### Services Today For Mrs. Cleo D. Keys

Funeral services will be held this afternoon at 1:30 at the First Methodist Church for Mrs. Cleo D. Keys with Rev. John English officiating.

Mrs. Keys, age 73 years, died early Wednesday morning at a Tulsa hospital. She had been visiting relatives there before taking ill. Mrs. Keys has been a resident of Clarendon and Wayside for a long number of years. She was a member of the Methodist Church. Her husband preceded her in death Nov. 11, 1902.

She is survived by only one son, Ralph Keys of Clarendon; one brother, George Merrick of Amarillo; one grandson Max Keys; one grand daughter Mary Nell Johnson of Ft. Worth and a nephew, Wyatt Heisler of Wayside with whom Mrs. Keys had resided with for several years.

Pallbearers will be Chester Burnett, Frank Whitlock, A. C. Hallmark, M. P. Gentry, Bill Ray Don Grady, E. J. Mahler and P. B. Gentry.

Burial will be in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

### United Charities Need Cash Donations

The Donley County United Charities organization met last Friday and outlined their plans for the coming Christmas season and found that the organizational funds were on the low side of the ledger in view of the work that needed to be done in the way of providing a more enjoyable Christmas for the needy in this area.

If you wish to contribute to this fund, contact or send your money to Mrs. Allen Jefferies, Cap Morris, Odos Caraway or any other member of the organization and your donation will certainly be appreciated by some unfortunate person.

### CHS BASKETBALL NEWS

#### Clarendon Basketball Teams Win Hedley Tournament

The Clarendon basketball teams really showed their stuff this past week end at the Hedley basketball tournament. The girls team received a heart-breaking defeat from the Hedley team Friday afternoon by a score of 10-12. June Reed was high scoring girl from Clarendon with 6 points. Despite this close defeat they came back Saturday morning to beat Carey 21-8 and defeated Goodnight Saturday night in the finals by a score of 27-15 to cap the Consolation trophy and honors. June Reed was also high point girl in each of these games with 11 points in the Carey game and 10 in the Goodnight game.

The Clarendon Bronchos swept through the tournament and came out with flying honors. They beat Goodnight 54-27 Friday afternoon. In this game the boys just couldn't seem to miss and outplayed Goodnight all 4 quarters. Bill Jack Cornell was high point player with 18 points. The second game Friday night against the Wellington Skyrocks was won by a startling score of 40-16. John English capped the high scoring honors with 11 points. In the final game of the tournament the boys beat a fast-moving, hard-playing team from Carey by a score of 22-16. John English was again high-scoring with 10 points. This won the Bronchos the first place boy's trophy. The trophies were awarded to the teams in a ceremony following the game.

Other teams competing in the tournament were Goodnight, Carey, Wellington, Shamrock, Hedley and Lelia Lake. **Local Teams Win One And Lose One With Groom**

A spirited girls team from Groom beat the local Bronchettes in a fast moving game at the local gymnasium Tuesday night. The Groom girls led by a small margin all through the game and were victorious by a score of 17-10. The local team showed plenty of fight and hustle throughout the game. Falling in being able to work the ball in close to the backboard, the locals dropped all their scores from out past the free throw line. Venita Phillips accounted for 7 points, while June Reed made the remaining 3 points.

The Bronchos had a hard time with the Groom boys but finally came out victorious with a score of 41-37. The local team trailed by 5 points at the half and 2 points at the end of the third quarter. They then really worked hard in the final minutes of play to beat Groom by 4 points. Splendid ball handling by both teams kept it a tight and thrilling game. Jimmy Jenkins and Johnny English tied for high scoring honors with 17 points each while Anglin, Grooms dead shot center, led the visiting team with 20 of the 37 points.

Mr. and Mrs. Bill Hightower and children will spend the week end at Tulsa, Okla. Grady Tyler, Biffie Blair and Shirley Barker were in Amarillo on business Monday.

## Santa To Visit Youngsters At Airport Next Wednesday

### NEW YORK FACES WATER FAMINE

NEW YORK—As worried city officials extended restrictions on use of water to car washing, policemen acted to enforce the order. Patrolman Wm. Cobb is shown cautioning Sidney Strassburg of the ban. Precious water supplies in the Catskill and Croton reservoirs decreased 805,000,000 gallons in 24 hrs.

### Notes from - - - CITY HALL

The Boy Scouts have them a new home. The City Commission gave them the privilege of using the second basement of the City Hall Bldg. for their meeting place. May we remind you again that there is a 20 minute limit on parking in front of the Post Office or from there to the corner. We have the signs up and they have been up for quite awhile. We have tried to be lenient with you for some time but several people have abused our leniency so that we are cracking down. ANYONE caught parking over 20 minutes in the above mentioned space will be given a ticket. Our Chief of Police is not to be blamed for giving you a ticket, but your city administration, more especially your mayor, who has given specific instructions that no one is to be excused for over time parking or for double parking.

We are just about through with the present graveling project. If you who have to drive to the Grade schools like the all weather (we hope) road we would appreciate your comments. If you don't like it, the same.

### LOCALS TO ATTEND WELLINGTON C OF C BANQUET

A delegation of local Chamber of Commerce members composed of Ray J. Noblitt, Bowen DuLaney, R. E. Drennan, Cap Morris, Bill Todd, Bob Head and W. S. Whaley, will attend the Annual meeting and banquet of the Wellington Chamber of Commerce next Monday night, Dec. 19th. The group from here will meet with a number of Wellington men prior to the banquet in reference to a proposed meeting at a late date in regard to a compact with Oklahoma on the Division of water on Salt Fork of Red River which is an interstate river.

### LOCAL SCHOOLS RE-ELECTED MEMBER SOUTHERN ASS'N.

Supt. H. T. Burton received a letter the first of this week from Gordon Worley, chairman of the Texas Executive Committee of the Southern Association of Colleges and Secondary Schools, informing him that the Clarendon Schools had been elected to membership of the Association for another year. It is quite a compliment for any school which can meet all the standards set out by the Association.

Mrs. Gertrude Youree is able to be back on her job as book-keeper for Bud Anderson Buick Company after a sojourn in a Groom Hospital where she underwent major surgery.

Santa, that grand, popular fellow, known by all youngsters and grown-ups alike, will arrive at the Clarendon Airport next Wednesday morning, December 21st at 11 a. m., weather permitting, to hand out bags of candy and nuts to the youngsters who are there awaiting his arrival - - and he will have plenty to go around to the large number that is expected out at the field for his grand appearance. The high school band will be on hand to help welcome the jolly fellow and Santa will parade down main street with the band after he finishes his visitation at the airport. If the weather is bad on Wednesday, Santa's arrival will be postponed until the next day (Thursday).

Santa's stop-over here has been made possible through the cooperation of the local Lions Club, airport officials and the Donley County Aviation Club.

Every youngster in this entire trade area or any place else is invited to come and enjoy the whole affair, so all you youngsters be sure to have your parents all lined up to take you out to see Santa come flying in.

### CLARENDON CHURCHES TO COMBINE IN CHRISTMAS SERVICE OF MUSIC

Sunday night, Dec. 18th at 7:30 o'clock the choirs of the different churches in Clarendon will present a program of music at the Methodist Church. Mrs. Harold Beck will direct the Youth Choir in Christmas carols and a special number, "Long Ago in Bethlehem," composed by our own Mrs. Millard Word. Mr. Gray of the First Christian Church will conduct the Adult Choir in a cantata entitled "Chimes of the Holy Night." The pastors of the various churches will participate in this service.

All are cordially invited to attend as this is a Christmas service for all people. "O, come let us adore Him with one accord." (Members of both choirs are urged to assemble promptly at 7 o'clock).

### 4-H Club To Meet Friday, Dec. 16

The Clarendon 4-H Club will meet in the Fair Grounds buildings in Clarendon on this Friday, December 16th. H. M. Breedlove, county agent and local 4-H Club supervisor for Donley County is requesting that all club members be present and all other boys are invited if they wish to join.

A good program is planned, so be sure to be on time.

### ISRAEL FIGHTS UN CONTROL

LAKE SUCCESS, N. Y.—Photo shows members of the Israeli delegation after the United Nations voted to place Jerusalem under international control, despite opposition of Israel and Transjordan, whose forces now occupy the Holy City. U. S. and Britain also opposed. (L to R) I. L. Kenner, director of information; Aubrey Eban, delegate; Gideon Raphael, adviser; and Moshe Sharrett, Israeli foreign minister.

## Annual C-C Banquet Date Set For Jan. 5th

The annual Chamber of Commerce Banquet date has been set for Thursday, January 5th at the Lions Club Hall, and the affair will again be a joint meeting with the Lions Club having their Ladies night at that time. The new officers and directors of the Chamber of Commerce will be installed at this time. The new directors elected this week were Bill Todd, Bowen DuLaney, Frank Phelan Jr. and Van Kennedy. The retiring directors are J. R. Porter, Dale Hill, Lee Bell and W. B. Knorpp. The hold-over directors are Ray Noblitt, present president of the organization, George Thompson and J. W. Murphy. Both the old and new directors will meet in the near future to complete plans for the coming banquet and elect new officers.

Carl Allmond will be the master of ceremonies at the Banquet and the main speaker for the occasion will be John B. Honts of Ft. Worth. Mr. Honts is an attorney associated with Elton B. Hyder at Ft. Worth. He began his law practice in Dalhart in 1931 and while at Dalhart served as County Attorney, County Judge and was elected District Attorney in 1940.

### COTTON GINNING REPORT

According to W. M. Patman, Special Agent, the Census report shows that 15,431 bales of cotton were ginned in Donley County from the crop of 1949 prior to Dec. 1st as compared with 8,346 bales for the crop of 1948.

### Farm Bureau to Have Covered Dish Dinner

Mr. H. Wood, president of the Donley County Farm Bureau announced this morning that on Monday night, December 19th that the Donley County Farm Bureau would hold a covered dish dinner at the Goldston School at 7:30 p. m. Every one is invited and the only thing necessary is for every family to bring a covered dish. The program will be very interesting and will consist of a report by Mr. Lee Shaller and Mr. and Mrs. B. F. Wolford who are in Chicago at the National Farm Bureau convention as this goes to press.

Mr. Wood urges that every one in the county attend this covered dish dinner and tell all of your neighbors, and "Let's all meet at Goldston for a big time," he said. Remember the date is this next Monday night, so make your plans now to be present.

### CLAUDE NASH IN MEMPHIS HOSPITAL THIS WEEK

A man whose friends are legion will learn with regret that Mr. Claude Nash is confined to a Memphis hospital following an operation at Temple for cancer of the mouth and throat.

Mr. Nash served Donley county as a county commissioner for a number of years. He has always exemplified the highest example of good citizenship. His misfortune at this time will cloud the Yule spirit for his relatives and the many friends who hope for a speedy recovery.

### CLARENDON AND DISTRICT MINISTERIAL ASSOCIATION ELECT NEW OFFICERS

A number of the ministers from the churches in the city met in the pastor's study at the First Baptist Church last Monday morning at 10 a. m. to elect officers of the Clarendon and District Ministerial Association for the year 1950.

The following officers were elected: president, Thomas A. Gray, minister of the First Christian Church; vice-president, Warren W. Fry, rector of the Episcopal Church; secretary-treasurer, L. A. Sartain, pastor of the First Baptist Church.

It was decided that the regular time of meeting would be the second Monday of each month at 10 a. m., the next one to be held in the First Christian Church. All the ministers of Clarendon and the trade district are invited to cooperate in this enterprise for the spiritual welfare of the community.

Mr. and Mrs. Bill Hightower and children will spend the week end at Tulsa, Okla.

"Return Home Safely Every Time" Is Plea of Texas Safety Ass'n

AUSTIN—"Return home safely every time!"

This was the plea to motorists today by Chas. A. Miller, President of the Texas Safety Association, speaking in behalf of the Texas Department of Public Safety's December program of traffic safety education.

"Last December," Mr. Miller said, "nearly 2,000 motorists did not return home safely, according to National Safety Council figures. This was the number of motorists killed in that one month alone. Approximately 70,000 were injured in traffic accidents."

The Texas Department of Public Safety pointed out that probably no other month of the year has the abundance of special winter hazards that December has. One of the biggest factors in December's out-of-proportion traffic accident toll is the length of the nights and the shortness of the days. This means greater exposure on the part of pedestrians as well as motorists to the dangers of night-time accidents.

"In addition to this," Mr. Miller said, "December weather, with its snow, ice, sleet, and rain, not only seriously cuts down the driver's visibility but lessens the traction in stopping to a very dangerous degree. Such unfavorable road conditions as these showed up in one out of every five fatal accidents last year, according to national figures. Rain, fog, or snow, was also present in one out of every seven fatal traffic accidents."

The Texas Department of Public Safety warned drivers that during the holiday season everyone is too likely to relax ordinary habits of caution, when actually more alertness is called for.

"When the total death list for last December was tallied," Mr. Miller said, "The fatalities to both pedestrian and motorists amounted to 3,120 persons." Only extreme caution, thoughtfulness, and a deep realization of the perils of winter driving on the part of everyone can reduce this appalling toll. It's an individual responsibility that, for the sake of your family and yourself, cannot be shirked.

"Don't let death take your holiday. The minute that you might save by speeding, the

quick drink that you might have before the trip, or the hope that your windshield wiper and defroster won't be needed can mean that you've enjoyed your last holiday as well as your last day."

This month's traffic safety program is conducted by the Texas Department of Public Safety in cooperation with the Texas Safety Association.

Those to spend Sunday with Mrs. U. G. Koontz and boys were Mr. and Mrs. D. R. Koontz, Barbara, Glenda and Cleeta, Mr. and Mrs. R. G. Eddleman, Gail and Darla Karen, Mr. and Mrs. Curtis Moffett and Lanny and Mr. and Mrs. Clarence Reynolds and Steve.

**Christmas Trees Cause Many Fires, Experts Warn**

Christmas wouldn't be complete without a Christmas tree and all the trimmings.

But each year those trees and trimmings cause many tragic home fires because people are careless with them or don't use safe decorations.

Every year there are nearly 300 fires from Christmas trees in our larger cities, according to a study made by the National Board of Fire Underwriters. If figures were available for small cities, towns and rural areas, the total number of Christmas fires would be shown to be larger, the fire experts warn.

However, this yearly destruction is unnecessary and can be halted. New York City has reduced Christmas fires 65 per cent since 1946 through campaigns of public education in fire safety and enforcement of fire depart-

## MISS CHARLENE MORGAN HONORED SATURDAY WITH BRIDAL SHOWER

A bridal shower was given Saturday in honor of Miss Charlene Morgan, bride-elect of Mr. W. B. Siddle. The shower was given in the home of Mrs. H. G. Bobbitt. The co-hostesses were Meses. L. L. Smith, T. T. Allred, Billy R. Young, W. W. Sandifer, M. H. Lemon, Bill Larimer, Roy Crutchfield, R. C. Jenkins, F. A. Fitzgerald.

Refreshments were served from a table covered with an ecru lace tablecloth and a centerpiece of pink rose intermingling with pale green plumes. Dainty rosebuds encircled the white satin bride book, with gold letters spelling the bride and groom's name. Multicolored plumes ran to each corner of the table. Coffee was served from silver service. The dining room buffet was adorned with a white Christmas madonna accented against a background of dark blue; it was flanked on each side by two candles that were lit throughout the evening. A box of winter greens and bright colored Christmas bulbs, placed on the top of the piano, added a Christmas touch. Decorations were arranged by Miss Margie Harlan.

In the receiving line were Miss Charlene Morgan, Mrs. C. A. Morgan and Mrs. V. H. Siddle, wearing corsages of white gardenias presented by the hostess.

Coffee was served to the guests by Miss Ann Talley. Favors were pinned on each guest by Miss Dora Len Lemons and cake was served by Miss Mary Lou Fitzgerald. Miss Nelda Morgan presided at the guest book.

Presiding at the piano, Misses Fanchon and June Star Allred played favored selections throughout the evening.

About 45 guests called or left gifts during the evening.

Mrs. Sid Endsley has returned home from a visit with her daughter, Mrs. Imogene Mayo at San Diego, Calif.

E. J. Chenault transacted business in Amarillo and Memphis this week.

## WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The Woman's Society of Christian Service of the Methodist Church met at the church on Dec. 7, for their regular business meeting and Christmas program.

The meeting opened with all singing "O Little Town of Bethlehem," followed by a prayer.

After a short business session, presided over by the president, Mrs. C. B. Morris, the following Xmas program was given: Devotional—The Christmas Story; Mrs. Bill Thornberry; The Black Madonna; Mrs. Carl Bennett; The Italian Madonna; Mrs. Elba Ballew; Closing prayer—"A Christmas Prayer"; Mrs. Ralph Porter.

There were eleven members from each of the two circles.

## JR. BEAUX ART CLUB CHRISTMAS PARTY

The members of the Jr. Beaux Art Club met in the Cap Morris home for their Christmas party. Alice McCrary gave a reading on the "Littlest Angel," and all the members joined in singing Christmas carols. Gifts were exchanged, and refreshments of cake with whipped cream and cocoa were served by the hostesses, Mae Morris, Ladelle Cox, Charlean Pyeatt, Patsy Blair and Neal Davis.

Those present were Miss Howren, Miss Polk, Bobby Emmons, Patsy Blair, Neal Davis, Elba Jean Ballew, June Selmon, Gladene Emmons, Sharlean Pyeatt, Doris Wallace, Lois Marie Hommel, Ann Thompson, Ira Jean Estlack, Ladelle Cox, Mae Morris, Mary Louise Cannon, and Alice McCrary who was a special guest.

## F. H. A. NEWS

The F.H.A. met in the Homemaking room Dec. 7.

During the meeting plans were made for a Christmas party to be held Dec. 15 in the Homemaking room.

Refreshments were served by hostesses Shirley Brumley and Nancy Bennett.

J. A. Warren Jr., A. T. Mandril and Adell Williams of Borger were in Clarendon Tuesday, visiting relatives.

## DUPLICATE BRIDGE CLUB

Mrs. C. L. Benson entertained with two tables of bridge at her home Tuesday. Those present were Mesdames Chas. McMurtry, Sam Dyer, Warrin Fry, Lawrence Neece, Alfred McMurtry, W. K. Hardin and Miss Mary Cooke. Mrs. Benson received high score.

## KAPPA MEETING

The Kappa Sub-Debs met Wednesday afternoon in the home of Fanchon Allred. The president, Lois Marie Hommel, called the meeting to order, and the minutes were read by the secretary, Nell Bentley. Each member brought a toy to send to the Veterans Administration Hospital in Amarillo. The toys will be sent to the Veterans' children for Christmas. Other activities for the month include the decorating of the Lions Hall for the football banquet.

Delicious refreshments were served to Mrs. Rufus White, Nell Bentley, Mary Edna Elmore, Jo Anne Ritter, Shirley Brumley, Nancy Bennett, Jo Anne Sibley, Lois Marie Hommel, Elba Jean Ballew, Doris Jean Wallace, Doris Smith, Mary Lou Barker, RaNelle Nichols, June Star Allred, Sandra Bownds, Dorris Knorrp, Joyce Hall, and the hostess, Fanchon Allred.

The next meeting will be the Christmas party, Dec. 14th with Doris Jean Wallace.

## PATHFINDER CLUB

The Pathfinder Club met Friday, Dec. 9 in the new club house.

The meeting was called to order by the president, Mrs. O. D. Lowry. The group read the Club Collect in unison.

The Clarendon High School Chorus under the direction of Miss Wilma Dee Smith sang three Christmas carols: "Hark the Herald Angels Sing," "Joy to the World" and "Silent Night, Holy Night." A Christmas Story, "When the Prince Came" was told by Mrs. L. N. Cox.

The Christmas motif was used in the house decorations and the refreshments which were very attractive.

## LADIES NEEDLE CLUB

The Ladies Needle Club met Thursday, Dec. 8 with Mrs. H. H. Mann. The afternoon was spent painting with Textile paint.

There were 5 members present. The next meeting will be Jan. 12 in the home of Mrs. Gilbert Mann. Delicious refreshments were served by the hostess.

Mr. and Mrs. Wayne Tiller and J. A. Warren were Amarillo visitors Saturday.

**There Will Always Be Christmas Trees**

WASHINGTON, D. C. (Special)—Fifty years ago a President of the United States banned the use of Christmas trees in the White House because he thought the practice of cutting young evergreens was wasteful.

That order, issued by Theodore Roosevelt, went unchallenged until two of his young sons were caught in the act of smuggling a Christmas tree into the Executive Mansion. To escape their father's presidential wrath they appealed to America's first professional forester and Theodore Roosevelt's good friend, Gifford Pinchot, to intercede for them.

Pinchot did, pointing out that proper cutting of small evergreens for Christmas use is not harmful and frequently actually helps a forest.

That advice, good enough 50 years ago to lift a White House ban and convince a strong-minded president, is echoed this year by no less an authority than the American Forest Products Industries.

"Don't worry about the plight of the poor Christmas tree," says this wood-industry sponsored organization, "it's as replaceable as the Thanksgiving turkey and just as indispensable to the American scene."

Nearly half of the 21 million evergreens that make up America's 1949 Christmas tree harvest were farm produced. Nearly nine-tenths of the entire crop was cut on privately owned timberland. To augment this domestic Christmas tree harvest, about five million evergreens are imported annually, most of them from Canada.

Besides bringing a fragrant freshness to the forest into two out of every three American homes this December, the three-month Christmas tree harvest pours an estimated 50 million dollars into the Nation's economic bloodstream.

Most American Christmas trees are thinned from natural growth forests. An original stand of from five to ten thousand trees per acre will actually mature only a few hundred sawlog-size trees. Most of the small evergreens, selectively cut for Christmas sale, would sooner or later have been eliminated by Nature in the life and death struggle for forest space.

When it comes to selecting a Christmas tree, most Americans have as many individual likes and dislikes as they have in motor cars or hats. Color, limb strength, shape, compactness, fragrance, an

These spruce trees from Northern Minnesota's second growth forests will bring Christmas cheer into homes all over America. This scene typifies the holiday forest harvest just completed. (Halvorson Trees, Photo)

ability to retain needles and, of course, price are factors.

Best seller on the Christmas tree market today is the balsam fir, a product of New England and Northeastern United States. About six and one-half million of these are sold in an average year. Douglas firs, products of the Pacific Coast, are the second most popular. Black spruce, red cedar and white spruce follow in that order. Together these make up 83 percent of all Christmas trees sold in the United States. Scotch pine, Southern pine, red spruce, Virginia pine, white fir, Norway spruce, hemlock, cypress, juniper and Englemann spruce also are marketed in commercial quantities.

Historians disagree over how and when this Christmas tree business started in America. Home-sick Hessian soldiers, brought over from Germany by the British to fight George Washington's Continental Army, probably introduced the custom.

Another German, the sixteenth century religious leader Martin Luther, generally is credited with originating the custom of decorating Christmas trees with lights. Noting how snowflakes on the boughs of evergreen trees reflected moonlight, Martin Luther determined to capture the same effect in his home by placing lighted candles on the tree. The idea spread through the centuries.

This Christmas eve, just as they have since 1923, people will gather around an evergreen tree on the White House lawn to participate in a tree lighting ceremony dedicated by the President and broadcast nationally.

Forestry-wise the United States has traveled a full circle since Theodore Roosevelt's day. Christmas trees, like sawlogs and pulpwood, have become a crop in America. This country's forests, if protected and wisely managed, can produce both wood and Christmas trees in quantities sufficient to meet present as well as future needs.

**Straight From The Heart**

A small but powerful weapon has entered the fight against the nation's Number One killer, heart disease.

It is the new G-E Cardioscribe, an instrument which can "put the finger" on many abnormal heart conditions with a direct, on-the-spot tracing of the heart's action. With it, there is no film to expose or develop. A complete record of the heart's beat is made on a waxed paper tape with a heated element.

Entirely self-contained in a wood cabinet, the 38-pound Cardioscribe can easily be moved from room to room in a hospital or shifted with little effort for the observation of special cases where drugs are being administered.

L. L. Cornelius is reported as being ill at his home this week.

## The Texas Almanac

Anything you want to know about Clarendon, Donley County, about Texas, or about industry, business, politics, education or almost any phase or expression of life or physical or other phenomena in Texas?

It's almost a cinch you will find it in The Texas Almanac. Just published by the Dallas Morning News.

The new almanac—672 pages—is the largest ever published. It contains more than 650,000 words and word-equivalents in statistics, scores of maps and illustrations.

Texas' population is predominantly urban, for the first time in history. The net value of manufactured products has more than quadrupled since the prewar period. The number of industrial wage earners has doubled, the Almanac reports.

With farm population down, agricultural production is up. Mechanization may be the answer, for the number of tractors in the state jumped from 98,923 in 1940 to 236,390 this year.

The Bureau of the Census hurried completion of its new post-war count of manufacturers to make it available for this Texas Almanac, editors report. All figures, including data on individual industries, counties and cities are included in the book. There is a 15,000-word history of the Texas cattle industry. All developments in mineral exploration and development are shown.

The Almanac describes Texas' new arrangement under the Gilmer-Aiken law, is able to list Army, Navy, Air Force and National Guard installations for the first time since wartime censorship was lifted.

It covers state officials, commissions and boards - - - the 300 odd laws passed by the 51st Legislature - - - the State Constitution with all recent amendments - - - 1949 population figures - - - a survey of all water supply projects, under construction and tentative, and hundreds of other subjects.

**COLORED METHODIST EPISCOPAL CHURCH**

It gives us real pleasure to report to the Methodists of Clarendon and other interested people the progress being made in the completion of the church building for our negro brethren. The few members of that church are working hard and we know that their leaders are really sacrificing that they may have a respectable place in which to worship.

Under the leadership of their new pastor, Rev. Jolly, they launched a drive during the latter part of October to complete their shell of a building. Their Board of Kingdom Extension has sent them \$500.00, their members and leaders have given sacrificially, and some of us Methodist people and others have helped substantially and thus they are nearing the completion of their building.

But, if the work is to be completed without indebtedness these people are going to have to have

some substantial help from the membership of the First Methodist Church and their interested friends. These earnest Christians need our support as they seek to work for the spiritual interest of their people. Any substantial help that you can and will give to this cause will be deeply appreciated by us.

## Health Notes

**AUSTIN** — Dr. Geo. W. Cox, State Health Officer declares there's hardly anyone who hasn't caught cold at one time or another. The common cold is common indeed! Besides making you feel miserable, colds steal your time and your money. They fool you, too, because the early signs are often the same as those of more serious illness. And long-continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears, or sinuses. So, do your best to keep from catching cold. And if you do catch one, take proper care of yourself so you can get rid of it.

- When you have a cold:
1. Get as much rest as possible. Stay in bed or indoors for the first day or so if you can.
  2. Keep comfortably warm and dry. If you must go to work, wear clothes that will protect you adequately when you go outdoors, and avoid drafts and sudden chilling when overheated.
  3. Drink plenty of citrus fruit juices, water, and other liquids. Eat simple foods which agree with you.
  4. Protect other people as much as possible. Cover your mouth and nose when you cough or sneeze. Use paper handkerchiefs or paper napkins that can be burned. Wash your hands frequently with soap and water.
  5. Blow your nose gently. If you don't, you may force infected material from your nose into your sinuses or middle ear and develop sinus trouble or serious ear infection.

6 If a cold starts with chills, fever, or aching, or seems more severe, or lasts longer than usual, consult a physician without delay.

Get in step with your neighbor—join the Farm Bureau. (Adv.)

FOR GOOD OR EVIL

Dear Santa:

I'm a little boy almost two years and I can hardly wait until Xmas so you can pay me a visit. Last year I was kinda small and don't remember too much about you, but this time I'd sure like to get well acquainted with you so that we could be pals. Like Dad and I are. I've been a pretty good little boy, Santa so I'm asking you to please bring me a pretty red tricycle and I just know you will think I'm a sissy when I tell you what else I want, but remember Santa I'm not even two years

old! I'd like to have a doll—just a small one and please Santa, don't think I'm a sissy. I'd also like to have some house shoes and Santa don't forget all the other little boys and girls, because you know we all love you.

Yours truly,  
Mike Horton

Mrs. Frank White Jr. and Mrs. McDowell were in Amarillo Mon.

Mr. and Mrs. Morgan left for Okla. City Monday looking for a new location to live.

**FARM NEWS**  
From the County PMA Committee

**DEADLINE SET ON STALK AND STUBBLE PRACTICE:**

The deadline for signing up to leave stalks and stubble on the land is December 16, 1949. The original deadline was December 1, but we have had so many farmers in the office asking for an approval that we decided to extend the final date to sign up. Be sure that you have signed up by then. This is a good practice, and we want every one entitled to earn a payment on it to do so.

**MARKETING QUOTA REFERENDUM:**

To-day is the day that all the farmers go to the polls to vote for or against Marketing Quotas on cotton for 1950. The results for Donley County will be published in next week's paper. This is a National Election; if producers all over the Nation vote for Marketing Quotas, they will receive 90% of parity price on their 1950 cotton crop. If they vote against Marketing Quotas, they will receive only 50% of parity on the 1950 cotton crop. Eligible voters are those who raised cotton in 1949.

**PROGRAM YEAR COMES TO A CLOSE:**

We only have two full weeks left to complete all our work for our ACP program. If you receive a notice from this office asking you to make a report on some practice that you have an approval for, please try to do so as soon as possible. Everything must be in and signed by December 31 so that we may complete the Applications for Payment as soon as possible after the first of the year. Those producers in the County who have approvals out for ter-

**THE DONLEY COUNTY LEADER**

ences and other mechanical practices should get them completed and get the reports in as soon as possible.

**COTTON ALLOTMENTS:**

The cotton allotments have been completed and mailed out. Those producers in the county who want to make an appeal should file it at the County Office not later than Friday, Dec. 23rd.

**COTTONSEED PURCHASE:**

All producers in the County who are not sure that they have been paid on all their cottonseed that they sold to CCC should come to the office and collect their check.

**1949 BUDGET:**

We still have some money left in the budget. If there is a practice you have in mind that you would like to carry out, please come to the office and talk it over with us. We can still issue approvals if you get the practice completed by the last of the month. We recommend chiseling at this time. It would be profitable to chisel now so that the moisture from all the snows and rains soon to come will penetrate this dry ground and help prepare the land for next spring. "Proof of the pudding is in eating it" and Mr. R. E. Mann of Hedley says this is one of the best practices the county has. He chiseled some land last year and his cotton crop on that chiseled land was two bales to the acre. So, come to the office and help us spend this money.

**GRAIN SORGHUM LOANS:**

To date we have completed 45 Grain Sorghum Loans totaling nearly forty thousand dollars. If you are interested in putting your grain in a loan, come to the office and let us tell you how simple it is. Our loan business has certainly increased this year.

**1950 ACP PRACTICES ARE SELECTED:**

Last Wednesday, the County Committeemen, Community Committeemen, representatives of other Government Agencies, Administrative Officer of Donley County PMA, and local bankers met to select the 1950 ACP practices for Donley County. They are listed below.

1. Construction of terraces for which necessary outlets and waterways are provided.
2. Construction of diversion terraces to control excess water.
3. Field strip cropping.
4. Subsoiling to permit better penetration of water.
5. Bringing clod-forming subsoil to the surface of sandy cropland to prevent wind erosion.
6. Leaving on the land as a protection against wind erosion the stalks or stubble of sorghums or millet.
7. Managing crop residues to protect soil from wind erosion.
8. Contour seeding drilled grasses, legumes, or small grains.
9. Control of bindweed.
10. Constructing or enlarging drainage ditches.
11. Reorganization of a permanent farm irrigation system to conserve water and prevent erosion.
12. Drilling or digging wells for livestock water.
13. Construction of earthen dams or reservoirs for livestock water or erosion control.
14. Application of potash and phosphate.
15. Growing a green manure or cover crop of summer legumes.
16. Increasing the total farm acreage of biennial and perennial legumes.
17. Establishing a satisfactory cover of winter legumes and ryegrass seeded in the fall of 1949.
18. Elimination of destructive plants on noncrop pasture and range land.
19. Control of sagebrush by mechanical or chemical treatment.
20. Controlling competing weeds in pastures by mowing.
21. Reseeding range or pasture land by deferred grazing.
22. Establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes, or mixtures of grasses and legumes.

Dear Santa:

We are 3 little boys—2, 3, and 5. We would like guns for our holsters. We have lots of fun playing together. There are so many toys to choose from, just bring us something we will enjoy playing with together. Please don't forget the other boys and girls. A Merry Christmas and a Happy New Year.

**The Lion's Roar**

By Dee Lowry

The Clarendon Lions Club held its regular meeting Tuesday, December 13 at the club hall. Six guests and 80% of the members were present for this meeting.

Minutes of the Board of Directors meeting were read and approved. The club voted to sponsor the Geller production next year. The time of this production will be set at a later date.

The Education Committee will meet at the club hall Friday evening at seven o'clock and those wishing to make up attendance may do so at this time.

Lion Frank Thomas was the Lucky Lion at this meeting.

The school orchestra under the direction of E. R. Blevins entertained the club during the luncheon period.

The program consisted of Christmas carols by the club accompanied by the orchestra. The club wishes to compliment Mr.

Blevins and the orchestra and to invite them to be with us again. Lions, a good new years resolution would be to attend the meetings of your club.

Dear Santa Claus:

Would you please bring me a wagon, football, helmet and shoulder pads and some cars. Also, bring my little brother Henry a wagon and a tricycle. I'll soon be six and Henry will be two. Don't forget all the other boys and girls.

Thanks a lot,

### I HAVE NO HILL

By Clyde McBay Henry  
 I have no hill, Dear Lord  
 On which to go to pray.  
 But in the blackness of the night  
 I somehow find the way.

I have no hill, Dear Lord  
 To climb and hear what thou may say.

But I have a quiet room  
 Where I talk with Thee each day.  
 I have no hill, Dear Lord

hour  
 But I walk in my garden  
 And find Thee in each lovely  
 To commune with Thee for an  
 flower.

Every parent should, in my opinion, read "I Am A Selfish Mother" in the Dec. Readers Digest. They will also send extra reprint copies of the article if you should want them at no cost to you. It may be a clue to the solution of the problem of how to handle our children.

From the magazine Your Life: "Today in America we spend three billions a year to educate our children on how to meet life intelligently, and three times that amount on liquor, in which to drown our sorrows," end quote.

From the Polk Street Professor: "One local doctor says it isn't Socialized Medicine at all, but Medicated Socialism."

Newest members to the Ain't Smoking Right Now Society are Harold Beckett, of the Goodnight community, and Wallace Fahle,

of Pampa, Texas. Glad to have these new members and have mailed them membership cards. Thanks, Fellows.

If you read I Am a Selfish Mother, please write me your opinion of the article.

God is watching over us today; - - Watching over the sparrow and me. We shall not stumble, or fall by the way.—For He's watching the sparrow and me.

I think that everyone who heard Senator Hazelwood's talks on the day of Dec. 7th enjoyed them. I wonder will we soon forget his words or will we awake to our duty to hold on to our freedoms that we have been taught to cherish, and that we are in danger of having taken away from us by politicians who in the name of security are lulling us to sleep with sweet sounding promises of an easy ride from the cradle to the grave - - - Anyway, in summing it all up Mr. Hazelwood advises us to start at home as our forefathers did: "Teach our children to be honest, to stand on their own two feet, not be always looking for a Washington hand-out, to take an interest in our affairs of government." He seems to think that if we lose our Democracy at any time to the forces of Com-

munist it will be because of our lack of interest and our unconcern - - - Anyway, I admire this farmer, statesman and lawyer that has the courage to tell us these truths regardless of whether it tastes sweet to our political teeth or not. More power to you Grady, and may you continue to tell more people the story you told us; that we might awaken before it is too late. Or like Samson, we listen to these sweet words of nothingness being whispered in our ears while we are being shorn of our strength; our freedom and our self-determination.

No matter how small our job is in this old world we might be proud of it. The other night at a testimonial on why I am glad to be born in America, one little girl said that she was glad because we had ice cream and in some countries they didn't have it - - - I thought it was one of the best reasons given - - - Thank God for ice cream and for little girls that Thank God for ice cream - - -

Just beyond the things we can see,  
 Beyond the things our hands can do;  
 His all seeing eye is watching for me,  
 And His hand reaches out to you.

Anyway, regardless of the weather or politics we will have Christmas at least again this year - - - Some of us will be happy and some will be sad. Some will remember that it is the birthday of Christ and will try to spread love and goodness about the country side, some will forget and celebrate it as Satan's Holiday; with things that they will later be ashamed of. Merry Christmas to both my readers and to everyone in the wide world, even that over-stuffed version of a Jeeps Shadow, Uncle Jay.

—just as they have done during the total 19-year period, 1931 to date!

THE men and women of America know value when they see it!

Consequently, they are purchasing more Chevrolet passenger cars than any other make . . . and more Chevrolet trucks than the next two makes combined . . . thereby placing Chevrolet first in sales this year, just as they have done for the total 19-year period, 1931 to date.

Naturally, we and all Chevrolet dealers are deeply appreciative of this overwhelming tribute of preference; and we join with Chevrolet in pledging to do everything possible to give you greater and greater value in the months and years to come.

**HOW MANY MISTAKES make everything just OK?**

PROponents in Washington are urging Compulsory Health insurance, to be financed by heavy Federal tax on pay rolls and salaries. Such a program would empower a Federal Bureau and thousands of bureaucrats throughout the country to regiment our Doctors, Pharmacists, Hospitals, Nurses, Technicians and all health services.

Such a mistake—once enacted into law—would be hard to undo or correct. It would put tremendous power into inexperienced, political hands. No real American would advocate such a mistake, by either his silence or influence, if he realized the INEVITABLE result would be regimentation by dictatorial Federal employees . . . BUT, in addition, experience has PROVED that in countries where such mistakes have been made, health standards and quality of medical service are lowered. We have the highest health level on earth—let's KEEP it going forward!

**What a Christmas Gift!**  
**'50 FORD**

White sidewall tires available at extra cost.

**ITS 100 H.P. V-8 ENGINE PURRS QUALITY**

It's an engine that's as powerful as a herd of reindeer—and as silent as the night before Christmas! Yes, Ford offers you the only 100 h.p. engine—the only V-8 engine—in the low-price field. Yet the '50 Ford, with this engine, sells for less than most Sixes.

**NEW "HUSHED" RIDE, TOO!**

Drive a '50 Ford and you'll notice quiet that whispers quality. The powerful V-8 engine whispers while it works. And doors, roof, and body panels are "sound conditioned" against road noises. Even the 13-way stronger "Lifeguard" Body adds to the quiet. But drive it yourself and see why no other car delivers so much for your money.

**IT'S THE ONE FINE CAR IN THE LOW-PRICE FIELD**

With Ford's quality-car power, you get quality-car "feel," too! For Ford's "Hydra-Coil" and "Para-Flex" Springs make the bumps feel like they aren't there—and Ford's "Mid Ship" Ride is as smooth as silk. From its soft foam rubber front seat to its beautiful baked-on-finish, Ford leads its field in quality.

# 1949 The Bluebird 1950

Vol. 1 No. 6 LELIA LAKE SCHOOL NEWS Dec. 15, 1949

## SENIORS WORK ON STAGE AND THEATER

A miniature Shakespearian stage and theater is being built by the senior class as a class project.

The small replica will be about sixteen inches long with a stage in the center and balconys on three sides. Two days a week have been set aside for work on the project.

Members of the class working on it are Billy Hill, Billy White, Billie Jean Pool, Bobby Hill, Lee Roy Jackson and T. J. Carter.

## BLUEBIRDS BUFFALO GOODNIGHT 58-21

The Bluebirds completely buffaloed the Goodnight Buffaloes

with a winning score of 58 to 21 Tuesday night, December 6.

Kenneth Wilkinson was high point man with nine field goals and Billy White was right behind him with eight field goals and one free shot. White and Bobby and Billy Hill played for only the first quarter. Goodnight's high point man, Hassel, made three field goals and one free shot.

## GIRLS WIN GAME WITH SCORE OF 45-12

The Lelia Lake girls badly defeated the Goodnight girls in a basketball game Tuesday, Dec. 6. The final score was 45 to 12.

The starting line up was Marilyn Butler, Bobbie Seago and Shirley Aten as forwards and Margie Tims, Romaine Anderson

and Joanne Christal as guards. High point girl for Lelia Lake was Marilyn with a total of fifteen points.

## MEAT CUTS STUDIED BY HOME EC CLASS

The homemaking class of Lelia Lake High School, as future purchasers and consumers, are making a detailed study of wholesale and retail cuts of beef, veal, pork, and mutton and their characteristics and methods of preparation.

Laboratory lessons will be held to study the cooking methods. Mrs. Craig Johnson, teacher, says that a field trip to a frozen food locker is being planned for the class.

## BROADCASTING LEARNED BY JUNIOR CLASS MEMBERS

The junior class of the high school has just finished recording a play, "Where The Cross Is Made", by Eugene O'Neill.

The play, intended to be presented on a stage, was made adaptable for a radio skit by the class and was presented as such.

Those students working on the broadcast and presenting it were Shirley Aten, Bobbie Seago, Kenneth Wilkinson, Benny Darnell, Ralph Ayers and Keith Reed.

## CHRISTMAS BANQUET SCHEDULED FOR DEC. 22

An annual Christmas banquet

will be held for the high school in the school building on Dec. 22.

The home economics department will have charge of preparing the menu. This banquet is not for any certain class but for the whole high school.

A Christmas tree and exchange of gifts will close the activity.

## PERSONALS

Boyd Scivally and family from Hereford are visiting Patsy and T. J. Carter.

Mary Dodson and Gaynell Scott spent Thursday night with Margie Tims.

Patsy Moss and Carolyn Alexander spent Tuesday night with Gaynell Scott.

Mrs. Frank Duncan and two children arrived Sunday from Marshall to make their home here in Lelia Lake. Mr. Duncan is a member of the faculty.

Patsy Carter spent Thursday night with Shirley Aten.

### Letters To Santa:

Dear Santa Claus:  
Please Santa, I want an express wagon. I need it to clean up the yard. That's all I want. I am five years old.

Love,  
Robert Rhode

Dear Santa:  
Will you please bring me a crying doll and a train with some soft candy and lots of fruit.

Thank you,  
Linda Marie Salmon

Dear Santa Claus:  
Will you please bring me a doll, dishes and a set of house furniture and a blackboard. That will be all for now.

Love,  
Freda Jo Gibson

Dear Santa:  
Will you bring me a B-B gun, and a horse and saddle. My chimney is small—come in at the front door; it won't be locked. But leave the horse outside. Merry Christmas.

Dannis Gibson

Dear Santa:  
I am a little girl just past one year old. I would like to have something pretty to play with, and especially something to make noise with. I won't be hard to please. Lots of love,

Danalene Estlack

Dear Santa Claus:  
I want a cowboy outfit, size 10. Hat size 20, a pair of spurs and apples, oranges, nuts and candy.

and remember the other girls and boys. I live upon the hill in big house.

Gerald Anderson  
P. S. I want a three finger baseball glove.

Dear Santa Claus:  
I am a boy eight years old. Will you please bring me a baseball glove, a filling station, and an electric train if you have enough to go around. I would like to have some candy, fruit and nuts.

Your friend,  
Gordon Douglas Maddox

Dear Santa Claus:  
Being as I am a little cripple boy eight years old and confined to my bed and wheel chair, I would like something I can play with in bed. Other than fruit and candy I would like to have a typewriter and a fire wagon. I would like to have a Mickey Mouse watch also, and I need some house slippers. And please Santa, be good to all the other boys and girls every where. I go to West Texas to spend the winter with my grandmother, but I'm going to my aunt's house for Christmas.

Othadean and Wilma Elliott

Dear Santa Claus:  
I wish you would bring me a doll, an expansion bracelet and a necklace, a nurse and doctor set, and buggy for my doll and lots of nuts and candy. Bring my little sister the same thing. Bring us both a blackboard.

Othadean and Wilma Elliott

Dear Santa Claus:  
I am a little girl eight years old. I go to Martin school. I want a lot of toys for Christmas. I hope I have been good enough to get all I want. Please bring me a doctor and nurse set and an expansion bracelet and necklace. I also want a globe so I will know my geog-

raphy better. Please bring a lot of apples and a lot of other goodies. Goodbye dear Santa. Good luck to you. Don't forget all the other girls and boys.

Nelda Joy Tims

Dear Old Santa Claus:  
How old are you? I would like to have a piano and my little brother 6 years wants a bike and my other brother wants a new suit. Don't forget to bring us all some nuts, fruit and candy.

Love,  
Florence, Zek and Elmer

### SOCIAL SECURITY NEWS

Q—I have heard that the Social Security Tax will increase to 1 1/2% effective January 1, 1950. Is this correct?

A—Yes. Beginning January 1, 1950, your employer will deduct 1 1/2% from your check for social security rather than 1%. The employer's tax rate will also increase to 1 1/2%.

Your social security office located in the Post Office Building in Amarillo invites your inquiries regarding any phase of the Old-Age and Survivors Insurance program under the Social Security Act.

Q—What if my employer does not have a regular pension plan, but continues to carry me on his payroll after I no longer render any services?

A—Each such case would require special consideration, but generally speaking, if you were not actually rendering any services and it was not expected that you would return to work in the near future, you would be considered as receiving a pension and thereby would be entitled to draw your old age retirement payments.

Q—What if my employer does not have a regular pension plan, but continues to carry me on his payroll after I no longer render any services?

A—Each such case would require special consideration, but generally speaking, if you were not actually rendering any services and it was not expected that you would return to work in the near future, you would be considered as receiving a pension and thereby would be entitled to draw your old age retirement payments.

"Afterthoughts"

EDITORS NOTE—The following article was read recently at the Amarillo Council of Church Women and was taken from "The Churchwoman", official publication of the UCCW.

I packed my "Pieces for Peace" package last night. The cloth, new and beautiful; the thread, several shades of it; the needles with big eyes, so that even the weak of

vision may be able to thread them; the scissors bright and shining, were all wrapped according to specification in the large square of blue denim, to be used for patches on work clothes for men.

"Pieces for Peace", I said out loud, and then stopped to ponder over the words. No mere pieces of new cloth can or will bring peace to our world, that I know. Yet, the little boy's lunch was taken

years ago, and in the hands of the Master it fed thousands. If some alchemy of God each woman who sends a package to the war torn countries could become—in her person—a Piece for Peace—a small revolution would be launched in our world.

Sitting there in the silence, I placed my bundle into His hands. I gave it trustfully as did the small boy his lunch. I prayed for her who would open the package,

asking that it would be to her more than cloth, scissors and thread. That it might be a personal note, in a language which she could understand. That she might read, "I, your neighbor across the sea, am thinking of you this day. I am praying for you. If you do not know Our Heavenly Father, I want you to know Him. It is because of His love manifested in His Son that I am doing this even so small a thing. His love, binding together the hearts of all who love Him, is our only hope for Peace." So I prayed for her—my unseen neighbor. Then I added another prayer for myself, "Lord, MAKE ME an instrument of Thy Peace. Amen."—Matsu W. Crawford, Sparta, Ga.

GIRLS TAKE LEAD IN FIRST OF TOURNAMENT

The Lelia Lake girls met Carey girls in the Hedley tournament on Friday, Dec. 9. The Lelia Lake girls took an easy lead over the Carey team in the first quarter and maintained that lead for the remainder of the game. The game closed with Lelia Lake twenty-two points in the lead.

Friday night the Bluebirds met defeat at the hands of Hedley, winner of the Clarendon-Hedley game, to a score of 19 to 31.

Clarendon took an easy win over Carey and Goodnight for the consolation trophy.

Silverton forfeited their game to Shamrock which automatically placed Shamrock in the semi-finals against Wellington, winner of the Goodnight vs Wellington game. Shamrock emerged the easy winner to meet Hedley in a close game in the finals. Shamrock took first place honors by one point.

The winners of the girls' bracket were: Shamrock, first; Hedley, second; and Clarendon, consolation.

Prisoners of War Former Texas Entitled to Claims For Compensation

Former Texas prisoners of war entitled to claims for compensation under the War Claims Act of 1948, will soon be sent forms or which to make application. The act, known as Public Law 826, was passed at the last session of the Congress.

A committee appointed by Gov. Allan Shivers will act as the state agency through which necessary forms will be secured and distributed. The committee is composed of Maj. Gen. K. L. Berry, the Adjutant General, Chairman, Mr. Harry B. Crozier, Texas Employment Commission and Judge L. H. Flewellan, Industrial Accident Board.

The committee met Wednesday.

November 30th and arranged for the wide dissemination of information regarding prisoner of war claims. Only claimants in the following categories will be eligible: American prisoners of war, their dependents, civilian internees and their dependents, and religious organizations.

Each person and organization qualified to make a claim should immediately request forms for the category in which he intends to make claim for compensation. The deadline date for receipt of these letters has been set by the committee as January 1, 1950.

The committee then will recapitulate these requests and notify the War Claims Commission, Washington, the number of forms in each category which will be needed in the state. When received from Washington the forms will be distributed by the committee to all applicants.

This committee is charged only with the responsibility of securing and distributing the forms. It has nothing to do with the War Claims Commission other than to find out the number of claimants and distribute the appropriate form, therefore no acknowledgments will be sent to applicants nor will inquiries be answered.

The committee estimates that there are several hundred West Texans who were prisoners of their enemies in World War II. In cases where these enemies violated their obligation to provide the quantity and quality of food to which they were entitled un-

der the Geneva Convention, prisoners are allowed \$1.00 a day for each day in the hands of the enemy.

Those eligible in any one of the five categories named above should immediately contact the local American Legion for assistance in complying with this request of the State Committee. Each American Legion Post in the 18th District has been furnished with a suggested procedure and is available to help former prisoners of war, regardless of whether or not the eligible applicant is a Legionnaire, comply with the request. The local American Legion is offering this as a community service.

SHIPMENTS OF LIVESTOCK

AUSTIN—Livestock shipments in Texas totaled 8,330 carloads in October, rising 46 per cent from September, the University of Texas Bureau of Business Research reported.

October cattle shipments rose 78 per cent from September, while shipments of calves and hogs stepped up 25 and 10 per cent, respectively. Sheep movements dropped 35 per cent in October from September.

In comparison with October 1948, all types of livestock shipments showed declines in October 1949. Sheep and calf shipments slipped 30 per cent; hogs, 19 per cent; and cattle, 16 per cent.

Boys' Livestock Show Will Have \$7,650 Premiums

FORT WORTH—The boys' livestock show entries will compete for cash awards totaling \$7,650 at the Southwestern Exposition and Fat Stock Show, Jan. 27 thru Feb. 5, the management announces.

Always one of the most interesting features of the entire exposition, the boys' show has a great, long-range value because here is given recognition to the work of the youths who will be leaders in the livestock industry not many years hence.

Not only the cash awards and the coveted ribbons but also the attention bestowed by the Stock Show visitors on all the entries stimulate the boys' interest in raising the highest type of livestock and with proper feeding and improved methods.

Two of the red letter days of the Stock Show each year are the one especially honoring the Future Farmers of America and the Future Homemakers and the other day in honor of the 4-H Club boys and girls. On those days, thousands of happy girls and boys from all over Texas go through the Show entrance, through the shows and rides on the midway, view the fine livestock and cheer the rodeo and

From where I sit... by Joe Marsh

Now Hospitals Are "Banks," Too!

Doc Simpson was saying, "Hospitals are building up 'bone banks' that work just like blood banks. When bone is needed, the surgeon takes one from a refrigerator, cuts it to the right shape and simply splices it in."

"You doctors are sure making progress," I says, "but tell me, are any of the patients fussy about whose bone they're getting?"

"No sir!" replies Doc. "No more than they worry about whose blood they get. No one yet asked for a bone from a man who went to the same school or church he did."

From where I sit, it would be a better world if we were half as willing to accept other people's ideas and tastes, as we seem to be willing to accept their bone and blood. There'll always be differences. Some like buttermilk, others would rather have a sparkling glass of temperate beer. But underneath we're pretty much the same—deserving each other's respect and tolerance!

## Here's why I take my JOHN DEERE Equipment to the man who knows it Best!

"There are three mighty important reasons why my John Deere Equipment goes to a John Deere Dealer for reconditioning.

First, I benefit from the skill of his trained mechanics, schooled in servicing methods recommended by John Deere. Second, his shop is well-equipped with up-to-date precision equipment. His mechanics have the tools to do the work right. Third, he uses only genuine John Deere Parts, which are made to fit and wear like the originals they replace. Thus, it's a three-way assurance of work well done... economically done." It will pay you to consider the important servicing advantages we offer. See us soon for complete details.

don't you think it is about time we were discarding them? Because man's authority will save you from very few things...

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt The Library is now located in the former Club room, just next door to where it has been.

Books have always been a source of information, comfort, and pleasure for people who know how to use them.

For the girls' shelf we have one of the popular career books of Adele De Leeuw—"Curtain Call".

For the adult readers—"Mary" by Sholem Asch. It is one of the great works of modern literature.

In reading the list of books reviewed by the women who do reviewing as a profession—"The God Seeker" by Sinclair Lewis

has been used frequently. Mrs. Avery who reviews for various clubs in towns along the Denver has used a recent edition of the "Life of Will Rogers."

A friend gave us 20 paper book westerns and popular novels last week. They were all bright and new, and one of Tuttle's I have ordered several times in good binding and was reported "out of print"—well, it was in this collection—This completes his "set" for our shelves.

Our Library can be very attractive and a great asset to our town if we can each work to make it so. Books "wear out" with constant usage and can not be replaced when needed, but we possess some excellent editions that appeal to every age.

It would take 53 years for an airplane, traveling 200 miles per hour, to go from the earth to the sun.
