We wish to thank our many friends for their kindness and sympathy during the illness and death of our loved one. May God's richest blessing be with each of you always.

R. J. Bogue and Children.

Jane Johnson, who is attending the University at Austin, will arrive Wednesday, today, to spend Thanksgiving holidays with her parents, Mr. and Mrs. Jolly Johnson.

Mr. and Mrs. J. L. McMurtry left Monday morning for Mineral Wells where they will receive medical service and rest for three weeks or a month.

## FOOTLIGHTS CLUB ENTERTAIN

Mrs. Jolly Johnson and members of the Footlights Club entertained mothers and guests with a Thanksgiving tea at the Youth Canteen Tuesday afternoon at 5 o'clock. The Thanksgiving theme was carried out in both decorations and program. Autumn leaves and Snapdragons were featured in the decorating. Receiving the guests were Jackie Estlack and Tommy Lane.

Highlight of the afternoon was the presentation of a scene from the play, "Standish of Standish." This was quite an accomplishment for so young a group. Preceding the play a program of Readings was presented. To add to the delight of the program, all club members were appropriately dressed in Puritan costume.

Following the program tea was poured from a lace covered table centered with Mums and Autumn leaves. Joyce Eddings poured with Patsy Schull serving the cake.

Those on program were Tommy Lane, Jeanie McAnear, Jackie Estlack, Joyce Eddings, Patsy Schull, Jonna Lee Blocker and Marilyn Matheson.

Mr. and Mrs. E. W. Talley and two children from Odessa have moved back to their farm home near Clarendon.

Mr. Ralph Cornelius and son Richard Earl are visiting his parents, Mr. and Mrs. L. L. Cornelius.

## BRIDE-ELECT COMPLIMENTED

Miss Dorothy Patricia Molesworth, bride-elect of William E. Craft, was complimented with a pre-nuptial shower and tea Thursday afternoon at the home of Mrs. W. E. Davis. Hostesses for the occasion were Mesdames William E. Thornberry, Don Grady and W. E. Davis.

Mrs. Davis greeted the guests and presented them to the receiving line, including the honoree, Mrs. John Molesworth and Mrs. G. D. Craft. Mrs. Johnnie Grady presided at the guest book.

The table, which was covered with a lace cloth, featured an autumn color scheme of brown, gold and green. Gold and bronze chrysanthemums in a cut glass bowl centered the table, and tall yellow tapers in crystal candelabra flanked the centerpiece. The same floral motif was repeated on the buffet. Similar arrangements of chrysanthemums in pottery bowls were used in the living room.

White cakes iced in yellow, brown, and green were served with mints of the same colors. Napkins were lettered in gold with the names "Patty and Bill."

Mrs. Johnnie Grady and Mrs. Horace McClellan presided the first hour, Mrs. H. D. Bell and Miss Charlotte Molesworth the second hour with Mrs. Temple Deaver, Jr. and Mrs. Bill Lowe presiding the third hour at the beautiful silver coffee and tea service.

Approximately 70 guests called during the afternoon.

## MRS. H. C. KERBOW CELEBRATES 89th BIRTHDAY

Mrs. H. C. Kerbow, pioneer resident of Clarendon, was made happy last Sunday when members of her family were present to help her celebrate her 89th birthday.

Those present for the happy occasion were Mr. and Mrs. Bennett Kerbow of Mertzon; Mr. and Mrs. Paul Smith and children of Trinidad, Colo.; Mr. and Mrs. Guy Kerbow and Mrs. Jack Benton and child of Pampa; Mr. and Mrs. Ralph Kerbow of Lubbock; Mr. and Mrs. Paul Ellis and son of Amarillo, Mrs. Don Grady and Mr. and Mrs. Bill Thornberry of Brice, Mrs. Fred Kerbow and son of Amarillo, Mrs. Talley of Pampa and Mrs. Hagood of Enloe, Texas.

## H. D. CLUB

The members of the Home Demonstration Club entertained their husbands at the Clubroom on Friday evening, Nov. 18th with a buffet supper and Thanksgiving program. Games of 42 were also enjoyed.

Those to enjoy the occasion were Messrs and Mesdames O. C. Watson, G. A. Anderson, Claude Darden, M. C. Rumpy, M. G. Cottingham, Wm. Payne, Mrs. H. B. Hill, Mrs. Laura Taylor and guest Master Jack Watson.

## OUR BLESSINGS ARE MANY ON THIS THANKSGIVING DAY

To the Pilgrim mothers who prepared that first Thanksgiving dinner, a modern store would be a revelation! Foods from all over the world—cooking aids that they never dreamed of --- linens and china and glassware, the likes of which kings of their day could not afford! And to the Pilgrim fathers that vast financial structure that has made this progress possible --- factories, railroads, mines and mills --- would prove equally astounding! We are proud to have played a part in the building of that progress --- grateful to be able to serve each and every American in a constant endeavor to further the ideals and principles of democracy that keep this progress secure!

We sincerely appreciate the business you have extended our way and look forward to serving you even better in the future.

### Mongoles Celebrate Fiftieth Wedding Anniversary

Mr. and Mrs. J. E. Mongole celebrated their 50th wedding anniversary with a dinner Sunday, November 13th. A beautifully decorated tiered cake, topped with the traditional bride and groom centered the lace covered table.

Out of town guests attending were Messrs and Mesdames Carl Smith and son of Whitedeer, O'Neal of Whitedeer, Len Colville and children of Borger and Mrs. Martha Zachery and children, Marylen and Danny of Borger.

Mr. and Mrs. Mongole were married at the home of her father, James Muir in 1899. Mr. Mongole was born in West Virginia, moving to Donley County in 1895. Mrs. Mongole was born in Wisconsin, coming to Donley County in 1892. Mr. Mongole was associated with J. D. Jefferies in the cattle business. The couple moved to Whitedeer in 1901 and engaged in the cattle business and farming. Here their two daughters, Edgar Mae and Mable were born. Both daughters are school teachers.

During their early years of pioneer life they had the usual hard times and good times, but through them all they had their faith in God and each other. Mr. Mongole was an active Elder in the Presbyterian Church at Whitedeer and had a big part in the moulding of his community. Since his retirement from the farm and their move to Clarendon in 1919, he has taken an interest in the raising of chickens.

Mrs. Mongole was a strict Presbyterian, taking an active part in church work as a Sunday school teacher for many years. They have lived in Clarendon since 1919.

On Wednesday, the date of their 50th anniversary, they and their daughters, Misses Edgar Mae and Mabel, were supper guests in the home of Mr. and Mrs. J. H. Howze, honoring the occasion.

Mr. and Mrs. Joe Lee Humphrey and baby from Perryton spent the week end visiting his grandmother, Mrs. Eva Humphrey.

Mr. C. W. Martin and Mrs. Eleanor Holland were quietly married at Clovis, N. M. Saturday, Nov. 19, 1949.

### Texas' CROP Train Has Begun Rolling

TAYLOR, Texas—Texas' CROP Friendship Food and Fiber Train has begun rolling.

From south, central, and west Texas cotton is moving to port. From east Texas dried black-eyed peas and corn are being reeved for shipment. In the Panhandle part of the state a drive for wheat, grain sorghums and cattle is under way.

Peanuts and pecans are among the commodities being collected in a number of counties and wool and mohair in others. All in all reports to the state office of the Christian Rural Overseas Program indicate that practically every section of Texas will be represented.

Commodities collected and also purchased with cash contributed for the Texas CROP Friendship Food and Fiber Train will go to destitute people overseas. It will go to children, the aged, the infirm, refugees, who no other aid programs touch or help. They will receive this help through established church relief agencies which make the distribution of CROP commodities.

Everyone who wishes to have a part in Texas' CROP Friendship Food and Fiber Train can have that part. The person who does not have commodities to give can give cash to be used for the purchase of food and fiber commodities.

When one gives thru CROP it will go to those only who cannot look to any other source for relief and who only through relief can regain health and hope to bring them back to that position

in life where they no longer need relief.

### OPEN FORUM

Not a drop of precious, life-giving water that falls on West Texas should ever be permitted to reach the Gulf of Mexico. Our entire annual rainfall is no more than one-fourth of what West Texas needs to survive and develop industrially, commercially and agriculturally.

That is the opinion of West Texans who have given the vital water problem serious consideration and investigation.

The water conservation program, sponsored by the West Texas Chamber of Commerce, is practical, complete and comprehensive. Many lakes, large and small, are planned. In fact, a water reservoir wherever one can possibly be built, urges the West Texas Chamber of Commerce. The organization is leading the state in this movement.

Farmers are urged to terrace their land and build lakes and ponds, to hold and control all rainfall. The thirsty soil needs every drop of water that falls on it. Every drop should be captured and held.

Rivers and streams on which large lakes can be built require time and large amounts of financing, but the small lakes on farms can be built quickly and cheaply, and with Government aid in most cases.

Already Texas farmers have 200,000 private lakes and ponds on their farms, supplying a large

food item of fresh fish. There are said to be good locations for more than that many more. An acre of lake will provide 300 pounds of fish a year if it is fertilized and cared for. Texas pastures produce only 150 pounds of beef to the acre. This in addition to holding and conserving our precious water.

Any farmer can secure complete information about private lakes and soil conservation from his county agent or soil conservation director, and instructions on building and securing financial aid.

### Win Lone Star State 4-H State Championships

FOUR Texas 4-H State winners in the 1949 Canning, Dress Revue, Field Crops and Food Preparation programs each received an all-expense trip to the 28th National 4-H Club Congress in Chicago. Brief outlines of their records follow:

State honors in the 1949 National 4-H Canning Achievement program went to Laverne Goertz, 18, of Red Rock. Besides having an outstanding canning record, she did a good job in other phases of 4-H work, completing 36 projects. Laverne canned 4,500 quarts of fruits and vegetables in the seven years she devoted to her canning project and has won 15 ribbons for canned products entered at county fairs. Besides preserving fruits, vegetables and soup mixtures, she has also canned some meats and fruit juices. This contribution to the family food supply not only cut costs, but added a greater variety of healthful meals. Laverne took an active part in the local club, serving as president and secretary, and as song leader in the county group. She is the winner of several first place prizes for her work in food preservation. In recognition of her achievements, Laverne was awarded an

her club as leader and president. As a reward for her fine record, Leora was awarded an educational trip to the National 4-H Club Congress, Chicago, provided by Servel Home Economics Dept.

State winner in the 1949 National 4-H Field Crops program was Lucille Downey, 17, of Big Spring. He was given an all-expense trip to the National 4-H Club Congress, Chicago, provided by International Harvester Co. What Lucille learned about soil preparation, seed treatment and new methods of cultivation enabled him to make an outstanding record. He grows cotton on 4½ acres, and says a successful crop depends upon the selection of seed, care of the soil and the right type of machinery. Although there is not enough moisture in his part of the country to have really successful gardens, he has grown peas, corn, watermelon, and cantaloupe. A 4-H'er for 16 years, Lucille has held almost every

all-expense trip to the National 4-H Club Congress in Chicago, provided by Kerr Glass Mfg. Corp. Five years in 4-H Club work brought State honors to Leora Callahan, 16, of Bastrop, in the 1949 National 4-H Food Preparation program. Leora became an expert meal planner, having cooked and served more than 5,100 meals in five years for 10 members of her family ranging in age from three to 20 years. She estimates the value as \$9,300. During one summer when the new house was being built, she cooked for eight carpenters too, all on an oil stove. Now she works in a modern, well planned kitchen. Leora believes planning and management are very important in meal preparation. She gave an excellent demonstration in \$6 Bastrop County women in the use of a master mix for biscuits and desserts. She has completed 31 projects and served

office in his club and has been their leader for 3 years. Lucille Downey, 16, of Kirkland, was judged State winner in the 1949 4-H Dress Revue. Her dress is a blue grey chambray. The blouse has short cuffed sleeves, a high collar and is buttoned down the front with pearl buttons. Her skirt has soft unpressed pleats. Lucille wears a navy blue ribbon hat, navy calf shoes and bag, white cotton gloves and white necklace to complete her costume. She estimates the cost of her outfit at \$34.53, including all accessories. Lucille has carried her clothing project for six years and has won high honors on her 16 exhibits. She has held many offices in her local club and is their junior leader. In recognition of her achievement, Lucille was awarded an all-expense trip to the National 4-H Club Congress, Chicago, provided by Simplicity Pattern Co.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

**LEGIONNAIRES TO STRESS FOUR FOLD PROGRAM**

Texas Legionnaires, more than 100,000 strong with 758 posts all over Texas, with the blessing of the governor of Texas, are going all out Wednesday, December 7 for "Operation Democracy" in observance of "Democracy Beats Communism Day."

John Ben Shepperd, originator of the "Gladewater Plan" and former national president of the Junior Chamber of Commerce is state Americanism Chairman of the American Legion and is head of the "Operation Democracy Campaign."

Joe Spurlock, state commander of the American Legion, and Legionnaire Governor Allan Shivers, will make addresses on statewide hook-ups December 7. Commander Spurlock will speak from Brownwood at a breakfast meeting and Governor Shivers from Terrell at a luncheon. Legion posts all over Texas will tune

in for the addresses. More than 300 prominent Texas men and women are on a speakers committee and will address audiences December 7.

The program is four fold emphasizing religion, education, civic duty and citizenship. The day's timetable calls for a heritage breakfast by American Legion posts over the state; sale of saving bonds; meeting of heads of civic clubs to plan community improvements; meeting of the women of the community to discuss beautification and other needs for the community; school students to take over city, county, school and state offices for an hour; noon luncheon to honor city, county, state and school officials; a "Freedom Parade" in the afternoon; program for colored schools; night

meeting at all churches in the communities with pastors speaking on theme "Christianity Beats Communism."  
 The plan was tried for a week at Gladewater last Spring and gained national programs. Legionnaires decided to make it a one day state vent. An official proclamation calling upon Texas' seven million citizens to cooperate December 7 and show that "Democracy Beats Communism" was issued by Governor Shivers.

**Here's why I take my JOHN DEERE  
Equipment to the man  
who knows it Best!**

"There are three mighty important reasons why my John Deere Equipment goes to a John Deere Dealer for reconditioning.  
First, I benefit from the skill of his trained mechanics, schooled in servicing methods recommended by John Deere.  
Second, his shop is well-equipped with up-to-date precision equipment. His mechanics have the tools to do the work right.  
Third, he uses only genuine John Deere Parts, which are made to fit and wear like the originals they replace. Thus, it's a three-way assurance of work well done...economically done."  
It will pay you to consider the important servicing advantages we offer. See us soon for complete details.

Wayland College climaxed a career of work with young people for Dr. Marshall. He came to this position in 1947 from the Baptist Foreign Mission Board in Richmond, Va., where he served as overseas personnel secretary.

Prior to this Dr. Marshall was head of young people's work for the Baptist General Convention of Texas. He is an alumnus of Texas Christian University, Bay-

lor and Southwestern Baptist Seminary. Hardin-Simmons University awarded him the Doctor of Divinity degree.

He paid return visits to both Hawaii and Mexico this year. In 1940 he went to China on the invitation of Baptist leaders there, and led a party to Europe several years ago.

Under his leadership, Wayland is becoming widely known for its international emphasis. Five per cent of the student body come from some foreign land or race:

Latvia, Brazil, China, Hawaii, and Mexico are among the lands represented.

Pioneering departments at Wayland offer courses in church recreation and in offset printing. Wayland is thought to be one of the first campuses in this area to do all its own printing in a small but complete photo-offset plant. This is closely tied in with the photography and journalism departments.

**FARM NEWS**  
From the County PMA Committee

**COTTONSEED PURCHASE & LOANS:**

Our cottonseed purchase program is still good. Since last week's news article, in which we told you about Bert Smith's Gin buying cottonseed for CCC, all the other gins in the county have signed up. This includes the Paymaster Gins at Clarendon, Lelia Lake, and Hedley. The West Texas Gin at Hedley is also buying cottonseed for CCC. All the gins are furnishing their trucks to the seed and haul it to Hedley and Memphis, and they are paying \$46.50 per ton for the seed for CCC. To date, in Donley County, CCC has bought around 1500 tons of cottonseed, but only 1058 tons have been paid for, to the amount of \$49,197.00. If you should want to put your seed in the loan instead of selling it, the loan rate is \$49.50 per ton. When you have all your seed in storage, come to the office and tell one of the clerks, and your loan will be started.

**COTTON ALLOTMENTS:**

If you failed to read last week's news article, we want to tell you again that the county has received its total allotment for cotton. The allotment for Donley County is 28,356 acres. The office force is working just as hard as it can to get the individual allotments computed so that the farmers may get their allotment before the Marketing Quota Referendum on December 15.

**MORE ABOUT THE ELECTION:**

On Friday, November 18, the County Convention met here at the office to elect a County Committee to serve for 1950. The following men were elected: Roy C. Jewell, Chairman; William M. Pickering, Vice-Chairman; and Pink M. Marshall, Regular Member. The County Committee will work with the Community and the office to help the producers in the County solve their problems, and have better farms.

**GRAIN SORGHUM LOANS:**

If you want to put your grain sorghum in a loan, all you have to do is put it in the warehouse, bring your warehouse receipt to the office and we will make your loan for you. If you want a farm storage loan, put your grain in the bin and come to the office for your loan. The loan rate on a farm storage loan is \$2.03 per hundred, and the rate on a warehouse loan is \$2.03 less a 20 1/2 cent storage fee which makes the actual rate \$1.82 1/2.

**MAKE YOUR PLANS NOW:**

This is a good time of the year for you to make your plans for the terraces you want to construct after you have harvested your crops. Too often farmers are rushed with harvesting and put off until the last minute making arrangements to have terraces built. If you do want to have some terraces constructed this fall, it is advisable to see the contractor now. Surveys for contour lines and plans for terrace construction are jobs which must be completed before the work starts. Making preliminary plans ahead of time saves time when you are ready to build. Findings of experiment stations and studies on farms indicate that the ideal terrace has a broad base and is so constructed that it can be crossed by all standard farm machinery. The terrace must be level enough to slow down the flow but there must be enough slope to keep the water from backing up and breaking over or through the terrace. To dispose of excess water without damaging the land, it is important that outlets for terraces be protected by grass or trees. So, make your plans now — come to the Donley County PMA office and talk to us about your erosion problems.

**OFFICE NOTES:**

To date, 209 farmers have signed up with the office to leave stalks and stubble on the land without grazing it at least until January 1, 1950. We still want to make it more than this number. December 1st is the deadline to sign up for leaving stubble, so you'd better hurry if you want to earn this payment.

Are you planning now for some winter pasture? Now is the time to come to the office and sign up to plant grass seed for new pastures. Our payment on this is made according to the type of seed used.

The office will be closed all day Thursday the 24th. We want to take this time to wish all of our producers and their families a very pleasant Thanksgiving.

Mr. Allan R. Saunders, one of our district Field Men, visited in

the office the last of this past week.

**21st Annual Banquet**  
**Adobe Walls Council**  
**Nov. 29th at Pampa**

Dr. Vanderpool, Pastor of the Tyler Street Methodist Church, Dallas, Texas, will be the principal speaker for the 21st Annual Banquet of the Adobe Walls Council, 7:30 p. m., November 29th, at the Pampa Senior High School Cafeteria, Rev. E. Douglas Carver, President of the Council, announced this week.

Dr. Vanderpool is a graduate of Kentucky Wesleyan College, and did graduate work at Oklahoma University. Prior to his entrance into the Ministry, Rev. Vanderpool taught school in Oklahoma for six years as a debate coach. He was president, for three years, of the Choctaw Area Council of the Boy Scouts of America at McAlester, Oklahoma.

At the present time Dr. Vander-

pool is in his seventh year as pastor of the Tyler Street Methodist Church, and holds many offices outside of the church. He is a member of all Masonic Bodies, including the Shrine, President of the North Texas Conference Board of Evangelism, member of the Radio Committee of the Methodist Church, and a member of the Dallas Bonehead Club.

In addition to Dr. Vanderpool's address, the program for the Annual Meeting will include the report of the Nominating Committee, election of officers of the Council for the coming year, report of the Scout Executive, and presentation of Silver Beaver Awards to two men "for outstanding service to boyhood", by Marsh Ammerman, Deputy Regional Scout Executive, Huelyn Laycock, Chairman of the Annual Banquet Committee, announced.

About 350 Scouters, their wives, and friends of Scouting, from all communities in the 15 county area served by the Adobe Walls Area Council, are expected to attend.

**SOCIAL SECURITY NEWS**

Q—How can I be sure that all my wages are being posted to my account under my correct Social Security Number?

A—The first step would be to check your social security number on your pay envelope or pay-check stub and make sure that the number agrees with the number on your social security card.

Q—What if I find that the numbers do not agree?

A—Request your employer to correct his records before he makes his quarterly report of your earnings.

Q—What should be done if I find that a wrong number was listed on reports that have already been sent in?

A—You should request a statement of your wages posted to your account in the records division of the Social Security Administration. Then if the error had not been corrected in that office you should request your social security office to assist you in getting your records corrected.

Q—How do I request a statement of my wages?

A—Write the Amarillo social security office for a post-card which is used for this purpose. REMEMBER: The amount of your retirement payments or the payments to your survivors, in case of your death, is dependent upon the amount of earnings reported to your credit. The Amarillo social security office invites your questions concerning the operation of the Old-Age and Survivors Insurance program.

American agriculture has never come out winner from wartime inflationary periods. It has been the same story after each war; prices paid farmers have gone down faster and lower and stayed longer than the prices for things the farmers had to buy.

Livestock numbers should be adjusted to fit the grazing capacity of the range and this should be based on the number and amount of good grasses present. Low producing and poor quality animals eat more than their share of the range vegetation. They should be replaced with quality livestock.

**THIS YEAR**  
we have so much to thank you for...

THROUGHOUT this great country, people are taking time out from their labors to express thanks through prayer and thanksgiving. And along with these personal expressions of gratitude, we would like to add a special message of thanks to all our friends, both old and new.

THANKS to all of you who have bought new Chevrolet cars and trucks from us. We appreciate your choice, and know you will find true driving enjoyment in the extra-value Chevrolet offers. THANKS to those of you who have placed orders and are waiting delivery. Your patience and your loyalty to the Chevrolet standard will find a sure

reward in the complete satisfaction your new Chevrolet will bring you. THANKS to our many service customers, for the confidence you have shown in our service methods. We are proud of the fact you like the way we take care of your car. We are happy that you keep coming back to us when it needs attention, because we want your car to give you perfect satisfaction.

THANKS to everyone who has made this one of the greatest years in Chevrolet history . . . in new car sales, in new truck sales, in service. Your preference has proved again that Chevrolet is the car America likes best, and we thank you for it.

**OLD PATHS**

By  
**DOYLE WILLIAMS**  
Minister  
Church  
of Christ

God's purpose in sending John into the world was to prepare the people that were under the Law of Moses: (The Jews) to believe the Law of Christ, that was very soon to come into effect. These people were God's chosen people, and living under the Law that God gave through Moses from Mount Sinai. They had been commanded to keep the Law of Moses, but they were not doing it; they were a sinful people, and they were transgressing the law intended of God, to prepare them to believe the New Law of Christ. They had wandered so far from the Law of Moses, it was necessary for John to preach to them the reformation of life, in order to their accepting the Law of

Christ. Hence, the reason or purpose for John commanding them, "Repent and be Baptized for the remission of sins."

It was not needful for John to preach to his people that they should believe in God. They were already strong believers in God, and in all the Prophets of the Old Testament. This is the reason that John taught that they must repent, this is the reason that John in his commission placed repentance before faith, it was not necessary to reform them in matters of faith toward God, but only in life, for their life had grown very corrupt. In God's language, "they had all gone astray" in the language of Christ, "there is none good no not one." Had John been talking and teaching primarily concerning the Law of Christ, he would have taught them faith first; he would have placed faith prior to their repentance. He would have taught as the Philippian Jailor was taught, to "believe on the Lord Jesus Christ." Hence, John said, "repent and believe the Gospel," not the Gospel of the Old Testament, but "repent" and go to doing the Law of Moses; "bring forth therefore fruit, meet for re-

pentance." This was in order to their believing the Gospel of Christ, which was still to them in the future; they had never heard of the Gospel of Christ, only as the Old Testament had revealed it in promise and prophecy.

Our religious actions as Christians is not founded upon what John the Baptist taught and commanded, but upon the Law that Christ gave. This is not as some have supposed, or probably as some have taught; that is, that Christian religion had its beginning with John the Baptist; that his teaching was the primary foundation of Christ's Covenant, and that his initiative action of teaching, bound us as Christians, to any succession in any measure, to what he taught or practiced. There was no succession of John the Baptist, in name, in faith, in doctrine, or in practice after his beheading by Herod, at the command of Herodias's daughter. We are not subject to any law or commands that John taught, but subject to the Law of Christ. We do not inherit any occupational name that he may have worn, our faith does not start or begin with John the Baptist, but with Christ. The doctrine that John taught was not for us, but to the Jews under the Old Testament. If we are going to adhere to the commands of John, in name, faith, doctrine, or practice, we are placing ourselves under the Law of Moses that was abolished over 1900 years ago, and Paul says was "Taken out of the way and nailed to the Cross," of Christ. Col. 2:14. (Continued)

**Three Jersey Cows Rated as Tested Dams In Gillham Herd**

COLUMBUS, O.—Three registered Jersey cows owned by J. R. Gillham, of Clarendon, have been rated as Tested Dams by The American Jersey Cattle Club. The distinction was awarded Coronation Fern Helen, Donley Jolly Jane, and Fontaine's Noble Irene, for each having three offspring with official production records.

The descendants of Coronation Fern Helen averaged 11,854 lbs. of milk and 637 lbs. of butterfat; Donley Jolly Jane, 11,551 lbs. of milk and 633 lbs. of butterfat, and Fontaine's Noble Irene, 11,024 lbs. of milk and 574 lbs. of butterfat, on twice daily milking mature equivalent basis. The tests were checked by The Texas A&M College and The American Jersey Cattle Club.

Two of Gillham's cows also have been classified for breed type. Coronation Fern Helen, and Donley Jolly Jane, were rated as Good Plus, equal to a score of 80 to 85 points on the breed's score card which gives 100 points for a perfect animal.

The production testing and type classification work carried on by Gillham are part of a program offered by The American Jersey Cattle Club to make possible the continuous improvement of the Jersey breed. The Club's national headquarters is in Columbus, O.

**Veterans News**

Veterans Administration today issued an urgent appeal for nurses for the VA Hospital in Houston.

Patient load of the Houston VA hospital will be much greater in the immediate future under a recent order increasing the number of beds available in the institution to 937. The increase will almost double the number of beds presently available to veterans of the area.

Nurses employed under the expansion program can expect a minimum salary of \$3400 per year, a forty hour work week, thirty days of paid vacation annually, pleasant housing accommodations for single nurses and other attractive working conditions, VA said.

Applicants were asked to contact the Chief Nurse, Veterans Administration Hospital, Houston, Texas.

**Questions and Answers**

Q—As a World War II veteran with a bad conduct discharge, am I entitled to any benefits under the GI Bill?

A—You should contact your nearest Veterans Administration office for a decision as to whether you were discharged under conditions other than dishonorable. Or you may apply to the armed service from which you received your bad conduct discharge for a review of your discharge under Section 301 of the GI Bill.

Q—I am now receiving compensation from VA but feel that I should be getting more. Can you advise me as to who may assist me in presenting my claim before the VA rating board?

A—Any organization accredited under P. L. 844, 74th Congress, any attorney or agent recognized by VA, or a VA contact representative may present your claim before the VA rating board. VA will recognize anyone you want to represent you in your particular claim providing he files a proper power-of-attorney with the office where your claim is located and a statement that no fee will be charged for the service rendered.

Q—I am taking on-the-job training under the GI Bill in a hazardous occupation. Will VA pay for my hospitalization if I am injured while in training?

A—No. Any disabilities incurred while in training under the GI Bill are considered nonservice-connected. Of course, if you are

otherwise eligible for hospitalization by the VA as a war veteran, you may be furnished such hospitalization in a VA facility if a bed is available.

**Health Notes**

AUSTIN—The schools of Texas have been in session for several weeks. The routine screening tests by teachers and nurses, or the physical examinations of the children by physicians have been completed. They are complete so far as the nurse, teacher, or examiner is concerned, but the "follow-up" to correct any abnormal conditions disclosed is yet to be done. To make these screening tests and the follow-up examinations of the greatest value, the needed care for correction of defects should be available. This is the responsibility of the parents of each child in order that a maximum of health may be his lot, declared Dr. Geo. W. Cox, State Health Officer.

Health is a cardinal attribute of living. With the best health a child may have, he will do his best work, will have joy in play, and will grow to be the most efficient citizen he is capable of be-

ing. The future of our country is in the hands of these children who are now in school.

All adults as well as the parents of the school age children should feel the responsibility and privilege of sharing in a sound and safe future for our country by helping to build good health for the children of today.

Through the check made each year in the schools the gross defects may be learned, and a more detailed examination may be made by the family physician, with treatment for correction of these defects as he finds necessary.

Immunization against the diseases, for which known protection is available, should be given all children unless their physician finds contraindication.

Your physician is your best friend and guardian of your health.

Nut meats and a small amount of whipped cream combined with bits of jelly and whipped until light makes a delicious sauce for puddings and ice cream.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt
Book week for children has marked the calendar again. In various parts of our nation this will be observed through all kinds of celebrations for observation of the Book Week motto "Make Friends With Books."

choice of books reveals that for younger readers "No Happening is too impossible; no solution is too fantastic." The child of today is confronted with the product of thirty years of experimentation, investigation, exploration and grim determination that he should read what is good for him.

shelves, and are popular with our children. So evidently the likes and dislikes of children readers are similar, regardless of the section of the nation in which they reside. There is an inner appeal to every child that is not too greatly influenced by environment.

We were very happy to receive a check from the 1928 Book Club this week. It will be quite helpful as our funds are too meager to procure enough new books to maintain a reading interest for all the library patrons.

Space for shelving was measured in the vacated Club Room and compared with our library space now. The present location contained more shelf space. The Club room kitchen can be furnished as a junior and children's section. Our present plans are to make it attractive and to supply their needs for reading, both enjoyable and informative.

There is a vast amount of material in our library that will be enjoyable this winter, so come partake of it.

LELIA LAKE

Mrs. H. R. King
Rev. and Mrs. Vardeman spent last week in Brownwood. Don Espey of Borger spent last Sunday with Mr. and Mrs. Earl Myers.

Mrs. Opal Kelley of Oxnard, Calif. came last Wednesday to visit her father J. B. Evans and her sister, Mrs. Enla Lowe.

Mrs. Oscar Roberts of Amarillo spent the weekend here with Mr. and Mrs. Earl Myers.

Benny Darnell spent last week end in Amarillo with relatives. Mr. and Mrs. Bill Neubauer of Amarillo spent Saturday night and Sunday with Mr. and Mrs. Sid Pointer.

Mr. and Mrs. Marr of Rotan left Friday after visiting several days with their daughter, Mrs. Craig Johnston and Mr. Johnston.

Ray Roberts of Amarillo visited his parents, Mr. and Mrs. Sam Roberts last Monday night and Tuesday.

Mrs. Don Tomlinson spent the weekend in Amarillo with relatives.

Mr. and Mrs. E. J. Myers and children of Wellington spent Sunday here with relatives.

Mrs. Perry Crues and son Melton of Dallas left Sunday after a visit with Mr. and Mrs. J. B. Reynolds and friends here.

Mrs. Bill Poole and Mrs. Luther Butler sponsored a group to Pampa Saturday evening where they attended the District meeting of Methodist Youth Fellowship at the First Methodist Church. Those to attend were: Marilyn Butler, Genelle Fox, Bobbie and Sue Seago, Billie Jean Poole, Josephine Mills, Jerrie Faye King, Billy, Wilcey and Boyd White, Dwight Combs and James King.

Mr. and Mrs. Theo Noble and son of Amarillo, Mr. and Mrs. Bo Noble and children of Sunray, Mr. and Mrs. Dick Noble of Lubbock, Mr. and Mrs. Lacey Noble and sons of Clarendon, and Miss Theola Noble of Hedley were guests of Mr. and Mrs. Nelson Seago last Sunday.

Mr. and Mrs. Earl Myers had business in Amarillo last Thursday. Mrs. Gus Rasco and Jerry of Memphis visited relatives here Sunday.

Mr. and Mrs. Holly Wood and Mr. and Mrs. Frank Wolford attended the Farm Bureau meeting in Dallas last week.

Mr. and Mrs. Loy Bynum and son David of Amarillo visited Sunday with his father A. B. Bynum.

Elder Frances of Lakeview preached for Church of Christ Sunday. His family accompanied him.

All pork, regardless of the cuts should be cooked to the well-done stage. For the large cuts of pork such as hams, etc., one-half hour of cooking time per pound is a good allowance.

John T. Scopes was arrested and convicted for teaching Evolution at Dayton, Ohio.

When buying pork sausage, be sure it comes right out of the refrigerator and keep it refrigerated at home until used.

When frying sausage, place in cold pan over low fire and cook slowly for about 12 minutes, turning once or twice, and pour off fat as it accumulates.

It is better poultry management to sell the extra pullets than to put them into an overcrowded house.

LEST YOU FORGET

Now is the time to get your chickens on Egg Mash, and push them; for egg prices are going up and usually get higher until Thanksgiving and Christmas. In order to get best results, feed the best, the best is cheapest in the long run.

Your chickens do fine on Chic-O-Line. We have sold Chic-O-Line twelve years, but when we learn of a better feed, for the money, we will sell and push it. Don't forget, we have a feed for every need.

We will buy your Kaffir or Milo at Market price. See us for your feed requirements.

From where I sit... by Joe Marsh

Watch Out For The Symptoms!

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood" but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I come to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in

adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticizing a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

"I Like It," Says Missionary After 28 Years In Nigeria

"I like teaching the natives of Africa, and I feel that's where God wants me to be," says Miss May Perry, small, soft-spoken Southern Baptist missionary to Africa for 28 years, now in this country on her sixth furlough. She teaches in a school for girls and is now at Southern Baptist Theological Seminary, Ft. Worth, Texas, brushing up on her teaching technique.

A native of Georgia, Miss Perry's African community is a tiny settlement of mud houses and thatched roofs called Abekuta, 65 miles from civilization, in Nigeria. About the size of Texas and Oklahoma, Nigeria has a population of about 22,000,000 Negroes and 5,000 whites.

Miss Perry looks forward to winter. "Even winter in Georgia will feel cold—and wonderful," she says. "Everybody should have winter at least every few years. It's nice. It re-invigorates you. It gives you a new hold on things."
