High School Honor Roll Announced

High School Principal Kenneth Vaughan has announced that a total of 24 students in Clarendon High School have been selected for the honor roll for the fourth six week period. These students have compiled an average grade of 90 or above with no grade below 80.

High honors this period went to freshman Dwight McAnear whose average for the period soared to a lofty 97.4. Other students who had an average of 95 or above included junior Philip Abel at 96.3, freshman Marie Blackburn at 95.8 and sophomore Judy Benson at 95.2.

The complete list of honor students included three seniors, seven juniors, six sophomores and eight freshmen. They are, seniors; Connie McMurtry, Sharon Smith and Sandra Pinkerton; juniors; Philip Abel, Beth Johnson, Barbara Morrow, Martha J. Risley, Wanda Ryan, Howard Talley and Judy Thompson; sophomores; Paula Adams, Judy Benson, Fredda Bourland, Clayton Ferris, Barbara Fletcher and Jim Robinson; freshmen; James Bates, Marie Blackburn, Shirley Mann, Dwight McAnear, Danny Ray, Carol Spencer, Connie Williams, and Sharon Williams.

Locals Are Victims Of Ice Tues. Morning

Two of our local business people were listed among the unlucky Tuesday morning due to the ice that formed during the night that left many spots slick as glass.

Frank Thomas, local furniture dealer, fell at his home and broke his right hip and is a patient at Adair hospital.

Mrs. W. M. Patman wasn't quite as unlucky as Mr. Thomas, but did receive a fractured rib and a deep head laceration when she fell at her home. She received treatment at the hospital and was released.

A number of other persons fell and mainly hurt their feelings in addition to sore muscles and bruises.

Locals Attend Area Scout Meeting

An executive board meeting and operating committee meeting of the Adobe Walls Council was held in Pampa Tuesday night. Frank Phelan, Jr., and Clyde Price, Jr., attended from Clarendon.

The purpose of the meeting was to review the past 10 years progress of Scouting in this Council. In 1953 there were 1,934 new boys in Scouting and in 1959 there were 5,543 Scouts in the Adobe Walls Council.

The Council program in each of its six phases, Camping and Activities, Advancement, Leadership Training, Health and Safety, Finance and Commissioners Staff was planned and approved for 1960 and 1961.

The "idea" of Scouting can be simply stated: "Scouting is a game for boys that includes almost anything that is wholesome for boys to do, played under leadership that is a proper example, and played according to a set of rules and moral code . . . in the process of playing this game, threads of good habit are developed which grow eventually into the cables of character."

Hedley Seniors To Present Play March 11

The Hedley Senior Class will present their Senior Play "Pick A Dilly" Friday, March 11, in the Hedley High School auditorium at 8 p.m. Admission will be 50c for adults and 25c for children.

"Pick A Dilly" is a farce in three acts. Young Rod Benedict will inherit a fortune from his late uncle Jason Strong providing he marries one of the three Dilly sisters, April Violet, June Rose or May Lily; however, if all the girls refuse Rods proposal he'll still get most of the fortune. Everyone is invited to come and watch the squabble over who gets Jason's fortune.

The class will also serve cake, pie and coffee in the Homemaking room. Everyone is invited to come early for the open house and eat with the group.

Five Candidates In School Board Race

Gordon Simpson is the fifth candidate to announce for the Clarendon Cons. Ind. School District Board of Education. The election will be held April 2, at the school tax office, at which time two members will be elected to the board.

Incumbents A. R. Henson and Billy Jack Land have announced for re-election and the other two in the race are Dr. George W. Smith and Frank Phelan, Jr. Persons wishing to vote absentee may do so at the office of the County Clerk from March 12 through March 29.

J. R. Leathers Home Burns At Lelia Lake

The home of Mr. and Mrs. J. Robert Leathers was destroyed by fire Monday night. The Leathers home was an old landmark in the Lelia Lake area. Mr. and Mrs. Leathers and family lost practically everything in the fire.

Neighbors and friends in the Lelia Lake area are having a shower for the Leathers family tonight (Thursday) at the Lelia Lake school. They can use any type of items for setting up housekeeping again. Everyone is invited to participate.

Services Held Wed. For Miss Monte Jones

Funeral services were held Wednesday in the Spicer Funeral Chapel in Memphis for Miss Monte Bell Jones with Rev. J. S. Tipton, pastor of the First Baptist Church of Hedley, and the Rev. Kenneth Witt of Oklahoma City, a nephew of Miss Jones, officiating. Burial was in Rowe Cemetery, Hedley.

Miss Jones, 70, died in her home near Hedley late Monday. She had been a resident of Donley County for 51 years. She was born Sept. 12, 1889, at Neges County, Tenn.

She is survived by two brothers, Frank Jones of Hedley and Walter Jones of Oklahoma City.

SEISMOGRAPH CREW DUE TO MOVE HERE TODAY

A field supervisor for the Texas Seismograph Co., Inc., of Wichita Falls, Texas, was a visitor in the Leader office Wednesday and stated that a 20-man crew working for the company would arrive in Clarendon today, Thursday. He said the crew would be here from six months to a year or longer according to contracts in this area. At present they are doing contract work for the Humble Oil and Refining Co.

The group will move here from Canadian and will be under the supervision of Party Chief, Glenn Mann.

Anyone having desirable furnished apartments other than those listed in the Leader this week might call us and list the accommodations you have to offer.

REV. RONALD HUBBARD TO CONDUCT SERVICES AT FIRST PRESBYTERIAN

Rev. Ronald Hubbard, pastor of First Presbyterian Church, Pampa, will be at the Presbyterian Church here Sunday, March 13th. He will preach the sermon at the regular worship hour and will conduct the congregational meeting following the worship service. Members are urged to attend and visitors are welcome.

LELIA LAKE VOLLEYBALL TOURNAMENT SET FOR MAR. 17-19

The Lelia Lake Jr. High School athletic department is sponsoring a volleyball tournament at the Lelia Lake gym on March 17-18-19. Entry fees for teams will be \$6. All ages can enter.

Those desiring to enter a team may contact Mrs. Roy Young.

Leader—Local rate, \$3.00 a year

4-H Club Calves Place High At Houston Show

Two Donley County 4-H Club calves were shown in the Houston Fat Stock Show this past week says County Agent H. M. Breedlove. Over five hundred calves were entered in the show. La Jean Harrison Taylor of Hedley placed third with her nine hundred pound Hereford steer and sold him for forty-six cents per pound. Beverly Leathers of Lelia Lake placed seventh with her seven hundred and fifty pound Hereford steer and sold him for forty-five cents per pound.

Breedlove says that 4-H Club steers are going on feed now for next year and he expects to have between twenty-five and thirty steers in the 4-H Club show string of steers. There are already ten steers on feed for next year and the remainder will be put on feed by the first part of April.

Three 4-H Club members have taken money from the profit on steers and are buying registered heifers. Rod Stone of Clarendon has registered Angus heifers; Gene Floyd of Hedley has Herefords and David Mooring and Donnie Mooring of Lelia Lake are fixing to buy some registered Herefords. The registered program for raising registered beef cattle is a good program for a club member and when he finishes his club work he will have some good cattle when he starts out in life, Breedlove concluded.

Former Resident Buried Monday

Funeral services were held Monday at the First Baptist Church in Valley Mills for Mrs. Louise Cowan, daughter of Mr. and Mrs. Clyde Butler of Clarendon. Mrs. Cowan, who was 34 years old, died at Providence Hospital in Waco Saturday night following surgery there. She was born November 25, 1925, at Claude, Texas.

Survivors include the husband, J. R. Cowan, Jr.; a daughter, Katherine Fern, and a son, Jeffrey Roy, of the home in Valley Mills; her parents, Mr. and Mrs. Clyde Butler of Clarendon; a sister, Mrs. Ruth Rhoades of Amarillo and four brothers, Earl Butler and Bill Butler of Borger, Glenn Butler of Claude, and Joe Clyde Butler.

Burial was in the Cemetery at Valley Mills.

Four Candidates In Race For Commissioner

The Leader has been authorized to announce the candidacy of V. P. (Pete) Darnell and Lloyd McCord for the office of City Commissioner which brings the total number of candidates to four. The other candidates are incumbents Oscar Thomas and W. M. Pickering.

The City election will be held April 5th in the City Hall at which time two commissioners will be chosen by local voters.

JUNIOR VOLLEYBALL TOURNAMENT RESULTS

Winners in the Junior Class sponsored Volleyball tournament held last week were as follows: Girls - 1st, Security State Bank, Hedley, team; 2nd, Lelia Lake women; 3rd, Goodman Furniture team; Men's - 1st, Thompson Bros. team; 2nd, Clarendon Veterinary Hospital team; 3rd, Hedley Lumber Co. team. Trophies were awarded to the winners.

The Junior Class has expressed their thanks and appreciation to the 20 firms and individuals who sponsored teams in the tournament and the players who participated; also the mothers who brought sandwiches, cup cakes, candy, etc., for the concession stand.

Science Fair Is Big Success

In spite of weather conditions, the attendance at the annual science fair Friday and Saturday was excellent. The fair was sponsored by the Science Club and the theme was "Keeping America Free."

The judges of the exhibits were Miss Gladys Burnham and Mr. Joe T. Preston, who reported that "The projects were very commendable." Principal Stina Cain stated that the projects were more precise and scientific.

Seven projects, pictures of which may be found in this issue of the Leader, will go to the Amarillo Science Fair. They will be exhibited there March 25th. Only seven exhibits were allowed for the Amarillo show.

First three placings in the fair were as follows: First Grade, Mrs. Batson's room, Mrs. Brandon, Mrs. Mears; second grade teachers combined their projects and received 1st place; third grade, Mrs. Williams, Mrs. Guy.

Fourth grade, individual boys - Doyle Gilbreth, Philip Finch, Mac McClellan; individual girls - Kay Pfeiffer, Mary Barrow, Carolyn Vines; Group boys - Pat Perkins and Monte Lana, Bruce Bratton and Maxey Osborne; Group girls - Jackie Hone, Christina Moore, Carol Chamberlain, Donna Tomlinson; Sandra Lamberson and Sherol Shelton.

Fifth grade, boys - Wes Henson, John Sommers, Herbert Vines; girls - Judy McAnear, Sara Barrow; Group boys - Barry Tyler and Pete Campbell, Michael Lyle and Robert Bell; Group girls - Adele Barnhill and Janice Barnes.

Sixth grade, boys - Ricky Adams, Dwayne Lamberson, Martin Hendrix; girls - Beth Bourland, Judy Ashcraft, Linda DeBord; Group boys - Mel Ryan and David Mooring, Tildon Kirkpatrick, Pat Heath and Lanny Moffet; Sham Thompson and Ray Pinkerton; Group girls - Chris McMurtry and Sherry Shaw, Judy Hicks and Lemmy Neece.

Seventh grade, boys - Bobby Cain, Robert Moss, Cecil Jones; girls - Judy Hon, Regina Borden, Challenga Gray; Group boys - Richard Bell and Barry Hudson, Tommy Waldrop and David McAnear, Douglas Bradshaw and Freddie McAnear; Group girls - Sharon Henson and Lynn Bourland, Karen Hill, Dorothy Richie and Marie Miller, Karilyn Noble and Marilyn Noble.

Eighth grade, boys - Steve Lyle, Stevie Shelton, Rod Stone; girls - Ellen Rodgers, Pat Green, Ann Martin; Group boys - Tmmy Ray and Ronne McAnear, Robert Tolbert and Jimmy Braddock, Ronnie Longan and David Moore; Group girls - Janis Smith, Connie Martin, Deanna McAnear and Jane Hon, Jeannie Gibbs and Mellie McMurtry, Connie Grady and Maudean Self.

Members of the science club and connected with the science fair have expressed their appreciation to Johnny Leathers for his guidance and the help of community organizations and individuals in making the fair a great success. — Ellen Rodgers, reporter.

Former Resident Dies In California

Mrs. J. B. Anthony, a resident here from 1900 to 1924, died February 16 at a Mesa, Calif. She was 85 and had been ill for about two years.

Last rites were in Santa Ana, Calif., where she and her husband lived for many years. He preceded her in death in 1946.

She is survived by three sons, Ross Anthony, Ontario, Calif., J. Foster Anthony, Lubbock and Wade Anthony of Tyler; two daughters, Mrs. Modena Selby, Torrington, Wyo., and Mrs. Virginia Ewing, La Mesa, Calif., 12 grandchildren and 25 great-grandchildren.

Wreath Left In Wrong Place

After watching a television program Saturday night at their home south of town, Mr. and Mrs. C. A. Wright went to their kitchen before retiring for the night. Some very unthoughtful pranksters had left a funeral wreath of pink and white carnations in the middle of their kitchen floor sometime while they were watching the TV program.

Mrs. Wright told local officers she loved flowers and appreciated receiving them, but not from someone's grave. A funeral service had been held that afternoon and the wreath had been identified by the local florist as one prepared for that service.

Such happenings as the above along with numerous incidents being reported regularly can eventually bring about a curfew law that would put a damper on the activities of all our youth.

Former Resident Buried Here Saturday

Funeral services were held Saturday afternoon at the Murphy Memorial Chapel for Wilfred Collinson with Rev. James A. Mock of St. Andrew's Episcopal Church in Amarillo officiating. Mr. Collinson, 68, died Wednesday in El Paso. He had been in business there since 1922. He was a long time resident of Clarendon prior to moving away and was a son of the late Mr. and Mrs. Frank Collinson, former pioneer residents.

Survivors include two brothers, Ralph of Amarillo and Vincent Collinson of El Paso; four sisters, Mrs. Frances McClelland of El Paso, Mrs. A. T. Jefferies of Clarendon, Mrs. George Gettner and Mrs. M. H. Hoge, both of San Francisco.

Pallbearers were Carl H. Adams, Fred Molesworth, Ernest Kent, W. J. Adams, Harold Bugbee and Clarence Bairfield.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Red Cross Membership Drive To Begin

March has been designated "Red Cross Month" by Presidential proclamation and throughout the nation a campaign is under way for members and funds.

Mrs. H. M. Breedlove, Chairman of the Committee for Members and Funds for the Donley County Chapter of the Red Cross, states that the drive will begin next week, and that she is being assisted by volunteer workers all over the county.

Our goal is to make everyone familiar with the services rendered by the Red Cross and to raise money to carry on these services for another year; and to meet the needs in this county it is necessary that we raise \$1,084.00, Mrs. Breedlove says.

While Disaster Relief is the most spectacular of Red Cross services, it is not the largest of the program; both Home Service and the Blood Bank programs require much more time and money, and locally most of our funds are used to assist servicemen, veterans and their families and to provide aid to those in temporary distress.

The Red Cross operates 54 Blood Centers and 100 mobile units that last year collected and processed 2,368,000 pints of blood.

Among other things, 959,000 persons received First Aid Training, and 1,554,300 persons completed training in Water Safety, including lifesaving, swimming, and small craft handling.

Mrs. Breedlove continued, "These are some of the good things that happened when you gave in 1959."

COMANCHE DISTRICT MEETING SLATED

The monthly roundtable meeting of the Comanche District, Adobe Walls Council will be held in the First Christian Church at Wellington Tuesday night, March 15th. All leaders in Cub Scouting and Boy Scouting are urged to attend.

Donley County Leader, \$3 a year in county.

SCIENCE FAIR WINNERS

Judy Greene and Leanne Risley, 6th grade students, will exhibit the development of a chicken embryo at the Amarillo Science Fair March 25th.

Lynn Bourland and Sharon Henson, 7th grade students will exhibit a smoke and dust precipitator at the Amarillo Science Fair March 25th.

SCIENCE FAIR WINNERS

Two of the fourth grade boys will exhibit an Electromagnet Crane in the Science Fair in Amarillo March 25. These boys are Monte Land and Pat Perkins.

Two of the girls in the 6th grade will display two parts of the body, "The Heart and the Eye" at the Amarillo Science Fair. These girls are Chris McMurtry and Sherry Shaw.

Mrs. Bill Porter shopped in Amarillo Monday.

Grass Roots Opinion Norwalk, Conn., Hour: "There is inherent in a \$70 to \$80 billion annual spending program much duplication, waste, inefficiency and irresponsible fiscal over-

seeing . . . Domestic tax consumers are far more ravenous than those in distant lands, and until Congress

again assumes the responsibility to oversee the spending of every dollar flowing from Washington, there can not be an honest approach to fiscal sanity in the nation's capital."

Donley County Soil Conservation District News

W. P. Doherty C. B. Morris
T. C. D'Spain Roy Jewell
Frank Hommel

Charley Williams, Fontayne Moore, George Bulman, D. E. Leathers, Slaton Mahaffey, and Forrest Sawyer are some of the Donley County SCD cooperators

who have seeded some old cropland back to grass this winter. With the seed and moisture now in the ground, these people stand an excellent chance of getting a good stand of grass this spring.

It is better to get grass seeded during the winter. The seed must go through a dormant period before germinating. If they are kept in a warehouse all winter where they will stay warm, they may never go through the dormant period. If they are put

into the ground, and subjected to cold weather and snow, they will be more likely to germinate in the spring. This will help chances of getting a good stand. We still have several weeks of cold weather ahead so its not too late to seed grass.

The Donley County SCD has available to its cooperators five grass seed drills. These drills are spread out over the District to make them more available to everyone. If you're interested in using one, you can find one at the following places:

Ashtola, Horace Green; Alarreed, T. C. D'Spain; Hedley, W. P. Doherty and Hedley FFA; Clarendon & Lelia Lake, Ed Dishman.

The Soil Conservation Service men who help the Donley County Soil Conservation District cooperators will help you decide on the best grass to plant and help you to set the grass seed drill to put out the right amount of seed.

Donley County SCD is fortunate in having the Great Plains Conservation Program in operation here. It makes funds available for conservation cost sharing in addition to the yearly allotment through the ACP. This allows a speed up of conservation work for those who have a lot to do in any one year.

There is much interest in this program so far. To date there are twenty-five GPCP contracts in the SCD and several more are being planned. Much progress has been made in the Donley County SCD through the GPCP.

Shortage of funds is anticipated between now and July 1 to take care of new contracts. Therefore, contracts applied for in the near future may have to wait on

receipt of more funds at the beginning of the fiscal year.

For more information concerning help under the GPCP, contact the Soil Conservation Service assisting Donley County SCD in Clarendon.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

Hats Off To Senator "Tawm"

Former Senator Tom Connally gave certain proof the other day that he has lost none of his ability and wit in debate. He wrote a letter to Senator J. W. Fulbright (D-Ark.), Chairman of the Senate Foreign Relations Committee, advising the Committee that the proposed repeal of the "Connally Amendment" would be most unwise. He branded the move to support repeal of that Amendment as a propaganda device designed to "win an international popularity contest."

Under the Connally Amendment, which gets its name from Senator Connally, the United States reserves the right to determine whether or not the International Court of Justice, referred to commonly as the "world court", has jurisdiction in any case which this country claims is a case of domestic jurisdiction. In other words the United States reserved the right to say to the world court this or that particular case is essentially within the domestic jurisdiction of the United States, therefore you do not have jurisdiction. Many writers call this a veto power over the jurisdiction of the Court of International Justice. I do not agree with that contention, but on the contrary, I feel this country is deeply indebted to Senator Tom

Connally for the great vision and foresight which he exhibited in attaching his Amendment to the 1946 Senate Resolution subjecting this country to compulsory jurisdiction of the court in 4 classes of cases. History has again proven that Senator Tom Connally will be marked as one of the great patriots of our time—a man of ability, integrity and foresight.

The great debate as to whether or not this country should give up the right to determine whether the International Court has jurisdiction in any case which this country says is a matter of domestic jurisdiction, rose out of the proposal by Senator Humphrey (D-Minn.) to repeal the Connally Amendment. President Eisenhower has requested repeal of the Connally Amendment and is, therefore, in support of Senator Humphrey's attempt to repeal this veto power. Vice President Nixon is also supporting the Humphrey resolution.

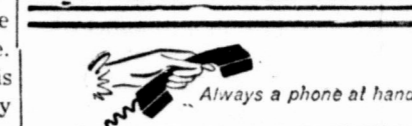

It would be most interesting to hear the debate in the Senate if Tom Connally was still a member of that Body. I feel that he had no peer as a master in debate. One of the best examples of his ability to cope with an adversary is the occasion when he told one of his colleagues who had been talking a long time without saying very much, the following: "If the gentleman would approach these problems with an open mind instead of an open mouth, he would be much more effective."

Another controversial matter in which the President will, undoubtedly, encounter much opposition is his recommendation in his Budget Message for repeal of the provision of the National Defense Education Act that prohibits payments or loans being

made to any individual unless he executes an affidavit that he does not believe in or belong to any organization that teaches the illegal overthrow of the Government. The President said "This affidavit requirement is unwarranted and justifiably resented by a large part of our educational community which feels that it is being singled out for this requirement." With this statement I disagree. Candidates for public office are required to sign a loyalty oath, and rightfully should be. A person going to school on borrowed taxpayers' money should not hesitate to declare his loyalty to the country which provides that money.

Undoubtedly True
In a recent Congressional hearing, a witness vigorously opposed a project involving some irri-

gation water for an area noted for its ability to grow fine hay. He was asked by one of the committee members why he opposed projects designed to provide food for this country. His answer, "Because the people in my state don't eat hay."

Another alert member of the committee observed to me that there were times in the lives of all of us when hay would be an appropriate diet.

Don't take the detour to eternity to save time.

A few minutes late, a few years in the hospital.

ANNOUNCING...TWO NEW-SIZE WAGON WONDERS!

AMERICA'S LOWEST-PRICED 6-PASSENGER STATION WAGONS

The new Tudor and Ford Falcon Wagons—sixth and seventh wonders of the Ford wagon world

THE NEW FORD FALCON WAGONS

COME SEE ALL SEVEN WONDERS OF THE WAGON WONDERLAND FROM

FORD AMERICA'S WAGON SPECIALISTS

PALMER MOTOR COMPANY
CLARENDON, TEXAS

America's station wagon specialists complete the world's largest wagon family with TWO NEW-SIZE wagons. They're Falcons in size and savings—and full-fledged Ford wagon wonders when it comes to work! With 2 feet less car to manage, you're a genius at solving traffic problems—a past master at parking.

Falcon Wagons are priced up to \$154 less than other 6-passenger compact wagons. The 2-door model is America's lowest-priced 6-passenger wagon.*

Falcon gives the best gas mileage of any American-built wagon, on regular fuel. You can go up to 30 miles on a gallon of gasoline! You get other Falcon savings, too. Repairs cost less. Change oil only once in 4,000 miles. And the Falcon's aluminized muffler normally lasts twice as long as the ordinary kind.

Longest load floor in the compact field is yours in a Falcon. It's over 7 ft. long, with cargo space totaling more than 76 cubic feet!

Full-six-passenger room, too, because Falcon Wagons are built for people. There's room for hats, hips and legs. Come see these newest wonders from the Ford wagon world! FORD DIVISION, Ford Motor Company.

all from being done seems to be the aim of the filibuster in the Senate. Looking at it the other way, one side can win the fight by just seeing to it that nothing is done but talking.

Not understanding fully the many delaying aspects of the filibuster has made it all the more interesting to us lately. To know just what our founding fathers had in mind when they so framed the rules of procedure that a minority, even one man, could hold out until measures were taken to stop him by gag rules. And it seems that few want to use these rules.

We know that in a democracy we believe that the majority should rule. We also know that sometimes the masses get moving in a certain direction and sort of lose sight of some of the great principles of right and wrong. In this latter case we can see that a great crusader, or a small group might do a good service to the country by delaying things until everyone had time to stop and consider.

In the meantime, people will sleep, people will talk, some will even think, another few will even pray for God's guidance. In the end, something will be decided either to change or stay as we are. We all can help by thinking clearly, working honestly, pray-

ing hopefully that the answer will be the right one for the good of our wonderful country.

Public Schools Week seems like about the best time for each of us to sort of speak our piece about the school situation. Better still, it is the time when we ought to wake up to our responsibilities by getting behind a good sound practical program that will keep our future children equal to, and ahead of the children from other countries.

It seems that some 10 to 20 years back just about everyone decided that our education system was out-dated and we needed an outbreak of changes and over-hauling. Just about everything was thrown out the window including the 3R's and the paddle. Some of this revolution was good and other parts can only be called experience.

At least it has taught us one thing and that is that we need to face up to the situation. We needed more than just an era of change. We need years of sound thinking and planning. Higher salaries and bond issues alone won't do the job. It is going to take our facing up to this job as being the most important, and the most expensive of any public responsibility which we have.

In the meantime we take off our hats to the many faithful and dedicated teachers who through all these years have given their best, regardless of pay, to doing a devoted job teaching our children. The following poem seems to say what we mean. It is called OPPORTUNITY;

I took a piece of living clay,
And gently formed it day by day;
And molded it with power and art,
A young boy's soft and yielding heart.

I came again when years were gone,
It was a man I looked upon;
He still the early impress wore,
And I could change him

never more.

So, to the many wonderful teachers who do their best we say a big Thank You.

The Drouth is something that most of us have already just about forgotten. Even when Cotton John talks about the Golden Spread we catch ourselves thinking in terms of golden grains of wheat rather than gritty, cutting grains of drifting, blowing sand. Just to refresh our short memories here are a few of the stories of the terrible thirties.

One fellow remarked that it wasn't as dry this year as last because then he and his family could eat three acres of corn at one sitting down.

Along the highway a farmer was stopped by the cop and asked; "How much you got on that truck?"

"Over three hundred acres," replied the farmer.

During the drouth a Texan was traveling in another state. On one of his stops for gas in one of the hardest hit districts in that state he got the following information;

"Why you fellows over in Texas don't know nothin' bout dry weather. For instance it hasn't rained here in so long that the grass is so short that even the grasshoppers take their lunch a-long."

No, it is doubtful if those of us who actually farmed back in the thirties will ever forget. Back when the old saying about this being the best "Next year country" in the world was originated. Honestly though there was some sweet with the bitter, we can't remember the bad times without thinking of the good neighbors, and how we did depend on each other.

Trouble can be gotten into without going to much trouble.

It is often wiser to go around trouble than to try and go through it.

Folks who are ready to help you get into trouble are seldom around to help you out. Many times even grown-ups feel that they must go along with the crowd even if it means doing things that will lead to trouble. Small wonder our young people have this same feeling much of the time. So many times we had rather risk trouble than risk being criticized by our friends.

Probably the thing that gets us into the most trouble is our tongue. It is a small thing but being in the slippery place that it is there is always a fear that it will cause us trouble.

If we start looking for trouble we have already found it.

Getting into trouble is like

coasting downhill. Getting out is like climbing the tallest tree. Then, after we have gotten out of the immediate difficulty we still have our conscience to reckon with.

The easiest way to get into trouble is to take the easy way.

Here's A Good Value

For less than 3¢ the average family served by WTU can cook a complete meal the modern electric way . . . and enjoy the cleanliness and convenience of Electric Living.

"Who owns the electric company?"

"Here's who—"

The answer is that thousands of people own it. People like you, people who invest money in the electric company and help it grow. They become an investor . . . this is the reason we are known as an investor-owned company.

It is a good question—especially since surveys show a lot of our own customers don't know the answer.

This electric company is not owned by the city. It is not owned by the state. It is not owned by any kind of government agency or co-op. It is owned by investors.

This is one of the reasons why we can give you the best possible service and just about the best bargain you can buy.

West Texas Utilities Company an investor-owned company

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — With an eye on the growing cost of government and need for new taxes, a committee from the Texas Senate has launched an economy study. Overall state budget for the present two-year spending period is \$328,000,000 more than for the previous two-year period. It was an increase of about 11 per cent. There is every indication that the next Legislature will be faced with demands to raise salaries and expand and improve state services in approximately the same proportion. Some of the cost increase is attributed to sheer quantity. With Texas population increasing an estimated 26 per cent from 1950-60, there are more youngsters to educate, more patients for state hospitals, more cars wearing out the roads. More significantly, the percentages of oldsters and youngsters is increasing faster than the percentage of middle-aged people. Older and younger people generally up revenue needs—for welfare benefits and schooling—but contribute less in taxes than income-earning middle-agers. Some of the increase in costs results from a drive from quality—better schools, hospitals and highways. With undeniable money needs so great, the Senate committee was set up to seek out any indications of extravagance or waste and "see if we are getting our dollar's worth for the money

we're spending." As a starter, the committee, headed by Sen. Ray Roberts of McKinney, agreed to hold its own expenses to the bare minimum. **BRIDGES TOO LOW** — State Highway Department Engineers are faced with the task of re-designing bridges for the interstate highways to conform with a U.S. Defense Department requirement for a 16-foot clearance. Texas has 254 bridges in the interstate system which do not meet the newly announced overhead clearance requirement. U.S. Bureau of Public Roads, which works with the Highway Department in planning the joint federal and state road system, has specified only a 14.5 foot clearance. Bridges cost approximately \$140,000 apiece, and re-designing to meet the new standards would cost about 55 per cent of the original cost. By-passes for transport of missiles and other defense equipment are being considered. **MARATHON WATER HEARING** —When the subject is water development, Texans always seem to have a few million well-chosen words to exchange. Hearing before the State Water Board over whether Houston and the Trinity River Authority shall receive a permit to build a new Trinity reservoir is one of the longest ever held. It has been in progress off and on since November.

Main opponent is the San Jacinto River Authority which wants Houston to use its money developing the San Jacinto rather than the Trinity. SJRA witnesses contend the Trinity water will be inadequate in amount and unsuitable for domestic use. **OIL FLOW CUT** — Texas Railroad Commission set the March oil allowable at 2,900,568 barrels a day. This is 120,498 barrels a day less than the February allowable. It continues February's 10-day production pattern. Most of the industry testimony before the Commission was gloomy. There is an oversupply of oil now, said some spokesmen, and another month of over-production would be "disastrous." **CITIES DUE RECOGNITION** — Cities of Harlingen and West University Place (Harris Co.) are to receive awards for their water and sewage plants on March 2. Dr. J. E. Peavy, State Health Commissioner, will present cups to representatives of the cities at a banquet sponsored by the Texas Water and Sewage Works Association. Harlingen will be recognized for have the "most attractive water treatment plant in the state" and West University Place for the "most attractive sewerage treatment plant." Presentation will be made during a short course for city water and sewage plant personnel to be held Feb. 28 to March 5 at Texas A&M College. **CARE FOR OLDSTERS** — Texas' need for more mental hospital spare has focused attention on the number of state mental hospital beds occupied by persons not mentally ill. In a talk before the Texas Association for Mental Health, Gov. Price Daniel said, "One of our toughest problems now involves those 5,000 hospital patients

whose only illness is advanced age. "Senility is not insanity," said the governor, "and a concerted effort must be made to enable these aged citizens to be cared for in nursing homes or in their own homes." State Hospital Board Chairman French Robertson called it "a sad thing that people send their old people to mental hospitals when they don't want to take care of them." **PATROL EXAMS SET** — Young men between 21 and 35 years of age will have an opportunity in April to seek admission to one of the nation's most highly regarded law enforcement agencies. Col. Homer Garrison Jr., Director of the Department of Public Safety, announced that entrance examinations will be given April 12, 13 and 14 for candidates for the State Highway Patrol. Applicants must be high school graduates, in good physical condition and of high moral character. They must be not less than 68 inches nor more than 76 inches tall and weigh not less than two pounds nor more than three pounds per inch of height. Applicants should contact regional or district DPS offices or write the Texas Department of Public Safety, Austin. **GAS HIKE OKAYED** — Texas Railroad Commission has granted Lone Star Gas Co. permission to raise its rates from 30 cents to 35.4 cents per 1,000 cubic feet. Lone Star, which sells to 328 Texas cities, had asked for an increase to 40 cents.

Twenty-eight cities vigorously opposed the company's request, keeping the matter in heated controversy before the Commission for more than a year. **NO COMPETITION** — Several legislative races have been "won" without a shot fired. Texas Legislative Service reports 20 announced candidates for legislative posts have withdrawn. Check your walking habits and take steps to keep living!

Tax-Man Sam Sez: In country towns everybody knows the Postmaster is Uncle Sam. (He just doesn't wear whiskers and striped pants.) Most country Postmasters carry tax forms to take care of uncle's business. In the big cities, however, taxpayers went to the Internal Revenue office, wrote a letter, or called on the phone to get the returns. Our city cousins have been happy to find a tax table

in the postal sub-station this year. Maybe this tax forms business has gone suburbia. Our country post offices have carried income tax forms during the filing season for years. When the Queen of England makes a royal tour the expense is borne by the host country, if a dominion, or by Britain, if a colony. This procedure was established by King George V in 1927.

GAMMA KAPPA CHAPTER MEETS IN MEMPHIS

Gamma Kappa Chapter of Delta Kappa Gamma Society met in the Travis School Cafeterium in Memphis, Texas, March 5, 1960. The meeting was called to order by Mrs. Velma Weaver, the President of Gamma Kappa Chapter. The program was a "Show and Tell" affair. Miss Mary Foreman, Program Chairman, introduced Mrs. Carrie Belle King, leader of the panel. The subject being "Utilization of New Discoveries as Teaching Media." The topic, "Now There's An Idea," was discussed by Miss Esta McElrath. Mrs. Brunetta Morris discussed "Cameras in the Schoolroom." Mrs. Nebe Stroehle demonstrated the use of the tape recorder in the classroom. The three ladies are members from Memphis. "Audio-Visual Media" was an important part of the afternoon program. Each member present displayed several teaching aids she had made and found helpful in the schoolroom. There were exhibits in the fields of art, arithmetic, crafts, English, history, homemaking, music, reading, spelling, and charts for homeroom activities. Instruction sheets were given those present by the members preparing the exhibit. Delicious refreshments of ribbon sandwiches, sweet pickles, cookies, nuts and coffee were served. Members from Clarendon attending and participating in the program exhibit were Mrs. Faye Jackson, Miss Ruth Richerson and Mrs. Velma Weaver. Mr. and Mrs. S. P. Murray of Amarillo visited Saturday in the home of Mr. and Mrs. Roy Crutchfield and Janet.

Mr. and Mrs. S. P. Murray of Amarillo visited Saturday in the home of Mr. and Mrs. Roy Crutchfield and Janet.

MIDWAY CLUB HOLDS MEETING

A wonderful day and lunch was enjoyed in the home of Louise Riley March 3rd by Lillie Mae Carmichael, Bobbie Dishman, Lucille Eanes, Marjouria Hensley, Loyd Hillis, Jewel Myers, Allie Quattlebaum, Leona Scott, Pearl Terry, Eddie Williams, Katie Bell Wells, and son, Terry, Ellen Moreland, coming in the afternoon and the hostess. A beautiful dutch doll quilt was finished. Our next meeting will be with Beulah Sanders in the home of Jewel Myers. That will be the day to exchange pollyanna gifts. Don't forget yours. — Rep.

MOTHERS STUDY CLUB HOLDS MEETING

Mothers Study Club met Tuesday night at Patching Club House. Hostesses were Patsy Robertson and Bobbie Floyd. During the business session plans were made for a Bake Sale to be held Friday, March 18. Refreshments were served to Doris Salmon, Jeannie Johnson, Ruth Lewis, Patsy Hill, Joan Kidd, Jacquita Owens, and one guest, Joanne Pointer, by the hostesses, Patsy Robertson and Bobbie Floyd. — Rep.

DINNER PARTY

Mr. and Mrs. D. E. Leathers were hosts to a number of friends Friday evening when they entertained with a dinner party. Games of "42" were enjoyed by Mr. and Mrs. George Benson, Mr. and Mrs. Van Kennedy, Mr. and Mrs. J. R. Brandon, Mr. and Mrs. Oscar Thomas, Mr. and Mrs. Roy Blackman and the hosts, Mr. and Mrs. Leathers.

Mr. and Mrs. Earl Widener and Keith of Plainview were week end guests in the home of Mr. and Mrs. Pete Borden and Regina.

BIRTHDAY BREAKFAST

Mrs. R. C. Hill and Mrs. Billy Hill entertained Kirk Doshier with a birthday breakfast at the R. C. Hill home Sunday morning. Attending were the honoree, Mr. and Mrs. R. C. Hill and Mr. and Mrs. Billy Hill.

FARM NEWS

from the County ASC Committee

Cotton Acreage "Release" Date Nears

Cotton growers were reminded of the importance of either using or releasing their cotton allotments this year in order to prevent reduced allotments for future years.

According to Mr. Cooke, Chairman, Donley County Agricultural Stabilization and Conservation Committee, the 1961 cotton allotment for a farm will be reduced if certain conditions are not met in 1960. So a farmer who knows that he will not plant at least 75% of his farm's cotton allotment in 1960 can help himself and also other cotton farmers by releasing his allotment before the deadline. This will assure him, as well as the county and state, of history for future allotments.

Under a recent amendment to the law, Mr. Cooke explains, the 1960 allotment is required to be used as the farm's allotment base in determining the 1961 cotton allotment if at least 75% of the farm's 1960 allotment is planted or "regarded as planted." Otherwise, the base for determining a future allotment will be reduced to the average of (1) the regular Choice (A) Allotment for the year, and (2) the acreage planted or "regarded as planted" in that year.

(Acreage may be "regarded as planted" if it is released to the County ASC Committee or if it is included under the Conservation Reserve or Great Plains Program.)

In order to fully protect the allotment base for the farm's 1961 and future cotton allotments, therefore, the farmer should (1) plant at least 75 per cent of the 1960 allotment to cotton, (2) release at least 75 per cent of the allotment to the ASC County

Committee, or (3) include at least 75 per cent of the allotment acres in the Conservation Reserve; or (4) use a total acreage equal to at least 75 per cent of the farm's 1960 cotton allotment in all of these three ways together.

Any cotton farmer in the county who now knows that his allotment will not be planted this year should visit the local ASC office immediately to discuss how the new provisions of law apply to his farm.

Mr. Cooke also points out that March 15th is another important deadline — the last day for farm operators to elect the Choice (B) allotment price support program for their farm's 1960 upland cotton crop. The Choice (B) program provides an allotment 40 per cent larger and price support at 15 per cent of parity less than under the "regular" Choice (A) program.

Farmers May Redeem Price-Support Grains

With Maturity dates approaching for a number of grains which are under price support in this

THE LIVING IS EASY—Designed with the busy young career lady (executive class) in mind, this living-sleeping area by Fred V. Gerstel, AID for New York's Washington Square Village keeps "compactness" of foremost importance. Lots and lots of space for plants, books, photographs and magazines. The color scheme is a delicate blending of lilac, lavender and deep purple—carried out in the exciting yet restful cotton print which covers one wall and melts into draw draperies and soft cushions on the sleeper-couch.

GRASSROOTS OPINION

Clarissa, Minn., Independent: "The German Social Democrats, the foster parent of all Socialist parties, repudiated the Communist Manifesto as out of step with modern times and accepted private enterprise and a free competitive market as the more desirable system in the modern world. The decision taken by a vote of 324 to 16 at an extraordinary party congress, may well be a historic turning point and effect socialist if not communist thinking everywhere."

We would like to take this means to thank each and every one for the many gifts and kind things you have done for us since our misfortune. We appreciate everything you did from the bottom of our hearts.

J. T. (Red) Hill Family

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts.

The family of Mrs. J. T. Gunn

I wish to thank all my friends and neighbors for your many kind deeds, flowers, cards, visits and other thoughtfulness during my illness and stay in the hospital. May God bless each of you.

Mrs. O. R. Morgan.

HIGHLIGHTS and SIDELIGHTS FROM THE STATE CAPITOL

AUSTIN — We may have a muddy spring this year... but will there be enough water for Texans in 2010?

This is not a fantastic question, but one that Texas' state and local officials, engineers and water planners are grappling with now. Out of their efforts come these items of news and views:

- Gov. Price Daniel told a farm convention in Austin that Texas has made great progress in statewide water management in the past three years. But, he said, "much more remains to be done."
- Water planning and development, said the governor, is essential to the state's growth and prosperity in the years ahead.
- A series of three meetings will be held during March along the Colorado River and its tributaries to discuss water needs of those areas for the next 50 years.
- Meetings will be held in conjunction with the U.S. Commission studying Texas' major river basins. They will be in Wharton March 8; Big Spring, March 15; and Austin, March 17. Colorado River Industrial Development Association (CRIDA) will sponsor the Austin and Wharton meetings, and the West Texas Chamber of Commerce the Big Spring Meeting.
- State Board of Water Engineers called for a "time out" until March 8 on the longest-ever water hearing. At issue in the hearings which began Nov. 2 is whether the Trinity River Authority and City of Houston shall be granted permits to build two downstream reservoirs on the Trinity.

Water Board, apparently getting short on patience, advised opponents to get together and solve their problems cooperatively. Hearing has been given to long, bitter arguments and frequent flare-ups among participants.

San Jacinto River Authority has been chief objector to granting of the permits. SJRA contends that Houston will shortly need more water for domestic use but that Trinity water, because it contains sewage from Dallas and Fort Worth, is not suitable. San Jacinto officials say Houston should work with SJRA to meet the city's domestic water needs.

In the far-ranging testimony, water engineers discussed the probable water needs of Houston, Dallas and Fort Worth in 2010, and the possibility that Texas might be subjected before 2010 to a drought worse than that of 1950-57.

Texas is losing the battle for industry because of inadequate water supply, the director of UT's Balcones Research Center told an Austin meeting.

"Central Texas is in good shape," said Dr. J. Neils Thompson, "but the rest of the state is in sorry shape."

Texas has an average annual rainfall of 27 inches compared to an average of 30 inches for the U.S. as a whole, said Dr. Walter Moore, also a UT engineer. But he said Texas has a special problem — an evaporation rate 50 to 100 per cent higher than for the U.S. as a whole.

AUTO DEATHS DROP — Texas had an "almost sensational" 28 per cent drop in traffic deaths in the first seven weeks of the year, Governor Daniel announced.

This is the period since the new Safe Driving Auto Insurance Plan went into effect.

There were 69 fewer deaths during the first seven weeks of this year than during the same period in 1959. Drop was from 243 deaths in 1959 to 174 this year.

Board of Insurance Chairman Penn J. Jackson said he felt the new insurance rates, which are higher for careless drivers, were

due at least a portion of the credit for the improved safety record.

Conclusive evidence, both the governor and insurance board chairman agreed, would have to await more time and statistics.

INDUSTRY SEEKERS NAMED — Nine men have been named by Governor Daniel to the new, enlarged Texas Industrial Commission.

He also gave them as their 1960 assignment the gaining of 254 new industries for Texas — one for each county.

Members of the old three-member Industrial Commission were appointed to the new board. They are E. B. Germany, Dallas; Houston H. San Angelo; and Chester H. Wine, Laredo.

New members are Robert F. Haynsworth, El Paso; Ray H. Horton, Houston; Morris Higley, Childress; Richard H. LeTourneau, Longview; James A. Redmond, Beaumont; and Al H. Chesser, Austin.

FISH FOR FARMERS QUESTIONED — A House of Representatives committee looking for ways to save tax money quizzed spokesmen of the Game and Fish Commission on its fish and quail re-stocking programs.

Committee members questioned whether the Commission should give out free young fish raised in the state hatcheries. They go to farmers and others to stock tanks.

A Commission official said the little fish cost the state about 1.5 cents each to raise.

Legislators also considered at length the Commission's quail hatching operation near Tyler. Quail, it was brought out, cost about 69 cents each to raise, are sold to landowners for game re-stocking at 50 cents apiece.

POLIO OUTBREAKS FORESEEN — State Health Department predicts a rise in the number of polio cases in the spring months ahead.

Most of the victims, said the Department, will be among those who have not taken advantage of polio shots.

Last year's record shows that three out of four polio victims had not had any vaccine and 9 out of 10 had not had all the recommended series.

Texas had 526 cases of polio last year, approximately 13 per cent of the 3,984 cases recorded in 1952 before Salk vaccine.

A Health Department official deplored parents who, "in the face of almost daily urgings, ignore the chance of giving their youngsters an infinitely better chance to escape polio."

El Dorado, Kans., Times: "Turkey is a good ally of the United States. Her foreign policy has the virtues of steadiness and reliability . . .

"But in some respects Turkey is moving toward despotism. Its press law of 1954 set up a special 'press court' before which editors can be haled to be punished for printing what 'belittles' the government of Prime Minister Menderes or otherwise offends the politicians in power. More than 200 newsmen have been jailed . . .

"Can an ally that suppresses freedom of the press be a dependable ally?"

Lambertville, N.J., Beacon: "There is a sizable group in this state and in the nation who believe that the only way a political candidate or a party can win at the polls is to espouse the so-called liberal way of life.

"If that term needs more definitions, we would say that the modern liberal is one who wants more and bigger governments, more bureaucrats . . . and more inflation."

GEORGE'S WIFE

By "Sarah"

This morning while making old fashioned sugar cookies for George, who frowns on ready-mixed foods of any kind, we were reminded of sounds from our childhood, when we scrapped the dough board with the biscuit cutter.

While snuggled up warm in our bed we waited for these sounds, and knew just when breakfast was ready.

The first sounds we heard would be Dad shaking the grate in the sittin' room heater, build a roaring fire, then follow the same procedure in the cook stove. There would be silence for a while, Mother was dressing while the house warmed. Then, together they made breakfast. Dad sliced the bacon or ham, which hung in the smoke house or salted down in a huge wooden box. He also made the coffee and put the oat meal in the double boiler to simmer and keep warm for late comers, if we dared . . . Mother made the biscuits, and set the table. When we heard that biscuit cutter scraping the dough board, we could tell the mood for the day ahead. If the motion was fast, it was probably wash day or something, there better not be much delay in dressing or getting to the table. If the motion was slow and quiet like we knew the day would be a lazy, un-hurried day for the kids.

If we ignored all these sounds and went back to sleep, soon Dad would come to the head of the stairs and holler, Bob, breakfast. Why this one brother was always called, we never found out since there were eight of us up there. He was neither the youngest or oldest.

We were served hot biscuits for breakfast almost every morning on our last trip. Imagine

FOR RENT — Bedrooms near main street. Phone TR 4-3478. (1-tfc)

FOR RENT — Furnished apartment, conveniently located to both schools. Bills paid. Mrs. Melvin W. Cook, 715 West 8th Street. Phone 470-M. (50tfc)

George's face after complimenting the lady of the house each time on her wonderful cooking, to find out they were canned biscuits.

We just might try ready-mixed cookies next time . . . after he has had time to forget this last doublecross.

THAT JAM JAR

The President forecasts a \$4.4 billion budget surplus for the coming fiscal year, and urges that it be used to reduce the national debt.

This, if it happens, will be good news indeed after so many years when big deficits were the rule. But it is not going to happen automatically. Indeed, going by the views and statements of some members of Congress, there is grave doubt if it will happen at all.

As one observer put it, the big-spenders in Congress "eye a \$4.4 billion surplus the way a small boy eyes a jam jar in the pantry." They want to spend it on more "do good" and welfare state programs, including programs which socialize taxpaying business and make swollen budgets inevitable.

The President can propose a budget, but only Congress can make it into law. If the big spenders have their way, the expected surplus will disappear, there may very well be another deficit, and hope for either debt or tax reduction will go glimmering.

HEDLEY NEWS

Mabel Bridges

Bitter cold weather has left some without water because of frozen pipes. Old timers say we are having a normal winter for the Panhandle. Uncle Frank Kendall can remember when every winter was a bad one. Seems we have had so many mild winters we have forgotten how cold it can get in the Panhandle. This weather is real winter!

Mrs. Anna Mae Riddle of Amarillo spent a few days with her parents, Mr. and Mrs. Walter McCracken, while convalescing after surgery on her foot.

The Sonny Myers family of Dallas were recent visitors in the home of his father, the Johnny Myers family.

Mr. and Mrs. R. M. Bradley and daughter spent the week end in Amarillo with their son and brother, the Dale Bradley family. Little Miss Ronda Bradley returned home with her grandparents for a visit.

Mr. and Mrs. Don Hansard of Borger announce the arrival of a fine little son Feb. 28, weighed 8 lbs., 2 oz., named Michael Leslie. Hedley grandparents are Mr. and Mrs. Wayne Hansard and

Leslie Baker.

The 1919 Study Club met Wednesday, Feb. 24 in the home of Mrs. Herlie Moreman with Mesdames F. Kendall and Leona Taylor as co-hostesses.

A very interesting program on "Our Heritage" was rendered by Mrs. Mary Harris on the subject, "Camp Meetings in Texas," and Mrs. Alva Simmons on "Camp Meeting Songs."

Lovely refreshments were served to Mesdames Roy Jawell, Mary Harris, J. S. Tipton, Ethel Kinslow and Alva Simmons. Bad weather prevented others from attending.

On the sick list are Mrs. Ed Morton and Forest, and Slats DeBird, victims of the flu.

Mr. and Mrs. Bill Clay returned home after several days in a Memphis hospital.

Mr. and Mrs. Roy Jewell made a business trip to Amarillo Monday.

Mr. and Mrs. C. L. Johnson spent Monday night in Matador with Mr. and Mrs. Chas. Johnson and children. Clifford will appear on the Legion program there.

Mr. and Mrs. Hiarum Crawford of Memphis visited Mr. and Mrs. Hobart Moffitt Sunday.

The Sodalitas Club entertained the clubs of Hedley and guests Thursday, March 3rd, at the school lunchroom. A Texas Day

program was enjoyed by guests. Club members on the program were Ida Lou Dickson, Mildred Shaw, Sue Weatherly, Arlene Thompson and Mary Ruth White, in a Spanish serenade. V. Latimer and Denese Talley did a Spanish dance. Group singing of Texas songs concluded the program.

Tables were beautifully decorated to carry out the Spanish theme. Members and guests wore colorful Spanish costumes. Seniors and Senoritas enjoyed a delicious salad supper.

Due to weather, several were unable to be present. About 40 guests attended and reported an enjoyable evening.

Rodney Hargrover has been made circulation manager of the Childless Index. Congratulations to Rodney.

Bill Wiggins, senior of Hedley High School and a guard on the Hedley Owls bi-district championship basketball team, was named to the All-State Team.

ASHTOLA NEWS

W. O. Mooring made a business trip to Comanche Monday and Tuesday.

GABIE BETTS BURTON LIBRARY NOTES

EDITH BARNES

A memorial fund has been given in memory of Mrs. Mary Colville, aunt of Edgar Mae and

Mabel Mongole.

I am sure a lot of you have seen our beautiful new "Library" sign. Mr. Homer Taylor gave it to the library plus new shelf markers. Thank you so much from all of us!

There is a treat for you arm chair travelers in Alan Moorehead's "No Room in the Ark." Who ever said that it is the next best thing to a safari was more than right. It is not only a well-written book by an author who has been to Africa several times but by some process he takes his readers right along with him. It is illustrated with some beautiful photographs. I don't know why some of the writers about Africa seem to work at making their books dull but Alan Moorehead is not one of them and he presents his case; the preservation of what is left of Africa's wild animals, brilliantly.

By stretching things you might call Alex Atkinson and Ronald Searle's "By Rocking-Chair Across America" a travel book. A clue to what the reader is letting himself in for is in the Introductory Note: "Too many books about the United States are written by men who have spent only a few weeks in the Country. This one is different it is by a man who has never been there in his life." From that the reader knows some of our habits and customs are going to catch it and they do.

Seymour Kern has dedicated his book "The Golden Scalpel" to those gentlemen of medicine who have kept the Oath (Hippocratic), then he wades in and pulls no punches in writing about those Doctors who violate that Oath. He says that medical organizations will attack his book. Probably not, it does not seem to need any added publicity to make folks eager to read it. It was not published until 1960 yet it has already gone into its second printing.

Remember this year's National Library Week is stressing teenage reading.

In harvesting flax for use in making linen, the plants are pulled instead of cut because the fibers extend below the ground into the roots.

Borger Rites Held For Robert Martin

Services were held Saturday, February 27, at the Wesley Methodist Church for Robert E. Martin, 74, former Donley County resident, with the Rev. O. A. McBrayer, pastor, officiating.

A retired farmer, Mr. Martin died Thursday at the home of a daughter, Mrs. Merle Pitts, 4608 Bowie, Borger. He was born December 5, 1885, in Tennessee.

Survivors include three sons, James Martin of Pampa, Douglas Martin of Wichita Falls and Ford Martin of Borger; five daughters, Mrs. Merle Pitts of Amarillo, Mrs. Eulalah Howell of Hereford, Mrs. Ruth Blanks, Mrs. Bessie Blanks and Mrs. Bonnie Davis all of Borger; 16 grandchildren and four great grandchildren.

Mrs. N. R. Hutton and Gayla Sue attended funeral services for Roy Marler in Flomont Saturday.

Bailey Estes and Mrs. J. R. Cowan attended funeral services for Mrs. Louise Cowan in Valley Mills Monday.

Grand Jury Returns Three Indictments

A Donley County Grand Jury met Monday of this week and returned three indictments.

Johnny Samora was indicted for forgery; Bobby Gene Willett and Jesse McDearmon were both indicted for cattle theft.

Sheriff Bill Cornell stated that a number of other robberies involving welding equipment, posts, wire, etc., had been cleared up and that Willett and McDearmon would probably be involved in these incidents also.

ATTENDS MUSIC WORKSHOP WEDNESDAY

Miss Mantie Graves attended the piano teacher's workshop held by Richard Chronister at Amarillo Wednesday. Mr. Chronister taught at the University of Tulsa until 1956 when he joined the staff of Westminster Choir of Princeton, N.J.

Mrs. A. J. Emmons left Wednesday of last week to visit her sister, Mrs. Thomas Buck, at Old Ocean.

Mr. and Mrs. Billy Hill visited her parents, Mr. and Mrs. C. D. Messer, at Quail Sunday.

Rams Trip Bulldogs In Region Tourney

The sharp-shooting San Angelo Rams put on a brilliant first half shooting performance and then hung on to defeat the Clarendon Junior College Bulldogs by a score of 100 to 73 in the first round of the Region V Tournament in Amarillo Monday afternoon.

The Rams really got away from the Bulldogs in the second ten minutes of the first half. The Bulldogs started out like they really meant business and took a quick lead on two baskets by Felix Johnson and a field goal and two free throws by Bobby Lesley. However, the lead was short-lived as the smooth operating Rams worked into a 20-17 lead with ten minutes remaining in the half.

The second half was about even but the damage had been done. The Bulldogs came back fighting and at one time had the Rams lead cut to 19 points but fell back to the 27 point defeat. The Bulldogs played their hearts out but

just couldn't hit the basket. They could hit only 23 of 72 field goal attempts for a cool 30 per cent. They did fairly well at the free throw line, hitting on 29 of 44 attempts. Johnson and Lesley tied for high scoring honors for the Bulldogs with 13 each.

This game ended the season for the Bulldogs.

Among the week end visitors in the home of Mr. and Mrs. R. R. Riley were Mrs. Jim Evans, Mr. and Mrs. Jim Hill and Mr. and Mrs. Bill Ownby of Amarillo, and Mr. and Mrs. R. L. Anderson of the JA Ranch.

Mr. and Mrs. G. W. Estlack and Odos Caraway attended burial services for Mrs. J. W. Evans in Gainesville Friday morning.

Mrs. Jim Evans of Amarillo spent last week with Mr. and Mrs. R. R. Riley.

TRADE DAY WINNERS

Winners in the Trade Day event here last Saturday were \$26, Bud Hermesmeier; \$10, C. T. Bates; \$5, Troy Guy. Participating merchants listed on the first two tickets were W. E. Clifford Grocery and Household Supply Co.
