JET BOMBERS SPAN PACIFIC

HONOLULU, T. H.—Three B-45 jet bombers landed at Hickham Field here to complete the first jet crossing of the Pacific Ocean to Honolulu from the west coast of the U. S. Happy crew members of one of the planes are, left to right: A. D. Simmons, Timmonsville, S. C., pilot; 1st Lt. C. R. Honaker, Quincy, Ill., observer; and 1st Lt. J. A. Trapp, San Antonio, Texas, co-pilot.

Ground Being Cleared This Week For New Grocery Store Here

A modern drive in grocery store combining the latest in construction and convenience for the public is to be built on the four lots east of the court house, and ground clearing operations were started this week in preparation for the construction. The owner and builder is Geo. E. Bagby, the architect is O. L. Johnson, of Amarillo and Ed Speed is general contractor.

The building, 60 feet by 80 feet, is to be placed in the center of a building site 100 feet by 115 feet. There will be concrete paving on all four sides of the building for parking convenience. The building is to be fireproof in every respect and is to be completely air conditioned for both summer and winter. The west and south sides are to be solid plate glass. Under the plate glass on the west and south sides is to be roman brick. The main entrance to the building is to be in the southwest corner of the lot. All doors are to be of solid steel.

The building will be leased to Junior Spier in which he is to operate Junior's Food Market. It has been understood that at the present time there is no building of this nature in Amarillo that will compare with the one to be built here.

Mr. and Mrs. T. G. Wiley and boys visited his parents, Mr. and Mrs. M. A. Wiley at Lakeview Monday night. Also present were Mr. and Mrs. Roland Wiley and family of Cordell, Okla., Mr. and Mrs. Neal Smith of Morton, Texas, and Mr. and Mrs. J. W. Wiley and family of Santa Anna, Calif.

CLASSIFIED AD COLUMN LOSING MONEY AGAIN

Our classified advertising section has been dropping into the red again lately. This is due to the fact that a number of persons have been calling their ads in but fail to ever come by and pay for them. For this particular service we must demand cash in advance. If you call an ad in you must make positive agreement as to payment before the ad will be run. Some people are forgetful, and some people apparently don't intend to pay so please keep this in mind.

Where And When To Call Your News Items

A number of people have been at a loss as to where to call personal and society news items, and we would like to announce that Mrs. G. W. Estlack has assumed this responsibility since the passing of Mrs. J. C. Estlack. The phone number is 418.

It will be appreciated if you will call your items in soon after they happen as a deadline has been set for all items happening prior to Monday which must be turned in not later than Tuesday morning and other items happening after Tuesday morning must be in by Wednesday morning.

We want every bit of news that happens so do not hesitate to call. Your visitors or your own visiting makes news that your friends and neighbors like to read.

Deadline Set For News Copy

It has become very difficult for the Leader force to publish your Leader in time for the early morning train Thursday whereby readers in the Lelia Lake and Hedley areas can get their paper on time due to the fact that a volume of news copy arrives at the Leader office from one to four days later than it should. If we miss the early Thursday morning train our neighbors in the east part of the county will not receive their paper until Saturday or Monday.

So that no one will be disappointed our policy in the future will be as follows: General news items and society items taking place before Monday will not be accepted for publication that week if received later than Tuesday morning. Clubs or other news items created on Tuesday will be accepted until noon Wednesday. No general news copy will be accepted after Wednesday noon as our pages are made up late Wednesday afternoon so we will be able to start the press rolling by 9 o'clock Thursday morning. Items happening over 9 days prior to publication date will be considered as dead news. Your cooperation will certainly be appreciated as we do not want to leave out any item unless we are compelled to do so.

Walter B. Knorpp Appointed Chairman Boy Scout Finance Drive In Clarendon

Mr. Walter B. Knorpp has accepted the appointment of Chairman of the Boy Scout Finance Drive in Clarendon. Mr. A. W. Paris, President of the Adobe Walls Area Council, Boy Scouts of America, announced this week. Mr. Knorpp will head the drive which is a part of the Council-wide Drive to raise funds for the Operating Budget of the Council for 1950.

The Clarendon Drive will be held on Tuesday, October 31, opening with a kick-off breakfast, and closing that afternoon. Approximately 60 men and women will participate in the various phases of the campaign organization, and they will contact more than 250 people in Clarendon during the day of October 31st.

The Operating Budget of the Adobe Walls Council is used to give more and better Scouting to the boys of a 15-county area—12 of these counties in Texas, and the 3 counties of the Oklahoma Panhandle—and for the development and maintenance of Camp Ki-O-Wah, the Council Boy Scout Camp located near Lake Marvin.

At present, Scouting is available to all boys in Clarendon from 8 through 17 by the means of Cub Pack 37, Scout Troop 37, and Explorer Post 37. All of these units are sponsored by the Clark-Brook Post, No. 126, American Legion. The men actively engaged in Scouting work in Clarendon at the present time include: Jack Gray, Lee Bell, Clyde I. Price, Clyde Price, Jr., Homer Estlack, Carlie Bennett, Rayburn Smith, Cap Morris, Jay Gould, R. E. Drennan, Keith Bain, C. E. Bairfield, and B. C. Antrobus.

A meeting of all team Captains, and Scouters in Clarendon will be held at the Donley Hotel, 10 A. M., October 4th. This will be a coffee at which these people will meet with various officials of the Council. Included in the visiting party will be: Mr. A. W. Paris, President of the Adobe Walls Council, Phillips, Texas, Mr. C. A. Huff, Council Treasurer, Pampa, Mr. W. B. Weathered, Executive Board Member and Past-President of the Council, Pampa; Mr. Huelm Laycock, Council Training Chairman, Pampa; Mr. Paul L. Beisenherz, Scout Executive of the Adobe Walls Council, and John H. Pound, Field Executive for the Southern District.

Dexter Todd, Amarillo, was a Clarendon visitor Friday.

Soil Conservation Supervisor To Be Elected Oct. 3rd

October the third is the date for the election of a supervisor in the Donley County soil conservation district in sub-division number 2. The present supervisor is J. R. Porter.

H. M. Breedlove, county agent, says that the election will be held at the court house in Clarendon at 2:00 p. m. The area covered in sub-division number 2 is that area in between highway 287 and the Jericho highway. This includes parts of Goldston, Ash-tola, and Martin and Jericho. The north boundary is the county line.

Every land owner is urged to attend this election and vote for the supervisor that they desire, tell all your neighbors and be sure to attend this election. C. E. Bairfield will hold the election.

Colts Go To McLean Tonight For First Game

The Jr. High Colts, coached by Jerry English and Billy Bob Adams, will journey to McLean tonight to tangle with the Juniors over there in their first game of the season.

Coach English reports that his boys are green and inexperienced but seem to have plenty of fight and determination. We have received no word as to what kind of competition they will run into over there but the Colts are most apt to handle the situation in the right manner.

Probable starters beginning at left end are Ronny Martin, Billy Joe Perceval, Jiggs Riley, Jimmy Myers, Don Tims, Bubber Smith and Don Landers. Quarterback, Bobby Johnson, left half, Bobby Wilson; right half, Bill Dale Hill and Max Johnson at the fullback slot.

New Test Well To Be Drilled North of Goldston

The Leader has received information that another wildcat test well will be drilled within the near future on the Roy (Pat) Robinson farm about four miles north of Goldston. The tentative location of the well will be in the southwest corner of Mr. Robinson's place. It has been understood that the well will be drilled to a depth of 3,200 feet which indicates the owners are mainly looking for gas. The well will be drilled by Cree and Associates and it is also understood that the rig on the McMurtry ranch will be moved to the new location within the next few days.

CLARENDON STUDENTS ATTEND COLLEGE

A large number of Clarendon youths are attending college in other towns. Those attending West Texas State College at Canyon are Weldon Day, June Day, Dick Kennedy, Shirley Brumley, Juanell Stevenson and Mr. and Mrs. Miller Morris.

Jimmy Howze is attending Austin College at Sherman, Texas.

Attending Texas State University at Austin is Bob Bentley, and at North West State College there is Gene White, Parley Bulman, Jimmy Jenkins, Ladelle Cox and Mae Morris.

Vernon Goldston, Douglas Shelton, and Lynn Leathers are attending Texas Tech. Miss Elba Jean Ballew is enrolled at T.W.C., Denton.

At Southern Methodist University, Sybil Head, Louva Hunt, Gene Bryan and the Lovell Boys are enrolled.

Ed Sawyer is attending Sul Ross College at Alpine and Manley Bryan is attending medical school at Galveston.

There are perhaps others but at the present time we are unable to get an accurate check of the school each is attending.

Broncs To Battle Tigers Here In First Conference Game

RAIN PLAGUES GIs

SOUTH KOREA FRONT—If there's one thing Sgt. George Rainwater hates it is rainwater, when it makes a swimming-hole of his foxhole. He is shown, (right) with Sgt. Robert McGregor of Lincoln Park, Mich., bailing out their foxhole with a couple of tin hats. Sgt. Rainwater hails from Fort Worth.

CONCERT ASSOCIATION MEETING TO BE OCT. 2

There will be a meeting of all the officers and board members of the Clarendon Mutual Concert Association next Monday evening, October 2nd at 8:00 p. m. in the auditorium of the High School.

It is very urgent that everyone be there as Miss Barbara Pryor, representing Pryor-Menz Concert Association of Council Bluffs, Iowa will be present to help organize the membership campaign.

Officers are: Mrs. W. J. Lewis, Jr., President; Mrs. J. L. McMurry, Vice-Pres.; Miss Ann Buntin, Secretary and Miss Anna Moores, Treasurer.

Athletic Council To Sponsor Jamboree Here

Beaty Hillman, head of the local Athletic Council, announced yesterday that the Council would sponsor a Western Roundup Jamboree here Saturday night, October 7th at the local gym.

Full particulars in regard to the Jamboree will be in next week's issue of your Leader, but it is understood that staff members of station KAMQ will be here with the program. Wayne Johnston, former farm editor for station KAMQ and former Clarendon boy, started this program several weeks ago but we understand Wayne has been recalled for Armed Service duty.

The program to be put on here is to be similar to the National Barn Dance Jamboree.

Test Well On McMurtry Ranch Is Dry Hole

The Kirk & Doswell C. T. McMurtry No. 1 wildcat well, located about 4 miles northeast of Goldston, has been declared a dry hole Tuesday night and plugging operations were under way Wednesday. The hole was drilled to a depth of 5,375 feet at which time salt water and granite was encountered.

According to our information, this well revealed more valuable information than any other well in this vicinity. Two stratas of Ellinberger lime were found which is a very good indication that a good oil pool is somewhere in the locality but the big problem is finding the exact spot where the oil is trapped. The Ellinberger lime is said to be the formation found in the longer life oil fields.

It was reported also that more drilling sometime at a later date in this area may be expected.

The Bronchos will meet their first conference foe for the season here Friday night when the McLean Tigers invade the local gridiron to pit their strength against the locals to give fans from the two towns an idea of just how the teams in the district will begin to line up.

The Tigers have shown lots of power and running ability so far this season and gave the Phillips Blackhawks plenty to worry about before being turned under two weeks ago. Last week they bowed to a strong Canyon team 7-6. L. M. Watson, 167 lb. back will be the boy to watch as he has lots of power and speed when it comes to making touchdowns.

The entire Broncho squad seems to be fully prepared for the tussle and have some ideas of their own about stopping Watson and his 10 other team mates. The locals have a lighter weight average but should be able to stop their heavier opponents if they display that same fighting spirit they have already shown in their two games played this season. Both teams will be trying harder than ever to win to overcome their defeats last week by Canyon and Quanah.

The probable starting line-up for the Bronchos will be as follows, starting with left end: Mike Murff, Frank Jones, Drew Christy, Guy Tatum, Leldon McBray, Billy Pittman and Delbert Robertson. J. P. Carlie will fill the quarterback slot; Arlis Moor-ing at left half, Cotton Hall at right half and Jack Trussell will be in the fullback position.

The probable starting line-up for the Tigers will be as follows, starting with left end: Robinson, Crockett, Taylor, Reeves, Helms, Smith and Blackshear. In the backfield will be Watson, Tindall, J. N. Smith and Wayne Smith.

Tickets for the game are on sale at Townsend Drug, Blair & Moss Pharmacy and Skelton's Apparel Store.

This will be the last opportunity to buy season tickets and there will be some girls at the gates Friday night to sell them and save you some money on the four remaining home games.

The Band Mothers will have their concession stand open early so make your plans now to not have time to eat at home and join the ladies up there for a delicious hot dog, coffee or cold drinks. You will enjoy the food and your money will go toward the upkeep of our band.

Mr. and Mrs. Haskel Swarrenton of Amarillo announce the arrival of a son born Sept. 20th at St. Anthony's hospital weighing 8½ lbs. The grandparents are Mr. and Mrs. Gobel Barker and Mrs. Zella Swarrenton of Clarendon.

MAC ARTHUR INSPECTS PRISONERS

PATHFINDER CLUB

The Pathfinder Club met Friday afternoon, Sept. 22, at the Patching Club House. Hostesses were Mrs. Pat Slavin and Mrs. Ray Palmer. A beautiful arrangement of yellow mums was in keeping with the fall-time season.

Mrs. Billie Greene, president, was in the chair for a brief business session.

Mrs. Simmons Powell played a piano arrangement of "Barchetta," by Ethelbert Nevin. Program leader for the day was Mrs. Fred Patching, and the topic was "Health, Your Life." Assisting Mrs. Patching were Mrs. Lee Holland, Mrs. Clyde Hudson, and Mrs. Carl Allmond.

Mrs. Holland's topic was "Remember When," which recalled many home remedies and superstitious treatments used in days before our modern miracle medicines. Mrs. Hudson reviewed a short story, "For Your Own Good, Dear," which gave a humorous picture of the position of the family physician. Mrs. Allmond spoke of mental diseases, and Mrs. Patching stressed the importance of seeking the services of a physician for diagnosis and treatment.

Delicious refreshments of lemon cream pie and coffee were served to twenty-seven members and one guest, Mrs. Frankie Moore of Cordell, Okla.

Next meeting will be October 13, and is Guest Day with a book review by Mrs. O. D. Lowry.

SWINK-EDENS

Mrs. and Mrs. W. H. Strawn wish to announce the marriage of Jo Anne Swink to Mr. Steve Edens on September 3rd at Stowell, N. M.

Mr. and Mrs. Bob Teague of Amarillo spent the weekend in the home of her aunt, Mr. and Mrs. Clyde Putman.

P. T. A. OUTLINES PLANS IN FIRST MEETING

The Parent Teachers Association met for the first meeting of our school year Thursday, Sept. 21st. We had a wonderful representation of both parents and teachers; therefore we are looking forward to a much bigger and better year as cooperation is most certainly the best forward step toward success in any organization.

We definitely will have our carnival as we have in the past. The coronation of Carnival Queen will be on Sunday evening at 4:00 o'clock Oct. 29th before the Carnival on Tuesday, October 31st. There will be no raffling of prizes this time as some of our citizens are against this part of the carnival; so in trying to secure all cooperation we are doing away with the raffling.

In our membership drive which ended with our first meeting, Mrs. Lee Bell, our membership chairman, reported about \$94 turned in.

Medical check-ups will begin about the middle of November according to Health chairman, Mrs. Kathleen Yankee.

Our financial support for the year's work will come from proceeds of our carnival, a home talent show in January and a Dixie Dice Show in the spring, stated finance chairman Peppy Blocker.

The main P.T.A. Project for the year will be the stage in Jr. High building. It is badly in need of a stage curtain along with other work on it.

The P.T.A. regular meeting date is the third Thursday of each month. Parents of children in Jr. High are invited to attend as well as those with children in the Elizabeth Stevens Ward. The organization now includes parents of children in both buildings.

MIDWAY CLUB

The Midway Club met with Allie Quattlebaum on Sept. 21st. Two quilts were quilted for Girls Ranch at Whiteface, Texas. A lovely dinner was served at noon time. Two guests were present: Misses Ava and Minnie Naylor.

Members present were Roxie Williams, Goldie Mooring, Vada McCrary, Lucille Eanes, Leona Scott, Loyd Hillis, Eddie Williams, Norma Chamberlain, Sara Shaller, Pearl Terry, Ardie Hefner, Ellen Moreland, Edith Longan, Lucille Luttrell, and hostess Allie Quattlebaum.

We are entertaining our families Sept. 30th with a forty-two party at Norma Chamberlain's. The next meeting Oct. 12th, will be with Leona Scott. This is our annual election time for new officers.

PINK AND BLUE SHOWER

Mrs. Ray Burns was honored with a pink and blue shower Monday afternoon in the home of Mrs. G. W. Bradshaw. Co-hostesses were Mesdames Delton Koen, Roy Crutchfield, Basil Smith, and Royce Hall.

Fall flowers were used in decoration throughout the house. The table of gifts was centered with a musical cradle playing "Rock-a-bye Baby" surrounded with pink cushion dahlias and pink rosebuds.

Attending were Mesdames Jimmy Jenkins, Frank Blair, C. B. Morris, Millard Frank, Dona Massingale, James Mitchell, Amul Carter, Ralph Decker, Homer Mulkey, Dennis Lindley, Melvin Cook and Emma Sheffield.

Those sending gifts were Mesdames Claude Bain, Lloyd McCord, W. K. Wade, Kim Day, C. W. Martin, Reba Wakefield, Curtis Mears, J. T. Lane, and Lloyd Benson.

REBEKAH LODGE

The Clarendon Rebekah Lodge met Tuesday night, Sept. 26th in the Lodge hall with 17 members present.

Lodge was held in due form with two new members voted in and new business taken care of. We'd like to have all members meet in front of the Lodge hall next Monday night at six thirty to go to Memphis for initiation. Remember the contest for regular attendance and new members and help your side to win.

Those present were Mesdames Ola Bradshaw, Francis McCord, Minnie Bell Hicks, Ruth Fitzgerald, Eunice Land, Chloe Smith, Joe Briggs, Lorane Hudson, Mary Bell DeBord, Ruth Gray, Jessie Faye Thomas, Lora Johnson, Abbie Warner, Stella Spurgeon, Nova Mears, Lucille Swinney, and Mrs. Crabtree. Our meeting closed with a prayer led by Francis McCord for the boys overseas.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club won third place with their agriculture exhibit for which they received \$20.00 at the Donley County Fair.

Sept. 21 they met in all day meeting with a covered dish luncheon with 18 members and visitors present. Two quilts which had been pieced by the members and set together by Mrs. Jo Harp were quilted for Boys Ranch.

At this time the ladies held their flower show. The flowers were displayed in the auditorium. There was a beautiful display of pot plants and cut flowers at the business session at 2:30. Mrs. Lettie B. Duncan joined the club.

Members are asked to have their aprons all in by Oct. 19 for the apron sale.

We also have Doly-Dozets for sale at 10c apiece or 3 for 25c. Anyone wanting them can get them from most any member.

The Clarendon Garden Club held their guest day tea Thursday afternoon in the Patching Club house.

Carrying on their tradition of unique teas, the Garden Club featured a Petunia Parade—Under the direction of Mrs. Frank Phelan Sr., there were numerous arrangements of petunias. Mrs. Lena Antrobus exhibited a buffet arrangement. Mrs. A. L. Chase used the "Fire Chief" petunia to make a very elaborate bouquet suitable for table. Mrs. Joe Goldston featured dark orchid flowers combined with beauty berries to make beautiful hall decoration. A lovely all white arrangement with twin vases by Mrs. Will Johnson combined simplicity and beauty. Dark red ruffled petunias produced an attractive table arrangement by Mrs. Rayburn Smith. There were many other interesting and beautiful vases and pots displaying skill and genuine art.

Soft music was furnished by Mrs. Rayburn Smith during the afternoon. Frosted lime punch and cake was served from the lace covered table decorated with an elaborate petunia bouquet and tapers.

Special guests for the afternoon were members of the Hedley Garden Club. About sixty members and guests were present.

Hostesses were: Mesdames W. W. Taylor, R. R. Dawkins, Frank White Jr., Edwin Eanes, O. C. Watson, Joe Goldston.

New Steel And Alloy Bleachers At Prison Stadium

HUNTSVILLE — On October 1, 1950, fans of the Rodeo World will pass through the portals of this huge stadium to witness the best and biggest show ever put on during the nineteen years of its history.

The new prison rodeo stadium will have another addition to its excellent plant this year. By Rodeo Time the new prefabricated stands will be in readiness, replacing the old wooden north section. Built and paid for from the profits of the rodeo, this stadium is the finest of its kind, in any prison system.

The Southwest's greatest show will bring together the keenest competition in any rodeo. Be sure to attend one or all of the five shows in October. Remember these dates, October 1-8-15-22-29. Write or wire L. J. Craig, Prison Ticket Office, Huntsville, Texas. Good seats are still available.

Mr. and Mrs. Homer Estlack and children visited her sister, Mr. and Mrs. Ted Price and family at Electra the weekend.

APPROXIMATELY 900 X-RAYS TAKEN FIRST TWO DAYS

Gabie Betts Burton Library Notes

By May L. Prewitt

There are only a few titles to report that have been added to our reading list recently. Among those of most interest are "Deric With the Indians" by Deric Nussbaum, and "The Shadow of the Iroquois" by Everett McNeil. A Library friend donated us quite a few books recently, but we possessed all the fiction issues. This cooperation was happily received.

The Lions Club contributed a cash donation that helped greatly in solving our fall reading problem for all our patrons. The demand for informative and recreation reading is constantly on the increase.

We have ordered several copies of popular fiction, but unfortunately many of these appear in serial form in our periodicals before being on the book market. Miss Erdman's "The Edge of Time" was in a recent Red Book as the complete novel of that issue. We have ordered the book. She is at Russell's Stationery Co. this Monday, Sept. 25th auto-

graphing purchased copies. Fred Gipson will autograph his "The Home Place" at this store Saturday, Sept. 30th. We have ordered this book, too, as we are eager for our readers to share the books of our Texas writers. Gorth Hale of Lubbock will publish a book soon — when available we shall possess it.

Those visiting the Lloyd Risley children Sunday were Bobby Sartain and Jane Lowe of Clarendon.

Mr. and Mrs. J. H. Helton and Frances and Bettie Sullivan attended the Fair at Amarillo Wed. Mrs. Will McDonald of Plainview ate dinner Friday in the D. E. Stevenson home.

Mr. and Mrs. W. L. Jordan and Perry spent Sunday in Pampa visiting the Ray Robertsons.

Mrs. Loyde Risley and children visited awhile one evening last week with Mrs. D. E. Stevenson. Shirley Barker of Clarendon spent Saturday night and Sunday

in the Guy Sibley home.

Mr. and Mrs. D. E. Stevenson and Juanelle ate dinner Sunday in the Neely Hudson home at Clarendon.

Mrs. Elbert Horton and children visited in the R. B. Marshall home Sunday.

LOCAL SHERIFF RECEIVES \$100 REWARD

New York—The Jewelers' Security Alliance of the United States, a crime detection and prevention organization which has operated exclusively for the jewelry industry in this country since 1883, has forwarded a check for \$100, to Sheriff Guy Wright for the arrest and conviction of the thief who burglarized the premises of Goldston & Brumley, 101 Kerney Street.

The Jewelers' Security Alliance, with headquarters at 535 Fifth Avenue, New York City, has spent more than \$1,350,000 in tracking down jewelry thieves and paying rewards for the protection of its members throughout the nation. As a result crime against the trade has been reduced to a minimum. The Alliance, which is a non-profit organization and the oldest of its kind in the United States, employs a private detective service to assist municipal, State and Federal law enforcement agencies whenever required, and has played an important part in putting behind the bars thousands of crooks. The criminal department of the Jewelers' Security Alliance is supervised by Richard C. Murphy, formerly of the New York District Attorney's office, and the President is Walter Eitelbach, prominent New York jeweler.

The \$100 reward paid to Sheriff Wright is given for his participation in the arrest and conviction of Manuel Ramos who smashed the window of the Goldston & Brumley establishment in October, 1949, and removed about \$100 worth of merchandise. Ramos was given a five year suspended sentence.

The reward check is being displayed in the jewelry store and will be presented to Sheriff Wright on behalf of the members of the Jewelers' Security Alliance within a few days.

Mr. and Mrs. Horace Brooks and Beth of McLean visited in the home of Mr. and Mrs. Jack Brooks and Jackie Sunday.

Mr. and Mrs. Carroll Lewis made a business trip to Amarillo Tuesday.

Mr. and Mrs. Earl Prichett of Memphis visited in the home of Mrs. Ermine Blair Sunday.

Mr. and Mrs. Hayden Baker of Channing visited her parents, Mr. and Mrs. Ralph Decker Friday and Saturday.

Mrs. and Mrs. M. L. Monroe, Plainview, visited the weekend in the home of their daughter, Mr. and Mrs. P. C. Messer and son.

SECRETARY BRANNAN DISCUSSES MOBILIZATION
"American Mobilization is a task that calls for the united efforts of agriculture, industry, labor—the best that is in each individual", Secretary of Agriculture Charles F. Brannan recently told a group of farmers.

The Secretary went on to point out that some parts of our mobilization task calls for purely individual action.

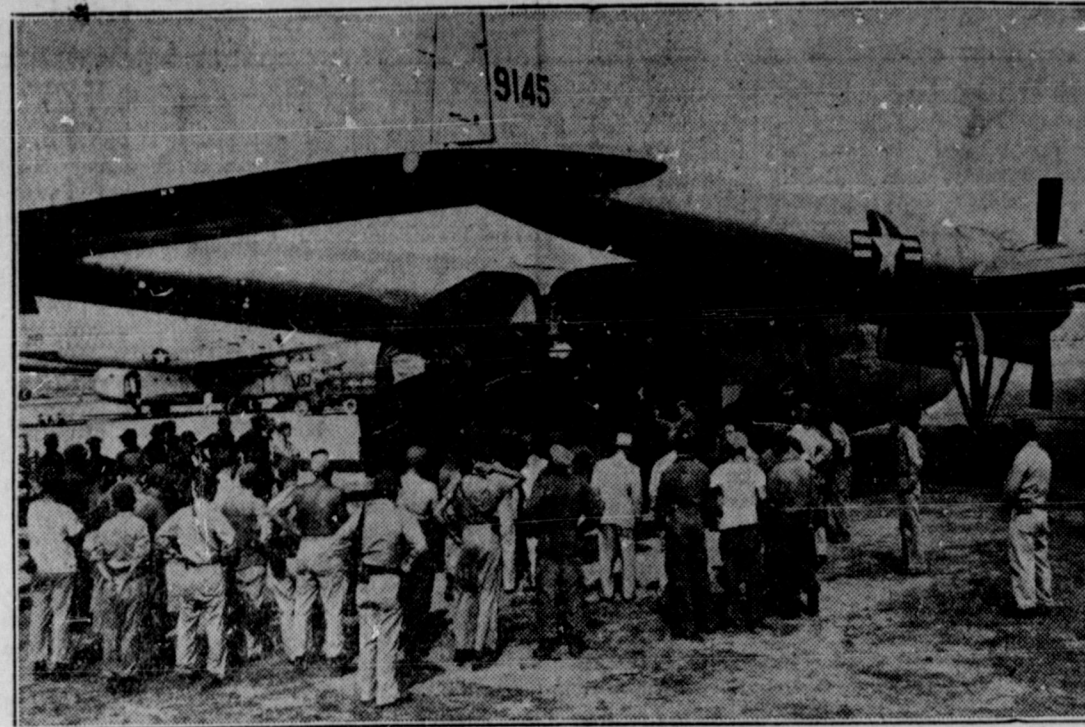

"The individual farmer can do many things on his own initiative," he said.

"He can keep his machinery, buildings and all other productive facilities in condition for efficient use. He can use the fall season for intensive soil-improvement work."

BUILD RESERVES NOW. SAYS McCORMACK

Mr. Alvin V. McCormack, Director of the Agricultural Conservation Branch of PMA in a network broadcast on "Fall Conservation Practices" Saturday, August 26 advised farmers to put on lime or phosphate this fall and not let the work pile up in the spring. He said, "I'd be sensible about it — no mad scramble or confusion. We want cooperation in every way with defense preparations. But, too, we don't want to forget that food and fiber are just as important as guns and ships and airplanes. Every farm is a war plant—in time of war."

Farmers were advised to increase seedings of pasture and cover crops and also to get dirt-

BIG TIME AIRLIFTING IN KOREA—How did the U. S. Armed Forces succeed in getting so many heavy trucks to the fighting front in Korea where ports are jammed and highways are few? The "flying boxcar" solved the problem. The "boxcar," you know, is the nickname of the big USAF C-119, a plane that carries a 15-ton cargo and swallows a 3½-ton truck, whisking it in a space of minutes over mountains and seas and puts it down close to the battle lines. Within an hour this truck, mounting the "boxcar's" ramp, will carry needed supplies to GIs struggling against the enemy.

FUNERAL HELD AT SILVERTON

Funeral services were held at the Baptist Church in Silvertown Sunday afternoon for Billy Charles Wilson, son of Mr. and Mrs. C. L. Wilson. He had been suffering from an old injury and thinking himself recovered was taking part in the football game there Friday night.

After being tackled he was taken out of the game and to the hospital where he died later that night.

His mother is the former Glenzie Haley of Clarendon. Relatives to attend the funeral from Clarendon were Mr. and Mrs. J. I. Spurgeon, Mrs. Paul Smith, Joe Harold, and Barbara, Mrs. Eula Haley, Dudley Wilson, Mr. and Mrs. Norris Spurgeon and family, Mr. and Mrs. A. J. Hicks and family, and Mr. and Mrs. Bob Hutson.

Mr. and Mrs. Geo. McCleskey also attended.

Youth Center News

(Youth Center Reporter)

The Youth Center is very happy to report that \$76.76 was made at the Youth Center Concession stand at the Fair grounds. We appreciate the food that was donated and to those who helped with the selling.

Officers of the organization and representatives of the various classes at school met Monday night at the Youth Center in their regular meeting. It was decided that the Canteen would be open only two nights a week, those nights being Tuesday and Saturday, except when football games are played at home. When that is the case the Center will be open on Friday night following the close of the ball game.

Attention is called to the fact that a meeting will be held Wednesday night, October 18 for the purpose of electing officers. All parents are invited to come out and take part in electing new officers for the coming year.

Mr. and Mrs. Paul Greene announce the arrival of a little daughter, Gail, born Sept. 7 at Fresno, Calif.

A Common Paper for Common People

People are dumb-founded at the fact that the president would veto the Anti-Communist Bill. It seems to the average person that if it is the thing to do to send our sons to the jungles of Korea

to kill them with bayonets and fame throwers, that it wouldn't hurt to offend the Communists at home just a wee bit. It is hard to understand such action. Anyway, it is a severe blow to all Democratic candidates coming up for election this fall.

It seems a little bit encouraging that for a change the United Nations would open their assembly with a moment of silent prayer. I hope that Mr. Stalin's God (which by the way is himself) didn't feel insulted or offended by this change of action.

One of my Readers sends me an

article entitled: Smoke, Smoke, Smoke, That Cigarette. The article is from the paper Firm Foundation, which is one of the leading publications of the Church of Christ. Along with the author's own ideas is a wealth of statistics gathered from various sources, including The Readers' Digest. Some of the information presented is staggering to say the least: Out of 100 heavy smokers 46 is supposed to reach 60 yrs. old, while out of 100 non-smokers 66 will reach the pleasant age of 60 yrs. I am a poor hand at arithmetic, but the author breaks this down to the amazing statement that according to the above statistics each cigarette costs us in actual living 34.6 min. The statistics were based on the findings of Roger William Ellis in an article in Jan. Readers Digest. If you would like to have all of this article check the Sept. 19 issue of Firm Foundation and the Jan. Issue of Readers Digest. Thanks to this reader for sending us the paper.

There is simply not a thing that will take the place of good fellowship, or to have some one do a kind deed for you all unexpected. Anyway, along with Brother Ford Ellis, of the First Christian Church of Claude, Mama and I were invited out to the Laycock home for dinner last Sunday. After the wonderful meal with all the good things imaginable both on the side and down the middle, in came Edwina and her girl friend with a beautiful and fancy birthday cake with a candle burning and everything. If you remember last summer we had a letter from Mrs. Boone, who was than way up in Ohio, stating that if she had been here on my birthday she would have baked me a cake. Even though the birthday was two months old she had not forgotten and now that she was here, she did just that. I was so happy, I was so pleased. I was so surprised, and I loved it all so very much; the cake and the lovely lady who baked it. Thanks Auntie Boone for your friendship - and thanks Brother Ellis for the wonderful afternoon of fellowship, and thanks for Mrs. Laycock for making the fine day possible.

Someone informed me that that old arch enemy of mine; that corset stretching salesman from KGNC, was taking pot-shots at me again - - accusing me of being "Windy". Don't think the folks who heard him were not up in arms. They were almost ready to tune him off the air, and depend entirely on Plowin' Out The Corners for all their information. Why, if you were to let the wind out of this Two Hundred and Plenty Pound Wind - jammer, Skinny Ennis would look like Man Mountain Dean by the side of what you would have left. Just wait until we get television, people will refuse to be hoodwinked any further. To think that I had said nothing bad about him for months, and then he would take a crack at me; known far and wide, especially among my closest relatives as Honest Zeb. Anybody that had an alarm clock could get up at 6 o'clock in the morning and pull the wool over the sleepy-headed guys who are up at that time of night. The early morning conversation goes about like this. "Ma, what day is that? Did I pay the bills yesterday? Turn on the radio Ma; either Uncle Jay or Sitting Bull. Pinch me Ma in ten more minutes." Now writing a column is different; people have to be awake to hold up the paper.

that 80 percent of the vanilla ice cream mix consists of milk and cream. The other 20 percent is composed of sweetening and flavors. The nutritional products of milk and cream give ice cream significant amounts of protein, calcium, vitamin A and riboflavin, all essential, say scientists, for growth and for developing strong bones, sound teeth, good eyes, and robust health. Ice cream, in sizable quantities, should be eaten by those persons low in milk consumption, says Milton Hult, President of the National Dairy Council, Chicago, to be assured of the nutrients needed by the body in its growing and development stages.

REMEMBER WHEN

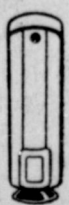

...it was either too hot or too cold

Many's the tea-kettle of hot water you toted from the kitchen to the tub. Remember? It's an almost forgotten ritual nowadays, for nearly every modern home in the Gulf South enjoys the convenience and economy of an automatic gas water

heater. Natural gas serves your whole family—helps with all the big jobs in the home at a cost of only a few cents a day.

An automatic GAS water heater is an essential factor in modern living . . . keeps a plentiful supply of hot water always on hand to make your household tasks easier, more enjoyable. See the new gas water heaters today wherever gas appliances are sold.

UNITED GAS

SERVING THE Gulf South

A large part of the cost of our public school system is defrayed through taxes paid by the companies in the oil and natural gas industry. They are good friends of yours and good citizens of the area. Through their payrolls and local purchases of equipment and supplies, they place extra millions of dollars in circulation. That's the way the American system of Free Enterprise works. The successful operation of a business benefits everyone—employees, investors and public alike.

Ice Cream Use Up 47 Per Cent From Year 1940

CHICAGO — Homemakers are increasingly recognizing icecream as a significant food contribution to daily meals.

Proof of this lies in the statement that the present annual consumption is 28 pints per person compared to 19 pints in 1940, a jump of 47 percent. This is based on the 1949 ice cream production total of nearly 600,000,000 gallons.

Scientists say that one average serving of ice cream gives the consumer the same amount of calcium and high quality protein as one half glass of milk. This high food value is due to the fact

Texas Agriculture To Highlight 1950 State Fair of Texas

The Mid-Century presentation of Texas agriculture during the 1950 State Fair of Texas, Oct. 7-22, will feature a greater variety of farm products and highly developed techniques and procedures designed to raise farm incomes. Ray W. Wilson, agriculture department manager, has announced.

Progress of this two-billion dollar industry will be displayed in colorful and spectacular exhibits in the Agriculture Building, he said. The agriculture extravaganza will be colorfully showcased by the Lambert Landscape Company, Dallas, for greater eye appeal.

An outstanding exhibit of Texas soil and soil characters will be featured in the Texas A&M College display. Demonstrations on soil testing and information on plant foods will be given daily.

The Soil Conservation Service and the Texas Research Foundation will show actual living and growing specimens of more than 40 leading varieties of grasses. Grass is fast becoming Texas' leading crop because of its importance to the beef and dairy industries, Wilson said.

The Conservation Service exhibit will be located in the Agriculture Building. The Texas Research Foundation will develop a permanent outdoor display, located across the street from the building.

Supplementing the grass show will be an educational exhibit demonstrating research carried on by the Plant Research Institute of Texas University in the development of grass farming.

Mid-Century achievements of Texas agricultural researchers and "working farmers" will be displayed through exhibits of leading crops, rural youth activities, irrigation and forestry.

Colorful crop phase displays will include exhibits of wheat, cotton, citrus fruits, grain sorghums, pecans, peanuts, rice, sweet potatoes, vegetables and other leading crops.

A huge, animated "horn of plenty" showing leading farm products in all their natural beauty will tell the story of the growth and development of Texas agriculture.

Walter W. Cardwell, Luling, has been named general superintendent of the Agriculture Show.

Looking for honest-to-goodness COMFORT?

Better Buy Buick!

You've probably heard a lot of talk about comfort in 1950 cars.

But we'd like to offer one suggestion, which is—let a Buick speak for itself.

We'd like to have you settle yourself (your family too, if you

have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort in motion. Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflo Drive* delivers.

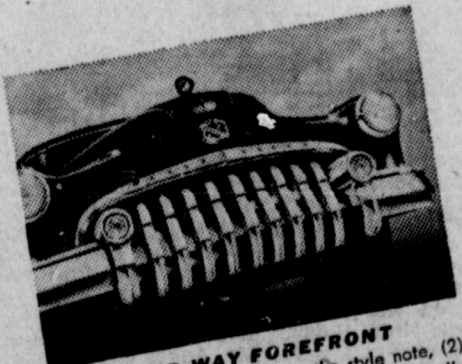

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

*Standard on Roadmaster, optional at extra cost on Super and Special models.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

The Lelia Lake Bluebird basketball boys elected their co-captains last Thursday, Sept. 14. The duties and the importance of the co-captains to a basketball team, was explained by Coach Craig Johnson.

The boys then elected Ralph Ayers and Kenneth Wilkinson as their co-captains.

There were three new students enrolled in the Lelia Lake High School this week. They are Gloria Kelley and Jean and Dean Wallace.

Lelia Lake has three sets of twins this year, Earline and Pearl Stavenhagen, Dorothy and Doyce English, and the new students, Jean and Dean Wallace.

Gloria Kelley has been attending Russell High School in Kansas.

Jean and Dean Wallace have been attending school at Springhill, La.

The school is proud to have these new students.

Drucilla Foster spent Wednesday night with Nadine Williams.

Ann Dishman, Kenneth Maxwell, Joanne Christal and Ted Thomas spent all day Monday in Amarillo.

Shirley A'ten, Wilson Lane, Ann Dishman and Kenneth Maxwell went to the Tri-State fair in Amarillo, Tuesday night.

Carolyn Alexander spent Tuesday night with Wanda Sossaman.

Patsy Moss and Romaine Anderson spent Monday in Amarillo to see the opening of the Tri-State fair.

Mr. and Mrs. C. O. Hill left Wednesday for Arkansas to attend the funeral of an aunt.

Marilyn Butler, Janell Fox, Jaquatta Briggs, Jane Ruth Hill, and Betty White attended the fair in Amarillo, Wednesday.

Mrs. K. K. Day of Clarendon is substituting for Mr. C. O. Hill in the Math Classes.

Marilyn Butler, Billy Hill, Janell Fox, and Odell Morrow went to the fair in Amarillo, Friday night.

Ann Dishman, Kenneth Maxwell, Shirley Aten and Wilson Lane attended the Clarendon-Quanah football game at Quanah Friday night.

Keith Reed and Kenneth Wilkinson attended the Memphis football game at Memphis, Friday night.

Ralph Ayers and Woodie Vardeman went to the fair in Amarillo, Tuesday night.

Bobbie Seago spent Thursday night with Ann Dishman.

Lelia Lake School has received a new set of maps. These maps are being used in the history and geography classes. They have special maps showing the changes in boundaries, which have been brought about by the different historical movements.

The students are very proud of this set of maps and feel that they will be of great help to them in their future classes.

Ralph Ayers was born in Windy Valley, 1933. He started to school there in 1939, started to school at Lelia Lake in 1942. Ralph has been on the main team in basketball two years and lettered four years. He went out for track two years, was co-captain in 49-50 and 50-51.

Ralph was class favorite one year. Vice president three years and president one year. He has been in one Junior and Senior play. He was make-up editor of the 1950 annual. Ralph was editor in chief of the 1949-50 school paper "Bluebird." He is also the make-up editor of the "Bluebird" this year.

Ralph was also an active member of the Boy Scouts for two years, rating first class scout.

The Homemaking I class of Lelia Lake entered in the fair a booth which gave them third place this year.

They had representing the cooking part of the course foods grouped as to the vitamin content and food value. Also a chart tell-

ing their place in the digestive process in the human body.

Representing the sewing part of a home ec. course they had a gaberdine, lined suit made by Shirley Aten and an all wool coat made by Bobbie Nell Seago. Also representing the interior decoration of the home ec. course a chair upholstered by the Home ec. II girls last year.

A woodworking Booth set up for display showing the work done by the class last year in Lelia Lake brought much attention. There was a desk, three end tables, one night table and one coffee table. The boys whose work was represented are: Kenneth Wilkinson, Ralph Ayers, Billy Hill, and Benny Darnell.

The Freshman class of Lelia Lake High School is reading a story called, "Treasure Island." They are going to make things to represent the story.

Some of the boys are making drawings of different scenes in the story, along with maps of Treasure Island. Some of them are making salt maps of Treasure Island.

The girls are going to dress dolls up to represent the pirates and the other characters too. Some of the characters are: Blind Man Pew, Jim Hawkins, Doctor Livesby, Squire Trelawney, Ben Gunn, Billy Bones and Long John Silver.

One or two of the boys are going to make the chest that contained the money and the map of Treasure Island, that Billy Bones had with him at the Admiral Benbow.

A set of nineteen new world books have been purchased for the use of Lelia Lake students. The books cost \$125 and are on a roller cart so that they may be used easily in every room.

From where I sit... by Joe Marsh

New Use For Old Windmills

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right in top of it. Since the windmill is higher than the house, I'll get the best reception around here—but

if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

Looks like a big car

One ride on Ford's Sofa-Wide seats (offering top hip and shoulder room in Ford's field) and you'll ask: "Why pay more for roominess and comfort when Ford offers so much for so little?"

Feels like a big car

Take a "Test Drive" in a Ford and you'll discover the fine car "Feel" of cars that cost hundreds of dollars more. You'll have to keep reminding yourself that this is a four-priced car you're driving.

As a big car!

Ford brings big-car V-8 power to the low-price field, too. Yet, with all its big-car features, Ford is low in first cost, low in upkeep, high in resale value.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition

When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefitted Who Had Such Deficiencies

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL cause of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio, "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL cause of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio, "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL cause of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT!

Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL.

HADACOL not only supplies deficient systems with extra quantities of

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.
