Farm Bureau Meeting And Box Supper

There will be a Supper at Lelia Lake School House Friday night, February 16, for the members of the Farm Bureau, and all others that are interested. This Box Supper is going to be a little different to others you have attended. The wives and the daughters are to tag their boxes as to the kind of meat used in its preparation, and their name inside. Of course the identity of the boxes should be kept secret from the menfolk of the family. The proceeds of this supper is to be used in a practical manner to boost the prices of the club calves of Donley County. The membership dues will be fixed for Donley County, and other activities will be outlined, at this meeting. All families interested in a Bigger and Better Farm Bureau are urged to come. Lee Shaller, President Donley Co. Farm Bureau.

BREEDLOVE TO ATTEND DISTRICT CONFERENCE OF COUNTY AGENTS

County agent H. M. Breedlove will attend a district conference of county agents in Wichita Falls, Texas on February 13 and 14th. Specialists from the experiment stations and from the A&M College will talk to the county agents and give them the latest developments in agriculture research at the experiment stations. Mr. J. A. Scofield, district agent for this area will be in charge of the meeting. This type meeting is held at regular intervals to keep county agents up on the latest developments so that they can give this information to the people in the counties they are serving. Donley County Leader, \$2.50 a Year.

Thousands of Cattle Die In Florida Freeze

OKEECHOBEL, FLORIDA—Huddled together in a vain attempt to stave off the freezing rain, these two died along with thousands of others in central Florida. Losses are estimated at near a million dollars.

FARM NEWS From the County PMA Committee

DEEP PLOWING
Most of the deep plowing that will be done in Donley County this year has been completed, however Willis Thomas, our Field man, has not been able to check all the fields yet. 3287.3 acres on 78 farms have been checked. Beside the amount deep plowed with PMA assistance on these 78 farms there has been a total of 864 acres more plowed without assistance. Some 31 producers have had acreage deep plowed in addition to the amount for which they received assistance. Those with the larger acreage above the amount approved for PMA assistance are Heckle Stark, Leroy Luttrell, Marvin Jones, Grover Moss, H. L. Riley, Pat C. Longan, B. J. Mooring, Kinch Leathers, Seth Edens and L. W. McClure. Several others had from 0.2 acre to 4.7 acres plowed above the amount approved for payment. Mr. L. B. Noble, Mr. Eddie C. Dewey and the J. A. Ranch are plowing, or have already done so, without any assistance at all. Don Tomlinson, Ray Holland and Joe Rackley are all going to plow from 12 to 15 inches without any assistance. There are probably others who are going to do that depth plowing also, but who have not mentioned it in the office. Approvals have been issued for 1068.9 acres of deep plowing from 12 to 15 inches.

'51 PRACTICES COMPLETED

At the present time 91 producers have completed at least one practice under the 1951 ACP program. The practices that have been completed are Deep plowing, Subsoiling, Wells for livestock water, Earthen dams, Diversion Terraces and Large Ridge Terraces. If there is some good soil or water conservation practice that you want to carry out on your farm come by the office to get an approval. Don't forget that you must have the approval before the practice is begun. A large number of approvals have been issued for grass seeding. Most of the approvals are for Sand Lovegrass and Weeping Lovegrass. Other grass approvals are for Side Oats Grama, Indian, KR Bluestem, Blue Panic, and Madrid clover. Those to whom the approvals have been issued are: W. H. Cooke, Jr., John R. Stoneman, Earl F. Hodnett, W. (See FARM NEWS, page Eight)

MAIL BOX DESTRUCTION IS COSTLY AFFAIR

Two Tahoka lads charged with knocking over rural mail boxes learned an expensive lesson this week when hauled into Judge Joe B. Dooley's federal court at Lubbock. J. R. Cash, 21, and William G. Pennington, 19, were fined \$100 each with an additional jail sentence of two months. The jail sentences were suspended by prompt payment of the fines and costs. Frequently the costs amount to more than the fines. Each of the lads pleaded guilty to the charge after P. O. inspector Raymond Bell had assembled the evidence. Tampering with rural mail boxes is a serious matter as much as molesting the boxes inside the post office.

P. T. A. NOTICE

The Sims P.T.A. organization will entertain with a tea in Fellowship Hall at the Methodist Church Thursday afternoon, Feb. 15, at 3 o'clock. Miss Eudora Hawkins of Abilene will present a program on "Citizenship." Members of the Parent-Teacher Association, parents of children attending either the Elizabeth Stevens or Junior High School, and the public are invited to attend.

Mr. and Mrs. McHenry Lane, and his father, Mr. Lane, of Pampa visited her parents, Mr. and Mrs. E. L. Lewis Sunday.

Two Childress Youths Escape Injury As Stolen Car Overtakes

A pair of Childress juveniles were placed in the Potter County juvenile detention home last Saturday as an aftermath of a spree which included looting, car theft and a wild race with the local highway patrol. The boys, 13 and 14 years old, brought their fling to a climax by stealing a car in Amarillo Friday night. The car, a 1950 Oldsmobile, belonged to Lewis Williams and was stolen from its parking place at McCart Super Market. The boys had the car filled with gas and drove off without paying. All of the above was reported to the police and the Highway Patrol gave chase when the boys went through Claude. As they neared Childress the driver lost control of the car on the curve just west of town and it overturned. One boy was knocked out and the other uninjured, fled but was later picked up at the depot. Prior to this excursion they had stolen a pick-up at Childress and drove it to Amarillo where it was abandoned. The younger boy was wanted for questioning in the looting of one of the downtown Childress business houses razed by fire Tuesday. The overturned Olds was badly damaged, officers reported.

Two Students From Teachers College Practicing at HHS

Two West Texas Teachers college seniors are now teaching in the Hereford high school under a new nine-week resident practice teaching plan instituted this semester. The two co-eds, Juanelle Stevenson and Lucille Dale, both of Childress, work with the teachers of their choice in all school-connected activities, curricular and non-curricular. Miss Stevenson will work in the English department and has not yet made a choice of teacher instructors. Miss Dale is practicing in the speech department and is working under the direction of Mrs. Charlene Wilder, speech and history instructor. This system, which replaces the old student teacher plan, makes a "full-fledged citizen" of the student for the nine week period he or she is assigned to one school. The student not only takes part in school activities, but church and community activities as well. Students receive college credit for the practice work they do in the school systems.

YOUTH CENTER NEWS

The Canteen will be closed on Tuesday nights until the first of April. Any youth, or youth group, may rent the Canteen on any night except Saturday nights. The fee is \$2.50. This is strictly a youth center and is not available to adults. Call Mrs. Jack Brooks for reservations. YOUTHS ATTEND CAMP RALLY A number of young people of Childress attended the Julian Bivins Mid-Winter Camp Rally at the West Amarillo Christian Church Friday and Saturday. They were accompanied by Mr. and Mrs. James T. Mitchell, Mrs. Roy Clampitt and Mrs. Carl Pittman. Those to attend were: Jeanie Pittman, Doris Crawford, Shirley Barker, Jimmy Lambreth, Boyd Pipes, Jimmy Dick Lowry, Harold Clampitt, Ronnie Lambreth, Kay Schollenbarger, Betty Jean Hollis, Josie Hollis, Keith Pittman, Glenda Lee Borden, Linda Lambreth, Beth Lambreth, Bobby Smith and Cotton Hall. Guests in the Carroll Lewis home Sunday were Mr. and Mrs. W. W. Lovelady and Ronnie of Amarillo, Mr. and Mrs. Leland Lewis and boys of Groom and Mr. and Mrs. Jack Lewis.

World Day of Prayer Friday, Feb. 9th

The World Day of Prayer will be observed this year in 92 countries. As customary, the date of its observance will be the first Friday in Lent, which falls this year on February 9th. The chain of prayer will be made of millions of people worshipping in all corners and centers of the earth and praying in sixty different languages. Following the sun, it will be started in the Fiji Islands at dawn and continue westward from the crowded ports of Singapore and Shanghai into isolated villages of China and Pakistan; from the African jungles to the Arctic wildernesses. World Day of Prayer is interdenominational, inter-racial and international in scope. Offerings are divided between missionary work at home and abroad to bring the peoples of our country and the world into greater communion with each other through supplying their spiritual, educational and recreational needs. All churches, fraternal, youth, charitable, civic and social groups are invited to join with the women of the church to make this Day a community-wide as well as a world-wide symbol of fellowship. Special programs are being planned to include the schools. Everyone is invited to attend services at the Christian Church at 2:30 p. m. Please come. United Council of Church Women.

SERVICES HELD MONDAY FOR BONES HOOKS

Funeral services were held Monday afternoon in the Mt. Zion Baptist Church in Amarillo for Bones Hooks, the man who 56 years ago began sending a "Lone White Flower" to the funerals of pioneers. "Old Bones," pioneer Negro cowboy and civic and social leader, had been ailing since early last fall. He was 83 years old on Nov. 3rd. Bones lived at Childress for some time and was well known by all the pioneer ranchers of this area. Among his words in regard to Childress, he said: "Childress was the white spot of civilization in the Panhandle. Prohibition started there; colleges started there; everything good got its start at Childress." At his funeral there was no segregation of race — white and black alike jammed the church to pay their last respects to this fellow who was regarded as the greatest leader of the colored race in this area.

SENIOR CLASS TO SPONSOR GAME NIGHT

The Senior Class will sponsor a game night, tonight (Thursday) at the Canteen. Tickets are on sale by members of the senior class for 50c. Get up a party and come out for a good time. At the same time you will be helping the Seniors. Canasta and 42 will be played. Sandwiches, cake and toffee will be available. If you have not purchased a ticket, you may obtain one at the door. Remember! What? - - - Game night. Where? - - - Canteen. Time - - - 8 p. m. Reporter, Jackie Brooks.

CITY CANDIDATES HAVE THREE WEEKS TO FILE FOR OFFICE

There is just three weeks in which candidates for city office have to file for the election scheduled Tuesday, April 2nd. Filing deadline is 30 days prior to the election, which will make the deadline on March 2nd. This year Clarendon voters will elect a Mayor as the two commissioners were elected last year. Another election coming up also is the school election in April. Anyone wishing to be a candidate for the school board should keep this date in mind. Mrs. A. H. Moore and Mrs. Frank Hommel were Amarillo visitors Monday.

UN Forces Continue To Drive Against Communists
KOREA—Sgt. Doyle Smith, Livingston, Texas, surveys town in which he has just arrived. This Korean settlement has changed hands five times within a week. UN forces are in their sixth day of a new drive against Chinese and North Korean communist forces.

FIRST COLORED BOYS BASKETBALL GAME HERE FRIDAY NITE

The Clarendon Steers, local colored school boys basketball squad, will play their first basketball game Friday night, February 9th at the College Gym. The game time will be 8 p. m. The locals will tangle with the Colored school boys from Shamrock and this promises to be a fast and rugged game. The Steers have been receiving some added coaching this week and have been practicing in the Jr. High gym. They apparently have the determination, for it was noted that they were practicing on an open court during sub-zero weather last week. The admission will be 15 and 35c.

Time To Prune Orchard Says County Agent

The month of February and early March is a good time to prune that orchard says county agent H. M. Breedlove. All dead wood should be taken out of the trees and the trees trimmed up to give them a good shape. Breedlove warns that in pruning trees to cut off the limbs to be taken out close to the trunk or main limb so that they will heal over and do not leave a stub of a limb; this is a good place to get borers started in the trees. The month of March or the latter part of the month is a good time to apply ethylene dichloride emulsion around the base of fruit trees that are infected with borers. The county agent says that any one wishing information on control of borers or pruning orchards to call by his office.

Coldest Weather In Forty-Six Years Registered Here

The coldest weather to be felt here in 46 years was registered at the official weather station at the airport last Thursday night when the mercury dropped to a frigid 10 degrees below zero. Below zero weather was registered again Friday night but after that the warmer air started flowing in and the mercury climbed back up to balmy weather Sunday. This part of the state got through the cold spell with only minor damage compared with the southern part of the state. Winter vegetable crops were destroyed in the valley and citrus groves were frozen to the ground. Millions of dollars damage to plumbing equipment was reported also. City officials reported the local damage from frozen pipes, etc. would amount to around \$1,500 as numerous old lines near the surface of the ground froze and burst and are now having to be replaced. The biggest difficulty at the present is securing pipe. No livestock losses have been reported although the weather was awfully rough on livestock that was not protected. Farmers in the area have hopes that the deep freeze destroyed insects and eggs that have heretofore been going through the winter in huge numbers, later to cause considerable damage to crops and necessitate more protection and elimination methods. The thing we need now is an ample amount of moisture. The snow accompanying the cold spell melted out only a trace of moisture.

Chapel of The Four Chaplains Dedicated

PHILADELPHIA, PA.—President Truman appeared at the dedication of the Chapel of the Four Chaplains. Standing in front of the mural which honors the memory of four heroic chaplains, a Catholic, two Protestants and a Jew, who perished in the sinking of the transport Dorchester in the North Atlantic during World War II, are President Truman, Gen. William J. Donovan, vice chairman Chapel of the Four Chaplains, and Rev. Daniel A. Poling, father of one of the chaplains.

Petroleum Peggy Says - - -

Are you as fascinated as most people by the stories of the great beauties of the world—women like Cleopatra and Madame Pompadour? Even though we may not have all the qualifications, few of us have not wanted to trade place with them—just once—just to see what their lives would be like. We can have our dreams, can't we?

Well, the other day we made a shocking discovery—it wouldn't be so much fun after all. Take Cleopatra, for instance. To protect her skin in that hot Egyptian

climate she bathed in palm oil. But of course the oil was always turning rancid, and so she had to sweeten it with perfumes such as frankincense and myrrh. Even so, she must have felt pretty sticky, and she probably couldn't have compared in daintiness with a young girl of today.

Or take Madame Pompadour. When she wanted to dab on a little make-up the only rouge she had on her dressing-table was plain iron oxide—and that would make any woman's cheeks look sallow. And to groom her famous pompadour hair-do she had to rely on mixtures of vegetable oil and perfume that soon lost all their freshness.

Today all this is changed. Not only can we choose from an almost endless selection of rouges

and cold creams and brillantines, we know that they won't turn rancid even after hours in the sun. Why? Because modern chemists have substituted fine petroleum products for the vegetable oils of the past. They have distilled waxes and petroleum and white oil from the crude oil in the ground and balanced it by magic formulas. Thanks to the petroleum industry, the beauty aids that we buy today would make any Cleopatra or Pompadour turn green with envy.

Yes, it's fun to dream—but when it comes to living and looking one's best, give us the 20th century, anytime.

They call 'em jitterbugs, but they're not. They're just human beings acting like insects.

A FEED FOR every NEED

If you expect to fatten them, feed Kaffir, Milo or Yellow Corn.
 If you expect Eggs—
 Feed Chick-O-Line or West Tex Egg Mash.
WHAT ARE YOU FEEDING FOR?
 Let us take care of your feeding needs.

"Rocky Mountain blizzards couldn't stop me!"

"The two winters I tested new Conoco Super Motor Oil—as one of a group picked to prove its winter wear-fighting ability—we had the worst weather in years. Blizzards came in on top of blizzards. The temperature went to the bottom and stayed there.
 "BUT MY CAR ACTED LIKE IT THOUGHT IT WAS JULY! With new Conoco Super that car performed better than it ever had. At the end of the test, with proper drains and regular care, gasoline mileage was practically as good as at the beginning."

After a total of 386,422 miles, logged by Mr. Seefeld and other winter test drivers, Conoco engineers found no wear of any consequence! Analysis of drains showed this great oil actually stopped the dangerous accumulation of free water and acids, chief causes of winter wear. This test proved that new Conoco Super Motor Oil, with OIL-PLATING, fights off rust, corrosion and sludge. So, change to Conoco Super, now.

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people—individuals, commercial users and the military alike.

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

*"The Case of The One Per Centers," an article in The Texas Tax Journal July-August, 1950

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users—individual and commercial—can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

This is your problem. Send for your copy of the booklet, "THE CASE OF THE ONE PER CENTERS," which tells you, among other things, why

THE MORE PAVEMENT HE BREAKS, THE MORE PROFIT HE MAKES.

PLOWIN' Out the CORNERS
by Uncle Zeb

From the quotations sent in recently by Mrs. R. E. Boone:

"Have courage for the great sorrows of life and patience for the small ones. When you have laboriously accomplished your daily task, go to sleep in peace. God is still awake.—Victor Hugo

A lot of people still wonder whether we have price control or price support.

Your 18 year old wouldn't be expected to be old enough to vote, or to hold a police job anywhere in the United States; but it seems the military minds think that he can and ought to do police action all the way around the world.

Several have commented to me on the complete way that Congressman Walter Rogers answers your letters and inquiries. He actually tells you how he stands on major issues. This is so much in contrast to the vague and meaningless way that so many of our elected officials give out answers - More power and courage to him; we need more and more of this kind of courage and leadership.

When you give a man a big job and a loud whistle, more than likely he is going to be tempted

to do a little "Sounding off".
War and Profits are as much bed-fellows as are ham and eggs.

Mrs. W. E. Robinson writes in to say that she has been listening to Dr. Webber for 15 years; missing very few broadcasts. This is the 13th time that she has studied Revelation verse by verse with him during this time. She says that many of the events of World War II fit into place with the Bible prophesy, and that she received a blessing from these studies during this age of momentous happenings around the world.

D. Hodson Lewis, manager of the eight state southwestern district of the Chamber of Commerce made some interesting and worthwhile comment at a meeting in Memphis last week. In speaking of our complacency and our lack of interest in where our government is leading us with its system of legislative favoritism he compared the average busi-

ness man to the following prize ram, as regards his not writing his congressman or taking any interest in what was happening unless his toes were directly stepped on.
As the story went; "A certain prize ram would always listen to the radio by the hour in comfortable sleep and silence. Then one day Frank Sinatra sang "There'll Never Be Another You (ewe), and the ram battered his brains out against the wall."

He went on to illustrate that: "You could put a frog in hot water and he would jump out. That you could put a frog in cold water and he would jump out, but that you could put him in lukewarm water and let him get comfortable, then keep turning up the burner until you cooked him little at a time and he would never move."

"Farmers holler when you say no subsidy; Doctors holler when you talk socialized medicine, and Realtors jump when they see federal housing; When are we all going to holler at once. Anyway,

the text of his speech - was that while we were accepting our pet doles at the front door a new kind of government was being ushered in on us at the back door, and he is right - - Less and less of our folks take the trouble to vote. They either take the Do No Good attitude, or they are too comfortable like the frog was. But whether we realize it or not the water is growing hotter by the hour, and We The Frogs are getting our gooses cooked done and more done by the day. We try to crawl into the shade of political favoritism, and tell ourselves that we can out-lie the tax collectors; out-cheat our neighbors, and out-do God and in the end be alright. But it has never been done before, and the party bed-fellows of political big-wigs are not apt to pull any fancy rabbits out of the hat during our day.

Polio Patriots Seek Goal Fund

AUSTIN—Desperation reminding of polio epidemic scenes is marking closing phases of the storm-harrassed 1951 Texas March of Dimes.

Communities throughout the state are feverishly driving ahead for quotas to finance polio patient care and urgent research programs sponsored by the National Foundation for Infantile Paralysis.

Ed. S. Stewart of Abilene, state MOD chairman, has instructed local chapters to continue until their allotted sums are raised. "This is one war which countenances no retreat," said Stewart. We are in the same spot as the

cold, weary Allied forces who rallied and escaped entrapment in Korea. We are NOT retreating. We are just attacking in a different direction."

Chairman Stewart observed that, from a weather viewpoint, the Texas scene last week resembled Korea. During what was to have been the closing week of the 1951 March of Dimes campaign, ice and cold handicapped campaign workers everywhere and stalled collections in many areas. This caused extension of the vital fund program.

Stewart appealed to Texans who have been missed by the collection routine to mail in their donations. Persons lacking the name of their local campaign leader should address the contribution to "March of Dimes" at the nearest town, or county seat.

While strong efforts continued to reach the state's \$2,500,000 goal to fight polio, a sharp reminder to rural residents to share crushing cost of the scourage was made by a leading Texas farm reporter. He is Dave Shanks, Farm-Ranch Editor of the Austin American-Statesman. Writing in his daily column, "Reuben's Half Acre," Shanks said:

"Farmers' expenses are high

and necessary purchases draining them of their cash. But in general farm aren't as badly off financially as the city white collar workers. There is no real excuse for families, particularly those who have children, not contributing substantial amount to the "drive." He pointed out that year in Austin, seven of twenty-seven patients treated the polio ward maintained by Travis NFIP chapter were from outside the city.

NOTICE OF DEPOSITOR CONTRACT

The commissioners court Donley County at its February 1951 term will enter into a contract with any banking corporation, association or individual banker in Donley County for depositing of the public fund and public school funds in bank or banks, as is contemplated by Article 2544, R. C. S.

"Me... Building Defense Weapons?"

Yes, Jim, that pipe line you are working on will transport natural gas to some of the 2,000 Gulf South industries which depend on United Gas for fuel. Many of those industries are now engaged in the production of material for the defense of free nations everywhere... and hundreds more will join them in the months to come. Securing a lasting peace for the world will be a big task, Jim. Our first duty is to see that adequate, dependable supplies of natural gas are available on a sound, economic basis to help produce the armament the job requires.

Keith Covington spent Saturday night with Mr. and Mrs. Roy Roberson.

Mrs. Hatley visited with Mrs. Walter Goldston Monday afternoon.

Edward Ledbetter spent the week end with Bob McDonald.

non fiction material.

The two volumes—they are not incorrectly quoted—of Uncle Wiggly's Story Book and of Uncle Wiggly's Picture Book were lovely books given to the Library last week. Some of our book friends give such helpful material. The Children's corner has some lovely books, and so many for a small Library, but the little people feast on this corner.

Here the latter part of the week we received another memorial book in memory of Mr. Chase. It is "The Horses of the Conquest" by R. B. Cunningham Graham. It is a rare book, for within a brief period it has attained the status of a classic. This is the story of the horses that carried the Conquistadores—Cortes, the Pizarros, and DeSoto to the conquest of the Americas.

Several of the boys have asked me to purchase "God Is My Co-Pilot" by Col. Robt. L. Scott. We have this book now too.

We have had several Library subscriptions to magazines donated, but the periodicals are not arriving until next month.

Mr. and Mrs. V. P. Darnell and Kay of Clarendon spent Sunday evening with Mr. and Mrs. Elmer Dishman.

Mr. and Mrs. Gus Rasco and Mrs. Allie Caviness of Memphis visited relatives here Sunday.

Mrs. Sam Roberts spent the week end in Clarendon with Mr. and Mrs. Floyd Parker.

Mr. and Mrs. Delbert White and children of McKnight spent Sunday with Mr. and Mrs. J. E. White and children.

Mr. and Mrs. Hurst Coates and children of Dallas left Thursday after visiting Mr. and Mrs. Frank Armstrong and children.

Mr. and Mrs. John Hansard and daughters of Canadian spent the weekend with her parents, Mr. and Mrs. J. E. White.

Mr. and Mrs. Barker of Martin visited Mr. and Mrs. W. C. Reeves Sunday.

Miss Cleodie Pope of Clarendon visited her father, J. D. Pope, Sunday.

Mr. and Mrs. Chester Lee Scott and Glenda of Amarillo spent the week end with her parents, Mr. and Mrs. Lamar Aten.

Mr. and Mrs. A. M. Moss and children visited relatives and shopped in Amarillo Monday.

Mr. and Mrs. C. C. Ayers and children spent Saturday night and Sunday in Amarillo as guests of Mr. and Mrs. George Moore, Mr. and Mrs. W. B. Ayers, Mr.

and Mrs. Conner Wester of Clarendon, and Mr. and Mrs. Emory Morris of Pampa joined them Sunday.

Mr. and Mrs. Nolie Simmons entertained members of the 42 club with a party last Friday evening. Those to enjoy the games of 42 and delicious refreshments were Mr. and Mrs. Will Mace, Mr. and Mrs. D. M. Cook, Mr. and Mrs. James Smith, Mr. and Mrs. H. R. King, and the hosts, Mr. and Mrs. Simmons.

Mr. and Mrs. W. A. Ragsdale, Mr. and Mrs. Grady Jones and Mrs. Jones father L. O. Cockerham returned last Thursday from visiting relatives in East Texas. They visited Mr. and Mrs. James Ragsdale and daughter and Mr. and Mrs. Ray Cockerham and family in Ft. Worth, Mr. and Mrs. Edd Sneed and Mrs. H. E. Epper at Cooper and Charleston. Mr. and Mrs. Jones and father visited relatives in Paris and Detroit. They reported a very enjoyable visit.

Mr. and Mrs. Homer Charles Speed and family spent the week end in Montrose, Colo. with his sister, Mr. and Mrs. C. L. Morton and little son, C. L., Jr. Mrs. Ed Speed, who has spent several weeks with her daughter, accompanied Homer Charles and family home.

Gabie Betts Burton Library Notes
By May L. Prewitt

There has been several books added to our shelves recently. Dr. Frank G. Slaughter's "The Stubborn Heart." This is a novel of a doctor in the South after the armies had gone. It contains medical lore and operating-room drama which makes for tense, suspenseful reading. Then we received a memorial edition that lists and pictures all the monuments of Texas Independence. This is an elegant edition and will be very helpful to students in history and English, and also enjoyable to others who enjoy

PINK AND BLUE SHOWER

Mrs. Jack Gray was honored at a pink and blue shower in the home of Mrs. Elbert Horton Saturday afternoon. Assisting hostesses were Mrs. Bob Hutson, Mrs. Leon Riley and Mrs. Bill Preacher.

Guests registered at a table decorated in pink and white. Refreshments of cake, coffee and chocolate were served to Mesdames J. I. Spurgeon, R. L. Womack, A. J. Hicks, H. A. Harrison, Sr., R. Y. King, H. A. Harrison, Jr., A. D. Blanton, H. Estlack, R. B. Marshall, and Pink Marshall. Those sending gifts but unable to attend were Mesdames Gene Putman, Mike McCully, Maurice Lane, Boyd Allison, M. L. Putman, and Richard Maxey.

WIN ONE S. S. CLASS

Members of the Win One Sunday School class met in the home of Mrs. Bertha Benson Monday afternoon for their regular monthly social. Mrs. Neely Hudson was co-hostess. Mrs. J. R. Bartlett, class president, presided over the business meeting. Mrs. Geo. Hillis gave an inspiring devotional on "Prayer."

During the social hour a salad plate was served to Mesdames W. M. Pickering, Eva Rhode, J. W. Evans, J. T. Patman, Bill Greene, John Goldston, Mattie Hudson, Geo. Hillis, J. R. Bartlett, J. F. Blocker, C. C. Powell, and John English by the hostesses, Mrs. Bertha Benson and Mrs. Neely Hudson.

ANNOUNCEMENT

Mr. and Mrs. Sam Tankersley announce the engagement of their daughter, Mary Helen, to Allen Bauer, son of Mr. and Mrs. Ernest Bauer of Cedar City, Utah. The wedding date has not been set.

CLARENDON JR. COLLEGE SCIENCE SOCIETY

The Clarendon Junior College Science Society met Tuesday, Feb. 6, 1951. The program consisted of an experiment by Ray Crofford. Afterwards delicious refreshments of candy and Cokes were served by Clara Hahn to the following members: Kenneth Sams, Juandell Brown, Charles May, LaVerne Morris, Jim Hancock, Mary Jo Hester, Sam Patterson, Dorris Knorpp, Clyde Price, Glen Saunders, John Rydner, Sonny Byars, Ray Crofford, Larry Grundy, and one guest, Millie Allen.

MIDWAY CLUB

The Midway Club met with Eddie Williams February 1st. A delicious lunch was served and the day was spent in quilting.

Guests were Gladys Blackburn and daughter Marie. Members present were Roxie Williams, Allie Quattlebaum, Lucille Eanes, Nora Goldston, Sarah Shaller, Arrie Hefner, Vada McCrary, Goldie Mooring, Elene Moreland, Loyd Hillis, Johnnie Hill, Ida Pickering and Eddie Williams.

The next meeting will be with Roxie Williams February 15th.

1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon at Patching Club House. Miss Virgie Strawn and Mrs. Carl Bennett were hostesses.

The program was presented by Mrs. Wm. J. Lewis, Jr. who reviewed "The Home Place" by Fred Gipson.

Refreshments were served to 29 members and one guest.

Mr. and Mrs. Vaughn and Mr. and Mrs. Crawford of Amarillo attended the Donley County Singing convention here Sunday afternoon.

ALL-AMERICAN FAMILY

CLUB ROOM BOARD

Members of the Club House Board met Monday afternoon at the club house. Mrs. Pete Kunz, president, presided. Minutes were read and the treasurers report given. The question of insurance was discussed and it was voted to pay the insurance as well as regular utility bills and other expense.

It was also voted to write a note of thanks to those who presented the punch bowl and cups to be used at the club house. Plans were also made to hold a table games party in the near future to replenish the treasury. Other plans under discussion concerned the problem of keeping the floors waxed, and pipes from freezing.

Mr. and Mrs. R. H. Mosley and Barbara of Big Springs, and Mrs. Elmer Logsdon and Marsha of Midland visited the week end with their mother, Mrs. H. L. Riley.

MOTHERS CLUB NOTICE

Members of the Mothers Club will entertain their husbands with a buffet supper Tuesday night, Feb. 13, at 7 o'clock at Patching Club House. All members, associate members and their husbands are invited. Following the dinner, games of Canasta and 42 will be played with prizes awarded to the winners.

Hostesses will be Mesdames Dalton Swinney, Maurice Hart, Troy Wiley, Lloyd McCord and Al Covington.

Guests in the home of Mrs. E. W. Tyler for the week end were Mr. and Mrs. G. E. Lee of Claude and Mr. and Mrs. Buster Campbell, Gary and William Frank of Fairplay, Colo. Mr. and Mrs. J. M. Clark of Plainview, Mr. and Mrs. Virgil Moore and Mr. and Mrs. Gene Tyler, both of Amarillo, Mr. and Mrs. W. L. Nall of Quitaque, also Mr. and Mrs. Grady Tyler of Clarendon were guests for the day, Sunday.

George Thompson and son George, and Odell LaGrone went to Vernon Sunday to return Mrs. Thompson's father, L. H. Spier, to Clarendon. Mr. Spier has been ill for sometime and had gone to Vernon for medical treatment.

Mr. and Mrs. Geo. Schollenbarger and son Keith visited the week end with his sister, Mr. and Mrs. W. D. Hibler at Leedy, Okla.

Mr. and Mrs. Cap Morris enjoyed having their children at home Sunday. Mr. and Mrs. Carl Morris and family of Wichita Falls, Mr. and Mrs. John Miller Morris of Canyon, Miss Mae Morris of Denton, and Mr. and Mrs. Horace Green and family of Clarendon.

Mr. A. J. Garland returned Saturday from Cleveland, Ohio where he spent a week attending an R.E.A. Convention.

Mr. and Mrs. A. J. Garland, Marion, Mr. and Mrs. Verna Garland spent Sunday with their parents, Mr. and Mrs. J. W. Garland.

Mr. and Mrs. Tren Stargel and Mrs. Dan Williams and little daughter, Suzie, of Oklahoma City visited the week end in the home of Mrs. Lena Antrobus and Mr. and Mrs. O. C. Watson. Mrs. Antrobus accompanied them home Sunday.

Mr. and Mrs. Fred Reid of Plainview visited in the home of Mr. and Mrs. Frank Thomas the week end.

Mrs. T. T. Robinson of Amarillo and Mr. and Mrs. Dewey Hendrix and Mark Dewey visited in the A. J. Emmons home Sunday.

Miss Sybil Head returned to Dallas Saturday where she is attending S.M.U. She has been visiting her parents, Mr. and Mrs. Bob Head, between semesters of school work.

Mr. and Mrs. Durwood Skelton returned home the latter part of the week after visiting their son, Durwood at the Naval base in San Diego, Calif.

Mr. and Mrs. G. W. Bradshaw and family visited in the home of Mr. and Mrs. Gilbert Bryan at Hobart, Okla. over the weekend.

Mr. and Mrs. Homer Tucker and family of Memphis visited his mother, Mrs. J. R. Tucker, Sunday.

Mr. and Mrs. E. W. Tyler, Jr. took their little son Barry to Amarillo Monday for medical treatment.

Mr. and Mrs. C. E. Killough left Sunday for Mineral Wells where they will spend the next few weeks.

Carroll Lewis took his parents, Mr. and Mrs. E. L. Lewis, to Amarillo Tuesday for a medical check-up. Mr. E. L. Lewis, who has been ill for some time, is doing fairly well at this time.

Mrs. J. H. Headrick and Miss Edgar Mae Mongole visited Sunday afternoon with Mr. Headrick who is a patient in an Amarillo hospital. Mr. Headrick is reported to be improving at this time.

Mr. and Mrs. Bob Teague of Amarillo visited the week end in the home of Mr. and Mrs. Clyde Putman.

Mr. and Mrs. Davis of Lubbock visited in the home of their daughter, Mr. and Mrs. Pat Slavin and son Sunday.

Weldon and June Day, students at West Texas State College at Canyon, spent the week end in the home of their parents, Mr. and Mrs. K. K. Day.

Mr. and Mrs. Ray Hefner of Amarillo were Sunday dinner guests in the home of his parents, Mr. and Mrs. A. O. Hefner.

Mr. and Mrs. W. M. Pickering have gone to Corpus Christi and other southern points for the winter months.

Mr. and Mrs. John Miller Morris of Canyon visited her parents, Mr. and Mrs. Frank Blair Saturday night.

It was announced this week that Mr. and Mrs. K. K. Day sold their new home in southwest Clarendon to Mr. C. T. McMurtry. The sale was completed last Friday.

Mr. and Mrs. Bob Skelton of Amarillo visited Sunday evening with his parents, Mr. and Mrs. L. H. Skelton.

Donley County Leader, \$2.50 a Year.

Health Notes

AUSTIN — Old style, palate tickling, succulent smoked hams like you used to prepare for special Sunday dinners are giving way to the tenderized and ready-to-eat varieties.

Increased danger of spoilage comes with the change, State Health Officer Geo. W. Cox says. Used to be you could salt down a ham, then home-smoke it slow and easy. When done, you could hang it on the back porch easily accessible for a quick slice.

Those days are fast waning, for city bound folks. Ask your butcher for a smoked ham nowadays, and you get two choices: "tenderized", or "ready-to-eat." They look the same, and have some of the old sweetness. But there the similarity ends, Dr. Cox says.

Since less preservative salt is used in the smoking process, today's ham products have to be placed under immediate refrigeration, the same as any other meat.

"Tenderized" hams are smoked at a temperature of approximately 129 degrees. Dr. Cox says that means they have to be cooked before eating in order to kill any trichina larvae that may be present.

"Trichina larvae, which cause trichinosis, are killed at a tem-

perature of 137 degrees F." the health officer cautioned. "That's internal temperature."

He warned that "ready-to-eat" ham products are smoked at approximately 160 degrees, and cured with less salt than regular smoked hams. They'll spoil easily unless kept under refrigeration until eaten.

Here are the health officer's recommendations regarding these meat products:

1. They cannot be stored in temperatures above 50 degrees. Neither can prepared dishes or sandwiches made from the products.
2. Strict sanitation should be observed in handling them.
3. They should be handled in refrigerated equipment from packing plant to consumer.
4. Cook-before-eating must not be confused with ready-to-eat meat products. Always ask the retailer about the meat to make sure of the cooking procedure.

Mrs. Ellis Chenault, Mrs. Clyde Putman, and Mrs. George Schollenberger made a business trip to Amarillo Wednesday.

They say he would have lived to a ripe old age if he hadn't eaten so many cherries—from the bottom of his cocktail glass.

Donley County Leader, \$2.50 a Year.

NEW SPEAKER SWORN IN

Secretary of State John Ben Shepperd is shown administering the oath of office to the new Speaker of the House of Representatives of the 62nd Texas Legislature, Rep. Reuben Senterfitt of San Saba. Shepperd officially opened the House of Representatives Tuesday, January 9, and presided until the unanimous election of the San Saba attorney as Speaker. Representative Senterfitt is beginning his sixth full term in the Texas House. He is the senior member of the law firm of Senterfitt, Crump and Jameson in San Saba. The Secretary of State convenes the initial session of each Legislature according to requirements of the Constitution and Texas law. Both Shepperd and Senterfitt, in opening remarks to the legislative body, termed this Legislature as one of the most important and crucial in the history of the state.

ANNOUNCING...THE LOVELIEST AND FINEST NEW CHRYSLERS EVER BUILT!

For 1951, Chrysler has developed for you more basic advances in motor car value than any new car line has offered in years!

Whether you expect to own one this year or not... you owe yourself a turn at the wheel of a new Chrysler for 1951. Here is brilliant new style... and new basic engineering, too, with over 70 new features and improvements. Here is progress in comfort and performance so bold and so new you will feel its impact in America's motor cars for years to come. Since Chrysler first introduced high-compression performance in 1924, it has been Chrysler tradition to bring you the good things first... to strike out in new paths and open new standards of what you can expect in a motor car. Here, for 1951, is one of the great Chrysler cars. See all these exciting new motoring wonders tomorrow at your Chrysler dealer's—America's newest new car is now on display.

WINDSOR 4-DOOR SEDAN

Gracious new Beauty, to stay new for years!

Stunning new lines... rich new interiors... Clearbac full-vision rear windows... and remember, your Chrysler's baked-on enamel finish is the all-round toughest, most durable automobile finish known!

New Oriflow Ride, unequalled in smoothness!

On every Chrysler for '51, Chrysler presents the amazing new Oriflow shock absorber... it has over twice the shock-absorbing power of any other shock absorber on any other car!

New FirePower Engine, matchless in Power!

Here is Chrysler's revolutionary new Hemispherical Combustion Chamber... engineering secret of FirePower... heart of the most powerful, most efficient, best-constructed engine ever put in an automobile. 180 horsepower. Will outperform any other engine on the road today, with ease. The only engine design that can give full combustion, full compression, full use and value from every drop of fuel.

New Chrysler-built value throughout your new car!

Chassis undercoating at no extra cost... Safety Rims on every wheel... Superfinish engine parts... Safety Cushion dash... Cyclebond brake linings... Chrysler engineering skill means extra value all through your car.

COME SEE THE NEW **CHRYSLER** Best engineered car in the world!

Announcing... New DODGE "Job-Rated" Trucks

The trucks that do
 the most for you!

More powerful than ever! Dodge now offers you the most powerful "Job-Rated" trucks in Dodge history! Eight engines—94 to 154 horsepower—with power increases as high as 20%!

You get the right power for your job... in the finest performing trucks that ever carried the Dodge name! Yet these new Dodge "Job-Rated" Trucks are priced with the lowest!

NEW! Smarter styling! New beauty combined with massive, rugged appearance. New hood line for better road visibility. Roomy new cab interiors in contrasting colors—new comfort with redesigned seats.

NEW! Easier handling! Shorter turning diameters than ever before—for even greater maneuverability! More convenient steering wheel angle for greater driving comfort. New worm-and-roller steering gears for easier steering—plus all the ease-of-handling features that made Dodge "The Choice of Champions" in the 1950 National Truck Roadshow!

NEW! Extra-quiet brakes! Another Dodge engineering first! New, molded, tapered Cyclobond brake linings contact brake drums with smoother, more even action—practically eliminating brake squeal. Less tendency for "grab"—and lining life is greatly extended. Standard on trucks 1 1/2-ton and up, except for air brake models.

More than 50 brand-new features including...

NEW! SMOOTHER RIDE with new, "Oriflow" shock absorbers; standard on 1/2-, 3/4-, and 1-ton models.

NEW! EASIER LOADING with lower ground-to-floor height on all models through 2 tons.

NEW! EASIER BAD-WEATHER STARTING with new moisture-proof ignition and high-torque starting motor.

NEW! MORE ECONOMICAL PERFORMANCE with higher compression ratio—on all models through 1 ton.

NEW! EASIER-TO-READ INSTRUMENTS—now grouped in a cluster placed in front of the driver.

NEW! TWIN CARBURETION AND EXHAUST SYSTEM for greater power with economy—available on all high-tonnage models.

NEW! SMOOTHER ENGINE IDLING with "hotter" spark plugs; on all models through 1 ton.

A model to fit your job!

ANOTHER DODGE EXCLUSIVE! glycol Fluid Drive now available on 1/2-, 3/4-, and 1-ton models.

Come in to see the new **DODGE "Job-Rated" TRUCKS** on display Saturday, February 10

Bartlett Motor Company

CLARENDON, TEXAS

Mr. and Mrs. W. L. Buckley and children of Childress visited Sunday in the home of his brother, Mr. and Mrs. B. D. Buckley and family.

MIDWAY

Mrs. John Goldston

Friends are concerned over the condition of Harley Longan who was taken to a Groom hospital this past week, then transferred to the Veterans Hospital in Amarillo with a very serious virus condition.

Mrs. Harley Longan was taken to the Groom hospital Saturday where a son arrived Sunday. Mrs. Longan is to be moved home in a day or two. Both mother and son, Phillet Anthony are doing nicely.

Mr. and Mrs. Ray Hefner and daughter of Amarillo visited her parents, Mr. and Mrs. Scott Sunday.

Mr. and Mrs. George Hillis spent Thursday with Mr. and Mrs. Ted Montgomery in Oklahoma City.

Mrs. John Goldston visited with Mrs. Joe Johnson Friday afternoon.

Mr. and Mrs. George Hillis visited with relatives at Lakeview one day this week.

Mr. and Mrs. A. B. Stephens of Plainview and Mr. and Mrs. J. C. Longan of Pampa spent Sunday night at the Groom hospital with Mrs. Harley Longan.

Mr. and Mrs. Cecil Beach and Mr. and Mrs. A. B. Stephens of Plainview and Mr. and Mrs. J. C. Longan of Pampa spent Sunday in the Edith Longan home.

Forest McCrary made a business trip to Wellington Monday.

Mr. and Mrs. Edwin Eanes were dinner guests in the home of her father, Mr. and Mrs. W. M. Pickering Sunday.

Mr. and Mrs. Loyd Moreland visited with Mr. and Mrs. W. D. Higgins Saturday.

Mr. and Mrs. Luis Fields of Amarillo visited with Misses Minnie and Ava Naylor Sunday.

College Graduates May Become Officers In Marine Corps

The Marine Corps announced Sunday, January 28th its first Officer Candidate Course since World War II, whereby college graduates with no military experience may become officers.

Qualified graduates, or seniors in accredited colleges who will receive a baccalaureate degree this spring, other than in medicine, dentistry, or theology, and who will be less than 27 years of age on July 1, may write to the Commandant of the Marine Corps, Headquarters U. S. Marine Corps, Washington 25, D. C. for information.

Accepted candidates will be enlisted in the Marine Corps Reserve and sent to an intensive 10 week training course at Parris Island, S. C. this spring and summer. Successful graduates will be commissioned Second Lieutenants in the Marine Corps Reserve and sent to the Marine Corps

COLD WEATHER SHELTERS—Enemy attacks in Korea could be successfully resisted but subzero temperatures with ice, snow and howling winds added to hazard of combat. Here American troops provide wind breaks over their freezing foxholes.

Schools, Quantico, Virginia for a comprehensive five months basic officers' course.

Candidates who fail to qualify for a commission will be given the option of discharge from the Marine Corps Reserve or assignment to active duty in enlisted

status. A limited number of the graduates of this Officer Candidate Course may be offered commissions as career Marines.

Donley County Leader, \$2.50 year

Mr. and Mrs. Luis Fields of Amarillo visited in the A. O. Hefner home awhile Sunday.

Mr. and Mrs. D. F. Wadsworth visited Sunday with their son Dean, who is located at Sheppard Field near Wichita Falls.

OUR DEMOCRACY — by Mat

ABRAHAM LINCOLN

Here was a man to hold against the world
A man to match the mountains and the sea
The color of the ground was in him, the red earth,
The smack and tang of elemental things
And when he fell in whirlwind, he went down
As when a lordly cedar, green with boughs,
Goes down with a great shout upon the hills
And leaves a lonesome place against the sky.

Cooke, III, Luther Petty, Forrest McCrary, Leroy Luttrell, T. L. Roach and Son, J. Nelson Riley, Carman Rhode, Clyde Slavin, Julius N. Weaver, George D. Hillis, Hurley Moreman, Glen Williams, M. P. Hamblett and M. H. Rhodes.

Mr. Ward M. Taylor, District Election Officer, met with the County Committee Wednesday and visited in the office.

GRASS IS THE ANSWER
Farmers are being called upon to increase production on their farms to meet defense needs, "but we can't afford to shoot the works in a few years of using up our land to get the increased production."

With the unsettled condition in the world it is not certain how long the present emergency may last and "we can't afford to break down our farm production plant

by neglecting our soil." Continued emphases on grasses and legumes is the answer to the problem of meeting defense production needs and at the same time maintaining the productivity of the land.

Grass and legumes protect the soil against erosion. They restore organic matter and legumes build up the nitrogen in the soil. And grass and legumes help to increase production of meat, dairy products and wool — items for which there is ever increasing need.

Numerous instances support the growing belief that an acre in grass and legumes — properly cared for — will yield as great a return to the farmer as many other crops. And there is the advantage of increasing the production of food and fiber most essential to the defense effort while at the same time protecting and building the soil.

Farmers are urged to cooperate in the Agricultural Conservation Program to use the practices which will help them in improving pasture and meadow land. "Give your grass land the attention you give your other crops and it will pay." In most instances it will result in increased production from the farm as well as protection for a continued abundance.

DEDICATION CEREMONIES AT SMU FEBRUARY 8

DALLAS — Dedication of the seven-building, \$3,500,000 Perkins School of Theology at Southern Methodist University will be held Feb. 8, climaxing Ministers' Week which began Feb. 5.

At the same time the first official homecoming for alumni and ex-students of the Perkins school will bring to the campus hundreds of ministers in the Southwest.

The dedication ceremonies will mark the first time that an entire separate plant for a theology school has been constructed at one time, SMU officials believe.

A record attendance of Methodist churchmen from all over the U. S. is expected for the occasion.

The school is named for Mr. and Mrs. J. J. Perkins, Wichita Falls, who made the new quadrangle possible. The Bridewell Library was given by Mr. J. S. Bridewell and daughter, Margaret, of Wichita Falls; the classroom building is named for Mr. and Mrs. Harper Kirby who donated the original home of the theology school.

Four dormitory and apartment buildings are named for Bishop Paul E. Martin, Little Rock, Ark.; Bishop A. Frank Smith, Houston, chairman of the Board of Trustees; Dean Hawk and the late S. B. Perkins, brother of Mr. Perkins of Wichita Falls.

Melvin King, son of Mr. and Mrs. M. E. King, will leave Friday to go to Pampa for induction into the Armed Forces. He has been employed by the Phillips Petroleum Company of Borger.

WTU Company's New 37,000 h.p. Turbo-Generating Unit In Service

QUANAH — Following operational tests and check runs, the new 37,000 horse power turbo-generating unit at West Texas Utilities Company Lake Pauline Generating Station, located five miles southeast of Quanah, was placed in service recently.

"The addition of this unit, which is a basic part of a multi-million dollar construction program to provide more and better electric service to the people we serve," said Price Campbell, WTU president, "is a part of our

continuing effort to help this area grow and prosper."

The new unit, which more than doubles the plant's generating capacity, provides additional electric power sufficient to serve a city of 90,000 population, or the power needed to serve 14,000 West Texas farms.

The actual installation of the turbo-generator was but a small part of the work. C. M. Sample, chief engineer of the Pauline Plant, pointed out. An addition to the plant, equivalent to a steel framed masonry and concrete building 75 feet by 63 feet and four stories high, had to be built to house a boiler capable of generating 250,000 pounds of steam per hour. Construction on this addition was begun in September, 1949, and initial operation of the unit was scheduled for April, 1951. By pushing construction, it was possible to complete the installation of the unit two months in advance. There still remains a great amount of finishing work, such as painting and trimming, to be done before the construction is completed.

The Lake Pauline Plant, one of WTU's four modern steam generating stations, interconnected by 3,100 miles of high voltage cardinal transmission lines, was placed in operation in 1928.

J. M. Newman is reported to be a little improved following a stroke the first of the week. He is a patient of Clark Hospital in Memphis.

Mr. and Mrs. Carl Smith of White Deer visited Monday afternoon in the home of Mrs. J. E. Mongole and daughters.

Mr. and Mrs. H. T. Burton and Mrs. C. C. Powell attended funeral services for Dr. S. H. Condran at Canyon Friday.

Joe Goldston, accompanied by Mrs. Goldston, attended the graduate Seminar in Amarillo Sunday and Monday under the capable leadership of Dr. A. M. Skeffington of St. Louis, Mo. They will also attend the Southwestern Congress of Optometry in Ft. Worth Monday, Tuesday and Wednesday. This is the outstanding educational meeting in the optometric field.

New Almanac Tells Story of Radio-TV

NEW YORK — The science of electronics is associated with the Twentieth Century but its roots are deep in antiquity. In 640 B. C., Thales of Miletus noticed the phenomenon of frictional electricity. The Greeks, of course, had a word for it—"elektron"—which they used as a name for amber because of its sunny luster.

The gap in years and knowledge, from Thales to Ben Franklin to Marconi and finally to the scientists who perfected radio and television, is a vast one. It has been spanned in chronological book form by Orrin E. Dunlap, Jr., vice president of the Radio Corporation of America and former radio editor of "The New York Times."

"Dunlap's Radio & Television Almanac," published today by Harper & Bros., of New York, provides the most detailed and authoritative report ever compiled on the history of electronics, radio and television.

Here, in 211 fact-rammed pages, are the men, events, inventions and dates that stand forth on the calendar of electronics. The book tells chronologically of all the "firsts" in the history of radio and television.

Mr. Dunlap, a senior member of the Institute of Radio Engineers and the author of a dozen previous books on radio and electronics, gathered his material over a twenty-eight year period. Rather than trust his memory or library files, he kept a diary from day to day for his own use. These personal records, meticulously compiled, form the basis of the Almanac's report on the great eras of radio and television development.

This calendar of history high-

People, Spots In The News

TOP WOMEN ATHLETES—Babe Didrikson Zaharias and Bauer sisters Marlene (left) and Alice—smile on hearing Associated Press has chosen Babe "Female Athlete of '50," with Bauer girls third.

CHILD CONDUCTOR—Gianella de Marco, six-year-old Italian girl, leads Paris Lamoureux Orchestra in recent concert.

BON VOYAGE TO IKE—President Truman and Gen. Dwight Eisenhower review honor guard at National Airport prior to Eisenhower's departure for Europe to start organizing defenses against communism. They're accompanied by escort officer.

ments of the second world war. It also peers into the future of this prodigious industry.

"As the calendar turned to 1950," Mr. Dunlap said, "television was a great industry; millions of people were looking in as the scientists continued to triumph not only in monochrome pictures, but in color. These modern Rembrandts made a pallet of the sky and spread electronic pigments on fluorescent canvasses. New corridors in the radio spectrum were opened as a gallery of pictures that everyone might see."

By listing important radio events, Mr. Dunlap provides a history in capsule form of the great events of the radio age. The fireside chats of President Roosevelt, Hitler's "Blood and Steel" addresses to the German Reichstag, the Coronation of Pope Pius XII and other landmarks of the era are brought to life again through the Almanac.

The historian of sports will find, in Mr. Dunlap's log of famous radio broadcasts, a recounting of legendary ring battles. The first radio-reported boxing match—Johnny Dundee versus Johnny Ray—was broadcast April 11, 1921, over Station KDKA from Pittsburgh, Pa. There was the Dempsey-Carpentier battle, broadcast from Boyles Thirty Acres in Jersey City; the Firpo-Willard battle, and—most famous of all—the Dempsey-Firpo fight in New York, broadcast by WJZ, on September 14, 1923.

Supplementing the text are 32 pages of pictures. They include portraits of the great scientists—Samuel Morse, Thomas Edison, Alexander Graham Bell. They

show the first radio broadcast by President Warren G. Harding, the first telecast by President Franklin D. Roosevelt.

Mr. Dunlap's book promises to be an essential adjunct to libraries, technical schools and electronic classes. It also, in telling of great events and great people, provides lively reading for the layman interested in the Twentieth Century's most fascinating field—the science of electronics.

Texas Enjoys Almost As Much Sunshine As Florida In Winter

AUSTIN — The "Lone Star State" gets more sunshine than the "Sunshine State" of Florida during the summer and almost as much in the winter months, according to a study just completed to determine the need for alleviating sky glare affecting motorists.

The study, based on the U. S. Weather Bureau records for the last 50 years, shows Texans and visiting motorists can expect a-

about 150 to 200 hours of sunshine in December and January, compared with 200 to 225 for Florida. On the other hand, Texas should get 300 to 350 hours next June while Florida is getting about 275.

In analyzing the problem of glare, motorists reported that a new shaded windshield offers one solution. The new glass cuts out most of the bothersome infrared and ultra violet rays of the sun and still admits more than 70 per cent of average daylight, according to Dr. George E. Watkins, director of research for Libbey-Owens-Ford Glass Co.

The windshield, now being used in cars in 44 states, has a bluish-green tinting with a shaded area of graduated density extending from the top to above the eye level. This acts as a filter and still gives drivers good visibility.

ELECTRICAL TIPS FOR THE HOME

If Your Bathroom Light Casts Annoying Shadows and Glare...

DON'T think you have to center one fixture over the bathroom mirror. A lamp placed in this position casts shadows on the neck and chin, makes shaving and other close-seeing jobs difficult.

DO install two fluorescent or incandescent fixtures—one on each side of the mirror. For shadowless, glare-free light, center the lamps at 5 feet, 2 inches high and cover them with translucent shields.

New in Style—New in Structure—New in Power—New in Thrift—Potent in Price Appeal—It's the 1951 BUICK SPECIAL!

HERE is good news for folks with a shrewd eye for what their dollars will buy.

Here is a tidy traveler that defies the upward trend of costs — proudly wears a 1951 price tag like that which zoomed last year's SPECIAL into popularity so great that it put a crimp in "the low-priced three."

Take our word for it, this is every inch and ounce a Buick — Buick-featured, Buick-designed, Buick-built from the ground up — but literally the newest thing on wheels.

The sturdy and ample body is new. The high-strength frame is new. The power is new to the SPECIAL, which now has the

Standard equipment, accessories and trim illustrated are subject to change without notice.

When better automobiles are built BUICK will build them

thrifty F-263 engine that first made its name in the SUPER, and here delivers 120 horsepower with standard transmission—128 with Dynaflo Drive.*

It's a Buick with less weight and more power—and that spells a pair of new thrills for you. There's a performance thrill such as you've never enjoyed in the SPECIAL—plus a handsome gas-saving into the bargain.

We'll make a prediction now as to what title folks will give it, once they get it out on the road.

*Standard on ROADMASTER, optional at extra cost on other Series.

That title in three words, will be: "Thriftiest Buick Yet!"

Better hurry around to your Buick dealer's and look this marvel over. We'll give you another prediction—which is:

Once this one's discovered, the demand will be terrific.

No other car provides all this:

- DYNAFLOW DRIVE • FIREBALL POWER • PUSH-BAR FOREFRONT
- WHITE-GLOW INSTRUMENTS • TORQUE-TUBE DRIVE • 4-WHEEL COIL SPRINGING • DREAMLINE STYLING • DUAL VENTILATION • BODY BY FISHER

1950 The Bluebird 1951

Vol. 2 No. 18 LELIA LAKE SCHOOL NEWS February 8, 1951

PLAYING A FAST GAME BLUEBIRDS DEFEAT OWLS

By Keith Reed

In a very fast and exciting game, Tuesday night, January 30, the Lelia Lake Bluebirds defeated the Hedley Owls by a score of 32 to 28.

At the end of the first quarter the score was 9 to 7, in favor of the Owls. In the second quarter, however, the Bluebirds pulled up steadily as Monk and Wilkinson sank two field goals each, Ayers one, and Williams two free throws. At the end of the first half it was 19 to 13 in favor of the Bluebirds.

Lelia Lake started off fast in the second half as they pulled ahead even further, 28 to 21.

In the last quarter the Hedley boys began pulling up and finally with three minutes to play, they were only three points behind the Lelia Lake team. The Bluebirds held their lead until the last 5 seconds, when the Lelia Lake center, Wilcey White, was fouled. The Bluebirds made the

free shot and the final score was 32 to 28.

The starting lineup for Lelia Lake was Ayers and Wilkinson as guards, Monk and Williams at forward position and White at center. For Hedley the lineup was Brumley, Baker, Pennick, Limberson, and Baily.

High point man for Lelia Lake was Wilkinson with a total of 13 points. Brumley was high point man for Hedley with a total of 12 points.

JUNIOR TEAM DEFEATS ALANREED BOYS 37-8

Friday night, January 26, the Lelia Lake junior basketball team played the Alanreed junior team and defeated them 37 to 8.

The starting lineup of Lelia Lake was: Bobby Dodson, Gerald Jones, Boyd White, Billy Johnson and Bobby Jones. The starting line up, for Alanreed was: David Miller, Bob Stubbs, Micky Allen, Gene Warshon, and Jack Hall.

The high point man for Lelia

Lake was Boyd White leading with 22 points. High point man for Alanreed was Mickey Allen leading with 3 points.

HEDLEY WINS GAME WITH SCORE OF 33-21

The Lelia Lake girls basketball team was defeated by Hedley by a score of 33 to 21.

The Bluebirds pulled into the lead early but soon relinquished it as Hedley went into the lead 6 to 5 at the first quarter. Hedley gradually pulled away and at the half it was 15 to 10 in Hedley's favor. The Bluebirds pulled up one point in the third quarter as it ended 16 to 20 still in favor of the Owls.

High point girl for Lelia Lake was Butler with 11 points. High for Hedley was Moore with 15.

GIRLS HOLD LEAD THROUGHOUT GAME

The Lelia Lake Bluebirds pulled ahead in the early minutes against the Alanreed girls and were never stopped Friday, Jan. 26. At the end of the first quarter the score was 16 to 5. In the second quarter Lelia Lake pulled even further ahead until the half when the score was 30 to 10.

In the last half Coach Craig Johnson played his entire bunch and the final score was 43 to 20.

High point girl for Lelia Lake was Butler with 19 points and for Alanreed it was Hall with 9 points.

BLUEBIRDS PULL FROM BEHIND TO WIN 38-26

After trailing for most of three quarters the Lelia Lake Bluebirds finally managed to defeat the Alanreed Longhorns by a score of 38 to 26, Thursday, February 1st.

This was the opening game in the district tournament. The score at the end of the first quarter was 4 to 2 in favor of Lelia Lake. The "B" team went in at the beginning of the second quarter and at the end of the first half the score was 12 to 8 in favor of Alanreed. The "A" team went back in at the half and finally caught them at the third quarter. In the last quarter the Bluebirds finally started clicking and at the end of the game it was 38 to 26.

High point man for Lelia Lake was Wilkinson with 13 points and for Alanreed it was Gilbreath and Pakley with 9 each.

HIGH AND EIGHTH GRADES RAISE \$54.80 FOR MARCH OF DIMES

The seventh and eighth grades started their March of Dimes drive Wednesday, January 24th. After a period of seven days they had collected fifty-four dollars and seventy cents.

As a reward for collecting the amount, Mr. and Mrs. Craig Johnson are going to give them a party.

They wish to thank each and everyone who contributed to the cause.

FRESHMEN, SOPHOMORES, WIN POLIO DRIVE CONTEST

The Freshman and Sophomore class were the winners of the Lelia Lake High School contest for the collection of the Polio fund. The Freshman and Sophomore class collected \$31.00. The

Juniors and Seniors collected \$22.20 making a total of \$53.20 for the entire high school.

Students would like to take this means of thanking those who contributed to this worthwhile fund. The names of those who contributed are the following:

Mr. Slim Chenault, Mrs. Willard Knox, Mr. A. W. Gerner, Mr. B. B. Parker, Mrs. Harvey Shaw, Cavin Webb, Mr. and Mrs. Olen Usery, Mr. and Mrs. Lewis Foster, Mr. DeVerte Leathers, Mr. Quinn Aten, Mr. John Gerner, Don Rumpy, Mrs. Howard, Webb Drug Store, Mr. and Mrs. C. B. Meyers, Mr. and Mrs. J. B. McDaniel, Mr. George Beasley, Mr. Nolie Simmons, Mr. Glenn Williams, Mr. F. A. Floyd, Mr. and Mrs. Naylor, Mr. and Mrs. Quattbaum, Mrs. Don Tomlinson, Mr. Charlie Carter, Mr. Joe Rackley, Moffitt Hardware, Mobbey Cleaners, M-System Grocery, City Drug-Hedley, Adell Myers, Mr. Cap Anderson and Mr. and Mrs. Lamar Aten.

EXAMS MARK END OF FIRST SEMESTER

The first semester of Lelia Lake school year was completed with mid-term exams given Jan-

uary 29-30. The morning classes' tests were given on Monday, and the afternoon, on Tuesday.

The majority of the tests were mimeographed, in order that the test would require less time. As in previous years, the students were given two complete 45 minute periods.

LLHS "B" TEAM DEFEATS ALANREED "A" STRING

The Lelia Lake "B" team defeated the Alanreed "A" team in a basketball game played Friday night, January 26. The final score was 28 to 18.

The players for the Bluebirds were Woodie Vardeman, Keith Reed, Troy Guy, Robert Murphy, Eddie Floyd, Billy Scott, Mac Stavenhagen, Johnny Britton, Cavin Webb, Earl Shields, and Benny Hill.

Playing for Alanreed were Lindsey Gilberthe, Ray Howard Miller, Hiram Rawlins, Jimmy Shaw, and Jimmy Crackerham.

High point scorer for Lelia Lake was Mac Stavenhagen with 14 points. High point for Alanreed was Ray Howard Miller

with 9 points.

Billy Scott was knocked out during the game. He ran into the wall, head first and was unconscious for a short while. After resting a few minutes, he was able to go back into the game.

STUDENTS GET NAMES OF FOREIGN PEN PALS

In the English classes, a letter from a student letter exchange was read. Several high school and grade school students wrote for a pen pal.

The students received their addresses Monday, January 29. Many of them have already sent their first letter.

The foreign countries are: Switzerland, Sweden, Scotland, Denmark, England, France, and Brazil.

The students are very eager to receive their first letter, to know about the country and about their pen pals.

Breathes there a man who does not think more of what he is about to say, than of what has been said to him.

NEW

NEW 1951 Chevrolet

AMERICA'S LARGEST AND FINEST LOW-PRICED CAR!

Yes—refreshingly new . . . WITH FINEST QUALITY ALL THE WAY THROUGH!

—with time-proved **POWER Slide** AUTOMATIC TRANSMISSION—proved by more than a billion miles of performance in the hands of hundreds of thousands of owners.

AMERICAN BEAUTY DESIGN—Brilliant new styling . . . featuring entirely new grille, fender moldings and rear-end design . . . imparting that longer, lower, wider, big-car look that sets Chevrolet apart.

MODERN-MODE INTERIORS—With upholstery and appointments of outstanding quality, in beautiful two-tone color harmonies . . . and with extra generous seating room for driver and all passengers.

SAFETY-SIGHT INSTRUMENT PANEL—Safer, more efficient . . . with overhanging upper crown to eliminate reflections from instrument lights . . . and plain, easy-to-read instruments in front of driver.

AMERICA-PREFERRED BODIES BY FISHER—With new and even more strikingly beautiful lines, contours and colors . . . with extra sturdy Fisher Unisteel construction . . . Curved Windshield and Panoramic Visibility . . . combining safety and comfort.

MORE POWERFUL JUMBO-DRUM BRAKES (with **Dub-Lite** rivetless brake linings)—Largest brakes in low-price field . . . with both brake shoes on each wheel self-energizing . . . giving maximum stopping-power with up to 25% less driver effort.

IMPROVED CENTER-POINT STEERING (and **Center-Point Design**)—Making steering even easier at low speeds and while parking . . . just as Chevrolet's famous Knee-Action Ride is comfortable beyond comparison in its price range.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!
